Mr. and Mrs. Luther Fowler Celebrate Their Golden Wedding Anniversary

Thursday, December 26 was the fiftieth anniversary of the wedding of Mr. and Mrs. Luther Fowler of Columbiana. Their son, Conrad M. Fowler and Mrs. Fowler, together with their daughter, Mrs. Rux Carter and Mr. Carter, invited the friends of the family to an anniversary celebration at the Fowler home.

From three to six o'clock in the afternoon a continuous line of callers crossed the threshold of the Fowler home to greet the honored couple and the hosts with warm friendliness and good wishes.

Mr. and Mrs. Fowler are outstanding among the most loved and respected citizens of Shelby County. They were married December 26, 1907, in Gadsden, in the home of the late W. T. Murphree. They came to Shelby County in 1912 when Mr. Fowler was appointed to a position of teacher of history in the Alabama Girls Technical Institute, now Alabama College. This was during the Presidency of Dr. Thomas W. Palmer. Mr. Fowler was with the college for five years.

The first newspaper venture of the Fowlers was in 1918 when he bought the Albertville Banner. Later he acquired The Talladega Reporter and brought it to Columbiana in 1923 as. The Shelby County Reporter.

Mrs. Fowler was in charge of the publication for several years after Mr. Fowler was elected Tax Assessor in 1935, which office he held 20 years.

The Fowlers have been active in church work and civic affairs. Mr. Fowler has served as Sunday School Superintendent of the Methodist Church in Columbiana, and for the past 10 years has been teacher of the Luther Fowler Bible Class.

Those from Montevallo who attended the anniversary celebration were Mr. and Mrs. W. P. McConaughy, Dr. T. H. Napier, Mr. and Mrs. Albert Scott, Mr. and Mrs. W. J. Kennerly, Mr. and Mrs. Fred Frost, Mr. and Mrs. W. M. Wyatt, Mrs. M. P. Jeter, Mrs. Lena Duran, Miss Mildred Meroney, Miss Eloise Meroney, Miss Virginia Hendrick, Mrs. M. L. Orr. Mrs. Willis H. Lyman, Mrs. Helia Y. Montgomery.

Others on the guest list were Mrs. Fred Sharp and her daughters, Mrs. Herman Dean Jr. and Miss Genta Sharp. Mrs. Sharp is Mrs. Fowler's sister.

Jesse E. Murphree, a nephew, and his daughters, Mrs. G. R. Smith and little son, Randy; Mrs. A. K. Brown and little son, Mike; Mr. and Mrs. Walker Fowler, their grandson, William and granddaughter, Sherry, all of Birmingham.

Mrs. Anna Striplin, Mrs. Walter Whitmire, nieces, and Howard Striplin, a niece, Houston, Texas; Mr. and Mrs. Joe Fowler and four children, of Oneonta.

Mr. and Mrs. E. C. Mott, Decatur, Ga.; Mr. and Mrs. W. H. Atkinson, Montgomery; Mr. and Mrs. Howard Parker, Sylacauga; Mr. and Mrs. Elmer Davis, Birmingham.

J. T. Phillips, Siluria; Mr. and Mrs. T. R. Nash, Alabaster; Mr. and Mrs. Fred McClendon, Maylene; Mr. and Mrs. Z. S. Cowart, Calera; Mr. and Mrs. J. O. Payne, Mrs. Herbert Fulton, C. B. Davis, Camp Branch; Mr. and Mrs. J. E. Bearden, Mrs. Joe Davidson, Helena; Mr. and Mrs. Andrew Drennan, Shelby; Mr. and Mrs. D. B. Smith, Mr. and Mrs. R. T. McGraw, J. Frank Wyatt Vincent; J. Frank Wyatt Jr., Barrington, Ill.; Mrs. Rosa Teague, Mrs. Juanita Williams, Mrs. Dan Cosby, Wilsonville.

The foregoing is the list of out-of-town visitors. We didn't obtain the names of the many Columbiana neighbors and friends who called to express their good wishes to the Fowlers.

Miss Ramona Dodd and William M. Beck Wed

Miss Ramona B. Dodd and William Morris Beck Jr., were married at the Montevallo Baptist Church, Monday, December 23rd at 3 p.m. with the Rev. Edward Glover officiating.

Parents of the couples are Mr. and Mrs. J. P. Dodd of Montevallo, and Mr. and Mrs. W. M. Beck Sr., of Ft. Payne, Ala.

Miss Amelia Dodd was her sister's only attendant. Mr. Beck served his son as best man. A small reception followed the ceremony.

After a wedding trip to Florida the couple will be at home in Tuscaloosa.

Heart Disease Is Leading Cause of Death

Montgomery — Heart disease caused more deaths in Alabama during October than the next three leading causes of deaths combined. According to a report prepared by the Bureau of Vital Statistics, State Health Department, there were 822 deaths from heart disease in that month. They occurred in all counties except Greene.

The next three leading causes and the total number of deaths from each were cancer 324, vascular lesions 317 and accidents 165.

These figures are provisional and may vary final reports are received.

HOSTESSES for the annual Christmas dinner meeting of the Montevallo Studiosis Club were (left to right) Mrs. J. W. Marshall, Mrs. R. C. Potts, Mrs. J. S. Plant, Mrs. A. W. Vaughan, Mrs. S. M. Mahan, Mrs. Earl McGaughy, Mrs. Phillip Lacey, Mrs. George Nix, Sr., Mrs. Dorothy C. Rohrer, Miss Ethel Marshall, Mrs. M. S. McGehee, Mrs. J. H. Wyatt, Mrs. W. E. Robinson, and Mrs. E. K. Bush. Mrs. G. N. LaGrone and Mrs Joe Myer, in charge of decorations, are not shown. (*Photo by Charlie Webster.*)

OFFICERS of Montevallo Studiosis Club are (left to right) Mrs. O. B. Cooper, parliamentarian; Mrs. E. H. Turnock, corresponding secretary; Miss Helen Newton, vice president; Mrs. Dorothy C. Rohrer, publicity director; Mrs. L. K. Birinyi, recording secretary; Mrs. W. L. Lawler, Sr., treasurer; Mrs. Lee Barclay, president. (*Photo by Charlie Webster.*)

SHORT ITEMS

More Trees Gone

It is noted that the trees in front of Montevallo High School have been cut down and up-rooted. This will doubtless be displeasing to those of us who are tree-sentimentalists. But our sentiments are not all that affects the life and place of trees. There are reasons for trees and reasons against them. Circumstances alter cases; and it may be that sentimental reasons are not the proper determination of what to do with trees. I predict we will have some more tree problems to solve during next year, if and when we get back to the plans of the State Highway Department for Main Street.

Salvation Army Truck

The Salvation Army Truck will be back in Montevallo again January 24. It will call at your home or place of business to pick up anything you may have to give. Usable things are such as clothing, newspapers, magazines, furniture, bric-a-brac, etc. If you want the truck to come to your place phone the Times-Herald 5101, and we will send them to see you.

This Will Be A Close One

Looking into 1958, politically, we see what promises to be a "shore-nuff" race for the office of probate Judge between incumbent L. C. Walker and Solicitor-Attorney Conrad (Bully) Fowler. It will be a good official of 24 years excellent public service trying to extend his tenure against the aspirations of a young man who shows every indication that he can and will be just as good in the Probate office as Judge Walker has been. We will see what the voters say about it in May.

My Old Friend Day

My old friend A. W. Day called up to have his name put on The Times-Herald subscription list for 1958. He wanted to know if I had any possum this winter. Yes, thanks to the FFA. Back in the times when I lived next door to Mr. Day he was mail carrier at Brierfield. Once in a while he would meet up with a good fat possum in the road, whereupon he would light out and catch him and bring him to me. He even got to where he would help me eat one now and then. He says he can't run fast enough to beat a possum in a foot race now.

Legion To Sponsor "Blue Crutch Day"

The Alabama Department of the American Legion, for the fourth consecutive year, will extend a helping hand during the 1958 March of Dimes campaign to the thousands of Alabama children and adults crippled by polio.

On January 4, members of Legion posts throughout Alabama will give of their time and efforts to direct the activities of "Blue Crutch Day", one of the main events of the '58 March of Dimes drive.

The little crutches are a grim reminded that the war against polio is far from won.

State Legion Commander John Wienand, Jr., of Montgomery, has announced the organization he heads is geared for an all-out effort on "Blue Crutch Day."

"The sale of the meaningful Blue Crutches by the Legion has produced $45,000 during the past three years," Wienand said, "and we intend to do better in '58."

"Many people have the idea that the Salk vaccine has ended the fight against polio," Wienand continued. " But this is not true. The fight is not over for those who were stricken before the development of the vaccine. These helpless victims are looking to us for help in rehabilitating them into useful citizens."

Working with Commander Wienand in preparing for "Blue Crutch Day" is Lawson Lynn, state adjutant. Lynn is equally confindent that Legion members in all parts of the state will do their part in the campaign.

"The Legion has always answered the call of those in distress, and I know the organization members will respond again January 4," Lynn said. "For those children crippled by polio, survival is not enough. By purchasing these crutches you will be helping toward making life worthwhile for those stricken by polio."

"Blue Crutch Day", which will be held January 4 in every community in Alabama, is one of several major events of the 1958 March of Dimes campaign.

Prominent civic and social leaders in all parts of the state have volunteered to aid in the drive, which marks the 20th Anniversary of the March of Dimes.

During its 20 years of service, the March of Dimes has given financial assistance to 350,000 victims of polio, saving thousands of families from financial diaster.

"Arkansas Travelers" Girls' Team To Play in Calera

"They don't come any better" is a pet phrase sportswriters everywhere employ in appraising Hazel Walker's sensational players, who've demonstrated their ability from coast to coast against many of the better men's teams in the nation.

They do, indeed, have to be the best to win a place on the Arkansas Travelers who meet the Shelby County Ramblers Jan. 20th. at Calera High School. Miss Walker, of course, sets the pattern. Often called "Miss Basketball", she was selected on the All-American team 11 times, a record which has never been topped. During the 14 years she spent in Amateur Ball, Hazel played on 5 National Championship teams and runner-up 3 years. She won the National Free Throw title 6 years and International title 2 years. Her record of 49 out of 50 tries from the foul line has never been equalled in National Tournament History.

Rounding out the team are 7 players, whose ability and finesse in the gruelling sport of basketball, is a constant source of amazement. They are the foremost performers of the day, making up an outstanding team that has been acclaimed the best anywhere in the nation.

The girls hail from Arkansas, Mississippi and New York. They include the one and only great, Collossal, Stupendous Francies "Goose" Garroutte from Van Buren, Arkansas—the 7 years veteran of the team. Greatest Professional player of all times, averages 40 and 45 points per game against the best of male opposition—plays pivot —excellent shot from right or left and a sensational one-handed "unorthodox" push shot few men stars can execute. An All-American Selection on Professional Women's teams 6 years and displays a fancy ball-handling exhibition during warm-up. Francies is Floor Manager of the team, 5' 11', weighs 155 pounds and plays every ounce of it.

Toby Rayborn from Tylertown, Mississippi, a package of TNT. being only 5' 8", weighing 150 lbs., strong, alert and the most outstanding passer on the Travelers team. She has a keen eye for the basket, great dribbler and a pleasing personality. Toby is playing her 3rd season as an Arkansas Traveler—having starred 4 years in high school—2 years in Southwest Miss Jr. College and was selected on the Mythical All-American Team the first National AAU Tournament she ever attended in 1955 just before turning pro with Hazel Walker. Toby is one of the most outstanding players on the famed Arkansas Travelers team.

Laverne Huffstatler from Tupelo and New Harmony, Miss., is a 6 footer—beautiful and talented weighing 155 pounds, holds her own with the best of the male players. After playing 4 years in High School, all-state selection 4 years, now a seasoned pro after playing two seasons with Hazel Walker, Laverne is ranked with the greatest. She has an uncanny eye for the bucket, great floor player and is billed by sportswriters and fans as the "Queen Of The Hardwood". Everyone will be watching this 6 foot beauty.

Virginia McGuffee from Monticello, Miss., is no newcomer to the pro ranks. She is playing her second season as an Arkansas Travelers and possesses outstanding natural ability, fast, agressive, graceful and one of the outstanding players of all times. She has had 4 years high school experience, 2 years College experience—making all-state and all-conference during these years and is a "natural". Jenny is 6' 1"—slender and agile—greatest reflexes ever displayed on the hardwood. She is even greater this season —outstanding on defense and offense.

Bobbie LaNoue, the only Yankee on the team—hailing from the heart of Brooklyn, New York with a basketball background a mile long. Bobbie is only 5-8 but resembles a tackle on a football team. Strong, alert and has one of the keenest eyes in basketball. A great scorer, play-maker and magnificent ball handler. She played with a number of teams in the East, the latest being Arthur Murrary team from New York. Bobbie appeared on Steve Allen's TV show displaying her trickery with the round ball. Even tho' Bobbie is playing her first season with Hazel Walker & her Arkansas Travelers, Hazel considers Bobbie a seasoned pro and all-America will be watching this bundle of dynamite night in and night out during this season of 1957-58.

Industries Announce Half Billion Dollar Investment in Alabama

Nearly a half billion dollars in new capital to be invested in Alabama by industry, utilities and industrial warehouse was announced during 1957 according to figures release by the Alabama State Chamber of Commerce in Montgomery.

Roland L. Adams of York, president of the State Chamber, said this total was the largest to be announced during a single year in Alabama's history.

Adams said this half billion dollar figure, actually $475,177,000, represents investment capital announced by private industries and does not include any Federal or State expenditures.

Public Utilities Invest

"There has been substantial industrial growth in Alabama in 1957," Adams continued, "but the real barometer of the State's progress is found in capital announced for investment in Alabama by public utilities." Alabama's utilities have announced plans to invest $368,433,00 in the State, Adams revealed, a positive sign of progress.

Largest utility investment announced was for $160,000,000 by the Alabama Power Co., with the Southern Co., planning a $150,000,000 investment. Southern Bell Telephone and Telegraph Co., plans to invest some 31 million dollars, Adams added.

Some 67 new and 46 expansions were listed by the State Chamber president for industry in Alabama during the year. Total capital investment for these new and expanded industries is $105,109,000, and more than 7800 new jobs will be available to Alabamans because of these new and expanding industries.

Utilities Expand

Although capital investment for new and expanded industry in Alabama is below some other years, John M. Ward, Executive Vice-President of the State Chamber, said this is because of a national trend as productive capacity in many lines has caught up with consumer demand. During 1957, Ward continued, Alabama had the greatest utility expansion announced in its history and with more than a million and a half dollars announced for new industrial warehouse construction, both these factors point to a sound economy in the State and continued economic expansion in the future. Ward called particular attention to expansion plans of 18 independent telephone companies in the State in addition to Southern Bell's plans.

Per Capita Income Up

State Chamber executives said reliable national estimates indicate for the second year Alabama would lead all 48 states in the percentage of increase in per capita income. It is estimated this percentage of increase for 1957 over 1956 in Alabama will be 6.6 percent as compared with 3.6 percent nationally.

This week U. S. Steel's American Bridge Division will tackle what is probably the biggest roof lifting operation ever attempted. Using 24 hydraulic jacks, the 1150-ton steel truss roof of the Air Force Academy dining hall now resting on the floor slab at the building site near Colorado Springs, will be raised 24 feet to the top of steel columns shown in place here.

Bulldogs Lose to Holt In Tournament Game

By S. DeMent

Montevallo Bulldogs bowed out early at the Bessemer Invitational Tournament Friday, Dec. 27, as they fell before the Ironmen of Holt in a 42-41 heartbreaker.

Both teams got off to a slow start, and the score after one quarter of play was 10-8 with Holt ahead.

After trailing 18-21 at halftime, the Bulldogs showed promise in the third period, outscoring Holt 15-6 that quarter. However, the fourth period saw the Holt five take a quick five-point lead as they sank three field goals and two free throws before Montevallo found the basket again.

Montevallo's top scorer was Jerry McNeel, who had 15 points. Charlie Houlditch scored 10 and Forrest Brown 9.

Next week the Bulldogs travel to West Blocton Tuesday night, and on Friday night they are host to county rivals, the Calera Eagles.

Alabama's Mines Increase Output

Washington, Jan 2— Alabama's mines produced 13.273,000 tons of coal in 1957, their biggest output since 1951, the National Coal Association estimated today in advance of official Bureau of Mines figures.

The 1957 production showed an increase over the 13,000,000 tons dug in 1956 from state's 196 underground mines and 39 surface stripping operations, which employ 8,800 miners.

However, the National Coal Association pointed out that production and employment would have been higher but for the flow of foreign residual oil which continues to flood coal's normal East Coast markets. This fuel, the residue left when gasoline and other products are extracted from crude in foreign refineries, cannot be used for home heating. But it displaced 39 million tons of coals under industrial boilers in 1957, eliminating an estimated 16,800 coal-mining jobs in the United States.

In addition, the equivalent of another 17 million tons of coal was refined in this country from foreign crude oil, damaging the coal industry further. The import of residual oil continued unabated in 1957 at the previous year's rate. There has been no reduction in its flow since 1954 when the President's Cabinet Committee on Energy Resources found that the volume of residual oil imports was a serious threat to domestic industry.

Alabama's all-time total coal output passed the 900,000,000-ton mark in 1956 and now stands at 923,855,000 tons. Coal production started in a haphazard way in the 1830's, but more than 120 years of digging have hardly dented Alabama's rich reserves which total more than 65 billion tons, enough to last hundreds of years .

LEGION JOINS IN POLIO FIGHT—Little Wayne Wilson of Montgomery was stricken with paralytic polio in 1950, long before the development of the Salk vaccine. For him, the fight against this crippling disease is not over. He will be joined in this fight January 4 when the American Legion sponsors "Blue Crutch Day", with proceeds to be used in the rehabilitation of 12-year-old Wayne and thousands of others crippled by polio. Directing the Legion campaign in Alabama are State Commander John Weinand (center) and State Adjutant Lawson Lynn, both of Montgomery.

Medical expenses present great opportunities for switching expense from one year to another.

As you no doubt know, medical expenses are deductible to the extent they exceed 3% of your adjusted gross income, but not more than $2,500 per personal exemption and not more than $5,000 on a separate return or more than $10,000 on a joint or head of household return. Exemptions for old age and blindness do not count. If You or your spouse are over 65 years old the 3% provision does not apply to you.

Now suppose that you have large unpaid medical expenses this year and will have even more in 1958. Well, you do not pay any of these this year. Wait until 1958 and pay them all in that year. This way you will have the advantage of the full deduction instead of losing 3% of your income this year as well as 3% of your income for 1958. This works the other way too.

Suppose you paid medical expense of over 3% of your adjusted gross income and will have a deduction and you still owe medical bills which you plan to pay in 1958. If you pay those bills before the end of the year they will be a deduction this year. You won't have to use them to make up 3% of your adjusted gross income for 1958 before you can start deducting again. If you do not have funds readily available it might be wise to borrow the money.

Let's see how that would work. Suppose you borrow $500 from a bank and repay in twelve monthly installments. Your cost for such a loan would be about $35. Now suppose you take this $500 and pay deductible bills with it. If you are paying taxes at the lowest rate, you will save $100. Your net profit on the transaction will be about $65.

Remember too, that any interest paid on borrowed money will become a deduction next year.

Tips on Touring

Who's Got The Car Keys?

Lost car keys must be one of the commonest – and least necessary – frustrations in modern life. Here are some tips for avoiding it.

Agree on one place the keys should be when they are not in use – a hook in the kitchen, a drawer by the telephone – and be sure

they are there.

Have a spare set of keys, and know where *they* are, too. A magnetized metal box will hold the keys under a fender or behind a bumper. Keys taped inside a hub cap are harder to get at, but they're safe enough. A spare set in your wallet is fine for you – but they may not help a would-be driver who does not have your wallet.

Copy the serial numbers off the keys and keep them in a safe place. Then if all keys are lost, you can have more made.

Never lay your keys inside the luggage compartment, even for a minute. If it's a self-locking trunk, it can be a very tough key-trap.

Take the keys with you every time you leave your car. This discourages thieves and saves you the embarrassment of locking the keys inside.

But what if the keys are locked inside? If a window is open a little, pressure may open it enough to let you reach the door handle. Sometimes a long hook made of a straightened coat hanger can be slipped by the no-draft window to reach the door handle.

U. S. CORN CHAMPS

250.85 bushels of corn from one acre of ground—that's the record of the U. S. corn growing champion for 1957. Lindon Ratliff, a 14 year old 4-H and F.F.A. boy from Prentiss County, Mississippi, follows in the footsteps of his brother, Lamar, who set the world mark of 304.38 bushels two years ago. The Ratliffs have set five U. S. records on their plot and have history's highest six year average yield of 234 bushels to the acre.

Keys to the Ratliff system are lots of fertilizer; a high-yielding adapted seed corn, Funk's G-711, planted thick; proper cultivation; and irrigation if necessary.

Couples Are Wed in Double Ceremony

Miss Phyllis Azalia Woolley and Kenneth George Holcombe; Miss Barbara Lynn Arrington and Charles Alfred Curtis Jr., were married in a double wedding at the First Methodist Church in Calera at 7:30 p.m. December 26. The Reverend Conrad Gilbert Crow of Louisville, Ky., performed the double wedding with double ring ceremonies.

Parents of the couples are Mr. and Mrs. Reese Lewis Woolley of Montevallo, Mr. and Mrs. George Wilton Holcombe of Calera; Mr. and Mrs. Walter Samuel Arrington of Birmingham, Mrs. Charles Alfred Curtis Sr., and the late Mr. Curtis of Calera.

Candles were lighted by Randy Woolley and Dorothy Arrington, brother and sister of the brides.

Miss Martha Ann Edge of Montevallo was Miss Woolley's only attendant. She wore a mauve pink waltz length satin dress made on Empire lines with matching bandeaux and scalloped veil. Her flowers were a cascade of red carnations.

The bride was given in marriage by her father. Her wedding gown of delustered bridal satin was designed on princess lines with long sleeves, a portrait neckline outlined in pearls and iridescents, and full skirt ending in a chapel train. The finger tip veil of illusion was attached to a chapeau of seed pearls and iridescent sequins. She carried a white lace prayer book covered with a cascade of white rose buds and valley lillies.

George Wilton Holcombe served his son as best man. Ushers were Reese Lewis Woolley Jr., and Randolph Berry Woolley, brothers of the bride.

The mother of the bride was dressed in aqua lace with gold accessories, and a corsage of yellow rose buds.

Mrs. Holcombe wore a toast colored lace dress with matching accessories. Her corsage was of champagne colored carnations.

Mr. Arrington gave his daughter in marriage. Her ballerina length gown was a candle light taffeta with bateau neck, long sleeves of chantilly lace, a moulded bodice with appliques of chantilly lace and a circle band of lace insertion on the bouffant skirt. An elbow length illusion veil was caught to a juliet cap of matching lace. She carried a bouquet of white carnations and valley lillies centered with a white orchid.

Mrs. Hugh Kirkland of Birmingham was Miss Arrington's matron of honor. She wore an ice blue silk sheath and matching bandeaux with veil. Her flowers were a cascade of white carnations feathered in blue.

Robert Lee Holcombe Jr., served his nephew as best man. Ushers were Zollie Stephen Cowart Jr., and Robert Elbert Bowden III.

The bride's mother wore a blue lace dress with matching accessories. The groom's mother was dressed in rose lace with matching accessories. They each had a gardenia corsage.

"Sputnik" Film Is Available For Showing

The local Westinghouse plant has available for showing to local organizations this week and next, a 29-minute black and white 16mm sound film featuring the first motion pictures of the Russian satellite "Sputnik".

In addition to the first United States motion pictures of the satellite and comments from some of the country's leading scientists, the film includes shots of the MIT computer which provided first accurate data on tracking the satellite's orbit and a section on the moonwatchers and the equipment they use.

The film is a kinescope of the half-hour show originally broadcast from WBZ-TV over Westinghouse Broadcasting Company TV stations one week to a day after the announcement of the launching of the satellite.

The film has already been scheduled for showing at the high schools in Montevallo and Calera, as well as the Rotary and Lions Clubs in Montevallo and the Lions Club in Calera, and to science groups at Alabama College. Organizations interested in seeing the film can make arrangements by contacting R. E. Ballentine or G. M. Strother at the Westinghouse plant.

WBYE—New radio broadcasting station of the Shelby County Broadcasting Co. at Calera will have its formal opening next Sunday. The public is invited to attend. Location of the station is on Highway 25 about a mile west of Calera. Elsewhere in this paper is the opening announcement of WBYE.

Du Pont Official Will Be Speaker at Chamber of Commerce Dinner Meeting

JOHN H. NOYES
Chamber of Commerce Speaker

Speaker for the Montevallo Chamber of Commerce's annual dinner meeting on January 17 will be John H. Noyes, Southern District Manager for the Du Pont Company's Extension Division. Mr. Noyes will discuss the role of industrial research and business enterprise in strengthening our national economy and improving the American standard of living.

His talk, entitled "Community of Progress," will be documented by display of a number of recent scientific developments, some so new as to be still in the experimental stage. Mr. Noyes also will cite examples of the inter-dependence of all segments of the American business establishment in creating today's progress and seeking solutions to tomorrow's problems.

Mr. Noyes, who makes his headquarters in Atlanta, joined Du Pont at Wilmington, Del., early in 1955 as a member of the public relations department's information division. Later, he was transferred to the Extension Division, where he served as manager of the Eastern District before being appointed manager of the Southern District.

He was graduated by Wesleyan University, Middletown, Conn., in 1944. After three years with the Navy during World War II, he became a reporter for the Port Huron, Mich., Times-Herald. In 1948, he went to the Dayton, Ohio, Journal Herald, where he spent five years as a reporter, radio newscaster, and editor. From 1953 to 1955, he was a member of the administrative staff of Wesleyan University.

SHORT ITEMS

Chamber of Commerce

Montevallo Chamber of Commerce met at the City Hall last Thursday night. M. S. McGehee, president, presided. Reports were heard from various committees. Plans for the annual dinner Jan. 17 were discussed. Don Lovelady, a member of the committee to plan the annual dinner meeting, has tickets for sale. New officers for next year will be announced at the Jan. 17 meeting.

Teachers To Meet

Vocational agriculture teachers of five counties will meet at Clanton Jan. 16 to discuss problems concerning their work. B. P. Dilworth of Auburn and O. C. Medlock of the SCS will be principal speakers. Chas. Knowles of Siluria and M. Thornton of Montevallo will attend.

Wilton Adult Classes

The adult class will meet again at Wilton Methodist Church Monday evening, Jan. 13. Mrs. Rebecca McGaughy will lead the discussion on subjects of interest to members in family planning and relationships.

A Pestorama

A "Pestorama" an event planned for two days at the Montgomery Coliseum, is expected to attract thousands of FFA boys and farmers, as well as others interested in learning the latest methods and materials for control of all kinds of pests. Everybody is invited to attend all or any part of the two-day event set for Jan. 20 and 21.

Columbiana Kiwanis Club Installs Officers

Lieutenant Governor Ralph D. Gaines, Jr. (4th District), of Talladega, was guest speaker at the annual installation services Thursday, Jan. 2, at the SCHS lunchroom. He installed new president J. D. "Buck" Falkner, vice president N. A. Jones, secretary Sam S. Pierce, and treasurer R. J. Ozley, and members of the board: J. T. Davis, O. G. Dexter, L. G. Fulton, Hoyt Grissom, Andy Hunt, Billy Nolen, and W. O. Parrish.

Guests were introduced by W. W. Elliott, new members by Robert Ticon, and the lieutenant governor by J. T. McDow.

Brief talks by retiring president Ross B. Mullins and President Falkner completed the evening's activities.

As customary, the affair was a "Ladies' Night" and Kiwanis members brought wives or other feminine guests. A delightful meal was served.

Reproductions of Famous Paintings May Be Rented

Students and faculty members of Alabama College and citizens of Montevallo now have access to a rental collection of reproductions of famous paintings through the art department of Alabama College.

More than 30 paintings are available for rent at the rate of $.50 a month. Included in the collection are reproductions of works by Renoir, Degas, Davis, Van Gogh, and Modigliani.

All works are framed. They are on display in the college art department.

THE BIBB COUNTY ROAD

Mayor Wyatt and Councilman Ralph Sears went to Montgomery Tuesday with a Bibb County delegation in the interest of the new Bibb County highway from Randolph south to the Chilton County line. Work on this part of the road has been stopped by the state for lack of money. The part of the road from Randolph north to Highway 25 will be completed this summer.

MAXWELL D. HARPER

FASHION SHOW JAN. 9

The Alabama College School of Home Economics is sponsoring a fashion show Thursday, Jan 9, at 7:30 in Comer Auditorium. The dresses and suits that will be modeled have been made in the clothing classes under direction of Miss Mabel Owsley. The public is cordially invited to attend.

College Appoints Two Policemen

Two men have been added to the Alabama College staff in the security department, Lee Barclay, college business manager announced this week.

Maxwell D. Harper was named daytime policeman. "During the early morning hours he will be in charge of security. During the daylight hours, his main duties will be traffic and parking control," Barclay said.

The college now employs two night watchmen, Charles Adams and H. Hall. "Hall was hired to increase the security of buildings, grounds, and college property," Barclay said.

A new system of traffic flow is now in effect at the college. Parking permits have been issued to students, staff, and faculty.

"The system was devised for the benefit of all drivers on the campus," Barclay said. "With the increased enrollment, particularly of students who commute, it was necessary to place restrictions on traffic direction and parking," he said.

The traffic regulations were drawn up by the college safety committee. Mr. C. G. Sharp is chairman of the committee.

Kiwanis Inter-Club Meeting

On Monday, Jan. 6, five Columbiana Kiwanis Club members met with the Centreville Kiwanis Club in the first inter-club meeting of the new year. New president, "Buck" Falkner, Hoyt Grissom, Billy Nolen, Charley Stuckey and George Starcher made the trip to Centreville.

MISS BECKY ASHBURN

College Gets "Package Deal": Professor and Lovely Coed

When Dr. Karl E. Ashburn came to Alabama College as chairman of the department of business administration this year, the college got a "package deal".

In addition to getting a new department chairman, the college got a lovely coed in the person of Dr. Ashburn's daughter, Becky. She was elected the top beauty of McNeese State College, Lake Charles, La., where she attended as a freshman last year.

She is majoring in pre-medicine. Her ambition is to be a pediatrician.

At McNeese, Becky was named La Belle, top beauty of the college, by her fellow students. She was a cheerleader, a member of the pre-medical club, and was on the homecoming court. She was also an honor student.

Becky's favorite subjects are in biology. She is a member of the Biology Club. She likes "the friendly people at the college".

"I like my courses and teachers at the college. Alabama College has some very fine professors", she said.

Becky hopes to enter Tulane University medical school in New Orleans upon completion of her pre-medical work.

"I guess eating is my biggest hobby," she said. She likes spaghetti, pizza pie, and shrimp. Her other hobbies are water sports and sewing. She likes to swim and water ski "in the summer".

"I enjoy sewing too. I make many of my own clothes," she said.

UNIQUE STUDY CLUB

The Unique Study Club met on Tuesday at the home of Mrs. R. E. Bowdon Sr., with Mrs. Lorraine McLaughlin as co-hostess.

Mrs. S. V. Wheeler presented the program on "Home Beautification", and a film on roses and their practical care was presented by Mr. Leo K. Calhoun of Oneonta.

The guests were Mrs. L. E. Gilreath, Mrs. Sam Green and Mrs. R. E. Bowdon Jr.

SCS Supervisors To Meet

John Lewis Cates, district supervisor for Shelby County, will attend the annual meeting of the Alabama Association of Soil Conservation District Supervisors in Montgomery January 13.

Three national leaders in soil and water conservaton will be among the speakers at the Monday session at the Whitley Hotel.

DAVID LINDSAY CHAPTER

David Lindsay Chapter, DAR, will hold its first meeting of the new year on Monday evening, January 13th, in Reynolds Hall Dining Room with Miss Annabeth Cash as hostess.

Mrs. T. H. Napier will present Professer David C. Huntley, who will discuss the topic, "The Cherokee Indian". Mr. Huntley, an associate professor of art at Alabama College, is assistant technical director of the Cherokee historical drama, "Unto These Hills" produced each summer at the Mountainside Theatre, Cherokee, N.C. Mr. Huntley is also a member of the original cast.

Mrs. C. L. Gormley announces that the main business of the evening will be the election of a nominating committee to select a slate of new chapter officers and also the election of a delegate to Continental Congress, which will be held in Washington, D.C. the week of April 14th.

Joan Parker, Vincent High School, was recently selected as Shelby County's DAR Good Citizenship girl according to Mrs. W. H. Lyman, chairman.

It is not too late to prune fruit trees, grape vines, and shrubs. All prunings should be destroyed and dormant spray applied.

State's Livestock Industry To Profit By New Insecticide

A big boost for Alabama's growing poultry, beef cattle and swine industries was forecast this week with clearance by the U.S. Food and Drug Administration of the first phosphate-type insecticide for dusting or spraying directly on the bodies of these farm money-makers.

Cleared for this purpose was the versatile insecticide malathion, already known for its effectiveness against a host of crop pests. Dairy cattle are excluded from the permissible uses.

On poultry, malathion will control chicken red mite, Northern fowl mite, poultry lice, ticks and flies; on beef cattle, horn flies and ticks and lice; and on swine, lice and flies. These insects cause annual losses of more than $300,000,000.

How important this use of malathion will prove in Alabama is seen in the fact that livestock and its products brought this state receipts of $97,858,000 in the first seven months of 1957 alone.

Permission to use malathion for these purposes comes at a time when many insects are showing marked resistance to chlorinated hydrocarbon insecticides, such as DDT. And unlike chlorinated hydrocarbon insecticides which cannot be applied closer than a month before slaughter, there's no time limit between last application of malathion and slaughter.

In dosage necessary for pest control, malathion has no adverse effect upon the health of the animals, and none of the insecticide remains in the animals' tissues.

Test data show that for poultry, the spraying of the interior of the poultry house will give control of the insects mentioned all at the same time, eliminating the necessity for more than one insecticide.

EBENEZER HOME CLUB

Mrs. H. A. Pauly entertained the Ebenezer Home Demonstration Club for the December meeting and party. Mrs. Pauly gave the devotional and the business meeting was carried out.

Mrs. Jimmy Spain was in charge of the Christmas program. Mrs. Ferman Albright, Mrs. Frank Frost, Mrs. Nathan Frost also participated. "Family Meals for Special Occasions," the demonstration, was given by Mrs. D. A. Hare and Mrs. Ferman Albright. There were two tables beautifully decorated for Christmas by Mrs. Hare and Mrs. Albright.

Games were played and gifts were exchanged. A very delicious ice cream cake was made from the demonstration and was served at the social hour along with nut bread, nuts, and coffee. — Mrs. Jimmy Spain, Reporter.

West Blocton Hands Bulldogs Fourth Loss

By S. DeMent

E. L. Nichols of West Blocton sank 15 free shots and 13 field goals to lead the Tigers past Montevallo 69-66 at Blocton Tuesday night. This loss evened the Bulldogs' record for this season at 4 wins and 4 losses.

Trailing 31-30 at halftime, the Bulldogs went ahead in the third quarter and at one point led the Tigers 45-38. But the scrappy West Blocton five, confident on their home court, closed the gap before the third period ended and came out of it with a three-point margin, which they held throughout the final quarter.

Leading scorer for Montevallo was Jerry McNeel, who hit ten from the charity stripe and seven field goals, for a total of 24 for the night's work. Forrest Brown scored 19 and Charles Houlditch 17.

Danny Thornton was top scorer as the Montevallo "B" Team took the preliminary match from Blocton "B's" 37-16. Cooter Smitherman had 8 and Reuben Hayes 6.

Montevallo plays Calera here Friday night.

Commander and Mrs. W. J. Gregg and son Robert of Pensacola visited the George Kendrick family last week.

Income Tax Fax

(Fourth in a series of articles prepared by the Alabama Association of Public Accountants, an affiliate of the National Association of Public Accountants.)

Do you want to make a sale now, but hesitate to do so because of the additional tax you would have to pay this year? Then consider selling now and reporting the profit on the installment basis. You can make the sale now, elect to report your profit on the installment basis and pay the tax on your profits as you collect the installments. If you make no collections in 1957, then you will have no tax to pay. In other words, don't pass up an opportunity to sell now at a profit. Make the sale and be sure that you collect 30% or less this year. Then make your collections in later years and report and pay the tax on the profit as you collect it.

You can elect to report your profit on an installment sale in installments as you are paid if—

(1) It was a sale of real estate and the total amount collected in 1957 was not more than 30% of the selling price;

(2) It was a sale of personal property where—

(A) The total amount you collected in 1957 was not more than 30% of the selling price;

(B) It was personal property not of a kind you would include in your inventory at December 31, 1957 if you still had it;

(3) The selling price was more than $1,000.

The total collected in 1957 cannot exceed 30% of the total selling price. This includes the down payment and all later payments collected in 1957.

If all the requirements under 1 or 2 above are met, then you can report your profit each year as you collect it.

This is how it works.

Assume that you sold your home in 1957. This home cost you $10,000 in 1940. The selling price is $15,000. Your profit is $5,000. Under the long term capital gains rates you are taxed on only 50% of this profit, that is $2,500.

Assume that you collect down payment of 10%, $1,500.

Your profit on this house is: Selling price, 100%, $15,000; Less your cost, 66.7%, $10,000; Profit, 33.3%, $5,000.

Then you would report as your long term capital gain for 1957 $1,500 received; 33.3% profit—$500. This would be taxed at the long term capital gains rate. so that 50%, or $250 would be taxed. If you made no collections in 1957 nothing would be taxed.

If you use this system be sure to pick up and report your profit on your collections each year as you collect them.

Education Agency on Alcoholism Starts Work

The newly established State Agency for education with respect to alcoholism is now swinging into action.

Nimrod T. Frazer, young Montgomery Korean veteran, has been named Administrator. His appointment was announced by Charles Abercrombie, Executive Secretary of the Alabama Commission on Education with Respect to Alcoholism.

The State Legislature, during its 1957 session, appropriated $150,000 a year for this purpose and for the establishment of outpatient clinic facilities and contracting with certain hospitals for treatment of acute cases of alcoholism.

Frazer received his A.B. degree at Huntingdon College, Montgomery, before going to Columbia University and the Harvard University School of Business Administration where he received his Master's degree. He was twice decorated in Korea.

STUDIOSIS WILL MEET

BENNETT CHERNER

Mr. Cherner is now operating the Jefferson Furniture Co., formerly Farris Appliance in Calera. He is a Bessemer man. He took over the business of Jefferson Furniture at the death of his father, Jacob Cherner, two years ago.

"I like Calera and think there is a good future here," said Mr. Cherner. The original Jefferson Furniture has been in business in Bessemer for forty years.

Days Set For Aiding Taxpayers

Aubrey C. Ross, Acting District Director of the Birmingham office has announced that special days haye been set aside for helping taxpayers prepare their Federal income tax returns.

"Taxpayers will be assisted from 8:00 a.m. to 4:30 p.m. Fridays and Mondays. In addition, they will be assisted on Tuesdays, Wednesdays and Thursdays during the peak periods January 21 through Feburary 6, and April 8 through April 15", he said. The office is located at 1531 Third Avenue North in Birmingham.

The Acting Director stated that last year's policy of asking taxpayers to do as much of their own work as possible would be continued. He pointed out that the program was well received throughout the nation, enabling the service to devote thousands of additional man-days to enforcement activities.

Ross suggests that taxpayers start the preparation of their returns at home and call Farifax 3-3421 if they need answers to questions. "Most questions can be answered quickly by telephone, saving the taxpayers a trip to our office", he explained.

He emphasized that taxpayers who cannot solve their problems by telephone should go to the office on a taxpayer assistance day. He promised that qualified employees will be available to advise them in completing the returns on those days.

Evidence of Faith In Alabama's Growth

THE expansion programs of Alabama Power Company announced from time to time in the course of the past year are an indication of our faith in the long range growth of Alabama.

Our construction of new generating plants and other facilities is made possible by the confidence of investors willing to advance the money for large scale projects in Alabama. An increasing amount of the money necessary for new projects is available in Alabama; much of it, however, must come from the outside.

Expansion in the power field with the tremendous investments necessary can go ahead only as other industry in Alabama expands or locates here.

New industries have received excellent cooperation from state, city and county governments over many years. It is essential that this cooperation be evident at all levels if industrial expansion is to continue.

We shall continue to work with others in the stimulation of such growth, which we are confident will come. We have unbounded faith that the last half of the twentieth century belongs to the South and that Alabama will get her share of the expected growth.

Have You Mailed Your Christmas Seal Check?

Is there an unanswered letter on your desk?

Have you made a mental note to be sure to attend to it tomorrow?

This is a reminder that the Christmas Seals in that letter might be the means of assuring many "tomorrows" for several people in Shelby County who inevitably will be stricken with TB next year.

The grand total Seal Sale in Shelby County through the week ending January third is $2003.43. Thus we are within a few dollars of our goal. A few delayed checks sent in now, in the final hours of the drive will bring the county up to its mark and will assure the people in this area who are either in doubt about symptoms of tuberculosis or who are sure that they have contracted the disease, a correct examination and treatment.

Most of the money collected in this county remains in the county to be used in spreading information about TB and in defraying some of the expenses incurred when a case is under treatment. The State and the county Board of Revenue and Control, however, supplement this fund with generous grants. If you have not already had a part in this fine work, remember that although the campaign is over, it is still not too late to have your contribution included in the county's quota.

Several FFA boys will participate with Dr. Lauderdale and the FTA at the recreational program January 24.

TO THE GOOD PEOPLE OF CALERA

We are asking for help for the Farrahs. We know them as Charlie and Mrs. Viola. They are a beloved couple, and have always been ready to help when the occasion arises.

Mrs. Viola was in the hospital in October and November. She broke her hip and later had an operation. She is now confined to a wheel chair and has to have an attendant.

Charlie has been able to work less than half time for two years. Now he is in the hospital. His condition is serious. His chances for future work are very slim.

They still have the larger part of Mrs. Viola's hospital bill to pay. No telling what Charlie's hospital bill will be. We know they are in dire need. The case has been investigated thoroughly.

We can make things better for them with only a small effort by each of us. If you will help, come by Sonny's Barber Shop near Pearl's Cafe and Calera Motor Co. Signed: W. M. (Sonny) Davis.

HOW COLD IS IT? Cold enough, certainly. Thermometers in Montevallo have registered 10, 12, 15 and so on. But here is a picture that shows it is really cold beyond what is usually experienced in these parts. The College Lake was frozen over from shore to shore Thursday morning. We notice there are no fishermen in the picture.

Polio—The Second Look

The decline in new polio cases in 1957 was truly one of the year's greatest blessings. But while we're saying "hat's off!" to the Salk vaccine, let's take a closer look at the polio picture. Is it really over? Can we now sit back and say "goodbye" to one of the most dread, costly and tragic of human diseases?

Tens of thousands of disabled polio patients know better. And so do March of Dimes volunteers now conducting the annual fund drive here and throughout the country. They can show you how visible polio is on the national scene.

For one thing they will point to the fact that 300,000 living Americans have had paralytic polio, half of them during the past decade. The National Foundation for Infantile Paralysis estimates that *one out of three of these still have some form of disability that can be remedied or alleviated.*

The volunteers will also tell you about the 57,800 polio patients who needed care and rehabilitation in 1957. That took $21,700,000 in March of Dimes funds. What is especially significant is that only 4,800 of them contracted polio last year. The rest—53,000—were victims of former years who still needed help. They'll need help this year too, many of them. The March of Dimes has allocated $21,100,000 for their care and rehabilitation.

These are not statistics. They're real people. The child with the crutches standing on the sidelines watching others play—that's polio. In hospitals and respirator centers, you can hear it in the steady breathing of the iron lung bellows and you can see it in the thin arm dangling at the side.

The March of Dimes continues to carry on its important role in serving humanity. The success of its current campaign will be measured in the success stories of polio's remaining victims—those who have not only survived the disease but are learning to live worthwhile lives again. The March of Dimes deserves all-out support.

FFA Members Win Magazine Sale Prizes

Clay Allen, a member of the Greenhand F.F.A. unit and a 9th grader, recently won an all expense paid trip to Miami, Fla., and Cuba. Participating in a campaign sponsored by Farm and Ranch magazine, Clay was able to sell $76 in magazine subscriptions to become the high man in sales in the chapter. Clay also won a Mossburg 22 rifle, a 410 shot gun, a fishing set, and several other smaller prizes. Prizes won by other F.F.A. members are listed below:

Rueben Hayes—pocket knife, western hunting knife, tri-color light and dagger.

Jimmy Eddings—billfold, pen and lighter set.

Jack Raspberry—wire fishing knife.

Steve Goad—table tennis set.

Olin Galloway—throwing dagger.

Ronnie Dennis—key case, lighter and pen set.

James McPherson—key case, lighter and pen set, dagger.

Danny Thornton—tri color light.

Glynn Cunningham—key case, lighter and pen set.

Jerry Edwards—pocket knife, pen and pencil set.

Bud Lucas—pocket knife.

Jerry Johnson—pocket knife and wire fish knife.

Edwin Booth—Tri color light.

Tim Birchfield—tri color light.

Ronald Mills—two Malayan daggers.

Billy J. Lawley— pocket knife.

Ben Harrison—pocket knife.

Tony Birchfield—9 way power light and throwing dagger.

All members participating in the sales campaign were awarded a prize based on the total amount each sold. No definite date has been set for the trip to Cuba but it will be sometime prior to the state FFA convention in Auburn in June. M. Thornton, local FFA advisor, has been invited to go along as one of the adults with the boys. It is expected that an 88 passenger Eastern Airline Plane will be filled with Alabama FFA boys and some of the advisors. Roy McAlister of Tuscaloosa is the representative of Farm and Ranch in this area.

FFA Members Receive Pine Seedlings

The local FFA chapter of the Montevallo High School recently received pine seedlings, courtesy of the Coosa River Newsprint Co.

Interest has been stimulated primarily by the leadership of M. Thornton, adult adviser of the Montevallo FFA Chapter.

This program of free give-away stock was initiated several years ago to aid in the forestry and conservation courses taught by the local chapter. This year a total of 10,000 seedlings was delivered by Coosa River Newsprint Co. personnel just prior to the Christmas holidays to insure each member ample time to initiate and complete his planting project. As a result of this annual program, a number of idle and cut-over acres have been restored to pine. Several of these plantations can be seen from various roads throughout the county.

Adults get lessons in Calera sewing classes

CALERA, Ala., Dec. 16—Extra-curricular activities in a school can often encompass more than has to do with the students therein. Such is the case at Calera High School.

As a part of its community adult work, this school is offering, through its Vocational Home Economics Department, a sewing class to women of the town who are interested in such study.

The class now has 27 members, mainly young wives and mothers, but some of them are grandmothers. Two are teachers and the others are housewives.

The course is a series of lessons in clothing construction, but later, if the "students" desire, they will enter the area of foods and housing. The classes meet one evening each week and last for about two hours. They are also now beginning work on Christmas gift ideas and holiday decorations.

SHOWN IN the accompanying photograph are some of the "students" as they learn how to properly place a pattern on the material and cut a garment. Seated left is Mrs. E. B. Nickerson, and right, Mrs. Jim Duncan. Standing, left to right, Mrs. J. H. Barefield, Mrs. John Kiriakos, Mrs. Arthur Davis, Mrs. Billy Akridge, Mrs. E. M. Smith, and Mrs. Avaline P. Childers, the teacher.

In the opinion of these Calera women, this is a valuable community service being offered by the school, for not only are they learning, but are having fun along with the learning.

Cold wintry days ahead . . . meet them with the vigor of sunny healthful citrus fruits . . . Farmer-to-you fresh eggs and choice Iowa bacons on special this week.

¼ cup melted butter
6 eggs
½ cup undiluted Carnation Evap. Milk
¼ teaspoon salt

Brown green pepper, onion and tomatoes in 2 tablespoons butter in skillet over medium heat (4-5 minutes). Remove vegetables from skillet. Beat eggs, Carnation and salt together. Cook egg-Carnation mixture in remaining butter over low heat. Stir constantly until firm. Mix eggs lightly with vegetables. Serve at once with crisp bacon.

Calera Library

Calera Library Branch of Coosa Valley Regional Library is open Tuesdays and Fridays, 1:30 p.m. until 5:00 p.m.

Mrs. Pilgreen, the custodian, requests that overdue books be returned promptly. We have set January 14 (Tuesday) as "Forgiveness" day. No fine will be charged for the books if they are returned by this date.

Ladies, if you have reached the age of retirement and want leisure reading try "A View From The Hill", by Sumner. If you missed the condensed form of Deal's "Dunbar's Cove", you can get the full length novel from your public library. Ask the librarian to reserve it for you if you find someone has borrowed it before you get to the library.

There's a new book about gardening: Hastings' "Southern Garden Book". Do you have to plan a program for some special celebration? It's not too early to begin. "High Days And Holidays" by Adams may have some suggestions for you.

If you do not find the book you need please ask the librarian to send a special request to headquarters library. We shall do our best to help.

Dr. and Mrs. Allen Standifer, Cathy and Wayne of Birmingham were Friday night dinner guests of the John Gates.

Mr. Bruce Nichols returned home last week from a Birmingham hospital, and is doing nicely.

Alaskans Are The Talkingest People

Alaskans have displaced Hawaiians as the talkingest people on the globe—as far as the telephone is concerned.

Alaska averaged 630 conversations per person last year to lead the talking list, according to "The World's Telephones," an annual survey released today by, J. L. Switzer, local manager for the Southern Bell Telephone Company.

Hawaii, which had been first the year before, came second this time with an average of 531 conversations per inhabitant. Canada reported 481, Sweden 455, and the United States 426. The world average was 51.

The new edition of the telephone facts-and-figures also shows:

Throughout the world more telephones were added during 1956 than ever before. The gain of 7½ million telephones brought the total number in use at the start of 1957 to 110 million.

New York had more telephones than any other city. Only three countries (the United Kingdom, Canada and West Germany) other than the U.S. had more than New York's 4,077,000.

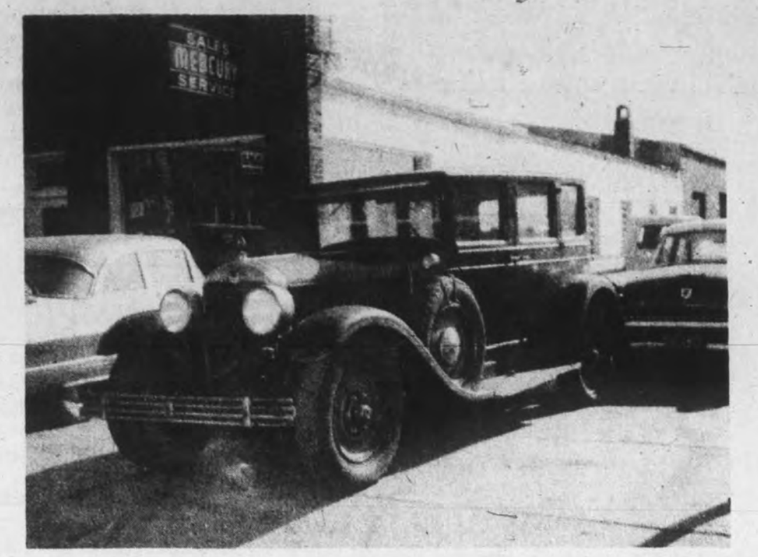

The U.S. had 35 telephones per 100 persons. Sweden ranked second with 32. The world in general had 4 per 100 population.

Washington, D.C., with 65 telephones for every 100 persons, was first among all cities in telephone density. Stockholm outranked other foreign cities with 56.

The 1957 edition of "The World's Telephones" also contains data on Hungary and Poland—the first telephone statistics to come out of these countries since 1948.

All of the information in the booklet relates to the beginning of 1957. It takes nearly a year to gather statistics from the more than 200 countries.

Lt. Charles Wilkes, commanding a Naval expedition to the South Seas and Pacific Ocean, on Jan. 19,1840, discovered a land mass which is now known as the continent of Antarcticia.

A REAL OLD-TIMER—This is a picture of a 1927 Cadillac which was traded in to Lovelady Motor Co. for a new 1958 Ford one day last week. With the Cadillac there was a complete kit of tools and appliances which came with the car when it was bought in 1927—such as tire patching, towing rope, and other things which were important to the motorist in those days, but many of which are not ever used nowadays.

Soil Conservation District News

A. R. Mazer, Mountain Brook businessman and new cooperator, has built a dam to SCS specifications just south of Chelsea. He has engaged R. C. Shirley, who contracted the dam, to clear several acres for pasture.

Roland Lester is raising his dam to give him three feet deeper water than originally designed by SCS. He is building a new 32-ft. spillway at the new elevation.

Many district cooperators are stopping by the office lately en route to the ASC committee office. They report plans to use "soil bank" to a greater extent than ever. Others are planting more than usual pasture acreage. Charles Thornburg, for instance, will plant 30 acres of fescue and giant white clover.

John Lewis Cates, district supervisor for Shelby County, is readying a report on 1957 district activities. Watch for this in an early issue of your county papers.

DR. JAMES GORDON GILKEY

Dr. Gilkey Speaks at Convocation

Dr. James Gordon Gilkey, retired Presbyterian minister, spoke to Alabama College students in convocation Tuesday on "The Unique American Civilization."

Dr. Gilkey said that the combining of five elements at the same time made up the American civilization. "Nowhere else has these five elements been brought together," he said.

"Room enough for all, natural resources, personal opportunity, personal freedom, and a priceless tradition of community-wide cooperation for solution of common problems" were the five elements named by Dr. Gilkey.

At the conclusion of his speech, Dr. Gilkey said, "I have said nothing about America's problems. Your generation will be able to solve the problems of the next 45 years only if you begin to face life, and realize what America has meant to the generations of the past," he said.

He was introduced by Rev. H. Davis Yeuell, pastor of the Montevallo Presbyterian Church.

Funeral Is Held For Wife of Physician

Funeral services for Mrs. Charlyne P. Barnes, 44. wife of Dr. Rhett G. Barnes, Birmingham physician, were held at 3:30 p.m. Sunday at Johns-Ridout's Chapel. Jack Meyer was the officiating minister. Burial was in Elmwood Cemetery.

Mrs. Barnes died Friday at her home in Siluria after an illness of several months. She was a native of Marion County and made her home in Birmingham about 20 years. She had lived in Siluria since June, 1953.

A charter member of the Homewood Church of Christ and a past president of the Shades Valley High School Parent-Teachers Assn., Mrs. Barnes attended Howard College and the University of Alabama.

She served as president of the Wisteria Garden Club, which nominated her best citizen of Shades Valley for 1952.

Surviving in addition to her husband, are a son, R. G. Barnes of Auburn; a daughter, Mrs. Lindell Wright of Birmingham; her mother, Mrs. W. A. Matthews of Birmingham and a granddaughter, Debra Sue Wright.

MOTOR MAIDS

It Takes More Than 20/20

By Jeanne Smith, Dodge Safety Consultant

"I DIDN'T SEE the other car!"—an all too-frequent explanation given for an accident—is actually not a valid excuse.

Miss Smith

It's the driver's responsibility to see everything on the highway. It is also his responsibility to recognize any hindrances to his vision—and to drive accordingly.

There are several reasons why motorists fail to see cars, pedestrians, stop signs or other objects in time to avoid an accident. Among these are driving too fast, fatigue, an obstruction at an intersection, blinding lights from another car—or inadequate vision.

One out of every six motorists needing special visual attention is unaware of his shortcomings, reports the Motorist's Vision Committee of the American Optometric Association.

Safe vision, from the standpoint of driving, is made up of four essential visual skills, the Association points out. They are distance acuity, proper field of vision, night vision and depth perception.

Distance acuity is the ability to see objects clearly, without blur, from 20 feet to many yards ahead. The AOA considers 20/40 vision (with or without glasses) a minimum requirement. Tests have shown that the average traffic sign with five-inch letters can be read at about 280 feet by the driver with 20/20 vision, at 113 feet by those with 20/40 vision and at only 90 feet by motorists with 20/50 vision.

Inability to read signs or spot hazards accounts for thousands of accidents, AOA officials believe.

Proper field of vision means being able to see over a large area without moving either your eyes or your head. This visual skill is important because many highway hazards must be seen from the side if they are to be avoided. An accident can be caused by "tunnel vision," in which the driver can see only straight ahead.

Night vision includes the ability to see adequately under low illumination, to see against glare and to recover rapidly from the glare of oncoming headlights. Driving in a semi-blinded state contributes to a high proportion of night driving accidents.

Depth perception involves the ability to judge accurately the distance between your car and other objects. Collisions can occur through misjudging relative distances of approaching cars.

The AOA has listed several recommendations for those who lack these visual skills; periodic eye examinations with special reference to driving; if glasses are prescribed, always wear them when driving; if troubled by headlight glare, cut down on night driving—and drive more slowly after dark.

Other recommendations: compensate for inadequate field of vision by turning your head to watch for danger; be extra careful in passing other cars if depth perception is poor, and avoid driving at high speeds.

There is no substitute for alertness and caution.

L. O. ROBINSON OUT AGAIN

Friends of Lellard O. Robinson were glad to see him able to go back to his job at Southern Cement Co. a few weeks ago after six months of recovering from an injury. He walks with the aid of a "walking stick" and says "I feel as good as ever and am ready to go again with my work at the plant."

Future Teachers To Hold Meeting

Alabama's educational leaders of the future will convene at Alabama College Jan. 24 and 25 for their 13th annual meeting.

More than 350 representatives of Future Teachers of America clubs and Alabama Student Education Assocition chapters from throughout the state will attend the convention.

The FTA is composed of high school students, and the ASEA is made up of college students.

The theme of the convention will be "Future Teachers—Hope of the Nation," said Dr. E. P. Lauderdale, extension director of Alabama College, and state ASEA sponsor.

Registration will be Jan. 24 at 1:30 p.m. The first general session will begin that afternoon at 2:30.

State officers for both organizations will be elected and installed Saturday morning. Both the FTA and ASEA are sponsored by the Alabama Education Association.

Mrs. Callie Locke, Montgomery, will represent the AEA in work with the groups at the convention.

Yvonne Anderson, Vinemont, senior at Alabama College, is state ASEA president. Mrs. Margaret Vines, Bessemer, is state FTA sponsor, and Anita Baines, also of Bessemer, is state FTA president.

"In this convention we will stress the importance of the teaching profession in our modern world," Dr. Lauderdale said.

The U. S. Navy is supervising the Spanish base construction program which includes four U. S. Air Force bomber bases and a Navy air-sea base.

WONDERFUL GIFTS—I met a lady the other day who had received a color telephone for Christmas. She said it was one of the most original gifts she'd ever had and was so pleased with it she wanted to order several for coming birthdays. Together we made the selections for her friends, and she also decided to order another for herself (the first is in her bedroom; the second is for the kitchen). How about you? Got any birthdays or anniversaries coming up? Why not give extension telephones in color—they're original, practical and so beautiful! Easy to give, too. Just call our Business Office and we'll handle all the details.

WHO'S NANCY? Nancy is a girl we all know. Lives right here in our community. She's pretty, popular, and very grown-up. Often she's wrapped up in a world of her own. But just let the phone ring, and watch her snap to attention. That ring may mean a date, a party, big news or just anything. But no matter what, it's IMPORTANT ... and she just couldn't be without a phone. In case you've guessed, Nancy is not really one girl but a composite of our local teenage misses, who are just finding out what we older folks have known all along. The telephone *is* important because it keeps us in touch, lets us do so many things quickly and easily.

Calera Man Dies In Auto Accident

Eugene West McDonough, 27, of Calera, was killed in an automobile accident Monday afternoon on Highway 31 between the cloverleaf intersection and the crest of Shades Mountain.

It is reported that he was going north, down the mountain, when his car got out of control, turned around, and crashed backward into a utility pole.

The crash caused the car to catch on fire. Homewood firemen answered the call, but were unable to bring the flames under control before the young man was burned to death. It was several hours before positive identification of the victim was made.

A veteran of Army duty in Korea, Mr. McDonough worked at Hayes Aircraft in Birmingham until a recent lay-off. He was married and the father of a 3-months-old child.

Judge Wallace To Speak at Calera

Judge George C. Wallace of Clayton will speak at Calera High School January 27 at 7:30 p.m. Music and entertainment will be furnished by the Calera High School Band and Glee Club.

Judge Wallace presides as judge of the third judicial circuit. He served in the legislature for six years, where he sponsored the Wallace Industrial Act, which allows cities and towns to issue revenue bonds to build new industries. Judge Wallace was elected as a delegate to the Democratic National Convention of 1956 and served on the platform committee. He has testified before the Senate Judiciary Committee against the Civil Rights Bill.

This will be a political speech sponsored by the Citizens Council. The public is cordially invited to attend.

L. L. Cameron, left, president of Calera Lions Club, is shown with District Governor "Bob" Ellis of Adamsville. District Governor Ellis made his official visit to the club Tuesday night.

Station WBYE Begins Broadcasts

The Shelby County radio broadcasting station, WBYE, went on the air last Sunday, beginning a regular day-time broadcast from the new station located on Highway 25 about a mile west of Calera.

Send-off for the station was an "open house" occasion at which hundreds of people visited the new offices and plant of WBYE as the guests of Marion Jones, station manager, and his staff of assistants.

The offices and broadcasting rooms of the building were gaily decorated for the opening occasion with a profusion of lovely flowers all over the place, adding to the enjoyment of the many visitors.

The glass-enclosed broadcasting booth, where program director, Frank Starr, was busy with his "on the air" program, was a most interesting feature that was attractive to everyone.

It is of course quite commonplace for arnybody to be on the receiving end of a radio program; but it was something new to most of the visitors to actually see the place and mechanics and manner where a radio program was in the making and going out on the air waves.

WBYE is on the air daily from 7:00 a.m. to 5:00 p.m., telling the world about Shelby County, world events of news as they happen, and a select program of good entertainment features.

Congratulations to WBYE, to the management and staff, and best wishes for future success.

Strother Finishes Leadership Course

G. M. Strother, Staff Supervisor at the local Westinghouse Welding plant, last week received a diploma after completing a course in leadership at the Dale Carnegie Institute held in Birmingham. In keeping with Company policy of encouraging further education of their employes, Westinghouse last week reimbursed Mr. Strother for the cost of the course.

As Staff Supervisor, Mr. Strother is in charge of order service, purchasing, shipping and other clerical functions at the local Westinghouse plant. He joined the company in 1954 as Order Correspondent and was rapidly promoted to his present position.

A resident of Wilton, Mr. Strother is Chairman of the Wilton Town Planning Board, Deacon of the Wilton Baptist Church and Superintendent of the Sunday School. He is also a member of the Shelby County Development Council and the American Legion.

Mr. Strother is married to the former Nell Sanders, of Wilton, and has one daughter, Nellie Gray.

Clearer TV Pictures

Pittsburgh, Pa. —Westinghouse researchers have found a way to eliminate those dark horizontal lines always present on your television picture. A simple, but basic change inside the picture tube causes the electron beam to wobble so that it cuts out the dark lines—an improvement which could lead to larger size television screens in the home.

Christmas Seal Donations Still Being Received

Contributions to the Christmas Seal fund still continue. Total reached last week was $2,126.45, but still short of Shelby County's goal. The continued additions to the fund indicate an aroused public understanding of the health needs of people in this area, and it is believed that by the time a halt is called in collections, this county's quota will have been attained.

If your contribution has not been sent, its receipt will help to wind up the appeal that has been carried on now for several weeks. Remember, every dollar is needed in fighting tuberculosis.

Chamber Elects Whaley President

The Montevallo Chamber of Commerce elected officers for 1958 last week. James Whaley is the new president and serving with him are Don H. Lovelady, vice president; M. Thornton, secretary, and Fred Frost, Sr., treasurer.

The annual dinner is being held Friday evening, January 17, at the Legion Hut. A feature speaker from the National Association of Industrial Development will be present. The occasion will honor Dr. Howard Phillips, president of Alabama College.

Those desiring to be a member of the Chamber of Commerce should pay dues for 1958 to Fred Frost, Sr.

Calera Civitans To Meet On Tuesday Nights

At a regular meeting of Calera Civitan Club January 13 the members voted to change the meeting night to Tuesday instead of Monday, because a number of the members have other meetings on Monday night. If this is not satisfactory, the meeting time will be changed again.

President Cowart gave the invocation. A delicious meal was enjoyed.

The fact was brought out that speakers from Alabama College are available and will be invited for a future meeting.

A report was given on the oratorical contest at Calera High School sponsored by the club. A discussion was held and plans will be announced later. We invite you to go to the school and hear these students and give them encouragement. It will help them, and you will enjoy it. "Builders of Good Citizenship" is our motto, and we feel that this contest is a help toward our purpose.

All members are urged to note the change in meeting night and to be present at the next regular meeting which will be Jan. 28 at 7:30 p.m.

ARKANSAS TRAVELERS MEET SHELBY COUNTY RAMBLERS

The Arkansas Travelers, all-girls basketball team, meets the Shelby County Ramblers, all men, at 8 o'clock Monday night at the Calera High School Gym.

The Hazel Walker combine is rated as the number one women's basketball team in the world today.

This match promises entertainment, showmanship and top-notch basketball.

Salvation Army Truck To Be Here Friday

The men's social service department of the Salvation Army under direction of Brig. Wilbur Young, has set a regular schedule for visiting the Montevallo community and picking up clothing, furniture, waste paper and other discarded materials which may be given by our people. The third Friday of each month has been set as the regular collecting day.

The next trip of the pick-up truck will be made Friday of this week, Jan. 17. If you have waste paper, clothing, furniture or anything that might be converted to use for the help of needy people, call The Times-Herald, Telephone 5101, any time, and your name will be placed on the list for the truck to come to your place on the next visit it makes here.

There are perhaps many things about your home which you have more or less discarded, which can be of use to someone somewhere. It is the business of the Salvation Army to take up such things and place them in the hands of some deserving family who will be helped by so doing.

TALENT SHOW

There will be a talent show at the Montevallo High School auditorium Friday, Jan. 31, at 7:30 p.m., sponsored by the PTA.

Admission prices are $1.00 for adults and 50 cents for students.

There will be prizes awarded to the top three contestants.

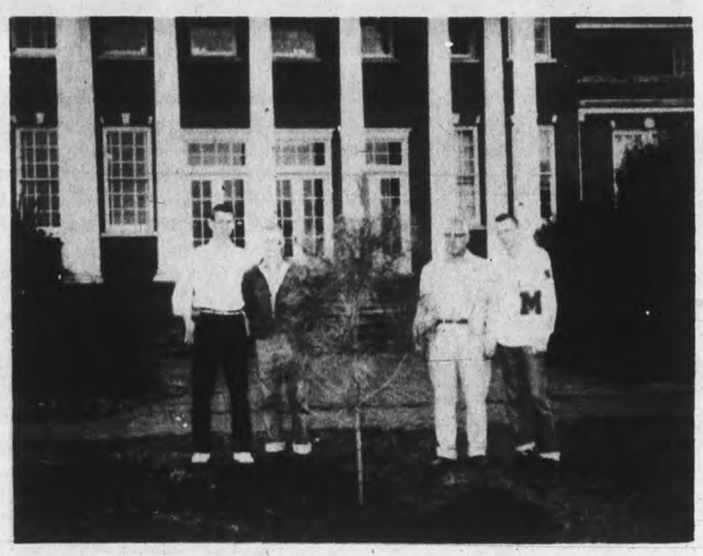

Anyone interested in appearing in the competition should contact George Nix or Dr. Kochman.

STUDENT COUNCIL PRESENTS TREES—Left to right, Guy Milford, principal; Leslie Harrison, Student Council president; B. W. Hamric, Student Council adviser; Lillie Pearl Carlee, secretary; Virginia Williams, treasurer; and Pat Allen vice president.

THEY PLANTED THEM—Left to right, Leslie Harrison, Johnny Greene, Mr. Ivey Sims, Edwin Fancher.

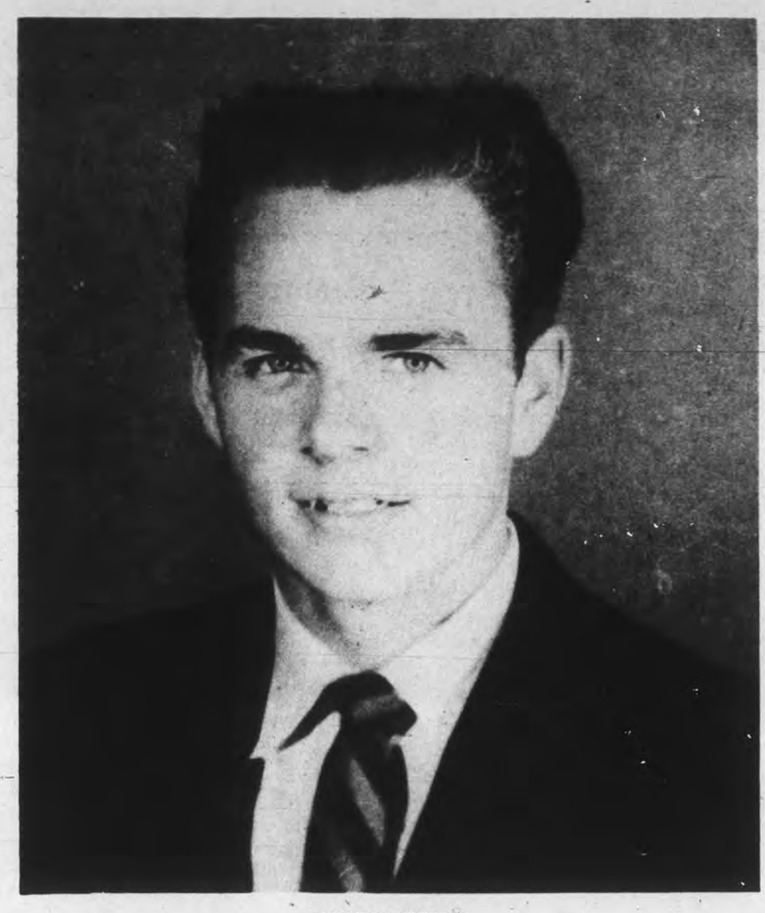

High School's Trees Removed

When students arrived at MHS Monday following the holidays, there were quite a few shocked faces. It probably took a minute for their minds to adjust to the sight—their "beloved" trees which had stood before MHS for so many years were gone and the building looked strangely bare. Everyone wanted to know "why?"

"The fact is, that if they hadn't been cut down, the trees would probably have fallen over and hurt somebody in a year or two," said Mr. Sims. The trees, according to Mr. Sims, were suffering from the Dutch-Elm Disease, which originated in Holland and found its way to America 25 years ago. When the disease hits, a little beetle gets on the tree and damages the function of the tree's water supply. After a while the leaves begin to fall, limbs become rotten and break off, and the roots die. Once a tree gets this disease, there is nothing anyone can do for it.

Already in this country the Dutch Elm disease has killed 40 million trees, and left 20 millions in danger. So, it was necessary that the trees be removed New Loblolly Pine trees have already been set out at the expense of the Student Council and two members of the organization, Leslie Harrison and Edwin Fancher helped with the planting. Johnny Greene also helped with the project.

With luck, in five or ten years there should be a row of fairly large pine trees in front of the school.

JOHN KIRBY

John Kirby's Hobby Helps Pay For His College Education

Hobbies sometimes pay off in a big way. John Kirby, son of Mrs. Mary Kirby, Montevallo, is using his hobby to help pay for his education at Alabama College.

In high school, John became interested in photography. He was a member of the Photography Club. John now earns part of his expenses by working as a photographer and dark room technician in the Public Relations Department of the college.

A freshman, John is majoring in chemistry. After graduation he plans to be a research chemist.

In high school, John was a member of the Science Club. He played trombone in the band and lettered in football two years. He was a representative to the student council, and was news editor of The Spotlight.

John was a member of FFA and was student manager of the basketball team.

"The main advantages of going to school in your home town, as I see it, are that you can talk over your plans and problems with your family, and for a person with limited finances, it is much cheaper", John said.

Funeral Held For Mrs. McGaughy

MRS. CORA McGAUGHY

Mrs. Cora C. McGaughy, age 82, of Aldrich, passed away Saturday, January 11, at 9:55 a.m. in Carraway Methodist Hospital, Birmingham. She had been a life-long resident of Montevallo and surrounding communities and a member of the Montevallo Baptist Church.

She is survived by one brother, Lish Johnson of Texas; 10 children, Mrs. Lillie Reid, Selma; Mrs. Effie Bearden, Aldrich; Mrs. Lottie Moody, Calera; Edgar and Marion McGaughy of Birmingham; Tom McGaughy of Aldrich; Sam, Herman, Herbert and Howard McGaughy of Montevallo; also 32 grandchildren, 51 great-grandchildren, and two great-great-grandchildren.

Funeral services were held at her request at the home of Tom McGaughy, Sunday, January 12, at 2:00 p.m. with burial at the Moore Cemetery. Services were conducted by the Rev. Delmus Anthony and the Rev. Edward Glover. Singing by the Aldrich Baptist Choir.

Active pallbearers were Raymond Bearden, Adrian Bearden, Leiford Emfinger, Hubert Cormack, Edward Alsbrook, and Shelby Renfro.

Safety Award Winners

What do you like best about your job? I think I get the greatest satisfaction from mine when I present the Carol Lane Awards for Traffic Safety to the three women and three women's clubs who organize and carry out the most effective programs for traffic safety

in their community or state. The 1957 awards, recently presented at the National Safety Congress in Chicago, honored some excellent work.

Mrs. Lewis Edmundson of Walsenburg, Colo., won first prize in the individual category for the outstanding assistance which she rendered to various individuals, groups and communities throughout Colorado in an effort to promote traffic safety. Second prize was awarded to Mrs. John E. Krueger of Milwaukee, Wis., and third prize to Mrs. Robert S. McClung of Omaha, Nebr.

The Urbana Business and Professional Women's Club of Urbana, Ohio, won first prize in the group category for the fine job it did in organizing the Champaign County Traffic Safety Committee. Second prize was won by the North Carolina Federation of Women's Clubs, Raleigh, N. C., and third prize by the Oklahoma Farm Bureau Women of Oklahoma City, Okla.

These Awards, administered by the National Safety Council through a grant of Shell Oil Company, are presented annually at the National Safety Congress in Chicago. Further information may be obtained from Miss Alice C. Mills, National Safety Council, 425 North Michigan Avenue, Chicago 11, Ill.

To Give Recital

Billie Mizzell of Sylacauga will give her senior piano recital in Calkins auditorium Sunday, Jan. 19 at 4 p.m.

Billie is a member of the College Chorale, Phi Alpha Mu, and Pi Kappa Lambda. She has a B-plus average.

A graduate of Sylacauga High School, Billie will receive her Bachelor of Music degree at the end of this semester. She will be employed at Parrish High School, Selma, as director of the junior high school chorus.

In high school she was a member of the Beta Club. She played clarinet in the band, and was the piano accompanist for the glee club.

The Sunday recital is a part of her degree work. It is open to the public.

Personal Heat Wave

The human body is an efficient heat "factory," Westinghouse points out. Instead of warming the body, all inanimate heating systems provide comfortable surroundings so that the body will not lose its own generated heat too rapidly.

Human Boiling Point

Even when sitting still, a person generates enough heat—100 watts—to bring a quart of water to a boil in one hour. This "boiling point" time would be shortened to 15 minutes by heat generated by a running person, say Westinghouse heating experts.

Jane Brett Named "Miss Thompson High"

Miss Jane Brett, 18-year-old daughter of Mr. and Mrs. Tillis Brett of Helena Rt. 1, was elected Miss Thompson High by vote of the student body recently.

The election was sponsored by the Student Council. A whole page will be devoted to her picture in the Thompson annual, The Warrior.

A senior, Jane has been a cheerleader for four years, serving for the past three as head of the squad. She has served as both first and second vice-president of the Student Council and was a Council representative two years. In the summer of 1957 she attended Girl's State in Montgomery as her school's representative, and she was one of the 1957 homecoming queen's two maids.

Other candidates for the title of Miss Thompson High were Pat Crumley, Agnes Massey, Gelene Owens, and Nancy Thomason.

A Mind Of Its Own

Pittsburgh, Pa. —Westinghouse has developed a new electronic brain which can "make up its own mind." Called Automex, the brain has a built-in intelligence which enables it to experiment in reaching a given goal, deciding at each stage whether or not it is taking the right steps.

PLAN HOMECOMING—Members of the executive board of the Alabama College Alumni Association are shown making plans for homecoming to be held at the College Feb. 22. They are (seated, left to right) Mrs. Kermit Mathison, Greensboro, president; and Helen Newton, Montevallo, executive secretary. Second row, Mrs. B. W. Coleman, Greensboro; Ethel Harris and Dr. Katherine Vickery, Montevallo; Frances Fuller, Birmingham; Mattie Lee, Hayneville; and Dorothy Hix, Birmingham. (*Photo by Ed Ewing.*)

Thompson School Graduates Plan Formation of Alumni Association

Twenty-seven persons representing 22 classes of Thompson High School graduates have taken first steps toward forming a Thompson School Alumni Association. The group met for dinner in the Thompson cafeteria Friday night, January 10, and voted unanimously to organize an association whose objectives would be establishment of a scholarship fund.

Representatives of each of the classes were given class rosters and asked to correct them and contact each member to let him know of the plans being made. Mrs. Iris Patton Goss and Mrs. Lucille Scott Farris were appointed to compose a letter to be sent to each graduate.

Willard Reneau, president of the class of 1937, presided at the meeting.

The idea for the organization of the alumni group originated October 10, 1957, when the class of 1937 reunited and were honored at homecoming.

The group also discussed a newsletter once the class rosters are corrected and of holding regular meetings.

Graduates of Thompson School who are interested in more information regarding the organization of the association may contact one of the following: Class of 1922, Mrs. Pauline Scott Rogan, Montevallo; 1923, Herchiel Dunlap, Alabaster; 1924, Mrs. Iris Patton Goss, Siluria; 1925, U. S. Eddings, Rt. 1, Montevallo; 1926, Mrs. Helen Nabors Johnson, Siluria; 1927, Mrs. Louise Walker Hoskins, Siluria; 1928, Mrs. Ruby Busby Tennyson, Rt. 8, Birmingham; 1929, John Kroell, Alabaster; 1930, Edward Nelson, Rt. 1, Siluria.

1931, George Hinds, Helena; 1932, Mrs. Viola Grubbe Bentley, Keystone; 1933, Mrs. Ruth Kirby Naish, Rt. 1, Siluria; 1934, Thomas D. Harper, P. O. Box 27, Alabaster; 1935, Mason Cumberland, Rt. 1, Helena; 1936, Mrs. Maxine York Peters, 501 Tamworth Lane, Birmingham; 1937, Luther Nunally, Birmingham; 1938, Mrs. Margaret Nash Montgomery, Alabaster; 1939, Mrs. Rena Kite Kent, Siluria; 1940, Ray Floyd Hines, Helena.

1941, Mrs. Frances Glass Thrett, 1108 Southwood Road, Birmingham; 1942, Bob Broadhead, Siluria; 1943, C. P. Walker, Alabaster; 1944, Mrs. Gloria Zuiderhoek Roden, Rt. 1, Siluria; 1945, Mrs. Voncille Carroll Jones, Rt. 1, Siluria; 1946, Mrs. Annette Glass Cardwell, Alabaster; 1947, James T. Patrick, Jr., Alabaster; 1948, Mrs. Bettye Busby Broadhead, Siluria; 1949, Mrs. Jean Cline Pryor, Rt. 1, Helena; 1950, Charles Bray, Helena; 1951, Nell Martin, Siluria; 1952, Doris Brogden, Siluria; 1953, Mrs. Peggy Peeples Genry, Alabaster; 1954, Miss Carolyn Posey, Siluria; 1955, Raymond Naish, Rt. 1, Siluria; 1956, Raymond Jones, Rt. 1, Siluria; 1957, Rhonda Lacey, Rt. 1, Siluria.

Preliminary arrangements for the January 10 meeting were made by Mrs. Frances Nabors Duke of the class of 1937.

Curry To Attend Baptist Meeting

Mr. B. B. Curry, the Associational Missionary and the Baptist pastors of Shelby County will attend the 11th Alabama Baptist State Evangelistic Conference January 27-28, 1958 in the First Baptist Church, Birmingham, Ala.

More than 1500 Baptist leaders are expected for the two day conference.

The Alabama Baptist Convention has adopted a goal of 35,000 baptisms for 1958. The Birmingham Conference will be a study of methods and procedures to reach this evangelistic goal.

The Program of Evangelism for Alabama Baptist is centered in the local church. The church is encouraged to conduct two revivals a year, to conduct a mission revival, to engage in soul winning visitation each week and to use all organizations for Evangelism.

The Rev. Vernon Yearby, Secretary for the Department of Evangelism for Alabama Baptist announced from his Montgomery office htat Alabama Baptist has "taken the pledge" for soul winning in 1958. Mr. Yearby stated "We have a warm and workable program of evangelism for each church member".

Mrs. Gloria McRae Sustar has accepted a position as private secretary at United Cement Co.

WHILE CAR PRICES WENT UP THROUGHOUT THE INDUSTRY, THE PRICE OF THIS CAR WENT DOWN

Here's good news: Ford has priced many of its '58 models *lower* than corresponding 1957 models! Ford Custom 300's are priced as much as $50 *lower* than last year. This is based on a comparison of manufacturers' suggested retail delivered prices.

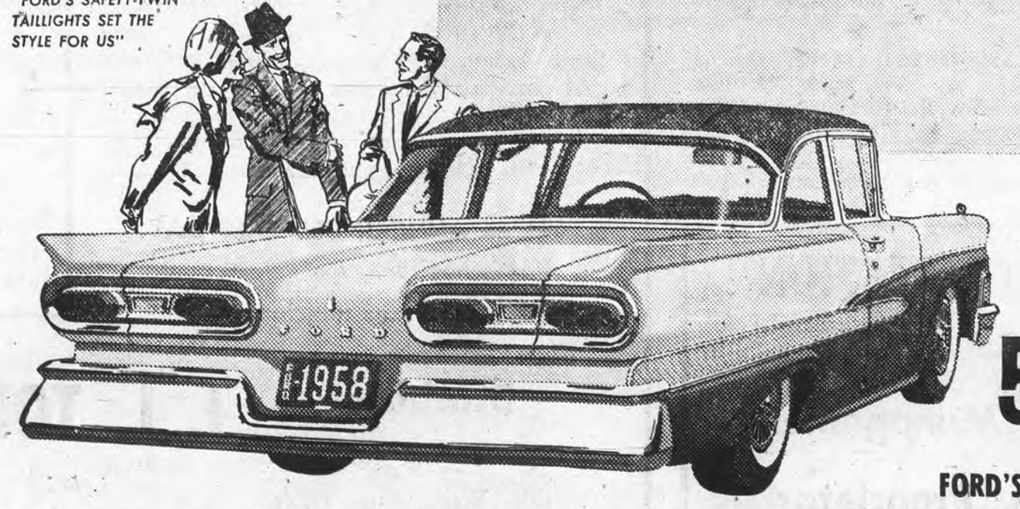

Who'd ever guess it's the lowest priced of the low-price three

In case you haven't yet gotten around to pricing this elegantly styled 58 Ford Custom 300, *put your mind at ease.* When you compare manufacturers' suggested retail delivered prices, you'll find that this Ford is priced lower than *any* sedan in its field. And Ford has the lowest-priced station wagon and convertible, too!

But price isn't everything. The 58 Ford was the first car ever to use the whole world as its test track! This meant taking the all-new Interceptor V-8, combining it with new Cruise-O-Matic Drive, and tackling some of the roughest roads we could find on three continents. This terrific power team *proved* it could handle any driving you'll ever do!

Funeral Held For John W. Tucker

Funeral services for John William Tucker, 88, of Montevallo, were held Saturday at 2:30 p.m. at the Methodist Church with the Rev. James H. Chesnutt and the Rev. Edward Glover officiating. The body lay in state for an hour preceding the services. Burial was in Montevallo Cemetery with Bolton-Walton Funeral Home in charge.

Mr. Tucker died Friday morning at the home of his daughter, Mrs. J. W. D. Galloway, after a long illness.

He was a native of Bibb County and an active church worker, having served as a steward on the Board of Directors. For more than 25 years he was a resident of Montevallo and one of the oldest members of the Methodist Church.

Survivors include: One daughter, Mrs. J. W. D. Galloway, Montevallo; four sons, B. B. Tucker, Alabaster; W. C. Tucker, Birmingham; M. J. Tucker, Jackson, Ala.; R. C. Tucker, Montevallo; two brothers, W. C. Tucker, Randolph; J. T. Tucker, Siluria; three grandsons, R. J. Glasscock, Miami, Fla.; H. H. Glasscock, Gadsden; A. E. Tucker, Birmingham; one granddaughter, Mrs. K. R. Tubbs, Atlanta, Ga.; six great-grandchildren.

Active pallbearers were Brewer Carpenter, Herman Stone, Clarence Chism, Charlie Adams, Melvin Smitherman, and Ollie Smitherman.

Rites Held For Charles W. Roberts

Funeral services were held at 11 a.m. Saturday for Charles Walter Roberts, 74, well-known construction superintendent, who died Friday at a Birmingham hospital.

The Rev. Edward Glover officiated at the Ridout's Valley Chapel service. Burial was in Elmwood.

Mr. Roberts had lived in Montevallo since retirement several years ago.

Prior to retirement, he was a superintendent for Algernon Blair Contractor and supervised construction of many large projects in the South. These included Central City and Smithfield Housing Projects and Legion Field additions in Birmingham, Sidney Lanier High School, Greystone Hotel and Post Office in Montgomery.

He was a deacon in Birmingham's First Baptist Church and a member of the Barraca Class. In Montevallo he was a First Baptist Church deacon and superintendent of the adult department.

Surviving are his widow; three sons, Homer S. Roberts, Purvis, Miss.; Jack A. and Thomas P. Roberts, Birmingham; two brothers, Lon Roberts, Gadsden; J. Tom Roberts, Auburn; two sisters, Mrs. C. R. Porter, Birmingham; Mrs. Ida Carter, Guntersville.

MONTEVALLO 4-H CLUB

The 4-H Club of Montevallo had its monthly meeting on December 17, 1957. The demonstration was on how to keep your clothes neat and clean. Two of the girls gave the demonstration and it was well done.

THIS WAS A REAL CLOSE ONE!

MONTEVALLO 37, CALERA 35

Montevallo had to come from behind a 35-31 deficit in the last three minutes of the game to edge out the Calera Eagles here Friday night, 37-35. Having begun the season by winning 4 straight and then suffering 4 consecutive losses, the victory-starved Bulldogs played with determination to win, but lacked their scoring punch against this county rival.

Taking the opening tip, Calera moved ahead as "Frog" Adams hit for two points. Jim Thrasher's field goal tied the count and Forrest Brown gave the Bulldogs the lead, which they held until the closing moments of the game.

Score at the end of the first quarter was 10-4, but by halftime Montevallo had extended the lead to nine points, 21-12.

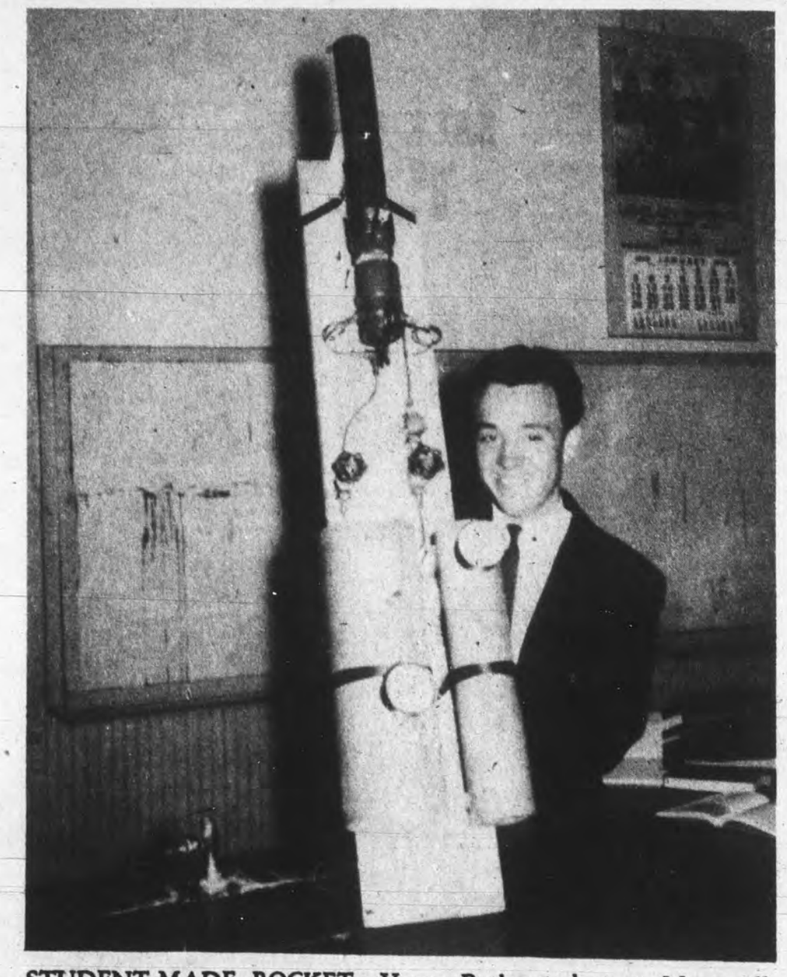

Flying back into the game in the third frame, the Eagles had whittled the Bulldogs' margin to two points, 29-27, as the quarter closed. As the final quarter opened, Jerry McNeel scored for Montevallo, running the count to 31-27. But the Eagles, by way of an 8-point performance by Tyus, flew past the Bulldogs and three minutes before the end of the game, led 35-31.

Winslett's field goal put the Bulldogs in the running again and Brown tied things up at 35. It was Brown again who burnt the net for two more to give the Bulldogs the 37-35 margin and victory.

Tyus for the losers was the top scorer. He had 16 points. Leading pointmakers for the Bulldogs were McNeel with 15 and Brown 12.

Montevallo's B team showed a fine spirit in downing the Calera B's in the preliminary match, 33 to 39. Eleven points by Reuben Hayes was the game's best scoring performance.

Montevallo plays Jemison here Friday night. The last time these teams met, the Bulldogs topped Jemison 56-39.

STUDENT-MADE ROCKET—Vance Bush, student at Montevallo High School, displays a rocket he is constructing. The fuel used is gasoline and compressed air. It is started with a transformer and spark plug.

Centreville Downs Montevallo

In a game much more exciting than indicated by the score, a tall Centreville five defeated Montevallo there Tuesday night 62-49.

Hitting the basket with an almost unbelievable accuracy from the field, three Bibb Counians hit in the double column. Ward had 19; Greathouse, 17; and Cox, 16. However, it was Montevallo's Jerry McNeel who took top scoring honors for the night as he sacked 21 points, as well as playing an outstanding game. Jimmy Thrasher, hitting the long ones, scored 18 points for the Bulldogs.

Centreville returns the match February 11.

B's Win

Montevallo's B's, showing tremendous hustle and scrap all season, took their preliminary match in a thrilling squeaker. The Bullpups, fighting all the way, outscored the Centreville B's 42-40. Donny Davis had 16 points to show the way for Montevallo.

Poll Tax Must Be Paid by February 1

At the request of The Times-Herald, Solicitor Conrad Fowler has prepared a condensed statement of the legal procedures necessary for new voters to follow in making sure that they do the proper things at the proper time in order to get on the list of qualified voters.

This is important now and there are many people who should take heed and get ready for voting in the important elections this year.

Remember, it will be too late if you wait until election day and find that you are not on the list. Get your status as a voter correctly established now.

How To Get It Done

Registered voters are required by law to pay poll tax in order to be qualified to vote. Poll tax is due October 1 for the privilege of voting in any election to be held during the forthcoming year. This tax must be paid on or before February 1. In addition to the tax for the year of the election, the voter must have paid the tax due from him for the preceding year. In other words, to be qualified, a registered voter must have paid tax due from him for the current year and the immediately preceding year.

Citizens may pay this poll tax by mail by sending it to L. C. Abbott, Tax Collector of Shelby County, Columbiana, or they may go in person to that office.

Persons who wish to register to vote may contact Mrs. Grover L. Cleveland of Wilton, Mr. Carlton Franks of Columbiana, or Mr. M. E. Millender of Harpersville, all of whom are members of the Shelby County Board of Registrars.

Persons who reach the age of 21 years after October 1 are not required to pay poll tax for the privilege of voting in the elections held during the next year because only that tax was due on October 1 is required to be paid.

To be eligible to vote, one must have registered and also paid the poll tax that was due from him for the current year of the election and the immediately preceding year.

One who fails to pay poll tax due by February 1 is ineligible to vote at any election, municipal, county, or state, that will be held during the same year.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

With the prospect of a long and difficult session ahead, the 85th Congress reconvened on Tuesday of last week under continued Democratic leadership.

In the House, the Democrats number 232 while the Republican Party is represented by 199 members. There are four vacancies that are expected to be filled in special elections by three Democrats and one Republican.

The margin of control in the Senate, where no vacancies exist, is considerably smaller with 50 Democrats and 46 Republicans making up the membership. .

Issues Ahead

Predictions are already being made that the Second Session of the 85th Congress will be unable to complete its business before Labor Day. With many important issues confronting Congress, these predictions may well prove correct.

Increased defense spending, with particular emphasis on an accelerated missile program, will undoubtedly receive top priority. In addition, there may be an early attempt to reorganize the defense set-up in an effort to bring an end to inter-service bickering.

Other issues that will probably be debated during the current session of Congress include an expanded civil defense program; scholarships for science students; increased postal rates; a strengthened foreign aid program; extension of the Reciprocal Trade Act; anti-racketeering legislation; further extension of corporate income and excise taxes; technical changes in other tax laws to eliminate existing inequities; proposed changes in the immigration laws; extension of the Small Business Administration; Alaska-Hawaii statehood; pay increases for military personnel, postal workers, and other government employees; and legislation dealing with agriculture, housing, and the regulation of natural gas rates.

State of the Union

A number of these issues were emphasized by President Eisenhower in his annual State of the Union message which he delivered personally to a joint session of Congress last Thursday.

The President's message was well received by most of the members of Congress although his recommendations were more general in nature than some had expected. He indicated, however, that he would spell out his legislative requests more specifically in his subsequent budget and economic messages.

Mrs. Lucy Lemley is ill at her home.

Claude A. Lutz, Jr., 2½ years old son of Mr. and Mrs. Claude A. Lutz Sr., of Aldrich was buried Friday, Jan. 10th at Macedonia Cemetery. The Rev., Alton Holsenback officiated at the funeral services. Mr: and Mrs. Lutz have two other children, a daughter and a son.

CALERA HOME CLUB

The Calera Home Demonstration Club met at the Town Hall January 10 with 13 members and one visitor present.

Miss Cotney had charge of the program on family health. She stressed the importance of keeping a personal health record.

A report of the effective work of our Shelby County Board of Health program was given. This was under the direction of Dr. and Mrs. Sloan. County nurse services were recognized as outstanding.

Ways and means of aiding the health program were discussed, and the importance of contributions to the funds for medical research was agreed to be of vital importance.

Plans were made for officers to attend workshop and planning programs in Columbiana.

Jack Jones and his two lovely little girls, Linda and Anne, of Fairfield Heights, were visitors to Montevallo one day last week. The girls are students at the Rutledge Springs School.

Lt. Gene Baldwin Gets Promotion

First Lieutenant Engene F. Baldwin, grandson of Mr. and Mrs. Robert Edward DeSear, has recently received notice of his promotion to captain. At the same time he also received a commission in the regular Air Force.

At the present time Captain Baldwin is serving as Aide de Camp to General Clifford H. Rees, Commander of the 20th Air Division, Richards Gebauer Air Base, Kansas City, Missouri.

In April, Captain Baldwin will attend a short course at the Air University, Maxwell Air Force Base, prior to reporting to Mississippi State College, Starkville, to assume duties as assistant professor of Air Science.

Captain Baldwin entered aviation cadet training in 1951. Upon graduation he attended jet transition school and Air Force Instrument School at Moody Air Force Base, Georgia, followed by a course at allweather jet interceptor school, Tyndal Air Force Base, Florida. He was then assigned to the 68th Fighter Interceptor Squadron in Japan and Korea until June 1954. Following his return to the United States he flew with a fighter intercepter squadron at Minneapolis, Minn Captain Baldwin was then appointed detachment commander of the Ground Observer Corps Filter Center, St Joseph, Missouri. While at this assignment he became Aide de Camp to General Ress.

Welding Dept. Manager Visits Westinghouse

H. J. Bichsel, Engineering Manager of the Westinghouse Electric Corporation Arc Welding Department at Buffalo, N.Y., was principal speaker at the January dinner meeting of the Birmingham Section of American Welding Society Tuesday, January 14, at Gulas' Restaurant in Birmingham.

E. H. Turnock, Elec.rode Engineering Manager of the Arc Welding Department and Supervisor of Engineering at the Montevallo Westinghouse Plant, introduced Mr. Bichsel. Speaking on "Power Sources for Arc Welding," Mr. Bichsel, who is responsible for the design and development of all Arc Welding equipment and processes for the Westinghouse Electric Corporation, discussed all types of power sources being used for arc welding in industry at the present time.

Members of the Montevallo Westinghouse Welding Plant attending the Birmingham meeting were Mr. Turnock; L. K. Birinyi, Engineer; E. K. Bush, Foreman; D. J. Zucco and Cecil Dennis, Laboratory Technicians; B. J. Blackerby and Rudolph Jones, Process Controllers; and F. O. Powell, Welding Salesman for the Birmingham District.

Mr. Bichsel visited the Montevallo Plant on Wednesday and Thursday, and on Wednesday evening Mr. and Mrs. Turnock entertained with a dinner party at their home on Crestview Drive in his honor. The party was attended by the Montevallo Enginering group.

Thompson Students In Oratorical Contest

Nancy Lucas and Donna Carden will represent Thompson High School in the Birmingham News Oratorical contest. They were chosen in an assembly Wednesday, Jan. 8.

Nancy, winner in the senior division, is the daughter of Mr. and Mrs. James T. Lucas of Alabaster. Donna is the daughter of Mr. and Mrs. James Carden of Siluria Route 1 and will represent the school in the junior division.

Joyce Moore, daughter of Mr. and Mrs. Clyde Moore, Columbiana Route 2, is the alternate in the junior contest.

Other contestants in the school eliminations in the senior division were Bobby Huckabee and Kay Lacey. In the junior division others who competed were Hilda Creamer, Barbara Garrett and Barbara Smitherman.

Acting as judges for the school eliminations were Mrs. J. M. Johnson, Mrs. Jim Curtis, and the Rev. J. H. Smith.

Mrs. John May was admitted to Carraway Methodist Hospital Sunday after suffering a broken hip.

Pink Christmas

Bloomfield, N. J.—The familiar idea of a "White Christmas" may give way to pink this year. Westinghouse has introduced a complete line of pink Christmas tree bulbs, and a number of other manufacturers are offering a wide variety of pink decorations—including tree ornaments, tinsel, artifical trees, and electric strings and sockets.

Mr. and Mrs. Earl McGaughy left Tuesday night by plane for Miami, Fla., where they are attending the National Dry Cleaning Convention. Last year the McGaughy's were in Atlantic City for this annual four day meeting.

Income Tax Fax

(A series of articles prepared by the Alabama Association of Public Accountants, an affiliate of the National Association of Public Accountants.)

Do you have some bills you are never going to collect? If so. let's take some action now to show that they are uncollectible and claim them on this year's tax return.

Loans to relatives or friends can be deducted as bad debts. However, they are always given very close scrutiny and you should be prepared to prove the money was in fact a loan; that you have made every reasonable effort to collect, and that it was in no way, shape or form, a gift.

You cannot get a bad debt deduction simply because you do not choose to force collection. Turn those bad accounts over to your attorney or collection agency for action. Do it now if you want to deduct the bad debts this year.

Your bad debts are deductible if—

(1) A valid debt actually was made in 1957 or existed January 1, 1957 and something happened in 1957 that made you believe the debt never will be collected.

(2) The amount of the bad bebt must have been included in your income or been a part of your capital. You cannot have a bad debt deduction for uncollectible wages, fees, rents, etc. If you are a merchant and have a bad debt arising from sales or services, you cannot deduct the bad debt unless you have included the sale in income.

If you are in business your business bad debts are deducted together with your other business costs, on separate Schedule C of the tax return.

If your bad debt is a personal debt the deduction is made on separate Schedule D of the tax return as a short term capital loss. Such losses cannot be deducted from other income in an amount over $1,000 per year. However, they can be deducted from capital gains in any amount.

If you have a bad debt loss of more than $1,000, take $1,000 this year and carry the balance over to 1958. You can deduct $1,000 per year for the next five years, if your loss amounts to that much. You can take it all in any year that you can deduct it from your capital gains.

OFFICERS INSTALLED—Retiring President Ross Mullins, left, of the Columbiana Kiwanis Club is shown passing the gavel to 1958 President J. D. "Buck" Falkner, right. Looking on from center is 4th District Lieutenant Governor Ralph D. Gaines, Jr., of Talladega, who installed the club's new officers and board. Others having parts on the program were S. S. Pierce, W. W. Elliott, Robert Ticen, J. T. McDow and Conrad Fowler.

Home Ec. Students Study Child Development

The Home Economics II class of the Montevallo High School is engaged in the study of Child Growth and Development.

In this unit the students try to get a good understanding of the physical, emotional, social, and mental development of the young children between 18 months and 6 years of age.

Suitable food and clothes for the young children have been considered. Ways and means of helping children develop good food habits were stressed. Before the Christmas holidays the class studied the importance of play in a child's life. Exhibits of suitable toys and books for different ages were examined. The girls found this information helpful in making selections of Christmas gifts for young children.

In order to observe young children in group play the class members planned a series of play school occasions. The play schools last for one hour. During this time the children are observed as they engage in free play. Periods are provided for listening to records and stories selected for the participating age groups.

As the students watch the children they observe their individual differences as they engage in solitary, parallel, and cooperative play. A class committee served simple refreshments of fruit juice and crackers to the small guests.

On the day following each play school period, the class members evaluate and discuss their observations of the children's behavior.

Children who are participating in the play school are: Stephen Glover, Debbie Weaver, Bill Nathews, Shirlene Morgan, Joane Murray, Janice Tinsley, Becky Smitherman, Susan Jones, Wanda Jones, Phillip Harper, and Jeanette Corbett.—Orpha Sue Melton, Student Teacher.

It's one of Chevrolet's dollar-stretching Delrays!

The handsome Delrays are the lowest priced of all the low-priced Chevrolets. And they're full-size Chevrolets—wider, lower and nine lively inches longer. In size, in style, in fine details and construction, no other car priced so low gives you so much!

When you're thinking about buying a car because of its extra-low price, there are two things it pays to watch for. First, be sure you get full measure when it comes to size. Don't settle for a cut-down bargain model. Second, be sure you get all the equipment and conveniences that you'd normally expect to be standard. Look for such everyday things as an instrument panel switch for the dome light, a booster for vacuum windshield wipers and crank-operated vent windows.

Chevrolet's Delray models are the lowest priced in the line. But they're *full-size* Chevrolets—wonderfully lower and wider, with the same increased length as other models. They're *all* Chevrolet, with bold new sculptured styling and beautiful Body by Fisher. And they're equipped to do you proud. Nothing else near the price has what's in *this* package. 'Candidates' Eye Legislature Race

The Times-Herald this week has had the honor of visits by two seriously-considering candidates for Representative of Shelby County in the next legislature of Alabama: Jimmy Sharbutt of Vincent and John Cates of Columbiana.

Waiting For Filing Date

We got the impression from our talks with these gentlemen that they have their minds made up to get into the race, and are only waiting until after the State and County Democratic Executive Committees have met and officially arranged for the party primary, immediately after which they will make formal announcement as candidates and begin to shake the bushes for votes.

Mr. Sharbutt gave us a statement of his intentions for publication this week. It is in this issue of the paper.

While he did not actually go into print with a statement, Mr. Cates was equally as positive in his verbal assertion of his intentions to make the race.

Another Prospect

Concerning another prospective candidate, Mr. Frank Thiemonge of Montevallo, we have heard numerous statements that he intends to get into the legislature race also. Moreover, we have had occasion to observe Mr. Thiemonge recently, upon which we feel warranted in saying that he acts like a man who has decided to take the plunge.

Just for the heck of it, we called Frank on the phone today to see how his pulse is beating on the subject. We found him chomping at the bit and rarin' to go. Here is what he said: "I have had many, many friends to ask me about making the race. They express the confidence that my experience, training and ability as a business man will provide the kind of representation our county needs in the next legislature. In the hope and personal confidence of being able to measure up to this estimate and expressed confidence of my friends, I am prepared to say that I will offer myself in this most important service to the people of our county and state."

Each Section Represented

So, it appears that we will have a candidate for representative in the extreme eastern end of the county (Vincent); one in the extreme western end (Montevallo); and one right smack-dab in the middle of the county (Columbiana). And, for all we know, there may also be another. The line will begin to form next Tuesday.

GUEST—Dr. Howard M. Phillips, president of Alabama College, was guest of honor at the Montevallo Chamber of Commerce annual dinner Friday evening. He is pictured with John H. Noyes, southern district manager of the Du Pont company's extension division, who was the main speaker, and M. S. McGehee, former president of the Montevallo Chamber of Commerce. Chamber Holds Dinner Meeting

The annual dinner meeting of the Montevallo Chamber of Commerce last Friday evening at the Legion Building was an occasion fully worthy of putting down in the book.

There were four main purposes of this noteworthy event, each and all of which were carried out impressively:

I. To honor Dr. Howard Phillips, new President of Alabama College, who was appropriately presented by Ralph Sears, Public Relations Director of the college.

II. To hear an unusually impressive and entertaining after-dinner speech by Mr. John H. Noyes of the public relations department of the DuPont Company. Mr. Noyes was the delightful result of the effort of Dr. Karl E. Ashburn to secure a guest speaker for the meeting.

III. To receive the inimitable presentation of the new Chamber of Commerce President, James Whaley, by our budding legislator, Frank Thiemonge.

IV. To eat a delightful turkey dinner prepared and served by the ladies of the American Legion Auxiliary.

In addition to a good turn-out of members of the Chamber of Commerce and other local professional and business men, the occasion was embellished by the presence and participation of several visiting dignitaries such as Representative (may be Governor) Karl C. Harrison of Columbiana; Mr. Nelson Fuller of Centreville, Chairman of the Executive Committee of the Board of Trustees of Alabama College; Mr. O. C. Farris, Mayor, and Mr. R. E. Bowdon Jr., former Mayor, of Calera; Dr. John E. Bryan, Executive Secretary of the Birmingham Chamber of Commerce; and Mr. Paul Sieberling, representing the Committee of 100 of Birmingham.

And a good time was had by all. (I know this closing sentence is what you might call "stereotyped" — but isn't a newspaper supposed to use streotype sometimes?)

Funeral Services Held For Mrs. Myrtle Day Terrell

Mrs. Myrtle Day Terrell, age 69, of Marvel Route 1, died Saturday morning at a Birmingham hospital. She is survived by 4 daughters, Mrs. H. V. Stone and Mrs. A. H. Gentry of Montevallo; Mrs. K. E. Locks of Eglin Field, Fla.; Mrs. W. P. Birchfield, of Marvel; one son, James P. Terrell of Marvel; 8 grandchildren; one great-grandchild; one sister, Mrs. Leta Hall of Herrin, Ill.; one brother, Joe W. Day, of Cartersville, Ill.

Funeral services were held at Mayberry Baptist Church Sunday. Interment was in Six Mile Cemetery. The Rev. Charles Jones and the Rev. Edward Glover officiated at the services.

CURRY WARD GETS DALE CARNEGIE DIPLOMA

Curry R. Ward, one of Wilton's native sons, recently received a diploma in a course in Leadership at the Dale Carnegie Institute.

Curry started work with the Cola-Cola Bottling works at graduation from high school, and has been a saleman with the company for the past 10 years. He is a World War II veteran, the present Mayor of Wilton, a member of the Shelby County Development Council, Deacon in the Wilton Baptist Church, and teacher of intermediate boys in the Sunday School.

His wife is the former Miss Ann Rhodes. They have two little daughters.

Rúth Stovall, state supervisor of home economics education, has been named Alabama College Alumna of the Year.

The announcement was made by Helen Newton, executive secretary of the Alumni Association, following a meeting of the executive board of the association.

Miss Stovall will be presented at the alumni luncheon at homecoming Feb. 22.

Homecoming is held at Alabama College in conjunction with College Night, a three-night music, art, drama festival.

MISS RUTH STOVALL

Miss Stovall will be the guest of the student body for the Saturday evening College Night performance, and will receive a sterling silver trophy engraved with her name.

Miss Stovall was "Woman of the Year" of the Progressive Farmer magazine in 1955.

She is past state president of the Alabama Home Economics Association, and is a life member of the American Vocational Association.

Miss Stovall obtained her B.S. degree in home economics education from Alabama College, and received her master's degree in education from Cornell University. She is state adviser of the Alabama Association, Future Homemakers of America.

College Art Students Exhibit Works

Two Alabama College art majors are exhibiting their college art works along with works of ten leading American artists of the day.

Doris Cunningham, Montevallo, and Jean Davis, Summerdale, both graduating seniors at Alabama College, are showing representative works of their college art careers.

In the same gallery with their works is the exhibit "Major Work in Minor Scale: American." It includes works by America's foremost painters and sculptors.

The exhibit is the current one in a series sponsored by the Alabama College art department.

Doris is showing works representative of her sophomore, junior and senior years. They include pen and ink drawings and oil paintings.

After graduation she plans to go to Dallas, Texas, to go into commercial art. "I may decide to work on a master's degree," she said.

Jean plans to teach "somewhere in South Alabama." Most of her works in the exhibit are oil portraits of some of her student friends. She will teach art in elementary school.

Doris and Jean have both sold some of their art works. Both are members of Kappa Pi, national art fraternity, and the Alabama College Art Club.

"The work of both girls stands up very well alongside of that of the leading painters whose works are on exhibit in our galleries," said David Huntley, Alabama College art department chairman.

Sharbutt To Run For Legislature

Announcement by Jimmy Sharbutt that he will qualify for Shelby's seat in the Legislature shortly after the County Democratic Executive Committee meets on January 28th will be of interest to the voters of this county. He will be a candidate experienced in business, the practice of law and politics. He has been twice elected Mayor of Vincent and was elected a Delegate to the 1956 Democratic National Convention from the Sixth Congressional District. Mr. Sharbutt is forty years of age and a lifelong resident of Shelby County. He has been married to the former Virginia Stallworth, Alabama College graduate, since 1939. Mr. Sharbutt stated to the Times-Herald that if nominated and elected to the office of Representative, he would truly represent the people's best interest. He said, "For example, I would have enacted into law the privilege of mail order automobile tags and a one stop transaction of this business at the Court House. People are too busy to travel miles and wait out three long lines just to buy a car tag."

Thompson Band Boosters Plan Two Big Events

Thompson Band Boosters are boosting two big events this week—a concert and carnival at Thompson School Thursday night and a dance at the Calera Armory Saturday night.

A short concert in the auditorium Thursday night will precede games, including bingo, to be played in the lunchroom. The concert will begin at 8 p.m. It will be the first in a series of winter and spring programs to be presented by the Thompson Band.

Both round and square dancing will be featured at the Calera Armory dance, which is planned especially for teen-agers. Adults will be welcomed also. The dance will be chaperoned by Thompson Band Boosters, and it is to be held from 8 to 11:30 p.m.

Frank Kendeigh is director of the Thompson Band.

Last week Carl Overstreet put on his farm a purebred "Landrace" sow and ten pigs at a $600 price, which are the highest price hogs we have heard of lately. Mr. Overstreet already has some fine bloodlines in his hog herd.

Funeral Services For Mrs. Electa Thrift

Funeral services for Mrs. Electa Thrift, born June 10, 1892, were held at 2:30 p.m. Sunday at Wards Chapel AME Church in Montevallo with the Rev. Jackson officiating. Lee Funeral Home had charge of arrangements for burial in the family plot in Montevallo Cemetery.

Electa was the daughter of the late Lewis and Susan Allen of Montevallo. She was reared by Christian parents, and at an early age attended Sunday School and church regularly. Her father was superintendent of the Sunday School for many years.

In 1907 she married the late Tom Thrift and to this union was born 7 children, six of whom are still living.

She was active in every auxiliary of the church and a member of the Auxiliary Board.

Following a few months illness Electa died at 2:30 p.m. Friday at her home.

A host of relatives and many friends of both races mourn her passing.

Surviving are 4 sons, Henry Thrift of Montevallo; Daniel and Ottis of Charleston, W. Va.; Cornelius of Pittsburgh, Pa.; 2 daughters, Mrs. Lola Alexander and Miss Alice Thrift of Montevallo; 14 grandchildren and 2 great grandchildren.

Shelby County Alumni To Hold Meeting

Shelby County's chapter of the Alabama College Alumni Association will hold the first of its four regular annual meetings Saturday, Jan. 25, twelve noon, at the Alabama College Faculty Club.

Ham and Green Beans with Cheese Sauce

(Makes 4 to 6 servings)

- 3 cups diced cooked ham
- 2 cups well-drained cooked green beans
- 1 tablespoon horseradish
- 1 teaspoon dry mustard
- 1⅓ cups (large can) undiluted Carnation Evaporated Milk
- 2 cups (about 8 ounces) cubed or grated process American cheese
- 1 package refrigerated biscuits

Arrange cooked ham in alternate layers with cooked green beans in buttered two-quart casserole. Combine horseradish and mustard in saucepan. Add Carnation. Simmer over low heat to just below boiling point (2 minutes). Add cheese and stir until thickened and smooth. Pour cheese sauce over ham and vegetables. Top with biscuits. Bake in hot oven (425°F.) about 15 to 20 minutes.

A New Coal Mine for Shelby County?

We have another piece of "hear-say" news about the possible opening of a new coal mine in Shelby County to furnish fuel for the operation of the new steam plant to be built near Wilsonville on the Coosa River.

This story is really "twisted." It is under a Columbiana date-line in Tuesday's Birmingham News. The first paragraph says: "A coal mine expected to produce 588,000 tons of coal per year to provide fuel for a new steam plant is to be opened here." ("Here," according to the date-line, means Columbiana.)

The second paragraph of the story in the News places the source of the coal mine information thus: "J. C. Walker, industrial development representative of the Alabama Power Co., made the announcement to the Columbiana Junior Chamber of Commerce."

The third paragraph, somewhat contradictory of the first, alleges: "The new mine will be located between Maylene and Superior, in what once was a large-scale coal producing area. Borings in the area, Walker said, located six seams of high quality coal under 30,000 acres of land held by the power company." Those who know the geography of Shelby County will recognize quite a difference between the locations of Columbiana and Maylene, as well as the underground possibilities of the two areas.

The fourth paragraph concludes the story, saying: "The new steam plant on the Coosa River near Wilsonville is expected to go into production in 1960."

Now back to the "head" of the story: "APC will open new coal mine." We suppose "APC" refers to Alabama Power Company.

Somewhat strange to us it is that neither the News reporter nor headline writer connected any of the information with the Southern Electric Generating Company.

Be patient, gentle readers, hopeful and interested citizens. Some of these days a complete, straight story about this new coal mine is going to come out from somewhere. You will likely know it by the time we do; but we will print it anyway, if for nothing more than to give the matter local sanction and our individual and collective blessing.

Meanwhile, if we get hold of any more "grape-vine" news about it, we will print that also.

Miss Faye Carolyn Logan, Billy Joe Mills Are Wed

Miss Faye Carolyn Logan and Billy Joe Mills were married on Dec. 27 at her home in Wilton. The Rev. Edward Glover officiated at the double ring ceremony.

The bride's parents are Mr. and Mrs. Lennie Logan of Wilton. She is the grand-daughter of Mrs. Dovie Gibson and the late Mr. Gibson of Wilton.

The groom is the son of Mr. John Mills and the late Mrs. Mills of Montevallo. He is the grandson of Mrs. Bennie Mills and the late Mr. Mills of Montevallo, and Mr. Allen and the late Mrs. Allen of Wisconsin.

The bride's only attendant was Miss Faye Littlefield. Bennie Frederick served the groom as best man. The wedding was attended by members of their families.

PFC Mills, stationed at Fort Sam Houston, Texas, will be joined by his wife soon.

Poll Tax Must Be Paid by February 1

At the request of The Times-Herald, Solicitor Conrad Fowler has prepared a condensed statement of the legal procedures necessary for new voters to follow in making sure that they do the proper things at the proper time in order to get on the list of qualified voters.

This is important now and there are many people who should take heed and get ready for voting in the important elections this year.

Remember, it will be too late if you wait until election day and find that you are not on the list. Get your status as a voter correctly established now.

How To Get It Done

Registered voters are required by law to pay poll tax in order to be qualified to vote. Poll tax is due October 1 for the privilege of voting in any election to be held during the forthcoming year. This tax must be paid on or before February 1. In addition to the tax for the year of the election, the voter must have paid the tax due from him for the preceding year. In other words, to be qualified, a registered voter must have paid tax due from him for the current year and the immediately preceding year.

Persons who reach the age of 21 years after October 1 are not required to pay poll tax for the privilege of voting in the elections held during the next year because only that tax was due on October 1 is required to be paid.

Citizens may pay this poll tax by mail by sending it to L. C. Abbott, Tax Collector of Shelby County, Columbiana, or they may go in person to that office.

Persons who wish to register to vote may contact Mrs. Grover L. Cleveland of Wilton, Mr. Carlton Franks of Columbiana, or Mr. M. E. Millender of Harpersville, all of whom are members of the Shelby County Board of Registrars.

To be eligible to vote, one must have registered and also paid the poll tax that was due from him for the current year of the election and the immediately preceding year.

One who fails to pay poll tax due by February 1 is ineligible to vote at any election, municipal, county, or state, that will be held during the same year.

FHA Members Plan Activities

On Thursday, January 16, the Future Homemakers of America met in the Home Economics Department of the Montevallo High School.

The president, Gibbie Scott, presided over the business part of the meeting. Chapter members discussed plans concerning the organization of committees for "Hobo Day," which is an annual project of the chapter. February 22 was selected for the day on which the girls will work on the "Hobo Day" project. The group discussed plans for the annual chicken fry to which the parent's of FHA and FFA members are invited. March 14 is the tentative date for the chicken fry. Gisela Molgedei, chairman of the UNESCO stamp sales, gave a progress report on this project, on which the chapter is working.

Following the business session Edith Edfeldt, program chairman, presented members of a panel, who discussed parliamentary procedure. Marjorie Thiemonge, Phyllis Kyser, Judy Bess Robinson and Edith Edfelt emphasized good procedures concerning the order of business, addressing the chair, and making motions.

The new yearbooks were distributed by Tommie Ruth Mowery, who complimented Lillie Pearl Carlee and Joanna Huckabee for their good work in preparing the books.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Congress was asked by the President in his annual budget message last week to appropriate funds totaling $73.9 billion for federal expenditures for fiscal year 1959. If approved, this sum will constitute the highest peace-time budget in the history of our nation.

Nearly $40 billion of the total amount requested is earmarked for defense spending, an increase of almost one billion dollars over the amount appropriated for the current fiscal year. The increase is designated primarily for the development and production of missiles and new "space-age" weapons.

Linked closely with the defense budget is an additional request of $3.9 billion for foreign aid. That amount is approximately one billion more than Congress appropriated for the same program last year.

The remainder of the President's proposed budget—approximately $30 billions— includes all other anticipated federal expenditures for the next fiscal year.

President Eisenhower predicted in his budget message that anticipated revenues for fiscal 1959 will exceed proposed expenditures. However, there are many who feel the President is overly optimistic and that the 1959 budget, unless reduced by Congress, will not be balanced.

Missile Funds Authorized

As was expected, the first legislation to be approved this session by the House of Representatives is connected with the missile program. By a vote of 374-0, House members last Wednesday approed a $549.7 million authorization for an emergency military construction program which includes a new ballistic-missile warning system. This warning system, which has heretofore been kept secret, is designed to detect and give sufficient notice of an enemy attack by ballistic missiles to enable the U.S. Strategic Air Command to become airborne prior to the attack.

The House-approved bill also authorized funds for another launching base for intercontinental ballistic missiles and for certain new facilities for the Strategic Air Command.

Meeting with McElroy

I attended a breakfast given last week by the new Secretary of Defense, Neil McElroy, for the members of the Foreign Affairs Committee. In addition to the defense secretary, those attending this meeting included Secretary of the Army, Wilber Brucker; Navy Secretary Thomas S. Gates, Jr.; and the chairman of the Joint Chiefs of Staff, General Nathan Twining. Following breakfast, we were briefed on certain important phases of our national defense.

Secretary McElory is faced with a difficult job during this critical period of world history. Important decisions he must make in the months ahead undoubtedly will have a direct bearing on the future security of our nation.

Red Cross Chapter Holds Meeting

The Shelby County Red Cross chapter held its regular organizational meeting Tuesday, January 14 at the home of Mrs. Conrad Fowler, executive secretary, in Columbiana.

Election of officers for the coming year and plans for the Red Cross drive, scheduled to begin March first, were on the business agenda of the meeting.

Succeeding Mr. Bill Varden, Calera, as chapter chairman will be Mr. F. F. Cameron of Indian Springs School, Helena, Alabama.

Mrs. Alvin J. McGaughy, Montevallo, was elected Fund Drive's chairman. Mrs. Conrad Fowler remains as evecutive secretary which is an appointive office.

Plans for organizing Shelby County into areas were formulated. Selection of fund drive captains for the areas were discussed, with final plans to be announced in two weeks.

The American Red Cross operates under a charter granted 75 years ago by the United States Congress. While the charter imposes specific duties and responsibilities upon Red Cross, financial support is received solely from the voluntary contributions of the American people.

Providing a means through which neighbor can aid neighbor the American Red Cross helps serve the nation and the community by making it possible for any citizen to contribute voluntary service, as well as financial support through the annual American Red Cross fund campaign.

Contributions finance the following ten Red Cross Service Programs: services to the Armed Forces; Services to Veterans; Disaster services; Blood services; First Aid services; Water Safety services; Nursing, Junior Red Cross; Community services; and International services.

International services have included such aids as the '56—'57 Hungarian relief operation; exchange of prisoners of war, and delivery of Red Cross food packages twice monthly to Americans still imprisoned by Chinese Communists; as well as aid to any nation sustaining disasters of fires, earthquakes, floods and typhoons.

FUNERAL SERVICES FOR EUGENE WEST McDONOUGH

Funeral services for Mr. Eugene West McDonough age 26, were held Wednesday afternoon Jan. 15th. at the Calera Baptist Church at 2 o'clock, by Rev. J. Floyd Goree, and Rev. L. B. Stewart.

Mr. McDonough passed away in Birmingham Monday from an automobile accident.

Surviving are his wife, and 1 daughter, Sherri Jean, parents, Mr. and Mrs. A. E. McDonough.

Burial was in Salem Cemetery, Bolton of Columbiana in charge. Pallbears were friends and class mates, Maurice Bird, Bayne Hill, Curtis Lowery, Tommy Martin, Donald Lowery, Bobby Bowdon.

LOTTIE MOON CIRCLE MEETS

The Lottie Moon Circle of the Montevallo Baptist Church met at the home of Mrs. L. O. Robinson Jan. 14 with six members present. Devotional was given by Mrs. Joe Crawford.

A most interesting program was given by Mrs. Ford Varden, with Mrs. Leon Nix, Mrs. Truman Shaw and Mrs. Otis Bean giving parts. The program was closed with prayer.

Delicious refreshments were served while all eyes feasted upon dozens of beautiful African violets.

Southern Bell Issues Year-End Report Of Local and State Progress

Southern Bell Telephone Company added 88 telephones to the number in use in Montevallo, 50 in Calera, and 54,953 to the total in Alabama during 1957, according to a joint year- end progress report released to day by the utility's local and state officials.

Mr. J. L. Switzer, the company's manager, said that approximately 7.4 per cent more telephones were in service in Montevallo and 8.6 per cent more in Calera at the end of the year than on December 31, 1956. The increase raised the total in use in Montevallo at the beginning of 1958 to 1,280; in Calera, 618.

During the same period the number of telephones in the company's statewide system increased nearly 9.97 per cent to bring the grand total in service in Alabama to 606,480. This is the largest number ever gained in one year in the state.

Frank Newton, Southern Bell's vice president and general manager for Alabama, said the gains here and throughout the state were accomplished through a construction expenditure estimated at $32,000,000.

Outstanding among the expansion and improvement programs throughout the state included the construction of additions to two Mobile central offices at a total cost of $1,292,300; the erection of a new central office building in Decatur that cost $663,000, and the conversion of the Decatur exchange to dial operation at an additional cost of $2,439,000.

An $850,000 project to expand television and telephone facilities between Montgomery and Birmingham during the year moved toward a completion date in early 1958. A seven tower radio relay route to be used for similar purposes in north Alabama costing some $2,500,000 is in the final stages of completion.

Construction of new telephone lines in Alabama rural areas and additions to existing rural lines along with other outside rural plant expansion cost an estimated $2,400,000.

By year's end the total number of Southern Bell exchanges in Alabama that had adopted the name-numeral telephone numbers necessary for their participation in the inter-toll dial network had increased to sixty. Among larger exchanges getting the new numbers in 1957 were Decatur, Montgomery, and Birmingham.

To render telephone service, maintain and expand its plant during the year, Southern Bell paid its Alabama employees an estimated $28,574,000, an increase of 7.7 per cent over 1956. The number of employees had increased 201 during 1957 to bring the total at year's end to 6,970.

Mr. Switzer said that last year the telephone company connected 151 telephones in Montevallo and 87 in Calera. In Alabama Southern Bell connected 119,535 telephones for applicants in 1957 and provided higher grades of service for 27,082 subscribers.

The telephone company officials pointed out that Southern Bell will continue to expand its facilities during 1958 in conformity with local and statewide needs.

Mr. Switzer, local manager of the company, said construction and expansion of the telephone company here will depend on the telephone needs of the trade area.

Miss Shirley Thrasher, Charlie Daviston Wed

Miss Shirley Faye Thrasher and Charlie Edward Daviston, U.S. Air Force were married Sunday, Jan., 19th in Mississippi.

Miss Joyce Zucco and Bill Kirby of Montevallo were the couple's only attendants.

Their parents are Mr. and Mrs. Cecil C. Thrasher of Montevallo and Mr. and Mrs. Ed Daviston of Pea Ridge.

After a wedding trip Mrs. Daviston, a Junior at Alabama College, and her husband will be at home in Panama City, Fla. Mr. Daviston, a S. Sgt., is serving a second enlistment in the Air Force and is presently stationed at Kendall Air Force Base. He recently returned from over seas after completing a tour of duty with the U.S. Air Force in the European Theatre.

Montevallo Outscores Jemison, 60-53

By S. DeMent

After getting off to a slow start and trailing 15-11 at the end of the first quarter, Montevallo scored 22 points in the second period to take the lead and go on to defeat Jemison here Friday night 60-53.

Shooting a 75% on free throws and 50% from the field, all Montevallo players turned in one of their best performances of the season in this team victory—the sixth win for the Bulldogs.

Jemison scored first in the opening moments of the game and led throughout the first quarter, score being 15-11 at the end. However, the complexion of the game changed for the hometown crowd in the second period.

While Houlditch poured in nine points, Smitherman added six, McNeel five, and Brown two; and the Bulldogs held the Panthers at bay, allowing them to make only four points in that frame. At halftime Montevallo led 33-19.

Jemison Threatens

In the last half of the game Benson's accurate shooting on the long ones kindled the hopes of the Jemison fans as the Panthers scratched away at the Bulldogs' lead. At one time they came within five points as the score stood 43-48. Then Leroy Winslett, playing an outstanding floor game and rebounding like a six-footer, went on a scoring rampage and dropped in six quick points before Jemison hit again.

Once more Benson brought the Jemison crowd to its feet as his long shots helped extend the count to 60-53. But the clock on the wall put an end to the Jemison threat—and the game; and the Bulldogs recorded their second victory over the Panthers.

Scoring Scattered

In this sixth victory all the Bulldogs took a hand in the scoring. Jerry McNeel, with an overall average of 15 points per game, was again top pointmaker. He hit 15. Charley Houlditch, back with his usual good game after suffering a setback with the flu, was only one point away from top with 14. Big Forrest Brown, center, banged in 11; Smitherman, looking good after only three weeks out, and Winslett, in one of his best nights, scored eight apiece. Jimmy Thrasher and Donnis Davis each added two points to complete the scoring.

With a 20-point performance, Benson was Jemison's top scorer.

B's On the Ball

Montevallo's B's continued to play the kind of ball that brings the fans out early enough to see the preliminary match as they nosed out the Jemison B team 32-28.

The Bullpups took an 8-4 first-quarter lead; but Jemison, averaging at least three inches per man taller than Montevallo's "Fearless Five," had knotted the score at 13 by halftime.

One minute before the end of the game Jemison was ahead 28-27. But those scrapping B's, with that never-say-die spirit, rose to the occasion. Two shots from the charity stripe, accurately placed by Ruben Hayes, gave the Bullpups all they needed. But three more free throws, dropped in by "Possum" Rasberry, with never a thought of last-minute jitters, brought in the 32-28 victory.

Rasberry's 12 points was tops in the scoring department.

B&PW CLUB MEETING

The Montevallo Business and Professional Women's Club met at the home of Mrs. Ralph W. Sears on Tuesday evening, January 21, 1958. Each member brought a casserole dish for the dinner that was served.

A report of the Mid-Winter Board Meeting recently held in Montgomery was made by Mrs. Jessie McGaughy. Announcement was made of the District 6 meeting to be held on March 9 at Livingston State Teachers College.

Junior Council Has Project

The Junior Council of Montevallo High has started a new project. This project is to raise money to buy a plaque. The project is selling Bulldog stickers to MHS students and to the citizens of Montevallo. The stickers have pictures of Bulldogs and has "Montevallo Bulldogs" written across the front. The Junior Council will sell the stickers for fifteen or twenty cents. They will start the sale sometime this spring.

James Mahaffey receives orientation on a T-33 jet trainer radio from CWO William Smith during a base tour of Maxwell AF Base. James was at Maxwell for the preliminary tests for entrance into the Air Force Academy. James graduated from Montevallo High School last year and is a freshman at Auburn. He is the son of Mr. and Mrs. Charles Mahaffey.

Mrs. B. L. Tanner and sons of Bessemer were guests of Mr. and Mrs. A. M. Crawford and family last week.

Mr. Gordon Williams left for Nashville, Tenn., Tuesday night on business.

Montevallo Tops Blocton, 43-29

After dropping a 69-66 decision to West Blocton there two weeks ago, Montevallo came back to defeat the Tigers here Tuesday night 43-29.

The Bulldogs took an early lead, which they held throughout the game. Two minutes before halftime, the Tigers threatened as they pulled within one point of tieing the score; but the Bulldogs pulled away again to manage a 22-17 halftime lead.

A third quarter that was colder that the weather outside saw Montevallo add only six points and Blocton four, as neither team could sight the goal successfully.

Showing a little more life in the final period Montevallo scored 15 points and Blocton hit 8 as the game brightened a bit near the end. The final count was 43-29, Montevallo.

In this low-scoring, slow-moving event, Jerry McNeel was high pointmaker with 18. Forrest Brown scored 10 for next best .

Smitherman leads B's

"Cooter" Smitherman scored 14 points for the Bullpups as they took the preliminary game from the Blocton B's 51-22. Ruben Hayes and Bill Winslett had 12 apiece for Montevallo.

DR. RUTH STOUT

Future Teachers Meet at College

Dr. Ruth Stout, vice president of the National Education Association, will be the main speaker at the state Future Teachers of America-National Students Education Association meeting at Alabama College this week end.

This is the 13th annual conventoin of the two groups representing educational leaders of the future from both high schools and colleges throughout the state.

"We expect about 350 people to attend the convention," said Dr. E. P. Lauderdale, Alabama College extension director and state sponsor of the ASEA.

Yvonne Anderson, Vinemont, a senior at Alabama College, is state ASEA president.

Dr. Stout will center her talk around the NEA convention theme, "A Look Ahead for Future Teachers."

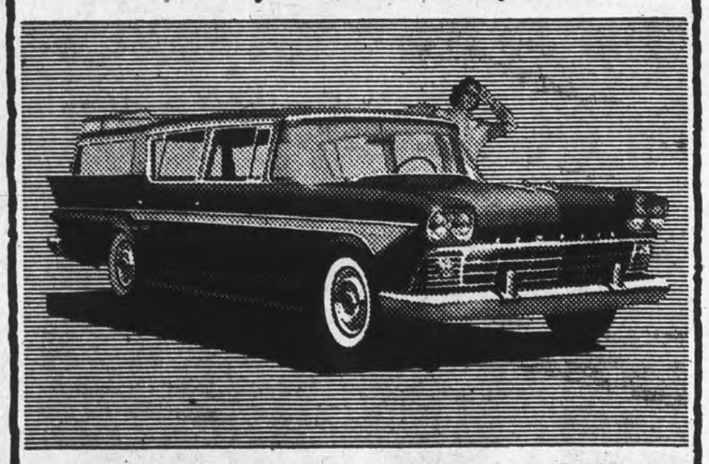

An active member of educational groups in her home state, she is a past president of the Kansas State Teachers Association and is currently director of field programs for the association.

Dr. Stout is a frequent contributor to professional journals including the Journal of Teacher Education and Personnel and Guidance Journal.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

WHAT'S MY LINE? Have you ever wondered who keeps the telephone lines around here in working order? A telephone man, to be sure, the installer-repairman. And, when storm damage repairs or maintenance are necessary, cable splicers have to be "johnnies-on-the-spot." In all kinds of weather at any hour of the day or night they're at work—up poles, down manholes, out in the country, right on your street. And just being there isn't enough. They have to know what they are doing; which wires to join and how to join them. It takes know-how and a lot of hard work to keep telephone lines in order and our telephones ready to serve everyone, all the time.

* * *

* * *

BRRR, IT'S COLD! And did you know, the colder the weather the louder sounds are. In hot weather sounds are weaker, don't carry as far. As this applies to telephone communications, it was a problem that worried telephone people. Then the Bell Laboratories found an answer. It's the thermistor, an electronic device that controls the volume of voices on the telephone. It keeps them from being too loud in cold weather and too low in warm weather. It's so sensitive it can detect a temperature change to one-millionth of a degree.

Committee Plans Fire Ant Control

Cooperating with the committee in Shelby County to eradicate the fire ant through a program involving federal, state and local aid, James S. Satterfield, State Fire Ant Inspector of the State Dept of Agriculture, and Wayne Granberry, Plant Pest Control Inspector, both were visitors at the Montevallo vocational department Tuesday and explained how a program of control would be started. It was pointed out that the control procedures would be a joint effort with the state, federal government, and local farmers cooperating.

The area is generally heavy infested. Particularly is infestation heavy toward the south from Shelby but lighter in northern areas of Alabama. After inspections it was noted that Wilton, Montevallo, Dogwood, Pea Ridge, and Calera all had heavily infested areas.

J. Frank Baker is president of the Shelby County Fire Ant Control Committee, and R. M. Byrd is vice president. M. Thornton will serve as secretary for the committee. A. A. Lauderdale, county agent, will call a series of meetings to explain the program and give out other information needed to successfully carry out the program. The first of these meetings will be announced at an early date.

Mr. Satterfield and Mr. Granberry are working with the Montevallo F.F.A. boys in making field observations of some of the heavily infested areas.

Chamber Officials Visit in Bessemer

James E. Whaley, president of Montevallo Chamber of Commerce, and M. Thornton, secretary, visited with the Bessemer Chamber last Thursday evening at the annual dinner. Dr. Rose, president of University of Alabama, was the main speaker for the occasion. Mr. Whaley contacted Robert Hall, president of Birmingham Chamber of Commerce and he is to visit with the Montevallo Chamber of Commerce on February 13 which is the regular monthly meeting time for the local organization. Mr. Whaley urges everyone who possibly can to attend this important meeting.

The Chamber of Commerce meeting time each month is the second Thursday evenings at 7:30 at town hall. Fred Frost Sr., treasurer, is now receiving dues for 1958. We are urging all members and prospective members to pay up before Mr. Hall's visit with us. It is expected that Mr. Dickson, Industrial Representative of the State Chamber, will attend a Montevallo meeting in the near future.

Miss Fullman Wins Contest

Marguerite Fullman, a senior at Montevallo High and recent winner in the local division of the Birmingham News Oratorical Contest, walked off with first place honors in county eliminations at Columbiana Jan. 24. Patsy Carden of Calera High School was second place winner.

Sybil Brand, a Jr. II in Mrs. Frederick's homeroom, won alternate in the junior division with her speech, "Helen Keller." Toni Horton of Calera was named first place winner in that division.

Marguerite, with her winning speech on "George Washington Carver," emphasized Carver's schooling, hardships, and his contributions, which made him one of the great men of the South.

In the competition were students from Calera, Montevallo, and Thompson Senior and Junior High.

The next step for the winners will be the Congressional District Contest, which will be held before March 14. The place will be announced later. District winners will compete in April for the state championship, where top prize is a four-year scholarship to Birmingham-Southern.

MARGUERITE FULLMAN, senior at MHS, is Shelby County winner in the Birmingham News oratorical contest. She will compete in the Sixth District contest, date and place to be announced.

A. C. Alumni Hold Luncheon Meeting

Alabama College's Alumni Association, Shelby County chapter, held its meeting Saturday, Jan. 25, with a luncheon at the college Faculty Club House. Twenty-four members were present.

The business session, presided over by Mrs. James Higgins, Montevallo, outgoing president, completed the following business:

Due to resignation of the recently elected president, the members present, at the suggestion of the nominating committee, elected Mrs. Alvin McGaughy, Montevallo, as 1958 president.

Selected Saturday, May 3, as the next meeting date to be held at Vestavia Country Club. This will be a program meeting with Alabama College faculty members as guest speakers.

Heard announcements of College Night and Homecoming plans scheduled for Feb. 20-22, by the national alumni secretary, Miss Helen Newton.

And heard reports of the recent alumni chapter project which brought county high school students on a tour of the campus as guests of Alabama College.

Other officers of the organization include: five vice presidents, Mrs. Clyde Carden, Calera; Mrs. Melville Harlin, Columbiana; Mrs. Carl Edfeldt, Montevallo; Mrs. George Walker, Siluria; and Mrs. James Sharbutt, Vincent.

Secretary is Miss Nell Dean Ingram, Vincent, and treasurer is Mrs. James Grant, Wilton.

CALERA CIVITAN MEETING

The Calera Civitan Club met on Tuesday night at the Calera Cafe, with the president, Z. S. Cowart Sr., presiding.

L. P. Parker gave a report on the Boy Scout Council meeting at Tuscaloosa.

The winners of the recent oratorical contest will be guests at the next meeting and prizes will be awarded.

A delicious birthday cake for Professor Marvin Smith was enjoyed by members of the club.

Karl Harrison Enters Race For Governor

Karl Harrison, Columbiana attorney and State Representative from Shelby County, officially entered the governor's race last weekend as he formally qualified with the State Democratic Executive Committee and the Secretary of State.

The veteran of both House and Senate duty emphasized that, if elected, he would maintain segregation, declaring:

"I will use the full force and power of the governor's office to make certain that there is no integration or violence."

At the same time, Harrison outlined a broad program of progress for Alabama, highlighted by expanded industries and increased welfare benefits.

"I will devote my full efforts to making Alabama realize all its potential and making our state a good place to work and live.

"During the past eight years I have carried on a continuous campaign to obtain increased pensions for our old people. Additional funds are needed if they are to have proper food, medicine, and living conditions, and I will continue my work to obtain them."

Commenting on new industry, Harrison set as his goal the greatest influx of new industries in the state's history including the acquisition of at least one new industry for each county.

"More road building is urgently needed, and as your governor I would make sure that every available dollar of federal money is matched by the state and that the money is spent economically," he said.

Harrison successfully directed the $25 million road bond proposal in 1951 as chairman of the state-wide committee.

"It is also imperative that we accelerate the development of our rivers and state docks," he added.

A recognized leader in the campaign for more aid to education, Harrison declared that he would continue to wage an all-out effort to get more school buildings and to raise teachers' salaries.

It was Harrison who directed the statewide campaign to divert income tax surplus to schools. As a result of the success of that campaign, the schools of Alabama received $23 million additional last year.

Regarding labor and business, Harrison said: "I will neither sponsor nor approve legislation harmful to the working man. I will make sure that both business and labor get a fair treatment."

Calera Safety Patrol Gets Raincoats

SAFETY PATROL at Calera School gets new rain gear—yellow raincoats and hats presented to the high school by Calera Lions Club.

No longer will bad weather hinder activities of Calera School's Junior Safety Patrol. The bright yellow raincoats presented by the Calera Lions Club will keep members dry while helping students to cross the busy highways.

The raincoats were presented by Ben Swindle, chairman of the project, and L. L. Cameron, president of the Lions Club.

In making the presentation, Mr. Swindle said, "The Calera Lions Club is very interested in the work of the Safety Patrol, and are taking this step to show the group their interest and support."

Members of the patrol are: Julian Maddox, Peter Burrage, Jan Murphy, Byron McDonald, Tommy Pierce, Carl Crowson, Kenneth Leslie, Robert Leslie, Ray Leslie, Wayne Jones, Otis Grant, Aaron Boles and Billy Brooks.

Mrs. E. Marvin Smith is faculty adviser for the group.

Let's Make It Unanimous For Karl Harrison for Governor

In some of the present and impending political races in Shelby County, it is going to take a good deal of head-scratching and tub-thumping for the voters to come to a choice between candidates.

Not so in the case of candidates for Governor of Alabama. Let's make it unanimous and overwhelming for own distinguished and able son of Shelby County, Karl C. Harrison.

Besides being one of our universally popular fellow-citizens of Shelby County, Mr. Harrison must be recognized as one of the ablest among the candidates for Governor. He is so recognized in all parts of Alabama.

In the past twelve years of his intimate association with our state government as a Senator and a Representative in the Legislature, Mr. Harrison's ability as a forthright statesman has grown with experience.

The political, industrial, economic and educational progress of our State in the last decade all bear the imprint of the constructive thinking, decisive action, and effective influence of Karl Harrison.

We are proud to proclaim that his neighbors, friends and fellow-citizens of Shelby County believe in him as a man in every sense fit and able to make a good chief executive for our State.

Let's make it unanimous for Karl Harrison here at home; and let us not fail to carry the strongest possible evidence of our confidence in him to every nook and corner of Alabama.

* * *

Now, having said my say, I am ready to go to bat for Karl Harrison for Governor. But don't expect such a commitment about any other candidate. I am in the same boat as the rest of you—ready to see any and all of them; hear what they say; give them a slap on the back, just like they give me—then try to make up my mind which one to vote for, come election day.

* * *

Take, for instance, Bud Norwood for Sheriff. Everybody knows I have always been for Bud, rain or shine; and I am not saying I won't be this time. I am not saying I will either. Claud Fore has made an impressive bid for my support. What am I going to do? Just like you, perhaps—I don't know, and if I did, I wouldn't say now.

* * *

And for Probate Judge: Len Walker, Bully Fowler or Woodrow Elliott. My gracious, what a tough one that will be to decide. I am going to put off my decision for a while. Bet I won't get it figgered out until the very minute I have to mark my ballot Tuesday, May 6.

* * *

So, on and on it goes, with all the good ones we will have to choose from. It is going to be tough on the candidates, but perhaps more so on the voters. The candidates already know who they want, but it is not that easy for the voters to decide.

* * *

Hold the phone! There is one more candidate I will declare for—Bettye Frink, for Secretary of State. Look at her picture and you will see the reason why.

A. E. (Bud) Norwood Is Candidate For Sheriff

A. E. (Bud) Norwood, of Calera, is a candidate for Sheriff of Shelby County in the Democratic Primary Election of May 6.

Mr. Norwood is a veteran in the law enforcement business, having served as Sheriff to fill out the unexpired term of Luther Bozeman, and one full term to which he was later elected by the people of Shelby County.

In addition to his service as Sheriff, Mr. Norwood has had 11 years experience with the law enforcement department of the State of Alabama as special investigator.

Mr. and Mrs. Norwood have lived at Calera for many years, where they have had an active part in civic affairs of the community.

Frank L. Thiemonge Runs For Legislature

Frank L. Thiemonge, Jr., businessman-farmer from Montevallo, qualified today as a candidate for the Alabama House of Representatives from Shelby County.

In announcing his candidacy for the post to be vacated by gubernatorial candidate Karl Harrison, Thiemonge said he is "Pleased to accept the responsibility of becoming a candidate, a responsibility I have been requested to assume by representatives of both agriculture and industry as well as individuals."

Thiemonge is a charter member of the Shelby County Cattleman's Association, a director of the Farm Bureau, Past President of the Montevallo Rotary Club and former president of the Montevallo Chamber of Commerce.

Selden Bill Would Limit Use of Federa Troops

Rep. Armistead Selden has joined with several other Southern congressman in introducing legislation that will impose specific limitations on the use of federal troops within a sovereign state.

One of Selden's bills prohibits the President from calling the National Guard into the federal service, except in time of war, threat of invasion, or when requested by the governor or legislature of a state.

A second bill prohibits the use of federal troops to enforce federal court orders and state laws. Both have been referred to the House Armed Services Committee for consideration.

"In ordering federal troops into Little Rock", Selden said, "President Eisenhower, in my opinion, exceeded both his constitutional and statutory authority. Yet, federal troops were sent into Little Rock and are still on duty there at this moment. Should Congress pass the two measures that I have joined with other members of Congress in introducing", Rep. Selden went on to point out, "the limitations on the use of federal troops within a state will be clearly spelled out for the Executive Branch of our government and further Little Rock incidents will be averted"

Selden and other Southern congressmen are urging the Armed Services Committee to schedule hearings on these bills at an early date.

Be sure to pay your poll tax by Saturday so you can vote in this year's important elections.

HOME CONSUMPTION

(The Talladega Daily Home)

Congressmen from Southern states left for Washington and the new session with detailed announcements of plans for legislation to curb the powers of the President and the Supreme Court in enforcing integration.

The zeal of these gentlemen is undoubtedly praiseworthy, but they know better than anybody else that they're talking purely for home consumption when they make such statements.

They can write and introduce such bills from now until the cows come home, but not one of them will draw the serious attention of either house. Southern congressmen are as right as men can be when they cry for constitutional government, but they are well aware that the Constitution no longer governs in Washington.

Politics governs and in that new order of things the reigning dictator whose whims come first is the minority bloc voter in the great Northern city whose vote might possibly carry a doubtful state.

Southern votes might come to be of importance one day, but not so long as they can be counted in advance for one party or the other.

The sleek, Pecksniffian voice of Sen. Lister Hill and others like him are lifted often in description of great "power and influence" which the home folks are expected to believe are employed by Southern congresssmen under the one party system.

They've got about as much influence as the pope would have on the Southern Baptist Convention, but they continue with the same tired old demagoguery in firm belief that most of us are too dumb or too lazy to figure out the truth for ourselves.

And here in Alabama—where the state Democratic Committee is about to rewrite its dictatorial "loyalty oath"—who's to say that they are not correct in their judgment of us?

We do not object at all to the introduction of bills designed to curb wrongful seizures of power by the legislative and judicial branches. Indeed, we're glad to see them, marking their wholesome contrast to the cowardly silence with which our senators and others greeted the vote on civil rights legislation while gallant Strom Thurmond of South Carolina was making his lone fight against it.

We are just mildly annoyed when congressmen from Dixie seem to credit us with so little judgment as to think they really have any serious anticipation of success.

It makes good campaign material for the primaries, perhaps, but it doesn't make sense so long as political independence is meaningless among our people.

PHILLIP RAY STEWART

Funeral services for Phillip Ray Stewart, son of Mr. and Mrs. Bobby Ray Stewart, of Montevallo, were held Tuesday afternoon at Macedonia Church with Rev. J. H. Chesnutt officiating. Burial was in Macedonia Cemetery.

Relatives and friends were shocked and grieved Sunday morning by the sudden death of this 6-months-old infant.

He is survived by his parents; grandparents, Mr. and Mrs. Stewart of Pea Ridge and Mr. and Mrs. Onnie Clark of Birmingham.

Want to vote for our next Governor? Be sure to pay your poll tax by Saturday.

Mr. and Mrs. J. W. O'Brien Observe Golden Wedding Anniversary

(Selma Times Journal)

In celebration of their golden wedding anniversary Mr. and Mrs. J. W. O'Brien, of Orrville, were honored at a reception held Wednesday evening January 8, in the recreation room of the Methodist Church. The women of the church were hostesses.

A corsage of yellow roses was presented Mrs. O'Brien and a boutonniere of yellow rosebude was presented Mr. O'Brien. For the occasion, the former wore a blue street length dress.

The popularity of the couple was attested by the many friends who despite the inclement weather, called during the evining. Mr. and Mrs. O'Brien have been members and have attended the Orrville Methodist Church almost all of their married life.

Receiving guests at the party were Mrs. Warren Davis, Mr. and Mrs. O'Brien, their daughter, Mrs. Carl Beam and the latter's son, Carl Edward; Mrs. Dannie Turk, a sister of Mr. O'Brien; his brother, Lonnie O'Brien, and wife, of Selma; and Mr. and Mrs. Clarence O'Brien of Orrville.

Mrs. John Lindsey presided at the guest book.

In keeping with the anniversary, a golden motif was predominant in the decorative background. Potted yellow chrysanthemums, with ferns, were used throughout the room.

The table at which guests registered was adorned by a three-tiered candelabra holding yellow candles and banked by an arrangement of yellow roses sent by Mr. and Mrs. Lonnie O'Brien. The hand-covered guest book also was in gold, bearing the dates 1908-1958.

An embroidered imported linen cloth draped the refreshment table which was centered by gold foliage and drapes and brass candlesticks holding yellow candles. Placed at one end, the large anniversary cake was iced in white and trimmed with yellow embossing. The punchbowl was at the opposite end. All other appointments were of brass. A brass-framed mirror formed a background for the refreshment table, from which punch, cake, cheese straws and salted nuts were served by Mrs. Raymond Chisolm, Jr., and Mrs. Fred Williamson.

The gift of the church women to Mr. and Mrs. O'Brien was a white china bowl, decorated with gold inlay.

Mrs. O'Brien, the former Miss Lavalle Payne, is the daughter of the late Mrs. William Smith. She was reared in Montevallo and attended the local schools. A brother, Mr. G. F. Payne lives in the family home.

County May Lose Guard Unit

Montgomery —Shelby County may lose an estimated annual payroll of $41,000.00 if plans now under study in the Department of the Army are accepted by Congress.

Major General James F. Berry, Alabama Adjutant General, issued the warning to Shelby County citizens after a recent conference with senior commanders of the Alabama Army National Guard. General Berry explained, "if the plan is approved, Alabama may lose more than 43 of possibly as many as 80 Army National Guard units." The President's budget reflects a deep cut in Army Guard strength of which Alabama's share may be more than 1,500.

"Alabama has a tremendous investment in its Army National Guard." he stated, "and any plan that would write off all or any part of that investment would not be economically feasible or acceptable to the taxpayers."

As an example of the economic importance of Army National Guard units on the local level, General Berry pointed to the value of Army National Guard armories, maintenance shops and other facilities in Shelby County which totals an estimated $91,-200.00.

Additional thousands of dollars worth of equipment and supplies are stored in these facilities. A preliminary study of Armory drill and summer camp payrolls of Shelby County units reveals that the county's Army Guardsmen receive approximately $41,000.00 in pay and allowances annually.

Hometown purchases by local units and State expenditures for the upkeep of buildings adds even more dollars to this county's economic structure. There are 2 full-time employees of the Alabama National Guard working in Shelby County installations.

NOTE OF THANKS

It is with grateful appreciation that I extend my thanks to the many friends and relatives for their messages of encouragement, beautiful flowers and other kindnesses extended me and my family during my recent illness.—Mrs. W. W. Warren, Aldrich, Ala.

Calera Library

Our library, as all of you know, is the result of efforts made by thoughtful citizens of this area to provide reading material not only for recreation, but also for those who wish to devote time to more serious study. Gilbert Highet has said, "The smallest local collection of books may contain unique treasures or inspire a genius." The Calera Branch is no exception. Come and register and read.

"Rockets, missiles, and moons" by Ira Coombs. As simply as possible and with a great many examples the author considers the past, present, and future of guided missiles. After picturing an actual missile launching at Cape Canaveral in Florida, he discusses rockets and missiles now being used and tested.

"Man, his first million years," by Ashley Montagu.

Who is man? Where did he come from? What is he born as? Where is he going? The author shows how the races and cultures of man acquired their distinctive characteristics, how language, religion, and the arts developed. The entertaining style makes this an unusually readable layman's introduction to anthropology.

"What we want of our School" by Irving Adler.

This a book for every taxpayer who wonders whether school budgets are going up too fast or not fast enough; for every parent, for every teacher, for every school administrator and board member. Irving Adler writes as an observer an analyst who has studied and thought about education with keen and original discernment for many years.

We invite other readers to tell us about books they have enjoyed and wish to recommend to others. Such correspondence should be sent in care of the Columbiana branch, Coosa Valley Regional Library, Columbiana, Ala.

Card of Thanks

I wish to express my sincere thanks to my friends, relatives, and neighbors for the many visits, cards, letters, gifts, flowers and prayers that have been bestowed upon me while I was in the hospital, and since I have been home.—Mrs. Claudus Tidwell.

Brazilians Arrive At Ala. College

The fourth English Language and Orientation Course for Brazilians began with the arrival of 66 students at Alabama College Monday.

Dr. Ruy Azeredo, Rio de Janeiro, and Ralph Sears, Alabama College public relations director, are coordinators of the institute.

Formal classes and guided tours to points of interest in the South are planned for the group.

They will study conversation, vocabulary building, and speech and phonetics; and North American culture.

Three trips are planned for the group. Their first visit will be to Birmingham where they will be greeted by Mayor James W. Morgan.

While in Birmingham they will visit a principal industry, and will tour the city and county buildings and the Birmingham Art Museum.

The next scheduled trip is a four day affair. The visitors will tour Maxwell Air Force Base, Montgomery.

They will visit and tour the state capitol building, the department of archives and history building, and the city of Montgomery.

A harbor inspection trip aboard a state yatch is planned for them in Mobile.

They will then visit New Orleans where a one-day stay will include a tour of the famous French Quarter and a trip to the International Trade Mart.

While in New Orleans, the Brazilians will be taken on a boat trip on the Mississippi River.

The return trip to Alabama College will be by way of the Gulf Coast.

America's atomic energy program will be studied by the group in their trip to the Oak Ridge project Feb. 27-March 2.

They will visit the T.V.A. area of Tennessee, and the Museum of Atomic Energy at Oak Ridge.

The course will be concluded with ceremonies on March 4 at 8 p.m. in Reynolds Hall Auditorium. Individuals successfully completing the course will be awarded certificates.

College Offers Night Classes

Dr. M. L. Orr, dean of Alabama College has announced late afternoon and night classes to be offered at Alabama College next semester.

"A meeting of all interested persons will be held in Comer Hall Auditorium on the campus Thursday, Jan. 30 at 4:30 p.m.," Dr. Orr said.

"Enrollment procedures and scheduling will be worked out at that meeting," he said.

Courses to be offered are: ceramic design, art workshop, the improvement of reading instruction, the professional personnel, intermediate reporting, history of the South.

Recent history of the United States, homemaking, golf, swimming, fundamentals of chemistry, introductory principles of speech, voice and diction, introduction to phonetics, and story telling and creative dramatics.

Golf will be offered Mondays at 4:30 p.m. Swimming is scheduled for 7 p.m. Tuesdays.

"Some of the courses carry undergraduate credit, some graduate credit, and some both graduate and undergraduate credit," Dr. Orr said.

"All of these courses will carry residence credit whether they are taken for undergraduate or graduate credit," he said.

"There is a possibility that other courses may be offered if there is sufficient demand," Dr. Orr said. "This will be determined by the number of requests we receive for such courses," he said.

Forty F.F.A. boys enjoyed the recreational program with Dr. Lauderdale and his FTA guests last Saturday evening at the Alabama College field house.

Farm Handbook Now Available

County Agent A. A. Lauderdale announced today that farmers can now buy the new Handbook of Alabama Agriculture at his office.

"First copies of the Handbook, which came off the press last week, reached my office Monday," said Lauderdale. "This sixth edition of the fine publication looks unusually good. Its 400 pages are filled with helpful and usable information on every phase of farming.

"I feel that practically every farmer in Shelby County will want to own a copy. The Handbook is certainly a bargain at one dollar."

The Handbook of Alabama Agriculture is an official publication of the API Extension Service at Auburn. Authors are the subject matter specialists of the Extension state staff. The dollar per copy charge is made to cover the actual cost of printing and distributing the Handbook.

The first edition was published in 1940, primarily for use by county agents and other professional agricultural workers. The Handbook became so popular that the second edition, printed in 1941, and succeeding editions were offered to the public at cost.

More than 120,000 copies of the Handbook have been bought by farmers and others since 1941.

Montevallo Wins Two; Columbiana And Calera Are the Latest Victims

By S. DeMent

Everybody got into the act as Montevallo easily handled the Wildcats of Shelby County High here last Friday night, 58-25. Leading scorers for the Bulldogs were Jerry McNeel, Charley Houlditch, and Leroy Winslett, with McNeel sinking 13 points for the night's best.

Houlditch, hogging the backboards as well, added 12; and Leroy Winslett, with a third-quarter eight-point spree, had a total of 11.

To open the show Houlditch scored two quick ones, giving the Bulldogs the lead which they never relinquished. At the end of the first quarter Montevallo was out front 16-6.

A considerably slower second quarter saw the Bulldogs add only eight points and the Wildcats six before halftime, when the score was 24-12.

After a halftime rest, Winslett got hot on the long ones and fired four quick field goals, to score eight of the Bulldogs' 15 third-quarter points. By the end of that period Montevallo had piled up a comfortable lead, 39-19.

Figuring in the 19 points in the fourth quarter were Brown, Davis, Fancher, Harrison, Houlditch, McNeel, and Winslett, as the Bulldogs appeared to turn on added steam in the final moments of the game.

Montevallo's Bees took their end of the double header by downing the Columbiana "B" team 52-40. Rasberry's 13 points was the game's best scoring performance.

Montevallo 52, Calera 38

All the Bulldogs saw plenty action Tuesday night as Montevallo rolled past Calera, there, for a second time this season. In this 52-38 victory Jerry McNeel dumped in 16 points to pace the pack while Forrest Brown and Charley Houlditch aided the cause by adding 11 apiece. Thomas and Ingram shared scoring honors for the losers. Each had nine.

Brown, rebounding as if he had squatter's rights under the basket, picked off 12 to lead in that department in this ninth victory for Coach Corbett's Bulldogs.

After quick field goals by Ronald Smitherman and McNeel gave the Bulldogs an early 4-0 lead, Thomas hit a two-pointer for the Eagles to make the count 4-2. Then Brown connected with a long field goal and hit three for three from the charity stripe to put Montevallo ahead 9-2. At the end of the first quarter the Bulldogs held a 17-11 lead.

Outscoring the Eagles 16-8 in the second period, Montevallo had widened the gap to 33-19 by intermission.

Two points was all the Calera five could cut from the 14-point lead as they hit for 11 in the third period and the Bulldogs netted only nine.

In the final quarter, when all Montevallo reserves went into the game, the Bulldogs added another ten points while the Eagles could count only eight.

Due to the fact that local referees had to be used, this game will be counted as an extra and will not be recorded in county standings.

B's Continue To Thrill

That "Fearless Five", Montevallo's B team, came up with a photo-finish thriller to top all others Tuesday night against Calera as they nipped the Eagles 22-21 in a preliminary match.

Ahead at halftime 14-11, Montevallo was stopped cold in the third quarter and couldn't buy two points in the frame.

Trailing by three as they went into the last period, the Bullpups managed to cut Calera's lead to one point as the quarter drew to a close. Then a desperation shot on the part of Danny Thornton, as the whistle blew, brought in victory No. 12 for Coach Fisher's B's.

DORCAS CLASS MEETS

The Dorcas Class of Calera Baptist Church met Tuesday night at the home of Mrs. Gordon Boggess, with Mrs. John Gates as co-hostess. Mrs. Grady Dykes presided in the absence of the president, Mrs. James Pilgreen.

The class agreed to purchase toys for entertainment to the Jr. Babies in the nursery at the church, and Mrs. Roy Downs agreed to be in charge.

Refreshments of cake, coffee, ice cream, mints and nuts were served to 8 members and 1 visitor.

P.T.A. TALENT SHOW

The last lost time accident in the Montevallo District occurred in November, 1953.

Claud Fore To Seek Office of Sheriff

Past experience at the job and a good record of service constitute the platform from which Claud Fore has jumped into the race for Sheriff of Shelby County.

Mr. Fore has had ample experience as a law enforcement official, beginning as Chief of Police of Montevallo, and subsequently as deputy sheriff and High Sheriff of the county by election of the people.

We will have a statement from Mr. Fore next week, together with his picture. Of course, he will not get as far in "looks" as Bettye Frink; but he is not a bad looking fellow. He just looks like a sheriff.

Woodrow Elliott Seeks Office of Probate Judge

Woodrow W. Elliott, County Superintendent of Education of Shelby County, has entered the race for Probate Judge. This week we only had time to put his card in the announcement column.

Next week we will have an opening statement form Mr. Elliott, together with his picture.

Turnock Attends Welding Society

E. H. Turnock, Manager of Electrode Engineering for the Westinghouse Welding Department, is meeting with welding experts of the American Welding Society at Greater Pittsburgh Airport this week, when the new Welding Handbook will be compiled. Mr. Turnock is writing the chapter on "Shielded Metal-Arc Welding," which will cover the type welding done with the heavily coated electrodes manufactured at the Montevallo Welding Plant.

In addition to his assignment on the special committee to edit the new Welding Handbook, Mr. Turnock is Vice-Chairman of the Birmingham Section of the American Welding Society and has served as Chairman of the Society's Filler Metal Committee of which he is still an active member. Before his transfer to the Montevallo Plant, Mr. Turnock held various offices in the Pittsburgh Section .

CAROL ASHBURN, bride of Merle D. Roach. They were married last Sunday, Jan. 26, at Montevallo Methodist Church.

Miss Carol Ashburn and Merle Roach Wed in Methodist Church Ceremony

The marriage of Miss Carol Ashburn and Merle Dean Roach was solemnized at 8:00 Sunday morning, Jan. 26, at the Montevallo Methodist Church. Reverend James Chesnutt officiated.

Parents of the couple are Dr. and Mrs. Karl E. Ashburn of Montevallo and Mr. and Mrs. C. K. Roach of Saginaw, Alabama.

Miss Mary Ashburn, sister of the bride, was the maid of honor. The maid of honor wore a pink frock of crystaline fashioned with a sweetheart neckline accordian pleated in back. A bow at the waist divided the circular skirt into two bands of flattering pleats creating desirable "back interest". A headband of pink flowers accented by a bouquet of pink carnations completed the enticing ensemble.

The bride was given in marriage by her father. Her gown of lace and chiffon was designed with a bateau neckline. The tucked waist complimented the flowing chiffon skirt. Her veil of Imported French Illusion carried out the theme of the lace bodice and elbow-length gloves. She carried an orchid cascade bouquet.

Lyle Roach served his brother as best man.

The bride's mother wore a dress of blue lace with a beaded hat and corsage of white carnations.

The mother of the groom wore a grey ensemble adorned with white carnations.

Mrs. Ashburn held a reception in her home following the ceremony for family and out-of-town guests.

Guests from out of town included Dr. Frank Bain, Troy, Alabama; Dr. and Mrs. Louis O'Quinn, Starkville, Mississippi; Miss Alyce Preston, Lake Charles, Louisianna; and Mrs. Nellie Shepart, grandmother of the groom, Iowa.

Mr. Roach and his bride will live in Denton, Texas, where they both will enter graduate school.

JOHN A. CATES, of Columbiana, is a candidate for Representative of Shelby County in the Legislature of Alabama. Mr. Cates is a prominent cattle raiser and businessman.

CONRAD M. (Bully) FOWLER, attorney and Circuit Solicitor, of Columbiana, is a candidate for the office of Probate Judge of Shelby County.

Mr. and Mrs. Ellerson Honored

Monday night, Jan. 27, Mr. and Mrs. Sam Ellerson of South Calera, were surprised by a group of friends and neighbors who gave them a house warming in their new home.

Twenty-five friends enjoyed the games and refreshments, and presented the Ellersons with a lovely lamp.

J. T. McDow To Run for County Representative

Mr. J. T. (Jimmy) McDow, well-known business man (Chevrolet Dealer) of Columbiana, has entered the race as a candidate for Representative of Shelby County in the Legislature of Alabama.

This announcement was made by phone call to The Times—Herald Wednesday morning. Mr. McDow stated that he will have a full statement to be published in next week's paper.

Thompson School Honors Mrs. Harrison

The Thompson P T A, students and faculty honored Mrs. R. L. Harrison with a lovely party last Monday night at a PTA meeting at Thompson High School. Mrs. Harrison is planning to retire at the end of this month after having taught for 32 years in Shelby County schools.

She wore an orchid, a gift from her eleventh grade students.

During the evening, some of her first pupils, together with a large group of former students, sang two of her favorite songs.

As a token of love and appreciation, she was presented a silver service set.

Centering the party table was a beautifully decorated cake, a replica of Thompson's stone building where she has taught for the past twelve years.

Many former pupils and friends helped to make it a most enjoyable occasion for Mr. and Mrs. Harrison.

Mr. and Mrs. A. M. Crawford and family had as their Sunday guest, Mr. and Mrs. L. C. Crawford and David, and Mr. and Mrs. Albert Crawford and family of Tuscaloosa.

MARRIED—Miss Faye Carolyn Logan of Wilton and Billy Joe Mills of Montevallo were married Dec. 27 at her home in Wilton. Pfc. Mills is stationed at Fort Sam Houston, Texas.

Miss Mary Louise Lee Killed in Accident

Cecil Givhan Lee and his daughter, Miss Mary Louise Lee, of Elliottsville, were involved in a traffic accident Monday near Jackson, Alabama. Miss Lee was killed instantly. Her father was seriously injured and is reported in critical condition at Lloyd Nolan Hospital.

Funeral services for Miss Lee were held Wednesday at Elliottsville Church. Burial was in the adjoining cemetery.

Miss Lee, a graduate of Thompson High School in 1956, was at home on leave from her civil service job in Washington, D.C.

Among the survivors are her parents and two sisters of Elliottsville; three aunts, Mrs. Broadhead of Wilton, Mrs. Jessie Faust of Central Park, and Mrs. Jones of Elliottsville.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

House members approved an emergency appropriation bill last Thursday which is expected to greatly accelerate our missile program and, at the same time, provide additional facilities for the Strategic Air Command.

Passed by a 388 to 0 vote, the bill appropriates for the current fiscal year an additional $1.3 billion for the Department of Defense. Although this appropriation is termed "supplementary", it does not constitute any increase in funds already approved. Instead, it represents new projects for which fiscal year 1959 funds had been requested. By making these funds available immediately, it is expected that certain vital defense projects can be speeded up by at least six months.

In answer to criticism of cuts made by Congress last year in funds for the Defense Department, Rep. George H. Mahon (D-Tex.), ranking member of the House Appropriations Committee, emphatically denied that these reductions in any way hindered our defense program. During House debate on the emergency bill, he stated, "It is unmistakably clear and now undisputed from any responsible source that last year Congress gave the Department of Defense several hundred million dollars more than is being used for this year's operation."

Transfer Authority

In addition to the emergency appropriation, the House-approved bill breaks precedent by giving the Secretary of Defense authority to transfer if necessary $150 million in Defense Department funds. This will enable him to quickly channel funds to any important defense project that may result from a sudden research development, thereby avoiding any delay in the program while awaiting congressional approval of an appropriation.

Other Projects

Besides providing for improvements in present facilities of the Strategic Air Command, the measure designates funds for dispersing SAC bases to areas where they will be more secure against enemy attack.

Funds are also provided for the ballistic-missile warning system that had been authorized previously by the House of Representatives and for a speed-up in the development of operational missiles.

The legislation also calls for the construction of three nuclear-powered supmarines capable of firing Polaris ballistic missiles while submerged.

New Research Agency

Another important provision of the emergency defense measure earmarks $10 million for the new Advanced Research Projects Agency. The purpose of this agency is to expedite advanced science programs that may have been delayed as a result of interservice wrangling. However, the agency will not take over any projects that fall clearly within the domain of a particular military department. Initially the new agency will assume full responsibility for research and development of certain outer-space projects.

Debt Limit Raised

The House also voted last Thursday to temporarily raise the statutory debt limit from $275 billion to $280 billion. The Treasuray Department had requested the increased limit as a means of making certain that the government meets its obligations for the next fiscal year.

Since 1954 the debt limit has been temporarily raised three times. However, the ceiling reverted back to the permanent limit of $275 billion on July 1 of last year.

Kent Speaks to Marketing Class

James T. Kent, Jr., Birmingham, talked to the Alabama College marketing class last week on sales as a career.

Kent is administrative assistant of the farm equipment division of the Butler Manufacturing Company of Birmingham.

He is a graduate of McNeese State College, Lake Charles, La., where he studied under Dr. Karl E. Ashburn, now chairman of the business administration department at Alabama College.

"A salesman must develop his personality. He must have a technical knowledge of his product, and he must enjoy his work to the extent that he works continuously", Kent said.

"In the long run, it's is the low pressure salesman that makes the most effective salesman," he said. He told the class, "sales is a field in which you have to constantly learn and study."

Joe: "I'm all in. I've been running around all day trying to get something for my wife."

Jim: "Well, have you had any offers?"—Alabama Trucker.

Fowler Runs For Probate Judge

Conrad M. Fowler qualified as a candidate for Probate Judge following the meeting of the Shelby County Democratic Executive Committee on Tuesday night, January 28th.

Fowler has served as Solicitor of the Eighteenth Judicial Circuit since January, 1953. In 1954 he served as special solicitor in Phenix City, by appointment of the Governor, for 5½ months.

He volunteered for service in the U.S. Marine Corps as a private on May 3, 1941 and served for a period of 5½ years, a good portion of which was spent overseas. He was wounded in action on Bougainville and also on Iwo Jima. He received the Silver Star Medal on two occasions. At the time of his discharge he held the rank of major.

From 1947 until 1953 he practiced law in Columbiana and served as Assistant County Attorney.

He is a graduate of both the School of Commerce and Business Administration and the Law School of the University of Alabama.

Fowler is 39 years of age. He has a record of services in his church and community. He is the son of Mr. and Mrs. Luther Fowler of Columbiana. He was born in Montevallo.

Fowler stated that it is his judgment that Shelby County is entering a new era with opportunity for industrial growth and development. He stated that he is seeking a promotion to this position of great responsibility and wide opportunity in order that he might be in a position to work with the citizens for a better and more prosperous County.

Funeral Is Held For Dr. John Robert Pow

Funeral services for Dr. John Robert Pow, 78, of Bessemer, were held Monday at 2:00 p.m. at Trinity Episcopal Church with the Rev. R. M. Man officiating. Burial was in Elmwood Cemetery.

After more than 50 years service as a company doctor, Dr. Pow retired from Woodward Coal and Iron Co. less than two years ago. Prior to going to Woodward, he was physician at the Maylene mines.

While he and Mrs. Pow were visiting Mr. and Mrs. Robert H. Hurd and children in Corpus Christi, Texas, he died Thursday following a heart attack earlier in the week.

Surviving are his wife (the former Miss Patti Vandiver of Clanton), of Bessemer; two daughters, Mrs. Robert H. Hurd of Corpus Christi, Texas, and Mrs. Thomas H. Ashley of Bessemer; two grandchildren; two sisters, Mrs. Nell Tyler and Mrs. Lilly Bruce of Birmingham.

Mrs. Grady Pickett and Suzann of Pea Ridge were guests of the George Roys Sunday.

MAYBERRY CHURCH GETS A NEW MINISTER

Rev. Emory Charles Jones has been called as minister to the Mayberry Baptist Church, Marvel Route 1, in the Pea Ridge community. He replaces the Rev. Bill Coston, who is now minister to a church in Fayette, Alabama.

A native Alabamian, Rev. Jones was born and raised in the Birmingham vicinity at Pleasant Grove and after graduating from Fairfield High School, he attended Mississippi State College at Clinton for two years. Last fall he transferred to Howard College, where he is now in his junior year. He is majoring in religion and minoring in sociology.

He is married to the former Patricia Ann Lowe. They have a daughter, Mary Elizabeth, two months old.

Recently the Reverend and Mrs. Jones moved into the Pea Ridge community. They have rented and are now living at the home on the Countryman place.

Rev. Jones is the son of Mr. and Mrs. G. L. Jones of Pleasant Grove. Mr. Jones is a superintendent at T.C.I. in Fairfield.

EBENEZER HOME CLUB NEWS

Mrs. George Howell entertained the Ebenezer Home Demonstration Club in January. She gave the devotional at the opening of the program.

Hymn of the month, "Faith of Our Fathers", was given by Mrs. H. A. Pauly and was sung by the group.

Mrs. W. A. Jones, president, conducted the business session.

A demonstration on "Wardrobe Planning" was given by Mrs. Jimmy Spain.

Refreshments were served to 9 members: Mrs. Earl Swinford, Mrs. George Howell, Mrs. Nathan Frost, Mrs. John Lankford, Mrs. Frank Frost, Mrs. W. A. Jones, Mrs. W. A. Nolen, Mrs. H. A. Pauly, Mrs. Jimmy Spain; and five guests: Miss Ann Gardner, assistant H. D. agent, Mrs. Wallace Veazey, Mrs. B. A. Findley, Mrs. Dean Holcombe and Mrs. W. C. Kelly.

Mrs. John Lankford conducted the social entertainment for the afternoon. The meeting was closed by everyone repeating the club "Collect".

First Bank of Alabaster Names Officials

Cates To Seek Legislature Seat

John Lewis Cates, Columbiana cattleman and businessman, announces his intention to qualify for Shelby County's seat in the State Legislature in the May 6 primary.

Mr. Cates was born and reared in Shelby County and graduated from Shelby County High School in 1946. He was a 1950 graduate from Auburn. He served as technical assistant for Foremost Dairies in Montgomery, spent two years in the Army, returning to Shelby County to make his home.

Mr. Cates served in many Shelby County civic projects, being chairman of the Heart Fund Drive in 1956 and 1957 County Goodfellow chairman.

He is now secretary-treasurer of the Shelby County Cattlemen's Association, vice president of Columbiana Junior Chamber of Commerce, and an active member of the U. S. Army Reserve.

Mr. Cates is the son of the late Cecil W. Cates of Columbiana and Mrs. J. Brooks Wooley of Montevallo, and grandson of the late J. A. Cates, pioneer Shelby County dairy farmer and freight line operator. He is married to the former Jacquelyn Howell of Samson, Ala., and they have two sons.

Mr. Cates stated that he has always supported the Democratic party. He also states that he plans to bring his campaign to the citizens of Shelby County and will discuss with them their problems and suggestions for best representation in the legislature.

He pledges to serve to the best interest of all the people of Shelby County and to do the best job possible.

Robert M. Byrd Has "B" Scholastic Average

Robert M. Byrd, Montevallo, compiled a scholastic "B" average or better during the fall quarter at the Alabama Polytechnic Institute. This attainment makes him eligible for membership in Phi Eta Sigma, freshman scholarship honorary for men.

The purpose of Phi Eta Sigma is to recognize high scholarship among freshman men. It has 96 chapters in the United States and the API chapter has 40 members.

Montevallo Council To Establish Library on Nine-Months Trial Basis

Petitioned by a group of Montevallo citizens interested in forming a public library, the Montevallo Town Council Tuesday voted on plans to open a town library on a trial basis for a period of nine months.

Voting on names of the library committee offered for consideration the council formed a five-member Montevallo Library Board of Directors. This board will be responsible to the Council for all expenditures, hiring of personnel, and other business transactions.

Members of the newly created library board are: Miss Lucille Griffith, A.A.U.W. president; Miss Ethel Harris, A.A.U.W. Education Committee chairman; Mrs. Jessie McGaughy, Business and Professional Women's Club representative; Mrs. Albert Scott, Studiosis Club representative; and Mrs. Maryalice Ballentine, P.T.A. representative.

Under the auspices of A.A.U.W. other local clubs in Montevallo have formed the Library Committee from which the library board was selected. This committee will continue to function, working with the Town Council through the library board of directors .

Presenting figures on Shelby County's percentage of population who have completed various years of schooling Miss Griffith quoted from the 1950 U.S. Government Census Report on Education as follows: 5th and 6th grades of elementary schooling completed, 40%; completion of education through the 7th and 8th grades, 22.5%; four years of high school, 28%; four years or more of college, 8.5%. This gives a population median of number of years of education completed of 7.8%. A need to give further stimulus to children and adults through the free use of a good library was indicated.

Explaining further that the high school library and elementary school library were used only by the pupils actually in the Montevallo schools; and although the college library was planned to serve the needs of the college students it was open to the town. Only 85 people in Montevallo actually made use of its facilities.

The Montevallo Town Council voted to furnish adequate space for the library; to purchase steel shelves necessary to hold approximately 500 books which will be furnished by the state through a rotation system by the Shelby County Bookmobile; and to pay a minimum wage of $6.00 a week as suggested by the Regional Director.

The trail period will extend to October 1st, the ending of the fiscal year for the Town of Montevallo.

Besides the state books which will be available, the town library may collect a permanent library from donations of books by individuals, groups and organizations.

Opening date of the library will be published next week. Hours when the library will be open—two hours a day, three days a week—will be posted on the library door at the Town Hall as soon as plans are completed.

AAUW PRESIDENT—Dr. Anna L. Rome Hawkes, Orleans, Vt., president, American Association of University Women, will arrive at Livingston State College Wednesday, Feb. 5, for a special meeting of the Livingston Branch AAUW at 3:30 p.m. in Webb Hall parlor. The Marion and Montevallo branches are invited to attend the meeting honoring Dr. Hawkes. (Chase Ltd. Photo, Washington, D. C.)

C. P. (Red) Walker To Run For Representative

Mr. C. P. (Red) Walker of Alabaster told The Times-Herald this week that he plans to enter the race for Representative of Shelby County in the Legislature of Alabama.

Mr. Walker is a well-known real estate and insurance man. He is a 1955 graduate of the Birmingham School of Law.

You will likely be hearing more from Mr. Walker by next week.

Poll Tax Must Be Paid by February 1

At the request of The Times-Herald, Solicitor Conrad Fowler has prepared a condensed statement of the legal procedures necessary for new voters to follow in making sure that they do the proper things at the proper time in order to get on the list of qualified voters.

This is important now and there are many people who should take heed and get ready for voting in the important elections this year.

Remember, it will be too late if you wait until election day and find that you are not on the list. Get your status as a voter correctly established now.

How To Get It Done

Registered voters are required by law to pay poll tax in order to be qualified to vote. Poll tax is due October 1 for the privilege of voting in any election to be held during the forthcoming year. This tax must be paid on or before February 1. In addition to the tax for the year of the election, the voter must have paid the tax due from him for the preceding year. In other words, to be qualified, a registered voter must have paid tax due from him for the current year and the immediately preceding year.

Persons who reach the age of 21 years after October 1 are not required to pay poll tax for the privilege of voting in the elections held during the next year because only that tax was due on October 1 is required to be paid.

Citizens may pay this poll tax by mail by sending it to L. C. Abbott, Tax Collector of Shelby County, Columbiana, or they may go in person to that office.

Persons who wish to register to vote may contact Mrs. Grover L. Cleveland of Wilton, Mr. Carlton Franks of Columbiana, or Mr. M. E. Millender of Harpersville, all of whom are members of the Shelby County Board of Registrars.

To be eligible to vote, one must have registered and also paid the poll tax that was due from him for the current year of the election and the immediately preceding year.

One who fails to pay poll tax due by February 1 is ineligible to vote at any election, municipal, county, or state, that will be held during the same year.

Chamber Plans Organization For Year's Activities

James E. Whaley, president of Montevallo Chamber of Commerce, is planning for one of the best years in Montevallo history as the Chamber of Commerce gets off to a good start next Thursday evening, Feb. 13, at 7:30 at City Hall.

It is expected that Robert Hall, president of Birmingham Chamber of Commerce, will pay a visit to the Montevallo unit, to be followed later by Mr. Dixon, industrial representative of the State Chamber. Mr. Whaley expects to set up committees for this year's work and urges a large attendance at this kick-off meeting for 1958.

Fred Frost, Sr., treasurer of the Montevallo Chamber, is receiving dues for 1958 membership. Officials agree it would be fine to report a large paid up membership at this meeting. Please send your dues for membership to Mr. Frost before next Thursday.

Don H. Lovelady is expected to be vice president of the industrial committee and he is also elected vice president of the Chamber of Commerce. M. Thornton, secretary, will work with the agricultural and other committees. Already Mr. Thornton is serving as secretary of the newly organized committee to work toward eradication of fire ants. A meeting was held Tuesday night at the high school to make plans for this program.

C. H. Chism will probably serve with the membership committee and a regular set of committees in line with state chamber work will be set up to include a vice president in each area of chamber work.

Exam Is Announced For Post Office Jobs

The Fifth U. S. Civil Service Regional Office, Atlanta, Ga., announces an open competitive examination for career or temporary appointment to the positions of substitute clerk, substitute carrier, in the Montevallo post office.

Applications will be accepted from persons who reside within the delivery of the post office or who are bona fide patrons of such office. Persons employed in the post office will be considered bona fide patrons of the office. Applications must be received or postmarked on or before February 18, 1958.

The beginning basic rate of pay is $1.82 per hour. Applicants must have reached their 18th birthday on the closing date for acceptance of applications. This age limit does not apply to persons entitled to veterans' benefits.

Necessary forms and further information may be obtained from the postmaster at Montevallo, or from the Fifth U. S. Civil Service Regional Office, Peachtree-Baker Building, 275 Peachtree St., N.E., Atlanta 3, Ga.

CONGRATULATING Montevallo Westinghouse employees on winning suggestion awards are R. E. Ballentine, Plant Manager, and E. E. Bennett, Foreman. Left to right are R. E. Ballentine, Jim Dalton Presley, Hubert Lucas, Garland Splawn, Ralph Collum and E. E. Bennett.

Westinghouse Employees Receive Awards for Improvement Suggestions

Suggestion award checks totaling $107 were presented to five local Westinghouse employees this week by R. E. Ballentine, Plant Manager. The suggestion system at the Montevallo Welding manufacturing plant enables employees to submit practical and constructive suggestions dealing with the improvement of products and the methods and conditions under which they are manufactured.

Top award of $60 went to Jim Dalton Presley, of Calera, for suggesting a method of improving the life of extrusion die heads. In addition to receiving the highest award paid during 1957, Mr. Presley holds the plant record for total awards, having received $117 for seven suggestions adopted since the suggestion system was installed in the Montevallo plant.

Next highest award of $20 went to E. C. Fancher of Brierfield for a suggestion dealing with the installation of a hot water pipe on the wet mixer.

Ralph Collum of Calera received two awards, $12 for a suggestion improving the paint wheels on the electrode line, and $5 for suggesting marking water, gas and electrical pipe with code colors.

A check for $5 went to Hubert Lucas, of Montevallo, for a suggestion for guards on the rotating die motors. It was his fifth suggestion to be adopted. Mr. Lucas was top award winner for the second quarter of 1957, having received a $15 award for a suggestion to redesign the electrode counter.

Garland Splawn of Wilton received his first award of $5 for his suggestion for installing a lavatory on the mixer platform.

New Telephone Number System For Montevallo

A new telephone numbering plan essential for Montevallo's participation in the rapidly expanding direct distance dialing system is scheduled to be introduced here in mid-March of this year, it was announced this week by J.L. Switzer, local manager of Southern Bell Telephone Company.

Adoption of the plan enables long distance operators in participating exchanges to dial telephone numbers in distant cities direct—much the same as a number is dialed for a local call. It also paves the way for customer direct distance dialing.

To conform to the technical requirements of the new system, all Montevallo numbers must be changed, Mr. Switzer said.

The new numbering system requires that each telephone number consist of an office name followed by five numerals. All Montevallo numbers will be composed of the name MOntrose and five numerals.

The telephone company manager said that all Montevallo subscribers will be notified in advance of the change in their numbers and of the date and hour they become effective.

All new numbers will appear in a directory to be issued prior to the change to the nationwide numbering system.

Sixty-one of Southern Bell's 91 Alabama exchanges have already adopted the new name-numeral telephone numbers.

FHA Council Holds Business Meeting

The State Future Homemakers of America Executive Council held a two-day meeting at Alabama College last week.

The agenda, released by Ruth Stovall, state FHA adviser, contained six items of business for the meeting.

Among these were reports of the progress of each officer toward her program of work and her plans for the remainder of the year, and planning for the 1958 state FHA meeting for leadership and training.

The council also made plans for the Alabama group's participation in the 1958 national FHA meeting.

June Garrett, Ozark, State FHA President, presided at the meeting here last week.

Also attending were Anne McAliley, Coffee Springs; Hildreth Hartley, Leroy; Jerrine Holland, Orrville; Lynda Bolen, Jackson.

Rosemary Cowan, Ashland; Cynthia Ford, LaFayette; Jane Shamblin, Gaylesville; Nettie Sue Randolph, Bridgeport; Ruth Ann Fuller, Haleyville; and Mikiel Brady, Northport.

Advisers attending the conference were Mrs. Bobbie Haney, Ozark; Betty Coe, Geneva; Alice Ruth Eason, Montevallo; Betty Bond, Leroy; Monette Strickland, Orrville.

Mrs. Ethel D. Johnson, Jackson; Mrs. Ruby C. Phillips, Montevallo; Mrs. Mary Y. Thompson, Ashland; Mrs. Sara R. Edge, LaFayette; Mrs. Glennie I. Nybeck, Montevallo.

Mrs. Odelle T. Lakeman, Haleyville; Mrs. Mary P. Whaley, Northport; and Sue Dawson, Montevallo.

College To Offer 20 Scholarships

Scholarships valued at $10,555 are available at Alabama College.

"High school students interested in competing for these scholarships should see their principals," said Iva Gibson, dean of students.

"The application deadline is on February 15. Competitive examinations will be at the college on March 13-15," she said.

"The purpose of the scholarships is to stimulate and reward excellence," Dean Gibson said.

There are 20 honors scholarships available for both men and women. Four of them cover full fixed charges, including room, board, laundry and college fees. They are renewable for one additional year.

Four cover one-half of the fixed charges, and are renewable for one year. Twelve are for $100 a year.

Five music scholarships are available for men and women. Four $100 scholarships renewable for three additional years and one $175 scholarship for the freshman year only, are available.

Physical education scholarships are being offered for two women. Each of these is valued at $250.

College Night Preparations Start

Full scale preparations for the 1958 College Night festivities got underway at Alabama College last week .

The College Night series will be Feb. 20-22.

Cabinets for both the purple and gold sides were introduced to each other and to the College Night advisory committee at a joint cabinet meeting Monday evening.

The cabinet members head the committees that are making preparations for the three-day music, art, drama festival. The sides are named for the school colors.

Lois Swindal, Bessemer, is the Purple Leader. Bonnie Strickland, Birmingham, leads the Golds.

At the College Night kick-off convocation, Birdie Bell, president of Student Government predicted, "This is going to be the best College Night in history."

The leaders and assistants were presented to the student body and rules governing the activities were discussed.

Purple assistant leader is Ann Ellis of Jasper; and Gold assistant leader is Elise Berry of Caruthersville, Mo.

Minister Pays 1923 Telephone Bill

A California minister has paid a 65-cent telephone bill incurred in 1923.

A spokesman for the Southern Bell Telephone Company in Birmingham said his firm has received the following letter-and check—from the Rev. R. L. Harrell, formerly a minister in that city.

"I have found the enclosed statement in some very old files. I have no record that I ever paid this little bill, and evidently filed it away to take care of it. My sincere apologies for an unforgivable delay."

The Telephone Company thanked him for the payment but advised him his check would be retained as a souvenir and would not be cashed.

McDow Is Candidate For Representative

J. T. (Jimmy) McDow, Columbiana businessman, has announced that he will be a candidate for member of the House of Representatives from Shelby County. Jimmy is a native of Alabama, having been born in Randolph County, and is 37 years of age.

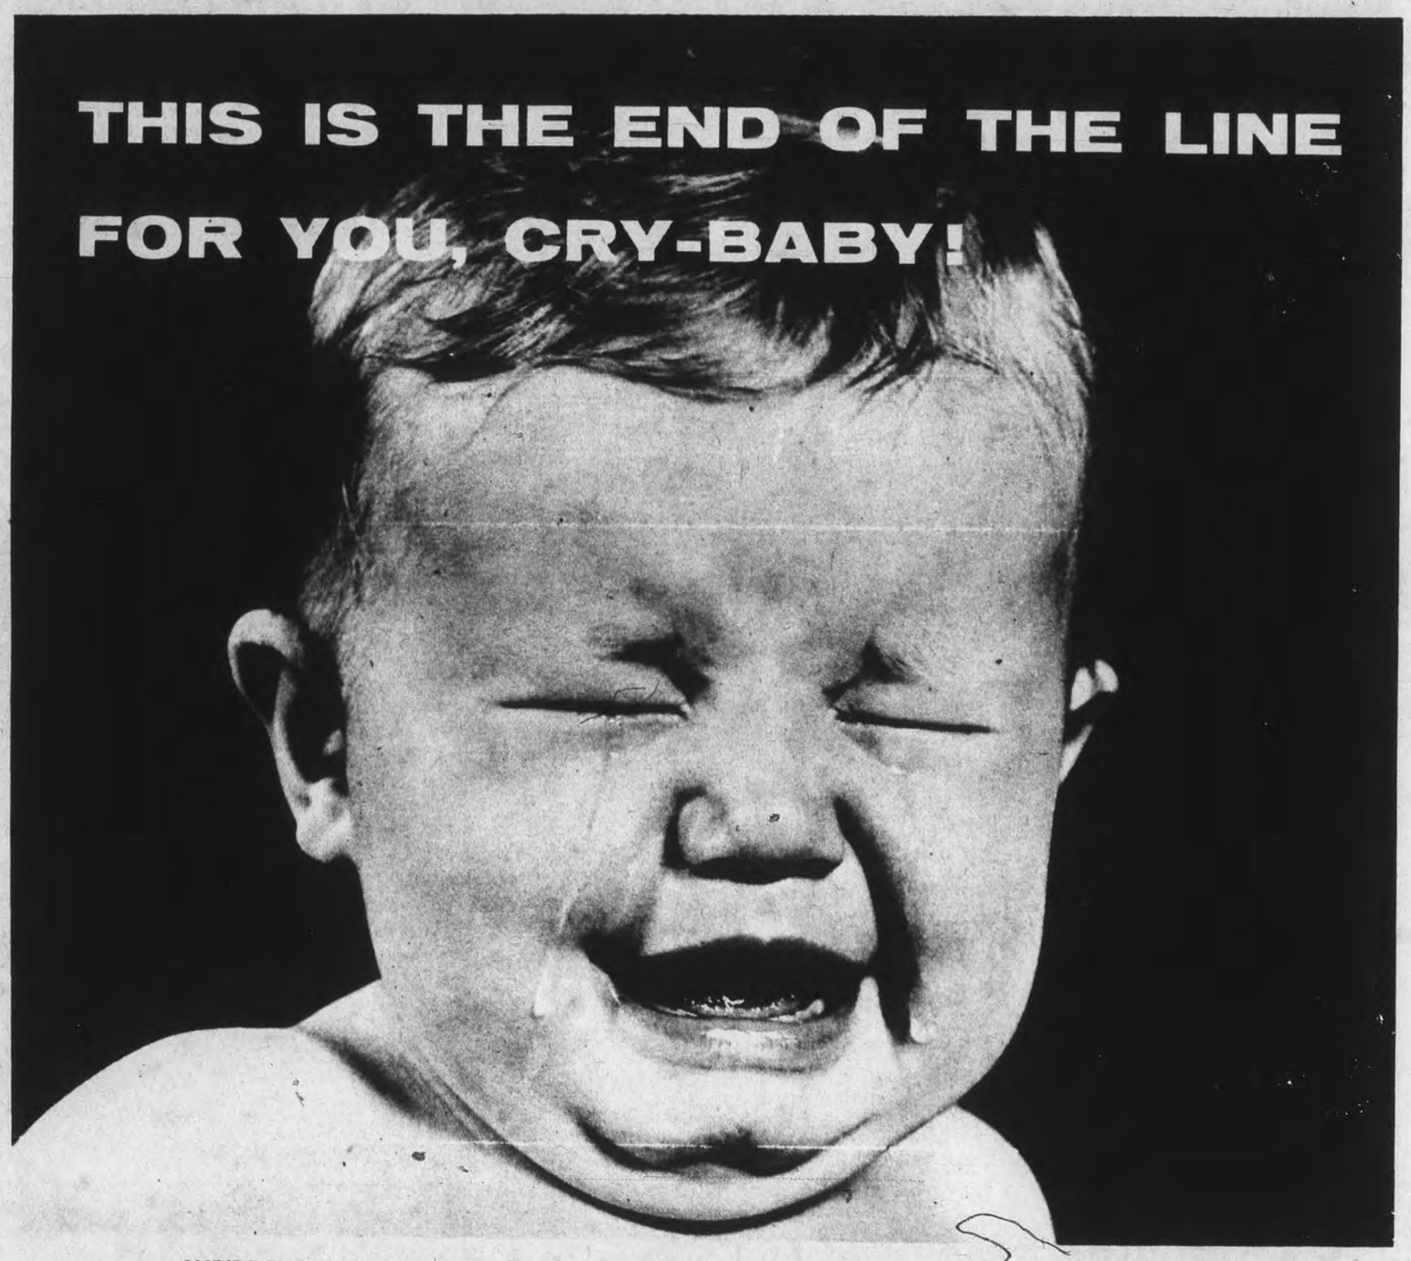

He served in the U. S. Navy almost four years during World War II with approximately one year's service overseas in the Pacific Theatre. After being honorably discharged in October 1945, he entered the automobile business in Clanton.

J. T. (Jimmy) McDOW, Columbiana business man (a Chevrolet Dealer) is a candidate for Representative of Shelby County in the Legislature of Alabama.

Since moving to Columbiana nine years ago, hc has been very active in church and civic work in his community and throughout the county. He has served as president of the Columbiana Kiwanis Club and lieutenant governor of Alabama Kiwanis. He is a Baptist, a Mason, Shriner, member of the V.F.W. and American Legion. At present, Mr. McDow is serving as a member of the City Council of Columbiana, a trustee of the Columbiana schools and as chairman of the Shelby County Industrial Development Board.

In a statement concerning his race for the Legislature, Mr. McDow said, "I have had the opportunity to work with the people of our county in all sections and I understand the problems of all groups. It is my intention to conduct a vigorous and clean campaign throughout the county. If the people of our county see fit to elect me to this important office I shall serve all of our people to the very best of my ability."

WE'RE FRANK TO ADMIT we've done our share of complaining about the unfair treatment America's railroads have been getting in recent years. We have even been labeled a "cry-baby" at times, by some of our severest critics. And perhaps unwittingly we have been, too, in our enthusiasm for self-preservation.

We believe we've had, and still have, good reason to complain. So, we will continue to speak out against unhealthy, unfair conditions in the transport industry as long as they exist. But we don't intend to be a "cry-baby" about it.

What we want is more freight to haul. And we know that *trying*, not crying, is the way for our railroad to win back the business we have lost in recent years to subsidized competitors.

That's why the Southern is determined to try harder than ever *now* to "Serve the South" the very best it can under present conditions.

We are a *volume* business, and the modern Southern is geared now to take care of a much greater volume of traffic than it is handling. We believe the way to get and hold increased volume is constantly to improve our services and keep our rates down – even lowering them whenever possible.

At the same time, realistic transportation legislation is urgently needed, if America is to go on benefiting from a strong, self-supporting railroad industry that is basic to our Nation's peacetime well-being and indispensable in defense emergencies. That is not "cry-baby" thinking. It's just common sense.

Harry A. DeButts
President

WE WANT YOUR FREIGHT IN '58!

To shippers and receivers of freight, the railroad that "Serves the South" offers the largest, most efficient, most modern plant and equipment in its 127-year history. As never before, we are eager to serve and geared to *GO*. Let our low-rate, all-weather volume transportation service help you do a better job for your shipping dollar.

THIS YEAR—SHIP VIA SOUTHERN AND SEE!

SOUTHERN RAILWAY SYSTEM
WASHINGTON, D. C.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The launching of an earth satellite last Friday by the United States was the top news story in Washington as well as throughout the entire world.

Russia's ability to launch two satellites months ahead of the United States was a tremendous propaganda victory for the Soviet Union and dealt American prestige a damaging blow. A similar accomplishment by the United States should now dispel any doubts that other nations may have as to our ability in this field.

Rocket Preview

In December of 1956 I spent a day at Huntsville's Redstone Arsenal with several of my colleagues from Alabama. At that time we were briefed by Generals Medaris and Toftoy and had an opportunity to talk with Dr. Wernher von Braun, German scientist who has played a leading role in rocket development. We also witnessed the test firing of a rocket similar to the one that was used last week at Cape Canaveral, Florida.

As a result of that visit, I was extremly pleased but certainly not surprised that the Jupiter-C rocket, developed largely at the Army Ballistic Missile Agency in Huntsville, was the vehicle used in the successful launching of this nation's first earth satellite.

Scientific Aid

President Eisenhower has presented to Congress his emergency plan to increase the number of trained scientists in the United States.

The President's program, which is contained in a bill introduced by Republican Representative Carroll D. Kearns, will provide 10,000 four-year college scholarships each year for high school graduates who show aptitude for science or mathematics. It would also provide 5500 fellowships for training college teachers in these fields.

In addition, it authorizes federal funds for assisting states in the testing and guidance of high schools to offer better instruction in mathematics, science, and foreign languages.

Two members of Congress from Alabama, Senator Lister Hill and Representative Carl Elliott believe the President's proposal is too limited and have introduced legislation that will provide a much larger and broader program. It is estimated that the Hill-Elliott proposal will cost approximately three billion dollars.

Inequities Corrected

Legislation adopted last week by the House of Representatives is designed to eliminate a number of inequities presently existing in our tax laws. As passed by the House, this measure deals chiefly with the correction of inadvertent errors in the income, estate, and gift tax laws. The bill blocks many current tax-dodging devices but, at the same time, contains a number of provisions that will benefit the taxpayers.

Early Senate approval of this legislation is expected.

Phillips Is Appointed To Four Committees

Dr. Howard M. Phillips, President of Alabama College, has recently been appointed to four major committees.

The Southern Association of Colleges and Secondary Schools has appointed him a member of the Commission on Colleges and Universities, and the committee on Admission to Membership.

He has been named chairman of the Committee on Instruction of the Conference of Southern Universities.

Dr. Phillips is a member of the Higher Education Committee of the Alabama Education Commission.

Alabama Power Pays Municipal Taxes

Alabama Power Company delivered today to 201 municipalities checks aggregating $1,988,-137.04 in payment of 1958 Municipal Licenses.

Mr. M. S. McGehee, power company district manager at Montevallo today delivered to the Town Clerk at Wilton a check in the amount of $377.74, one to the Town Clerk at Calera in the amount of $9,348.09 and one to the Town Clerk at Montevallo in the amount of $3,721.47 in payment of the Company's license to these towns.

The total for the ten towns in Bibb and Shelby Counties in the Montevallo District amounted to $27,776.47.

The Company's total tax bill for 1958 including federal and state income taxes is expected to be $22,600,000.00

On Feb. 15, 1890, the battleship USS Maine was sunk by an underwater explosion at Havana, Cuba. Of the 350 man crew, 260 were lost.

Montevallo Falls To Thompson Warriors

By S. DeMent

For a second time this season Montevallo fell before the Thompson Warriors as Thompson edged out the Bulldogs, 62-60, in a thrill-packed event here Tuesday night.

Roach and Peeples, displaying deadly accuracy on the long ones, led the scoring attack for the Warriors with 16 points apiece. But it was Montevallo's Charley Houlditch who took top scoring honors for the night, pouring through 23 points for a losing cause. Houlditch had command of the backboards, too, as he picked off 21.

The Bulldogs, looking as if they couldn't be stopped, scored nine quick points as the game opened before Thompson came to life. However, when the Warriors did wake up, they got down to business.

After trailing 16-12 at the end of the first period, they came back fighting to finish the half with the score 31-29 in their favor.

As the second quarter opened, Bentley scored two points, was fouled in the act of shooting and put in a third point, making the count 17-15. Two minutes in the period Roach connected with a long shot to knot the score at 17. Three more times during that period the score was tied; but by halftime the Warriors had their two-point lead, and that was all they needed.

Five seconds before the final whistle Montevallo had moved within one point with a 60-61 score, but a foul against Peeples gave the Warriors 62—and there the game ended.

Montevallo travels to Oak Grove Friday night.

Next week Montevallo is host to the Shelby County Basketball tournament. All five county schools will participate, with both A and B teams playing. Games begin Wednesday night, Feb. 12, and run through Saturday night. Finals for both A and B teams will be played Saturday night, Feb. 15; and an all-county selection of players will be made following the games.

Feb. 22-27 Is Nat'l FFA Week

Future Farmers of America members throughout the nation are scheduling special activities to focus public attention on the work of their organization during National FFA Week, February 22-28.

Locally, members of the Montevallo FFA chapter plan a window display, a visit to a feed mill, and a trip to Nashville.

Membership in the FFA is made up of farm boys who are students of vocational agriculture in high school. The organization's activities are designed primarily to help develop leadership and good citizenship, and to stimulate the boys to better achievement in their study and work toward successful establishment in farming.

The local FFA chapter has 104 members. Officers are: Jim Potts, president; Charles Thompson, vice-president; Jimmy Ray Harris, secretary; Lee Salter, treasurer; Jimmy Jones, sentinal; Johnny Dailey, chaplain; James E. Davis, Parlimentarian, M. Thornton, vocational argiculture instructor in Montevallo High School, serves as advisor of the FFA chapter.

The national Future Farmer organization has 380,000 members, with 9,000 local chapters in the 48 states, Hawaii, Puerto Rico. Membership in Alabama totals nearly 14,000 in 263 chapters.

Future Farmers choose the week of George Washington's birthday each year for the observance of National FFA Week. Although usually recognized as a Revolutionary War General and our first President, Washington's first love was the farm he called Mount Vernon. There, he was one of the first in the nation to practice contour planting, crop rotations ,fertilization, and other soil conservation and improvement methods. It was more than a century after Washington's death before general use was made of many of the sound agricultural practices that he advocated.

Oak Grove Wins Over Calera

"A" Team

Calera "A" team played Oak Grove Tuesday night and was defeated by a score of 52-29. Oak Grove hit 65% of their field goals while Calera only hit 25%. Oak Grove hit 59% of their foul shots while Calera hit 62%. Walter Ingram was high point man with 11 points. Edwards was second with 10 points and Tyus was third with 7 points. Thomas had 1 point.

"B" Team

Larry Farris connected for 12 points in leading the Calera Eagles "B" team to a 28-11 victory over Oak Grove Tuesday night.

Farris teamed with Parks, Findley, Smith, and Tate gave the Eagles "B" team their 6th win of the season.

Others scoring were Parks with 6 points, Findley and Smith with 4 points each and Tate with 2 points.

Mr. and Mrs. J. O. Glass of Bessemer are visiting their children the V. O. Samons for a few days. Mrs. Glass was honored Sunday with a birthday dinner celebrating her 67th birthday. Those attending were Mr. and Mrs. Lonnie Northcutt, Mrs. Ralph Rozell and daughter Cathy, Bessemer, Mr. and Mrs. Earl Pearce and son Donnie of Jemison, and Mr. and Mrs. Thomas Crowson and children of Calera.

Mr. and Mrs. Leondus Carter were hosts Friday night with open house to their friends and relatives. They were celebrating their 25th wedding anniversary.

David Lindsay Chapter, D A R Will Celebrate American History Month

David Lindsay Chapter, DAR, will celebrate American History Month at its regular monthly meeting on Monday evening, Feb. 10, in the home of Mrs. A. W. Vaughan.

Mrs. Eugene D. Reynolds, chapter treasurer, will have charge of the evening's program and will introduce Dr. Lucille Griffith, who will speak on the topic, "George Washington: Candidate for the Virginia House of Burgesses". Miss Griffith is an associate professor of history at Alabama College and is a member of numerous faculty committees: historical records, library, and radio. In addition she serves as local president of AAUW.

Mrs. W. H. Lyman, state chairman of resolutions and Mrs. C. L. Gormley, a member of the tellers committee will take an active part in the DAR State Conference in Mobile, March 27, 28, and 29, at the Admiral Semmes Hotel. Other official delegates to the March state meeting will be elected Monday evening.

Miss Ollie Tillman, Miss Emma Dendy, and Miss Annabeth Cash recently set up a DAR window display in the Edward H. Wills Memorial Library. The chapter's gavel made from wood taken from the old King House mansion, the official insignia of the DAR, and photostats of 1783 bounty warrants and military certificates dated 1784 issued to David Lindsey, soldier, are among the items shown. These dated copies were presented to the chapter last month by Mrs. Vaughan, genealogical chairman, who received them from Mrs. Alvis Turner, a lineal descendant of David Lindsay.

Mrs. Gormley, regent, plans to attend Continental Congress in Washington, D.C. the week of April 14th.

Southern Issues 'Punched Card Bonds'

Soon after the Treasury Department introduced its recent "new look" in U.S. Saving Bonds with certificates printed on 7-⅜" by 3-¼" punched cards, Southern Railway System issued the first "punched card bond" from magnetic tape records that went to any railroad-employee purchasers enrolled in payroll deduction plans.

The railway was able to start the new program of bond issuance promptly because it already had needed information immediately available in its paycheck issuing records.

Names, addresses, name of coowners or beneficiaries, issuing and effective dates, and other pertinent data were already stored on the magnetic tapes used for printing paychecks. These, together with stockholder dividend checks and various records and reports, are produced on an International Business Machines computer known officially as the IBM 705, Model II, Electronic Data Processing Machine, which the Southern put into operation for the first time anywhere a little over a year ago.

In the picture the tape unit at left "feeds" information to the printer unit which fills in both the bond blanks and the attached Treasury Department receipt stubs (on left) at the rate of 500 lines a minute. James S. Kaigler, computer equipment operator of the railway at Atlanta, handles the controls.

On Feb. 7, 1800, the USS Essex, while en route to Batavia to escort a convoy of merchantmen to tne United States, became tne first America ship of war to cross the equator.

Mr. and Mrs. A. A. Thornberg of Shelby visited their daughter, Mrs. Julius Barrett Thursday.

Mrs. K. G. King and Mrs. C. C. Milford were Tuesday dinner guests of Mrs. Argie Carter and Mrs. Don Kresnye.

Elizabeth Harden Enlists In Women's Army Corps

Elizabeth R. Harden, daughter of Mrs. John Mills, Montevallo, was accepted for enlistment in the Womens Army Corps this week, Sergeant James R. Nichols, US Army Recruiter for the Montevallo area, announces.

She is a graduate of Montevallo High School, class of 1957.

She was sent to Montgomery for final processing and enlistment by the WAC Recruiting Staff on duty at the Army Recruiting Main Station.

She is now at the WAC Center, Fort McClellan for basic training and further assignment.

Shelby P T A Council Meets

The winter meeting of the Shelby County P.T.A. Council was held in the Montevallo School on January 28. Six standing committees held meetings prior to the program; the chairman reported to the general assembly.

Mr. Jimmy Gentle, chairman of Safety Committee, reported that each local P.T.A. should sponsor a safety organization. They were urged to correct all safety hazzard around the school.

Mr$. Emily Eddings, chairman of Visual Education Committee, reported on the Educational Television programs that are being used in several schools in the county.

Mrs. Mary Kroell, chairman Library and Children's Reading, stressed the need of school libraries, especially in Junior High Schools.

Mrs. Margaret Youngblood displayed the County P.T.A. Scrapbook and gave each local chairman suggestions for keeping a scrapbook of local activities.

Miss Anita King, Chairman of Publicity, gave some suggestions for publicizing the meetings.

During the business sessions, in which the president, Mrs. Rual Stark, presided, Mrs. F. L. McCoy, Helena, was elected secretary in place of Mrs. W. W. Stillwell who resigned because of illness.

Miss Laura Wright, Head of Speech Department at Alabama College, talked on "Problems of Unrecognized Hearing Loss". Dr. Wright said a safe estimate would be that 5% of the school pupils have some hearing loss. She advocated that each P.T.A. group sponsor a "sweep test" to be given to all school pupils to find those with a slight hearing loss. This group of children would then be given a "threshold test" by trained persons to determine the degree of hearing loss. Children who needed treatment would be referred to specialists.

Fifty-eight people were present from the following P.T.A. groups: Calera, Camp Branch, Chelsea, Columbiana, Dogwood, Helena, Montevallo, Maylene, New Hope, Pelham, Thompson and Wilsonville.

Library Board To Meet Friday

The Montevallo Library Board will hold its first meeting Friday, February 7 at 3:30 p.m.

Announcement of the meeting date was made by Miss Lucille Griffith, A.A.U.W. president and acting chairman of the newly created board.

Shelving for books for the Montevallo Library to be purchased by the Town Council are scheduled to arrive sometime next week, according to Mr. Henderson, Town Clerk.

Business of the meeting will include selecting a librarian from a list of well qualified prospects who have applied for the position; appointment of officers of the board; and deciding on a date and final plans for the opening of the library.

Sponsored by the Education committee of the American Association of University Women with representatives from other local clubs forming a library committee the Montevallo Town Council was asked to consider forming a Montevallo library.

Last Tuesday the 27th, the Council voted unanimously to open a town library on a trial basis for a period of nine months. At that time the Council also selected a five-member board of directors which will be responsible to the Council for all expenditures, hiring of personnel and other business transactions pertaining to the library.

Members of the library board are: Miss Lucille Griffith; Miss Ethel Harris; Mrs. Richard Ballentine; Mrs. Albert Scott; and Mrs. Alvin McGaughy.

Funeral Is Held For Mrs. Mary M. Jones

Funeral services for Mrs. Mary McKinney Jones were held at the Enon Baptist Church January 28, with Rev. Percy Bamberg, former pastor, officiating.

A mixed choir from several churches in the county sang "In The Sweet Bye And Bye" and "It Is Well With My Soul," with Mrs. David Weaver at the piano.

Mrs. Jones was born Nov. 20, 1881. She was a devout member of Enon Church, having joined at an early age. She was faithful in church attendance as long as her health permitted.

The many beautiful flowers and the crowd attending her funeral testified to the esteem in which she was held.

She was married to John Alvia Jones Sr., Jan. 25, 1905. Surviving her besides her husband are 4 daughters, Mrs. Pauline Lawrence of Calera, Mrs. Evelyn Hill of Plantersville, Mrs. Lillie Langston of West Blocton, Mrs. Frances Carroll of Defuniak Springs, Fla.; 2 sons, Alvia Jones Jr. of Centerville, Grady Jones of Tuscaloosa; 7 grandchildren and 1 great-grand child; 1 sister, Mrs. D. E. Shoemaker of Centreville.

Active pallbearers were nephews of the deceased, Paul Pratt, Ellington Jones, Elwyn McKinney, Hardy Pratt, Dan Shoemaker and Maurice Jones.

Burial was in Enon Cemetery with Jack Lee Funeral Home of Centreville, directing.

Jim Potts Winner

Jim Potts, Montevallo F.F.A. president, was winner in the Shelby County F.F.A. speaking contest held at Vincent last Monday. Jim will represent Shelby County in central Alabama and compete for a place in the state finals to be held during the state F.F.A. convention at Auburn in June.

Along with about 75 other F.F.A. leaders in Alabama, Jim will be a guest of the Birmingham Chamber of Commerce for two days next week. The Birmingham Chamber has promised to entertain the county delegates and state officers with a real look into what is happening in and around Birmingham.

Patricia Waters Named Betty Crocker Winner

Patricia Ann Waters has been named the Betty Crocker Homemaker of Tomorrow in Montevallo.

She received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating girls in Montevallo High School.

Her examination paper now will be entered in competition with those of 216 other school winners to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

Each State Homemaker of Tomorrow will receive a $1,500 scholarship and an educational trip with her school advisor to Washington, D.C., Colonial Williamsburg, Va., and New York City. A $500 scholarship will be awarded the second ranking girl in each state. The school of the state winner receives a set of the Encyclopaedia Britannica.

WARRIORS NIP BULLDOGS, 49-44

By S. DeMent

Playing without the services of their top pointmaker, Jerry McNeel, the Bulldogs fought a good fight but lost the battle to Thompson Friday night as the Warriors outscored the Montevallo quintet at Siluria 49-44. This was the first meeting of these two county rivals this season.

It was a nip and tuck affair and anybody's ballgame until the fourth period when the Warriors managed to widen the gap to eight points. After that Montevallo was never able to come nearer that three points, as the defending Shelby County champions held on for a 49-44 final score. This was the sixth defeat for the Bulldogs against nine wins.

Warriors Lead by One

Thompson took the tip and quickly racked up two points as Bentley scored within five seconds of the opening of the game. Before the first minute had passed, Roach had added two more to give the Warriors an early four-point advantage.

Leslie Harrison and Forrest Brown kept Montevallo in the game, however, in that initial period as Les hit with two long shots and Brown scored seven, giving the Bulldogs a total of 11 to count against 12 for the Warriors as the quarter ended.

Unable to cut the lead permanently in the second period, the Bulldogs forged ahead 17-14 at one point in the stanza. By the end of the quarter, though, by way of the steady shooting of Bentley and Roach, the Warriors had gained back their one-point margin. Halftime score was 22-21 with Thompson on the long end again.

Bulldogs Take Lead

Both teams put up a valiant scrap to gain the lead and hold it in the third period. Four times the score was knotted, and six times it changed hands. But when the whistle sounded, it was Montevallo out front this time with the one-point advantage, 36-35.

Three minutes into the fourth period the Warriors had raced ahead 48-40, and the Bulldogs were unable to cut the lead more than four points. Owens dropped in a free shot in the closing moments of the game to make the final count 49-44.

Scoring Evenly Divided

Roach, Bentley, Peeples, and Owens were the guns for the four-man scoring attack of the Warriors. Roach and Bentley had 14 apiece, Owens added 12, and Peeples put in 11.

To divide scoring honors for Montevallo Ronald Smitherman and Harrison each scored 10, while Brown had nine for the night.

B's Do It Again

"Possum" Rasberry, scoring five field goals and three free shots, led the Bullpups to victory No. 13 as the "Fearless Five" came from behind a 15-13 halftime deficit to take a 30-24 decision from the tall Thompson B's in a preliminary match.

Billy Winslett scored eight for Montevallo's next best.

Fire Ants

A meeting to work toward eradication of fire ants was held at the high school Tuesday evening. Local, state and national leaders in the control program were present and discussed all phases of the program. Cost of the control measures will be divided equally between the farmer, the state, and the federal government. It is expected that the share to be paid by the farmer will be around $1.25 per acre for the treatment. A special committee headed by J. Frank Baker is taking the lead in getting the control plan under way. It is expected that farmers will be contacted at an early date to sign agreements. It requires 5,000 acres as a unit to begin the program.

County Red Cross Chairman Reports

At the annual meeting of the Board of Directors of the Shelby County Chapter of the American Red Cross, Mr. Bill Varden of Calera, Chapter Chairman for 1957-1958, gave the chapter's annual service and financial report. Durin the year your Shelby County Chapter served some 327 Shelby County serviceman, their wives, and families in various matters ranging from emergency leaves, death messages, to emergency financial loans for hospitalization of a child seriously ill. In addition to these services, many people from Shelby County sought aid to the many and various problems that confronted them during the year, and found help and aid through your generous gifts to the Red Cross.

Mr. Varden took this opportunity to thank the many volunteer workers who so generously aided him and his staff of committee chairmen in the past year.

Mr. Varden announced the election of Mr. Frederick Cameron, of the Indian Springs School, to serve as Chapter chairman for the coming year, 1958-1959, with the assistance of Mrs. Alvin McGaughy of Montevallo, who will serve as Fund Drive Chairman for 1958-1959.

Your American Red Cross Fund Drive will begin on March 1st. May we all join together again to make the year 1958-1959 a most successful year for your Shelby County Chapter of the American Red Cross.

Quarterback Club Aids Thompson Athletic Program

Appreciation is expressed this week by Thompson School to members of the Quarterback Club who have supported the athletic program of the school with $750 in contributions.

There'll Be Some Changes Made . . .

Beginning March 16, 1958

All Montevallo Telephones Will Get New Numbers

On that date, a new telephone number plan will be introduced in the Montevallo exchange. All telephone numbers will be changed to conform to a new uniform Bell System telephone numbering plan. At the same time, the local calling area of the Montevallo exchange will be combined with that of the Calera exchange. This means that calls may be made between the two exchanges without long distance charge.

The new numbering plan requires that each telephone number be changed to consist of an office name followed by five (5) numerals. The office name for Montevallo will be MOntrose.

The numbering plan to be adopted for the local telephone system enables long distance operators in exchanges participating in the new numbering system to dial numbers in distant cities direct—much in the same way as a number is dialed for a local call.

Before the change is made, telephone subscribers will be notified of their numbers and the date and hour they will become effective.

All the new numbers will be listed in a directory to be delivered a few days before the new system is put into effect.

Rep. Selden To Seek Re-election

U. S. Representative Armistead Selden, who is now in his third term as a member of Congress from the 6th Alabama District, announced today that he will be a candidate for reelection in the Democratic primary on May 6.

In announcing his candidacy, Congressman Selden said that he intends to stand on the record he has made in Congress since going there in January of 1953. He further stated that if opposed he would conduct a vigorous campaign in all eight counties of the Sixth District.

Congressman Selden holds a record of attendance in the House that is almost unexcelled in Congress. At this date, his overall average on roll call votes is 99.2 percent.

During his first term in Congress, Rep. Selden served on the Veterans Affairs Coommittee. He was appointed to the Committee on Foreign Affairs in January of 1955 and is still the youngest member of that influential group. If reelected this year, he will be in line for the chairmanship of one of the important Foreign Affairs subcommittees. In view of world conditions, the Alabama Congressman's position today is regarded as a strategic one in American government. Last fall he was appointed by Speaker Rayburn as one of the nine official House delegates to the NATO Parliamentarian Conference in Paris.

On the home front, Selden has been a leading figure in the multi-million-dollar development of Alabama's waterways, and in the industrial expansion of his district. He has fought consistently for higher farm prices and the maintenance of segregation in the South. Recently he introduced legislation designed to avert further Little Rock incidents by imposing specific limitations on the use of federal troops within a state.

ARMISTEAD SELDEN

Congressman Selden has kept in close touch with his constituents during his tenure in office by writing a weekly column, maintaining a year-round office in Tuscaloosa, and visiting throughout his district during the congressional recesses.

In announcing his candidacy Congressman Selden, "I am deeply grateful to the people of our 6th District for their past support and cooperation. If chosen to serve a fourth term, I shall continue to make every effort to serve well the fine people of all eight of the counties I have the privilege to represent."

Future Teachers Elect Officers

New officers were elected by the Future Teachers of America and Alabama Students Education Association at their 13th annual state convention at Alabama College last weekend.

Newly elected state officers of the ASEA are Jean Andrews, Dothan, president; Jimmy Hooper, Russellville, vice-president; and Barbara Walker, Birmingham, historian.

They are students of Howard College, Florence State College, and Alabama College, respectively.

The FTA designated high schools to select state officers for their organization.

Deshler High School, Tuscumbia, will provide the state president. Gay Nell Kimbrough, Piedmont High School, has been elected by her school to be state vice-president.

Cottonwood High School has selected Patricia Lord as the State FTA parlimentarian.

Dr. Ruth Stout, vice-president of the National Education Association, was the main convention speaker.

"Future teachers are the most important people in the world because of the influence which they have on the lives of the children they will teach," she told her delegates.

"We are faced with the dilemma of educating pupils of average intelligence and at the same time educating the pupils with great intellectual capacity.

"We cannot neglect either group," she said.

On Feb. 23, 1945, the American flag was raised for the first time over the Japanese fortified island of Iwo Jima when members of the 28th Marines planted the Stars and Stripes on the highest point, Mt. Suribachi.

Thompson Seniors Receive Trophy

The Class of 1958 will be the first to have it name engraved on the Lee-Dennis trophy at Thompson School for its outstanding record.

The trophy was awarded this week for the first time since it was presented to the school at homecoming festivities last fall by the Class of 1937. It was given by the '37 graduates to be awarded to the class in the upper six grades which sets the best example to the rest of the schools in service, scholarship, and school spirit.

The trophy was presented by Miss Lou Hinton to Tommy Wynn, president of the senior class, in assembly. Miss Hinton served as chairman of a faculty committee which worked out critera for its presentation.

The award was made on the basis of attendance, payment of fees, grades, P.T.A. membership and participation in the school's consolidated fund-raising campaign for March of Dimes, Crippled Children and Red Cross.

The trophy will be awarded each semester to the outstanding class. The year that class will graduate is to be engraved on the base of the trophy each time.

The award bears the names of Pat Lee and Ed Dennis, two members of the Class of '37 who are now deceased.

Vance Bush Stresses Safety Measures In His Work With Rocket Fuels

In his work with materials designed for use in outer space, Vance Bush, Montevallo, uses down to earth safety measures.

Vance, a junior in the Alabama College laboratory school, is experimenting with rocket fuels in an engine he built as a project in the Alabama Junior Academy of Science.

Four rules of safety are applied and recommended by Vance.

"First, consult an experienced person before you begin the project," he said.

His second rule is to always have a fire extinguisher and blanket nearby when he works with the engine.

"The third principle of successful work of this type is to never take unnecessary chances. Above all, use common sense," he said.

The rocket engine was built for about $12. Thus far he has been experimenting with liquid fuels and compressed air.

"In a couple of weeks I plan to start working with solid fuels, such as sulfur and zinc dust, potassium chlorite and sulfur, and potassium nitrate and sulfur," he said.

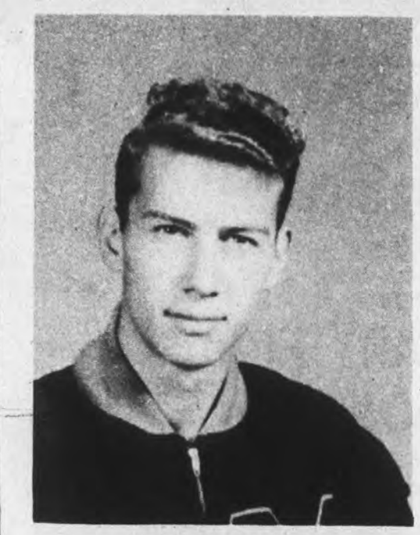

Vance said, "I won't try to launch a rocket until I have worked with the solid fuels. If they work well, I might try to fire a rocket."

His father, Edward K. Bush, advised him in building the rocket engine. The main parts of the engine were made from pieces of old pipe.

"It was a big thrill to build this engine. I enjoy working with it and with the various fuel mixtures. I plan to go on with my experiments," he said.

The experiments have aroused considerable interest among Vance's high school classmates. They term the project "Operation Vanceguard."

Vance will enroll in Alabama College as a chemistry major when he graduates from high school.

JIM POTTS

Jim Potts To Represent F.F.A. in Birmingham

The Alabama FFA State Officers and 67 County FFA Presidents will be the guests of the agriculture committee of the Birmingham Chamber of Commerce for two days, February 13 and 14.

Jim Potts from the Montevallo Chapter will represent Shelby County in Birmingham during the two-days festivities. M. Thornton is his local FFA adviser.

As guests of the Chamber of Commerce, the FFA boys will be shown many places of interest in the Birmingham industrial district.

C. M. Lucas Runs For Board of Revenue

Mr. Lucas of Montevallo Route 1, having complied with all the requirements of the Democratic County Committee, has qualified himself as a candidate for Member of the Shelby County Board of Revenue and Control, District 2.

Mr. Lucas was born and reared in Beat 29, Shelby County, where he has been considered a successful farmer and cattleman for the past 25 years. He is a veteran of Foreign Wars, with two years service overseas duty with the Navy as an aviation technician.

Even though this is Mr. Lucas' first attempt to an elected office, he has been very active in politics for a number of years with the view of promoting better government. He has been most active in securing better roads for his community as well as the county as a whole, having been on many committees which have been successful in convincing the officials of the need of several Farm-to-Market Roads which have been accomplished.

C. M. (Clay) LUCAS, farmer, of the Underwood community, is a candidate for Member of the County Board of Revenue in District Two. He is seeking election to the office held by Fred McClendon for the past 8 years.

Mr. Lucas has been deeply interested in the welfare of the aged and underprivileged citizens of his county, and to this end, has given considerable time in assisting various individuals to obtain their welfare benefits, promises, if elected a member of this important Board, it will be his purpose to accelerate the road building program as it is possible to do so, at the same time, will put forth his every effort to promote some industries and an improved educational system, as all of these are vitally necessary for Shelby County to take the advantages of the many opportunities the county now has.

Mr. Lucas has a large number of friends and acquaintances in the county who are wishing him success in his race.

STUDIOSIS CLUB

The Montevallo Studiosis Club will meet Tuesday, Feb., 11 at 7:30 p.m., in Reynolds Hall. This will be the annual meeting with election of officers.

A demonstration in flowers arrangements will be given by Mrs. T. Bridges.

Hostesses for the meeting are: Mrs. B. W. Hamric, chairman; Mrs. H. R. Price, Mrs. James Adkins, Mrs. I. P. Johnson, Mrs. Edwin Allen, and Miss Martha Allen.

Alpha Nu Has Dinner Meeting

The January meeting of the Alpha Nu Chapter (Shelby County) Delta Kappa Gamma Society was held at Lloyd's in Chelsea. Arrangements for the meeting were made by Mrs. Annie Adams.

The dinner was followed by a symposium composed of Mrs. Myrtle B. Perry, Mrs. Rebecca McGaughy, Miss Anita King and Mrs. Wilma Elliott. They spoke on the subject "What Teachers Can Do to Live a More Productive Life". Each one contributed some good ideas which stimulated thought on the part of other members in regard to the program subject.

The highlight of the program came with the "Brainstorming Session" led by Miss King. Lively participation ensued as the members expressed their ideas serious and otherwise, on how teachers can live more productive lives. The brainstorming ideas were recorded on a tape recorder. As well as affording much fun, this session brought forth many helpful suggestions.

Those attending the January meeting were: Mrs. Annie Adams, Mrs. Nannie Dee Durden, Mrs. Wilma Elliott, Mrs. Elizabeth Ellis, Misss Lavada Harper, Mrs. Loretta Head, Mrs. Fanny Hinds, Miss Anita King, Mrs. Annie King, Mrs. Mary Kroell, Miss Beatrice Kunstler, Mrs. Rebecca McGaughy, Mrs. Hildred Nichols, Mrs. Charlotte Peterson, Mrs. Myrtle Perry, Miss Aileen Pope, Miss Nona Sparks, Mrs. Sarah Walker, Miss Vinnie Lee Walker, Mrs. Leona Wilder, Mrs. Margaret Youngblood and Miss Alyce Harris.

FRED R. McCLENDON of Maylene, is a candidate for Member of the Board of Revenue in District 2. He has served two terms in this office, and points with pride to his record as he asks the voters of the County to elect him for another four years service.

Fred McClendon Asks Re-election to Board

Fred R. McClendon, of Maylene, member of the Shelby County Board of Revenue for the past seven and a half years, has announced as a candidate for re-election for another term in this office. He represents District Two on the Board.

In a statement offering for re-election, Mr. McClendon says:

"I am announcing as a candidate for re-election to the Board of Revenue and Control, District No. 2. Let me first thank the good people of Shelby County for their splendid support. Without their cooperation it would have been impossible for me to have done what I have. And, I wish to thank my associates, personnel and employees of the Shelby County Highway Department for their loyalty.

"I feel my experience in construction work, my knowledge of machinery and my seven and a half years as a member of Shelby County Board of Revenue and Control qualify me for the job. On my record I am asking you good people of Shelby County to elect me again for four more years."

NOTE OF THANKS

We wish to express our thanks to our many friends and relatives for the beautiful flowers, cards, prayers and other acts of kindness shown us during the illness and death of our wife and mother, Mrs. J. A. Jones Sr.—J. A. Jones Sr., and Family.

To The People of Shelby County:

HUGH M. SIMS, present Sheriff of Shelby County, is a candidate for re-election to that office in the Primaries of May and June.

After having served you one term as your Sheriff, the highest honor you could have given me, I hope you have seen and know what I stand for, and what I have tried to do as your Sheriff.

I am coming again to ask you to re-elect me to this high office. I have tried to serve you as I promissed you four years ago. I have answered you each and every time you have called me. I am pleased with the fine cooperation you have given me. I will only say I promise to continue this so long as you will keep me in office.

I hope to see each of you several times before the Primary, but I now wish to ask you to talk to your friends in your community in my behalf. Tell them what you know about me, and remind them to vote.

I earnestly solicit your consideration, support and vote. Let us continue with fair and honest law enforcement to all the people, and not a favored few.

Your Sheriff and Friend,

HUGH M. SIMS

MR. AND MRS. HARRISON

Thompson PTA Honors Mrs. Harrison

Moderation and the willingness to change when change is needed are two necessities of the teaching profession, believes Mrs. R. L. Harrison of Montevallo who is retiring from her second grade classroom at Thompson School at the end of January after 35 years as a teacher.

Mrs. Harrison, who did all her college work in the summers and therefore has seen trends in education reverse themselves in teacher - training institutions as well as public school classrooms, feels that discipline and self-control are equally important with love and understanding.

Mrs. Harrison was honored at the January meeting of the Thompson P.T.A. with a program that paid tribute to her service in that school for the past 11 years. Mr. Harrison, formerly associated with the circulation department of The Birmingham News and now retired, and their daughter, Mrs. Elizabeth H. Jenks, were also honored guests.

A groop of her former students representing various grades sang her favorite hymn, "Beautiful Isle of Somewhere," and her favorite son, "Over the Rainbow," under the direction of Mr. Jim Curtis, who will take over her second grade class the rest of the year.

Harriett Posey, a member of the first class Mrs. Harrison taught at Thompson 11 years ago, presented her with an orchid corsage and Mr. Harrison with a carnation at the beginning of the program. Mrs. W. J. Mathis, Larry Barton, Mrs. John Kroell and John Deason represented parents, students, teachers and administration in paying tributes to her which ended in the presentation of a silver service from the parents, faculty members and students with whom she has been associated.

Mrs. Harrison, who has taught in public schools 32 years and in kindergartens for three, feels there is a need to change our educational program in order to offer better opportunities for students of varying abilities and that the public must realize the needs for funds to support those changes.

Mrs. Harrison attended the 9th District Agricultural School at Blountsville, finishing in three years instead of the four normally required. She studied at Birmingham-Southern, Florence and Jacksonville State Teachers Colleges, and Alabama College, earning her degree in 1953 from Alabama College and being one of two person who were graduated with honors.

She has two other daughters, Mrs. Harry K. Strassel, Jr., of Louisville, Ky., and Mrs. John E. Mack, San Jose, Calif.

Card of Thanks

We want to thank every body for being so wonderful to us since we have been sick. For the many cards, flowers, letters, gifts and money from all of our friends and relatives to everyone that has been so nice to come in and wait on us, and for paying our bills. Especially to Dr. Ford, the Church of Christ, the Methodist and Baptist Churches of Calera. We are most grateful to you and thank you from the bottom of our hearts. — Mr. and Mrs. Charlie Farrar.

Mrs. Mary Hicks Speaks To Home Ec Class

Mary W. Hicks, nurse at the Montevallo Westinghouse Plant, was guest speaker at the Montevallo High School Third Year Home Economics Class Tuesday. The class, under the direction of Miss Elizabeth Thornton, is studying child development with emphasis on infant care.

Mrs. Hicks, who has served as plant nurse at the local welding manufacturing plant for 4 years, received her nurse's training at Talladega Citizens Hospital and at South Highlands Infirmary in Birmingham. She is also active in the Montevallo Baptist Church, being teacher of the Sophomore College Sunday School Class and director of the Baptist Training Union, Junior Department. Her husband is Welton G. Hicks, local agent for Southern Railway.

WOODROW W. ELLIOTT

Elliott Runs For Probate Judge

Woodrow W. Elliott qualified as a candidate for Probate Judge on Tuesday night, January 28.

Mr. Elliott has served the people of this, his native county, for 26 years. The last 6½ years he has filled the office of Superintendent of Education with an excellent record.

In December 1956 he was elected without opposition to the place of highest honor in educational circles, that of President of the Alabama Education Association. In this position, he has spoken throughout the State and worked with the National Congress and the Alabama Legislature.

Mr. Elliott was reared at Harpersville, graduated from Vincent High School and Howard College. He received his Masters degree from the University of Alabama.

Mr. Elliott is a deacon in the First Baptist Church of Columbiana, a Shriner, and past president of the Columbiana Kiwanis Club. He is 45 years of age.

In expressing his ambition to serve as Probate Judge, Mr. Elliott states that Shelby County is strategically located for a rapidly expanding economy, if developed.

He feels that his past record of service particularly qualifies him for this position of responsibility.

Mrs. Charles Daviston Honored at Tea

Mrs. Charles Daviston, the former Miss Shirley Thrasher, was honored with a tea Sunday afternoon at the home of Mrs. D. J. Zucco.

The table was covered with an antique lace table cloth over pink, with a centerpiece arrangement of pink carnations and white roses. On either side of the floral arrangement were silver candelabra with pink tapers. The living room was decorated with gladioli and pink floating camelias.

Receiving with Mrs. Daviston were Mrs. Cecil Thrasher, mother of the bride, Mrs. Ed Daviston, mother of the bridegroom, Mrs. D. J. Zucco and Miss Rue Lane Peters.

Presiding at the tea table were Mrs. Mary Bradford and Miss Joyce Zucco.

Miss Klarien Birchfield and Miss Linda Lawson were in charge of the guest book.

Mrs. Herman Bradford Sr. and Mrs. Herman Bradford Jr. displayed the gifts.

Vincent Gas Board Gets Federal Loan

Mayors Jimmy Sharbutt of Vincent and Clyde Wyatt of Harpersville stated to the Times-Herald that the Communities and Facilities Administration has approved a $420,000 Loan to the Vincent Gas Board for the construction of a natural gas transmission and distribution system for Vincent and Harpersville. The system will originate at Pell City and follow U. S. Highway 231 to Vincent and Harpersville.

In addition to serving Vincent and Harpersville, the system will provide gas service to the Kelly Creek Dam area where Alabama Power Company proposes to build a $30,000,000 dam on the Coosa River between Vincent and Pell City.

Mayor Jimmy Sharbutt, with the cooperation of ex-Mayor J. W. Donahoo of Harpersville, planned and developed the vast system. Mayor Sharbutt stated that U. S. approval of the gas system was the result of four years hard work by the people of Vincent and Harpersville.

Gas for the system will be supplied by Southern Natural Gas Company, which resulted after Mr. Sharbutt testified before the Federal Power Commission in Washington, where he personally presented the case for Vincent and Harpersville.

Mayor Sharbutt stated that natural gas has already been offered Wilsonville, which could be supplied from the south end of the system.

The Vincent Gas Board consists of D. B. Smith, chairman; L. N. Wyatt, vice chairman; and Mrs. Evelyn Love, secretary and treasurer.

BAKE SALE

The Ladies Sodality of the St. Thomas Catholic Church in Montevallo will have a bake sale on Saturday, Feb. 22, beginning at 9 a.m. Weather permitting, the sale will be held in front of Jeter's Store; otherwise, at the usual place, Alabama Power Company office.

Mr. Charles Blanchard continues to improve. He is still in the hospital, Room 305, St. Vincent.

BASKETBALL QUEEN — Miss Eva Loreda Brooks, 17, daughter of Mr. and Mrs. Weaver Brooks, was crowned Basketball Queen of Calera High School Friday night, Feb. 7th. Eva is a Sr. member of the Glee Club and Reporter for the school paper. She plans to enter Alabama College in the fall term. Miss Elaine Wallace, last year's queen, presented her with an arm bouquet of red roses and crowned her queen for the year. Billy Wright was her escourt.

Calera Scouts Hold Court of Honor

A candle light Boy Scout Court of Honor was held Sunday evening at Calera Methodist Church. There were 14 advancements in rank. The boys stepping up to First Class Scouts were Billy Brooks, Ricky Martin, Zollie Cowart III, Frank Askins, Terry Duncan, Claude Jones and Charles Jones. Advancing to Second Class were Bobby Godfrey, Carlton West and Neil Hawkins. Tommy Pierce and Jerry Stringfield were awarded tenderfoot pins. Receiving Merit Badge in art was Senior Patrol Leader Buddy Edwards. Zollie Cowart III was awarded a Merit Badge in coin collecting.

Mr. Zollie Cowart, president of the Civitan Club, which is the sponsoring organization of the local Boy Scouts, presented these awards.

Leaders of the Troop who were present at the colorful ceremony included the Institutional Representative, L. P. Parker, Committee Chairman, C. E. Tidwell, Committeemen Zollie Cowart Jr., Carlos Warren, John Kiriakos, Scoutmaster Jim Duncan and Assistant Scoutmasters Bill Quellin and Dave Hodgson.

Scoutmaster Duncan commended the boys for the progress they are making, and stated that the boys have a full schedule of activities ahead of them for the year, including an overnight hike on Feb. 21 and going to camp June 8 to 14 at Camp Horne, located near Tuscaloosa.

HENRY EMFINGER, ROSA MAE GREEN PLEDGE VOWS

Miss Rosa Mae Green, daughter of Mrs. Emma Green of Aldrich, and Henry Emfinger, son of Mr. and Mrs. H. T. Emfinger, were married Feb. 5 at the Aldrich Baptist Church, with the Rev. Delmus Anthony officiating.

The bride, given in marriage by her brother, William Green, wore a street length dress of white taffeta with white netting. She carried a bouquet of white carnations centered with a rosebud on a white Bible. The wedding theme being roses, the church was gaily decorated with many-colored roses with green ivy and ferns.

The bridesmaid was the sister of the bride, Miss Christine Green. The brother of the groom, M. L. Emfinger, served as best man. James Bice and Earnest Hall were ushers, and Jane Bice and Joann Bice were candle lighters. Music was furnished by Mary Katherine Hicks and Mrs. Edward Glover. A reception was held in the church parlor. The couple are living in Aldrich.

College Night Preparations Underway

Preparations for College Night at Alabama College are in the final stages. The Purple and Gold sides have chosen their casts and are holding rehearsals. The productions will be judged next week Thursday through Saturday. The winners will be announced following the Saturday performance.

Bonnie Strickland is the Gold leader, and Lois Swindal heads the Purples.

Homecoming will be Saturday, Feb. 22. Ruth Stovall, state supervisor of home economics, will be honored as Alumna of the Year. The home economics department, of which she is a graduate, will honor her with a dinner at the Faculty Club Friday evening.

At the Alumni Homecoming luncheon Saturday at 12:30 in Anna Irvin Hall, Miss Stovall will receive a silver trophy engraved with her name.

The alumni will hear the Alabama College mixed chorus sing the new Alma Mater at the luncheon. The new Alma Mater was adopted because of the switch of the college from a state college for women to a coeducational liberal arts college.

Reunion classes for this year's homecoming have been announced by Helen Newton, alumni secretary. They are the class of 1908, 1933, 1948, 1953, and 1957.

CALERA CIVITAN CLUB

The Calera Civitan Club met Tuesday night at the Calera Cafe with the president, Z. S. Cowart Sr., presiding.

Members of the oratorical contest were guests and were presented by their director, Mrs. Giles, for their awards. Senior winners were Judy Parks and Paul Nickerson. Junior winners were Linda Loftin, Zolly Cowart III, William Askins, and Joy Payne. Arthur Davis was presented with a past president's pin by Z. S. Cowart Sr.

Marion P. Jones and Frank Starr were guests of the club and prospective members. After a delicious meal the club was dismissed with prayer.

Thompson Band Members Win All-State Places

Seven Thompson students will be members of the All-State Band.

They were chosen in tryouts held recently at Tuscaloosa to select representatives from this district. About 150 tried out for places.

An eighth student from Thompson, Jimmy Collins, who plays the trombone, tried out and received a high score, but missed being selected by a few points.

Two of Thompson's seven all-state band members received the highest scores made in their categories—L. O. Farris on the trumpet and Charles Huckabee on the baritone. Others who made the band were Cecil Glass, clarinet; Bobby Huckabee, trombone; Mary Mack Farris, clarinet; Neal Bailey, bass; Lonnie Maske, trumpet.

Band members are judged and scored by band directors, with no band director judging any of his own members.

Frank Kendeigh is Thompson band director.

Basketball Tournament Now in Progress

Now in progress at Montevallo High School is the Shelby County Basketball Tournament with Calera, Columbiana, Montevallo, Thompson and Vincent competing. Both A and B team games are being played, with B games starting at 7:00 p.m. and A games at 8:15.

On Wednesday night, Calera and Vincent were scheduled to meet. Thursday night matches Shelby County High with Thompson and Friday night Montevallo makes its first appearance with the winner of the Calera-Vincent game.

Finals will be played Saturday night. Following the last game, announcement will be made of an all-county ten to be selected by the coaches.

Blalock Announces For Probate Judge

Hoyt O. Blalock, Shelby County businessman and farm owner, has announced his candidacy for the office of Probate Judge in the May 6th primary.

Blalock was born in Clanton, Alabama in 1911, and moved to Shelby County in 1912. From 1932 to 1936 he was employed with the Shelby County Board of Revenue, District 1, and the following two years with Goodyear Tire and Rubber Company, Gadsden, Alabama. In 1940 he was elected as a member of the Shelby County Board of Revenue District 1 and served through 1945.

In 1945 he moved to Leeds, Alabama, to become parts manager of Economy Chevrolet Company. He held positions as service manager, saleman, assistant manager, and became manager in 1950.

HOYT BLALOCK

He then built a home on his farm in the Blue Springs-Fourmile community, driving to his job in Leeds each day for five years. During this time he was active in the Civitan and Elks Club and was a member of the Board of Directors of the Junior Chamber of Commerce. He later was salesman for Wood Chevrolet Co. and McDow Motors.

Presently Blalock's farm receives most of his attention. He holds membership in Alabama Farm Bureau, Cattlemen's Association, and is an active steward in the Blue Springs Methodist Church.

Blalock feels thaat he is qualified to be Probate Judge, having had four years experience with our county, as well as constant contact with business and the laboring man. He pledges to do the best job possible to meet the needs of all the people of Shelby County and to place those needs first in working for county growth and development.

Strawberry-Pineapple Bavarian

(Makes 6 to 8 servings)

1 package (10 ounces) frozen strawberries
1 cup (9-ounce can) crushed pineapple
1 package (3 ounces) strawberry-flavored gelatin
½ cup marshmallow cream
1 cup undiluted Carnation Evaporated Milk
2 tablespoons lemon juice

Defrost strawberries. Drain and save syrup. Drain pineapple. Save syrup. Measure pineapple and strawberry syrups to make 1 cup liquid. Heat to boiling. Place gelatin in mixing bowl. Add hot syrup and stir until dissolved. Add marshmallow cream to hot gelatin. Stir until marshmallow is melted and blended with gelatin. Chill until consistency of unbeaten egg white. Add pineapple and strawberries. Chill Carnation in refrigerator tray until soft ice crystals form around edges of tray (10 to 15 minutes). Whip until stiff (about 1 minute). Add lemon juice. Whip very stiff (about 2 minutes longer). Fold whipped Carnation into gelatin mixture. Spoon into 1½ quart mold. Chill until firm (about 2 to 3 hours).

THE SHELBY COUNTY TIMES-HERALD

Montevallo and Calera, Alabama

Statement From the Board of Registrars

The Times-Herald has received the following statement foor publication from Mr. Carlton Franks, Chairman of the Board of Registrars of Shelby County. It is in regard to an important matter of procedure by the Board in the registration of new voters.

Mr. Franks says:

"We have, in the past, followed a procedure of registration, that in our discretion, was adequate compliance with the laws governing the registration of voters in Alabama. This procedure is the same method that has been used for many years in Shelby County. Under this procedure, each member of the Board of Registrars has accepted applications at any time from those who wished to qualify to vote, and then when the Board met in its regular session, the Board, as a body, passed on the qualifications of the applicant. If qualified, his application was accepted. If not qualified, then it was rejected, and the applicant was written and so advised.

"A citizen of Shelby County has objected to this procedure on the ground that it is not a compliance with the letter of the law. The responsibilities that are ours are of much importance. To some extent, the validity of elections is determined by the manner in which we perform our duties.

"Therefore, we are changing the procedure of registration of voters. Those who wish to register to vote may appear before the Board of Registrars at the courthouse in Columbiana on either the first or third Monday of each month. Additional days are provided by law during which voters may be registered. Announcement will be made through the papers of the county in the future about such additional days. Applications will not be taken by any member of the Board at any time other than on the first and third Mondays or such other times that will be announced by the Board."

PLANNING WAR ON FIRE ANT

An effort is being made to organize a program in the Montevallo area to make war on the fire ants. The plan is to proceed under the provisions of the government aid program whereby the federal and state assistance takes care of two-thirds of the cost and individual property owners pay one-third. Under the proposed plan, insecticide will be applied by a "wholesale" process of dusting from an airplane.

The cost that must be borne by individual land owners amounts to $1.25 an acre, it is stated.

Some group meetings have been held for discussion of the plan, and contacts have been made with land owners in this area.

It begins to appear that the $1.25 per acre cost to individual land owners is going to be somewhat a stumbling block to the scheme. Many of the large land owners have said that this will cost them more than they can afford to pay.

Pack 59 Has Meeting

Pack 59 of the Montevallo Cub Scouts had their monthly meeting on January 30 at the school cafeteria. Cubmaster, Mr. Nix, welcomed 7 new boys to Den 2, who also received their Bobcat pins. The new cubs are Ed Timmerman, Clay Nordan, Tommy Nix, Louie Birinyi, Johnny Vail, Joe Meyers and Stanley Bailey. The older boys from Den 2 and Cubs from Den 3 received badges of their rank. Den 2, under the supervision of Den Mother, Mrs. George Nix, and Den Chief, Geo. Nix Jr., presented a skit "Mars Fantasy", and Den 3, under supervision of Den Mother, Mrs. H. Lucas, and Mrs. B. W. Hamric, presented "The Flags". Dr. A. Kochman invited the Dens to appear on the talent show the following night. Mr. Nix announced plans for the "Blue and Gold Banquet" to be held Feb. 28.

Cub Scouts of Pack 59 were recognized Sunday at the Baptist Church. Mr. Nix announces this to be the start of Scout Week, and it will be celebrated on Feb. 28 with the "Blue and Gold Banquet".

Den 2 welcomes 7 new boys to their Den, and their new Den Chief, George Nix Jr., who was a Cub from Den 2, and is now a Boy Scout. The boys also elected their new Denner, Phillip Hubbard, and Assistant Denner, David Nichols. These boys appeared in their first skit, "Mars Fantasy", on the talent show sponsored by the PTA. Although the boys came in fourth with no prize, their Den Mother, Mrs. George Nix, was mighty proud of them.

DAVID REACH IN THE NAVY

Great Lakes, Ill. — David H. Reach, son of Mr. and Mrs. J. H. Reach of Route 1, Montevallo, graduated from recruit training Feb. 8 at the Naval Training Center, Great Lakes, Ill.

The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

Letter to The Editor

Dear Editor:

I am completing the History of Alabama Methodism by the late Dr. M. E. Lazenby of Montevallo, and need data on one Rev. Elbert A. West who died in 1872 at or near Montevallo. Rev. West married in 1868, Jane Spence, sister of Rev. J. A. Spence.

Please insert a little request for anyone knowing about when and where Mrs. West died and was buried, and if she left descendants, to contact me.—F. L. Moseley, Pastor, The Methodist Church, Eutaw, Alabama.

P.S.—Would also like to hear from descendants of Rev. John B. Powers, who died there in 1871 and is buried at Old Ebenezer. Some of his daughters married into the Green, Ellis, Martin and other families.

SALVATION ARMY TRUCK TO BE HERE FEBRUARY 21

The Salvation Army truck will be in Montevallo area again on Friday, Feb. 21.

If you have anything to be picked up, notify The Times-Herald and your name will be put on the list.

MORE POWER FROM LESS GAS MERCURY

Mercury Montclair Phaeton Sedan

The power news you never thought could happen has happened. Here are engines that give you more power, yet sip—never gulp—their gasoline.

The secret is the revolutionary new Cool-Power design of Mercury's new Marauder V-8's. They cut power-wasting heat and friction. And they are teamed with new high-economy rear axles.

You get a 312-hp Marauder in Montereys, 330 in Montclairs, 360 in Park Lanes.

Mercury makes more style news, too, with Clean Line Modern Styling. Mercury gives you more comfort—it's the biggest, roomiest car in its field. The Big M gentles you along with a ride so smooth you'll wonder why it doesn't cost a thousand dollars more.

Now stop in. Be amazed at how little it costs to own a Mercury!

Miss Judy Anne Rabon and Paul Woolley Are Married at Uriah

Miss Judy Anne Rabon, daughter of Mr. and Mrs. Carl W. Rabon of Uriah, and Paul Haywood Woolley Jr., son of Mr. and Mrs. P. H. Woolley Sr., of Montevallo, were united in marriage Saturday at the Methodist Church in Uriah by the Rev. Boyd Wood, pastor of the Baptist Church.

Wearing a street length dress of white wool jersey with matching hat, and carrying a nosegay of red rosebuds, the bride was given in marriage by her father. Mr. Woolley served his son as best man.

Mrs. Frank L. Coley, pianist, played the nuptial music.

Mrs. Woolley is a graduate of Blackshear High School at Uriah, and until her marriage was a home economics major at Alabama College.

The groom is a graduate of Montevallo High School where he was a star football player. He attended Howard College on a football scholarship, later transferred to Alabama College for a year, and is now employed at the Southern Cement Co.

A reception was held at the home of the bride's grandparents, Mr. and Mrs. R. E. Rabon. Receiving with the bride and groom were their parents. Mrs. W. W. Garrett poured, Mrs. J. H. McKinley and Mrs. R. D. Rabon assisted.

Tea Shower

Before her marriage to Paul H. Woolley Jr., Miss Judy Anne Rabon was complimented with a tea shower Saturday, Jan. 25 at the home of Mrs. O. M. Green at Uriah, with Mrs. F. L. Coley and Miss Sally Green co-hostesses. Assisting were Margaret Rabon, a sister of the bride; Jackie Lauree and Mrs. R. E. Rabon, the bride's grandmother.

Receiving with Mrs. Green were the bride and her mother. Miss Sally Green kept the bride's book. Mrs. W. W. Green and Mrs. J. H. McKinley displayed the gifts.

Mrs. Coley presided at the white lace-covered tea table centered with pink japonicas and fern. Pink tapers in silver candelabra were used on the table. Similar flower arrangements were used throughout the house.

Mr. and Mrs. Charles Mayton (Betty Kyser) and daughter, Vickie, of Demopolis, spent Sunday with Mr. and Mrs. Phillip Kyser and family. They were joined on Sunday afternoon by Mr. and Mrs. Phillip Kyser Jr., and daughter, Joy, of Tuscaloosa.

The Lottie Moon Circle of the Baptist Church met with Mrs. Otis Bean Tuesday afternoon. Devotional was given by Mrs. Ford Varden. The program, "Christian Worship in the Family", was brought by Mrs. Joe Crawford and Mrs. L. O. Robinson. The program closed with a prayer by Mrs. Varden.

Mrs. C. C. Thrasher and Mrs. Ed Daviston spent a few days last week in Panama City with Sgt. and Mrs. Charles Daviston.

Bulldogs End Season With Victory Over Bibb

By S. DeMent

A 16-point second quarter performance by big Forrest Brown and accurate shooting from the charity lane by Jerry McNeel was a big part in Montevallo's 77-42 victory over Bibb County High here Monday night. But that was not all the story.

All the Bulldogs starred in this one, the blazing finish to a basketball season that opened on the same note when Montevallo trounced Columbiana 72-45 in the first game.

This Centreville victory gives Coach Corbett's Bulldogs an 11-8 record for the season as they prepare for tournament chores Friday night against the winner of the Calera-Vincent game Wednesday night.

In a slow-starting first quarter that saw the Bulldogs take the lead and hold on for keeps, McNeel scored three free throws and Brown hit with a field goal before Bibb even got started. From there on in, it was a breeze for the "red hot" Bulldogs.

By half time Brown had hooked in a total of eight field goals and had sunk two for two at the free throw line, in one of his best performances of the season.

Halftime score was 38-23.

Going on another scoring spree in the final quarter, the Bulldogs poured through 26 points in that period, ten of which belonged to Jimmy Thrasher.

Scoring for the night went like this: Montevallo—Brown 20, McNeel 15, Houlditch 13, Thrasher 10, Winslett 9, Smitherman 8, and Harrison 2. Centreville — Arnold 11, Ward 8, Cox 6, Pratt 6, Belcher 4, Lovelady 3, Hollifield 2, and Pratt 2.

B's Win No. 15

For the B's, who made it a clean sweep for the night, it was victory number 15 as they downed the Centreville B team 34-26.

Leading Coach Fisher's "Fearless Five" were Winslett with 11 and Ruben Hayes with 7.

Lawrence Garrett Runs For Board of Revenue

Lawrence W. Garrett of Siluria Route 1 is a candidate for Member of the Board of Revenue and Control, District Two, of Shelby County. He has authorized The Times-Herald to place his name in the candidate column. He plans to make a vigorous campaign for the nomination in the Democratic Primary of May 6.

Mr. Garrett is a native of Shelby County. He went to school at Thompson High in Siluria. He is a Mason and a World War II veteran. He was wounded in Germany and received the Purple Heart. He is an active Deacon in Concord Baptist Church; a member of the Farm Bureau; has been a dairy farmer for the past 9 years; and is a member of the Shelby County Dairy Association.

In making his announcement, Mr. Garrett said, "If elected, I promise to serve the people with all sincerity and will strive for more Farm-to-Market roads in all areas of our county. Your support will be appreciated."

Mr. Garrett is a new man in politics. We hope to be able to show you a picture of him next week.

NOTE OF THANKS

We wish to thank our many friends in and around Montevallo for the many kindnesses, cards, letters, flowers and visits shown Mr. Kyser during his long stay at University Hospital and while recuperating at home. We shall be forever grateful. — Phillip and Vera Mae Kyser.

Mr. and Mrs. Calvin Hatcher have a baby girl, Deborah Lynn, born Feb. 6. Mother and baby are now at home.

OUR SOIL ★ OUR STRENGTH

Soil Conservation District News

By B. F. Hatchett and Geo. C. Starcher

Harold Miller, Vincent dairyman, has a small trial planting of Pensacola Bahia, made rather late last spring. On the basis of this small acreage he plans to plant about fifteen acres this month. S.C.S. suggestions and a district farm plan are helping this young cooperator develop a successful dairy operation.

G. W. Riley, Bessemer explosives worker is "building a future" for retirement years. This year his scheduled planting will be 45 acres of Bahia pasture. In the office last week he told us he will give it one or two years head-start before fencing and stocking the pasture. S.C.S. recommendations call for overseeding the Bahia with Chapel Hill rescue and clover next fall.

Soils investigation of a proposed dam site for Oliver Cleveland, Wilton cooperator, causes S.C.S. engineer M. F. Hester to recommend against the location.

Adverse conditions discovered in time, save money and disappointment.

Mr. Cleveland has already been assisted in developing "dug" ponds in other pastures, which have been quite satisfactory.

PATTY LOVELADY'S PARTY

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Congressional action has been completed on legislation that will name the present Tuscaloosa Lock and Dam for the late William Bacon Oliver. I introduced this measure (H.R. 6660) last year, and it received House approval before Congress adjourned in August. The Senate passed the bill on Thursday of last week, and it is now awaiting the President's signature.

Mr. Oliver, who represented the Sixth Alabama District in Congress for more than twenty years, played a major role in securing the first appropriation for the construction of the lock and dam at Tuscaloosa.

Although the structure was unofficially named for the late congressman in 1940 by citizens of Tuscaloosa County, it is still legally designated as the Tuscaloosa Lock and Dam. Before the name can be changed on all official records to the William Bacon Oliver Lock and Dam, final approval of H.R. 6660 is necessary.

Space Agency

A bill has been passed which creates under the jurisdiction of the Secretary of Defense an Advanced Research Projects Agency. The first director of this new agency will be Roy W. Johnson, a vice-president of the General Electric Company.

The main job of the A.R.P.A., as explained by Defense Secretary McElory, is to provide planning and direction to all United State space projects.

At the same time this legislation was sent to the White House, Congress also referred to the President the $1.26 billion-dollar emergency defense appropriation bill which includes funds to establish the Advanced Research Projects Agency.

Committee Studies

In other legislation, the Senate last week created a committee of its own to investigate the problems of outer space and to make recommendations as to whether the control of future projects should come under civilian or military jurisdiction.

The resolution which established the committee was introduced by Senate Majority Leader Lyndon Johnson (D-Texas) and was passed with only one dissenting vote.

A similar bill introduced in the House of Representatives proposes a 31-member group to study problems of the space age.

Pay Television

While I was in the Sixth District during the congressional recess, a number of people expressed an interest, both pro and con, in subscription television. Last week the House Interstate and Foreign Commerce Committee passed a resolution in which the Committee pointed out that it had not been established to the Committee's complete satisfaction that the Federal Communications Commission, under present law, could authorize subscription television operations.

The resolution then called on the Federal Communications Commission not to grant authorization for subscription TV operations until Congress specifically empowers the Commission to do so.

Exam Is Announced For Post Office Jobs

The Fifth U. S. Civil Service Regional Office, Atlanta Ga., announces an open competitive examination for career or temporary appointment to the positions of substitute clerk, substitute carrier, in the Montevallo Post office.

Applications will be accepted from persons who reside within the delivery of the post office or who are bona fide patrons of such office. Persons employed in the post office will be considered bona fide patrons of the office. Applications must be received or postmarked on or before February 18, 1958.

The beginning basic rate of pay is $1.82 per hour. Applicants must have reached their 18th birthday on the closing date for acceptance of applications. This age limit does not apply to persons entitled to veterans' benefits.

Necessary forms and further information may be obtained from the postmaster at Montevallo, or from the Fifth U. S. Civil Service Regional Office, Peachtree-Baker Building, 275 Peachtree St., N.E., Atlanta 3, Ga.

MAJOR JAMES W. GRANT

Maj. Grant Is Air Force Representative

Major James W. Grant has been selected as representative of the U. S. Air Force Academy.

As an Air Force Academy "spokesman" he will play an important role in carrying out the mission objectives of the academy. These objectives are:

1. To provide information about the academy to all individuals and groups who might be interested.

2. To assist those young men who evidence an interest in applying for candidacy by informing them of the eligibility requirements and admission procedures.

Major Grant is well qualified for this assignment. He was Deputy Administrator of the National Resources Conference presented by the Industrial College of the Armed Forces. He also served as Legal Officer of the Reserve Survey of the Air Force in 1952 and was adjutant of the 9182nd Air Res. Group with squadrons throughout the State of Alabama and Mississippi.

Major Grant also serves in the capacity of legal assistance officer to the 2690th Air Reserve Center, 4th Floor, Calder Building, under Lt. Col. Travis Shipp. Speaking schedules are being set up for Major Grant and information may be obtained by calling FA 3-3421, Extension 440 or 441, Birmingham.

Music School Members Win Festival Awards

Three of this year's Birmingham Festival of Arts Music composition awards were won by members of the Alabama College school of music.

Two of the awards were won by Dr. Betty Louise Lumby, associate professor of music, and one of Alabama's leading organists.

She was awarded the Birmingham Music Club Award for piano composition for her collection of four teaching pieces for college students, "Ink Drawings."

She also won the Festival of Arts Award for organ composition.

In 1955 Dr. Lumby won the Hollis Busch Award for choral composition, and in 1956 she was the winner of the Arthur Lipkin Award for Orchestral Composition.

Norman Hair, a graduate student in the Alabama College school of music, won the Festival of Arts Choral Award for his composition, "Prayer."

Dr. Lumby's "Ink Drawings" are among the selections to be played in the American Music Festival broadcast on a New York radio statioin Feb. 13.

The broadcast will be sponsored by Delta Omicron, national women's music honorary sorority.

TOO BIG FOR THEIR BRIDGES

Sharon, Pa.—Giant transformers ordered by electric utilities are getting so large the railroads are having trouble delivering them. To help solve the problem, Westinghouse has designed a railroad car in three parts—the center part being the actual load the car is carrying. The technique gives a lower clearance for underpasses and permits shipments of units weighing up to 500,000 pounds.

Claude Fore Is Candidate for Sheriff

Mr. Claude Fore, of Columbiana, Alabama, has heretofore filed his announcement as a candidate for nomination to the office of Sheriff of Shelby County, Alabama subject to the Democratic May Primary.

Mr. Fore has been a resident of Shelby County, Alabama for the past 34 years, having resided at Boothton, Montevallo, and Columbiana, where he has resided for the past 24 years.

Mr. Fore served as Chief of Police of the Town of Montevallo for 9 years; he was elected Sheriff of Shelby County, Alabama in 1934 and served in such capacity until 1939. From 1940 to 1943 Mr. Fore was Chief Deputy Sheriff of Shelby County, Alabama under the late Bunn White. Mr. Fore served 3 years in the United States Navy during World War II, and again served as Chief Deputy Sheriff under A. E. Norwood from 1952 to 1955; since 1955, Mr. Fore has been engaged in the general contracting business. Mr. Fore is a Shriner and a Mason.

Mr. Fore is an experienced and efficient officer. He assures the voters of Shelby County that if he is elected Sheriff of Shelby County that he will enforce all laws to the best of his ability, and if elected, he will appoint as his deputies the very best men available and acceptable to him and the citizens of this County.

Your active support and vote will be appreciated.

Spectators Cause Trouble For Fire Department

Fire Chief Bill Pendleton warned this week that spectators are hampering the efforts of the Montevallo Fire Department and endangering lives and property.

"An example of this occurred at the Hanna Kemp fire Monday," Pendleton said.

"Damage to the house and furniture was about $1,000, and about $750 of this was caused by spectators," he said.

"The general public can be a big help in the overall fire protection program," Chief Pendleton said. Some ways the public can assist cited by the fire chief are:

1. Do not run caution lights which are turned on by the fire alarm. Volunteer firemen must get to the fire station as fast as possible. To run the lights not only endangers them, but could easily cause a bad traffic accident.

2. Do not follow the fire truck to a fire. There is a city ordinance against this. It endangers the lives of firemen and the persons following the truck, and also causes congestion around the fire area.

3. In case of fire, call the department and give them the exact location of the fire. LEAVE ALL WINDOWS AND DOORS CLOSED. The more air that gets to a fire, the quicker it will burn.

4. Do not throw furniture and dishes out of the house. Damage to items sustained in action of this type is not covered by fire insurance, whereas smoke, water, and fire damage is covered.

Alabama College public relations do everything possible to prevent fires. Then, when a fire does break out, leave the fire fighting to us," Chief Pendleton said.

Funeral Is Held For Mrs. Tab Merchant

Mrs. Tab Merchant of Autaugaville, Ala., died at 8:30 a.m. Sunday in a Prattville Hospital.

Funeral services were conducted Monday afternoon at 2:30 at the Montevallo Baptist Church with the Rev. Edawrd Glover officiating. Burial was in Montevallo Cemetery.

Mrs. Merchant was the former Miss Tab Houlditch of Montevallo. Surviving are her husband, Curtis Merchant of Autaugaville; three brothers, Willie, Grady, and Carl Houlditch of Montevallo; five sisters, Mrs. Ocie Smitherman of Maplesville; Mrs. Dovie Tayne of Birmingham; Mrs. Maggie Tullen of Bogalusa, La.; Mrs. Maggie Tucker of Bessemer; and Mrs. Millard Smitherman of Montevallo.

Library Board Names Librarian

The Montevallo library board has selected a librarian for the new town library, according to Miss Lucille Griffith, chairman of the board.

Miss Burmah Hilliard will serve as librarian with Mrs. Lillian Ward as alternate librarian, upon her return from California.

Miss Hilliard has recently moved to Montevallo, having retired last June from 35 years of teaching in the Birmingham public school system. A cousin of Mrs. A. C. Anderson, Miss Hilliard lives in the Posey Apartments on Nabors Street.

Mrs. Ward, retired assistant professor of English at Alabama College, is also well equipped to serve in the capacity of librarian for the new library.

Opening date of the library is tentatively scheduled for the first week in March. Days and hours the library will be open are Tuesdays and Thursdays from 3:00 until 5:00 p.m., and Saturdays from 12 noon until 2:00 p.m.

Band Plans Dance

The Montevallo High School Band is planning to hold the annual semi-formal dance on Friday, Feb. 28, at 8:00 p.m., in the high school gym.

A "blue" theme will be used in the decorations. The leadout will feature band members and their dates to music by the M.H.S. Swing Band.

Prices are: students .50 cents and couples .75 cents; adults .75 cents and couples $1.00.

Everyone is invited.

MISS TONI HORTON, granddaughter of Mrs. W. E. Broadhead of Calera has won school and county eliminations in the junior division of The Birmingham News Oratorical contest. She will next represent her county in the district competitions. Toni attends Calera High School and is a junior. She is a member of the Glee Club, FHA and 4H Club.

Birmingham Artist's Work Exhibited

Some of the works of Mrs. Doris Wainright Kennedy, prominent Birmingham painter, are being feature in the art gallery of Alabama College.

A gallery talk on the exhibit was given Wednesday evening by Mrs. Betty Roper Grisham, another Birmingham artist, and a graduate of Alabama College.

Mrs. Kennedy's show at Alabama College includes work in watercolor, oil, and ink.

"The works show a varietl of styles, all of which show her as one of the most mature and sensitive painters working in the South today," said David Huntley, chairman of the art department.

"Her drawings have a lyical, even mystical quality about them yet do not become overly sentimental or weak in any way, rather, they contain the strength of conviction," he said.

Mrs. Kennedy received a B. A. degree in art and a minor in art education from Louisiana Polytechnic Institute.

She is a member of a number of art associations and has exhibited works in more than 30 museums, colleges, and galleries. She is primarily a watercolorist.

She has had three one-man shows and at present has nine watercolors in a group show at the Grand Central Gallery in New Yory City.

Classrooms To Get Better Lighting

Montevallo High School's classrooms will soon have adequate lighting, according ot Mr. M. S. McGehee, chairman of the P.T.A. lighting committee which has been conducting a fund drive among the local civic organizations.

With only several hundred dollars short of funds necessary to properly equip all rooms of the high school with lighting fixtures, the committee is confident that with the interest such a cause holds for the community this balance will be quickly collected.

From a survey made by lighting engineers of the Alabama Power Company each room needs a maximum of 30 foot candles for adequate lighting. Each room will call for approximately $180.00 including switches, proper wiring and proper size fixtures.

Local organizations already contributing to the lighting project are: P.T.A.; Chamber of Commerce; Business & Professional Women's Club; Lions; Masonic Lodge; American Legion Auxiliary; Eastern Star; Study Club; Rotary; Studiosis.

Anyone wishing to make individual donations to the high school lighting fund may do so by mailing contributions to the chairman, M. S. McGehee or to the finance committee of the Montevallo Parent Teacher Association.

Members of the P.T.A. lighting committee appointed by the P.T.A. president Dr. Paul Bailey, are: Mr. R. E. Ballentine, F. P. Givhan, Mr. W. L. Lawler, Sr; Mrs. Jessie McGaughy; Mr. Don Lovelady and Mr. McGehee.

Ewing Is Named County Cancer Crusade Chairman

Ed Ewing of Montevallo has been appointed Shelby County chairman of the 1958 crusade of the American Cancer Society, Alabama Division, Inc.

Announcement of the appointment was received from Dr. Houston Cole of Jacksonville, state crusade chairman. Edwin I. Hatch of Birmingham is state co-chairman.

Ewing was born in Wilton and graduated from Montevallo High School in 1950. He received his A.B. degree in journalism from the University of Alabama in 1955. He was secretary-treasurer of the University Student Government Association, member of Omicron Delta Kappa, national leadership fraternity, and several honor societies.

ED EWING

Ewing served in the United States Army from 1955 to 1957, and upon his discharge joined the

"The most important step is to staff as news director.

He is a member of the University of Alabama Alumni Association and a Mason.

The annual cancer crusade is held throughout Alabama and the nation in April, proclaimed by act of Congress as "Cancer Control Month."

The crusade spreads life-saving information about cancer to the public and raises funds to carry on the ACS three-point program of education, research, and service to medically indigent patients.

NEW OFFICERS—Left to right, Hoyt Grissom, vice president; Mrs. Gerald Fulton, president; and Mrs. Edwin Joiner, secretary, are newly elected officers of the Columbiana Council for Community Action. Bulldogs Win County Championship

Coach Corbett's Montevallo Bulldogs dethroned the defending champions as they bumped off the Thompson Warriors in the final round of the Shelby County Basketball Tournament here Saturday night 44-41. Vincent took the "B" championship, defeating Montevallo's B team 37-33.

Facing a team that had twice beaten them in the regular season (62-60; 49-40) only served to give the undaunted Bulldogs added courage and desire as they went after Montevallo's first basketball title in five years.

Houlditch and McNeel Lead

Named for all-county honors following the tournament, Charley Houlditch and Jerry McNeel paced the Bulldogs in the big battle. These two took care of 23 points. McNeel hit for 12 and snatched 21 rebounds, while Houlditch had 11 points and nabbed 19 from the backboards.

Montevallo led all the way; but the eight-point halftime lead, when the score stood 28-20, was the greatest distance the fighting Warriors would allow.

For Thompson, Bentley, also all-county, was tops in the scoring department with 15.

Bulldogs Trounce Vincent

To reach the finals Montevallo had to first pass Vincent, a team with which they had split close decisions in the regular season. This the Bulldogs did in fine fashion on Friday night, 76-48.

After falling behind at the opening of the game, it was midway of the first quarter before the Bulldogs could tie up the Yellowjackets; but once they got ahead, there was no stopping the determined Montevallo quintet. Working together with clockwork precision, they had built up a 37-25 lead by halftime and extended it to 51-33 in the third quarter. All reserves got into the final period.

For Montevallo it was Charley Houlditch's night to shine. The tall, quiet one poured in 21 points for the game's best scoring while claiming 20 rebounds as well. Eleven of his points came from 13 attempts at the freethrow line.

But he had plenty of help from a "ready and willing" bunch of teammates. Jerry McNeel pumped in 18 points and took off 15 rebounds; and Leroy Winslett added 13 points to the cause. Jimmy Thrasher had 11. Ronald Smitherman, in an outstanding floor performance, had eight points toward the victory.

Justice scored 14 points for the losers' best.

Thompson Passes Shelby

A fighting Wildcat stood in the path of Thompson Warriors on their way to the final match.

Shelby County High put up a stiff fight before finally buckling before the Warriors, 51-37, in the semi-finals on Thursday night.

At halftime the score was 24-21, and it was the fourth quarter before the defending champions could gather anything like a comfortable lead.

Peeples, Bentley, and Seals hit in the double figures for the Warriors to share scoring honors. Peeples had 15; Bentley, 14; and Seals, 12. However, it was Shelby's Cross who had the night's best record. He had 19 for a losing cause.

Vincent Drops Calera

The Calera Eagles, once Shelby County's basketball power, just didn't have what it took this time and dropped the tournament opener to Vincent 49-40.

The Yellowjackets were ahead from the beginning and led throughout the game except for two seconds before the end of the first quarter. At that point, with the Eagles trailing 9-8, Edwards hit two foul shots to give them a one-point advantage as the whistle blew.

That lead was short-lived, though, for as soon as the second quarter opened, the 'Jackets went ahead again and stayed there.

Top-scoring Yellowjackets were Armstrong with 19 points and Justice with 12. Edwards had 13 for the losers.

Forty F.F.A. boys, along with honorary members and other friends, will attend the Grand Ole Opry Saturday night, Feb. 22. Going with the boys will be Mack Garrett, M. C. Lovelady, Bobby Hawkins, John Suttle, Thomas Fowler, and M. Thornton.

Houlditch and McNeel Named All-County

Charlie Houlditch and Jerry McNeel were Montevallo's representatives on the all-tournament ten, named by the coaches following the finals of the Shelby County Basketball Tournament here Saturday night.

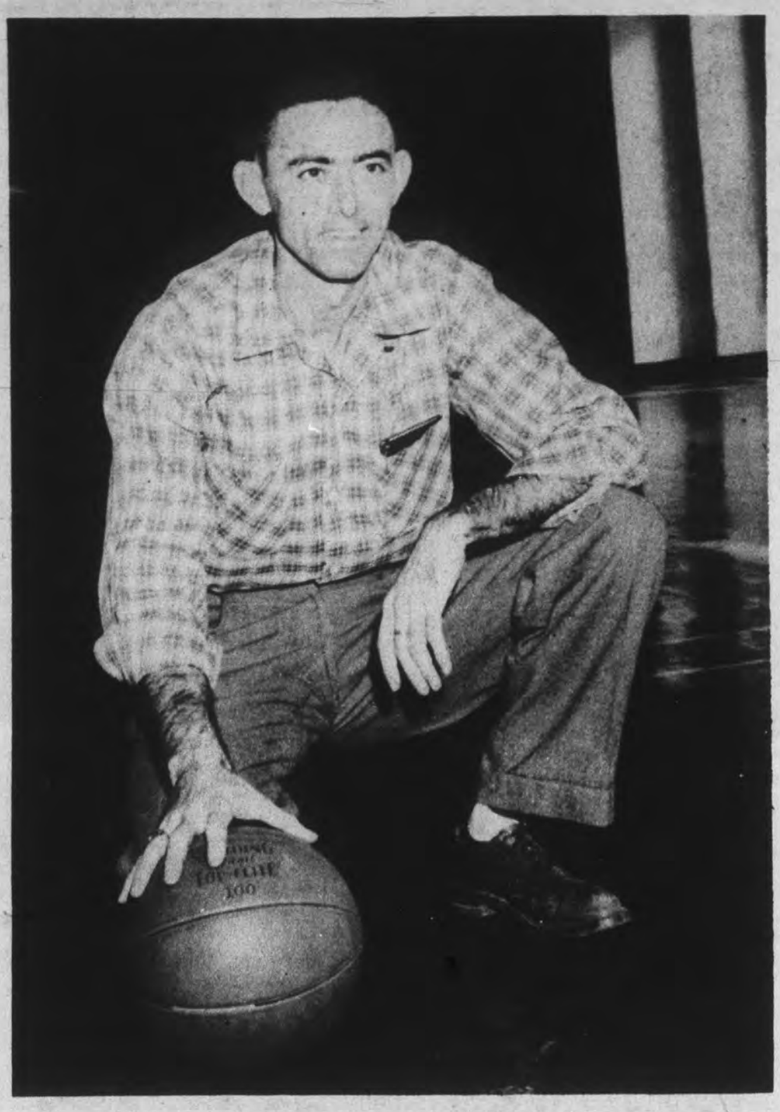

To win the honor Houlditch, in two nights of play, scored a total of 33 points and pulled down 39 rebounds for the tournament's top performance in both those departments. This 6' 2" basketballer is a natural for the sport, possessing all the necessary physical assests, including a pair of basketball hands.

McNeel Montevallo's leading scorer this season, had a grand total of 30 points and 36 rebounds in two tournament appearances. In the regular season Mac hit an average of 16 points per game. This steady, dependable player has been a mainstay for the Bulldogs all season.

Others named on the all-tournament ten were Tyus and Edwards of Calera; Cross and Roberts from Shelby County High; Bentley and Peeples, Thompson; and Armstrong and Guy of Vincent.

Tournament scoring by the all-county team went as follows:

Houlditch 33, McNeel 30, Bentley 29, Armstrong 27, Peeples 23, Cross 19, Edwards 13, Roberts 7, Guy 3, and Tyus 1.

COACH CRATIE CORBETT
Montevallo's Basketball Coach

Coach Cratie Corbett is a native of Fayette, Ala. There he received his high school training and there he got his start in the basketball field.

He played three years on a junior team and three years on the varsity while at Fayette. When he was a senior there, he was captain of the basketball team which had an 18-1 record; and he received the award for most outstanding player.

After high school Corbett was given a basketball scholarship at Livingston State Teachers College, Livingston. There he played varsity ball four years, winning the trophy for most valuable player in 1955.

Corbett says that his father had a lot to do with encouraging him in the sport. He tells of how he and his dad put up an old, iron hoop on the side of the barn and used this as a practice ground.

While serving two years in the Army at Ft. Knox, Ky., Coach's basketball did not go lacking. Here he played with a team that built up a 14-0 record one season.

Mr. Corbett is married to the former Ellen Holliman of Fayette, who, he says, is as sports-minded as he is. They have three girls, Jeanette, Regina, and Patricia.

In his five years at Montevallo, Mr. Corbett has taught history, civics, and democracy as well as coach basketball. The drive, stamina, and determination of Coach Corbett serve as an inspiration to the boys he coaches.

Washington's Birthday Cherry Pie

(Makes 9-inch single crust pie)

1 3-ounce package lemon flavored gelatin
¼ cup sugar
1 cup hot water (or cherry juice and water)
1 cup well-drained canned Bing cherries*
1 cup undiluted Carnation Evaporated Milk
¼ cup lemon juice
9-inch single crust graham cracker shell

Dissolve gelatin and sugar in hot water (or juice and water). Pit and dice cherries. Add to gelatin. Cool to syrupy, thickened consistency (about 40 minutes). Chill Carnation in refrigerator tray until soft crystals appear around edges of tray (15-20 minutes). Whip until stiff (about 1 minute). Add lemon juice; whip *very* stiff (2 minutes longer). Fold *whipped* Carnation into cherry mixture. Spoon into crust. Chill about 2 hours, or until firm.

For 9-inch single crust graham cracker shell: Mix 1½ cups crushed graham crackers with 2 tablespoons sugar and ¼ cup melted butter. Line sides and bottom of 9-inch pie plate.

*For maraschino cherry pie, use ¾ cup (8 ounce jar) diced maraschino cherries instead of Bing cherries.

Shelby County Cattlemen Hear Talk On Permanent Pasture Maintenance

Under the auspices of the Alabama Extension service on Wednesday, Feb. 12, about fifty beef cattlemen and dairymen gathered in the auditorium of the Calera Town Hall for a most informative and profitable talk on pasture maintenance. County Agent A. A. Lauderdale arranged the meeting and introduced the speaker, Mr. O. U. Andrews, Agronomist, a specialist on the staff of the Alabama Extension Service at Auburn.

Mr. Andrew's talk was an excellent discussion of all phases of establishing and maintaining a superior permanent pasture for the efficient production of beef and milk.

He showed slides illustrating the various grasses and legumes in outstanding pastures, many taken in this county. Slides of statistics showing the relative yield per acre, their relative nutritive values and the ability of cattle to gain in weight and in milk productions on the various pasture plants, documented his talk. Alfalfa he showed is by far our best pasture plant with Dallis grass and white clover on land that is somewhat moist and coastal burmuda grass in drier ground next best. He emphasized the great desirability of silage in beef production and its absolute neccessity in a successful dairy program and he recommended corn as unquestionably the most valuable silage crop with sweet sorghum, hegari and most any green forage as also practicable silage material.

Oats and vetch, Mr. Andrews pointed out, are the most valueable winter grazing annual crop with rye grass, rescue, crimson clover, white clover, and wheat as having value.

In conclusion Mr. Andrews was most emphatic in stressing the vital importance of good management, correct and adequate fertilization and weed control in a pasture program.

His talk was very well received and the many questions asked him by those present at the end of his talk was proof of the deep impression he had made on his listeners.

At the conclusion of the discussion the members of the Shelby County Beef Cattlemen Association present elected the following officers and directors for 1958. W. L. Lawler, president; Frank Lowe, Vincent, vice-president; H. A. Pauly, Montevallo, secretary and treasurer. The following, together with the officers, constitute the Board: Robert M. Byrd, Montevallo (retiring president); Earle Morgan, Helena; C. R. Crim, Longview; John Cates, Columbiana; W. J. Bailey, Montevallo; Edward Lansford, Vincent.

A Message From Judge Walker

To The People or Shelby County

Several people are asking me daily if I will be a candidate to succeed myself in the Probate Office.

I stated to you in the County papers in February, 1957 that I probably would be a candidate for Probate Judge in the coming primary. It is still my intention to do so; however, I have until and including March 1st, 1958 to qualify, and I will make my decision by that time.

Assuring you of my deep appreciation for your consideration and interest shown in me, I am.

Your Friend and Servant,
L. C. WALKER

Little Wade Phillips, son of Dr. and Mrs. E. J. Phillips of Decatur is steadily improving following his recent illness. Mr. and Mrs. N. E. Phillips still have their grandson, Randy, with them.

MRS. CHARLES ALVERSON HONORED WITH SHOWER

A shork tea shower was given Saturday afternoon, Feb. 15, at home of Mrs. Curtis Lucas in honor of Mrs. Charles Alverson (Betty Franklin). Receiving the guests were Mrs. Lucas, Mrs. Alverson, the honoree, Mrs. W. J. Franklin.

The guests were directed to Mrs. Faye Patterson where they registered. Mrs. David Hodgson poured coffee from a silver service. Assisting in serving were Mrs. Jack Comer and Mrs. Donald Edwards. Mrs. James Alverson displayed the gifts.

During the hours of 2:30 to 4:30 p.m., 30 guests registered. The colors pink and white were used in the decorations throughout the house.

Other co-hostesses were Mrs. Tom Slaughter, Miss Sue Alverson, Mrs. Herman Jones, Mrs. W. W. Howell, and Mrs. Chester Cofer.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Last year the United States Department of Agriculture urged Congress to continue the soil bank program through 1958, and Congress supported the Department's request. Farmers were then encouraged by the Department to participate in the program and, at the same time, it was their understanding there would be adequate funds to meet their applications.

There is a reason to believe that the Department of Agriculture had warning, as the planting season approached, that the amount of soil bank funds allotted to cotton would be insufficient unless the Department established limitations similar to those used during 1957. Yet, the Department made no move to apply appropriate limitations by administrative action. As result, thousdands of cotton farmers now find they are barred from participating in the soil bank program. Many of these farmers had already planned their farming operations with the expectation of eliminating cotton during the 1958 crop year. Now they find themselves without labor, without financing, and unable to plant their allotted acreages.

Believing our farmers have the right to expect their government to carry through on its commitments, I introduced legislation last week which directs the Department of Agriculture to commit additional funds for the soil bank program. Members of Congress from other cotton producing states have done likewise.

Letter to Benson

Also last week, I joined with the entire Alabama Congressional Delegation in urging Secretary of Agriculture Benson, by letter, to take whatever action he deems necessary to enable farmers who acted in good faith to participate in the 1958 soil bank acreage reserve program. In our letter to Secretary Benson we said, "Believing that there is a moral obligation on the part of the government, we have introduced legislation that would provide the federal government with sufficient funds to carry out its covenant with the farmers. If, as you have previously announced, you cannot administratively fulfill this covenant, we urge that you support the legislation we have introduced for that purpose."

We are still awaiting an answer from Mr. Benson but, from previous experiences, there iis little reason to believe that the Secretary's reply will be favorable. In any event, the Alabama Members of Congress will continue their efforts to correct an unfair situation which was created largely by the Department of Agriculture and not by the farmers.

Appropriation Delayed

The House Appropriations Committee recently deleted from the General Government Appropriations Bill the sum of $750,000 requested by the President for the operation of the newly created Civil Rights Commission. Debate on this appropriation measure began last Monday. Announced plans to restore these funds by an amendment from the floor were quickly abandoned when it became extremely doubtful that the votes necessary to pass the amendment were available. Many Rebublicians has returned to their districts for Lincoln Day speeches, and a number of Democrats from the Eastern cities, unaware funds for the Commission had been eliminated, were not in Washington.

Although debate on the measure was suspended before a final vote could be taken, funds for the Commission have at least been delayed.

Sgt. Charles M. Fox Serves in Germany

Montevallo C of C Holds Meeting

The Montevallo Chamber of Commerce met at City Hall on Thursday night with D. H. Lovelady, vice president, presiding. J. E. Whaley, president, was ill and could not attend the meeting. Some matters concerning the organization and its work were delayed until another meeting when Mr. Whaley and others can be present.

A committee has been set up to make recommendations to the chamber about property which might be bought as possible industrial sites. Don H. Lovelady is chairman of the new committee and serving with him are M. S. McGehee and Fred Frost, Sr.

A report from Dr. Karl Ashburn recommending materials for a Chamber of Commerce publication was accepted by the group and the brochure is to be published soon.

The secretary was requested to send statements to all prospective Chamber of Commerce members urging them to pay 1958 dues. The next regular meeting will be held March 13 at 7:30 at City Hall. The meetings are held each second Thursday evening of the month.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

WHAT'S IT WORTH? Seems to me the simple everyday pleasures in life are those we seem to enjoy most: a leisurely cup of coffee, a friend's cheery hello, the song of a bird. Such little things in life mean a lot, but you can't put a price on them. You only know you'd miss them if you couldn't have them. I like to think of the telephone this way . . . that it brings folks a lot of pleasure. Naturally, it's a real convenience, too, and it gets a lot of things done fast. But to me it does its best work when used to add a touch of happiness to your day or someone else's. That's why if I were asked to put a value on the telephone beyond its pure usefulness, I'd say it was the "heap of pleasure" it can bring to so many folks. Yes, it's *fun* to phone.

* * *

"NO MATTER HOW SMALL THE PLACE, CASPER MUST HAVE A DEN WITH HIS OWN TELEPHONE."

* * *

UNDER THE BLANKET. That's where the first telephone booth was. Here's how it happened. Alexander Graham Bell, inventor of the telephone, and his assistant, Thomas A. Watson, were conducting their experiments. They put a telephone in Watson's boarding house room. Mr. Bell had his phone somewhere else and the two of them talked back and forth. Apparently, they were rather noisy and Watson's landlady complained. So, Watson improvised a telephone booth by throwing the blankets from his bed over the instrument to shut in the noise. Then he crawled under the blanket to talk. Today, we don't have "to holler" over the phone, and modern telephone booths keep noise out and let you call in comfort. These and other telephone conveniences are the result of continuing research to help make your telephoning more pleasant.

SHORT ITEMS

Montevallo FFA boys have made plans for events in connection with activities for National F.F.A. Week Feb. 22 to 28. The Jr. III group plans a visit to Birmingham to get a look into Hodges Milling Co. and the Farmers Market on Wednesday. On Friday, Feb. 14, the Chapter Farmer boys will go to Tuscaloosa for a visit to the Alabama Trade School at the invitation of Mr. H. I. James, president. Along with seven honorary members, over forty FFA boys will go to Nashville for a look into various farming and historical enterprises and also for a visit to the Grand Ole Opry performance on Feb. 22. Looking toward March 21st. at which time all FFA boys and all FHA girls will entertain their parents and friends at the annual chicken fry, Jimmy Thrasher, Charley Thompson, Kenneth Snow, Jack Whatley and Curtis Jarvis have been busy making the necessary plans and financial arrangements.

This week all agriculture students saw films on how to build champions and enjoyed special features dealing with sports. Gene Moody and Buddy Day were the main ones on the Greenhand chapter program this week. Gene entertained with special song and guitar music and Buddy told of his recent visits in foreign countries.

* * *

James Frank Baker, chairman of the ant control committee, announces that everything is being done toward developing a program to treat fire ants in this area. Another meeting was held at Town Hall last Friday night. It is expected that additional meetings will be held until the program is successfully completed.

* * *

Dr. M. L. Orr and Ralph Sears represented the Alabama College A.E.A. unit at Montgomery at the delegates assembly last Friday and Saturday. M. Thornton and John Deason represented the Shelby Teachers Assn. at the assembly of delegates in Montgomery.

* * *

Bobby Jones has recently built a special hotbed for growing early garden plants. It is expected that several other F.F.A. boys will build coldframes and hotbeds and that about 20 additional garden projects will be added.

* * *

James Earl Davis, our FFA parliamentarian will take a trip to New York during March along with others in a church group.

* * *

During a visit to the W. M. Smith poultry farm operation by Mr. Croft near Calera it was observed that 55,000 broilers are being grown at one time and before too long over 100,000 turkeys will be grown at the same location. Mr. Croft showed the group some of the latest equipment for brooding and automatic watering and feeding units.

Liberty National Reports Increased Insurance, Assets

At the annual meeting of the stockholders of Liberty National Life Insurance Company, President Frank P. Samford reported that the number of stockholders of the Company had increased from 1,447 to 2,234 during 1957. He stated that, based upon total assets, the company was now the 19th largest stock life insurance company in the United States and that its stocks was owned by people living in all but 6 of the 48 states.

Mr. Samford in his report to the stockholders pointed out that 1957 was the best year in the Company's 57 year history. Not only was the increase in insurance in force and the increase in assets greater than in any other year, but reserves were further strengthened and the increase in surplus to policyholders was substantially greater than in previous years.

Showing an increase in insurance in force of more than $168 million .Liberty National now has total insurance in force of $1 1/3 billion. This increase in insurance in force was approximately $43 million more than the increase made in 1956, the previous high.

The assets of the company increased more than 25.4 million bringing total assets to $235½ million. Policyholders surplus to over $23.9 million. President Samford emphasized the rapidity of the Company's growth—last year its field organization was increased from 1,743 to 1,854 and new district offices were established in Clanton, Enterprise, Fort Payne, Jackson and Winfield, Alabama; Marietta, Georgia; St. Petersburg, Florida; and Meridian, Mississippi. The company's total personnel was increased from 2,248 to 2,360.

Mr. Samford further reported to the stockholders that the company planned to continue its expansion program and predicted that even greater progress would be made in 1958.

Hardy Nelson Died

Hardy Nelson, 89, retired farmer, died Tuesday at the home of his son in Birmingham. Burial was at 2 p.m. Wednesday, in Columbiana.

Mr. Nelson was a native of Columbiana and had lived in that area all his life until he moved to Birmingham 15 years ago.

Surviving are his son, Thomas N. Nelson; two grandchildren and three great grandchildren.

American Motors Means More For Americans

Bowdon Motor Co., Calera, Ala.

F.F.A. Week Is February 22-28

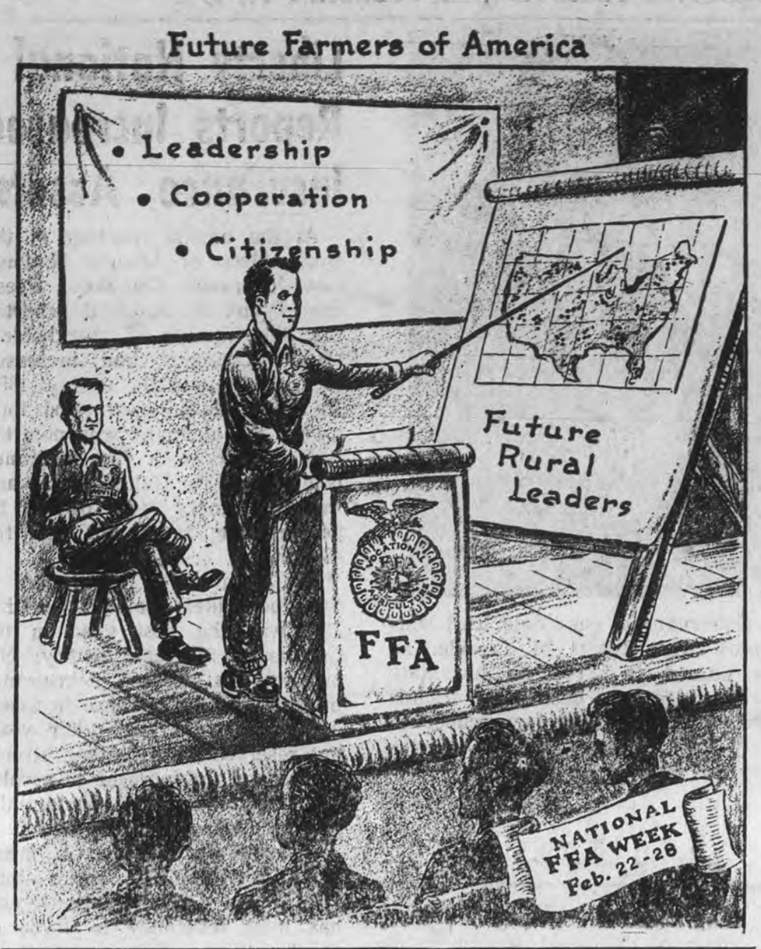

The farm boys who belong to the Future Farmers of America organization will hold the attention of the nation, February 22-28, as they celebrate National FFA Week.

FFA is the organization for boys studying vocational agriculture in public high schools. There are 380,000 active members in more than 9,000 chapters throughout the United States, Hawaii and Puerto Rico. The Future Farmers celebrate FFA Week each year during the week of George Washington's birthday because they regard him as America's first scientific farmer.

Alabama has 13,900 FFA members in 263 high school departments of vocational agriculture throughout the state. The vocational instructor in each school serves as the advisor of the local chapter.

According to T. L. Faulkner, State Supervisor of Vocational Agriculture, each of the Alabama Chapters has made plans for some special activities to celebrate this week. Some of the things are: radio programs, television programs, chapel programs at civic clubs and special displays in merchants' windows.

The purposes of the FFA are to broaden the agricultural program by providing opportunities for the development of leadership abilities, learn the essentials of cooperative behavior, contribute to the welfare of the school and community, and develop other charasteristics necessary for good rural citizenship.

Heart Fund Campaign Reaches Climax Sunday

The local 1958 Heart Fund campaign will reach a climax this Sunday when many residents of each town in Shelby County will move from door to door in every residential area collecting contributions to fight heart diseases. The army is led by group captains and C. A. Knowles, Thompson High School teacher is chairman of the collection which will be carried on Sunday afternoon.

Similar Heart Sunday collections will be made by more than a million volunteers in thousands of communities throughout the nation at approximately the same time.

This came as a complete surprise to Mrs. Jackson when she was ushered into a room where relatives and friends greeted her by singing "Happy Birthday" and she was presented with a beautiful cake and many, many lovely present. Punch and coffee were served throughout the afternoon.

The decorations were white and red carnations with a valentine suggestion.

Cold Weather Closes Schools

At the request of the fuel suppliers and town officials, Superintendent W. W. Elloitt authorized the closing of all schools in Shelby County on Tuesday afternoon, February 18 until further notice. Mr. Elliott explained that because of the transportation tie-up among the schools it would be impractical to attempt to operate schools that are burning coal. He further explained that the coal supply at several of the schools was very limited because of the unusual weather conditions.

Superintendent Elliott stated that there is a possibility that the schools would remain closed until Monday, February 24, but urged that all concerned listen to their radios and T.V. newscasts for any announcement regarding the reopening of the schools.

Heart Diseases

Diseases of the Heart are, by far, the major cause of death. In the work of the County Chest Clinic so many hearts which appeared abnormal, on the x-ray film, were found that it was decided by the Board of Health to install a Heart Clinic in connection with the Chest Clinic.

The appearance of the heart is described on the x-ray report to the family physician and, if he deems it advisable, he refers the patient back for a Heart examination. If, for instance, Hypertensive, Arterio-Sclerotic, Rheumatic and some other types of Heart Disease are found before irreparable damage is done, the doctor can do much to enable the patient to live out his ordinary life span. If, on the other hand, the patient is not seen by the doctor until definite damage is done to the heart, the doctor is definitely at a disadvantage to greatly help the patient.

The most common early systoms of heart disease are a feeling of undue weakness without adequate cause, and shortness of breath on slight or moderate exertion. If these symptoms are neglected the patient may soon find that he must use 2 or 3 pillows in order to sleep at night and may find some swelling of the ankles and feet in the evening, or occasional severe chest pain radiating to the shoulder and down one or both arms.

Your Heart Association uses your contribution to the Heart Fund for many useful purposes. One of these is to buy the material for operating the Heart Clinic in this County.

May I urge that each of you contribute as generously as possible to this Heart Fund. Any of us are prospective candidates for the services furnished by the Heart Clinic, the operation of which depends upon funds furnished by the Heart Association.

Church Women Plan World Day of Prayer

The women of the local Christian Churches will observe the World Day of Prayer with a service at the Methodist Church in Montevallo, Friday, February 21st at 10:00 A.M. The theme of the service is entitled " The Bread of Life" and was especially written for this occasion by the Christian Women of Australia.

This is the seventy-third observance of World Day of Prayer, which began in 1887. On the first Friday in Lent, thousands of Christians in the United States and around the world will be united in a service of prayer and thanksgiving—prayer for a better world, and thanksgiving for our Christian heritage. Services begin on the Tonga Islands west of the International Date Line, where Queen Salote leads her subjects in prayer. Throughout the day observances are held in one hundred forty-four countries, the last observance being on St. Lawrence Island, Alaska.

The purpose of the day is to unite all Christians in a band of prayer and to make an offering for Christian Missions at home and abroad

All interested persons are urged to attend. The services will be concluded at about 11:00 a.m. The churches participating are the Montevallo Baptist, Presbyterians, Episcopalians and Methodists.

Thornton Seeks Office of County Superintendent

In announcing as a candidate for County Superintendent of Education, M. D. (Moon) Thornton points to the fine program now being carried on in Shelby County and indicates his desire to continue with its necessary expansion and to continue quality education for all the boys and girls of the county. Mr. Thornton has been in public school work for twenty-five years. His teaching experiences have included work with students in elementary, junior high, and senior high school. His last ten years have been in Shelby County in Montevallo High School.

He received his B.S. degree from Auburn in 1931 and continued study each summer to receive his M.S. degree in 1941. Since 1941 Mr. Thornton has completed an additional year of college work to qualify for AA certification. Along with his work and study,, he has given time to serving as county president of his teachers organization, state president of the vocational agriculture teachers group, and state president of Alabama Vocational Association. His work as a county legislative member of Shelby County teachers group, and as a member of the state legislative committee of his professional group has identified him as a leader in educational effort.

Active in civic and religious affairs, Mr. Thornton is a Methodist, a Rotarian, a Mason, a member of the Farm Bureau, secretary of the Montevallo Chamber of Commerce, and a member of all his professional organizations, including Phi Delta Kappa. Mr. Thornton points to his record in education as a basis for offering as a candidate for County Superintendent of Education.

First Polio Reported

Alabama reported polio for the first time this year during the week ending February 8. Two cases, both paralytic, were recorded during that week. During the same period last year, five cases had occurred.

The new cases were reported by Lamar and Lawrence counties. The victims are a nine months old baby and a six-year-old. Neither had received Salk vaccine.

Sgt. Henry Smitherman Stationed in Alaska

Fort Greely, Alaska—Army Sgt. Henry C. Smitherman, whose wife, Jessie, lives at 524 Lee Street, Clarksville, Tenn., is participating in maneuvers with the 9th Infantry at Fort Greely, Alaska, one of the coldest spots on the North American continent.

The maneuvers consist of simulated combat situations in which mobility on snow and training in tactics are being stressed.

Sergeant Smitherman, regularly assigned to Company A of the infantry at Eielson Air Force Base, Alaska, entered the Army in 1943.

The 34-year-old sergeant is the son of Mrs. Mary. L. Smitherman, Route 1, Montevallo, Ala.

MR. JOHN H. THOMPSON of Vincent is a candidate for re-election as member of the Board of Revenue and Control in District 4. Mr. Thompson has served 16 years in this office, and cites Shelby County's progress during this time as evidence of his servise to the county.

SIGNS OF THE TIMES—No coeds would volunteer to pose in this "winter wonderland" but Charlie Webster, a sophomore at Alabama College, was out checking the area around the Montevallo water tank. The scene is indeed enough to make the shutter shudder. (Photo by Ed Ewing.)

New Telephone Directories To Be Delivered Soon

Delivery of a new telephone directory will get underway in Montevallo next week as Southern Bell Telephone Company makes final preparation to change all local telephone numbers to the new nationwide telephone numbering plan.

J. L. Switzer, local manager of the company, said distribution of an estimated 1,300 copies of the telephone book will be completed within the week.

All new telephone numbers are listed in the new directory. The numbers consist of an office name followed by five numerals. The office name which has been assigned to Montevallo is MOntrose.

To call the new name-numeral telephone numbers after they go into affect at 1:01 A.M., Sunday, March 16, 1958, the telephone user is required to dial only the first two letters of the office name and the five numerals that follow.

Mr. Switzer said pertinent dialing information is included in the directory. He urges all subscribers to keep their old books for reference until the hour the new telephone numbers become effective.

Westinghouse Employes Receive Pay Increase

Another pay increase to some 128,000 Westinghouse employes will become effective March 1 as a result of the increase in the National Cost of Living Index that was announced today. The increase will boost wages and salaries paid by the company at the rate of about $5,000,000 per year to its employes.

Locally, the cost of living provision in the contract which was offered by Westinghouse to Local 1903 I.B.E.W., Montevallo, as a part of the 5-year package agreement provides for quarterly adjustment of ½% per hour for each ½ point change in the Cost of Living Index. Under this formula and on the basis of today's announced increase. Montevallo employes will receive a pay boost of 1% effective March 1.

Calera Civitians Meet

The Calera Civitian Culb held their meeting Tuesday night at the Calera Cafe. The meeting was called to order by the President, Mr. Z. S. Cowart Sr. Vice-President L. P. Parker reported on the Calera Scouts, also that a Cub Scout Pack is to be organized.

W. W. Elliott, of Columbiana, was the guest speaker. He spoke on "Education and Business."

Members having birthdays this month were Sol Baer and Cecil Cowart. A delicious cake was enjoyed by all.

Rites Held For Mrs. H. R. Price

Funeral services for Mrs. H. R. Price of Montevallo were held Saturday at 10:30 a.m. at First Methodist Church, with Rev. J. H. Chesnutt and Rev. Edward Glover officiating. Burial was in Montevallo Cemetery.

Mrs. Price died Thursday afternoon at St. Vincent Hospital.

Surviving are her husband, H. Radford Price; two daughters, Gail and Martha Price; and her parents, Mr. and Mrs. Chester P. Garrett, all of Montevallo; 2 sisters, Mrs. Julian Farrington of Anniston, and Miss Helen Garrett of Birmingham; three brothers, Mac Garrett, Alton Garrett of Mohtevallo, and the Rev. O. J. Garrett of Winlock, Washington.

Pallbearers were Arthur Garrett Sr., G. N. LaGrone, Howard McGaughy, M. S. McGehee, Oscar Blackmon and Wallace Weaver. Honorary pallbearers were Herman Blackmon, Houston Blackmon, Arlie Blackmon, Audie Blackmon, Wesley Blackmon and Jimmie Horton.

Mrs. Price was an active member of the Montevallo Methodist Church, serving as Sunday School teacher and an officer of WSCS. She was a member of the PTA, and served on the welfare committee of Studiosis. For a number of years she has been a Girl Scout leader and was dearly loved by all the Brownies.

F.F.A. Boys Visit Cosby-Hodges Mill

This Montevallo FFA group recently visited a large milling operation in Birmingham where they saw an efficient mill in operation. Also they saw feeding demonstrations with broilers and layers. They observed an egg production operation. John Weeks, a former poultry specialist of Auburn, now with Cosby-Hodges, showed the group around and explained the operations. Mrs. Day from Wilton and M. Thornton accompanied the boys.

Left to right: Jimmy Eddings, Allan Nabors, Clay Allen, Jimmy Brantley, Edward Burdette, Bud Lucas, James McPherson; second row, Bobby Jones, Hershel Lawley, Glynn Cunningham, Gene Savage, Billy Lawley, Jerry Edwards, Glynn Lucas; third row, John Nally, Kenneth Hyde, Johnny Johnson, Francis Fulgham, Jerry Johnson, Larry Pickett, Jack Battle, Ronald Mills, Steve Goad, Buddy Day, Norman Hughes and Olin Galloway.

Methodists Plan Preaching Mission

The Montevallo Methodist Church will hold its annual Lenten Preaching Mission next week, March 3-7 with services twice daily 7:15-7:45 p.m. The theme of the week is "I Am Not Alone".

The Reverend Thomas A. (Jack) Edgar will be the guest speaker. He is the pastor of the eleventn Avenue Methodist Church in Birmingham. He has served the following charges in the North Alabama Conference: Standing Rock 4 years; Vincent-Harpersville Circuit 1 year; Pell City for 5 years and is in his fourth year at Eleventh Avenue. He also served 41 months as a Chaplain with the U.S. Army in the South Pacific. He also served the Barnesville, Ga., charge while in Seminary training at Emory University.

He is a graduate of Birmingham-Southern College with an AB degree and of Candler School of Theology at Emory with the BD degree. He is married and has two sons, Don, 15 and Tommy 5.

Everyone is invited to attend these services.

REV. T. A. (Jack) EDGAR

Swing Band To Play For Dance

A tradition will be resumed on Friday night, Feb. 28, when the MHS Swing Band plays for the annual Band Dance. "Mood Indigo", a traditional opener, will again be used and will serve to introduce the "blue" theme of the decorations.

The dance band was reorganized this winter with the following members: Saxophones, Sara Jeter, Jane Moreland, Judy Wallace and Kent Salter; trumpets, Joe Clark, Lee Salter and Tommy Brumbaugh; trombone, Jimmy Seagle; piano, Mr. Young. Drums for Friday night will be played by Mr. Wm. Goad, who is also president of the Band Boosters. A food counter will be operated by the Boosters. The leadout will feature band members and their dates.

Admission prices will be student couples 75 cents and singles 50 cents; adults $1.00 and 75 cents.

M. D. Smith III Buys Huntsville Radio Station

In a joint statement issued today by Mr. Jack Langhorne, president of the Huntsville Times, Inc., and M. D. Smith, III of Birmingham, Alabama, it was announced that Radio Station WHBS, Huntsville, Alabama, has been purchased by M. D. Smith III, subject to approval of the Federal Communications Commission.

The reported sale price of the station properties was $125,000.00.

The Huntsville Times, Inc. and WHBS is a wholly owned subsidiary of the Birmingham News Co., Inc.

Mr. Smith also operates radio station WJIG, Tullahoma, Tennessee, and WBYE, Calera, Alabama.

Library To Open On March 4

Tuesday, March 4 is opening day for the new town library, announced Miss Lucille Griffith, chairman of the library board.

Created on a trail basis by the Montevallo Town Council the library will be housed in the city hall. Hours the library will be open are: Tuesday and Thursday 3:00 to 5:00 p.m.; Saturday from 12 noon until 2:00 p.m.

Some 500 books will be furnished by the Coosa Valley Regional Library on a rotation basis delivered each month by the county bookmobile.

The best and latest books on science, biography, fiction, travel, historical novels and others may be obtained merely by joining the new library and checking out your selections. The Town Council and the library board wishes to emphasize this is a free and public library, planned for those who enjoy and realize the need for good books.

Miss Burmah Hilliard, retired public school teacher who has recently moved to Montevallo, will be acting librarian until the return of Mrs. Lillian Ward who will take over as librarian. Miss Hilliard will continue as assistant librarian.

Open 6 hours a week, it is hoped the library demands will show the need for more books as well as a desire on the part of the local public for a permanent public library.

Besides the excellent books furnished by the Coosa Valley Regional Library Montevallo may begin establishing a permanent collection by donations of books from any interested donors. All books will be screened and catalogued by the capable county library staff under the direction of Mrs. Holland.

Members of the library board will be glad to pick up your book donations if you will give them a call. Board members are: Miss Lucille Griffith, Mrs. R. E. Ballentine, Mrs. Alvin McGaughy, Mrs. Albert Scott and Miss Ethel Harris.

Local organizations will also be glad to accept book donations to be placed in the permanent collection of the new library. It is hoped individuals and organizations will furnish potted plants and other attractive decorations for the library.

Visit your library on opening day, Tuesday, March 4 from 3 to 5 p.m. and give it your whole hearted support.

ARE YOU A UNITARIAN Without Knowing It?

Do you believe man is not condemned by the doctrine of "original sin," but is inherently capable of improvement?

Do you believe the striving to live nobly and constructively more important than the accepting of religious creeds?

Do you believe in the brotherhood of man, irrespective of color, culture, or country?

Do you believe the primary responsibility for human progress rests upon man?

Then you are professing the Unitarian belief.

ALLEN WITH NAVY BAND

William K. Allen, former Hot Springs resident, sailed Feb. 3 from Long Beach, Calif., aboard the cruiser Los Angeles, for Hawaii, Japan and Australia.

A graduate of the Navy School of Music in Washington, D. C., last June, Allen is now a member of the Navy Band which follows the admiral in charge of destroyers in the Pacific.

His wife, the former Miss Mervin Bowling of Whitby, Va., and Washington, D. C., whom he married Aug. 29, will remain in San Diego until his return in July.

Allen, 21, adopted son of Miss Robbie Allen, principal of Robert E. Lee elementary school, was graduated from Hot Springs High school with the class of '54. He was a band major in high school, played many instruments, and is credited with winning as many or more medals for band performances than any other high school band major in Arkansas.

Montevallo friends of William K. (Billy) Allen, who has spent many summers here with his grandmother, Mrs. Edwin Allen, and aunt, Miss Martha Allen, will be interested in the above news item from the Arkansas Gazette.

Miss Frances Klotzman of Harrisburg, Pa., is spending two weeks with her parents, Mr. and Mrs. Sam Klotzman.

Thompson P. T. A. Considers Ways It Can Help To Improve The School

A brainstorming session on ways the P.T.A. can help to improve Thompson School climaxed the group's Founder's Day program.

Four past presidents of the Thompson P.T.A. told of accomplishments of the organization during their years as leaders. They were Mrs. Fred Phillips, Mrs. W. J. Mathis, Mrs. Douglas Kent, and Mrs. Tillis Brett.

Mrs. Hank Spires discussed projects undertaken for this year, reporting that membership has been increased and aid provided through the Reserve Teachers Club to help improve the learning situations at Thompson, both of which were aims for the year. She reported that money is available to build a permanent concession stand at the football field, another of the year's projects.

Discussion of suggestions made during the brainstorming session was carried on as the group was served refreshments.

Mr. John Deason, principal, explained the operation of the school's heating plant and the funds available to pay for heat, reporting that expense for heating last year had exceeded the allotment of funds made by the county board of education. There is only one thermostat controlling heat in the high school building, it was pointed out: Lowest setting on the thermostat is 55 degrees.

The county board of education had new valves put in the radiators in Mrs. Reid's room last summer in an effort to remedy the heating situation there. The county superintendent has authorized that a heating firm be called in to determine what steps need to be taken, it was reported.

It was brought out that several attempts have been made to devise plans for a covered walkway between the elementary and high school buildings, but that no satisfactory solution has been found that would not mean taking away space from the bus loading zone or putting in a new entrance.

It was also reported that three outside water fountains were installed around the school buildings last fall by the county.

Among the suggestions made during the brainstorming session were ones calling for a speech and hearing clinic for the students at Thompson, asking that ways be found to get better attendance at P.T.A. meetings, and getting the football field moved.

MAIL YOUR CONTRIBUTION TO THE HEART FUND

If you were not at home last Sunday when the Heart Sunday volunteer knocked at your door, look for the 'Sorry I Missed You' envelope she left for you. It offers you still an opportunity to contribute to the 1958 Heart Fund.

The envelope is addressed to the Shelby County Heart Association, in care of Alabaster or Siluria Postmasters. Simply insert your contribution, stamp it and drop it into the nearest mail box.

"Help Your Heart Fund—Help Your Heart" is the slogan of the campaign and it will continue to Friday, February 28.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Included in the Interior Department Appropriation Bill passed by the House of Representatives last week is the sum of $51,000 for further improvements at the Marion, Alabama, Fish Hatchery. This is the third consecutive year that funds have been provided to expand and improve this important Sixth District installation.

For the entire Interior Department and related agencies, the House appropriated a total of $413 million which is approximately $1.3 million less than the Administration's request and $43 million less than the amount appropriated for the same department last year.

Veterans Laws Compiled

Also approved by the House last week was legislation that consolidates into one Act all the existing laws administered by the Veterans Administration.

This new compilation does not in any way affect the basic benefits available to veterans or their dependents presently on the rolls, nor does it change in any manner the established rates of monetary benefits. However, it does consolidate and integrate existing laws relating to veterans, enabling all persons concerned to use it with the confident understanding that it embraces in one statutory "package" the many and diverse laws administered by the Veterans Administration which heretofore have been scattered among a series of separate enactments.

If approved by the Senate and signed by the President, the new Act is expected to cover approximately 200 pages in comparison with a total of 421 pages currently consumed in the publishing of the various veterans laws.

Public Land Withdrawals

A bill has been sent to the White House which requires the Defense Department to seek congressional approval before obtaining military reservation tracts that consume more than 5000 acres of public lands.

Original introduction of the bill in the House was prompted by the Navy's application a few years ago for several million acres of public domain in Nevada and California for aerial gunnery training. However, in recent months, citizens in other sections of the United States have also protested the acquiring of many thousands of acres of public lands for military use.

Officials of the Department of the Interior, which administers our public lands, have testified that they have no way of judging the military's need for public areas. Therefore, as passed by Congress, the new legislation will require a specific Act of Congress for future withdrawals by the military of more than 5000 acres in a single tract of publicly-owned land. Certain areas occupied by the armed forces under temporary use permits would be exempted from the requirements of the legislation.

Mr. Eddie Downs of Central State Bank plan to pay the FFA boys a visit on March 3. Mr. Downs expects to explain something of the facilities and financial arrangements being provided for farmers and farm boys.

Teachers Speak to Alpha Nu Chapter

Helps from principals and faculty members have been most useful in the beginning years of teaching according to three guests teachers who spoke before the Alpha Nu Chapter of the Delta Kappa Gamma Society, Thursday, February 13. Appearing on the program were Mrs. Jean Brown and Mr. Richard Kemp of Thompson and Mrs. Frances Anthony of Montevallo.

Other useful factors mentioned were helps from the county supervisor, from the professional and school libraries, from representatives of book companies and from the In-Service Training program. Each speaker also mentioned receiving help from members of the community, school patrons and the advanced typing students in their respective schools.

Presiding at the meeting was Mrs. Sarah Walker, vice-president, in the absence of the President, Miss Anita King.

In addition to Mrs. Walker, those in attendance at the Siluria Methodist Church were Mrs. Margaret Youngblood, Mrs. Nannie D. Durden, Miss Nora Sparks, Mrs. Wilma Elliott, Miss Vinnie Lee Walker, Miss Beatrice Kunstler, Mrs. Charlotte Peterson, Miss Lavada Harper, Mrs. Rebecca McGaughy, Mrs. Mary Kroell, and Mrs. Myrtle Johnson.

PURPLES WIN COLLEGE NIGHT

The Purple side was declared winner in the College Night festival at Alabama College last Saturday night.

The announcement of the decision climaxed three days of College Night-Homecoming activities at the college.

The Purple play was a musical comedy set in a Mormon community. It concerned a peddler who came to the community and decided to settle. He was fascinated with the idea of having several wives, but later was completely captivated by one girl, much to the dismay of the other single girls.

Leading characters in the Purple production were Russell Caine, Gene Brymer, Pat Hodges, Sue Bedgood, Mary Thornton, Martha Jones, Jennie Cotney and Elnora DeVaughn.

Russell Caine, Gene Brymer, Mary Thornton and Pat Hodges were featured vocalists.

Near sell-out crowds attended each of the three performances. The auditorium seats about 1600.

The Purple victory this year brought their total to 22. The Golds have won 16 times.

The Gold production, "The Benfords Are My Kinfolks", was a comedy about a Southern family. The wife, Inez Daniel, was played by Gibbs Daniel. Douglas Fancher played the part of the husband, John Daniel.

Susan Parker, Lottie Turner, Jane Rice and Betty Earnest were featured in the Gold production.

Customers Notified of New Phone Numbers

Subscribers to 1,300 Montevallo telephones this week begin receiving official notification of their new telephone numbers from Southern Bell, it was disclosed today by J. L. Switzer, local manager of the utility.

Notification in most instances is being made by mail. Business subscribers with large telephone installations and certain other subscribers will be notified by premise visits.

The new numbers go into use at 1:01 A.M., Sunday, March 16, 1958. At that time the present type numbers will be changed to name-numeral combinations.

Mr. Switzer said all present subscribers should be notified within the next two weeks of the new numbers.

Subscribers who are to be notified by mail will receive self adhesive number cards showing their new numbers. The number cards should be placed on the telephone as soon as possible after receipt to prevent their being mislaid or lost.

Instructions for affixing the number cards to the telephones are given in the letter.

A new directory listing all new numbers will be delivered before the numbers are changed.

Montevallo Wins One in Fifth District Play

By S. DeMent

Montevallo, seeded eighth, moved into the quarter finals of the Fifth District Basketball Tournament at the Municipal Auditorium in Birmingham opposite Warrior, top-seeded team, as the Bulldogs edged Cordova in a last minute thriller Thursday night.

After trailing for three quarters, at exactly three minutes and 24 seconds before the final whistle, Jerry McNeel's field goal got Montevallo over the hump and the Bulldogs went on to the 48-43 victory. Mac's jump shot put the Bulldogs ahead 42-41 for the first time since the opening moments of the game when he scored from the tip.

Sularin fired right back to put Cordova out front again 43-42, but two quick field goals by Forrest Brown and free throws by Ronald Smitherman and Charley Houlditch put Montevallo home free.

Houlditch led the Bulldogs, scoring 16 points and taking care of 12 rebounds. Brown had 12 points and 9 rebounds, while McNeel scored 11 and took 10 from the backboards.

Bulldogs Lose to Warrior

The Cordova win placed Montevallo in Friday night's battle with Warrior, but the Bulldogs found this top-seeded team a combination that was too hot to handle as they fell 61-38.

After a long, cold first quarter, in which the Bulldogs watched Warrior pour in 15 points before they could hit the basket, Montevallo came back to outscore this Number One team 12-8 in the second period. But a 17-point lead built up in the first period by the flashy Warrior five was just too heavy for the Bulldogs to lift, and the 30-17 halftime score was as close as Montevallo could come to the champs.

Warrior sent reserves into action in the last few minutes of the third quarter and used them the remainder of the game.

For the winners, all-county Blalock scored 20 points for the best in that department.

Smitherman had 10 to lead the Montevallo scoring; and Houlditch, Brown and McNeel had seven apiece.

Phillips Presents 10-Year Program For Ala. College

The idea for a 10-year development program at Alabama College was presented Saturday to alumni at their homecoming luncheon by Dr. Howard M. Phillips, college president.

Dr. Phillips said that the program is still in the planning stage.

"Because of the ever increasing demands on institutions of higher learning, careful constructive planning is needed now, more than at any prior period," Dr. Phillips said.

"Alabama College is now in one of the most critical periods of its history. Not crucial from the standpoint of survival, but from the standpoint of the College's destiny," he said.

Current enrollment at the college is more than 775 students, about 200 of whom are men.

Dr. Phillips told the alumni, "Your interest in and loyalty to Alabama College is a source of great inspiration to all of us."

At the luncheon the alumni heard the new school Alma Mater sung by the College Choir. The new song was written when the college became coeducational.

Other highlights of the homecoming included presentation of the Alumna of the Year, Ruth Stovall, state supervisor of home economics education.

She was presented at the luncheon by Mary Larkin, teacher trainer in Alabama College's School of Home Economics.

Miss Stovall was presented a silver trophy engraved with her name.

Shelby County Volunteers on the March In Red Cross Drive for Funds, Members

Bent upon success in their twin task of marshaling the money and manpower needed to keep the American Red Cross "On the Job for You," over a million volunteers throughout America on March 1 will begin the rounds of sidewalk-pounding, step-climbing and doorbell-ringing as part of the organization's 1958 campaign for members and funds.

Spearheaded by General Lucius D. Clay as national campaign chairman, the accelerated effort this year will find 50 top-level volunteer assistants from business and civic circles of every state in the union serving as national fund vice-chairmen.

Heading the fund and membership drive in Shelby County is Mrs. Jesssie McGaughy of Montevallo, District VI Director of the Alabama Federation of Business and Professional Women and vice-president of the Montevallo B&PW.

Mr. Fred Cameron, coach and physical education director of Indian Springs School, Helena, is Chapter Chairman.

As volunteer county fund chairman Mrs. McGaughy is directing some 50 volunteers who will be asking their freinds and neighbors to help the Shelby County Red Cross Chapter meet its 1958 goal of $6000.00, Mr. Cameron said.

With plans for a county hospital now under construction at Alabaster, emergency needs of Shelby County citizenry for blood supplies will be quickly furnished by the Red Cross blood bank which will have storage facilities at the new hospital.

Many families in the county can vouch for the aid Red Cross has given service men in requesting leave for family emergencies due to death or illness.

Others know of the aid received during disasters when the county chapter volunteers helped find clothing, food and housing for stricken families.

The volunteer contributions of money from the thousands of people in Shelby County and the millions of people elsewhere will continue to be translated into humanitarian services.

WINDOWS OF LIGHT

Bloomfield, N.J.—"Turn on the windows, it's getting dark" may be a routine request in the house of tomorrow. Westinghouse scientists, who have already produced strong light from a phosphor-coated sheet of glass, are now working to produce transparent phosphors. This would make possible a window that is transparent in daylight and a source of light at night.

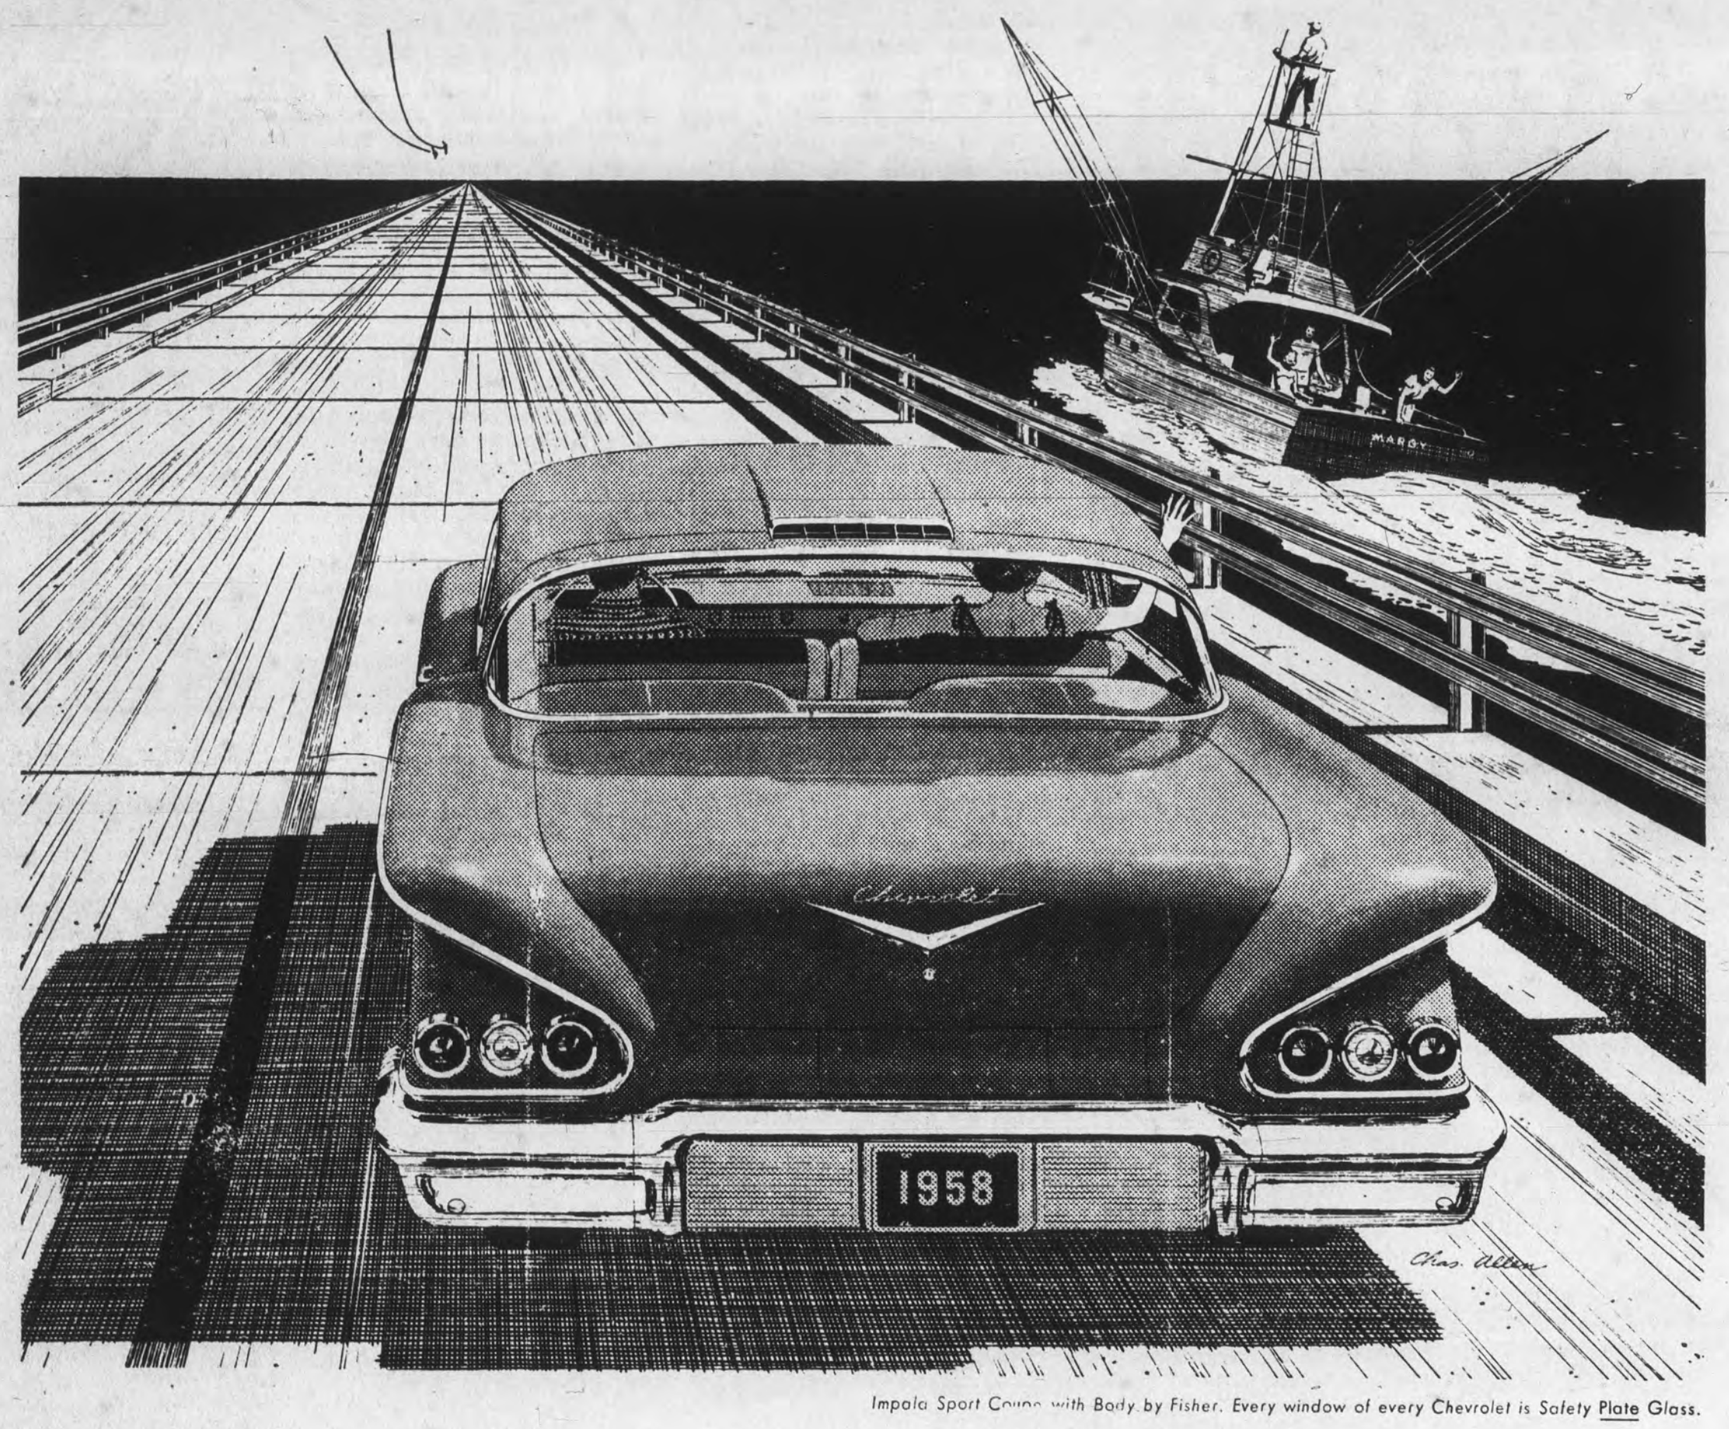

FFA—FHA members are looking forward to their annual chicken fry which is to be this year on March 21. It is expected that most of the parents of the members and a number of honorary members and friends will attend. It was estimated that around 300 attended the annual affair last year.

Phone Number Changes Are Almost Complete

Southern Bell Telephone Co.'s program to change all Montevallo telephone numbers to conform to the new nationwide telephone numbering plan is now 59 per cent complete.

J. L. Switzer, the utility's local manager, said that installation of equipment needed to convert to the new name-numeral telephone numbering system should be completed as scheduled.

The new MOntrose numbers are due to be put into effect at 1:01 a.m., Sunday, March 16.

Prior to that time a new directory listing the telephone numbers of all subscribers in Montevallo will have been delivered.

Study Club Sponsors Red Cross Drive

Sponsoring the annual American Red Cross drive for funds and members in Montevallo and Wilton will be the Montevallo Study Club, Mrs. Sarah P. Morgan, president, announced this week.

Each member has been assigned certain areas to be responsible for collection of funds.

If for any reason you have not been contacted by March 15, please call Mrs. Morgan or send in your donation by mail.

SALLY BROADHEAD

Sally Broadhead Receives Commendation

Sally Broadhead, a senior at Montevallo High School, has been commended by National Merit Scholarship Corporation for her outstanding performance on a nationwide college aptitude test, according to principal, Mr. Guy Milford.

Runner-up in the 1957-58 Merit Scholarship competition, Sally will be sent a letter of recommendation by NMSC for use in applying to colleges.

After graduation in June, Sally, daughter of Mr. and Mrs. C. C. Broadhead, plans to enter Auburn. Born in Birmingham, Sally came to Montevallo at an early age and has attended school all 12 years at Montevallo.

According to Mr. John M. Stalnaker, President of NMSC, students receiving this commendation "did not quite reach the finals of the 1957-58 Merit Scholarship competition, but each of them has demonstrated highly superior ability and outstanding promise to benefit from college training."

The annual National Merit Scholarship competition offers the largest system of privately financed scholarships in the United States. The Merit Scholarship Program is open to all high school seniors in the United States and its possessions.

DR. W. S. MITCHELL

Dr. W. S. Mitchell Begins Practice in Calera

Calera is fortunate to have Dr. W. S. Mitchell move to the community. Dr. Mitchell began practice on March 3. He received his medical education at the University of Alabama Medical School, graduating in 1954.

Dr. Mitchell comes to Calera from Talladega where he has been practicing for two years. He and his wife, the former Martha Love, are both natives of Birmingham. They have four children, Eason, Tim, Gayle, and Susan.

They will occupy the former home of Mr. and Mrs. Bill Capps. Dr. Mitchell's office will be in the Central State Bank Building, pending completion of the new medical clinic.

Calera is happy to welcome Dr. Mitchell and his family to the community.

Local Business Women To Attend Meeting

The Alabama Federation of Business and Professional Women's Clubs will hold one of nine Spring District meetings Sunday, March 9, at Livingston with the Livingston Club as hostesses.

Mrs. Jessie McGaughy, Montevallo, Director of District VI, announces the March 9 meeting to be attended by officers, committee chairmen and B & PW members from six clubs in the district with a total membership of 142.

Members of the Montevallo club attending are: Mrs. Madge Carpenter, president; Mrs. Jessie McGaughy, vice president and district director, presiding at the meeting; Mrs. Ruth Ratliff, news service; Mrs. Frances Duke; Miss Edythe Hartley, corresponding secretary; Miss Josephine Eddy; Mrs. Essie Weston, recording secretary; Mrs. T. Bridges; Mrs. Willabelle Posey; and Mrs. Pauline Rogan.

MONTEVALLO STUDY CLUB

Montevallo Study Club met on Tuesday with Mrs. J. Frank Baker and Mrs. Ted Bridges as hostesses at the home of Mrs. Baker. Plans for the coming Red Cross drive were presented by Mrs. Paul Rogan, civic chairman.

The following officers were elected for the coming year:

President, Mrs. F. M. Morgan; vice president, Mrs. T. E. Watson; treasurer, Mrs. N. E. Phillips; secretary, Mrs. R. M. Sears; parliamentarian, Mrs. A. C. Anderson. The club welcomed Mrs. J. B. Walters as a new member.

The next meeting will be held March 27 with Mrs. M. L. Orr, Jr., and Mrs. L. E. Kirkland.

ELBERT MAHAFFEY ON TV

Elbert Mahaffey of Montevallo will be seen on Channels 10, 7 and 2 Monday evening, March 10, at 8:00 o'clock. He will appear with the Auburn Knights musical unit, a 17-piece dance band.

Their appearance is part of Auburn TV's regular Monday night "Music From Auburn" series for the Alabama Educational TV network.

Learn To Sew Spring Clothes

Are you interested in learning to sew by the new clothing construction methods? Sewing is so easy and satisfying if one uses up-to-date methods that result in good looking garments.

Homemakers who are interested in learning basic sewing techniques are invited to meet at the Montevallo High School home economics department on Tuesday evening, March 11, at 7:30, for the purpose of organizing a sewing class. The class will meet once a week. On account of the Methodist and Baptist revivals, the organizational meeting previously announced for March 4 has been postponed until March 11.

Demonstrations will be given on selection and alteration of patterns, preparation of material, cutting to fit individual measurements, and using recommended construction techniques in assembling garments.

The Bishop Clothing Construction Methods will be demonstrated and practiced during the series of sewing classes. Mrs. Edna Bryte Bishop, a national authority on clothing construction, demonstrated the Bishop sewing methods during a workshop attended by over 200 Alabama vocational home economics teachers in September, 1957.

The number of machines in the Montevallo High School clothing laboratory makes it necessary to limit the enrollment in the adult sewing class to ten homemakers. Those who wish to enroll in the class may call Mrs. Rebecca McGaughy at the high school home economics department, 6791. — Juanita Barnes, Student Teacher.

Marguerite Fullman Wins Third Place

"Congratulations, never have I heard George Washington Carver done so well," said Dr. Theron Montgomery, dean of Jacksonville State College, as he handed the third-place award in the District eliminations of the Birmingham News Oratorical Contest to Marguerite Fullman.

Speaking in competition with county winners from Chambers, Talladega, Tallapoosa, and St. Clair Counties, at Jacksonville, February 26, Marguerite was Shelby County's representative.

First place was won by Judy Treadwell of Daleville, speaking on "Andrew Jackson." Sally Peters, whose subject was "Robert E. Lee," took second place. She is from Valley High, Fairfax.

DR. MARJORIE REEVES

Dr. Marjorie Reeves, distinguished historian from Oxford University, will speak at Alabama College today as part of the convocation series. Dr. Reeves is a native of Wiltshire, England.

L. K. BIRINYI

Birinyi To Address Okla. Welding Society

L. K. Birinyi, Senior Engineer at the Montevallo Westinghouse Plant, will be principal speaker at the Oklahoma Section of the American Welding Society in Oklahoma City March 11.

Mr. Birinyi, who is responsible for the development of electrode coating formulations at the Montevallo Welding Plant, will talk on "Iron Powder Welding Electrodes, Their Application and Potential Cost Reduction."

A graduate in Welding Engineering from Ohio State University, Mr. Birinyi also holds a Masters Degree in Industrial Engineering from Purdue University. He joined Westinghouse in 1951 as a welding engineer and was transferred to the Montevallo plant in 1955.

Brazilian Students Get Certificates

Sixty-three Brazilian students received certificates of attendance at the end of the current English Language and Orientation Institute at Alabama College Wednesday. The exercises were held at 8 p.m. in Reynolds Hall. Dr. Howard M. Phillips, president of the college, was the main speaker.

Speaking for the visiting Brazilians was Safira Sargossy, junior law student at the University of Brazil.

Dr. Ruy Azeredo, coordinator of the institute, presented the candidates for certificates. Dr. Phillips presented the certificates to the students.

A reception for the visiting Brazilians was held in the foyer of Reynolds Hall.

Students attending the institute will depart Friday for a two-week sightseeing trip which will include visits to Chicago, Detroit, New York City, Washington, D. C., and Miami. The group will fly from Miami to Rio de Janeiro following the tour.

New Library Has Open House

Montevallo's new town library held open house Tuesday, March 4 from 3 to 5 p.m.

Greeting visitors in the library, located in the Town Hall, were Miss Burmah Hilliard, librarian; Miss Josephine Eddy, representing A.A.U.W.; Mrs. R. E. Ballentine, Mrs. Alvin McGaughy and Mrs. Albert Scott, members of the Library Board of Directors.

Approximately 85 local citizens visited the library and 73 took out cards of membership.

Books for the library are furnished by the Coosa Valley Regional Library service, a branch of the State of Alabama Library Service. Mrs. Sara Holland is Regional Librarian.

A general feeling of surprise and appreciation was expressed by those visiting the library at the type of books available, the newness and attractiveness of the books and the variety of selection, both for children as well as adults.

Sponsored by local Montevallo organizations petitioning the Montevallo Town Council for help in setting up the library the Council agreed to furnish shelving, a room for the library and a small salary for the librarian on a trial basis until October 1, 1958.

The Town Council also appointed a Library Board of Directors to act as controling body to report to the Town Council at regular intervals and to keep the local sponsoring organizations informed as to the progress of the new library. Members of this board are: Miss Lucille Griffith, chairman; Mrs. R. E. Ballentine, secretary; Mrs. Alvin McGaughy, Mrs. Albert Scott and Miss Ethel Harris.

The Town Library may also begin a collection of permanent books. Your donations of good books from your own library that are not in regular use will be gratefully accepted, and catalogued for circulation by the efficient Coosa Valley Regional library staff.

Local citizens who have offered donations of books as of now are: Dr. Karl Ashburn, Miss Ann Eastman, Miss Ethel Reasoner, Miss Katheryn Farrah, Miss Lucille Griffith, Miss Eva Golson, Miss Kathryn Vickery and Mrs. T. H. Napier.

Harrison Campaign Covers Whole State

Karl Harrison is pushing forward in a vigorous schedule this week that takes his campaign for Governor to all parts of Alabama.

Monday night he was at the alumni banquet of the Birmingham Law School which was an event given in his honor. Mr. Harrison is a graduate of this school.

Tuesday he was in Tuscaloosa at a meeting of the Alabama Forest Products Association.

Wednesday he was in Montgomery to set up headquarters in the capital city and to confer with a number of leading state political leaders who are his supporters.

Thursday he is in Florence to make another television report to the people. He will spend Friday in the Tennessee Valley.

Saturday he will go to Mobile where he will appear at the meeting of the Alabama League of Municipalities.

Jerry McNeel Named On All-District Team

Jerry McNeel, a senior, and Montevallo's leading scorer foi the past two seasons, was named on the all-district basketball selection for the Fifth District by the coaches of this area. One among 12 players named for the honor, Jerry has been a main threat in the Bulldogs' attack all season.

In describing McNeel on the all-district selection, Bill Lumpkin, a Post-Herald sports writer, said: "An all-Shelby County selection, Jerry McNeel's performances sparked Montevallo to the Shelby County basketball championship. He was a consistent scorer, hitting 16 counters a game."

Coach Cratie Corbett, under whom Jerry has worked for two years, says that McNeel was not only a good player, but a morale builder for the team as well.

"This was proved", he said, "in the two Thompson games played without the services of this 6-foot driver". The confidence of the players in Jerry was evidenced in the fact that, at the end of the season when the boys had the opportunity to name the captain for the tournament team, he won by a large majority.

SHORT ITEMS

The next regular meeting of Montevallo Chamber of Commerce will be held at Town Hall on Thursday evening, March 13, at 7:30. James Whaley, president, urges a large attendance as several matters of interest are to be discussed. Reports will be heard from some of the committees now serving the Chamber and it is expected that the organization make up will be completed at this meeting. Fred Frost Sr., treasurer is urging all prospective members to pay dues at once. Dues range from $5 to $25.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

An additional sum of $250 million for the 1958 soil bank program was included in an emergency appropriation bill passed by the House of Representatives last week. According to the Department of Agriculture, Alabama's share of this appropriation will total about $15 million.

Originally Alabama was allotted $17.2 million in soil bank funds, but cotton farmers of our state offered acreage, prior to a registration deadline, which would have necessitated the expenditure of $31 million. An additional $15 million should at least assure sufficient funds for all who registered.

Benson Must Approve

Senate approval of the supplemental appropriation bill is expected in the near future, and President Eisenhower will probably sign the measure since it contains funds other than those for the soil bank program.

It is still uncertain, however, whether or not Secretary of Agriculture Benson will make available for the soil bank program the funds Congress is expected to approve. Alabama members of Congress, as well as others from cotton producing states, are urging him to do so without delay.

Postal Rate Increase

In a nine-hour session on Friday, the Senate approved a bill to raise postage rates by more than $700 million annually. Incorporated into the rate bill were provisions for raising the salaries of postal employees at a cost of approximately $320 million per year.

Under the provisions of the Senate bill, the cost of out-of-town letters goes up to 5c while the charge on local first class mail will be 4c. After three years, however, all first class mail would be reduced to four cents an ounce.

For air mail letters, the Senate increased the charge from six to eight cents an ounce, with no provision for a future rate reduction.

Last August the House of Representatives voted to increase all first class mail to four cents an ounce and to raise the air mail cost to seven cents an ounce. Since the provisions of the House bill are not in line with those adopted by the Senate, a conference committee will be designated to draft a compromise of the two versions.

Expresses Appreciation

I learned over the week end that I would be unopposed for re-election to the U.S. House of Representatives in the forthcoming Democratic primary.

I am deeply grateful to the citizens of the Sixth District who are allowing me to return to Congress without opposition for a fourth term. I assure you that I shall continue to make every effort to do a creditable job for the fine people I have the privilege to represent.

Now that spring is here, Calera Garden Club is asking everyone to cooperate with them in a clean-up campaign during the month of March.

Cleanliness and beauty is the responsibility of everyone in our community, so make our town clean and attractive.

Card of Thanks

I want to thank every one for being so nice to me during my confinement at Highland Baptist Hospital. Thanks for the beautiful flowers, cards, for the visits and prayers. —Mrs. Cecil Wells.

America's only car with a hideaway hardtop—the Ford Skyliner shown here with the fabulous new 4-passenger Thunderbird

It's like getting back 15¢ on every gas dollar!

Here's the biggest savings story of the year! And here's why.

It all starts with Ford's new dream of a drive called Cruise-O-Matic . . . the newest, most versatile, most automatic of them all! *Two* new driving ranges let you choose your starts for the road conditions that exist. For example, in most of the driving you'll do, you can take off lively as a spring lamb if you wish. And on snow, ice or *any* slippery road surface, with the *extra* driving range you can get sure-footed starts that are steady and silky-smooth.

Now, team this all-new automatic with Ford's new Thunderbird-powered V-8 (with up to 300 hp) and you get as much as 15% better gas mileage, too! That's because a special gas-saving rear axle ratio is used to give you all the savings of "built-in" overdrive economy.

And based on factory suggested retail delivered prices, a Cruise-O-Matic Ford is priced lowest of the low-price three with comparable equipment.

So, with Thunderbird go . . . down-to-earth gas savings . . . *plus* Ford's traditionally low prices and high resale return . . . you have the best reasons in the world to make yourself a deal on a beautiful new Cruise-O-Matic Ford!

C. P. (RED) WALKER

C. P. (Red) Walker Is Candidate for Legislature

C. P. (Red) Walker qualified as a candidate for the State Legislature from Shelby County following the meeting of the Democratic Executive Committee on Tuesday night, January 28.

Red has been very active in the affairs of his community, county and state.

Upon completion of 2½ years active Naval service in 1946, he opened a barber shop in Alabaster. He graduated from Montevallo High School in 1943. He enrolled at the Birmingham School of Law in 1951 and received his degree in May of 1955, and since that time has established a successful real estate and insurance business in Shelby County.

Realizing that the near future holds many good promises for Shelby County to emerge as one of the leading counties in this state, Red expressed his sincere desire to obtain the privilege of representing this county in the legislature, and to do all within his power to promote and help shape the prosperous destiny of this, our county.

Judge Walker Declines To Run

To the People of Shelby County:

You probably know by now that I did not file to qualify to succeed myself as Probate Judge of this great county for sound and logical reasons. I would have been most happy to have served you for another term to initiate and finish many needed programs and projects which the Board of Revenue, County Highway Department, all the county employees and I had planned.

My ambition was to continue to get the people of Shelby County out of the dust and mud, along with many other needed improvements, just as quickly as the county finances would permit.

I am proud that Shelby is one of only three counties free of indebtedness. I firmly believe in a sound, debt-free county government, and this will most certainly prevail as long as am your Probate Judge and Chairman of the Board.

Many people are always ready to criticize and think that they can do a better job. This we will wait and see. My past record speaks for itself.

I want to express my sincerest thanks to the members of the Board of Revenue, the Clerk of the Board, the County Highway Department employees, my faithful Probate Office employees, past and present, all of the other county officials and their employees, the local attorneys, J. C. Walton and Ellis Boaz for their faithful work in maintaining the county property. To these loyal friends I am deeply indebted for their help and cooperation through the many years.

I also want to express my heartfelt thanks to the hundreds of friends who came, wrote and called me insisting that I make the race. I am deeply grateful to all of them.

Your friendship and help have been an inspiration to me through the many years I have been your servant. I can honestly state that your best interests have been foremost in my mind. When my term expires next January, "I shall not fade away". I will be around to see and greet you as a friend and neighbor.

May God bless and keep you all.

L. C. WALKER,
Probate Judge

Political Rally Set For Calera

Candidates to both county and state offices have been invited to a political rally, Monday, March 17 at 7 o'clock in the Calera High School Auditorium.

Preceding the rally a fried chicken dinner will be served from 5 to 7 in the school cafeteria. Proceeds from the dinner will be used to purchase needed science equipment and library books.

"The purpose of the rally", Mrs. Joyce Mabry, chairman, said "is to give the citizens of Calera and surrounding communities an opportunity to meet the candidates and listen to brief talks by each. We hope to have a large crowd for the entire evening's program but urge everyone to avail themselves of this chance to become familiar with the candidates in the May primary."

Serving with Mrs. Mabry as co-chairman is Mrs. Marjorie Simpson, also of the Calera faculty.

They have been assisted by students and other teachers.

College Recognizes Honor Students

Scholarship will be recognized at Alabama College at Honors Day next Tuesday.

The Robert Barnes Scholarship which was originated by citizens of Montevallo, will be awarded to Patricia Jury of Mobile. The award is in memory of the son of Mrs. Virginia Barnes of the faculty of the art department.

It is presented each year to the sophomore art major who made the highest grade point average in the freshman year.

Jade Higgins, Montevallo, will receive the $350 Loveman, Joseph & Loeb Award. This is a gift scholarship to a student above the freshman year majoring in retail home economics.

Honor students at the college will also be recognized. Among them are Neal Shirley, Arthur Garrett Jr., and Kitty Stansell.

Dr. Howard Phillips will deliver the main address entitled "Honor—The Present and Future".

Easter Seal Sale Campaign Begins

The 1958 Easter Seal Campaign gets underway this week in Alabama with indications that volunteers have laid the ground work for the most ambitious drive in the history of the Easter Seal Society.

Numerous special events will highlight the drive in many sections of the state, including auction sales, road blocks, box suppers, womanless weddings and special school drives.

Earl Tucker, Thomasville newspaper publisher and statewide drive chairman, called attention to the growing needs for service to the handicapped and emphasized that generous response to the Easter Seal drive will mean expanded facilities for them.

A total of 14,012 persons received direct aid from the Alabama Society for Crippled Children and Adults and its affiliated county chapters as a result of the 1957 campaign.

'This figure easily could be doubled if the people of Alabama open their hearts to the desperate plight of the hundreds of disabled who need a helping hand" Mr. Tucker said.

Professional authorities estimate that 90 per cent of the crippled and handicapped can be rehabilitated to the point of gainful employment.

"This is the challenge we face. Not only the victim and his family, but the community itself is served whenever a stricken child or handicapped adult is rehabilitated and can share in the community's economy, culture and society," the chairman asserted.

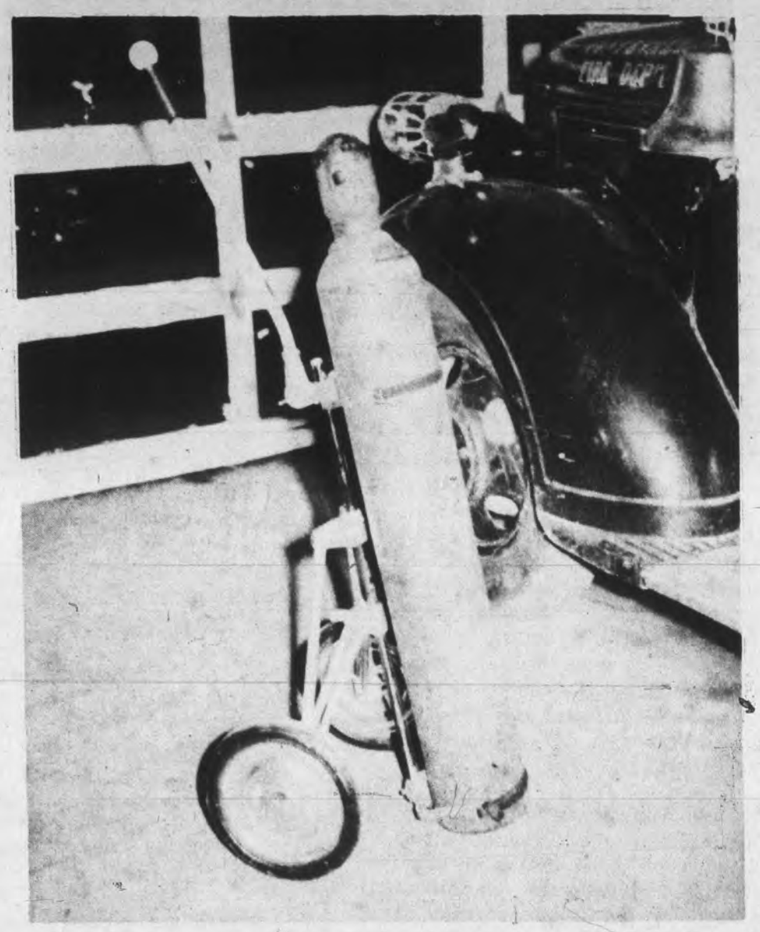

Opening officially on March 6, the drive will continue through Easter Sunday April 6.

AMERICAN LEGION SUPPER

The American Legion Post in Montevallo will give a supper on Saturday night, March 22 at 7:30 in the Legion Hut.

This event will be the culmination of the 1958 membership drive and all members are eligible to attend. Admission will be by your 1958 membership card.

Present membership of Hendrick-Hudson Post is 96.

RESUSCITATOR — The McConaughy family has made an important addition to the life-saving equipment of Montevallo Fire Department. They have donated an extra tank of oxygen, together with a roller-truck for carrying the equipment, as shown in the above picture. Recently when Mr. Pat had a serious attack of illness, the Fire Department rushed to his aid with the resuscitator. In appreciation of this service, the family has donated the additional equipment which will materially aid in future service.

Calera Clinic Is Nearing Completion

Considerable progress is being made at the Calera Clinic and Mr. W. W. Howell, chairman of the Clinic Board, states that he expects the building to be ready for occupancy within 60 to 90 days.

This six-bed modern clinic will have facilities for two physicians and one dentist, and is being constructed according to the rules and regulations of the Hospital Planning Division of the State Board of Health, and will carry a hospital number.

Mr. Howell announces that a number of clinic bonds are still available for purchase by the general public. These bonds are in $100 denominations, are tax free, and pay 5 per cent interest. Anyone desiring to purchase one or more of these bonds may contact Mr. Howell, the Central State Bank, or the Mayor's office.

PRESBYTERIAN SERVICES NEXT SUNDAY

Rev. David Kaylor will supply the pulpit of the Presbyterian Church next Sunday. Mr. Kaylor, a senior at Louisville Presbyterian Seminary, is a native Alabamian. His father is a minister in the Presbyterian Church. For many years he was pastor at the Reform, Alabama, church. Mrs. Kaylor, a Birmingham girl, was the former Martha Henning.

All members and friends of the Presbyterian Church are invited to hear Mr. Kaylor.

New Telephone Numbers Become Effective Sunday

Sunday will mark another milestone in the fifty-three year history of the Southern Bell Telephone Company's operation in Montevallo. Beginning at 1:01 a.m. all local telephone numbers will change to conform to a new uniform nationwide telephone numbering plan.

Each Montevallo telephone number will consist of the office name MOntrose followed by five numerals.

The mass number change is the first step in Southern Bell's long range program to eventually provide customer direct distance dialing throughout its territory. Approximately 1,300 telephones in the Montevallo exchange area are to be assigned new numbers. J. L. Switzer, local manager of the company, said the adoption of the new numbering plan will make possible improvements in the speed and accuracy of long distance service.

All new telephone numbers are listed in the new directory which has been delivered to all Montevallo subscribers.

Mr. Switzer said that to dial a new type number, it is necessary to dial the first two letters only of the office name and the five numerals that follow.

He explained that these letters are actually numbers when dialed. MOntrose is 66. The office name, however, being easier to remember, is an aid to the telephone user and from the technical viewpoint is necessary to the new numbering plan.

Mr. Switzer said, "Although the average time required for completing long distance calls has been reduced in the past few years due to the addition of more long distance facilities and the adoption of the new methods, further improvements are possible by utilizing the new numbering plan."

The new numbering system is being adopted throughout the United States and Canada by both Bell System and independent companies. In Alabama the new numbering system has been placed in service in 61 Southern Bell exchanges.

Theatre To Give Moliere Comedy

The cast for the forthcoming Alabama College Theatre production, Tartuffe, has been announced by Dr. Andrew Kochman, theatre director.

The play will be March 20 and 21 in Palmer Hall Auditorium at 8:15 p.m.

The cast includes Margie Lane, Charles Cottingham, Katherine Morton, Clyde Hoffman, Sylvia Simpson, Gene Brymer, Wesley Bostick, Arend Van der Marel, Jo Anne Mynard, Henry Williams, Nelson Forbes, and Norma Gene Cope.

"We are trying to produce this play as a compromise of the 17th century French style," said Dr. Kochman.

"We are trying to do this by bringing the audience and the play closer together," he said. One way this will be done is by leaving the curtain open at all times.

Also, the house lights will be left partially on.

Tickets to this Moliere comedy will be on sale March 17-21 from 1:30 to 3:30 p.m. in the box office in Palmer Hall.

The box office will be open at 7:00 p.m. both nights of the play.

MONTEVALLO FFA NEWS

Reviewing current news articles, Montevallo FFA members are keeping up with happenings in agriculture and proposed legislation affecting the farmer and his future. Study has been given to recently organized contract feeding of cattle, poultry, hogs, and turkeys. Some study is made of the present cotton situation and its possible effect on the future of our state and the South.

Students Compete For Scholarships

More than 280 Alabama high school seniors will compete for $10,555 worth of scholarships at Alabama College Thursday, Friday and Saturday.

They will be seeking 20 honors scholarships, five music and two physical education scholarships.

A full schedule of entertainment has been planned for the visitors during their three-day stay at the college.

Thursday afternoon they will hike to the college lake for canoeing and a picnic supper. That evening they will see "The Cloak" presented by the School of Music.

The recreation hour following the tests will feature swimming in the college pool and tennis.

Friday evening the students will attend the concert of the Birmingham Symphony Orchestra.

A reception will be held for them in Napier Hall following the concert.

The activities will end with the noon meal Saturday. Winners of the scholarships will be announced next week.

Office Practice Students Serve Apprenticeship

Ten office practice students at Thompson have begun a six weeks' apprenticeship with businesses and individual employers in the Siluria-Alabaster area, working for the experience.

The girls leave school at 2 p.m. when their office practice class begins and report to their "employers" for two to two and a half hours' work each afternoon. Their grade for this six weeks' work in office practice will come from the ratings given by those who supervise their work.

Each of the students was interviewed by two businessmen who filled out check sheets on them following the interview. The interview check sheets were used as a basis for assigning the girls.

Mrs. Edward Dyer, commercial teacher, worked out plans for the apprenticeship program, assisted by Mrs. Hank Spires, her reserve teacher, who made the contacts with businessmen.

Taking part in the program are Glenda Malone, who is working at Buck Creek Cotton Mills; Linda Holcombe, First Bank of Alabaster; Edna Sue Norris, C. B. Sides; Peggy Vest, Alabaster Lime; Carolyn Dawkins, The Alabaster Advertiser; Julia Davis, Hines Realty Co.; Lou Phillips and Gelene Owens, Red Walker; Janice Barnett, Dr. W. E. Stinson; Nancy Thomason, Alabaster TV and Record Shop.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

A major budget reform bill was passed by the House of Representatives last Thursday after two days of heated debate. The vote was 311 to 87.

This legistion, which follows the recommendations of the Hoover Commission is designed to give Congress tighter control over federal spending. Proponents of the measure argue that it will save the government billions of dollars. Those who oppose it insist that, in the long run, the proposal will prove costly as it will create confusion in accounting and budgeting procedures.

As passed by the House, the bill gives Congress authority to place government appropriations on an annual basis. Although the full amount to be spent on projects extending over a period of several years would still be appropriated at one time, all unspent balances would be reviewed each year by Congress.

Soil Band Funds

In last week's column I discussed the $250 million additional appropriation approved by the House of Representatives for the 1958 acreage reserve program. I pointed out, however, that it was still uncertain as to whether or not Secretary Benson would make these funds available for the soil bank program.

A letter I received only a few days ago from Assistant Secretary of Agriculture Marvin L. McLain indicates that additional funds will be used for acreage reserve payments without unnecessary delay. Mr. McLain's letter states in part:

"Should the additional authorization be made available by Congress, please be assured that farmers who registered their desire to participate in the 1958 acreage reserve program before the deadline for signing and filing applications will be immediately accommodated to the extent possible. On the basis of preliminary reports on sign-up of cotton acreage, we believe it will be possible to accept all offers of cotton acreage."

Senate approval of the additional funds already voted by the House of Representatives is expected this week.

House Space Group

Members of the House of Representatives passed a resolution last week creating their own Select Committee on Astronautics and Space Exploration. Following passage of the resolution, Speaker of the House Sam Rayburn appointed seven Democrats and six Republicans to serve as members of the new committee. Rep. John McCormack, majority leader of the House, will serve as chairman of the group.

The select committee is authorized to conduct an investigation of all problems relating to the space age. It will also consider all legislation dealing with space exploration and control.

SUPPER AT HELENA

There will be a supper and political rally at Helena Jr. High School March 14, 1958.

Suppers will be served at 6 p.m. for $1.00 a plate. After supper, there will be an opportunity for all the candidates to speak. This will be followed by a talent show.

Indian Springs Wins Freedoms Foundation Award

The Freedoms Foundation at Valley Forge has announced the selection of Indian Springs School, Rt. 1, Helena, as one of 62 schools in the nation winning the Valley Forge Pilgrimage Award for the school year 1957-1958. Such awards are given to winning schools on the basis of their superior programs in citizenship or economic education.

According to Dr. Kenneth Wells, president of the Foundation, multithousands of schools the nation over sent in over one and one-half tons of evidence of their programs for the Foundation's judges to examine. These judges, selected from justices of state supreme courts and from other high-ranking persons, took four months to study the materials on which their decisions were based. Alabama has been honored by having two of its schools so selected: Indian Springs and McNeil School of Bessemer.

Recipients of the Pilgrimage Awards are entitled to select one teacher and one student to take the Pilgrimage. Indian Springs will send its Commissioner of Education at the time of submission of contest materials, Buddy Heacock of Alexander City, and Mr. James E. Mason of its faculty. Indian Springs was nominated for the award by its former mayor, Larry Crocker of Bessemer. The school will be awarded the Foundation's Freedom Library consisting of books, films, and other materials dealing with our nation's heritage of freedom. In addition, the school will be given a George Washington Honor Medal.

The Pilgrimage will be made May 3-5 and will include a tour of historic sites in and around Valley Forge, Philadelphia, and Washington.

UNIQUE STUDY CLUB

The Unique Study Club met March 4th at the home of Mrs. R. J. Mabry with Mrs. Dean Holcombe as co-hostess.

Mrs. Milton Smith, president, presided. Mrs. Marvin Smith was in charge of the program, and showed slides of many historic homes and places of interest.

Refreshments were served by the hostess.

New Numbers Have An Office Name

Here are some facts you'll want to remember!

1 Effective at 1:01 A.M., on Sunday, March 16, all telephones served by the local exchange will get new numbers. At the time, the local calling area will be combined with that of the Calera exchange. Calls between Montevallo and Calera may be made without long distance charge.

2 Each changed telephone number will consist of an office name and five numerals. For example, a new Montevallo telephone number might be MOntrose 6-9011.

3 To call a new number in your exchange, simply dial the *first two letters* of the office name and then the five numerals as listed in the new telephone directory. For example, a Montevallo subscriber might dial M-O-6-9-0-1-1. Calls may be made between the two exchanges by simply dialing the telephone number as listed in the directory. It is *NOT* necessary for Montevallo subscribers to call long distance to get a Calera number or vice versa.

4 IT IS VERY IMPORTANT THAT YOU REFER TO THE NEW DIRECTORY BEFORE MAKING A TELEPHONE CALL SINCE ALL TELEPHONES IN YOUR EXCHANGE WILL GET NUMBERS BEGINNING WITH AN OFFICE NAME.

5 When placing a Long Distance call, be sure to give the operator the office name and the five numerals when she asks for the number.

6 Use the new directory after 1:01 A.M. Sunday and dispose of your old directory promptly.

HOW TO DIAL The New Phone Numbers

To dial the number MOntrose 6-9011, for example, dial M-O-6-9-0-1-1 . . . like this: Lift the receiver—wait for the steady hum-m-m of the dial tone—then

First, dial the letter **M . . .**

Then the letter **O . . .**

Then the numeral **6 . . .**

Then the numeral **9 . . .**

Then the numeral **0 . . .**

Then the numeral **1 . . .**

Then the numeral **1 . . .**

It's as easy as that.

J. L. SWITZER

Your Telephone Manager

WHAT DO BELLS SAY? For hundreds of years the ding dong of bells has been the signal for news. Right here at home the mellow tones of our church bells call folks to services or invite them to a wedding. Bells pealing ring in "The Happy New Year." Our door bells announce visitors and friends. But that bell we hear most—the telephone bell—can be the most thrilling of all. Its ring is exciting . . . maybe an old friend calling, someone planning a party, a new baby in the family. Whenever you have good news to share, chances are you announce it with the friendly ring of the phone because your phone's the quickest, most cheerful way there is to put folks "in the know!"

RIGHT ARM: Reference books are mighty handy when you want to know something—say like what's the biggest mountain in Canada. Well, there are all kinds of reference books, and one of the most valuable is one you use every day—the telephone directory. Its *white* pages save you time by avoiding wrong numbers . . . the *yellow* pages are an easy shopping guide of places to buy things. And the *introductory* pages give helpful information on how to get the most out of your telephone service. So, remember to keep your directory nearby when you phone—it's so handy.

FOR PROBATE JUDGE

If Elected I Favor and Would Work for the Following:

Changing the law so that candidates for membership on the County Board of Revenue and Control would be elected by the voters in the district they seek to represent; not in a county wide election.

Installing a competitive bid system for making purchases by the County. Trade in Shelby County where possible.

A reasonable raise in pay for County employees, so that they are all paid a living wage.

Regular paydays, twice each month for county employees.

Exertion of effort by the Probate Judge and the County Board to obtain industrial development of Shelby County.

Placing center line marking on County paved roads.

Giving an independent judicial decision on all questions involving legal issues addressed to the Probate Judge.

Mass Meeting Planned To Organize Thompson School Alumni Association

A mass meeting of Thompson High School graduates is planned for May 16 at 7:30 p.m. in the high school auditorium to organize formally a Thompson School Alumni Association.

Willard Reneau, president of the Class of 1937, originators of the idea for an alumni association, will preside. Constitution for the association is to be presented for adoption and election of officers is to be held, followed by brief committee reports and refreshments.

Twenty-nine alumni met Feb. 28 at the school to exchange reports on a letter sent to all alumni whose addresses were known. The letters asked alumni whether they approved of forming an association whose primary purpose would be providing a college scholarship fund for Thompson graduates.

Plans for the big meeting followed when response from the alumni indicated a real interest in forming the association. Idea for the alumni group originated with the Class of 1937 when they met and were honored at homecoming last fall.

Five committees were appointed and met briefly during the Feb. 28 meeting.

Plans for the May 16 event are being made by a committee headed by Mrs. Jean Pryor. Mrs. Voncille Carroll Jones served as secretary. Other members are Miss Rhonda Lacey, Raymond Jones, George Scott, Bobby Hinds, and Gloria Zuiderhoek Roden.

The scholarship investigation committee is to meet March 14 at the home of the chairman, Luther Nunnally, to set up rules for scholarship recommendations. Serving on the committee with him are Mrs. June Fulton Robinson, secretary; Tommy Patrick, Mrs. Ruth Kirby Naish, Miss Carolyn Posey, Mrs. Johnnie Rachel Daily, Luther Zuiderhoek.

The communications committee will mail a letter to all graduates announcing the May meeting and enclosing a card to be returned telling whether they can attend or not. Chairman of the group is Mrs. Rena Kite Kent; secretary is Mrs. Frances Nabors Duke. Other members are Miss Doris Brogden, Mrs. Iris Patton Goss, Mrs. Betty Busby Broadhead, Mrs. Annette Glass Cardwell, and Mrs. Peggy Peeples Genry.

Mrs. Pauline Scott Rogan is chairman of the committee to draw up a constitution and by-laws. Mrs. Lucille Scott Farris is secretary. Members are Raymond Naish, Mrs. Louise Walker Hoskins, Tom Harper, and Willard Reneau.

The nominating committee is headed by Herchiel Dunlap, with Mrs. Margaret Nash Montgomery serving as secretary. Other members are Bob Broadhead, Douglas Kent, Joel Lovett, and Mrs. Sue Wyatt Lacey.

COACH FRANK LIGHTFOOT

College To Have Baseball Team

Alabama College will field its first intercollegiate team with the beginning of the baseball season.

A tentative schedule was announced this week by Frank Lightfoot, assistant professor of health, physical education and recreation, and baseball coach.

Equipment was issued to the 25 boys who reported for practice Tuesday.

"I haven't seen any of the boys play yet so I don't know about their ability, but according to the questionnaires they filled out some of them have a good baseball background," Coach Lightfoot said.

"In the first few days of practice I have seen a lot of hustle," Lightfoot said. "I expect to see a lot more," he added.

The coach said one of the key factors in having a winning team is desire to play.

"To make our team each one is going to have to want to play winning baseball," he said.

The tentative schedule is as follows:

April: 7, Howard, there; 11, Marion, there; 15, Jacksonville, there; 18, Florence, there; 19, Southern Union, there; 29, Southern Union, home.

May: 2, Troy, there; 5, Marion, home; 6, Howard, home; 9, Florence, home; and 14, Jacksonville, home.

"Due to the fact that our field may not be ready, we are scheduling on a home and home basis with the understanding that we may cancel the home games if our field is not ready," Lightfoot said.

He said that an attempt is being made to schedule the games away as double-headers "so we can play two games with each school even if our field is not ready for play."

In announcing the college's entry into the field of intercollegiate sports, Dr. Howard M. Phillips, president of the college, said, "intercollegiate sports must be a part of the over-all educational program."

A Message to the People of Shelby County, Alabama

I should like to take this opportunity to extend my sincere appreciation to the people of Shelby County for their expression of confidence in me as Clerk of the Circuit Court, evidenced by no opposition to my candidacy for this office in the primary election to be held on May 6, 1958.

The fact that I have drawn no opposition for this office of public trust, will make me even more diligent in my efforts to efficiently and promptly discharge the various duties this office carries, so that my record will, at all times, fully justify the honor you have conferred on me by allowing me the privilege of serving you for another term.

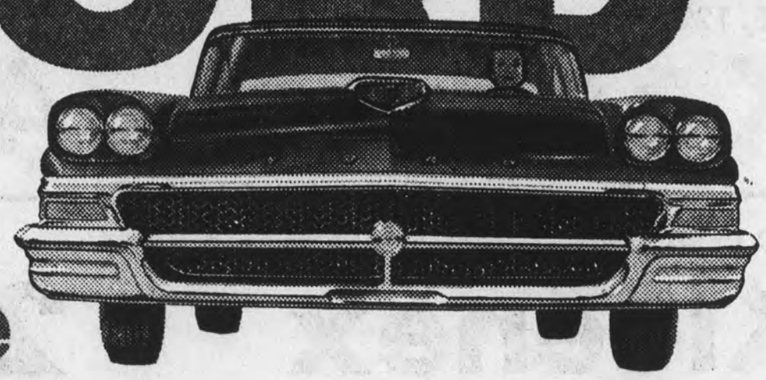

I assure you I shall always remain grateful for this expression of your approval of my administration of the office of Circuit Clerk, and I shall continue to conduct this office in a manner that will always reflect credit on Shelby County.

Sincerely yours,

ALEX HAYES

Alex Hayes Seeks Senatorial Post

In announcing as a candidate for the State Senate in the 15th Senatorial District (Autauga, Chilton and Shelby counties) Mr. Alex Hayes, business man of Clanton, gives the following information about himself in an interview with The Times-Herald.

"I was born and reared in Clanton, the youngest son of the late Dr. and Mrs. J. P. (Si) Hayes; brother to Dick (Chevrolet dealer) and Jack (a former major league baseball player, and Tax Collector of Chilton County). I am 42 years old, married, and have four children. I own and operate the Chilton Office Supply Co., in Clanton.

"I graduated from Gulf Coast Military Academy and later attended the University of Alabama until 1940 when I joined the Air Force and served as a pilot until 1945.

"My main objective in the Senate will be to serve the people of our District to the best of my ability, keeping always in mind the interests and welfare of the people.

"I will try to expedite the best educational program possible, both in facilities and decent pay for the teachers.

"I will help to speed the Coosa River development which means so much to our area.

"I will advocate a raise in our old folks pay up to the national scale, which at present we are much below.

"I am very much opposed to our present alcohol control, which is, without a doubt, our biggest political football.

"I believe in unions, and plan to support the working man in any way that will lighten his load.

"Being in a farm district, I promise to support our farmers and cattlemen in any legislation that would benefit them.

"Every effort will be made to see and talk with you before the Primary on May 6."

Concluding his statement, Mr. Hayes naturally added that he will appreciate the support of the voters of Shelby County and in all the 15th District.

An Indication of Not Enough
HOUSEPOWER

You can't expect enjoyment of your modern electrical appliances when you use "octopus" sockets! They are unsightly — the tangle of wires is inconvenient. They make it easy to plug in more appliances or lamps than a circuit is designed for, so fuses may "blow" or your radio, television and other appliances may not function properly. Lights go dim when appliances start. In fact, some appliances and motors can be damaged by *too little housepower.*

Enough Housepower In Your Home Means That--

1. Lights and appliances get the correct amount of electricity. Lamps give full illumination; television and radio sets function properly; toasters, roasters, irons and other appliances operate at the temperatures you expect; motors operate efficiently.
2. You can use electrical equipment where and when you want it, arrange furnishings as you wish and always find an outlet handy. You can use several appliances at the same time and can add others as needed.
3. You have no dangerous tangles of extension cords to trip over.
4. Your home will be up-to-date electrically and easier to live in, or easier to sell or rent.

Ala College Library

National Library Week, Mar. 16-22

Montevallo Town Library will join with other libraries over the nation in observance of the first National Library Week, March 16-22.

Emphasis is being placed on what the library offers and what it can do for every citizen of any age. The vital need for a better read, better informed America is stressed.

One of the most important objectives is development of new community support for the local library and a greater interest in reading.

The American Library Association and the National Book Committee are among the national organizations cooperating with this initial library week. Hugh Comer is state chairman for Alabama.

The pleasure of reading as a leisure time activity is of vital importance. Books can be a great contribution to career advancement. The sources of information in printing form which help to make sound judgment and wise decisions establishes the public library as a "community university" free for the using.

In the fabric of a nation the public library is an essential thread. Remember to keep that thread taut with use: browse, borrow, read. Hours the Montevallo Town Library is open are: 3:00 p.m. to 5:00 p.m. Tuesdays and Thursday and 12 noon until 2:00 p.m. Saturdays.

State Farm Mutual Increases Margin Of Leadership

State Farm Mutual nearly doubled its margin of leadership in the U.S. auto insurance industry during 1957, according to year-end figures announced today by Bill Weston, local agent for the State Farm companies.

Total 1957 earned auto premiums were $318,093,395, which led the second-place carrier by $53,700,000. State Farm's underwriting gain was $1,165,852, and surplus to protect policyholders was increased by $6,700,355. Total earned premiums amounted to $326,133,601 reflecting a 20 percent increase over 1956. The Bloomington, Ill., firm is in its 16th year as the number one U.S. auto insurer, Weston said.

The year's higher accident rate boosted State Farm claims expenses 17.4 percent to $254,048,706.

ROSCOE L. KIMBRELL

FUNERAL SERVICES HELD FOR MR. KIMBRELL

Funeral services for Mr. Roscoe L. Kimbrell of Calera, age 43, were held March 14 at the Rock Spring Church, conducted by the Rev. Jack Watts and the Rev. Little. Burial was in the adjoining cemetery.

Mr. Kimbrell was killed Tuesday after falling 165 feet from a railroad trestle where he was at work with a repair crew at Trafford.

He is survived by the wife, Mrs. Bertha Bowdon Kimbrell; 1 daughter, Pearline; his father, L. H. Kimbrell; 2 brothers, Otis and Adkins Kimbrell; 1 sister, Mrs. Beatrice Brackin, all of Calera.

Pallbearers were Ernest Smith, Grady Barefield, L. B. Chandler, B. Venable, H. M. Merrell and W. E. Carden.

Cub Scout Banquet

The Montevallo Cub Scouts are having their annual Blue and Gold banquet March 21 at 6:30 p.m., at the Methodist Church. They are celebrating their 48th birthday.

The main center piece is a big tier birthday cake. A yellow and blue color scheme will be used.

Main events of the evening will be the "Live Wood Derby Race". Each Cub Scout has carved his racer out of a block of wood. The boy's racer that wins will receive a prize.

The guest list includes 89 names and the out-of-town guests are Mr. and Mrs. Cecil Weller, Tuscaloosa, and Mr. Conrad Fowler of Columbiana.

Program at Pelham

There will be a program at Pelham Elementary School Saturday night, March 22.

The P.T.A. will serve plates from 11 o'clock a.m. till 2 p.m. and beginning at 6 p.m. at $1.00 each.

Candidates to both state and county offices have been invited. You will have an opportunity to see them and hear brief talks by each.

Change In Sunday Mail Schedule

Beginning Sunday, March 23rd, outgoing mail will be dispatched from the Montevallo Post Office Sundays and holidays, at 8:30 a.m. instead of 9:45 a.m.

Mail must be deposited in the Post Office by 8:00 a.m. to make this Sunday dispatch. This is the only dispatch on Sundays and holidays from Montevallo.

County To Receive Road Paving Bids

County engineer J. L. Ray Jr., says that on April 11 bids will be received for the construction of three reinforced concrete bridges, 17.4 miles of bituminous resurfacing; 14.3 miles of bituminous pavement on the Alabaster-Simmsville-U.S. 280 highway and Spur from Pelham to the Simmsville Road; 14.2 miles of other county bituminous paving. The approximate cost of these projects will be $208,000. Federal Aid Secondary and State Funds are being matched by Shelby County to effect these much needed projects.

Mr. Ray adds that the recent sustained freeze has considerably damaged many of our Shelby County paved highways. This has been particularly true on those highways having foundations with fine grain sand and silt components. It is necessary to use local materials for foundation courses in order to hold the cost of this type construction within allowable limits. A sustained freeze and moisture condition of the kind we experienced does not occur but about once in some 25-50 years, hence it would be uneconomical to design higher type foundation courses to guard against such a condition. Also, a freeze and moisture condition such as we have just experienced is extremely damaging to the rural roads that are unsurfaced, causing many soft spots to develop upon thawing. The highway department is endeavoring to make remedial repairs as quickly as facilities will allow.

MESSAGE TO CHILDREN WHO RIDE BUS 88

I want to thank each one of you for being good children. I shall always think of you as my boys and girls. Wednesday March 26th. 1958 will be my last trip. May God bless and keep each of you.—J. H. Johnson.

HUGH SIMS

Sims Continues On Campaign For Crime Prevention Program

Know Your Candidate, Know His Record, Know What He Stands For . . .

In seeking re-election I refer you to my platform I gave to you four years ago. I have never wavered from it. I continue as the same man with the same platform.

HERE IS MY PLATFORM AS YOUR SHERIFF:

1. GOOD DEPCTIES
   I will obtain the best men possible to serve as deputies—men of good character—honest, sober and recommended by the people of the communities in which they live.

1. GOOD DEPUTIES
   These men must attend periodic training courses in order that they will know the best ways to enforce the laws and properly protect the people of our county. A badge and a gun does not make a good law enforcement officer.

3. FAIR LAW ENFORCEMENT
   I promise FAIR enforcement of ALL laws for ALL people. THERE WILL BE NO FAVORED FEW.

4. CRIME PREVENTION
   The sheriff's office must maintain CLOSE CONTACT with EVERY Community in the county in order that trouble spots may be quickly eliminated.

5. 100% COOPERATION
   I promise complete cooperation with the Solicitor's Office and will quickly investigate all complaints.

My record shows that a vote for HUGH SIMS May 6, will be a vote for honest, decent and fair law enforcement in our county.

I earnestly solicit your consideration and vote on May 6

Thank You,

HUGH SIMS

Southern Bell's Annual Report Shows Expanded Service, Higher Expenses

The Southern Bell Telephone Company added 472,000 telephones to its system in 1957, according to its Annual Report which was received here today. At the end of the year, Southern Bell had 5,830,000 telephones in operation—three times as many as 12 years ago.

An average of over 37,000,000 local calls and nearly 900,000 long distance calls were made daily in the nine state area, largest number in any year.

Activity was brisk throughout the year—almost 1,699,000 telephones were installed, some 1,227,000 were disconnected and more than 534,000 were moved from one local address to another.

The report, made for the Company by President Ben S. Gilmer, was released in Montevallo by Manager J. L. Switzer.

In Alabama, the report showed, the number of telephones increased 54,953 in 1957, a gain of 9,694 more than in 1956. At year's end there were 606,000 telephones in services in the 91 Southern Bell exchanges in Alabama.

There were 6,943 Southern Bell employees in Alabama with an annual payroll of $28,600,000, the Report reveals.

During 1957 Southern Bell's construction program for additional service and improvements throughout the company territory amounted to over $1,000,000 for each working day—or $297,000,000.

The Report states that there was a steady increase in the number of business and residence extension telephones installed this year in harmonizing colors. Extension telephones accounted for 17 per cent of the total telephones in service. More extension telephones were placed in homes than in any previous year.

The company paid almost $135,250,000 in 1957 federal, state and local taxes, almost $16,400,000 more than in 1956. These taxes averaged $2.93 per telephone per month including federal excise taxes which averaged 83 cents per telephone per month. This federal excise tax does not apply to other utility services.

Southern Bell's 70,000 employees received wages totalling $286,000,000, almost $20,000,000 more than in 1956.

"The prices we are currently allowed to charge for services do not reflect the full effect that inflation has had upon us. Our earnings during the year were lower than those of business generally in the states we serve and are too low if we are to maintain good service, improve it, be in a sound financial condition and justify the capital expenditures necessary to carry out the expansion of facilities required during the next few years," the Report said.

MUNROE HUSBANDS

Unitarianism Is Subject of Address

Munroe Husbands, continental Fellowship Director for the American Unitarian Association, will give a public address on "Who Are These Unitarians?" at 8:00 p.m. Thursday evening, March 27, in Reynolds Dining Room on the Alabama College campus.

An open discussion period will follow.

"Religion and science can work side by side in harmony," Husbands states, "but only when both are dedicated to a continuous search for truth. Should science declare that it had all truth, "known or to be known," its progress would abruptly stop. Neither can religion remain static in a changing world.

In his talk Thursday night, Husbands will trace briefly the history of the Unitarian denomination, explain why it has insisted that no creedal test or statement be made for membership, point out the many humanitarian movements that have been instigated by Unitarians, and describe the religious education program for children. The American Unitarian Association looks forward to the establishment of a Unitarian Fellowship in this community. All interested persons are cordially invited to attend.

A Critical Year for the Red Cross

This is a critical year for the American Red Cross. Its reserves have been wiped out by the great disasters that have buffeted the country during the past two years. Now it is faced with the gargantuan task of maintaining and even expanding its varied humanitarian services and at the same time rebuilding these reserves, which will be needed in the event of any great national calamity.

It is important that each one of us recognizes our responsibility in helping the Red Cross toward its 1958 membership and fund goal. Through its blood program, disaster, armed forces, veterans, first aid, water safety, school and other services it probably plays a more important role in the lives of more Americans than any other non-governmental agency.

If a disaster should strike this community, the Red Cross would be here. When blood is needed to save a life, the Red Cross is here. When adults and youngsters want to acquire the skills of swimming, life saving, small craft handling, home nursing and mother and baby care, the Red Cross is here. And when our sons or husbands in the armed forces need help, the Red Cross is there.

The point that should be emphasized here is that we make these free services possible. We are the Red Cross—every one of us—and it is to our advantage and to our community's advantage that we keep the Red Cross strong and on the job for us.

SHORT ITEMS

The executive committee of Montevallo F.F.A. has nominated candidates for chapter officers. Outgoing president, Charles Thompson, served as the chairman of the nominating committee and the following nominees are to be voted on this week:

For president, Tony Birchfield, Kent Salter; for vice president, Gary Thompson, Billy Joe Herron; for secretary, Jery Lawley, Troy Mims; for treasurer, Buddy Majors, Bobby Smitherman; for reporter, Terry Daviston, Randy Wooley; for sentinel, Pete Hughes, Gary Goggins.

The runner up for president will serve as assistant adviser and the chaplain will be appointed. M. Thornton, teacher of vocational agriculture is automatically the adviser under the constitution of the organization.

* * *

Three application have been sent in from Montevallo for the cherished State Farmer Degree award this summer. The applicants are Tony Birchfield, Kent Salter, and Keith Salter. The summer F.F.A. convention for F.F.A. delegates has been set for the first week in June at Auburn this year.

* * *

M. Thornton, our adviser, enjoyed an evening with the Fox Hunters Association last Saturday evening when delicious chicken barbeque was served all those attending. The meeting was between Maylene and Helena. Mr. Thornton also paid a visit to Siluria school where the scouts there were interested in raising funds to build a scout cabin.

* * *

Gene Milton Reid and two judging teams from Montevallo will go to Auburn April 5 to participate in the district F.F.A. contests.

Bobby Nolen and James Earl Davis are editing script and recording it to accompany the showing of color pictures made of some FFA activities in Montevallo.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Plans for curbing floods on the Tombigbee River and its tributaries moved one step nearer realization last week with House passage of a public works authorization bill. Funds in the amount of $19,199,000 were included in the bill for the Tombigbee flood control project.

The authorization measure adopted by the House differs from a similar bill passed earlier by the Senate, and a conference committee has been assigned the task of working out a compromise.

The first attempt to gain congressional approval of a flood control project for the Tombigbee River Valley area was made in 1939, but it was not until 1956 that Congress passed authorizing legislation. However, the 1956 bill was vetoed by President Eisenhower. Some predict the President again will veto the authorization bill when it reaches his desk, but as yet he has not definitely stated that he will do so.

Channel Clearing

Plans for improving the Tombigbee River and its tributaries call for clearing the channels of snags, debris, and drift jams, and excavating channel cutoffs and enlargements, as well as clearing scrub growth from along the banks. These improvements are expected to curb the floods which frequent the valley area and often cause costly damage to farm lands, businesses, and homes.

Two of the tributaries of the Tombigbee River are partially located in the Sixth Congressional District. The Sipsey River flows through Tuscaloosa and Greene Counties, and the Noxubee River flows through Sumter County to join the Tombigbee just above Gainesville.

FHA Loans Available

The Department of Agriculture announced last week that Bibb, Greene, Hale and Sumter Counties have been declared disaster areas and are being designated as eligible for emergency loans through the Farmers Home Administration. This designation was based on the heavy damage to crops which was caused by excessive rainfall last September and the recent cold weather. The other four counties of the Sixth District were placed on the disaster loan list last November.

These emergency loans can be applied for at the local offices of the Farmers Home Administration.

Fire Destroys Mail

A fire which occurred near Gainesville, Ga., in a railway postal car on February 18th either destroyed or damaged a large amount of United States mail, including a number of letters orginating in Alabama. According to a report I received from the Post Office Department, many pieces of mail were damaged beyond recognition.

Since I have received several badly burned letters from thie shipment, there is reason to believe that other mail addressed to my office was completely destroyed by the fire. Therefore, if any of you wrote to me around February 17th and to date have failed to receive a reply, please let me know.

Visitors

We enjoyed a visit last week from the Rev. James H, Chesnutt and Mr. James Davis of Montevallo. They were in Washington attending the Methodist Citizenship Seminar.

Unpaid Taxes Are Now Delinquent

Mr. L. C. Abbott, Tax Collector of Shelby County, makes the following statement which may be of interest to the public, especially those who have not paid their property taxes:

"Taxes became due on October 1, 1957, and delinquent on January 1, 1958.

"It is now time to close the 1957 tax year, and to that end, I will proceed to send out notices on April 1 to those delinquent, to appear before the Probate Court to show cause, if any they have, why the property assessed should not be sold for taxes, fees and costs.

"More than the usual number of tax payers have failed to pay the 1957 tax. This, I imagine, is due to the hard times we are going through, with so many people being without jobs."

Mr. Abbott concludes his statement by saying: "I urge those who have not paid to make every effort to settle with the tax collector at once. Please help me to keep down the number of tax sales and avoid for yourself the extra cost entailed."

Mr. Abbott is one of the best public officials we have. In fact, we would say that he bears the distinction of being one tax collector whom everybody loves and admires. He really tries hard to make your tax problems as little and undisturbing as possible.

Don't forget the study course at Calera Baptist Church each night this week.

Those attending the graduation of Barney Champion Jr., at Auburn, were Mr. and Mrs. Barney Champion, Barbara and Joe Middlebrook and Mrs. James Ivey of Birmingham; Mrs. Paul Rogan, Mary Catherine and Don.

Miss Frances Woods leaves on Monday for Saudi, Arabia. She has a position with the Bectol Corporation.

B. L. (Pat) PATRICK

Patrick Runs For Revenue Board

Mr. B. L. Patrick of Westover is a candidate for the County Board of Revenue in the Fourth District of Shelby County. He was a visitor in Montevallo one day last week. When interviewed by The Times-Herald relative to his candidacy, Mr. Patrick gave us the following information about himself and his campaign platform:

"I have been employed by the Tennessee Coal, Iron and Railroad Co. for 33 years. I am a native of Alabama and have resided at Westover for eleven years. I am a member of Prospect Baptist Church, chairman of the board of deacons and church treasurer. In 1948 I organized the Chelsea Masonic Lodge No. 886 and was installed as the first master. In 1950 I organized the Hixie Anna chapter No. 490 Order of the Eastern Star and was installed as the first Worthy Patron.

"This is the first to offer myself a candidate for public office, but I have an earnest desire to serve the citizens of District 4 and Shelby County as a member of the Board of Revenue. I, like hundreds of citizens of District 4, know the conditions that exist concerning roads in our District, and if elected I want to pledge myself to the people of District 4 and Shelby Co. to divide equally in every community of my District good roads. I promise to strive to chert driveways when needed instead of every four years as the practice is now. I promise to be vigorous, enthusiastic, and ambitious and will go all out to bring new industry to our county. I promise to strive to install the competitive bid system for making county purchases.

"I am in favor of classifying every occupation skilled, semi-skilled or labor and raise their pay accordingly.

" I will support and co-operate with our county hospital and hospital board.

"I am in favor of painting every vehicle assigned to the members of the Board of Revenue or any county official a conspicious color, with his name and the district or department he represents painted on the side so they will be easiy recognized when and where they are seen .

"I want to urge upon every voter, especially the voters of Districts 1 2 and 3, to consider the citizens of District Four when helping to select a commissioner for their District."

FOWLER

FOR PROBATE JUDGE

If Elected I Favor and Would Work for the Following:

Changing the law so that candidates for membership on the County Board of Revenue and Control would be elected by the voters in the district they seek to represent; not in a county wide election.

Installing a competitive bid system for making purchases by the County. Buy in Shelby County where practicable.

A reasonable raise in pay for County employees, so that they are all paid a living wage.

Regular paydays, twice each month for county employees.

Exertion of effort by the Probate Judge and the County Board to obtain industrial development of Shelby County.

Placing center line marking on County paved roads.

Giving an independent judicial decision on all questions involving legal issues addressed to the Probate Judge.

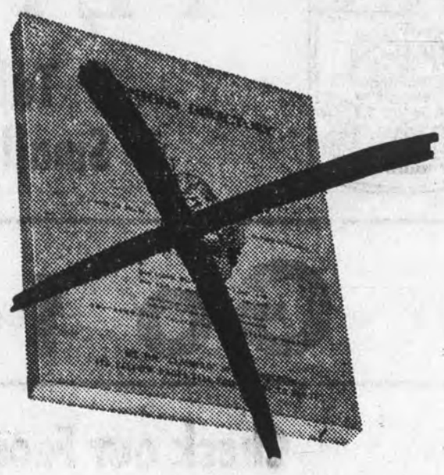

I Will Be Grateful to You for Your Vote and for Your Active Support

Maytag dealers Johnnie Jones, Automatic Gas & Appliance Co., Sylacauga; Leon Clardy, Radio Hospital, Montgomery, and E. C. Forbus, King & Furniture Co., Alexander City; C. J. Tuggle, Montgomery, Maytag Southeastern Co. regional manager, and dealer James Whaley, Whaley Furniture Co., Montevallo, (left to right), look over a display of early Maytag washers while on a tour of production facilities during a visit to the Maytag Co. headquarters in Newton, Iowa, March 12. More than fifty Maytag dealers from Georgia, Alabama and south central Tennessee, winners of a recent sales contest conducted by the Maytag Southeastern company, Atlanta, Maytag distributor in this area, toured the plants where Maytag wringer and automatic washers and dryers are manufactured. The dealers, accompanied by the sales staff of Maytag Southeastern, headed by Norman G. Olsen Sr., president, flew to Des Moines by chartered DC-7 airliner and made the 30-mile trip to Newton by bus. The delegation, wearing top hats and string ties, carried a Confederate flag.

Alpha Nu Chapter Meets at Vincent

State and national economic and social legislation was the topic discussed at a recent meeting of the Shelby County Chapter of the Delta Kappa Gamma Society at the March 13th meeting at Vincent. Mrs. Nannie Dee Durden, legislative chairman, was the leader. Much interest was manifested in the legislative program of the Alabama Education Association for the next biennium, 1959-61. The five-point National Education Association's legislative program was also presented and explained.

In addition to Mrs. Durden, other members who attended were Mrs. Fanny Hinds, Mrs. Leona Wilder, Mrs. Hildred Nichols, Mrs. Myrtle Perry, Miss Alyce Harris, Mrs. Margaret Youngblood, Mrs. Rebecca McGaughy, Mrs. Mary Kroell, Miss Nona Sparks, Mrs. Charlotte Peterson, Miss Beatrice Kunstler, Miss Anita King, Miss Minnie Dunn, Mrs. Sarah Walker, Mrs. Loretta Head, Mrs. Wilma Elliott, Mrs. Myrtle Johnson.

ELVIN HILL

Elvin Hill Wants To Help Schools

Elvin Hill, principal of Shelby County High School in Columbiana is a candidate for the office of Superintendent of Education in the May primary. In announcing his candidacy Mr. Hill said: "I have a sincere desire to be of greater service to the schools of Shelby County." Mr. Hill came to Columbiana 16 years ago to begin his work as teacher of vocational agriculture. After 12 years he was promoted to the place he now holds, principal of the high school.

He has served as president of the County Teachers Association, as president of the Kiwanis club, is a member of the City Council and the Park and Recreation Board.

Mr. Hill is a Mason, and has served as Worshipful Master of his lodge. He is a leader in Boy Scout work and is a member of the First Baptist Church of Columbiana.

Mr. Hill feels that his experience in school work, along with his interest in the work fits him to serve the people as superintendent of their schools. He pledges himself to give the best service of which he is capable.

THANK YOU NOTE

Vincent Inaugurates Conversion to New $52,000 Dial Telephone System

Vincent has converted to a new and more modern dial telephone system installed by the Southern Bell Telephone Company at a cost of $52,000. The modern dial phones will also serve surrounding communities including about 70 families in the Vandiver-Sterrett area which are receiving telephone service for the first time.

The area was previously served by dial equipment housed in a leased building in Vincent. The new building is located just outside the city on U.S. Highway 231 and Alabama 25.

J. L. Switzer, local manager for the Telephone Company, said all telephone numbers have been changed to include the prefix TUcker 4 plus four additional digits. He said to dial, for example, TUcker 4-1234, a customer would dial T-U-4-1-2-3-4.

Called the "2-5" numbering plan (two letters, five digits) the new system is part of the Bell System's nationwide plan to speed long distance service.

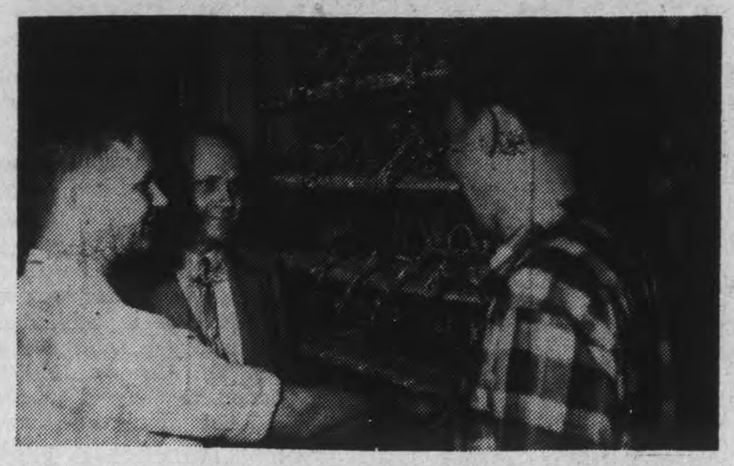

Cutover to the new system was made on March 16, and the occasion was marked by Vincent Mayor Jimmy Sharbutt making the first call. He talked with Mrs. A. W. Tucker, widow of a former mayor of Vincent who approved the ordinance in 1903 granting Southern Bell a franchise to operate there.

The new dial system is completely automatic and will require no operators.

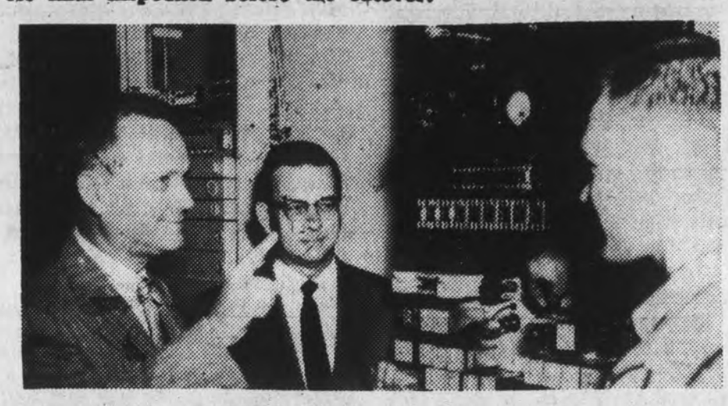

THE FIRST CALL over the new dial system was made by Mayor Sharbutt to Mrs. Lula Tucker, widow of former Vincent Mayor A. W. Tucker.

FINAL INSPECTION—P. D. Meadows, Southern Bell switchman, Mayor Jimmy Sharbutt, and P. G. Wingard, equipment installer for Western Electric, are gathered around a central office frame for final inspection before the cutover.

SIGNAL FOR CUTOVER—Mayor Sharbutt is shown giving the signal for Jimmy Mixon, Southern Bell frameman, to throw the switch for the conversion. Company manager J. L. Switzer looks on.

DR. KATHERINE VICKERY

Dr. Vickery Will Preside At Kappa Delta Pi Meet

Dr. Katherine Vickery, chairman of the psychology department at Alabama College, will preside at the 21st biennial convention of Kappa Delta Pi, national education honor fraternity, in Chicage March 20-22.

Dr. Vickery is executive president of the organization. She will deliver a principal address entitled, "How Shall We Face The Future?"

Kappa Delta Pi recognizes both men and women "who give promise of intelligent leadership in teaching or other forms of educational service."

Dr. Vickery was elected executive president in 1953 to fill the unexpired term of the late Dr. Frank L. Wright. She has since been elected to two more terms.

Kappa Delta Pi has 215 institutional and 11 alumni chapters with a membership of more than 138,000.

Tolbert To Give Concert in Mobile

Bruce Tolbert of the music faculty of Alabama College will present a joint concert with Frances Freeman Martin at Murphy High School, Mobile March 20.

The concert will be presented in the school auditorium and will be sponsored by the high school choir and the Mobile Opera Guild.

Both Tolbert and Miss Martin will sing solo numbers. In addition, they will perform the short comedy opera, "The Telephone," by Menotti.

Mrs. J. F. Spain and Mr. and Mrs. A. T. Ryan left Wednesday for Laguna Beach for ten days.

Mr. and Mrs. Cliff Boyd from Gainesville, Fla., were Monday guests of Mr. and Mrs. W. C. Gray. Tuesday Mr. and Mrs. Lawrence Posey of Ocala and Mr. and Mrs. Omie Cost were dinner guests.

Alabama College Alumni To Have Luncheon

The Alabama College Alumni Association wil hold its annual AEA luncheon Thursday, March 27 at 12:30 p.m. in the Terrace Ball Room of the Tutwiler Hotel, Birmingham.

Dr. Howard M. Phillips will speak to the alumni about his plans for Alabama College for the coming years.

In charge of local arrangements and reservations for the luncheon is Mrs. R. R. Miree, Birmingham. She is president of the Jefferson County chapter of the association.

Mrs. R. V. Smith, Birmingham, newly elected president of the association, will preside at the luncheon.

"The luncheon is held annually during AEA for all Alabama College Alumni," said Helen Newton, the association executive secretary.

Bruce Tolbert, assistant professor of music at Alabama College, will present a musical program.

Thompson Organizes Projection Club

Organization of a projection club and purchase of two sets of portable blackout curtains are projects of the visual aids group of Thompson School's teacher in-service training program.

In the process of formation now, the projection club is to be open to boys from the eighth grade up, who are interested in learning how to operate the visual aids equipment.

It is hoped that enough boys can be trained so that next year there will be one or two available each period in the day to put up and take down the portable curtains, and set up and operate projection equipment. Purpose of the plan is to free teachers from the time-consuming mechanical jobs connected with using some visual aids materials.

Brackets are to be put into eight rooms so that the blackout curtains may be moved around as they are needed.

Mrs. Clemmie Bradley is chairman of the visual aids group.

Tolbert To Sing at Rotary Club Ladies Night

Bruce Tolbert, assistant professor of music at Alabama College, will present a musical program at the Montevallo Rotary Club's Ladies Night Banquet on March 27.

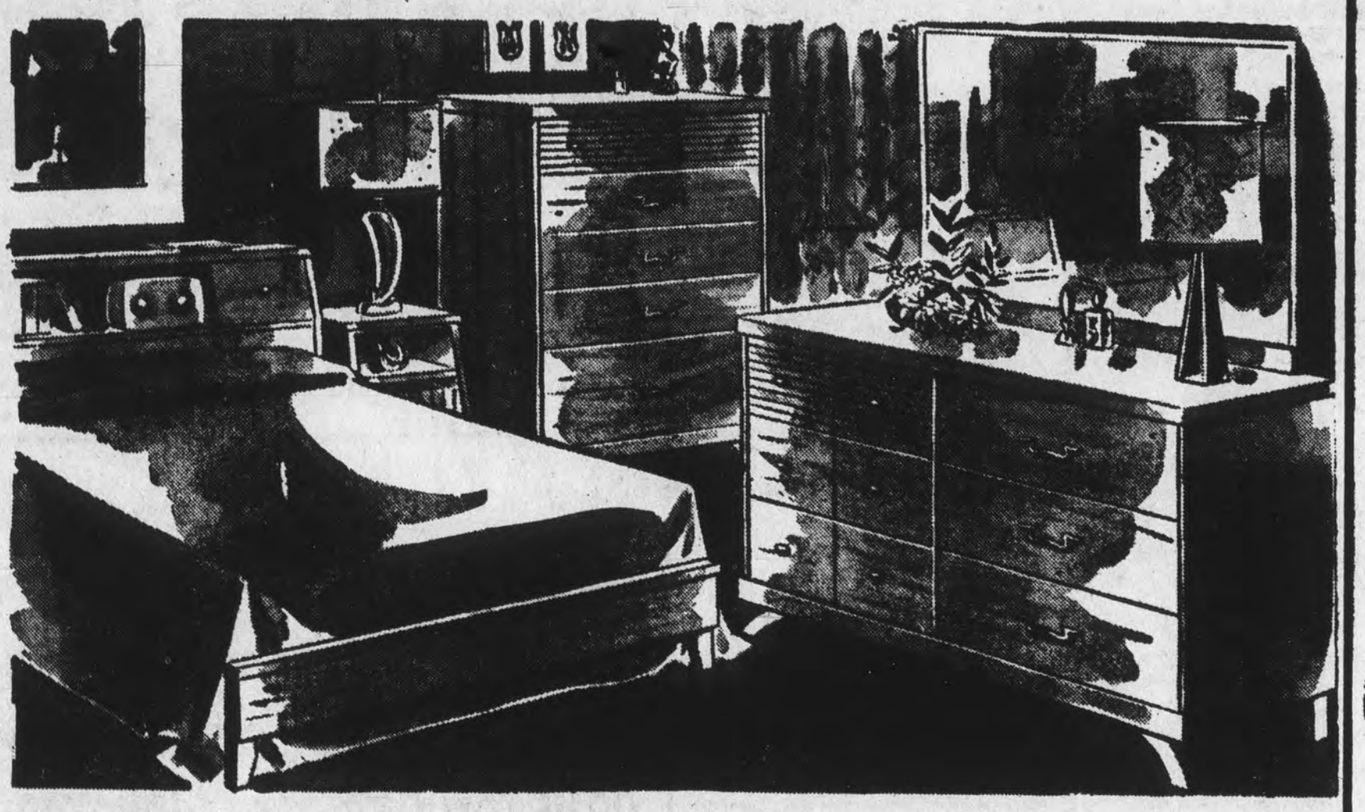

The banquet will be held at the College Dining Hall.

The program will include: two Irish songs, Danny Boy and Macushla; two spirituals, Deep River and Shadrack; three Neopolitan Italian songs, Rimpianto (Serenade), Mattinata ('Tis the Day), La Danza (The Dance).

Other selections on the program will be Old Mother Hubbard, My Lady Walks in Loveliness, With a Song in My Heart, and If I Loved You.

Montevallo Bank Increases Capital

In order to make possible a more extended and comprehensive service to the people of this area, and to meet the ever-growing needs of the community, the officers and directors of the Merchants and Planters Bank have authorized an increase of the capital stock of the bank from $25,000.00 to $50,000.00. This announcement was made this week by Mr. J. P. Kelly, Cashier of the bank.

Some further interesting figures on the bank's very substantial financial status were given by Mr. Kelly. He said the bank's surplus fund is $100,000.00, and the bank has undivided profits of $80,000.00.

Present deposits in Merchants and Planters Bank total over $2,100,000.00, and the bank's total assets are more than $2,350,000.

"A Home Bank for Home People has been our motto in the past," said Mr. Kelly, "and we are glad we are able to carry on into the future with a larger, sound and substantial application of that motto for the convenience of our friends and customers throughout the growing area of Montevallo."

COPPEDGE AND SEARS ON TV

Walter Coppedge and Ralph Sears, both of Alabama College, will be featured in a half hour telecast over channels 10, 7, and 2 Friday afternoon at 3 o'clock to explain new trends in public relations.

FFA OFFICERS—Left to right: Bobby Smitherman, Troy Mims, Pete Hughes, Tony Birchfield, Kent Salter, Gary Thompson, Terry Daviston, Keith Salter. Back row, left to right, other class members of Chapter Farmers: Billy Herron, Randy Woolley, Gary Goggins, M. Thornton, James Bright, Jerry Lawley and Buddy Majors.

FFA Chapter Elects Officers

The Montevallo Chapter FFA elected officers last week. This year the chapter has over 100 members and is one of the few chapters on the state honor roll.

Elected to serve the chapter as officers this year are:

Tony Birchfield, president; Gary Thompson, vice president; Terry Daviston, reporter; Troy Mims, secretary; Bobby Smitherman, treasurer; Pete Hughes, sentinel; Kent Salter, adviser; Keith Salter, chaplain.

Three of the officers, Kent Salter and Tony Birchfield have made application for the state farmer degree which they expect to receive at Auburn at the state convention in June.

The chapter awards were made at the annual meeting with parents last Friday night at which time presentations were made to the following:

B. W. Hamric, honorary chapter farmer of 1958; Gene Reid, county corn growing, tractor driving and farm safety awards; Ben Harrison, farm electrician; Edwin Fancher, cotton growing; Keith Salter, farm mechanic; Kent Salter, chapter farmer of 1958; Tony Birchfield, dairying award; Wayne Anderson, home improvement and Jim Potts, public speaking.

On April 5, Montevallo Chapter will have two judging teams and the county tractor driver winner competing at Auburn for district awards.

College Awards Scholarships

Top honors scholarships to Alabama College have been awarded Leila Stewart, Aliceville; Carl Horne, Louisville; Martha Brasfeild, Theodore; and Thomas Quan, Birmingham.

They received scholarships covering full fixed charges for the freshman year. They cover room, board, laundry, and college fees.

Four scholarships were awarded covering one-half fixed charges. Winners were Lois Strickland, Section; Carlton Edwards, Kinston; Beth Lusk, Scottsboro; and Joe Gordon Van Matre, Deatsville.

These students may also have the scholarships renewed for an additional year.

Those receiving $100 scholarships for their freshman year were Katherine Lavender, Prattville; Mary Louise Simms, Emelle; Ellen Daniel, Verbena.

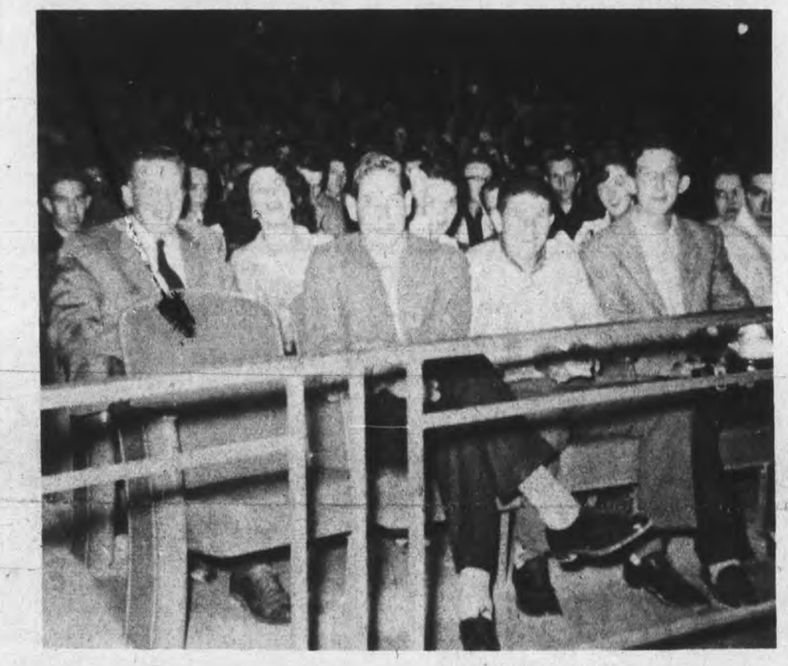

Emory Spencer Clements, Greensboro; Richard Robinson, Montevallo; Leroy Swanned, Athens; Janice Clark, Huntsville; Mary Ann Scott, Jemison.

Robbie Tarrant, Birmingham; Ned Alan Lowery, Jemison; Cecil Morris Weaver, Birmingham; and Robert Stoddart, Magnolia Springs.

Receiving physical education scholarships of $250 for the freshman year were Tommie Lou Waldrop, Bessemer; and Mrs. Virginia Yocum, Talladega.

CLEAN UP CALERA

Mother Nature has been doing a good job of cleaning up all this month. She has sent the rains to wash away the winter grime, and the wind to blow the dead limbs from the trees. Have you also done what you could to clean up our town? A stick with a nail in the end of it is a big help to pick up the papers that are thrown out by the litter bugs. Let's show our love for Calera by giving her plenty of tender loving care.

D. O. Students Attend Convention

Students from the Diversified Occupations class of M.H.S. recently attended the Northeast District D. O. Convention held at Jacksonville Ala. The group from Montevallo took an active part in all phases of the convention. Fred Jones of the Senior class and Nelda Jean Scott of the Junior class were the official delegates to the convention and represented Montevallo in all club business conducted at the convention including election of club officers for the coming year.

This was the first year that the D.O. club from Montevallo participated in the several contests of the annual convention. The group placed third in the skit contest with a highy entertaining skit titled "The Three Aces". Jim Potts competed in the oratorical contest and after an excellent showing was eliminated on a technicality. Frances Morgan reached the finals in the "Miss D.O." contest and Wayne Anderson made an equally good showing in the "Mr. D.O." contest.

"MISS CHS"

Ann Honeycutt, a sparkling blue-eyed beauty, has been crowned "Miss CHS", at Calera High School.

Miss Honeycutt is the daughter of Mr. and Mrs. Clarles Honeycutt of Calera, and has one brother, Bobby.

Thirty girls competed for the crown. The girls appeared in formals and were judged on poise, personality, and beauty. Judges were senior college students from Alabama College.

Ann, a 16 year old sophomore at Calera High is a Majorette, member of the Glee Club and FHA.

CENTRAL LODGE NO. 70

At a regular meeting of Central Lodge No. 70, F. & A. M., on April 1, at 7:30 p.m., on behalf of the Grand Lodge of Alabama, we will present to Dr. T. H. Napier and Mr. S. J. McGaughy, a 50-year membership pin. We urge all members to be present. — C. H. Chism, Worshipful Master.

Political Rally Is Set at Vincent

The allied clubs and committees of East Shelby County are sponsoring a gigantic political rally and chicken dinner in the Vincent school building on Saturday, April 19, at 6 p.m. This rally is expected to attract hundreds of people who want to hear and see the candidates who are seeking office. All candidates have been invited and will be given opportunity to present their platforms to the voters.

In the event of an overflow attendance, which is expected, loud speakers will be provided.

Tickets are now on sale in the communities of East Shelby—Harpersville, Vincent, Calcis, Westover, Creswell and New London. The proceeds of the rally will be used by the East Shelby Little League baseball clubs. Tickets are $1.50 each.

The public is invited to attend, eat dinner, hear the candidates, and help promote the youth of our county.

CALERA CIVITAN MEETS

The Calera Civitan Club met on Tuesday night at Calera Cafe.

The meeting was called to order by the president, Z. S. Cowart Sr., who gave the invocation.

Bill Quillian gave a report on Boy Scout activities.

The Club has asked the Association for Mentally Retarded Children for a speaker for next meeting.

Cub Scouts Have Annual Banquet

Pack 59 of Montevallo Cub Scouts entertained guests and parents at their annual Blue and Gold Banquet March 21 at the Methodist Church. Table decorations and a large birthday cake were blue and gold. The Scouts made many of the decorations.

Guests of honor included Mr. Cecil Weller, District Executive, Black Warrior Council, Tuscaloosa; Mr. Conrad Fowler, Cubmaster, Pack 60, Columbiana; Mr. Tom Potts, Scoutmaster, Troop 59, Montevallo; Mr. Bobby Baker, President Lions Club, sponsor; Dr. and Mrs. E. P. Lauderdale, representatives from Lions Club; Rev. and Mrs. James Chesnutt of the Methodist Church.

Mr. Hubert Lucas, committee chairman, introduced Mr. Louis K. Birinyi and Mr. Joseph Meyer, new assistant Cubmasters. Mr. Birinyi acted as master of ceremonies in the absence of George Nix, Cubmaster.

The opening ceremony included invocation by Rev. Edward Glover and the pledge of allegiance led by George Nix Jr.

Awards were presented to the following Cub Scouts by Mr. Weller: Clay Nordan, wolf badge; Joe Meyer, bobcat pin; Johnny Vail, bobcat pin; Danny Bearden, lion's badge denner strip; Gregory Ballentine, assistant denner strip; Bonard Hamric, gold arrow; Leon Lucas, gold arrow.

Tommy Nix, newest Cub in Den 2, will receive the bobcat pin at the next meeting in April.

A skit on Alaska was presented by Den 3, led by Mrs. Hubert Lucas and Mrs. B. W. Hamric Den Mothers.

The climaxing event of the evening was the Pinewood Derby. Competition was keen, as each Cub Scout had carved a racer of wood. Joseph Meyer Jr., and Clay Nordan won first and second places. Den 2 won the award for Den competition.

A plaque Cub Scout Promise was accepted by Mrs. Louis K. Birinyi for Mrs. George Nix.

Rev. Chesnutt closed the festivities with prayer.

FHA-FFA Chapters Have Chicken Fry

The Montevallo FHA—FFA chapters entertained their parents, honorary members, faculty members, and other guests at a chicken fry in the school cafeteria on Friday evening, March 21. This annual event is planned partially as a means of carrying out the "Families Together" project which is a part of the state and national program of work, and to announce the winners of FFA awards.

Tommie Ruth Mowery and Jim Potts served as overall co-chairmen of the event. Gibbie Scott, president of FHA, welcomed the guests. The response was given by Mr. J. Frank Baker.

A delicious supper consisting of fried chicken, slaw, spiced apples, potato chips, ice cream and cake was served. An interesting program followed the meal.

The program began with a song by David Johnston, Alabama College freshman and recent winner in the P.T.A. talent contest. The Dreamers, Jackie Blakely, Langley Tolbert, Martha Whaley, and Pattie Sue Galloway also furnished entertainmment as they sang "Party Doll" and "Catch A Falling Star".

The emblem ceremony of the Future Homemakers of America was presented by Judy Bess Robinson, Mary Williams, Betty Milstead, Gisela Molgedei, Carolyn Hyde, Noralene Johnson, Phyllis Kyser, and Janice Waters.

Mr. M. Thornton, FFA adviser, presented the county public speaking award to Jim Potts, FFA president, who then presented awards to the following:

Gene Reed — County Tractor driving contest.

Tony Birchfield—County Dairying Contest.

Gene Reed—County Corn Growingg Contest.

Edwin Fancher—County Cotton Growing Contest.

Honorary membership in the Montevallo FFA chapter was presented to Mr. B. W. Hamric.

A talk, "Man and His Potentialities", was given by Jim Potts. This was followed by a talk by Buddy Day, who spoke interestingly about his foreign travels.

Clint Johnson Is Candidate for Board

Clint S. Johnson, a resident of Sterrett, has qualified as a candidate for member of the Shelby County Board of Revenue and Control District Four.

Mr. Johnson was born and reared in Shelby County. He is married and has one son and daughter, and also belongs to the Beulah Baptist Church at Sterrett.

He is secretary of the Woodmen of the World, Camp 1646 which is located at Columbiana.

Mr. Johnson says:

"I am most interested in better mail and school bus roads, farm-to-market roads and to be fair and just to all our great people in Shelby County. I also want a reasonable raise in wages for county employees so they are paid a living wage with regular pay days twice a month.

"If I am elected, I will do my best to carry out the wishes of the people of Shelby County to the best of my ability. I will appreciate your interest and consideration on May 6."

E. C. Dyas Jr., of Mobile spent the week end with his daughters, Mrs. J. F. Blakely and Mrs. Phillip Kyser at their homes, Crestview Drive.

BARBARA FINDLEY HONORED WITH TEA SHOWER

Miss Barbara Findley, daughter of Mr. and Mrs. B. A. Findley, whose marriage to Mr. William H. Miller of Clanton will be an event of Friday, March 28, at 8:00 p.m., at Calera Baptist Church, was honored with a miscellaneous tea shower Saturday, March 15, at the home of Mrs. W. W. Godfrey, with co-hostesses as follows: Mesdames Lloyd Busby, W. R. Askins, Milford Lee, Robert Hilyer, J. Frank Baker, George Spencer Jr., Roy Downs. C. D. Cowart.

Mrs. Godfrey greeted the guests and presented them to the honoree and her mother and the mother of the groom-to-be, Mrs. William Miller.

Miss Linda Godfrey registered the guests in the bride's book. She then directed the guests into the dining room where they were served tea and coffee by Mrs. J. Frank Baker.

Mrs. Roy Downs, Mrs. George Spencer, Mrs. W. R. Askins and Mrs. Milford Lee assisted in serving cake, mints and nuts.

The guests were shown into the gift room where the gifts were displayed by Mrs. Lloyd Busby and Mrs. Robert Hilyer.

FUNERAL OF ED C. COLBURN

Funeral services were held for Mr. Ed C. Colburn, 43, brother of Mrs. W. W. Godfrey, in Norwood March 18.

Mr. Colburn was a veteran of World War II and the Korean War. He served under General George Patton. He had received several medals of honor, among them the Presidential Citation, the Good Conduct Ribbon, the Bronze Star, the E.T.O. ribbon with six battle stars.

Mr. Colburn was born in Columbus, Miss., but had lived in Birmingham for several years. He never married.

Mr. Colburn had visited Calera several times since his sister moved here several years ago.

SPRINGTIME COLORS: It's the season for the buds on some of the trees and bushes around here to begin to show their colors. Right in tune with Nature are the new extension phones in delicate pastel shades: aqua blue, rose pink, light beige, light gray, and white. (We still have cherry red, yellow, moss green, and ivory, too!) They're all pretty as they are practical. Even the cords match! And since a lot of you will be painting and papering come spring, why not select extension phones in lovely springtime shades to match or contrast with your new decorating colors. For further details, just call our Business Office.

HANDWRITING EXPERT: Seems like everywhere you look today machines are getting almost smarter than people. Right now at Bell Laboratories they're developing a little machine—'bout as big as a portable typewriter —that can read and identify handwritten numbers. One day we'll be using it right here in our telephone office to record Long Distance numbers automatically. That'll mean saving a lot of extra work and cutting down costs. It's nice to know little machines like this are constantly being developed by telephone folks to help keep costs down and speed up service. It's one way we help keep your telephone the big bargain it is today.

LOVE THAT PHONE . . . Proud as a two-year-old honey child should be, isn't she? Answering the phone for the very first time. Whether you're going on two or half past forty, your telephone brings a heap of pleasure and satisfaction. (There's even something exciting about its ring!) For fun, for friendship, and for more good livin' than you can shake a stick at — just reach for your phone.

RICHARD ROBINSON

Richard Robinson Wins Honor Scholarship

Richard Robinson, MHS senior, was awarded a $100 tuition scholarship in the recent Alabam College Honor Scholarship competition.

According to Richard this grant will be used to begin work at Alabama College this fall where he plans to major in math.

CHEVY'S NEW V8 LEVELS THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

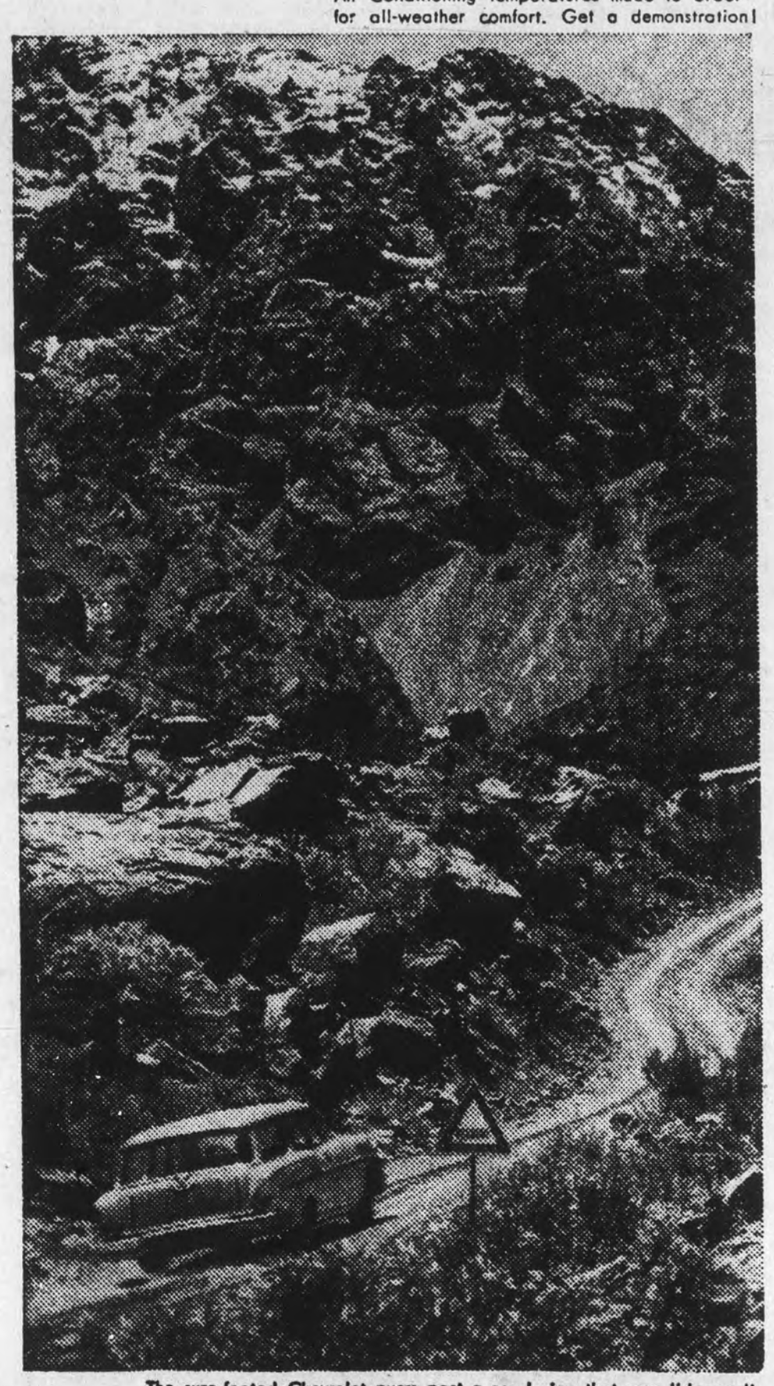

To prove the durability of Chevrolet's radical new Turbo-Thrust V8,* the tremendous flexibility of the new Turboglide transmission,* the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world — the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 2½ miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!

Red Letter Day For Calera Home Ec. Class

Tuesday was Red Letter Day for the Calera High School Home Economics Department, according to Mrs. Avaline Childress' home economics teacher.

Mrs. Childress stated, "The new washer and drier has been delivered and installed." This is the last of the big pieces of equipment needed to bring the department up to standard, she said.

Along with the delivery of the washer and drier the Alabama Power Co. also placed in the department four of the latest models of Hotpoint Electric stoves and electric refrigerator.

Plans are being developed to make other improvements in the Home Economics Department, it was pointed out.

Throughout the school students and faculty members have been busy making improvements.

Recently the second electric drinking fountain was purchased and installed. Plans are being formulated to secure one or more electric fountains for the elementary school.

Three classrooms, and library have had their appearance changed by a new coat of paint. The lunchroom was also done over from top to bottom.

The music department has a project under which to purchase a new Baby Grand Piano. Approximately five hundred dollars has been raised and according to Ben Carlton, music director, this project will be completed soon.

Mr. and Mrs. Robert Holcombe of Mobile were week end guests of their parents, Mr. and Mrs. Robert Holcombe Sr.

Orr Is Candidate For Committee

Dr. M. L. Orr Sr., of Montevallo has announced for one of the eight places from the Sixth District for member of the Alabama State Democratic Committee.

Dr. Orr has been a citizen of Shelby County and Montevallo for the past 36 years. He has been identified with the church, political, educational, and civic life of the town and county during these years. For the past twelve years he has directed the March of Dimes Drive in Shelby County and has directed the raising of over $50,000 in the county for the fight against polio. He has spent much of his Christmas vacation and spare time working with this drive. He is a deacon in the Baptist Church, a Shriner, and has voted the Democratic ticket all his adult life. He was born and reared in a Black Belt County in Alabama, Bullock, and is very familiar with the needs of Alabama.

Let us give Dr. Orr a tremendous vote in Shelby County. Shelby is not one of the larger counties in the district, and he will need a commanding majority from Shelby County in order to compete with candidates from much larger counties in the district.

Calera Eagles Win Pre-Season Game

In a warm-up game here last Friday the Calera Eagles drove home three runs in the first inning to take the lead over Montevallo and never gave it up. Even though the Bulldogs managed to tie the score at five in the fourth inning, the Eagles, by way of another three run inning, the sixth, went on to take the decision 8-7.

Bobby Parks and Walter Ingram shared mound duties for the Eagles, with Parks going the first three innings. In his pitching stint, Parks allowed two hits, walked five, and fanned two, while the Bulldogs collected three hits and three walks off Ingram in four innings. Ingram sent five down the K route.

Going the distance for Montevallo, Ronald Smitherman gave up eight hits and three walks. He struck out five of the Eagles.

Larry Gay, lead-off man for Calera, was the game's top hitter, He banged out three for four, all singles. Bobby Loftin had a home run in the top of the second for the winners.

Smitherman and Danny Thornton for Montevallo each had one for two; and in one bat apiece, Barclay Fisher singled and Curtis Jarvis doubled. Leslie Harrison had a double for three trips to the plate.

This match, scheduled as a practice game, does not count in county competition.

ELLIOTT'S RECORD OF PUBLIC SERVICE

His candidacy for Probate Judge merits your careful consideration.

1. Woodrow W. Elliott has an excellent record of twenty-six years of faithful service to the people of Shelby County.
2. He is recognized as being impartial in his dealings with the people of Shelby County and all decisions rendered by him as a public servant have reflected the desire of the people of our County.
3. He is recognized as a skillful business man through his efficient expenditure of nearly a million dollars per year of the taxpayers' money for the past six years. His record of public service during the past six years substantiates his excellent administrative ability as follows:

a. It has not been necessary for the Board to borrow a penny during his administration, yet a bonded debt of one-half million dollars prior to his administration has been reduced by $200,000.00.

b. He has paid all employees' salaries in full and on time.

c. He has made all purchases on sealed or negotiated bids thereby saving the people of Shelby County thousands of dollars per year.

d. He has made purchases from Shelby County people where merchandise was available and quality and price competitive.

e. He has paid all bills when due, taking discounts to save money to be spent for the benefit of the children of Shelby County.

f. He has been commended by the examiner of accounts on each audit of his office during the past five years covering the expenditures of nearly five million dollars.

g. He has worked closely and cooperatively with the Board, keeping them informed of all matters pertaining to the business of our schools.

h. He has furnished valuable and aggressive leadership in all phases of our County's activities, helping to provide a better county for all citizens.

These things are a matter of record of work performed by Woodrow W. Elliott. This record of performance proves the interest that Woodrow W. Elliott holds for the welfare of the people of Shelby County. This record of performance merits your earnest consideration of Mr. Elliott's candidacy as your next Probate Judge. Promises of things to do are one thing, a record of things done is another. Let's get behind a man who has a record of public service established and who is desirous that you elect him to the high office of Probate Judge so that he will be in a position to do a greater service for his people. Let's elect Woodrow W. Elliott as the next Probate Judge of Shelby County.

Hear Elliott explain his program on Radio Station WBYE, 1370 on your dial, at 12:35 p.m., beginning Saturday, March 29th, and each Saturday thereafter through May 3rd at this same hour.

Your vote and influence in his behalf will be appreciated.

Senior Class To Present "Harvey"

For a delightful evening join the Montevallo High School Seniors, April 10 at Palmer, as they present their annual Senior Play. This year the play is a zany three act comedy entitled "Harvey."

Harvey and Elwood P. Dowd are the best of friends. In fact, they are almost inseparable. If you think this is nothing unusual, you apparently don't know what Harvey is. He is a six-foot white rabbit. The plot revolves around Elwood; Veta, his sister; and Myrtle Mae, his niece. They have quite a few interesting experiences with two psychiatrists. In the end, everybody thinks the whole family has bats in their belfries.

The plot is developed as the following characters make their appearances: John Walters as Elwood P. Dowd, Marguerite Fullman as Veta Louise Simmons, Pat Waters as Myrtle Mae Simmons, Frank Thiemonge as Dr. William Chumey, Joss Blakely as Dr. Lyman Sanderson, Lou Morris as Miss Johnson, Jolna Huckabee as Mrs. Ethel Chauvenet, Ann Poole as Ruth Kelly, Ann Birchfield as Betty Chumley, Richard Robinson as Judge Omar Gaffney, Johnny Greene as E. J. Lofgren, and Bobby Nolen as Duane Wilson.

The various committees are just as important as the cast. The committees are as follows: Lighting: Melton Eady, Thomas Lawley, Gene Reid, Terrell Lucas, Fred Jones, Edwin Fancher. Programs: Pat Galloway, Phyllis Holcombe, Ann Poole, Joan Genry, Pat Allen. Costumes: Brenda Allen, Inez Horton, Sally Broadhead, Martha Ann Edge, Virginia Williams. Staging: Leroy Winslett, Jerry McNeel, Milton Terrell, Clifford Lawley, Sammy Acker, Leslie Harrison, Charles Houlditch, Jimmy Smith. Properties: Pat Allen. Lillie Pearl Carlee, Gail Broadhead. Tickets: Frances Morgan, Lillie Pearl Carlee, and Billie Sue Henson. Advertising: Sammy Acker, Wayne Fulgham, Grover Hayes, Jimmy Knowles, Gene Reid, Betty Ann Winslett, Elizabeth Norris. Sound effects: Leslie Harrison.

Let's all go out and lose ourselves in a make believe-world with the seniors of Montevallo High School.

NINA'S PLACE

Miss Nina Harrison's new cafe located in the building known as Kroell's store is open for business. Lunches including meats and vegetables, and Sunday dinner are being served.

Organization of Scouts Planned

A campaign to organize Boy Scout troops in several Shelby County communities was launched by a group of scouting enthusiasts at an organizational dinner in Columbiana, March, 26.

Called the "Together" plan by Field Executive Cecil Weller, the program is designed to place several new troops in operation simultaneously. Thus the new scouts will find others facing similar experiences and problems, and can face these "together".

Scout Executive, Edgar Christpher introduced the inspirational speaker Kenneth L. Oliver, Memphis, who is deputy Regional Scout Executive, B.S.A.

Three teams were organized to reach 13 scout-less communities, Aldrich, Pelham, Camp Branch, Mt. Signal, Chelsea, Fourmile, Shelby, Harpersville, Vincent, Westover, Underwood, Wilton and Elliottsville.

Team captains are Carlos Warren, Calera, "White" team; L. L. Barton, Alabaster, "Green" team; and H. M. Gordon, Columbiana, "Red" team.

Executive Weller and Cahaba District Chairman, Francis Leonard pointed out to volunteer workers that Shelby County has only 150 Scouts at present, although there are around 1200 prospective Scouts in the county.

Scoutmasters are: Potts, Montevallo; Pickett, Pea Ridge; Brister, Columbiana; Head, Columbiana; Whitter, Wilsonville; and Jenkins, Calera, are taking part in the development drive.

Potential sponsoring groups from each community will be invited to attend a "Together" dinner April 14, at Columbiana.

David Lindsay Chapter To Meet Monday

David Lindsay Chapter, DAR, will hold its April meeting on Monday evening, April 7, at the home of Miss Eloise Meroney, honor roll chairman.

Mrs. Mary H. Whatley and Mrs. Charles L. Gromley will give their reports as delegates to the DAR State Conference in Mobile, March 27, 28, and 29, at the Admiral Semmes Hotel.

The local chapter was awarded a state standard of excellence ribbon during the Mobile meeting. David Lindsay was honored also when the Alabama DAR Officers Club elected Mrs. W. H. Lyman treasurer.

Mr. and Mrs. A. C. Anderson vacationed in Panama City this week.

Circus Plays in Calera April 12

Even though they "double in brass" with the big show—that is, they are actors and workers, too, the elephants are the most even tempered and obliging creatures on the lot, and that does not except any of the human troupers, either.

When the Ring Brother Circus comes to Calera, Saturday, April 12 across from the depot, under the sponsorship of Calera Lions Club, the elephants will be seen in the dawn's early light pushing and pulling the heavy cages and wagons into their proper positions.

Along about noon the elephant will get their hour or so of rest before doing their ring trappings for the afternoon performance. Another rest, and they become actors again, only too soon, to lay aside the buskin and start work once more lining up the loaded circus caravan for the run to the next show town.

During the strenuous and seemingly endless day there is no protest on the part of the elephants. They are amiable and willing at all times, whether working or performing. They are great creatures these "ponderous pachyderms", and they have great hearts too. They are circus troupers.

The Ring Brothers proudly present a pleasing show that is a delight to old and young alike.

Two performances will be given at 3:00 and 8:15 p.m., with doors opening one hour early to allow time for visits to the managerie and Kiddie show, and snake and reptile den.

Study Club Sponsors Red Cross Drive

The Montevallo Study met Tuesday at the home of Mrs. M. L. Orr Jr., with Mrs. L. E. Kirkland co-hostess. Mrs. Paul Rogan reported on the Montevallo Red Cross Drive, sponsored by the Study Club. A total of $653.53 was collected. Mrs. J. F. Baker, delegate, gave a report on the Legislative Council of the State Federated Women's Clubs which met at Alabama College recently.

Mr. Conrad Fowler, guest speaker for the meeting, talked on Alabama Law governing family affairs.

Miss Harriett Kendrick spent a few days of Spring Vacation with friends in Panama City, Fla.

Funeral Is Held For Mrs. Cassie Triplett

Mrs. Cassie Triplett age 96, passed away at the residence March 26th after an illness of 5 weeks.

Funeral services were held Sunday, March 30th at 2 p.m. at Corinth Methodist Church, at Shelby Springs, with burial in Summer Hill Cemetery. Bolton of Columbiana in charge.

Officiating were Bro. Ezra Allred and Rev. Seyars.

Survivers are 1 foster son, James Frank Collum, 1 sister-in-law, Mrs. C. C. Ray, 1 aunt, Mrs. Amendy Hand, 10 nieces, 8 nephews, 20 great nieces, 19 great nephews, large number of great-great nieces and nephews.

Pallbearers were nephews, Charles and Hobson Butterworth, Clyde, Norman, O. D. and Ralph Collum.

Town Library Receives Support

The Montevallo Town Library has had encouraging support from many local citizens through donations of books to the permanent collection of the library, announces Miss Lucille Griffith, Library Board Chairman.

Because of these donations more shelving has been made available through the Town Council as well as monetary contributions from individuals.

The library board members will be glad to pick up any books you might have in your personal library that you wish to donate to the town library. Paper backs will also be appreciated.

During the month of March the Montevallo Town Library averaged a weekly distribution of 133 books. Open only six hours each week, the Library Board feels this shows a gratifying use of the library facilities. During the summer months an increase of weekly distribution is anticipated as the school libraries will not be available to the students.

Funeral Services Held For Mr. Henry Little

Funeral services were conducted last Wednesday for Henry Little, 78 retired Southern Railway conductor and longtime resident of Wilton.

Mr. Little died in a Selma hospital Monday. Services at the Wilton Methodist Church were conducted by the Rev. Marion Corley.

Surviving Mr. Little are his wife, Rosa Curry Little; two sons, Herman C. Little and Will H. Little, and a sister, Mrs. Alice Mae Ambrose, all of Wilton.

Burial was at Montevallo Cemetery.

PATTY TALLEY, Demopolis, is being sponsored by the Alabamian, Alabama College student newspaper, in Glamour Magazine's "Ten Best Dressed" contest. If Patty is selected as one of the ten best dressed coeds in America, she will be photographed at Alabama College for the magazine. Winners of the contest will be flown to New York where they will stay at the Waldrof Astoria Hotel.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The House of Representatives last week approved two important appropriation bills for fiscal year 1959. The first of these provides $6.5 billion for seventeen independent agencies of our government, including the Veterans Administration. The other contains an appropriation of almost $3 billion for the Department of Health, Education and Welfare.

Livingston Post Office

Included in the Independent Offices Appropriation Bill were funds for the construction of 66 federal buildings originally authorized under the government's lease-purchase program. One of the proposed structures is to be located in Livingston, Alabama, and will cost an estimated $267,000.

Communities considered for federal buildings under the original lease-purchase program were those where the federal government owned lots. The Livingston site, purchased priod to World War II, is the only eligible Sixth District location.

If both the Senate and the President approve the proposal of the House of Representatives to finance these 66 federal buildings by direct appropriation rather than by lease-purchase contracts, funds for the Livingston project will be available during the next fiscal year.

Military Pay Raise

In 1956 President Eisenhower appointed the Defense Advisory Committee on Professional and Technical Compensation. The chairman of the committee was Ralph Cordiner, President of the General Electric Corporation. After studying the military manpower problem for more than a year, the Cordiner Committee issued a detailed report. The report contained recommendations for a revised compensation plan designed to retain trained personnel in the armed services.

Last week the House of Representatives passed a military pay bill which follows in principle a number of the Cordiner recommendations. Approved on a 366 to 22 roll call vote, the measure provides proficiency pay raises averaging 12.5 per cent for officers and 8.4 per cent for enlisted men.

The House-approved bill is intended to provide adequate remuneration for the skills, the experience, the maturity, and the responsibilty assumed by service personnel who must be familiar with the modern weapons system. It is hoped that the adoption of the measure will increase the enlistment rate and, at the same time, retain in the military services a much higher number of skilled personnel than heretofore has been the case.

The bill has been referred to the Senate where hearings are now underway on similar legislation.

Hildreth Hartley Seeks State FHA Presidency

"Give Your Hearty Vote To Hartley For Her Heart Is Still In FHA" is the slogan chosen by Hildreth Hartley as she announces her campaign for State President of Future Homemakers of Alabama. Hildreth, the sixteen year old daughter of Mr. and Mrs. Odell Hartley of Leroy, Alabama is currently serving this organization as first vice-president and vice-president of the Southwest District. She is secretary of the Washington County organization. Hildreth holds her State Future Homemakers Degree and attended the national FHA meeting at Purdue University this past summer.

Very active in school activites, Hildreth is a member of the Annual Staff, Beta Club, cheerleader elect, and has been chosen by the faculty to represent her school at Girls State. She serves the Junior Class of Leroy High School as secretary.

The State FHA Convention will be held at Alabama College, Montevallo, the early part of June.

What Citizenship Is, And What It Means to Me

(The following paper won first place in the Junior Division for Boys of the oratorical contest sponsored by the Calera Civitan Club.)

By ZOLLIE S. COWART III

Every person has his own interpretation of citizenship. I would like to tell you what being a citizen means to me.

Mr. Webster defines citizenship as the status of being a citizen. To be a citizen, one must first owe complete allegiance to this country. By this, I mean that he must feel an obligation to loyally and willingly serve and help his country in time of peace as well as in time of war.

This is not only a duty but also a privilege. We, as students, have the privilege of serving our country in many ways. We may take advantage of our opportunities for education and prepare to serve more adequately as men and women. The education is a privilege. The proper application of our education is a duty.

Citizenship is an honor that may be achieved in many ways. First, it may be achieved by being born in these United States of America. It may also be achieved by foreigners who wish to drop all ties with their native and to pledge allegiance to the United State of America. Also, people who are born in the possessions of the United States, which consist of Alaska, Hawaii, Puerto Rico, and the Virgin Islands, are declared citizens by birth.

I base my concept of citizenship on my respect for The Four Freedoms which President Franklin Roosevelt outlined in 1941. The first of these freedoms is the freedom of speech and expression. This means that you may voice your opinions without fear of punishment as long as these opinions hurt no one unjustly. Opinions may be expressed concerning the government as well as anything else. These opinions may be expressed in print as well as orally.

The second freedom is the freedom of worship. This is the freedom of every person to worship God in his own way. We may choose our own religion and worship as we please without fear of punishment. There is no set or standard religion. Any man may worship according to his own beliefs, and no man is forced to accept the beliefs of another.

The third is the freedom from want. This is the freedom to have the opportunity to work and to keep one's-self from want. In other words, each citizen has the same opportunity as any other as long as he is wiling to work.

The fourth freedom is the freedom from fear. This means that a citizen may act without fear as long as he stays within the limit of the law. He may choose his own job, and he may quit his job when he chooses. He has many more choices and may heed only the voice of his own conscience as long as he respects the rights of others.

This is the basis for my idea of citizenship. The people of these United States of America are entitled to enjoy these freedoms. To me, being a citizen of the United States means that these are my freedoms, and I must respect them as well as feel entitled to them.

Thank you.

ELLIOTT for PROBATE JUDGE

W. W. ELLIOTT

If you elect me your Probate Judge, these things I promise to do:

1. The most important function of the Board of Revenue and Control is to improve the roads as fast as possible—I promise to make recommendations to this board that will get the people out of the mud and dust as quickly as possible, giving first priority to school bus and rural delivery routes.

2. Selection of the Board of Revenue and Control is a matter that does not address itself to the probate judge but is strictly a legislative matter. If elected to this office, I shall use my influence to carry the wishes of the majority of our people to our representative and assist in seeing that the legislation is passed to carry out these wishes.

3. I shall recommend to the Board of Revenue and Control that a retirement system be set up for employees of the road department who have given 25 years or more of service in that department.

4. I shall recommend to the Board of Revenue and Control that all purchases of material and equipment be made on a competitive or negotiated bid basis which has been a record with me as your public servant over the years.

5. I shall give cooperative leadership to the board in seeking a satisfactory solution to all problems that come before that board and apply the same basic business principles that I have in my past experience.

6. I promise to recommend to the board of Revenue and Contro that a thorough study be made of the employee wage scale and that raises be given, if possible, in relation to services to be rendered by each employee, the services to be rendered to the people, and the amount of revenue coming in each month.

7. I shall recommend to the Board of Revenue and Control that all county vehicles and equipment be painted an appropriate uniform color with proper markings for indentification.

8. I will request that the person whom you elect as your representative pass the necessary legislation to place the probate judge's office on a reasonable salary rather than to continue it on a fee basis as it now is and to place the saving therefrom in the treasury of our county for expanded services. This action shall be taken at the first time that it can be legally done under the constitution and the laws of this state.

9. I shall exert every effort at my command to combat juvenile deliquency with fairness and impartiality in our county as presiding officer of the juvenile court.

10. I shall serve all the people in all matters coming before the probate office of our county with kindness, fairness, and impartiality.

11. I promise that if elected as your probate judge, that immediately after assuming the duties of that office, I will take steps to organize a Shelby County Chamber of Commerce with representation from every community in our county for the building of a better county.

Your vote and influence will be greatly appreciated.

Hear me discuss this program every Saturday at 12:35 on station WBYE, 1370 on your dial.

Education's Role In National Welfare

America's educational system plays an important role in national welfare, Dr. Howard M. Phillips, president of Alabama College, told the parent-teachers group of the AEA last week.

Dr. Phillips addressed the group at their Wednesday night meeting in the Terrace Ball Room of the Tutwiler Hotel, Birmingham.

"The degree to which the intellectual, emotional, and spiritual capacities of the people are developed for constructive purposes is the most significant index of national strength.

"Hence the effect of the educational system is crucial to the national welfare and even, in times like these, to national survival," he said.

"Today, American education is confronted simultaneously with its greatest crisis, its most severe challenge, and its most remarkable opportunity," he said.

Dr. Phillips said that education in America " has moved forward too often on the basis of crisis."

"As a result, our frantic efforts more than sound planning, have enabled us either to survive or in certain cases to make forward strides" he said.

He told the parents and teachers that the danger in federal aid to education is that "excessive reliance upon it will have a tendency to weaken our initiative for self support."

"It can be demonstrated conclusively that federal support does not have to involve federal control.

"Federal support probably is the only source that can supply funds rapidly enough and in sufficient quantities to meet the urgent demands," he said.

Dr. Phillips told the group that it is impossible to train persons "during their limited school years" to fill all the positions that are now available.

"If business and industry, as they insist, really want better educated people, shouldn't they assume more responsibility for on the job training and for the restoration of more apprenticeship programs," he said.

A. C. Alumni To Have Luncheon

Alabama College's Shelby County Alumni Chapter will hold a luncheon meeting Saturday, May 3 at 12:30 p.m. at Vestavia Country Club.

The announcement was made by the chapter president, Mrs. Jessie McGaughy, Montevallo.

Guest speakers will be three Alabama College faculty members who will discuss vital services available to county and state educational programs through their departments at Alabama College.

Cards have been mailed to members for return to Mrs. Ashley Jeter, Sr., social committee chairman, 102 Vine St., Montevallo, for reservations. Any alumni who have not been contacted may make reservations by calling Mrs. Jeter or mailing in their reservations by April 15.

Each alumna of Alabama College holds an important role in the over-all function of their Alma Master. The college's administrative personnel needs your help and encouragement, your suggestions and cooperation. Keep abreast of Alabama College's present and future program by attending your chapter meetings.

Price of the luncheon is $2.25, including tax and tips.

Hamric Is Named Honorary Farmer

Montevallo FFA members unanimously agreed to select B. W. Hamric, English teacher at Montevallo High School, as the Honorary Chapter Farmer of 1958. Mr. Hamric was presented with the official membership certificate and seal at the annual meeting of members and parents last Friday evening at school lunchroom. Recognizing agricultural training and experiences as very important to a number of our students and knowing of the work of FFA, Mr. Hamric has always given his best support and cooperation in every way toward helping students as well as the chapter reach immediate and long-range objectives.

Although many of the students now engaged in a study of vocational agriculture and FFA will not become farmers, the experiences gained and the information acquired will no doubt prove helpful in many ways when students are faced with problems in later life. In order for many of the FFA and individual projects to be completed it is necessary that many people outside the organization understand and help with the program. Certainly the entire membership knows well that among those giving of their time and thought to progress of FFA, that Mr. Hamric is always ready and willing to cooperate and help.

Mr. Guy N. Milford was the Honorary Chapter Farmer of 1957 and continues in honorary membership of the local chapter. Throughout the ten years of Montevallo FFA more than 20 honorary members have been selected.

Nancy Duncan is sick at home with the measles.

Calera Is a Garden Club Town

"Beauty in all that surrounds us", is the goal of Garden Club members every where. If you have lost your awareness to God's beautiful world, drive out to the country side this spring and regain your appreciation and understanding of the flowery woodlands, as nature displays them. Surely our homes, yards and communities will be reflecting what we have learned by erasing all the ugliness about us and replacing with things of beauty.

Thompson QB Club Meets Staff

Fifty-eight members of the Thompson Quarterback Club met last week to hear Jerry Claiborne, assistant football coach at the University of Alabama, and to meet the 1958-59 coaching staff for Thompson.

Asst. Coach Sammie Daniels is moving up to the head coaching position, succeeding R. W. Bates, who resigned effective at the end of the year. Assistant coach in charge of basketball next year will be Buddy Rhodes, now a teacher at Helena, and the assistant in charge of basketball will be Jimmy Jones, who will be graduated from Livingston State Teachers College this spring.

Rhodes will be physical education teacher. Jones, who has played four years of football and baseball at Livingston and who is president of the Student Council there, will teach in the junior high school.

Three schedules of football will be carried out next year, according to the present plans, Coach Daniels told the club members. In addition to varsity games, several peewee and B team games have also been scheduled already.

Captain Tommy Durrett and Co-Captains Eddie Bentley and Bobby Peeples were also introduced.

Hank Spires, assistant captain of the Quarterback Club, presided in the absence of Capt. Fred Phillips.

Central Alabama Nursery

is now open to serve Shelby County with a

COMPLETE LINE OF NURSERY STOCK

We located our nursery on Highway 31, three miles south of Alabaster next door to Lacey Animal Hospital, which we felt would be convenient to all sections of Shelby County. Listed below are some of the varieties of plants we now offer:

Roses, Pittosporum, Gardenias, Hollies, Azaleas, Camellias, Sasanquas, Evergreens, Pansies, Larkspur, Petunias, Candy Tuff, Peat Moss, Plant Food, Fences, Grass Seed (by order)

We will have, as soon as possible, the following garden plants:

Onion, Cabbage, Sweet Potato, Pepper, Tomato, Strawberry

Fruit trees and plants of all kinds not listed above furnished upon request. We are in a position to fill orders for any stock not at the nursery within a week after the order is taken.

For those who are interested in a complete landscape of their grounds, we offer a do-it-yourself plan whereby we draw your planting plan and furnish you with detailed planting and maintenance instructions, and you do the actual planting yourself. We break such orders into two separate parts, if you so desire, delivering one in the spring and another in the fall. We also guarantee the stock sold on this basis for one year following the date of delivery, and will replace free of charge any plant or plants which should die within that period of time for any reason other than hard freeze after plants have begun to produce and grow in the spring.

We will accept orders by phone and by mail and offer free delivery service on large orders within a radius of thirty miles.

Prompter Justice

(An Editorial from the Centreville Press, March 20, 1958).

Are you tired of seeing cases tied up in our appellate courts for many months, and even years? Then vote "Yes" for Amendment No. 1 to be submitted in the election on May 6, 1958.

The legislature has presented to the people an opportunity to streamline our appellate system, and increase the efficiency of our courts.

Amendmment No. 1 would make our present Court of Appeals a Court of Criminal Appeals with final jurisdiction to dispose of all criminal appeals.

At present the Court of Appeals has jurisdiction in criminal appeals where the sentence is twenty years or less. Eighty-five per cent of all criminal appeals involve sentences of twenty years or less, and must go first to the Court of Appeals.

However, after the Court of Appeals has carefully considered the case, and again considered the appeal on application for rehearing, the appeal may be carried to the Supreme Court for another review. This double appeal system is productive of much delay. A litigant can gain many months and even years of delay by shuttling his case from one court to another.

This means of delay is open even to those who have pleaded guilty in a lower court. It is often used by those who can afford the costs involved. It is this very type whose cases should be disposed of with reasonable speed.

The Court of Appeals now has jurisdiction in civil cases where the judgment appealed involves one thousand dollars or less. The same means of delay now existing in our appellate system in criminal appeals also exists in civil appeals.

Certainly there is no reason why the smaller litigant is subject to this double appeals system, when the larger litigant can go directly to the Supreme Court in only one proceeding.

Upon passage of Admentment No. 1 all appeals in civil cases would go directly to the Supreme Court, and all appeals in criminal cases would go directly to the proposed Court of Criminal Appeals.

It is probable that some objections will be made to this amendment because it involves a change. Highly technical and unrealistic reasons can always be put forth against any change regardless of its merits. The positive benefits which would flow to our appeals system, and to the people, from the enactment of Amendment No. 1 are crystal clear.

The act to submit Amendment 1 was unanimously approved by the committees in the house, and in the Senate. Able lawyers were on these committees. The bill was passed in the house with only a hand full of votes against it, and it was passed in the senate without a single nay vote against it.

"Justice delayed is justice denied." All citizens of Alabama interested in a speedier disposition of appeals should vote "yes" for Amendment No. 1.

Vocational agriculture students are making a study of the way things used to be several years ago, then they study what has happened to change things and cause our present day problems. Following a study of these two areas, the students will make a forecast of what is to happen during the next 5 to 10 years. It has been possible to identify most of the problems currrently heard on news casts and television news programs.

Thompson Seniors Present Musical

A lively comedy with music is the choice of Thompson Seniors for their annual play Friday night, April 4, at 7:30 in the school auditorium. It is "Renovating Miss Emma," by Beulah Bailey Woolard.

Set on an ocean liner, it concerns four very modern young girls, accompanied by an unmodern chaperone, who are taking a trip to France. There is conflict between the chaperone and her party. The girls decide that they must do something about it, so the renovation takes place.

Several musical numbers plus a floor show full of music and dancing will add to the evening's entertainment.

Characters are the cabin boy, Bud Martin; Miss Emma, Gail Farris; Betsy Baum, Betty Jean Owens; Jocelyn Smith, Nancy Thomason; Miriam Hill, Barbara Reeser; Marie Frasier, Jane Brett, Captain Jenkins, Lyle Roach; Bob Akers, Cecil Glass; Allen Reynolds, Tommy Wynn; Warren Meyer, Martis Warren; Jimmy Andrews, Norman Wilson. The can-can girls are Pat Crumley, Doris Lovett, Linda Holcombe, and Pat Davenport.

The play is being directed by Mrs. Edward Dyer and Ned Cary, senior class sponsors. Mrs. Jim Curtis is directing the musical numbers.

BAND NEWS ITEMS

Sara Jeter, daughter of Mr. and Mrs. A. C. Jeter who plays bassoon in the Montevallo High School Band, attended the All-State Music Festival at Tuscaloosa on March 24, 25, and 26. In competition for positions Sara won first chair in the Red—or first Band, and also played in the All-State Orchestra. She has studied bassoon less than a year—starting last summer, but had previously won medals in saxophone.

Shelby All-County Band

Ten Montevallo Band members played in the Shelby All-County Band which had the honor of giving a half hour concert preceding the first session of A.E.A. on Thursday morning, March 27th. Members and directors feel that the All-County Band has made a fine contribution toward increased interest in music throughout the county—having played concerts in all high schools during the month of March.

Montevallo Band Concert

The Montevallo Band is preparing a concert to be given at Palmer Hall on Wednesday night, April 16th. The program will include marches, standard overtures, concert numbers and popular rhythms. Feature numbers will be a trombone solo by Jimmy Seagle (newly elected Student Council President), and special numbers by the clarinet choir and brass choir.

Turnock Visits Philadelphia

Mr. E. H. Turnock, Manager of Electrode Engineering for the Westinghouse Welding Department, says that he has decided to stay "down South" after getting caught in the blizzard in Philadelphia last week for four days. Mr. Turnock took a plane to Philadelphia to visit the Naval Shipyard Test Laboratory to review special electrode tests and to discuss the possibility for Westinghouse to develop alloy electrodes to cooperate with the Naval Shipbuilding Program. He had planned to return to Montevallo the next day, but all planes were grounded and he remained there for four "cold" days.

Dr. and Mrs. Wm. K. Weaver and daughter Ann, of Sylacauga spent a few days last week with Mr. and Mrs. H. G. Parker and family.

Mrs. Ella Busby is improving at her home from a recent illness.

OUR SOIL ★ OUR STRENGTH

Soil Conservation District News

By B. F. Hatchett and Geo. C. Starcher

DuPont explosives experts Marshall and Dawson and your Shelby County S.C.S. men found out last week that appearances can deceive.

On the L-B-L ranch near Wilsonville conditions seemed ideal for blasting a drainage ditch with dynamite. Water stood from ankle to knee-deep in a narrow swamp 1500 feet long. This swamp divided two fields that are irrigated each summer, hindering use of cultivation and irrigation equipment, and about four acres of good soil was too wet each spring to plant at all.

It was only after firing was begun that it was found that "buckshot" sized gravel formed a cushion between sticks and stopped propagation of the blast from stick to stick.

After many false starts, and numerous six to ten feet explosions, however, the gravely area was passed and one blast ripped open a ditch 500 feet long by 3 feet deep and six wide. The ditch immediately began to flow nearly full of water.

Cooperator Edward Lansford will have an 1800 foot ditch when blasting is completed, and plans to plow it out wide so that he can use the ground and work the two fields as one.

Cooperators planning dynamite ditching hereafter will be assisted in avoiding gravelly conditions. Dynamite is very effective in mud or very wet soil, but sand, gravel, and excessive fibrous roots can cause expensive and time consuming failures in propagation.

Business Students To Hear Lectures

Alabama Collegeg business administration students are having a series of lectures this semester by authorities in the various business fields.

Three lecturers are scheduled for April, said Dr. Karl E. Ashburn, chairman of the Alabama College business administration department.

Dr. Charles Anson, head of the deparment of business administration at Alabama Polytechnic Institute, will lecture on Southern Collegiate Business Training.

Lee Barclay, college business manager, will give two lectures on personal and family budgets.

Retailing as a career will be discussed by Mrs. Florence Harris, personnel director of Loveman's in Birmingham.

The business administration students heard three lecturers in March.

Eddie Downs, vice-president of Central State Bank in Calera, spoke on "practical aspects of banking." Plato Britton, trust officer of the First National Bank of Birmingham, spoke on wills and trust estates.

"Business recessions" was the topic of the lecture by Dr. Virgil Stepp, head of the business administration department of Howard College, Birmingham.

Woodrow W. Elliott To Be Honored

Woodrow W. Elliott, who completes his term as AEA president today, will receive the honorary doctor of law degree from Howard College at the June commencement.

Maj. Harwell G. Davis, president of Howard College made the announcement yesterday — Birmingham News, March 28.

Card of Thanks

The members of the Montevallo Study Club wish to thank the many volunteers who helped to canvass the town for contributions to the Red Cross. The drive was very successful this year with an incomplete tabulation showing a collection of $650. Many public spirited and conscientious citizens are required to put a drive over the top and the Study Club is very grateful to all who helped.

Montevallo-Calera Telephone Hook-up Promotes Cities' Mutual Interests

INSPECTION AFTER CUTOVER—Shown inspecting central office equipment at Montevallo following the recent inauguration of extended scope service between Montevallo and Calera, are, from the left, J. L. Switzer, telephone manager; Mayor W. M. Wyatt; R. E. Bowdon, Jr., president of the Calera Chamber of Commerce; O. C. Farris, mayor of Calera; and Frank Thiemonge, Jr., former president of Montevallo's Chamber of Commerce who held office at the time the poll was conducted which decided that toll-free service between the two cities was desired.

The hook-up between Montevallo and Calera telephone systems appears to be "just what the doctor ordered".

We have had it in operation since March 16 and it is a mighty handy arrangement, just as predicted by those who "dreamed up" the idea a couple of years ago.

There are many instances where people have business interests in both Montevallo and Calera and in between; and in addition, there are many people in Montevallo and Calera who simply like to talk to one another now and then (sort of gossip, maybe).

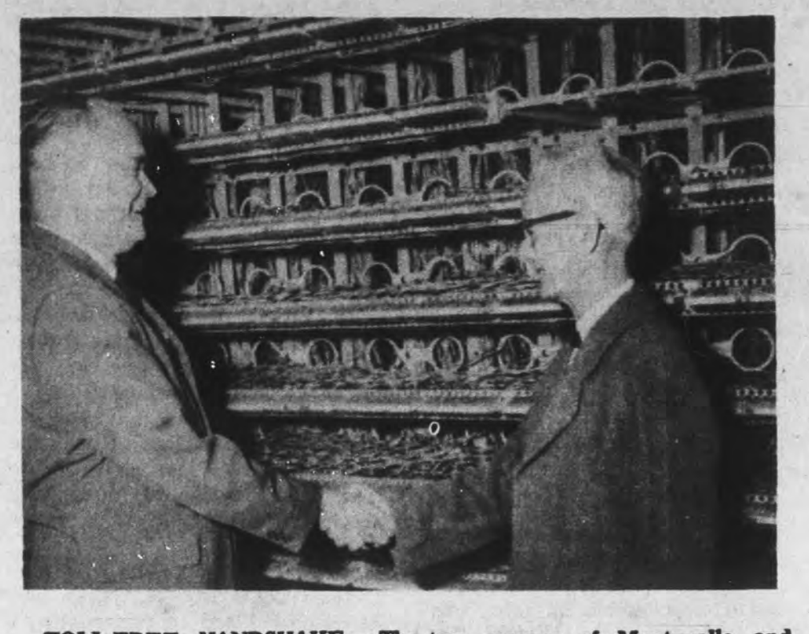

Whatever the reason, it is nice to be able to talk between Montevallo and Calera, without having to go long distance.

This arrangement by the Southern Bell Telephone Company is a confirmation of the mutuality of interests between the two towns, which has developed in recent years. Being in the same family, so to speak, by our direct telephone connection, will furthur consolidate the whole area in our relationships of business and mutual friendship.

Pictures tell more than words. The accompanying photographs furnished us by Southern Bell, illustrate some of the events and persons connected with the movement from start to finish, and the intricate equipment now working in our expanded telephone system.

MORRIS HORTON

Morris Horton, formerly in the parts departments of Lovelady Motor Company, is now a salesman for the company, according to announcement by Mr. Bill Lovelady, owner of the business. In the future Mr. Horton will be calling on his friends and giving them his sales talk for Ford and Mercury and used cars and trucks.

TOLL-FREE HANDSHAKE —The two mayors of Montevallo and Calera exchange a hearty handshake following the cutover.

THE SIGNIFICANT TOLL-FREE CALL—A toll-free call between Montevallo and Calera was made recently by Bowdon and Thiemonge who congratulated each other on the new toll-free long distance telephone service.

Neal Shirley Chosen Student Government Head

Neal Shirley, Chelsea, was elected first man president of the Alabama College student government association in the campus-wide election last week.

Janice Wood, Clanton, won the vice-presidency.

Of 14 offices voted on by the student body, men students took five of them. All but one male candidate was successful. Ray Jones, Siluria, was defeated in the vice-president's race.

Darrol Pharris, Sikeston, Mo., received a majority of the votes over two women opponents for social chairman.

Harvey Fleming, Marion Junction, was elected station manager of WRSD, the student radio station. He was unopposed.

Other men elected to office were Ted Fuller, Bessemer, president of the Student Christian Association; John Scott, Jemison, vice-president of the SCA. Herman Shelton, Mobile, was elected president of the men's court.

In the run-off for secretary of SCA, Ann Nabors, Bessemer, defeated Christel Ludewig, Huntsville.

Joyce Willis, Childersburg, was elected treasurer of the recreation association in the run-off.

Other students elected to office are Bertha Masterson, Russellville, president of the Student Senate; Jennie Cotney, Roanoke, chief justice of the joint Student Court.

Joyce Chitwood, Gadsden, associate justice of the joint Student Court; Shirley Todd, Albertville, secretary of the Student Christian Association; Rosalind White, Flomaton, treasurer of the SCA.

Barbara Walker, Birmingham, president of the women's court; and Celest Parker, Talladega, vice-president of the court.

Sharbutt for Representative

JIMMY SHARBUTT

James H. (Jimmy) Sharbutt, Vincent's Lawyer-Mayor, is making a strong bid for the Democratic nomination on May 6th. to represent Shelby County in the next Legislature.

Mayor Sharbutt apparently has the "Know How" to get things done. As Mayor of Vincent his Administration has many accomplishments to its credit. A $300,000 thirty two unit low rent housing project, twenty units located in Vincent and twelve units located in Harpersville. Provided Vincent with its first paved streets. Improved and expanded the water system with the lowest water rates of any Town in Alabama. Provided Vincent with a modern fire truck and equipment. Reduced fire insurance and electric power rates, and provides yearly financial grants to the Vincent School.

The State Military Department and the National Guard Bureau have approved a $100,000 National Guard Armory for Vincent. A seven acre site has been purchased by the town and deeded to the State Armory Commission. Construction is scheduled to begin within 60 days.

The Public Housing and Home Administration has approved a $420,000 natural gas system for Vincent and Harpersville. Construction is scheduled to begin within 60 days. It is anticipated that this gas system can supply Wilsonville with natural gas.

Sharbutt promises, if nominated and elected, to report to the people each week the Legislature is in session just like Mr. Selden, and team with his former Law School mate to provide Shelby County with a weekly informative report on State and National affairs.

Mayor Sharbutt was elected Delegate to the 1956 Democratic National Convention from the Sixth Congressional District.

He graduated from the University of Alabama School of Law and has been engaged in the practice of law for more than eight years.

Sharbutt is an active Deacon in the Vincent Baptist Church, and teaches the Junior Boys Sunday School Class.

THIS MONTH in Rural Alabama

Fat Stock Shows Are A Sure Sign Spring Is Here

A sure sign of spring is fat, sleek, well groomed beef calves being loaded on the family truck for the annual trip to the county or district fat stock show.

County shows are being held all over the state now, according to W. H. Gregory, API Extension beef cattle specialist, and the big district events will be held during April and May. "The importance of these shows cannot be stressed too much," declared Gregory. "In addition to focusing attention on the fine cattle produced in Alabama, they give incentive and training to our fine young people who will be the cattle producers of the future."

Just how do these young people benefit from such programs? Well, let us take a look into the background of a county or district fat stock show.

The 4-H or FFA boys and girls select their calves months before the show. They try to pick animals that will develop into top contenders for the grand championship awards at the spring shows; and they gain valuable experience when they find out why their calves did not measure up to the best in the show.

During the long fall and winter months, the youngsters look after their calves and feed them carefully. Then, several weeks before show time they begin training the animal for the show ring. Many hours are spent leading the calf around the farm yard. And this can be tough at times. Some calves even have to be taught to lead by pulling them along with a tractor. And some can never be trained to lead, leaving the youngster without an entry at show time.

A few days before the show, the boys and girls begin washing and grooming their calves. And before they enter the ring, the big 1000-pound hunk of beef has his hair combed and curled to make him look better to the expert judge.

It looks simple when the youngster eases around the show ring with his animal, keeping his eye on the judge and setting his calf just right every time the judge tells them to halt. But everyone associated with these events knows how many hours of hard work is behind every poised performance in the show ring.

"Every boy or girl who works at training a calf is a winner, whether or not the animal receives the championship rosette," declared Gregory.

Typical of the thousands of rural youngsters entering the fat stock shows are Fred and Iverson Blackmon, 13-year-old twin sons

of Mr. and Mrs. Fred Blackmon, shown on this page. The Eufaula Rt. 3 boys enter this fine Hereford in the Barbour County Fat Stock Show and Sale in May.

Iverson, left, and Fred have been 4-H club members for four years and have been showing beef calves for two years. They take turns showing the animals, but both work with the calves and do a good job of it, according to Assistant County Agent Jasper Hayles.

The two Blackmon boys seem to have become good friends with their calf, as do most of the showmen. In fact, when a boy or girl has to part company with his animals after the sale, it is quite often a sad occasion. Some even weep openly when they take the halter off the calf and turn it over to the buyer.

The next time there is a fat stock show in your vicinity, go out and watch the fine rural boys and girls perform with their calves. It will be well worth the time.

The schedule of district shows this year is as follows:

Montgomery Fat Stock Show and Sale, Montgomery, April 9; Northeast Alabama Fat Stock Show and Sale, Gadsden, April 15-16; Birmingham Fat Stock Show and Sale, Birmingham, April 23-25; and the Wiregrass Fat Stock Show and Sale, Dothan, May 6.

Will Irrigation Pay On Your Farm? . . . see page 2

Irrigation Can Be Profitable

By Lawrence Ennis
API Extension Engineer

WILL irrigation pay on my farm?

I am asked that question more than any other. It's a tough one, too. The answer depends on so many things—water source, type of land, labor supply, and kind of crops, to name only a few.

The fact that more farms now seek an answer points to an ever-increasing interest in irrigation as a means to higher yields of better quality products. Ten years ago it was hard to find a farmer using irrigation; in 1957, about 751 systems irrigated 35,156 acres on Alabama farms; within another few years these figures are pretty certain to double or triple.

The rise in irrigation use has been slow but steady—just as it should have been. One of the worst things that could happen is for farmers to jump into irrigation without careful study.

Plan Carefully

A farmer with an irrigation system that can't pay on his place is worse off than a farmer who could use a system profitably but doesn't have one. County agents and other farm leaders have wisely cautioned farmers to go easy and be sure before they get into irrigation.

But, where factors were favorable for success, all of us have recommended irrigation as a profitable operation.

Generally, those farmers with systems are making money on them.

Although irrigation is no cure-all, it does remove one of the big Alabama farming hazards—drouth. And that's terribly important, looking at what's happened not only in recent years but as far back as weather records have been kept.

Alabama's average rainfall during the growing season, March through September, is about 30 inches. Of this amount, 15 inches run off the land because of rainfall intensity. The 15 inches that soak into the ground are 13 inches short of the 28-inch total needed by the average plant from seedling stage to maturity for optimum growth.

Rain Is Short In Summer

The rainfall shortage during the March-September period plus our normally dry falls make Alabama, farming-wise, more like a semi-arid area than the humid area we think of it as being.

Equally hard on farming are the numerous dry spells that seem to come at other wrong times. According to the U. S. Weather Bureau records, 92 times in the past 50 years Alabama went for four weeks or longer with less than an inch of rain. In 183 periods during the same 50 years we were without an inch for three weeks or longer.

Even in 1948, a normal rainfall year, Alabama had nine 15-day periods when less than one-half inch of rain fell.

And so it isn't surprising that more farmers are looking at their irrigation possibilities. They correctly figure that investing to have water when it's wanted and where it's wanted could pay off in a big way.

Although irrigation could make money on thousands of Alabama farms, only about 750 systems have been installed to date. Many farmers who are fully sold on pumping and piping water for their crops haven't felt able to swing the deal.

However, this slow trend toward irrigation is no indication that the practice doesn't have great potential on many farms in the state. On most farms the investment in irrigation has proved to be a wise one. The systems are bringing higher yields of better quality crops and owners are paying off their initial investments in a relatively short time.

If irrigation fits on a farm from every standpoint—land, water supply, labor, crops, management, and the like—and the owner can finance a system, he certainly should be able to make money on it. On the other hand, I think some farmers have been wise to forego irrigation, because they do not have the right set-up for it.

What Does It Cost?

How much does it cost to apply water on our farmlands? Initial investment in sprinkler irrigation equipment varies from $50 to $150 per acre, depending on shape of the field, differences in elevations, type of water supply, distance of water from the field, and other factors. Usually the larger the acreage under irrigation, the lower the cost per acre.

After a farmer has purchased his sprinkler equipment, it will probably cost him from $1.50 to $4.75 for every inch of water he puts on an acre. This total operating expense—which includes labor, fuels, oils, interest on investment, and depreciation—usually will run about $25 per acre per year.

Although this seems like a lot of money, consider it in the light of the returns it will bring. At Auburn, 18 different vegetables irrigated for a 14-year period by the API Experiment Station showed an average yield increase of 35 percent due to irrigation. This increase meant $122 net profit per acre annually above unirrigated truck crops, after irrigation costs were deducted.

Dairy farmers as well as truck crop growers can use irrigation profitably. Test results show that cows on irrigated pasture had a 43 percent increase in milk production and a 40 percent increase in grazing days per acre.

Corn increases due to irrigation average 40 to 50 bushels per acre. Cotton shows an increased yield of about 1000 pounds per acre of seed cotton. Alfalfa under irrigation generally provides about six good cuttings of hay per year, against an unirrigated two or three cuttings per year.

I want to emphasize that these are averages of several years' observations, including both dry and wet years. During extremely dry years, such as 1954, irrigation makes a great deal more difference in yields.

Who Can Irrigate?

Who can irrigate? Generally speaking, any farmer who has water is in a position to irrigate. Streams seem to offer the best possibility for water supplies over most of the state. Before any irrigation system is purchased, streams should be checked for quantity during the driest part of the year.

Farm ponds are becoming more important as a source of irrigation water. It should be kept in mind, however, that our average pond will lose about 12 feet of water each year through evaporation and seepage. Thus, if we have a pond exactly 12 feet deep overall and begin the year with the pond full, it will be dry at the end of the year, provided no rainfall occurs and no water runs into the pond. Ponds that are planned for irrigation purposes should be fed by a good strong spring or by drainage from an extremely large area.

Deep wells eight inches in diameter, or larger, are popular in areas with a sufficient amount of underground water. These areas include the Tennessee Valley, the lower coastal Plain, and part of the Black Belt.

In addition to adequate water supply, it is also necessary for a farmer to have good soil and to manage it properly. For example, corn in a field crop rotation requires 21,000 gallons of water to make a bushel. Corn in a legume rotation, where organic matter is turned under each year, requires only 5,600 gallons of water to mature a bushel.

Along the Way

with P. O. Davis
Director, A. P. I. Extension Service

THE recent meeting of Alabama home demonstration agents at Tuscaloosa recalled that foods was the first home demonstration project, more than half a century ago. It began with tomato production, canning, serving; and spread to other foods, clothing, home management, and other projects concerning farm living.

We must, of course, have food. Food consumption of American adults averages 1500 pounds per year. Stated differently, you and I eat our weight in food about every seven weeks, or seven times a year.

P. O. DAVIS

Home demonstration agents have been effective in improving food in every way, beginning with production and ending with proper diet. People are healthier, they are living longer, and they are living better because of this work.

People are what they eat. Therefore, we should eat the right foods and in the proper amounts every day.

* * *

Alabama farmers keep looking for something which they can produce and sell profitably. They prefer something that is without controls or allotments.

Sheep farmers who met at Huntsville said that sheep offer such an opportunity; and a good one. Two-thirds of the wool that we consume in this country is imported; and mutton consumption is too low for its quality as a food.

Soil and climate in Alabama are favorable to sheep production; and sheep do well with other kinds of farming.

For many years I've talked with farmers who have sheep. All of them have told me that they make more net money on sheep than any other part of their operations.

But sheep require enough feed, grazing, and good management. As compared to other livestock, they are not difficult. In fact they are the best invitation I know to Alabama farmers to produce something and sell it profitably.

* * *

Hogs offer farmers another good opportunity to produce and sell a good product. G. B. Phillips, our specialist in Auburn, keeps reminding us that hogs are adaptable to most Alabama farms. Like other livestock, they require enough feed, plus good management. Money necessary to get started with hogs isn't big. See your county agent.

* * *

The Lawrence's Mill community in Fayette County is another example of how farm people win by working together. They did it this time by producing an average of 449 pounds of lint cotton per acre on 763 acres, making them state winner in cotton improvement. They received a cash prize of $1,000 from the Alabama Textile Manufacturing Association and will use the money to build a club house.

But cotton isn't the only community project at Lawrence's Mill. In fact, people there think, study, and work together for better farming and better living in every way.

There are, of course, many other very fine community clubs in Alabama; but more are needed because people accomplish more where they work together for the solution of their mutual problems.

4-H'er Causes Changes In Family Hog Program

By Bruce Jetton

A young Covington County 4-H Club boy brought about changes in the family's hog operation that have meant the difference between success and failure.

It seems that two years ago a lot of pigs were being lost on Marshall Lee's Red Level community farm. Lee's 12-year-old son, Frank, had heard about farrowing jackets in his 4-H Club work. Hoping to find some way to raise more of the pigs the sows were farrowing, he asked Assistant County Agent Gene Sessions for information on constructing a farrowing house.

The 4-H leader sent the youngster several circulars on the subject. Frank then decided that farrowing jackets were just the thing he and his dad needed, so he launched a campaign to get some built on the place. In fact, for several weeks Frank discussed almost nothing else, recalls his father.

During this time, young Frank received a gilt as a birthday present. When her farrowing time drew near, Frank felt that the situation was desperate and gave his father no peace until the elder Lee agreed to build a farrowing pen. Lee went into town for some concrete and a few nails, and the work of converting an old smokehouse into a farrowing house for the sows was started. Using old lumber and doing the work themselves, Frank and his father finished the job at a cost of only $5.

Heat lamps and guard rails were placed in the farrowing pens to protect the young pigs from the cold and from being mashed. At last Frank stopped worrying about his gilt; he was confident that most of the pigs she brought would be raised.

Frank was right, as it turned out. While only 12 pigs were raised from three litters farrowed before the new facilities were built, 27 were raised from the first three litters to farrow in the house. Since then Frank and his father have been raising an average of nine pigs per litter.

"One sow killed seven of 10 pigs before we built the house," said Frank, "and we raised 10 pigs from the first litter she farrowed in the jacket."

"I wouldn't be without the jackets now," declared Lee. "As the sows get older they get larger, and it's easy for them to mash a little pig."

Lee has a 300-acre farm on Red Level Rt. 2 and raises corn, cotton, peanuts, hogs, and beef cattle. At present he has 13 brood cows, and he and Frank have five brood sows. They plan to enlarge the hog operation to about eight sows.

With 20 acres in oats this winter, Lee had some grazing for his cows and hogs but it wasn't as good as in the past because of cold weather. He also has 50 acres in permanent pastures for the cows and hogs.

"We made about 45 bushels of corn per acre on 30 acres last summer," said Lee, "and we only have to buy a little supplement for the hogs. With plenty of grain and grazing —in addition to having the farrowing jackets —we make more money from hogs than anything else on the place."

Frank, who was 14 years old in February, has been in 4-H Club work close to four years. He also has projects in corn and forestry, but says he likes his hogs best.

YOUNG HOG PRODUCER—"Hogs are a lot of trouble, but you can make money on them if you go about it right," says Frank Lee, a 14-year-old Covington County 4-H'er. And the Red Level youth knows what he's talking about. He persuaded his father, Marshall Lee, to build farrowing jackets for their sows, thereby increasing the number of pigs raised per litter from about four to nine. Now Frank owns three sows and 29 pigs himself. He is shown above feeding the pigs he is topping out for market. In the background is the old smokehouse he and his father converted into a farrowing house. In the bottom picture, Frank (left), his father (center), and Assistant County Agent Gene Sessions are shown with the sows on a field of oats.

CHECK GRAIN BINS OFTEN

FREQUENT checks of the grain bin should be a standard practice for all who store grain. The upper layer especially needs to be watched, for it's here that grain with the highest moisture content is usually found.

Since the outer portion of stored grain is cooler than the center, warm moist air rises up the middle, and moisture accumulates in the top layer. The moisture content of this part of the grain may be five to six percent higher than the general moisture level when the grain was stored. Insects, preferring the warmer grain, migrate to the center—thus speeding up moisture accumulation there.

Brucellosis-Free Purebred Hog Herds In Alabama Listed

A list of Alabama certified brucellosis-free, purebred herds of hogs has been released in Auburn by G. B. Phillips, API Extension Service hog specialist.

In revealing that 79 purebred herds are free of brucellosis, Phillips urged that farmers, 4-H club members, and others buy foundation stock from such herds. However, as Phillips pointed out, the fact that a herd is certified brucellosis-free does not mean that the animals have the breeding or bloodlines of the type desired. "A purchaser should always see the herd from which he makes a purchase," Phillips declared.

Phillips also noted that owners of certified herds must get seals of renewal every 12 months. Therefore, some of the names listed might not be up to date.

Purebred growers who wish to have their herds certified should write to Dr. John G. Milligan, State Veterinarian, State Department of Agriculture, Montgomery, Alabama.

The following persons were listed as having certified herds: T. Ray Swanner, Rutledge, Crenshaw County; J. P. Stanley, Opp, Covington County; Aubrey Charles Carroll, Ozark, Dale County; R. D. Jackson, Ozark, Dale County; K. J. McGilvray, Eufaula, Barbour County; A. N. Mitchell, Decatur, Morgan County; Paul S. Crump, Sulligent, Lamar County; John B. Bomar, Tuscaloosa, Tuscaloosa County; and C. C. Waters, Slocomb, Geneva County.

Glenn L. Richards, Hartford, Geneva County; Earl Folmar, Goshen, Pike County; John I. Andress, Madrid, Houston County; Clyde Hagler Sr., Dothan, Houston County; F. B. Kirkland, Webb, Houston County; K. W. Kirkland, Webb, Houston County; Ivan Ivey, Webb, Houston County; Curtis Mixon, Gordon, Houston County; Hamp Reaves, Cottonton, Russell County; Coy Jones, Blountsville, Blount County; C. E. Hatchett, Grand Bay, Mobile County; and Gaines E. Fitch, Grand Bay, Mobile County.

Hubert M. Hall, Bay Minette, Baldwin County; John C. Hardin, Moulton, Lawrence County; Paul M. Johnson, Moulton, Lawrence County; Omer J. Bullen, Red Bay, Franklin County; D. T. Evans, Scottsboro, Jackson County; A. A. Clemen, Scottsboro, Jackson County; Roy Garner, Pisgah, Jackson County; Jack C. Farmer, Long Island, Jackson County; and Hulane Davis, Crossville, DeKalb County.

D. D. Marshall, Ft. Payne, DeKalb County; V. R. Gipson, Fyffe, DeKalb County; B. H. Stephenson, Dawson, DeKalb County; J. H. Hinkle, Hanceville, Cullman County; John G. McDaniel, Reform, Pickens County; L. B. Sprott, Sprott, Perry County; Joe L. Bevel, Grant, Marshall County; and John W. Kirkland, Fayette, Fayette County.

H. W. Mathews, Fayette, Fayette County; Sam Webster, Winfield, Fayette County; Claude Ferguson, Nauvoo, Walker County; Bob Songer, Walker County; J. M. Black, Atmore, Escambia County; J. C. Bagwell, Brewton, Escambia County; H. C. Collier, Elba, Coffee County; Roy Ellis, Enterprise, Coffee County; and Carlton Larkins, Elba, Coffee County.

L. H. Hartwig, Union Springs, Bullock County; A. J. Conner, Ohatchee, Calhoun County; W. Jack Dunn, Eastaboga, Calhoun County; Oakman FFA Chapter, Oakman, Walker County; Sanders Gin Company, Goshen, Pike County; Porter Wilson & Son, Andalusia, Escambia County; R. Douglas Farmer, Tuscaloosa, Tuscaloosa County; and Arthur C. Parker, Leeds, Shelby County.

G. Walton Hughes, Madison, Madison County; O. V. Rhoades, Kinston, Coffee County; Travis K. Folmar, Goshen, Crenshaw County; Sherman A. Bradley, Toney, Madison County; Dennis Bragg, Meridianville, Madison County; Martin L. Williams, Columbia, Henry County; and J. M. Shubert, Nauvoo, Walker County.

Henry M. Averyt, Albertville, Marshall County; Raymond Compton, Danville, Lawrence County; L. G. Brown, Enterprise, Coffee County; L. L. Cooley, Cullman, Cullman County; Cornelius Smith, Killen, Lauderdale County; Wayland Darby, Florence, Lauderdale County; H. A. Behel, Florence, Lauderdale County; O. L. Mitchell, Albertville, Marshall County; and S. D. Clemons, Cullman, Cullman County.

E. W. Abernathy, Fayette, Fayette County; W. B. McIntosh, Winfield, Fayette County; S. J. Morris, Luverne, Crenshaw County; John C. Wright, Andalusia, Covington County; W. L. Corcoran, Eufaula, Barbour County; William E. Stewart, Henegar, DeKalb County; Dr. A. C. Childress, Foley, Baldwin County; and J. T. Mott, Pittsview, Russell County.

Get A Turkey For Easter Dinner

EASTER now ranks as the third biggest turkey day of the year, second only to Thanksgiving and Christmas, according to Austin Ezzell, API Extension Service poultry marketing specialist.

"Assembly-line cleaning and plucking, along with vastly improved freezing and storage methods, make turkey both available and economical for Easter family get-togethers," the specialist said. "And home economists agree that frozen turkey has the same high nutritional values, flavor and tenderness as the fresh-cooked birds remembered from grandfather's farm. In fact, some experts point out that freezing and defrosting poultry has a tenderizing effect on the meat."

Ezzell also pointed out that it is economical to buy a large turkey and have it quartered right in the store. In this way one or more of the roasts can be cooked at a time and the others kept frozen for future use.

For defrosting a quick-frozen turkey, the following suggestions are given:

1. Leave the birds in original plastic wrap. Place on shelf in refrigerator and allow two days for defrosting a large bird (25 pounds) or 24 hours for a small bird (eight to 10 pounds).

2. Leave bird overnight at room temperature.

3. Place bird, still in original wrap, under cold running water. Allow two to six hours, depending on size. Do not use warm or hot water.

As soon as the turkey is sufficiently pliable, remove the giblets and neck, usually wrapped together in parchment, from body cavity. Their removal speeds defrosting, too. Fresh or defrosted turkeys use the same cooking procedures.

The following tips are given for preparing a half or quarter of a turkey for roasting:

Rub cavity or cut side with salt. Skewer skin to meat along cut edges to hold skin to meat during roasting. Depending upon the cut to be roasted, tie leg to tail piece or tie cord around breast end to hold flat. Place turkey skin-side-up on a rack in a shallow pan. Grease with cooking fat with fat-moistened cheese-cloth. Roast at a moderate temperature (see roasting chart below). For doneness test 15 to 30 minutes before the turkey should be done according to the roasting chart. Move the drumstick or wing up and down—joint should give readily or break. Or, press the fleshy part of the roast, protecting fingers with a cloth or paper. The meat should feel very soft.

When a meat thermometer is used, it should register 190 degrees Fahrenheit placed in the center of the inside thigh muscle or in the center of the thickest meaty section.

In preparing the stuffing, allow about two-thirds cup per serving. Press lightly into greased pan or casserole, or place in aluminum foil. Cover or not as desired. Bake with turkey the last one to one and half hours of turkey roasting time.

ROASTING CHART

Ready-to-cook Weight	Oven Temperature	Approximate Roasting Time
3 to 5 pounds	325 degrees F	2½ to 3 hours
5 to 8 pounds	325 degrees F	3½ to 4 hours
8 to 12 pounds	325 degrees F	4 to 4½ hours

Sheep Are Permanent On One Sumter County Farm

By Wallace Burgess

SHEEP may come and go on many Alabama farms, but the woolies aré a permanent part of T. M. Nelson's operation in Sumter County.

In fact, the Epes community farmer has been carrying a herd of ewes on his place for about 22 years, and he isn't thinking about cutting out this valuable source of income.

"I've increased my herd from 40 ewes to 300," says Nelson. "However, I still use mostly native females because my experience shows that they lamb earlier and are better milkers and better mothers than purebred or western ewes. To get healthy, fast-growing lambs, I cross the ewes with purebred Southdown rams. And it's paying off, too, for this spring I'll market better than a 100 percent lamb crop.

"The only thing that I don't like about using native sheep," continued Nelson, "is that I have to buy replacements from off the farm. So far I haven't run into any disease trouble, because I'm careful to buy only from disease-free herds. Also, when I buy new animals, I quarantine them for at least a month, and they're subjected to a thorough vaccination program before being put into the herd."

Telling County Agent W. B. Story about the lambing program, Nelson explained that all the ewes are bred to lamb in November and December, so that the lambs will be ready for market around the middle of May. "The lambs are dropped on oat grazing and are kept there until they are ready to go," said Nelson. However, Nelson pointed out that cold weather cut the grazing this winter, and he had to hand feed until some grass came out. "It's mighty important for the lambs to get plenty of feed," he added. "Once animals get stunted, they never seem to get over it."

To make sure that the sheep herd has plenty of grazing during a normal winter, the Sumter County farmer plants about twice as many acres as are required per head. When the grazing gets ahead of the sheep, he lets some of his beef cattle graze off the rank growth. "Sheep will fatten better if they have access to young, tender grass," he declared.

While the animals are on grazing, they're drenched twice for control of internal parasites. And just after the April shearing, they are dusted to prevent infestations of scab, mange, flies, and the like. For prevention of internal parasites, the ewes are given two or three more drenchings during the summer and fall.

"Besides controlling parasites, I also keep a close watch for predators," explained Nelson, as he showed Story a large bobcat that he had recently trapped. "However, due to an organized predator control program among all the sheep growers around here, we don't have too much trouble now. Last year, five or six bobcats were trapped on my farm, and not long ago some of my neighbors even caught a coyote and a wolf."

Nelson and his sheep-growing neighbors are also well organized when it comes to marketing their lambs and wool. They all sell wool through the West Alabama Sheep and Wool Growers Association, most of the lambs being marketed through the association's lamb sales. The rest are sold at private sales.

"With the big demand for early spring lambs, the 22 producers in the county—along with other growers over Alabama—always have a ready market for their product," proudly declared Agent Story. "The supply is usually low when our lambs are ready, which means good prices for sheep growers in the state."

GETTING FATTER BY THE DAY—The lambs on T. M. Nelson's farm are well on their way to being ready for market in May. However, it has been a little more difficult to bring them along this year, says Nelson. Cold weather cut his winter grazing short, and the Sumter County farmer had to feed each lamb two and a half pounds of ear corn and one-fourth pound of cottonseed meal per day. At the left, Nelson (left) and County Agent W. B. Story inspect the feed ration. Above, the two check the progress of one of the 300 lambs.

Cost-Price Squeeze Calls For Efficiency

By A. W. Jones
API Extension Marketing Specialist

IF you are a typical farmer, you have been in the cost-price squeeze for some time now.

This tight situation is caused by lower prices being received for farm products while the farmer has to pay higher prices for the things he buys. But regardless of what you call the existing condition, it is clear that every farmer must do some careful planning and use expert management and thrifty living, to make ends meet.

In other words, a farmer has to do everything right and at the right time these days. And there are a number of things that need to be done in April.

April is one of the busiest months of the year. All jobs that have to be done at once—preparing land, fertilizing, planting, and cultivating—seem to fall at this time. All types of supplies are required, and purchasing these is part of a farmer's marketing job. He should be sure to have the right amounts and the right kinds of fertilizers, seeds, insecticides, and farm machinery—and spare parts when they are needed. Having spare parts on hand will save costly delays when the farmer is trying to do each urgent job properly and on time.

A month or two from now is usually the best time of the year to market slaughter hogs, cattle, and calves. Prices are usually better in May and June because the supply of slaughter animals going to market is less in late spring and early summer than at other times during the year. And you can put on the best gains at the least expense with high-quality spring grazing.

In other words now is a good time for putting on the kind of market finish that catches the buyer's eye when hogs, calves, or cattle go through the sale barn. Aim for a high, good or low choice grade in cattle and calves, and a high percentage of lean meat yield in the hogs. Remember that any excess fat is now worth about half the price per pound of the live hog. The corn it takes to put on this excess fat would most likely represent a loss, rather than a gain.

Summer marketings of livestock also help by taking some of the pressure of livestock numbers off the land during the dry summer period. This enables the farmer to get started on a better feed and grazing program for next fall and winter, laying the foundation for another good marketing period a year from now.

Marketing Co-op Aids Randolph Poultrymen

RANDOLPH County poultrymen find that cooperation is the answer to their egg marketing problems.

Last spring nine farmers, along with the county Extension staff, worked out a program whereby a local feed and fertilizer dealer in Wedowee would set up a cooling station and grade and package the eggs. Then a reliable market outlet was found for the poultrymen.

As soon as the details had been worked out, the poultrymen built laying houses and stocked them with pullets. According to Assistant County Agent Claude Moore, the farmers put in 16,000 layers last year. "Before 1958 is over I expect there will be close to 22,000 hens producing eggs for sale through the co-op," says Moore.

Billy Houze of Roanoke Rt. 5 is typical of the Randolph County farmers who have taken advantage of this market. He has a 150-acre farm in the Springfield community and until last year his farming operation consisted mostly of selling manufacturers' milk from nine cows, and raising cotton and corn.

When Houze decided to go into the layer business he cut out cotton and concentrated on grain and feed crops. Later he plans to use a lot of this home-grown feed in the layer ration.

Last June Houze completed a 2000-capacity layer house and stocked it with 14-week-old pullets. Since he did the work himself, the house cost only $1750; the pullets came to $2900.

"This seems like a lot of money for any farmer to put out these days, doesn't it?" Houze asked. However, present indications are that the chicks and the feed he has bought will be paid for this month.

The layer operation has been so satisfactory that Houze plans to build another 2000-capacity house this spring. In fact, the pullets for stocking the house have already been purchased and will be delivered in May.

NO PROFIT IN A BOARDER—Billy Houze of Randolph County keeps unproductive hens out of his layer house by careful culling. The Springfield community farmer, who started the 2000-layer operation last fall to supplement his regular farming income, is one of the nine poultrymen in the county marketing eggs through the newly organized Randolph County Egg Co-op. Here, Houze (left) and Assistant County Agent Claude Moore carefully inspect a bird that may need to be culled.

CORN EARWORM CONTROL—Earworms in sweet corn can be controlled by proper application of DDT at two pounds per acre in emulsion sprays. Spraying the ear region at two-day intervals from the time shoots are formed until the silks turn brown takes 10 to 12 sprays and has resulted in over 95 percent worm-freed ears in experiments at the Gulf Coast Sub-station in Fairhope.

IRRIGATION UPS COTTON YIELD—An average yield of 1750 pounds of seed cotton per acre was produced where 120 pounds of nitrogen was added without irrigation at the Tennessee Valley Sub-station in 1956 and 1957. With irrigation and the same amount of nitrogen, the yield was 3417 pounds.

* * *

GRAIN SORGHUM VARIETIES—The best hybrid grain sorghums tested in Alabama during the last two years have yielded about the same as the recommended open-pollinated varieties. In northern and central Alabama, two hybrids produced more grain than recommended varieties, but their yield advantage appears to be offset by greater lodging. Hybrids have not demonstrated any advantage in southern Alabama. Recommended varieties for northern Alabama are Martin Combine and Redlan; for central Alabama, Combine Sagrain and Early Hegari; and for southern Alabama, Combine Sagrain. Hybrids recommended on a trial basis for northern Alabama are RS 610 and Texas 660, and for central Alabama, DeKalb D-50A and RS 610.

FERTILIZER NEEDS—The soil testing laboratory at Auburn has tested about 43,000 soil samples since 1953. More than half of these soils needed lime for most crops; 75 percent needed an even phosphorus-potash fertilizer, such as 4-12-12; and 18 percent needed a high potash fertilizer, such as 4-8-16. Applying lime and fertilizer according to soil test recommendations is best for any field.

* * *

SAGE GROWING—High quality sage can be grown from root cuttings or spring-planted seed. In tests at Auburn, it has grown well under good garden culture. Small branches with fully developed leaves are harvested just before or when bloom buds appear. It is dried in a well ventilated shady place. When well cured and the atmosphere is dry, the sage is stored in an airtight container. Properly handled sage remains useful for several years.

* * *

FREEZING FRUIT—Using firm-fleshed, tart varieties and processing at the early soft-ripe stage are the first requirements for high-quality frozen fruits. Auburn tests also revealed that rapid handling is essential. After washing, peeling, stemming, and pitting, most fruits are sliced and covered with a 50 percent sugar solution. Blackberries can be frozen whole or mashed, with or without added sugar or syrup. Careful packaging and sealing before freezing is necessary.

* * *

ONIONS NEED MOISTURE—Continuous high levels of soil moisture are needed for high yields of green onions. Droughts of two, four, and six weeks reduced total yields 24, 47, and 61 percent in Auburn tests. Reduction in marketable yields was even greater—27, 53, and 73 percent for the three drought periods.

Young Barbour County Farmer Looks To The Future

By Bruce Jetton

TRUE, these are hard days for most Alabama farmers. But there is no pessimism on Henry Gray's Barbour County farm concerning the future of his operation.

Gray, a young agriculture graduate of Alabama Polytechnic Institute, is gradually turning 1800 acres of land on Eufaula Rt. 3 into one of the finest farms in the area.

"Henry has made a lot of progress with the farm since he took it over in 1954," said County Agent Jess Walton. And the signs of progress are on every hand. Grain bins have been added, land has been cleared, and an outstanding hay and grazing program has been developed to enable Gray to carry on a hog and beef cattle operation.

Some of the latest improvements on the place are in the cattle and grazing programs. Gray has some 130 commercial brood cows, and this winter he went to Texas to purchase some registered Hereford stock to start a purebred beef cattle operation.

Gray explained that he bought 58 purebred Hereford heifers and a fine Hereford bull from the Pronger Brothers Ranch in Stratford, Texas. The bull will be two years old in May and weighs in at 1,430 pounds. He plans to expand this purebred operation and cut down on the commercial herd in proportion.

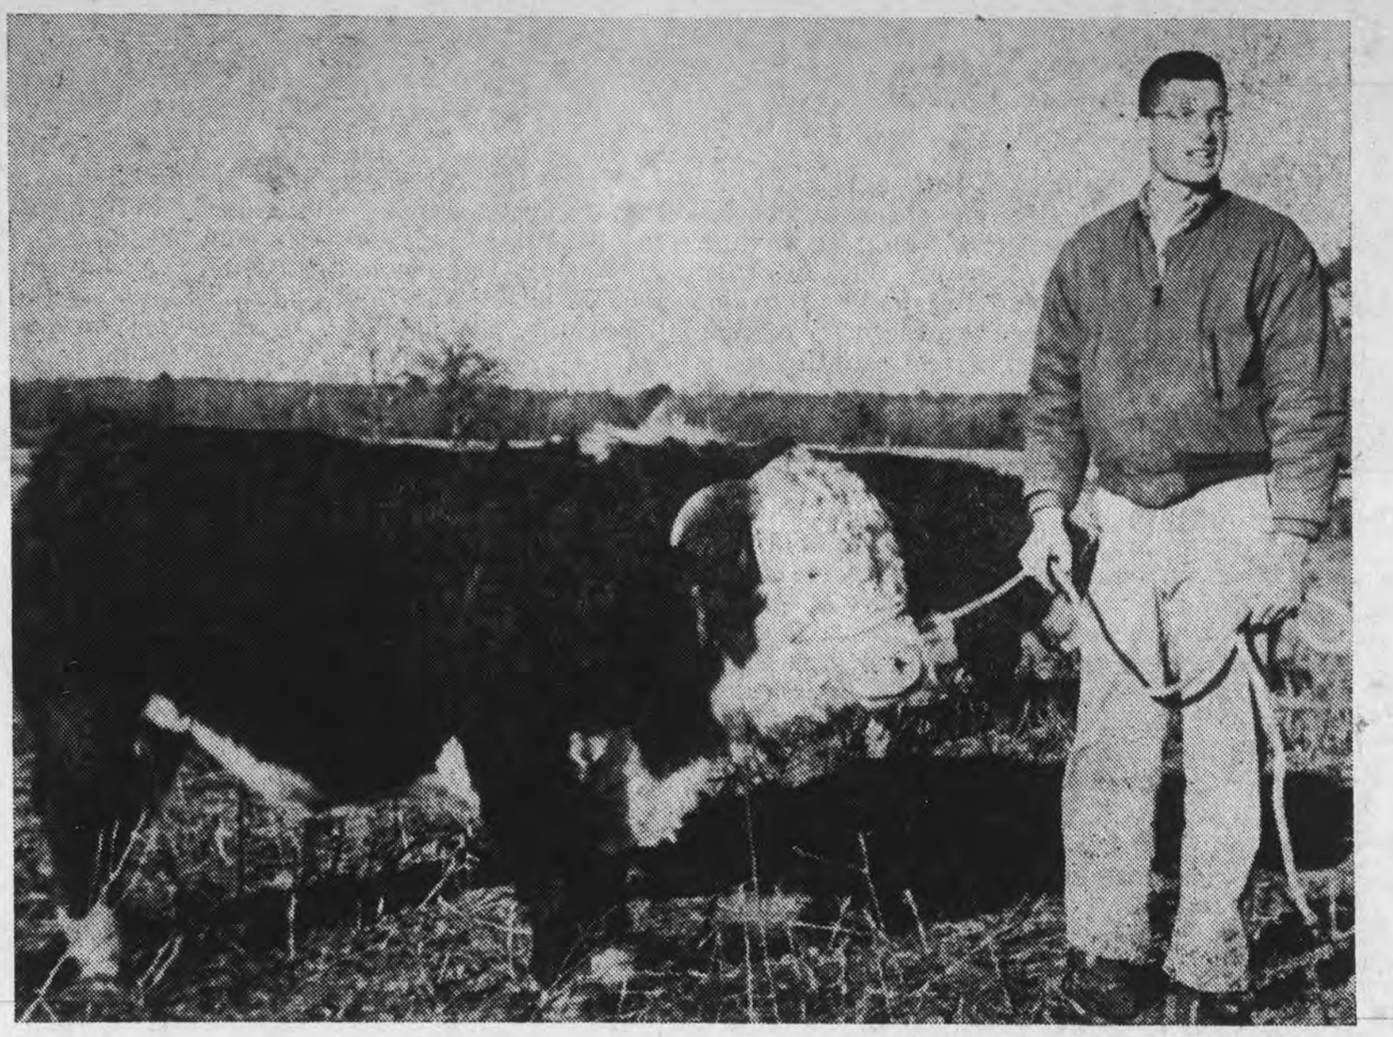

However, despite the fact that Gray is going into the purebred business, he has been improving his commercial herd. Undesirable bulls have been culled, and good bulls have been added. At present there are nine Hereford bulls on the place. And Gray and Al Jordan, who helps operate the farm, are starting a record system for the beef cattle. All cows and calves will be marked and complete information kept to determine which are the best animals.

How about the grazing? Well, an 85-acre field of wheat was grazed mighty close by Gray's Angus and Hereford brood cows and their calves, making it evident that his winter grazing—like that of most other farmers—was hit hard. Still, the livestock was in mighty good shape.

"I was lucky to have a good supply of coastal bermuda hay on hand," explained Gray. "The 130 tons of hay we baled last year really saved the day."

Gray went on to say that he has cleared land to put in another 60 acres of coastal this spring to go with the 140 acres he has already established. "In addition to the hay, the coastal gives a lot of grazing every summer," declared Gray, "and I consider it one of the most important crops on the place."

A young man who decided to take up farming because he likes the out-of-doors, Gray is happy with his chosen business. "And the fine progress Henry is making is good reason for his happiness," declared Agent Walton.

IN THE CATTLE BUSINESS—Henry Gray is switching the main operation on his Barbour County farm from commercial beef cattle to purebred Herefords. The young Eufaula Rt. 3 farmer recently purchased 58 purebred Hereford heifers from the Pronger Brothers Ranch in Stratford, Texas. Part of the heifers, which averaged 700 pounds each, are shown at the bottom right, dining on coastal bermuda hay grown on the place. At the bottom left, County Agent Jess Walton (left) and Gray are checking on the condition of the other brood cows. Gray is shown above with a fine Hereford bull, also bought from the Texas Ranch.

Pasture Weed Control Program Needed In Livestock Operation

By O. N. Andrews
API Extension Agronomist

WEEDS are robbers. Kill 'em!

All farmers realize the necessity of controlling weeds in row crops—that is, if they want to harvest a good crop. But, in order to develop a successful livestock program, farmers must also realize the necessity of controlling weeds in pastures and treating pastures as a crop. Weeds rob good pasture plants of water, plant nutrients, growing room, and sunlight, and they lower the quality of livestock products.

Until recently, the mower has been the only means available to the farmer for controlling weeds in pastures. Thanks to manufacturers and research, we now have 2,4-D—a chemical which, properly used, controls most broadleaf weeds that infest clover-grass permanent pastures. Furthermore, machinery manufacturers have developed equipment for applying the spray material. And our agricultural experiment stations have given us the know-how.

The application of one pound (acid equivalent) of 2,4-D amine per acre, mixed with 15 to 20 gallons of water as a broadcast spray, will control such broadleaf weeds as bitterweed, dog fennels (including summer cedar), dock, marsh elder, verbena, ragweed, coffeeweed, shepherd's purse, plantain, and most other annual broadleaf plants.

Start In May

The first treatment should be made during May, or when weeds are young and growing rapidly. Repeat the application as often as necessary. However, one application usually gives adequate control of bitterweed for the season. Dewberry and St. Johns-wort will be partially controlled. Make additional applications for these if needed. Horse nettle (tread-soft briar) is not controlled by use of 2,4-D.

Pasture grasses and legumes should be well established. Seedlings will be killed or severely injured by 2,4-D. Well established stands of dallis grass, bermuda grass, bahia, white clover, lespedeza, or black medic are not injured to any significant degree by the recommended treatment. Growth of these plants may be retarded for a short period, but they quickly recover. Crimson clover, vetch, hopclover, and caley peas will be killed by 2,4-D.

Treatments should not be made during long drought periods, or any time when weeds are not growing rapidly. If weeds are allowed to mature, it is best to mow and spray when new growth is tender and developing rapidly.

Where pastures are near cotton fields, it may be best to spray immediately before cotton planting time. In tests conducted by the Mississippi Experiment Station, excellent control of bitterweed has been obtained by the use of one pound of 2,4-D amine per acre in 10 to 20 gallons of water, applied as a broadcast pre-emergence spray in March or April —or just before cotton planting time. Farmers who have pastures infested with bitterweeds and cannot spray during summer because of the danger of injuring nearby cotton should give early spraying a trial.

To control Cherokee rose in white clover-dallis grass pastures, remove top growth of old roses. When new growth reaches 12 to 18 inches, spray with one pound of 2,4-D amine per acre in about 20 gallons of water. Repeat the application two or three times during the summer, or as often as growth is 12 to 18 inches long. To control Cherokee rose in common lespedeza-dallis grass pastures, use two pounds of 2,4-D per acre. Delay the first application until about May or after common lespedeza is past the seedling stage. Follow the same procedure as recommended for white clover-dallis grass pastures.

Take Precautions

When using 2,4-D certain precautions should be taken.

1. Read labels and instructions carefully. Be sure to check the amount of acid equivalent per gallon. Use recommended amounts.
2. Spray when the air is fairly still, to avoid drift and get a more even spread on weeds.
3. Use the amine form in preference to ester forms of 2,4-D. The amine from is much safer. If a high volatile ester is used, the danger of vapors drifting to nearby fields lasts for several days.
4. Operate sprayer at minimum pressure and fix nozzle as close to the plants as possible to get complete spray coverage. Do not use nozzles that "mist."
5. Equipment with which you have sprayed 2,4-D or related compounds should not be used to apply insecticides to cotton, alfalfa, soybeans, or other easily damaged crops.

For information on the use of chemicals for controlling weeds in corn, cotton, grain sorghum, and other crops on your farm, see your county agent. Ask for Extension Circular 507, "Chemical Weed Control on Alabama Farms." This publication also gives recommendations for killing brushes and small trees along ditch banks and fence rows, as well as recommendations for controlling bermuda grass and Johnson grass.

SIX steps to get most out of every dollar spent for fertilizer: 1. Soil test in order to use the right kind and amount of fertilizer. 2. Maintain correct soil acidity by liming. 3. Prepare a good seedbed. 4. Use plenty of certified seed to get and keep a good stand. 5. Plant on time. 6. Apply fertilizer below and to the side of seed.

* * *

TOO often pastures are overgrazed in the early part of the year and never have time to recover.

* * *

BUDWORM damage occurs most often in early corn and bottomland corn; wireworms are worse in sandy land. Both best can be controlled with aldrin or heptachlor mixed in fertilizer and applied before planting at the per-acre rate of one pound for budworms and two pounds for wireworms.

* * *

HOW many pigs do you save, raise, and sell per sow per year? Better check up if you aren't sure. These days, the goal should be to sell at least 16 top hogs from every sow every year.

* * *

START early to control pasture weeds. Spraying in May with one pound of 2,4-D amine per acre in 15 gallons of water will go a long way toward stopping bitterweeds and other easy-to-kill weeds. If you are afraid of the spray drifting to nearby cotton fields, treat in April before cotton is planted.

* * *

STARR millet makes lots of good green forage. Try to have one-fourth to one-half acre for each cow, either dairy or beef; one acre for each six head of 500-pound steers; one acre for each 20 shotes; one acre for each three sows and pigs.

* * *

IT pays to plant cotton just as early as the weather permits. Each day's delay after the proper planting date for your area costs you 10 pounds of cotton.

* * *

COOLING rooms for eggs don't have to be expensive, but they should hold eggs at 60 to 65 degrees and at a humidity of 70 to 80 percent. With hot weather not far off, now's the time to get the cooling room ready.

* * *

TO meet competition, it seems that Alabama broiler growers will have to average a pound of meat for each 2.5 pounds of feed used. With warm weather approaching, many producers will have a feed conversion figure of 2.2 (a pound of broiler meat for 2.2 pounds of feed). Tests at the Arkansas Experiment Station prove that a yearly average of 2.3 to 2.4 is possible and practical with present day feeds.

* * *

MANY carefully conducted experiments have shown that it does not pay to feed ground ear corn to growing-finishing pigs, shotes, and hogs. Sure, they'll eat it, but you lose the cost of grinding and end up with slower gains than when shelled or ear corn is fed. Adding molasses to ground ear corn makes it a little more tasty but does not make it a good ration.

Montevallo P.T.A. Sponsors Supper; Political Candidates Are Invited

The Montevallo Parent-Teacher Association is sponsoring a supper on Friday, April 18 at 6:30 p.m. in the school cafeteria. The proceeds will go toward improving the lighting system in our schools.

Shelby County candidates for public office have been asked to come to the supper. This will give all of us an opportunity to meet our future county officers.

Tickets will be on sale at Montevallo Drug Co. and McClure's Drug Store. Price $1.25.

Baptists Observe "Youth Yeek"

April 6-13 has been designated as "Youth Week" over the Southern Baptist Convention and many churches are observing it as a special program of activities for the youth of the communities.

The youth of the Montevallo Baptist Church have entered into the week with enthusiasm and will assume the various places of leadership for the week under direction of those who are normally serving in these places.

The officers and leaders chosen by the youth committee are as follows:

Sunday school superintendent, Johnny Johnson; Sunday school secretary, Edith Edfelt; training union director, Cecelia Lawson; training union secretary, Clift Woolley; chairman of deacons, Joe Clark; music program, Sara Jeter, Martha Ann Edge, Harriett Kendrick.

Brotherhood president, Ernest Blankenship; WMU president, Judy Wallace; church clerk, Jimmie Eddings; chairman of ushers, Jack Battle; ushers, Ruben Hayes, Larry Pickett, Olen Galloway, John Lankford, Cliff Wooley, Jerry Smitherman; social chairman, Janice Jones, Martha Whaley, Doris Jones.

Department superintendents, Linda Lawson, intermediates; and Guy Milford, juniors.

Deacons, Joe Clark, Jimmie Eddings, Mack Clark, Ricky Frost, Paul Glover, Cliff Woolley, Ernest Blankenship, Jack Battle, Johnny Johnson, Guy Milford, Bobby Smitherman.

These young people will serve during the week and will assume the responsibility of the various places of leadership on Sunday, April 13.

You are reminded to be on hand early on the morning of Saturday, April 12 at Calera, where the circus will show on the lot across from the L. & N. depot, under the auspices of Calera Lions Club.

Come and bring the family for an old-time day of fun at the circus. Prepare to spend the day in Calera.

B'ham-Southern Plans Installation Of New President

Five official delegates from the Montevallo area will take part in the academic procession for the inauguration of President Henry King Stanford at Birmingham Southern College Friday, April 11.

They are James H. Mason, of Helena, representing Murray State; Martha Allen of Montevallo, the National Art Educators Association; Dr. Howard M. Phillips, Alabama College; Lorraine Pierson, the Modern Language Association of America; and Dr. F. Edward Lund, former president of Alabama College and now president of Kenyon College, Ohio.

This is the first Birmingham-Southern College inauguration in 37 years, since Chancellor Guy E. Snavely was installed by President Warren G. Harding at ceremonies in Birmingham's First Methodist Church.

Gwilym A. Price, chairman of the Board of Westinghouse Corporation, will come from Pittsburgh to address an industry-college conference at a noon luncheon Thursday.

After Dr. Stanford's inaugural address Friday morning, official delegates will be guests at luncheon concluding the festivities.

HOMETOWN JUBILEE SHOW

Columbiana and the surrounding area is being treated for a big Hometown Jubilee Show sponsored by the Jaycees of Columbiana. It is a variety show. Local people will play the parts of Bing Crosby, Bob Hope and Dinah Shore.

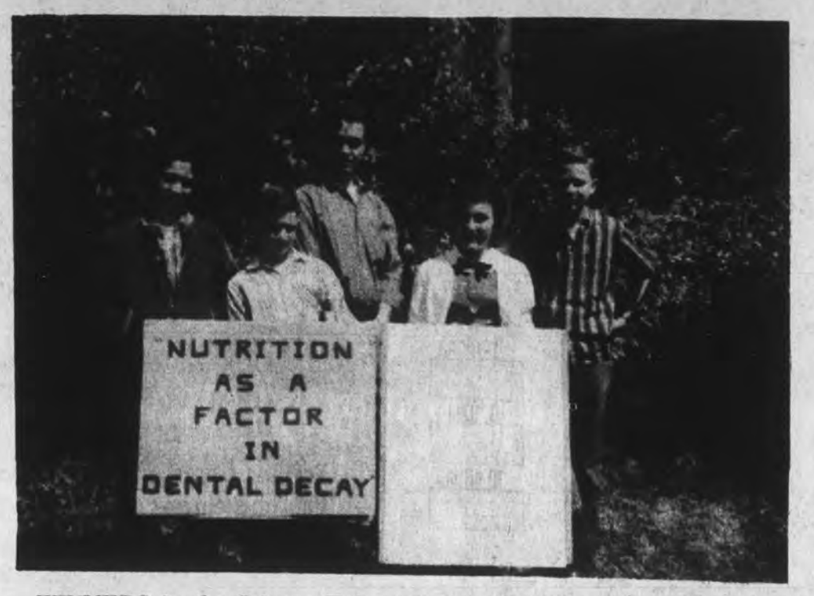

Two hours of good clean fun, music, dances and drama. You can't afford to miss the two country hicks who come to town and try to steal Bob Hope's show.

Watch for the date, to be announced later.

LABOR COUNCIL RALLY

The Shelby County Labor Council will hold a political rally at the Calera National Guard Armory Saturday, April 12th, at 7 p.m. It will be of great interest to the members of all Local Unions to attend this rally.

Winning second place in general physics was Vance Bush's rocket engine.

Howard Phillips Jr., took second place in the junior division of botany.

Ann Birchfield was third place winner in zoology.

Governor Names Industry Days

Governor Folsom has issued the following proclamation declaring Alabama Industry Days, April 28 to May 3:

Whereas, the great industrial growth of this State in recent years has resulted in national recognition as a cooperative effort on the part of all the people; and

Whereas, all the people including industry, agriculture, the press, professioonal groups, and other workers have made this vast industrial progress possible; and

Whereas, there are many official days designated for persons, projects, and the like; and

Whereas, the people of this State are entitled to have a full opportunity to know the industrial concerns and their products, which have made possible the greater utilization of the vast resources of this State;

Now, Therefore, I, James E. Folsom, Governor of the State of Alabama, do hereby proclaim, fix, and designate, and appoint the week beginning April 28 and ending May 3 of the year 1958 as Alabama Industry Days.

CALERA SCHOOL FESTIVAL

"Beautiful America" will be presented May 17 in the Calera High School auditorium at 7:30 p.m., with each grade of the elementary department participating. A king and queen will be crowned as part of the festivities. Proceeds from the 25 and 50 cent admission will be used for purchasing library books.

Procedure For Absentee Voting

Resident voters in Shelby County who will be absent from the county in regular course of business on May 6, may vote an absentee ballot by the following procedure:

Go in person to the office of Circuit Clerk L. G. Fulton in the Courthouse in Columbiana. Get a ballot, vote it, and leave it with the Circuit Clerk. This may be done, beginning April 16 through May 1.

Voters in the military services and their wives may send a statement to the Circuit Clerk, certified by the commanding officer, to the effect that the person is in the military service. Upon receipt of this certified statement, Mr. Fulton will send a ballot to the service man who may vote it and have it certified by his commanding officer and return it by mail to the Circuit Clerk. If it gets to the Circuit Clerk by election day, May 6, it will be counted.

Disabled veterans in VA hospitals may vote absentee by the same procedure as service men by having the hospital doctor to make proper certification in place of the commanding officer.

Montevallo High Band To Present Concert

The Montevallo High School Band will present a concert in Palmer Hall, Wednesday, April 16th at 8:00 p.m. This will be the annual formal concert in which the program ranges from classic to modern composers demonstrating the wide variety of music used in regular daily instruction.

Special features will be a trombone solo by Jimmy Seagle, accompained by the swing band and clarinet choir and brass choir numbers.

Admission prices will be adults, 50 cents, and students 25 cents.

HEAR CARL F. LYONS SPEAK

Hon. Carl F. Lyons will speak on April 14 at 7:30 p.m., at Calera High School on the subject, "The Communist Conspiracy to take Christ out of the American way of life."

This event is sponsored by the Shelby County Citizens Council. All candidates are invited to come and hear the message.

CHARLIE THOMPSON DIED

Mr. Charlie Thompson, a resident of Pea Ridge, was found dead in his car about noon Wednesday. Apparently he died of a heart attack. His car was pulled off the Aldrich Road at the junction of the College Dairy road.

Dr. Karl Ashburn Is Kentucky Colonel

KENTUCKY COLONEL—Dr. Karl Ashburn, chairman of the Business Administration Department of Alabama College, is now a full-fledged Kentucky Colonel, which fact is attested by his official notification of such appointment by Hon. A. B. (Happy) Chandler, the Governor of Kentucky.

Dr. Karl Ashburn is in line for congratulations by his friends upon his recent appointment by Hon. A. B. (Happy) Chandler, Governor of Kentucky, to membership in the Honorable Order of Kentucky Colonels.

Dr. Ashburn is particularly delighted to receive a letter from a former student of his, Hon. James H. Newberry, of Hiseville, Barren County, Kentucky. Mr. Newberry now represents the 27 District of Kentucky in the state legislature.

The letter said: "Dear Colonel: You are now a full Kentucky Colonel, for which I wish to congratulate you. Chandler is still Governor. He told me a few weeks ago that he was thinking of you. I guess you would say I was on his ticket. After having you for my teacher, and with your influence, it would be hard for me not to be on his side."

Colonel Ashburn has received an invitation from the Honorable Order of Kentucky Colonels to the annual banquet in honor of Governor Chandler and Mrs. Chandler Friday, May 2, at the Kentucky Hotel in Louisville; also an invitation to a barbecue at The Forest, Anchorage, Kentucky, on May 4.

Funeral Services Held For John Wilson

John C. Wilson, age 78, died at his home in Montevallo, March 28, after a long illness. He joined the church when a young man and lived as a faithful servant of God. He was a steward in his church and was a class leader.

In 1907 he married Savannah Osley. They were the parents of 8 children, 5 of whom are still living. His second wife was Mrs. Sadie Bearden, married in 1953.

The family wishes to acknowledge their appreciation and many thanks for the kindness shown them by their neighbors and friends, in their sadness for the loss of a loved one.

CUB SCOUT PROGRAM

Cub Scouting is a home centered program of boy action and boy achievement. Its program is developed through scientific research and testing by the Boy Scouts of America.

The program has been developed specially for parents of 8, 9 and 10 year old boys to use with and for their sons. It gives the boy something to work for and to look froward to. The program is as American as the American home.

In Cub Scouting, the whole family—mother, dad, and son—has a chance to enjoy things together in the home.

The Cub Scout learns to respect his God, his country, his home, and his fellowmen.

The Cub Scout motto is "Do Your Best". — From Cub Scout Guidebook.

Bulldogs Win Three Practice Games

As limbering up exercises last week for defense of the Shelby County baseball title, the Montevallo Bulldogs won three practice games from county competition. Calera, Columbiana, and Vincent were the victims.

Winslett Stops Calera 2-0

Billy Winslett took care of the Calera Eagles in fine style Tuesday as he gave up only one hit, issued no walks, and whiffed five in pitching the Bulldogs to a 2-0 victory. Only three Eagles saw first, and two of those got there by way of errors.

Montevallo's runs came in the fourth inning when Larry Gay, starter for Calera, weakened, walked three, and allowed one hit, before being replaced by Walter Ingram.

Jerry McNeel, issued a base on balls, took second when Leroy Winslett placed a perfect bunt down the third-base line; and both runners advanced as Fancher drew a walk. McNeel was given a free ticket home when Danny Thornton also drew a base on balls. Winslett was out on an attempted squeeze, and Fancher came home on an overthrow at the plate.

Bulldogs Wallop Columbiana 14-3

With neither team playing up to par, Montevallo defeated Columbiana there Wednesday 14-3. Both teams used four pitchers in this wide open bout that saw Montevallo collect 14 runs off five hits, 14 walks, and five Wildcat errors.

Without benefit of a hit, Columbiana scored all three of their runs in the second, as a result of four free passes and one infield error.

Montevallo's big inning was the seventh. In that one the Bulldogs scored seven runs and left the bases loaded on the third out.

Vincent Third Victim

Ronald Smitherman, lefthander, pitched the Bulldogs to a 4-2 victory over Vincent here Thursday. The day's batting hero was Billy Winslett, lead-off man for the Bulldogs, who brought home the first run by way of a round tripper in the first inning, then came back in the second with a double to drive in two more runs.

The fourth Bulldog run came in the third when Lee Salter singled, stole second and third, and rode home on Leroy Winslett's double.

Vincent collected their two runs off Peter Givhan, who went to the mound in the sixth. Doubles by Armbrewster and Bradberry and a walk issued Thompson did the damage.

Bradberry, pitching for the Yellowjackets, gave up seven hits; he walked four and struck out six.

Montevallo Tops Marbury, 8-2

For their fourth straight win the Montevallo Bulldogs routed Marbury here last Friday, 8-2, behind fine pitching by Billy Winslett. In his second win this season, young Winslett scattered five hits throughout as many innings, gave up no walks, and sent five down swinging.

Three free passes, singles by Danny Thornton and Barclay Fisher, and a three-run homer off the bat of Ronald Smitherman counted for five runs in the second as the Bulldogs batted around.

Smitherman, finding the Marbury pitching to his liking, blasted a second home run in the fourth with none aboard. A seventh run was added in the fifth inning when Leroy Winslett singled, took second on a wild pitch, and came home on Thornton's double. The final tally for the Bulldogs came after Leslie Harrison was issued a base on balls in the sixth. He stole second and crossed the plate on Lee Salter's single.

Marbury scored in the fourth and fifth innings. With two away in the fourth, Taylor Cook was on through an error and brought in the run when Donald Hand doubled. The second run came when Thorne reached first by way of error, stole second, advanced to third on Bo Parson's grounder to short, and scored after Eric Thorne flied to center.

HENRY P. STRICKLAND HERE LOOKING FOR VOTES

Mr. Henry P. Strickland, merchant, of Harpersville, was in Montevallo Tuesday soliciting for votes. He is a candidate for the Board of Revenue in the Fourth District.

Mr. Strickland said he lived at Wilton until he was about 15. His father, Ed Strickland, was a conductor on the Southern Railway.

Mr. Strickland is a candidate for the office now held by the veteran official, John Thompson.

San Diego, Calif.—Serving on the attack carrier USS Shangri-La with detachment "Charlie' of the Light Photographic Squadron 61, is Navy Lt. (jg) Allen P. Fancher, son of Mrs. Murray W. Fancher of Montevallo, and husband of the former Miss Marie Nelson of Tallassee. Before entering the Navy in 1955, Fancher graduated from Auburn.

Mr. and Mrs. C. D. Cowart spent the Easter week end with their children and grandchildren, the Carl McLemore and Robert Lockridge families in Moulton and Huntsville.

ANOTHER HARRISON VOTE

Karl Harrison took time out from his gubernatorial campaigning this week to celebrate the arrival of his first grandchild.

His daughter, Mrs. Porter Ingram, of Columbiana, presented him with a seven-pound granddaughter at University Hospital, Birmingham, on April 3. New arrival has been named Ann Marie.

Proud father is employed at Exchange Security Bank in Birmingham.

Daughter, mother, dad and grandparents are all doing fine.

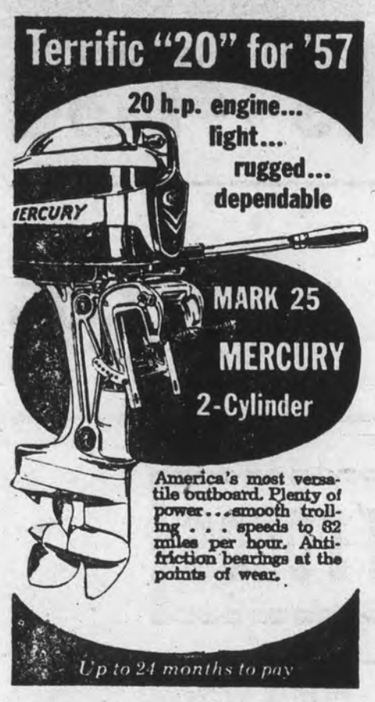

Karl and wife Mildred have three other children: Helen, 15, Carol Marie,12, and Tommy 8.

RETURN TO SAN DIEGO

Howard E. Smith, fireman USN, son of Mr. and Mrs. F. J. Smith, Route 1, Montevallo, returned to San Diego, Calif., April 1, aboard the dock landing ship USS Gunston Hall, after a tour of duty in the Western Pacific.

Jimmy McDow Stands For:

Economy in Government
I firmly believe that, with honest, efficient business administration of the spending of our present tax monies, we can provide more services for the people of our state WITHOUT NEW TAXES.

Segregation
The laws of Alabama maintain segregation. This is the will of our people. Our Southern way of life cannot be changed by the politically inspired thinking of a committee of nine. I will constantly work that SEGRERATION WILL BE MAINTAINED.

Education
As a parent of three children I have constantly worked to improve our school system. As a school trustee and as a member of the Alabama Citizens' Committee For Better Schools, I have kept informed as to the needs and progress of our schools. We have made considerable progress in our schools over the last several years, but we cannot be satisfied with our progress until our teacher salaries, our school buildings, and our educational opportunities offers our children the same advantages afforded other children throughout the nation.

A Successful Small Businessman With a Proven Record of Service to Shelby County

Re-Apportionment
The State of Alabama has not been re-apportioned for 57 years. This is unfair. I strongly favor re-apportionment and will work for it.

Old Age Benefits
Our older people made Alabama the great state it is today. Many of these are in desperate need. Our state should be providing each of these over 65 AT LEAST $50 A MONTH. I will work for the immediate enactment of this.

After being promoted to first lieutenant at Camp Drew, Japan, Robert T. Hitt (right) of Montevallo, receives the silver bars of his new rank from Colonel R. H. Smith, commander of Regional Camp Drew.

Lt. Hitt, whose wife, Beverly, lives in Montevallo, is accountable property officer of Camp Drew general depot. He entered the Army in September 1956, and was stationed at Fort Lee, Va., before arriving in the Far East in January 1957.

The 23-year-old officer is a 1952 graduate of Tuscaloosa High and a 1956 graduate of the University of Alabama. His mother, Mrs. Frances D. Hitt, lives at 1506 1st Ave., Tuscaloosa.

CARD OF THANKS

We wish to express our sincere appreciation to our many friends, neighbors and relatives for their kindness, sympathy and floral offerings extended to us during the sickness and death of our loved one, Mrs. Mattie Crawford. God bless each and every one.—The Children and Brothers and Sisters.

Miss Barbara Findley and Billy Miller Are Married in Calera Ceremony

Miss Barbara Findley and Billy Miller of Clanton were married at 8 p.m. Friday at the Calera Baptist Church. The Rev. Floyd Goree officiating.

Parents of the couple are Mr. and Mrs. B. A. Findley and Mr. and Mrs. H. H. Miller of Clanton.

Mrs. Robert Hilyer was matron of honor. Bridesmaid and matron were Linda Godfrey, Martha Hayes of Bessemer, cousin of the bride, and Mrs. Paul Moats of Clanton, sister of the bridegroom.

They wore full skirted frocks of pink embossed cotton, with empire effect bodice banded with velvet ribbon falling into streamers in back. They caried colonial bouquets of pink roses.

The bride was given in marriage by her father.

The bride wore a gown of blush imported chantilly lace and tulle. The lace bodice featured a modified sabrina neckline and dior sleeves. The cloud full skirt of tulle over taffeta ended in a chapel train. The veil of blush silk illusion was caught to a crown of pearls and opalescent sequins.

She carried a white Bible covered with a cascade of stephanotis centered with a white orchid.

Candles were lighted by James and Phillip Findley, brothers of the bride.

Jack Miller of Birmingham served his brother as best man.

Ushers were Kent Lowery, Robert Hilyer, and Henry Hilyer of Clanton.

The bride's mother wore an ice blue sheath of embroidered taffeta with pink accessories, and wore pink carnations. The mother of the bridegroom wore navy silk shantung with white accessories, and white carnations.

Music was rendered by Mr. and Mrs. Charles Hayes of Bessemer, cousins of the bride, with Mr. Ben Carlton at the organ.

The reception was in the church parlors. Assisting were Mrs. Dean Holcombe and Mrs. Robert Johnson, aunt of the bride, Mrs. James Winter, Mrs. Jack Miller, Mrs. Author Rhodes Jr., Mrs. Curtis Lucas, Mrs. J. Frank Baker, Mrs. Guy Youngblood, Mrs. Jim Duncan, Misses Glenda Willis, Dianne Dawson, Carol Findley, and Janice Barefield.

After a Florida wedding trip, the couple will live in Clanton.

The American Legion Auxiliary meeting has been postponed to Thursday of next week, April 17. The meeting will be at the Legion Hut.

Mrs. W. G. Hicks has returned from University Hospital after an operation.

MONTEVALLO TOPS VINCENT

Action started early and ran long as Montevallo defeated Vincent 13-7 there Tuesday in the first game toward defense of the Shelby County crown. In this high-scorer the Bulldogs crossed the plate in all but one inning, as they collected a total of 14 hits off two Vincent pitchers. Vincent's scores came in the first, sixth, and seventh innings.

To open Montevallo's scoring parade, Leroy Winslett slammed out a double and Ronald Smitherman was on by way of a free ticket. Both scored ahead of Lee Salter who hit for the circuit, giving Montevallo a 3-0 lead in the first inning.

Collecting four for four Forrest Brown, Montevallo's big first baseman, led the Bulldogs at bat; but Lee Salter was the big stick man with two homeruns and a single in four trips. Leroy Winslett, also finding Vincent pitching to his liking, hit four for five, one of which was a double.

Guy, starting pitcher for the 'Jackets, gave up nine hits, walked three, and struck out four before being relieved by Bradberry. In his two and one-third innings on the mound, Bradberry allowed five hits, walked two, and fanned two.

Ronald Smitherman, southpaw, went the route for Montevallo. He was tagged for six hits, while walking three and striking out seven.

For Vincent, Armstrong had a single and a triple for four trips to lead the 'Jackets at bat.

No. 2

STATE OF ALABAMA
A PROCLAMATION
BY THE
GOVERNOR

WHEREAS, the Legislature of Alabama at the Regular Session 1957, ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that the said election be held on the first Tuesday in May next following final adjournment of the 1957 regular session of the Legislature; and

WHEREAS, the first Tuesday in May next following final adjournment of the 1957 Regular Session of the Legislature, at which the amendment was proposed, will be and occur on Tuesday, May 6, 1958; and

WHEREAS, notice of such election, together with the proposed amendment is required by law and by the provisions of the act submitting the amendment, to be given by a proclamation of the Governor to be published in each county in the State of Alabama once a week for four successive weeks next preceding the day appointed for the election:

NOW, THEREFORE, I, James E. Folsom, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 6th day of May, 1958, an election will be held at the several polling places within the State of Alabama, in the manner and form provided by law upon the following proposed amendment to the Constitution of the State of Alabama of 1901:

"The provisions of an act of the Legislature approved on the seventeenth day of June 1957 relative to the powers of Marion County to provide for schools and other improvements, being Act No. 29, H.B. 107, 1957 Regular Session, are hereby ratified, validated, and confirmed, any provisions of the Constitution of Alabama as amended to the contrary notwithstanding."

I further direct and proclaim that notice of this election upon Tuesday the 6th day of May 1958 upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 6th day of May 1958 in each county in the State of Alabama in a newspaper published in said county.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of Alabama to be affixed by the Secretary of State, at the Capitol in the City of Montgomery on this the 20th day of February 1958.

JAMES E. FOLSOM,
Governor.

Attest:
Mary Texas Hurt Garner,
Secretary of State.

TO THE MOON AND BACK 47 TIMES! Now that we're getting baby satellites into space, folks are really "up in the air" about space travel and trips to the moon. And the exciting thing is that it all may come true. Right now, if we could get to the moon and wished to put in telephones, we could probably get the wire to reach from earth to moon in pretty short order. In just one year the Western Electric people supplied Bell System companies with cable that contained 23 million miles of wire—enough to reach the moon and back 47 times! That's a pile of wire, but it's only a drop in the bucket compared to that we already have in service and still need to serve all the people who want new telephones every day in the year.

618 North 22nd Street, Birmingham, Alabama, or
Handy Ellis' Office, Columbiana, Alabama

To The People of Shelby County:

I solicit your vote and influence in the Democratic Primary May 6, for Member of the Board of Revenue and Control in the Fourth District.

If I am elected to this office, I promise to serve you to the best of my ability and to work for the growth and progress of our county.

With the cooperation of other members of the Board, I shall make every effort to improve our roads in rural communities. I will emphasize the necessity of having roads that are traveled by rural mail routes and school buses widened and kept in good condition for the safety of our children.

I am in favor of paying all county employees a reasonable and living wage, with twice a month pay days.

I will work and cooperate to the fullest extent to bring more industry to our county, of which there is great possibilities, and there is no reason why we should not go forward.

I am a native of Shelby County, for which I am proud. I was born in Columbiana and received my education in Shelby County schools. I was employed by Railway Supply Co., of Ala., Inc., in 1923. I served this company for 25 years, starting out as a truck driver and working up to store manager, then to superintendent of stores, which position I held until my resignation in 1950, at which time I entered business for myself in Harpersville, where I am now located in retail grocery and wholesale produce business. I feel that my business experience qualifies me to serve you as a member of your Board of Revenue and Control.

I am a member of the Town Council of Harpersville. I am an active member of the Harpersville Baptist Church, a Mason and a Shriner.

I will greatly appreciate the people of Shelby County investigating my record in the District which I seek to serve, and see if I am the man they want to represent them.

Yours for a greater Shelby County,

Henry P. (Strick) Strickland

(Pd. political adv. by H. P. Strickland, Harpersville, Ala.)

FOR SHERIFF

A. E. (Bud) NORWOOD

As a candidate for Sheriff, I invite the consideration and support of the voters of Shelby County on the basis of my record as a former Sheriff and as a citizen of our county for many years.

For eleven years I served as an investigator in the law enforcement department of the State. I resigned from that position to run for Sheriff. I was elected and served one term. Just prior to my election I was appointed Sheriff to serve a few months of the unexpired term of Sheriff Bozeman, who died while in office.

When I was Sheriff, I recognized the importance of the police departments of our towns as a vital part of the law enforcement program of the county. I gave each and every town in the county the full support and cooperation of my office. I would restore and continue such a policy if elected again.

Therefore, upon my past record as a law enforcement officer, and with a sincere dedication to a future of fair, honest and efficient service to all the people of the county, I ask your support in the Primary on May 6.

Fairness and full consideration to the common interests of all citizens, and special favors to none, will be my policy in future as in the past.

(Paid political adv. by A. E. (Bud) Norwood, Calera, Alabama)

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Before adjourning for an Easter recess, the House of Representatives last week passed a number of important bills. Probably the most newsworthy was the compromise $1.8 billion highway construction bill that was approved on Thursday.

This highway legislation, which authorizes a stepped-up road-building program, received House approval on a 300 to 28 vote. Shortly thereafter it was promptly passed by a voice vote in the Senate. Designed as an anti-recession measure, the bill authorizes funds for primary, secondary, and urban roads, and for continuing construction of the 41,000-mile interstate system.

ACP Funds Voted

In addition to the highway measure, the annual appropriation bill for the Department of Agriculture received House approval. Totaling $3.2 billion, the measure contains $250 million in advance funds for the Agricultural Conservation Program. The President earlier had sought to reduce these funds to $125 million.

This legislation, which has been referred to the Senate, also contains $100 million for the national school lunch program.

Efforts Fail

An effort was made by Southern members of the House of Representatives last Tuesday to delete, by amendment, from a general government appropriation bill funds for the new Civil Rights Commission. Although we were successful in securing a separate vote on the amendment, it was decisively defeated.

The appropriation bill, which contains a total of $15.5 million for running the White House and certain executive agencies in fiscal year 1959, includes funds of $750,000 for salaries and expenses of the Civil Rights Commission.

Retirement Raise

Also before adjourning, members of the House approved a bill to increase the benefits of retired government employees and survivors by ten per cent. Only one House member spoke against the measure when it was offered for consideration.

A civil service retirement bill passed by the Senate contains provisions which differ from those of the House-approved measure so that a compromise must be worked out between the two versions. The Senate bill enbodies more liberal provisions and would cost $893 million as compared with the 552-million-dollar House bill.

Visitors

Among the Sixth District visitors to our office last week were Mrs. Robert Holcomb, of Montevallo, and her daughter, Mrs. Joy Turnage. Mrs. Holcomb was in Washington visiting Joy and her husband during the Easter Holidays.

Miss Ann Farris of Auburn spent the week end with her parents, and had as her guest a friend, Miss Gayle Chambers.

MISS LELAH BROWNFIELD

Miss Lelah Brownfield To Retire

Students of Lelah Brownfield, who has spent half her life teaching at Alabama College, have had important roles in sharing America's history.

Miss Brownfield, who is retiring June 1, has trained secretaries who have served with the United Nations, the Atomic Energy Commission, and with United States Congressmen.

"Several Alabama College graduates were secretaries to the men who formed the United Nations in San Francisco," Miss Brownfield said.

" Two of our graduates, Rachel Keynton and Rebecca Grady, are now secretaries to Senators Lister Hill and John Sparkman," she said.

Miss Brownfield will be honored by alumni at a luncheon April 12 at 12:30 in Anna Irvin Hall on the Alabama College campus. Gulmer Wilson, Montevallo, is in charge of reservations.

A native of Urbana, Ill., Miss Brownfield came to Alabama College in 1923 as head of the secretarial science department.

She received her AB degree in liberal arts from the University of Illinois where she was a member of Gamma Phi Beta social sorority.

She obtained her MA degree in business education from New York University. Miss Brownfield was one of the first persons with a college degree to teach shorthand in Alabama.

Funeral Services Held For Mr. Patterson McMahan

FOWLER for PROBATE JUDGE

CONRAD M. (Bulley) FOWLER

CANDIDATE FOWLER, should a candidate for Probate Judge be concerned with whether or not the procedure for electing County Commissioners is changed so that a Commissioner is elected by the voters in his own district and not by county wide vote?

ANSWER: Yes. In fact I think he sould provide the leadership to get this change made. The question is one of vital importance. It relates to the County Board, of which the Probate Judge is chairman, therefore, he should, if he favors the change, actively seek it. I have sought support for this change by discussing the quetion throughout the entire County. I will continue to work for this change until it has been made.

CANDIDATE FOWLER, what are your thoughts about the future road program for our County?

ANSWER: The Board of Revenue and Control, of which the Probate Judge is chairman, should continue the planning of and construction of paved roads as rapidly as the income of the County will permit. We should give particular attention to the roads the school buses and mail carriers travel and also to the improvement of roads that lead to fishing and boating areas. People who come into the County for these sports will be trading with business men throughout the County, thus giving us the equivalent of an additional pay roll. Paved access to these waters will bring in more people for boating and fishing.

CANDIDATE FOWLER, we have heard much concerning a pay raise for County employees and paying them twice each month, rather than on each second Monday. What is your idea on these matters?

ANSWER: For more than three months I have expressed the opinion that the wage scale for County employees is unreasonably low and that they should be paid at least twice each month. I hear that in the near future these employees will begin receiving their pay twice a month. I favor at least two paydays a month and a raise in pay for County workers to where they all receive a living wage.

I have served you as your Sheriff for the past term, and believe I have conducted myself in a way to let you know how I stand on all matters. I call your attention to a few of the FACTS:

1. I have kept in contact with every community in person or by deputy.

2. I have answered and investigated all calls promptly in person or by deputy.

3. I have taken a firm stand against the liquor traffic in our county in person and by all deputies.

4. I have fought and dissolved all known organized crime in our county in person and by all deputies.

5. I have taken a definite stand against all law violations in person and by all deputies.

I stand on my record in seeking re-election.

ELLIOTT for PROBATE JUDGE

W. W. ELLIOTT

If you elect me your Probate Judge, these things I promise to do:

1. The most important function of the Board of Revenue and Control is to improve the roads as fast as possible—I promise to make recommendations to this board that will get the people out of the mud and dust as quickly as possible, giving first priority to school bus and rural delivery routes.

2. Selection of the Board of Revenue and Control is a matter that does not address itself to the probate judge but is strictly a legislative matter. If elected to this office, I shall use my influence to carry the wishes of the majority of our people to our representative and assist in seeing that the legislation is passed to carry out these wishes.

3. I shall recommend to the Board of Revenue and Control that a retirement system be set up for employees of the road department who have given 25 years or more of service in that department.

4. I shall recommend to the Board of Revenue and Control that all purchases of material and equipment be made on a competitive or negotiated bid basis which has been a record with me as your public servant over the years.

5. I shall give cooperative leadership to the board in seeking a satisfactory solution to all problems that come before that board and apply the same basic business principles that I have in my past experience.

6. I promise to recommend to the board of Revenue and Control that a thorough study be made of the employee wage scale and that raises be given, if possible, in relation to services to be rendered by each employee, the services to be rendered to the people, and the amount of revenue coming in each month.

7. I shall recommend to the Board of Revenue and Control that all county vehicles and equipment be painted an appropriate uniform color with proper markings for indentification.

8. I will request that the person whom you elect as your representative pass the necessary legislation to place the probate judge's office on a reasonable salary rather than to continue it on a fee basis as it now is and to place the saving therefrom in the treasury of our county for expanded services. This action shall be taken at the first time that it can be legally done under the constitution and the laws of this state.

9. I shall exert every effort at my command to combat juvenile deliquency with fairness and impartiality in our county as presiding officer of the juvenile court.

10. I shall serve all the people in all matters coming before the probate office of our county with kindness, fairness, and impartiality.

11. I promise that if elected as your probate judge, that immediately after assuming the duties of that office, I will take steps to organize a Shelby County Chamber of Commerce with representation from every community in our county for the building of a better county.

Your vote and influence will be greatly appreciated.

Hear me discuss this program every Saturday at 12:35 on station WBYE, 1370 on your dial.

FFA Notes

Forty Montevallo Greenhand FFA boys have started to survey their homes and grounds to look for jobs to study and complete in the farm shop or at school. After making a plan and figuring the needed materials, the students will begin to study the various skills necessary for the job.

B. P. Dillworth, assistant supervisor of vocational agriculture, of Auburn, will visit the Montevallo FFA April 17 or 18.

Sr. II Ag boys have started to work as committees for the annual prom in May.

The Montevallo Chamber of Commerce held a regular monthly meeting at the City Hall April 10.

Some committees gave reports. About 30 members have paid the 1958 dues. Others are urged to pay dues at once.

M. Thornton will attend the Paper and Pulp Day at Columbiana today. There will be a barbecue and an interesting program.

FFA members are placing orders for official manuals and pins for FFA degrees. With 100% participation in this, the chapter will compete again this year for state honors. Tony Birchfield will officially represent Montevallo at Auburn June 4, 5 and 6 at the annual state convention.

Tony Birchfield, Kent Salter, Glenn Cunningham, Gene Reid and Cary Kendrick went to Auburn Saturday and participated in the district contests.

Mrs. R. P. Holcomb has returned after spending spring vacation with Joy and Kirby in Washington, D. C.

The rate of industrial growth in the South during the past 20 years has led the nation. The pulp and paper industry is a leader in this Southern progress.

Sixty-three primary pulp and paper mills are located in Dixie. They employ over 77,000 persons in the woods, mills and offices. Another 81,000 harvest pulpwood.

The pulp and paper industry annually contributes over one billion dollars to the South's economy at the rate of three million dollars a day. It also is giving new impetus to the region's agriculture because pulpwood has become a vitally important new cash crop to Southern farmers.

Farmers and other landowners are assured an expanding market for their trees since paper consumption is growing by leaps and bounds each year. It is predicted that 50 to 60 percent more pulpwood will be needed by 1967.

Growing trees—like growing any other crop—requires sound management. Forests that are cut properly go on producing trees *generation after generation*. Forests that are now non-productive can be converted into money-making areas.

PULP and PAPER DAY — April 15

Pulp and Paper Day will be celebrated throughout the South on April 15. This event will focus public attention on the economic importance to the region of the pulp and paper industry, its role in the South's modern agricultural development . . . and the tremendous economic opportunities more productive forests offer in the years ahead.

Nelson Fuller To Be Citizenship Day Speaker

Nelson Fuller, Centreville, chairman of the executive committee of the Alabama College board of trustees, will deliver the main address at the college's citizenship day program April 22.

Dr. Maxine Couch Davis, chairman of the senior class advisory committee, will present the class to Dr. Howard M. Phillips, president of Alabama College, at the 4 p.m. convocation.

Dr. Phillips will administer the oath of citizenship to the class.

At the convocation Ann Elise Berry, Caruthersville, Mo., chief justice of the Student Court, will make the invocation.

Lois Swindal, Bessemer, senior class president, will lead the seniors in the pledge to the flag.

The Ramsay High School Choir from Birmingham will present music for the occasion. Mrs. Ruth Scott Parker is the director.

A formal dinner will be held at 6:30 p.m. in the college dining hall honoring Mr. Fuller and the senior class. The Alabama College Choir will perform.

Calera Seniors Are Entertained

On Friday evening, April 11, the Junior Class of Calera High School entertained the Seniors at a banquet and prom. Theme of the program was Mardi Gras.

The banquet was held in the school lunchroom. The menu was prepared by PTA mothers.

Rev. J. E. Brasher led the invocation. He was introduced by Walter Ingram who also introduced the Seniors. David Thomas introduced the trustees, faculty and members of the Shelby County Department of Education. Coach Charles Jones gave the benediction.

The banquet was under the supervision of Mrs. Avaline Childers, home economics teacher.

The auditorium was decorated as a huge tent constructed by Sam Tate, David Thomas and Dickie Dunaway. Decorations were painted by Blair Mabry and Marilyn Miller.

Mary Charles Killingsworth, escorted by Kermit Roberson, led the dance. Other members of the Senior Class and their dates completed the leadout.

Music was furnished by the Jacksonville Combo.

REV. B. B. CURRY, Associational Missionary, is chairman of the Shelby Baptist Association drive to raise funds for the Howard College Chapel-Religious Education Building to cost $750,000.

Faculty Members Address Alumni

Three Alabama College faculty members will be guest speakers at the Shelby County Alumni Chapter luncheon meeting Saturday, May 3 at 12:30 p.m. at Vestavia Country Club.

Speaking on vital services available to county and state educational programs through their departments at Alabama College will be: Dr. Herbert Eber, Psychology department; Dr. Laura Wright, Speech department and Dr. Paul Bailey, Science department.

Cards for making reservations have been mailed to members for return to Mrs. Ashley Jeter, Sr., social committee chairman. Please mail your return cards or call Mrs. Jeter by April 22. Price of the luncheon is $2.25, including tax and tips and may be paid May 3 at the meeting.

Girls Scouts To Aid Library

Members of the Montevallo Town Library Board of Directors met last week to discuss further policies for the operation of the Montevallo Town Library.

Recognizing the need for assistance to the library personnel during hours when the library is open, the following members of the Montevallo Senior Girl Scouts have offered their services: Gibbie Scott, Edith Edfelt, Phyllis Kyser, Mary Williams, Sherry Gregg, Jan Waters, Jo Lynn Appleby and Amelia Dodd. Beginning April 15 these girls will work in teams of twos aiding in checking books in and out, arranging books and giving help in book selections to any book borrowers who wish it. The Senior Girl Scouts assistance will continue during the summer months and will include a scheduled story hour for children.

Letters of appreciation will be sent to the following members of the community who have donated books to the permanent collection of the library: Mrs. Lazenby, Miss Ethel Reasoner, Miss Ann Eastman, Mrs. T. H. Napier, Miss Abi Russell, Miss Emma Denby, Mrs. Alvin McGaughy, Mrs. A. C. Anderson, Mr. David Huntley, Miss Lucille Griffith, Mrs. Richard Ballentine, members of the D.A.R. and the A.A.U.W., local branch.

Organizations To Install Officers

Installation of officers for three organizations will be featured at the April 21 meeting of the Thompson P.T.A., with Mrs. A. H. Holbrook taking office as president of the parent-teacher group. The meeting will begin at 7:30 p.m. in the school auditorium.

Officers of the Band Boosters and Reserve Teachers Clubs will also be installed in addition to the ceremonies for the P.T.A. leaders.

L. O. Farris will serve as president of the Band Boosters next year. Mrs. Tom Harper will head the Reserve Teachers and Mrs. W. J. Mathis will serve as secretary.

Serving with Mrs. Holbrook as P.T.A. officers will be Mrs. A. L. Langston, first vice-president; Mrs. F. E. Smith, second vice-president; George Bentley, secretary; and Gary Jones, treasurer.

Mrs. Hank Spires has served as P.T.A. as president this year.

Mrs. James Grant, Wilton, attended the Gulf Coast Section of the American Camping Association last week end at Roosevelt State Park, Morton, Miss. The ACA is an organization for the development of better camping facilities for a larger number of people.

Mr. Gunnor Peterson, leader in the camping field in the USA, of Chicago, was guest at the meeting.

Rites Held For Monroe Jackson

Mr. Monroe Jackson, age 70, died suddenly Monday morning at his home in Calera, suffering a heart attack while working in his garden.

Surviving are his wife, Mrs. Nancy Jackson; 1 daughter, Mrs. Nancy Hawkins of Birmingham; 1 son, James M. Jackson of Tuscaloosa; 1 brother, A. E. Jackson of Corona; 2 sisters, Mrs. Dolly Woods of Tuscaloosa, and Mrs. Cordelia Banks of Jasper.

Funeral services were held on April 8th in Tuscaloosa. Burial in Tuscaloosa Memorial Gardens.

Pallbearers were nephews, Eldridge Jackson, Wilbur Christian, Powell Olich, Gary Harkey and D. L. Foley.

Thanks From Partlow School

The Montevallo Chamber of Commerce has received the following letter from the Partlow State School and Home for Mentally Defective Children:

"The Home Economics Club of Alabama College sent or brought to the Partlow State School some of the most beautifully made animal toys for our children we have ever received, and we do not know just how to properly thank them.

"We were told by the girls that the merchants of Montevallo contributed the materials for these animals, and we are asking you to thank them for their very fine contribution to our children. If you could have seen them when they were given these toys, and when told that they were made by the girls at your city's schools, you would have felt doubly compensated for anything in the way of trouble or effort it took to do the job.

"Again you may be sure of our heartfelt thanks for making our less fortunate children happier than they have been in many a month, or perhaps years, and asking for a continuance of Montevallo's interest and aid.

"Won't you express to the college our thanks, also?"

The letter was signed by Mrs. Annie H. Townsend, Social Service Volunteer, and Dr. R. C. Partlow, Assistant Superintendent.

CALERA PET SHOW

Around 50 pets were exhibited last week when the third grade of Calera School gave a pet show.

Blue ribbons were awarded to Carolyn Pierce for her dog, the best groomed pet; Bernice Park for her dog, the best behaved pet; and Joan Cannady for her rabbit, the most popular.

Pre-School Registration

Registration of pre-school children who will enter Thompson School next fall will be held in the first grade rooms Tuesday, April 22, from 1 to 3 p.m.

All children must be 6 years old by Oct. 1 and must have a birth certificate before they can be enrolled next fall.

CALERA SENIOR CLASS PLAY

The Senior Class of the Calera High School will present "June Fever" on Thursday evening, April 24, at 7:30.

The cast has been hard at work for weeks. Members of the cast are Wanda Moore, Martis Giles, Sudie Barefield, Barbara Blake, Carolyn Gentry, Bobby Loftin, Carl Carden, Gwen Wilson, Eva Brooks, Frog Adams.

W. J. Akeridge is directing the play.

Shelby County's Forests Are Increased

Future forests in Shelby County have recently been increased by 1,874 acres through the efforts of the Coosa River Newsprint Company.

A total of 1,124,350 trees were planted of which 1,034,350 were used to re-stock company lands, and 90,000 by individuals in Shelby County. The increased productivity of these lands will greatly benefit the local communities.

Included are tree seedlings planted on the Company's own lands and those given to individual landowners and youth groups during the past three months. Homer B. Starks, Coosa River District Forester, said today.

"Large acreages of timberland brought into production mean annually to the community more in bank deposits, more jobs, more householders, more personal income, more passenger cars, more new retail establishments, and an increase in retail sales," said Mr. Starks.

Income from managed woodlands may be considered as stable as industrial payrolls because of the assured long-range market for forest products. While the future cannot be predicted with certainty, trends show an ever-increasing demand for lumber, paper and other forest products in our country.

Economists have predicted that by the year 2000 consumers will be using two-thirds more forest products in the United States than we are today.

This great increase is of particular interest to timber growers who can be assured that their trees will always be a cash crop.

HUGH SIMS

I have served you as your Sheriff for the past term, and believe I have conducted myself in a way to let you know how I stand on all matters. I call your attention to a few of the FACTS:

1. I have kept in contact with every community in person or by deputy.

2. I have answered and investigated all calls promptly in person or by deputy.

3. I have taken a firm stand against the liquor traffic in our county in person and by all deputies.

4. I have fought and dissolved all known organized crime in our county in person and by all deputies.

5. I have taken a definite stand against all law violations in person and by all deputies.

I stand on my record in seeking re-election.

THIS IS MY RECORD AS YOUR SHERIFF

Pitchers' Duel! Bulldogs Win, 1-0

By S. DeMent

In defense of the Shelby County baseball title, Coach Fisher's Bulldogs posted their second win as they eked out a 1-0 victory over Calera here last Friday. This pitchers' duel that saw Montevallo collect only two hits while Calera had three, could have gone into the night but for a balk on the part of Walter Ingram, Calera southpaw, who walked in the winning run.

In the second inning Leslie Harrison was issued a base on balls and winged it to third when Forrest Brown singled. Then, after Brown had moved to second on a passed ball, both runners were given a base when Ingram balked on a pitch to Danny Thornton. Harrison crossed the plate with the big one, and Brown went to third. But the scoring was over for the day; after that, Ingram closed the door and retired the next three batters in order. Thornton went down swinging. Milton Terrell lined out to the first baseman, and Barclay Fisher was out short to first.

The Eagles came very near to evening the count in the sixth when "Woo" Edwards had a triple into centerfield. The ball got by Lee Salter at the center post, and Edwards was on his way home with the tying run. However, a perfect relay from Ronald Smitherman to Milton Terrell, shortstop to Danny Thornton dropped the runner at the plate.

Billy Winslett did the job on the mound for the Bulldogs as he blanked the Eagles for a second time this season. The young righthander gave up only three hits, two intentional passes, and struck out three.

Ingram's mound performance, good enough to win on most any other day, showed two hits for the Bulldogs, three walks, and seven strikeouts.

Montevallo plays Vincent here Friday at three.

KARL HARRISON WINS . . . No, the results are not in on the Governor's race yet, but it is obvious that the veteran legislator from Shelby County has won the affections of his first grandchild, Ann Marie, born April 2. She is the daughter of Mrs. Porter Ingrom, Harrison's oldest girl.

Mixed Choir To Visit 8 Towns

The Alabama College mixed choir begins a tour Thursday that will include appearances in eight Alabama towns and Milton, Fla.

Bruce Tolbert, associate professor of music and director of the choir, said that the group will feature instrumental and voice soloists, a brass choir, and piano accompanists.

Their first appearance will be Thursday at 7:30 p.m. in the First Methodist Church of Brundidge. Friday they will appear at 10 a.m. in Carroll High School, Ozark.

Friday at 7:30 p.m. the choir will present a concert at the Andalusia First Baptist Church. The following evening's program will be at 7:30 p.m. in the First Baptist Church of Milton, Fla.

Sunday, various groups of the choir will present special music in all the churches in Atmore. Sunday afternoon the entire group will appear at Atmore's Patterson School at 3 p.m.

The choir will perform at Bay Minette City Auditorium at 7:45 p.m. Sunday evening.

Their program will be presented Monday at 10 a.m. at Wilcox County High School, Camden.

The choir will be entertained at a reception in Orrville given by Alabama College alumni following their Monday afternoon appearance at Orrville High School.

The choir will conclude the tour with a concert at West Blocton High School Monday evening at 7:30 p.m.

FFA Notes

Eleven FFA members attended the bus drivers' clinic held in Columbiana under the direction of S. B. McClure, transportation supervisor for Shelby Board of Education. Those attending were Jimmy Jones, Gary Thompson, Curtis Jarvis, Pete Hughes, Terry Daviston, Billy Joe Herron, Bobby Snow, Kenneth Snow, James Bright, Larry Pickett, and Jack Whatley. Boys completing the requirements in the training program satisfactorily are usually issued certificates indicating their eligibility for applyng for bus driving jobs.

* * *

Sr. II agriculture boys are busy this week getting materials together and working with the committee planning the Junior-Senior prom for this year.

* * *

Jr. III agriculture students are beginning a study of some of the skills involved in woodwork and other work in farm mechanics. It is expected that each boy will choose some special project and through doing the project discover and study some of the facts and practice some of the skills accompanying successful performance of each job.

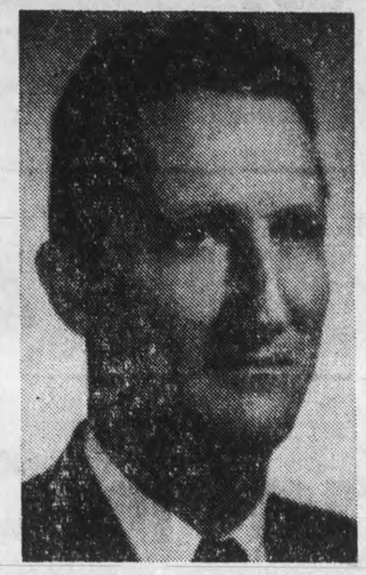

M. Thornton, FFA adviser, attended the paper and pulp meeting sponsored by the Gulf States Paper Co. in Columbiana last Tuesday.

* * *

Bobby Hawkins took time out last week to show the second year vocational agriculture students his project with laying hens at his farm north of Montevallo. Bobby told the group his gross income per day now is $175.00 and that he receives 85c per dozen for the eggs he markets. He keeps nearly 4,000 layers producing for the hatchery. Bobby began his projects while a student in FFA at Montevallo High School.

THANK YOU NOTE

I want to thank my friends for the beautiful flowers, cards, and prayers during my recent illness at University Hospital. May God bless all of you. — Mrs. Delmus Anthony.

Representative to State Legislature

From Shelby County

Subject to Action of Democratic Primary, May 6, 1958

McDow Stands For:

A Successful Small Businessman With a Proven Record of Service to Shelby County

Industrial Development

We are blessed in Shelby County with many natural resources, good transportation facilities, and an abundant labor supply of good workers. I have CONSTANTLY WORKED for the industrial development of our county, and as your Representative, the full force of this office will be behind every effort seeking industries for ALL SECTIONS of our county. I pledge, also, to continue to work hard for the full development of the Coosa-Alabama Rivers, the largest undeveloped waterway east of the Mississippi.

Labor

I will never sponsor or support any legislation harmful to the working man. I will work for the working man.

Conservation

We have many problems in this department. I have been alarmed at the sell-outs of the timber in our state parks. I STRONGLY FAVOR a career man as director of this department under a COMMISSION appointed for staggered terms. STREAM POLLUTION is another serious problem. Many of our waters can not be utilized fully for recreational purposes, the fish caught in some areas can not be eaten because of this. I PLEDGE to first find out exactly what is causing this pollution, and second, to make every effort to get this problem corrected.

Local Legislation

All local bills must be initiated by YOUR REPRESENTATIVE. Such bills must be carefully considered, that the interests of ALL the PEOPLE of the county might be best served. Changes should be made only at the will of the majority of a WELL-INFORMED people. I PLEDGE to KEEP YOU INFORMED. I strongly believe that it is the thinking of the majority of our people that the Members of the Board of Revenue should be elected by the District which each represents. I have promised to make this change. I believe it to be fair to the people of each District and to the candidates for these offices.

Watch this space each week as Jimmy McDow discusses his stand on State and Local issues

NOTICE BY THE TOWN OF WILTON, ALABAMA

In accordance with the Code of Alabama, 1940, Title 55, 1955 Cumulative Supplement to Volume VIII, Section 367 (11) the following municipal codes will be considered for adoption by the Town Council of Wilton after the mandatory 15 day waiting period after the first appearance of this newspaper notice.

1. A Building Code Ordinance. This Building Code known as the Southern Standard Building Code, 1957-1958 revision, regulates all types of building construction, and provides for minimum design standards according to types of building use, occupancy and hazards. The use of minimum standards within this code provide for safety of occupants, protection from fire hazards due to substandard construction and maintains a satisfactory type of construction which will tend to prevent rodent infestation, rapid deterioration, the likelihood of destruction by fire due to faulty construction or occupancy, and similar types of dangerous and insanitary conditions.

Several copies of this code are on file in the City Hall for inspection by the public.

2. The Southern Standard Building Code for gas burning and gas pipes and other related equipment and appliances. This code is known as Part 2 of the Southern Standard Building Code, 1957-1958 edition. This Gas Code provides standards of construction, installation and maintains by which safety for buildings and occupants will be provided.

Several copies of this booklet are on file with the Town Clerk for inspection by the general public prior to enactment into a Town Ordinance.

3. Part 3 of the Southern Standard Building Code contains the provisions for plumbing. This plumbing manual and code provides minimum standards which sets forth regulations for the installation, extension and use of various types of plumbing within and immediately outside of building structures. It concerns the piping, plumbing fixtures, hangers and supports, water supply and distribution bents and benting, storm drainage and similar types of plumbing installations and construction.

Several copies of this plumbing booklet and code are on file with the Town Clerk for inspection by the general public prior to adoption into ordinance form.

4. The National Electrical Code, 1956 edition, provides necessary minimum requirements for the installation and design of electrical wiring, the use of safe wiring materials, and construction specifications.

It is the nationally adopted code developed by the National Fire Protection Association (60 Batterymarch Street, Boston 10, Mass.—paper back edition $1.00 per copy).

Several copies of this Electrical Code are on file with the Town Clerk for inspection by the general public prior to adoption into ordinance form.

5. Uniform Minimum Housing Code. The purpose of this code is to maintain the health and cleanliness of residential sections of the town and to insure sanitary conditions in private premises through establishing minimum housing conditions for habitable buildings within the town jurisdiction.

Several copies of this Minimum Housing Code are on file with the Town Clerk for inspection by the general public prior to adoption into ordinance form.

Provisions are contained within each of the above described codes for legal enforcement and penalties for violation of the provisions thereof.

FRANCES CLEVELAND,
Clerk.

Mrs. Terry Johnson of Birmingham left Monday after spending two weeks with Mrs. J. I. Reid. Mrs. Johnson and Mrs. Reid were roommates in college.

Harriett Posey Head Cheerleader

Harriett Posey, daughter of Mr. and Mrs. Paul Posey or Siluria, will be head of the 1958 cheerleader squad at Thompson, it has been announced.

New members of the group will be Jo Ann Reach and Barbara Smitherman, both ninth graders.

Returning members of the squad are Halsa Mathis, who will be a senior next fall and will be serving for her third year; Bunny Fortenberry, also to be a senior, serving her second year; Peggy Smith and Frances Spain, both of whom will be in the 11th grade and serve for the second year; and Nancy Brett and Fay Davenport, both to be tenth graders serving their second year.

Harriett will be a senior and will participate for her second year as a member of the squad.

Donna Arnett, a present ninth grader, will be alternate.

Retiring cheerleaders are Jane Brett, who has been head cheerleader three years, and Julia Davis, both of whom will graduate this spring.

The cheerleaders are chosen each year by a committee of four students and four faculty members. Mrs. Dolphus Martin is faculty sponsor.

Mrs. Violet Farlow is visiting her son, Van Farlow and family in Montgomery.

D. O. Students Attend Meeting

Mr. Guy Milford, Principal of Montevallo High School announced that four delegates from the local D. O. Club will leave Thursday, to attend the Twentieth Annual State D. O. Club Convention at the University of Alabama, April 17, 18, and 19.

The delegates include Terrell Lucas, President; Jim Potts, Vice-president; Wayne Anderson and Fred Jones. J. F. Suttle, coordinator, will accompany the delegates. All of these students are enrolled in the Diversified Occupations or Distributive Education classes at Montevallo High School.

The local D. O. Club sends delegates to the convention each year. Approximately 350 members will attend the convention from 67 high schools in Alabama.

The D. O. Club of Alabama is an organization of high school students enrolled on a part-time cooperative training program. The purpose of the Club is to provide mental and physical health through social and recreational activities; to foster a deep feeling for the civil, social, and moral responsibilities of business and industry to society; and to develop leadership, through training, in the business and industrial fields that is competent, aggressive, self-reliant, cooperative and patriotic.

Business Women Install Officers

The Montevallo Business and Professional Women's Club held its monthly meeting at Bob's Place near Clanton, on Tuesday evening, April 15. FOR SHERIFF

A. E. (Bud) NORWOOD

As a candidate for Sheriff, I invite the consideration and support of the voters of Shelby County on the basis of my record as a former Sheriff and as a citizen of our county for many years.

For eleven years I served as an investigator in the law enforcement department of the State. I resigned from that position to run for Sheriff. I was elected and served one term. Just prior to my election I was appointed Sheriff to serve a few months of the unexpired term of Sheriff Bozeman, who died while in office.

When I was Sheriff, I recognized the importance of the police departments of our towns as a vital part of the law enforcement program of the county. I gave each and every town in the county the full support and cooperation of my office. I would restore and continue such a policy if elected again.

Therefore, upon my past record as a law enforcement officer, and with a sincere dedication to a future of fair, honest and efficient service to all the people of the county, I ask your support in the Primary on May 6.

Fairness and full consideration to the common interests of all citizens, and special favors to none, will be my policy in future as in the past.

Homemakers To Hold District Meeting

More than 300 girls representing Future Homemakers of America chapters in the central district will meet at Alabama College Saturday.

The students will come from 30 chapters representing 1,648 members in Autauga, Bibb, Chilton, Greene, Hale, Perry, Shelby and Talladega counties.

Dr. Lois Ackerly, chairman of the Alabama College home economics department, and members of the home economics staff will be hostesses to the meeting.

The meeting is under the direction of Mrs. Glennie I. Nybeck, FHA central district superviser. She will be assisted by Rosemary Cowan, Ashland, vice-president, and Cynthia Ford, LaFayette, secretary-treasurer.

Their advisers, Mrs. Mary Y. Thompson and Mrs. Sara Edge, will also attend the meeting.

During the morning, the visitors will tour the Alabama College home economics department including the nursery school, home management house, kitchen, and sewing laboratories.

The first session, to be held in Palmer Hall Auditorium, will begin at 10 a.m. Rosemary Cowan will preside, and will be assisted by Cynthia Ford.

Dr. Ackerly and Dr. M. L. Orr, dean of Alabama College, will welcome the future homemakers.

A fashion show will be presented by the Perry County chapters, and during the day the delegates and their sponsors will wear dresses, suits, and hats, made by themselves.

Talent numbers will be presented by the West Blocton, Eutaw, Maplesville, Moundville, Prattville, and Winterboro chapters.

FOWLER for PROBATE JUDGE

CONRAD M. (Bulley) FOWLER

CANDIDATE FOWLER, what are some of the legal responsibilities of the Judge of Probate?

ANSWER: He presides over three of the county's courts, the Probate Court, the County Court, and the Juvenile Court. He has many other important legal duties to perform in connection with guardianship matters, legal adoption of children, sanity inquisitions, the recording of subdivision plats and other papers affecting land titles, partition of land and other matters.

CANDIDATE FOWLER, does the county employ an attorney to advise the Probate Judge upon the legal decisions that he is called upon to make?

ANSWER: No. As legal questions arise in cases heard by the Judge of Probate, attorneys representing each side in interest present their testimony and the legal authority upon which they rely, each attorney representing to the judge the correctness of his position in the legal questions involved. The Probate Judge has the duty to decide these legal issues.

CANDIDATE FOWLER, you have a law degree from the University of Alabama, you have a good law library, you were in the Phenix City cleanup by appointment of the Governor, you have been Assistant County Attorney for five years and Circuit Solicitor for five years. Would it be necessary for you to obtain advice on legal questions from any other person if you were elected Probate Judge?

ANSWER: No.

This advertisement is one of a series. There will be different questions each week.

Hear Fowler for Probate Judge each Friday morning at 7:15 on WBYE, 1370 on your dial.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

After a ten-day Easter recess, Congress this week is continuing a session which may prove to be one of the busiest in recent years.

Prior to the Easter recess, which marks the traditional halfway point of the session, a number of important bills received congressional approval. Only one of twelve regular appropriation measures for fiscal year 1959 has become law, but five others have passed the House of Representatives and are now pending in the Senate. In addition to the regular appropriation bills, three supplemental measures have been approved by Congress and signed by the President. These include supplemental funds for various government agencies, including the Department of Defense, for the present fiscal year.

Bills Enacted

In addition to the so-called money measures, Congress prior to the Easter recess passed other legislation of importance. The national debt ceiling was raised by five billion dollars. An emergency housing measure became law. A bill freezing farm price supports and acreage allotments received the approval of both the House and Senate but was vetoed by President Eisenhower.

Two other measures of importance, passed by both the House and Senate, are now awaiting Presidential action. The first of these is the River and Harbors Authorization Bill which includes funds to improve the tributaries of the Tombigbee River. The second authorizes additional millions for the federal-state highway construction program.

Work Ahead

There is every indication that Congress will be extremely busy during the remaining months of the session. Further consideration of pay increases for postal workers, military personnel, and other federal employees is scheduled. Extension of the Trade Agreements Act—a measure empowering the President to negotiate with other nations for mutual lowering of tariffs—will be considered. Reorganization of the Department ot Defense is being urged by President Eisenhower and will undoubtedly be debated before adjournment. The authorization and appropriation of funds for the mutual security program is scheduled for discussion at an early date, Statehood for Alaska and Hawaii may be up for a vote again this year. The differences between postal rate increase measures passed earlier by both the House and Senate must be resolved.

In addition to the above legislation, the consideration of other measures of equal importance is being urged. Both Democrats and Republicans are watching carefully the unemployment figures. If unemployment continues to increase, other anti-recession measures, including a tax cut, will undoubtedly be considered before the present Congress adjourns.

August Adjournment

Since this is an election year, some members of Congress have predicted an early adjournment. In my opinion, however, it is highly unlikely that Congress will adjourn before August.

Mr. and Mrs. Porter Ingram and daughter, Ann Marie of Columbiana visited Saturday afternoon with their mother, Mrs. Jasper Ingram.

No. 2

STATE OF ALABAMA
A PROCLAMATION
BY THE
GOVERNOR

WHEREAS, the Legislature of Alabama at the Regular Session 1957, ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that the said election be held on the first Tuesday in May next following final adjournment of the 1957 regular session of the Legislature; and

WHEREAS, the first Tuesday in May next following final adjournment of the 1957 Regular Session of the Legislature, at which the amendment was proposed, will be and occur on Tuesday, May 6, 1958; and

WHEREAS, notice of such election, together with the proposed amendment is required by law and by the provisions of the act submitting the amendment, to be given by a proclamation of the Governor to be published in each county in the State of Alabama once a week for four successive weeks next preceding the day appointed for the election:

NOW, THEREFORE, I, James E. Folsom, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 6th day of May, 1958, an election will be held at the several polling places within the State of Alabama, in the manner and form provided by law upon the following proposed amendment to the Constitution of the State of Alabama of 1901:

"The provisions of an act of the Legislature approved on the seventeenth day of June 1957 relative to the powers of Marion County to provide for schools and other improvements, being Act No. 29, H.B. 107, 1957 Regular Session, are hereby ratified, validated, and confirmed, any provisions of the Constitution of Alabama as amended to the contrary notwithstanding."

I further direct and proclaim that notice of this election upon Tuesday the 6th day of May 1958 upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 6th day of May 1958 in each county in the State of Alabama in a newspaper published in said county.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of Alabama to be affixed by the Secretary of State, at the Capitol in the City of Montgomery on this the 20th day of February 1958.

JAMES E. FOLSOM,
Governor.

Attest:
Mary Texas Hurt Garner,
Secretary of State.

CARD OF THANKS

We wish to express our sincere appreciation for the prayers, acts of kindness, messages of sympathy, food, and beautiful floral offerings received from our friends during the death of our husband and step-father, Patterson E. McMahan. We especially thank Rev. J. F. Goree for his consoling words, the Calera Baptist Church choir, the Masons, for the impressive Masonic funeral, police and Highway Patrol, Bolton Funeral Home and Mrs. Curtis Lucas.—Mrs. Nancy McMahan, Mr. and Mrs. William Edwards and Bill.

5. To cooperate and work with your County Commissioners, as they have authority in each District to select the projects to improve.
6. I will be fair to business and labor, more industry for our county, better roads for all citizens.
7. To be in constant contact with each and every Beat in the county to discuss their problems and work with them to continue the growth of our county and make it a better place to live.
8. As a former Board of Revenue Member from District One, 1941-1945, I worked with the Members to improve every District in the county. If elected your Probate Judge, I will further work to help the citizens of your community. I feel that my experience as a Board Member, knowing the problems and the working conditions of our county, better qualifies me to be your Probate Judge, as he is the Chairman of the Board.
9. I invite the citizens of our county to bring their problems to me at any time, if I am elected.

I will be grateful to you for your vote and support.

Contracts Let For County Paving

According to County Engineer, James L. Ray, Jr., sealed bids were opened in Montgomery on April 11 from 23 contractors for the construction of 44.774 miles of bituminous treatment and 3 reinforced concrete bridges in Shelby County.

The paving is to be done on various county roads as quickly as the base course foundations can be completed, according to Mr. Ray. He mentions that inclement weather over the past months has impeded the progress of county road work.

Two of the three concrete bridges are to be constructed over Dry Creek on the Calera to Montevallo County Road, known as the Spring Creek Road. This bridge construction is in advance of grading and drainage of this route. Surveys have been made and are currently under way for construction of this road. The other bridge to be built is over Fourmile Creek west of Wilsonville.

The contract award for paving will be made to Sam Finley, Inc., of Atlanta, Ga., for the 44.774 miles. Finley's bid was low at $108,648.20. Mr. Ray considers the county very fortunate in getting this very efficient contracting organization.

Award of the contract for the three bridges will go to the G. W. Norrell Construction Co., Inc., of Georgiana. Norrell's bid was low at $62,668.50. This contractor also has an efficient organization.

Construction of the paving and bridges will begin around May 1, dependent on weather conditions, Mr. Ray said.

Total money involved in both contracts is $171,316.70, of which Shelby County must disburse $110,016.08. The balance of $61,300.62 will be borne by SACP state aid accruals due Shelby County, and federal aid secondary funds accredited to Shelby County for its highway construction. The total of the contract reflected an underrun of $23,900.00, due to the keen competition of the many contractors bidding for the work. The unit cost of the paving, according to Mr. Ray, was very low, compared to the bids of past years.

Mr. Ray advances the opinion that a county-owned paving unit could not effect any savings on paving as long as competition in this field of construction remains so intense.

Concluding this interesting interview, Mr. Ray said: "The savings effected on the above contracts will enable the county to apply that additional financial help to more quickly construct other county roads."

Montevallo High's Journalism Class

Here is Montevallo High School Journalism Class. This group, and its publication, "The Spotlight", were awarded first place for mimeographed newspapers in state competition, and was also given a second class national merit rating by the National Scholastic Press Association.

The cancer drive for Calera will be Monday night of next week.

Door to door calls will be made by the solicitors. Keep your porch lights on.

Phone Company Plans Open House

A behind the scene tour through a modern telephone plant is in store for the public on Friday and Saturday, May 2 and 3.

J. L. Switzer, manager, announces that Southern Bell will hold open house at its exchange building on the corner of North Boundary and Valley Streets on these dates. He issues a general invitation to attend to residents of Montevallo and vicinity.

Mr. Switzer said that tours through the telephone exchange may be made between the hours of 10 a.m. and 8 p.m., on each of the open house days.

"The public open house will give residents of Montevallo an opportunity to go behind the scene and see the nerve center of local communications at work," the manager said.

Attendants will be stationed in the building to explain details of the intricate equipment.

A tour of the building will take from 15 to 30 minutes, Mr. Switzer said.

College Theatre To Give Romantic Comedy

The Alabama College Theatre will present "The Lady's Not For Burning" at 8:15 p.m. in Palmer Auditorium on May 1 and 2.

The play is a romantic comedy by Christopher Fry, revolving around a soldier and his attempt to rescue a beautiful and wealthy young woman accused of practicing witchcraft It concerns their attitudes toward life.

Members of the cast are Thomas Skinner, Charles Faulkner, Carol Ann Lewis, Ed Cooper, Polly Holliday, Harris Holly.

Margaret Ann Shotts, Darrol Pharris, David Huntley, John Fesperman and R. E. Ballentine.

This play will be the final College Theatre production of this year.

P. O. TO CLOSE WEDNESDAY AFTERNOONS

Beginning May 7th the Montevallo Post Office will close at 12 noon Wednesdays, and also at 12 noon on Saturdays.

We sincerly hope this earlier closing will not inconvenience anyone.

Public Is Invited To Visit Montevallo Westinghouse Plant on May 3

The Montevallo Welding Electrode Plant of Westinghouse Electric Corporation is making elaborate preparations to entertain the public on open house day at the plant May 3 from 9 a.m. to 3 p.m.

Invitations have been sent to a great many people outside the local area, representatives of industry, business and government throughout Alabama.

A general invitation is extended to residents of this area, who will have an opportunity for the first time to see the plant in operation.

In Montevallo the City Council, the Chamber of Commerce, Alabama College, the Rotary Club and the Lions Club have named committees to work out plans for a full-scale community cooperation with Westinghouse officials in making the day a really impressive and enjoyable occasion.

Full details of the program and schedule of events will be released for publication next week.

Meanwhile, everybody is urged to remember that your name is on the invitation list for a visit to Westinghouse on May 3.

County Rally Is Planned For Karl Harrison

Next Thursday, May 1, will be Karl Harrison Rally Day in Shelby County. All citizens of the county are invited to join in the occasion which will be a great ovation by our local people in support of our own Shelby County candidate for Governor of Alabama.

The day will begin at Columbiana at 8:30 a.m., where a caravan of automobiles will form for a tour of the county.

The caravan will be in Calera at 9:00; Montevallo at 10:00; Siluria at 11:00; Helena at 12:00; Harpersville at 1:30 p.m.; Vincent at 2:15; Wilsonville at 3:00; and back to Columbiana at 3:45.

Upon return to Columbiana the crowd will hear a major address to his home folks by Mr. Harrison.

Mr. Harrison will accompany the caravan on its tour of the county and will make short appearances along the way during the day.

Everybody is invited to get in the parade with your car full of folks.

One hundred per cent for Karl Harrison for Governor in Shelby County on May 6 is the goal.

Get in the march for Harrison and help win the victory on May 6.

KYLE McCLURE TO CONDUCT CANCER FUND DRIVE

Mr. Kyle McClure has accepted the chairmanship of the Cancer Fund Drive in Montevallo.

He states that he will organize a solicitation committee and will get the work under way immediately.

Mr. McClure will appreciate the ready response of the citizens of this community in support of the Cancer Society by such contributions as you can make.

Calera Bank Entertains Class

On Tuesday night, April 15, the Central State Bank of Calera had as its guests at a dinner meeting, the money and banking class of Alabama College.

This class is taught by Dr. Karl Ashburn, chairman of the Business Administration Department of the college.

Those attending the meeting were: Dr. and Mrs. Ashburn, Willie Johnson, Thomas Walton, Tony Taunton, John Doherty, Kay Anderson, Oline Traywick, Judy Albright, Lynn DeLoach, Sophie Hentschel, Faye Carmichael, Mr. and Mrs. Eddie Downs, and Eleanor.

The meeting was the climax of a series of lectures given the class by Mr. Eddie Downs on the subject, "Practical Aspects of Banking".

Candidates Attend PTA Dinner

Candidates solicit support and votes following the PTA dinner in the Montevallo school cafeteria last Friday night.

In the center of the group are Montevallo's Frank Thiemonge (in white jacket), a candidate for the State Legislature, and Dr. M. L. Orr Sr. (behind Thiemonge), a candidate for the State Democratic Executive Committee.

The candidates praised the Montevallo PTA for the dinner which they declared was "the best we have attended".

The candidates should by now be competent judges of such affairs, for they must have been to one at every cross road and pig trail in the county.

Care Urged In Addressing Mail

Due to the large amount of mail that has to be returned to the sender because of insufficient address, this is to remind all patrons of the necessity of properly addressing mail matter to insure delivery to the addressee and to avoid delay in delivery.

All mail matter should be addressed with either post offfice box number, street and number or rural route number and box, to insure delivery. Letters and other mail matter that does not have complete address as stated above do not receive directory service but are placed in general delivery unless the address is known to the distributor .

If letters and other mail are addressed to a definite route or street number or box and the carrier on the route to which the letter is addressed states that the address is unknown, the mail is returned to the sender immediately. Mailers should ascertain the correct address of patrons to whom statements and other mail matter is to be mailed.

The cooperation of the public is earnestly solicited in having all mail matter correctly and properly addressed in order to avoid delay in delivery or having it returned to the sender.

Passenger cars were involved in over 78 percent of all U.S. traffic fatalities in 1957 and in 86 percent of traffic injuries.

F F A NOTES

Various F.F.A. committees have been active this week completing some of the items or goals in the annual program of work for the chapter. Having entered the state chapter contest it is necessary that some evaluation be given to each item before May 1st. The local chapter is one of the honor roll chapters having 100 in membership and 100% of the vocational agriculture students. Montevallo has been in the top award group for six of the past ten years and won the bronze emblem award in the nation in 1950. James Earl Davis and a committee of Sr. II agriculture boys are busy with plans and projects for the Jr. Sr. prom to be in early May. Clifford Lawley, Bobby Nolen, and Charles Thompson are working with some projects to improve the grounds and bleachers. Curtis Jarvis, Jimmy Jones, Bobby Snow, Kenneth Snow, and Johnny Dailey have been doing some pruning. Ben Harrison, Jimmy Rae Harris, Edwin Booth and Barclay Fisher have been in the active committees working for some of the improvement objectives. Ralph Morris and Jimmy Thrasher have found all their minutes busy ones with so many responsibilities for the many projects under way.

* * *

Gene Reid completed discing an area for Dr. Priestley last Friday. He also took time out to show the class his clover and other projects at home.

* * *

Sr. I agriculture students have chosen a special topic each to discuss with the group at their regular class meeting. Recently Randy Wooley told of how to establish a lawn. Bobby Smitherman discussed landscaping and how a plan could be made and carried out. Terry Daviston discussed the bus clinic and training school for drivers held at Columbiana last week. Tony Birchfield discussed how to feed, show and manage dairy animals.

BULLDOGS WIN EIGHTH

By S. DeMent

Turning back Thompson for the second time this season, Coach Theron Fisher's Montevallo Bulldogs romped to their eighth straight win as they downed the Warriors easily here Tuesday, 10-2.

Ronald Smitherman, lefthander on the mound for Montevallo, aided his own cause by leading the Bulldogs at the plate with two for three. In giving up two runs, Smitherman allowed the Warriors five hits and delivered only one base on balls. He struck out four.

Thompson's two runs came in the top of the fifth after Montevallo was leading 7-0. Bramblett walked, and doubles by Huckabee and Walker brought in the two runs.

The Bulldogs hammering Thompson's Dinwiddie from the beginning, batted around in the first inning as they turned six hits into as many runs. Bill Winslett, Montevallo's pitching second-baseman, added No. 7 in the fourth as he clouted his second homer of the season.

Two walks, and error, an Ruben Hayes's single gave the Bulldogs two more runs in the fifth, with Milton Terrell putting on a display of fancy base running.

Smitherman brought home the final run after he singled, stole second, and Fancher sacrificed to center.

Card of Thanks

I want to thank every one for the beautiful flowers, cards, visits and prayers extended to me during my illness in the hosiptal.—Mr. A. T. Ryan.

MONTEVALLO FHA PROGRAM

"Better understanding of our neighbors at home and abroad," was the theme of the FHA program in the Montevallo High School on Wednesday, April 16. Kieko Nakada, a Japanese student at Alabama College, described home life in Japan and vocations related to Home Economics in her country. She showed the group a kimona used by Japanese girls for house and street wear. "In our home economics classes in Japan," Miss Nakada stated, "we have to cut our own patterns. You don't know how lucky you are to be able to buy your patterns."

The group discussed the district F.H.A. meeting which is to be held on Alabama College campus on Saturday, April 19.

The Shelby County Chapters of F.H.A. acted as host to the visiting chapters. The following girls in the Montevallo Chapter helped to register guests, guide tours over the Alabama College Campus, usher, and fix the table used in confirming State Degrees.

Chuck Harris for Sheriff

Dear Friend:

I take this opportunity to tell you of the splendid qualities of our candidate for Sheriff, Chuck Harris.

He has had many years experience in law enforcement, 17 years as a deputy sheriff, and over 3 years as Chief of Police of Siluria.

He never arrests people when they are out of order, if it is possible to use persuasion in the spirit of Christian brotherhood, yet in the communities he has worked, he has kept good order far above the average.

When we elect Chuch Harris, he will be Sheriff of all the people of Shelby County, and every person in the county will be able to call on him direct, and there will be no go-between.

It is a most remarkable thing about how Chuck Harris is able to get the young people to cooperate in keeping good order. They respect him as a friend and adviser and do not fear him like they do some police officers who don't know anything except rough and ruthless methods.

Chuck Harris has a reputation for always helping boy or girl. He has helped three boys get through high school and one to go through college.

Chuch Harris will make us a good Sheriff because he believes there is far more good in all people than there is bad, and that we must try to bring out the good instead of the bad.

On the other hand, Chuck Harris knows that the hardened criminal must be dealt with sternly, and he has a record for doing that when necessary.

He will make us one of the best Sheriffs we ever had. Let's elect him in the first primary.

Southern Electric Awards Contract For Concrete Work at Wilsonville

Southern Electric Generating Company today let a contract for the concrete substructure and foundation work for the first two units at its huge steam electric generating plant now under construction near Wilsonville, Alabama. Majors items included in the contract are the circulating water intake and discharge tunnels and structures, the turbo-generator foundations, the chimney foundations, and foundations for the substation and coal handling structures. The total amount of concrete required for the job is approximately 50,000 cubic yards.

According to James F. Crist, President of the Company, the contract amounting to approximately two and a quarter million dollars was awarded jointly to The Moss-Thornton Company, Inc. of Leeds, Alabama, and The Morrison-Knudsen Company, Inc. of Boise, Idaho. The work will begin immediately and is scheduled to be completed in June of 1959.

The base slab for the initial two units is a continuous block of reinforced concrete measuring 260 feet long, 150 feet wide and 5 feet in thickness. It will be approximately 40 feet below ground level. This massive concrete structure provides support for column loadings some of which will be as much as 1500 tons. The turbo-generators will be supported by independent foundations, each requiring approximately 2200 cubic yards of concrete.

Grading of the site and excavation of the powerhouse area has been underway since May of 1957.

Erection of structural steel is scheduled to begin in October of this year. This steel (some 7500 tons) will be supplied and erected by the American Bridge Division of the U.S. Steel Corporation.

Southern Electric Generating Company is jointly owned by the Alabama and Georgia Power Companies, largest of the four operating subsidiaries of the Southern Company. The first two of four 250,000 kilowatt generating units are scheduled to be in operation by the summer of 1960 and the third and fourth units in 1961 and 1962 respectively. The cost of the plant will be approximately one hundred and fifty million dollars, and an additional twenty million dollars will be spent in developing mines for supplying its fuel requirements which are estimated at some three million tons of coal annually.

CALERA CIVITAN CLUB MEETS

The Calera Civitan Club met Tuesday night at the Calera Cafe.

Zolly Cowart gave the invocation. ,

President Cowart appointed a committee to nominate officers for the coming year. A report is to be made at the next meeting.

It was announced that the Boy Scout camporee will be held this Friday and Saturday at the National Guard Armory.

A delicious birthday cake was enjoyed. Members honored this month are Bud Norwood and Claudus Tidwell.

Bo Lewis, Lt. Governor of the District, was guest and spoke on the progress of Civitan.

Carl Edwards dismissed the club.

To the Voters of Shelby County:

It has been an accepted custom for members of the Board of Education to be elected to give representation to all parts of the county.

We think this custom is fair to all and we believe it should be continued.

The present members of the board are from: Calera, Siluria, Helena, Columbiana and Vincent. Representatives from Calera and Vincent are to be elected this year.

WE APPEAL TO YOU in the interest of "fair play" to vote with us to keep this time honored custom in effect.

Telephone Talk

J. L. SWITZER
Your Telephone Manager

100 HOUR WORK WEEK: One of those efficiency expert-type fellows has estimated recently that, even with a house full of modern appliances, the average mother works nearly 100 hours weekly. That's a mighty long week, but think what it would be without today's conveniences! The telephone alone saves countless hours and steps. Housewives shop by phone, visit, call plumbers and other service folks—attend to all sorts of errands they'd have to run if they didn't have a phone. And no matter when it's needed, your telephone is always there, 24 hours a day. Best of all, in these days of high costs it's still one of the biggest bargains in the family budget.

* * *

PAMPER MOM! Mother's Day Is May 11. Now that we've added up Mom's weekly work hours, the least we can do is give her a hand. What could be a better Mother's Day gift than an extension phone? Maybe even more than one, so she'll have them near her most talked-from spots. You can get them in spring-pastel shades. So lovely with Mother's room colors! For instance, perfect for the feminine touch are aqua, rose pink, light beige, light gray, ivory or white. Or, to add a vivid dash of color choose cherry red, bright yellow, or green. They cost less than you think, too, so just call us and we'll do the rest.

P. S. Extension phones make ideal gifts the year 'round, too!

* * *

TROUBLED LADY ... There's a tear on her pretty cheek but it will soon be gone. For troubles are forgotten quickly when one is very young ... Many a grown-up trouble also has a way of disappearing when there are friendly voices to help and reassure ... Just reaching for the telephone and talking to someone can bring sunshine into a dark or worried day ... For whatever the need or the hour, you are never alone with a telephone.

A Most Important Decision For You!

(X) LOYAL DEMOCRATS
( ) DIXIE-REPUBLICRATS

On May 6th you will cast your ballot for many local and state candidates, but do not overlook the importance of the contest for seats on the State Democratic Executive Committee. The men you elect will be the policy makers of the Democratic Party in Alabama. Their actions within the next few months will help to decide whether we will continue to have exorbitant interest rates, high grocery bills, low farm prices and steadily increasing unemployment, or whether we will return to the true prosperity of the Roosevelt and Truman administrations—prosperity that benefitted the farmer, the working man and the small businessman rather than the industrial tycoons and the Wall Street barons.

The names of fourteen candidates for the Democratic Executive Committee will appear on your ballot or voting machine. You are asked to vote for Eight (8). Listed below are the EIGHT Regular, Old Line Democrats—sons of Alabama, and Protectors of the Southern Custom and the tradition of Segregation. They want your vote and support. Take this list to the polls and "Remember Litle Rock" when you cast your ballot.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The Constitution of the United States authorizes the President to veto any measure presented for his approval by Congress. In such case, he returns the measure to the House in which it originated and, at the same time, indicates his objections in a so-called veto message.

In recent weeks President Eisenhower has vetoed two important measures. The first of these, the farm bill, would have frozen price supports and acreage allotments at 1957 levels. The second measure, vetoed by the President last week, authorized appropriations of $1.7 billion for rivers, harbors, and flood control improvements.

Unprecedented Action

To override a Presidential veto is extremely difficult, as it is necessary for two-thirds of the members present in both the House and Senate to so vote. In the entire history of our country, only 71 bills have been enacted in such a manner. President Eisenhower has vetoed 105 bills since he has been in office, and to date none have been overridden by Congress.

If an effort to override a Presidential veto is comtemplated, a bill returned with the President's objections is usuallly voted on at once. This time, however, the usual procedure will not be followed. The Senate last week, on motion of Senate Majority Leader Lyndon Johnson, authorized special committee consideration of President Eisenhower's vetoes of both the farm price support billl and the rivers and harbors bill.

Several old-timers on Capitol Hill have stated they could not recall a time when public hearings have been conducted on a President's veto message. Yet, the votes that will be necessary to override the President's vetoes in both the House and Senate are obviously not available at this time, and the only possibility of securing them is to muster strong public support for the legislation. Johnson's move will provide both the time and the means that will be necessary if an effort to shape favorable public opinion is to be made before a final vote is taken on the President's action.

Highway Bill

Widely circulated reports that President Eisenhower would also reject the $1.8 billion highway construction bill were dispelled last Wednesday when he approved the measure. Under the provisions of this important legislation, Alabama is scheduled to receive $8,089,185 for its primary, secondary, and urban highway system, and $4,087,867 for its interstate network of roads.

No. 2

STATE OF ALABAMA
A PROCLAMATION
BY THE
GOVERNOR

WHEREAS, the Legislature of Alabama at the Regular Session 1957, ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that the said election be held on the first Tuesday in May next following final adjournment of the 1957 regular session of the Legislature; and

WHEREAS, the first Tuesday in May next following final adjournment of the 1957 Regular Session of the Legislature, at which the amendment was proposed, will be and occur on Tuesday, May 6, 1958; and

WHEREAS, notice of such election, together with the proposed amendment is required by law and by the provisions of the act submitting the amendment, to be given by a proclamation of the Governor to be published in each county in the State of Alabama once a week for four successive weeks next preceding the day appointed for the election:

NOW, THEREFORE, I, James E. Folsom, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 6th day of May, 1958, an election will be held at the several polling places within the State of Alabama, in the manner and form provided by law upon the following proposed amendment to the Constitution of the State of Alabama of 1901:

"The provisions of an act of the Legislature approved on the seventeenth day of June 1957 relative to the powers of Marion County to provide for schools and other improvements, being Act No. 29, H.B. 107, 1957 Regular Session, are hereby ratified, validated, and confirmed, any provisions of the Constitution of Alabama as amended to the contrary notwithstanding."

I further direct and proclaim that notice of this election upon Tuesday the 6th day of May 1958 upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 6th day of May 1958 in each county in the State of Alabama in a newspaper published in said county.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of Alabama to be affixed by the Secretary of State, at the Capitol in the City of Montgomery on this the 20th day of February 1958.

JAMES E. FOLSOM,
Governor.

Attest:
Mary Texas Hurt Garner,
Secretary of State.

NOTICE BY THE TOWN OF WILTON, ALABAMA

In accordance with the Code of Alabama, 1940, Title 55, 1955 Cumulative Supplement to Volume VIII, Section 367 (11) the following municipal codes will be considered for adoption by the Town Council of Wilton after the mandatory 15 day waiting period after the first appearance of this newspaper notice.

1. A Building Code Ordinance. This Building Code known as the Southern Standard Building Code, 1957-1958 revision, regulates all types of building construction, and provides for minimum design standards according to types of building use, occupancy and hazards. The use of minimum standards within this code provide for safety of occupants, protection from fire hazards due to substandard construction and maintains a satisfactory type of construction which will tend to prevent rodent infestation, rapid deterioration, the likelihood of destruction by fire due to faulty construction or occupancy, and similar types of dangerous and insanitary conditions.

Several copies of this code are on file in the City Hall for inspection by the public.

2. The Southern Standard Building Code for gas burning and gas pipes and other related equipment and appliances. This code is known as Part 2 of the Southern Standard Building Code, 1957-1958 edition. This Gas Code provides standards of construction, installation and maintains by which safety for buildings and occupants will be provided.

Several copies of this booklet are on file with the Town Clerk for inspection by the general public prior to enactment into a Town Ordinance.

3. Part 3 of the Southern Standard Building Code contains the provisions for plumbing. This plumbing manual and code provides minimum standards which sets forth regulations for the installation, extension and use of various types of plumbing within and immediately outside of building structures. It concerns the piping, plumbing fixtures, hangers and supports, water supply and distribution bents and benting, storm drainage and similar types of plumbing installations and construction.

Several copies of this plumbing booklet and code are on file with the Town Clerk for inspection by the general public prior to adoption into ordinance form.

4. The National Electrical Code, 1956 edition, provides necessary minimum requirements for the installation and design of electrical wiring, the use of safe wiring materials, and construction specifications.

It is the nationally adopted code developed by the National Fire Protection Association (60 Batterymarch Street, Boston 10, Mass.—paper back edition $1.00 per copy).

Several copies of this Electrical Code are on file with the Town Clerk for inspection by the general public prior to adoption into ordinance form.

5. Uniform Minimum Housing Code. The purpose of this code is to maintain the health and cleanliness of residential sections of the town and to insure sanitary conditions in private premises through establishing minimum housing conditions for habitable buildings within the town jurisdiction.

Several copies of this Minimum Housing Code are on file with the Town Clerk for inspection by the general public prior to adoption into ordinance form.

Provisions are contained within each of the above described codes for legal enforcement and penalties for violation of the provisions thereof.

FRANCES CLEVELAND,
Clerk.

1-lb. can tomatoes
1 lb. ground lean beef
1 Tablespoon grated onion
1 teaspoon Worcestershire sauce
1½ teaspoons salt
⅛ teaspoon pepper
2 slices fresh bread, torn into small pieces
½ cup PET Instant (in dry form)
3 Tablespoons butter or margarine
1 Tablespoon flour
1 teaspoon sugar

Drain and measure ½ cup juice from tomatoes. Let rest of juice and tomatoes stand until needed. Mix well in a 1½-qt. bowl the ½ cup tomato juice, beef, onion, ½ teasp. Worcestershire sauce, 1 teasp. salt, pepper, bread and PET Instant. Divide meat mixture into 4 equal parts. With wet hands, shape each part into a small loaf. Put loaves into 9-in. square pan. Dot loaves with equal parts of 1 Tablesp. butter. Bake near center of 325 oven (low moderate) for 30 to 35 min., or until brown. Meanwhile, melt 2 Tablesp. butter in a qt. saucepan. Stir in flour until smooth. Add tomatoes and rest of juice, sugar, ½ teasp. salt and ½ teasp. Worcestershire sauce. Bring sauce to boil. Then lower heat and cook 10 min., stirring now and then. Serve meat loaves with the sauce and hot, seasoned broccoli. Makes 4 servings.

KEEP YOUR INDIVIDUAL RIGHT TO WORK

RIGHT TO WORK

Jack Owens says: "I am for the right to work law because it protects the working man, farmer and every citizen in the state of Alabama. I believe in the freedom of choice."

Jack Owen will fight for the right of a man to join a union, yet will never approve laws forcing him to do so against his will.

SEGREGATION . . . Jack Owen has a record rather than a promise on maintaining segregation. He was the man who replaced the segregation signs in railroad and bus waiting rooms throughout the state.

EDUCATION AND INDUSTRY

Jack Owen believes the best way to pay teachers more money and increase Old Age Pensions is to bring new industry into the state and develop natural resources. Jack Owen will appoint an Industrial Agent for EVERY County to work to bring industry to that County.

FOR SHERIFF

A. E. (Bud) NORWOOD

As a candidate for Sheriff, I invite the consideration and support of the voters of Shelby County on the basis of my record as a former Sheriff and as a citizen of our county for many years.

For eleven years I served as an investigator in the law enforcement department of the State. I resigned from that position to run for Sheriff. I was elected and served one term. Just prior to my election I was appointed Sheriff to serve a few months of the unexpired term of Sheriff Bozeman, who died while in office.

When I was Sheriff, I recognized the importance of the police departments of our towns as a vital part of the law enforcement program of the county. I gave each and every town in the county the full support and cooperation of my office. I would restore and continue such a policy if elected again.

Therefore, upon my past record as a law enforcement officer, and with a sincere dedication to a future of fair, honest and efficient service to all the people of the county, I ask your support in the Primary on May 6.

Fairness and full consideration to the common interests of all citizens, and special favors to none, will be my policy in future as in the past.

Montevallo, April 22—Ola Fay Pierce, Verbena, announced as a candidate for state president of the Future Homemakers of America at the central district FHA meeting at Alabama College Saturday.

Three central district members announced plans to run for the State vice-presidency. They are Mary Paula Johnson, Clanton; Judy Holley, LaFayette, and Glenda Ray Allen, West Blocton.

Also at the meeting, State Degrees of Achievement were conferred on 50 members from 8 chapters in the central district.

The degree is the highest honor that can be awarded an FHA member. It is a recognition of work, and an encouragement for members to become well rounded individuals and to take part in improving their homes, schools, and communities.

Future homemakers receiving the degree are listed by chapters as follows:

Marbury: Emily Adams, Carol Carter, Elizabeth Davis, Betty Easterling, Pery Hogan, Janice Hunt, Geraldine Kelly, Virginia Roy, Brenda Scott, Elizabeth Wainwright, Lila Williams, Mary Jane Wilson.

West Blocton: Lee Andrea Edmonds. Clanton: Brenda Branch, Betty Jane Cook, Diane Cook, Carol Ann Scott, Diana Williamson, Ophelia Wyatt.

Verbena: Rebecca Baker, Julia Ellen Daniel, Carole Inman, Adeline Litaker, Ola Fay Pierce, Portia Ann Robinson, Eloise Sandlin, Barbara Ann Silas, Carole Smith.

Suttle: Lida Ann Hall, Ernestine Richey, Emily Grace White. B.B Comer: Patricia Oakes, Nancy Price.

Munford: Jeanette Armstrong, Ida Laura Banks, Rose-Doris Ann Payton, Bobby Sue Sims, Norma Jean Smelley, Nettie Wade.

Winterboro: Shirley Green, Margaret Hindman, Joyce McGrady, Charlotte Rowe, Edna Stewart, and Nellie Watson.

The ritual for the State Degree of Achievement was under the direction of the LaFayette Chapter with Mrs. Glennie I. Nybeck, FHA adviser, central district; Cynthia Ford, secretary-treasurer taking part.

FOWLER for PROBATE JUDGE

CONRAD M. (Bulley) FOWLER

CANDIDATE FOWLER, why do you desire to serve Shelby County as Probate Judge?

ANSWER: I desire to be promoted to the position of Probate Judge of Shelby County because the person who holds this office has the best opportunity of any official in the county to be of service to our citizens. He deals with more people day by day than any other county official. As Probate Judge he is called upon constantly to render legal decisions affecting the citizens of the county.

The Probate Judge has a wonderful opportunity to work for the growth and industrial development of the county. He should be its number one salesman.

The duties and the opportunities that are his provide the Probate Judge a full time job, a job in which he has the opportunity to do a constructive work beneficial to the entire county, and at the same time be of service to all of its people. It is for these reasons that I desire to be elected Probate Judge.

* * *

I shall appreciate your consideration of my qualifications to perform ALL of the duties of this office.

Hear Fowler for Probate Judge each Friday morning at 7:15 on WBYE, 1370 on your dial.

How To Clean Car Upholstery

Your car will stay smart-looking lots longer if you keep the upholstery immaculate. Here's how to cope with stains that mar a well-groomed look.

Stains on rayon, wool or nylon upholstery: sponge first with cold water. Use it sparingly, blotting

with a clean cloth as you work so you don't soak the cushion. If the spot remains, try warm water with soap suds. This will usually clean nylon. If stains are stubborn on wool or rayon, rub gently with a good foaming-type cleaning fluid such as that used for rugs.

Special stains: for grease, a petroleum based cleaning fluid usually does the trick. For ice cream, first use cold water and then warm soapy water. Chewing gum can be rubbed with ice until it hardens, then scraped off. All stains are easiest to remove when new.

If you have a leather-type upholstery, use warm water and soap suds for stain removal and for general cleaning. Shampoo the upholstery in small areas, wiping it dry with a clean cloth as you work. Never use harsh cleaners or bleaches, which are hard on leather.

Vacuuming and brushing fabric upholstery once a month will help to protect it from the damaging effects of road dust.

KEEP UP THE GOOD WORK!

AGAIN AND AGAIN, industrial newcomers to the Southland tell us how pleased they are with their first manufacturing plant in the South. There are many reasons for this. But right up on top of the list is the fact that they've found the men and women in industry here to be willing, dependable workers—easily trained and *eager to give a full day's work for a fair day's pay.*

In times of lessened business activity everywhere, this willingness to work is more important than ever before, both for Southland industry and for its workers. It helps management keep production cost per unit down, so that the finished product can be priced to *sell* in today's highly competitive markets. And this, in turn, makes jobs for workers.

A good supply of good workers has always been one of the Southland's greatest drawing cards. It brings new, job-providing manufacturing plants to the South — and keeps them busy after they get here. Now in particular it benefits everyone in the Southland to "keep up the *good* work" — and keep it that way!

New Waterways Opened For Trailer-Sailors

By Jeanne Smith, Dodge Safety Consultant

MODERN BOAT TRAILERS, sturdy and flexible, have been instrumental in opening up new waterways to outboard boaters, according to boating safety authority Don Guerin, president of the American Power Boat Association.

Miss Smith

The combination of boat and car permits vacationers to enjoy unlimited horizons, exploring a new locale every day. Trailer-sailors are not blocked by the end of a lake or highway, Guerin points out. They have the amphibious equipment to enjoy their trip on land and water.

Safe trailering, says Guerin, hinges on these few simple rules, plus some practice to acquire confidence.

HITCH: Your hitch should be bolted to the frame of the car, not to the bumper, for utmost security. Supplement your hitch with a safety chain, just in case of hitch failure.

Lights: While state laws vary, three sets of trailer lights—stop, tail and directional, as on your car—will meet the strictest requirements and give you the best margin of safety.

UPKEEP: Regular lubrication is important, especially for the coupling. Wheel bearings require packing more often than on your car, particularly after salt-water immersion.

Handling: Forward progress with a trailer hitched onto your car is not difficult. It requires just a little practice to get used to the wider turns, extra weight and more gentle backing.

Backing a trailer, however, can be troublesome even after practice. Main thing to remember, of course, is that you steer left to make the trailer go right. It sometimes helps to imagine that the back of your car is the front as you maneuver. Some boaters even attach another hitch to their front bumper for close maneuvering. This has the added advantage of keeping your rear (or power) wheels on firmer ground when launching on soft damp ground.

And if your rear wheels do get stuck, remember that old trick for doubling your traction—release about one-third the air from the rear tires. This often will get you out, still leaving enough air to get to a filling station.

With up to 70 horsepower available this year in outboards, boaters will make more use than ever of modern boat trailers to get the full benefit of their rigs for cruising, water skiing, fishing and family fun on the water.

These few safety hints, says Guerin, will keep outboarding among America's safest family recreations.

Polio Program Ends

The Federal Polio Prevention Program has come to an end. Hereafter the Polio immunizations available under the State Program at the Health Department are limited to preschool children and expectant mothers. Preschool children from 6 months to 6 years are the only children eligible. No age is specified for expectant mothers.

Older individuals who have started their series of Polio "shots" but who have not completed the full immunization of 3 "shots" are eligible for enough "shots" to complete their immunization.

Under the limitations of the State Program the Health Department will not be able to furnish Polio Vaccine to the private physicians but all individuals not already immumized and under 40 years of age are urged to get their Polio Immunizations from their family doctor before the advent of hot weather.

Graduating Class Takes Citizenship Oath

The graduating class at Alabama College took the oath of citizenship at Citizenship Day ceremonies Tuesday.

Nelson Fuller, Centreville, chairman of the executive committee of the college's board of trustees, delivered the main address.

Dr. Maxine Couch Davis, chairman of the senior class advisory committee, presented the class to Dr. Howard M. Phillips, president of Alabama College, at the convocation.

Dr. Phillips administered the oath of citizenship to the class.

The convocation was preceded by an academic processional to Palmer Hall Auditorium.

A dinner honoring the speaker and the senior class was held Tuesday evening in Anna Irvin Hall.

At the convocation Anne Elise Berry made the invocation.

Lois Swindal, Bessemer, senior class president, led the seniors in the pledge to the flag.

The Ramsay High School choir from Birmingham presented music for the occasion. Mrs. Ruth Scott Parker, Birmingham, is the choir director.

The Tree Farm program of growing timber as a crop on tax-paying lands, sponsored by the forest industries, is helping thousands of small landowners to realize regular income from tree crops.

The industry-sponsored Tree Farm Program means wood for man's use; food and shelter for wildlife; recreational areas; water and soil conservation.

More than 1,600 foresters serve as inspectors for the voluntary Tree Farm program, which is helping small landowners to grow timber as a crop.

Sharbutt Endorsed by Pension Group

Resolution of Executive Committee of the Alabama Pension Institute, Inc.

Whereas, a humane civilization demands that adequate old age pensions be provided for our senior citizens; and,

Whereas, in order to obtain any decent old age pensions in Alabama, it is necessary that we support candidates for public office who have sympathetic understanding of the problems and needs of our aged, our handicapped, and our blind citizens; and,

Whereas, we believe that James H. (Jimmy) Sharbutt, who is a candidate for the House of Representatives from Shelby County, is the best qualified candidate in the race, that he has a greater grasp of important problems facing our local, county and state government, and that he has the most ability to handle our government affairs in an efficient and dignified manner; that his philosophy of life, his economic viewpoint, training and association will permit him to look with more favor upon ways and means to give the aged, blind, and disabled an adequate and decent standard of living.

Resolved, therefore, that we, the Executive Committee of the Alabama Pension Institute, Inc., go on record endorsing the candidacy of James H. (Jimmy) Sharbutt for State Representative, and in addition, that we recommend him to the aged, blind, and disabled citizens of Shelby County, and urge them to work for and vote for James H. (Jimmy) Sharbutt on May 6.

JAMES H. (JIMMY) SHARBUTT

In executive session this 6th day of April, 1958.

Lester F. Lawrence,
Secretary
C. A. Strong, Chm. Pro Tem.

Sharbutt has been endorsed by labor, management, dairymen, cattlemen, farmers, education leaders, civic organizations and many other groups.

LET'S THINK

A white man can be denied the right to run in the Democratic Primary simply because he refused to vote for an integration candidate in the 1956 presidential election. Among those excluded are many who refused to vote for any candidate in 1956.

However, "Tiger" Thompson, a Negro, can qualify to run for Lt. Governor under the present loyalty oath.

Our electors are compelled by threat of punishment to vote for the presidential nominee of the national Democratic Party **REGARDLESS OF WHOM THE NOMINEE MIGHT BE.**

The nominee could be "Soapy" Williams, Hubert Humphries, or even Adam Clayton Powell. It this what you want?

How can Alabama delegates to the National Convention effectively fight the battle against a strong civil rights platform, when, under the loyalty oath, our electoral votes are in advance signed, sealed and delivered to any South-Hater who might be nominated?

Alabama delegates are gagged and have lost their bargaining power at the Convention.

It is one thing to vote for your party's nominee as the lesser of two evils. It is entirely another, and infinitely more degrading thing, **to pledge in advance** to support such an evil.

Alabama is the only state handicapped in its fight for segregation by such a loyalty oath.

Mississippi's two Senators, Eastland and Stennis, have fought the South's segregation and civil rights battle more vigorously and effectively than have the Senators from any other State. **Mississippi has no loyalty oath.** Yet have Eastland and Stennis lost their important committee chairmanships? No.

WE MUST DO AWAY WITH THE KIND OF POLITICIANS WHO WOULD QUALIFY "TIGER" THOMPSON AND DISQUALIFY CAPABLE WHITE MEN WHO ARE MAKING US SUBSERVIENT TO THE INTEGRATION WHIMS OF THE NORTHERN RADICAL ELEMENTS OF THE PARTY. IT IS THEY WHO, ACCORDING TO THE LAST PRESIDENTIAL ELECTON, HAVE DRIVEN 140,000 VOTERS OUT OF THE PARTY IN ALABAMA. FOR WANT OF A BETTER NAME THEY MUST BE REGARDED AS "TIGERCRATS."

Speaking of "loyalty," what we need is party officials who are LOYAL TO THE PEOPLE OF ALABAMA. Not loyal to Truman, Mrs. Roosevelt, Lehman, Humphries, Williams, Powell, and the rest of the South Haters.

THE "TIGERCRATS" MUST GO!

ELECT LOYAL ALABAMA DEMOCRATS WHO ARE TRUE SEGREGATIONISTS TO YOUR STATE DEMOCRATIC EXECUTIVE COMMITTEE!

Industries Holding Open House

Southern Bell Building Open To Visitors

Plans are being completed today for the Open House Program scheduled for Friday and Saturday, May 2nd and 3rd, J. L. Switzer, Manager of Southern Bell, announced.

Tours will be conducted through the local telephone exchange each day between the hours of 10 a.m. and 8 p.m. and residents of Montevallo and vicinity will have an opportunity to see their communications system at work.

Admission to the telephone open house is free of charge and a general invitation has been extended to residents of Montevallo and surrounding communities.

Ballentines Are Vital Part of Community

R. E. Ballentine, Plant Manager of the Westinghouse Electric Corporation at its Montevallo plant, has been associated with Westinghouse since 1940, when he joined the Westinghouse Research Laboratories in Pittsburgh. He was made development engineer on brazing alloys for the Motor and Control Division, Buffalo, N.Y., in 1946. He was named Manager of the Montevallo Plant in December of 1952.

Born in Cleveland, Ohio, Mr. Ballentine attended the Carnegie Institute of Technology, specializing in studies of metallurgy. Prior to joining Westinghouse he was associated for six years with the Otis Steel Corporation.

R. E. BALLENTINE

Mr. and Mrs. Ballentine and their two children, Barbara and Gregory, have become a vital part of the civic, religious and social activities of the community. Mr. Ballentine is a member of the Board of Directors of Central State Bank, Treasurer of Cub Scout Pack 59, a member of the Golf Club, the Montevallo Chamber of Commerce and the P.T.A. He has appeared in numerous Alabama College Theatre plays.

Mrs. Ballentine served as Vice-President and Program Chairman of the Montevallo P.T.A. for two years, Chairman of the Mental Health Drive and is an active member of the Women's Sodality of St. Thomas of the Apostle Church. She has been very active on the Town Library Committee.

The Ballentines moved into their new home in Calmont Woods last summer, being the first residents of the attractive new sub-division.

Westinghouse Engineer Recognized As Pioneer in Welding Electrodes

E. H. Turnock, Engineering Manager at the Westinghouse Electrode Plant in Montevallo, has for many years been recognized as one of the pioneer welding electrode engineers in the country. Having just completed a three-year period as National Chairman of the Joint American Welding Society-American Society for Testing Materials, Filler Metal Committee, he is an authority on filler metal specifications and is frequently requested to speak at technical society meetings.

Mr. Turnock has been responsible for the development of practically all of the Westinghouse electrodes and has developed at least two major electrode types since coming to Montevallo in 1955.

A veteran of 32 year's service with Westinghouse, he joined the Industrial Motor Engineering Department in 1926 as an insulation and electrical design engineer. In 1935, he was assigned the problem of welding electrodes and placed in charge of the development of manufacturing methods and processes. In 1937 research work connected with chemical and metallurgical development of new electrodes and flux coatings was transferred to his department.

Among his numerous hobbies are archery, mountain climbing, gardening and music. Nationally prominent as an archer, he held the Pennsylvania State Archery Championship for a number of years. He celebrated his 60th birthday by climbing to the top of Mt. Whitney. His newest hobby is learning to speak Spanish in preparation for a venture this summer in which the company is sending him to Bogota, Colombia, to assist in the establishment of an electrode manufacturing plant there.

Mr. and Mrs. Turnock have three children and ten grandchildren. His son is Development Engineer at Headquarters Manufacturing Lab for Westinghouse in Pittsburgh and one son-in-law is employed with Westinghouse in Baltimore.

The Turnocks reside in their new home at 25 Crestview Drive in the Arden Subdivision, where they enjoy raising many of the flowers typical of this section, such as azaleas, gardenias, camellias and roses.

Calera Red Cross Drive Completed

The American Red Cross drive for membership and funds has been completed in the town of Calera.

Organized by the Calera Civitan Club, Mr. Zollie Cowart, Sr., president, the Red Cross drive netted $220.00 from the town collections plus an allocation of $440.00 by the American Brake Shoe Company which maintains a branch industry in Calera.

The donation of $440.00 by their industry is an outstanding contribution and has not been topped by any other industry or business in Shelby County. The valuable service rendered the county through this contribution will help the Shelby County chapter give better aid through the 10 service programs of the Red Cross.

The value of volunteer services cannot be expressed n dollars. Without the more than 2,000 volunteer workers who turn your dollars into deeds across the nation the ten service programs of the Red Cross would not be able to function.

Public Invited To Visit Westinghouse Plant

A highpoint in industrial progress of Shelby County and the entire South will be marked this week when Open House is observed Saturday at the ultra-modern Montevallo Westinghouse Electrode Manufacturing Plant, when local residents and out-of-town visitors will have a chance to see the plant in operation.

OPEN HOUSE
at
WESTINGHOUSE
9:00 a.m.-3:00 p.m.
Saturday, May 3

Guests will be able to inspect the entire plant where they will see the hot rolled rod from the steel mills in Birmingham and Gadsden being drawn, precision cut to length and then coated with various chemical material in two large extrusion presses. After drying in huge 450 feet ovens the electrodes are packed for distribution. The finished product from this plant, located almost in the center of Alabama, finds its way to users half way around the globe as well as to others just next door.

Employment at the plant reached a peak in June of 1957, fulfilling the promise of employment in the community originally estimated at 100 people. The plant draws on local suppliers for over $2,500-000 worth of raw materials for its products each year and spends another $1,000,000 locally for labor and other supplies.

Typical of the industrial growth of the area, this 53,000 square foot plant is the only producer of welding electrodes in the South.

"Oomphometer" At Open House

The "Oomphometer," veteran of many important events from coast to coast, will take care of the glamor and vitality department during the Westinghouse Open House.

Visitors placing their hands on two metal plates will get a meter reading ranging from "Nearly Dead" to "Fully Charged." It's all in fun, though—the Oomphometer was contrived by Westinghouse engineers to entertain visitors at various exhibits.

Other displays will include "The Use of Electricity on a Farm," Phos-Copper Exhibits, Electrode Display Panel, and Westinghouse Appliance Exhibit. Actual demonstrations showing the use of products manufactured at the Montevallo Plant will be seen.

WBYE To Broadcast Open House Festivities

Highlight of the Westinghouse Open House program will include the welcoming address of Mayor W. M. Wyatt of Montevallo and interviews with out of town guests and Westinghouse officials over Radio Station WBYE at 2:00 p.m.

WYBE will continue to broadcast direct from the plant until 3:00 p.m. with a program of music and other special events at the Open House.

The Town of Montevallo, the Westinghouse electrode plant, and Southern Bell Telephone and Telegraph Company will "open house" this week end as a climax to Alabama Industry Days.

The Southern Bell open house will be held Friday and Saturday from 10 a.m. to 8 p.m.

J. L. Switzer, district manager, said that tours will be conducted to show "the behind the scenes operation of a community's communication system."

The Westinghouse electrode plant will observe their open house Saturday. It is the only welding electrode plant in the South, and spends more than $3,500,000 each year for salaries, raw materials, and supplies.

The day's activities will begin at 10 a.m. when the Montevallo and Calera High School bands parade in their respective communities. The bands will then go to the plant for concerts.

Visitors will tour the plant while it is in operation. They will see 500 ton extrusion presses force two inch billets through an opening to make a continual piece of wire 3/16" in diameter.

These presses were designed by personnel at the local plant, who have applied for patents on them.

Visitors will also see new products that have been developed entirely in the local plant, including three new welding electrodes and two new brazing alloys.

The plant manufactures welding rods for use in metal joining applications. One of their machines turns out up to 400 miles of wire per day for use in making the welding rods.

Consumer products will be on display at the plant, and will include items from large freezers to small coffee makers.

R. E. Ballentine, plant manager, said that more than 80 per cent of the money spent by the plant is spent in Alabama.

"A lot has been said about what a plant means to a community in the way of employment and dollars spent. We would like to point out that the community means just as much to us," Ballentine said.

"The cooperation we have received from the Chamber of Commerce and the town has been extraordinary," he said.

Ballentine said "Our labor force, made up of local people, has been entirely satisfactory and the cooperation and understanding of the local union has been excellent."

Mayor W. M. Wyatt of Montevallo has appointed a committee representing the Chamber of Commerce, the City Council, the Rotary Club, and the Lions Club, to work out details for the town's part in the activities.

Tours from the Westinghouse plant through the town and through the campus of Alabama College will begin at 2:30 p.m.

The tours will be conducted through the residential and business areas of Montevallo, and will include a trip to the college's nine hole golf course, 28-acre lake, and the new men's residence hall.

A tea will be held for visitors in Reynolds Hall on the college campus from 2:30 to 4:30 p.m.

Nelson Fuller Is Citizenship Day Speaker

America's educational system was examined in an address by Nelson Fuller, Centreville, at Alabama College's Citizenship Day program last Tuesday.

Fuller, chairman of the executive committee of the colleges' board of trustees, told the senior class "It is your duty to be true to the best found in our schools.

"May you never forget that the schools are for the sons and daughters of all the people—not a select few."

At the afternoon convocation, the graduating seniors of Alabama College were administered the oath of citizenship by Dr. Howard M. Phillips, president of the college.

A formal dinner honoring the speaker and the senior class was held in Ann Irvin Hall Tuesday evening.

"I am not here to whitewash our educational system, but I fail to understand how an educational system that enabled us to win two world wars can suddenly be bankrupt," Fuller said.

He spoke of the criticism of the American educational system following the launching of Russian Sputniks.

"While Russia was building Sputniks, we were working furiously to conquer polio and other dread diseases," he said.

"As yet we have not solved the social welfare problem, nor the educational problem, but we are not incapable of solving problems than confront us," he said.

Fuller spoke out for what he termed "homogenized education" which he described as being "as good at the top as it is at the bottom, and as good at the bottom as it is at the top."

Democracy is a form of government that gives more for common men, and demands more uncommon men than any other form of government. No society is great on average performance.

"We must search for genius for democracy," he said.

Fuller told the seniors, "You must face our world with confidence, with one foot placed on professional competence and the other foot placed on moral conviction."

Lawrence Food Center Has Unique Ad Series

Lawrence Food Center in Calera is starting a unique advertising series in the Shelby County Times-Herald this week, known as "It's The Truth". This group of cartoon type advertisements will run for 52 consecutive weeks.

Each issue will bring another startling announcement about a popular misconception of what is considered an everyday fact. Each ad will state the misconception, and next week's ad will prove it.

Watch this series closely. You'll be interested and it's quite educational for the whole family.

College Theatre Presents Comedy

The Alabama College Theatre will present "The Lady's Not for Burning" at 8:15 p.m. in Palmer Auditorium tonight and Friday night.

The play is a romantic comedy by Christopher Fry revolving around a soldier and his attempt to rescue a beautiful and wealthy young woman accused of practicing witchcraft. It concerns their attitudes toward life.

Members of the cast are: Thomas Skinner, Birmingham; Charles Faulkner, Huntsville; Carol Ann Lewis, Greenville; Ed Cooper, Birmingham; Polly Holliday, Haleyville; Harris Holly Birmingham.

Margaret Ann Shotts, Tuscaloosa; Darrol Pharris; Sikeston, Mo.; David C. Huntley, professor of art at Alabama College; John Fesperman, assistant professor of music at Alabama College; and Richard E. Ballentine, Montevallo, manager of the Westinghouse plant.

Students in charge of committees are: Lola Cooke, Irondale, properties; Elsie Snellgrove, New Brockton, and Mary Katharine Wilson, Birmingham, costumes; Martha Stephens, Mobile, lighting; Katherine Morton, Pell City, business; Barbara Jones, Mobile; and Rosalind Reed, Sylacauga, make-up.

Other committee chairmen are: Bob Murray, Birmingham, publicity; Beverly Fundaburk, Luverne, scenery; Yvonne Anderson, Vinemont, house manager; and Shirley Stabler, Greenville, tickets.

Tickets for the general public will be on sale each evening at the box office. The box office will open at 7 p.m.

Dr. Andrew J. Kochman is the director of the College Theatre. This play will be the final College Theatre production of the year.

The U.S. Marine Band is credited with having originated the custom of standing at attention during the playing of the "Star Spangled Banner," the National Anthem, in 1898. Audiences soon followed suit.

A total of 38,700 Americans were killed in 1957 traffic accidents.

R. E. Bowdon Jr. is attending the automobile dealers convention in Biloxi, Miss.

Professors Named For Teachers' Science Institute

Four professors have been named to the staff of the summer institute for high school science teachers to be held at Alabama College June 9 through July 18.

Dr. Paul C. Bailey, professor of biology at Alabama College, and director of the institute, said the fields covered by the professors will be chemistry, physics, biology and mathematics.

W. J. Kennerly, chairman of the physical science department at Alabama College, will be the institute instructor in chemistry.

Dr. Hoyt Kaylor, professor of physics at Birmingham Southern College, will be the physics instructor.

Biology courses will be taught by Dr. Robert Platt, professor of biology at Emory University, Atlanta, Ga.

Dr. Ivey Gentry, chairman of the mathematics department at Wake Forrest College, N.C., will serve as the institute's mathematics instructor.

Dr. Bailey said 66 stipends have been awarded to people in Alabama, Georgia, Florida, Tennessee, Mississippi, and Texas. Most of the stipends were awarded to Alabama teachers, Dr. Bailey said.

Each stipend is for $450 for the six weeks, plus $90 for each dependent. In addition, travel allowances and tuition are covered by the stipends.

LADIES' SODALITY PLANS ICE CREAM SUPPER

At the April meeting of Saint Thomas' Ladies Sodality plans were completed for the ice cream supper to be held May 16. This festivity will be held on the church lawn at 7:00 o'clock. With the ice cream and cake, cold drinks, coffee, and candy will be included in items for sale. Tickets will be sold by members of the parish and the public is cordially invited.

Mrs. John Mahler, her sister, Mrs. Ethel Datzman, a visitor from Indiana, and Janice Mahler served cookies and coffee. Eighteen members and Father Tom Blyth attended.

Despite tremendous increases able condition in the nation's timber shortages are likely, says the U.S. Forest Service. This favorable condition in the nation't timber resources is due largely to the voluntary American Tree Farm System.

Juniors, Seniors Hold Banquet

The annual junior-senior banquet will be held at Alabama College this evening in Anna Irvin Hall.

The banquet will kick off Crook Day activities at the college. Crook Day is the period when the seniors hide a highly polished cherry tree branch from the juniors.

The juniors must obey the requests of the seniors until the Crook is found. Crook Day will be Saturday, with Crook Court climaxing the activities.

At the midnight court, juniors will be "sentenced" to skits and stunts.

Patty Talley, junior class president from Demopolis, has named students to committees for planning the banquet and the Crook Court.

They are Alice Ketchum, Prichard; Gene McCutchen, Scottsboro; Mary Katharine Wilson, Birmingham; Rosalind White, Flomaton; Carolyn Downes, Boaz. Ann Ratliff, Birmingham; Jane Graham, Albertville; Elizabeth McHenry, Boaz; Barbara Maul, Charleston, S.C.; Barbara White, Blountsville; Shirley Stabler, Greenville.

In charge of the program are Wanza Cauthen, Prattville; Hazel Cook, Chickasaw; and Roma Creel, Empire.

Becky Gantt, Andalusia, and Ann Riley, Greenville, will write the Crook Court skit.

Other committee members are Lorna West, Spring Hill; Frances Yarbrough, Prattville; Jane Venable, Roanoke; and Margaret Peake, Dothan.

Players Initiate New Members

The Theatre Council and National Collegiate Players at Alabama College have initiated 17 new members.

The Theatre Council named the following students to membership:

Lonnie Suchy, Sylacauga; Mary Charles Jackson, Mobile; Carol Ann Lewis, Greenville; Mary Katharine Wilson, Birmingham; Shirley Hill, Nauvoo.

Clyde Hoffman, Chatom; Jimmy Stanton, Greensboro; Ann Riley, Greenville; Rosalie Hart, Kingston, Jamaica; Carolyn Pinson, McCalla; Jo Stojcich, Mobile; and Douglas Fancher, Birmingham.

The Theatre Council are selected as having demonstrated an active interest in theatre, and their contributions to the college's dramatic program.

Named to membership in the National Collegiate Players are Birdie Bell, Bessemer; Margie Lane, Fairhope; Carolyn Posey, Siluria; Sadera Wallace, Marion Junction; and Bob Murray, Birmingham.

Mr. and Mrs. Cecil Wells and sons, Mr. Frank Wells and Mr. and Mrs. Dean Holcombe attended the funeral of Rev. Lige Horton at Fayette Sunday.

Proved by Scientific Impact-O-Graph ride tests

● You (and your family) are in for a pleasant surprise when you drive a new Ford pickup. A new suspension system, with rubber-cushioned springs plus long two-stage rear springs, gives you a ride that's more car than truck—empty or loaded. Yet, Fords are priced with the lowest. Running costs are low, too—because of economical short-stroke design in Ford's V-8 *and* Six. Ford resale value is traditionally high. And an independent study by insurance experts proves Ford trucks last longer.

Impact-O-Graph picture of a competitive ride. The Impact-O-Graph (a scientific instrument used to measure bumps) records what you feel — jar and jounce.

Same Road, Same Speed — but some difference! Ford's new suspension gives the smoothest ride of any pickup — a ride mighty close to that of a car!

How Much Does It Cost To Run An AIR CONDITIONER?

How much does it cost to run an air conditioner?

That Depends--

1. On how much space you want to air condition
2. On whether or not the air conditioner is of the right size for the job you want it to do
3. On how many hours each day you use it
4. On how hot it is outside and how cool you want it inside
5. On other conditions such as how often the doors are opened and left open
6. On whether or not the space to be cooled is suitably insulated
7. On how much shade the house gets
8. On whether or not the air conditioner is properly located
9. On having wiring that will deliver to it the amount of current it needs to operate most efficiently
10. On how often the air filters are cleaned or replaced

The purpose of this advertisement is to invite your attention to conditions which affect the cost of operating any kind of air conditioner. Some of these conditions, such as the weather, can't be changed. Others you may want to correct. Under some combinations of the conditions listed above, the operating cost of an air conditioner may be as much as $10 per ton (or horsepower) per month.

As in the case of any electrical appliance, the operating cost of an air conditioner depends entirely upon the amount of current used.*

**Urban residential customers who use 100 kilowatt-hours a month pay an average of only about 2½ cents a kilowatt-hour. Those using 250 a month pay only 2-1/5 cents a kilowatt-hour, and those using 1,363 or more kilowatt-hours a month pay an average of less than 1½ cents a kilowatt-hour — 1-4/10 cents to be exact.*

Card of Thanks

I want to thank all my relatives and friends for the beautiful flowers, cards, visitors, and other kindnesses extended me during my illness in the hospital.—Lois T. Galloway.

"TIGERCRATS"
SAY
LET THE ROOSTER CROW

In Biblical times there was a rooster whose crowing (in fact he crowed three times) signified the betrayal of our Lord and Saviour. This must be the kind of rooster the **"Tigercrats"** are talking about when they say "Let the Rooster Crow." Certainly this must have been the kind of rooster that:

Crowed when by and with the help of so-called loyal Democrats the entire South was betrayed at the 1936 National Democratic Convention by the elimination of the two-thirds rule.

Crowed at the betrayal of the South at the 1948 Convention when that great Southerner and Champion of states rights, Jimmy Byrnes, was cast aside for the nomination of Harry Truman.

Crowed at the betrayal when this same South-hating Harry Truman, acting through certain so-called loyal democrats from this state, brought about pressure to punish those who would not vote for him by imposing a loyalty pledge and otherwise punishing **Loyal Alabama Democrats who put their state patriotism above the party.**

Crowed at the betrayal of the South when these same so-called loyal Democrats from this state chose to go along with Walter Reuther, Hubert Humphries, Eleanor Roosevelt, et al at the 1952 Convention in exchange for the sop of a vice-presidential nomination.

Crowed at the betrayal in 1956 when the so-called loyal Democrats went to the Convention pledged beforehand to an out and out integration candidate, Adlai Stevenson.

Crowed when, after the unforgetable Republican engineered Little Rock tragedy, this same Adlai Stevenson betrayed the South when he "crowed" that the action had not been quick enough nor severe enough.

Crowed at the betrayal of every white person in Alabama when the **"Tigercrats" qualified a Negro, "Tiger" Thompson, to run for Lt. Governor while at the same time denying this privilege to many white life-long Democrats of this state.**

Crowed or rather "squawked" when these same "Tigercrats" clipped his feathers and robbed him of his traditional meaning **by removing his "White Supremacy" label in a despicable effort to woo the Negro vote of this state.**

"The Tigercrat Rooster"

This is the way that rooster looks.

Loyal Alabama Democrats also say:

LET THE ROOSTER CROW

But here is the way our rooster looks. The original Democratic rooster of the party of our forefathers.

The candidates for State Democratic Committee listed below will restore the old rooster, with the White Supremacy label of the party of our forefathers to the Democratic Party in Alabama.

These Candidates Are:

★ **Fought in the clean-up of corruption, vice, and crime in Phenix City—once the cesspool of our State but now known as the "All American City."**

★ **Fought the Loan Sharks who have been charging poor, unfortunate people from 200% to 1000% interest on little loans.**

★ **Fought the NAACP with suits to make it close up and get out of Alabama.**

★ **Fought with injunctions against the boycott of white merchants by negroes of Tuskegee in Macon County.**

★ **Fought for all the taxpayers with suits to require competitive bidding on State contracts.**

★ **Fought all the way and all the time for best interests of all the people of our State.**

MHS Plans Study Courses

Two courses of study are offered at Montevallo High School—the satisfactory completion of either will permit a student to be admitted to college without an entrance exam. However, one course, College-Preparatory, is especially designed for those students who know positively that they intend to go to college; while the other, General Vocational, is set up with the student in mind who plans to go to work immediately after graduation.

The school cannot decide whether or not a child will attend college; it can only advise the child and his parents as to the possibilty of success or failure in such an endeavor.

Students at Montevallo High School are being urged to consider the courses of study offered here and to begin mapping out their work for next year. Parents are asked to advise with their children and help in the selection of a proper course of study.

Mr. Guy Milford, Principal, invites parents to come to the school and (with the student and his teachers) discuss plans for next year and for the remainder of the child's high school days.

This plan was worked up last year by a Curriculum Committee composed of the following High School teachers: Mr. Guy Milford, Head, Mrs. Ruth Frederick, Mr. Merle Roach, Miss Susie DeMent.

Dr. Gormley, head of the Department of Education at Alabama College, acted as consultant for the committee.

Our Appreciation of Westinghouse

The business people of the Montevallo area wish to express our appreciation to the management and workers of the Westinghouse plant for their active participation in civic affairs, hearty support of cultural activities, encouraging interest in the spiritual and educational welfare of the community, and their contribution to our economic stability.

INCREASED PROSPERITY . . .

With the coming of the Westinghouse plant to this area, there has been a marked increase in the growth of the surrounding communities and the living standards in them. The large number of people sharing in Westinghouse's payroll have brought prosperity not only to themselves, but also to the merchants who serve them with their needs. For this economic growth and stability we are thankful.

OUTSTANDING ACTIVITIES . . .

The leaders at Westinghouse have also proved themselves to be outstanding civic and spiritual leaders as well. Their active support of, and participation in civic, cultural, educational and spiritual activities has helped make Shelby County a better place to work, play and live. Our schools, including Alabama College, a state supported co-educational college, have grown, and the intellectual level of the area has been elevated. For this, too, we are grateful.

LASTING FRIENDSHIPS . . .

The high calibre of Westinghouse's employees is evidenced in the outstanding employer-employee relationships as well as that between Westinghouse employees and the Shelby County residents and businessmen. Their friendliness has opened doors and hearts for them and they have made acquaintances and lasting friends in this area. It is to you, the employees of Westinghouse, that we wish to extend this expression of our appreciation for helping to make our community a better place in which to live.

Sidewalk Art Show May 10 At Woodrow Wilson Park

By Mary Sterne

Everybody from everywhere is invited to Birmingham's annual Sidewalk Art Show, May 10th. Admission—free!! This Spring fiesta offers fun for all ages, and a rare opportunity for artists to win public recognition.

Woodrow Wilson Park will be the Carnival scene from nine a.m. 'til dark, with merry-go-rounds, games, colorful displays of art, and strolling artists painting portraits and cutting silhouettes. Pictures by 'known and unknown" artists will hang on clotheslines for display or sale. The morning's highlight will be the auction sale from 11:00 a.m. to 2:00 p.m., when guests will enjoy spirited bidding for fine pictures donated by artists from all over America.

All Alabama artists, especially, are invited to display their work; either for show or for sale. The only requirement is the donation of one picture to the auction, staged—like the entire show—for the benefit of Birmingham's Museum of Art.

Fun will reign the whole day with ceramics, sculpture, and bright art forms on display. Also, a grab-bag feature will offer guests the chance to win "white elephants" donated by artists. Children may model in clay or paint, under the tutelage of local craftsmen.

Prize time will climax the show with cash awards to artists selling the most pictures. Three such awards will be made.

There'll be picnic fare. So, there's no need to "tote a hamper." Vendors will hawk hamburgers, hot dogs, solf drinks, popsicles, and ice cream. A more eleborate picnic lunch will be served across the street in the Art Museum for a moderat fee.

Out-of-town artists are cordially invited to write to Mrs. William Lathrop, 3228 Carlisle Road, Birmingham 9, Alabama to reserve space for their work. Pictures for the auction must be sent to Mrs. Lathrop by May 9.

The Park, scene of the annual Art Show, is just a few blocks North of downtown Birmingham in the "easy-parking area." Local citizens have been alerted to direct guests there.

All proceeds from the Sidewalk Art Show will go to the Birmingham Museum, which welcomes out-of-town guests always.

In case of rain, the entire show will move into the Museum with "business as usual."

The U.S. Marne Band, known as "The President's Own," has played for every president since Thomas Jefferson.

L. L. CARTER

For Member of Board of Revenue and Control District Four

L. L. CARTER

For any office at all what kind of a man would you vote for? In addition to qualities that candidates usually claim for themselves, Honesty, Experience, Ability, etc., would it make any difference with you as a voter if a man claimed the quality of human kindness? If he had a proven record of helping people. If he claimed in human need to have not passed by on the other side. Would it make any difference?

Would you say that the best indication of what a man will do in the future is the record of what he has done in the past?

A part of my record is that as local commodity distributor at Vincent I have given more food to more people than any man in the history of Shelby County.

I worked thousands of hours over a period of two and one-half years to hold the program in Vincent and to help hold it in the county. For this work I did not expect to be paid and was not paid. I simply accepted it as the greatest opportunity of my life to be of service to humanity.

The fact that we were the largest commodity store in the county was not by accident. We allowed people to come in with Vincent when they had no program or when it had folded up in their town. We extended food and kindness to Shelby people regardless of address: Vincent, Calcis, Harpersville, Abbott Springs, Rehobeth, Cresswell, Vandiver, Sterrett, etc. Over 400 families over 1700 people, over $80,000 in food that went out from Vincent to helpless children, the aged, and the sick as well as the otherwise needy and unemployed families.

If you nominate and elect me to the Board of Revenue and Control, I promise to use all the influence of that office in trying to re-establish the free foods program in the county. I think the need now in this time of recession and unemployment is greater than ever and any discussion of the program is important business to many hundreds of families.

I will work toward establishing better rates of pay and adequate retirement benefits for all county employees.

I favor doing all the road building possible, the paving of all R.F.D. and School Bus Route Roads, the acceleration of other improvements and developments generally. Progressive and constructive recommendations would be welcomed for all due consideration.

I am employed by the Central of Georgia Railroad. Responsible position with the company since 1922. Three times elected a member of Vincent Town Council. Long time Steward and Treasurer in Methodist Church. Purchasing Agent and Construction Superintendent of New Modern Sunday School Building. Years of General Business and Management Experience.

I sincerely hope that your voting plans for May 6th will include me.

Columbiana, Alabama
May 1, 1958

Dear Citizens of Shelby County:

I have worked hard during the past three months. It has been my ambition to visit in every home during this campaign. I have not quite succeeded.

To those of you whose homes I have not yet visited I ask your understanding. Ours is a big county and I have done my best within the time I have had.

I do hope that you will consider my qualifications to perform ALL of the duties that belong to your Probate Judge. I also hope my qualifications and my record will merit your confidence and your vote.

If elected, I promise to perform the duties of this important office in such manner as to make you proud that you voted for me.

THE TRUTH

About The

6th District Democratic

Executive Committee Candidates

Fourteen names will appear on your ballot May 6th as candidates for the State Democratic Executive Committee.

ONLY EIGHT ARE LOYAL

Eight (8) of these men, whose names are listed at the bottom of this ad, are Regular, Old-Line Democrats. They have taken the Loyalty Oath and have agreed to fight WITHIN the Democratic Party (as all good Democrats should) for States Rights and the Southern Custom of Segregation. These 8 Loyal Democrats are the ONLY candidates in the 6th Congressional District who have been recommended by both our U. S. Senators for seats on the Executive Committee. Their election has been strongly urged by both Senators Hill and Sparkman in numerous newspaper articles and radio broadcasts.

SIX HAVE REJECTED THE LOYALTY OATH

Six (6) names on your ballot are the names of men who have REJECTED the Loyalty Oath. These men represent a group often known as "States Righters", "Dixiecrats" or "Republicrats" —from whence have sprung the party bolters and "I-Like-Ike" button wearers of the past. They are honorable men, firm in their convictions, but it is doubtful if they represent the true feelings of the voters of the Sixth District.

These six have pinned their appeal for your vote on the Segregation issue, inferring that Democrats who have taken the Loyalty Oath cannot effectively fight for Segregation in the councils of the National Democratic Party. Nothing could be farther from the truth! Think back to the Roosevelt and Truman administrations when FEPC was a constant threat. It was only through the united efforts of the Loyal Southern Democrats in Congress that the NAACP and their white Northern sympathizers were held in check. Remember, too, the fight led by Senators Russell, Hill and Sparkman against the Eisenhower so-called Civil Rights bill, effectively neutralizing its legal effects with Democratic votes in the Congress. It was the action of a Republican president, unauthorized by Congress, that put bayonets at the throats of Southern children in Little Rock!

DOWN WITH "DIXIECRATISM" AND BACK DOOR REPUBLICANISM

As long as this nation has a Republican administration, the menacing tide of Integration will move steadily toward your home in Alabama. Is this then the time to give comfort to "Dixiecratism" and back door Republicanism? The only possible answer for an Alabama voter is "NO!"

To protect our Southern Traditions a Democratic Administration MUST be returned to Washington in 1960. This can be achieved by building a strong, united Democratic Party NOW, through the election of men of unquestioned party loyalty. Election of the Eight Loyal Democrats listed below to the State Democratic Executive Committee is an important step in the RIGHT DIRECTION!

It Won't Work, Boys!

YOU CAN'T DELUDE THE VOTERS WITH MISUNDERSTANDING AND MISREPRESENTATION

Last week an ad appeared in your newspaper signed by the six candidates for the State Democratic Executive Committee who have REJECTED the Loyalty Oath. They represented themselves as "Loyal Alabama Democrats" and used the traditional Democratic "Rooster" in their ad. Further, the names of two truly Loyal candidates—Jack McGuire and A. B. Stutts—were "borrowed" to give the appearance of a full slate of 8 candidates. Both Mr. McGuire and Mr. Stutts have publicly denounced this misrepresentation.

Not many voters will be deceived by this cunning bit of trickery, but it is important that every voter know the magnitude of their deception. The same group responsible for this ad used similar tactics in 1950 and 1954. They were soundly disavowed by the voters on both occasions. If defeated again May 6th, it will show that the people of this district prefer genuine LOYAL DEMOCRATS who tell their story straight from the shoulder and abide by the mandate of the voters in all their actions.

The EIGHT TRULY LOYAL DEMOCRATS are the only candidates in this race publicly committed NOT to TURN THE ALABAMA DEMOCRATIC PARTY over to a splinter party, or the Republican Party, or to the use of any other party.

THESE ARE THE 8 TRUE Loyal Democrats

Candidate for Sheriff

"The Candidate With a Program"

HONEST EXPERIENCED QUALIFIED

Individual freedom under law is the freedom that everyone should enjoy as Americans.

Laws and courts exist to protect all citizens in person and property, and not for a favored few.

It is this liberty and equality that every individual should enjoy under our American way of life.

Having dedicated more than 22 years of my life to the profession of law enforcement, these principles have been uppermost in my thoughts and actions.

If you, the voters of Shelby County, elect me as your Sheriff, I solemnly promise and re-affirm to carry out my program as outlined.

1. Mature, fair, impartial deputies.
2. Equal and impartial law enforcement.
3. Prompt service to all courts.
4. Impartial cooperation to all justice courts.
5. Full cooperation with all law enforcement departments.
6. Bonds accepted at any reasonable time, if good.
7. Fair to organized labor and management.

If my more than twenty years experience in law enforcement and my program as outlined, meets with your approval, I will appreciate your vote and influence in the coming primary of May 6th.

My Platform

HERE IS MY PLATFORM AS YOUR SHERIFF GIVEN YOU FOUR YEARS AGO—I CONTINUE WITH THE SAME PLATFORM

Good Deputies—I will obtain the BEST MEN possible to serve as deputies—MEN of GOOD CHARACTER—honest, sober, and RECOMMENDED by the people of the communities in which they live.

Trained Deputies—These men must attend periodic training courses in order that they will know the best ways to enforce the laws and properly protect the people of our county. A badge and a gun does not make a good law enforcement officer.

Fair Law Enforcement—I promise FAIR enforcement of ALL laws for ALL people. THERE WILL BE NO FAVORED FEW.

Crime Prevention—The sheriff's office must maintain CLOSE CONTACT with EVERY COMMUNITY in the county in order that the trouble spots may be quickly eliminated.

100% COOPERATION—I promise complete cooperation with the Solicitor's Office and will quickly investigate all complaints.

HUGH M. SIMS

CANDIDATE FOR

SHERIFF

of

SHELBY COUNTY

HUGH SIMS

My Record

I have served you as your Sheriff for the past term, and believe I have conducted myself in a way to let you know how I stand on all matters. I call your attention to a few of the FACTS:

1. I have kept in contact with every community in person or by deputy.

2. I have answered and investigated all calls promptly in person or by deputy.

3. I have taken a firm stand against the liquor traffic in our county in person and by all deputies.

4. I have fought and dissolved all known organized crime in our county in person and by all deputies.

5. I have taken a definite stand against all law violations in person and by all deputies.

I stand on my record in seeking re-election.

THIS IS MY RECORD AS YOUR SHERIFF

Consider, compare, and vote for HUGH M. SIMS for Sheriff.

My record proves that a vote for Hugh Sims May 6th will be a vote for honest, decent, and fair law enforcement in our county.

"An ounce of prevention is worth more than a pound of cure"

In seeking re-election as your Sheriff, I would like to first thank you for the splendid cooperation and backing you have given me during this term as your Sheriff. If it had not been for your interest and faith you had in me, we could never have done the things we have.

I do not know of a greater honor you could have given me, than the opportunity to serve you as your Sheriff.

The Laws of our State were passed for the protection of the lives and property of ALL the people, and not a favored few. I have enforced these laws to the best of my ability, and shall continue to do so as long as you keep me in office as your Sheriff.

You know your home community better than anyone else, so when you come to elect your Sheriff for another term, look around and see what has been done in your home community, not what someone else might say about another. If you see it is a better place to live, than it has been in the past, I will appreciate you helping me again to be re-elected as your Sheriff.

I have been in your community several times, either in person or by one of my deputies, each week, and have answered all calls since I have been your Sheriff, and will continue to do so as long as I am your Sheriff.

I have served you, others have served you, you know us and what we stand for, and what each of us will do. It is your time to speak "AGAIN". Make your voice loud and clear as you vote for the Sheriff of Shelby County on May 6.

Your active support will be appreciated, your vote will be another strike against LAWLESSNESS.

Thanks for all you have done and are doing for me as your Sheriff.

Chuck Harris for Sheriff

Dear Friend:

I take this opportunity to tell you of the splendid qualities of our candidate for Sheriff, Chuck Harris.

He has had many years experience in law enforcement, 17 years as a deputy sheriff, and over 3 years as Chief of Police of Siluria.

He never arrests people when they are out of order, if it is possible to use persuasion in the spirit of Christian brotherhood, yet in the communities he has worked, he has kept good order far above the average.

When we elect Chuch Harris, he will be Sheriff of all the people of Shelby County, and every person in the county will be able to call on him direct, and there will be no go-between.

It is a most remarkable thing about how Chuck Harris is able to get the young people to cooperate in keeping good order. They respect him as a friend and adviser and do not fear him like they do some police officers who don't know anything except rough and ruthless methods.

Chuck Harris has a reputation for always helping boy or girl. He has helped three boys get through high school and one to go through college.

Chuch Harris will make us a good Sheriff because he believes there is far more good in all people than there is bad, and that we must try to bring out the good instead of the bad.

On the other hand, Chuck Harris knows that the hardened criminal must be dealt with sternly, and he has a record for doing that when necessary.

He will make us one of the best Sheriffs we ever had. Let's elect him in the first primary.

No. 2

STATE OF ALABAMA
A PROCLAMATION
BY THE
GOVERNOR

WHEREAS, the Legislature of Alabama at the Regular Session 1957, ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama, which said amendment is herein set out, and ordered that the said election be held on the first Tuesday in May next following final adjournment of the 1957 regular session of the Legislature; and

WHEREAS, the first Tuesday in May next following final adjournment of the 1957 Regular Session of the Legislature, at which the amendment was proposed, will be and occur on Tuesday, May 6, 1958; and

WHEREAS, notice of such election, together with the proposed amendment is required by law and by the provisions of the act submitting the amendment, to be given by a proclamation of the Governor to be published in each county in the State of Alabama once a week for four successive weeks next preceding the day appointed for the election:

NOW, THEREFORE, I, James E. Folsom, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 6th day of May, 1958, an election will be held at the several polling places within the State of Alabama, in the manner and form provided by law upon the following proposed amendment to the Constitution of the State of Alabama of 1901:

"The provisions of an act of the Legislature approved on the seventeenth day of June 1957 relative to the powers of Marion County to provide for schools and other improvements, being Act No. 29, H.B. 107, 1957 Regular Session, are hereby ratified, validated, and confirmed, any provisions of the Constitution of Alabama as amended to the contrary notwithstanding."

I further direct and proclaim that notice of this election upon Tuesday the 6th day of May 1958 upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 6th day of May 1958 in each county in the State of Alabama in a newspaper published in said county.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of Alabama to be affixed by the Secretary of State, at the Capitol in the City of Montgomery on this the 20th day of February 1958.

BLALOCK for PROBATE JUDGE

If you elect me your Probate Judge of Shelby County, this is what I promise you—

1. To be truthful and fair to every citizen in the county.
2. To have a sound and honest administration.
3. To employ office help that will be efficient and courteous to every citizen of the county.
4. The last 10 days to buy tags each year, I will keep the office open until 9 p.m., as a service for working people of our county.
5. To cooperate and work with your County Commissioners, as they have authority in each District to select the projects to improve.
6. I will be fair to business and labor, more industry for our county, better roads for all citizens.
7. To be in constant contact with each and every Beat in the county to discuss their problems and work with them to continue the growth of our county and make it a better place to live.
8. As a former Board of Revenue Member from District One, 1941-1945, I worked with the Members to improve every District in the county. If elected your Probate Judge, I will further work to help the citizens of your community. I feel that my experience as a Board Member, knowing the problems and the working conditions of our county, better qualifies me to be your Probate Judge, as he is the Chairman of the Board.
9. I invite the citizens of our county to bring their problems to me at any time, if I am elected.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

An attempt to deprive impacted school areas of federal funds if the schools in those areas remain segregated was defeated last week by the House of Representatives.

The defeat came on an amendment offered by Rep. James Roosevelt (D-Calif.) to a 207-million-dollar bill designed to improve school facilities in districts overcrowded by children of military personnel or government employees who reside in the area. Negro Rep. Adam C. Powell (D-N.Y.), who was expected to lead the fight for adoption of the amendment, was not present.

After rejecting the anti-segregation amendment and a motion to recommit the bill, House members passed the measure and sent it to the Senate for further consideration.

Foreign Aid Cuts

Last week in the Foreign Affairs Committee, I offered several amendments to the mutual security authorization bill that resulted in reductions of $187 million in the proposed 1959 foreign aid program.

As reported to the House of Representatives by the Committee, the measure authorizes expenditures not to exceed $2.9 billion in the next fiscal year, $339 million less than the Administration had requested. House consideration of the bill is expected by the middle of next month.

Coosa River Dam

Last week end I had the privilege of taking part in ground breaking ceremonies for the proposed Weiss Dam. This structure will be located on the Coosa River near Centre and Leesburg in Cherokee County and will be built by the Alabama Power Company.

In addition to the Weiss Dam, the Power Company plans to construct three additional dams on the Coosa and rebuild an existing structure on the same river.

The addition of locks by the federal government to existing and proposed Power Company dams and the construction of three new locks and dams on the Alabama River will make this great river system navigable from Rome, Georgia, to the Gulf of Mexico. Alabama's delegation in Congress is working very closely with officials of the Alabama Power Company and the U. S. Corps of Engineers in an effort to expedite this important development.

The ground breaking ceremony for the Weiss Dam was the initial step in a long-range plan which, I am confident, will make the Coosa-Alabama one of the greatest navigable waterways in our entire nation.

Major Louis M. Bourne, a Marine Corps Pilot, was the first man to fly non-stop from the U.S. to Nicaragua. The flight was made from Miami, Florida and took 13 hours.

DO YOU REMEMBER

PHENIX CITY CLEAN-UP?

Why you should support and vote for MacDonald Gallion, an experienced crime fighter, for Attorney General.

MacDonald Gallion, as special counsel for the State of Alabama in the famous Phenix City Clean-up in 1954-55, assisted in the legal fight which put the racketeers and criminals out of business.

During his more than 20 years experience as an attorney, MacDonald Gallion has had over 13 years experience handling important legal matters for the State—as Assistant Attorney General, special Counsel and later as Chief Assistant Attorney General. Mr. Gallion's open record of service to the people of Alabama, is a record of fighting crime, maintaining segregation, regulating vicious loan sharks and promoting good government.

GALLION KNOWS THE JOB

Gallion is the candidate best qualified for Attorney General because he has successfully represented Alabama before Circuit Courts, the Court of Appeals, Supreme Court, Federal Courts and Commissions. His candidacy is endorsed by leading lawyers and judges. He has been active against the illegal activities of NAACP in Alabama. He believes the office of Attorney General should be used in a dignified and forceful manner to help solve State problems, including segregation. He says: "Solution of Alabama's segregation problems can best be solved by the State itself without outside interference, pressure or coercion."

LIFE-LONG ALABAMA DEMOCRAT•

MacDonald Gallion is a native Alabamian, educated in Alabama public schools and the University of Alabama, graduating from the latter in 1937 with an LLB degree. He is a combat veteran, having volunteered in the Marine Corps, served overseas in World War II and was wounded at the battle of Saipan. He comes from a Democratic family and he is and always has been a loyal, true Democrat himself. He has no connection with any other candidate or any political group except the Alabama Democratic Party. The next four years will be crucial ones in Alabama. This is no time for untested hands. It is a time when Alabama will need an Attorney General with a proven record of experience in the job, and loyalty to the State.

HERE'S PROOF...

The future of Alabama, and of the entire South rests on the shoulders of true Southern leaders. Alabama can provide that leadership with George C. Wallace. A united Southland will not yield to outside forces and the leadership of our sister states recognized at the Democratic National Convention that George C. Wallace is dedicated to the principles of our beloved Southland. They like him – Alabama likes him too!

...I met Judge Wallace for the first time during our services together on the Platform Committee in Chicago. I had known of him previous to that time by reputation. His work on the Platform Committee and in all other phases of convention activities was outstanding. In fact, it was truly superior. I was greatly impressed by his extensive knowledge of history, his apparent sound knowledge of Constitutional Law, and his ability to work harmoniously as a member of the team. His speech to the Platform Committee was delivered in the best of taste, and there can be no doubt of its good effect on those who heard him.

His paper presented to the committee on the question of segregation should be filed in the archives of his state.

Ever ready to protect his position and always with intelligence and forthrightness he won the respect and admiration of all of us who had the privilege of being associated with him. I hope I may know him better as the years come and go. I am sure there is nothing too good for him in the future.

FOR SHERIFF

A. E. (Bud) NORWOOD

As a candidate for Sheriff, I invite the consideration and support of the voters of Shelby County on the basis of my record as a former Sheriff and as a citizen of our county for many years.

For eleven years I served as an investigator in the law enforcement department of the State. I resigned from that position to run for Sheriff. I was elected and served one term. Just prior to my election I was appointed Sheriff to serve a few months of the unexpired term of Sheriff Bozeman, who died while in office.

When I was Sheriff, I recognized the importance of the police departments of our towns as a vital part of the law enforcement program of the county. I gave each and every town in the county the full support and cooperation of my office. I would restore and continue such a policy if elected again.

Therefore, upon my past record as a law enforcement officer, and with a sincere dedication to a future of fair, honest and efficient service to all the people of the county, I ask your support in the Primary on May 6.

Fairness and full consideration to the common interests of all citizens, and special favors to none, will be my policy in future as in the past.

Hold The Line For Karl Harrison

In the last few days some of the candidates for Governor have secured the endorsement of the big newspapers of the state and they are attempting to stage what they would like to call a stampede of the voters to get on their bandwagons.

You hear them saying that the big break has come and that one candidate or another is surging way out ahead. I want to point out to you that this claim is being made by three or four different candidates.

The truth of the matter is that no such stampede is taking place for any one of them, nor is it likely to do so. The candidates who claim the big booms in their favor are merely hoping that their wishes will become the father of their claims.

This has been a close race for Governor, and it will be close, even when the votes are counted.

Now, let me get down to the real purpose of this piece. It is to appeal to you, the voters of Shelby County, to help hold the line for Karl Harrison.

Mr. Harrison is our home-county candidate, with state-wide recognition and good solid support. He is as good and as able to serve as Governor as any of the other candidates, and far better than most of them.

We know he is fully ripe in experience and training which makes him capable of rendering good service to our state as our chief executive, and to lead our people to a better administration of our affairs of state.

I appeal to you to let yourself be heard now and until next Tuesday in support of Karl Harrison for Governor. Our candidate has a good chance to be nominated. He has met with most favorable and ever increasing support in his hard-working, dignified campaign all over the state.

Shelby County should give him a resounding vote of confidence here at home. Let us hold the line for Karl Harrison. It is possible that an overwhelming majority for Harrison in Shelby County will be the margin of victory for him in the election next Tuesday.

Three Open House Events This Week

The people of this area have an opportunity this week end to visit three local institutions that are most important accomplishments in the progress of our community.

Westinghouse holds Open House Saturday at the Welding Electrode plant between Montevallo and Calera. You are invited to bring your family and friends and see the plant in operation from 9 a.m. to 3 p.m.

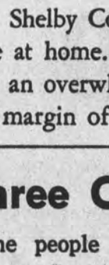

Southern Bell will show the new telephone exchange plant in Montevallo Friday and Saturday from 10 a.m. to 8 p.m. each day.

Calera Medical Clinic invites the public to visit the new building in Calera Sunday from 2 to 6 p.m.

These institutions are the pride of our area. They are most valuable to us and will be tremendously interesting to see.

Don't miss any of them. Make up a schedule and visit each of these places during Friday, Saturday and Sunday.

The FFA boys have delivered 200 calendars which represent a part of the fund raising to meet the chapter budget this year. Approximately $100 was realized from the calendar project and the entire chapter membership wishes to thank all those cooperating with the project. In the picture are the third year agriculture class for 1958-59 and includes the new officers.

F F A NOTES

Practically all the 100 FFA members plan to attend the Westinghouse Open House Saturday, May 3. Many of the boys will also pay a visit to the open house for the Calera Clinic Building Sunday, May 4.

* * *

Eddie Downs, of Central State Bank, Calera, visited with the Greenhand FFA members this week and discussed banking and financing with the boys. It is expected that many of the boys will start savings accounts as part of their program of thrift.

* * *

Gene M. Reid and M. Thornton attended the big tractor and machinery display at Wilsonville last Saturday. Over $60,000 worth of machinery was on display by Mr. Bolton.

* * *

Twenty-six greenhand members have completed some project in farm mechanics during the last two weeks. Jobs have ranged from simple repair jobs to larger construction jobs.

* * *

Teddy Bridges has been out of school recently due to an injury and all the FFA boys are glad he is able to return to school.

* * *

Greenhand members plan a visit to Birmingham during May to see the Armour packing house and to visit the farmers market.

More than 21 percent of 1957 U.S. highway deaths occurred on Saturdays.

Miss Crenshaw Honored at Tea

Your Part As A Citizen

(By Linda Loftin)

While as a citizen of a peace-loving nation you will want to work toward the improvement of international co-operation and understanding, at the same time you willl never be willing to accept peace at the cost of surrendering the democratic ways of representative ...government. That belief is important to you today, for since the years of World War II, your rights your freedom—your nation have been in great danger. Although the great majority of your fellow citizens do not want war, most Americans fully relize that delirate aggression by the enemies of democracy may force the United States into a bitter conflict. In such times of an emergency, you as a teenage citizen, can serve your nation in several ways.

The boys among you can serve your country by helping to strengthen its armed forces. Faced with the possibility of being forcel into war, the law now requires that within five days after their eighteenth birthday, all young men must register for military service at Selective Service Boards in their own communities. Despite the fact of the law compelling enrollment in the armed forces has never been popular in the United States, conditions in todays' world seem to demand such service. Since the enemies of democracy respect only military strength, in self-defense all Americans must help build up their armed forces. As a teenage citizen you boys must do your share earnestly and willingly when the call to service comes.

Furthermore, as high school students you will soon reach the age at which you can help your community and your nation by donating blood to the Red Cross or to the hospital blood bank in your community. Since the development of long-range bombers, thousands of casualties have occurred among civilians and soldiers alike. Physicians have found that if wounded persons receive injections of whole blood or of blood plasma, their chances of recovery are vastly improved. In fact, blood donations have a way of serving your community in peace as well as in war, for blood injections are given to persons weakened by accident, illness, or by operations. Blood has become a form of medicine which is often nessecery and which you yourself may need someday. Large reserve supplies of your country's blood bank will be especially necessary in the event of an atomic attack. At the present time physicians and Civilian Defense officials state that no community has a blood bank sufficiently large enough to take care of such an emergency.

If war is near or actually comes you as a teenage citizen should be able to perform the duties required of you by your government. During World War II, teenagers learned methods of giving first aid. Thousands of urban youths did adult work on farms, while thousands of rural young people raised Victory Gardens to help increase the supply of food. Thousands also helped the government to pay for the war by buying war saving stamps or bonds. Thousands of teenagers joined their community's Civilian Defense organizations to act as messenagers in the event that communications were destroyed by bombing attacks. Another great conflict probably will see similar service asked of the young people, for the war of todays' world.

No democracy is better than its citizens. Fine and sufficient plans of government can be organized, excellent and just laws can be passed, but such a government can be a failure without the interest and the support of the people. You and your fellow citizens, your actions, and your sense of responsibility are the most important part of your government. As an teenage citizen now and as an adult citizen in years to come, surely you will wish to help improve your government which is your servant and not your master.

VOTE FOR

ELLIOTT for PROBATE JUDGE

This is the last opportunity that I will have to reach you through our local papers before the primary election to be held on May 6. It has been my pleasure to see many of you during the previous weeks of this campaign and I will see as many more of you as I possibly can during the remaining days before the election. I express my sincere appreciation to those of you who are working in my behalf and pledge my best efforts in serving all the people of our county if nominated and elected for this important office. My record of public service and the program which I propose, if elected as your Probate Judge, has been published in the papers and widely distributed throughout this county during the past several weeks. I trust that my record of public service will merit your confidence and that the program I propose meets with your approval.

1. Proven seven-year record of cooperative leadership with an elected board, just as your Board of Revenue and Control.
2. Proven record of sound business experience.
3. Recognized leader at county and state levels.
4. Twenty-six year record of public service to people of Shelby County in all phases of development.
5. CAPABLE, QUALIFIED, and IMPARTIAL.

Your vote and influence will be greatly appreciated.

NOTICE
To Voters

I am a candidate for the Shelby County Board of Revenue and Control in the Fourth District.

I am a native of Shelby County, a member of the Beulah Baptist Church, am on the Board of Trustees of Sterrett Elementary School, Secretary of the Woodmen of the World Fraternal Organization Camp 646 at Columbiana, and have been in business in our county several times. My business has carried me to many areas in this, our great county.

This is my first time to offer myself a candidate for public office.

I believe my business experience qualifies me to hold this office.

Some improvements have been accomplished, but I feel that there are many more that can and should be made in areas that haven't been done.

I earnestly pledge myself to serve our District and Shelby County as best I can.

I would like for you to check my record in the district I seek to serve and see if I am the man you would like to represent you.

Large Number of Visitors Attends Open House at Westinghouse Plant

A record-breaking attendance of over a thousand people visited Open House ceremonies at the Montevallo Westinghouse Plant last Saturday, when the South's only welding electrode manufacturing plant played host to families of their employees, friends and the general public. Visitors from all parts of the state were included in the overflow crowd attending the Open House.

"We were very gratified with the attendance at our Open House in Montevallo", states R. E. Ballentine, Plant Manager.

"The number of local visitors and out-of-town guests was even more than we anticipated. I am disappointed that I was unable to welcome everyone personally, but the confusion resulting from such a wonderful turn-out made this almost impossible. May we again express our very sincere appreciation to the Towns of Montevallo and Calera, the Chamber of Commerce, and the various civic clubs for their cooperation in making our celebration the success that it was. We especially want to thank the bands and the band directors of the Montevallo and Calera high schools for their efforts and the entertainment they afforded our guests."

The Open House visitors witnessed the complete electrode manufacturing operation, including wire drawing, straightening and cutting machines, mixing operations, and the high speed extrusion presses. In the brazing alloy section, guests witnessed the extrusion process where Phos-Copper and Phos-Silver billets are reduced in one operation from 2½ inch diameter to wire sizes as small as 1/16 inch diameter in giant extrusion presses.

In the welding laboratory, engineers and technicians explained the use of each product and demonstrated welding and brazing techniques for the visitors.

Also included on the tour of the plant were the exhibits of electrodes, brazing alloys, welders, farm display, and through the cooperation of Moore-Handley Hardware Co., of Birmingham, a large exhibit of consumer products of the latest Westinghouse small and large appliances.

High point of the Open House festivities was the broadcast over radio station WBYE from 2:00 to 3:00 p.m. Guests were welcomed by Mayor Wyatt of Montevallo, Roy Downs of Calera, and R. E. Ballentine and R. C. Lipps of Westinghouse at Montevallo. Mr. Lipps also distributed suggestion awards to several employees at the plant.

Later in the afternoon out-of-town visitors toured the City of Montevallo and the Alabama College campus, and attended a tea at the college.

Telephone Company Holds Open House

More than two hundred fifty residents of Montevallo and vicinity were guests of Southern Bell at the Company's two day open house program in the local exchange on Boundary Street.

J. L. Switzer, Manager of Southern Bell, said that the telephone building was open from 10 a.m. to 8 p.m. on May 2nd and 3rd.

Guests at the open house were given a behind-the-scenes tour of the local communications center. Attendants explained each step of the telephone operations.

Funeral Services For Mrs. Theo Kuffner

Mrs. Theo Kuffner, 87, of Glendale, Calif., died Sunday in a hospital where she had been a patient for the past three years.

The Rev. Edward Glover conducted the 3 o'clock funeral services Thursday at Bolton-Walton Funeral Home in Columbiana. Burial was in Montevallo Cemetery.

Mrs. Kuffner, a member of the Montevallo Baptist Church since 1911, was born and reared here. Her parents were the late Mr. and Mrs. Francis Marion Fancher. After graduating from Judson College, she and the late Mr. M. M. Kuffner were married. A few years after his death, she and her family moved to California.

Surviving are two daughters, Mrs. H. H. Lewis of Glendale and Mrs. Adelia Allen of Los Angeles; one son, T. F. Kuffner of New Orleans; one sister, Mrs. Ted Kincey of Selma; two brothers, W. V. and Ezekiel Fancher of Montevallo.

Calera Clinic Has Open House

Open house at Calera Clinic drew many visitors last Sunday. It was a grand occasion, fully in keeping with the great importance this institution holds for the people of this area.

The Times-Herald covered the occasion with a reporter and a photographer, and we will give a feature report on the clinic and its opening day in our next weeks issue.

THE RESCUED AND THE RESCUER—Mrs. C. W. Layton, of Birmingham, who was saved from drowning by W. H. Neal, admires the special citation he received from Southern Bell for his heroism.

Telephone Company Employee Wins Award For Outstanding Heroism

W. H. Neal, installer-repairman for the Southern Bell Telephone Company, has been awarded a Southern Bell citation and a Vail cash award for heroism in saving the lives of two persons at La Guna beach last summer. The presentation was made during recent ceremonies in Birmingham where Neal is employed.

According to testimony provided by witnesses, the following events took place during Neal's heroic action:

While walking on the beach during bad weather and with waves very high, Neal saw a man about 200 yards out swimming desperately against the tide in order to reach shore. Neal dived in and swam to his rescue and pulled the man into shore. Upon reaching the shore, both fell exhausted, the rescued person having swallowed considerable water. He was rushed away by friends.

Within five minutes after this rescue, Neal stood up and saw a woman floating on a raft about 200 yards out, calling for help and in a state of panic. Neal dived in again, barely made it to the woman because of exhaustion, and pulled her to safety.

The memorial fund for acts of heroism was established in 1920 in honor of Theodore N. Vail, former president of the American Telephone and Telegraph Company to recognize such heroic acts by telephone employees such as Neal's saving two lives.

Fesperman To Present Organ Concert Monday

John Fesperman, Alabama College organist, will be featured on the college's organ concert series Monday evening at 8:15 in Palmer auditorium.

The college brass choir will also appear on the program. This will be the first time the choir has appeared in conjunction with the organ recital series.

Fesperman is one of the featured organists on the college radio series, "Music From Montevallo".

Members of the brass choir are Robert Hudson, Mike Mahan, Russell Caine, Arthur Garrett, Shirley Baker, David Lueth, Elson Hood, Bradford Wallace and James Stanton.

EMPLOYEES GET CHECKS FOR SUGGESTIONS

Seven Westinghouse employees received suggestion award checks at the recent Open House ceremonies at the Westinghouse electrode plant at Montevallo. Morris Holcomb, J. C. Lajoux, Jesse J. Dupree, Lemuel Parker, Alvin M. Porter and W. E. Morris all received checks for their suggestions dealing with safety and manufacturing improvements at the local plant.

Ralph Collum topped the list of suggestors this month with three awards totaling $123, one of which was the top award yet made at the Westinghouse plant — one for $108 for improving the life of the wire brushes on the electrode production line. Mr. Collum has had seven awards since the suggestion system was started, and has consistently been listed among the top award winners.

BOY SCOUT CAMPOREE

The annual Cahaba District of the Boy Scouts Camporee was held Saturday at the National Guard Armory in Calera. Seven troops participated. Calera Troop No. 67 took top honors.

Camp Horn at Tuscaloosa, the annual Boy Scouts camp, will open in June and the Calera troop has 22 boys signed to go.

Bulldogs Win Two

Last week Coach Theron Fisher's Bulldogs took two more games extending their victories to ten. They have lost one game this season, that a preseason practice game to Calera, 8-7.

Columbiana, Ninth Victim

In defense of their Shelby County crown the Bulldogs romped past Columbiana there 7-1.

Two infield bobbles and Horton's single put the Wildcats ahead 1-0 in the first inning, and it was the third before the Bulldogs could get the run back. In that inning, Ronald Smitherman, Montevallo pitcher, singled and stole second. Leslie Harrison brought him home with his single to even the count.

Then in the fourth inning, Montevallo wrapped up the game as the Bulldogs batted around, scored five runs, and chased Morris, Columbiana starter.

Smitherman and Edwin Fancher combined forces on the mound to hold the Wildcats to two hits. They walked none; and Smitherman fanned five in four innings, while Fancher sent four down swinging in his three.

At bat for Montevallo, Smitherman and Leroy Winslett each had two for four.

Montevallo Takes Vincent 11-5

Young Peter Givhan pitched the Bulldogs to their tenth victory as he held Vincent to four hits while the Bulldogs outscored the Yellowjackets 11-5 here last week.

Leading the Bulldogs at the plate was Bill Winslett with two for three. Milton Terrell, with a home run and Ronald Smitherman, who had a double, were the only two to collect extra base knocks.

SCS Official Receives Award

Auburn, Ala.—Charles B. Russell, State Administrative Officer, Soil Conservation Service, Auburn, on April 28, received the Soil Conservation Service Certificate of Merit. This certificate, signed by Administrator D. A. Williams, was presented to Russell by State Conservationist O. C. Medlock. In addition, Russell was presented a cash award of $215.00.

In presenting these awards, Medlock stated that they were for outstanding performance in organizing and training the Alabama State Office staff and in conducting the business management and personnel functions of that office during the period 1954-1957.

Russell is familiar to many agricultural workers, educators and Soil Conservation District Cooperators here, having visited the county many times in the past.

Telephone Talk

J. L. SWITZER
Your Telephone Manager

OFF THE HOOK: Here's a rhyme I like. "When time has flown . . . get it back by phone!" Ever let an important date, anniversary or appointment slip by? Really puts us on the spot! Luckily, we can always phone. Just a call can get us "off the hook." Lets the person we almost forgot know in a fast, friendly way that we did remember. Sure is nice to be able to reach for a phone, for business or pleasure, across the nation or just around the corner, any day, anywhere!

* * *

. . . WHEN DO sweet dreams become a nightmare? When you need the convenience of a bedroom extension! It's *real* livin' to have extension phones in your home where they're handiest—in bedrooms, kitchen or den. Lots of fun to choose them in decorator colors to go with furnishings, too. And they cost less than a nickel a day each, or several for less than the cost of your main phone. To order the extensions you need, just give us a ring.

* * *

WHAT COULD BE NICER? Mother's Day is next Sunday. How about giving her an extension telephone in her favorite color—to save her time and steps all through the whole year.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The House of Representatives last Thursday approved a measure designed to assist states in making additional payments to idle workers who have already exhausted their unemployment compensation benefits. The approved bill was offered on the floor of the House as a substitute for a costlier measure reported earlier by the Ways and Means Committee.

The committee bill offered additional unembloyment compensation to those unable to get a job, regardless of whether they had ever been covered under federal or state unemployment programs. Also, under the committee measure, payments would have been extended for an additional 16 weeks. Passage of the committee bill would have cost the government more than $1.5 billion.

The substitute bill provides loans, rather than grants, to states requesting such assistance. Under its terms, a state will receive an amount sufficient to pay unemployed individuals for half again as many weeks as they are presently allowed. For instance, if a state makes payments for 16 consecutive weeks to those unable to obtain jobs, the time could be increased to 24 weeks with the use of federal funds.

State Laws Apply

Federal funds available under the House-approved measure will be administered according to existing state laws, and only persons previously covered under a state or federal program are eligible.

Proponents of the substitute bill pointed out that the measure offered by the Ways and Means Committee contained no provisions for policing the program and that, in the end, it would have encouraged willful idleness.

Military Pay Bill

Members of the Senate last week approved a slightly different version of the military pay raise bill that had been passed earlier by the House, and the measures are now under consideration by a conference committee.

Both bills provide at least six per cent increases for members of the armed services, including those in a retired status. The House bill would cost more since it gives larger increases in certain grades. Unlike the House version, however, the Senate measure contains a provision for permitting extra pay to certain high-ranking officers in positions of critical responsibility. The conference committee must necessarily iron out the differences in the bills.

FFA NOTES

The Montevallo FFA boys are making two surveys this week which they think might bring about some improvements in the town and community. Before the surveys are completed a large number of citizens will have an opportunity to suggest and contribute some points in their thinking which might become a part of the plans being made. Ralph Morris, James Earl Davis and Edwin Booth made up the committee which brought in the first suggestions on the school survey. Among the suggestions made by the third and fourth grades at school were:

1. provide additional water fountains, 2. improve the ventilation of the building by installing necessary fans, 3. add more playground equipment, 4. place more benches on playground rest areas, 5. provide for adequate fire escapes, 6. repair swings and bars and put gravel on areas where needed.

Bobby Snow, Jimmy Jones, Kenneth Snow and Johnny Dailey came up with these suggestions from 1st. and 2nd. grades: 1. repair the wire around the tennis court area near elementary building, 2. provide television for class rooms, 3. additional planting of trees and shrubs.

Ben Harrison, Jack Whatley and Jimmy Ray Harris summarized suggestions from 8 and 9th grades as follows: 1. improve the football field and surrounding areas, 2. improve the grounds on the north side of the high school building, 3. improve the walks going east from high school, 4. better nets for tennis, 5. repair the bleachers used during baseball season.

After all committees involved in the survey make reports, a long-range plan for improvements will be made by the group.

Keith Salter was notified that he is in a favorable position on the Farm Mechanics contest in F.F.A. He will be visited by the judging team from Auburn on May 19th.

* * *

Several of the FFA boys reported that they had several interesting experiences while visiting at the Westinghouse Open House Saturday. Much interest was shown in the use of the welding rods manufactured at Westinghouse Welding.

* * *

Mr. D. N. Bottoms, head professor of Farm Mechanics at Auburn, was one of the visitors at Westinghouse Open House Saturday. He is interested in making arrangements for his seniors at Auburn to come and visit the plant.

* * *

M. Thornton, secretary of Montevallo Chamber of Commerce, visited in Calera at the Clinic Open House Sunday afternoon. Many visitors from Montevallo and surrounding areas attended the open house affair.

* * *

The state FFA convention is scheduled for the first week in June and as president of Montevallo chapter, Tony Birchfield will attend as the official delegate.

* * *

Montevallo is one of the 10 chapters of the 300 in Alabama to be in the honor roll this year. The chapter is also in the state chapter contest and hopes to be among those receiving the cherished Superior Award. Chapter members ordered pins and manuals last week in order to meet the only point lacking in the required nine points of each entry.

* * *

Mr. John E. Jones, Assistant county agent of Shelby County, was a visitor to the vocational agriculture department last Monday. Mr. Jones was formerly of Tuscaloosa County.

* * *

Now is a good time to: 1. Spray peach trees, grape vines, apple trees and other plants. 2. Put out zoysia grass for lawn sod. 3. Fertilize the lawn and orchard. 4. Plant seasonal garden items.

* * *

Shelby County teachers will enjoy their annual dinner and social at Columbiana Friday evening, May 9.

Card of Thanks

Mr. and Mrs. Cecil D. Cowart, Calera, wish to thank their kind friends, and relatives for their prayers, beautiful flowers, cards and visits, during the illness and death of their brother, Walter Boyd Mothershed, Birmingham, who passed away April, 28th.

God bless each of you for all your kindnesses.—Mr. and Mrs. Cecil D. Cowart and family.

The first instrument flight from Akron, Ohio to Washington, D. C., was made in 1930 by Marine Corps Captain A. H. Page, who was awarded the Distinguished Flying Cross for his feat.

Thompson Students Choose Dream Girls

Pat Crumley and Darlene Lovelady were crowned Dream Girls of 1958 in the annual contest sponsored by the Thompson Band Boosters Club April 26.

Pat, a senior at Thompson, was winner in the senior division, in which Martine Vanderslice came in second and Peggy Jones third.

Darlene, a ninth-grader from Helena, led the junior division, with Judy Horton and Mary Denham in second and third places. The winners were crowned by Sue Nolen, Miss Cover Girl of 1957, and Barbara Smitherman, last year's junior Miss Cover Girl.

White net was used to stimulate a cloud set in a background of dark blue on the stage. The girls made their entrance through the cloud and down a ramp to be viewed by the judges and audience.

L. O. Farris, president of the Band Boosters Club, acted as master of ceremonies. Mrs. John A. Kent was in charge of staging and decorations, and Mrs. Frances Duke was responsible for the recorded music which formed a background for the program.

Bobby Huckabee, Lyle Roach, and Martis Warren staged a baby contest between the junior and senior division contests.

The girls were sponsored by almost 70 different businesses and individuals.

THANKS FROM BUD NORWOOD

IN MEMORY

There comes a time for all of us
When we must say good bye;
But faith and hope and love and trust
Can never, never die.
Altho the curtain falls at last,
Is that a cause to grieve?
The future's fairer than the past,
If only we believe
And trust in God's eternal care.
So when the Master calls,
Let's say that life is still more fair,
Altho the curtain falls.

Calera Commencement Exercises Are Planned For Next Week

The Calera High School will observe its eighteenth annual Commencement Exercises next week.

The Baccalaureate Sermon will be Sunday morning, May 18, at eleven. The Rev. Frank Taylor, pastor of Vinesville Baptist Church at Hueytown, will be the speaker.

Class night will be on May 20 at 8:00 p.m. Kermit Roberson, president of the Senior Class, will be Master of Ceremonies. Sudie Barefield and Kermit Roberson will give the class history. The Class Will will be read by Carolyn Gentry and Bobby Loftin. Giftorians are Jimmy Woods and Jimmie Ruth Gay. Prophets are Katie Jo Crawford and Billy Wright. The Valedictory address will be given by Bobby Loftin. Salutatorian is Jimmie Ruth Gay.

Graduation will be on May 22, at 8:00 p.m. Dr. Charles Summersell of the University of Alabama will deliver the Baccalaureate Address.

After the graduation the Calera PTA will be hosts at a reception for the seniors.

JIMMIE RUTH GAY

Jimmie Ruth Gay is the Salutatorian. Jimmie Ruth is a member of the Beta club. She was a cheerleader for two years.

She plans to work in Birmingham after graduation.

BOBBY LOFTIN

Bobby Loftin has been chosen Valedictorian of Calera High School's Graduating Class.

Bobby is a member of the Beta club "C" club, football, basketball, and baseball teams, business manager of the annual, and sports editor of the Blue Streak. He was in the Senior Play.

Bobby has received an Honor Scholarship and athletic scholarship at Southern Union College, Wadley, for this fall.

DR. CHARLES SUMMERSELL

Dr. Charles Grayson Summersell, author of "Alabama—A State History" will deliver the 1958 Commencement Address to Calera High Graduates, Thursday May 22 at 8:00 p.m. in the school auditorium.

Dr. Summersell, Head of the History Department, University of Alabama is well known for his teaching and writing of Southern History. His most recent work is "Alabama—A State History." It was adopted for use in Alabama High Schools in 1957. He has also authored "Mobile, History of a Seaport Town".

A Mobilian, Dr. Summersell's love for salt water, ship and schooners comes naturally. During World War II he left his teaching duties, and served in the Navy for three years as a member of Admiral Chester Nimitz, Commander in chief of the Pacific Navy, staff. He was recalled during the Korean campaign and holds the rank of commander.

The graduates who will have the honor or hearing Dr. Summersell's address are:

James Samuel Adams, Billy Rush Alexander, Ronda Sue Barefield, Lois Edwards Blair, Barbara Frances Blake, Eva Loreda Brooks, Carl Thomas Carden, James Franklin Cordes, Katie Jo Crawford, Jimmy Ruth Gay, Gordon Martis Giles, Margaret Elizabeth Glass, Betty Carolyn Gentry, Robert Eugene Loftin, Edwin Wayne Milstead, Wanda Mae Moore, Ann Paulette Parmer, Ronald Kenneth Presley, Kermit Houston Roberson, Julious Ray Tate, Gwendolyne Elaine Wilson, William Earl Wright, James Donald Wood, Fred Yeager Jr.

Lions Sponsor All-Star Game

Lions Clubs all over the state are now sponsoring their annual East-West Boys All Star Baseball Games—with all the proceeds being for the use of Alabama Sight, Inc.

The Clanton Lions are promoting their fifth straight game on Sunday, May 18, at 2:00 p.m. in Clanton City Park. Coach Theron Fisher is again lending 100% support and is sending Ronald Smitherman and Leroy Winslett to represent his fine team and the Montevallo community. Furthermore, he adds that he has "several other good boys" that he would like to enter in this game if at all possible.

Coach Charles Jones of Calera High is also backing the game fully and is sending Walter Ingram and David Thomas. Coach Bulger of Shelby County High at Columbiana is sending Charles McCombs and Donald Armstrong; and Coach Cost of Vincent has recommended Dan Armstrong from his club.

We have held a meeting with the Montevallo Lions Club. They are selling tickets to our game on May 18 and to the big game in Rickwood Field June 13.

Game Chairman W. O. Miller says, "All the Lions of Chilton and Shelby Counties appreciate the support that you have given us in past years."

SALEM CEMETERY

There will be a work day at Salem Cemetery Saturday, May 17 to prepare for the Memorial Day services Sunday, May 25.

We invite you to come and bring your lunch, water, tools, flowers and shrubs for a full day's work.

Salem is two miles north of Montevallo on the old Elyton Road between Dogwood and Montevallo.

THOMPSON SCHOOL ALUMNI

All Thompson alumni are urged to attend a meeting Friday, May 16, at 6:30 p.m. at the school auditorium to organize formally a Thompson Alumni Association.

Willard Reneau, president of the class of '37, which originated the idea of the organization, will preside. A constitution is to be adopted and officers elected.

Phillips To Speak At Thompson

Dr. Howard M. Phillips, president of Alabama College, and the Rev. M. M. Hargrove, pastor of Siluria Baptist Church, will be principal speakers at commencement exercises for Thompson School this year.

The Rev. Mr. Hargrove will deliver the baccalaureate sermon in the school auditorium Sunday, May 18, at 11 a.m. Barbara Reeser will sing "The Lord's Prayer" and the Rev. Neal Morris, pastor of Elliottsville Presbyterian Church, will read the scripture and have the prayer. The Rev. J. W. Smith, pastor of Central Methodist Church of Siluria, will give the benediction.

Next Week Is Clean-up Time

The Montevallo Study Club is sponsor of a Clean-Up campaign in our city next week.

The City Council will cooperate in the movement by making the city's facilities available for assistance in the work.

For the effective accomplishment of this objective, the cooperation of ALL citizens of the city will be required.

Everyone is urged to begin on Monday to clean up your premises. Gather up all the trash and rubbish and pile it up at a place where the city garbage truch can get to it. Put it alongside a driveway or at the curb. Do not pile it in the street.

The garbage truck will patrol the city each day and take away everything that is placed for it to get.

Legion Clean-up Saturday

Clean-Up Day for Hendrick-Hudson Post of the American Legion is Saturday, May 17. All Legion members are urged to be at the Hut at 1:00 p.m..

You may have your choice of yard work; so bring the tools for the job of your choice. Trimming shrubbery, cutting grass, raking and planting shrubbery are some of the chores needed to be done.

Come ready to work.

Funeral Services Held For Frank Frost

Funeral services for Frank Frost, 64, of Underwood were held at 2 p.m. Tuesday at the Ebenezer Methodist Church, the Rev. John Fadely officiating.

Burial was in Moore Cemetery, Bolton Funeral Home of Columbiana directing.

Mr. Frost died Sunday after a long illness.

He was a native of Montevallo and had lived at Underwood for the past 30 years. He was an Army veteran of World War I.

Survivors are the widow; four brothers, Howard Frost, Mobile, Nathan T. Frost, Montevallo, Edgar Frost, Calera, and George C. Frost, Birmingham; two sisters, Mrs. Ludie Lawler, Wilsonville, and Mrs. Lucille Weaver, Lindrith, N. M.

Come To a Party

THE KINDERGARTEN CLASS

If you will be six years old by October 1, you are invited to come to a party on Thursday, May 22, at 9:30 a.m., at the Alice Boyd Building of Montevallo High School.

Be sure to bring your mother or father, and your birth certificate, if possible.

If you know some child who should receive an invitation, contact Mrs. Andy Kochman, Phone MO 5-6191.

This party is sponsored by the parent education committee of the pre-school committee of the Montevallo PTA.

Calera Is Growing Steadily With Better Things For Its Citizens

$195,000 Water System Expansion Brings Plenty of Pure Spring Water To Town

PUMP HOUSE AT BIG SPRING

In 1953 when the Federal Housing Authority established 44 units of low income rent housing in Calera, and the American Brake Shoe Company located a unit at Calera, it became necessary to expand the water system of the Town.

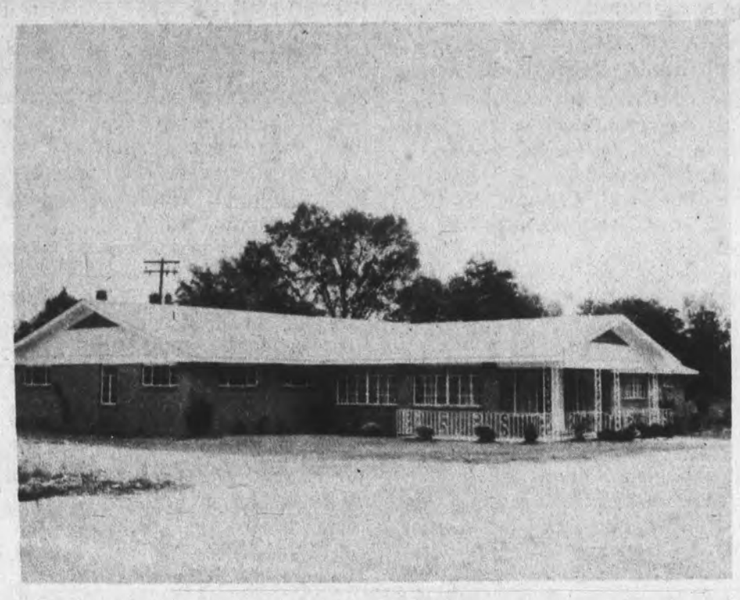

The Water Board was incorporated with Z. S. Cowart as chairman. After this expansion the Town and adjoining areas grew so fast it became necessary in 1957 to again expand and an additional water source to be obtained.

This was accomplished by the purchase of the Big Spring four miles northeast of Calera. This spring flows 500 gallons of pure water per minute which is pumped through an 8-inch pipe by two 250-gallon per minute automatic pumps to a 186,000 gallon standpipe located on a high point on 17th Street in Calera.

This gives us an ample supply of pure spring water, state-approved, and under high pressure.

The Water Board is: Z. S. Cowart, chairman; J. A. Johnson, vice chairman; Carlos Warren, secretary; Carl Edwards and J. R. Edwards.

Calera's New Medical Clinic Building

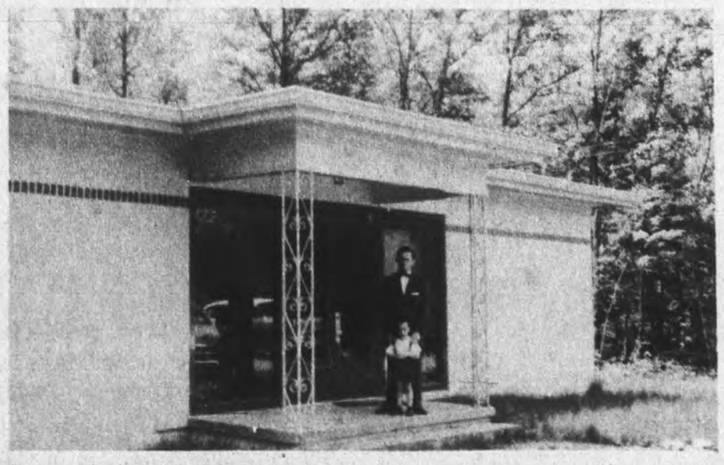

Calera is very proud and indeed fortunate in having this newly constructed modern medical clinic. It was officially shown to the public at "open house" on May 3.

The inception of the clinic was the the result of planning for the future by the Lions, Civitans and the Calera Town Council. Together they made plans, sponsored the movement, and the cooperation of our citizens generally made it possible for the plans to become a reality. Many months of hard work by a great number of civic-minded people are involved in this important accomplishment.

Members of the Calera Clinic Board are: Carlos Warren, chairman; Milford Lee and John Kiriakos.

Radio Station WBYE Serves Central Alabama

WBYE BUILDING at the broadcasting station on Highway 25, west of Calera. In the picture are Station President Marion P. Jones, and his little son, Marion Timothy Jones.

Two-Way Radio For Police Work

On Saturday, April 26, the Mayor and Town Council of Calera, with the participation of Civil Defense, made another forward step in the growth of the Town by installing a two-way radio communications system in the Town Hall, and mobile units in each of the police car and the water and gas maintenance truck.

This system operates on an assigned frequency of 155.01 megacycles, licensed by the Federal Communications Commission, with a power of 35 watts in each of the units.

The antenna is mounted on a 75-foot pole at the rear of the Town Hall. The radio car can be worked over a radius of 40 miles. The station also monitors the highway patrol, and they, in turn, monitor our frequency, which gives the Town a state-wide hookup.

An example of the work of this facility was Sunday, April 27 when a filling station on Highway 25 just outside the Town limits, was robbed; and in just 11 minutes from the time the robbery was reported, the party was apprehended and was on the way to jail. In addition to the robbery, the culprit was traveling in a stolen car which had been taken in Birmingham two hours earlier.

This system makes the police and repair truck as near you as your telephone by calling the Town Hall and reporting your trouble.

This system and installation was made available to the Town by Civil Defense matching dollar for dollar on the entire cost.

It is hoped by the Mayor and Council that, in the very near future, this service can be made available to the citizens on a 24-hour daily basis. This would require hiring a night operator to answer the telephone and operate the equipment.

WBYE Radio Is Step In Progress

WBYE, the radio voice of Shelby County, is the newest instrument of public service in Shelby County. The potential of the station as a servant of the public is limited only by the cooperation of the people it can serve.

WBYE is owned and operated by the Shelby County Broadcasting Corporation, Marion Jones, president. It operates on a frequency of 1370 KCS with a power of 1,000 watts. Within its coverage area are over 68,000 people spending more than $35 million annually.

The location of WBYE in Shelby County was through the efforts of the radio committee of the Shelby County Industrial Development Committee.

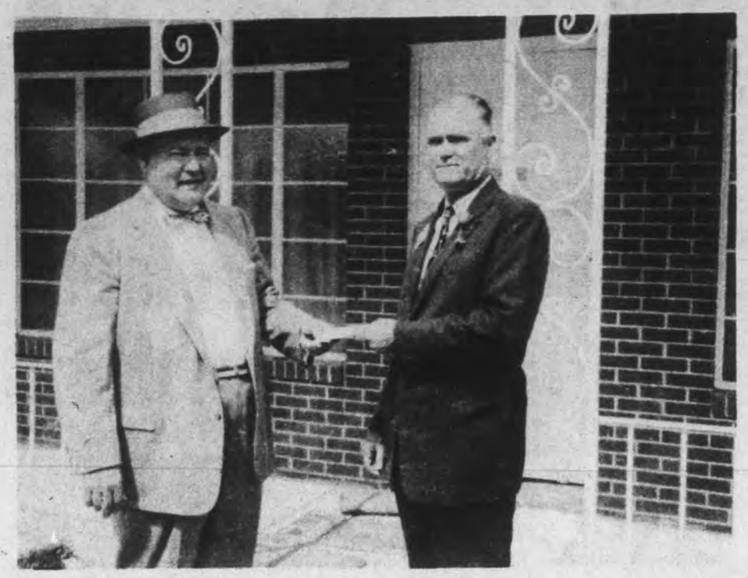

The radio voice of Shelby County is staffed by five members, three of whom call Shelby County their home.

WBYE is dedicated to playing a vital part in the ever increasing development of Shelby County. The facilities, as well as the management of the station, are available to aid any effort aimed at bettering Shelby County.

Card of Thanks

I am grateful to my many friends who gave me their support in my campaign for the Board of Revenue. District 2, in the Primary May 6.—Sincerely, C. M. (Clay) Lucas.

American Brake Shoe Co. Donates To Clinic

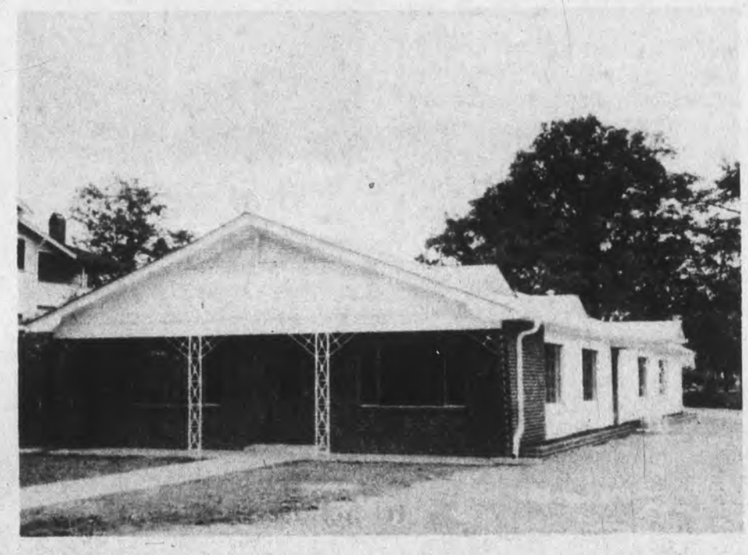

One of the most important phases of the successful completion of the Calera Clinic was the fine cooperation and participation on the part of American Brake Shoe Co., of Calera.

In the picture above, on the left is Mr. Joe Freeman, plant superintendent, presenting a check to Mayor Farris in the amount of $2,000, which represents a gift from his company to the Clinic Board.

This was a fine gesture on the part of American Brake Shoe, and the people of Calera are grateful.

Calera's $15,000 Community Play House

This is a view of the new Community Recreation Building of Calera, the answer to a five-year dream of the Park and Recreation Board.

It was constructed at a cost of about $15,000, which was financed by a local tobacco tax.

The building will serve numerous civic and social organizations.

Members of the Park and Recreation Board are: Eddie Downs, chairman; Mrs. Clyde Lawrence, George Holcombe, W. W. Godfrey and Herman Jones.

Yes . . . We Have Pretty Girls, Too

CHEERLEADERS for 1958-59 at Calera High were chosen by popular vote recently. They are Gwen Hadaway, Mary Gay, Linda Loftin, Beverly DeWitte, Blair Mabry, and Bonnie Moore.

CALERA PTA ELECTS

New PTA officers were installed at Calera High School Wednesday by Mrs. Zolly Cowart Jr., as follows:

President, Mrs. Roy Loftin; 1st vice president, Mrs. Dewey Crowson; 2nd vice president, Mrs. Aubrey Parmer; secretary, Mrs. H. Rogers; treasurer, Mrs. Joe Boozer; finance chairman, Sgt. Quillian.

The PTA will have the Senior reception following the graduation Thursday night, May 22.

Mr. and Mrs. Jesse Hadaway and family visited their grandfather, John Foster of Wilsonville, in Sylacauga Hospital last Sunday. Mr. Foster suffered a heart attack Friday.

THANKS FROM ELLIOTT

Bulldogs Wallop Ramsay, 12-1

Bill Winslett, Montevallo's ninth-grade pitcher, notched his fifth straight victory as Coach Fisher's Bulldogs proved too much for Ramsay here Saturday night. Montevallo, scoring in every inning except the second, took the decision 12-1, making 12 wins in a row for the defending Shelby County champions.

Sharp fielding on the part of his teammates and the stick work of brother Leroy Winslett and Ronald Smitherman aided the young hurler in the cause. Winslett had three fth roree, one of which was a double; and Smitherman slammed out a home run and a double in two trips.

Unbeaten this season, Winslett had a shutout going in the fourth inning when Pharo, Ramsay first baseman, slapped one out of the park for a homer, Ramsay's lone score.

Montevallo collected a total of 9 hits and Ramsay, 7; but the Bulldogs drew 10 walks, while Winslett gave out no free tickets to the Rams. Ramsay left eight stranded, and Montevallo had five who couldn't make it home.

THANKS FROM ALEX HAYES

To the Voters of Shelby County:

I want to thank all of my friends who supported me, and to also thank all the people in your county for the many courtesies that you extended me during the campaign.

I certainly enjoyed my association with the Shelby County candidates and it is good to know what fine people we have in our district.

As for your new Senator, I have nothing but praise for the way he conducted himself and his campaign. I feel sure that he will be an outstanding man in the Senate and will always receive my utmost support.

I hope someday that I will be able to return the many courtesies from each of you.

Montevallo Wins Eleventh Game

By S. DeMent

Marbury outhit Montevallo 8-5 but could not hold down the Bulldogs' scoring as the defending Shelby County champions ran their victory string to 11, beating Marbury there 8-4 last week.

Montevallo went ahead 3-0 in the top of the first inning. As the game opened Driver, Marbury starter, had trouble finding the plate and walked the first three batters. Then a fourth pass, issued Leslie Harrison, brought Bill Winslett across the plate. Danny Thornton drove in two more runs with a double.

In their half of the first, Marbury slammed away at Bill Winslett, Montevallo moundster, but was unable to collect more than one run off three hits.

To open the third frame Ronald Smitherman drew a base on balls for a second time, as did Harrison. Brown's double scored Smitherman, and Harrison and Brown brought in two more runs when Milton Terrell singled.

Two Marbury errors and safeties by Brown and Thornton accounted for runs 7 and 8 for the Bulldogs in the fifth.

Marbury staged a three-run rally in the sixth as Parson and Driver hit doubles and Cartee was issued a base on balls.

Earlier this season the Bulldogs defeated Marbury here 8-2.

ATTENDS VA CONFERENCE

E. J. Sullivan, Veterans Service Officer, will attend an Annual Conference of the Alabama Department of Veterans Affairs which is to be held at Gulf Shores, Ala., next week. The local office of the Department will be closed for this reason on May 19, 20 and 21, 1958.

Mr. Sullivan wil return to his office in Columbiana on Thursday, 22d, and states that he hopes to come much better prepared to serve the citizens of this community and county as the result of information gained while attending this school.

Indian Springs Glee Club To Give Concert May 23

Singing their way into the hearts and affections of music-lovers of the Southeast has been the most remarkable accomplishment of the Glee Club of the Indian Springs School.

Under the guidance of their director, Dr. Lara Hoggard, the club has been reaping acclaim at every place it has sung.

Music-lovers who missed hearing them last winter when the glee club sang with the Birmingham Symphony, will be pleased to know that the Temple Theatre will be the scene of an all-choral concert on May 23.

Their Temple Theatre concert will be varied and interesting, including choral music of about every style and mood.

Neely Bruce of Birmingham, Denny Elliott of Montevallo and Joe Hamner of Birmingham will be piano accompanists for the May 23 concert.

Elliott, a senior at Indian Springs, is organist for vesper services at the school, and will play the organ in the May 23 concert.

One of the summer's highlights for the glee club will be a trip to Dallas on June 2 where it will sing before 10,000 delegates at the Rotary International Convention.

The Indian Springs Glee Club is one of three musical groups invited to appear at the convention.

AT CAPITOL—Representatives of Indian Springs School are greeted at the U. S. Capitol by John E. Horne, representing Senator John Sparkman, while visiting Washington as part of the Valley Forge Pilgrimage. Left to right are John E. Horne, John M. Heacock Jr., student; James H. Mason, teacher; and Dr. Kenneth D. Wells, President of Freedoms Foundation at Valley Forge.

Montevallo PTA Lights School Rooms

The Montevallo PTA has raised money through projects and contributions from various civic clubs to furnish lighting facilities for ten rooms in the Montevallo High School.

The PTA put the latest thing in flourecent lighting in ten rooms of the high school.

Other PTA projects of the year include the appropriation of money to send a local boy and girl to Boys' State and to Girl's State, and the placing of fire extinguishers in the Jeter Building, one of the two elementary school buildings.

Organizations which donated to the lighting project were: Eastern Star, Masonic Lodge, Montevallo Study Club, Montevallo Lions Club, Montevallo American Legion Auxiliary, Montevallo Business and Professional Women's Club, Studiosis Club, American Association of University Women, Chamber of Commerce, Montevallo Rotary Club, and the Town of Wilton.

Faculty Members To Be Honored

Two faculty members of the Alabama College school of music will be honored at the annual banquet Tuesday evening at 6 p.m. in Anna Irvin Hall.

Miss Honor Winer, who is retiring in June, and Miss Ina Strom, who is completing 30 years service at the college, will be honored.

Music composed by Miss Strom will be featured at the banquet. The Alabama College Chorale will sing, and John Gay, Birmingham, will play a violin solo. Gay will be accompanied by Dr. Maxine Couch Davis at the piano.

Bulldogs Squeeze By Columbiana

Milton Terrell, shortstop, wrapped up the game in style when he blasted a game-winning double as Montevallo edged Columbiana 2-1 here Tuesday. This victory gave the Bulldogs a record of 13 wins against one loss.

It was a pitchers' battle from the start as Morris allowed the Bulldogs only four hits; and Smitherman, on the mound for Montevallo, gave up but three.

A first-inning home run by Smitherman, his fifth for the season, put the Bulldogs ahead 1-0; but the Wildcats came back in the second to tie the count. Whitfield knocked in Columbiana's run after Harrington walked and took second on a pitch that got by the catcher.

After that, neither team could scratch into the scoring column until the bottom of the seventh. To open that inning, Danny Thornton was issued a base on balls. He took second when the pitcher balked on a throw to first. Ruben Hayes hit a hot grounder down the third-base line and was on on an infield error. Then Milton Terrell, 0 for 2 to that point, came to the plate and, on the second pitch, lost one in the hedges for a ground rule double. That was enough for it produced the winning run. Thornton crossed easily.

Montevallo has two more games in county competition, Vincent here next Tuesday afternoon and Calera, at Calera, next Friday.

HE'S LOADED — Private Terry A. Bush, Co. B, Second Airborne Battle Group, 187th Infantry, Ft. Campbell, Kentucky.

FORD SKYLINER...
World's only retractable hardtop

Why people who love *CONVERTIBLES* buy *FORD*

Only Ford lets you choose from a steel-top convertible or a fabric-top beauty. Who else but Ford . . . world's largest convertible maker . . . could offer you *two* different *kinds* of convertibles. There's the fabric-top Ford Sunliner and the steel-top Ford Skyliner. They're both styled and powered in the Thunderbird tradition.

Nowhere else can you find so much convertible for so little money. Take the Ford Sunliner for example. A comparison of manufacturers' suggested retail delivered prices shows it's America's *lowest-priced* convertible. As for the Skyliner, it's the world's only 2-in-1 fine car . . . a snug steel-top *and* a breezy convertible. Just touch a button. The all-steel top vanishes into the rear deck . . . and you're sitting pretty in the smartest convertible ever.

LEMON ICEBOX CAKE

Sunny as a Spring day!

- 1 pkg. lemon pudding and pie filling
- ⅔ cup sugar
- 2 cups water
- 1 egg
- ⅔ cup PET Evaporated Milk
- 7-oz. angel cake (6 cups)

Mix well in a 2-qt. saucepan the pudding and pie filling, sugar, ¼ cup water and the egg. Stir in gradually the remaining 1¾ cups water. Cook and stir until mixture comes to a full, all-over boil and is thick, about 5 minutes. Take from heat. Cover and cool. Chill milk in ice tray until almost frozen around the edges. With fingers, tear angel cake into inch pieces. Put the ice-cold milk in a cold quart bowl. Whip with cold rotary beater or electric beater at high speed, until stiff. Then fold into cooled pudding. Fold cake into pudding mixture. Put into 8-inch square pan. Chill until firm, about 3 hours. Cut into squares to serve.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

While a series of record votes are expected this week on the foreign aid authorization bill, the House of Representatives last week passed a number of bills by voice vote.

One measure that was given final House approval is designed to increase benefits for widows of veterans who served in the Spanish-American, Civil, Indian, and Mexican Wars. It is interesting to note that this bill authorizes for the first time pension payments to widows of veterans who served in the military or naval forces of the Confederacy. It is estimated that approximately 1,000 widows of Confederate veterans will have an opportunity to qualify for these benefits. There are already approximately 4,000 widows of Union veterans on the pension rolls.

As approved by the House and also by the Senate, the legislation provides monthly pensions of $40.64 for the widows of Civil War veterans who are under seventy years of age and $65 for those over 70. Widows of veterans of the other wars will receive comparable increases.

Unemployment Funds

The House also passed last week its fifth supplemental appropriation bill of the year. The measure provides additional funds for several federal agencies during the remainder of the current fiscal year which ends on June 30.

Included in the bill is the sum of $26 million for the Department of Labor to use in making further unemployment compensation payments to veterans and federal employees.

In addition to the five supplemental money bills totaling $4.2 billion, the House has also passed six regular department appropriation bills for fiscal year 1959 that total approximately $17 billion. The remaining appropriation measures will be acted upon before Congress adjourns.

Other Legislation

Another proposal that won House approval last week is a bill that increases the equipment maintenance allowance for rural mail carriers. The measure raises the allowance from nine cents to 10 cents per mile or $3.50 daily, whichever is greater. For heavily patronized routes, the allowances are increased to bring the daily maximum to $6. The purpose of the legislation is to enable carriers to meet increased costs for oil, gasoline, tires, and repairs.

Also passed was a bill amending the Public Health Service Act so as to authorize an appropriation not to exceed one million dollars for grants-in-aid to schools of public health. In the 1957-58 term, there were 717 government-sponsored trainees enrolled in the 11 schools which provide training for public health personnel. The legislation passed by the House is designed to alleviate the present shortage of trained persons actively engaged in public health programs by increasing the number of government-sponsored students.

F.F.A. Members Plan Projects

It is not unusual nowadays to hear Montevallo F.F.A. members talking about farming first hand. Neither is it unusual for an F.F.A. member to be placing some additional funds in his savings account or making additional investments in his farming program. This is largely due to well organized plans which were made last October and November when the annual program of work was set up. When making the original plans for the year's work, the members planned for certain tours and field trips which would be following up some of the instruction in the classroom.

Having heard Eddie Downs, field agent for Central State Bank, discuss banking and financing, the class visited the bank and 26 boys started savings accounts with the bank.

Being fixed with a farming program which provides for his equipment to be used for "custom work" or for hire, Gene M. Reid, a state farmer of F.F.A., used his machinery one afternoon last week in a discing and planting operation.

Tony Birchfield points with pride to his young and old dairy stock which he is continuing to develop into a full time dairy operation. Keith Salter continues to expand his services and skills in his farm mechanics program and this year he has entered the state farm mechanics contest.

Kent Salter is often heard describing something of his Angus bull and his other projects at home. Kent is usually the winner when it comes to discussing the Angus breed of beef cattle. Much of his training and experience has been with Mr. A. L. Little, former G.I. agriculture teacher and Angus breeder.

Terry Daviston, Jimmy Thrasher, Buddy Majors and others continue with custom work jobs in downtown stores where their services are praised by Mack Garrett and others. All members are now busy planning summer activities for pleasure and profit.

Forest industries in Alabama employ 47,000 persons.

PRE-REGISTRATION

Pre-registration of children who plan to enter the first grade at Thompson School next year is to be held Tuesday afternoon, May 27, from 1 to 3 p.m. The registration will be held in the present first grade room.

To be eligible to enter school a child must be six years old by Oct. 1 and must present a birth certificate when he enrolls in the fall.

MENTAL HEALTH CHAIRMAN

Statement From Fred R. McClendon

TO THE PEOPLE OF SHELBY COUNTY:

May I take this opportunity to humbly express my heartfelt thanks to my many friends and supporters for your support and hard work in giving me the highest vote for Member of the Board of Revenue and Control, District 2. I will make every effort to see as many of you as I possibly can in the short time that I have until June 3. I humbly solicit the support of each of you and pledge my wholehearted cooperation (as evidenced by my past record of service) to those programs designed to serve the best interests of the people and in the development of our county from continued highway construction to the full development of the county's potential for industrial purposes.

FRED R. McCLENDON

(Paid political adv. by Fred R. McClendon, Maylene, Ala.)

BOYS STATE—These five boys were named by Montevallo High School as representatives and alternates to Boys State. They are, left to right, Ronald Smitherman (alternate), Ralph Morris, Jim Potts, James Earl Davis, and Jimmy Seagle.

Delegates Are Chosen For Boys State

Four boys, James Earl Davis, Ralph Morris, Jim Potts, and Jimmy Seagle, will represent Montevallo High School at Boys State this summer. These boys, who will be sponsored by the American Legion, Lions, Rotary Club, and PTA of Montevallo, were named to the honor this week. Ronald Smitherman was chosen alternate and will be eligible for the trip in the event that any of the four boys can not go.

The representatives were selected by a faculty committee on the basis of character, leadership ability, and traits of good citizenship.

James Earl Davis, newly elected treasurer of Student Council, has served this year as news editor and artist for the Spotlight, the school paper. Last week, James Earl was named for National Honor Society membership. Recently he represented the local Methodist Youth Fellowship at a Convention in New York and Washington. His parents are Mr. and Mrs. John N. Davis of Montevallo.

Ralph Morris of Montevallo, is an outstanding student scholastically. He was also voted into the National Honor Society here last week, whereupon he was elected president of that organization for next school term. He is the son of Mr. and Mrs. L. P. Morris.

Jim Potts, son of Mr. and Mrs. James S. Potts of Montevallo, represented Montevallo High School this spring in both FFA and D.O. District Oratorical Contests. He has served as president of FFA this year and was also a candidate for state president of D.O. at a recent convention in Tuscaloosa.

Jimmy Seagle wil be president of Montevallo High School's Student Council next year. Besides being active in journalism and serving as editor of the Spotlight this year, Jimmy was named to the all-county band this spring for his outstanding work in that field. He has served the junior class as treasurer during 1957-58.

Ronald Smitherman, alternate, is one of Montevallo's leading athletes, being named all-county in football and a representative to the East-West tryout at Clanton Sunday. Ronald is also an outstanding student scholastically.

Boys State is sponsored annually by the American Legion. Only outstanding boys who will be in the senior class the next fall are eligible, future leaders being especially desired.

Phone Subscribers Ask About Tax

The imprint on telephone bills emphasizing the federal excise tax on telephone service is prompting many Shelby County people to ask about the levy, according to Southern Bell Manager J. L. Switzer.

Local telephone subscribers most frequently want to know if the tax has been increased. Others ask when it is to be removed. Many inquire as to the reason for calling attention to it.

Mr. Switzer said inquirers are told that the rate has not been changed since 1954 and that no date has been set for its termination. The company is emphasizing the 10 per cent tax on local and long distance telephone service in an effort to get rid of it.

Nearly all who ask about the tax are anxious for its repeal, Mr. Switzer said, but they all want to know whether Southern Bell or the customer benefits.

The telephone company official stated that all saving from the removal of the excise tax will go directly to tleephone users, not the company. Southern Bell acts only as the government's agent in the collection of the tax.

The campaign to get the tax repealed is supported by telephone companies, consumer groups and civic clubs throughout Alabama and the nation.

F F A NOTES

Vocational agriculture teachers of Chilton and surrounding counties met at Clanton Thursday with B. P. Dilworth, agricultural education supervisor, at which time study was given to improving the courses of study in vocational agriculture. The many changes being made makes it necessary that adjustments be made from time to time in the various courses offered to teachers and students.

THANKS A MILLION

I am deeply grateful for the manner in which you endorsed my candidacy in the Probate Judge race. No candidate was ever assisted by a finer or more loyal group of friends.

To all of you who worked in my behalf may I say, you have my sincere gratitude.

To those of you who supported me with your ballot may I say, I hope to perform the duties of the Probate Judge in such a manner as to make you proud of your choice.

To my good friends and the supporters who were in opposition, may I express appreciation for the fine and clean campaign that was conducted.

You have given me the opportunity to work for the growth and development of Shelby County; an opportunity that I cherish. For the present I say thanks a million. For the future may I say that I hope by the manner of the performance of my duties to show you that I do indeed sincerely appreciate the honor that you have given to me.

Sincerely,

CONRAD M. (Bulley) FOWLER

To the Voters of Shelby County

May I take this opportunity to thank you for the splendid support you gave me in the May 6 Primary Election.

I would like to appeal to those of you who voted for candidates other than the two in the run-off to cast your vote for me on June 3rd.

If I am elected as your sheriff, I will take office under no promise to anyone as to who will be employed by the Sheriff's office.

Protection Against Rabies

A number of years ago the State Legislature passed a "Dog Control Act" for the protection of dog owners and their neighbors.

This Dog Control Act makes it possible for each County Board of Health to appoint a Rabies Inspector who, during the summer months, visits all communities in the County to immunize the dogs in these various communities. A nominal fee is charged for each dog immunized.

Mr. Bloomer Wilson of Montevallo is the Shelby County Rabies Inspector and will soon start his Rabies Clinics. The schedule of these clinics will appear in the County's newspapers and they will be further publicized by posters in the communities, prior to the Clinics.

The services of the Rabies Inspector makes possible the immunization of your dog with a minimum of inconvenience to the owner.

The Dog Control Act was passed by a wise Legislature in order to protect you, your family and your neighbors. The State Law provides only that you must have your dog immunized once a year.

A few of the progressive Town Councils have supplemented the State Law by a local ordinance which requires a license of $1.00 a year for each dog. A certificate of inoculation must be produced befort a license will be issued. The revenue provided by these fees then would pay the cost to the town of workers to impound any dog found running at large during the month of September. The dog is held 7 days and, if not redeemed by payment of all costs, is humanely dispatched.

In this way the stray dog nuisance is effectively controlled.

The sergeant attended Thompson High School. His wife, Audrey, lives in Lawton, Okla.

Newspapers Are Saluted on TV

The important work small town newspaper play in the small communities will be basis of a television salute to the men who publish them. Friday night (May 16) at 9:30 TV channels 2, 7, and 10 will broadcast a special half hour program showing how the weekly newspaper is vital to democracy by serving the community, and how, in turn, the small communities are the backbone of the United States.

Narrator for the telecast will be Joseph C. Harsh, N.B.C.'s London News Bureau Chief, who will have as guests, Congressman Stuyvesant Wainwright from the small town of Sayville, New York.

The program has been filmed to be shown on the Alabama Educational TV network, and the films also are designed for use overseas to demonstrate the function of the weekly newspapers in this country. The program has been translated into six languages for TV presentation in 26 different nations, and will be seen in the U.S. on ETV stations exclusively.

Joe W. Graham Thanks Voters

I am deeply grateful and appreciative of the fine vote given me in my successful campaign for the Senate from the 15th Senatorial District.

To those who gave their vote, support and influence, I wish to thank for their confidence and trust.

I wish to thank my opponent for the honorable manner in which he conducted his campaign.

It is my sincere desire to serve all the people of this district impartially and conscientiously. If I may be of service to you in any way, please feel free to call on me.

Chamber Holds Regular Meeting

The Montevallo Chamber of Commerce held a regular monthly meeting at City Hall on May 8 at 7:30. James F. Whaley, president, presided, and Don H. Lovelady introduced the first business item having to do with the Coosa River Development organization. The group agreed that Mr. Lovelady would ask for a report from the organization before consideration is given to paying annual dues of $88.00.

A check was made on the paid up membership and Fred Frost, Sr., treasurer, reported that 29 members had paid 1958 dues. Jim Seaman, C. H. Chism, Ralph Sears and James F. Whaley are serving as the membership committee and will solicit annual dues from prospective members during the next two weeks.

The chamber received a letter from Mr. R. E. Ballentine, Westinghouse Welding, in which he expressed appreciation to the Chamber of Commerce for the part it played in making the Westinghouse Open House the success it was on May 3. The Chamber of Commerce sent flowers to Westinghouse Open House and to the Calera Clinic Open House. Many of the members visited both these events.

The next regular meeting of the Chamber of Commerce will be held at City Hall on Thursday, June 10, at 7:30 p.m.

New Clover Arouses Interest of Farmers

Newly introduced to Shelby County, Mike clover is creating an interest among county farmers. First planted about three years ago on the farm of F. E. Williams, this annual white clover shows remarkable growth and seeding vigor.

Last week it was observed in full bloom several of the many district planned farms using it in trial plots.

E. L. Lansford, Highway 25 east of Wilsonville; U. S. Eddings, Siluria-Montevallo road near Moore's Cross Roads; John Lewis Cates, District Supervisor, near Cates Crossing on Highway 25 east of Columbiana; Harry Edwards, near Brierfield on Highway 25; A. C. Parker, near Lake Purdy; J. W. Street, near Siluria at Elliottsville; and R. E. Brannon, near Wilsonville, were farms seen last week.

All plantings were phenomenal, though varying in date of planting, fertilizing, grazing conditions and soils.

You are invited to study this crop on these and other farms trying it.

Forests occupy 63.5 per cent of Alabama's land area.

Smitherman and Winslett Named For All-Star Game

Ronald Smitherman, junior southpaw, and Leroy Winslett, a senior, will represent Montevallo's baseball team at the Lions East-West tryout game in Clanton, Sunday afternoon, May 18. Game time is 2:00 o'clock.

Smitherman, a pitcher by trade, plays equally as well at first base or in the outfield. He began playing on the varsity baseball team when he was an eighth grader and still has another year at Montevallo. This season, in 13 games, he has been to bat 32 times and collected 13 hits, which include two doubles and four home runs, for an average of .406. Of the teams total 97 runs this year, Ronald has scored 15 himself and has knocked in 17 more.

A veteran third baseman with three year's varsity experience is Leroy Winslett. His talents aren't limited to this third-base position, however, as Leroy fills in as catcher quite effectively when the occasion arises. Thus far, this season, he is hitting the ball at a .388 clip. He has scored 12 runs and has 10 rbi's to his credit. He has walked 9 times.

RONALD SMITHERMAN AND LEROY WINSLETT

SMITHERMAN IN GERMANY

Hunich, Germany—Army Specialist Third Class Virgil H. Smitherman, son of Mr. and Mrs. Robert L. Smitherman, Rt. 1, Siluria, Ala., recently participated in a tank gunnery training exercise conducted by the 76th Tank Battalion in Germany.

Specialist Smitherman, a tank driver in the battalion's Company A, entered the Army in October 1956 and received basic training at Fort Knox, Ky. He arrived in Europe in July 1957.

The 23-year-old soldier is a 1955 graduate of Thompson High School.

Alpha Nu Chapter Adds To Scholarship Fund

Alpha Nu Chapter of the Delta Kappa Gamma Society materially increased its local scholarship fund at its May meeting when it met at the home of Mrs. Sarah Walker in Alabaster. This scholarship fund was begun in 1954, and will be used to give financial aid to students preparing for the teaching profession.

The Founders Day Program was in charge of Mrs. Loretta Head and Mrs. Myrtle Johnson. An interesting feature was the presentation of the chapter's yearbook by Mrs. Margaret Youngblood. This was followed by a White Elephant Sale, the proceeds of which will be added to the scholarship fund.

SMITH JOINS NAVY

Charles Smith, son of Mrs. Delbert Smith Brand, of Montevallo Rt. 1 has passed all his tests and has gone to San Diego, California, to enter the navy for additional training. Charles was in the St. II class at Montevallo High School. All his friends wish him well in his new adventure.

Downs Heads API Fund Drive

Eddie Downs has been appointed county chairman of the $250,000 API Emergency Fund Drive by Roy B. Sewell, national chairman of the drive and president of the Auburn Alumni Association.

The emergency fund is being raised to enable Auburn to hire additional top-notch engineering professors and to improve facilities in order to (1) Regain accreditation in electrical and mechanical engineering, and (2) Initiate conversion of the present API engineering program to "a program of the future."

Alabama's largest engineering school is experiencing difficulty in keeping its engineering instruction program abreast of modern technology because of increasing enrollments and lagging financial support. Since 1951 the student-teacher ratio in engineering at Auburn has increased from 22-1 to 40-1. At the same time teacher salaries have remained relatively static while the cost of living and salaries elsewhere have soared. As a result, Auburn has lost many of her top professors and has been unable to replace them.

"The State of Alabama cannot afford to let Auburn's engineering program deteriorate. Equal educational opportunity for our young people and the economy of our state, and indeed, the welfare of the South and our country, demand that Auburn maintain her tradition of graduating first-class engineers. I, and my fellow members of the Shelby County API Emergency Fund committee will welcome any assistance that anyone can give in this campaign," says Chairman Downs.

Other county API Emergency Fund committee members are Albert Scott and C. O. Nordan.

Over 95 per cent of Alabama's woodlands are in private ownerships.

Mrs. Hendrick's Pupils To Present Recital

Students of Mrs. Hendrick will be presented in a Piano Recital May 30, 1958 in Calkins Music Hall at 8 p.m. Everyone is cordially invited to attend.

The program will include "Two Pianos Eight Hands" presented by Mary Ann Scott, Gibbie Scott, Virginia Williams, Janice Jones. Another "Two Pianos Eight Hands" played by Mary Williams, Dorothy Louise Downes, Gibbie Scott, Doris Jones. "One Piano, Four Hands" performed by Carolyn Adkins and Virginia Jenks.

Solos will be presented by Ellen Scott, Stanley Bailey, Martha Bess Scott, Gloria Fotchmann, Margie Scott, Jerry Hamilton, Brian Cairns, Marjorie Grant, Carolyn Adkins, Patsy Fotchmann, Lois Eady, Virginia Jenks, Judy Carson, Martha Sargeant, Cathy Woolley, Ralph Burke, Brenda Harper, Annette Burke, Billy Scott, Ruth Ellen Grant, Sharon Woolley, Dorothy Louise Downs, Mary Williams, Doris Jones, Gibbie Scott, Janice Jones, Virginia Williams and Mary Ann Scott.

Mrs. Hendrick is a graduate of Ohio Wesleyan University School of Music, Delaware, Ohio, and studied piano under Madame Carreras, a master teacher at the Cincinnati Conservatory. She taught four years at Limestone College, Gaffney, S.C., two years in the Music Department of Alabama College and twenty-four years as special Supervisor in the Laboratory School of Alabama College teaching piano.

THANKS FROM HOYT BLALOCK

I want to take this opportunity to thank each and every person in Shelby County for being so kind to me in the race for Probate Judge. Also I want to thank each one personally for the vote and support you gave me. It was a great pleasure to meet the good people of our county.

Thank you kindly.

Delegation Urges Coosa-Alabama Development

The Coosa-Alabama River Improvement Association again takes its program to have the river system made navigable before Congress this week. A representative delegation, led by President Robert F. Henry and Executive Vice President George L. Cleere, both of Montgomery, left from Dannelly Air Field Wednesday morning. The group appeared before congressional committees on Thursday and Friday, returning Friday afternoon.

The objective of this delegation is to have Congress insert in the appropriations bill for the next fiscal year an amount that would make possible the commencement of the program to improve the Alabama-Coosa river system so that it would be navigable for barge traffic from Mobile to Rome, Ga.

Conrad M. Fowler, Probate Judge nominee, represented Shelby County on this trip.

E. C. "Buck" WOOTEN

This is to announce myself a candidate for Board of Revenue and Control in District 2 in the June 3rd primary, and to thank the people for the vote they gave me on May 6th. I hope to see each of you in person and intend to do so if possible. Without your help I cannot be elected. On June 3rd I will be very grateful for your vote and support.

Calera Civitans Elect Officers

At a regular meeting of the Calera Civitan Club on May 13, at Calera Cafe, the following officers were elected:

Carlos Warren, president; Claudus Tidwell, vice president; Carl Edwards, secretary-treasurer.

These officers will be installed at a Ladies Night meeting June 9 at 7:30 at the Calera Cafe.

Next Wednesday night the Civitans will have a fish fry on the hill at Civitan W. H. Crawford's. The firemen of Calera will be guests of the club. All firemen and Civitan members are urged to attend.

It was reported that the Scout Troop of Calera won top honors at the recent Camporee held in Calera. The Civitans voted to recharter the Scouts for another year. The Scout Leaders are commended for their untiring work with the Troop. The Civitan Club is proud to sponsor this fine and promising group of boys.

Bobbi Dee Galloway, daughter of Mr. and Mrs. R. B. Galloway of Montevallo, received the diploma in nursing from St. Vincent School of Nursing, Birmingham. Commencement exercises were held at St. Paul's Co-Cathedral on May 22.

Montevallo Band To Give Concert

The Montevallo High School Band will present the final concert of the year on next Monday night, May 26, at 7:30 o'clock. The program will be given on the tennis court adjacent to the high school. In case of rain, it will be given indoors.

The program will feature some marches and other light concert music. A trumpet trio by Joe Clark, Lee Salter and Larry Smitherman and a special dance routine by the majorettes to music from the operetta, "Maytime".

No admission will be charged, but opportunity will be given to contribute to the band instrument fund.

Patterson for Governor

(EDITORIAL)

Many thousands of voters in Alabama who did not get their first choice for Governor in the Primary of May 6 are now in the process of making up their minds about which of the run-off candidates they will support June 3. The question is: Will it be John Patterson or George Wallace?

I have reached my decision on this important question, and my answer is John Patterson.

It appears that the two are going at it for the run-off in about the same pattern as they followed before the first primary.

Wallace continues to make a big noise, hollering Wolf, Wolf; setting up scare-crows; and spewing out even more venom than he did in the first primary campaign.

Patterson is going ahead with his same cool and resolute candor which got him the most votes on May 6. He vows to continue his campaign on the same high plane, regardless of the spite attacks of the opposition.

I did not support Patterson nor Wallace in the first primary. I was for Karl Harrison, our own worthy and eminently qualified candidate from Shelby County.

Now, I am ready to go with the Patterson supporters because I believe John Patterson when he says "There will be no deals and no steals in my administration. It will be dedicated to doing the job the people want done, with honesty and efficiency."

I do not believe that a Patterson administration as Governor will be a Ku Klux Klan administration. That argument is one of the Wallace-constructed scarecrows.

I do not believe that a Patterson administration would be a Folsom administration. That argument is a Wallace effort to throw sand in the eyes of the voters to keep them from seeing the clear implications of his own past record and its portent of the future of a Wallace administration.

I believe that the voters of Alabama will elect John Patterson for Governor on June 3, and I believe that when they get John Patterson for Governor, we will have a Patterson administration of state affairs in Montgomery.

On the basis of his past record and his proved ability, John Patterson is good enough to get my vote and full support.

Presbyterians Name Minister

The Reverend Robert David Kaylor will arrive in Montevallo June 1 to assume has duties as minister of the Montevallo Presbyterian Church.

A native of New Market, Ala. Rev. Kaylor is a graduate of Equality High School, Equality, Ill. He attended Southern Illinois University, Carbondale, Ill., and holds a B.A. degree in history from Southwestern University, Memphis, Tenn., and a B.D. dedegree from Louisville Presbyterian Theological Seminary, Louisville, Ky.

As an undergraduate at Southwestern, Mr. Kaylor was a member of the varsity basketball team, Omicron Delta Kappa and served as vice-president of the student council.

At Louisville Presbyterian Theological Seminary, Mr. Kaylor served as youth director of Weir Memorial Methodist Church, Salem, Ind.; as student minister of the Otisco Presbyterian Church, Otisco, Ind.; and as a member of the faculty, teaching elementary Greek for two years. He also served as president of the junior class and moderator of the student body.

REV. ROBERT D. KAYLOR

Rev. Kaylor is the son of the Rev. and Mrs. L. J. Kaylor of Decatur. Mr. Kaylor's wife is the former Dorothy Marion Henning, daughter of Mr. and Mrs. W. F. Henning of Birmingham. Mrs. Kaylor is a graduate of Ramsay High School, Birmingham, and Southwestern at Memphis.

Thanks From Harrison

Hon. Karl Harrison issues the following statement to the people of Shelby County:

"This is to express to you my heartfelt thanks for the fine and loyal support the people of Shelby County gave me in my campaign for governor. This fine support was a real inspiration to me, and helped me to make the best campaign I possibly could during the short time I was in it.

"I feel that I was on sound ground and that the things for which I campaigned were for the best interest of the people of Alabama, and I believe time will prove this to be true."

Alabama College To Graduate 71 Seniors

Degrees will be awarded to 71 candidates at Alabama College at the June 1 graduation exercises.

Some of those to receive degrees are mid-term graduates. No mid-term exercises are held at the college.

Dr. Judson C. Ward, Jr., vice president and dean of faculties of Emory University, will deliver the graduation address.

Dr. Nels F. S. Ferre, Abbot professor of religion at Andover Newton Theological School, will deliver the baccalaureate sermon.

DANCE CLASS PRESENTS PROGRAM AT THOMPSON

An hour program of modern dance selections was presented by the modern dance class of Alabama College at an assembly at Thompson School last week.

Dance class members did scenes representing various moods, presented an interpretation of a religious service, and danced the story of "Othello."

Federal Funds Are Released For Vincent Armory

Congressman Armistead Selden has advised The Times-Herald by wire that federal funds have been released to be used toward construction of a National Guard armory at Vincent, in the amount of $67,500.

Mr. Selden's telegram received Monday said: "I have just been advised by the National Guard Bureau that $67,500 in federal funds has been released for obligation in fiscal year 1958 for contribution toward construction of a 1-unit armory at Vincent.

"I was further advised that it will now be possible for the National Guard Bureau to authorize the Adjutant General of Alabama to take the steps necessary to complete a construction contract for this project."

Indian Springs Glee Club To Present Concert Friday at Temple Theatre

Pictured here are three members of the Indian Springs School Glee Club which will present a concert in the Temple Theatre at 8:30 p.m. on Friday, May 23, under the direction of Dr. Lara Hoggard.

From left to right are Neely Bruce, sophomore from Homerville, Ga.; Denny Elliott, senior from Montevallo, and Joe Hamner, junior from Birmingham.

These fine young pianists have attracted much attention whenever the glee club has performed. For the past two years all three boys have received the highest possible rating in the finals of the Alabama Interscholastic Piano Competition sponsored by the University of Alabama.

Singing with the glee club on unaccompanied numbers (Elliott and Bruce are baritones while Hamner is a low bass) the three take turns at the keyboard to supply accompaniments as needed. For several numbers in the repertory two of them team up in special four-hand accompaniments.

Denny Elliott serves as organist for Vespers at the school. Several numbers in the repertory are scored for organ and brass accompaniment. The repertory includes choral music of every style and mood. There are masterworks from the 16th and 17th centuries, "a cappella" antiphons sung in Latin, unusual choruses by Brahms, excerpts from opera, magnificent pieces by Randall Thompson, contemporary and traditional settings of American folksongs, spirituals and chanteys, standard glee, and brilliant arrangements made originally for famous choral groups of radio and television.

Walter Moeck, one of the nation's great trumpet players, will perform with the glee club in several works. Mr. Moeck teaches brass instruments and music appreciation at Indian Springs School. Student brass players include Dan Davis, trumpet, Leeds; Robert Phillips, horn, Rockingham, N. C.; David Dillard, horn, Abbeville, S. C.

Why The Klan Excitement?

Editor, The Advertiser:

I am not a member of the Ku Klux Klan and do not support them.

Regardless of who wins the governor's race, I believe we will have a better governor than in the past.

But why has the Klan suddenly taken such a spotlight? The Klan has been in existence for longer than I can remember, and I'm sure most of the members and their leaders have been voting for some candidate in all past elections.

All politicians solicit and gladly accept the votes of all people. While none of the candidates in the recent race wanted to be branded as Folsomites, they all gladly accepted the votes of Folsom leaders and followers.

Patterson's state campaign leader was once associated with the Crump organization. In a previous campaign, Wallace was a campaign manager for Folsom. If Wallace does not believe a man can break away from former associates, how does he justify his claim that in such a short time he has completely broken away from Folsom?

If we refused to vote for any candidate whom we thought would get some votes from the KKK, I doubt that we would vote at all. Due to Wallace's similar stand on segregation, I imagine he will get a good many votes of Klan members. He would not turn down these votes. Would this brand him as a tool of the Klan?

I have no idea for whom the KKK voted four years ago, or in any election, and don't recall your stressing the point. You didn't seem to be very concerned whether they were backing Faulkner or Folsom. There have been no drastic results, so why make such a big issue of it now?

Montgomery. J. E. MADARIS.

Under the direction of Dr. Lara Hoggard, the Indian Springs Glee Club will present a concert in the Temple Theatre, Birmingham, at 8:30 on May 23.

Indian Springs Choral Director

Dr. Hoggard first attained national recognition as a choral director when his Durant, Oklahoma, High School Chorus represented Oklahoma at Music Educators' National Conference in St. Louis (1938) and appeared before the National Federated Music Clubs Convention in Baltimore (1939).

After a year of graduate fellowship study in New York, he was appointed Director of Choral Music and Professor of Music Education at the University of Oklahoma. His University Men's Glee Club won the award for "finest choral artistry" over 140 groups entered in the 1942 National Collegiate Glee Club competition at New York's Carnegie Hall.

After two years of combat duty in the Navy, he was called to Washington to conduct the NBC Navy radio series called "The Navy Hour."

At the end of the war, he joined the Waring organization as choral director and also served as Dean of the Waring Choral Workshops and editor for Shawnee Press. He received his doctorate in music education from Columbia University in 1947.

In 1952, under the management of National Concert Artists Corporation and Civic Music Association, he conceived and executed "Festival of Song", a concert choral - instrumental - dance group which presented 85 concerts in 30 states before audiences totaling 200,000 people.

SCHOOL PARTY MONDAY

All white children who will be six years old on or before Oct. 1, 1958, and plan to enter Calera Elementary School, are invited to attend a party Monday, May 26, at 9 a.m. at the school.

While the children are being entertained by the first grade room mothers, Mrs. Nelda Timmerman and Mrs. Faith Swindle, first grade teachers, Miss Anita King, County Supervisor, E. Marvin Smith, school principal, will meet with the mothers of the prospective first graders in the auditorium. The school requests that no children attend unless accompanied by one or both parents.

Class Visits Mound State Park

On Thursday, May 15 Mrs. Holcomb's group and two mothers, Mrs. Raymond Bearden and Mrs. Nichols, enjoyed a combination educational trip and end-of-school picnic to Moundville State Park. The trip was made by bus.

The group had completed a unit on the Indians and early Alabama. In Moundville we saw in reality the things we had studied about.

On the banks of the Warrior River many centuries ago dwelt a pleasant and contented people. These Indians, given to pottery making and the building of fine temples, have vanished long ago, but the eloquence of their handiwork endures. Their pottery, now lodged in the muddy earth emerges as fresh proof that "a thing of beauty is a joy forever",

The mounds and the story of the Indians who built them, a story recorded in clay and stone and native metals are preserved today at Mound State Park.

The present-day visitor may see on the 315 acre monument tract, 40 mounds which are the remnants of the Moundville Indians' great city.

Mrs. C. C. Milford is doing well at University Hospital and is expected home next week.

Thanks

I am humbly and deeply grateful for the many hundred of my friends who supported and voted for me and my program in the Primary Election May 6.

In the race for Sheriff there were five candidates, and due to your wonderful support I led the ticket, receiving 563 votes more than the second place candidate. There will be a run-off in this race June 3, and I earnestly solicit your continued support. I have tried to serve you well, and will always respect the trust you have placed in me.

To those Candidates who were defeated in this race last week, my thanks for a clean campaign.

To the supporters of the Candidates who were defeated, I ask you to consider me and my program in the coming run-off, and I will appreciate your support and vote.

To All, I stand on my record as your sheriff.

I thank you from the bottom of my heart, and may God bless each of you. HUGH M. SIMS

Dr. Walters To Address Seniors

Dr. John Walters, dean of men and chairman of social science department at Alabama College, will deliver the commencement address as Montevallo High School seniors receive their diplomas Wednesday night, May 28, at 8:00 in Palmer Hall.

Dr. Charles Gormley, director of the laboratory school and chairman of the education department at Alabama College, along with Mr. Guy Milford, principal, will be in charge of presenting diplomas and awarding honors to the graduates.

The theme, "The Ideal American Citizen" will be developed through songs by the group and short talks by Ann Poole, Martha Ann Edge, Virginia Williams, Melton Eady, and Grover Hayes.

Baccalaureate services will be held Sunday night, May 25, at 7:30 at the Methodist Church. The Reverend James Chesnutt, local Methodist minister, will deliver the sermon, "Looking Ahead." Rev. Edward Glover, Baptist minister, will assist in the services.

A reception honoring the seniors and their famiies will be held in the church parlor immediately after the service. The Montevallo High School faculty, with Mrs Emily Pendleton as chairman, will be hosts at the reception.

An old-fashioned ice cream supper was given Monday by the Calera High School Band on the tennis courts of Calera Park. Over 150 people came to the event. Mr. Ben Carlton, band director, was assisted by the members of the band and the Band Mothers' Club.

3-Cent Postage For Invitations

Ever plan a party and have no guests show up?

It can, and has happened, says postmaster Morris Watson, if your invitations are delayed in the mail because of insufficient postage.

Approximately 75 per cent of the baby announcements and party shower invitations which are only partly printed are mailed without enough postage, Watson says. These cards, on which the sender inserts dates, times, places and so forth, require 3 cents postage whether sealed or not.

If the mailer of such cards cannot be contacted, local address must pay the deficiency. And cards for out-of-town addresses are held up while notices requesting the deficiency postage are sent.

An Open Letter To The Voters of Shelby County:

DEAR FELLOW CITIZENS:

On June 3, the people of SHELBY COUNTY will elect a Member of the House of Representatives. We of the Coosa River Area, have in the last few months, seen the commencement of the huge steam electric generating plant and are convinced that the next few years are especially important in the development of our county. We realize that if we are to receive the full benefit of this development, that it is absolutely necessary for us to elect the BEST QUALIFIED man possible to represent us in the State Legislature.

JIMMY SHARBUTT has been a resident of SHELBY COUNTY for forty years. He was one of the original members of the Citizens Industrial Development Board of SHELBY COUNTY, and this group was instrumental in obtaining an industrial survey of Shelby County.

JIMMY SHARBUTT was unanimously elected Vice Chairman of this SHELBY COUNTY Citizens Industrial Development Board and was later appointed Vice Chairman of the SHELBY COUNTY Industrial Board organized under the State Law, and he presently holds this position.

JIMMY SHARBUTT represented SHELBY COUNTY and the other counties in the 6th District as a Delegate to the 1956 Democratic Convention in Chicago where he was a strong advocate of the nomination of candidates acceptable to the South.

In the last session of the Legislature, the Representatives from Talladega County proposed to introduce a bill which would change the boundary of SHELBY COUNTY to the center of the Coosa River, rather than its east bank, thus depriving SHELBY COUNTY of the rich tax benefits which will accrue from the construction of dams and other facilities on the river. JIMMY SHARBUTT met with our Representative and other interested Shelby County and St. Clair County citizens and made plans to oppose this bill, and as a consequence of their efforts, the bill was not introduced.

JIMMY SHARBUTT has been a member of the Shelby County Bar Association since he graduated from the University of Alabama Law School, and has been Mayor of the Town of Vincent for the last eight and a half years.

As Mayor of the Town of Vincent, he has been instrumental in obtaining a million and one half dollars worth of public improvements for that section and has always cooperated with the other officials of SHELBY COUNTY in the development of SHELBY COUNTY.

JIMMY SHARBUTT has proved himself to be a good business man and a good administrator. SHELBY COUNTY deserves the BEST QUALIFIED man for the job. Elect JIMMY SHARBUTT, who has the ambition to build a better SHELBY COUNTY and the abillity and contacts to get the job done.

(Signed) DON BEAVERS

P. S.—Since writing this letter, Jimmy Sharbutt's schoolmate, Congressman Selden, has wired that federal funds have been made available for the construction of an Armory at Vincent at a cost of $67,500.00.

This has come about through the cooperative efforts of JIMMY SHARBUTT, Capt. James C. McGraw, and other local, State and Federal officials.

(Paid political adv. by interested citizens for the development of Shelby County, Don Beavers, Chairman)

to prove Mercury the Performance Champion for 1958

OUTPERFORMS EVERY CAR IN AMERICA, REGARDLESS OF PRICE!

The one factor that counts most in automobile performance is power-per-pound. And Mercury, with up to 83.08-hp per thousand pounds dominates *any* other full-sized car! Even in horsepower alone, Mercury's 360-hp V-8 surpasses every car except one costing almost $1000 more. Yet there's *no sacrifice in economy*. Cool-Power engine design delivers more power from less gas. But make us *prove* Mercury is Performance Champion for '58. Take a 10-minute road test today.

Montevallo Wins 14th Game, 7-4

Home runs by Milton Terrell and Ronald Smitherman and three for four hitting by Leroy Winslett told the story of Montevallo's 7-4 win over Thompson here Thursday night.

This game added victory No. 14 to the record for the Bulldogs, who have two county games remaining in their battle to defend the Shelby County crown. Calera, second in line for the title, has lost only to Montevallo in county play.

In Thursday night's match, Thompson got at Bill Winslett momentarily as the Warriors amassed four hits to give them three runs in the second inning to lead the Bulldogs 3-0 at that point. Busby led off with a double. Than an infield error, doubles from Seals, Walker, and a single by Dinwiddie put three runs across. The fourth run was scored in the top of the seventh as a result of a walk and an error.

In the bottom of the second the Bulldogs put together two walks and a single for one run.

A walk, a single by Leroy Winslett, and a round tripper by Ronald Smitherman, put the Bulldogs ahead 4-3 in the fourth inning; and they held onto the lead.

Three extra-base blows accounted for two more Bulldog runs in the sixth. Terrell hit his second home run of the season, and L. Winslett and Smitherman both doubled.

Montevallo plays Calera at 12:30 at Calera Friday.

Card of Thanks

I want to express my appreciation to my friends and relatives for the cards, flowers, visits, food and prayers during my confinement at University Hospital.—Mrs. Olga Martin.

Mrs. Leondus Carter spent Sunday in Shelby with relatives.

NOTE OF THANKS

Mr. and Mrs. George Nix wish to thank the members of the budget and finance committee who have worked so faithfully in all the projects to meet their goals. Also for carrying on so wonderfully after Mr. Nix's accident. Our thanks go to Mrs. Minnie Lou Warnke, Mr. and Mrs. Jack Sims, Mr. and Mrs. Hubert Lucas, Mr. and Mrs. Charles Harper, and to our many friends who helped us put these projects forth. We sincerely believe we have had a very good and enjoyable year, working with all of our friends.

IF YOU CAN FIND ANOTHER PICKUP THAT GIVES YOU SO MUCH FOR YOUR MONEY— BUY IT!

Go ahead—shop around. Take a long, hard look at what you get for what you pay for any other pickup in town.

Then—come in and give the GMC the same kind of going over. Check its 22 *full-value* features—features that would cost you plenty of dollars extra in other trucks. They're all *standard equipment* in a GMC.

How important are these features? One is a fast-ratio axle for overdrive's economy—without its cost. Another is the neaviest front cross-member of any pickup. Still another's the heaviest rear axle.

These are things that mean greater haulability—lower running costs—longer truck-life. Yet remember—*a GMC pickup is priced right down with the lowest.*

But come in and check for yourself. Let the FREE Truck E-Value-ator show you your biggest buy in trucks.

To The People of Shelby County:

A Statement From John H. Thompson, Member of the Board of Revenue and Control in District Four

I would like to take this opportunity to present to you, the people of Shelby County, an itemization of some of the major accomplishments of your county since 1946. These accomplishments are a matter of public record and not heresay. I very humbly bring these to your attention and sincerely hope you will consider the magnitude of progress that has and will be made using all available revenue earmarked for the various purposes. I would again like to represent you as your "MEMBER OF BOARD OF REVENUE AND CONTROL, DISTRICT 4".

SHELBY COUNTY HIGHWAYS AND BRIDGES

From 1946 to 1958, 185 MILES of PAVED COUNTY-OWNED HIGHWAYS have been constructed under the "FARM-TO-MARKET" Act whereby Shelby County was to receive Federal Aid and State Funds to construct local county highways. The County was required to match these funds which it has done. The County has matched every dollar made available under this program. According to the record, the County has received $755,849.98, from Federal and State sources. These funds and county matching funds have been expended to give you the 185 miles of pavement that we all enjoy daily. In 1946 Shelby County didn't have any County-owned paved highways at all. In addition to the 185 miles of County-owned paved highways many new reinforced concrete bridges have been constructed.

Also according to Alabama State Highway Department records Shelby County ranks number 6 among the 67 counties in total mileage of highways constructed and paved under the "FARM-TO-MARKET ACT".

Only recently in the Month of April the County let to Contract 44.774 miles of additional county paving. 28.374 miles will be new paved highways and 16.4 miles will be resurfacing of a couple of previously constructed paved highways. Three new reinforced concrete bridges were also let to Contract. The total expenditure involved in this letting was $171,-316.70. The County had to put up $110,016.08 to get this work let to contract. The County made this expenditure without incurring any debt.

The county is prosecuting surveys and plans for an additional 24 miles of "FARM-TO-MARKET" highways near Calera and Dunnavant. Additional surveys will be made for construction as soon as these are completed. Only one project at a time will be approved by the State Highway Department.

Currently the County has under construction 10 miles of "FARM-TO-MARKET" highways that will be graded and base course foundations placed by the end of November.

I would like to point out that the County uses County personnel and equipment to perform all of its grading, drainage and base course work for two very important reasons: To make available as many jobs as possible to county citizens which in turn helps add to the economy of the county by keeping much of this money in the county and secondly to save approximately twenty-five (25%) of the construction cost which contractors figue in and thereby saves that much additional funds to construct more miles of county highways.

The county carries on another construction plan as County construction only, without benefit of Federal or State subsidy since all of that source of financial help is expended in the "FARM-TO-MARKET PROGRAM". This second construction plan is providing a way to more quickly reach many of you on the more than 550 miles of public rural roads yet unconstructed. Many miles have already been built this way and a lot of you are cognizant of the progress being made this way.

Summarizing briefly you will note that by the end of this present year the County will have 213.5 miles of County-owned paved highways and numerous new concrete bridges while at the same time maintaining those many hundreds of miles of rural unsurfaced and paved roads. I firmly believe that county has progressed very well indeed and has done so without having to incur an indebtedness. I have cooperated with your Board in fairly distributing the work of both construction programs to each of the FOUR DISTRICTS. An examination of the records as to mileages in each District will bear me out. The selection of a project under the "FARM-TO-MARKET ACT" must be concurred in by the State Highway Department and Federal Government where they participate and the first highways to meet their regulations and specifications were connecting routes between main highways and towns. It takes time time to reach many of the less heavily traveled roads.

OTHER IMPORTANT COUNTY PROGRAMS AND CONSTRUCTION

In 1954 the County erected a three-story modernly designed brick office building annexed to the Courthouse for the better efficiency and comfort of the many County agencies and jail. These agencies were dispersed over the town and needed to be concentrated in a smaller area for the public welfare and to give them the working space they needed for efficient operation. The cost of this structure was approximately $340,-000.

In 1956 the County took advantage of the "Hill Burton Act" and constructed a "County Health Building" at Columbiana. Federal funds were matched to make possible this public health facility so valuable to the people.

In 1957-1958 I extended my help in helping to acquire the costly Steam Electric Generating Plant at Wilsonville. The ultimate revenue that the County will receive from this source will aid the County tremendously in its development. The Board extended full cooperation to the officials of SEGCO with regard to access roads and any problem that the county could help with.

In 1957 the County constructed a certrally located "SHELBY COUNTY HIGHWAY DEPARTMENT SHOP" to more efficiently maintain the county equipment. The proper maintenance of county equipment is imperative to the continued progress of our accelerated construction program. The county manufactures its own plain and reinforced concrete pipe for use in the maintenance and construction of county roads. The savings from this operation have exceeded expectations.

The county has contracted with General Electric Corp. to put in the latest in radio communication equipment for county-wide radio coverage. Federal Civil Defense funds on a matching basis were utilized to make this system possible. The County Highway Department will use this valuable network to coordinate all phases of its construction and maintenance activities. In the event of a national emergency, tornado or other emergency this county-wide communication will prove invaluable to help protect the county's citizens.

I pledge to you, the people of Shelby County, that I have the best interests of each of you and our county at heart. I will diligently work with your Board to carry out the many progressive programs current and future. Shelby County has the potential to develop in every way. I will work assiduously for continued highways until every area has been reached. I will add my efforts to education, conservation, Coosa River development and the agricultural and industrial development of Shelby County. I favor higher pay for county employees and other benefits as the financial condition of our county allows. Your county is one of only THREE that is not in debt. I feel that indebtedness should be avoided unless absolutely necessary. The huge sum of money expended for interest on large loans should instead be applied to our highways and other county programs where something tangible can be gained.

In closing, I humbly ask your vote and support to reelect me as a Member of Board of Revenue and Control, District 4. I shall be very appreciative.

Why Buy in Montevallo?

Everyone wants to be a good citizen of his home town as well as his country. In being one, however, more is entailed than just upholding the town government even though this is one very important aspect – there must be support of its industries, stores, and personal service concerns.

There would be very little loyalty toward home activities if a person who works in Montevallo, and receives wages in the town went outside Montevallo to buy his goods and services instead of upholding his neighbors' businesses.

It would prove much more economical for a person, living and working in Montevallo, to shop and buy within the town, rather than going into the larger city of Birmingham or one of the towns closer by because there would be transportation costs, as well as the chances one always has to take in going to and from these removed shopping areas.

Montevallo merchants advertise extremely little, but it should be remembered that, in spite of this fact, they do not have the business they want and/or need from the people of the town.

If one finds dissatisfaction with a product or service or wants to make an exchange, it would be easier to affect a satisfactory adjustment if the business was given to a merchant of Montevallo at the beginning of the transaction.

Businessmen should join and support the Montevallo Chamber of Commerce so as to improve the town to a degree which would invite and attract more support and backing.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The mutual security bill, authorizing $339 million less than the President had requested, was passed by the House of Representatives last week and referred to the Senate. The House-approved measure authorizes expenditures for the mutual security program during fiscal year 1959 of not more than $2,958,000,000.

The cuts made in the mutual security authorization bill were the same as those recommended to the House by the Foreign Affairs Committee. Amendments which I offered in the committee accounted for $187 million of the total $339 million reduction. One of my amendments cut defense support by $60 million; another reduced special assistance funds by $27 million; and the third decreased the so-called "Contingency Fund" authorization by $100 million.

Another amendment I offered in the Committee resulted in reorganizing the Executive's draft of the bill, thereby making it easier for House members to distinguish between economic and military aid. I have attempted since I have been a member of the Committee on Foreign Affairs to place the military and economic assistance programs in separate bills so that members of Congress would have the opportunity of voting for or against either program. While I have been unsuccessful to date, the reorganization of the pending bill is a step in the direction of separation, and it is hoped that the Committee will look with more favor on complete separation next year.

The authorization bill that received House approval last week places a ceiling on the amount that can be spent during the next fiscal year for the so-called foreign aid program. However, further reductions are usually made in these programs when Congress considers the actual appropriation bill.

Civil Rights Issue

Southern member of Congress attempted in vain last week to eliminate an appropriation of $342,000 that will be used to run the civil rights division of the Justice Department next year. The division's total funds of $490,000 were included in the annual appropriation bill for the Departments of State and Justice after an amendment which would have appropriated only $148,000 for the new division's expenses in the current fiscal year was defeated. Because the civil rights funds were not deleted, I cast a protest vote against the entire bill, as did the majority of congressmen who represent Southern States.

ALBERT BOUTWELL

Led His Opponent for LT. GOVERNOR by 53,973 votes

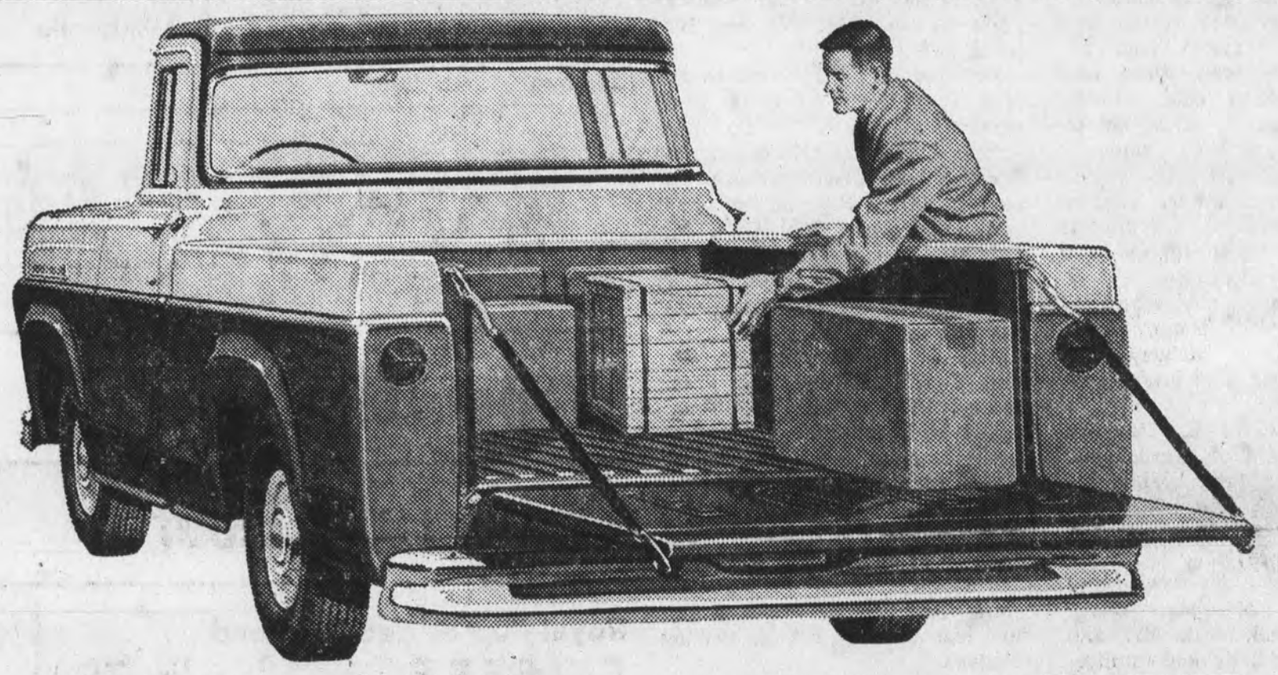

Albert Boutwell led his opponent in 57 counties for Lieutenant Governor in the first election, with a total vote of 197,854.

By this big vote, our citizens endorsed these things for which Boutwell has always stood as State Senator for 11 years:

- **Segregation on all fronts.**
- **Sound and thrifty government.**
- **Fair reapportionment.**
- **Competitive bidding on State contracts.**
- **Aid to education, public health, conservation and our indigent and aged.**
- **Development of our State's resources.**
- **Broader rights for our Counties and Communities.**

The Press named Boutwell "Alabama's Outstanding State Senator" because of his service as Chairman of the joint Senate-House Committee to preserve segregation and his able leadership for sound government. He will help our next Governor be a better Governor.

Honor Society Installs New Members

The Montevallo Chapter of the National Honor Society recently held an induction ceremony for new members in the high school auditorium. Taking part in the program were Ann Birchfield, President; Ann Poole, Vice-President; Jo Ina Huckabee, Secretary; Pat Waters, Treasurer; Lillie Pearl Carlee, Virginia Williams and Pat Allen.

Thirteen new members, including two (2) seniors, were installed. New members are Martha Ann Edge, Pat Galloway, Ralph Morris, James Earl Davis, Judy Bess Robinson, Minavee Southern, Gene Givhan, Gibbie Scott, Rhonda Albright, Edith Edfeldt, Mildred Jones, Tommie Ruth Mowery, and Evelyn Roman.

Membership in the National Honor Society is based on scholarship, leadership, service, and character. Each eligible student must first have an average of B, or 85, before he can be considered for membership.

Following the ceremony, there was a brief reception in the Home Economics Building honoring the new members and their parents.

GEORGE NIX HOME FROM HOSPITAL

George A. Nix returned home from Carraway Methodist Hospital May 9 after being a patient there for three months. Mr. Nix wants to thank his many friends for the beautiful cards, flowers and gifts sent him while he was at the hospital. Also for all the blood donors and prayers that were said for him. Mr. Nix says, "Without all of you wonderful people and your prayers and kindness, I just could not have made it. Thank you all again."

MENTAL HEALTH FUND

Mrs. B. A. Findley has been appointed chairman for Calera's Mental Health Fund Drive for 1958.

Working with Mrs. Findley on this drive will be Mrs. M. L. Smith as co-chairman. A Committee from the Lions Club appointed by Mr. L. L. Cameron, president, are Mr. Bill Varden, Mr. Ellis Jones and Mr. Grover White. Calera's quota is $200. The Shelby County goal is $1,600.00 according to Hoyt Grissom, Shelby County Fund Drive chairman.

"CHUCK" HARRIS for SHERIFF COMMITTEE

P. O. Box 41

Phone MO 5-7320

MONTEVALLO, ALABAMA

TO MY MANY FRIENDS IN SHELBY COUNTY:

I would like to take this opportunity to recommend to you a man that, in my opinion, is the man to whom I give a large part of the credit for the success that I have attained. This man is Charles H. (Chuck) Harris.

Most people know me by the nickname of "Peanuts." My real name is James H. Davenport. When I was a kid going to Thompson School, I was just like every other kid. I never thought much of what tomorrow meant, but "Chuck" Harris knew. Chuck Harris was our friend. I say "our" friend, because he was and still is just that, and we all felt a deep sense of respect and admiration for him.

"Chuck" advised me repeatedly and encouraged me often. He also made me think of the future and he saw a talent that I had for competitive sports and encouraged me to play football at Thompson. Because of this, I was awarded a scholarship to Mississippi Southern College to play football. "Chuck" once again encouraged me and off I went. I am proud to say taht I enjoyed a great deal of success in this venture, and "Chuck" continued to urge me, and many of my friends still at home.

Today, I am playing professional baseball with the San Francisco Giants, and I can truthfully say that a large part of the success that I have today is because of "Chuck" Harris. It is with sincere hopes that all of my friends will support "Chuck" in the runoff election for Sheriff of Shelby County, and it is with deep pride and pleasure that I recommend him for this high office. I earnestly and sincerely ask you, my friends, to go all out and support, but most important, to vote for this great guy.

With sincere thanks and appreciation for your help, I am

James H. (Peanuts) Davenport

(Paid political adv. by James H. (Peanuts) Davenport, San Francisco, Calif.)

To The Voters of Shelby County:

I am most humbly grateful to all of you for the fine vote I received for your County Superintendent of Education. I appreciate everything done in my behalf and I will certainly do my very best to make you a good Superintendent. I hope to see everyone to personally say "thank you", but until that time, I want to take this opportunity of thanking you all.

ELVIN HILL

HUGH M. SIMS

Crime Prevention

An Ounce of Prevention Is Worth A Pound of Cure

Preventive policing is the answer to law violations, and firmness in enforcing all laws is essential for a clean county.

I have given you my platform and my promise to continue the same type of law enforcement as I have during my first term as your Sherif.

You know your community better than any one else. Have we helped in your community?

Have I done what I promised four years ago?

The vote you gave me in the Primary May 6 lets me know you approve my program. I appreciate you so much for it.

I stand ON MY RECORD as I ask you to give me a vote on June 3 for another term as your Sheriff.

Thanks for everything. May God bless each of you.

HUGH M. SIMS

High School Has Awards Day

At an Awards Day program held last Friday at Montevallo High School, forty-two students received certificates for having made some outstanding contribution to the school this year. Mr. Guy Milford, principal, presented the awards.

Included on the same program was guest speaker, Dr. Charles Gormley, and music by the choral class of Montevallo High School.

Dr. Gormley, director of the laboratory schools and chairman of the department of education at Alabama College, spoke on the subject, "The Importance of Doing Your Best." Included among the numbers by the choral class were the selections "Charleston Town," "Stout Hearted Men," and "Sleep Kentuck Babe." The choral group was under the direction of Mr. Norman Hair.

Students receiving awards were: Ronda Albright, Barbara Ballentine, Ann Birchfield, Kathy Bowden, Sybil Brand, Sally Broadhead, Tommy Brumbaugh, Vance Bush, Joe Clark, Donny Davis, James Earl Davis, Marguerite Fullman Leslie Harrison, Ruben Hayes, Charles Houlditch, Sara Jeter, John Lankford, Don Lawley, Cecilia Lawson, Jerry McNeel, Guy Windsor Milford, Jane Moreland, Tommie Ruth Mowery, Bobby Phillips, Howard Phillips, Ann Poole, Jim Potts, Gene Reid, Lee Salter, Jimmy Seagle, Gibbie Scott, Douglas Smitherman, Ronald Smitherman, Jerry Thomas, Danny Thornton, Langley Tolbert, Judy Wallace, Pat Waters, Don Whatley, Leroy Winslett, Mary Williams, Virginia Williams.

Group awards were made to the basketball team for having won the county championship, the Senior Class for their excellent work on the play, "Harvey," and the Spotlight staff for having won first-place in the state for mimeographed newspapers.

Special recognition was given three adults who have made worthy contributions in the way of service to the school. Those receiving this honor were Mr. M. S. McGehee, Mrs. Essie Weston, and Mr. Ivey Sims.

Mr. McGehee of Alabama Power Company was cited for his work as chairman of the PTA's lighting project, which furnished flourescent lights for eight classrooms at Montevallo High School this year.

Mrs. Weston, school secretary, was praised for her part in all functions of the school and for her "willing service and pleasant efficiency on the job." She was presented a silver bowl along with her certificate of recognition.

Mr. Ivey Sims, maintenance man at the high school, was awarded a certificate for participation in all the activities of the school and for his "willing service and helping hand whenever and wherever called upon." As a token of appreciation for his service, the school presented him with an outdoor, portable barbecue grill.

Miss Susie DeMent headed a faculty committee in charge of the program. She was assisted by Mrs. Frances Anthony, Mrs. Rebecca McGaughy, Mrs. Martha McVean, and Mr. and Mrs. Guy Milford.

Bulldogs Outscore Vincent, 14-7

In a match that featured most everything in the book, Montevallo won game No. 15 here Tuesday night as the Bulldogs outscored Vincent 14-7 for the second time this year.

Ronald Smitherman, with a 6-1 pitching record for the season, struck out 14 of the Yellowjackets, while giving up 6 hits. He walked four.

Vincent, plagued by errors afield, used two pitchers in an attempt to stop the onslaught. The Bulldogs scored three runs in each of the first three innings and five in the fourth off starter Spradley. Reliefer Guy came on for one-third inning of the fourth inning and held the Buldogs scoreless for the remainder of the game.

Brown, who came to the mound temporarily in the fifth could have no luck with the Jackets. They pounded him for three hits, which gave three runs, before Smitherman was called back to the hill.

Leading the Bulldogs at the plate was Smitherman with three for five. Harrison, Hayes, and Terrell all had two for four. Harrison, with a double, and Terrell with his third home run of the season, were the only two who collected extra base blows.

For the Yellowjackets, Armstrong, with a perfect night at the plate, had three for three, one a home run.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

WHAT MAKES telephone service complete? Just making calls and getting them? That's only part of it. For one thing you can have many types of phones to choose from —extensions in the most talked-from spots in your home, colors to suit you, light-up dials, phones on which you can turn the volume up or down, and other special kinds for home or office. For another thing, your directory is a sort of handyman to give you all kinds of valuable information—numbers, names, where to buy and sell, and how to use Long Distance. All in all, it adds up to mighty complete service 'round the clock, year in and year out.

* * *

Betty had news too exciting to wait
So she telephoned home that they're setting the date.

Around the state—across the nation
Save money—save time—call station-to-station.

You save even more on Long Distance calls after 6 P.M. and all day Sunday. It's twice as fast to call by number.

* * *

LUXURY? Southern Bell customers are still paying a federal excise tax on telephone service. This luxury tax began as a war-emergency levy. It is discriminatory and should be ended. Last year taxes paid by Southern Bell customers amounted to $35.17 per telephone. Of this total, $9.96 went for federal excise taxes. There is no luxury tax on such other necessities as electricity, gas, water, or local transportation. Yet your telephone service carries the same 10% "supercharge" as jewelry, furs and the like. Southern Bell is required to collect these taxes for the government. If they were eliminated, our customers would get the full benefit.

Tommie Mowery Chosen As Girlls State Delegate

Tommie Mowery, seventeen-year-old daughter of Mr. and Mrs. Paul Mowery of Wilton, will represent Montevallo at Girls State this summer. The selection was made last week by the American Legion Auxiliary, who will sponsor Tommie's trip.

Named alternates were Judy Wallace, first, and Sara Jeter, second.

Selection for Girls State is made on the basis of leadership, character, courage, honesty, scholarship, cooperativeness, and physical fitness.

TOMMIE MOWERY
Montevallo's choice for Girls State

Having attended Montevallo schools for eleven years, Tommie has taken part in many activities. Among organizations in which she has participated are Future Homemakers of America, for which she was yearbook chairman this year and will serve as secretary next year; the band, in which she has played bass clarinet for five years; and the Student Council, to which she has been a representative for three years. She was recently tapped for membership in the National Honor Society and will serve as next year's feature editor for Montala, which the Honor Society sponsors.

Tommie earned the cub reporter pin this year as feature editor of the Spotlight, the school's newspaper, and has been named a majorette for next school term. Two years ago she represented Montevallo in the Queen Bess Contest in Bessemer.

Mrs. Gladys Holcombe, Montevallo elementary school teacher and Board Member of the State Auxiliary, will make the trip with Tommie.

The chief purpose of Girls State, being held June 8-14 at Huntingdon College, Montgomery, is to train the girls of America in the fundamental aspects of citizenship. It is sponsored annually by the American Legion Auxiliary.

MONTEVALLO SCOUTS ATTEND CAMPOREE

Troop 59 of Montevallo was represented at the Boy Scout Camporee in Calera by Eagle Scout Jimmy Bain, Star Scout Wade Bain, and a younger Scout, Second Class George A. Nix, Jr.

These boys won second place blue ribbon for the camporee.

George A. Nix, Jr., was the only one of these boys eligible to participate in all of the feats. He won third place in blindfolded compass reading. Scoutmaster Tom Potts is very proud that these Scouts brought home ribbons.

Officers Recover Stolen Goods Here

This picture shows some of the things stolen from two stores in Montevallo last Sunday night. It was a quantity of shoes and other articles of clothing, together with $212 in cash.

Recovery of the stolen merchandise was made Monday by Police Chief Harry Kendrick and State Investigator Ben Allen.

The thieves were identified as three Negro boys of Montevallo, Jesse James Holmes, 18; Boots Holmes, 15; and Johnny Rhodes, 13. They entered the stores by forcing their way through back windows.

Mr. Allen carried the boys to Columbiana Tuesday and turned them over to the county law.

PEGGY JOYCE NIX HAS BIRTHDAY PARTY

Peggy Joyce Nix celebrated her seventh birthday Saturday at her home in Montevallo. Pastel colors were used as the color scheme.

Her guests were Cecile Dennis, David Nichols, Mary Ellen Lewis, William Henry Grady, Cheryl McClure, Kerry Kirkland, Adele Simpson, Eddie Lovelady, Jimmy Brown, Patsy and Cathy Lawley, Gerald Robinson, Janice McGriff, Bobby Scott, Mack Nix, Jr., Mike and Tommy Nix, Brenda and Kay Nix, and George Nix, Jr.

Mrs. M. A. Nix assisted Mrs. G. A. Nix in serving cake, ice cream, kool-ade and candy. The children also enjoyed favors of balloons and hats. Janice McGriff, Tommy and Peggy Nix, and Gerald Robinson won prizes. The climax of the party was that Peggy's daddy was home to help her celebrate it.

"CHUCK" HARRIS for SHERIFF COMMITTEE

P. O. Box 41
Phone MO 5-7320
MONTEVALLO, ALABAMA

DEAR FRIENDS AND FELLOW VOTERS OF SHELBY COUNTY:

We, the undersigned, would like to take this opportunity to introduce to you one of the candidates in the race for Sheriff of Shelby County. This candidate is Charles H. (Chuck) Harris. We have been acquainted with Chuck Harris for a number of years. In all that time, he has been a perfect gentleman, always ready to help and lend a hand in time of need, never meeting a stranger, always being fair and impartial to all.

We would like to give you a brief summary of the qualifications of Chuck Harris. He was born in Piper, Alabama, on Feb. 7, 1907. For the past 28 years, he has been a resident of Shelby County. He has been a law enforcement officer, serving always in a fair and impartial manner for better than 16 years. He, like his family before him, is of Baptist denomination. He has helped those in every walk of life in his community, and whenever he is called, the only remark he is likely to make is simply, "I'm on my way!" He, alone, in the many years he has resided in Siluria, has donated more than 50 pints of blood, in addition to acquiring blood donors on many life saving occasions often at his own expense.

Because of his quick thinking and clear headed actions, he has on many occasions prevented an accident from becoming a disaster, and due to his quick and efficient thinking and acting, has been instrumental in saving a number of lives. He is honored, loved and respected by every young person who knows him. His contributions to stamping out juvenile delinquency could not even be roughly estimated, it is so great. He has contributed more toward stopping juvenile delinquency than any other person we know of. His worth in the community where he resides is so great it could not even be imagined. He has helped many people, young and old, boy and girl alike. He is never too busy nor too tired to go again for someone in need. His manner of law enforcement is polite, never varies nor can he be intimidated. He serves the same each day, straight and true, fairly and impartially, in the true spirit of fair play, justice and Christian brotherhood.

This is quite apparent when in the primary election, Chuck Harris received 80 per cent of all the votes cast in the Alabaster-Siluria and surrounding areas where he lives, or 4 out of every 5 voters in this area cast their vote for him for the office of Sheriff of Shelby County.

It is with great honor and pride that we, a group of mothers who know Chuck Harris, can endorse him to you, the voters of Shelby County, without hesitation or reservation, and can highly recommend him to you as our preferred candidate for the high office of Sheriff of Shelby County.

Very truly yours,

Members receiving Junior Degrees were; Joan Crawford, Judy Chambers, Johnnie Howell, Phyllis Kyser, Brenda Morris, Marjorie Theimonge, Mary Williams, Janice Waters, and Virginia Hamm. Those receiving Chapter Degrees were; Betty Milstead, Gisela Molgedei, and Patty Murray.

During the past year, the local FHA sponsored many activities such as selling hot dogs and coffee at the home football games, making and selling corsages for the Homecoming activities, and having Hobo Day. The proceeds were used to carry out various chapter projects. Two of these were selecting and purchasing a new sewing machine for the home economics department, and cooperating with the FFA to entertain their parents at a chicken fry in March.

To carry out one of the goals of FHA, "Understanding our neighbors at home and abroad," Kay Nakada of Tokyo, Japan, a student at Alabama College, spoke at a chapter meeting on homemaking in Japan. Members also sold UNESCO gift stamps to help improve the home life in foreign countries.

The national theme, "Better Homes Today, A Better World Tomorrow" was used at the district convention held at Alabama College, May 19. Ten members from the Montevallo chapter participated in this by helping with registration and guiding members from other chapters in tours of the college campus. The same theme will be used at the state Leadership Training Conference to be held at Alabama College June 3-6. Montevallo's new president, Judy Robinson and vice president, Gisela Molgedie, were chosen delegates to this conference. Other members will participate by helping to serve in the college dining rooms. The delegates will be accompanied by the chapter advisers, Mrs. Rebecca McGaughy and Miss Elizabeth Thornton.

The members of the Senior Class, the students, the Faculty, and the Administrative Staff of Alabama College cordially invite the people of Montevallo to attend the graduation exercises of Alabama Collge on June 1, 1958. Two outstanding and distinguished speakers have been invited to deliver the baccalaureate addresses.

11:00 a.m. Baccalaureate Sermon: Dr. Nels F. S. Ferre, Abbot Professor of Christian Theology, Andover Newton Theological School, Newton Centre, 59, Massachusetts.

3:00 p.m. Baccalaureate Address: Dr. Judson C. Ward, Jr., Vice President and Dean of Faculties, Emory University, Georgia.

Boys and Girls State Delegates Are Chosen

Patsy Carden, daughter of Mr. and Mrs. Clyde Carden of Calera, was chosen by the American Legion Auxiliary as a representative to Girls State from the Junior Class of Calera High School. Patsy is an active participant in church, school and community activities. She is a member of the Calera Baptist Church.

Patsy has twice represented her school in the Birmingham News Spelling Bee and in the Birmingham News Ortorical Contest four times. This year she was her school's participant in the American Legion Ortorical Contest and was alternate in the county.

Patsy has been a band member for five years and was chairman of the Band Council this year. She has been on the annual staff two years and is editor of the 1958 yearbook. She was Miss Calera High of 1956. In spite of all these activities, Patsy is a Beta Club member, maintaining an "A" average.

Billy Hall is representing Calera High School at Boys State. It will be held June 1st through the 6th on the Campus of the University of Alabama. Billy is sponsored by the Calera Athletic Association.

Billy is the son of Mr. and Mrs. R. C. Hall. He is a member of the Junior Class. Billy is a member of the Concord Baptist Church.

Billy is an active participant in sports and other school actitities. He is President of the Beta Club, Vice-President of "C" Club, Assisant Editor of the Annual.

Billy has attended all eleven years at Calera and is looking forward to his senior year there.

Westinghouse Plant Sets Safety Record

Recent data compiled by the Westinghouse accident prevention section lists the Montevallo Welding Plant as one of the 30 Westinghouse plants that to date this year have operated without a lost time accident. Westinghouse has a total of 81 individual plants and 27 divisions included in this compilation.

Mr. Edward E. Bennett is Safety Supervisor at the Montevallo Plant in addition to his duties as Foreman of the Brazing Line.

GARBAGE COLLECTING

The garbage truck for Calera will be collecting garbage on Mondays instead of Saturdays, beginning June 9.

Westinghouse Employees Get Pay Increase

Pittsburgh, Pa., May 22—Employes of Westinghouse Electric Corporation will receive a cost-of-living pay increase of three cents an hour or 1½ per cent as a result of the higher living cost index announced today by the Bureau of Labor Statistics.

Today's increase, which will affect 108,000 of the company's employes, is the eighth such pay boost since August, 1956. It will raise employment costs of the company at a rate of more than $8,000,000 a year.

The cost-of-living provision, part of the Westinghouse five-year contract offered in 1955, provides for quarterly adjustments of one cent an hour or ½ per cent of October, 1955 base rates for each ½ point change in hte index.

On the basis of today's index of 123.5 hourly and salary employes not represented by a union will receive a pay hike of 1½ per cent of their base rates. Those covered by union contracts stipulating payment on an hourly basis will receive an increase of three cents an hour. Where individual contracts provide for a percentage adjustment, the increase will also be 1½ per cent of base rates.

For those paid on a weekly schedule, the new raise becomes effective with their next pay period. For monthly paid employes, the effective date will be June 1.

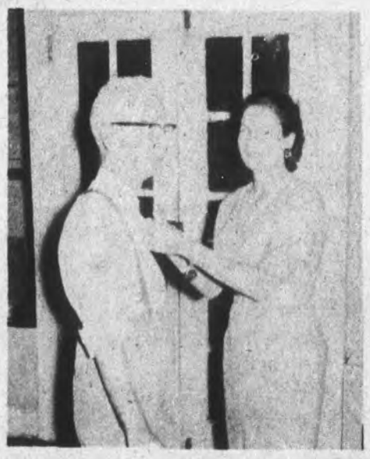

The current increase, added to annual increases and earlier cost-of-living adjustments, raises pay rates for Westinghouse employes to 17½ per cent above the rates existing in October, 1955. The average hourly increase since then has been approximately 37 cents.

Poppy Sale To Be Held Saturday

The annual sale of war memorial poppies in Montevallo will be conducted Saturday, May 31 by the American Legion Auxiliary, assisted by the members of the Junior Auxiliary.

The memorial poppies are made by disabled war veterans, and are sold to raise funds with which the Auxiliary carries out its service program for disabled veterans and their families.

When the girls pin a poppy on you next Saturday, you are invited to throw in anything from a dime to a dollar, preferably a dollar. You will be contributing to a good cause that is close to the hearts of all Legion Auxiliary members.

STARTING the annual Poppy Sale in Montevallo, Mrs. Exa Fullman pins a poppy on the Mayor.

Vincent Study Club Endorses James H. Sharbutt for State Representative

Whereas, to encourage civic improvement, and promote cultural enrichment in Shelby County, and

Whereas, we believe that James H. (Jimmy) Sharbutt, who is a candidate for the House of Representatives from Shelby County in the June 3rd election, is the best qualified candidate. During his administrations as Mayor of the Town of Vincent, he has wholeheartedly supported the Public Library Program by opening the Town Hall for larger library facilities, bought up to date equipment, and contributed funds to pay a librarian. It was through his efforts that the Town participated in a summer recreational program for the children of this area. He helped provide funds for scholarships for deserving students, helped make funds available for band uniforms and other school purposes, was instrumental in obtaining a natural gas system in this area, obtained a 32 unit Housing Project for Vincent-Harpersville, used his influence in getting an Armory for this area, all of which enriches our County for posterity. He has served well the area he represents, and when given bigger responsibilities will work, we sincerely believe, untiringly for the good of all whom he serves.

Now therefore, be it resolved, that we the members of this organization, The Vincent Study Club, go on record, as endorsing the candidacy of James H. (Jimmy) Sharbutt for State Representative from Shelby County, and we earnestly solicit your vote and influence for him in the June 3rd election.

Done in special session on this the 24th day of May, 1958.

PAUL STEWART

West Blocton Graduate Awarded Scholarship

Coach Earl J. Bentley, head of the athletic department at the Southern Union College, announced that Paul Stewart, Route 1, West Blocton, Ala., has been granted an athletic scholarship.

Stewart, the son of Mr. and Mrs. John P. Stewart, was vice president of the Lettermen's Club at West Blocton and also was vice president of his class as a sophomore. His football positions were center and tackle.

Stewart plans to prepare for the field of physical education and will begin working with SUC's football team on September 1. Bentley also reported that two other West Blocton youths—Wanye Cobern and Alden Little—will be with the Bisons next fall. Both are previous graduates of West Blocton high school.

DR. DANIEL THIBAUT

Dr. Daniel Thibaut of Brussels, Belgium, is the guest of Dr. and Mrs. Thomas Slaughter in Calera.

Dr. Thibaut, who is a graduate of Lincoln Chiropractic College, Indianapolis, is here to take a course of special instruction from Dr. Slaughter before returning to Belgium. Dr. Thibaut has also attended the University of Liege in Belgium. He says he likes our State of Alabama very much and that the people of Calera are very friendly.

Card of Thanks

We wish to express our appreciation to our friends and loved ones for their tender thoughts and prayers during the serious illness of Little Kay Grogan. The prayers did what medicine could not.—Willene and Joe Grogan, and Mr. and Mrs. William C. Allen.

Miss Nona Sparks Is Honored at Supper

On the evening of May 15 the teachers of the Elementary School and a few friends from the High School Faculty gathered at the home of the Petersons to honor a retiring member, Miss Nona Sparks.

Mrs. Charlotte Peterson and Miss Mary Peterson were joint hostesses for a plate supper.

The dining table was beautifully appointed. The delicately embroidered Philippine cloth was enhanced by a tiered arrangement of pansies and white candles. Mrs. A. C. Anderson poured coffee.

Following the delicious meal, Mrs. Peterson presented for the group a pair of silver branched candlesticks in appreciation of 11 years continuous service to the children of Montevallo.

Those enjoying the hospitality were the Elementary Faculty, Misses Minnie Dunn and Katherine Farrah, Mr. and Mrs. Guy Milford, Mesdames Frederick, Anthony, McGaughy; Misses Walker and Harris.

Mr. and Mrs. R. L. Veazey were visitors in Holt, Ala., with Mr. and Mrs. J. H. Boatler.

Mrs. Atchison, the county nurse, will not be at the Town Hall in Calera Friday afternoon.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Both the House and Senate approved the combination postal rate and pay increase bill by unanimous votes last week and then referred the measure to President Eisenhower. Although the President has voiced objections to certain features of the bill, he is expected to sign it.

As passed by Congress, the bill gives postal employees a 10 per cent salary increase and raises postage rates by $547 million yearly. Actually, the bill provides for postal workers a permanent 7.5 per cent hike, plus additional three-year temportry cost of living increases of 2.5 per cent for most employees. All raises will be retroactive to January 1, 1958.

Higher Rates

The bill increases first class mail rates to four cents an ounce; airmail to seven cents; postal cards to three cents; and air mail postal cards to five cents. Second class mail will be raised gradually over a three-year period, and third class will be raised during the next two years. The legislation also increases book rates to nine cents on the first pound and five cents on each additional pound. All the increases are one cent higher than the present rates and most of them will go into effect on August 1, provided the bill receives Presidential approval.

Divisions Retained

Several months ago the Department of the Army announced that the National Guard would be reduced from 27 to 21 divisions and the Army Reserve from 10 to 6 divisions. It was also announced that the paid drill strength of the reserve forces would be reduced by 40.000. I am one among many members of Congress who have strongly protested these proposed reductions.

On Thursday of last week I had a luncheon engagement with Assistant Secretary of the Army, Hugh Milton, to discuss the Army's proposed action in connection with the reserve forces. When Mr. Milton arrived, he told me that a decision had been reached only hours earlier to retain all 37 divisions. That decision was announced later the same day in a speech made at the Governors' Conference in Miami, Florida, by Gen. Maxwell Taylor, Army Chief of Staff.

Secretary Milton pointed out to me that, while the Defense Department still expects to reduce the number of men in both the National Guard and the Army Reserve, the plan to eliminate 10 divisions as such has been abandoned. Although we are extremely pleased that all present divisions will be retained, we are continuing our efforts to convince the Depart of Defense that its order to reduce the reserve forces by 40,000 men should be carefully reconsidered also.

A Letter to the People:

DEAR FRIENDS AND FELLOW VOTERS OF SHELBY COUNTY:

We, the undersigned, would like to take this opportunity to introduce to you one of the candidates in the race for Sheriff of Shelby County. This candidate is Charles H. (Chuck) Harris. We have been acquainted with Chuck Harris for a number of years. In all that time, he has been a perfect gentleman, always ready to help and lend a hand in time of need, never meeting a stranger, always being fair and impartial to all.

We would like to give you a brief summary of the qualifications of Chuck Harris. He was born in Piper, Alabama, on Feb. 7, 1907. For the past 28 years, he has been a resident of Shelby County. He has been a law enforcement officer, serving always in a fair and impartial manner for better than 16 years. He, like his family before him, is of Baptist denomination. He has helped those in every walk of life in his community, and whenever he is called, the only remark he is likely to make is simply, "I'm on my way!" He, alone, in the many years he has resided in Siluria, has donated more than 50 pints of blood, in addition to acquiring blood donors on many life saving occasions often at his own expense.

Because of his quick thinking and clear headed actions, he has on many occasions prevented an accident from becoming a disaster, and due to his quick and efficient thinking and acting, has been instrumental in saving a number of lives. He is honored, loved and respected by every young person who knows him. His contributions to stamping out juvenile delinquency could not even be roughly estimated, it is so great. He has contributed more toward stopping juvenile delinquency than any other person we know of. His worth in the community where he resides is so great it could not even be imagined. He has been a guiding light to many people. He has helped many people, young and old, boy and girl alike. He is never too busy nor too tired to go again for someone in need. His manner of law enforcement is polite, never varies nor can he be intimidated. He serves the same each day, straight and true, fairly and impartially, in the true spirit of fair play, justice and Christian brotherhood.

This is quite apparent when in the primary election, Chuck Harris received 80 per cent of all the votes cast in the Alabaster-Siluria and surrounding areas where he lives, or 4 out of every 5 voters in this area cast their vote for him for the office of Sheriff of Shelby County.

It is with great honor and pride that we, a group of mothers who know Chuck Harris, can endorse him to you, the voters of Shelby County, without hesitation or reservation, and can highly recommend him to you as our preferred candidate for the high office of Sheriff of Shelby County.

Very truly yours,

Letter to the Voters of Shelby County:

TO MY MANY FRIENDS IN SHELBY COUNTY:

I would like to take this opportunity to recommend to you a man that, in my opinion, is the man to whom I give a large part of the credit for the success that I have attained. This man is Charles H. (Chuck) Harris.

Most people know me by the nickname of "Peanuts." My real name is James H. Davenport. When I was a kid going to Thompson School, I was just like every other kid. I never thought much of what tomorrow meant, but "Chuck" Harris knew. Chuck Harris was our friend. I say "our" friend, because he was and still is just that, and we all felt a deep sense of respect and admiration for him.

"Chuck" advised me repeatedly and encouraged me often. He also made me think of the future and he saw a talent that I had for competitive sports and encouraged me to play football at Thompson. Because of this, I was awarded a scholarship to Mississippi Southern College to play football. "Chuck" once again encouraged me and off I went. I am proud to say taht I enjoyed a great deal of success in this venture, and "Chuck" continued to urge me, and many of my friends still at home.

Today, I am playing professional baseball with the San Francisco Giants, and I can truthfully say that a large part of the success that I have today is because of "Chuck" Harris. It is with sincere hopes that all of my friends will support "Chuck" in the runoff election for Sheriff of Shelby County, and it is with deep pride and pleasure that I recommend him for this high office. I earnestly and sincerely ask you, my friends, to go all out and support, but most important, to vote for this great guy.

With sincere thanks and appreciation for your help, I am

BULLDOGS WIN COUNTY TITLE

By S. DeMent

Coach Fisher's Bulldogs wrapped up their sixteenth victory, the 1958 schedule, and the Shelby County title all in one neat package as they topped Calera there last Friday 8-3. This was the sixth win of the season for Freshman Bill Winslett, against no losses.

The young righthander stopped the Eagles with only four base blows and gave them only one base on balls. Collecting a total of nine hits off two Calera pitchers, Montevallo tagged Ingram, starter, for six, and Gay three.

Here is the ballgame, inning by inning.

First Inning

....The Bulldogs opened the show as if they meant business from the start.

Bill Winslett, lead off man, beat out an infield hit; and Leslie Harrison was on with a bunt which moved Bill to second. But an intended bunt hit the plate, a slow grounder down the third-base line, and another to second erased this early threat.

In their half of the first, the Eagles were out 1, 2, 3; second to first two times and short to first once.

Second Inning

It was Montevallo's turn to go down in order in the second. Three pop flies did it—one to the catcher and two to second, and the top of the inning was over.

Calera went down on three pitches in their half of this frame. Three batters looked at the first one, thought it to their liking and swung. The first was out to the pitcher, the second to short, and the third to the third baseman.

Third Inning

Ingram, looking good on the mound, took care of the Bulldogs as they came up again in the third. The first batter popped to the pitcher, and the other two flied to second.

Milton Terrell robbed Robinson of a hit in the third as he made a sensational stop of a hot one at short. Then in an attempt to throw, he was off balance, and the throw went over first. The runner was on; but no damage was done as a ground ball to second, a fly to short right, and one to center retired the side.

Fourth Inning

Business picked up in the fourth as the Bulldogs scored one run and the Eagles three. A single by Ronald Smitherman, two walks and a wild pitch got Montevallo's run; while two Bulldog errors, one base on balls, and hits by Edwards and Loftin produced three for Calera.

Fifth Inning

In the fifth Montevallo took the lead for keeps.

Milton Terrell walked and made it to second when B. Winslett reached first on an Eagle error. Terrell scored on a wild pitch, after having stole third. Then Smitherman collected the longest hit of the day when he doubled, plating Winslett. Leroy Winslett's sacrifice to deep center got the winning run across, as Smitherman scored after the catch, giving the Bulldogs a 4-3 advantage.

Gay led off for Calera in the bottom of the inning and was out third to first. Ingram flied to left, and Scroggins dribbled an easy one to the pitcher.

Sixth Inning

A base on balls, a double by Lee Salter, and Barclay Fisher's single called out relief for Calera starter Ingram, in the sixth, as the Bulldogs got a three-run rally under way. Gay, reliefer, was greeted with three more singles; and the Bulldogs had attached three insurance runs before the inning was completed.

Even though Tyus led off with a single, the Eagles were out in order in the sixth. Over-anxious on the take-off after Thomas's fly to left-center, Tyus was away from the bag before the catch. Edwards lifted a high one that was an easy third out for Smitherman in right field.

Seventh Inning

Gay sat the Bulldogs down as they came up in the last inning. Brown was out third to first, Thornton short to first, and Salter to first unassisted.

Calera's Tate opened the bottom of the seventh with a single but was out when Loftin got on by way of a fielder's choice. Loftin was erased in the same manner, and Robinson was on. Then Gay grounded to third to finish the championship battle.

This county title is the ninth for Coach Fisher's teams in his eleven years at Montevallo High School.

Mrs. Renna Killingsworth and Miss Beatrice Fancher attended homecoming at Spring Creek Church last Sunday where they were happy to meet many of their old friends.

Promote Alabama's Segregation Leader

ALBERT BOUTWELL

to Lt. Governor

to Continue His Fight for Our Way of Life

Since 1953 Albert Boutwell has been Chairman of joint Senate-House Committee to preserve segregation.

Boutwell was *co-author, sponsor* and *campaign leader* for adoption of Alabama's School Placement Law and constitutional amendments to prevent race mixing in Alabama.

Our School Placement Law was upheld by three Federal Judges in a unanimous decision on May 9th. This was the greatest victory for segregated schools ever won in the South!

But the task is NOT done. Enemies of the South will continue their fight. Albert Boutwell's leadership will be needed more than ever in the period ahead.

Vote to promote ALBERT BOUTWELL to Lt. Governor so he can continue to serve as leader of the Legislative Committee that planned the fight and won the victory.

Women Endorse Chuck Harris For Sheriff

The Friendship Club, composed of housewives, mothers and working women in the western section of Shelby County, do heartily endorse and recommend C. H. (Chuck) Harris to the peace loving citizens of Shelby County for the office of Sheriff.

We have known Chuck Harris for many years and have had occasion to observe his personal conduct. We know him primarily for his friendly, helpful and Christian attitude toward all with whom he comes in contact. We know him from instances when, in the early hours of the morning, not in line with his duty, he has taken patients to hospitals in Birmingham. We know him from his ever presence in case of death. It is never necessary to call Chuck Harris in an emergency. He will be there long before a phone call will reach him.

We know him from his friendly attitude toward our children and all children. It is a rare occasion when Chuck Harris is not accompanied by a child. He loves our children and our children love and respect him. His influence with the youth of our county will be a real asset in the control of juvenile delinquency and will help us build a better citizenship for future generations.

Chuck Harris' behavior is not restricted to race, creed or color. On one occasion that we know of, a colored person from an adjoining county wrote him asking for aid. He immediately arranged to provide the needed assistance.

Chuck Harris holds no grudges. If it becomes necessary for him to arrest a person, he will do so. However, if on that same date the person arrested, or a member of his family is in need of assistance, he will be there to render whatever aid may be needed.

Chuck Harris is no respecter of miles or border limitations. He believes that charity is worldwide. He does not restrict his activities to his own community or county, but often travels hundreds of miles to help some needy person.

We know that during the past years many underprivileged children were made happy through his efforts in their behalf during the Christmas and Easter seasons. He is a leader in his community in providing for the underprivileged. We feel that, as Sheriff, he will exert the same efforts in behalf of all the people of Shelby County.

With this knowledge of his record as a humanitarian person, we wholeheartedly recommend him to the people of Shelby County as a Sheriff who will enforce the laws with charity, kindness and consideration to all, and that his influence with the children of our county will help us to build a better community and county in which to live.

Dairymen Hold Supper Meeting

The Shelby County Dairy Producers Association and their wives met in the Shelby County High School lunchroom for a supper meeting on Tuesday night, May 20th.

Mr. J. Frank Baker, President of the County Association, presided at the meeting.

Mr. Harold Harris of Snowdown, with the American Dairy Association, spoke to the group on the State Dairy Princess Contest which will be held in June in Montgomery. Each county will be allowed a princess to compete in the state finals, and then to compete in the national contest. Girls entering this contest must have had some dairy background in their lives. Miss Marian Cotney, Mrs. Douglas Kent and Mrs. Royce Morris were appointed by the president to serve on the Dairy Princess Committee for Shelby County.

Mr. John A. Garrett, with the State Dairy Committee of the Alabama Farm Bureau, spoke to the group on marketing problems and the importance of every Shelby County dairyman being a member of his county organization.

Dues are 50 cents per cow owned by Grade-A dairymen. If you are a dairyman and haven't paid your dues, you are urged to do so now.. They may be mailed to Doug Kent, Sec.-Trea., Siluria, Alabama.

AID FOR FELLOW EMPLOYES

Employes of the Montevallo Westinghouse plant joined together last week in raising a fund of about $140 for two of their fellow employes who were seriously injured in an automobile accident while returning from work recently. The money is intended to supplement their Westinghouse hospitalization and weekly disability benefits.

The two injured employes, H. L. Morrison and T. H. Campbell, are reported to be improving satisfactorily.

CUB SCOUT PACK MEETING

Montevallo Cub Scout Pack 59 will hold its final Pack meeting of the year Friday night, May 30, at 7:30 in the auditorium of the Jeter Building.

Final achievement awards for the year will be presented to the Cub Scouts at the meeting and a film of the Boy Scout National Jamboree held last year at Valley Forge will be shown. Plans for a summer program for Cub Scouts will be announced by the Executive Committee.

All Cub Scouts and their parents are urged to be present.

DANCE FRIDAY NIGHT

The Montevallo High School Band will sponsor a dance Friday night, May 30 at the high school. Music will be furnished by the Swing Band. Proceeds will go to the instrument fund. Admission prices will be 50 cents single and 75 cents couple.

The dance will start at 8 p.m.

"CHUCK" HARRIS FOR SHERIFF

AT HARPERSVILLE

on Thursday Night, May 29th

at 7:30 p.m.

Everyone is invited. Come as you are. Meet and talk to Chuck Harris and see what a great guy the next Sheriff of Shelby County really is.

COME ONE, COME ALL – THURSDAY EVENING

MAY 29th, 7:30 p.m., at HARPERSVILLE

(Paid political adv. by "Chuck" Harris for Sheriff Committee, Chas. "Red" Gray, Chairman.)

C. H. (Chuck) HARRIS

"The People's Choice"

FOR

SHERIFF of Shelby County

If You Elect Me Your Sheriff, This Is What I Promise You:

My record, both public and personal, is that I have always fought illegal liquor as well as to help keep our county free from the legal sale of this menace.

PUBLIC RECORD

Served for 12 consecutive years as deputy Sheriff of Shelby County.

Appointed Chief of Police, Siluria, Alabama, in 1954.

Resigned as Chief of Police to run for Sheriff of Shelby County.

Sixteen years experience as a Law Enforcement Officer.

MY PLATFORM

1. I will enforce all laws to the best of my ability—fairly and impartially, and will not specialize in any one violation.

2. I promise that my office shall be open 24 hours a day, including Sunday, and that there will be someone available at the jail at all reasonable hours, so that any good and sufficient bond can be approved, and that the offender will receive just treatment as is his right under the laws of the State of Alabama, and will always allow the offender to make a telephone call or make it for him.

3. I will install, immediately upon taking office, a central radio transmitter at the jail so that I can be in constant and immediate contact with all my deputies and may be reached personally wherever I may be in the county.

4. I will appoint the best men possible for my deputies. They will be men of good character—honest, sober, and acceptable to the citizens of the County.

5. I will appoint a special juvenile deputy to work full time with organized youth groups, including those in the churches and schools. To reduce the juvenile problems in our county, in order to reduce and eliminate instances wherein young people may find themselves in serious situations.

6. My four years experience as Chief of Police of the Town of Siluria makes me aware of the needs of full cooperation by the Sheriff with the officials and police departments of each town in our County, and I promise to give them my full support and cooperation.

7. I will require my deputies to patrol the communities which do not have law enforcement officers employed in order to see that the laws are enforced in those communities.

8. I promiise my full cooperation with the Solicitor's office and will investigate all complaints promptly. I will serve all legal papers from the various courts of our county as soon as possible.

9. I promise that the offender will be tried in the jurisdiction of the Justice of the Peace Court where the arrest is made.

10. I will be equally fair to organized labor and management.

11. I will always welcome your advice and suggestions and the Sheriff's Office will always be open to you. I will visit regularly the various parts of the county, especially the smaller communities, in order to correct any unlawful conditions that may arise, doing so with a strong determination to make Shelby County a better place in which to live.

●

I hope that my qualifications, experience and platform meet with your approval and that you will cast your vote for C. H. (Chuck) Harris for Sheriff of Shelby County on June 3.

RESOLUTION

Whereas, to encourage civic beauty, stress harmony, stimulate roadside beautification, discourage unsightly objects along the highways, and to conserve our God given natural resources so that we may enjoy the abundant living that is our heritage, and

Whereas, we believe that James H. (Jimmy) Sharbutt who is a candidate for the House of Representatives from Shelby County is the best qualified candidate. During his administrations as Mayor of the Town of Vincent, he has given faithful cooperation and service to his community. It was through his efforts that a road was paved to the Vincent Cemetery. He has obtained and maintained a trash and garbage dump for the people of this community. He has attractively lighted a living Christmas tree each year for the enjoyment of all. He has participated in the planting of ornamental shrubbery along the highways entering Vincent, and he has worked untiringly in many other civic projects in his community.

Now therefore be it resolved, that this organization, The Vincent Garden Club of Vincent, Alabama, hereby goes on record as endorsing the candidacy of James H. (Jimmy) Sharbutt for State Representative from Shelby County, and we recommend him to the citizens of Shelby County and urge them to vote for him on June 3.

Done in regular session this the 22 day of May, 1958.

Be Informed

When we go to the polls to elect a candidate there are many things we should KNOW AND DESERVE TO KNOW of the person to whom we give our approval and vote.

KNOWING OUR CANDIDATE and WHAT HE STANDS FOR is sometimes either FORGOTTEN or TAKEN TOO LIGHTLY. ALWAYS THINK! We are the people who have to live with the person we elect to an office, because the elected are our means of help and-or protection. Therefore, we SHOULD BE AN INFORMED PEOPLE BEFORE WE MAKE OUR CHOICE!

HUGH SIMS gave us a PLATFORM four years ago telling us what we, the people, could expect of him. He has given us that SAME PLATFORM FOUR YEARS LATER

HUGH SIMS HAS LIVED UP TO THIS PROMISE FULLY . . . AND WILL CONTINUE TO DO SO! If Hugh Sims had known that he COULD NOT have lived up to these promises, he would NEVER have made them.

If a person--any person--cannot give us a platform, if he cannot give the people of Shelby County something in writing to let us know WHAT TO EXPECT . . . then WHAT CAN we EXPECT!

Hugh Sims is the type person who tries and does familiarize himself with EVERYONE in this great county of ours. He wants each and every person to know HIM and what HE stands for. He doesn't attempt to prod into the affairs of opponents and tell you the bad in them.

Hugh Sims tells us what to EXPECT in HIM and NOT someone else. In so doing, always carrying on a CLEAN campaign, he makes us an INFORMED PEOPLE. THAT . . . Ladies and Gentlemen, is what we need to be to elect a candidate for ANY public office.

After giving careful consideration to all the facts, won't you join us June 3 in helping to

Re-elect HUGH M. SIMS

HUGH M. SIMS

FRIENDS:

This will be the last opportunity to reach you through local publication before the run-off election June 3rd, and I would like to take this means to thank each of you who supported me in the May 6th primary, and urge you to go to the polls June 3 and cast another vote for me. I will thank you from the bottom of my heart.

To you who supported an unsuccessful candidate, I would like to ask your support in the run-off, if from my record as Sheriff, you find me to be qualified.

HERE IS MY PLATFORM AS YOUR SHERIFF

I have used this term — and will continue next term

GOOD DEPUTIES — I will obtain the BEST MEN possible to serve as deputies — men of good character, honest, sober and recommended by the people of the communities in which they live.

TRAINED DEPUTIES — These men must attend periodic training courses in order that they will know the best ways to enforce the laws and properly protect the people of our county. A badge and a gun does not make a good law enforcement officer.

FAIR LAW ENFORCEMENT — I promise FAIR enforcement of ALL laws for ALL people. THERE WILL BE NO FAVORED FEW.

CRIME PREVENTION — The sheriff's office must maintain CLOSE CONTACT with EVERY COMMUNITY in the county in order that the trouble spots may be quickly eliminated.

100% COOPERATION — I promise complete cooperation with the Solicitor's Office and will quickly investigate all complaints.

My record proves that a vote for Hugh Sims June 3rd will be a vote for honest, decent, and fair law enforcement in our county.

I have given you my platform and my record many times, and will speak to you many times during the next few days over radio, explaining my stand on many issues. Will you listen for me on Radio Station WBYE, Calera?

1. I have fought and dissolved all known organized crime in Shelby County.

2. I have fought the liquor traffic and its influence in Shelby County.

3. I have kept a deputy at the Sheriff's office every minute since I have been in office as Sheriff. I have answered each and every call.

4. I have served you to the best of my ability and promise to continue to do so.

5. I am seeking re-election on my record as your Sheriff.

If from my record and the conditions in your community, you believe I have served you well, I will be grateful for your support and vote throughout this campaign. Vote for the best qualified man for Sheriff.

May God bless each of you as you think and pray about the future of Shelby County.

44 Seniors Receive Diplomas at Montevallo High School Exercises

Ann Poole and Leslie Harrison were named Montevallo High School's outstanding senior girl and boy by the American Legion as 44 received diplomas here last week. Mr. Wesley Lovelady, Post Commander of the Hendrick Hudson Post No. 96, presented the awards.

Others receiving honors on the occasion were Josslyn Blakely and Martha Ann Edge, both of whom received honorable mention for the American Legion Awards, and Bobby Nolen, who was given a certificate of Agricultural Achievement by the DeKalb Agricultural Association in recognition of three years of agriculture and his service to the Future Farmers of America. John Walters was presented a $150-a-year, renewable, scholarship to William Jewell College in Missouri.

Walters Is Speaker

Included on the commencement program, which featured Dr. John Walters of Alabama College as main speaker, were short talks by four seniors and music by the class. Ann Poole, class president, gave the welcome.

The theme of the program was the "American Citizen of Tomorrow." In developing this theme, four seniors spoke on the future citizen's faith in God, his love of the aesthetic, his regard for his fellowman, and of the emphasis to be placed on the study of science. Speakers were Martha Ann Edge, Grover Hayes, Melton Eady and Virginia Williams.

Class Sings Songs

The class sang the numbers "I Believe," "Land of Hope and Glory," "God of Our Fathers," and "America the Beautiful." Mr. V. T. Young was accompanist with Jimmy Seagle, Lee Salter, Tommy Brumbaugh, and Larry Smitherman furnishing background music.

Dr. Charles Gormley, director of the laboratory schools and chairman of the Department of Education at Alabama College, presented the class members to Mr. Guy Milford, principal, who awarded diplomas.

Graduates Entertained

Following the commencement exercises, senior homeroom mothers entertained the graduates, their parents and guests at an informal reception at the home of Dr. and Mrs. Gormley. Included in the receiving line with the Gormleys were Mr. and Mrs. Milford, and Dr. Walters.

Members of the graduating class were:

SUMMER RECREATION PROGRAM

Chairman S. M. Mahan, of the Montevallo Recreation Board, directs your attention to the Summer Recreation schedule printed elsewhere in this paper.

Mr. Mahan requests that anyone who has any suggestions or criticism of the program, please make the same to him or anyone of the following Board members: Mrs. T. E. Watson, Mr. Guy Milford or Mrs. Fred Frost, Jr.

Mrs. Leslie Hubbord has resigned from the Board. Her place will be filled by another person immediately.

Fullman Attends Postal Workshop

Mr. William F. Fullman, Clerk in the Montevallo Post Office, attended a Mail Dispatch Workshop held at Bessemer, Alabama on May 28 and 29.

The purpose of this workshop is to give more proficiency in the routing of mails to and through postal installations.

"We want to give our patrons the best possible mail service," states Postmaster Morris Watson. "We're trying to move today's mail today in a business like way and effect next day delivery everywhere within our trade area. This dispatch program will help us do just that."

In this intensive program, scheduled throughout the Memphis Region, over 450 dispatchers will take part in these group workshops to improve mail service. Instructors are dispatch experts who were given special training and equipment at Memphis Regional headquarters.

Summer Term Begins June 8

Would you like to learn to type?

Do you need to earn another unit in English or social studies?

Would you like to take one of the required subjects so that you could elect another course next fall?

Opportunity to do any of the three things mentioned above await you in summer school, which begins at Montevallo High School June 8. Registration starts at 8:00 a.m. Work on both the junior and senior high levels willl be offered, according to Mr. Guy Milford, principal.

Senior high students may enroll in either tenth or eleventh grade English, American history, or democracy-economics. Beginning typing will be offered if there are enough people interested in the course. One unit may be earned by high school students in the summer session.

Work on the junior high level will be of a remedial nature.

Fees for senior high students are $15 for a term of eight weeks. The junior high students are required to pay a $10 fee for six weeks of school.

The daily schedule for summer school is 8:00 to 11:30 a.m. daily, Monday through Friday.

Selden Urges Approval Of Waterway Funds

Rep. Armistead Selden appeared before both the House and Senate Appropriations Committees last week to urge approval of funds for the development of the Coosa-Alabama and the Warrior-Tombigbee Waterways.

In his testimony, Selden requested an appropriation of $150,000 for planning and designing the Millers Ferry multiple purpose lock and dam which will be located on the Alabama River below Montgomery.

"These rivers," he said, "cannot be use as traffic arteries until the federal government adds locks to the Coosa River dams that will be constructed by the Alabama Power Company and until three additional locks and dams are built on the Alabama River."

When this is done, he said that the waterway will be navigable all the way from Rome, Georgia, to the Gulf of Mexico.

Rep. Selden pointed out that the Corps of Engineers reported after a traffic survey last year that the three proposed structures on the Alabama River are economically justified. The Engineers have recommended that the Millers Ferry structure be built first.

The Sixth District congressman emphasized to the committee members that efforts to develop the Coosa-Alabama River system began over a century ago and that the current development project has been authorized by Congress for 13 years.

"I respectfully urge the Committee to include this small amount in the bill now under consideration," he said, "so that the orderly development of this great waterway may proceed."

Also appearing before the House and Senate Committees in support of the Coosa-Alabama Waterway development project was Shelby County's Probate Judge-elect, Conrad M. Fowler of Columbiana.

In behalf of the Warrior-Tombigbee Waterway, Congressman Selden urged the approval of an item in the 1959 budget of $6,000,000 to continue construction of the Jackson Lock and Dam. He also called attention to the necessity for early construction of the Holt Lock and Dam and asked that Congress include advance planning funds of $150,000 in the appropriation bill for this purpose. The report on this project is now under review by the Division Engineer.

F. F. A. NOTES

Mr. J. L. Dailey of Auburn FFA office has notified the Montevallo chapter that Keith Salter is one of the winners in the state-wide farm mechanics contest and will receive a $25 cash award at the summer convention June 6 at Auburn. Keith was one of seventeen finalists and was one of the four state winners.

* * *

Tony Birchfield, Terry Daviston, and Frank Thiemonge III have made plans to attend the state FFA convention at Auburn, June 5,6 and 7. Tony is the new president and Terry is reporter for the chapter. Frank is a state farmer and has been in FFA for four years.

* * *

Eddie Downs of Calera visited with the greenhand FFA boys this week and discussed the story of money and gave the boys information about financing farm projects.

* * *

C. M. Stuckey, county forester from Columbiana, was a visitor in the FFA chapter this week when he discussed selective cutting of timber and forestry in general.

* * *

Twenty-three greenhand FFA boys visited the auction sale in Birmingham last Wednesday. The group also went through the Armour packing plant and visited the farmers market.

* * *

Bobby Nolen, a senior in Montevallo High and a member of FFA was awarded the DeKalb award which is given each year to the senior in vocational agriculture.

* * *

Practically all vocational agriculture students have made some definite plans for the summer which will contribute to their study in vocational agriculture. Practicing some of the jobs taught in school is a part of the planned program in vocational agriculture work. Some boys desire placement for farm experience while others want to make some type of business venture. Projects planned at home include productive projects, improvement projects, and supplementary practices.

* * *

Agriculture II boys visited the farm of A. L. Little last Wednesday at which time Kent Salter pointed out to the boys some of the work and study he has been doing with Mr. Little on his purebred angus farm. Kent owns one registered angus bull and a share in another purebred angus.

* * *

George Kish, now in the armed service, was a visitor to the FFA chapter last week. Chapter members were sorry to learn of the death of George's father, Mr. John Kish.

* * *

H. N. Lewis of Auburn and J. C. Jones of Standard Oil Company came by the vocational agriculture department last week to look into the work being done by chapter members here at Montevallo. Mr. Jones is a field agent for Standard Oil Co. and plans to have a tractor clinic with the students next year.

* * *

Mr. "Doug" Ballard is building a new home at his farm near Dogwood and he is also planning a commercial air-landing strip and a hangar building for planes to be kept there at the field. It is hoped that the Flying Farmers will hold one of their summer meetings there when the landing strip is completed. M. Thornton, secretary of Chamber of Commerce, has contacted Mr. Asa Roundtree of the State Aeronautics Service for some information concerning the State's participation in such projects.

Seven Alabama counties each have more than a half million acres of forests—Baldwin, Clarke, Jefferson, Mobile, Monroe, Tuscaloosa and Washington.

DR. MARGARET McCALL

Funeral Held for Dr. McCall in Missouri

Dr. Margaret McCall, chairman of the Alabama College department of health, physical education, and recreation, died May 29 in a hospital in Kirkwood, Mo.

Surviving Miss McCall are two brothers, Mr. Crawford McCall of Anchorage, Alaska and Dr. E. L. McCall, Kirkland, Mo.

Funeral services were held Saturday in Laddonia, Mo.

In her 20 years at Alabama College, Dr. McCall developed a program in teacher education, leadership training, and training of leaders for private and organization camps.

Alabama College named her "Woman of the Year" in 1942 for her contribution in organizing student groups in the war effort.

Dr. McCall was a pioneer in the field of outdoor and camping education in the South. She joined the Alabama College faculty in 1937.

Phillips Attends President's Institute

President Howard M. Phillips, Jr., of Alabama College, and Mrs. Phillips are going to college themselves for a week this June. They will spent the week of June 17 to 25 at the fourth President's Institute at Harvard's Graduate School of Business Administration, conducted by the Institute for College and University Administrators under the sponsorship of the Carnegie Corporation of New York.

During their week of classes, the presidents will examine a series of actual administrative problems presented in written case method form, with primary emphasis on the decision-making function of the president. The president's wives will participate as well, discussing cases revolving around their responsibilities on campus. They will also study many of the cases put to their husbands.

The second part of the program will consist of evening talks by leaders in the field of education and opportunities to discuss the problems under consideration with these experienced presidents and their wives.

Rev. Raines Honored by Sugar Hill Baptist

The Sugar Hill Baptist church honored Rev. and Mrs. Clyde Raines at their services last Sunday as Mr. Raines completed his 7th year as pastor of the church.

Prior to the message by the pastor he was surprised when Alton Tucker of Lawrenceville was brought to the pulpit and began the morning service. Mr. Tucker was Superintendent of the Sugar Hill Baptist Sunday School when Mr. Raines came there as pastor seven years ago. Mr. Tucker expressed his love for Mr. Raines and his family and how he had watched the church grow under his wounderful leadership. Mr. Theodore Pirkle, the present Sunday School Superintendent spoke words of appreciation to Mr. Raines and presented him and his family with a handsome silver tray from the Sunday School.

Mr. Carroll Higgins, Chairman of the Board of Deacons presented the pastor with a Gift Certificate from the Deacons and expressed sincere love and appreciation for him as their pastor and the splendid service he is rendering in the church.

Mr. Raines was presented with an Album "This Is Your Life" which was most attractive from cover to cover with pictures, news articles and other information regarding his ministry at the Sugar Hill Church.

During the seven years that Mr. Raines has served the Baptist church its good in the community has been manifested by its continued growth and good works. The church has averaged 30 Baptisms each year and 50 new members; the Sunday School has an enrollment of 469 and had an average attendance last year of 232 per Sunday; The Training Union had an average attendance of 90. The budget has increased tremendously as has the entire church program.

Mr. Raines is highly known in the Lawrenceville Baptist Association and greatly loved by score of Baptists as well as people of other denominations. — (Buford, Ga., Newspaper).

Rev. Raines is the former pastor of Enon Baptist Church in Dry Valley.

The state department of revenue reminded farmers that tractor gas tax refund claims to be filed under the Farm Bureau-sporsored law revised in 1957 are not due until July 1.

Plans for the coming year were discussed, after which yearly reports were given by officers and committee chairmen.

The Club has completed a very successful year. For example: Aiding the FFA program in the high school; sponsoring the Red Cross drive in Montevallo, where a high goal was reached; the Club contributed $25 toward the lighting program for the public school; and money was given for glasses for school children; by giving moral support to the movement to obtain the library for Montevallo, the library division of the general federation was supported; contributions were made toward scholarships. loans, writers division; and the Club contributed 100% to the Penny Art Fund.

At Christmas time, the lighted Christmas tree is a reminder of the work of the Study Club; and the roses on the overhead bridge, planted and cared for by the Club, show an interest in making the town more beautiful.

The clean-up drive for the town was sponsored by the civic and welfare committee.

Each year the Study Club contributes toward sending a local high school girl to Girls State.

The sale of the Cook Book provides the money for club projects and contributions and this year the sale of the books has been most successful.

The program on Tuesday consisted of a very interesting talk by Mrs. Ashley Jeter on "Agriculture in Alabama".

NOTE OF THANKS

I wish to thank all my friends for their support in my unsuccessful campaign for State Representative. I also appreciate the high-type manner in which my opponents conducted their campaigns. I have the highest regard for all who did not see their way clear to support me.

I hope that all who opposed me in this election will be checking my standing and character and will consider me in the next four years.

My motto is "To Keep On Keeping On".

Hope to talk to you all before the next election. Thank you.

Summer Session Will Feature Institutes And Workshops, Other Meetings

Registration for Alabama College's first term of summer school will begin June 9, according to Dr. M. L. Orr, dean of the college and summer school director.

The first term runs through July 18. Classes will be conducted five days a week.

Registration for the second term of summer school will be July 17 and 18 for those in attendance the first term. Others will register July 21.

Courses will be offered this summer in the departments of art, biology, business administration, chemistry and physics, education, English, history, home tconomics, mathematics, music, physical education, psychology, sociology, social work, and speech.

The college's graduate school will offer courses this summer leading to master of arts, master of science, and master of education degrees.

"Requirements for the issuance and reinstatement of all of the several types of Alabama teachers' certificates may be met by work completed in summer school," Dr. Orr said.

In addition to regular courses, several workshops, clinics, and institutes will be held on the Alabama College campus this summer.

The summer workshop program and demonstration school for teachers, the institute for high school science teachers, and the summer session of the speech and hearing clinic, will run concurrently with the first term of summer school.

A speech workshop for high school students will be June 9 through 21, and the mental health workshop will be June 16 through 27.

The demonstration school is designed for undergraduate students in elementary education, and for those who have had some teaching experience.

A total of 66 stipends have been awarded for the institute for high school science teachers. The institute was made possible through a grant from the National Science Foundation.

The science courses in the institute will carry graduate credit, and the mathematics courses will carry either graduate or undergraduate credit.

The six-week speech and hearing clinic will provide therapy for 14 children of elementary school age.

The speech workshop will be June 9 through 21. It is open to high school sophomores, juniors, and seniors.

They will study debate, radio and television, interpretation of literature, and the theatre. Enrollment in the workshop will be limited to 25.

Col. H. Edmund Bullis will direct the mental health workshop to be held June 16 through 27.

This workshop is sponsored by the State Health Department, and the Alabama Association on Mental Health.

Summer school catalogs are available at the Public Relations Office of Alabama College.

Clothing Classes Study New Sewing Methods

The series of ten clothing construction classes which have been held at the Vocational Home Economics Department of the Montevallo High School ended on Tuesday evening, May 20. The class attended by twenty-three adult homemakers worked under the guidance of Mrs. Rebecca McGaughy. New clothing construction methods were demonstrated and practiced. The class members made for themselves blouses and skirts on which they applied the construction techniques recommended by Mrs. Edna Bryte Bishop, a recognized authority on the newer clothing construction methods.

Some of the basic construction techniques stressed during the unit were accuracy in selecting pattern size, making alterations, cutting on correct grain of fabric, marking construction details.

The class members learned the importance of working on a garment in units, and the advantages of stay-stitching and directional-stitching. Other techniques emphasized were under-stitching and grading of seems on facings and collars. The importance of correct pressing and the use of adequate pressing equipment were demonstrated to the class.

Modern methods of sewing which include pin basting and eliminates tedious hand basting can make home sewing a quick and enjoyable hobby for the homemaker.

Class members who attended part or all of the meetings were Mesdames Roy Wooley, Mattie Taff, Barbara Ingram, Kathleen McGlown, Andrew Kochmann, Charlie Martin, Clark Green, Betty Arledge, Jessie Lagrone, Dale Barrett, Mary Freeman, Jack Shipley, Naomi Lanford, Becky Bolton, Mildred Doyle, Cratie Corbert, Edith Lovelady, Macie Simpson, Marie Robinson, Carolyn Gray, P. T. McIntee, John Murphy and Dell Russel.

The first statewide Tree Farm program in America was organized in Alabama in 1942.

Dispatch Clerks Make High Grades

Three of the regular dispatch clerks in the Montevallo Post Office recently were examined by the Postal Transportation Service to test their proficiency in handling outgoing mail for post offices in the state of Alabama.

All three clerks made creditable showings and their grades were, Mr. Bill Cunningham 95; Mr. Will Fullman 99 and Mrs. Leslie Mahaffey 100.

These clerks are required to know the best way to send mail in order to reach its destination at the earliest possible time, whether by train, Highway post office or Star Route. They are also required to keep abreast of all changes in timetables, schedules and the discontinuance or establishment of post offices.

This is the first time since the Montevallo Post Office was established in 1822 that three qualified mail distributors were employed at one time.

Brazilian Industrialist Visits Westinghouse

E. H. Turnock, right, Mgr. of Electrode Engineering at the Montevallo Westinghouse Welding Manufacturing Plant, discusses plans for an electrode manufacturing plant in Brazil with Octavio Guazzelli of Sao Paulo, Brazil.

Mr. and Mrs. Octavio Guazzelli, of Sai Paulo, Brazil, visited the Montevallo Westinghouse Plant last week while on a business trip to the United States.

Mr. Guazzelli is connected with Industria de Arames Cleides, a steel wire processing company in Brazil, which is considering the purchase of Westinghouse electrode manufacturing equipment from the old Trafford, Pa., plant and the signing of an engineering contract covering Westinghouse "know how" and formulations.

Science Institute For Teachers Starts June 9

The summer institute for high school science teachers, another step in America's expanding science program, gets underway at Alabama College Monday, June 9.

Dr. Paul C. Bailey , chairman of the biology department at the college and director of the institute, said that 71 stipends have been awarded to high school science teachers from Alabama and 7 other states for attendance at the institute.

The stipends were made possible through a grant from the National Science Foundation which is cosponsoring the institute with Alabama College.

Biology, chemistry, physics, and mathematics will be taught at the institute.

"The institute is not limited to persons who were awarded stipends," Dr. Bailey said. He estimated that more than 80 high school science teachers will attend the institute.

Five top lecturers will speak to the seminar class of the institute.

Dr. Paul Weiss, director of biology laboratories, at Rockefeller Institute for Medical Research., will be the first guest lecturer. He will speak on current trends in biology.

Alabama has more than 3,000 wood-processing plants.

GRADUATION exercises for the kindergarten class of Montevallo Elementary School were held June 3. Mrs. Oren Eddings is the teacher.

Farm Loan Association Meets in Montgomery

Mr. Aubrey S. Miree, Secretary-Treasurer of the National Farm Loan Association advises that employees of the association just returned from a state-wide meeting of associations at Montgomery, Alabama, with officials of the Federal Land Bank and Farm Credit Administration. Fred Gilmore, Deputy Governor of the Farm Credit Administration, announced that land values has been increased for making loans, thus further increasing the bank's ability to serve farmers.

John L. Ryan, President, Federal Land Bank, mentioned the tremendous increase in the investment required of farmers in the way of machinery and the high cost of production due to the increased use of fertilizers, insecticides and better cultural practices. Ryan said the increased loan values will be put into effect at once in this district and should be of real assitance to farmers in meeting their financial requirements.

Funeral Services Held For Lucian Champion

Funeral services for W. Lucian Champion, 35, who passed away in Denver, Colo., May 25, after a brief illness, were held at the Macedonia Baptist Church Saturday at 2:00 p.m. The Reverend Edward Glover officiated.

Mr. Champion, a native of Rt. 1, Marvel, was a graduate of Montevallo High School and served four years in the Navy during World War II. He has been employed with the Colorado Southern Railroad in Denver for about four years.

Masonic rites were performed by Masonic Lodge No. 70 of Montevallo. Pall bearers were Lewis Lawley, Reggie Lawley, Wilmer Lawley, Jonah Lawley, uncles of the deceased, Jimmie Lee Fancher and Paul Crenshaw.

Survivors are the wife, Mary Ann, one son, Steven Lucian; two sisters, Mrs. Horace Lawley, Rt. 1, Marvel, and Mrs. Henry Pickett, Rt. 1, Marvel; four brothers, Robert L. Champion, Panama City, Fla., Thomas L. Champion, Salt Lake City, Utah, Walter M. Champion, Ft. Jackson, S.C., and Resse Hill, Rt. 1, Marvel.

MRS. DOROTHY ROHRER

Funeral Services Held For Mrs. Dorothy Rohrer

Funeral services for Mrs. Dorothy C. Rohrer, 61, housemother of the senior women's dormitory at Alabama College, were held Wednesday at 4 p.m. in the Johns-Ridout Chapel, Birmingham.

Burial will be in the St Augustine, Fla., National Cemetery.

Mrs. Rohrer died suddenly of a heart attack Monday night while visiting in the home of friends in Montevallo.

She said goodbye to the senior women Sunday as they left for their homes following graduation exercises. She was housemother for the same class during their freshman year at the college when she was house director of Main Dormitory.

Mrs. Rohrer came to Alabama College in September of 1952 from Brenau Academy, Gainsville, Ga., where she was a house director.

She is survived by her brother-in-law, Jay E. Rohrer, 409 Meadow Brook Lane, Birmingham, and Mrs. Bernice Hilliard, Oglethorpe University, Ga., a sister-in-law.

Mrs. Rohrer was a native of Cleveland, Ohio, but had lived in Georgia and Florida most of her life. She was an active member of the Montevallo Studiosis Club.

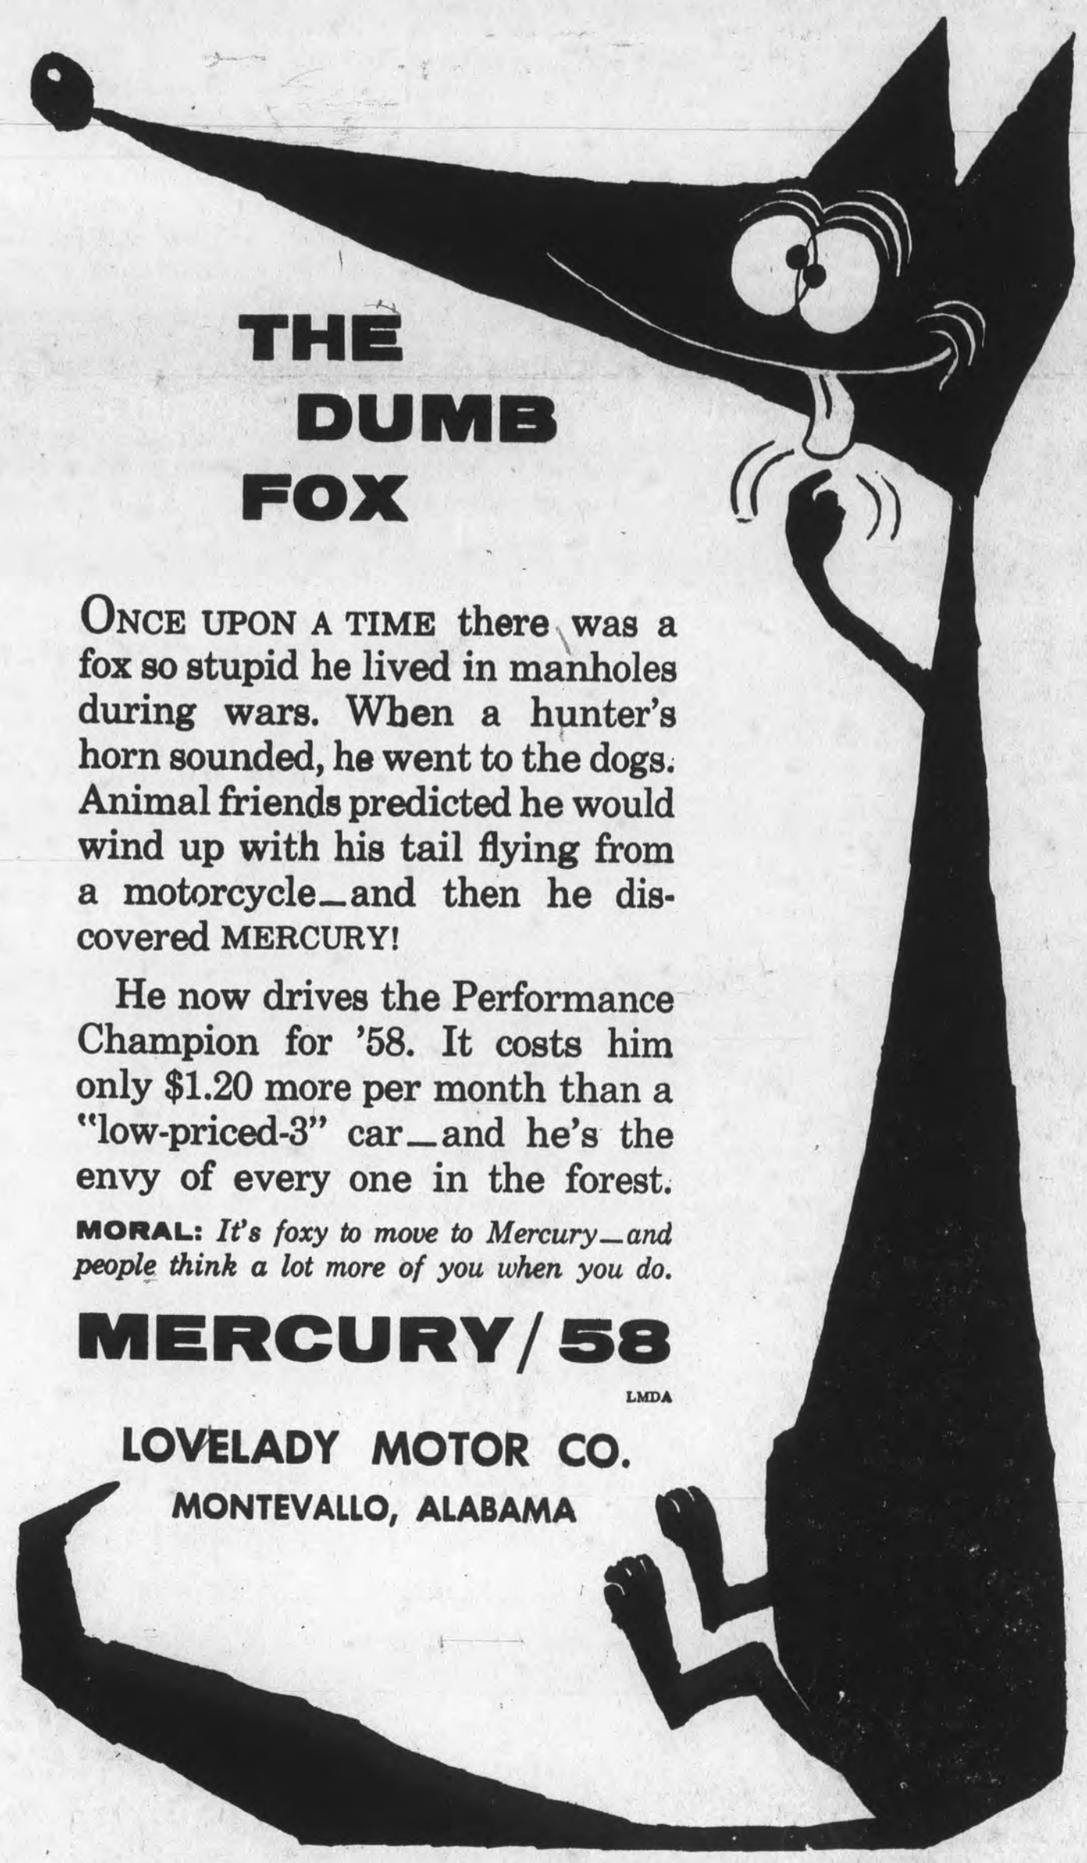

Durham, N.C. — John Edmund Ziolkowski, son of Mr. and Mrs. M. Ziolkowski, 98 Nabors St., in Montevallo was among some 1,000 students who received degrees here Monday, June 2, at Duke University's 106th Commencement. He received the A.B. degree.

The farmer gets a smaller portion of the food retail dollar than he used to. Food processing costs have been shifted from the home to the processing factories, packaging is better, and distribution more efficient, say the Journal of Agriculture and Food Chemistry.

Calvin Harrison Returns From Caribbean Cruise

Calvin H. Harrison, chief danage controlman, USNR, son of Mr. and Mrs. George M. Harrison of Montevallo, Ala., and husband of the former Miss Lillian Gardner of McKinzie, Ala., returned to Charleston, S.C., May 17, after a two-week naval reserve cruise in the Caribbean Sea aboard the high speed transport USS Bowers.

During the cruise, the reservists took part in actual fire-fighting methods aboard ship, training drills, and gunnery exercises.

JUDY WALLACE

Judy Wallace Is Named Girls' State Delegate

Mrs. Reese L. Woolley, president of the Montevallo American Legion Auxiliary, announces the selection of Judy Wallace as the second delegate to Girls State.

Judy is the daughter of Mr. and Mrs. C. G. Wallace and is a junior in the Montevallo High School.

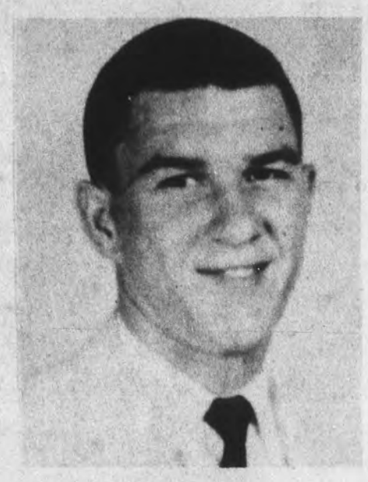

She is serving her third year as head majorette and has been a member of the school band for 4 years, and is a member of the Swing Band, playing saxaphone.

She has served as co-editor and sports writer of "Spotlight"; is serving the third year in Student Council; is vice president of the Arts and Photo Club; and is a reporter for Tri-Hi-Y and reporter of the FHA Club.

Judy attends the Baptist Church regularly and is president of the Y. W. A.

As a member of the Junior Unit of the American Legion Auxiliary, Judy has been active in organizing the Teen Club, the Legionettes, a majorette procession drill team sponsored by the Junior American Legion Auxiliary. As drill captain, she will direct the Legionettes for the coming year.

The Business and Professional Women's Club was selected by the Auxiliary as the sponsor of Judy.

ROBERT LOFTIN

Robert Loftin Wins Scholarship

Robert E. Loftin, Route 1, Calera, has been awarded two scholarships for 1958-59 at the Southern Union College, Wadley. The admissions Office said today that Loftin has been selected for the $100 Honor Scholarship by the faculty of Calera High School and that Coach Earl J. Bentley has selected Loftin for a grant-in-aid in football, basketball and baseball.

The husky Shelby County youth has two varsity letters in football, one in basketball and two in baseball.

Loftin is vice president of the senior class at Calera and has been active in the Beta Club, "C" Club, and 4-H. He is an active member of the Calera Baptist Church.

Honor scholarships are granted to each high school in the state on the basis of scholarship, character, leadership and service. The grant may be secured for the second year if the student maintains an average of 'B' or better.

Dr. Farmer To Address University Women

New Brunswick, N. J.—Dr. Hallie Farmer, formerly of the staff of Alabama College, will address 500 university women at the North Atlantic Regional Conference of the American Association of University Women here on July 6.

Dr. Farmer, who now makes her home in Anderson, Indiana, is the first vice president of the national AAUW, and a member of its board of directors. She has been active in AAUW work since her retirement as professor of history and head of the Social Science Department at Alabama College in 1956...

While at Alabama College Dr. Farmer served as president and legislative chairman of the Alabama Division of AAUW. She also served as president of the Joint Legislative Council and was twice elected to the City Council of Montevallo.

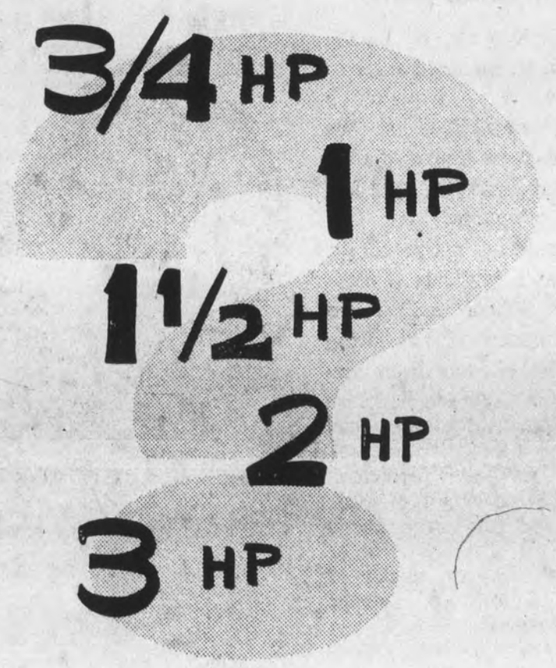

Is Your Air Conditioner BIG ENOUGH For the Job You Want it to Do?

Everyone knows that equipment too light for any job either costs more to operate or wears out faster. The same is true with an air conditioner. One of insufficient capacity for the space to be cooled will run full time instead of intermittently—it will use more current.

There are a number of other conditions which affect the operating cost of any kind of air conditioner. Some of these conditions, such as the weather, can't be changed. Others you may want to correct.

How much does it cost to run an air conditioner?

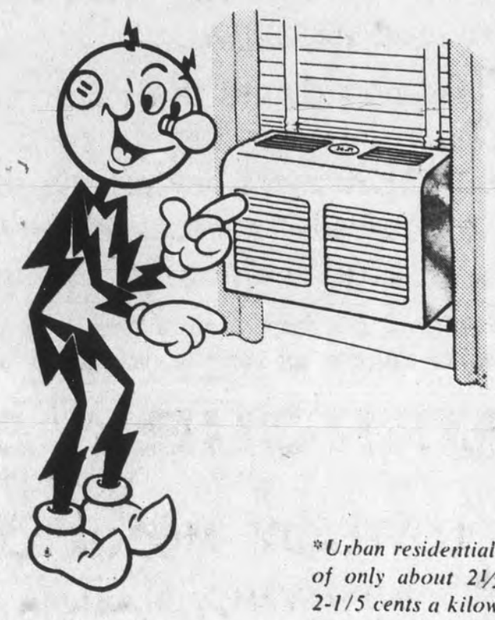

Under some of the conditions listed below the operating cost may be as much as $10 or more per ton (or horsepower) per month. As in the case of any electrical appliance, the operating cost of an air conditioner depends entirely upon the amount of current used.*

How Much Does It Cost to Run An Air Conditioner?

That Depends--

1. On how much space you want to air condition
2. On whether or not the air conditioner is of the right size for the job you want it to do
3. On how many hours each day you use it
4. On how hot it is outside, how cool you want it inside
5. On other conditions such as how often the doors are opened and left open
6. On whether the space to be cooled is suitably insulated
7. On how much shade the house gets
8. On whether the air conditioner is properly located
9. On having wiring that will deliver to it the amount of current it needs to operate most efficiently
10. On how often the air filters are cleaned or replaced

*Urban residential customers who use 100 kilowatt-hours a month pay an average of only about 2½ cents a kilowatt-hour. Those using 250 a month pay only 2-1/5 cents a kilowatt-hour, and those using 1,363 or more kilowatt-hours a month pay an average of less than 1½ cents a kilowatt-hour.

Montevallo Boys Hold Boys State Offices

Montevallo's representatives to Boys State this year proved themselves leaders at what Mr. Cliff Harper, director, called one of the greatest Boys States ever held. During the week of June 1-8, the boys had opportunity to participate in State Government as well as govern themselves in groups known as "cities."

James Davis, who was sponsored by the Montevallo Rotary Club, was a member of his City Council and was also in the House of Representatives. He had the privilege of explaining a bill before the House.

Ralph Morris, whose sponsor was the local Lions Club, was elected to the State Senate when Boys State moved from Tuscaloosa into the Capital City.

The American Legion's (Hendrick Hudson Post No. 96) representative, Jim Potts, was also elected senator and had the distinction of being named president pro-tem for the Senate.

The local P.T.A. sponsored the trip for two boys, Jimmy Seagle and Ronald Smitherman. Jimmy served as a member of the House of Representatives, while Ronald was appointed advisor to the governor.

All five representatives reported that the trip was a very worthwhile one and expressed thanks to their sponsors for making the experience available.

Vacation Bible School To Start Monday

The annual Vacation Bible School for Young People ages 3-16 years will be conducted at the Montevallo Baptist Church beginning Monday, June 16, and will continue through Wednesday, June 25. The school will begin each morning at 9:00 o'clock and close at 11:30. There will be planned activities for each age group beginning with the Nursery, (3 years), Beginner (4-5 years), Primary (6, 7,8 years), Junior (9-12 years) and Intermediate (13-16 years).

This is an excellently planned Worship, Bible Study, and Recreation program for Youth.

All the youth of the town are cordially invited to attend.

SALVATION ARMY TRUCK

The Salvation Army Red Shield Truck will be in Calera Thursday, June 19 and in Montevallo Friday, June 20.

If you have anything to give to the Salvation Army, phone The Times-Herald, and your name will be put on the list for the truck to pick it up.

Big Spring Park Closes at 9 p.m.

At the suggestion of Mr. S. M. Mahan, chairman of the Montevallo Recreation Board, we make the reminder that the Big Springs Park is closed each night at 9 o'clock, except for the use of organized groups that have permission to use the facilities later than that hour.

The practice of a few "strays" going to the park at late hours of the night is objectionable for many reasons, chief of which is the annoyance to people who live close by.

To this reminder, it should be added that those who persist in the improper use of the park are going to get into trouble.

The co-operation of everyone under the regulations of the Recreation Board, is most sincerely solicited. It is utterly senseless for anyone to willfully engage in "off-color" practices in the use of the park which make trouble and annoyance.

Whaley Buys Gilbert Property

R. E. Whaley has bought the Gilbert property on the corner of Middle and Island streets. He is now tearing down the two-story apartment building and will use the salvaged material to erect two or three residences for rent. They will be located on Island street where the Negro school baseball field used to be.

When the present building is removed from the Gilbert lot, it will be replaced by a modern new business building, which we understand Mr. Whaley has already contracted for rent. Name of the tenant is not announced.

David Lindsay Chapter To Observe Flag Day

David Lindsay Chapter, DAR, will observe Flag Day, Saturday, June 14th, at 4 o'clock, with an informal tea at the home of Mrs. Charles L. Gormley, regent. Business will be brief following the ritual and Mrs. T. H. Napier, past national officer, will install the chapter's new officers: regent, Mrs. Gormley; vice regent, Miss Eloise Meroney; chaplain, Mrs. Lois M. Hubbard; secretary, Miss Emma Dendy; treasurer, Mrs. E. D. Reynolds; registrar, Mrs. A. W. Vaughan; historian, Mrs. Denson Elliott; and librarian, Mrs. Mary H. Whatley.

Calera Civitans Install Officers

Monday night, June 9, officers of the Calera Civitan Club were installed at Ladies Night dinner meeting. Officers for the ensuing year are: Carlos Warren, president; Claudus Tidwell, vice president; Carl Edwards, secretary-treasurer.

A delicious meal was enjoyed by all present, after which the following guests were introduced: Dr. and Mrs. Mitchell, Wallace Reese, dentist; C. P. (Red) Walker, W. J. Lewis, Travis Godwin and Mrs. Joe Graham.

President Zollie Cowart then gave a resume of the accomplishments of the Calera Civitan Club for the past year. Civitan Cowart also expressed his appreciation for the cooperation given him.

Senator-elect Joe Graham was introduced and gave a very interesting talk. Joe Graham is an active Civitan member of the Maplesville club.

Bill Decker, assistant international secretary, installed the newly elected officers.

Rites Held For Dr. E. F. Sloan

Dr. Elihu Frank Sloan, 65, died last Sunday night in a Birmingham hospital. For more than 20 years he had been public health officer for Shelby County.

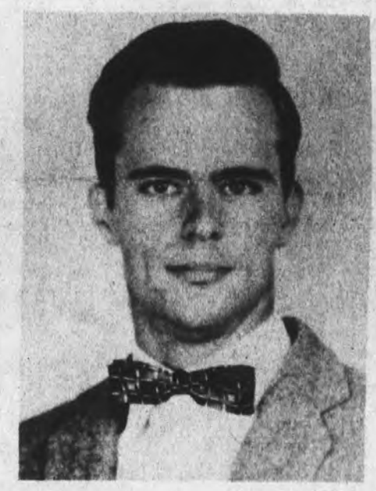

Dr. Sloan studied medicine at Emory University, Ga., and practiced in various parts of Alabama before coming to Columbiana in 1937. He was noted for pioneer work in the home treatment of tuberculosis.

In 1957 he was instrumental in establishing the Hill-Sloan TB X-Ray Clinic in Columbiana.

His work in this field has been recognized by membership in the American Trudeau Society. Dr. Sloan and wife formed a husband-wife team in development of the clinic. Mrs. Sloan was Miss Helen Mitchell of Tyler, Tex. They were married in 1914.

Survivors include the widow; a son, Frank Sloan Jr.; a daughter, Mrs. Mims Roberts; four grandchildren.

Funeral was held at Columbiana Methodist Church at 10 a.m. Tuesday, conducted by the Rev. F. P. Ritchey. Burial was in the Columbiana Cemetery.

Ronald Kenneth Presley, son of Mr. and Mrs. Sidney Presley of Calera, entered the summer session of Alabama College at Montevallo Monday. Ronald is studying to be a medical technician.

Westinghouse Establishes Auburn Electrical Engineering Professorship

Auburn, Ala., June 4—The Westinghouse Educational Foundation today announced the establishment of a chair for a professorship in engineering at Alabama Polytechnic Institute.

Trustees of the Foundation have made a grant of $75,000 to the Institute to support the appointment of a Westinghouse professor for an initial period of five years, G. D. Lobingier, executive secretary of the Foundation, said.

Mr. Lobingler, who is also manager of Westinghouse Electric Corporation's educational department at Pittsburgh, was on the A.P.I. campus today to make arrangements for the professorship with the Institute's administrators.

The Foundation has also made a contribution for laboratory apparatus in the amount of $3000 for the department of mechanical engineering, Mr. Lobingier said.

Trustee action announced today brings the total number of professorships supported by the Westinghouse Educational Foundation to seven. Others include two at the University and one each at Pennsylvania State University, Carnegie Institute of Technology and Massachusetts Institute of Technology, and Drexel Institute of Technology.

The Foundation was established in 1944 as an independent educational trust which is solely supported by Westinghouse Electric Corporation. Operating this year on a near-record $800,000 budget, the Foundation is providing this kind of financial assistance:

55 institutions are receiving engineering laboratory equipment or funds to meet operating expenses and building fund goals.

10 colleges and universities are conducting special study programs.

146 students are going to college or graduate school on scholarships and fellowships.

At Auburn, the Westinghouse achievement scholar for the 1957-1958 year has been Thomas L. Porter, whose home town is Memphis, Tenn. A member of the June graduating class, he majored in electrical engineering at Alabama Polytechnic Institute.

The Westinghouse achievement scholar at A.P.I. for the 1958-1959 year will be Robert L. Savage. He is a native of Winterhaven, Fla., who will be graduated in June, 1959, with a bachelor's degree in electrical engineering.

Record Peach Crop Expected In Chilton County

A probable all-time record peach crop will be the happy background for this year's Peach Festival at Clanton, June 25.

This fact emerged at discussions during an organizational meeting this week in Clanton presided over by M. R. (Red) Glasscock, Chilton County Farm Agent, who is this year's Festival chairman, which was attended by local, county, and State civic and political leaders.

In number of trees, Chilton ranks 18th among all the peach-producing counties of the U.S. and the annual commercial production of peaches in Chilton County has increased about five times since 1950. Since an inventory of the commercial orchards in 1957 showed more than 60 per cent of the trees were only one to three years old—young, non-bearing trees—therefore, "in the next few years it is confidently expected the area will have a far larger volume of peaches to put on the national market," Glasscock says. The 1956 peach crop, incidentally, was worth more than $1.5 million.

Chilton County has 431 commercial orchards which range in size from 100 to 22,650 trees with an average of 1,816 trees per grower.

Blount County also has an important peach industry with some 40 commercial orchards with an average of about 3,000 trees per grower. Blount ranks 57th among commercial peach growing counties in the U.S. Many Blount County peach growers are expected to attend the June 25 Festival at Clanton, as well as producers from Georgia, South Carolina and other areas.

Mr. and Mrs. V. E. Williams and daughters, Virginia and Mary moved to Batesburg, S. C., Friday. Virginia will enter Lander College, Greenwood, S.C., this fall. They bought and are moving into a 3-bedroom, 2 bathroom house, which has just been completed.

Shelby County Workers To Help Harvest Chilton County Peach Crop

"Shelby County workers are ready to pitch in and help pick the most promising peach crop we've had in several years."

That's what B. J. Varden, rural employment industries specialist in the local employment office, said here today. But about the employment of children, he had this to add:

"A number of young people are going to be needed to get the work done, but most jobs can be handled by those 16 years of age and up.

"We don't register children who are under 16, and if packers employ the 14 and 15-year-olds, it would be my recommendation that they check with county school authorities in the county where the child lives."

According to the U.S. Labor Department, federal child labor laws require the packing plant employer to have on file a certificate for each minor 14-18 years of age.

In Shelby County, certificates on children are issued by Mrs. Sara Edwards in Columbiana, while Miss Louise Foshee, in Clanton, issues them for Chilton County children. Both school officials are located in the office of the County Board of Education.

Mr. Varden said that although unemployment in Chilton County has been running about 6% of the total work force there, packing houses in Thorsby and Clanton will need to go outside the county for enough workers to meet the production rate they estimate for this season's crop.

At a predicted average of 1½ to 2 bushels of shipping peaches per tree, packing houses expect to move them through at a rate of 200 bushels per hour. To do this new machinery has been installed in some plants.

"One packer told me he would need 33% to 40% more people in packing house jobs; another said he would need 'some additional workers', " said Varden.

"Most labor increases will be in packing houses, but some additional workers will be needed in the fields, too."

Limitations on the employment of children in fields and orchards are not the same, nor as strict, as in case of packing house jobs, according to a Labor Department official. While it is necessary in every case that the employer keep a record of the age of children who are working, packing house jobs have limitations on hours of work for younger children and positively prohibit employment for those under 14.

Child labor laws, as well as federal minimum-wage laws, are enforced in the Chilton County area through the U. S. Labor Department's wage-hour office in Columbus, Georgia, headed by Hugh B. Campbell, field office supervisor. Mr. Campbell's office is located in the Bush Building.

In Shelby County, these laws are enforced through the Labor Department's Birmingham office, located at 1401 South 20th Street.

A series of public hearings has been called by the state milk control board to begin June 17 in petition of a group of distributors who asked "relief" from rising costs. The Farm Bureau dairy committee said the distributors apparently seek higher prices to consumers or a larger share of the consumer dollar.

Knowles Receives Heart Fund Award

First Lt. Charles A. Knowles of Shelby County, was one of a special group of Alabama civic leaders who have just received awards from the Alabama Heart Association for "outstanding service" in the fight against heart diseases during the 1958 Heart Fund Drive.

The awards was made by State Heart Fund Chairman, General Walter J. Hanna, of Birmingham, who cited the heart leaders for their "loyal devotion to a great health crusade." "Through leadership such as you have given", stated General Hanna, "the Heart Fund has shown a growth increase of approximately 56% over last year".

In presenting the awards General Hanna called attention to the fact that heart diseases cause more deaths than all other ailments that afflict citizens of Alabama.

Dairying was a $86,500,000 business in Alabama in 1957, according to the API Extension Service. Not all of the income was from milk. Sale of veal calves and culled cows brought in an estimated $12,000,000, thus contributing to the total income from beef, too.

DIAMONDS ARE A girl's best friend, they say. Oddly enough they're also good friends of the telephone company. Industrial diamonds—black and greasy—are used as dies to reduce copper wires all to exactly the same size. Last year more than $200,000 worth of diamonds were used to streamline 48,000,000 miles of copper wire to uniform size. You don't ordinarily think of diamonds when you think of everyday telephone service, but it takes many products and many people to keep the calls going through.

ARMISTEAD SELDEN

Congressman, Sixth District

Two major efforts toward the peaceful and efficient utilization of outer space were made by members of the House of Representatives last week.

First, the House voted to set up a National Aeronautics and Space Administration to direct United States explorations in outer space. This agency, which will be headed by a civilian administrator, will co-operate with the Defense Department and the Atomic Energy Commission in scientific efforts related to space experiments. Creation of the agency is expected to greatly facilitate the various space exploration programs.

The other House-approved legislation is in the form of a resolution which calls on all nations of the world to join in international agreements for the peaceful explorations of outer space and joint cooperation in the advancement of scientific developments.

Both space measures received bipartisan support in the House and have been referred to the Senate for consideration.

Manpower Cuts Disapproval

Included in the Department of Defense Appropriation Bill, passed last week by the House of Representatives, were sufficient funds to maintain the Army's manpower total at 900,000 during the next fiscal year. This action indicated disapproval by a majority of House members of President Eisenhower's plan to cut Army Personnel by 30,000.

Disapproval of another proposal by the Administration was indicated when the House accepted the recommendations of the Appropriations Committee to provide sufficient funds to maintain National Guard personnel at 400,000 and to increase the Reserves to 300,000. The Secretary of Defense had stated earlier that the Defense Department's budget request provided for a reduction in both the National Guard and the Army Reserve during the next fiscal year.

In addition to these forces, the House-approved bill supports a naval force of 630,000 with a reserve corps of 135,000; a Marine Corps of 200,000 with a reserve of 45,000; and an Air Force of 850,000 with reserves of 146,000.

To finance all the armed services in fiscal year 1959, the House appropriated a total of $38 billion—a record peacetime military budget.

Excise Tax Extended

A one-year extension of the existing corporate normal-tax rate and the present excise taxes on alcoholic beverages, cigarettes, passenger automobiles, and automotive parts was approved by the House last week. Under present law, these taxes are scheduled for reduction on July 1, 1958. An extension was urged for the purpose of preventing a further budget deficit next year.

This legislation was considered under a closed rule which prohibited any House amendments. However, there is a possibility the Senate may attempt to amend the measure to include certain reductions.

Medical Center Receives Deed

Formal transfer of the deed to a gigantic 10½ block of Medical Center area was made to the University of Alabama at ceremonies at University Hospital Auditorium Monday 12:00 noon.

Russell B. Harris, vice-chairman of the Housing Authority of the Birmingham District, presented the deed to Hill Ferguson, chairman pro-tem of the University of Alabama Board of Trustees. Mr. Ferguson delered a check for $2,654,990 to Mr. Harris in return for the deed.

Ehney A. Champ, Jr., vice-president and treasurer of Liberty National Life Insurance Co., was Master of Ceremonies for the event. He introduced Mayor James W. Morgan who spoke briefly on action taken by the city of Birmingham to solve the clearing problem and Dr. George A. Denison, County Health Officer, who discussed the former Southside slum conditions.

Cub Scouts Begin Summer Program

Montevallo Cub Scout Pack 59 began their summer program Saturday, June 2, with a trip to Birmingham to attend the Birmingham Barons baseball game. Members of the Pack were accompanied by the Reverend Edward Glover and Mr. Albert Scott.

Besides the baseball game, the group enjoyed the traditional peanuts, hot dogs, coca cola and were treated to ice cream cones on the way home. Highlight of the trip was a visit to the "dug out."

The remainer of the summer program scheduled for the Pack is as follows:

June 28—visit to Lake Forrest for swimming and picnic.

July 7—visit to the Birmingham Zoo.

July 21—trip to Kiddieland Park.

Aug. 11—visit to a creamery & dairy and potato chip plant.

Aug. 25—A Cub Scout cook out.

Cub Scouts will be advised of the exact dates and times for each trip by Cub Scout Committeemen arranging the program. Fathers of the youngsters are invited to participate on those trips which most interest them. Additional details on the summer program are available by calling the Den Mothers or the Cub Scout Committee headed by Albert Scott.

MRS. JACK H. COHN

Miss Frances Klotzman and Jack H. Cohn Are Married in Harrisburg, Pa.

The marriage of Miss Frances Klotzman, daughter of Mr. and Mrs. Sam Klotzman of Montevallo, and Jack H. Cohn, son of Mr. and Mrs. Daniel Cohn of Harrisburg, Pa., was solemized Sunday afternoon, June 1st, in Beth El Temple in Harrisburg. The ceremony was performed by Rabbi Mordecai S. Chertoff and Cantor Abraham Reiseman.

Nuptial music was presented by Allan Morrison, organist, and Mrs. Miriam Menaker, soloist.

The bride, given in marriage by her father, was attired in a gown of imported organdy and silk satin with bateau neckline, edged with medallions of lace, topping a basque bodice of satin. Her bouffant skirt of organdy, appliqued with bands of satin, fell from a low-dipped waistline and ended in a chapel length train. Her fingertip veil of silk illusion was attached to a cap of satin and lace. She carried a white Bible topped with a white orchid aypsophilia.

Miss Elaine Cohn attended her cousin as maid of honor, and bridesmaids included Miss Kay Golumbic, Miss Shirley Freeman, and Miss Celia Coplan.

The attendants wore ballerina length gowns of white nylon chiffon, fashioned with bateau necklines, basque bodices and bouffant balloon skirts which were caught in the middle with fern green velvet sashes. They wore matching picture hats of silk braid and carried cascade bouquets of yellow roses.

Sol Cohn served as best man for his brother. Ushers were Allen Golumbic, Arthur Dym, Milton Cohen and Harold Gruem of Philadelphia, cousin of the bridegroom.

Mrs. Klotzman wore a gown of champagne French lace with matching beaded hat for her daughter's wedding. The mother of the bridegroom wore a gown of blue Chantilly lace with matching hat.

The bride graduated from Montevallo High School and attended the University of Alabama where her sorority was Sigma Delta Tau. The bridegroom is associated with Daniel Cohn and Son, Wholesale Produce. He attended the University of Pennsylvania.

A reception in the social hall of the temple followed the ceremony. After a wedding trip to Miami, Fla. and a visit with the bride's parents they will live at 2621-B Green St., Harrisburg, Pa.

Methodists Are Urged To Contribute To Golden Cross Hospital Service

Methodists of North Alabama are being asked to "make it their business" to see that no Methodist who is in need of hospital care goes without such service.

Dr. L. Wilkie Collins, North Alabama Conference Golden Cross director, said that on Father's Day, June 15, Methodists in almost 1,000 churches will be asked to make a liberal offering to the Golden Cross.

This nation-wide program is the church's means of providing a healing ministry to the needly. Methodist hospitals give more than $13,000 in free service every day of the year.

"This year," says Dr. Collins, "the need is much greater than it has ever been." He explained that since public hospitalization for charity patients has been drastically cut, it is of greater importance that Methodists give liberally in order that any Methodist in dire need of medical and hospital care may be able to get it.

Dr. Collins said that although Methodists last Father's Day gave better than $35,000 to the Golden Cross, it has been necessary to turn down more than six appeals for aid each day.

"We are not able with our limited funds to take care of other than emergency cases. This means," says Dr. Collins, "that old people with chronic diseases cannot be cared for."

The Golden Cross offering is all kept here in North Alabama Conference for the needy. The fund is administered by Dr. Collins who also doubles as Chaplain of the Carraway Methodist Hospital.

"And, too," says Dr. Collins, "for every dollar given the Golden Cross on Father's Day $3 in services will be provided. He explained that this is brought about through the Carraway Methodist Hospital and the doctors.

"Whenever a patient is admitted to Carraway Methodist Hospital, and the Golden Cross accepts the case, the doctors, the laboratory and x-ray technicians give their services," Dr. Collins says.

The ministry of healing through the Golden Cross has shown marked growth over the past 10 years. Last year the offering totaled over $35,000.

"This year it is hoped that we will be able to reach our goal of $50,000," Dr. Collins says.

Bishop Bachman G. Hodge, general superintendent of the North Alabama Conference, this week urged all pastors to present the Golden Cross appeal to their congregations.

"Every pastor, lay leader, Church School superintendent and Methodist should make a gift commensurate to the importance of this Christ-like cause," Bishop Hodge said.

Mr. and Mrs. C. W. Mullins of Calera announce the arrival of a daughter, Lisa Jo, May 27th, at University Hospital.

Astronomy Is Subject of Science Institute Series

Astronomy for a high school science teacher is the subject of the current lecture series in Alabama College's summer institute for high school science teachers.

Dr. Carl K. Seyfert, professor of physics and astronomy and director of the Dyer Observatory of Vanderbilt University, is the visiting lecturer.

Dr. Seyfert's lectures are at 2 p.m., June 12, and 11 a.m. and 2 p.m. June 13.

Dr. Seyfert received his B.S., M.A., and PhD. degrees from Harvard University. He was a member of Phi Beta Kappa, national scholastic fraternity.

He was a fellow of the National Research Council, Mt. Wilson Observatory, from 1940 through 1942.

Later this summer, Dr. Seyfert will attend the International Astronomical meeting in Russia.

He is a member of the International Astronomical Union, the American Astronomical Society, and the Royal Astronomical Society of Great Britain.

To The People of Shelby County:

I am indeed grateful to my many friends who supported me in the primary and run-off elections just past. I will always appreciate what you did for me, not only in the elections, but throughout my term as your sheriff. I have tried to enforce the laws as best I knew how, and will continue so doing while in office as your sheriff.

To the successful candidate, I congratulate you, and hope the people of Shelby County will co-operate with you as they have with me, and I am sure they will.

As a citizen of this great county, I stand ready at all times to try to serve you, the citizens of Shelby County, in any way that I can, just call.

To all the citizens of Shelby County, thanks for the opportunity to serve you as your sheriff, I will always remerber these four years as tops in my life. My entire family sends greetings to all of you and wish for you the very best in every thing.

I hope each of you will give your full support to Mr. Harris as he serves you as sheriff, and help him to make you the very best sheriff possible, for the good of Shelby County.

Thanks again for every good thing done or said in my behalf, and may God bless each of you and your interest throughout your life.

Always your friend,

THE ELEPHANT WHO FORGOT

ONCE UPON A TIME there was a pretty square pachyderm who couldn't even remember his own name—which was Sam. He was so ashamed of his memory he wanted to die—but he couldn't remember the way to the elephant's graveyard. One day a few friends happened to thunder in around cocktail time and saw his new Mercury.

A huge trade-in made it a buy he'll never forget. It's more than six elephants big and costs only $1.20 more per month than a "low-price 3" car.

WIN F.F.A. AWARD—Tony Birchfield, Montevallo F.F.A. president, and Moon Thornton, adviser, as Tony received the top state award for the chapter last week at Auburn. In addition to the Honor Roll award, Keith Salter received a $25 cash award in the State Farm Mechanics contest. Winning the state award makes Montevallo eligible to participate in the national award program with winners being announced at the National F.F.A. Convention in Kansas City next October.

At the left is Tony Birchfield with the other 12 Honor Roll delegates during the state convention at Auburn last week.

Calera Scouts Win Awards

Calera Boy Scout Troop 67 took "Honor Troop Award" last week at Camp Horne, near Tuscaloosa.

With eight troops participating this highest award of the week was made to the Calera troop based on all around scouting such as advancement, courtesy, obedience, Scout competition, etc.

Sixteen Calera boys attended camps and all made advancements as follows: Roy Handcock, Tenderfoot; Ray Flemming, Bryon McDonald, Gene Ernest, Jerry Stringfield, David Gilbert, Second Class. In addition all of the above did a considerable amount of work on their First Class requirements.

David Carden completed First Class. Rickey Martin, Buddy Edwards, Bobby Godfrey, Claude and Charles Jones, Billy Brooks, Jerry Busby and Zollie Cowart were awarded 3 merit badges each, for cooking, pioneering, woodcarving, In addition, a merit badge for basket weaving was nearly completed.

Although the boys were greatly handicapped with poison ivy and red bugs, they still had time for plenty of sports and scout games. They are to be commended for probably their highest award of the year.

Assistant Scoutmaster Sgt. Bill Quillin attended camp with the troop.

Speaker Named For Post Office Dedication

Mr. Edward L. Goss will be the principal speaker for the dedication of the New Post Office Building at Siluria Saturday, June 21, 1958 at 2:00 p.m.

Mr. Goss entered the Postal Service in 1922, as a substitute clerk. He has served continuously since that time except for his military service. He is a veteran of World War II, having entered the service in 1941. In 1955, he was promoted from Superintendent of Mail Office Finance Unit, Birmingham, Ala., to Assistant District Operations Manager of the Birmingham District. He served in this capacity until his recent assignment as Field Service Officer in the northern part of Alabama.

Mr. and Mrs. Goss reside at 5912 Second Court North, Birmingham, Ala.

The dedication will feature the Thompson High School Band.

The public is cordially invited to attend this ceremony.

Refreshments will be served.

Montevallo Representatives Win Honors at Girls State Activities

Montevallo furnished one of the fourteen gubernatorial candidates in the June 11th primary election of the American Legion Auxiliary sponsored Girls State held on the Huntingdon College Campus in Montgomery, Ala.

Tommy Ruth Mowery, was fourth runner-up in the hotly contested race of Governor of Girls State, in which Lou Ann Radney of Alexander City became the 1958 winner.

Montevallo second delegate, Judy Wallace, lost the Lieutenant-Goveronr's place to Sara Nell Blake of Haleyville.

With 225 girls attending Girls State—Montevallo delegates were fortunate in receiving good appointments from Her Excellency, Governor Radney. Judy Wallace received the important place on the Pardon and Parole Board, Tommy Ruth Mowery was made Director of Public Safety. Judy was given a tour of Speigner and Kilby Prisons, while Tommy Ruth with Mr. Bill Lyerly helped issue proper drivers licenses and safety precautions to the citizens of Girls State.

Tommy Ruth was elected by popular vote of fellow Girls State Citizens to receive one of the seven Good Citizenship medals awarded at Girls State, making her eligible to become one of the seven candidates for Girls States highest honor, delegate to the National American Legion Auxiliarys' twelfth annual session of Girls Nation to be held July 26 to August 1st at the American University in Washington, D.C. Tommy Ruth Mowery and Judy Carter of Gadsden were elected by Counselor Ballot to represent Alabama at Girls Nation.

Tommy Ruth is the daughter of Mr. and Mrs. Paul H. Mowery, of Wilton, Ala. Paul H. Mowery, Tommy Ruth's father, served in the United States Army, Company C 167th Infantry from June 21st 1916 through two enlistments of World War One. He served his country in England, France, Belgium and Luxenburg Germany. He was in the front lines in the Battles Saint Mimiel, Champaigne, Marne, Aisne Marne, Louraine Sector, and Meuse Argonne; suffered shell shock, was discharged May 19 1919, but re-enlisted July 2, 1919. His country awarded him an honorable discharge with the Bronze Victory Star on July 19, 1921.

Tommy Ruth has one sister, Virginia, wife of M. Sgt. James J. Wallace, U.S. Army, Seaside, California, and a brother, Sgt. William H. Mowery, presently serving with the U.S. Army in Germany.

F. F. A. Chapter Wins State Awards

Montevallo FFA chapter came out tops in the state-wide chapter contest this year when the decisions of the judges were announced at Auburn last week. There are 265 FFA chapters in Alabama, and Montevallo FFA members are really happy to be rated as one of the four best in the state. Chapters are selected on the basis of the total program of work of the chapter. Certainly the entire membership wishes to thank all those individuals and groups which have made it possible for the chapter to receive this outstanding award. In addition to the cash award, the chapter room will add another banner to the display. Montevallo was also one of the thirteen chapters in the state to be placed on the FFA Honor Roll for 1958 for having a membership of 100 members.

Tony Birchfield, Montevallo FFA president, was on hand at the state FFA convention last week to receive the chapter awards and begin making plans for 1958-59 school year. Keith Salter was a winner in the Farm Mechanic contest and received a $25 cash award. Tony states that the chapter will be active all this summer and plans for monthly meetings for the entire group.

M. Thornton, FFA chapter adviser, will go to Auburn on June 24th for a special meeting at which time the final preparation of a guide will be made to be used by vocational teachers throughout the state in building an annual teaching program for all-day students and adults in the vocatonal agricultural program. The adviser is also atttending the Mental Health Conference now in session at Alabama College.

SUMMER BAND PROGRAM

Mr. Collins, the new band director for Calera High School, is going to have a summer band program in conjunction with the recreation program. The first meeting will be Monday morning, June 23rd, at 9 o'clock a.m., at the recreation buildings.

The Park and Recreation Board urges all parents who have children that are interested in band to contact Mr. Collins.

The program is sponsored by the Park and Recreation Board and is free to all boys and girls who wish to attend.

Gasoline Refund Claims Due July 1

The State Department of Revenue announces that Tractor Gasoline Refund claims to be filed under the recently enacted law, Act No. 743, are not due until July 1st. The period covered on the first claim will be from September 23, 1957 through June 30, 1958, and must be filed not later than September 30, 1958. Thereafter, claims will be for the twelve month period ending on the thirtieth day of June each year and must be filed by September 30th following.

All farmers who held an active 1956 or 1957 refund permit under the old law will be mailed the new type claim blanks by the Department of Revenue during the month of June.

Farmers who have not previously participated may be placed on the mailing list by writing the State Department of Revenue, Gasoline Tax Refund Section, State Capitol, Montgomery, Alabama.

Although the new law does not require that refund permits be secured, it does provide that no refunds can be made unless all tractors owned have been assessed for Ad Valorem tax purposes.

A supply of claim forms and copy of the law will be made available to all Tax Assessors, County Agents, gasoline wholesale dealers and any others who request them.

MISS MARCIA TRUMBAUER

Miss Trumbauer To Wed in August

Mr. and Mrs. Walter H. Trumbauer announce the engagement of their daughter, Marcia Norice, to Dr. Edward Turberville Peter, son of Mr. and Mrs. Charles Scudder Peter of Mobile.

Miss Trumbauer attended Mary Washington College in Virginia and the University of Alabama, from which she will be graduated in August. She is a member of Mu Phi Epsilon, honorary music fraternity, and of Delta Delta Delta social sorority.

Dr. Peter is a graduate of the University of Alabama where he was a member of Sigma Chi fraternity, and of the Medical College of Alabama where he served as president of his fraternity, Nu Sigma Nu. He was also tapped for Alpha Omega Alpha, honorary medical fraternity. He was recently the recipient of a scholarship for several months of foreign study wiith the famous vascular surgeon, Dr. Charles Dubost, of Paris. He will intern at the University of Minnesota Hospital in Minneapolis, where he will specialize in surgery.

Plans are being made for an August wedding.

Many People Do Not Know They Are Eligible For Social Security Benefits

Newspaper reading has proved especially profitable to residents of this area in recent weeks, according to J. W. Overstreet, Jr., district manager for Social Security in Birmingham.

Mr. Overstreet reported that a large number of people have been coming to his office recently with newspaper clippings telling about benefits the applicants didn't know they could get.

The chief reason for these people not knowing earlier that they could get benefits, Mr. Overstreet said, was failure to understand that complete idleness or retirement is not required. "Under the law, any eligible person may earn up to $1,200 a year and still receive his full benefits every month," Mr. Overstreet explained. "Ordinarily one month's check is forfeited for every $80.00 over $1,200 that the beneficiary earns in the year, but regardless of the total earnings for the year, benefits are payable for any month in which the applicant neither earns wages of more than $80.00 nor engages in self-employment."

Mr. Overstreet said that recent studies in his office of claims for benefits show that a significant percentage of applicants are losing money by failing to apply for Old-Age or Survivors Insurance benefits on time. He attributed much of this to the mistaken belief that no benefits are payable to a person who is not completely retired. Since back benefits under the Social Security Law can in no case be paid for more than 12 months from the time application is made, people who delay too long in applying lose checks they could otherwise receive.

Mr. Overstreet particularly urges people over 72 covered by social security to get in touch with his office. "Anyone now 72 or over, who has had social security coverage for as much as a year and a half, can get benefits even though he continues to work full time and has any amount of earnings," Mr. Overstreet pointed out.

Chocolate. Rich... with a Hint of Coffee!

MOCHA FLUFF PIE!

1 pkg. chocolate pudding (not the "instant" kind)
⅓ cup PET Instant (in dry form)
1 envelope unflavored gelatin
1 Tablespoon instant coffee
2 eggs, separated
2⅓ cups water
½ cup PET Instant (in dry form)
⅓ cup finely cut unsalted nuts
9-inch baked pastry shell

Mix pudding, ⅓ cup PET Instant, gelatin, coffee and egg yolks in a 1½-qt. saucepan. Gradually stir in 2 cups water. Cook and stir over medium heat until mixture comes to an all-over boil, about 5 minutes. Take from heat. Cover and cool. Put egg whites, the remaining ⅓ cup water and ½ cup PET Instant into a 1½-qt. bowl. Beat with rotary beater or electric beater at high speed, until mixture stands in peaks when beater is pulled out. (It will take about 5 minutes.) Add cooled pudding gradually, beating until thoroughly blended. Put into cold pastry shell. Sprinkle nuts over top. Chill about 3 hours.

Work To Start on Selma Magnesium Plant

Alabama has reason to be proud of its contributions to the nation's developments in the missile field.

It is no secret that Hayes Aircraft Corp., Birmingham has been making various parts for the Jupiter missile, under subcontracts from the Chrysler Corp. Huntsville's part in that program is widely known.

Now Brooks and Perkins, Inc., Detroit, Mich., is getting ready to start construction this summer on a new four and a half million dollar magnesium plant at Selma.

The company makes the visible parts for the Navy's big missile, the Vanguard.

The Brooks and Perkins organization has joined with Dominion Magnesium Co. of Canada to manage and operate the Selma plant.

The magnesium will be made from dolomite quarried at Montevallo. Actual construction on the Selma plant, to be located on a 400-acre site, is expected to start by mid-Summer and take 18 months to complete.—Alabama — Today and Tomorrow.

SCOUTS ATTEND CAMP

Camp Horne, located nine miles from Tuscaloosa, opened its camp for Boy Scouts, June 8th.

The following boys from Troop 59 of Montevallo, attended the first week of camp, Robert Eddings, George A. Nix, Jr., and Ricky Miller.

The boys had a good time both with working toward their badges, and meeting Scouts from different towns.

George A. Nix, Jr., received his first class badge, at the closing ceremony, which was held Friday night.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

A decisive vote of 317 to 98 in the House of Representatives last week sent the Reciprocal Trade Agreements Extension Act to the Senate for consideration. Since the measure was debated in the House under a rule which prohibited amendments, it was approved in the same form as reported by the House Ways and Means Committee.

An attempt to send the bill back to the committee was defeated. Members of the House also rejected a move to substitute a new bill for the committee measure. The substitute bill would have curbed the President's authority in negotiating trade agreements and would have limited extension of the Act to two years. It was defeated by a vote of 147 to 234.

Extends for 5 Years

As approved by the House, the legislation extends for five years the President's authority to enter into reciprocal trade agreements. The present authority is scheduled to expire on June 30 of this year.

Although the Reciprocal Trade Agreements Act has been extended eleven times since its enactment in 1934, the five-year continuance provided in the House-approved bill is the longest of any previous extension.

Defense Reorganization

A bill designed to reorganize the Department of Defense was debated by the House of Representatives last week amidst charges and counter-charges of partisan politics.

The purpose of this legislation is to simplify and modernize the Defense Department's basic organization in an effort to provide more effective and economical administration of our overall defense program. Particularly in recent months, there has been increasing criticism of our various defense activities. Lack of coordination among the military departments has been cited as a reason for delays in certain scientific development programs. The House bill is aimed at reducing the causes of such criticism, and it follows generally the recommendations of the Hoover Commission's Committee on National Security Organization.

The most lively debate on the legislation was in connection with a provision of the bill which requires the Secretary of Defense to exercise his authority over the various military departments through the secretaries of those departments. An Administration-backed amendment, which would have eliminated this provision and given greater power to the Defense Secretary, was rejected by a 13-vote margin.

While the vote on that particular amendment was extremely close, there was only one vote cast against the bill on final passage.

Army Reserve Centers

Two U. S. Army Reserve Centers have been completed recently in the Sixth Congressional District. The Woolsey Finnell Reserve Center was dedicated in Tuscaloosa last Sunday, and on June 29 the Andrew Leslie Jackson Reserve Center is to be dedicated in Livingston.

These new centers were constructed with federal funds and are the first Reserve armories to be built in the Sixth District.

Letter of Appreciation

Gentlemen:

I would like to express my deepest appreciation for representing Calera and the Calera Athletic Assn. at Boys State. I think this is the greatest honor that can be given to a high school school student.

I would truly recommend Boys State to any boy that is qualified to go. I sincerely hope that next year Calera can have two boys representing our town at Boys State.

Boys State, thanks to you, has been a highlight of my life. While at Boys State I got a taste of the army. We had reveille at 5:30 a.m., calisthenics before breakfast, we marched everywhere, and had Taps at 10:00. I got a dim view of how college life will be. I mixed wiith many boys from all parts of the state and made many friends. We had a very thorough study of the Alabama Government, we elected our own state officials and took over the duties of the state offiicials for one day.

Boys State has truly been one of the greatest experiences of my life and I will always remember the Calera Athletic Assn. for making this experience possible.

Sincerely,

BILLY HALL

ALABAMA'S CHILTON COUNTY PEACH FESTIVAL is set for June 25 at Clanton, Ala., and this year a record crop of peaches is being predicted by the peach growers. We can believe this since Chilton County has a plentiful supply of peaches like pretty Carolyn Cox, high school senior, seen here examining peach blossoms. Buying peaches straight from the orchards which line U.S. 31 in the Clanton-Thorsby area, south of Birmingham, Ala., is a tourist attraction each year. Soon, Alabama's multi-million dollar peach crop will be en route to the great markets of this nation.

9 Titles in 11 Years Is Fisher's Record

Nine Shelby County championships in eleven years—this is the record set at Montevallo High School by teams fielded by Coach Fisher since he has been in Montevallo. His teams have won district championship titles, regional titles, and one team was second-place in the state, losing in the finals to Sidney Lanier of Montgomery.

Every successful individual or group of successful individuals has a backer or pusher, or stimulator. This is especiallly true of Montevallo's baseball teams. The teams have been able to win championships because of the direction of a coach who has baseball "know-how."

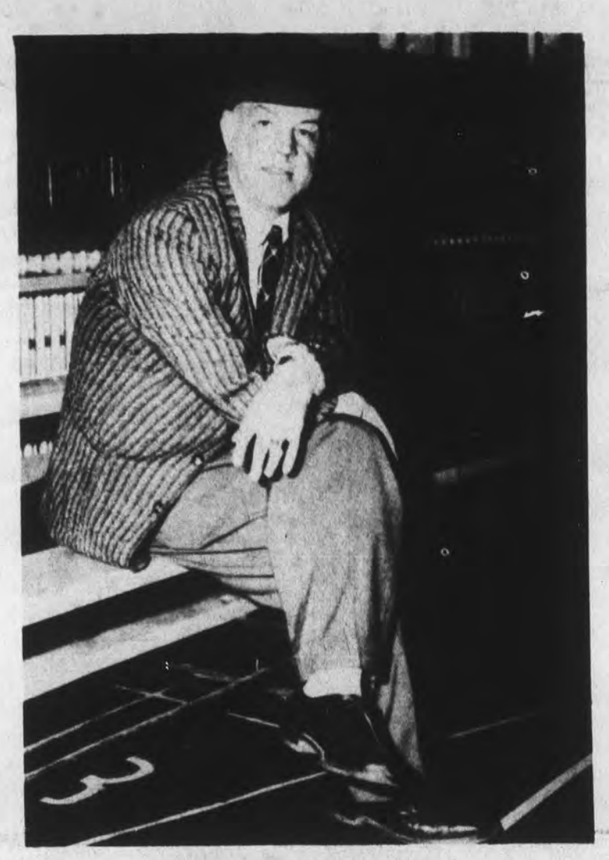

Fisher was born in Sparta, Tenn., but when he was very young, his family moved into North Alabama. Here he attended school and graduated from Rison High in Huntsville.

During high school years Coach participated in three major sports, playing fullback in football; first base and catcher in baseball, and guard on the basketball team.

Mr. Fisher attended and graduated from Birmingham Southern College where he played first base with the baseball team and tackle on the football team.

After graduating from Southern, he began his coaching career at Frisco City, Ala. Other positions followed at Flomaton, La Fayette, Dadeville; and for the past 11 years, he has been at Montevallo.

When asked about his choice of coaching as a career, Fisher said "I was always crazy about sports, so it was only natural that I should follow that as a career." Mr. Fisher enjoys his wok and encourages boys to enter and take part in athletics. He believes a boy should have a desire to play, a willingness to sacrifice, and game ability in order to succeed in athletics.

Kelly, Director of the Alabama Department of Industrial Relations, announced Tuesday that the Alabama Employment Security Agency will participate in the new Federal Program for paying additional benefits to unemployed workers who have exhausted their benefits under the State's Unemployment Insurance Law.

Clair L. Norris, manager of the Alabama State Employment Office at Calera, Alabama, advises that all persons who have exhausted their benefits after June 30, 1957 report to this office on or after July 7, 1958 in the following manner. Claimants whose social security number ends with digit number 0-1 report on Monday; 2-3 report on Tuesday; 4-5 report on Wednesday; 6-7 report on Thursday; 8-9 report on Friday.

Alabama peanut growers are engaged in a promotional campaign designed to increase the use of this valuable Alabama commodity in confections and otherwise. Georgia producers are preparing to vote on a similar program, which was set up in Alabama under a 1957 law requested by the producers and supported by the Farm Bureau.

Marines Offer Educational Opportunities

"A young man's education is only beginning when he enlists in the U.S. Marines," states TSqt Bill Krueger, local Marine Corps Recruiter.

In the Marine Corps a young man is encouraged to continue his education through correspondence courses. During the first few days of his enlistment he is given advice by educational counselors. These men, who have had wide experience, delve into the educational background of each man and make specific recommendations to him as to what courses he should take.

Through the United States Armed Forces Institute both high school and college courses are available. Marines can gain college credits which are recognized by many leading universities throughout the country.

Also available to Marines is the Marine Corps Institute, the oldest correspondence school in the military services. Courses in building trades, radio, welding, accounting, diesel engines, auto mechanics, jet engines, and bookkeeping are but a few of the many MCI courses which could help a man later on in life.

An enlistment in the Marine Corps provides men with many free educational advantages that they normally could not afford as civilians.

Contract Is Awarded For Construction of County Hospital

The Shelby County Hospital Board last week awarded a $504,870 contract to the Brice Building Co., of Birmingham, for the construction of the new Shelby County Hospital. The hospital will be located on a 14-acre tract just north of Alabaster on the east side of Highway 31.

Charles H. McCauley of Birmingham is architect of the 35-bed hospital. The contract for construction is subject to the approval of state and federal health agencies, which is anticipated at an early date.

The modern brick building will be started in July, it is said. It will have complete medical facilities, including operating rooms, emergency room, X-Ray room and up-to-date laboratories.

The hospital at Alabaster is the first unit of a county system. According to plans and suggestions of the state health department, a later hospital is contemplated at Columbiana and a clinic at Vincent.

Members of the Shelby County Hospital Board are Roy Downs, Calera, chairman; D. B. Smith, Vincent, vice-chairman; W. R. Carter, Columbiana, secretary; Basil Smith, Wilsonvile, treasurer; Dr. T. H. Napier, Montevallo; J. T. Phillips, Siluria; Joe Roden, Helena; Pat Terrell, Marvel; and Eugene Abercrombie, Sterrett.

MR. AND MRS. JOHN PATRICK KELLY

Kelly-Faulk Vows Are Said in Selma

Anne Elizabeth Faulk and John Patrick Kelly were married Sunday afternoon, June 8, at St. Paul's Episcopal Church of Selma. The Rev. T. Frank Matthews officiated.

Parents of the couple are Mr. and Mrs. John Smith Faulk Jr. of Selma, and Mr. and Mrs. James Patrick Kelly of Montevallo.

Given in marriage by her father, the bride wore a gown of Chantilly lace fashioned with Queene Anne collar and tiers of lace over a bouffant tulle skirt that extended to a chapel-length train. Her veil of French illusion was held by a tiara of pearls and she carried a bouquet of gardenias and lilies of the valley.

Attending the bride were Jo Patton of Grove Hill, maid of honor; Joyce Stephens of Selma, Anna Jo Mitchell of Birmingham, Sophie Ricks of Marshall, Tex., Shirley Tillery of Phenix City, bridesmaids; Elizabeth Latham Hawley of Birmingham, flower girl. Their dresses of powder blue chiffon over taffeta were styled with white collars detailed with blue embroidery and ballerina-length bouffant skirts. They wore leaf bandeaux and carried gardenias bouquets.

Lt. James Agee Kelly of Westport, Conn., served his brother as best man. Ushers were Charles Nathaniel Faulk of Auburn, brother of the bride; Ben Crane and Billy Speed of Selma; and Johnny Bell of Wilton, Fla. Acolytes were Lawrence Scott Hawley and William Kirkland Hawley of Birmingham.

Mr. and Mrs. Faulk were reception hosts on the terrace of their home, "Veldt-Haven," following the ceremony. Assisting were Mrs. Milan Turner Jr., Mrs. Arthur Gleason, Mrs. Douglas Sellers, Mrs. La-Verne Gannt, Mrs. David Wright, Mrs. Lewis Morris, Pauline Barnes, Betty Fay Barton, Mrs. Kenney Simmons, Ardis Ruth Powers, and Mrs. William Speed.

Presiding at the bride's book were Mrs. Charles Nathaniel Faulk of Auburn and Mrs. James Agee Kelly of Westport, Conn.

For traveling the bride wore a white linen dressmaker suit with white accessories. After a wedding trip, the couple will reside in Montevallo.

Ladies Sodality Meets

The sodality of St. Thomas the Apostle met Wednesday evening, June 11th, in the rectory. In the absence of our pastor, Father Blythe, the meeting was opened with prayer conducted by Mrs. Ziolkowski.

Mrs. Floyd Anderson, our president commended the group on their excellent cooperation before and during the ice cream social, which was held on the church lawn in May. The success of this activity was due also to the fine attendance of the people of Montevallo. Mrs. Anderson thought this affair could be an annual function of St. Thomas.

Plans for the fall bake sales were set up with tentative dates being made as this was the last meeting of the spring season.

After the concluding prayer, refreshments were served to Mrs. John Mahler, Jan Mahler, Mrs. Joslyn Blakley, Mrs. Dan Zucco, Mrs. Floyd Anderson, Mrs. Harold Ozborn, Mrs. Ed Bennett, Mrs. M. Ziolkowski and Mrs. Thom. Cairns.

Fire Destroys Milling Company

The plant of the Montevallo Milling Company, on Highway 25 in Montevallo was destroyed by fire early Monday morning of this week.

The business was owned and operated by Malcolm Miles. The building was owned by W. J. Bailey.

The building and all its contents was completely destroyed. The loss was partially covered by insurance, it is understood from unofficial reports.

The Montevallo Fire Department did the best they could to put out the fire, but were unable to save the buiding.

Mr. H. V. Lindsey and Mr. V. R. Valentine, Southern Railway officials, of Selma, were business visitors in Montevallo Wednesday. Mr. Valentine is superintendent of the Birmingham-Mobile Division of the Southern.

Mary K. Hicks To Attend Baptist Youth Conference

Mary Katherine Hicks, student at Alabama College, leaves Thursday for Toronto, Canada. She will be traveling by train with 144 Alabama Young People and their leaders to attend the Fifth Baptist Youth World Conference, previous ones having been held in Prague 1931,Zurich 1937, Stockholm 1949, and Rio de Janerio 1953. More than 6500 from 70 different countries will be attending. The theme for the five day meet is "'Christ for The World—Now" and the program is designed mainly to promote fellowship among nations.

World-renowned youth speakers will be heard in each session in the Varsity Arena on the University of Toronto Campus. Maple Leaf Garden, with a seating capacity of 17,000, has been engaged for the Sunday night service with Prime Minister John Diefenbaker, a Baptist layman, speaking on World peace.

The Alabama group will be staying at the Royal York Hotel. They will stay an extra day after tme conferences to visit Niagara Falls on July 3rd.

Mary Katherine is majoring in Sacred Music so is especially anticipating the oppohtunity of singing in the 1,000 voice international choir for each of the services.

RECENTLY ELECTED Student Government officials for the 1958 summer session at Alabama College were officially installed in their respective offices during installation ceremonies held Thursday on the Montevallo campus. Dr. M. L. Orr, Dean of the College administered the oath of office to the new officers. The new officers are, left to right: President Shirley Stabler, Greenville; vice-president, Gibbs Daniel, Clayton; secretary, Nan Jackson, Roanoke; treasurer, Bille Moore, Oakman; social chairman, Libby Queen, Birmingham and chief justice of the student court, Barbara Walker, Birmingham.

Calera Civitans Hold Meeting

A regular meeting of the Calera Civitan Club was held Tuesday night, June 24, at the Calera Cafe, with President Carlos Warren presiding. Claudus Tidwell is vice-president and Carl Edwards secretary-treasurer. These officers were installed at the last meeting.

Tommy Lawrence gave the invocation, after which a delicious meal was enjoyed.

The new officers gave short acceptance talks, then the business meeting was held. The club was informed that the Calera Scout Troop took top honor at a recent Boy Scout camp. We are very proud of this troop and congratulate the boys and their leader.

President Warren brought a birthday cake in honor of those having birthdays this month. They were Z. S. Cowart, Sr., Eddie Downs and Carlos Warren.

Past president, Zollie Cowart dismissed the club.

If you do not belong to a civic organization we invite and urge you to join the Calera Civitan Club. The club needs you and you should help your town through a civic club. There is lots to do and you can help help us to do these things. Come be our guest, then if you desire, work with us.

High Court Rules Trains To Continue

Passenger trains 19 and 20 of the Southern Railway Co. will continue to run between Birmingham and Mobile until further order of the Alabama Supreme Court.

The high court handed down the order on Tuesday after two days of hearings and deliberation. It was a reversal of an order issued earlier by Montgomery Circuit Judge Walter B. Jones June 13 granting the railroad permission to cancel the two trains.

Judge Jones' ruling reversed an order of the state Public Service Commission which in effect said the trains should remain in service "in the public interest."

Council Orders Disposal Of Unlicensed Dogs

The City Council of Montevallo Tuesday night passed an order stating: All dogs running at large in Montevallo after July 10, without a rabies inoculation tag and a Montevallo license tag will be disposed of in the public interest.

Rabies inoculation may be had by arrangement with Mr. Bloomer Wilson, rabies inspector.

City dog license tags may be secured from the City Clerk, Mr. R. C. Henderson.

Mr. and Mrs. John A. Crowe and daughter, Brenda, of Birmingham, spent the day Sunday with Mrs. Nita Crowe. Master Andy Crowe returned home with them after spending a week with his grandmother.

Kaylor Receives Fellowship Award

Louisville Presbyterian Seminary has announced the award of the Bradford Noyes Fellowship to Robert David Kaylor, a candidate for the ministry under care of Tuscaloosa Presbytery. The Fellowship provides a grant of $750 toward postgraduate study.

Mr. Kaylor has served as instructor in New Testament Greek at the Seminary for two years. For the past two years he has been student supply minister for Otisco Presbyterian Church of Otisco, Indiana.

Following graduation he will seek ordination by Birmingham Presbytery to accept the call to the Montevallo Presbyterian Church.

The above item is taken from the Summer, 1958, issue of "The Alabama Presbyterian".

Mr. Kaylor and his family already moved to Montevallo and he has taken up his ministry at the Presbyterian Church. They live in the Manse on Nabors Street.

Bible Story Hour at Presbyterian Church

A Story Hour program was announced today by the Montevallo Presbyterian Church.

This series of Bible Story Hours will be held at the Church every Monday, Wednesday, and Friday from 2:30 to 3:30 p.m., beginning July 7 and ending August 1.

Features of the Story Hour will include reading of selected stories from the Old Testament, a music program and emphasis on a few key Bible verses. The program is planned to meet the interests of boys and girls aged 5 to 12, divided into 3 age groups.

All boys and girls in the community are invited to attend. Transportation will be provided for those who need it. Parents who are interested in having their children participate are asked to call Mrs. Ralph Sears (MO 5-6871.)

BRAKE SHOE COMPANY DOWN FOR VACATION

Mr. Joe Freeman, superintendent of the American Brake Shoe Company in Calera states that the plant is shut down for vacation, and will resume operations again in the latter part of July.

During the vacation period, Mr. Freeman stated, there are a few employees at work doing repairs and maintenance jobs.

American Brake Shoe Co. Supports Public Welfare With Donations

American Brake Shoe Company has been one of the most helpful benefactors of public welfare, civic and educational interests in Calera and Shelby County, it was stated by Mr. Roy Downs this week.

This observation was made by Mr. Downs through his own active connection in helping to direct the financial affairs of a number of our local welfare and public health organizations for several years.

Following up the statement of Mr. Downs concerning the participation of the Brake Shoe Company in public welfare efforts, this reporter secured an interview with Mr. Joe Freeman, superintendent of the Brake Shoe plant at Calera.

We found Mr. Freeman very enthusiastic on the subject, expressing his pride in what his company has done to identify itself with the various movements for the public welfare in Calera and Shelby County. He gave us the following summary of what his company has contributed to public welfare agencies since 1953 when American Brake Shoe started its operations in Calera:

American Red Cross $1009; Alabama Heart Association $275; Boy Scouts $100; Calera High School (Band Uniforms) $550; Band Boosters $200; Calera Grade School $250; Crippled Children's Fund $275; Calera Clinic donation $2000; Calera Lions Club $100; Goodfellows $150; TB Association $250; Little League Baseball $75; American Cancer Society $75; Shelby County TB Association $70; Grant's Chapel Church $126.

The above items represent a total of $5,505.00 which the company has contributed to the activities named.

In addition to the above contributions by the company, Mr. Freeman pointed out that the plant employees have made individual contributions at all times when called upon. Many of the employees have made themselves useful by contribution of their services on committees and local boards in the community interest.

"Our company has received many expressions of appreciation from the agencies with whom it has participated," said Mr. Freeman.

All of the foregoing emphasizes the fact that American Brake Shoe Company is and has been more than an industrial plant furnishing jobs to many people in the area, It has been a good corporate citizen, showing a most effective interest in the things that weld people together in their mutual efforts to make a better community in which to live and work.

Mr. Downs, president of the Central State Bank of Calera, is one of the most persistent and energetic advocates of expanding the industrial side of our economy in Shelby County. He is also one of the leaders in promotion of public welfare agencies that help to promote a better life for the people in our county.

Concluding his comments about the activities of American Brake Shoe Company, Mr. Downs said: "This is the kind of things that lend emphasis to the importance of industry in the communities of Shelby County."

Fesperman To Record Famous European Organ

The first American to play Europe's most important historical organ after its restoration in 1956, is returning to Europe this week to make recordings of the famous instrument.

The organist is Alabama College's John Fesperman.

The organ is the historic St. Michael's Church Organ in Zwolle, Holland. This famous instrument was built in 1721 by the most important organ builders in Europe during the time of Johann Sebastian Bach, the Schnitger family.

Fesperman, who also has the distinction of being the first person to make recordings of this organ, will leave Montreal, Canada this week on a Holland-America Line ship. While aboard ship he will serve as a member of the lecture staff of the Netherlands Office for Foreign Students.

Fesperman's lectures will be a part of an orienting series for students who will travel and study in Europe. He will serve in the same capacity on his return to the United States in September.

JOHN FESPERMAN

This summer's trip is the fourth European trip for Alabama College's organist. In 1951 Fesperman studied harsichord and conducting at the Mozarteum in Salzburg. In 1955 and 1956 he studied organ building and design as a Fulbright Scholar. Last year his European trip was for the purpose of making tape recordings of 18th century organs for the Protestant Radio Center in Atlanta.

His 1958 trip will be devoted to the production of recordings of the St. Michael's Church organ and the revision of his, "The Organ as Musical Medium" to be published next year by Coleman-Ross.

Westinghouse Will Close For Vacation

The Montevallo Westinghouse Welding Plant will close for a two-week vacation period beginning Monday, June 30, and ending Monday, July 14. During this annual vacation shut-down employes will receive up to eight paid vacation days, according to their length of service, plus holiday pay for Friday, July 4.

Westinghouse vacation policy enables employes to earn up to three weeks paid vacation, based on their length of service with the company. Independence Day, July 4, is one of the seven paid holidays observed by the local Westinghouse plant.

ALDRICH BAPTIST REVIVAL

Aldrich Baptist Church will hold revival services beginning June 30th, and running through July 5. Services will begin at 7:15 each evening. Don Atkinson will be the evangelist. Everyone is cordially invited.

VA Seeks Widows Of Confederates

Washington, D.C.,—Rep. Armistead Selden said today the Veterans Administration has requested his assistance in trying to locate an estimated 1,500 widows of Confederate veterans believed to be entitled to federal pensions.

The request was made by Sumner G. Whittier, Administrator of Veterans Affairs, who told Congressman Selden of the VA's problem in trying to identify the widows, who for the first time are eligible for VA pensions under new Public Law 85-245.

The new law also provides pensions for the two living Confederate veterans, Walter W. Williams of Franklin, Tex., and John Salling of Slant, Va. Both men have been contacted by VA field representatives and assisted in filing their claims.

The widows, however, present another problem, Congressman Selden explained. Only those Southern states which pay similar benefits have partial rolls of Confederate beneficiaries. The United States government has no official records on these beneficiaries and, since the benefits are not automatic, the widows will have to fill out application forms which may be obtained in person or by writing to any VA office.

Widows under 70 are entitled to $40.64 per month, and those over 70 will receive $65. If the widow was married to the veteran during the Civil War service, she is entitled to $75 a month.

Wilhelmina (left) and Veronica Wunder, a pair of charming Chicago secretaries, were the queens of the 27th annual convention of the Liquefied Petroleum Gas Assn. recently held in Chicago. Talmage Lovelady of Worland, Wyo., president for the 1957-58 term, crowned them Miss Propane and Miss Butane, the names of the two fuels used in over nine million homes, farms, businesses and vehicles in the United States.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Members of the House of Representatives gave overwhelming approval last week to a revised public works authorization bill. The original version, passed earlier in the session, was vetoed by the President on April 15.

Since the House measure differs slightly from the Senate-passed bill, a compromise must be worked out by a joint conference committee. However, both bills contain an authorization of approximately 19 million for the Tombigbee River flood control project. Plans for improving the Tombigbee call for clearing snags from the river and its tributaries and excavating channel cutoffs and enlargements. Two of the Tombigbee's tributaries—the Sipsey and the Noxubee Rivers—are located partly in the Sixth District.

Several projects opposed by President Eisenhower that were authorized in the original bill were omitted in the legislation adopted last week by the House of Representatives. Therefore, there is every reason to believe the President will sign the new measure.

River Funds Voted

Another bill containing funds for river improvements in Alabama received House approval last week. Included in the Public Works Appropriation Bill for fiscal year 1959 are appropriations of $6 million for the Jackson Lock and Dam and $1.7 million for the Fort Gaines Lock and Dam.

The Jackson Lock and Dam will replace three antiquated locks and dams on the lower reaches of the Tombigbee River. The amount appropriated by the House is sufficient to continue on schedule the construction of this important installation.

The Fort Gaines Lock and Dam on the Chattahoochee River near Columbia, Ala., and Ft. Gaines, Ga., is scheduled to be completed in 1962.

Atomic Energy Bill

Legislation which will permit a greater exchange of atomic information between the United States and its allies also gained House approval last week.

Provisions of the bill are designed to bring about more cooperation between our country and friendly nations in the field of atomic energy in order to conserve the scientific talent of the free world, strengthen our mutual security, and discourage our allies from independently setting up their own atomic weapons programs.

The original Atomic Energy Act of 1946 prohibited the United States from exchanging with any nation restricted data on design and fabrication of atomic weapons. The original law was amended in 1954 to permit certain exchanges under appropriate safeguards. Both the law and the ensuing amendments, however, contained provisions recognizing that future events might necessitate a greater degree of cooperation, such as that provided for in the House-approved bill.

WINSOME CLASS

The Winsome Sunday School class held it regular meeting at the home of Mrs. J. H. Johnson Thursday night, with 19 members present.

Mrs. Blanche Hodgson gave the devotional, and Mrs. Sara Slaughter, president of the class, had charge of the business meeting.

Ice cream, cake, salted nuts and mints were served by the hostess.

Calera Neighboraides Have Demonstration

The Calera Neighboraides met on Thursday, June 17, at 2:00 p.m. Seven neighboraides, four adult leaders, and Miss Ann Gardner, Assistant Home Agent, were present. The demonstration, "'Keep in My Bedroom Tidy", was given by Karon Cameron, Faye Garrett, and Patsy Carden. These summer 4-Hers made a shoe bag, shoulder protector, and covered a divided box for gloves and jewelry to keep the bedroom orderly. The correct method to make a bed and to dust with a dustless cloth was also shown.

Karon Cameron, chairman of the group, presided and hostess Patsy Carden gave the devotional. Barbara Moore led two songs, "Kum Ba Yah" and "Jennie Crack Corn." The recreational leader, Pat Cobb, led the group in a game, "Pussy Wants a Corner." Toni Horton told about her trip to 4-H Camp and Sharon Ellison reported the meeting.

A club project of safety was discussed and plans were made for a program on bicycle safety at the July meeting.

Adult leaders present were Mrs. L. L. Cameron, Mrs. Pierce Garrett, Mrs. V. V. Moore, and Mrs. Odelle Ellison.

Marines Corps Offers New Enlistment Plan

Buy now, pay later; join now, serve later or the 120-day plan; no matter what tag is used, it's the Marine Corps' way of telling about its new enlistment program.

The Marines are offering young men and women the modern way to enlist for military duty. It permits a person to join now and remain at home up to four months before reporting for active duty.

This plan offers the individual the opportunity to reserve a place in the Marines for future duty. It guarantees service with a volunteer military organization and at the same time permits a person to build up time in service toward pay and promotion while remaining at home. The plan also allows a young man or woman to make arrangements to enlist with a friend on the same date.

These are but a few of the many advantages of the Marine Corps enlistment program. Further details may be obtained at any Marine Corps Recruiting Office or from TSGT Bill Krueger when he visits the post office at 12:30 p.m. each Tuesday. He'll be pleased to talk to all interested parties.

FHA OFFICERS HAVE LUNCHEON

The officers of the Calera FHA had a luncheon and a meeting afterwards. Aletha Boggoss, president of FHA presided. Plans were made for a cake and pie sale on Saturday.—Carole Lucas, FHA Reporter.

With new '58 FORD TRUCKS

low prices are only the beginning of your savings!

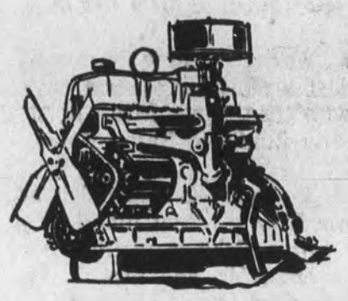

Official registration figures show:

American business buys more Ford Trucks than any other make!

LOWEST-PRICED PICKUP WITH CAB-WIDE BOX

Spacious Ford Styleside body gives you extra capacity at no extra cost! Provides 23% more loadspace than traditional pickup boxes—yet Ford's extra cargo space doesn't cost you one cent more because the Styleside body is standard.

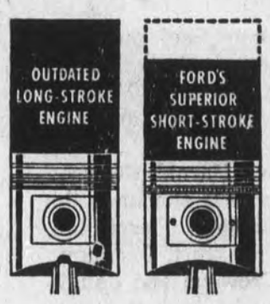

UP TO 10% GREATER FUEL ECONOMY

New economy carburetor—standard equipment on Ford's new, modern 223 Six—delivers up to 10% greater gas mileage. Meters the right amount of fuel for top economy and smoother operation. You save on fuel, operating and maintenance costs!

SHORT STROKE DESIGN

Only Ford gives you the economy of modern Short Stroke design in both V-8 *and* Six. Because pistons travel less distance, there's less internal friction, less wear and tear for longer engine life and increased economy.

HIGH RESALE VALUE

Ford's many worth-more features increase your Ford's value at trade-in time, too. That's why Ford's resale price is traditionally high—just one more indication of the tremendous savings you get when you buy a Ford truck!

FORD TRUCKS LAST LONGER

An independent study of 10 million trucks by insurance experts *proves* Ford trucks last longer. This means added savings for you in the form of long, dependable and economical service.

Come in and see for yourself why your savings just begin with Ford's low prices.

Mental Health Institute Meets at Alabama College

"Mental Health in the Classroom" is the theme of a two week institute now in progress at Alabama College, Montevallo. Sixty Alabama classroom teachers are attending the institute directed by Col. H. Edmund Bullis, former Secretary-General of the International Committee on Mental Hygiene. Pictured above chatting informally between sessions are, left to right: Mrs. Mary Kirby, Montevallo; Col. Bullis; Mrs. Mildred Beavers, Wilsonville; and M. Thornton, Montevallo. The institute will be concluded on Friday, June 27.

Here on the campus at Alabama College three teachers from Shelby County are attending an Institute on Mental Health and Education.

These teachers were selected for their qualities of leadership and interest in mental health. They are spending two weeks in sessions devoted to the general theme of "mental health in the classroom."

Selected from this county were: Mrs. Mildred Beavers, junior high teacher, Wilsonville; Miss Mary Kirby, 4th and 5th grades teacher, Montevallo; Mr. M. Thornton, high school teacher, Montevallo.

One of the nation's leading authorities in the field of human relations, Col. H. Edmund Bullis, is director of the institute. Associate director is Dr. C. L. Scarborough, assistant superintendent of the schools of Mobile and Mobile County. They are being assisted by mental health leaders and educators from the college and the state.

Stolen Bicycles Are Recovered

This is a story of three bicycles with a few odd and unusual twists. We will begin at the end and tell it backwards.

Some Negro children were picking berries near Montevallo last Friday. They found two bicyles hid in the briar patch and came a running to tell "Mr. Harry."

Mr. Kendrick and Mr. Thrasher went with them to be shown where the bicycles were. The officers found a third bicycle hidden nearby the two which the children had found. They evidently had been hidden there several days.

It was determined that the three were new Western Auto bicycles. After investigation by Mr. and Mrs. Eddie Mahaffey it was found that the bicycles belonged to them and had been stolen from their store some weeks ago.

Now, the beginning of the story is that the Negro boys who broke into some stores here a few weeks ago also were the ones who stole the bicycles and hid them in the briar patch.

Mrs. Mahaffey commends the work of the policemen in this case for putting the young thieves in the reform school and returning their bicycles before they found out that they were stolen.

Peach Queen Visits Washington

Miss Janice Wood, 1958 Peach Festival Queen from Chilton County, has returned to her home in Clanton after completing a trip to the nation's Capital. Daughter of Mr. and Mrs. Marion Wood, the pretty 20-year-old queen received the flight to Washington as one of the festival awards.

Accompanying her were Mrs. Harold Smith of Clanton Route 3, the chairman of the queen contest, and Mr. E. A. Shirley of Route 1, Clanton, who grew the peaches that won first prize at the festival.

While in Washington, the three were guests of their congressman, Rep. Armistead Selden, who arranged a sightseeing tour and held a luncheon at the Capitol in their honor. Luncheon guests included members of the Alabama Congressional Delegation.

The festival representatives also joined Congressman Selden in a visit with Rep. Sam Rayburn, Speaker of the House of Representatives. They presented Speaker Rayburn with a basket of Chilton County's prize-winning peaches which he referred to as "my favorite fruit."

New Procedure For Handling Short Paid Mail

On and after July 1, 1958 all unpaid or short paid mail will be rated for the amount of deficient postage plus a new Short Paid Charge of 5 cents and sent on to the addressee who will be required to pay the postage plus the short paid charge of five cents. Should the addressee refuse to pay the required postage first class mail will be returned to sender who will be required to pay the deficient postage plus the short paid charge. All mail other than first class bearing a return address and refused by the addressee will be returned to sender and delivered upon payment by him of the total deficient postage, the forwarding postage if any, the return postage and a short paid charge of five cents,

Postmaster Watson urges all patrons to place their return address on all mail being careful to include the post office box number or street address and in case of Rural Route the route and box number.

Montevallo C of C Meets Thursday

The Montevallo Chamber of Commerce will have the regular monthly meeting on Thursday evening July 10, at 7:30 at Town Hall.

Various items of business will be discussed and it is expected that some of the standing committees will make reports. Fred Frost, Sr., treasurer, reports that over 30 members have paid dues and it is expected that additional members will pay dues before July 10. All those interested in attending the regular meetings will note that a time has been set for each second Thursday evening. Just mark your calendar for each second Thursday and plan to attend each monthly meeting.

James F. Whaley, president, reports that several of the brochures have been distributed and he urges all business men to get some copies of the bulletin at the Times Herald place and distribute with paid bills etc. Pat Wyatt and his committee are to be commended for the fine job done in getting out the recent bulletin giving information about Montevallo as a place to live and work. . . . If it is not convenient for you to drop by the Times-Herald place for copies of the bulletin, notify the secretary, M. Thornton, and some copies will be mailed or delivered.

Teachers Named For Bible Story Hour

Teachers for the Presbyterian Bible Story Hour were announced today. Mrs. J. H. Brown, Mrs. R. D. Kahley, Mrs. Felix Lewis, Mrs. Rodney Baine, Mrs. Ralph Sears and Mrs. Arthur Fraser will be in charge of the instructional work. Mrs. Lydia Bridges Murphy will direct music activities. Responsible for keeping records will be Mrs. W. N. Smitherman and Mrs. H. A. Anthony will take charge of the refreshments.

The Story Hour will be held at the Montevallo Presbyterian Church every Monday, Wednesday and Friday from 2:30 to 3:30 beginning July 7 and ending with a picnic on August 1. All boys and girls in the community aged 5 through 12 are urged to attend. Transportation will be provided. Parents interested in having their children attend are asked to call Mrs. Ralph Sears (MO 5-6871).

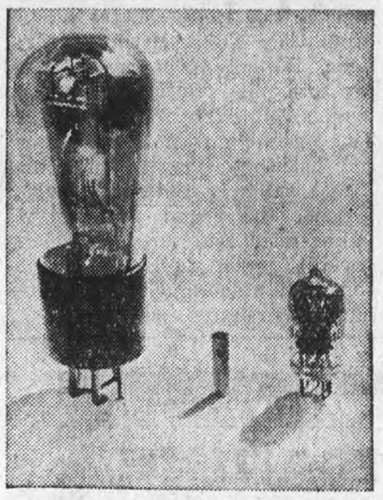

Calera Baptist Bible School Has Record Term

The Calera Baptist Church has just closed the greatest Vacation Bible School in the history of the church and also in the history of Shelby County. We had 203 enrolled and an average of 178 per day. There were 26 professions of faith at the close of the Bible School.

We had our commencement program on Sunday night, June 15th, and were made to rejoice when we discovered that as a result of the Vacation Bible School, we broke all records in attendance at Training Union. We had 161 in Training Union June 15.

God has truly blessed the work here at Calera during the past 5 years. There have been 235 addition to the church, about 100 of these were for baptism.—Rev. J. Floyd Goree.

Southern Bell Observes Transistor Anniversary

The transistor between the two larger vacuum tubes is tiny, yet it started a new era in electronics. Invented by Bell Laboratories of the Bell Telephone System, the transistor's 10th anniversary was observed on June 30. It is now used in miniature radios, telephone equipment and in hundreds of other ways. It also helped transmit data from the United States' earth satellites.

The Rev. and Mrs. Edward Glover and children are now on vacation visiting relatives in East Tennessee. Dr. J. I. Riddle, President of Judson College, and former Alabama College faculty member, will fill the pulpit at Montevallo Baptist Church Sunday at the 11 o'clock service.

New Schedule Improves Local Mail Service

On June 26, 1958 a new schedule of mail received and dispatched by the Montevallo, Alabama Post Office went into effect. It is a great improvement over our former service as it gives a large mail from all points at 3:30 p.m. instead of at 5:00 p.m. It also provides direct service with many neighboring post offices. In the schedule shown below the larger mails are in bold type.

County Sportsmen Organize Association

The first meeting of the Shelby County Sportsmen Association was held Thursday night, June 26, at the courthouse in Columbiana. The officers for the coming year were elected.

Officers elected were: President, Bob Bolton; Vice-president, John Farr; Secretary-Treasurer, Francis Leonard. A board of directors is to be chosen by the president. The board will be composed of members from all sections of the county.

All persons interested in improving the hunting and fishing prospects of Shelby County are urged to attend the next meeting of the Association which will be held the first Thursday night in August.

Air Parcels for Overseas Military Addresses

Effective July 1, 1958 the present two pound limit for air mail parcels addressed to overseas military post offices will be removed. Such parcels may now weight up to 70 pounds and measure not to exceed 100 inches in length and girth combined. There are some exceptions to the above where the weight of the package may not exceed 50 pounds. It is suggested by Postmaster Watson that any one desiring to send a parcel air mail to an APO or NPO weighting more than 50 pounds first check at the parcel post window to determine if the APO or NPO to which the parcel will be addressed is included in the exception .

Take Care of Your Dog

Remember to arrange for freedom of your dog by July 10 if you are going to allow him "run of the town."

The requirement is to have him inoculated for rabies and tagged with a Montevallo City License.

Stray dogs which nobody cares for and looks after are a menace to the public. It has been so decided by the City Council who have made the following order to the police department.

"All dogs running at large in Montevallo after July 10, without a rabies inoculation tag and a Montevallo license tag will be disposed of in the public interest.

ALASKA, OUR NEW STATE

Alaska, the forty-ninth state in the American Union, was added by Act of Congress this week. This addition of a new star to Old Glory will become official upon signing of the Act by President Eisenhower and ratification by the Alaskan territorial government.

Alaska will take away from Texas the distinction of being the largest state in the union.

Although coming close to it, Alaska will not replace Alabama at the head of the alphabetical list of states. It will be in second place.

Future order of the roll-call will be: Alabama, Alaska, Arizona, Arkansas, etcetera, etcetera.

The first convoy escort duty of the U.S. Navy started July 1, 1800, when a fleet of 14 merchant ships sailed from Batavia, Dutch East Indies, around the Cape of Good Hope to the U.S., under the guard of the frigate Essex.

FHA Delegates Report On State Workshop

At the Tuesday, June 24, FHA executive meeting Judy Bess Robinson and Giselia Molgedet, Montevallo's delegates, gave an excellent report on the FHA State Leadership Workshop. Their report gave the committee many new ideas for next year's programs.

The committee planned many events for the coming year under the direction of Mrs. Rebecca McGaughy and Miss Elizabeth Thornton, the sponsors.

During the meeting a picnic supper was enjoyed.

Those attending were: President, Judy Bess Robinson; Vice-president, Giselia Molgedei; Treasurer, Edith Edfelt; Parliamentarian, Betty Milstead; Historian, Phyllis Kyser; Recreation Leader, Cecelia Lawson; and Reporter, Marjorie Thiemonge.

Farm Bureau Barbecue Scheduled for July 23

The Shelby County Farm Bureau will hold their Annual Meeting and Barbecue on Wednesday, July 23rd at the Shelby County High School Auditorium in Columbiana, according to Mr. J. E. Bearden, President of the County organization.

R. C. (Red) Bamberg, Commissioner of Agriculture Elect will be the speaker, with some good quartet music and other entertainment on the program, and business of the organization.

The program will begin at 10 o'clock and the barbecue will be served at 12:00 noon. Each Farm Bureau member will be given barbecue tickets for his own immediate family.

Mrs. Kyle McClure attended the funeral of her grandmother, Mrs. Murice Rice Hendrick, the widow of the late W. T. Hendrick. Mrs. Lena Duran, accompained Mrs. McClure, her father being the brother of the late W. T. Hendrick. The funeral was conducted from the Talladega funeral home, and burial was in the Hendrick burial ground. The grandsons acted as pallbearers. She is survived by several sons, daughters, grandsons and granddaughters, besides numerous relatives and friends.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Democratic representatives from big-city districts joined with Republicans last week to kill a general farm bill that was scheduled for debate in the House. On a vote of 214 to 171, House members defeated the rule which would have allowed the farm legislation to be considered.

The Democratic-sponsored farm bill was drafted by the House Agriculture Committee, and it provided for new three-year support programs for cotton, rice, milk and feed grains. One of the provisions called for setting up a cotton program whereby the farmers would be given a choice between higher supports and less acreage or lower supports and more acreage. It would have also set the 1959 national acreage allotment at 17,700,000 acres.

Members of the Agriculture Committee have indicated that they will press for enactment of some type farm legislation before adjournment, either in another general measure or in separate bills.

In the meantime, the Senate Agriculture Committee has approved a bill designed to deal with problems of corn, cotton, and rice producers. This measure would give more planting freedom to farmers in return for lower price supports. The committee-approved bill has not yet been taken up by the Senate.

Excise Taxes Voted

Both the House and Senate have approved a compromise version of the bill to extend excise taxes and have sent the legislation to the White House.

The compromise measure repeals the three per cent levy on the transportation of freight, the four per cent levy on the transporation of coal, and the 4½ per cent excise on transporting oil by pipeline. But the bill extends corporate income and excise taxes generally.

Although President Eisenhower has indicated he is opposed to the tax repeal which will result in an approximate revenue loss of more than $400 million, he is expected to sign the extension bill in order to prevent the scheduled expiration of other excise taxes. Those to be extended include taxes on corporate income, automobiles and automotive parts, cigarettes, and alcoholic beverages.

Elimination of the 10 per cent passenger tax on train, airline, bus and ship fares had been endorsed by the Senate, but the joint conference committee removed this provision from the bill in order to make the legislation more acceptable to the House of Representatives.

Hospital Loans

Two bills pertaining to the Hill-Burton hospital construction program also received House approval last week. One measure extends for three years the program which makes available federal grants for the construction of hospitals and other medical facilities.

The other bill authorizes religious organizations to apply for loans, rather than grants, for the construction of such facilities. The purpose of the legislation is to make it possible for those religious organizations which oppose the acceptance of grants to share in the federal aid program. Under the terms of the House bill, loans will be made to those groups if they meet all qualifications required for grants. The loans would be made for periods up to 40 years.

Peach Queen Visits

It was a pleasure to welcome to Washington last week Miss Janice Wood, 1958 Peach Festival Queen from Chilton County. Miss Wood was accompanied to Washington by Mrs. Harold Smith of Clanton, a festival official, and by E. A. Shirley of Clanton, producer of the prize-winning basket of peaches.

BOOK CLUB

The Montevallo Town Library is conducting a Book Club for children 8-13 years of age inclusive. It is not too late to join if the child can read 5 non-fiction and 10 fiction books before July 31. A new selection from the Regional Headquarters Library was added July 1. Come in, register, and take your choice. You may keep a book 2 weeks.

Need for Science Teachers Told by Institute Speaker

High school science teachers were told today of industry's needs for scientifically trained personnel, and of the opportunities that are available for people with a science background.

A. D. Preston, technical personnel manager for the Chemstrand Corporation, spoke to the Alabama College summer science institute on scientists in industry.

Preston is a member of the Southern College Placement Association and the Midwest College Placement Association.

He is a member of the American Society for Engineering Education and is on the Relations with Industry Committee for the southeastern region.

He has served as an instructor at the Drexel Institute of Technology evening school at Philadephia.

The next scheduled speaker at the summer science institute is Dr. Arthur Roe, chairman of the department of chemistry at the University of North Carolina.

Dr. Roe will deliver three lectures at the college July 7, 8, and 9. His lectures will be on "The Use of Radiosotophes in Chemistry," and "Recent Advances in Chemistry."

He served as senior scientist in the Oak Ridge National Laboratory in the summer and fall of 1948, and was a consultant there for five years.

Dr. Roe is a member of the American Chemical Society, and has been secretary and chairman of the North Carolina section. He is a member of the American Association for the Advancement of Science.

Alpha Nu Members Attend Workshop

Growing Prefessionally was the theme of the Beta State Delta Kappa Gamma Workshop which was held on the University of Alabama Campus June 25-26. Dr. Elizabeth Rose of the New York University was the consultant. Dr. Rose, President of the University of Alabama, was the dinner speaker on Wednesday evening.

Members of Alpha Nu (Shelby County) chapter of Delta Kappa Gamma attending the workshop were: Mrs. Nannie Dee Durden, Mrs. Mary Kroell, Miss Anita King and Miss Lavada Harper.

Miss King attended the Elementary Principals' conference the first of the week. She served as leader of a panel discussion on How the Supervising Principal Can Help Teachers.

TRAVELING SALESMAN!

YES, our familiar symbol bearing Southern's industrial slogan *Look Ahead—Look South!* has certainly "been around" since it was created in 1943. Every year since then it has appeared consistently in our advertisements in national magazines and financial newspapers reaching millions and millions of readers annually.

Why do we keep on saying *Look Ahead—Look South!* so many times to so many people? For the same reason that we maintain an Industrial Development Department that constantly and aggressively seeks new industries for every available plant location along our lines. It's good for the Southern—*and good for the South*—to promote and "sell" the industrial expansion of the Southland in every way possible.

Here is proof. In the six-year period, 1952 to 1958, there have been 2,086 major industrial developments along the Southern alone. They represent an investment of almost $3½ *billion* and have created more than 119,000 new job opportunities for workers here. Keeping our "traveling salesman" busy selling the South helps keep the Southland busy, too!

May God bless each of you, and continue to remember me in your prayers.—Mrs. Viola Farrar and family.

School of Music To Present Concert At Workshop

Alabama College's school of music will present the principal concert for the Church Music Workshop to be held at the University of Alabama July 7 through 9.

The convert will be at 8:30 p.m. Tuesday, July 8 at the St. George Episcopal Church in Tuscaloosa.

Dr. Betty Louise Lumby, Alabama College organist, will be featured in the program along with the college's brass and vocal ensembles.

The concert will be under the direction of Dr. Arthur Fraser, director of the college's school of music. The program will be open to the public free of charge.

Members of the brass ensemble are Elbert Mahaffey and Mike Mahan, Montevallo; Robert Hudson, Birmingham; David Leuth and Elson Hood, Centreville; and Russel Caine, Bay Minette.

Dr. Fraser has been selected to attend one of two conducting workshops sponsored by the American Symphony Orchestra League this summer.

Dr. Fraser is one of 12 conductors who will attend the workshop at the University of the South, Sewanee, Tenn., August 1 through 9. The workshop is financed by the Rockefeller Foundation.

At the workshop, Dr. Fraser will study under Dr. Richard Lert of Los Angeles, internationally known teacher of conducting, and Dr. Erno Daniel of Wichita Falls, Tex.

A 70-piece orchestra will be provided for the conductors attending the workshop.

On July 21, 1930, Marine Capt. Arthur Page made the longest recorded blind flight up to that time, from Omaha, Nebr., to Anacostia, D.C., a distance of 1,000 miles. Bell System Gets Service Citation

The Bell Telephone System has won a "Distinguished Service Citation" for outstanding contribution to national defense, it was announced today.

The Reserve Officers Association of the United States selected the Bell System for its highest award, first to be presented to an industrial organization, according to Mr. J. L. Switzer, Southern Bell manager here.

The citation lists several defense projects that Bell Companies have been requested by the defense authorities to carry out. These include development of the "Nike" guided missile system, the Dew Line warning system across the Arctic, an all-weather military communications system for Alaska, development and design of Atomic weapons at the Sandia laboratories, and work on guidance systems for long range missiles, including an anti-missile.

Fight Cotton Insects

With Proper Poisoning

CONTROL of cotton insects this year is more important than ever before.

Why? Because only about half of the state's 1,035,000-acre cotton allotment was planted this year. The rest went into the Soil Bank. Now growers are going all out to increase yields on these planted acres. More fertilizer has been applied per acre of cotton planted, and more fertilizer in the form of side-dressing is expected to be used this year, all because growers are after higher yields from fewer acres. The answer is simple. Cotton prices are knocking around 30 to 35 cents per pound and prospective fall prices are expected to be even better.

Therefore, farmers feel that the high per acre investment this year is justifiable and the gamble is small, providing proper management practices are carried out the rest of the season.

"That's what makes a good insect control program so important on this year's crop," declares API Extension Entomologist W. A. Ruffin. "Naturally, it is impossible to predict just what the situation will be throughout the remainder of the season; but with normal rainfall, farmers will have to make every effort to control boll weevils, boll worms, aphids, and spider mites, if they expect to make yields that will cover investments and give a justifiable profit."

W. A. RUFFIN

Ruffin says Alabama does not have any weevils resistant to the chlorinated hydrocarbon insecticides available on the market. Therefore, farmers can take their choice of the following insecticides to control boll weevils: 20 percent toxaphene, 2.5 percent heptachlor-5 percent DDT, 2 percent endrin, 1.5 percent dieldrin-5 percent DDT, 3 percent g. BHC-5 percent DDT, and 2.5 percent aldrin-5 percent DDT.

The specialist recommends use of one of these chlorinated compounds throughout the season, unless heavy infestation of aphids or spider mites builds up.

He warns, however, that we do have plenty of evidence in all parts of the state that cotton aphids are resistant to BHC. Also, spider mites can be controlled only by one of the phosphate compounds. Because of this he advises farmers, in case of aphid or spider mite problems, to use two or three applications of 10 percent malathion-5 percent DDT, 2.5 percent methyl parathion-5 percent DDT, or 2.5 percent guthion-5 percent DDT at the usual intervals, then switch back to the chlorinated compounds.

It is very difficult to weigh the value of an insect control program in dollars and cents; but the bug expert says that one dollar's worth of poison, if used properly on high-yielding cotton, will return $10. And he believes that no farmer will refuse a 10-to-1 return on cotton investments this year.

"However," points out Ruffin, "proper dusting doesn't mean three or four treatments before and immediately after squaring begins. API Experiment Station research and farmer experience prove that fields treated only three or four times before and immediately after squaring produce little or no more cotton per acre than untreated areas. Furthermore, fields treated to control early-season pests and then treated throughout the growing season show no increase in yields over fields treated only during the time the crop is setting and maturing fruit.

"These facts mean just one thing: you should apply insecticides only when needed to protect plants or the crop."

To control insects, examine squares every few days for boll weevil punctures. When infestation reaches 25 percent, start your control program. Make three applications of insecticides at five-day intervals—for example, July 5th, 10th, and 15th. Check the crop again five days after the third application, and anytime you find infestation 25 percent or higher, make three more treatments at five-day intervals. Continue poisoning until top bolls are three-fourths grown, or, as Ruffin puts it, "until you start picking."

Generally, seven to 10 applications are enough; but excess moisture, whether due to rainfall or irrigation, increases the number of applications required. And you must poison at four-day intervals during seasons of heavy boll weevil infestation, during swarming periods, or during periods of frequent rains or irrigation.

Too, we know that frequent rainfall or irrigation increases cotton growth toward the end of the season. Therefore, regular ground equipment cannot be used. This calls for airplane dusting. In order to get proper coverage with this dusting equipment, increase the rate of application of sprays or dusts by one-fourth. For example, if you are using 20 pounds of dust per acre with ground dusters, increase this amount to 25 pounds per acre by airplane. Airplanes should cover a swath no wider than the wings of the plane, and to insure good coverage, flagmen must be used.

For irrigated cotton, use the same rate of application as you would with airplanes. However, since irrigated cotton will fruit longer in the season, more applications will be necessary. Apply dust to within seven to 10 days of the time plants will be defoliated. "And certainly farmers will want to defoliate irrigated cotton," emphasizes Ruffin. "Otherwise, they will be plagued with boll rot and all efforts will be lost."

For further information on how to fight cotton insects, ask your county agent for Extension Service circular 376.

If people had their food weighed out to them according to the amount of work they do, some would starve. Nevertheless, dairymen find that feeding cows according to their milk flow is the first step toward a profitable dairy program. Above (right) J. T. Blackshear, a Limestone County dairyman, weighs the milk from one of his 10 cows as County Agent F. K. Agee looks on. Blackshear is one of many dairymen in the county who are using the Weigh-A-Day-A-Month method to determine the amount of feed to give each cow. One pound of feed for each four pounds of milk is enough to maintain the animal's body weight and produce her daily production of milk. *(See story on page 4.)*

QUILTING PARTY— Old-fashioned quilting parties may be out of date now, but a good, cotton-stuffed quilt still comes in mighty handy during cold winter nights. However, that's not the only use Misses Fieldon and Mattie Mills of Pickens County make of the quilts they sew. They make very good wedding presents, as well as sideline income gatherers, pointed out Mattie, who sews for the public. The project fits in well with their home demonstration club work, too, explained Assistant Home Agent Loraine Meeks. "Sewing certainly takes up all of Mattie's spare time," declared the agent. "Besides sewing for neighbors, Mattie makes her own clothes, which she often enters in county HD dress revues. And Fieldon uses what time she has left after teaching at the Gordo Elementary School to make quilts and other articles," added Agent Meeks. In addition to their other activities, the Gordo ladies have completely repainted the inside of their home. Shown finishing a recently started quilt are, left to right, Fieldon, Mattie, and Agent Meeks.

Farrowing Jackets From Metal?

HERE it is—a modern, portable farrowing jacket.

Made of lightweight steel tubing, it is durable, yet inexpensive and easy to move from place to place. And cleaning and storing the jacket, when not in use, is a simple matter.

Designer and owner of Alabama's first portable metal farrowing jacket is Earl Folmar of Pike County. The Goshen Rt. 2 hogman started out using wooden jackets. These were difficult to move due to their weight, and construction was such that cleaning and storing was practically impossible.

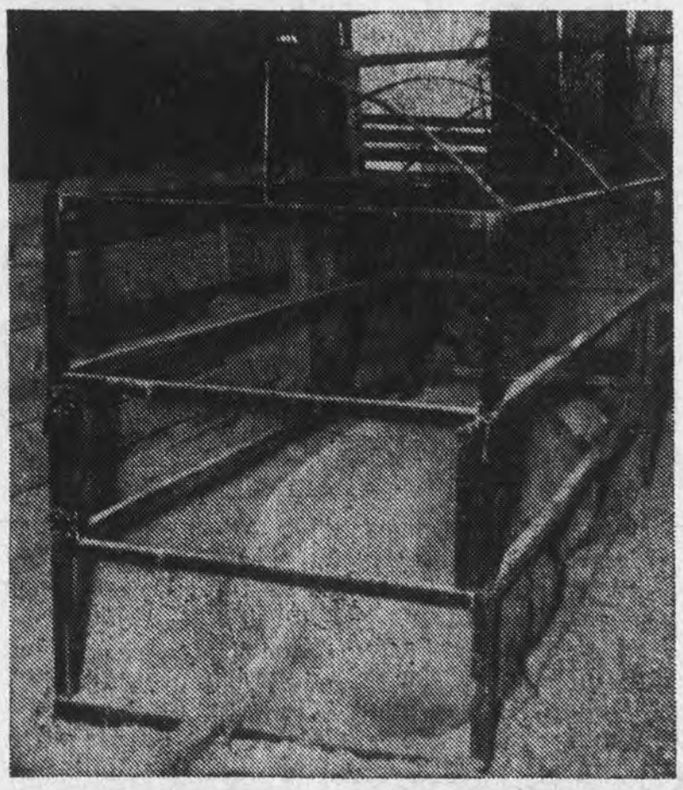

Modern farming the Farm and Home Development way has taught Folmar to eliminate unnecessary expense and labor on his farm. That's why the hog producer started figuring ways to improve his pig "cradles."

Assistant County Agent W. H. Kinard, who works closely with Folmar, said several plans were combined in designing the new jacket. It is constructed of one-inch square tubing and weighs only 50 pounds. Gates open at both ends of the jacket, permitting the sow to enter through one end and leave through the other, thus eliminating time and effort needed to force a stubborn sow to back out of the jacket, explained the agent. Too, many young gilts with their first litters of pigs are subject to injury because they try to turn around to get out of the jacket.

Although the jacket is light, there's little danger of it turning over. When the sow walks in and lies down, her weight anchors the jacket to the ground.

Advantages of the metal jacket make it more practical than wooden ones, and the expense of building a metal jacket is relatively small, only $22.50. The first of Folmar's sows to use the unit farrowed 12 pigs and raised every one of them.

"It looks mighty good," said G. B. Phillips, API Extension hog production specialist, when asked his opinion of the metal jacket, "and I can see some very definite advantages in it. As a matter of fact, I saw some similiar units in England last summer and presumably they were giving very satisfactory service there."

Along the Way

with P. O. Davis

Director, A. P. I. Extension Service

THESE days most young people are wondering what they can do. Some want to know if opportunities for young people today are as good as they were in the past.

The answer is an emphatic 'yes!' There are now many more opportunities for young people—and for old people, too. Let me remind you of a few major accomplishments of young people of the past as challenges for the future.

Thomas Jefferson was only 33 years old when he wrote the Declaration of Independence. He died 50 years later.

Alexander the Great had conquered the known world when he was 33.

Eli Whitney was 28 when he invented the cotton gin.

P. O. DAVIS

Thomas Edison was 30 when he applied for his patent on the phonograph.

Charles Lindbergh made the first non-stop flight across the Atlantic Ocean when he was 25. It was a solo flight in a single-engine plane.

Cyrus McCormick invented the reaper at the age of 22.

John Keats wrote some of the finest poetry in the English language before he was 25.

Isaac Newton had worked out the laws of motion and gravitation before he was 24.

These are examples of great achievements by young people. The present generation and the next can accomplish much more. It's up to you to think, to study, and to work it out. You can do it if you have the will power.

The Committee for Economic Development in the United States has given us more light on what to expect and do. This Committee is composed of able men with a good view of the future based on a clear understanding of the past. They say that within the lifetime of most of us the average U. S. family income will be much higher than at present—perhaps 60 to 75 percent higher.

They remind us that right after the first World War the average factory workers put in 46 hours per week. This was down to 40 hours in 1956, but the 1956 worker's 40 hours brought twice as much in goods and services.

Much of this progress stems from the fact that we are free people with individual human dignity. People can achieve what they will to achieve and, as a result, we accomplish more and live better.

But this is not true in all nations. Russia, for example, has achieved much in the way of sputniks and satellites, but not so much for the Russian people. Those in control in Russia have put emphasis upon developments relating to military, while neglecting the Russian people.

This was observed by two of our Extension workers while in Russia last summer. They saw that the masses of people in Russia were ill-fed, ill-clothed, and ill-housed. Shoe production, as an illustration, is about one pair of shoes per year per person. Whole families live in one room. Food is poor and insufficient.

When we think of these facts, we become grateful because we're a democracy with primary interest in people and their problems. Yet we must keep ahead in military strength because of dangers abroad. We can do it while improving our high standard of living.

It's a job for young people and old—for all of us.

State 4-H Leadership Camp July 7-11

Next week some 500 4-H Club winners from the state's 67 counties will forget farm and home activities as they swarm into Auburn for the 38th Annual 4-H Club Camp and Short Course. A bird's-eye view of some of the activities that take place each year are shown here.

STATE OFFICERS . . .

Shown are 1957-58 State 4-H Club Council officers who were elected at the camp last year. New ones will be elected to replace these during the coming week. Officers are to be elected by districts at district meetings. Only one district meeting will be held this year; prospective officers will give their qualifications at that time. Election will follow immediately.

"POLITICKING" . . .

Plenty of "politicking" will take place. Each county can nominate only one candidate for an office on the state council. Officers will be elected by districts as follows: District I, president and treasurer; district II, vice-president and song leader; district III, vice-president and reporter; and district IV, vice-president and secretary. Each county has four official voting delegates—two girls and two boys.

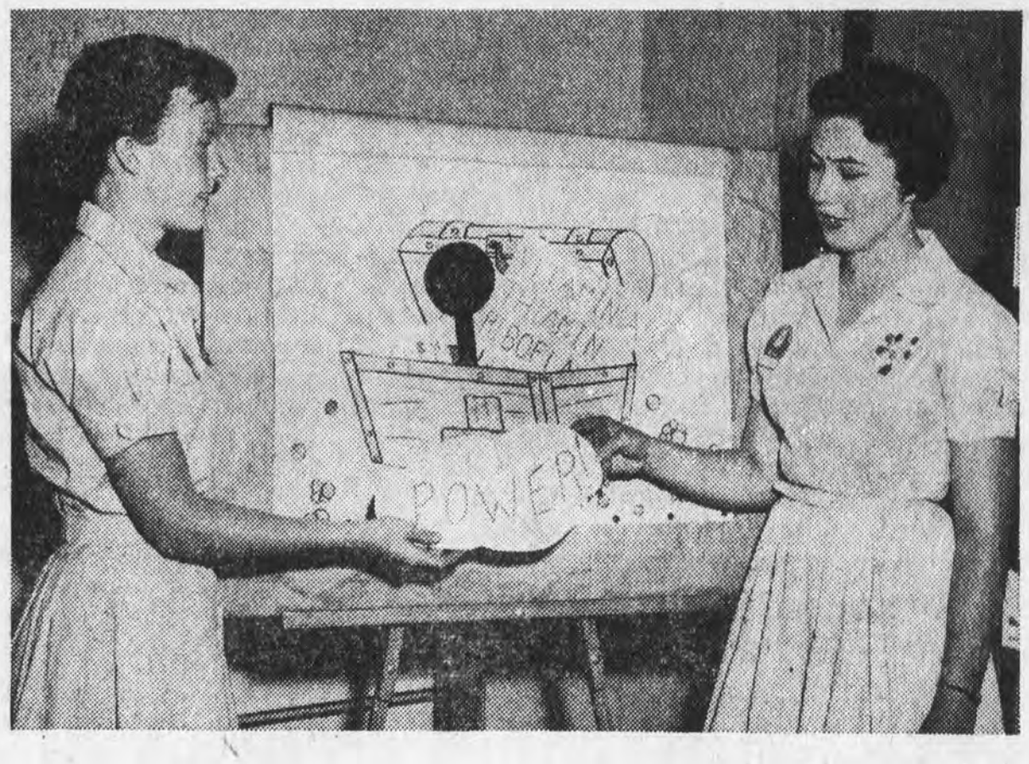

DEMONSTRATIONS . . .

Hundreds of demonstrations take place during camp each year. Before state winners can be selected, contestants must demonstrate their techniques in the various projects. These include yeast breads, cornmeal muffins, public speaking, lamp-making, talent, dairy foods, and many others. Shown are members of a dairy foods demonstration team that competed for top honors last year.

CONTESTS . . .

At the state camp, experts in several project fields will compete for honors. Baking contests, dairy foods eliminations, tractor driving contests, lamp-making competition, and dress revues are just a few of the many statewide project contests staged at the annual camp. Shown are last year's eight dress revue finalists. Each of the four districts elect first and second place winners in the revue. The state winner is selected from the eight.

AWARDS . . .

Of course every youngster competing in each of the contests cannot be a first-place winner, but each is a winner for having competed. It has been said that "a good loser is better than a poor winner." True enough, but in 4-H Club work all members are winners to some degree. Those who fail to take home the blue ribbon still have the experience, although their accomplishments were not quite good enough for the top honor. Here are last year's cotton award winners, and four others will have the honor this year.

Don't Overfeed . . .

Use Weigh-a-Day-a-Month Record as Guide

ROUDELL BYRD

FEEDING cows according to their milk production is the first step in any profitable dairy program.

D. C. Smith of Athens Rt. 2 is one of many who proved this fact to be true. He cut feed costs down more than $700 per month, and net milk return rose above feed costs to $759. Another, J. C. Lovell of Athens Rt. 6, lifted his returns from $83 in the hole to $40 profit. All was done simply by weighing the feed and milk of each cow and, in turn, adjusting the feed to one pound for each four pounds of milk produced.

No matter where you start—whether it is with top-quality feed, high milk producers, or the best culling and replacement program you can come up with, eventually you will come back to feeding according to milk flow as the first step in a profitable program.

"And for a good reason," explained County Agent F. K. Agee. "Feeding according to milk flow is necessary before the dairyman can know the exact amount of feed his animals need to produce milk profitably, which animals will turn feed into milk instead of excess body fat, and which ones to cull according to production."

Therefore, Agee is convinced that the average dairyman just getting into the business or one who isn't showing proper returns should consider (1) feeding according to milk flow, (2) a good supply of tender grazing crops planted at the right time of the year, and (3) milk production per cow.

Agee said that about eight million of the nation's 24 million milk cows do not make money. He went on to say that owners of these eight million must think they are profitable producers, or they wouldn't keep them.

Weigh-A-Day-A-Month records on grade-A and manufacturing milk herds show that practically every dairyman in Limestone County was giving his cows too much feed for the amount of milk he was getting in return. Some dairymen were reinvesting in feed as much as 96 percent of their total milk check.

Typical is the record on D. C. Smith's 40-cow herd. The feed cost in January of this year was $1,031, and his net milk profit above feed cost was $267. In February the feed cost was $979, with a net return of $88. Beginning with March, Smith adjusted his feeding program to the amount of milk each cow was giving. Using the WADAM method, he weighed each cow's milk and fed her one pound of feed for each four pounds of milk she averaged giving during a day. His March feed costs dropped and net return soared upward. Feed bills totaled $307, with a net milk profit above feed cost of $759.

J. C. Lovell thought he was doing all right with his small herd until he started weighing the milk and feed last March. Again the record told the story. His March feed bill was $119. But the thing that really put Lovell to thinking was the fact that he had actually lost money! After deducting feed costs he found himself $83 in the red. In April, after switching to Weigh-A-Day-A-Month, he threw away the red ink and showed a profit of $40 above a feed cost of $47.

One herd producing milk for manufacturing purposes was paying the owner only $3.50 net profit per cow. Then the milkers were put on the WADAM program, with each cow receiving feed according to her production; the net profit per cow jumped to $18.65.

Still another—and this one a tenant farmer—is happy with what the WADAM program did for him and his landlord. March records showed $682 went into feed, and the net herd return was $620. This is a 52 percent investment in feed. April records, taken after the cows were put on the program, showed a feed cost of $348. Net herd return was $1,210, and the percentage invested in feed was only 22 percent.

Careful studies of these records led Agee to say, "If your herd is average, one-third of your cows are unprofitable. But you can't be sure which are the ones unless you follow a sound testing and record-keeping program.

"Generally, we find that owners of only four or five cows are dropping out of the milk production business. Records kept on herds throughout the county prove that herds of 10 cows or more are the profitable ones—that is, if they are being properly fed.

"However, proper feeding covers a large area," remarked the agent. "The rule is to feed one pound of dry feed for each four pounds of milk a cow gives during the day, providing she is on good grazing, and one pound to each three pounds of milk if she is not.

"Take J. T. Blackshear, a retired school teacher, for an example. He planted five acres of Starr millet last April for his 10 cows. The animals were taken off permanent pasture of sericea, rescue, Kobe lespedeza, and clover and turned into the succulent millet about May. Milk production jumped 33 percent, and at the same time feed costs were reduced."

Agee pointed out that the records have proved temporary grazing crops are extremely valuable to profitable milk production. A good supply of tender grazing crops planted at the right time of year means that temporary crops should be planted early enough to prevent the normal June slump in production. Permanent pastures in his county, after all the winter and spring rains this year, played out by early June. Therefore, those who had temporary grazing crops coming in by June showed an increase in production.

"As for production, you don't have to wait all year to locate the money losers in your herd. The average cow gives half of her 10-month production during the first four months of her lactation period," pointed out Agee. "Culling 'loafers' increases net profits rapidly, and there's no better culling system than that of weighing and feeding according to milk flow."

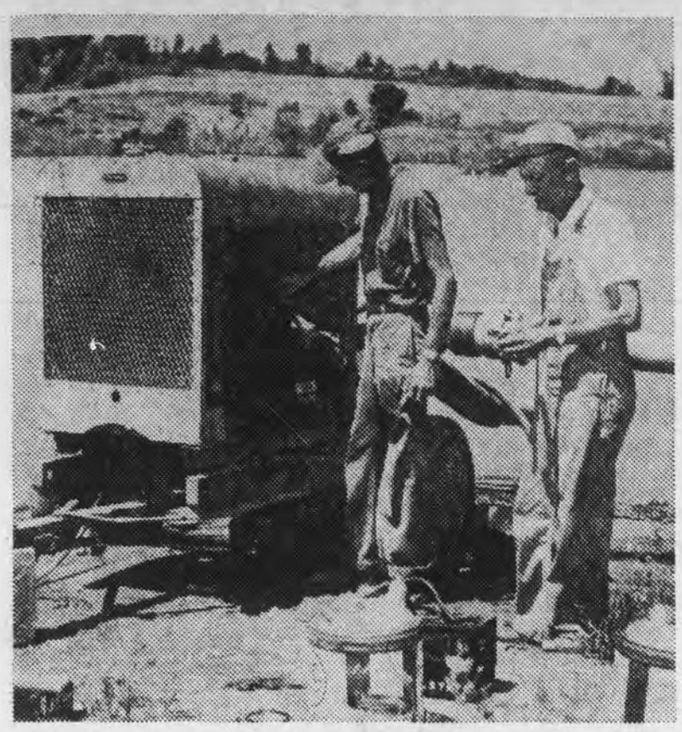

Going back to Smith's herd—eight animals were culled during the first year Smith kept records on the herd. And he got more milk and profit from the 32 than he was getting from the 40.

Summing it up, Agee said, "On 16 top grade-A dairies, income has been increased $45,000 the first year in the program. Figures are not complete on herds producing manufacturing milk. But we have learned these things about all dairymen on the program: (1) Hay crushing has been stopped. (2) Dairymen find it more profitable to feed good-quality hay loose or in pads. Therefore, those on the program are saving between 15 and 20 thousand dollars a year on hay crushing alone.

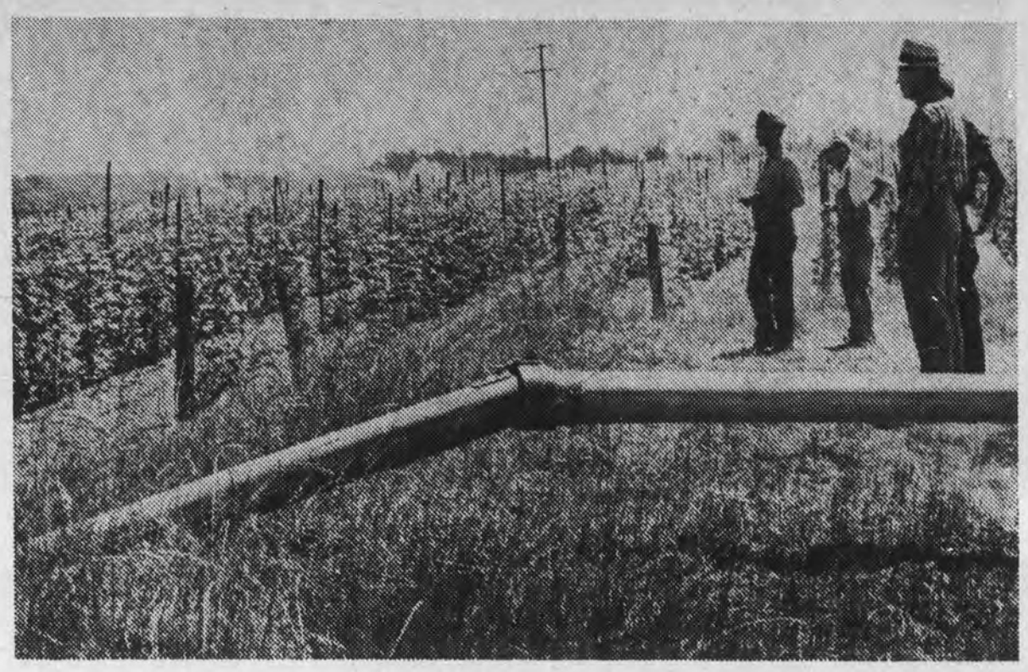

The Weigh-A-Day-A-Month method of feeding cows caught on like wildfire in Limestone County since its initiation just over a year ago. Says County Agent F. K. Agee, "The Freeman Brothers out on Athens Rt. 3 were the first to try the program. During the next month six more joined in, and from there participation skyrocketed." Above Agee (left) talks with Reuben Freeman concerning the value of the program. Reuben says this system certainly lets one know exactly where he is in the dairy business. At left are, left to right, Assistant Agent C. R. Morrow, Dairyman D. C. Smith, Agent Agee, and Assistant Agent Jack Thompson discussing the hay program since dairymen have started using the WADAM system. Agee points out that some 15 to 20 thousand dollars per year are saved since hay is not being crushed.

Irrigated Truck Crops and Broiler Production Make Good Combination on One Etowah County Farm

MAKES OWN RAIN—Banks and Mitchell Gilliland and their brother-in-law, Pascal Terrell, are set up to irrigate all their truck crops as the need arises. Three irrigation systems with 4,500 feet of six-inch main lines fit their operation fairly well. And they have eight farm ponds to furnish the water. At left Banks (left) and Mitchell Gilliland check one of the power plants of the system.

"TURN ON THE RAIN"—Here County Agent T. L. Sanderson, Banks and Mitchell Gilliland, and a farm laborer look at a 12-acre field of pole beans as it receives one of its weekly soakings. The crops are irrigated about every six or seven days until the picking season ends.

TOMATOES TOO—Below Sanderson and Mitchell Gilliland discuss the tomato crop. They are in the middle of a 35-acre field of young tomatoes.

BROILERS HAVE A PART—At left Banks Gilliland (right) and Sanderson are shown in one of two 15,000 capacity houses built last winter. The birds were eight weeks old and ready to market. They were the first to be raised in the new houses. Banks said each of the houses is 400 feet long by 36 feet wide, has automatic waterers and feeders, and has electric brooders. The bulk feed bins of the feeders hold seven tons of feed.

BRUCE JETTON

ONE thing is certain; there won't be a shortage of chicken, beans or tomatoes on tables of the families on the Gilliland farm in Etowah County this year.

Brothers Banks and Mitchell Gilliland and their brother-in-law, Pascal Terrell, have houses to grow 117,000 broilers at a time, 100 acres in tomatoes, around 100 acres in pole beans, 20 acres in bell peppers, and 25 acres in pimento peppers.

"This may not be the biggest truck crop and broiler operation in the state," commented County Agent T. L. Sanderson, "but it's a mighty big one for Etowah County."

In all, the Gilliland farm includes 1,700 acres of land with some 600 acres open. The three families have more-or-less separate operations, according to Sanderson, but they all work mighty close together, he said.

Terrell has been in the broiler business for eight years and Mitchell Gilliland seven years while Banks Gilliland is the newcomer, having built two 15,000 capacity houses this year. Terrell has houses with a total of 37,000 birds, Mitchell 50,000 and Banks 30,000.

Although Banks was the last one to go into the broiler business, he has been raising pole beans for 18 years. And he has been irrigating the bean, tomato, and pepper crops for the last six years. "I wouldn't be a farmer if I didn't have my irrigation system," Gilliland declared.

The Altoona Rt. 1 farmer explained that there are three irrigation systems on the place with 4,500 feet of six-inch main lines. To provide water there are eight ponds which cover around 30 acres of land and have an average depth of six feet.

Going back to the start, Gilliland explained that the beans and tomatoes were planted during the last of April after 1000 pounds of 4-12-12 per acre was applied. And all of the land for the row crops was fumigated. The fumigant was mixed in the fertilizer, Gilliland said. Next 300 pounds of sulfate of ammonia per acre was applied, followed by 300 pounds of liquid nitrogen applied through the irrigation systems.

Soil treatment and fertilization for the tomatoes was about the same as for the beans, Gilliland pointed out, with the tomatoes being planted about a week before the beans.

Gilliland said the crops are irrigated about every six or seven days until the picking season stops. And the picking period usually lasts from a month to six weeks, depending upon the crop and the market. "Sometimes the market is not high enough to pay for harvesting the crop," Agent Sanderson stated.

"All of these vegetables and chickens are fine on the table," Sanderson laughed, "but you need some beef occasionally. And Pascal has taken care of that with a herd of 50 purebred Herefords."

GET YOUR HANDBOOK OF ALABAMA AGRICULTURE NOW

One dollar will get you a lot of good advice on farming if you spend it for one of the new editions of the Handbook of Alabama Agriculture. The "buck" covers the cost of printing the handbook, which is packed with up-to-date information on latest recommended farming practices. Copies are available through your county agent's office. However, if your county agent has exhausted his supply, ask him to order you one.

At left is one of N. T. Gilbreath's charcoal kilns that is made of sheet metal. Gilbreath (left) of DeKalb County tells Agent Carl Parker that he uses a tractor to raise the kiln so wood can be stacked underneath. Picture at bottom left shows Gilbreath and Parker discusing the conveyor system set up to move the finished product to the storage room. Bottom right shows Gilbreath's storage bins and sacking and weighing equipment.

Improve Pine Stands - Charcoal Hardwoods

WALLACE BURGESS

CHARCOAL production in Alabama has had its ups and downs, but with increased interest in its use for barbecue pits and other outdoor cooking units, it seems to be here to stay.

According to a recent survey, charcoal production in Alabama is only one-fifth of the amount consumed here. In fact, figures show that we are producing only about 2500 tons each year and using more than 10,000 tons.

With this picture of short supply and huge demand, N. T. Gilbreath of DeKalb County decided to take advantage of the good market. A few years ago he set up a charcoal plant to market hardwood trees from his 430-acre pine stand. He figured that selling the product would be no problem and returns would pay for labor used to remove the cull hardwoods. "I can produce about a ton of charcoal per week," declared Gilbreath, "and that amount more than pays for the labor it takes to get rid of the hardwoods."

Telling Assistant County Agent Carl Parker about his charcoal production equipment, the Wilks community farmer explained that the kilns were patterned after an Auburn blueprint with a few changes to permit use of materials already on hand. Instead of using a round, seven-and-a-half-foot diameter drum, the Valley Head farmer constructed a sheet metal kiln that is seven feet square at the base. The pyramid-like structure tapers to five feet in diameter at the flange, or hip, where the roof begins. The roof is also sheet metal and tapers slightly upward to an eight-inch square hole in the center where the chimney is welded on. Total construction of the farmer's two kilns came to $330.

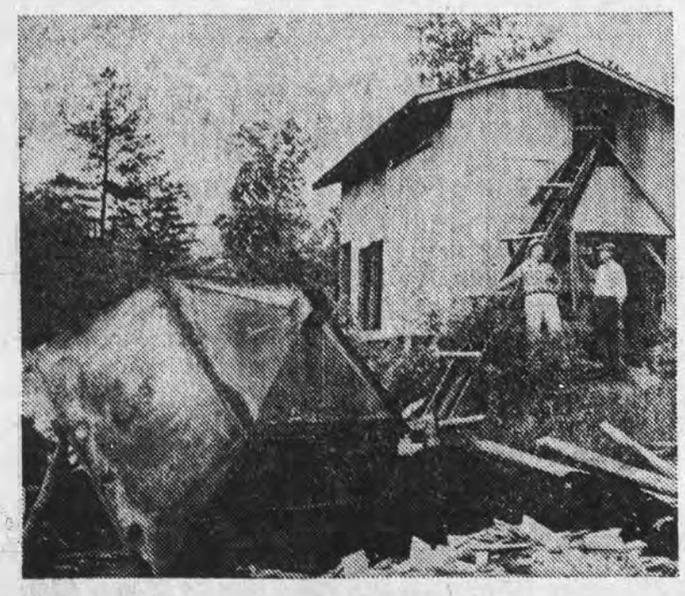

Since the charcoal must be protected from rain, Gilbreath built a storage house, using storm-damaged lumber and roofing picked up around the farm. Inside the house, two one-ton capacity bins were installed to hold the finished product until it could be weighed and packaged for shipment.

After the storage house was completed, the Unit Test demonstrator decided that time and labor could be saved by installing a conveyor from the plant to the storage house. Still using second-hand lumber, Gilbreath bought a conveyor chain and built the unit. In all, the conveyor system and the storage house cost about $300.

With this convenient setup, one man can operate the unit where wood is available nearby. Cull timber is cut into four-foot lengths and placed on end around pine knots or other ignitable material inside the kiln. Kilns are then lowered in place and materials fired through the chimney. After the charring process, which takes between 12 and 20 hours, the material is allowed to cool. The total process takes about 48 hours. While this is going on, the operator can be bagging the finished product from previous firings.

The only hitch in charcoal production, noted Gilbreath, is keeping a supply of wood on hand. However, this is done with farm labor when weather will not permit work in fields.

In all, the DeKalb County farmer improves between 10 and 12 acres of woodland each year and utilizes the cull wood for charcoal. This leaves his stand of pines in a much better condition to produce desirable timber. At the same time, the charcoal operation pays for all the timber stand improvements.

Food *for* Thought

WHAT do you know about hogs? There's one thing for certain—if you plan to make a profit with these easily overheated animals, you will have to keep them cool.

G. B. Phillips, our Extension hog production specialist, has told me that the hotter your hogs get, the more money you will lose. Now, that's really something to think about, with all this hot weather creeping in on you. Anyway, the hog expert reached back and got some experimental data to back up his words. And here's what it said.

When your hogs get hot, maybe none of them will die, but you lose money. The bigger the hog, the more money you lose.

Hogs do better when the weather is not cooler than 60 degrees or warmer than 70 degrees, according to experiments. Fattening hogs gained the most weight when the temperature was kept at 70. They needed 250 pounds of feed to put on 100 pounds of weight at that temperature. At 90 degrees, 450 pounds of feed was required; at 100 degrees, the heavier hogs lost weight; and at 110 degrees, the lighter ones lost weight no matter how much feed they ate. So, if you want to make some cold cash, keep your hogs cool.

Some farmers have rigged sprinkler systems to wet their hogs down ever so often. Some sort of inexpensive shade, such as bush arbors, will help. And, of course, the animals should have all the fresh, cool drinking water they want. Just keep in mind that this is one project you can't sweat the profits from.

SAY—have you made any wooden nickles lately? Look around you at the wood-using industries. You'll be surprised at the number of your neighbors employed part-time at peckerwood sawmills, veneer plants, chair factories, and other such plants, as well as those who are cutting pulpwood and working as loggers.

Ole Smokey—that's Extension Forester Ike Martin—says, "These nickles add up to dollars that contribute a sizable portion to many family incomes. But this extra money can be cut awfully short if Mr. Firebug is allowed to satisfy his hunger on our timber land. Don't give him a chance—PREVENT FOREST FIRES."

YOU can still ship soil samples to the soil testing laboratory in Auburn, despite the imported fire ant quarantine. API Extension Entomologist W. A. Ruffin says that counties under the quarantine must fumigate samples before shipping them by common carrier. However, he says an Extension worker or any other person coming directly to Auburn from a county under quarantine can bring samples which have not been fumigated.

B. P. Livingston of the State Department of Agriculture has capsules containing methyl bromide that are suitable for fumigating soil. He will gladly supply any county agent with these capsules without charge.

Here's how to fumigate. Place unsealed samples in a large garbage can or similar container and place one capsule in the can. Put the top on the can and leave for 24 to 48 hours. This should be done in a well ventilated area; under no condition should it be done in the office or any other room. After the soil samples have been properly exposed to the fumigant, they can be removed, sealed, and transported by any common carrier to the soil testing laboratory.

Farm Without Harm . . .

DANGER SPOTS—Accidents from ordinary farm work claim as many as 3,600 lives in U. S. annually. Find the six possible accidents at left. MODERN FARM MACHINERY is designed for safe and efficient operation. In the picture at right find the five ways to get hurt and check your answers with approved findings below under ANSWER.

Work, Play, and Live Safely Each Day

NATIONAL Farm Safety Week, July 20-26, is a good time for every farm family to plan and put into effect a program for working, playing, and living safely.

But it's important to work for safety all the time. You only have to be careless once to lose a limb—or your life.

The degree of cautiousness and carelessness determines the safety level of people in all walks of life. And it seems the farm folk, a group which should be the safest on earth, have the highest number of accidents. Every year hundreds of farm men, women, and children are killed or crippled right on their own farms. All of these are called accidents, but most of them belong under the heading of carelessness.

Practically every farm accident is the result of somebody's carelessness. When a neighbor falls through a loose, open-board floor of a hayloft, it is the result of somebody's carelessness—the person who laid the floor knew it was a death trap. The farmer gored by a bull is very conscious of the fact that thousands lose their lives each year simply by trusting a bull. The friend who loses a hand reaching into a running machine—while a safety warning in big letters is right before his eyes—can charge the agony, remorse, and hardship to his own carelessness.

The accident rate is much lower in many great industries than on farms, because safety is taught and safety rules are rigidly enforced. The result—accidents are practically unknown in many factories.

On the farm nothing much is said or done about safety. The result—broken arms, crippled workmen, and, in many cases, heartbreaking funerals.

What are the hazards responsible for most farm accidents?

Studies show that the exact order varies from year to year; nevertheless, there are only 12 types of accidents that account for over 90 percent of all deaths and serious injuries to farm people. They are (1) falls, (2) burns, (3) machinery, (4) animals, (5) firearms, (6) automobiles, (7) excessive heat, (8) lighting, (9) mechanical suffocation, (10) falling trees, (11) drowning, and (12) poisoning. More than one-half of all fatal farm accidents are caused by machinery, while over one-half of all fatal farm home accidents are due to falls and burns.

Here's a recommendation for daily emphasis. Make every week a safety week, every day a safety day, and work at safety every waking hour from Sunday morning through Saturday night.

SUNDAY—Respect Life: Because safety is in part a moral issue, religious leaders are urged to make it a part of their sermons and the subject of Sunday School talks.

MONDAY—Home: Neat and orderly farm homes are safer homes. Have a place for everything. Eliminate unsafe practices. Check electric and heating systems.

TUESDAY—Livestock: Farm animals account for many accidents. Check and repair livestock equipment. Keep children away from animals at all times.

WEDNESDAY—Falls: Plan activities so there is no need for hurry. Hurry causes accidents. Repair or discard broken, unsafe ladders. Place guards on hazardous places.

THURSDAY—Highway Traffic: Courtesy is one key to traffic safety. Practice safe driving and walking on roadways. Remove trees, weeds, and shrubs at farm entrances to improve visibility.

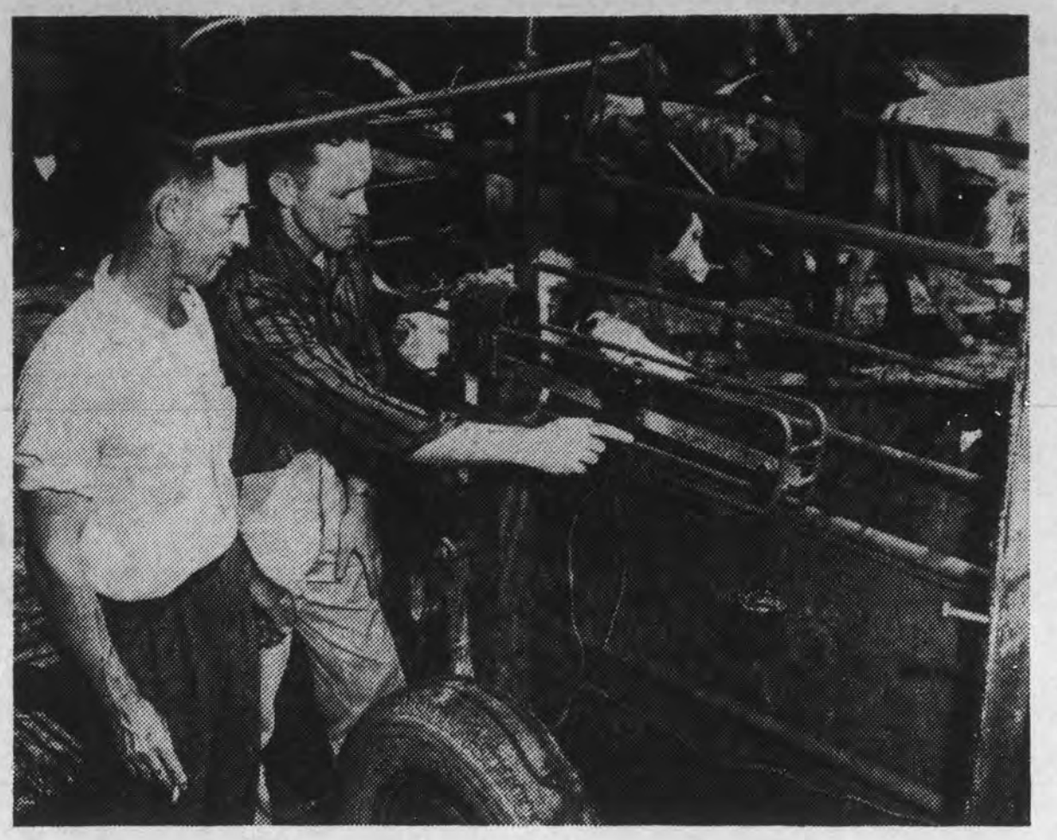

FRIDAY—Farm Machinery: Make sure all farm equipment is in safe operating condition. Keep guards and safety devices in place. Always stop machines before servicing or adjusting them.

SATURDAY—Review Day: Review local accident prevention achievements. Plan for a year-long campaign against hazards. Check on farm and home hazards that might have been overlooked during the week.

ANSWER: (1) Child playing in barnyard. (2) Many children are drowned each year in water tanks. (3) Farmer leading bull without a staff. (4) With back to animal, no warning if bull should suddenly become mad. (5) Ax with cracked handle is unsafe, and its dangerous location. (6) Manure forks with tines up. SECOND PICTURE: (1) Refueling tractor with engine running. (2) Smoking while refueling tractor. (3) Uncovered power take-off. (4) Children should not play near mowers in hayfield. (5) Driver's loose sleeve could catch in tractor engine or power take-off.

HOW GOOD IS YOUR BEEF CATTLE HERD?

WEIGHING IN—Cattleman Joe Hamilton (left) of McCalla watches as Assistant County Agent Charles Burns checks weight of a calf as a part of the beef cattle improvement program now under way in Jefferson County.

Performance Testing Will Tell

BOB CHESNUTT
API Extension Service Editor

COUNTY Agent Clint Johns is, in his own words, "just plain excited" about the beef cattle improvement program as the key to better production in Jefferson County. He is convinced that the program, based on performance testing, will result in better quality herds—herds that will pay higher returns for good feeding and management.

"All too often," says Johns, "cattlemen count on grazing, supplemental feeding, control of parasites, and other fine practices to make them a profit from animals that simply weren't born with the ability to make economical gains. And that's a losing game, much like throwing good money after bad.

CLINT JOHNS

"Only when a farmer has good cattle on which to use good practices can he expect good profits."

Johns warns southern cattlemen to face up to the absolute necessity of improving the quality of their herds. Competition from other areas of the U. S. is getting tougher all the time. These areas are concentrating on quality—and have been doing so for a long time. The South has been concentrating on numbers—at too great a sacrifice of quality.

"The time has never been better for us to get our minds and efforts on better cattle," emphasizes Johns. "And performance testing is a 'natural' for us.

"Here in Jefferson County we began the program several months ago—and the response of cattlemen has been excellent. Our first step was to explain the whys and hows of testing. Briefly, these are:

"1. Cattle pass on to offsprings certain characteristics which they themselves have. Rate of gain, weaning weight, conformation (or type), and milking ability are four such heritable traits.

"2. A cattleman wants to produce calves that gain rapidly, are of good type, and, in the case of herd replacement heifers, give lots of milk. Such calves come only from dams and sires having these traits.

"3. Performance testing reveals which cows have the desired traits. This is done by testing each cow's offspring; if the calf of a certain cow has the desired traits, it means that the dam and sire had them—and are animals that produce money-making offsprings. If the calf tests poor, it means the dam is unsatisfactory and should be culled from the herd. If most of the inferior calves were sired by the same bull, chances are that the bull is to blame for the poor offsprings. In such case, the cattleman must cull the bull and get one that has been proved superior; otherwise, continued production testing of the herd will have little value.

"4. To set up for performance testing, each brood cow is identified by number with ear tattoo, neck chain, or branding. The calf she drops is likewise identified. The calf is weighed at or near weaning time. By using a conversion table, the owner and county agent calculate what the calf will weigh when 240 days old (usual weaning age). Also at weighing time the calf is scored for type.

"5. When all calves in the herd are similarly tested, the results will show which cows dropped the heaviest weaning calves. (In one herd on the Jefferson County program, weaning weights varied from 310 to 625 pounds!) The best cows—and their heifer calves—are kept in the herd; poor-doing cows are culled as rapidly as practicable.

"6. Over a period of several years, the weaning weight average in the herds of Jefferson County could be raised by 50 pounds or more through testing."

With the cooperation of the Jefferson County Cattlemen's Association, the county agent's office bought portable scales for the beef cattle improvement program. Charles Burns, an assistant county agent, is helping with the testing of 12 herds containing about 650 animals. The program will be expanded as more cattlemen see the need for it.

Interestingly, Johns began the vigorous testing program after he and his staff last fall made an intensive study of beef cattle production in the county. The survey covered operations of 78 cattlemen whose herds totaled 4300 head. By knowing their weak points, the cattlemen are in position to move more wisely and swiftly toward a better beef production program.

"And of all the changes we need here in Jefferson, none is more urgent than production testing," says Johns. "It's no cureall, but it's our real starting point for higher beef profits."

The 11 Jefferson County cattlemen participating in the improvement program are Brooks Baker, Warrior; Joe Hamilton, McCalla; W. J. Braswell, McCalla; George Russell, McCalla; Ernest M. Whiten, Fairfield; Donald Abbott, Leeds; Leon Howton, Bessemer; George Rogers, Morris; Richard Beard, Trussville, two herds; Steve Watson, Birmingham; and Dr. W. N. Payne, Bessemer.

Research Results

from A.P.I. Agricultural Experiment Station

KUDZU HAY. There was no difference in milk production between cows getting half of their TDN (total digestible nutrients) allowance from kudzu hay as from cows fed alfalfa hay. In the eight-week Auburn test, production was 27.1 pounds daily for cows of both groups. Protein content of the kudzu hay was 14 percent, as compared with 20 percent for the alfalfa. Ash content of the kudzu was low, whereas fiber content was high.

BROILER PLACEMENT AND PRICES. Demand for broilers usually increases through the spring and early summer, reaches a peak in late summer, and declines during the fall. During 1954 through 1956, placements averaged 10 percent lower the last half of the year than the first half. Broiler prices in Alabama averaged 12 percent lower the last half of the year.

* * *

CARE OF WOODY ORNAMENTALS. Woody ornamental plant beds need thorough weekly waterings during hot, dry periods for effective growth. Results of Auburn tests show that best moisture conditions can be maintained easier if a 1- to 2-inch mulch of sawdust or similar organic material is used. At the end of the first flush of growth in spring, an application of two to three pounds of 8-8-8 fertilizer per 100 square feet of bed area is needed.

* * *

FALL PEAS. Several varieties of Southern or table cowpeas have produced well in fall after planting in late summer. Varieties include Alabunch, Alacrowder, Bluegoose, White Seeded Bunch Purple Hull, Dixilee, Early Six Weeks Brown Eye, Green Pod Brown Crowder, Jackson 21, Early Brown Seeded Purple Hull, Giant Blackeye, Knuckle Purple Hull, and Mississippi Crowder. Seed from early plantings can be used for late plantings.

* * *

FERTILIZATION FOR FALL CROPS. Soil tests have shown wide variations in lime and fertilizer needs for fall and winter crops. Several hundred samples from eight Alabama counties showed that 74 percent needed an even phosphorus-potash fertilizer such as 0-14-14, 12 percent needed a high potash grade like 0-10-20, and 14 percent needed a high phosphorus fertilizer such as 0-16-8. Amount needed ranged from 200 to 600 pounds per acre. Forty out of 100 samples needed liming for all crops and 65 percent needed lime for legumes. Only 35 percent did not need lime.

* * *

FOWL POX PROTECTION. Laying flocks can be protected against fowl pox by vaccinating, according to results of Auburn experiments. Results show that all laying stock should be vaccinated at least once, at 12 to 16 weeks of age. If natural outbreaks are likely, it is best to vaccinate pullets at two to six weeks of age and again about one month before they begin to lay.

Mrs. Mabel Thornton Is Attending School TV Conference At University

Mrs. Mabel Thornton, Montevallo, is one of 35 Alabama school teachers and principals scheduled to attend an In-School Television work conference July 7-12 at the University of Alabama.

The group will help plan television courses which will be offered for Alabama schools next fall, and will study methods of utilizing the TV courses in their own classrooms.

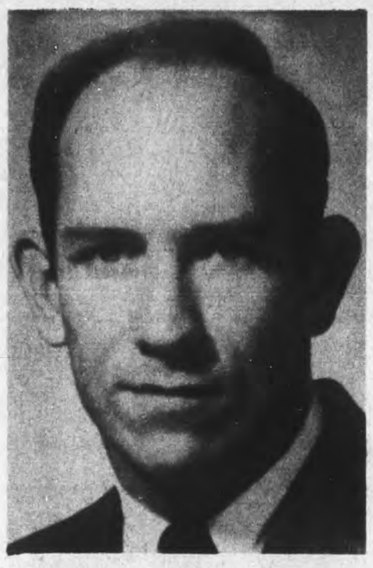

Dr. Franklin Dunham, Chief of Radio-Television of the U.S. Office of Education, will head a distinguished group of consultants for the school TV work conference. Dr. Dunham was formerly educational director for the National Broadcasting Company.

Other consultants include Dr. H. M. Ivy and Dr. Doak Campbell, research consultants of Meridian, Miss; and Dr. J. C. Blair, head of secondary education for the State Dept. of Education; Raymond D. Hurlbert, manager of the Alabama Educational TV Network; and various members of the University faculty and staff.

Conference participants will review school television offerings during the past year and will outline study guides and plan research for courses to be offered in 1958-59.

Next fall the University of Alabama will offer complete TV courses in high school chemistry, art, Spanish, and enrichment courses for school viewing in elementary music, high school music, history, literature, and French. The project is partly financed by a grant from the Fund for the Advancement of Education.

Revival At Calera Assembly of God

REV. ADDISON, EVANGELIST

REV. LeCOMPT, PASTOR

REVIVAL SERVICES

The Calera Assembly of God is conducting revival services beginning July 9th through July 20th. The Rev. L. M. Addison from Panama City, Fla., will be speaking each evening. You are invited to come and hear a full gospel message with old time singing and prayer for the sick each night.

Rev. Lamar Lecompt is the pastor.

Mr. and Mrs. E. L. Ellison and Jan, of Nashville, were Saturday night guests of the H. S. Roger's family.

Mr. and Mrs. A. E. Norwood, and Mrs. John Freeman, of Birmingham, visited in Thomasville and Selma last week.

Sen. Joe Graham Talks to Students

State Sen. Joe Graham, Maplesville, told the students in Alabama College's principles of business class Tuesday "how to be a good employee."

"While personality, education and skill are helpful toward advancement, they will not take the place of hard work, application, sincerity, common sense, and the ability to get along with people," Sen. Graham said.

Sen. Graham attended Perry County High School, Marion Military Insitute, and Alabama Polytechnic Institute, Auburn. He is a graduate of the school of business of API.

Sen. Graham told the class to "be punctual. Employees reporting for work late are at least disturbing, and may hold up the work of the other people working with them."

"Alcohol and work don't mix—and nearly every employer knows it. Alochol affects your efficiency and coordination," he said.

Sen. Graham advised the class to talk over personal problems that may hinder their work with their employer. He also advised them to "Think" be creative, and give beyond that which is required of you."

"Be consistant, persistant, and conscientious in your work day by day always showing proper regard for your fellowman and you will be a good employee," he said.

Summer Musicale Tuesday, July 15

The Alabama College school of music wil present a program, Summer Musicale, Tuesday, July 15 at 8:15 p.m. in Calkins Hall Auditorium.

Featured on the program will be the Alabama College summer school choir; violinist John Gay, III; the college's brass choir; and voice pupils of Bruce Tolbert, associate professor of music.

Selections will include Chorale-Contata by Walter Rein and Music for Queen Mary by Henry Purcell. Both were written for brass and voice.

Gay will present one of Mozart's Violin Concertos. He will be accompanied by Barbara Ann Jones from Mobile.

Voice students of Tolbert will sing excerpts from the Oratorio Samson by Handel. The singers will be Frances Martin, Mobile, soprano; Dorothy Schroeder, Prattville, alto; and Norman Hair, Andalusia, bass.

Accompanists will be Mrs. Lois Caine, Bay Minette; and Barbara Ann Jones, Mobile.

The brass choir players are Elbert Mahaffey and Mike Mahan, both from Montevallo, trumpet; and David Leuth and Elson Hood, both from Centreville, french horn.

Whit Moreland Funeral Sunday

Funeral services for Whit Moreland, 68, retired railroad employe were held Sunday, July 6, at the Wilton Methodist Church. Burial was in Montevallo Cemetary.

Mr. Moreland passed away on Friday, July 4. He was born in Briarfield and spent most of his life in Wilton. Masonic rites were performed by Central Lodge No. 6. The deceased was a Shriner.

He is survived by his mother, Mrs. George Moreland, Wilton; two sisters, Miss Nell Moreland, Wilton, and Mrs. Lena Wilson, Selma; one brother, Oscar Moreland,

Len Cook Died Of Heart Attack

Mr. L. J. (Len) Cook, age 73, of Calera Rt. 1, passed away at the residence Sunday afternoon, June 29th, after suffering a heart attact.

Funeral services were held Tuesday, July 1st., at the Calera Baptist Church by the Rev Hallman of Mumford, Rev. Banks of Enon, and Rev. J. Floyd Goree of Calera.

Surviving are his wife, Mrs. Zula Cook, of Calera; 1 son, Dr. Hollis L. Cook, of Cannon, Texas; 1 grandson, Randy Cook; 2 sisters, Mrs. G. W. Jones of Birmingham, and Mrs. J. R. Collins, of Thorsby; 1 brother, J. B. Cook, of Calera; several nieces and nephews.

Pallbearers were nephews: Otis Cook, Howard Cook, Preston Cook, Winston Garrett, Bernard Garrett, and Jimmy Jones.

Burial was in Salem Cemetery with Bolton of Columbiana in charge.

Mr. and Mrs. John Fancher (Mildred Allen) have returned to their home in Inglewood, California, after a two-weeks visit with her brother, Alfred Allen and family.

College Summer Theatre Play Tonight

COLLEGE PLAYERS—Mrs. Daphne Kulokowski, Sarasota, Fla., and Harris Holly, Birmingham, are shown in a scene from Tennessee Williams' The Glass Menagerie to be presented Thursday evening, July 10, in Reynolds Hall Auditorium. They appeared Monday on The Betty Lee Show on WABT-TV, Birmingham. The play is part of Alabama College's summer theatre workshop, and is open to the public free of charge. (Photo by Mike Mahan)

The Glass Menagerie by Tennessee Williams will be staged by Alabama Colege's summer theatre workshop Thursday, July 10 at 8:15 p.m. in Reynolds Hall Auditorium.

The play concerns two children's attempts to escape from their mother who "lives in the past." The mother lives on the memory of having been at one time a Southern Belle.

The son goes to the movies in the evenings for escape from her, and the crippled daughter finds refuge in her collection of glass animals.

The daughter's hope of escape is raised with the appearance of a gentleman caller, but the hope dies when he tells of his engagement to another girl.

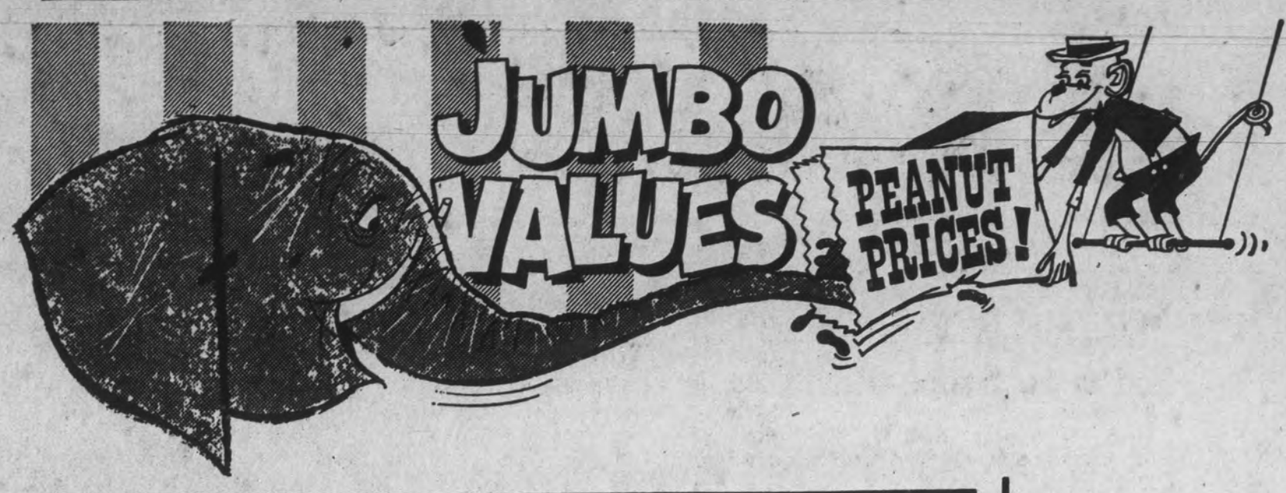

The summer theatre workshop presentation of the play will be in-the-round.

In the cast are Mrs. Daphne Kulokowski, Sarasota, Fla.; Harris Molly and Ed Cooper, Birmingham; and Rebecca Gantt, Andalusia.

"We hope that the summer theatre workshop will eventually develop into a summer repertoire theatre," said Dr. Andrew Kochman, workshop director.

Most of the students in the summer theatre workshop are receiving college credit for their work.

The Glass Menagerie will be open to the public free of charge.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The House of Representatives last Wednesday voted to reduce President Eisenhower's foreign aid request by $872 million. This reduction has been recommended earlier by the House Appropriations Committee after many weeks of exhaustive hearing and careful study. As approved by the House, the appropriation measure carries total funds of approximately $3 billion.

The bill must now be considered by the Senate where most observers believe a portion of the House cut will be restored.

Court Rule Clarified

Last year the U.S. Supreme Court reversed the death penalty of a convicted rapist, Andrew Mallory of Washington, D.C., on the grounds that he was held too long between the time he was arrested and the time he was brought before the committing magistrate. Because of the delay in arraignment, the Supreme Court ruled that the full confession Mallory gave police has to be disregarded and today Mallory walks the streets of Washington a free man.

Many law enforcement problems have arisen as a result of the Supreme Court's decision, and today no lower court is certain as to what should be the length of time between arrest and arraignment.

Congress began work on legislation designed to clarify the ruling shortly after the Court's decision was handed down. This legislation reached the House floor last week and was overwhelmingly approved on a 294 to 79 vote.

The House bill provides that a confession to police that is "otherwise admissible" shall not be excluded from evidence solely because of a delay in arraignment. At the same time, however, it requires police to warn an arrested suspect before questioning that he is not required to talk to them and that anything he says can be used against him in court.

The measure has now been sent to the Senate for consideration, where a Judiciary Subcommittee has already issued a report calling for clarification of the Mallory decision through legislation. Should this bill become law before Congress adjourns, U. S. criminal justice will be well served and the Supreme Court Justifiably rebuked.

Other House Bills

With only one dissenting vote, the House voted to continue for three years the special school milk program which makes fluid milk available at reduced prices to children in schools, summer camps, and child-care institutions. After passage, the bill was referred to the President.

The House also passed and sent to the Senate a bill which raises from $150 to 250 the maximum amount that the Veterans Administration is authorized to pay for the funeral expenses of a deceased veteran.

Alaska Statehood

Of course, the biggest legislative news last week centered around Senate passage of the bill giving statehood to Alaska. By a decisive vote of 64 to 20, the Senators voted to admit the Territory of Alaska as the 49th state after certain prerequisites are met. The same bill, approved by the House on May 28, will probably be signed by the President this week.

Isbell Lectures On Ballistic Missiles

B. Spencer Isbell of the Army Ballistic Missile Agency will present a lecture on Thursday afternoon, July 10th, to teachers attending the Summer Institute for High School Science Teachers at Alabama College.

As part of his presentation, he will show the film "Exploration of Mars" which depicts Dr. Wernher von Braun's proposals and ideas concerning man's first voyage to Mars. Isbell is a special assistant to Dr. von Braun, who is director of Development Operations Division at the Agency.

Isbell holds a BS degree in Aeronautical Engineering from the University of Alabama. He is a fellow in the American Astronautical Society and the British Interplanetary Society, a member of the American Rocket Society, the American Association for the Advancement of Science, the American Ordnance Association, the Institute of Aeronautical Sciences; a member of the board of directors of the Rocket City Astronomical Association in Huntsville; and Editor-in-Chief of the Space Journal.

The Summer Institute at the College began on June 9th and will conclude on July 18th. It is being sponsored jointly by the National Science Foundation and Alabama College, and has as its purpose the improvement of high school science teaching.

The Army Ballistic Missile Agency is a segment of the U.S. Army Ordnance Missile Command.

Police Academy at Gunter Air Base

Colonel Bill Lyerly, Director, Department of Public Safety and Mr. Ed E. Reid, Executive Director, Alabama League of Municipalities, co-sponsors of the Alabama Police Academy announced today that they will conduct the Eighth Session of the Academy from September 22, through October 31, 1958. The school will be conducted at the Highway Patrol Training School at Gunter Air Force Base, Montgomery, Alabama.

The Academy will be open to all state, county and municipal officers of the state, which includes the sheriffs elect, who will take office in January.

The only cost to the officers attending the Academy will be personal expenses plus meals and the cost of ammunition used in firearms training.

If you are a full-time officer and want to attend the Eighth Session of the Academy, contact Colonel Bill Lyerly, Director, Department of Public Safety, P.O. Box 1511, Montgomery, Alabama.

Association of County Commissioners Annual Meeting in Mobile This Week

The Association of County Commissioners of Alabama will convene in Mobile July 10-11, 1958, for their thirtieth annual convention, to be held at the Admiral Semmes Hotel, states Winston Stewart, Executive Secretary. According to reports from the Mobile Hotels, we are expecting a record attendance. Since county government is the one arm of the state government which serves all the people of Alabama the theme of our convention is, "Alabamians Working for Alabamians", states Stewart.

The convention actually opens Wednesday night, July 9th with a pre-convention banquet for the officers of the Association. This includes the Executive Committee, Board of Managers and Legislative Committee. Hon. James T. Beeland, Judge of Probate of Butler County and Fourth Vice-President of the Association will preside over the banquet, which is expected to run into a business session.

Registration of members and guests will begin at 8 a.m. o'clock Thursday morning on the Mezzanine Floor. A luncheon will be served at 12:00 o'clock noon to all registered members and guests in the Hotel Ballroom.

Formal opening of the convention will be at 2:00 p.m. o'clock with President Roy L. Stone, of Huntsville presiding. The invocation will be given by Judge G. H. Stacy of Bibb County. The address of welcome for the City of Mobile will be given by Mayor Jos. N. Langan and the address of welcome for Mobile County will be given by County Attorney, James E. Moore. The response will be given by Hon. C.C. McWhorter of Lawrence County.

After the announcement of the committees, the highlight of the afternoon session will be an address by Governor-Elect John Patterson.

JUDGE WINSTON STEWART

Judge Stewart is now Executive Secretary of the Alabama Association of County Commissioners. He is a former Probate Judge of Coosa County.

DIPHTHERIA CASES REPORTED

Seven states have reported more diphtheria cases than Alabama this year. According to a report prepared by the National Office of Vital Statistics, 14 cases had occurred in Alabama by June 14. States reporting more cases were Texas 36, Georgia 24, Oklahoma 20, Florida 19, New York, Pennsylvania and Montana 15 each. Virginia has also had 14.

At this time last year, Alabama had had 24 cases, a figure exceeded by only Texas, Georgia and Florida.

Mr. and Mrs. Mike Seale of Birmingham visited her parents, Mr. and Mrs. Will Fullman last week end.

Miss Rebecca Grady of Washington, D.C., spent Saturday and Sunday here with her mother, Mrs. Emma Grady and family.

"Methodist Family Of The Year"

The Clifford Evans family of Trinity Methodist Church, Rome, Ga., has been chosen to represent the Rome Methodist District in competition to find the "Methodist Family of the Year." Clifford Evans was raised around Dogwood and Montevallo. He is the son of the late Mr. Mitch Evans and Leila Evans, who lives in Montevallo now, and he is the brother of Mrs. Alfred Allen.

The Evans have three sons, Sammy 18, a student at West Georgia College, Carrollton; Mitchell, 23, an employe at the Rome Post Office; and Jimmy, 24, in the U.S. Army at Fort Monmouth, N.J. All the sons are single.

Mr. Evans, a commercial photographer, is a member of the Trinity choir and teaches the men's class in the Church School. He also is in the Rome Kiwanis Club and a member of the Rome Berry Alumni. Mrs. Evans teaches a fourth grade at West Rome School and is active in the Oak Park Garden Club.

Sammy, home this quarter and working at Farrar and Lewis Service Station, is president of the Martha Treadaway Church School class. Mitchell has just completed nearly two years in the U. S. Navy. Jimmy graduated from the Georgia Institute of Technology in December.

Families chosen at the district level will compete a the conference level and the conference selectees wil then meet on a national level. The national winner will attend the third National Conference on Family Life in Chicago, Ill., in October.

To qualify, parents in the family had to be no more than 50 years of age; the family had to include at least two children one of whom had to be a teen-ager; all had to be baptized and church members or members of the church school; to have exemplified "inspring Christian living," applied Christian ethics in everyday life and be "warm, godd neighbors."

The selection of the 1958 Methodist Family of the Year is a joint undertaking of the General Committee on Family Life of The Methodist and TOGETHER, a new midmonth magazine for Methodist families. Trinity Church sends this magazine to all families of the church.

The main object in selecting such a family is to focus attention on good family life in American today, said District Supt. J. H. Barton.

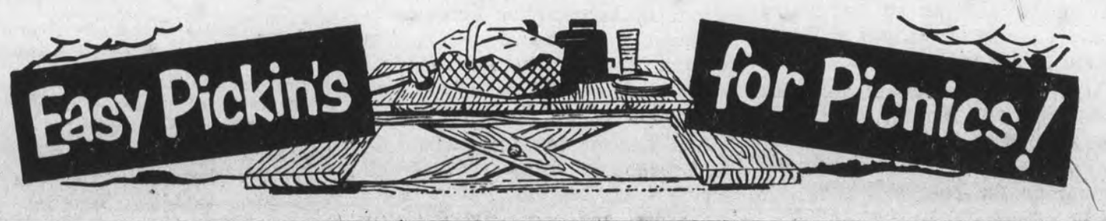

The resource man does not pull great problems down to his level —but rises up to conquer them.

The Central Feed and Grain Company has been purchased by Mack Miles, former owner of the Montevallo Milling Company which was destroyed by fire. Mr. Miles took over the operation of the new business on July 1, under the name of Montevallo Milling Company.

The Central Feed and Grain Company was owned and operated by Frank Thiemonge.

Calera Civitan Club Plans For Annual Labor Day Barbecue

The Calera Civitan Club met Tuesday night at the Calera Cafe at 7:30 p.m. Tommy Lawrence gave the invocation, after which a delicious meal was enjoyed.

"Know Your Civitan Members" has been started in the club. President Warren read some interesting facts about two members. They were found to be Civitans Ricks and Tidwell.

President Warren appointed W. H. Crawford as Labor Day Barbeque Chairman. Eddie Downs will be Ticket Chairman. George Holcombe will handle the publicity for the barbeque.

A committee was appointed to look into the possibilities of sponsoring a new club. They are: Arthur Davis, Chairman; Claudus Tidwell, Carl Edwards and Tommy Lawrence.

Sidney Godfrey, who is attending college under the Calera Civitan Schorlarship, was a guest and expressed his thanks to the club and spoke of his activities. Mr. W. W. Godfrey, Sidney's father and also an inactive member of the club, was also a guest and expressed his desire to be reinstated.

We hope Mr. Godfrey and anyone else interested will come and be a part of this very fine civic organization.

Mr. and Mrs. Finis Poole and Lucinda of Murfreesboro, Tenn., spent the week end with their parents, Mr. and Mrs. Lex Ozley. Mrs. Poole and Lucinda remained for a weeks visit.

The average income of all American families is an amazing $6,390. Figured another way, six out of every seven families earn more than $3,000; five out of ten earn more than $5,000.

A record 45,000 life insurance death claims were paid in 1956 as a result of motor vehicle accidents —3000 more than in '55.

A Note of Thanks

I want to sincerely thank each of you for selecting me to represent Calera High School at Girls State. I consider this opportunity that you gave me a paramount experience. The spiritual, civic, and social benefits I received will enrich my entire life.

Inspirational devotions that followed the symbolic raising of Old Glory every morning filled each of us at Girls State with the desire to serve God and our fellow countrymen in a greater capacity than ever before. Nightly meditations gave us a chance to thank God for the privilege of being an American citizen.

In one short week we were given a thorough course in civics plus the marvelous experience of seeing our government in motion. The responsibilities of good citizenship could never be taken lightly by a Girl Stater. I am eager to become a voting citizen and I know the knowledge I gained has taught me principles that will help preserve our American way of life.

One of the finest aspects of Girl State was the opportunity of associating with girls from all parts of our great state. I would probably have never become acquainted with many of these girls otherwise. I know that I shall continue to be grateful for this opportunity as these friendships blossom in the future.

Not only did I benefit from the spiritual, civic and social aspects of Girls State but I have also developed a new attitude toward my responsibility to our government. Thanks for selecting me to represent Calera High School at Girl State.

Gratefully yours,
PATSY CARDEN

Bill In Congress Aims At Navigation Plans For The Coosa River

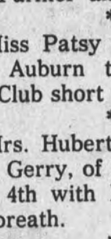

Prospects for the beginning of participation by the federal government in the program for the development of the Alabama-Coosa Rivers for navigation received a boost last week, with the announcement by Senator Lister Hill that the Senate Appropriations Committee, of which he is a member, has adopted an amendment proposed by the Senator, to include in the appropriations bill the sum of $150,000.00 to finance the planning of the first of three dams to be constructed on the Alabama River and also the sum of 20,000.00 to provide for navigation studies on the Coosa River. Senator Hill, long an advocate of the development of these important waterways, gave assurance that his best efforts will be put forth to obtain Senate approval of these funds. If approved by both the House and the Senate and signed by the President then this bill will initiate the long awaited commencement of a program that will bring low cost water transportation to the Alabama-Coosa Valley.

Shelby Countians have a particular interest in the passage of this bill. Over 43 miles of the eastern boundry of the County is along the banks of the Coosa.

TRAVELING SALESMAN!

YES, our familiar symbol bearing Southern's industrial slogan *Look Ahead—Look South!* has certainly "been around" since it was created in 1943. Every year since then it has appeared consistently in our advertisements in national magazines and financial newspapers reaching millions and millions of readers annually.

Why do we keep on saying *Look Ahead—Look South!* so many times to so many people? For the same reason that we maintain an Industrial Development Department that constantly and aggressively seeks new industries for every available plant location along our lines. It's good for the Southern—*and good for the South*—to promote and "sell" the industrial expansion of the Southland in every way possible.

Here is proof. In the six-year period, 1952 to 1958, there have been 2,086 major industrial developments along the Southern alone. They represent an investment of almost $3½ *billion* and have created more than 119,000 new job opportunities for workers here. Keeping our "traveling salesman" busy selling the South helps keep the Southland busy, too!

Dr. Fraser Directs Concert at University

Alabama College's school of music presented the principal concert for the Church Music Workshop held at the University of Alabama July 7 through 9.

Dr. Betty Louise Lumby, Alabama College organist, was featured in the program along with the college's brass and vocal ensembles.

The concert was under the direction of Dr. Arthur Fraser, director of the college's school of music.

Members of the brass ensemble are Elbert Mahaffey and Mike Mahan, Montevallo; Robert Hudson, Birmingham; David Leuth and Elson Hood, Centreville; and Russel Caine, Bay Minette.

Dr. Fraser has been selected to attend one of two conducting workshops sponsored by the American Symphony Orchestra League this summer.

Dr. Fraser is one of 12 conductors who will attend the workshop at the University of the South, Sewannee, Tenn., August 1 through 9. The workshop is financed by the Rockefeller Foundation.

At the workshop, Dr. Fraser will study under Dr. Richard Lert of Los Angeles, internationally known teacher of conducting, and Dr. Erno Daniel of Wichita Falls, Tex.

A 70-piece orchestra will be provided for the conductors attending the workshop.

Jimmy Jones Will Be Assistant Coach At Thompson High

Jimmy Jones, Six Mile, was the recipient of several outstanding honors on Recognition Day at Livingston State Teachers College, May 23rd.

Jimmy was presented the plaque awarded annually to the outstanding student of the year. This is a recognition of his service to the school in every phase of school activity.

An ardent fan of baseball and a member of the L Club, Jimmy was presented the trophy for being the most valuable baseball player of the year at Livingston State. He has played four years for Livingston and plays with local teams during the summer months.

Jimmy served as president of the student body for the past year and is listed in Who's Who in American Colleges and Universities. He is a member of Sigma Delta Fraternity.

Upon completion of two and one-half years at Livingston, Jimmy's College education was interrupted by twenty-four months of military duty, eighteen months of this being served in Germany.

Jimmy has accepted the position as assistant Coach at Thompson High School, Siluria, where he will assist with all sports and coach baseball for the 1958-'59 school year.

He is the son of Mr. and Mrs. Bill Jones of Six Mile.

Thiemonge Sells Milling Business

Mr. Frank L. Thiemonge, Jr., makes the following statement concerning the sale of his mill machinery and inventory to Mr. F. M. Miles:

"In response to the requests from friends and interested parties, I am making the following statement.

"On June 30, 1958, I sold my mill machinery and inventory to Mr. F. M. Miles, who will operate as the Montevallo Milling Co. in the same building that we formerly occupied. The main stock in trade of any grain business is the reputation that it enjoys and its accounts receivable. The reputation that The Central Feed & Grain Co. enjoyed was earned by the efforts of both management and loyal employees as well as a splendid spirit of co-operation from both customers and suppliers. We are proud of this reputation and do not consider it a commodity to be bartered for monetary consideration. We feel, however, that Mr. Miles, through hard work and by a genuine desire to be of service, will earn the same confidence. We wish him well.

"As of now, I am busily engaged in collecting the accounts receivable belonging to The Central Feed & Grain Co. As to the future, I look forward to it with great anticipation.

"Thanks for all past favors. Very truly yours, Frank L. Thiemonge, Jr."

SILURIA HOTEL FIRE—The hotel in Siluria owned by the Buck Creek Mill Co. was damaged badly by fire Sunday after being struck by lightning. Here, two members of the five fire teams fighting the fire pour on the water. (Picture from the Birmingham Post-Herald)

Siluria Hotel Is Damaged by Fire

A fire resulting from an electrical storm badly damaged the Siluria Hotel Sunday afternoon, putting about 20 boarders at the 40-year-old building out in the rain.

Siluria Police Chief Chuck Harris said the fire began at 4:30 after the two-story frame building was struck by lightning.

Volunteer fire fighting teams from Siluria, Montevallo, Alabaster, Calera and Plantation Pipe Line Co. fought the blaze, bringing it under control at 6 p.m.

Chief Harris said nearly all the hotel's furnishings were destroyed and estimated the loss as $25,000.

The building was owned by the Buck Creek Cotton Mill Co.

Chief Harris said boarders in the hotel found places to stay with relatives and neighbors in and around Siluria.

MISS HONOR WINER

Miss Honor Winer Died Suddenly Early Wednesday

Miss Honor Mary Winer, 66, Montevallo, died suddenly at her home at 1 a.m. Wednesday.

Miss Winer retired June 1 as associate professor of music at Alabama College. She joined the college faculty in 1931.

Miss Winer was a voice instructor at the college. Her professional fields were grand and light opera, concert, and teaching.

During the summer of 1928 she had a 15 minute daily program on WMAQ radio, Chicago. From 1917 through 1920 she was a member of the Chicago Opera Company and the Scotti Opera Company.

After coming to Alabama College she presented recitals on campus and in many Alabama cities .

Survivors include her foster father, Wallace A. Roberts, and foster sisters, Miss Alice Roberts, Miss Marion Roberts, Mrs. Roy Barr, and Mrs. Herbert Moore. All are from Chicago.

Funeral services will be held Thursday at 2 p.m. at Breslin Funeral Home, 126 Church St., Selma. Burial will be in Live Oaks Cemetery, Selma.

McKee To Address Mental Health Assn. Meeting

Dr. John McKee, Director of the Division of Mental Health, Ala. Dept. of Public Health, will speak at the July 22nd meeting of the Shelby County Mental Health Association.

Dr. McKee is a clinical psycologist, a graduate of the University of Tennessee, where he also studied for his doctorate. He has held his present position for several years. He is eminently qualified and will present a concrete program of action.

Those persons from all over Shelby County who are interested in the work of furthering the improvement of care, treatment, and rehabilitation of the mentally ill or senile are asked to attend the meeting.

Membership is open to all. A 1958-59 slate of nominees will be presented to the County Association at this meeting by a nominating committee formed at a recent meeting.

MISS PATSY CARDEN, of Calera, is shown giving her demonstration on "Alice In Dairy Land", at the 4-H State short course at A.P.I. last week. Her posters were prepared with the help of Mr. George Starcher, of Columbiana.

County Fair Set For August 25-30

The Shelby County Fair Association has set the week of August 25-30 for the "biggest yet" Kiwanis sponsored Shelby County Fair, in Columbiana.

Plans call for a lively midway, home demonstration and civic club display booths, and many industrial and business booths.

There will be a safely caged display of live Alabama snakes and other interesting material set up by the State Department naturalists.

The Picker X-Ray Co., Birmingham, designers and suppliers of high quality X-Ray equipment will provide an interesting action demonstration of X-Ray techniques.

Cochairmen of the Kiwanis Fair Committee, Bruce Alverson and George Starcher have a great deal of not-quite-set plans to help make this year's fair a truly county wide affair. As the members of the Committee and their fellow club members get positive assurance of these attractions, announcements will be made through your county papers and some other papers serving the county.

"Watch for these announcements and plan to bring the family to the county Fair August 25-30," say the Kiwanians.

Shelby County business men are invited to: rent space for in-door or out-door booths; sponsor a club booth, with adequate sponsorship recognition; buy space in the widely distributed annual fair catalog.

Methodists Plan Bible School

Negro Recreation Report

Although hampered by rain, our program moves forward nicely. Good crowds of children and adults participate and enjoy the activities which create interest and fun. Several attempts at barbecues have been rained out. We have, however, been successful with a weiner roast at the swimming hole. We hope to complete these activities as soon as the weather permits.

Baseball and softball draws very large crowds. The little leaguers have had several games here, but because of rain they have not been able to make a visit as yet. Plans have been made to visit Calera, Columbiana and Centreville before our recreation closes.

The girls softballers played their visitors in mud and rain to try to get the game played while many spectators cheered.

The girls are planning to play the "Tuscaloosa Mohawks" on July 30, on our home grounds, and the Anniston girls at a later date.

Night programs are enjoyable and well attended. Ping pong, dodgeball, basketball, creckers dominoes and cards are good activities to choose from and each one a top card. Dancing usually rounds out our evening of fun. "Up town, Down town" is the square dance liked best.

Our attendance is very good and is expected to increase as more ball games are played. Rainy evenings we can be found in the Prentice Gym with many activities and good crowds.

Two thousand two hundred sixty-nine participants have taken part with us the first half of our program and we hope that more will take part during the last half.

Presbyterian Story Hour

The Presbyterian Story Hour reports a good attendance and lots of enthusiaum. The Story Hour is being held on Monday, Wednesday and Friday afternoons during the month of July from 2:30 until 3:30. Children of all denominations are invited to attend. Transportation will be furnished to those desiring it. Call Mrs. Ralph Sears at MO 5-6871.

BSU SUMMER ASSEMBLY

Misses Laura Hargrave, Mary Katherine Hicks, Sara Jeter, and Gale Jones will represent Montevallo at the Baptist Student Union Summer Assembly at Shocco Springs, near Talladega on Friday, July 18 until Sunday, July 20. The Assembly is being held for incoming freshmen and all other Baptist college students in the State.

Anderson Family Has Reunion

A get together of the Anderson families was held last week at the home of Mrs. Dave Carden, Sr., and Mrs. Ida Anderson. All of Mrs. Anderson's children were present for the happy occasion but one.

Lots of reminiscing and plenty of good lemonade with the trimmings were enjoyed by:

Charlie Anderson and Mrs. Annir Mae Sykes, of Oxford, Miss.; Mr. and Mrs. Cleo Sykes and son, of Tenn.; Mrs. Tom Burnett, Mrs. Lubie Burnett and children, of Lomax; Mr. and Mrs. Will Anderson, of Calera; Mr. and Mrs. George Anderson, Mr. and Mrs. Hansel Anderson and grandson, of Birmingham; Mr. and Mrs. Walker Anderson, Mr. and Mrs. Robert Anderson and family, of Montevallo; Mr. and Mrs. Sanford Anderson, Mississippi; Mr. and Mrs. Dock Anderson and family, Calera; Mr. and Mrs. Edgar Anderson, Mr. and Mrs. Jim Anderson and family, Mr. and Mrs. Rent Birchfield and family, Mr. and Mrs. W. L. Anderson and family, Mr. Dave Carden, Jr., and Susan all of Montevallo; and Mr. and Mrs. Walter Carden and children of Huntsville.

CUB SCOUTS

The Montevallo Cub Scout Pack 59 visited the Birmingham Zoo last Saturday, accompained by several Cub Scout Fathers.

As part of the summer program, the Cub Scouts are making a number of special trips to various points of interest. The boys are all very happy to have their Pack Leader, George Nix, back with them after his injury and extended stay in the hospital.

Mr. and Mrs. Donald Lowery (Peggy Webb) of Calera announce the arrival of an 8 lb. 1 oz. son, Wednesday morning, July 16th. at the Calera Medical Clinic. His name is Donald Earl.

Handy And Arty

One of the most appealing trends in living room decoration today is to hang a mixed grouping of pictures and other objects as a carefully balanced unit. You can also achieve this same artistic effect with the cooking pans and accessories you hang on kitchen walls.

Modern designers of kitchenware have helped by coming up with some of the most graceful shapes imaginable in ordinary cooking pans and utensils, and very often include matching wall racks. They have also been using the world's prettiest and most durable metals, notably stainless steel which combines years of serviceability with a built-in decorative luster that requires only soap-and-water cleaning.

When arranging your kitchen wall spaces, look upon these objects aesthetically as parts of an overall balance. The simple example shown above harmonizes both weights and colors. The larger stainless steel saucepans are set at the foot of the group, with their covers acting as a mirror reflection of the overall kitchen color scheme. The warm fruitwood of the spice cabinet set above on the left ties in with the bright copper bottoms of the pans. Six stainless steel kitchen accessories have been placed on a rack set slightly above and to the right. The spoon, ladle, pot fork, spatula, potato masher and turner have been arranged to complete the balance of the whole grouping as well as for the convenience of having these most-used utensils easily at hand.

4-H Alumni Sponsor Named to National 4-H Committee Board

The National Committee on Boys and Girls Club Work has elected to its board of directors S. L. Nevins, Little Rock, Ark., vice-president of Olin Mathieson Chemical Corporation, Plant Food Division, according to an announcement made by John W. Coverdale, Committee president.

S. L. Nevins

Alexander Nunn

Mr. Nevins is one of 12 directors who manage the affairs of the Committee, a non-profit organization cooperating with State and Federal Extension Services in furthering 4-H Club work.

Aids 4-H Alumni Program

Long active in youth and community service, Mr. Nevins has been particularly interested in former 4-H Club members. For the past six years he has given special attention to the national 4-H Alumni Recognition program which the Plant Food Division supports.

Nearly 6,000 men and women throughout the nation have been honored for perpetuating 4-H ideals. These distinguished former 4-H'ers received awards on the county, state and national levels provided by Olin Mathieson. They include certificates, plaques and the 4-H Alumni gold key awards.

Editor Nunn Honored

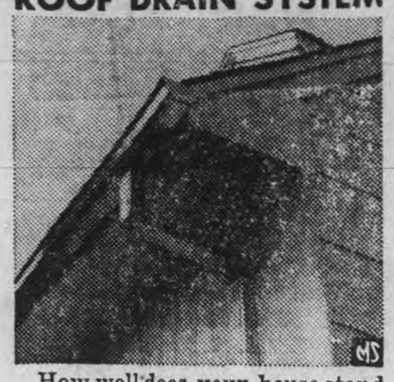

Mr. Nevins will present the national 4-H key award for 1958 to Alexander Nunn, vice-president and former Youngsfolk editor of the Progressive Farmer, Birmingham, at the annual alumni banquet held during the National 4-H Club Congress next December.

Editor Nunn's role in furthering 4-H Club work is a most significant one. In person and through the pages of his publication he has inspired and given credit to scores of 4-H Club members and their leaders as well.

4-H Benefits 20 Million

Seven other men and women will receive 4-H key awards at the Congress. Among them are a university president, dairy farmer, housewife and movie star. The winners were selected by the Cooperative Extension Service. It has been estimated that some 20 million persons have participated in 4-H Club work since its inception.

ROOF DRAIN SYSTEM

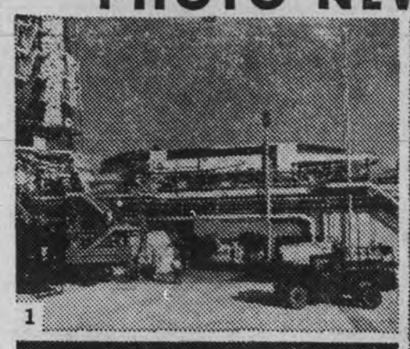

How well does your house stand up against stormy weather?

If you've been having problems, it's quite possible that the fault may lie with the condition of gutters, drains and downspouts. Rust and corrosion in this all-important equipment seriously impairs its efficiency. Some metal can actually "bleed" into unattractive stains on the outside structure of the house.

So if you're considering an improvement in the existing installation, you might take a cue from the increasing number of home owners and contractors who have found stainless steel to be the best material for these fixtures. This metal is highly rust and corrosion resistant. It requires little maintenance and its unique durability results in a longer and thus more economical life to any roof drainage system.

Decorative, too, the stainless gutters and drains, together with the necessary spikes, ferrules and hangers of the same metal, have a permanent built-in luster that gives an attractive accent line to the exterior of the house. Or, if desired, they can be successfully painted to match sidewall colors by the application of a coat of vinyl-type primer underneath the coat of house paint.

Tea Shower Honors Mrs. John M. Seale

Mrs. John Michael Seale, the former Miss Sarah Marguerite Fullman, was honoree at a miscellaneous tea shower Wednesday evening from seven until nine o'clock at the home of Mrs. Roy Hicks, with Mrs. Ashley Jeter, Sr., Mrs. Clyde Burgin, and Mrs. Minnie Lou Warnke as a hostesses.

Guests were received by Mrs. Hicks, Mrs. Seale, Mrs. W. F. Fullman, mother of the bride, and Mrs. H. T. Seale, mother of the groom.

Mrs. Fred Frost, Sr., and Mrs. Stanley Mahan poured. The lace covered table was centered with a punch bowl surrounded by frosted fruit.

Pink daisies and white gladioli decorated the living and dining rooms. Mrs. Kenneth Holcombe attended the bride's book. Gifts were displayed by Mrs. M. P. Jeter, Sr.

Assisting the hostesses were Mrs. Lee Wilson, Misses Linda Lawson, Sarah Jeter, Ann Poole, Joan Gentry, Billy Jon Martin, Columbiana, Patricia Galloway, Martha Ann Edge and Marylyn Harris.

Among out-of-town guests were Mrs. Frank Busby, aunt of the bride, and Mrs. Tony of Bogalusa, La., and other friends and relatives from Birmingham and Columbiana.

REPORT ON CANCER

Alabama recorded fewer cases of cancer during June than in any other month this year. A report released today by the State Health Department showed the June total to be 529. Totals for earlier months were January 550, February 1,026, March 986, April 717 and May 620.

Sixty-one counties in the State reported cancer cases in June. Shelby County listed six.

Tips for Safe Holiday Trips

By Jeanne Smith, Dodge Safety Consultant

PLANNING a holiday trip to visit the family or friends? Don't spoil the reunion with an accident on the highway. Safety experts point out that there are more hazards to threaten a safe journey at this season than at any other time of the year.

Miss Smith

Inclement weather and more hours of darkness make visibility poor and highways treacherous. And the holiday spirit often causes drivers to be less alert than usual.

For a safe and pleasant trip, follow these suggestions from the National Safety Council:

1. **Plan your trip so that as much of the driving as possible will be accomplished during the daylight hours.**
2. Postpone your trip if the weather is bad or if hail, snow or sleet are predicted for the area in which you plan to drive. Consult the weather bureau for a forecast if you're in doubt.
3. **Drive slowly and cautiously. Wet, slippery roads increase emergency stopping distances.**
4. Assume that there are icy or wet patches on seemingly dry pavement — especially around curves, beyond hillcrests, on bridges and in shaded spots—and drive accordingly.
5. **Be certain your car is in top mechanical condition before attempting any sort of trip. Check windshield wipers, defrosters, headlights, tail lights, brakes and tires. Use reinforced tire chains when the road is covered with snow or ice.**
6. If you drink, don't drive.

TREE FARMING BOOM—A BOY AND A TREE GROW UP TOGETHER

Eight years make a big difference in a boy and a pine tree, especially in the South, where industry's Tree Farm movement is helping to meet a growing demand for raw material needed by lumber, pulp and paper mills, and other wood-using industries. As a 4-year-old cowboy in 1949, Wallace Whatley was photographed beside a year-old pine seedling planted by the Opelika, Ala., Rotary Club as part of the club's campaign to put 35,000 acres of Lee County land into productive forest crops. By 1952 Wallace could not reach the top of the tree and some three million trees had been planted. In 1955 he had to back off to see the tree's top. Now, Wallace has graduated to a Boy Scout uniform, and the pine is well on its way to becoming a tree of commercial size. (A F P I photo)

Lucinda Jane Poole Has Party

Saturday, July 12th, Lucinda Jane Poole, of Murfreesboro, Tenn., was home visiting her grandparents, Mr. and Mrs. Lex Ozley of Calera, and was honered with an early birthday party. She will be 1 year old July 18th.

At her party Saturday nine little girls friends helped her celebrate after viewing the green and pink birthday cake. She went to work on it with hands and feet. Games were enjoyed and ice cream, individual cakes, and punch were served.

Each child was presented with party favors, and moving pictures of the groups were taken by Lucinda's father, Mr. F. W. Poole.

Those present were Joyce and Betty Fay Cook, Betty Jane, Barbara and Doris Ann Roy, Ginny Gates, Linda Cobb, Elizabeth Ann Milford and Toni Minor.

Many more happy birthday's darling.

Soil Conservation District News

By B. F. Hatchett and Geo. C. Starcher

The Alabama College Resource Workshop will be held this year, with the Conservation field trip being made to the Easte's Brothers' big general farm at Wilsonville. The Easte's farm was the 99th farm to be planned under a Soil Conservation district agreement in Shelby County.

In August the annual North Central Soil Conservation District Barbecue will be held on the J. H. Edwards' farm. Shelby and Bibb County are hosts to the other four counties. Invitations will be limited to 250.

Heavy rains are filling practically all ponds at a time when they are normally losing water.

The first Soil Bank pond in the West Section of Shelby County is filling at the C. R. Crim farm near Calera. It was completed about July 5.

MISS TOMMY MOWERY

Montevallo Legion Auxiliary Honors Girls State Representatives at Picnic

The American Legion Auxiliary of the Hendrick-Hudson Post No. 96, Montevallo, held its annual Picnic supper meeting at the Legion Hut Thursday evening, July 10, at 7:30, when Miss Tommy Ruth Mowery, of Wilton, and Miss Judy Wallace received special recognition as Montevallo representatives to Girls State in Montgomery. Miss Mowery represented the Auxiliary and Miss Wallace was representative of the B. & P. W. Club.

Miss Mowery, who was chosen at Montgomery as one of the two girls who will represent Alabama at Girls' Nation in Washington, D.C., later in the month, was surprised with a birthday party complete with cake and presents. The Wilton friends present, speaking for their community and all of Tommy Ruth's friends there, presented her with a beautiful set of matched luggage, as a token of appreciation for the honor she had brought to her home town. Many beautifully wrapped gifts were opened by the honoree and passed around for the guests to see.

Miss Mowery and Miss Wallace reported on their experiences at Montgomery, closing their talks by singing the songs of "Girls' State" and "Girls' Nation," and expressing their appreciation for having been sent by the two organizations.

The Girls' State representatives and other guests were introduced by Mrs. R. L. Wooley as follows: Miss Mowery and her mother, Mrs. Paul Mowery, of Wilton; Miss Wallace and her mother, Mrs. C. G. Wallace; Miss Josephine Eddy, representing D.A.R.; Mrs. Willie Galloway, representing the B. & P. W. Club; Mrs. A. N. Vail, Mrs. Hershel Day and Mrs. B. B. Curry, from Wilton, and Mrs. Francis Harrison, of Dogwood.

Mrs. Woolley presented the two special guests of the Auxiliary, Mrs. Paul K. McInnis, the Department Secretary and Treasurer of the Auxiliary, Montgomery; and Mrs. W. W. Andrews, Department Chairman of Girls' State, and President of the Auxiliary in her hometown, Jackson, Ala.

Installation of the following new officers for the Montevallo Post was conducted by Mrs. McInnis and Mrs. Andrews: President, Mrs. A. E. Baumgartner; First Vice-President, Mrs. Fred Miller; Second Vice-President, Mrs. R. L. Woolley; Secretary, Mrs. Bill Weston; Treasurer, Mrs. Lee Wilson; Historian, Mrs. M. P. Jeter; Chaplain, Mrs. F. H. Frost, Sr.; Sergeant-at-Arms, Mrs. Will Fullman and Mrs. Ernest Lovelady.

STEVIE SEARS' BIRTHDAY

Little Stevie Sears celebrated his sixth birthday last Friday at his home on Ashville Circle. Members of his kindergarten class were invited to supper. The guests played games and enjoyed a beautiful birthday cake.

Those attending were Danny Wyatt, Joe Lovelady, Donnie Nelson, Reggie Bolton, and David McGaughy.

Stevie's parents are Mr. and Mrs. Ralph Sears.

MR. AND MRS. ROBERT E. HAWKINS

Robert Hawkins, Miss Thackerson Wed

Talladega, Ala., July 15—Miss Mary Joyce Thackerson became the bride of Robert Eugene Hawkins in a ceremony performed at high noon July 7 at the First Baptist Church by the Rev. James Chesnutt, pastor of Montevallo Methodist Church.

Parents of the couple are Mr. and Mrs. S. L. Thackerson and Mr. and Mrs. Floyd Hawkins of Montevallo.

Miss Anita Thackerson attended her sister as maid of honor. Junior maid was another sister, Miss Madeline Thackerson.

The bride was given in marriage by her father. Her waltz-length dress of Chantilly lace and satin featured cap sleeves, portrait neckline and scalloped hemline. Her fingertip veil of illusion fell from a tiara of seed pearls. She carried a white Bible with rosebuds and a white orchid.

Mr. Hawkins served his son as best man. Ushers were John Crosby and Ernest Crosby, cousins of the bride. Tapers were lighted by Walter Thackerson Jr. and Charles Pearce.

After a wedding trip, the couple will live in Montevallo.

Miss Coker and Robert B. Davidson, Jr., Wed

Miss Nobie Jean Coker and Robert B. Davidson, Jr., exchanged nuptial vows in a ceremony at 2:30 p.m. Sunday at the home of the bride's brother-in-law and sister, Mr. and Mrs. William J. Welsh. The Rev. Pat Minshaw officiating.

Parents of the couple are Elbert B. Coker of Calera, and the late Mrs. Coker, and Mr. and Mrs. Robert B. Davidson of Helena.

Mrs. Welsh attended her sister as matron of honor, wore a pale blue chiffon street-length frock with scooped neckline and short sleeves. Her flowers were white carnations.

Given in marriage by her father, the bride was dressed in a frock of white chiffon and lace. The fitted lace bodice had a Peter Pan collar and three-quarter length sleeves. The chiffon skirt was street length. Her brief illusion veil was attached to a pearl tiara and she carried a white orchid on a Bible.

Evans Davidson, brother of the bridegroom served as best man.

Betty Lu Walsh lighted the candles.

The bridegroom's mother wore a blue frock and corsage of white carnations.

After a wedding trip to the Smoky Mountains, the couple will live in Birmingham.

Miss Billie Fay Bratcher of Jemison was a recent week end guest of Miss Deegee Downs.

Mr. Robert Holcombe is improving at home from a recent illness. Robert, Jr., of Mobile was a week end guest.

Mr. Jack Harris of Birmingham visited in Calera Saturday.

MR. JOHN PARISH, Dairy Extension Chairman, from A.P.I., presented Miss Patsy Carden, daughter of Mr. and Mrs. Clyde Carden, of Calera, a certificate for being elected State Individual Dairy Food winner. This honor also entitles Patsy to attend the National 4-H Congress, in Chicago, whichwill be held in November.

MR. A. R. BRAY, of Carnation Milk Co., presented an Elgin wrist watch to the State individual winner, Miss Patsy Carden, of Calera, and the Team Dairy Food winners, Miss Rebecca McClendon and Miss Margaret Mitchell, at the 4-H State Short Course at A.P.I. last week. The watches were unique because they have 4-H emblem on the faces.

Letters dropped in street letter boxes or at the post office after 4:30 p.m. July 31st will require the new rate of postage.

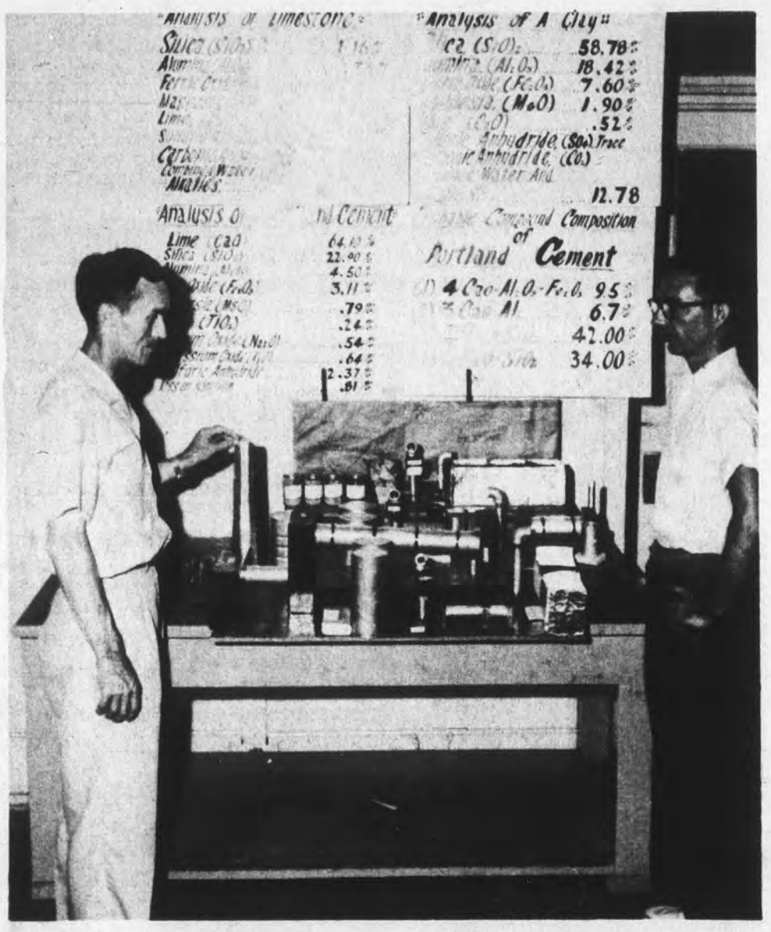

Jemison Boy Injured in Auto-Scooter Accident

Braxton Lenior, 14 years old, of Jemison, was rushed to University Hospital Wednesday after a collision with the motor scooter he was riding and an automobile driven by Franklin D. Allen, of Montevallo. The accident occurred on Highway 25 between Montevallo and Calera at the intersection with the Jemison cut-off, at 11:10 a.m.

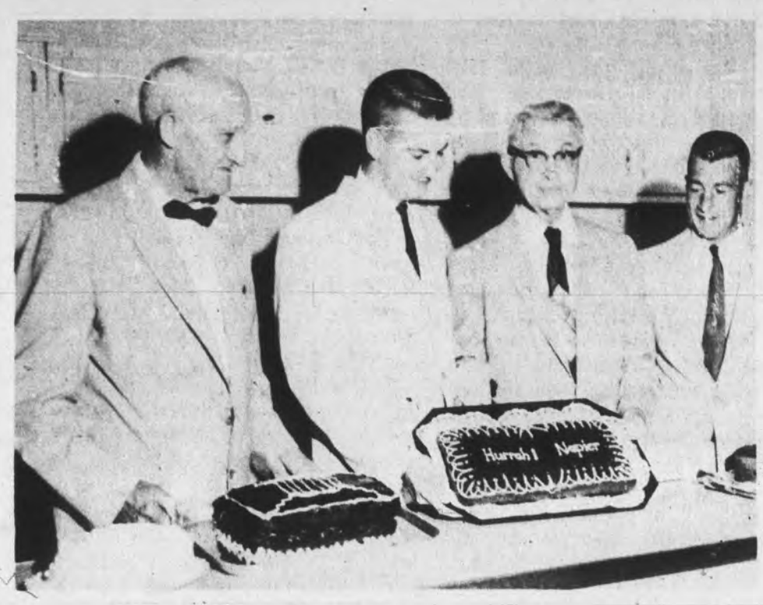

Lenoir suffered a compound fracture of his left leg above the ankle and numerous abrasions, according to Dr. L. H. Hubbard, who was called to the scene of the accident. The motor scooter and the automobile were both travelling East toward Calera. Mr. Allen, driver of the automobile stated that the boy on the yellow motor scooter made a quick U-turn in front of his car and when he tried to miss him they collided and the automobile swerved into the ditch along the highway. Traffic along highway was hindered for abuot 20 or 30 minutes while the doctor examined the boy before rushing him to the hospital.

HOLY COMMUNION

There will be a celebration of Holy Communion at St. Andrew's Episcopal Church, Sunday, July 27, at eleven o'clock.

Fair To Award Attendance Prize

The Shelby County Fair Committee announces a new "First" in its efforts to make this year's fair "Biggest Yet".

A 700 pound purebred Angus steer has been donated to the Kiwanians to use as an attendance prize to some lucky adult fair-goer.

J. Harry Edwards is "feeding out" the steer at his "Briarfield Angus Farm" on highway 25 at the Bibb County line. Edwards is giving the steer to be awarded during fair week, August 25-30.

Late developments on fair plans according to co-chairmen Bruce Alverson and George Starcher are:

A large booth engaged by Phillips Associates to display their fine fabrics.

Exterior space has been engaged by Seaman Timber Co., Montevallo, Alabama, who specialize in creosoted posts, poles and timbers with many associated interests.

Also out-of-doors will be space reserved by WBYE for their remote facilities.

Each week an announcement of fair plans will be made.

Make the fair a family affair.

Take the kids to the fair—you may bring the Briarfield steer home!

Fire Department Needs Three New Members

The Montevallo Volunteer Fire Department has openings for "about three new active members," according to Fire Chief Bill Pendleton.

Meetings of the department are held the first and third Mondays of each month. The next scheduled meeting will be August 4 at 7:30 p.m. at the fire station.

A class on the operation of the fire truck pump will be held.

"We are going to have classes and films on fire fighting in addition to business meetings," Pendleton said. He urged people already on the department to attend the meetings regularly.

Bill Rabren Elected Fraternity Head

Bill Rabren, Coumbiana Attorney, was elected Justice of the Alabama Alumni Chapter of the Phi Alpha Delta Law Fraternity at the alumni meeting held at the Jefferson Davis Hotel, Friday at noon.

The alumni gathering, held in conjunction with the annual meeting of the State Bar Association, heard an address by Dean William M. Hepburn, dean of the Emory University Law School.

An estimated 100 persons attended the luncheon meeting.

Other officers elected were Charles Adair, Dadeville, Vice Justice and Ed A Ling, Bessemer, Clerk.

Students From Far and Near Attend Summer School

By James Davis

From various parts of the United States come the 112 students who are enrolled at Montevallo High School this summer. From as far as LaGrange, Illinois, in Yankee Land, comes Betty Kilber; and from "way down South" (Key West, Florida) Harry Hurt, a former Montevallo resident returns to attend summer school. Three came all the way from Louisiana. They are Lois and Jane Vickery from New Orleans, and Wayne Underwood of Lake Charles.

From over the state, students traveled from as far north as Cullman and as far south as Chatom to seek summer education. More than half the students attending the eight-weeks session are from schools located in Shelby County, with Montevallo claiming the largest number, 46.

In a poll, recently conducted by the writer, students were asked why they were attending Montevallo High School this summer. The largest number, 32, wanted "to get ahead in their work." Nineteen named Montevallo as being the nearest and only summer school in Shelby County; and not ashamed to admit it, were 18 students who stated they were attending summer school because they had failed some subject and wanted to make up the work to keep from being behind their class. Ten named "nothing else to do," and four stated that they intended to graduate early and enter college.

The poll also revealed many interesting facts about some of the students. One girl, Tally Schepis, has attended schools in Miami, Florida; Jericho, Vermont; Little Rock, Arkansas; Milledgeville, Georgia; and Brazil in South America. She now lives in Selma and attends Parrish High School there.

Another interesting item told by one student concerned trips to various parts of the country. Bob Mullins told of traveling five times to Washington, D.C.; seven times to the State of Texas; and once to New York. His father was elected Tax Assessor.

In the social studies field, Mr. Corbett has offered courses in American History and Democracy. Three student teachers, enrolled at Alabama College, have been under his supervision as they did practice teaching and/or took methods courses.

For the first time in several years typing I and II were offered at the high school. In past years students wishing to take this subject had to enroll in the college class. Miss DeMent, the commercial teacher during the regular session, is in charge of this work.

The demand for English was so great that two teachers had to divide this number. Miss Slater is teaching Sr. I English, while Mr. Hamric is working with the Sr. II and Sr. III group.

Summer school is in session three hours a day and lasts for eight weeks. Students, who satisfactorily complete the required work for the course in which they enroll, may earn one credit during this time.

Although the "poll" revealed complaints about the hot weather, the hard seats, and the quantity of work, the majority of the students admitted they were enjoying summer school at Montevallo High.

At the blackboard Janice Lucas is explaining the vocabulary lesson to part of the Sr. I English class. Seated at the table (left to right) are Lanelle Martin, Marjorie Thiemonge, Randal Oaks, Terry Glover, and Brenda Bean. Standing is Miss Slater, Instructor.

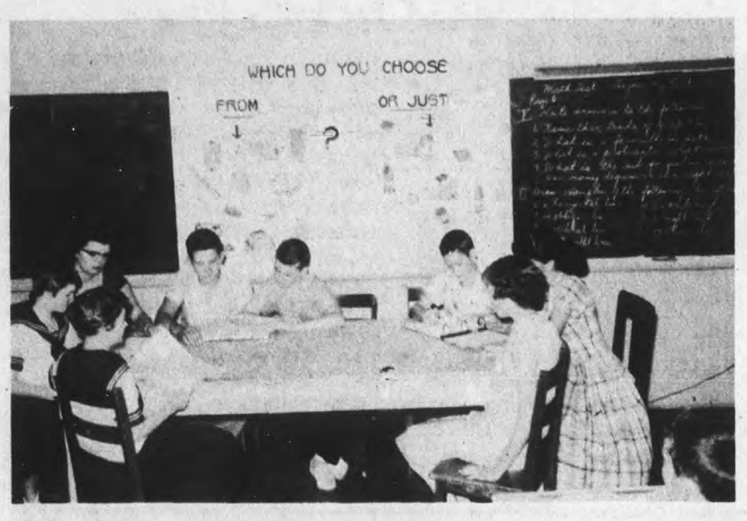

Janice Jones gives the news report to the summer school class in American History and Democracy, under the supervision of Mr. Cratie Corbett. Students identifiable are: Front row (left to right) Charles Goggins, Randy Wooley. Second row, Edith Edfelt, Bob Mullins, Virginia Wilder.

Jerry Boockholdt of Columbiana, who is enrolled in American History here, owns and operates a dairy.There is nothing unusual about this, except that Jerry is a girl—the only girl in Alabama who claims this occupation. "My income for one month," stated Jerry in an auto biography written at school, "is around $500." This industrious girl says she definitely prefers the farm to the city and is proud of her prize cows, which have won many awards in county and state competition.

The staff for the summer school includes Mr. Guy Milford, principal; Mrs. Bill Weston, Secretary; Mrs. Harold Anthony, Mrs. W. C. Corbett, Miss Susie DeMent, Mr. B. W. Hamric, and Miss Millie Slater, a recent Alabama College graduate.

Mrs. Anthony has charge of the Junior high school group. This class has worked on any phase ot the work which the students felt they needed.

Mrs. Anthony assists a group of Jr. I's and II's as they study to "make up" or "get ahead."

Calera O. E. S. Has Installation Service

The Tom McKibbon Chapter No. 499, O.E.S., at Calera, installed their officers at an open installation Saturday evening, July 5, at 8:00. The Chapter was opened and called to order by the Worthy Patron, A. E. McDonough. Invocation was given by Reverend Banks. Welcome address was given by the Worthy Matron, Mrs. Lucille McDonough. Officers installed for the evening were Mrs. Elva Clemmer, Installing Grand Officer; Mrs. Hazel Whaley, Installing Gran Chaplain; Mrs. Merle Chapman, Installing Grand Marshal; Mrs. Virginia Young, Installing Grand Organist. Mr. T. E. Chaplian gave the obligation.

Mrs. Luesta Wilson was installed Worthy Matron for the ensuring year. Sharon Askins rendered a solo, accompanied by her sister, Miss Beulah Askins.

Acceptance address was given by Mrs. Luesta Wilson. The closing song was sung by Misses Nancy and Sharon Askins. Benediction was given by the Reverend Banks.

The guests were invited to the City Hall where delicious refreshments were served by Miss Gwen Wilson, Miss Ann Parmer and Mrs. Arthur Davis. The new Worthy Matrons' chosen colors of red and white were carried out in the decorations and refreshments.

The following officers were installed for the ensuring year.

Mrs. Luesta Wilson, Worthy Matron; Mr. Jess Hinson, Worthy Patron; Mrs. Myrtle Lowry, Associate Matron; Mr. K. G. King, Associate Patron; Mrs. Jean Frost, Secretary; Mrs. Eileen Spencer, Treasurer; Mrs. Sara McDonald, Conductress; Mrs. Flora Pearl King, Associate Conductress; Mrs. Lydia Stockdale, Chaplain; Mrs. Virginia Smith, Marshall; Mrs. Carolyn Compton, Organist; Mrs. Beulah Busby, Ada; Mrs. Gladys Raegner, Ruth; Mrs. Avis Watson, Esther, Mrs. Nancy McMahon, Martha; Mrs. Doris Hinson, Electa; Mrs. Mae George, Warden; Mr. Huey Wilson, Sentinel.

The Worthy Matron urges that all members and officers attend meetings on the first and third Tuesday nights of each month.

Discovering how fascinating, yet useful, typing can be are these students, under the direction of Miss DeMent. Front: (left to right) Bobby Turnbloom, Blair Mabry. Second row: Florence Ferguson, Jewell Ferguson, Jenny Lou Crawford. Back: Murphy McGehee, James Davis, Nita Hicks, James Garrett, Carolyn Hawkins.

Culture Club Sponsors Art Show at Fair

The Columbiana Culture Club is sponsoring an art show at the county fair for the first time.

We are encouraging those who are interested in all types of art including three dimensional work (pottery, sculpture, etc.) This should be work that has not been previously exhibited in this county.

Entries will be shown and judged in 3 different age groups.

Children—age 3 through 14.

A prize of $7.59 and $5.00 will be given to the first and second place winner. The entrance fee in this group will be 25 cents for each piece of art work shown. In the two other groups the entrance fee is 50 cents per entry shown.

Second group—15 through college.

First and second prizes of $10.00 and $7.50 given in this group.

Adult group. The work in this group is for showing only and no cash prize will be given. However, it will be judged. If anyone in this group is interested in selling their work the sale price should be attached.

All art entries should be brought to the Club room at the Columbiana Recreation building on August 21 and 22 from 9 a.m. to 9 p.m. No work will be accepted after this time.

Children and student pictures should be matted but unframed. Adult pictures may be matted or framed.

Entrants may pick their work up on Tuesday, Sept. 2, from 9 a.m. to 9 p.m.

The steam engine was not invented by Watt. The Encyclopedia Britannica confirms the fact that he simply improved upon Newcomen's engine and completed the application of steam to power. There were steam engines in existence before his time.

Boating Hazards

Every year in the United States there is an increase in the number of small boats as well as the number of people who go boating. Even with this increase of boaters the number of people who drown has not increased. This definitely indicates that the public is more educated to the dangers of small boats now than in the past. However there are many lives that could be saved each year if more education as to the dangers was available.

Water transportation accidents take approximately 1,500 lives a year in the United States. Small boat accidents account for about 1,200 of these deaths annually or about four out of every five fatal water transportation accidents occur in small boats.

There is a definite relationship to small boat drownings with age and sex of the victims, as well as seasons of the year. Nearly half of all fatal small boat accidents occur in the three months May through July, the majority occurring in May.

The greatest mortality from small boat drownings occur among males during adolescence and early adult life. The rate being 1.2 per 100,000 at ages 10-14 to 3.1 per 100,000 at ages 20-24. The majority of these fatal accidents occur in motor-driven boats, and largely of the outboard type. This does not necessarily mean that this type is more dangerous but it is by far the most common in use.

According to insurance records nearly three-fifths of all the deaths in small boat accidents occurred among people who were out fishing. The clearly indicates that there should be more caution taken among fishermen.

Insurance data also indicates that many lives are lost in small boats becuse of such dangerous practices as shifting positions, overloading, speeding and sharp turning. Many of these victims were non-swimmers.

There are other causes which contribute to the causes of accidents, such as sudden squalls and treacherous currents.

All people going fishing in small boats should observe safety measures, avoiding speed, do not overload the boat, once seated in the boat remain there, know how to swim, always carry adequate life-saving equipment, and avoid swift, treacherous water. Unless one is an expert boatman he should not be doing tricks, and turning short with the boat, and even then it is a dangerous procedure. —John D. Rayfield, M.D., County Health Officer.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

For the third week in succession, the House of Representatives has passed legislation designed to curb the power of the U.S. Supreme Court.

Three weeks ago members of the House approved a bill providing that a criminal confession to police which is "otherwise admissible" cannot be excluded from evidence solely because of a delay in arraignment. In 1957 the Supreme Court had reversed the death penalty of a convicted rapist on the grounds that he was held too long between arrest and arraignment and that, because of the delay, his confession had to be disregarded.

The following week a bill was passed by the House which extends the government's loyalty program to employees in nonsensitive jobs. The Court had ruled in 1956 that the security program was applicable only to those workers who had access to classified information.

States Rights Bill

The third bill was passed by the House last week and is an attempt to preserve state laws by establishing a specific rule of interpretation of federal acts.

For almost 120 years, the U.S. Supreme Court held that a state law was valid as long as it was not in direct conflict with a federal law on the same subject. However, since 1941 the Court has made a number of decisions in which it held that when Congress passes a law on any subject it intends that all state laws on the same subject be superceded — regardless of whether or not there is a conflict between those laws.

For instance, in the Alabama case of Cloverleaf Butter v. Patterson, the Court held that because Congress has enacted the pure food and drug law it had assumed complete jurisdiction in that field. Thus, this ruling prohibited Alabama from enforcing one of its health laws which required inspection of renovated butter to be sold in the State.

The decision which has most urgently pointed up the need for a return to the Court's original rule of interpreting federal laws was made in the 1956 case of Pennsylvanio v. Nelson. The Court ruled that Pennsylvvania could not prosecute a communist under its state sedition laws since a federal law—the Smith Act—had been passed on the same subject. Under this decision, the Court made the erroneous assumption that Congress, when it passed the Smith Act, was unaware that 42 states had sedition acts.

In recent years Congress has legislated on a multitude of subjects. If the Supreme Court continues to follow its present doctrine, the states will eventually be deprived of practically all powers and sovereignty in the enactment and enforcement of laws designed to protect the health and welfare of their citizens.

Realizing this danger, I joined with Rep. Howard Smith of Virginia on the first day of the 85th Congress in introducing identical bills designed to modify this doctrine. Last week, the House of Representatives passed similar legislation which will permit concurrent jurisdiction so that state laws can be enforced as long as they do not directly interfere with a federal act.

According to the House bill, the Court cannot rule that a state law was superseded by a federal law on the same subject unless Congress specified in the law that a pre-emption was intended or unless the state statute is in "direct and specific" conflict with the federal law to such a degree that the two cannot be reconciled.

Although the bill was denounced by some as a states rights measure that might interfere with integration, it was approved in the House by a vote of 241 to 155. There is every indication, however, that the measure faces stiff opposition in the Senate.

Edward J. Bell Attends Reserve Officers Camp

Fort Eustis, Va.—Cadet Edward J. Bell of Wilton, Ala., is attending a six-week summer camp at Fort Eustis Va., under the Reserve Officer Training Corps program of the University of Alabama, University. The training will end August 2.

Bell, 20, son of Mr. and Mrs. Joseph Bell, was graduated from Montevallo High School in 1955 and is a member of Delta Sigma Pi fraternity.

Supervisors Have Button Clover Seed

Supervisors of the North Central Soil Conservation District announced this week that they have secured a larger supply of button clover seed. This seed will be sold a 34c per pound F.O.B.

Many district co-operatives were unable to obtain button clover seed at all last year, and the supplies which were found were sold at about double this price.

A. C. Parker, Lake Purdy, had a splendid seed crop on his button clover this spring, and the ground is literally covered with seed.

At the other extreme of Shelby County, co-operator J. H. Edwards has just plowed and disced a six acre button clover-rescue pasture for the first time in several years. Each year he makes hundreds of bales of high quality hay after heavy winter grazing on this field.

Near Wilsonville, G. H. Eastis, H. S. Kennedy, Homer Jackson, and Albert Lokey are co-operators using button clover to advantage. In one field on the Eastis farm, for instance, last winter was the fourth volunteer crop of the clover from one crop of seed.

Orders for button clover seed should be sent to district supervisor John L. Cates, Columbiana.

County Highway Progress Report

The bituminous paving of 14.3 miles of new county highways was completed on Saturday, July 19. The location of this work is from a point just south of Alabaster, on US 31 northeasterly via Simmsville to the intersection with US 280 (Highway 91) near the Mountain View Lumber Company. A spur was also completed from Pelham on US 31 east to the intersection with the Simmsville Highway. The Simmsville Highway will be designated as County 11. The completion of these projects effect important links across this section of Shelby County. Eventually a connecting link will be established from Alabaster on US 31 northeasterly via US 280-State 25 (Vandiver) to US 78 near Pell City. Access to the new Shelby County Hospital (soon to be constructed) at Alabaster will be more easily reached from the US 280 area. I urge the citizens of our county to make the drive through this scenic section of the county. I feel confident that you will find the trip most enjoyable. The mountains, valleys and verdant hillsides are very beautiful from the persistent precipitation.

In addition to the above, construction work is consistently underway to pave approximately 15 miles of newly constructed other highways before October 30, of this year. Also 18.5 miles of resurfacing (paving) will be accomplished as part of a planned maintenance program. The county agreements with the State Highway Department and the Bureau of Public Roads requires this periodic maintenance and of course the upkeep of our paved highway system is highly desirable. In this way we protect the County, State and Federal investment that has evolved over the past 12 years. A large county map in my office shows the location of all county highways that any citizen is welcome to examine. At the end of 1958 Shelby County will have 218 miles of paved highways that were non-existent in 1946. Nearly all areas of the county are now readily accessible. The county still has some 500 miles of unpaved rural routes.

A new 6 span reinforced concrete bridge is very near completion over Fourmile Creek, 2 miles west of Wilsonville on the Fourmile road. The Fourmile highway is scheduled for pavement in 1959. Construction of two more reinforced concrete structures will commence immediately on the Calera-Springcreek county highway over the northeast and southwest portions of Dry Creek. The completion of these bridges will make a total of 19 new reinforced concrete bridges and bridge culverts since 1946. Numerous small concrete culverts and pipe installations have been made.

Plans and surveys are well underway for construction of 24 miles of other county routes under the Farm-to-Market program utilizing State and Federal funds on a matching basis. We sincerely request the cooperation of county citizens of these and future routes in the acquisition of the necessary right-of-way and other problems.

The excellent teamwork of your county officials, county highway department employees and cooperation of the citizens is making this consistent progress possible. — James L. Ray, Jr., County Engineer.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

PLAN AHEAD! This is the time of year I like to get out and look over the summer's crop of new homes. They're all mighty nice—so pretty and modern. Of course, as a telephone man, I especially like to see the ones that are "telephone planned." This means telephone outlets are prearranged so a new home owner can have as many as he wants just where he wants them. Then, if there's only one phone to begin with, others can be installed later without any trouble. The wiring is concealed, and there's no need to run wires around doors and woodwork. Look for the Telephone Planned Home symbol when you go new house hunting. If you're building your own new home (or even just remodeling your old one), call us and we'll be happy to help you with your telephone planning.

* * *

PHONE AHEAD: Just as July is a heavy building month, it's also vacation month—probably the most popular of the summer. So, remember, when you're traveling on the highway, *take it easy!* No reason to hurry! If you're going to be late or if you're worried about reservations, just call ahead. You'll find convenient outdoor telephone booths ready to serve you 'most everywhere you go.

* * *

IS THIS TAX FAIR? Somewhere recently I came across this little view of the past. It seems that in ancient Egypt the life of a tax collector was no cinch. Many were often attacked by the taxpayers, smeared with honey, and left tied to ant-hills. I'm certainly glad times have changed because the phone company is a tax collector of sorts. The tax we are required to collect from you for the government is the excise tax—the extra 10% added monthly to everyone's telephone bills. Originally, this tax was a war-emergency measure, but you still pay it today. No other household utility is subject to such a tax, so in fairness to all it's high time the Federal excise tax was abolished.

Arthur Cooper To Visit Russia

Arthur W. Cooper, director, National USDA Tillage Machinery Laboratory, Auburn, will be a member of a USDA exchange team on mechanization of agriculture to visit the Soviet Union this summer.

COOPER

This team is a part of a delegation exchange plan between the United States and the Soviet Union to provide a general program of exchanges in cultural, technical and educational fields. This will be the first USDA-sponsored group to have an opportunity to visit Russian farms, research stations and institutions and learn what agricultural developments have taken place in the U.S.S.R. Russian visitors to this country will have opportunity for similiar observations.

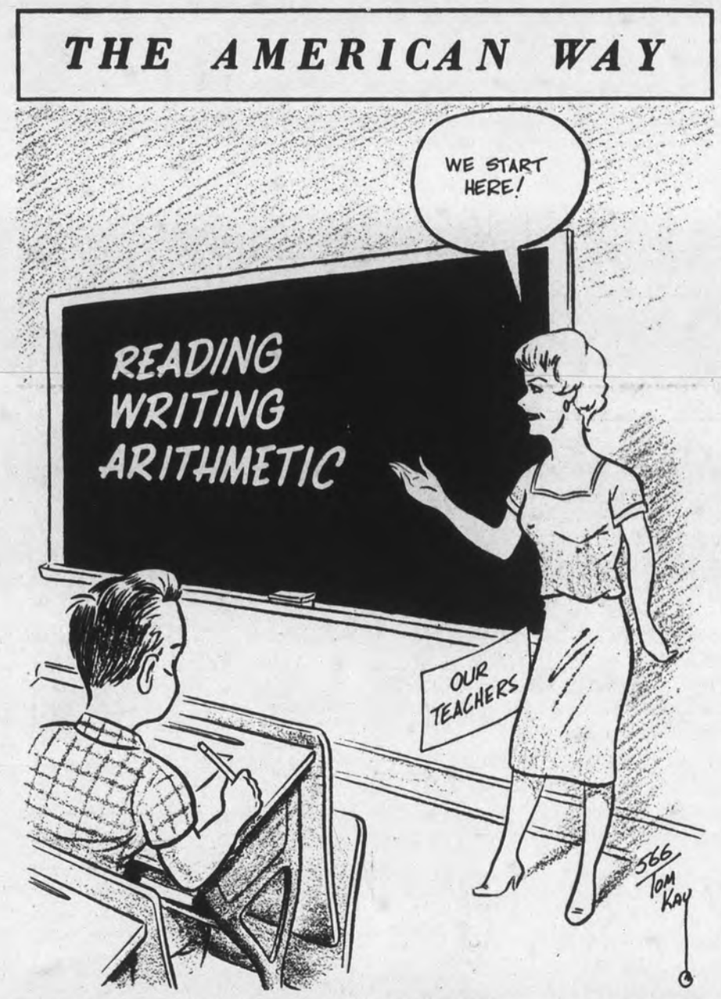

The team will observe farm mechanization practices in representative type of farming areas.

Dr. Cooper, a native of Montevallo, received his B.S. and M.S. degree from Alabama Polytechnic Institute and Ph.D degree from Michigan State University. He was associated with the API agricultural engineering department from 1939-45, with Purdue University, 1946-49 and with the USDA since 1949. He was named director of the Tillage Machinery Laboratory February 1, this year.

Other members of the six-man team are; Walter M. Carleton, assistant director, agricultural engineering research division, Agricultural Research Service; Lloyd Hurlbut, head department of agricultural engineering University of Nebraska; Carl Hall, department of agricultural engineering, Michigan State University; Carl Butler, Avco Corporation, Ithaca New York, Wayne H. Worthington, director of research, John Deere Research Development Center, Waterloo, Iowa.

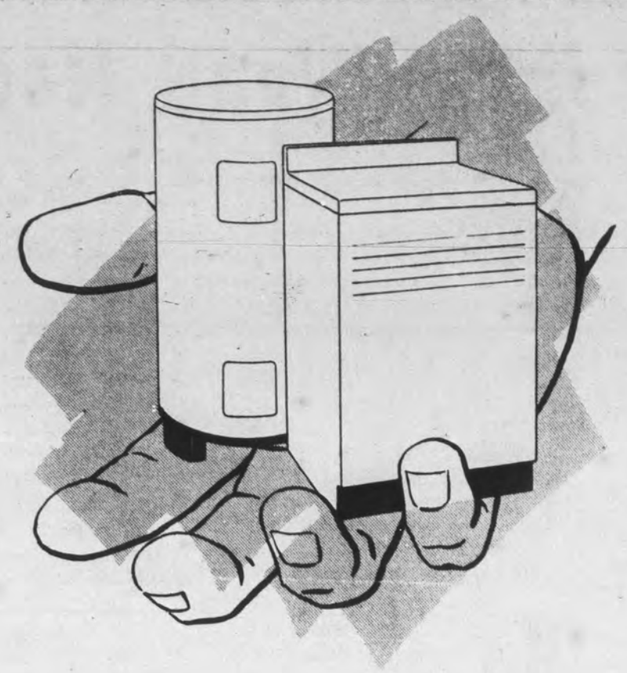

The team will leave the United States on August 18 and spend one month in Russia.

On the return of the team to England, they will be joined by Dr. McKibbon, Director of Agricultural Engineering Research Division in the U.S.A. Mrs. McKibbon and Mrs. A. W. Cooper will accompany Dr. McKibbon. The group will attend the Worlds Fair at Brussels, Belgium, and afterwards the five members of the team will return to the States and the Coopers and McKibbons will make an inspection trip to Norway and Denmark to observe practices of Farm Mechanization.

FAMED BERMUDIAN DIVER Teddy Tucker helps a pretty visitor adjust underwater swimming equipment. A few years back Tucker dived up from Bermuda waters a valuable gold and silver treasure trove from submerged wreck of 16th century Spanish galleon. Experts have valued Tucker treasure at $75,000. There are at least 40 known wrecks around mid-Altantic resort which skin divers can safely explore. Bermuda's protective reefs encircling the Colony make for some of the safest underwater swimming in the world. *FNS*

Here's What You Get With

Electric

WATER HEATING

1 *NO WASTE*—the electricity is "on" only enough of the time to maintain the temperature for which the water heater thermostat is set. Ample tank insulation helps to keep the water hot when it is not used.

2 *PLENTY OF HOT WATER*—with a new, speedy *electric* water heater of adequate size for your family, it is practically impossible to run out of hot water for normal requirements.

3 *CONVENIENCE and ECONOMY*—you can put an *electric* water heater *anywhere*, often in space otherwise wasted. Square or round tall types can be installed in closets, pantries, alcoves or basement. Counter-top models give extra work surfaces in kitchen and laundry. Because there is no flame, no flue is needed—frequently a real construction economy.

4 *SAFETY*—because *electric* water heaters require no vent or chimney, and heating elements are surrounded by water, they are safe to put wherever most convenient in your home. Children can play on the floor beside them in kitchen or laundry.

5 *LONG LIFE*—the purchase of an *electric* water heater is a long-time investment in dependable, economical hot water service. Rugged, high-quality construction assures long life of tank and automatic controls. By anticipating the growing needs of a family and getting a heater of ample size, replacement most likely will not be needed for many, many years.

Walters Speaks to Calera Civitans

The Calera Civitan Club had as their guest speaker, Dr. John B. Walters from Alabama College. His subject was "Responsible Citizenship" and he gave a very interesting talk which was enjoyed by all the members.

President Warren oped the meeting by having T. W. Lawrence give the invocation. After the meal the birthday cake was brought in with the members singing "Happy Birthday" to the club members having a birthday this month. Following the cake a discussion was held on whether or not the Civitans would sponsor the Lee Amusement Company here in Calera the week of July 28 to August 2. The motion was made and seconded to sponsor them and a committee was appointed to work with the amusement company.

W. H. Crawford, chairman of the Labor Day Barbecue appointed his committee who are as follows: Slaw, J. C. Rowe; lights and water, H. B. George; cold drinks, S. M. Bird; Punch, C. D. Cowart; baked beans, Z. S. Cowart, Sr.; sandwiches. Eddie Downs and C. E. Tidwell; cashier, Arthur Davis; wood, O. C. Farris; tickets, all members.

Clinic Names Dr. R. D. Fowler As Consultant

The Alabama Commission on Alcoholism has announced the appointment of Dr. Raymond D. Fowler, Jr, Ph.D. in clinical psychology, and director of the University of Alabama Psychological Clinic, as consultant at the commission's Birmingham Clinic opening July 28.

Dr. Fowler, a native of Montgomery, will serve as part time consultant in analysis of the psychological problems of patients at the Birmingham Clinic, but will continue to direct the University of Alabama Clinic.

Treatment Team

"We are happy to have a qualified psychological consultant who can work with our Birmingham treatment team," Nimrod T. Frazer, administrator of the Commission on Alcoholism, said. The treatment team includes a psychiatrist, an internist and two social workers.

According to Frazer, a phychological consultant on the staff will enable the Birmingham Clinic to cope with all the psychological and psychiatric causes involved in individual problems with alcohol.

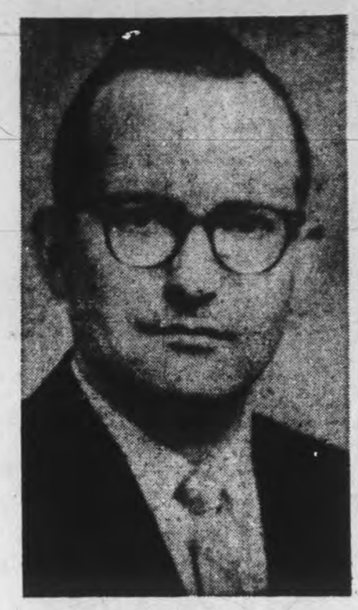

Dr. Fowler is the son of Raymond D. Fowler Sr., executive secretary of the Alabama State Employes and Teachers Retirement Boards, and Willie S. Fowler. His education included elementary and junior high school in Montgomery, high school at Montevallo; B.A. with major in psychology at the University of Alabama in 1952 and M.A. in 1953; Ph.D in clinical psychology, Pennsylvania State University, 1957, and internship in clinical psychology at Worcester State Hospital, Worcester, Mass., 1954-55.

He was married in 1955 to Nancy L. Allavach and they have one child, Karen, born April 1, 1957.—Montgomery Advertiser.

VISIT CAPITOL—Rep. Armistead Selden (right) explains the duties of a congressman to Miss Tommie Ruth Mowery (center) of Wilton and Miss Judy Carter of Gadsden (left) during their visit to the U. S. Capitol. The two young ladies are representing the State of Alabama at Girls Nation in Washington.

Girls Nation Delegates Visit Washington

Two Junior Misses from Alabama were in the vanguard of 97 youth leaders from 47 states, the District of Columbia and the Panama Canal Zone who arrived in the nation's capital today to meet top government leaders as "senators" in the American Legion Auxiliary's twelfth annual citizenship training program, Girls Nation.

They are Miss Tommie Mowery, daughter of Mr. and Mrs. Paul R. Mowery of Wilton, Alabama and Miss Judy Carter, daughter of Mr. and Mrs. E. H. Carter of Gadsden, Alabama.

In six thrill-packed days, these delegates from Alabama Girls State, held earlier this summer, will visit the actual scenes of federal government and talk to the men and women who make its wheels turn. In between times, on the campus of nearby American University, they will set up their own model national government and gain a better understanding of its processes by putting them into practice.

Brake Shoe Announces Wage Increase

Mr. J. D. Freeman, Superintendent of the Railroad Products Division Plant of American Brake Shoe Company in Calera, announces a 5 cent per hour wage increase granted to all hourly rated employees, effective July 7, 1958, based on the BLS Consumers Price Index.

In addition to the 5 cent per hour increase, in accordance with the current labor agreement, an automatic wage increase became effective on July 11, 1958.

The Calera plant will resume one shift operation at 4 days per week on August 4th, after being closed due to lack of business and vacation shutdown period.

Show and Dance at Calera Guard Armory

Beginning last Wednesday there will be a show and dance at the Calera National Guard Armory. Mr. Qullian intends to conduct it in such manner that it will be suitable for all ages.

He urges all parents to attend and see if it doesn't meet their approval. If there is any criticism of anything he will do his best to correct it. But he wishes to make it a permanent entertainment.

The music and entertainment will be furnished by Sammy Salvo and Curly Fagan and his band.

YOMASO CLUB

The Yomaso Club held its regular meeting at the home of Mrs. Don Lovelady last Thursday evening. Members and one guest, Mrs. Richard Anderson, formed three tables of bridge. High score prize was won by Mrs. Fred Miller and low score went to Mrs. Zanie Nathews.

Calera Planning Commission Meets

A meeting of the Calera Planning Commission was held July 15, 1958. The following members were present: Roy Downs, Arthur Davis, Henry Jackson, William S. Mitchell, Bill Crawford, Frank Wells, T. W. Lawrence, and Warren G. Findley. Mr. Doyle and Mrs. Cassell, of the State Planning Board were also present.

Our Board met on this occasion with members of the Calera City Council and the Mayor.

Minutes of the last meeting were read and approved.

Henry Jackson was appointed permanent Secretary of the Planning Commission.

Chairman Downs explained to the City Council members that the Calera Planning Commission had adopted the long range street planning, as outlined in the brochure and as shown on the map furnished us by the Alabama State Planning and Industrial Development Board.

Future Plans of the local Planning Commission were discussed, which included the following:

1. Establishing street markers throughout the Town of Calera.

2. Assigning and attaching house numbers to dwellings and business houses.

3. Rewriting our building permit forms to simplify it.

It was agreed that at our next meeting an additional member would be added to our Commission.

There being no further business to come before the meeting, it was duly adjourned.

County Teachers Plan Meetings

Is is not quite a month before the "school bell" will be ringing for Shelby County teachers.

Mrs. Emily Pendleton, chairman of the Planning Committee for the In-service Education Program for the county, announces that all teacher-leaders for the in-service programs will meet on August 5th to plan the pre-school meetings for teachers.

The leadership team, composed of group leader, co-leader and recorder will have the opportunity of planning together for their work. They will preview films, filmstrips, listen to educational recordings, examine books and other materials to select the ones that may be used in their groups study. Dr W. M. McCall, and Miss Lulu Palmer from the State Department of Education will meet with them.

Supper will be served the leaders by the members of the Planning Committee.

The teachers expected to attend this meeting are:

Mrs. Mildred Beavers, Mrs. Mary Kirby, Mrs. Wimfred Akridge, H. C. Weir, Mrs. Elizabeth Graham, Robert Brasher, Mrs. Sara Phillips, Mrs. Irene Hamric, Mrs. Barbara Joiner, Miss Susie DeMent, Mrs. Ann Milford, Mrs. Joyce Mabry, W. O. Parris, Mrs. Louise Curtis, Mrs. Lula Shirley.

Mrs. Margaret Barton, Mrs. Harriet Hagan, Mrs. Marie Lucas, Mrs. Emily Eddings, Mrs. Marjorie Simpson, Mrs. Inez Bird, Mrs. Eloise Williams, Miss Aileen Pope, Mrs. B. H. Cadle, Sammie Daniels, Mrs. Pama Norred, Mrs. Avaline Childers, Miss Peggy Morrison, Robert Hughes, Mrs. Juanita Ryan.

Miss Mamie Hill, Mrs. Carolyn Edfelt, Mrs. Inez Underwood, Mrs. Mary Strong, Mrs. Sarah Walker, J. W. Curtis, W. W. Elliott, Miss Minnie Dunn, Mrs. E. J. Sullivan, Willie Akridge, Mrs. Eugenia Brett, S. V. Rice, James Nichols, S. B. McClure, Elvin Hill, Miss Anita King, Mrs. Emily Pendleton.

Calera Methodists Plan Homecoming

Homecoming Day will be observed at the Calera First Methodist Church, Sunday, August 3rd. All former pastors, members and all friends who have moved away have a special invitation.

Rev. Hewlett Aldridge will preach in the morning hour and Rev. L. B. Stewart in the afternoon at 2:30 o'clock. A basket lunch will be furnished by ladies of the Calera Church at the noon hour and a great day of fellowship and inspiration is expected.

Rev. J. E. Brasher is the present pastor of this church. Everyone is invited who has at any time had an interest in this fellowship group.

Mental Health Assn. Elects New Officers

The Shelby County Mental Health Association today elected George C. Starcher president of the organization. Mrs. M. L. Smith, Calera, became vice-president; Miss Anne Gardner, Columbiana, secretary-treasurer, and the auditor, Mr. Albert Scott, Alabaster, was re-elected. Outgoing president was Dr. Herbert Eber, Alabama College.

Dr. Edwin McKee, Director of the Ala. Dept. Public Health was guest speaker for the Tuesday night meeting here.

The new officers immediately began making planes for 1958-59 operations including a membership drive, meetings distributed over the county, and intensification of educational phases of the Mental Health program.

Mr. Elvin Hill, Miss Anita King, and Mrs. Emily Pendleton spent Tuesday at the State Department of Education in Montgomery ... conference with members of the Instructional Division.

Mr. Willie Crawford Celebrates 62d Birthday

Mr. W. H. (Willie) Crawford celebrated his 62nd birthday Wednesday, July 23rd, at his week end home, "Crawford's Paradise Hill."

Barbecue chicken and pork and variety of covered dishes were enjoyed by the Roy Downs, Eddie Downs, the George Holcombes, Kenneth Holcombes, the Sid Birds, the D. L. Masseys, the Arthur Davis, Katie Jo, the Fred Camps, and the Jim Owens.

Willie enjoyed opening the numerous gifts.

Mrs. George Holcombe had the pleasure of naming the Crawford's new home, and fittingly the Holcombe's gift was a house marker. When Mr. Crawford went up to his home he found it installed and he was tickled pink. Hope I'll be able to write the century marker, Willie.

Soil Conservation District News

T. W. Stubbs, Helena foundryman and beef cattleman, already has one successful pond designed for him, as a district cooperator, by the Soil Conservation Service. He also has one not yet holding water due to underground leakage. This week a bulldozer is at work building him a third dam under provisions of the Soil Bank Program.

Cooperator D. H. Stacey, Spring Creek farmer and machinist, has had an S.C.S. design for a pond for several years. Hospitalization of Mrs. Staacy and his own illness have held up actual construction. However, this week Starcher and Edward Lansford are re-staking the damsite and construction will start soon.

D. H. Garrett, Saginaw, needs winter grazing for his dairy herd, and plans to have it. He bought 2500 pounds of Rescue grass seed and some Mike clover this week.

P.T.A. Instruction School To Be Held August 21

The annual school of Instruction for all PTA presidents and committee chairmen will be held on Thursday, August 21. The Indian Springs School will again be the place of meeting. Mrs. Rual Stark, President of the Shelby County PTA Council, urges all local presidents and committee chairman to make plans to attend this important planning meeting. State and District PTA leaders will serve as consultants for the meeting.

Brazilian Priest Is Visiting In Montevallo

The Rt. Reverend Fausto de Vasconcelos Craveiro, originally from Brazil, is substituting for Father Thomas Blyth at the St. Thomas of the Apostle Church this month while Father Blyth is visiting his family in New York.

Father Craveiro first came to Montevallo with one of the groups from Brazil who came to Alabama College two years ago to study the American language and customs. He has remained in the United States, where he has visited 38 of the states, spending most of the time in Detroit. He is serving as a Missionary for Seminaries in Brazil, soliciting money donations and equipment for their seminaries.

His niece, Miss Marie Elena Craveiro, is also visiting with various members of the parish during his stay in Montevallo.

Bouquets To Alumni With Alabama Power

Auburn alumni working for Alabama Power Company throughout Alabama made a unified effort for the API Emergency Fund with amazing results. To date they have a record of almost 90 per cent participation and a contribution total of more than $10,000.

The foregoing figures refer only to gifts of individual alumni who work for the power company and do not include the corporate gift of the company.

The Alumni News can find no record of any group of alumni of any U.S. college who have achieved such a high percentage of participation.—The Auburn Alumni News.

Dr. and Mrs. Rogers and 2 daughters of Atlanta, Ga., visited the Veazey's at Twin Oaks last week.

DR. KATHERINE VICKERY

Dr. Katherine Vickery Will Visit Russia On Education Tour

Dr. Katherine Vickery, chairman of Alabama College's psychology department, is one of 75 educators who will tour Russia this summer with the Comparative Education Society.

Dr. Vickery is the only person from Alabama making the trip.

The educators will meet in New York August 16 to start their trip which will take them to four major Russian cities, Moscow, Leningrad, Kiev, and Tashkent.

The group, made up mostly of Americans, includes delegates from England, Canada, and Puerto Rico. They represent the entire educational system from first grade teachers to college presidents.

They will arrive in Moscow at 4 p.m. August 18. "In Moscow we hope to visit Tolstoy's homes and the University of Moscow, and we will be at the American Embassy on two occasions," Dr. Vickery said.

"As a psychologist, I hope to see Pavlov's laboratory in Leningrad where he did all the work on conditioned reflex," she said.

Members of the society making the trip will get a general picture of the Russian educational system. They plan to visit and observe all types of Soviet schools in session.

Listed on the itinerary are visits to nursery schools, kindergartens, boarding schools, technical schools, 10 year schools, universities, and academies of pedagogical sciences.

Dr. W. W. Brickman of Columbia University and General Reid of Kent University will direct the group. A summary conference will be conducted at the American Embassy in Moscow Sept. 18.

This conference will follow a closing conference between the delegates and top Soviet educators.

Dr. Vickery said she would also study the Russian method of dealing with exceptional children, if possible.

On a trip to Europe in 1956 with the Comparative Education Society, Dr. Vickery made a study of the European answer to the problem of dealing with exceptional children.

"The European countries are much more interested in the gifted child than they are in the retarded child," she said. "They do comparatively little to what we do for the retarded child."

"They single out the gifted child in the upper elementary grades and train him extensively from that time on," she said.

Dr. Vickery will be an official delegate of Alabama College for the tour of Russia.

"A group of Russians will make a similar trip to the United States this fall," Dr. Vickery said. "They will visit New York, Washington, Cleveland, and Nashville," she said.

Dr. Vickery said that there is a possibility that some of the Russians will visit in Alabama during their trip to the United States.

Mr. and Mrs. R. W. Moorman and children of Corpus Christi, Texas, visited Mrs. Moorman's great-aunt, Mrs. W. P. McConoughy last week.

Ensley Man Injured in Accident North of Calera

As this issue of the Times-Herald goes to press on Wednesday afternoon, news of a serious automobile accident 8 miles North of Calera near the Rebel Drive-In Theatre was reported by Chuck Maurice of Radio Station WBYE. Patrolman Knight and Mr. Maurice were at the scene of the accident.

Injured and rushed to a Birmingham hospital was John Eiland, of 2226 29th St., Ensley. Eiland was driving a 55 Chevrolet, turning the curve at a high speed when his automobile left the highway and hit a tree. The car was completely demolished.

It has been reported that the Chevrolet was racing with a Buick through the Town of Wilton, the Town of Montevallo and on through the Town of Calera. The Wilton Police Department had radioed the Highway Patrol to be on the lookout for the cars travelling at high speed. The seriousness of Mr. Eiland's injuries is not known at the present writing. The accident occurred around 2:00 p.m.

Steve Clayton Davis Represents Shelby Co. At FFA Forestry Camp

Steve Clayton Davis, son of Mr. and Mrs. Harold C. Davis will represent Shelby County Future Farmers of America at the state FFA Forestry Camp this year.

The camp is held at camp Grist twenty miles north of Selma and is sponsored by southern pulpwood and timber companies. Each year FFA members from most Alabama counties attend the camp. The schedule of activities includes instruction in conservation, fire protection, and management of forests. Also included is plenty of well supervised recreation and competition for awards in the field of forestry. Camp dates for this year are August 3 through 9.

Davis is a sophomore at Thompson School in Siluria, and has completed his first year in Vocational Agriculture. His home farm has 60 acres in timber which Steve hopes to be better able to manage as a result of attending this camp. Steve is active in FFA and other school activities. He participates in football and basketball at Thompson and is a member of the T Club. In addition to participation in activities Steve has also earned an excellent scholastic record. He should be an able representative of Shelby County's more than 500 FFA members at this important camp.

Luncheon For Miss Jane Brownlee

Mrs. Walter Trumbauer and Miss Marcia Trumbauer entertained with a luncheon at their home in Montevallo for Miss Jane Brownlee, bride-elect of Cooper G. Hazelrig.

A pink and white color scheme blended with the corsages marking guest places at the tables.

It was a recipe shower. During the afternoon, each guest presented a spontaneously designed dish towel. Those invited were Mrs. William R. Brownlee of Birmingham, Mrs. S. M. Hazelrig of Gadsden, Mrs. Cecil Marquet, Miss Joana Hawkins and Miss Toni McNaron of Birmingham, Miss Bunny Crawford of Columbiana and Mrs. Thomas E. Osment of Tuscaloosa.

Mrs. McClellan Ratchford, of Atlanta, and Mrs. Joe Jenkins, of Montgomery were visiting friends in Montevallo last week.

Mrs. W. A. Patillo and Mrs. J. A. Brown, Sr., have returned from a week's stay at Cheaha State Park.

Mrs. J. A. Brown, Sr., and Mr. William McConoughy made a visit to Cullman Tuesday.

Blood Cholesterol and Heart Disease

What does the word "cholesterol" mean to you? No doubt you have read about it in relation to heart disease. Everybody has cholesterol in his body. What happens to it is the important question. Cholesterol is believed by many physicians to contribute to a disease of the arteries, including the arteries of the heart, called atherosclerosis but popularly known as "hardening of the arteries."

Cholesterol is a fatty-like substance that is made in the liver. It is a naturally occurring component of the blood and tissues of all animals and it performs many vital functions. The amount of cholesterol in the food you eat may vary widely. It is generally believed, however, that only when the body fails to utilize cholesterol properly that excessive amounts are deposited in arterial walls, thereby forming "plaques" or obstructions that can impede the flow of blood. These obstructions may lead to a heart attack.

Americans have one of the highest fat diets in the world. The kind as well as the amount of fat eaten is related to the cholesterol blood level. In general there are two kinds of fats: saturated or solid fats, such as butter, beef fat, lard and margarine; and unsaturated or liquid fats, such as corn oil, soybean oil, peanut oil and (fish) oil.

Many experiments have shown that saturated fats tend to raise blood cholesterol, while unsaturated fats tend to lower it. The unsaturated fatty acids, such as linoleic acid, are believed to have a cholesterol-lowering effect in the body.

What does this mean to you? By itself a high level of cholesterol in your blood does not mean that you have atherosclerosis, nor does it mean that you are going to have a heart attack. The use and interpretation of this test lies in your doctor's hands. His judgment will be based on many other things which when added up will tell him whether or not you should restrict your intake of saturated fats. If you are overweight your doctor will probably recommend that you also slim down.

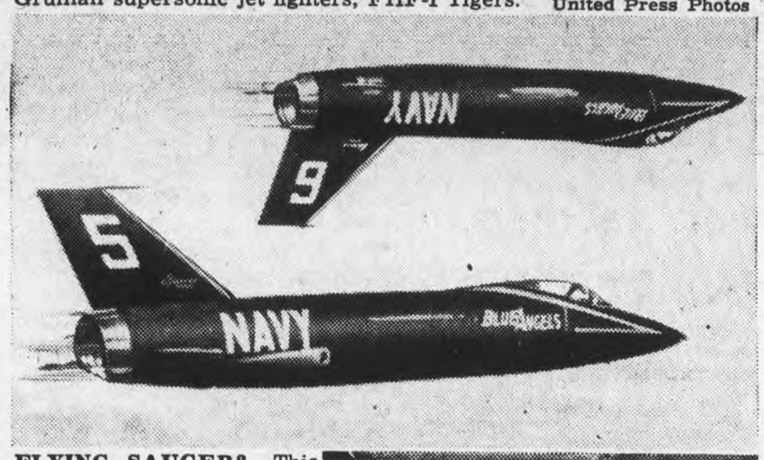

These measures are preventive and if instituted early can help reduce your chances of having a serious heart attack.

There are still honest differences of opinion among medical men about this entire question of cholesterol and its relationship to atherosclerosis. Many questions on this problem are still unanswered. But there seems to be general agreement that, based on present knowledge, one of the best procedures for combating the condition is control of the diet.

LETTER TO THE EDITOR

Dear Editor,

I should like to call the attention of our community to a problem which has, happily, a rather simple solution. The law of Alabama states that no person shall operate a motor vehicle on the streets or highways of the state without an operator's license. In our community, some of us who hate to deny our children all the pleasures of a good life, have in fact encouraged them to violate this law.

The issue is not whether Johnny can or cannot drive such and such a particular vehicle safely. Any law must specify some restrictions, and these restrictions are those, which in the best judgment of the lawmakers, are reasonable and effective. I am certain that there are many youngsters who are more responsible and skilled that any number of older drivers. I repeat that this is not the issue.

One other aspect of this matter deserves attention. Most parents do not have the money to take care of extensive expenses that may be incurred by their children's accidents. We protect ourselves (and any unfortunate victim) when we drive our cars, by liability insurance. I do not believe that any insurance company would accept the responsibility for the damage done by an unlicensed driver who is, in fact, committing an illegal act.

Perhaps the best thing that a responsible parent can do in this situation is to encourage and, in fact, demand of his children the same kind of respect for law which is the basis of our democratic way of life.

HERBERT W. EBER

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

With a mid-August adjournment date as its goal, Congress worked last week at an accelerated pace.

In both the House and Senate, quick approval was given to a compromise defense reorganization bill which is designed to simplify and modernize the complicated framework of the Department of Defense. In addition to providing a more clear-cut "chain of command" among the various military services, the measure expands thte authority of the Joint Chiefs of Staff. It also creates a new post of Director of Research and Engineering in an effort to coordinate the research programs being carried on by the armed forces. Among the other provisions aimed at coordinating the services is a clause of the bill which authorizes the use of a single agency for supplies and services needed by more than one military department.

Although the President requested that the bill include authority for the Secretary of Defense to transfer or abolish the present military roles of the services, Congress votes to retain this power for itself. Also, the President was unable to convince Congress that it should eliminate from the bill a provision which allows the chief or secretary of a military department to go directly to Congress to present defense recommendations which may not coincide with those of the Commander-in-Chief.

Military Funds

Members of the House also approved last week a billion-dollar military construction appropriation for fiscal year 1959. The amount approved was about $500 million less than the President requested. Of the total appropriation, approximately $14 million is designated for construction at several military installations in Alabama, with the largest share—9.5 million—going to Redstone Arsenal.

Warrior Lock and Dam

Dedication ceremonies for the new Warrior Lock and Dam have been set for Thursday, October 16. Located in my home county of Hale, this modern navigation structure replaces two antiquated locks and dams on the Warrior River. A vital link in the Warrior-Tombigbee Waterway, it has been built over a period of four years at a cost of approximately $14 million.

I have personally extended an invitation to each member of the Alabama Congressional Delegation to attend the dedication ceremonies, and most of them have indicated they will plan to be present. Governor-nominee John Patterson, who met with the delegation last week in Washington, has also assured me that he will be with us.

The dedication of the Warrior Lock and Dam should be a memorable event, and I hope that many throughout the Sixth District will plan to visit this fine new structture on October 16.

A NEW AND GROWING BUSINESS FOR SHELBY COUNTY AND CENTRAL ALABAMA

Shelby County's Share of Interstate Highway System Discussed at Meeting

On July 22, 1958, at 2 p.m. a public hearing was held at the county Courthouse to discuss the economic effects of Projects I-65-2(6) and I-65-2(8) on the communities in Shelby County through which they pass. These projects are part of the National System of Interstate and Defense Highways. The two projects referred to are, respectively: from the Chilton County line to a point near Dargin west of present U.S. 31 and from the point near Dargin to a point approximately one mile south of Alabaster. A later project from Alabaster north to a point approximately 2 miles North of Pelham will follow at a later date.

Mr. W. P. DeJarnette, Division Engineer, State Highway Department, conductted the public hearing. Mr. DeJarnette broadly explained the National System and its economic and utility effects locally as well as nationally. The proceedings and testimony were tape recorded for submission to the Bureau of Public Roads to comply with the law as passed by Congress relative to this type construction. Thirty-eight county citizens and property owners attended the hearing. Maps showing the location of the Interstate Highway through Shelby County were used in the discussions. These maps are on display in the office of the County Engineer, Columbiana, for those citizens desiring to see them. Many questions were asked and were expertly answered by Mr. DeJarnette. Property owners were assured of fair and equitable treatment in negotiations for right-of-way. Generally speaking, the right-of-way requirement will be 300 lineal feet or 150 feet each side of centerline. Interchange locations will entail much more space. There will be approximately 20 miles of Interstate Highways constructed in Shelby County at a cost of some 10 million dollars. By law, 90% of this cost will be borne by the Federal Government and 10% by the State. The engineering and administration of these routes will be by the Alabama State Highway Department. The Interstate Highway System will be Limited Access, that is, there will be no driveways or business establishments opening onto or on these highways. From past experience it has been found that this type highway does not economically affect business in the towns and cites they by-pass. Present U.S. 31 will still remain as we now use it as an access highway except for a portion north of Pelham. Most likely the right-of-way will be under fence.

A third project from approximately one mile south of Alabaster to a point merging with present U.S. 31, approximately 2 miles north of Pelham, will be constructed concurrently or soon after the first two sections. The State Highway Department plans to use present U. S. 31 from the point 2 miles north of Pelham northerly for some period of time. Along the 20 miles of Interstate Highway in Shelby County will be located four interchanges as follows: Approximately one mile east of Calera (Diamond Type interchange); approximately one mile south of Alabaster (Diamond Type interchange); approximately 2 mile north of Pelham at the point of merger with present U.S. 31 (Partial Cloverleaf Type interchange); at point of intersection with the Cahaba Valley County Highway 27 (Partial Cloverleaf Type intersection). Motorists will secure services at these interchanges such as service stations, restaurants, motels, etc. Based on past experience it is expected that small communities will flourish on all sides of these interchanges. Since these are Interstate Highways (Limited Access) services can be obtained only at these points mentioned.

The immensity of these Interstate Highways can be realized when a motorist can gain access to the Interstate Highway at Alabaster and travel to Los Angles to Seattle to Chicago and back to Alabaster without a red light or danger of accident from intersecting roads. Only for services would the motorist need to leave the Interstate Highway. Should hostilities occur in the future the internal defense of our country would be greatly enhanced. There will be appromimately 41,000 miles of these highways nationally, connecting the principal cities of our nation. Of the 41,000 miles, the State of Alabama will get 900 miles at an estimated cost of over 500 million dollars. Construction schedules plan for completion by 1970. The design will be of very high standard and will be multi-lane. In many instances the highway will be elevated across cities with multi-elevation structures to accommodate other city routes or streets. Urban construction will entail great expense due to high property values. The traffic accommodated by these multi-land highways will be in excess of 20,000 vehicles per day.

Mrs. David Sayer Is Honored With Shower

An unsually beautiful shower of baby things was given in the annex of Shiloh Methodist Church Friday night, July 25th, for Mrs. David Sayer, the wife of Rev. Sayer, pastor of Shiloh Church. The WSCS made this possible while all of the ladies in the neighborhood were cooperative.

The color scheme throughout the rooms was pink, white and green. A white panel edged with pink and white and accents of green stood behind Mrs. Sayer's white chair with pink satin pillow.

The openings in rooms were banked above with green and touches of pink in white flowers and pink and white streamers flowed down the walls.

The dining table in white lace over pink centerpiece of pink and white asters and mimosa made a lovely setting for a tall white stork, loaned by Calera Floral Co.

A white bassinet placed on a white rug with pink and white streamers from corner to corner was the place where dozens of gifts were arranged, attesting the love all have for the popular minister and his lovely wife.

Individual cakes with pink and white bootees and delicious pink punch was poured by Miss Sue Barnett, Mrs. Herman Smith, Mrs. Morris Holcombe, and Mrs. David Ellison as hostesses, assisted by Mrs. O. C. Busby and Mrs. J. L. Stockdale.

Funeral Services Held For Mrs. Ollie Glass

Mrs. Ollie (Estelle) Glass, age 46, of Calera, passed away Tuesday morning, July 22nd., after several months illness.

Funeral services were held at the Calera Baptist Church Thursday, July 24th, by Mr. Bill Collins.

Burial was in Salem Cemetery. Bolton of Columbiana in charge.

Surviving are her husband, Ollie Glass, of Calera; 1 daughter, Betty Joyce; 2 sons, Cecil and William Glass, of Calera; 1 sister, Mrs. Willis Lacey, of Siluria.

Pallbearers were Mr. Charlie Glass, Mr. Walter Glass, Mr. Charles Glass, Mr. Gene Glass, Mr. Daniel Glass and Mr. O. D. Collum.

Mr. and Mrs. Abe Stein of Birmingham visited Mr. and Mrs. Sam Klotzman Sunday.

Card of Thanks

We want to thank the people of Calera for their kind expression of sympathy shown us during the death of Mrs. Ollie (Estelle) Glass. Thanks for the many kind deeds, the beautiful flowers, and the food. —Mr. Ollie Glass and children, Mr. Charlie Glass and family.

Telephone Company Manager's Statement

Mr. Frank Newton, Vice President and General Manager for Southern Bell's Alabama Operations, today released the following statement regarding Thursday's Supreme Court Order affecting telephone rates in the state.

"The Court having held that the Company is entitled to a just and fair return on the reasonable value of its properties, we are confident that in taking a new look at our case, the Public Service Commission will prescribe rates which will comply with the Court's decision and fix rates and charges which are reasonable and just to both the Company and public. This will enable us to continue our program of providing Alabama with the type and kind of service needed to keep pace with the state's growth. We know the Commission shares our desire to do this and feel certain that such matters as remain can be satisfactorily resolved."

Brother of W. J. Bailey is Honored For Achievements in Agriculture

Auburn, Ala.—R. Y. "Dick" Bailey, nationally prominent soil conservationist, was honored last night at a recognition dinner on his retirement after 40 years of professional work in agriculture. Many of those attending the dinner, held at the Pitts Hotel here in Auburn, were employed by him and were closely associated with him in soil and water conservation work for more than 20 years.

R. Y. BAILEY

Bailey started his career immediately upon receiving his B.S. degree in Agriculture from Alabama Polytechnic Institute in June 1916. His first work was in citrus canker control in Mobile County, Alabama.

His agricultural career was interrupted by World War I. During this war he served in the United State Army from September 1917 to July 1919. As a part of his Army service with the American Expeditionary Forces, after hostilities ceased, he served as an instructor in agronomy at the AEF University, Beaune, France, from April to June 1919. After being discharged from the Army he instructed disabled veterans for almost three years.

During his agricultural career, Bailey worked with the Alabama Extension Service for more than five years as County Agent in south Marengo, Tallapoosa, and Randolph Counties. He served seven years as a member of the Alabama Agricultural Experiment Station staff. From 1927 to 1934 he was Assistant Agronomist in charge of the field experiments on the main experiment station at Auburn.

In 1934, Bailey left the Experiment Station to organize and start the first federally financed soil conservation work in Alabama. In 1936 he became the Soil Conservation Service's Regional Agronomist for the Southeast. He served in that capacity with distinction until July 1, 1950. His work in agronomy with the Service attracted nation-wide attention. He was recognized as an authority in the field of agronomy in soil and water conservation.

Since July 1, 1950, Bailey has served as Research Liaison Representative for the Southeast for the Soil Conservation Service and the Agricultural Research Service.

Bailey is a past president and a Fellow of the Soil Conservation Society of America, and a Fellow in the American Society of Agronomy. He was a charter member of the Auburn Chapter of the National Honor Society of Agriculture — Gamma Sigma Delta. He is the author of numerous bulletins and articles on agronomy in the South. He was recognized as the "Man of the Year in Service to Alabama Agriculture" by the Progressive Farmer in 1941. He was given the Superior Service Award by the Secretary of Agriculture in 1947.

W. M. Miles, Jr., of Montevallo, recently purchased two Aberdeen-Angus cows and a registered Angus bull from Mr. and Mrs. J. Harry Edwards of Brierfield, Alabama.

Dr. Madie Ward Barrett Studies in France and Visits Brussels World's Fair

Dr. Madie Ward Barrett, a former resident of Montevallo, daughter of Mrs. J. S. Ward, and an alumna of Alabama College, was honored by being selected as one of the thirty teachers of the French language in the United States to study in France for ten weeks this summer. First the group will study at the Sorbonne for seven weeks, then go to another university in the south of France. Mrs. Barrett has chosen Nice for the last two weeks.

The group sailed on the "United States" June 27, after a day at the Sheraton-McAlpine where they met a member of the State Department, a member of the Fulbright Commission and the French lady who sailed with them and gave lectures on board. The crossing was rough and choppy, but swift—only five days. Dr. Barrett was happy from the beginning of her arrival in Paris, after standing up for three hours in the boat train from Le Havre. She is living at the Universite Cite, ten minutes away from the Sorbonne by the Fench subway. The Cite was built with the help of Rockefeller money, a house for each nation, to be maintained by that nation. Unfortunately, the U.S. House being too crowded with students, the members of her party are housed in the Netherlands' house.

At the Sorbonne, Mrs. Barrett is studying French phonetics, methods of teaching French, and French conversation. She also attends lectures on Contemporary France as well as prefatory lectures on the tours the party will make.

The first tour was to Chartre. She has visited the Louvre, the Eiffel Tower by night, Fountainebleau. There she saw the Castle palace, room by gorgeous room, and was most impressed with Napoleon's connection with it—the room in which he abdicated, his hat, the many portraits of him, the Imperial Eagle woven into the famous Gobelin tapestries and rugs, and the Sevres porcelain.

The party has visited a small village on the Seine River, wider there than in Paris. They saw very few cars; many bicycles; barges on the river, on which lived entire families with pets; and many sail boats. For lunch two long tables were set under a grape arbor near the road next to the river. The luncheon required about three hours for completion. It consisted of the following items, which the family declared to be daily fare with them: Vin rouge or blanc; bread; chilled melon; grated cucumber, carrot and tomato salad, followed by a fish salad; a platter of smoked ham and pickles; one-half chicken, French fries, green peas and green leaf lettuce. For dessert they had a choice of a variety of cheese or French pastries.

A part of the rainy July 4 was spent at the American Embassy, where were served one hundred kinds of sandwiches, interesting hors d' oeuvre, and champagne.

July 14, French Bastille Day or Independence Day, was celebrated with gay festivities, a few deaths, a speech by DeGaulle, and a parade, which drew all of Paris to the streets, even in wheel chairs. The onlookers varied from parachutists from Algeria, wearing camoflaged suits, to monks dressed in coarse brown cloth. Many policemen were stationed along the curbs every few feet, but the parade was fairly quiet despite political conditions. Then the proceedings advanced to the Invalides (a street or place) where fourteen orchestras played while the people danced in the street. Afterwards there were fireworks. The weather was perfect with faint breezes and great clarity. One day was spent at the Brussels Fair. On the way they passed through the idyllic Belgian country side. The silver under leaves of popular trees were

DR. MADIE WARD BARRETT

upturned by the breeze. Neatly cultivated fields stretched on each side—no weeds— contented cows grazed. Their milk all must go into cheese as very little is offered on menus or for purchase. The party visited as many pavilions as the time allowed. The United States, the Russian and the French pavilions are easily chosen as the best ones as exhibits. Many of the others depend too much on photographs. The U. S. Pavilion is light, airy, and beautiful with a fountain in front. The building is surrounded with weeping willow trees. On the inside is a T.V. studio and outside ten sets show the out put of the studio. Inside are all the gadgets that belong in our American way of life, but none is being demonstrated. Perhaps a little to much emphasis is placed on the lighter side of our lives, as the corner drug store. All state flags and a large U.S. flag are in evidence.

In contrast the Russian Pavilion is heavy, serious massive. A glance down formal columns shows an immense statue of Lenin. The walls are complete ironically, with such observations as "There is nothing more important to human society than the free discussion and demosion of free peoples in a democratic order." A Martian visitor would never guess English to be an important language. All signs and materials are in Flemish, French, and thirdly that of the particular pavilion. Some of the give-away leaflets add German and English.

The party met at the post of the guide from Plymouth, N. H. (where Dr. Barrett teaches) whom they found busily trying to explain the intricacies of the N. Y. Stock Exchange to the visitors. Just for fun they took a ride in a bicycle-propelled cart. When the driver found out they could speak French fluently, he gave them all sorts of advice, helped one girl with her camera, a real guided tour of the grounds complete with philosophical and political interpretations, commentary on Grace Kelly and Princess Margaret, etc.

Back in Paris the party was going to the Opera, making other visits to the Louvre, the museum in which the Mona Lisa is guarded and the Winged Victory, even in its damaged condition stands awe-inspiring at the top of the very wide staircase. Now at the beginning of August the party will separate. Mrs. Barrett will spend two weeks in Nice, studying; one week in Switzerland visiting relatives. She will fly home about August 23, to be met in New York 12 hours later by her husband and two sons. She is taking full advantage of this wonderful opportunity of being able to interpret to her students the French people and their customs.

Mr. R. L. Veazey of Twin Oaks underwent surgery Tuesday at Highland Baptist Hospital and is reported doing nicely. Dr. and Mrs. William Eddins and Bill of Montgomery are visiting them during Mr. Veazey's confinement.

Bank Conference May Meet Here

The annual Study Conference of the Alabama Bankers Association may be held in Montevallo in 1959. Looking toward the possibility of this meeting two members of the committee on banking education of the Alabama Bankers Association were here Tuesday conferring with officials of Alabama College. They were Hugh C. Parker, Vice President and Cashier of the First National Bank of Gadsden and Melvin McIlwain, Assistant Cashier of the Federal Reserve Bank of Birmingham. They were accompanied by Eddie Downs, Cashier of Central State Bank, of Calera.

Mr. Downs reports that the visiting bank officials were very favorably impressed with their visit to Alabama College and found the college facilities highly favorable for their meeting. About 125 bankers from all over the State of Alabama ordinarily attend this annual study conference. The 1958 meeting is to be held this month at the University of Alabama.

CRAWFORD SERVICE STATION WAS ROBBED

Some time Monday night Crawford's Service Station at Calera was robbed. The robbers entered through a window in the back of the store.

To the best of their knowledge they took $150.00 in cash, 4 to 5 cartons of cigarettes, 4 or 5 cigarette lighters, and one bill fold.

The robbery is being investigated by the Calera Police and the County Sheriff's Office. They have one suspect, but no arrest.

Alabama Welder Is Westinghouse Lucky Rod Winner

An Alabama Welder won the first television set in the nation-wide "Lucky Rod" contest sponsored by the Westinghouse Welding Electrode Plant at Montevallo, Alabama.

Billy Earl King, a resident of Haleyville, Ala., and a welder at the Decatur Plant of Ingalls Shipbuilding Corp., was the recipient of a Westinghouse 17" portable television set in ceremonies held at the Ingalls Plant on Monday of this week. The set was presented by R. E. Ballentine, Westinghouse Plant Manager. Also present were Mr. Frank Powell, Westinghouse Area Salesman, Mr. Sam Boykin, Westinghouse Electrode Sales Agent in Birmingham, Mr. John Short, Assistant General Manager, Ingalls Shipbuilding, Mr. J. W. Byars, Welding Foreman and Mr. A. E. Pearson, Welding Engineer of the Ingalls Shipbuilding Corp.

"Lucky Rods" are packaged at random with some of the 50 pound cartons of ZIP-14, a new electrode developed by Engineers at the Westinghouse Plant in Montevallo. A Westinghouse 17" television set is given to each welder discovering a "Lucky Rod."

Mrs. J. E Oswalt and children are visiting her mother, Mrs. W. W. Godfrey and family.

Rites Held For H. J. Harrison

Former Wilton Mayor Harry James Harrison, Sr., 89, died Aug. 1 in the Veterans Hospital in Birmingham.

Mr. Harrison became mayor of Wilton in 1936, shortly after he retired as an engineer for Southern Railway, for whom he had worked 35 years.

In 1938, he successfully led a drive to establish a public water system in 500-population Wilton, which is one mile south of Montevallo.

He later served another term as mayor.

Harrison was a veteran of the Spanish American War and a native of Choctaw County. He moved to Wilton in 1918 from Mobile, where he had lived several years.

Surviving are the widow; a son, Harry James Harrison, Jr., Wilton, a daughter, Mrs. Alfred Walker, and grandson, Alfred Yates, both of Chattanooga, Tenn.

Funeral was at 2 p.m. Saturday at Wilton Baptist Church.

School Leaders To Attend Conference Here

Representatives of each county and city school system in Alabama will attend a concentrated leadership training school, August 14-16 at Alabama College, Montevallo, to discuss means of "Improving the Quality of Education in Alabama."

J. R. Pittard, president of the Alabama Education Association which co-sponsors the Leadership School each year with the National Education Association, said that discussion of the program's theme will be channeled down three avenues of thought — professionalism. committee organization and the 1959-61 AEA legislative program.

The some 450 representatives invited to attend the Leadership School are superintendents of education, local education association presidents, local association legislative chairmen, college presidents and directors of trade schools.

Elliott Named Principal of Thompson School; Hill Becomes Superintendent

ELVIN HILL

W. W. ELLIOTT

Woodrow W. Elliott, County Superintendent of Education of Shelby County for the past seven years, resigned his office at a meeting of the county Board of Education Friday, July 25. His resignation became effective August 1. To fill the vacancy, the Board of Education elected Elvin Hill, principal of Shelby County High School, who was nominated for the office of County Superintendent in the May primary.

Mr. Hill's first official act was to nominate Mr. Elliott to be Principal of Thompson High School at Siluria. His nomination was confirmed by the Board and Mr. Elliott entered upon his new duties August 1. He will move with his family to make their home in that community.

Mr. Elliott is serving his second term as County Superintendent, which would have expired July 1, 1959. Mr. Hill will be elected to the office in the November election and would have succeeded Mr. Elliott at the end of his term, July 1st of next year.

Alabaster Advertiser Suspends Publication

According to a special news item in the Birmingham Post Herald Tuesday, the Alabaster Advertiser, weekly newspaper at Alabaster, has suspended publication with last week's issue.

It is stated that owners Phil Mannon and Rodney Rupert notified their subscribers by letter this week that the July 31 issue was the last and that refund will be made for unexpired subscriptions.

The newspaper at Alabaster started publication in 1956.

District Supervisors Set Annual Field Day

John Lewis Cates, Shelby County Supervisor for the North Central Soil Conservation District, announces that Shelby and Bibb County Supervisors are hosts this week for the annual District Supervisors' Field Day.

Brierfield Angus Farms, owned and operated by Mr. and Mrs. J. Harry Edwards, will be the scene of a gathering of 250 invited guests of the Supervisors. There will be tours of this splendid example of conservation farming and a speech by Rev. John Bryan of Birmingham, son of the famed Brother Bryan.

The supervisors have also planned a barbecue luncheon. Fifty Shelby Countians have been invited.

New Tire Recapping Service in Montevallo

Hal Sawyer and Bob Studdard, both of Carbon Hill, Ala., have opened the Montevallo Recapping Service in the old Shelby Laundry building at the intersection of Shelby and Valley streets, across from the Montevallo Lumber Company.

Visitors at the Montevallo Westinghouse Plant last week were, front row, left to right, S. A. Lewis, of Combustion Engineering, Chattanooga, Tenn.; Raymond Barrett, Brooks Welding Supply Co., Chattanooga, Tenn.; and J. H. Mesick, of Combustion Engineering. Back row, left to right, C. T. Ward, Combustion Engineering; John Scally, Westinghouse Salesman for the Charlotte, N.C., District; and R. E. Ballentine, Montevallo Plant Manager. Brooks Welding and Combustion Engineering are distributors for welding rods manufactured at the local Westinghouse Plant.

County Fair Prize Is Made More Attractive

That "Brierfield Farm Angus Steer" that is being offered as an inducement to adults to "Come to the Fair" will be slaughtered, cut-up, and wrapped free if the winner wishes!

N. Yeager Horn, proprietor of the Columbiana Quick Freeze, is offering to prepare the big black steer free of charge except for the hide. This modern freezing plant is equipped to handle a large volume of animals and poultry for Shelby County and vicinity.

The Kiwanis Fair Committee thanks Mr. Horn, and is glad to announce this addition to its fat steer award. It invites every adult Shelby Countian to come, enjoy the fair and qualify for the award.

Planning Loan Approved For Wilton Project

A telegram from Senators Lister Hill and John Sparkman and Representative Armistead Selden this week advises that the Public Housing Administration has approved a preliminary planning loan to the Montevallo Housing Authority in the amount of $2,000. The loan is to be used to plan ten new low-rent homes at Wilton. The Wilton project will be administered through the Montevallo Housing Authority.

Mr. and Mrs. Carl Ballard of Birmingham were Tuesday night dinner guests of Mr. and Mrs. Arthur Davis and Katie Jo. They were on their way home from a visit with his parents in Luverne.

Horseback Riding at
Shoal Creek Riding Academy

We have several more beautiful, gentle horses for your riding pleasure; also pony rides for the small fry.

We are building a rodeo pen for calf roping and bucking horses. We will have it ready Sunday, August 10.

Also several good races. Bring the family. Plenty of cold drinks and shade.

Horses rent for $1.00 per hour. Pony rides 20 cents. Rodeo and races 50 cents for adults and 25 cents for school kids.

We have plenty of good horses for sale; cow ponies; gaited and kid ponies.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

With only two dissenting votes, the House of Representatives last week passed a bill to liberalize social security benefits. To meet the increased cost of the program, the legislation also provides for a boost in payroll taxes.

As sent to the Senate, the bill calls for a seven per cent increase in old age, survivors, and disability benefits, with a minimum raise of $3.00 monthly. For the 12 million persons now on the retirement rolls, there will be an increase from the present $30 monthly minimum to $33 and from the current maximum of $108.50 to $118. The present $200 ceiling on family benefits will go up to $254 a month.

Rules Eased

The House-approved bill eases the eligibility requirements for social security benefits, such as permitting workers to earn $100 a month, rather than $80, without losing their benefits and providing for the payment of benefits to the dependents of disabled workers who retire at age 50. It also increases by almost $300 million the amount of federal payments to states for public assistance in 1959.

To finance the liberalized social security program, the House bill provides for increasing the tax rates by one-fourth of one per cent each for employees and their employers, and three-eights of one per cent for the self-employed. The taxable wage base is also raised from $4200 to $4800.

The Senate is expected to approve the measure before Congress adjourns, but there has been no assurance as yet that the legislation will be signed by the President.

Pensions for Ex-Presidents

In other action last week, the House approved a measure that will provide $25,000-a-year pensions for former Presidents of the United States. The bill will also make $10,000 available annually for the widows of ex-President.

A similar measure was passed by the Senate in February of last year. However, the Senate bill provides office space and clerical help for former Presidents, in addition to pensions. Since members of the House deleted secretarial aids and office space from the measure before passage, a conference committee must now work out a compromise between the House and Senate versions.

Livingston Federal Building

Congress last week gave final approval to a compromise version of the Independent Offices Appropriation Bill, and the measure was then referred to the President. This legislation includes funds for the construction of a number of federal buildings originally authorized under the government's lease-purchase program. One of the proposed structures is to be located in Livingston, Alabama, and will cost an estimated $267,000.

The only communities that were considered under the original lease purchase program were those where the federal government owned lots. Purchased prior to World War II, the Livingston site is the only eligible location in the Sixth District.

Visitors

We enjoyed a visit last week from Miss Tommie Ruth Mowery of Wilton. Miss Mowery was one of the two young ladies representing Alabama at Girls Nation in Washington.

KAREN VARDEN HAS PARTY

On Friday at 3 p.m. Karen Varden, daughter of Mr. and Mrs. Ford Varden, celebrated her 7th birthday. After playing games and opening gifts, refreshments were served to the following:

Beth Shaw, Paula and Buddy Allen, Charlie, Jimmy and Carol Brown, Jeffery Gray, Geraldine Hughes and the honoree.

BOY SCOUTS MET

Boy Scout Troop No. 59 met at 6:35 p.m. The meeting was opened by Mr. Floyd Anderson. Larry Blankenship led the Scout Laws. There were eight scouts, two visitors and two leaders present. The main topic discussed was the Scout Fair which is to be held Friday, August 8. A meeting will be held Wednesday at George Nix's house in order to finish up the projects for the fair, which will include posters, equipment and demonstrations. A cookout will be held behind the Field House on the College campus Saturday of this week. The Scouts will meet at the Methodist Church at 6:30 in order to go. A camping trip will be held this month near the scout cabin. After games and refreshments the meeting was closed. Wayne Baine, Scribe.

Land Bank Lowers Farm Loan Rate

The Federal Land Bank has lowered its interest rate to 5 per cent on all farm loans closed on and after August 1, 1958, according to word received by Mr. A. S. Miree, secretary-treasurer of the National Farm Loan Association at Birmingham, Alabama.

At the same time the bank advised that only 5 per cent will be charged on mortgages bearing 5½ per cent, the reduced rate to also be effective on August 1, 1958 and to be continued as long as conditions will permit.

This is the second time in its 41 years of providing farmers with loans that the Federal Land Bank has voluntarily lowered the interest collected on loans already in effect.

The National Farm Loan Associations and Federal Land Banks are cooperatively owned by farmers they serve. This voluntary reduction in interest rate is in line with our policy of passing on to our farmer owner-borrowers any savings possible through lower interest rates, Mr. Miree said.

Thomas S. Davenport Trains in Germany

Mainz, Germany —Pvt. Thomas S. Davenport, son of Mr. and Mrs. Virgil Davenport, Siluria, Ala., recently participated in a field training exercise with the 530th Field Artillery Missile Battalion in Mainz, Germany.

Davenport, a mechanic in the battalion's Headquarters and Service Battery, entered the Army in January 1957 and received basic training at Fort Chaffee, Ark. He was last stationed at Fort Bliss, Tex., and arrived in Europe in October 1957.

The 19-year-old soldier attended Thompson High School.

Volunteer Firemen Hold Regular Meeting

Seven members of the Montevallo Volunteer Fire Department attended the regular meeting Monday night. Those attending studied the operation of the truck's pumping system.

Joe Mooney became a member of the department at the meeting.

Others attending the meeting were Fire Chief Bill Pendleton; Dudley Pendleton; Mike Mahan; Ed Ewing; Joe Meyers; and Harvey Rochester.

Chief Pendleton announced that at the next regular meeting, to be held August 18 at 7:30 p.m., hose layouts will be demonstrated. Members of the department will practice the various layouts.

"These practices help us to know where the equipment is on the truck, and how to make better use of it. They also enable us to check our equipment regularly and see that it is in proper working order," Pendleton said.

Motor Bike Operators Should Have License

Constable Cooper Shaw requests the Times-Herald to say that he will check on all drivers of motor scooters, motor bikes, motor cycle and other similar vehicles in this area to see that the State laws governing the operation of such vehicles are complied with.

Mr. Shaw points out that children using motor scooters, motor bikes, motor cycles, etc. on the public highways must be 14 years of age or older, must have an operator's license and proper license tag. Mr. Shaw further emphasizes the importance of parents to see that their children do not violate the law in this respect for the reason of personal safety and the danger of liability damage.

TOWN LIBRARY REPORT

The Montevallo Town Library is pleased to report that 110 books were recently added to our shelves within the past week. These books were donated to the library by civic-minded members of our community who have recognized the definite need of a public library in Montevallo. Officials Investigate Possibility of Arson in Calera Hotel Fires

The State Fire Marshal's office has been asked to investigate the possibility of arson in connection with the second fire in a week at the Wade Hotel in Calera. Fire has broken out in the three-story building on two successive Wednesdays. The building is located in downtown Calera in the middle of a business block.

Calera fire chief Cecil Cowart, who owns the hotel, said, "I found where I believe fire was started in three places on the second floor and one place on the third floor. At 6:40 p.m. Wednesday, July 30, I received a call telling me that my building was on fire and that someone was in the building. I came to the store, Cowart Drug, got my keys and went to the hotel. As I opened the door a woman came out", Cowart said.

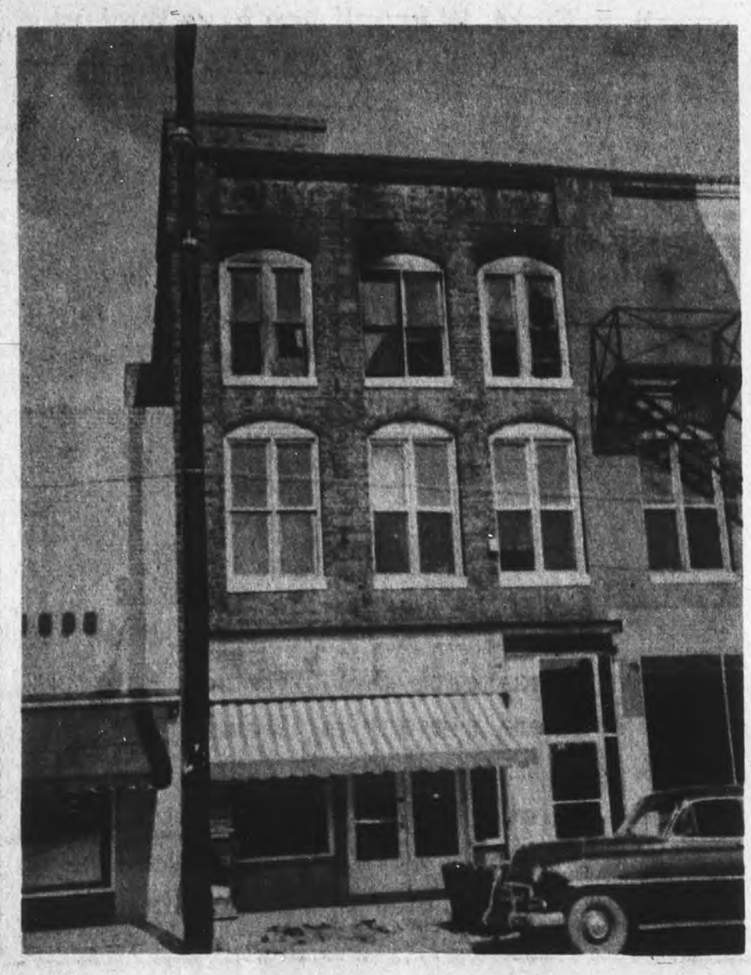

Cowart said, "I did not say anything to the woman. I was concerned with trying to put out the fire. A woman who lives in the apartment in the hotel leaves the door to the outside entrance open when she is in the apartment. She locks it when she leaves the building."

Calera Police Chief Frank Wells said, "I believe the building was set on fire in at least three places on the second floor". He said he would recommend that the State fire marshal's office investigate. Cowart said, "After the fire was under control we discovered where one fire originated in the kitchen of the second floor apartment. Some venetian blinds had burned and parts of them were still visible. Fire had burned up the wall. In another room on the second floor we found 4 window shades burning in a pile at one side of the room. At the base of the stairs leading to the second floor another fire had broken out," Cowart said.

"On the third floor near the bathroom a pile of rags were on fire. These four fires were not connected together." Cowart said.

In last Wednesday's fire, July 23, a third floor apartment occupied by Mr. and Mrs. Charles Martin was destroyed. Martin's furniture and personal possessions, which were uninsured, were destroyed.

After investigation of the July 30 fire by the State Fire Marshal's office, a warrant was sworn out for the arrest of Mrs. Kenneth Spitler, of Jemison. When the woman was arrested at her home she was found to have burns on her body, and to be emotionally upset. On the advice of her doctor, she was released on bond and allowed to remain at home. The grand jury will take up the case this week.

MISS JEAN KENDRICK

MISS JEAN KENDRICK IS ENGAGED

Mr. and Mrs. Melvin L. Kendrick formerly of Montevallo, now living at 1103 Sears Ave., Artesia, N.M, are announcing the engagement and approaching marriage of their daughter to Wayne Durham, son of Mr. and Mrs. Leonard Durham also of Artesia.

The vows will be read at 6 p.m. on August 26, 1958, at the home of the bride.

Miss Kendrick attended school in Montevallo, and finished high school with the prospective groom at Artesia in 1956, and went on to attend Eastern New Mexico University at Portales.

Mr. Durham is employed in the wholesale flower business at Cloud Craft, New Mexico.

Republican Candidate for Governor Longshore Is Native of Shelby County

William L. Longshore, Jr., the Republican candidate for Governor of Alabama in the coming November election, is a native of Shelby County. His parents, Mr. and Mrs. William L. Longshore, Sr., were living in Columbiana at the time of his birth in 1925.

His father, the present United States Attorney for the Northern District of Alabama, was born and reared in Shelby County. He was the first elected Circuit Judge for the 18th Judicial Circuit, composed of Shelby, Clay and Coosa Counties.

Mr. Longshore's mother was Jatie Lawrence, a Montevallo girl. She attended Alabama College and after graduation taught piano in the College's music department. Later she taught in Shelby County high schools for a number of years.

The grandfather of the present Republican candidate for Governor was Judge A. P. Longshore, Sr. He served four terms as Republican Probate Judge of Shelby County.

Mr. Longshore attended the University of Alabama and graduated from the School of Commerce and the School of Law. Presently he is engaged in the active practice of law in Birmingham. He is a member of the Southside Baptist Church and teaches a Sunday School class. His wife is the former Frances Ford, daughter of Mr. and Mrs. J. M. Ford, of Birmingham. She is also a graduate of the University of Alabama. They have three children.

In 1956, Mr. Longshore was a candidate for Congressman in the ninth district (Jefferson County). He received about 35% of the votes in the district.

Mr. Longshore has many friends and supporters in Shelby County. The fact that Shelby County voted a majority for Eisenhower for President in 1956 and because Mr. Longshore's family is deeply rooted in the past political history of Shelby County, encourages his friends to confidently hope and predict that he will receive a majority of the votes cast for Governor in this county in November.

Two Men Die in Auto Accidents

Two men died last week from injuries sustained in rural roads accidents in Shelby County. They were James Walter Roper, 75, and Walter Newton McNeill, 54.

Roper, a farmer of Wilsonville was killed Wednesday when a tractor he was driving on County Road 55 was struck by a truck carrying pulpwood, throwing him from the tractor into the path of the truck.

The accident occurred at 10:30 a.m. Roper died shortly after arriving at Hillman Hospital the same day. The truck was driven by Charles H. Moore, 23, also of Wilsonville.

Roper is survived by his widow.

Walter Newton McNeill, 54, of Childersburg, bread truck driver, died Thursday from injuries he received Monday on County Road 28 when the wheels of the truck he was driving locked, plunging the car off the road into an embankment.

The mishap occurred five miles south of Harpersville. McNeill was taken to Sylacauga Hospital but later transferred to University Hospital where he died.

Funeral services for McNeill were held Friday at Service Funeral Home in Sylacauga, with burial in Childersburg Cemetery.

Survivors include the widow, Annie McNeill, and one son, Don McNeill.

PHILLIPS NAMED ON TEXTILE COMMITTEE

Fred F. Philips, Buck Cotton Mills, Siluria, has been chosen as one of nine Alabama textile industry officials to serve on committees of the American Cotton Manufacturers Institute, central trade association for the textile industry in the United States. Mr. Phillips will serve on the Economic Policy Committee.

Salvation Army Truck To Be In Montevallo August 21

Salvation Army Dispatcher Orville Pitsinger advises that the "Red Shield Truck" will be in Montevallo on Thursday, August 21. Anyone having any donations can leave word at the Times office and the truck will pick them up.

RECREATION PROGRAM

The Summer Recreation Program will close after Friday, August 15. However, the swimming at the creek will continue for another week. There will be supervised swimming each day next week from 2:00 until 5:00 p.m.

Military Office Specialist Harry Klotzman, who has been stationed in Germany, has written his parents, Mr. and Mrs. Sam Klotzman, that he is being transferred to the Mid-East.

Cub Scouts Win Exhibit Award

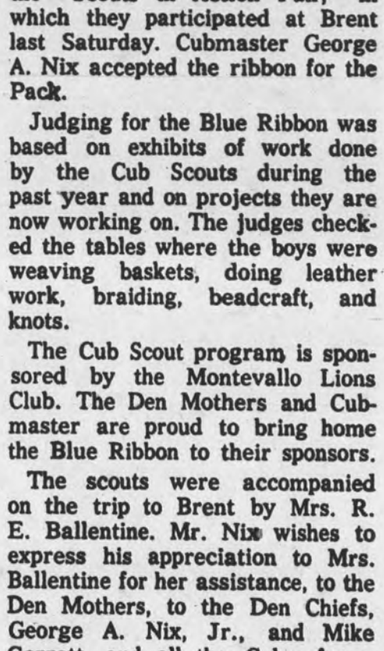

Cub Scouts from Pack 59 and Den Mothers, Mrs. George A. Nix and Mrs. Hubert Lucas, are receiving congratulations this week for winning the first prize Blue Ribbon for their Cub Exhibits at the "Scouts in Action Fair," in which they participated at Brent last Saturday. Cubmaster George A. Nix accepted the ribbon for the Pack.

Judging for the Blue Ribbon was based on exhibits of work done by the Cub Scouts during the past year and on projects they are now working on. The judges checked the tables where the boys were weaving baskets, doing leather work, braiding, beadcraft, and knots.

The Cub Scout program is sponsored by the Montevallo Lions Club. The Den Mothers and Cubmaster are proud to bring home the Blue Ribbon to their sponsors.

The scouts were accompanied on the trip to Brent by Mrs. R. E. Ballentine. Mr. Nix wishes to express his appreciation to Mrs. Ballentine for her assistance, to the Den Mothers, to the Den Chiefs, George A. Nix, Jr., and Mike Garrett, and all the Cubs, for a job well done.

Plans are being made to hold the "Scouts in Action Fair" in Montevallo next year.

Dr. Wallace T. Reece, a graduate of Birmingham-Southern and the University of Alabama Dental School, has opened his dental office in the Calera Medical Clinic. Dr. Reece, his wife (the former Sybil Blackwell), and children, Michael T., two years old, and Gail Lynn, 4 years old, are living in Dunwar Estates subdivision.

Mr. and Mrs. Otha Rakes have returned from a week's vacation in Kentucky and the Cumberland Mountains where they visited Mr. Rakes' family.

Drinking water from the Lister Bag at the Girl Scout Day Camp are, left to right, Candace McGaughy, Lynn Meyers, Susan Lovelady, Sandra Scott, and Becky Nelson.

LOCAL GIRL SCOUTS ATTEND CAMP

Girls Scouts from District 10 of the Cahaba Scout Council, which includes the Montevallo and Calera Troops, are participating in a Day Camp. The Camp began last week and will continue this week Tuesday through Friday from 9:00 a.m. until 2:30 p.m. Under the direction of Mrs. James Hancock, of the Birmingham Girl Scout Office, the Camp is being held on the W. E. Lovelady property in the Arden Subdivision in the wooded section behind Pineview Road.

The Scouts are learning to "cook out", having flag drills and enjoying many other scouting crafts. Assisting Mrs. Hancock are Mrs. Fred Miller, Mrs. Gray Strother, Mrs. W. C. Appleby, Senior Scout Edith Edfeldt, of Montevallo, and Mrs. L. L. Cameron, of Calera.

Girl Scouts attending the camp are Candace McGaughy, Becky Nelson, Cheryl Blackmon, Susan Lovelady, Linn Meyer, Amelia Edfeldt, Faye Farris, Barbara Moore, Pat Cobb, Martha Jean Bird, Amelia Dodd, Jo Lynn Appleby, Susan Whaley, Betty Allen, and Sandra Scott.

Brownie Scouts Joan Anthony, Linda Cobb, Eleanor Downs, Carolyn Frost, Barbara Kiriakos, Lucille Lovelady, Loy Miller, Judy Nix, Carolyn Ann Pierce, Mary Robinson, Nellie Gray Strother, Judy Watts, Peggy Whaley, and Susan Edfeldt.

Soil Conservationists Have Barbecue

The North Central Soil Conservation district supervisor's annual Field Day was held July 8th, at J. Harry Edward's Brierfield Angus Farm. Dr. John Bryon, Secretary of Birmingham Chamber of Commerce was the guest speaker.

After a tour of the various farm practices, the entire group of 250 enjoyed a program and barbecue with Mr. Edwards.

Among those in attendance were B. W. Hamric, Assistant Principal at Montevallo High School and M. Thornton, vocational agriculture teacher, representing the Montevallo Schools.

M. THORNTON RECEIVES MERIT AWARD

M. Thornton, vocational agricultural teacher at Montevallo High School, has been honored as a recipient of a national Farm Merit Award from the Thor Research Center for Better Farm Living, non-profit agricultural organization headquartered at Marengo, Ill. Thornton is one of 105 educators from 30 states to receive Thor awards to date.

The national Farm Merit Awards recently were established to honor persons making exceptional contributions to agriculture, including the training of the farmers of tomorrow in rural mechanics and electrification and the development of new methods and techniques for the farm.

BLAKE-MOORE

Miss Barbara Blake and Mr. Wilbur Moore will be married Friday night, August 15th, at 7 o'clock, at the Calera Methodist Church. Everyone has a special invitation to attend.

Dangerous Curve Gets Warning Sign

The Times has been informed that due to the efforts of R. E. Bowden, Jr., of Calera, a very dangerous curve north of Calera on the Birmingham highway has been marked with danger signals.

The curve, on which a number of fatal accidents have occurred, was the subject for a recent front-page article by Hugh Sparrow for the Birmingham News. In his article, Mr. Sparrow pointed out the need for proper warning signs approaching the curve. Shelby County is indebted to Mr. R. E. Bowden, Jr., for instigating this investigation and Mr. Hugh Sparrow for his excellent article on the subject, which has resulted in the hazard being properly marked.

Tax Assessor Reports Values

Shelby County Tax Assessor Ross B. Mullins reports the folowing 1958 assessed values:

Reg. Assessments	$ 8,517,290
Corporations	1,897,610
Non Residence	2,819,080
TOTAL	$13,233,980

There were 7,476 individual assessments. Utility assessments will be filed later this month.

Automobile assessments for 1957-1958 total $2,120,070, through June 15, 1958. This includes all vehicles, with 8,991 vehicles taxable and 1,530 vehicles non taxable.

Automobile tags will go on sale Wednesday, October 1. If tag buyers will come in during the month of October they will avoid having to wait in line.

All changes in assessments are to be made between October 1 and the third Monday of January.

Anyone buying or selling property should assess their property. Any person selling any property should re-assess and claim homestead exemption. This assessment then serves as the base assessment.

Funeral Rites For Mr. Luther Roman

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Continuing the drive toward adjournment both houses of Congress are making an effort to complete action on "priority" legislation. Groups of conferees appointed by the House and Senate are working daily to draft compromise versions of bills that have been passed by both chambers but in conflicting forms.

Included among the compromise measures that received Congressional approval last week was a record peacetime defense appropriation bill containing $39.6 billion. The bill provides extra funds for large bombers for long-range missiles, and for the construction of six new atomic-powered submarines capable of firing the Polaris intermediate range missile.

Congress also gave final approval to two other compromise measures of importance. One authorizes $1.7 billion for military construction. The other provides a four-year extension of this country's reciprocal trade program.

Dept Limit Raised

Members of the House of Representatives were also concerned last week with major legislation other than compromise bills. They voted, 286 to 108, to authorize the President to increase the permanent national debt limit from its present $275 billion ceiling to one of $285 billion. The President had requested the higher ceiling because budget officials now estimate a federal deficit in the vicinity of $12 billion for the present fiscal year. Most of those who voted against the debt increase did so as a protest against deficit spending.

Labor Bill Voted

Largely as a result of abuses that have been spotlighted in recent months by the Senate Rackets Investigation Committee, the House passed a measure last Wednesday which requires public reporting of labor pension and welfare plans. Passage of the bill was by voice vote, after an amendment designed to exempt pension plans conducted by employers was defeated.

The House bill requires administrators of all plans to make available to the participants a description of the welfare or pension program and an annual report of its financial operations. Copies of the annual report will have to be filed with the Secretary of Labor.

Since the Senate earlier approved a slightly different version, the measure has been sent to conference. However, final approval of the bill is expected before adjournment.

Education Bill

Also adopted by the House of Representatives was a $900 million "space age" education bill. This measure, introduced by Rep. Carl Elliott of Alabama was passed by a voice vote after members rejected 139 to 233 a motion to kill the bill by sending it back to committee.

Before adopting the measure, House members deleted a controversial federal scholarship plan and substituted a student loan provision. The substitute plan, if approved by the Senate, will provide loans averaging $600 to each of more than 90,000 needy students.

Other features of the bill include grants for scientific equipment to be used in public schools and junior colleges; grants for graduate fellowships; aid to colleges to expand graduate teacher training; funds for language institutes; and funds for guidance and testing programs in the public schools.

Visitors

Among the Sixth District visitors to Washington last were Miss Lelah Brownfield of Montevallo and Mr. W. W. Elliott of Columbiana.

Conducts Revival

The Enon Baptist Church is conducting revival services beginning August 17 through August 22. The Rev. T. K. Daily (above), of Birmingham, will preach each evening. The public is invited to attend. The Rev. J. Paul Banks is the pastor.

CHAMBER OF COMMERCE MET

The Montevallo Chamber of Commerce met at Town Hall Thursday evening, August 14, at 7:30 with James F. Whaley, president leading the discussion. Various items were discussed and reports of some of the committees were made. The secretary reported that welcome signs had already been distributed to the various business places in Montevallo. Members of the Chamber look forward to the opening of the county schools and the college in early September.

Southern Bell Installs Six Millionth Telephone

Southern Bell's six-millionth telephone was installed August 1.

Company officials say the number of telephones in the nine-state area served by Southern Bell has more than tripled in the past 13 years. Back in 1945, there were less than two million telephones in this area.

Ben S. Gilmer, Southern Bell President, says this shows the rapid economic strides made by the South since World War II.

The historic six-millionth telephone went into service in the North Carolina Capitol in Raleigh.

Mr. J. L. Switzer, the Southern Bell manager here, says Southern Bell now serves 91 exchanges in Alabama with a total of 624,000 telephones.

He says there are 5026 telephones here in the Shelby County exchanges.

Tommie Ruth Mowery Writes of Girls Nation And Her Visit to Washington

By Tommie Mowery

To the Times-Herald:

I know I could write a book about my trip to Washington, but to make a long story a short one, I'll only give the highlights of my fabulous week at our nation's capitol.

Judy Carter, the other Alabama delegate, and I left Birmingham by Eastern Airlines, Saturday, the 26th of July. Since flying was a new experience for both of us, we couldn't help but look starry-eyed and long-necked. It seemed only a matter of minutes before we had made ours stops in Atlanta and Greensboro, N.C., and then we were landed in D.C. to begin our long-awaited week at Girls Nation.

From the moment Judy and I entered Mary Graydon Hall at the American University, we were constantly on the go. The six days were filled with sightseeing, and the studying of government. Of course we saw the inside story of our government in operation.

Girls Nation could not have been the success it was without really getting to meet our nation's top officials. Although our President was unable to speak to us, Vice President Nixon did a wonderful job of filling in for him. Judy and I were very fortunate in having some of the nations most distinguised men take us under their wings and really make us feel at home. While visiting the capitol our congressman from the 6th District, Mr. Armisted Selden, came over and invited us to his office. There we chatted like old friends. Believe me, Mr. Selden really ridded us of any homesickness we might have had. As soon as Judy and I returned to the Capitol, we were met by our honorable senators, Mr. Hill, and Mr. Sparkman. They, too, treated us with such regard that Judy and I couldn't help but feel like queens. A real treat was in store for us on Thursday, when the entire Alabama delegation invited us out to lunch, but due to the Girls Nations schedule, we could not accept the invitation.

The one thing I really lacked in Washington was another pair of eyes, because I just could not see too much of the large, stately, and beautiful buildings. Among the ones we visited were the Capitol, the Pentagon, the Smithsonion Institute, the Washington, Jefferson, and Lincoln Monuments, and Arlington National Cemetery.

Several events were especially outstanding. On Thursday, McCalls Magazine gave Girls Nation a "People to People" luncheon at the Shoreham Hotel. The food was indeed "out of this world", and to top it off an International Fashion Show and the Sea Chanters, with Fred Warrings's son entertained us. The guest speaker was none other than our own Senator John Sparkman.

Another event which made a deep impression on me was seeing the changing of the Unknown Soldier Guard, and the laying of a wreath on his tomb by our president from North Carolina.

The third event, which I know I shall never forget is hearing the open-air concert of the Air Force Band, which was given especially for us.

Then all too soon the week came to an end, and Girls Nation was in the past. But if you could have seen the faces of each of the 97 girls as they vowed they would return to the reunion in five years, you would have known that Girls Nation would not only be a cherished memory, but it would be a lasting impression in our life.

Card of Thanks

We want to thank our many friends for their kind expression of sympathy shown us during the illness and death of our sister and aunt. Thanks for the many kind deeds, the beautiful flowers and the food.—Mr. and Mrs. Charlie Dobbs, Mrs. Henerietta Allen and the family.

Card of Thanks

Being chosen to Girl State and then to Girls Nation is one of the greatest honors that could come to any girl. I am thankful and so appreciative that the American Legion Auxiliary, aand my fellow girl-staters saw fit to select me.

My deepest gratitude and appreciation go to the many friends, organizations, and to my hometown for helping make my trip more enjoyable. I salute my sponsor, the Auxiliary, for its good work, and for making my summer of '58 a very great one!

Thank you sincerely.

"WE WANT TO TELL YOU, too, about a series of television programs which we think you and the entire family will enjoy. Every tuesday at 4:30 P.M. for the next four weeks, the Educational Television Network will present films produced in the public interest by the Bell System. We join with ETV in inviting you to see: *You're Driving 90 Horses,* tips on safe driving, on Aug. 19; *Crystal Clear,* Bell Laboratories at work, and *Western Crossing,* story of the first transcontinental cable, on Aug. 26; *Echoes in War and Peace,* the story of devices for locating enemy submarines and aircraft, *Seeing Is Believing,* camera research by Bell Laboratories, and *The Transistor,* a new device that does the work of the vacuum tube, on Sept. 2; *Bell Solar Battery,* harnessing sun power, *Coaxial and Microwave Miracle,* methods of transmitting telephone calls and television shows, and *Nike,* the Bell System's part in developing guided missiles, on Sept. 9. Remember, ETV telecasts on Channels 2, 7 and 10."

HOW MANY PHONES would you guess there are in Dixie? One million? Three million? Five million? The last figure would have been a good guess 28 months ago. But recently in North Carolina Southern Bell installed the SIX MILLIONTH PHONE! This is significant because every new telephone means expanded service. This means more of us than ever before can make calls or be called . . . more of us can enjoy new services . . . more of us can take life just a little easier because of telephones—yours and mine and six million others.

CALERA, ALA. Aug. 15-16 NO 8-6691

Master Sergeant Richard A. Thompson receives Certificate of Retirement from the Gunter Branch, School of Aviation Medicine, USAF, at Gunter Air Force Base, after 22 years of active duty.

Sgt. and Mrs. Thompson Live in Calera

Master Sergeant Richard A. Thompson and Mrs. Thompson have recently returned to Calera to make their home after Sergeant Thompson's retirement from the United States Air Force. Mrs. Thompson is the former Helen Long, of Calera. They are occupying the Long home with Mrs. Thompson's mother.

Sergeant Thompson began his Army career in 1936 at Birmingham and was assigned to the station hospital at Fort Benning, Ga., where he served for three years. He reenlisted at Maxwell Air Force Base in 1939 in the Medical Department and was transferred to Craig Air Force Base. In 1943 he was assigned to the College Training Detachment at the University of Alabama as a noncommissioned officer in charge of the Dispensary. When that activity was inactivated during 1944 he was transferred to Liberal Air Force Base, Kansas. Since that time he has served at Waco, Texas; Craig Air Force Base; Ladd Air Force Base, Alaska; Maxwell Air Force Base, Alabama; Tyndall Air Force Base, Florida; Pinecastle Air Force Base, Florida; and in 1953 was transferred to Korea, where he served in the Korean Campaign.

Since his return to the states in 1954, he has served at Maxwell Air Force Base and Gunter Air Force Base.

GRAND JURY REPORT

To the Honorable A. L. Hardegree, Judge of Said Court:

We have investigated 68 cases and we return into court 52 indictments, 39 of which are for felonies and the remainder are for misdemeanors. The offenses for which we have returned indictments are as follows: 28 burglary and larceny, 5 whiskey violations, 8 forgery and fraud, 5 assaults both simple and felonious, 4 traffic violations, 1 robbery, 1 arson.

We have examined audits of the following offices as prepared by the Department of Examiners of Public Accounts: Tax Assessor, Oct. 1, 1955, through Sept. 30, 1956; Tax Collector, July 10, 1956 through July 10, 1957; Consolidated Report of Justices of the Peace, Jan. 1, 1957, through June 30, 1957, and July 1, 1957, through Dec. 31, 1957.

We report to Your Honor that the affairs reported upon by these audits appear to have been capably handled. We commend the public officials reported upon for the evidence of the good work revealed by these audits. We do note that several Justices of the Peace have not performed their duty with reference to submitting their monthly reports as required by law. This appeared in the record of several Justices. We think that each of these officials should report monthly as required by law; most of them do; and that those who are delinquent should submit those reports they are in arrears and keep these reports current in the future.

All of our number visited the County Jail. Mr. Belvie Parker, the jailer conducted us through this portion of the County property. We found the jail to be very clean and well kept. We commend both him and Mrs. Parker for the evidence of their good work that we observed. The prisoners reported to us that they were well fed and well cared for. It is our judgment that the jail is adequate for the safe keeping of the prisoners.

Our foreman appointed a committee of three men to make an examination of the County properties in Columbiana. We include their report in this paper and we join them in the recommendations that they have made.

All of us are of the opinion that the caretakers of this property, Mr. J. C. Walton and Mr. Ellis Boaz, do outstanding work in performing their duties. This is evident from the appearance of the grounds and buildings. We do make several recommendations that would be beneficial, in our judgment, to the appearance of the county properties.

We think that the buildings to the rear of the Courthouse Addition should be improved by paint or in some manner to where they are more in keeping with the surroundings in which they are situated. We believe that the accumulation of partially burned trash to the west of these buildings should be hauled away. The weeds on the south edge of the west parking lot should be cut back to the property line, marked by a fence.

With reference to the Shelby County Health Clinic; our committee was most cordially received. We find this building in a fine state of cleanliness and repair. We recommend that an electrical outlet be placed at above cabinet level in the instrument room. The convenience of such an outlet would be considerable. We suggest that the electrical circuits of this building be checked and more circuits added if needed. This recommendation is made because it was reported to us that electrical fuses are burned more than ordinary in the present electrical system. A corner of the yard is rather unsightly because the lawn mower is not able to cut a portion of the grass. This detracts from the attractive surrounding of the building and should be remedled.

We made an examination of the old county jail. We think that the building leaves much to be desired in so far as appearance is concerned. Something should be done to place it in a condition more in keeping with its surroundings. We also suggest that the roof be repaired and leaks thus be stopped. Also we suggest that comfort facilities on the second floor be repaired or removed.

A second committee appointed by our foreman visited the offices of the various public officials. They state that nothing of note was reported to them for grand jury action. However they do recommend, in which recommendations we join, as follows: 1. A more adequate room for the keeping of records be found. The records in the Probate Office and the records in the Assessors office completely fill present available storage space; 2. The Tax Collector should be furnished a cash register for use in his office. 3. Consideration be give to the installation of an elevator in the Courthouse addition (We understand that information as to cost, and installation has already been obtained). 4. More adequate facilities be afforded witnesses who attend court and are awaiting call to the witness stand.

We also recommend and urge greater dilligence on the part of the Jury Commission in the selection of names for the Jury box; to the end that persons who are away from the county or deceased or for some other reason are unable to serve be omitted from the box and the names of the elligible jurors from throughout the county be included.

Mr. Lapsley Holcombe has served us faithfully and well as bailiff. We extend to him our thanks.

On Monday as we began our work we were greatly assisted by the instructions that we had received from the Court. We express our thanks and appreciation to Your Honor for the manner in which our duties and responsibilities were explained to us. We have tried to discharge our duties in keeping with the instructions of the Court.

Having completed our report we request that we be discharged subject to recall by the court.

This the 6th day of August, 1958.

Respectfully submitted,

D. J. RATLIFF, Foreman

Miss Marshall Receives Degree

Miss Ethel Marshall, associate professor of history at Alabama College, received her PhD degree from the University of Florida at the end of the summer term.

Dr. Marshall's dissertation was on the political and economic problems of Caracas, Venezuela. The major part of the work concerns the city in the colonial period.

Dr Marshall did research in Caracas in the summer of 1956 through a grant from the Creole Petroleum Company. During her first year of work at the University of Florida she was awarded a graduate fellowship in the school of Inter-American studies.

She received a full graduate scholarship from the graduate school for her second year.

Dr. Marshall received her AB degree from Birmingham-Southern College and her MA degree from the University of Alabama. She is noted for her work in the field of conservation.

She is a member of the National Council of Geography Teachers, The Southeastern Division of the American Association of Geographers, and the American Geographical Society.

She is also a member of the Southern Historical Association and the Alabama Historical Society, and has held a stage office in the Alabama Federation of Business and Professional Women's Clubs. She was secretary of the Southeastern Conference on Latin American Studies in 1957.

If you are interested in piano or voice lessons contact Mrs. Vesta Love Schnell at her home in Calera and let her add you to her list. Her phone number is NO 8-2307.

"Biggest Shelby County Fair Yet" To Open Monday in Columbiana

All roads lead to Columbiana Recreation Area as hundreds of participants prepare the many entertaining and educational features of the Ninth Annual Kiwanis sponsored Shelby County Fair.

In all parts of the county businesses and clubs are busy preparing their exhibits. This will make the fair truly a county fair, held at the county seat as the logical spot for such an occasion.

The Culture Club is ready to receive entries in their art contest and show. The Novella Club is gathering a fine array of gifts for their bingo games each evening. The fair catalog has gone into the boxes of 6,000 Shelby countians. Phillips Associates is assembling many yards of their loveliest materials. Alabaster electronics expert Christian promises a look at the latest Hi-Fi. These and many more . . . twenty-five indoor, and several outdoor exhibits, plus Maid of Cotton. Dairy Maid, calf shows, and a big carnival midway. These, with a new excitement and enthusiasm make for a realization of the hopes of the Kiwanians.

First real step toward action on the grounds was late last Monday when Seaman Timber Company delivered poles and lumber that firm is donating for use to pen the Brierfield Angus Farms steer that some lucky person will win in a free drawing Saturday night. Booths will be ready for decorating by the weekend. Exhibitors have until late Monday to get ready, and some plan to build over the weekend, including the live snake and animal exhibit.

Suggestions to Fairgoers

Parking is to be a major problem. You are asked to park at curbs of streets, utilizing all space and not obstructing drives to homes or the street itself. Drives and parking lot of the high school may be used, but protect the grass and buildings.

Do not attempt to go down the drive to the fairground, except on business, in cars, and then watch pedestrians.

Please do not touch unnecessarily equipment or materials on display except those obviously intended to be used.

Please help keep hall and grounds clean and attractive so that others may enjoy them.

Adults register once each day at the free steer booth.

A lunch-box will be on display in the exhibit building so that while you are here enjoying the fair fun you may drop a few coins into it so that there need be no hungry child the Kiwanis free lunch program cannot help.

BAKE SALE

The Kate Cowart Circle of the Calera Methodist Church will hold a bake sale Saturday, Aug. 30th, at Lawrence Food Center. Come by and get your cakes and pies for the Labor Day week end.

Display of local Scouting program now at the Central State Bank in Calera.

Boy Scouts To Open Fund Campaign

The Black Warrior Council of the Boy Scouts of America will open its finance campaign for extending Scouting in the Calera area with a breakfast on August 25 at the breakfast on August 25 at the Calera Cafe, it was announced today by Ben Swindle, who is chairman of the Calera campaign.

The Black Warrior Council, whose headquarters are in Tuscaloosa, launches an annual drive for funds to make possible continued growth, more trained leaders, and added opportunities for leadership training for more boys.

Assisting in achieving the objectives of Scouting within the Calera Unit are eleven registered adults giving volunteer service on the local council level. To better serve youth, all of these leaders took training last year in Scouting techniques and boy leadership.

Calera Boy Scout Troop 67, under the able leadership of Scout Master Jim Duncan has already taken many honors this year in the Cahaba District and Black Warrior Council. They were honor troop with 20 scouts attending at Camp Horn early in June. They won first place in the Cahaba District Camporee and fourth place at the Scout Fair in Brent.

Scout master Duncan is assisted by Wiliam R. Quillen and Dave Hodgeson. C. E. Tidwell is troop committeemen chairman. Troop 67 is sponsored by the Civitan Club and Cub Pack 67 is sponsored by the Lions Club.

Boys Injured in Bike Accident

Steve Goad, of Spring Creek, and Kenneth Byrd, of Midfield, Ala., were rushed to a Birmingham hospital Saturday, after a collision with their motor bike and a 1-ton truck about 5 miles from Montevallo on the Spring Creek Road, near the Ed Taft home.

The ambulance carrying the injured boys and Mr. Goad, father of Steve, was in collision with another vehicle en route to the hospital, slightly injuring Mr. Goad and giving Steve a black eye and facial bruises.

Both boys had their right legs broken. Steve Goad was driving the motor bike and Kenneth Byrd was riding on the back of the bike. George Gates of Birmingham was driver of the truck. The two vehicles crashed head-on while meeting on a curve.

It has been later reported that due to the severe crushing of 15-year-old Steve Goad's right foot it was necessary to amputate below the right knee. He also suffered a fractured right thigh. Kenneth Byrd, 14 years old, sustained similar injuries,, with his right lower leg crushed and a compound fracture of the right thigh.

Both of the boys are on the third floor of St. Vincent's hospital where they are improving satisfactorily. They are anxious for their friends to visit them.

Montevallo Police Chief Harry Kendrick, in reporting the accident to the Times, stated that this was the fourth accident in about six weeks involving motor bikes within the police jurisdiction of Montevallo. There have been no accidents involving motor bikes in the city limits of Montevallo. Mr. Kendrick estimates the percentage of accidents as very high in comparison with the number of motor bikes in the area in operation so far.

Mr. Kendrick reports that action was taken at the City Council meeting last week outlawing unlicensed teen-age drivers of motor bikes. They will be arrested and a warrant will be issued for their parents, who will be brought into Mayor's Court.

County Schools Open on September 2

Mr. Elvin Hill, Superintendent of Shelby County Schools, announces that plans are being made for the schools to open on Tuesday, September 2.

Pre-school meeting for white teachers will be held at the County High School, Columbiana, for two days, Wednesday and Thursday, August 27 and 28. On Friday, August 29, all white teachers will meet at the respective schools for faculty meeting during the day.

The pre-school meeting for Negro teachers will be held at the Alabaster School on Tuesday and Wednesday, August 26 and 27, and all Negro teachers will meet at their respective schools for faculty meetings on Thursday, August 28.

The main idea for the pre-school meeting is for teachers to become more familiar with plans for the year's work and to make plans for in-service study during the school year. This is an important phase of the work for the improvement of instruction in the schools in Shelby County.

Dr. W. Morrison McCall and Miss Lula Parker, from the State Department of Education, will meet with both groups of teachers.

Birth certificates are required of all children who will enter first grade in September. Mr. Elvin Hill, Superintendent of Sheby County Schools, pointed out that the State law says that any child who is six years old on or before October 1, 1957, may enter the first grade provided he has a birth certificate.

Parents who do not have birth certicates for their children may get them from the Shelby County Health Department, provided the child was born in Shelby County. If the child was born in another county in Alabama, write the Bureau of Vital Statistics, State Department of Health, Montgomery, Alabama.

Application for these certificates may be obtained from the Shelby County Health Department. If the application is made at once, the birth certificate will be ready to take to school on the opening day, Tuesday, September 2.

Mr. Hill also suggests that parents see that their children have had the necessary immunization shots. These can be given by the family doctor or by the County Health Doctor in Columbiana.

Brother and Mrs. J. F. Goree, of Calera, are the proud grandparents of a baby boy born to Mr. and Mrs. Floyd Goree, Jr., at Wright Patterson Air Force Hospital, Dayton, Ohio, on Tuesday, August 19. His name is Allen Lynn.

Mrs. R. E. Whaley is visiting her cousin in California.

Siluria Man Is Killed by Tractor

Evans Lee, of Siluria, was found dead Tuesday morning after his tractor which he was driving turned over on him. Mr. Lee, who was around 50 years of age, was a bachelor and he lived with his father. Funeral services were held Wednesday.

Walter D. Lagrone is pictured with the set of plastic dishes he won as first prize at the annual Westinghouse barbecue held at the Calera Park last Saturday.

Westinghouse Employees Picnic

Over 200 employees attended the annual Westinghouse picnic held at Calera Park and Little Springs Park at Montevallo. Bingo and other games were enjoyed by those attending and a delicious chicken barbecue was served in the evening. Grand prizes were won by Mr. Walter Lagrone and Mr. Wiliam E. Atchison.

The picnic is an annual affair financed by the employee fund at the Montevallo Plant. This was the largest crowd ever to attend the picnic.

Flying X Ranch Owners Visit Alaska

D. H. Ballard, his son, Doug, and Burton Milam, owners of the Flying X Ranch, located on the Dargin Road between Moore's Cross Roads and Dogwood, have returned from an exciting but strenuous trip to Alaska over the primitive Alcan Highway.

The trip was made in a new Ford truck which they purchased from Lovelady Motor Company and equipped with sleeping quarters in the rear. The truck, bearing the sign "Flying X Ranch, Montevallo, Ala.," created much interest among the natives along the way. They covered over 9,000 milles in less than two weeks, over the roughest roads they had ever travelled. The one bus travelling the highway runs only every three days.

The party virtually pioneered through the Yukon Territory, which is very undeveloped. They found Indians still trapping for food. "We had a very interesting trip," reports Mr. Ballard, "but it certainly was not a pleasure trip, and I would not advise anyone to take it for a vacation. It is extremely expensive and unbelievably dangerous. We saw many automobiles which had been pushed off ravines and abandoned by their owners, and we saw families stranded with broken down cars and their money almost gone. We thanked our lucky stars for our new truck which performed beautifully."

The Ballards, who reside in Vestavia have bought the Flying X Ranch and have started construction of their permanent home there. They have remodeled the old farm house which was on the property and use it for their week-end visits. Mr. Ballard uses the flying strip on his ranch to store his private plane, when it is not in use. They are looking forward to becoming permanent residents of this community.

Methodists Plan Check-Up Rally

When the Sylacauga District Rally and Check-Up meeting is held at First Methodist Church, Sylacauga, on August 31, a large delegation from the Montevallo-Calera area is expected to be among the congregation.

Dr. L. D. Tyson, District Superintendent of the Sylacauga District, said today, "Our District Rally and Check-Up Meeting is to be held at 7:30 p.m. and weather permitting, the service will be held "under the stars".

He continued, "Bishop Bachman G. Hodge will preach for us. We are expecting this to be the largest gathering of Methodists ever held in this District. The roll of the pastors will be called and asked to stand with his people at which time he will turn in the Annual Conference report."

There are 65 churches within the bounds of the Sylacauga District with 37 pastors representing approximately 10,000 Methodist members.

"It is hoped that car pools will be organized in each church on every charge and the Sunday night service should be one for all Methodists to remember with much pride and satisfaction," Dr. Tyson said.

Anyone interested in attending and has not made arrangements is urged to see the pastor of his Methodist church as soon as possible.

Negro Recreation Report

Another fine time in recreation for colored children and adults in Montevallo has been enjoyed for the summer. Again sportsmanship, civic responsibility and good manners was the main theme and some fine results have been attained by the instructor.

Year after year our program gives more interest and draws more people to participate in the activities. This year the adults selected their activities and quite a number enjoyed the various entertainment from them. Our people have begun to realize the importance of this type of program. They used to send their children, but now they come and enjoy an evening of fun with them.

More adults have visited on the creek at Little Springs on Tuesdays and Thursday than ever before. It is a very nice and shady spot for a cool dip for those who enjoy swimming and for those who like games, tables and benches have been provided.

Baseball and softball are always a good drawing card. We always try to have the games played on Wednesday afternoons when the business places in town are closed.

The best drawing card, however, is the evening or nights in the gymnasium where many activities are carried on. Usually during the dance hour every one is present. A number of adults stay around for a good whist game after the children have gone home at night.

We hope that the interest of adults continues and will make the program better as time goes by.

Our total attendance for the summer has been 4,690. So the curtain falls on the recreational activities for another year.

Mrs. Mack Nix and Mack Jr. returned home Sunday after an enjoyable visit with relatives in Kansas City and Goshland, Mo., returning by way of Jasper for a week end with Mr. and Mrs. Bliss Nix, Jr., and children.

Mr. and Mrs. Bobby Hawkins visited relatives in Talladega Sunday and on Monday attended the funeral of Mrs. Hawkins' grandmother, Mrs. Ann Thackerson, of Talladega, who died Saturday, August 16.

Montevallo firemen, left to right, Mike Mahan, Ed Ewing and Joe Mooney at practice drill last Monday night.

Chas. Amos Joins Fire Department

Charles Amos joined the Montevallo Fire Department Monday night. Nine other members present for the regular meeting participated in a hose layout drill.

In this drill, various methods of laying hose to fires were studied. The firemen also studied various types of fires and considered which hose layout would best care for each situation.

Members attending the meeting were Fire Chief Bill Pendleton, Dudley Pendleton, Ed Ewing, Joe Mooney, Mike Mahan, Clement Hyde, Brewer Carpenter, Joe Meyers, Pat Wyatt, and Charles Amos.

Boy Scouts

The meeting of Boy Scout Troop 59 was opened at 6:42 by Mr. Floyd Anderson. Jimmy Baine led in the pledge to the flag and Wade Baine led in the Scout Laws. There were seven scouts, two leaders, and one visitor present. Patrol, scribe, and treasury reports were given.

Advancement was the main topic discussed. There will be a board of review in the near future and most scouts are preparing for it. The scouts will go on an overnighters next Saturday near Bulldag Ben. Each scout has been assigned certain duties.

Fifteen minutes was alloted in order to work on our projects. Refreshments were furnished by Mrs. Nix, whom the Boy Scouts wish to thank for her cooperation and devotion beyond the call of duty.

The Boy Scouts of Troop 59 would like to welcome any visitors who wish to attend their meetings and any boys between the ages of eleven and eighteen who would like to join their troop —Wade Baine, Scribe.

C. of C. Discusses Various Topics

The regular monthly meeting of the Montevallo Chamber of Commerce was held at Town Hall last Thursday evening at which time many topics of interest were discussed. After discussing the Maid of Cotton contest the Chamber of Commerce agreed to participate in this program. After suggestions by R. E. Whaley concerning the new mining operations near Montevallo, the Chamber of Commerce decided to make special effort to invite Mr. J. B. Dollar and his family to locate in Montevallo. Mr. Dollar is in an official capacity with the mining operations.

It was also suggested that anyone in Montevallo having rooms for rent to the men college students, please make it known to the public relations office of Alabama College or to M. Thornton, secretary of the Chamber of Commerce.

Mention was made of the fact that the welcome signs for the various business places have been distributed. In case any establishment desires a sign and was overlooked please let the Chamber of Commerce officials know in order that signs may be delivered.

The Chamber of Commerce also had a communication from Senator Lister Hill in which he stated that he was directing every possible effort toward the river development program in Alabama.

Any individual or business firm desiring to discuss matters concerning activities of or for the Chamber of Commerce is encouraged to contact James F. Whaley, president, in order that proper consideration can be given all suggestions. The membership committee would like to see all eligible business establishments join the Chamber of Commerce in order that the work of the organization can become more effective. Dues range from $5 to $25 depending upon the business size, etc.

Vocational Agriculture Instruction To Emphasize Scientific Methods

Vocational Agriculture instruction in the Montevallo High School will include several adjustments beginning with the coming school term, according to M. Thornton, local vocational agriculture teacher.

The newly initiated program will place a greater emphasis on scientific methods in agriculture and will focus attention on increased farm mechanizations two essentials for courses in vocational agriculture to be useful to future agriculturalists. It is imperative that the instruction be streamlined and actually reach out into the future for probabilities, so that the person who follows an agricultural vocation will not find himself behind when he begins his work.

The adjusted curriculum is set up to include four divisions, one division for each year of vocational agriculture instruction with each higher division becoming more specialized and more related to actualities which an agriculturalist will face.

The first-year of instruction in this program has been designated as an exploratory course. Students will be directed in ways and means of a scientific agriculture, and, in addition, will receive instruction in making a start in agriculture and related occupations. This phase of the program is aimed at student self-discovery and a recognition of the merits of the field of agriculture.

Second-year students will receive extensive instruction in the farm and home shop in addition to study based on the home project programs. It is the role of the vocational agriculture teacher in this year to help the student develop the mechanical skills and an understanding of their uses in vocational agriculture and related fields. Such a course of study endeavors to develop to a large extent the mechanical skills and the knowledges needed to provide a better home and community life.

Efficient and scientific production of farm crops and livestock will receive major emphasis in the course for third-year students. This program of instruction will assist students in becoming established in farming, and it will help students to accept more and more responsibility for study and research in the improvement of farm efficiency.

The final year of instruction will be concerned with farm management principles and their application for better living and greater profits.

"This program," says Mr. Thornton, "is not entirely new, for our program of instruction has long been concerned with this purpose. However, in view of our changing times, adjustments which we felt were necessary have been made and the total instructional program revised to meet the needs of tomorrow's agriculture."

On September 3, the vocational agriculture teachers in the Central area of Alabama will meet at Clanton at which time two hours will be given to discussion of the plans for teachers under the adjusted set-up. Mr. Thornton will discuss his plans for the Montevallo department and Mr. B. P. Dilworth, assistant supervisor of Auburn, will discuss other plans in the program.

In addition to the work with students in the regular school program an adult class will be held for farmers and others interested. The meeting will begin on September 9 at 7 p.m. and meet weekly each Tuesday evening at the vocational agriculture building.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Despite the recent statements of congressional leaders that it would be impossible to enact farm legislation before adjournment, a major hurdle was cleared last week when the House agreed to a compromise version of the agriculture bill it had rejected only a week earlier.

As approved by the House of Representatives, the latest version of the farm bill sets next year's national cotton acreage allotment at 16,000,000 acres. Under current authority, the acreage total is scheduled to drop to about 14,200,000 acres in 1959.

Although the House made a number of minor changes in the original Senate bill, these changes are reportedly agreeable to the Administration. Also, the Senate Committee on Agriculture has recommended that the House amendments be accepted, and the Senate is likely to follow the Committee's recommendation. Therefore, prospects for the passage of a farm bill before Congress adjourns are much brighter than they were a week ago.

Redevelopment Bill

Before adjourning over the week end, the House on Friday passed by voice vote a bill that provides $275 million in loans and grants for the redevelopment of areas that have chronic unemployment. The Senate had already passed a similar bill that provided $379 million, and the two versions are slated for consideration by a conference committee this week.

An effort to substitute a $50 million loan program in the House was defeated despite predictions of a Presidential veto of the more costly measure.

Education Aid Bill

The Senate has approved a more expensive National Defense Education Bill than the one passed by the House, making it necessary for the two versions to be compromised and voted on again.

The $99 million House bill established an extensive loan program for college students, while the Senate measure contains provisions for direct scholarships and will cost in the neighborhood of $1.5 billion. Both bills call for more intense training in science, mathematics, and foreign languages at all levels and contain provisions for expanding graduate schools.

Adjournment Outlook

In addition to a number of conference reports, there are also several important measures that will undoubtedly be considered before Congress adjourns. Included among those are the Kennedy-Ives Labor Bill and the Omnibus Housing Measure. But despite a heavy volume of unfinished business, and barring any unforseen roadblocks, there is a good chance the 85th Congress will adjourn sine die by the end of this week.

Aged People May Be Losing Benefits

J. W. Overstreet, Jr., district manager of the Birmingham office of the Social Security Administration, noted today that men over 65 years of age and women over 62 years of age who earn less than $2080.01 during the year may be losing social security benefit payments.

Mr. Overstreet stated that most everyone knows that he can receive a check every month of the year if he does not earn over $1200.00, Many however, do not realize they are entitiled to a check for at least one month even if they work every month and do not earn more than $2080 during the course of a year. Moreover, they can receive a check for any month in which they do not work for wages of more than $80, or do not render substantial services in self-employment. Benefits also are payable after an eligible individual reaches age 72 regardless of the amount of his earnings.

Mr. Overstreet added that if you are over retirement age and earn less than $2080.01 per year as an employee or from self-employment, be sure to contact your Social Security Administration representative who is at the City Hall in Calera every Thursday at 10:00 a.m.

Billy J. Cox and Miss Harrell Wed

The Providence Baptist Church was the scene at 5:30 p.m. Saturday of the wedding of Miss Clara Elaine Harrell and Billy J. Cox. The Rev. Charles T. Carter of Louisville, Ky., officiated.

Parents of the couple are Mr. and Mrs. O. E. Harrell and Mr. and Mrs. R. K. Cox.

Miss Betty Harrell was her sister's maid of honor. She wore a Nile green brocaded taffeta frock and carried yellow carnations.

Candles were lighted by Miss Carolyn Harrell, sister of the bride and Miss Jeanette Cox, sister of the bridegroom.

The bride was given in marriage by her father. Her waltz-length dress was of white lace, net and taffeta. Her veil of white tulle fell from a bandeau of white lace. She carried stephanotis centered with a white orchid with a white Bible.

After a wedding trip to Florida the couple will live in Greenville, Miss.

THE FIRST CALL—Decatur Mayor Roy B. Odom dials direct to an official of the Fruehauf Trucking Company in Detroit. Others, left to right, are G. D. Gowen, Avery Taylor, I. L. Fambrough, and E. E. Bawsel, all local officials for the telephone company.

Decatur Is First Alabama City To Have Customer Long Distance Dialing

Decatur today had the distinction of establishing a new communications milestone in Alabama when the Southern Bell Telephone Company placed into operation a $250,000 Customer Long Distance Dialing system—the first in the state.

Mayor Roy B. Odom made the first call to an official of the Fruehauf Trucking Company in Detroit and the call went through as simply as if he had dialed a number across the street. The new service is practically brand new throughout the Southeast and is considered one of the most important electronic marvels of the past decade. It allows one and two-party telephone subscribers to dial numbers in hundreds of cities throughout the nation.

Eventually partically all cities in the nation will have the service, which is expected to speed long distance calls and result in a savings to the users of the system. Station-to station calls are much cheaper than person-to-person and therefore the new service is expected to attract considerably more station-to-station calls.

Avery Taylor, Southern Bell Manager in Decatur, said the new system has an electronic brain called AMA for Automatic Message Accounting — which automatically times each call and renders a bill. If a customer through error reaches a wrong number, he need merely call the operator and no charge will be made.

The long distance operator has for a number of years been dialing many calls direct to distant cities without the help of another operator. It was only until fairly recently the Bell System began experimenting with the Customer Long Distance Dialing.

Annual Alabama College Conservation Field Trip Held Last Wednesday

Forty-seven Alabama College Summer students and faculty members under the leadership of Dr. Ethel Marshall visited the 300 acre farm of G. H. and Roy Eastis last Wednesday at Wilsonville.

Under the guidance of Shelby County Work Unit Conservationist the group saw the results of fifteen years of sound conservation practices on once poor and eroded land.

The Eastis brothers have developed a remarkably balanced type of farming with row crops, cattle, hogs, pastures and timberland all having a part. The ladies saw evidence of a well developed live-at-home program also in melons, figs, grapes, chinese chestnuts, milk cows and poultry all present, with ample gardens.

The Eastises utilize terraces and water disposal areas where necessary, firebreaks in the woods, legumes in winter and summer, and many other practices. Use to which land is to be put is determined after consideration of the S.C.S. soils maps they receive as cooperators of the North Central Soil Conservation Service.

Area Conservationist A. L. Harrell, Soils Scientist Haynes Kelly, and Aids Geo. Starcher and Edward Lansford assisted in the field trip.

MRS. ALAN BYON BOND

Miss Kendrick, Alan Bond Are Wed

Miss Harriett Louise Kendrick, daughter of Mr. and Mrs. H. G. Kendrick, and Alan Byon Bond, were married Sunday afternoon at 4 o'clock at the Montevallo Baptist Church. Mr. Bond is the son of Mr. and Mrs. J. H. Bond of Clayton.

The ceremony was performed by the Rev. Edward Glover. The bride was given in marriage by her father.

Sister of the bride, Mrs. Ralph Edwards, of Prattvile was matron of honor. Miss Gloria Robinson, of Clanton, was maid of honor. Misses Clara Young, Gayle Jones, Martha Ann Edge, and Jane Nichols, all of Montevallo, were bridesmaids. The attendants were dressed in pale aqua taffeta sheaths with an Italian neckline and scoop down the back and overskirts of aqua tulle. They carried cascade bouquets of yellow fugi chrysanthemums.

The bride was gowned in hand-clipped chantilly lace and taffeta. The Mayen-age bodice featured a scooped neckline and long sleeves. Bands of taffeta, detailed with lace medallions marked the hipline. The billowing taffeta skirt swept to a chapel train. A pearl-trimmed chantilly lace cap held her veil of silk illusion. Her bouquet of phalaenopsis orchids and lilies of the valley showered was carried with a prayer book.

Tony Taunton of Sylacauga served as best man and ushers were Warfen Scott, Clint Mills, Ralph Edwards, all of Prattville; Knox Reynolds of Birmingham, and Brad Wallace of Brundidge.

Miss Dianie Tyson, of Talladega sang and Dr. Betty Louise Lumby played the organ.

A reception was given immediately after the ceremony at Reynolds Hall, with Mrs. R. C. Frederick as hostess.

Assisting in serving were Mrs. Edward Glover, Mrs. Bill Eddings, Mrs. Betty Jane Kornegey, Miss Dian Harris, Miss Ada Pruitt, Miss Pat Hodges, of Ashville and Miss Jade Higgins.

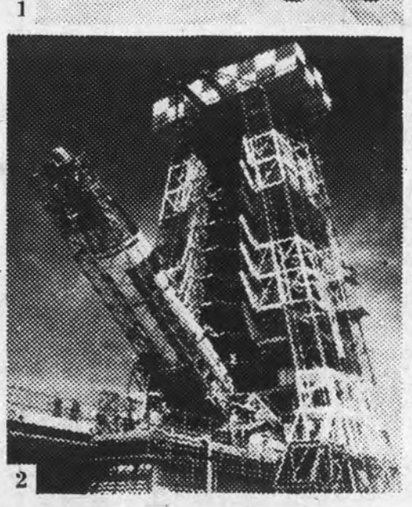

Among out of town guests were Mr. and Mrs. John Henry Bond, Mrs. Eva Boyd, Miss Martha Boyd, Mr. and Mrs. Dudley Boyd, of Clanton; Mrs. Elva Hall, Mr. and Mrs. Fred Stough, Mr. and Mrs. W. H. Warren, Mrs. J. M. Hurt, Jr., Miss Peggy Hurt, Miss Annette Catalato, Miss Joyce Willis, Miss Mary Jo Alfano, Miss Nancy Keeten, Mrs. T. P. Kendrick, Miss Frances Kendrick, Clint Mills, Knox Reynolds, of Birmingham; Tony Taunton, Sylacauga; Mr. and Mrs. Ralph Edwards, Miss Kay Ann Edwards, of Prattville; Miss Diane Harris and Miss Ada Pruitt, Decatur; Miss Gloria Robinson, Clanton; and Miss Pat Hodges, Ashville.

After a wedding trip to the Smoky Mountains the coupe will be at home in Montgomery.

GOING UP FOR THE COUNTDOWN — The U. S. Air Force Atlas is shown here being readied for launching. America's first I.C.B.M. is brought to platforma by giant trailer (1), then lifted into position by special gantry hoist (2). Above, missile points skyward, ready to start on successful test. Entire integrated protective skin and propellant tanks are of stainless steel. Ultra-lightweight is possible due to metal's famed high tensile strength, heat and corrosion resistance.

Calera Football Prospects Good

This season Calera will be in the Mid-State High School Football conference. Coach Jones has 8 lettermen returning. Seven of them are slated for starting assignments. He lost 6 lettermen, both tackles and guards, and a fullback.

Walter Ingram, a letterman, and Larry Gay, newcomer, look like the halfback choices. Both pass and Ingram is rated one of the outstanding runners. He was a leading scorer last year. Gay does the punting.

Julius Barrett, a lettered fullback is another top offensive man.

David Thomas, at quarterback, is the 3rd lettermen of the backfield. Ends and tackles are filed by lettermen. Elwood Edwards and Earl Tyus appear to have the edge for flank call and Billy Hall and Jeffrey Payne at tackles.

Tate and Turnbloom may start at guards with McRae at center.

Calera defeated Montevallo last year for the first time in history. This 7-6 win for Coach Charlie Jones' Eagles marks the team capable of playing the schedule in the Mid-State. In an 8-2 campaign they also defeated Jemison, Isabella, Verbena and Columbiana. One of their losses was to Thompson.

Sgt. B. F. Cathey Serves in Lebanon

Army Sergeant First Class Benjamin F. Cathey, 26, whose wife, Kathryn, lives at 104 Cottage St., Hopkinsville, Ky., is serving with Task Force 201 in Lebanon.

Task Force 201, made up of airborne elements of the 24th Infantry Division in Augsburg, Germany, landed in Beirut, Lebanon, on July 19.

The elements that were involved in the first phase of the operation were combat troops of the 1st Airborne Battle Group. 187th Infantry, and staff personnel of the 24th Infantry Division. This group was flown from Augsburg via Adana, Turkey, to Beirut in cargo-type aircraft.

The second phase consisted of an airlift of the support command of the task force made up of personnel from units throughout Europe. This group also was airlifted by cargo-type aircraft which shuttled from Augsburg to Adana to Beirut and began landing in Beirut on July 21.

Sergeant Cathey, son of Mrs. O. Cathey, Montevallo, Ala., is a squad leader in the 187th Infantry Company D. He has been in the Army since 1951.

DORCAS CLASS PICNIC

A group of twenty-two gathered at "Downs by the Lake" on Wednesday, August 13th for their annual class picnic.

Group singing was enjoyed by all, after which a delectable covered dish luncheon was served. During the afternoon fishing, boat riding and shuffle board held the interest of all present.

It was an added pleasure for the class to have Mrs. R. L. Holcombe and Mrs. W. S. Mitchell and Gayle as guests.

New officers for the incoming church year were elected as follows:

Mrs. P. E. McMahan, president; Mrs. T. W. Lawrence, 1st vice president; Mrs. John R. Gates, 2nd vice president; Mrs. Eddie Downs, class secretary; Mrs. Leondus Carter, treasurer; Mrs. Roy Downs, Mrs. W. R. Askins, and Mrs. James Pilgreen, social committee; Mrs. Dean Holcombe, Mrs. Eddie Downs, Mrs. O. C. Farris and Mrs. James Pilgreen, flower committee.

College To Award Forty-Five Degrees

Forty-five degrees will be awarded at graduation exercises at Alabama College tonight. Exercises will be in Palmer Hall Auditorium at 7:30 p.m.

Dr. M. L. Orr, Sr., dean of Alabama College, and summer school director, will deliver the address. Dr. Howard M. Phillips, president of the college, wil preside.

Music for the academic processional and recessional will be furnished by Mary Katherine Hicks, Mike Mahan, and Johnny Ziolkowski. Rev. Edward G. Glover, pastor of the Montevallo Baptist Church, will make the invocation.

Special music will be presented by Frances Freeman Martin, Mobile, a soprano. Denny Elliott, Montevalo, will play the piano accompaniment.

Nelson O. Fuller, Centreville, chairman of the board of trustees, will give authorization for the conferring of the degrees. Dr. Orr will present the candidates for degrees, and Dr. Phillips will confer the degress.

A reception honoring graduates, visitors, and friends will follow the exercises. The reception will be at Flower Hill, home of President and Mrs. Phillips.

SGT. JAMES NICHOLS

Sgt. James Nichols Serves in Hawaii

Schofield Barracks, Hawaii — Army Sgt. James R. Nichols, 31, son of Mr. and Mrs. Samuel Nichols, Montevallo, Ala., is participating with the 25th Division's 35th Infantry in field training maneuvers in Hawaii.

The maneuvers, which began August 12, and will end September 8, are being conducted 6,600 feet above sea level on desolate lava-encrusted slopes.

Sergeant Nichols, a reenlistment specialist in the infantry's Company C, arrived in Hawaii last April from an assignment in Birmingham. He entered the Army in 1959.

The sergeant, whose wife, Dorothy, is with him in Hawaii, attended Montevallo High School.

Mr. and Mrs. Jimmy Horton and family are vacationing in Florida this week. Mr. Horton is employed at Lovelady Motor Co.

Miss Cotney Is Nominated For Special Award

Miss Marian Cotney, of Columbiana, is one of three Alabama home agents to be nominated for special awards to be made by the National Home Demonstration Agents Association, according to the Department of Instruction, Research and Extension at API, Auburn.

Named by the state association to receive distinguished service citations were aso Lucile Burson of Grove Hill, and Ruth Sundberg of Ozark. Association officials said these women have excellent records of service to homemakers in their counties. The awards will be presented during the NHDAA meeting in Chicago, Nov. 2-5.

Next July will mark Marian Cotney's 20th year as home agent for Shelby County. Now serving 1800 HDC women and 4-H'ers, she nevertheless finds time to develop her professional ability through travel and study. She has completed several college courses in recent years, Miss Hamilton noted, and has traveled in all parts of the U.S. and Mexico. Her active interest and participation in community and county affairs won her the title of Shelby County Woman of the Year in 1955.

Tax Cut Sought On Expenditures To Better Home

Home owners will get an income tax "break" on home repairs, maintenance, and improvements if Congress enacts proposed legislation into law.

Three bills, two before the House of Representatives, and one in the Senate, call for deductions of up to $2,500 on expenditures exceeding 3 percent of adjusted gross income on home repairs, maintenance, alterations, and additions.

This means that any expenditure made by the home owner to keep a house in good condition would actually cost less, since the new deduction would lower his income tax payment.

For example, if a home owner decides to reroof his house and pays cash for the job, he would get part of the money back in his tax deduction that year.

If he borrows the money, he gets an even greater cut in his tax since interest is deductible. One of the best types of loans for this purpose is an FHA home improvement loan. A new roof of asphalt shingles is authorized under one of these loans because it is a home improvement that betters living conditions.

Some other benefits of the proposed legislation are:

1. A sturdier national economy resulting from the increased use of manpower in the production, distribution, and application of building materials.
2. Helping make it easier for the home owner to have a better place to live.
3. A healthier community, financially, as a result of increased business and labor activity.
4. Keeping up tax values of homes, and avoiding deteriorated neighborhoods.

Electric Heat Gaining Popularity in Nashville

Nearly 32,000 homes are being heated by electricity in Nashville, Tenn., says the Nashville Electric Service, including many older houses that converted from other types of fuel.

Proper insulation is a key factor in making electricity economically practical as a heating fuel in areas where rates are low.

The recommended thicknesses —6 inches of mineral wool in the ceiling, at least 3 inches in walls, and 2 inches in floors where needed—keeps heat in longer, making it possible for home owners in these areas to enjoy the luxuries of electric heat at costs comparable with other types of heat.

Lions Club Gives Away Air Conditioner

Four hundred and twenty dollars was cleared by the Montevallo Lions Club from their donations collected for chances on a 1-Ton Chrysler Air Conditioner, given away Saturday. The proceeds will go to the Sight Conservation Programs and to the Montevallo Cub Scouts.

The air conditioner was won by a Mr. Bristow of Shelby. Lion N. H. Waters sold him the lucky ticket.

Dr. E. P. Lauderdale, master of ceremonies, congratulates Cub Scout Den Chiefs George Nix, Jr., and Mike Garrett for selling the highest number of tickets for the air conditioner given away Saturday by the Lions Club. George collected $28.00 and Mike collected $17.00.

Cubmaster George A. Nix and Den Mother Mrs. George A. Nix are pictured with a group of Cub Scouts prior to the drawing of the lucky ticket Saturday at the Standard Service Station.

Student Dies of Heart Attack

Funeral services were held Tuesday for Miss Elizabeth Joyce Riddle, 20-year-old Alabama College student who died of a heart attack Sunday in Baton Rouge, La. Her home was in Childersburg.

Miss Riddle suffered a heart attack after swimming in a city pool at Baton Rouge where she was visiting friends. She was dead on arrival at a city hospital.

She is survived by Mrs. Myrtice McWhorter, her mother; the grandmothers, Mrs. W. F. Riddle and Mrs. Florence Mason, both of Childersburg.

Burial was in Childersburg Cemetery. Service Funeral Home of Sylacauga was in charge.

Miss Riddle completed her sophomore year at Alabama College in June. She was a member of the Y.W.A., the Baptist Student Union, and the Future Teachers of America.

Card of Appreciation

I take this medium to express my appreciation to the Chairmen and Co-workers in the recent Cancer Drive for Shelby County; and each individual who so generously responded to this worthy cause.

It has been brought to my attention that a number of citizens were not contacted, personally, who would like to contribute to this fund. May I suggest that you take or mail your donation to Mr. Bill Nolen, Treas. First National Bank, Columbiana, Alabama.

Our quota has not been met, hence your assistance in reaching our goal will be gratefully received.

Quota $1,800, donation $996.27.—Mrs. Eunice W. Luttrell, Chm., Shelby County.

Mr. and Mrs. N. E. Phillips are in Decatur, where Mrs. Phillips underwent surgery at Decatur General Hospital last week. She is recovering satisfactorily.

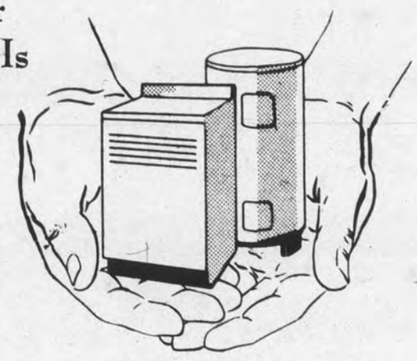

NO WASTE
WHEN YOU HEAT WATER
Electrically

Because modern electric water heaters are "on" only enough of the time to keep water in the tank at the desired temperature—as determined by the setting of the thermostat—*there is no wasted electricity.*

Ample tank insulation helps to keep the water hot when you don't use it. The electricity comes on only when you use hot water and more cold water comes into the tank to be heated; or when you don't use hot water for long periods of time and it gradually cools.

The Only Water Heater You Can Put Anywhere Is
Electric

Because electric water heaters require no vent or chimney, and heating elements are surrounded by water, they are safe to put wherever most convenient in your home.

Counter-top models fit in with kitchen counters and also are ideal for laundries. Square or round tall types can be installed in closets, pantries or alcoves.

Seldom, if ever, will you be out of hot water with a high capacity, quick recovery, fully-automatic *electric* water heater.

See the new high capacity, quick recovery, fully-automatic electric water heaters at your dealer's or our office, or mail the coupon below.

Work Progresses On New Hospital

Work on the new Shelby County Hospital at Alabaster is well under way and good progress is being made.

Excavation for the foundation has been completed, and a good solid foundation of concrete has been poured. Half the footings have been poured and the walls are going up.

The new hospital will be two stories in height, 313 feet long and 36 feet wide. A wing 51 by 40 feet will be built on the second story to the rear of the main building.

The contractor has 300 days in which to complete the work; it is expected that the building may be finished before that time.—Shelby County Reporter.

Mayor Wyatt Attends Clanton Insurance Meeting

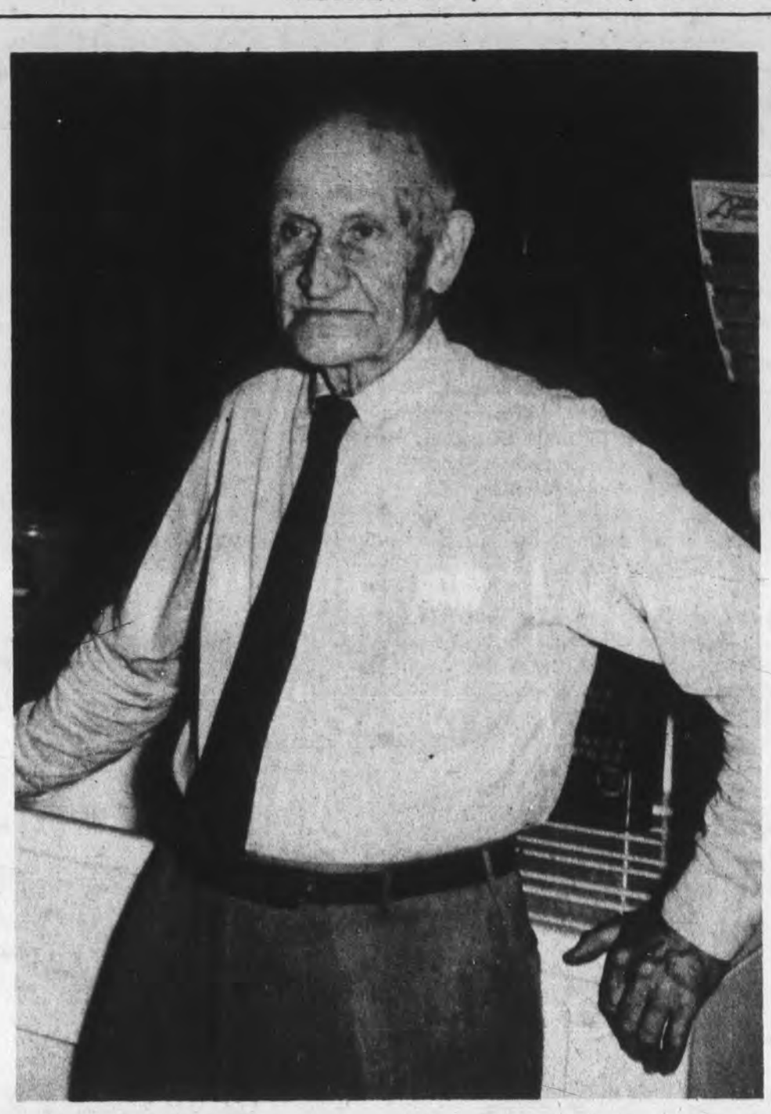

Mayor W. M. Wyatt went to Clanton last Friday by invitation of Mr. Ray Birdsong for a visit with the management and personnel of the Clanton District Office of Liberty National Life Insurance Company. Mayor Wyatt reports that his visit was highly interesting and that he found the new office of Liberty National to be very beautiful and fully equipped and staffed to serve the thousands of policy holders of Liberty National in this area.

The Clanton District Office is managed by Mr. E. S. Monroe. He is assisted by a staff composed of men with several years' experience in the service of Liberty National. The Clanton district is composed of the Counties of Shelby, Chilton, Bibb, Autauga and Elmore.

At a luncheon, the Liberty National people took part in a charter organization meeting of the Central Alabama Underwriters Association. Mr. Herbert J. Baum, of Birmingham, was the guest speaker and presented the charter to the newly organized Clanton Association.

Mayor Wyatt reports that he had a very enjoyable visit on this occasion, finding a number of his old friends of former years to be connected with the Liberty National Office. Among them were Stanley Davis, Guthrie Easterling, Jack Lawrence, and Oscar Jones. At the luncheon, Mayor Wyatt said he was delighted to see again others of his friends, former Mayor Leo Thompson of Clanton, Otto Jones, President of the First National Bank of Clanton, Reedy Taylor, Merchant, and Cousin Carlos Wyatt, of the Union Banner.

Mr. R. E. Ballentine, Manager of the local Westinghouse Welding Plant, has been in Cleveland, Ohio, and Buffalo, N.Y., on a business trip.

Mr. F. W. Rogan To Celebrate Birthday

F. W. Rogan, one of Montevallo's pioneer citizens, will celebrate his 86th birthday Sunday, August 31st. Mr. Rogan's four children and their families, including six grandchildren, plan to attend a birthday dinner Sunday at the home of William Rogan in Selma.

Born in Montevallo in 1872, Mr. Rogan has been in business here seventy years—since he was 16 years old. He is the son-in-law of the first president of Alabama College, Capt. Henry Clay Reynolds. His late wife was the former Fannie Belle Reynolds.

An Elder of the Montevallo Presbyterian Church, Mr. Rogan is the only living charter member of the church.

A favorite of all Montevallo children, Mr. Rogan has become well loved by the younger set that visits his corner store for candy, gum or peanuts before attending the movie next door. In addition to being fond of children, Mr. Rogan has always loved animals.

After the birthday dinner Sunday, Mr. Rogan will be at home to friends who might wish to call.

Lions Club Selling Blind-Made Brooms

Blind-made brooms are now on sale by members of the Montevalo Lions Club. Proceeds from the sale will go to the sight conservation program and other projects sponsored by the Lions Club.

WINSTON ALLEN

Winston Allen will leave September 2nd to resume his studies at Mt. Berry School. Winston says he has enjoyed a very nice vacation even though he did spend most of it with Dr. Kirkland. He says, "Oh, well, I can not think of a nicer guy to have spent it with."

Westinghouse Employees Get Raise In Pay

A continued rise in the cost of living index means another raise for employes of Westinghouse whose pay is adjusted quarterly in line with the changes in the index. The new raise amounts to ½ per cent per hour.

The arise marks the ninth consecutive time that Westinghouse employes have received extra pay raises as a result of cost of living adjustment. The guarantee of this protection against increases in the cost of living was a key part of the five year wage and benefits program designed by the Company to become effective in October, 1955.

Now, three years later, the combination of this year's cost of living adjustments and the annual increase scheduled for October 13th and November 1st will mean an average pay raise of better than 14c an hour for Westinghouse non-management employes. In addition, improvements in benefit plans this fall will average another 4½ cents per employee making a total 1958 Westinghouse increase averaging more than 18½ cents per hour.

Alabama College Looks Forward To Largest Enrollment in Its History

The largest enrollment in the history of the school is expected at Alabama College for registration September 8.

About 950 students are expected to enroll in the college for the fall semester, representing a 30 per cent increase over last year's enrollment.

Enrollment of men students is expected to increase 50 per cent over last year for a total of more than 300.

The 62-year old state college of liberal arts is a former state college for women. The college became coeducational in 1956.

Student leaders gather on the campus Friday, September 5 for a two-day pre-school planning conference. They will make plans for the major student activities of the coming year at this conference.

Dormitories open Sunday, and registration of freshmen and transfer students will be Monday morning. The new students will be guests at a picnic at the college lake Monday afternoon.

Upperclassmen wil register Tuesday and new students will attend orientation conferences. Religious groups will have charge of a Wednesday morning convocation.

Classes begin Thursday morning. The Student Government formal reception honoring new students will be held Saturday evening.

Montevallo School To Open Tuesday

Montevallo schools will begin the 1958-59 session Tuesday, Sept. 2, at 9:00 a.m. On that day students will complete their registration and go through a short schedule. School will be dismissed at noon.

On Wednesday, Sept. 3, a regular day's schedule will be followed, with roll call at 7:50. Lunch will be served in the cafeteria. This statement is made by Mr. Guy Milford, principal.

Mr. Milford also announces that five new teachers will join the Montevallo faculty this year.

In the elementary school Miss Mary Jo Harris will teach second grade, and Mrs. A. C. Anderson will be in charge of one section of the first. Three new faculty members at the high school are Mrs. Margaret P. Hollingsworth (home economics teacher), Mr. Robert Lightfoot (math teacher), and Mrs. Frank Lightfoot (girls' physical education teacher).

Miss Josephine Eddy is visiting her sister and friends in Michigan and Indiana.

Shelby County P.T.A. Council Holds School of Instruction For Teachers

"Lift the Level of Learning Through Better Schools" is the theme for the 1958-1959 Parent-Teacher Association in Alabama. This was stressed at the Shelby County PTA Cchool of Instruction which was held on Indian Springs campus Thursday, Aug. 21. Mrs. Rual Stark, County Council President preside over the meeting. Superintendent Elvin Hill gave the welcome. Miss Anita King introduced the guest consultants who were: Miss Louise Foshee, District Vice-president, Mrs. Harry Nelson, State Executive Secretary, Miss Martha Smith, Education Consultant, and Mrs. D. D. Black, State Chairman of By-laws.

The local PTA leaders were urged to work with the school people on programs during the year. Through programs, give PTA members information about their schools; first, about the local school; second, about the Shelby County Schools; third, about Alabama Schools and forth, about schools over the nation.

The PTA projects should be focused on providing materials that will help the schools to do a better job of instruction.

After a general assembly small discussion groups were held on special problems: Work of the President, Program Planning, Membership , Parent and Family Life Education, Use of Parent-Teacher Magazine, and Legislation.

Forty-one PTA leaders from the following schools attended the meeting: Calera, Chelsea, Columbiana, Helena, Mayberry, Montevallo, New Hope, Pelham, Sterrett, Thompson and Wilsonville.

A picnic lunch was enjoyed at noon.

Notice To Local Ala. College Students

Miss Virginia Hendrick, Registrar, Alabama College, requests that students who are entering Alabama College from Montevallo and surrounding areas in September for the first time and have not made application for admission please report to the Registrar's Office in Palmer Hall immediately.

MRS. EDWARD T. PETER

Mrs. Edward T. Peter Is Bride

The marriage of Miss Marcia Norice Trumbauer and Dr. Edward Turberville Peter of Mobile was solemnized at 5 p.m. Saturday at the Methodist Church by the Rev. James H. Chesnutt.

Parents of the couple are Mr. and Mrs. Walter Henrichs Trumbauer and Mr. and Mrs. Charles Scudder Peter of Mobile.

Miss Martha Vork of Decatur attended the bride as maid of honor. Matron of honor was Mrs. Kirby Turnage of Arlington, Va.

Bridesmaids were Misses Jade Higgins, Sigred Lund of Gambier, Ohio and Jane Brownlee of Birmingham.

They wore ballerina-length frocks of petal pink chiffon taffeta made with basque bodices, bateau necklines and tulip skirts with backfullness and bows at the front hemlines. Matching bandeaux with float veils completed their attire. They carried cascades of cream-colored roses and ivy.

The bride was given in marriage by her father. Her gown of ivory Brussels lace, tulle and taffeta was fashioned with minute sleeves and portrait neckline traced with pearls. A panel of lace embroidered with pearls detailed the front of the bouffant skirt which swept into pleated tulle ruffles at the back to form the chapel train. The veil of silk illusion was caught to a crescent of pearls. She carried a cascade of miniature roses, lilies of the valley and stephanotis.

The best man was Dr. Howard Cooper, of Birmingham. Ushers were Dr. Doy McCall, Dr. Howard Cooper, William Patterson, all of Birmingham and Dr. Lloyd Warr of Clanton.

The bride's mother wore a blue lace sheath with matching hat and corsage of pink rosebuds. The mother of the bridegroom wore a mauve pink lace dress with corsage of yellow rosebuds.

Organist was Mr. Charles H. Mahaffey, Jr. The musical selections "An Aria from Samson and Delilah," Widmung-Schumann, and "The Lord's Prayer," Hoffmeister, were presented by Mrs. Frances Freeman Martin, soprano, of Mobile, accompanied by Mr. Denson Elliott, Jr., of Montevallo.

Mr. and Mrs. Trumbauer followed the ceremony with a reception at Reynolds Hall.

After a trip to the coast, the couple will be at home in Minneapolis, Minn.

Shelby Students Receive Degrees At University

Shelby County has six representatives among the 590 persons receiving degrees in the summer commencement of the University of Alabama, this past Friday, August 22, at Tuscaloosa.

Sixty of the state's 67 counties were included on the graduation roster. Acting on behalf of the UA Board of Trustees, President Frank A. Rose conferred the degrees.

Graduates from Shelby County, with their degrees, are: Sammie Chesley Daniles, Master of Arts, Alabaster; from Columbiana, Bunny Crawford, Bachelor of Science; James Inabnit Harrison, III, Bachelor of Science; Henry Clinton Weir, Master of Arts; Mildred Currier Weir, Bachelor of Science in Education; Marcia Norice Trumbauer, Montevallo, Bachelor of Arts.

Dean Emeritus A. B. Moore of the Graduate School, the commencement speaker, urged the new graduates to make the study of history a hobby and a guide to "good citizenship."

Teachers Hold Pre-School Conference

Shelby County teachers began a long-term study of the curriculum when they met on Wednesday and Thursday, August 27 and 28 for a pre-school conference.

Dr. W. M. McCall, State Department of Education, addressed the group three times during the conference. Dr. McCall and Miss Lulu Palmer from the State Department of Education, are serving as general consultants for the in-service study.

Plans were made for the study groups to meet three times to get their work underway for the year. These study groups are under the leadership of teachers in the county.

Dr. W. W. Elliott, Principal of the Thompson High Shcool at Siluria, presented the newly appointed Superintendent of the Shelby County Schools, Mr. Elvin Hill. As Mr. Hill recognized the new teachers, a corsage was pinned on each one by his "Buddy Teacher". The new teachers met in a group, under the leadership of Mrs. Inez Underwood, and were helped to get orientated into the county school program.

The pre-school conference was planned by the Planning Committee for In-Service Study under the leadership of Mrs. Emily Pendleton, chairman.

Mr. Theron Fisher, President of the Shelby County Teachers Association, presided over the Thursday afternoon session when the Teachers Association went into session. All teachers met at their respective schools on Friday.

Bethel Boys and Girls Attend Youth Camp

Bethel Church was represented by three boys and one girl this season at Youth Camp which was held at Cook Springs. Those attending were Beverly Harper, Jimmy Ray Harris, Trusell Harper and Winston Allen. They reported a wonderful time and much was accomplished. The Rev. Charles Hollingshead, Pastor at Northport Church was in charge of the group.

Jimmy Ray Harris was voted best behaved boy at camp. Winston Allen was voted best looking boy at camp and also best boy camper. He will get to attend next summer's camp with expenses paid.

Bethel Church is very proud of its young people in the church. The Rev. Maxwell Harper has been called back as pastor for another year and the church wishes him much success.

Mrs. Sara Traber, Denice Ann, and Danny of Greenville, South Carolina, are visiting her parents, Mr. and Mrs. Harve Long.

ARMISTEAD SELDEN

Congressman, Sixth District

After a marathon session that ran through Saturday night and into the early hours of Sunday morning, the 85th Congress adjourned sine die last week end.

Measures Passed

A number of important measures received final congressional approval during the last week of the session. A compromise National Defense Education Bill was passed and sent to the President. Appropriations of $1.3 billion for military construction and $3.3 billion for the mutual security program received both House and Senate approval.

Also receiving the final stamp of approval by Congress were the farm bill, the debt limit increase, the Presidential retirement plan, and the seven per cent increase in social security benefits.

Legislation Defeated

A number of other important measures failed to clear both houses of Congress and died with the adoption of the sine die adjournment resolution.

The Kennedy-Ives labor reform bill was rejected in the House after having been approved earlier by the Senate. Also killed in the House was a $2.4 billion slum clearance and urban renewal bill. This latter measure, which also would have lowered FHA down payment requirements, was opposed mainly on the grounds that it was inflationary. An amendment to the Railroad Retirement Act was passed by the Senate but never reached a vote in the House.

Court Curbs Rejected

Several measures designed to correct undesirable situations created as a result of recent decisions of the U.S. Supreme Court were passed by the House of Representatives but failed to receive Senate approval.

In 1957 the Supreme Court reversed the death penalty of a convicted rapist on the grounds that he was held too long between arrest and arraignment and that, because of the delay, his confession had to be disregarded. A House-approved bill provided that a criminal confession to police which is "otherwise admissible" could not be excluded from evidence solely because of a delay in arraignment. The measure died in the Senate.

The Selden Bill, giving the Secretary of State authority to deny passports to members of the Communist party, received unanimous House approval but was not considered by the Senate. The necessity for this legislation is the result of two recent Supreme Court decisions which in effect hold that there is no law at the present time which authorizes the Secretary of State to deny passports to persons wishing to go overseas to engage in activities harmful to the United States, such as espionage, subversion of foreign governments, and propaganda.

The third, and perhaps the most important measure adopted by the House, was an attempt to preserve state laws by establishing a specific rule of interpretation of federal acts. This legislation passed the House by a vote of 241 to 155 but was rejected by only a single vote last week in the Senate.

Returns to District

During the six years that I have served as a Member of Congress, it has been my privilege to report to you each week while Congress is in session through the courtesy of this newspaper. When Congress reconvenes in January, I plan to resume my weekly reports. In the meantime, I am looking forward to seeing as many of you as possible as I visit throughout the Sixth District during the congressional recess.

Assembly of God Is Tenth Ranking Church

Statistics released in the 1958 Yearbook of American Churches indicate the Assemblies of God is the 10th ranking denomination in Sunday School enrollment in the United States.

The revised church ranks also placed the denomination eighth in number of ministers, ninth in church, 28th in church membership, seventh in Sunday School workers and teachers, and eighth in number of Sunday Schools. The Assemblies of God is the fifth largest missionary denomination in the world and stands first in number of foreign Bible Schools.

Included in the national release of statistics was Calera Assembly of God, Calera, Ala., local congregation of the denomination. According ot the Reverend Lamar LeCompt, local pastor, the church has a current Sunday School enrollment of 60.

Growth of the Assemblies of God can be credited to an active home missions and Sunday School program, according to the Rev. LeCompt. The denomination has averaged opening one church a day for the past 6 years.

Shelby Theater Is Sold To Templin and Ivey

Wade Templin and J. R. Ivey, both of Columbiana, have bought the Shelby Theatre from Eddie Watson, and will begin to operate it on August 31.

Mr. Ivey will continue as manager. He has been manager the theatre for Mr. Watson for the past ten years and is well known to, and popular with. theatre-goers throughout the county.

Mr. Ivey assures his friends that he will do his best to provide the best pictures possible and will give the best service of which he is capable.

Mr. Watson has two theaters, The Strand in Montevallo, which he has operated for many years and a new drive-in, the Rebel, on Highway 31.—Shelby Co. Reporter.

Shelby Farmers Like Karnex DL for Weeds

Birmingham, Ala. —When interviewed by traveling editors of the Progressive Farmer, John D. Kidd and Harold McCrainie, both of Shelby County, Ala., said they found Karmex DL especially helpful for weed control in cotton during a wet spring such as we had this year.

In the article which appears in the September issue of The Progressive Farmer, Mr. Kidd says he likes it better than any other way to control weeds because he doesn't have to rush to plow his cotton the first couple of months. Mr. McCrainie says "I'll never plant any more cotton without using it."

Here are the Montevallo Bulldogs as they reported to practice for the 1958 season Monday. First row: (left to right) Donnie Davis, Larry Pickett, Jimmy Eddings, Jack Raspberry, Freddy Draper, Ben Harrison, Jimmy Thrasher, Allen Nabors, Billy Winslett, Cliff Woolley. Second Row: Ronald Smitherman, Barclay Fisher, Danny Thornton,, Talmon Hill, Charles Hughes, Reuben Hayes, Jack Battle, Albert Scott, Jimmy Wyatt, Tommy Plant. Third Row: Curtis Jarvis, Peter Givhan, Jimmy Baine, Pete White, William Darden, Kenneth Hyde, Charles Hollingsworth.

Bulldogs Get Ready For "Opening Night"

With "opening night" only two weeks away, September 12, at Isabella, here is a brief rundown on the Montevallo Bulldogs to date.

After one week of practice Coach Theron Fisher reports the Bulldogs show speed, spirit, and stamina. But a comment of "we hope to beat last year's record" was all Coach would say concerning the season's possibilities.

The team, hard hit by graduation, saw seven go the cap-and-gown route. There were some good ones among them, too: Milton Terrell, LH; Leslie Harrison, LE; Leroy Winslett, LT; Jimmy Knowles, RT; Johnny Green, T; Jerry McNeel, RE; Clifford Lawley, G. Six of these were regulars.

Here's the way the picture looks at present with 29 boys reporting:

Passing—Fair. Smitherman, Winslett, and Fisher doing the throwing and Jarvis on the receiving end.

Punting — Good. Ruben Hayes, ace kicker from last year's team is back and looks even better than ever, with Billy Winslett offering able assistance in kicking duties.

Line—Fair. Faster than last year with Harrison and Draper at guards and Nabors and Pickett at tackles and Baine, a newcomer, pushing for a starting assignment. Thornton, experienced center, is back.

Backfield — Fair. Smitherman and Hayes will carry most of the offensive load here. Fisher and Winslett are other possible starters, with Donnie Davis and Talmon Hill in reserve.

Ends — Fair. Only one experienced end returns, Jimmy Thrasher. Pete Givhan and Jarvis have looked good in early practice sessions.

Here is the 1958 Bulldog schedule:

Sept. 12—Isabella, there.
Sept. 19—Thompson, here.
Sept. 26—Clanton, there.
Oct. 3—Jemison, there.
Oct. 10—Verbena, there.
Oct. 17—Columbiana (Homecoming), here.
Oct. 24—Calera, there.
Oct. 31—Perry Co. High, here.
Nov. 7—West Blocton, there.
Nov. 14—Vincent, here.

AUBREY C. FOLSOM

Promotions and appointments of faculty and administrative personnel were announced today by Dr. Howard M. Phillips, president of Alabama College.

Dr. Paul C. Bailey, professor of biology, has been named chairman of the biology department, and Dr. Rodney Baine, professor of English, has been promoted to chairman of the English department.

Dr. Daniel R. McMillan has been appointed chairman of the department of physics and mathematics. He has served as professor of physics and chairman of the physics department at Emory University since 1942.

Listed in Who's Who

He is listed in Who's Who in America, Who's Who in the South and Southwest, and American Men of Science.

Harry S. Tausch, Tamaqua, Pa., was appointed assistant professor of psychology. He received his A.B. and B.D. degrees from Emory University and his M.S. degree in psychology from the University of Kentucky.

Tausch is working on his Ph.D. degree at Indiana University. He has served as a Methodist pastor in Atlanta, Ga.

Patrick T. White, Birmingham, is a new assistant professor of English. He earned a B.S.S. degree from Georgetown University, an M.A. degree at George Washington University, and is working toward a Ph.D. degree at the University of Michigan.

Dr. David J. Cotter, Tuscaloosa, is assistant professor of biology. He received his B.S., A.B. and M.S. degrees from the University of Alabama, and his Ph.D. degree from Emory University.

Research Associate

While studying at Emory, Dr. Cotter served as a research associate for the Atomic Energy Commission. He is a member of the Alabama Academy of Sciences.

Elizabeth Armstrong will join the faculty of the School of Music as associate professor. She received her B.M. and M.M. degrees from Florida State University.

The college's new director of operations and planning engineer is Aubrey C. Folsom. He is a former planning engineer of Emory University.

Mrs. Florence Folsom has been named assistant professor of home economics. She received her B.S. degree from Georgia State College for Women, and has had work in the graduate school of Emory University.

F. J. Dupuis, Birmingham, will be a lecturer in pre-engineering. Vivian I. Roe was appointed associate professor of speech and director of the residential speech and hearing clinic.

Mrs. Nora Lewis, house director of Tutwiler Hall; and Mrs. John W. McGlown, technical assistant in the department of student-faculty services.

Westinghouse Plant Receives Safety Citation

The local Westinghouse Montevallo Plant was one of those cited by the Company's Accident Prevention Section as having completed the first seven months of 1958 without a lost time accident.

Adoption of the Safety Observer Program at the local plant has been primarily responsible for this excellent record. The plant has completed the first half of the year without a lost time accident and has piled up over 125,000 injury free man hours worked to date this year.

Safety observers are chosen from production employees on each shift. It is their job to report the existence of unsafe conditions or apparatus in the plant. The safety supervisor in turn has the responsibility for correcting the condition.

Mr. Edward Bennett, Foreman and Safety Supervisor at the local plant, reports that some twenty items brought to his attention during the year have been corrected. Members of the local safety observer team include James Lawrence, first shift, Donald Lucas, second shift, and W. Anderson, third shift.

Free Films Offered For Club Meetings

Southern Bell Telephone & Telegraph Co. has available a catalog containing listings of films, demonstrations, tours, and booklets covering a wide variety of telephone subjects. The programs are designed to be entertaining as well as informative and will add to the effectiveness of any group meeting.

Copies of the catalog may be obtained at the Times-Herald Office in Montevallo or by writing the Southern Bell Telephone business office in Bessemer.

GOOD WILL TRUCK

The Good Will Truck will be in Montevallo Tuesday, September 9. Anyone having anything for them, please call Mrs. Duran at MO 5-4561.

Archie Ingram Plays on Navy Baseball Team

Archie Ingram, son of Mr. and Mrs. Jasper Ingram of Calera, will go to Little Creek, Va., next month with the Naval Air baseball team which will represent the Pacific Fleet in the All-Naval tournament. Ingram is a 1956 graduate of Calera High School. He joined the Air Force in November after training at Great Lakes. He is stationed at Hawaii.

Funeral Services For Mrs. Mary Warren

Funeral services were held at 2 p.m. Wednesday at the Montevallo Methodist Church for Mrs. Mary Bessie Warren, 70, of Aldrich, who died Monday in a Birmingham hospital.

Burial was in Nabors Cemetery.

Survivors include the husband, W. W. Warren; one son, William Harris Warren, Hueytown; two daughters, Mrs. Matin Hurt of Ensley, Mrs. Harry G. Kendrick of Montevallo; one brother, Floyd D. Harris of Ensley; three sisters, Mrs. H. E. Smith, Atlanta; Mrs. Frank Hatfield, Birmingham, and Mrs. Ben Wilson, Ensley.

NOTICE

To all Girl Scouts and Brownie Scouts of Calera.

The Troops will not meet during the month of September.

You will be notified when and where your Troop will meet.—Mrs. M. L. Smith, Troop Organizer; Mrs. M. W. Hammond, Neighborhood Chairman.

Mr. Charles Milford of New Orleans spent Labor Day week end with his mother, Mrs. C. C. Milford, Elizabeth Ann, and the K. G. Kings.

Largest Crowd Attends Fair

Winding up in a blaze of excitement and the largest crowd anyone can remember in Columbiana, the ninth Shelby County Fair under the sponsorship of the Columbiana Kiwanis Club ended Saturday night.

Winner of the Brierfield Angus Steer, donated as an adult attendance prize by J. Harry Edwards, Brierfield, was Grady "Cobby" Steele. Steele, employee of Valley Mills, Columbiana, held the stub to the first ticket drawn. "It's the first thing I have ever won," he said. Cobby was at the fairgrounds almost at daybreak next morning to check on the welfare of his prize, said friends.

In judging of club booths, the Textile painting demonstration by Siluria Home Demonstration Club won first ribbon and a cash award. Second place went to the Yellowleaf Club's dried flower exhibit, and third to the Columbiana H.D.C. "Basic Pattern" demonstration.

The engraved loving cup awarded separately by the Kiwanis Club for the non-profit booth with the greatest popular appeal went to the Yellowleaf Club, being accepted in behalf of that club by Mrs. A. M. Muncy. Mr. Muncy, proprietor of the A.M. Muncy Lumber Co., Westover, had sponsored the club, and provided the booth with pannelling made from choice lumber.

Total attendance of the fair has not been decided. However, steer registration, limited to adults, exceeded 4,000. Also, the Southern Bell Telephone exhibit counted over five thousand adults or teenagers who visited their booth.

Exhibitors from all over the county were delighted with response and several have already asked that space be reserved for their business for 1959. The fair association hopes to extend the exhibition area in to larger quarters next year, allowing growth of the Shelby County Showcase feature of the fair.

Co-chairmen Bruce Alverson and George Starcher, speaking for the Kiwanians wish to thank the many people and agencies who helped make this truly the "Biggest—and Best—fair yet."

MRS. FLORENCE FOLSOM

Funeral Services For Mrs. Ashley Jeter Collins

MISS JADE HIGGINS

Jade Higgins Is Named Maid of Cotton

A pretty 20-year old Alabama College senior, Jade Elizabeth Higgins, Montevallo, was named Shelby County Maid of Cotton at the contest held in the Shelby County High School auditorium last Thursday evening.

Carol Bray, Henena, an 18 year old University of Alabama Junior, was named alternate maid.

Jade is the daughter of Mr. and Mrs. James B. Higgins of Montevalo. She is majoring in retail economics at Alabama College. She was sponsored in the contest by the Montevallo Chamber of Commerce.

Other contestants were Jerry Boockholdt, Norma Lee Nabors, and Shirley Faye Sims, Columbiana; and Amelia Frost, Calera.

The 1958 Shelby County Maid was crowned by last year's county cotton queen, Bunny Crawford, of Columbiana.

Conrad M. Fowler, probate judge-elect, was master of ceremonies. Judges for the contest were John A. Garrett, Montgomery, and Sam Booker and Shirley Stewart, Birmingham.

Each of the cotton maid candidates were required to make a brief talk on why they would like to represent the county as Maid of Cotton.

In her talk, Jade told the audience that she was interested in the cotton industry and in what it means to the county and state. She said her grandfather owned one of the first cotton gins in central Alabama.

Folowing the contest she said, "I'm thrilled with the honor. I want to be the best Maid of Cotton the county has ever had. I'd like to thank everyone who has been so nice to me in this contest."

MILTON E. JETER

Lt. Milton Jeter Attends Signal Corps School

Lt. Milton E. Jeter, son of Mr. and Mrs. M. C. Jeter, of Montevallo, has graduated from the Signal Officer Basic Course of the U.S. Army Signal School, Fort Monmouth, New Jersey. He has completed an intensive course of instruction, designed to make him a fully qualified junior officer in the U.S. Army Signal Corps.

Lt. Jeter has been assigned to the enlisted Personnel Section in Fort Monmouth, where he will be stationed for the next 3 months, after which he will be in the Active Reserves.

BSU Members Attend Assembly

The Baptist Student Union of Montevallo was represented at the Sixth Baptist Student Retreat held at Southern Baptists' Glorieta Baptist Assembly, Glorieta, New Mexico. August 21-27. Those attending were Misses Sara Jeter, Bonnie Henley, and Celeste Parker. They were accompanied by Laura Hargrave, director of the Baptist Student program in Montevallo.

Over 1300 college students registered for the retreat the theme of which was "To Know Him . . . To Make Him Known." Capable ministers and laymen brought thought provoking messages on many areas of Christian life. Seminars, workshops, Bible study and other activities made the schedule a busy profitable one.

Glorieta, nestled in a vall of mountains, is a very beautiful place where countless varieties of flowers were growing in profusion. After traveling for so many miles in such desolate areas it was like finding an oasis in the desert to finally arrive where the nights called for sleeping under two blankets.

The trip made by automobile was full of interesting and amusing incidents and was shared by two other young women, Miss Yvonne Anderson, a 1958 graduate of Alabama College, and Miss Barbara Harwood, a student at Judson College.

Mr. and Mrs. Jack Dupree and Rhonda visited in Huffman Friday night with Mr. and Mrs. N. G. Wilder and family. Lynda Wilder returned with them for the week end.

Plans For New Calera Post Office

Congressman Armistead Selden has referred to the Times-Herald the following information from Mr. G. C. Harris, Regional Operations Director of the Memphis Regional Office of the Post Office Department relative to a Post Office Building at Calera:

"A space and equipment requirements survey of the Calera, Alabama Post Office has recently been completed. Present plans are to secure an option on a suitable site and to interest private investors in constructing a building to our specifications for lease. If we are successful, negotiations will be completed by January 1, 1959. The new quarters would be occupied January 1, 1960."

Montevallo P.T.A. Meets Monday

The first meeting of the current school year of the Montevallo Parent- Teacher Association will be held Monday night, September 15, at 8:00 in the high school auditorium.

In keeping with the year's theme of an appraisal of our school system the first meeting will feature a lecture by Dr. Gideon Nelson on "An Appraisal of Health Problems" in our school.

All parents of school aged children are urged to attend this initial meeting of the PTA. Baby sitters will be provided during the meeting by members of the National Honor Society.

Manners Make Friends

When you are parking your car in a residential neighborhood, be careful not to block a driveway or the sidewalk leading up to a house.

Some guests are careless about this when parking places near the host's house are hard to find.

Shelby County Schools To Take Part in Alabama Educational TV Experiment

Montevallo High School, Shelby County High School and Shelby County Training School students this year will be part of Educational Television's (ETV) greatest experiment in its vast scale in the U. S. Alabama, with the nation's only ETV network, has more public schools engaged for broadcast telecourses than any other state; hence, educators everywhere have expressed interest in the success of utilizing ETV as a teaching aid. Since almost every state is having financial, space and instructor shortages, ETV has been suggested as a possible classroom and to alleviate all of these in the increasing pupil population growth.

Effective Monday, Sept. 8, a number of the telecourses offered will be for secondary school credit as authorized by the State Board of Education. Only Alabama has such authorized credit. This means those public schools without fully qualified instructors in certain fields can rely on ETV to meet demand for specific subjects. Further, it means Alabamians without a high school diploma can follow these courses at home. If their work is satisfactory, it is possible to obtain a diploma. (Home viewers interested in this are urged to write to the State Board of Education for details.)

In-school programming signs on the Alabama Network at its earliest hour in its history, 9:00 a.m., with telecourses scheduled until 3:00 p.m.

Last year more than 250 Alabama schools used 455 TV receivers tuned to telecourses offered on the Alabama ETV network's channels, 2, 7 and 10.

A research team, visiting all Alabama schools in the AET network coverage area, has discovered numerous additional schools planning to install receivers for ETV utilization this year. The majority of the receivers have been P.T.A. or civic organization gifts. The need in most schools is for additional TV receivers.

The in-school TV courses are based on the state course of study and are prepared and originate on the campuses of Auburn, the University and Birmingham in a studio operated by the five school systems of Jefferson County. Most of the courses are financed by a cooperative grant by the Fund for the Advancement of Education and the State.

School administrators aided in the selection of courses which should be televised, and classroom teachers, meeting during the summer at the three studios, have outlined the content of each TV course. This telecourse content is also incorporated in a study guide which is issued free to each classroom teacher who is guiding a class taking one of the courses.

Complete courses will be offered for high school credit in beginning Spanish, Latin, physics, chemistry, trigonometry, Alabama history, geography, biology and art. Lessons offered to supplement regular classroom instruction (just as a map or film strip might assist the teacher) will include music, basic science, French, American history, home economics, and film tours of Alabama offered as a "field trip".

There are telecourses offered for all grade levels. A complete schedule is available free by letter to Special ETV Project, Board of Education, Montgomery, Ala.

Parents can also refresh their learning as their children study via ETV. At Montevallo High School 57 students in Miss Ethel Harris' class will view Chemistry and Biology; Mr. W. C. Corbett's 30 students will view Alabama History. At Shelby County High School 65 students in Mr. Edwin Rush's class will view Chemistry and Biology. At Shelby County Training School 55 students in Avery Richardson's class will view Alabama History; Mr. George Dailey's 30 students will view Alabama History and American History; Mrs. M. P. Jones' 30 students are scheduled for Science and Art; 35 students will follow Science and Arts in Miss G. Pope's class; there will be 38 students following Biology; and 35 students will follow Advanced Science.

The University of Alabama will send, without charge, a ten page pictorial booklet explaining of what in-school telecasting in Alabama consists upon request to University TV Box X, University, Alabama.

CALERA CIVITANS MEET

The Calera Civitan Club held its regular meeting Tuesday night at Calera Cafe. Carl Edward gave the invocation.

The Club has a contest on to see how many new members they can get. The sides are the Blues and the Whites. Last meeting the Blues won with 3 new members. Dr. Bill Mitchell, Dr. Wallace Reece and Marion Jones. The Whites had 1 new member, C. W. Nabors.

The guest speaker for the meeting was Lt. Governor Herbert Vines of the Birmingham Civitan Club.

The Club discussed a light at the railroad crossing going toward Columbiana. Some real good information was brought out about it.

The Club is also going to sponsor a semi-pro football game on October 4.

Ladies Night will be held October 14 at the City Hall.

STEVIE GOAD IMPROVING

Reports from Stevie Goad, who was injured in a motor bike accident recently are that he is improving satisfactorily. Stevie and his cousin, Kenneth Byrd, are still in St. Vincent's Hospital in Birmingham and would welcome visits and cards from their friends.

Mrs. W. B. Watts Sr. spent the day Thursday in Sylacauga with her children, Mr. and Mrs. Jimmy Brasher, Terry and Danny.

Eagles To Open Against Vincent

The Calera Eagles open their season this Friday night by meeting Vincent's eleven at Calera. Vincent will be especially gunning for this one in that it is also their first game and Calera has beaten them for the past several seasons.

Last year was the first time in nine years that Thompson had not won an undisputed county championship. By beating Calera last year they were able to gain a tie for co-champion. Vincent being a county game is of utmost importance to Calera.

Although being out weighed and out numbered the Eagles are conceding nothing. The Eagles open minus five of last years starting eleven. Both guards, tackles and the fullback were lost by graduation. This years team will be smaller and less experienced as a whole.

Probable starting line up will be Edwards at LE, Hall at LT, Askins at LG, McRae at C, Turnbloom at RG, Tate at RT, Tyus at RE. The backfield will consist of Thomas at QB, Killingsworth at LH, Barrett at FB, and Ingram at RH.

DAR To Hold Meeting Monday

David Lindsay Chapter, DAR, will hold its first fall meeting Monday evening, September 15, at the home of Mrs. Mary H. Whatley, chapter librarian.

Miss Eloise Meroney, vice regent, will present Mrs. W. H. Lyman, who will discuss the topic, "Our Constitution" in observance of Constitution Week, September 17-23.

Mrs. Charles L. Gormley, regent, will report briefy on the DAR State Board Meeting held in June at the Birmingham YWCA.

Members of the Montevallo chapter who have recenty accepted committee memberships or chairmenships are: Miss Josephine Eddy, approved schools; Mrs. O. B. Cooper, DAR advertising and magazine; Mrs. W. C. Weems, DAR-CAR; Mrs. E. H. Wills, DAR good citizenship girls; Miss Ollie Tillman, membership; Mrs. T. H. Napier, national defense; Mrs. W. H. Lyman, national honor roll; Mrs. C. L. Gormley and Mrs. Denson Elliott, press relations; Miss Eloise Meroney, Miss Annabeth Cash, and Miss Joanna Sharp, program; Mrs. A. W. Vaughan, student loan and scholarship; and Mrs. W. J. Kennerly, the flag of the United States. Miss Eddy and Mrs. Lyman are also serving as chairmen of special committees.

CHAMBER OF COMMERCE MET

The Montevallo Chamber of Commerce held the regular monthly meeting Thursday evening at 7:30 at Town Hall in Montevallo. James F. Whaley, president, called for reports of committees and many items of interest were on the agenda of the meeting. The Chamber recently sponsored a special Welcome movement and signs were given all business places for displaying as schools opened in the county.

Over thirty memberships have already been paid into the organization and the Chamber welcomes any additional members interested in the program. Information given in some of the reports will be given at a later date.

Alabama forests cover 63.5 per cent of the state's total acreage. the world where the principal ingredients needed to make steel are found in plentiful supply, near the surface, within a radius of 25 miles. Vast deposits of coal, iron and limestone are located in the Birmingham area.

Apple Coffee Cake

Hot, fragrant Apple Coffee Cake, fresh from the oven, is tempting fare at breakfast time, coffee time, or as a late evening snack.

Some bright red apples are "for the teacher," while others stay home to brighten breakfast menus atop Apple Coffee Cake.

As you bake this quick coffee cake, the wonderful aroma of baked apples, flavored with cinnamon and sugar, will tempt early morning appetites. Here's a breakfast menu that ranks high in appeal and nutritional value:

Orange Juice — Scrambled Eggs
APPLE COFFEE CAKE
Milk — Coffee

Enriched self-rising flour is your key to easy baking. Because the miller has already blended baking powder and salt into the flour, you don't have to measure and sift these two ingredients.

Your miller also has your family's health in mind. Enriched self-rising flour contains important amounts of food iron and three essential B-vitamins, thiamine, riboflavin and niacin.

APPLE COFFEE CAKE

- 1½ cups sifted enriched self-rising flour
- ½ cup sugar
- 1 egg, beaten
- ½ cup milk
- 3 tablespoons melted shortening
- Crumb Topping
- 2 unpared red apples, cut in eighths

Sift together flour and sugar. Combine egg, milk and shortening. Add to flour mixture, stirring until mixture is smooth. Pour into greased pan (8-inch square or 9-inch round). Sprinkle batter with Crumb Topping. Arrange apple slices on top. Bake in moderately hot oven (400°F.) 25 to 30 minutes. Makes 1 8-inch square or 9-inch round coffee cake.

CRUMB TOPPING

- ¼ cup sugar
- 2 tablespoons enriched self-rising flour
- ½ teaspoon cinnamon
- 1 tablespoon butter or margarine

Combine sugar, flour and cinnamon. Cut or rub in butter or margarine until mixture resembles coarse crumbs.

King-sized double-duty sofa, seven and one-half feet long, contains pair of cotton innerspring twin beds.

If you're traveling by car, store your luggage on top beneath a weatherproof cotton canvas cover. Your luggage will be well protected and you'll have extra room inside your car.

Here's how to hang cotton sheets on the clothesline: Fold sheets right side out and hem to hem. Let edges hang a foot over the line and anchor the sheets with clothespins.

New idea in party clothes: a full-skirted dress made of contrasting fabrics. White cotton sheer fabric is used for the front of the dress and a floral print cotton sheer for the back.

Bulldogs Open With Isabella Friday

By S. DeMent

As they get the pigskin rolling for another football season, Montevallo Bulldogs travel to Isabella Friday night, Sept. 12, to do battle with the Mustangs.

Last year Montevallo took the opener from Isabella 18-0 on home ground, but the game was much closer than the score would indicate. In that game a fumble stopped an early Mustang threat and set up the Bulldogs' only score in the first half. And for but a brilliant goal-line stand on the part of the Bulldogs, Isabella would have scored in the third quarter.

Probable starting linemen in Friday's game are Ben Harrison and Freddy Draper, guards; Allen Nabors and Larry Pickett, tackles; and Danny Thornton at center. Jimmy Baine, a 175-lb. newcomer to the Bulldog roster, is pushing for a starting assignment at tackle or guard. At present it looks as if Jimmy Thrasher will start at left end with either Curtis Jarvis or Peter Givhan at right end.

In the backfield, Barclay Fisher returns as quarterback, with Ronald Smitherman at right half. Billy Winslett will probably get the nod at the left half spot, as will Ruben Hayes at fullback. Talmon Hill and Donny Davis have shown up well in practice and will see plenty of action also.

The Bulldogs will be wearing brand new outfits from head to toe as they take the field in the season's opener Friday night. Numbers to look for on the bright orange jerseys are:

Jimmy Baine, T, 73; Jack Battle, T, 63; Donnie Davis, B, 40; Freddy Draper, G, 60; Barclay Fisher, QB, 10; Peter Givhan, E, 53; Ben Harrison, G, 61; Talmon Hill, B, 20; Ruben Hayes, FB, 33; Kenneth Hyde, T, 45; Charles Hollingsworth, B, 30; Curtis Jarvis, E, 52; Ralph Morris, T, 72; Allen Nabors, T, 71; Tommy Plant, G, 62; Larry Pickett, T, 70; Ronald Smitherman, RH, 22; Jimmy Thrasher, E, 50; Danny Thornton, C, 80; George Underwood, B, 11; Billy Winslett, B, 44; Cliff Wooley, C, 81; Peter White, E, 34; Jack Rasberry, E, 21.

Virgil Smitherman Serves in Germany

Munich, Germany — Specialist Four Virgil H. Smitherman, son of Mr. and Mrs. Robert L. Smitherman, Route 1, Siluria, Ala., recently participated with the 24th Infantry Division in annual combat efficiency Army training tests in Germany.

Specialist Smitherman is regularly assigned as a driver in Company A of the division's 34th Armor in Munich. He entered the Army in October 1956 and completed basic training at Fort Knox, Ky.

The 23-year-old soldier is a 1955 graduate of Thompson High School.

September 17-23 Is Constitution Week

The Constitution of the United States of America was adopted September 17, 1787, ratified June 21, 1788, in effect March 4, 1789.

On January 5, 1956, Senator William F. Knowland introduced the following Senate Joint Resolution 105:

"Resolved by the Senate and House of Representatives of the United States of America in Congress Assembled, that the President of the United States is authorized and requested to designate the period beginning September 17 and ending September 23 of each year as Constitution Week, and to issue annually a proclamation inviting the people of the United States to observe such a week in schools, churches and other suitable places with appropriate ceremonies and activities."

This Resolution was adopted July 23, 1956, and signed into law (Public Law No. 915), August 2, 1956.

Whereas, September 17, 1958 is notable as marking the one hundred seventy-first anniversary of the adoption of the Constitution of the United States of America by the Constitutional Convention; and

Whereas, To accord official recognition to this memorable anniversary, and to the patriotic exercise which will form a noteworthy feature of the occasion, seems fitting and proper; and

Whereas, Public Law No. 915 guarantees the issuing of a proclamation by the President of the United States of America designating September 17 through 23 of each year as Constitution Week;

Now, therefore, I, W. M. Wyatt, by virtue of the authority vested in me as Mayor of the city of Montevallo in the State of Alabama do hereby proclaim the week of September 17-23, 1958 as Constitution Week in the City of Montevallo; and urge all our citizens to pay special attention during that week to our Federal Constitution and the advantages of American citizenship.

In Witness Whereof, I have hereunto set my hand and caused the Seal of our City to be affixed 9th day of September in the year of our Lord the one thousand nine hundred and fifty eight, and the independence of the United States of America, the one hundred and eighty-second.

Signed: W. M. WYATT, Mayor
Attest: R. C. Henderson, Clerk

J. Harry Edwards Wins Weight Judging Contest

J. Harry Edwards, of Brierfield, was winner in the men's division in a weight judging contest at the Alabama Angus Association annual field day recently at Briarhill Farm, Union Springs. Tina Cobb of Jasper, was winner in the women's section.

Hosts for the day were Dr. and Mrs. Jim Hicks and Mr. and Mrs. R. C. Branscombe, Jr. Over 520 Angus breeders and cattlemen assembled for the morning program which began with an Angus herd classification demonstration by Vern Kerchberger, fieldman, American Angus Association.

After Rehearsal Party

Mr. and Mrs. George Jewell Winslett were hosts at an after-rehearsal party honoring their son, Jewell Ray, and his bride-to-be, Miss Bobbi Dee Galloway, after their wedding rehearsal on Friday evening, August 29.

The party was held in the church parlors of the Montevallo Baptist Church. It was attended by members of the wedding party. Coffee, coke and cake were served.

Miss Galloway, Jewell Winslett Wed

The marriage of Miss Bobbi Dee Galloway to Jewell Ray Winslett was solemnizeid at the Montevallo Baptist Church at 4:00 o'clock Saturday, August 30, with the Reverend Edward Glover officiating.

The bride is the daughter of Mr. and Mrs. R. B. Galloway of Montevallo. Mr. Winslett's parents are Mr. and Mrs. George Jewell Winslett of Wilton.

Given in marriage by her father, the bride wore a waltz-length gown of white lace over taffeta, featuring a long-sleeved lace jacket with stand-up collar. Her shoulder-length veil extended from a white lace cap, and she carried a bouquet of white orchids centered on a white prayer book.

Miss Peggy Abernathy, maid of honor, was dressed in a full-skirted frock of yellow taffeta, with cumberbund and large bow. Her slippers were of yellow and she wore a headdress of yellow flowers and short veil.

Bridesmaids Pattie Sue Galloway, sister of the bride, and Elizabeth Winslett, sister of the groom, were dressed identical to the maid of honor in pink costumes. The attendants carried cascades of aqua carnations.

Flower girl was Kay Carden, cousin of the groom, who was dressed in white net over taffeta.

Leroy Winslett served his brother as best man. Ushers were Billy Winslett and Jerry Deramus of Selma.

Music was provided by Miss Mary Katherine Hicks, organist, and Mrs. Edward Glover, soloist.

The mother of the bride chose a dress of champagne lace with matching shoes and gloves. Her hat was of multicolored sequins. Mrs. Winslett was gowned in light green with white accessories.

The bride's parents entertained with a reception after the ceremony in the church parlors. Mrs. W. G. Hicks and Mrs. John Davis assisted in serving.

After a wedding trip, the couple is at home in Mobile, where the groom is employed.

NANCY BARCLAY CELEBRATES FIFTH BIRTHDAY

Thirty-two little friends helped Nancy Barclay celebrate her fifth birthday Friday afternoon, September 5, at her home on Alabama College campus. They gathered around to watch Nancy open a nice assortment of lovely gifts and played until refreshments were served.

Mrs. Barclay was assisted with the serving by Mrs. Floyd Anderson and Mrs. James Chesnutt. Candy and favors were given each guest as they departed. The guest list included the honoree and her sisters, Betty Jane and Barbara Barclay, Susan Fraser, Carol Brown, Sally Sears, Nora Hubbard, Tricia Wyatt, Carol Kirkland, Nan Lovelady, Laura Gene Orr, Judy Lien, Jane and Jimmy Chesnutt, Pam and Alan Brown, Joanne and Susan McGlown, Kendra, Dierdre, and Andrea Kochman, Dean, Kim and Mary Linn Huntley, Jimmy O'Neal, Blake and Blaine Anderson, Frankie and Kirk Lightfoot, Ricky Harris, Joe Nelson and Bill Nathews.

Mr. and Mrs. Clyde Winslett announce the birth of a 7 lbs. daughter on Monday, September 8, at St. Vincent's Hospital in Birmingham. Her name is Brenda Joyce.

Card of Thanks

We wish to express our appreciation to our friends and neighbors, the ministers, the women of the Methodist WSCS and the Baptist WMU for their kind sympathy, flowers, cards and food, during the death of our wife and mother.—W. W. Warren, of Aldrich; Mrs. Harry Kendrick, Mrs. Marvin Hurt, Jr., William Harris Warren.

Mr. Joel Russell, of Birmingham, spent Tuesday in Montevallo with his mother, Mrs. Festus Deal.

To The Voters of Shelby County:

I am proud to be the nominee of the Democratic party for the office of Member of the Board of Revenue and Control from District Four, subject to the action of the voters in the General Election to be held November 4.

I shall campaign actively during the coming weeks. I respectfully solicit your support in behalf of myself and my party. Time will not permit me to contact each of you personally. Please consider this advertisement as a direct request from me to you for your vote and your active support.

During the Primary Elections I met many of you and formed many new friendships. To me these elections were a heartening experience. In seeking the Democratic nomination to this office, I came to know you and our county better than ever before. It is my hope that your vote in November will give to me the opportunity and the responsibility of working for Shelby County and for the people of District Four during the coming 4 years.

Sincerely

Henry P. (Strick) Strickland

Democratic Nominee for the office of Member of the Shelby County Board of Revenue and Control, District 4

Fireman With Longest Service Sought

Where and who is the active fireman in Alabama with the longest period of continuous service?

A two day expense-free trip, honors and awards await him, compliments of Allstate Fire Insurance Company.

E. A. McDonald, regional manager, Allstate Insurance Companies, said during National Fire Prevention Week, October 5 through 11, his firm would like to honor the Alabama fireman who has served his community the longest period of time.

"We are starting the search now," McDonald said, "to assist in calling the pubic's attention to this year's Fire Prevention Week, and the long and devoted service firemen everywhere render their communities."

Traditionally, Fire Prevention Week is the first full calendar week including October 9, anniversary of the Great Chicago Fire of 1871.

McDonald stated that the search will continue through September. All regular and volunteer fire departments are urged to nominate their fireman with the longest service, including chiefs and their immediate assistants. From these nominations Alabama's "Mr. Fireman" will be selected. "In addition," he added, "every fireman nominated will be awarded an Appreciation Certificate for his years of service."

Fire departments desiring to enter a fireman should write McDonald at 805 Peachtree Street, N.E., Atlanta 8, Georgia.

FFA News Notes

Sixty two students have enrolled in the study of vocational agriculture at Montevallo High this year and the 33 beginning students have already started planning their home practice programs to supplement the study and class work. It is expected that the total FFA membership will run over 100 this year.

Tony Birchfield, Pete Hughes, Glynn Cunningham and Douglas Smitherman plan to take part and attend the main events of the Bessemer Livestock Festival which is to be next Tuesday, Wednesday and Thursday. Three of the boys will make up an official judging team for Shelby County FFA. Judy Bess Robinson will be the official FFA sponsored representative in the Queen Bess contest and will participate in the parade Tuesday as well as the coronation ceremonies on Thursday night. M. Thornton, voc.. agr. teacher at Montevallo, serves as laison person for the vocational workers of the county.

Tuesday evening, September 9, at 7 o'clock, marked the beginning of the 11th adult evening class of the Montevallo Voc. Agr. Department. A committee met to make plans for the weekly meetings which will be devoted to discussions on items of interest to the group.

The FFA members are making plans now to attend the State Fair on Oct. 1, at which time the members will observe and study the various exhibits.

Long Distance Dialing Approved At Decatur

Customer dialing of long distance calls in Alabama's first city to get the service—Decatur—is proving most popular with the Southern Bell Telephone Company's customers.

J. L. Switzer, local manager for Southern Bell, said that since the August 17 cutover to Customer Long Distance Dialing in Decatur, almost 50 per cent of all long distance calls made are being dialed by the customer. Mr. Switzer said this is quite a usage of the new system since only station-to-station calls can be dialed and only by customers having one or two-party service.

Eventually practically every city in the United States and Canada served by the Bell System will have access to the new service.

The local manager named no specific time that Customer dialing will be installed in the Shelby County Exchanges, but said his Company is making every effort to complete all such installations in a relatively few years. At that time, he said, a customer can dial almost any number nationwide just as simply as dialing a local number.

MRS. WAYNE DURHAM

Kendrick-Durham Vows Said in Artesia

In a double ring ceremony at the home of her parents, 1103 Sears, Artesia, New Mexico, Jean Kendrick, daughter of Mr. and Mrs. Melvin Kendrick, repeated wedding vows with Wayne Durham, son of Mr. and Mrs. Leonard Durham. The Rev. V. Elmer McGuffin officiated at the 6 p.m. ceremony. The improvised altar was lighted by two seven-branched gold candelabra holding lighted orchid colored tapers. A large gold framed mirror at the back of the arrangement reflected the candlelight and enhanced the pedestal baskets filled with white gladioli and orchid carnations.

Truett Randolph was organist and accompanied Linda Beene as she sang, "Whither Thou Goest" and "The Lord's Prayer" as Rev. McGuffin completed the final prayer.

The bride, given in marriage by her father, was wearing a formal gown of white Chantilly lace in sheath design over bridal satin. The satin also formed panels on the sides of the skirt and were attended to a Queen Bess sash. The scallops at the neckline and short sleeves were edged with seed pearls. Matching lace mitts, fashioned with satin covered buttons were worn with the ensemble. The wedding veil was shoulder length and featured tiny dots. Velvet petal shaped loops held the veil.

The bridal bouquet was a white Cattlaya orchid with sprays of lillies of the valley and pearls which was carried on a white Bible.

Dorothy Payne was maid of honor and J. W. Callow was best man. Miss Payne wore a sheath of white satin fashioned with a round neckline and cap sleeves. Her small hat was orchid colored and she carried a bouquet of orchid colored carnations with mushia velvet leaves. The candles were lighted by Connie Beene and Marcia Kendrick, sister of the bride. They wore dresses of orchid organdy over satin with large puffed sleeves and full gathered skirts. They wore wristlets of white carnations and sprays of lilies of the valley.

A reception was held after the wedding ceremony. Following a honeymoon trip, the coupe is at home at 315½ W. Dallas, in Artesia, where Mr. Durham is employed.

Tony Birchfield Shows Registered Dairy Cows

Tony Birchfield, Montevallo FFA president, exhibited his registered dairy animals at the Shelby County Fair during the later part of August. He plans to show them at Bessemer on September 16-17.

Tony is presently constructing a dairy barn and plans to expand his dairy project into a full time program.

The Montevallo vocational department has devoped a Beginners Guide which will be used in student orientation for the first eight weeks of school. It is planned to keep the local program aligned with recent revisions suggested in the state program of vocational agriculture.

Seventy or more members of the Montevallo chapter plan to attend the State Fair in Birmingham on October 1.

THANK YOU NOTE

Dr. Eber Writes Psychology Text

"Samples of Scientific Psychology," an experimental textbook written by Dr. Herbert Eber, professor of psychology at Alabama College, was copyrighted and published this past week.

The book, designed for use in introductory psychology classes, will be used experimentally in selected classes at Alabama College this year.

Negotiations are in progress with several publishing houses for formal publication next year.

Outstanding feature of the book is its emphasis on selected theories as opposed to less intensive coverage of wider areas of the psychology field.

The book is the culmination of three and one-half years of research and development in the area of introducing students to psychology.

DR. HERBERT EBER
Writes Textbook

The experimental edition is being printed by the Times Printing Company of Montevallo.

Dr. Eber is consultant to the Alabama Schools for the Blind and Deaf and to the Division of Vocational Rehabilitation of the State Department of Education.

A native of Vienna, Austria, Dr. Eber is a member of the American, the Southeastern and Alabama Psychological Associations; Psi Chi; and the Society of Sigma Xi. He holds degrees from Southwestern University, Memphis, Tenn.; and the University of North Carolina, Chapel Hill.

Prior to joining the Alabama College faculty in 1954, Dr. Eber served as clinical psychologist with Veterans Administration Hospitals in Fayetteville, N. C., and Roanoke, Va.

FHA Honors Prospective Members With Tea

A tea honoring prospective FHA members, the Montevallo High School faculty, and honorary members of FHA was given Wednesday, September 10, 1958, in the Home Economics building by the FHA Executive Committee and sponsors, Mrs. Rebecca McGaughy, and Mrs. Charles Hollingsworth.

The punch was served by Mrs. Albert Scott as honorary member.

Mr. and Mrs. Moore of Deckard, Tenn., have returned home after a visit in Montevallo with their daughter, Mrs. John Stevens and family.

TB Assn. Names Board Members

At the annual meeting of the board of directors of the Tuberculosis Association Friday in the county health office at Columbiana, five new board members were elected. These include Mrs. R. E. Ballentine, Montevallo; Mrs. E. F. Sloan, Columbiana; Marion Jones, Calera; Phil Manon, Alabaster; and J. A. Gorman, Vincent.

Reports were made by Roy Downs, treasurer, of the financial condition of the treasury at the beginning of the proposed new drive for funds with which to carry on the fight against tuberculosis.

An increase during the past few years beyond previous years shows a healthy growth in interest and understanding of the purposes of the Christmas Seal Sale, it was brought out by Richard Ozley, a member of the board, who recalled that in the early years, Shelby County had collected $750 as its annual contribution. The amount has climbed steadily to more than $2,000, both last year and the year before. It is believed that it will go far beyond these totals during the coming drive.

Conrad M. Fowler presided at the meeting. Other members present were Yeager Horn, Oland Smith, Roy Downs and Miss Myrtle Miles.

Tribute was paid to the outstanding services of the late Dr. E. F. Sloan, who served with such skill in Shelby County's battle against tuhebculosis. It was voted to place a plaque in his memory in the county health office.

The annual Christmas Seal drive will open November 16, it was stated, and preparations for its opening will be discussed at a state meeting to be held in Birmingham October 15 at the Tutwiler Hotel.

Mr. and Mrs. Dubose Galloway attended the wedding of their nephew, Howard "Tex" Galloway and Miss Lera Ann Milsap Friday night at Shades Crest Baptist Church in Birmingham.

Longshore Speaks in Columbiana

Bill Longshore, Jr., Republican candidate for Governor, declared that a two-party system would not only give Alabama good government, but would free the South.

Longshore spoke in Columbiana Saturday from the court house steps of his native Shelby County, where his grandfather, the late A. P. Longshore, served four terms as the Republican Probate Judge and his father, W. L. Longshore, was elected Republican Circuit Judge.

He restated his support of the segregation plank adopted by the state Republican Convention. Longshore emphasized that Republicans in this state are more for Southern principles than most Democrats. He said, "We do not have a single Alabama Republican on the Supreme Court, which is more than the Alabama Democrats can say."

Isabella Ties Montevallo, 7-7

It was a tough fight, Ma, but nobody won!

That just about tells the story of Montevallo's opening football game at Isabella Friday night, which ended in a 7-7 deadlock. Both teams scored on runs that went all the way within two minutes of the third quarter, and that wrapped up the night's scoring.

As the second half opened, B. Winslett's kick for Montevallo landed on Isabella's five. From there, Lemard Coggins, the Mustang's shifty scatback, raced the distance for the pay-off stripe. Moments later, this one-man team went over to add the extra point.

A stunned Bulldog eleven made ready to receive following the Isabella shocker. But surprise turned to effort as Ronald Smitherman, on the Montevallo 20, gathered in the kick and was off for a brilliant all-the-way scamper. It was a beautiful team effort that cleared the way for the right half with Ben Harrison going the distance with him. Ruben Hayes, fullback, carried over the extra point to even the score and put the Bulldogs back in the scrap.

Twice in the game, time broke up Montevallo threats. As the first half drew to a close the Bulldogs lost possession on the Isabella 24 on downs. On Isabella's third play from there, Curtis Jarvis fell on a Mustang fumble 28 yards from pay dirt. Barclay Fisher picked up six yards, but that's as far as the Bulldogs could move.

Moments before the final whistle Hayes intercepted a pass on the Isabella 46 and looked as if he were away, but was downed on the 25. A pass that was knocked down on the 5 ran out the clock.

Statistics went like this:

	Mon.	Isa.
First downs	6	7
Yds. rushing	90	98
Yds. passing	0	41
Pass att.	9	12
Pass comp.	1	4
Interceptions	4	0
Yds. pen.	35	20

Mr. and Mrs. Billy Lawrence of Tuscaloosa, Mr. and Mrs. Jimmy Lawrence of Montevallo and Miss Pat Lawrence of Birmingham were week end guests of Mr. and Mrs. Clyde Lawrence. Sunday guests were Mr. and Mrs. Howard Parks of Bessemer.

Mr. and Mrs. E. G. Givhan II and little son, E. G. III, of St. Louis, Mo., visited Mr. Givhan's parents, Mr. and Mrs. F. P. Givhan, in Montevallo week before last and last week. They also visited Mr. Givhan's parents in Montgomery while in Alabama. Mr. Givhan will be a junior in medical school this coming year.

Mr. and Mrs. R. L. Harrison have returned from a ten-day visit with the Harry Strassel family in Louisville, Kentucky. While there Mr. Harrison and Mr. Strassel enjoyed several days fishing in the Kentucky Lakes.

Grilled tomatoes give appetite appeal to beef recipes and baked canned peaches dress up lamb and veal. Imperial makes the ideal baster for hot garnishes — adding its own fine flavor to all foods hot or cold.

PERT PLAID—Cheryl Ann Summers of East Point, Ga., 1958 Little Miss Cotton, knows her ABC's of fashion. Her dress by Tiny Town Togs is interpreted in Mission Valley plaid trimmed with white cotton lace.

* * *

Add a half cup of chopped almonds to cooked rice which has been tossed generously with Imperial and serve with fowl dishes. A touch of paprika adds color and flavor.

* * *

For a gourmet touch to an otherwise plain cream sauce for poached or baked fish, simply add the juice of one lemon—whip it into the sauce—gently reheat and add a handful of tiny shrimp and top with flaked parsley. The sauce, of course, has a base of delicately flavored Imperial.

* * *

Try mixing one bar Imperial, ½ teaspoon lime rind, 1 tablespoon lemon juice, 2 tablespoons lime juice in a mixing bowl and be sure to cream well. Absolutely delicious on all baked, broiled or poached fish.

* * *

If you have small pieces of cheese left over — too small to serve, too wasteful to throw away — grate them on the standing grater or in the new hand grater and store in the refrigerator in a covered jar. Use it to top spaghetti, in salad dressings, or in cheese sauces made with a base of Imperial.

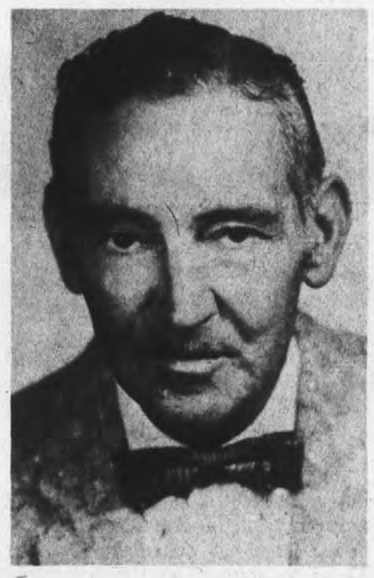

Teach Children Fire Safety Early!

Children should be taught at an early age to respect fire not fear it. They should be made aware of its uses and benefits, and also its dangers. They should be urged to cooperate in the family job of fire prevention. Remember, children, like adults must be taught fire safety. Their lives depend on you!

DON'T GIVE FIRE A PLACE TO START!

STATEMENT FROM ADAM WYATT, CANDIDATE FOR MEMBER OF SHELBY COUNTY BOARD Of REVENUE AND CONTROL, FROM DISTRICT FOUR

To the Voters of Shelby County who would like to know something about my education, my habits, the kind of life I have lived before my friends and neighbors and my Lord and Savior, and the many different things I have done to make an honest living. By hard work good management and living by the Golden Rule all these years. I was graduated at Elm Hill Academy in 1918 with high honors in every respect.I walked three miles to school. I put all my time on solving problems in Algebra, Geometry, Rhetoric, etc.—even into the late hours in the nights.

I became interested in music and took piano for awhile, but was advised by such teachers as John M. Dye, P. B. Shaw, and others to sing. After making several schools of music with them, I worked my way through several schools with J. H. Showalter of West Milton, Ohio, having majored in Harmony, Counter point, etc. I also took a standard course of teaching. Later I joined W. W. Combs of Lawrenceburg, Tennessee. I took private voice lessons and directing from him until he took over the conservatory of Music in Dallas, Texas. I sing for most all the churches in the county, singing for 25 years and I sang for such as Rev. Will Ray, Rev. Cooper of Houston, Texas and many other folks.

I have been and still am, a farmer. I have done some saw mill work. I was on a show for four seasons and am now in the Recreation business. I own and operate Lake View Recreation Center in Harpersville, Alabama. I had several years of road and bridge building under my father, W. W. Wyatt, when he was a member of the board from the 4th district.

I am now asking you, the Voters of Shelby County, to bestow on me the same honor you did my father years ago and I will assure you, you will not regret it in the future.

I know, and most of the folks in District 4 know I am qualified for this job. I have kept books for the Government two years and came out with cards of commendation and 100% on my work.

I believe in two strong parties in our political field. I think it will promote better Government for all. I believe in States Rights and am a strong believer in segregation. I oppose the Communist fed NAACP. I think what the South needs most is a change in the Supreme Court Justices who are always against us Southerners and who want to block our way of life in many ways.

No Buying - No Lying, but an HONEST job for Shelby County and District 4, if you good people see fit to elect me on November 4, 1958.

Sincerely your life long friend,

Adam Wyatt

Vincent Defeats Eagles, 12-0

On September 12, 1958, the Calera "Eagles" came on the field to meet their first defeat of the year. The Vincent "Yellowjackets" downed them by a 12-0 defeat.

Calera received the kick and carride the ball to the 35 yard line. The Eagles fought gallantly down the field for a touchdown, which was called back because of an off-side penalty. This event turned the luck of our Eagles as Vincent took posession of the ball on the 2-yard line. The half ended with the score 0-0.

After the half the "Yellowjackets" returned to make a touchdown in the third quarter. The Eagles were fighting for victory but several fumbles caused the "Yellowjackets" to recover the ball and run their second touchdown about two minutes before the game ended.

Calera received the kick off on the 15-yard line where Thomas slipped and fell. Beginning to move the ball once again, the clock ran out with Thomas carrying the ball down to the 35 yard line.

MINISTERS TRAINING SCHOOL

Mr. W. V. Bozeman of Montevallo was among 36 ministers who attended the eighth annual Ministers In-Service Training School August 25 to September 5 at the Cumberland Presbyterian Theological Seminary on the campus of Bethel College, McKenzie, Tenn.

Polio Cases Total 21

Alabama's polio count for 1958 stood at 21 cases, all paralytic, at the end of August. The State Health Department said today that 32 cases were recorded during the same eight month period last year.

Two-thirds of this year's cases were reported during August. The Department said, however, that in some of these cases illness actually began earlier. Reporting was delayed pending final diagnosis or until complete information could be obtained.

Three of the other seven cases were reported in February, two in April and two in July.

CARD OF THANKS

We wish to thank our friends, neighbors and relatives for their many deeds of kindness, sincere sympathy, and beautiful floral offerings during the death of our loved one.—The Family of John A. Reid.

Calera Garden Club

The Calera Garden Club met on Tuesday, September 9, at the home of Mrs. Charles Kunz, Rt. 2, Calera. Refreshments were served before the meeting, which was held on the lawn.

The club welcomed two new members, Mrs. W. L. Lawler, Sr., and Mrs. G. N. LaGrone, of Montevallo. Officers elected for the coming year are Mrs. Charles Kunz, President; Mrs. Wallace Veasy, Vice-President; Mrs. R. D. Mabry, Treasurer; and Mrs. B. D. Holcombe, Secretary.

A program committee was appointed to meet at a later date to discuss the club project for the coming year. The next meeting will be held at the City Hall in Calera, on Tuesday, October 14, with Mrs. W. B. Blevins and Mrs. B. D. Holcombe, hostesses.

Members present at the meeting were Mrs. J. Frank Baker, Mrs. W. B. Blevins, Mrs. R. E. Bowdon, Jr., Mrs. J. D. Freeman, Mrs. B. D. Holcombe, Mrs. R. L. Holcombe, Mrs. Curtis Lucas, Mrs. W. B. Ozley and Mrs. Guy A. Youngblood, and the hostess, Mrs. Kunz.

To The Voters of Shelby County:

I am proud to be the nominee of the Democratic party for the office of Member of the Board of Revenue and Control from District Four, subject to the action of the voters in the General Election to be held November 4.

I shall campaign actively during the coming weeks. I respectfully solicit your support in behalf of myself and my party. Time will not permit me to contact each of you personally. Please consider this advertisement as a direct request from me to you for your vote and your active support.

During the Primary Elections I met many of you and formed many new friendships. To me these elections were a heartening experience. In seeking the Democratic nomination to this office, I came to know you and our county better than ever before. It is my hope that your vote in November will give to me the opportunity and the responsibility of working for Shelby County and for the people of District Four during the coming 4 years.

Sincerely

Henry P. (Strick) Strickland

P. T. A. Appraises School Health

"An Appraisal of the Health of our School" was the topic of the program as the P.T.A. of the Montevallo Schools held its first meeting of the year in the high school auditorium last Monday night, September 15.

Dr. Gideon Nelson, an active member of the local P.T.A. and co-chairman of the Health and Safety Committee was in charge of the program. He was assisted by Mrs. Nelson, Dr. Herbert Eber, and Mrs. Don Lovelady, who each presented one aspect of the committee's activities as well as some plans and recommendations for the future. Areas under discussion included lunch room health conditions, an appraisal of general health and safety conditions, mental health, and the committee's health project for the year.

The health project—physical examinations for the first grade children—including a sight and hearing test which will become part of the permanent record for each child was noted as well as some improvements in health conditions which the committee felt should be pointed out. These included new acoustic ceiling for the kindergarten, fifty new desks for the high school, bleachers for the gymnasium, new walk on the north side of the school building, new concrete steps to the boy's dressing rooms, new typewriters in the commercial department, painting of several classrooms, new 80,000 BTU gas heater for the band room, new commercial size refrigerator in the lunch room and another room added to the Jeter Building.

They also made certain referrals and recommendations and proposed to the group that school caution signs be placed in appropeate locations as well as school crossing signs on Ashville Road and asked that the Executive Council provide the money for rerouting water lines to the Jeter Building. Both of these proposals were approved by the group.

Presiding at Monday night's meeting was Dr. Andrew Kochman, co-president of the local P.T.A. Business taken up during the meeting included reports of the various committees. The Budget and Finance committee proposed their budget for the year and recommended that the "Birthday Calendar" be taken as a money making project. The money will be used to complete the lighting project begun last year in which eight rooms of the high school received new lights.

Reverend David Kaylor of the local Presbyterian Church gave the devotional for the opening meeting.

The Montevallo High School majorettes performed for the group as the musical entertainment for the evening.

Students Urged To Enter Contest

All high schools in Shelby County have received research material for the National Essay Contest on Employment of the Physically Handicapped. This contest, restricted to eleventh and twelfth grade students, offers participants $25 in county prizes, $225 in state prizes, and $2,000 in national prizes.

Judge L. C. Walker, chairman of the Governor's Committee on Employment of the Physically Handicapped in Shelby County, urges all eleventh and twelfth grade students to enter the contest and compete for the large array of prizes.

The Shelby County Board of Revenue has allocated a $25 savings bond as first prize. County winners will compete for a $100 first prize, $75 second prize, and $50 third prize contributed by Governor James E. Folsom. State winners will compete for $2,000 in cash prizes, and a free all-expense paid trip to Washington, where they will be presented a national award by President Eisenhower.

First prize winner for the state will be brought to Montgomery by the Governor's Committee and presented with a Gubernatorial Award and cashier's check for $100.

Shelby County students planning to enter the contest will find research material in their school library.

Howard Smith Takes Part in Maneuvers

San Diego, Calif. — Howard E. Smith, fireman, USN, son of Mr. and Mrs. Frank J. Smith, Sr., of Route 1, Box 42, Montevallo, Ala., aboard the dock landing ship USS Gunston Hall, participated in an amphibious training exercise (phiblex-2) in the San Diego-Camp Pendleton, Calif., area during September 2-14.

The exercise involved an Amphibious Squadron, a Naval Firing Unit composed of destroyers, and a Marine Brigade size landing force supported by Naval and Marine Aviation.

Canadian Mine Craft operated with U.S. Naval Mine Craft in support of the Marine assault. A battalion landing team, landing in conjunction with waterborne troops, was lifted by Marine helicopters from the aircraft carrier USS Kearsarge.

A gunnery exercise was held at Pyramid Cove, San Clemente Island, followed by a rehearsal landing on the Silver Strand, Coronado, Calif. The main assault landing took place in the Camp Pendleton area, against Camp Pendleton Marine aggressor force.

METHODIST CIRCLE ONE

Circle Number 1 of the Women's Society of Christian Service of the Methodist Church met Monday evening at the home of Mrs. S. M. Mahan. Ten members were present.

Mrs. Joe Doyle had charge of the program, which was presented by Mrs. Doyle's daughter and her husband, Mr. and Mrs. Robert Hitt. They presented color slides of many interesting subjects taken while they were in service stationed in Japan.

After refreshments, the meeting adjourned.

Alabama To Receive Nearly Million Dollars Under New Education Law

(By John Sparkman)

One major accomplishment of the 85th Congress will mean nearly $1 million for Alabama's educational system during fiscal year 1959, primarily for math, science and lab equipment purchases, for scholarship loans and student guidance and counseling.

I refer to the Federal aid for education law which went through Congress earlier this year and was generally known as the Hill-Elliott bill. Representative Carl Elliott of the Seventh District guided the bill through the House, and Senator Hill furnished the Senate guidance. I was glad to assist him as a sponsor and in working to get Senate approval.

Under this $887 million (authorized) 4-year nationwide program, Congress has authorized $3,376,000 for the first year of the program in Alabama. However, Congress appropriated $834,000 of the authorization. This money will be used in fiscal year 1959 as follows:

(1) loans to students in institutions of higher learning, $88,625; (2) acquisition of science and math equipment and minor remodeling, $484,113; (3) administration of the financial assistance program for strengthening science, math and modern foreign language instruction, $28,786; (4) loans to non-profit, private schools under this same program, $11,067; (5) guidance, counseling and testing, as well as identification and encouragememnt of able students, $116,286; (6) area vocational education $105,000.

Over the life of the 4-year program the authorization for Alabama is about $13,500,000. I was disappointed that only about one-fourth of the fiscal 1959 authorization was actually appropriated. Certainly, during the next session of Congress I will fight for Alabama's full authorization.

While this new Federal law will prove a substantial stimulus to Alabama's educational system, there are no strings attached. I want to emphasize that this new law in no way encroaches upon the rights of the states to maintain complete control of their educational systems. This legislation offers much needed Federal aid and without and Federal control.

Organ Builder To Give Lectures

D. A. Flentrop, famous Dutch organ builder, will deliver lectures at Alabama College at 3:00 p.m. and 7:30 today, Thursday, September 18.

Flentrop is generally considered to be Europe's leading authority on organ building and organ restoration.

The afternoon lecture will be in Calkins Hall. The evening lecture will be in the Montevallo Episcopal Church, which recently installed an organ built by Flentrop. The lectures will be open to the public, free of charge.

Flentrop has just completed installation of an organ at Harvard University. His instruments have won the Grand Prix at the Paris Exposition and at the last World's Fair.

He has been in the United States since last August setting up the organ at Harvard University's Germanic Museum.

Flentrop's international reputation rests on his leadership in the field of organ design and in the revival of organ building principles drawn from both modern and earlier times.

He is especially known for his restoration of many 18th century European instruments, notably the world famous organ in St. Michael's Church in Zwolle, Holland.

His topics at Alabama College will be the new Harvard organ and the basic principles of organ design.

JEHOVAH'S WITNESSES

Lewis H. Driver, presiding minister of the Columbiana congregation of Jehovah's Witnesses, says that arrangements are completed for the circuit convention to be in Opelika September 19 to 21.

More than 700 delegates are expected to attend the 3-day gathering of Jehovah's Witnesses from east central Alabama.

F. Cole of Columbiana will have a part on the Friday program, as a speaker on the convention theme "Expanding Our Ministry".

Mr. and Mrs. Don Kresnye and Donna of Willowick, Ill., are visiting their parents, Mr. and Mrs. Leondus Carter.

Dr. Vickery To Return Sunday

Dr. Katherine Vickery, chairman of Alabama College's department of psychology, will arrive in New York City Saturday, Sept. 20, after spending five weeks touring Russia.

Dr. Vickery is one of 75 educators who toured Russia this summer with the Comparative Education Society. The touring group, made up mostly of Americans, includes delegates from England, Canada and Puerto Rico, and represents the entire educational system from first grade teachers to college presidents.

The educators visited four major Russian cities including Moscow, Leningrad, Kiev, and Tashkent. Members of the society making the trip are getting a general picture of the Russian educational system.

Today, Dr. Vickery is attending a summary conference at the American Embassy in Moscow. This conference follows a closing conference between the American delegates and top Soviet educators.

Dr. Vickery will arrive in New York Saturday and will return to Montevallo late Sunday afternoon.

Mrs. H. E. Lawley is at St. Vincents Hospital in Birmingham where she underwent surgery on Monday.

Baptist Students Attend Social

Approximately 135 members and guests of hte Baptist Student Union attended the "First Round-up" social held last Saturday afternoon at the farm home of Mr. and Mrs. George Howell. The social was in honor of the Baptist freshmen and transfer students who have recently arrived in Montevallo.

The group was divided into ranches for participation in a variety of games and for competition in relays.

Supper was served and the menu was hamburgers with all the trimmings, potato chips, soft drinks, coffee, and homemade ice cream. Following the supper the group gathered around a campfire for a song fest. The occasion was ended with a brief devotional given by one of the students, Jennie Cotney.

"S&H GREEN STAMPS are helping Dixie grow"

"During the past few years a major addition to business in the South has been the fast-growing trading stamp industry.

"Proof of the growing importance stamps play in bolstering the area's economy is found in the Southern operations of The Sperry and Hutchinson Company, distributors of the widely-known S&H Green Stamps.

"In 1957 alone, S&H purchased more than $12 million worth of merchandise from Southern manufacturers, providing many of the area's industries with increased outlets for their products and boosting Southern payrolls.

"Added to those figures is the $2,250,000 annual payroll written by S&H for its present and growing 866-person Southern personnel. The Company has invested hundreds of thousands of dollars in real estate to locate its modern redemption centers, indicating that the industry has become a permanent part of the area's business life."

Tax Assessor Reports County's Assessed Values

County Tax Assessor Ross Bob Mullins gives the following final report on the gross assessed values of property in Shelby County for the tax year 1958.

There are 14 utilities assessing real and personal property in Shelby County, and the total assessed value for the tax year 1958 is $8,901,880. This is an increase of $384,420 over 1957.

The total assessed value of regular assessments, corporations, non-residents, automobiles and utilities for 1958 is $24,255,930, or a net increase of $205,230 over the previous year. The reason for the net increase being smaller than the amount of increase in utility assessments is that the corporation returns for 1958 were lower and also the fact that cattle, chickens, etc., were exempt from ad valorem tax for the first time in 1958 as the result of a bill passed by the State Legislature.

Beginning October 1st it will be necessary for new property owners to assess property purchased during the year. All personal property returns will have to be filed by the third Monday of January to avoid any penalties. Any person having sold property during the year will have to file a new return beginning October 1st. Improvements made or in the process of being made will have to be assessed beginning October 1st and not later than the third Monday of January.

P.T.A. Will Sponsor Birthday Calendar

Beginning next Monday, Sept. 29, members of the Montevallo PTA will be calling on the families of Montevallo and surrounding communities to accept listings and subscriptions for a community Birthday Calendar.

For several years the Lions Club has had the calendar for a project. This year it has been turned over to the PTA to raise money to complete the lighting project which was started last year. Eight rooms in the high school received new lights as a result of last year's fund raising campaign.

It is hoped that the Birthday calendar will serve a double purpose for the community as it lists club and civic organization meetings as well as birthday anniversaries.

Price per listing in the calendar is 25 cents. The calendar itself is priced at $1.00.

SPECIAL MASONIC MEETING

Central Lodge No. 70, F. & A. M. will have a special meeting Saturday night, September 27, for the purpose of conferring the Master's Degree. All Masons are invited.—W. M. Weaver, Worshipful Master.

Maid of Cotton Prepares For Contest

Shelby County will be graciously represented at the State Maid of Cotton Contest in Birmingham next week when Miss Jade Higgins, daughter of Mr. and Mrs. James Higgins, of Montevallo, attends the round of social activities and judging sessions scheduled for the county contestants.

A senior at Alabama College, the 20-year-od Maid of Cotton is in a whirl of activity getting set for the big week. She is shown here in the graceful royal blue velveteen ball gown which she will wear on Wednesday evening at the Tutwiler Hotel.

Miss Higgins also models the gold-colored, iridescent cotton two-piece ensemble, which will be included in her all-cotton wardrobe. The top coat is three-quarter length, featuring a wide collar and belted back, buttoned down the front with large buttons. The sheath-style dress can be worn separately. Her accessories for this daytime suit will be black except for the "Garbo" style hat of matching gold, the fluted inner brim containing a band of teal blue. Her necklace is composed of pearls and incandescent rhinestones.

Shelby County Students Enter University

A partial list of entering freshmen and transfers at the University of Alabama this fall, Sept. 17, includes the following persons from Shelby County:

From Harpersville: Harold Dermot Wortham; Reid Adair.

From Vincent: William Arthur Jackson.

From Helena: Thomas Edward Wynn.

From Shelbyville: Judith Susan Cooper.

From Montevallo: Luther Kenneth Rochester.

BOY SCOUTS MET

Boy Scout Troop No. 59 met at 6:50 Monday evening, with Mr. Floyd Anderson in charge. The meeting opened with the pledge, oath and the law being given. Each scout was tested on his knowledge of the three. For roll call there were twelve scouts and two leaders present.

Patrol, scribe and treasury reports were given. Advancement was prepared since there was no board of review as planned. Taps and the benediction were recited. Refreshments were furnished by Mrs. Baine.—Wade Baine, Scribe.

Houlditch Subdivision Receives Approval

The new Houlditch Subdivision in Montevallo has recently been approved by the Zoning Board for the sale of lots and the construction of residences to comply with the minimum regulations of Class "B" residential zoning regulations of the City of Montevallo.

This newly approved residential subdivision, owned by Mr. C. E. Houlditch of Montevallo, is located adjacent to the property of Alabama College and just north of the home of the President of the college. Mr. Houlditch has laid out a subdivision containing spacious residence lots situated in a very desirable area of Montevallo. Mr. Houlditch says these approved lots are now ready for sale to prospective home builders.

Former Residents of Boothton Plan Reunion

The annual reunion of former Boothton residents will be held Sunday, October 4, at the Boothtown ball ground. There were 407 visitors to register at the homecoming last year and an even larger number is expected this year.

Anyone who has ever lived in Boothton is invited to come and bring a well-filled basket. A picnic lunch will be spread. Start making your plans now to spend the day meeting old friends from Boothton.

Montevallo Zoning Regulations are Extended To Cover New Areas

In order to further perpetuate and encourage the future development of Montevallo's ever-growing desirable residential areas, the Montevallo City Council, on August 12, 1958, approved the extending of benefits of the existing City Zoning Regulations to cover the property owners of several areas within this immediate area. Some of the areas are located within the present city limits and others are located within the Montevallo police jurisdiction.

All of these new areas have been zoned to comply with the minimum regulations of a class "B" residential district. The new areas to benefit by the local zoning regulations are as follows:

1. NW¼ of NW¼, Section 21, Township 22 South, Range 3 West. Further, generally and aproximately identified as being 40 acres lying adjacent to the property of Alabama College and being just north of the college president's home and west of the Wooley Subdivision and containing a part of Houlditch Subdivision and others.

2. NE¼ of NE¼, Section 21, Township 22 South, Range 3 West, Further, generally and approximately identified as being 40 acres lying east of and adjacent to the Hubbard-Givhan subdivision, being somewhat north of Arden Subdivision and west of Shoals Creek and containing the Goodson property and others.

3. E½ of Section 16, and the W½ of Section 15, all being in Township 22 South, Range 3 West, Shelby County, Alabama. Further, generally and approximately identified as being an area 1 mile square with the southwest corner being situated in the area of the present city limits line on the Siluria highway and covering all properties on each side of the Siluria highway up to about the south boundary line of the John Rucker Farm property.

The Montevallo City Council in conjunction with the Montevallo Planning Board and the Montevallo Zoning Commission are happy to announce this extended coverage and benefits to the present property owners and to all prospective home builders who may select a home site within this highly desirable residenttial area.

Committee To Pick Candidate For Revenue Board

Columbiana, Sept. 22—The Shelby County Democratic Executive Committee has been called into special session to pick a new candidate for the District 4 Board of Revenue position.

H. P. Strickland, who won the party's nomination in the primaries last Spring, died of a heart attack last night.

Handy Ellis, former lieutenant governor and chairman of the Shelby Democratic Committee, said he had called members of the committee into session at the courthouse at 10 a.m. Friday.

He said it is too late to hold a special election, but the committee would elect a candidate for the November general election ballot.

Adam Wyatt of Harpersville holds the Republican nomination for the District 4 Board of Revenue post. He was selected by the county GOP committee. Wyatt's father, W. W. Wyatt, was a member of the county governing body for several terms as a Republican.

District 4 is the eastern part of the county, but voting for the revenue commissioners is countywide.

Strickland placed second in the May 6 primary, then defeated Incumbent Commissioner John Thompson in the runoff.—Birmingham Post-Herald.

WHITE CITIZEN'S COUNCIL TO MEET

The Shelby County White Citizen's Council will meet Monday night, September 29, at 7:30. Everyone is urged to come and hear Asa E. (Ace) Carter and Merritt Newby, of Birmingham. The topic will be "Christ in Your Organization, School and Federal Government," explained by Ace Carter.

In 1957 Alabama had 860,406 private passenger motor vehicles registered.

Classes have already been held on the United States, Canada, and Hawaii.

BIRTHDAY PARTY FOR JOAN ANTHONY

Little Miss Joan Anthony was honoree at a spaghetti supper at the home of her parents, Mr. and Mrs. Harold Anthony on Crestview Drive Saturday evening. Eight girl friends helped her celebrate her ninth birthday.

Games, group singing and a treasure hunt entertained the following guests: Mary Ellen Lewis, Peggy Whaley, Lucille Lovelady, Lynn Rotenberry, Lynn Frost, Judy Anderson, Margie Scott, Mary McCulley and Beth Anthony.

CUB SCOUT DEN 2 MEETS

Montevallo Cub Scouts Den 2 held their first meeting of the year last Saturday at 2:30 p.m., at the home of their Den Mother, Mrs. George Nix. Mrs. Nix says her den is planning a big year. They are working on a skit for the pack meeting next month.

At the Saturday meeting, Joe Meyers was elected Denner; Tommy Nix, Assistant Denner, and George Nix, Den Chief.

DON MILSTEAD ATTENDS THE UNION CONVENTION

Mr. Don Milstead has returned from Atlantic City, where he represented Local 5190 at American Brake Shoe Co., Calera., in the ninth constitutional convention of the United Steel Workers.

The convention was held Sept. 15 through 19, witih 3,500 delegates in attendance from the United States and Canada.

Guest speakers were Rev. Benjamin Masse; Gov. Robert Meyner of New Jersey; James P. Mitchell, Secretary of Labor; Michael Starr, Canadian Minister of Labor; Geo. Meany, president of AFL-CIO; former President Harry Truman; Ferris Sidney Owen, vice president of the Ohio Farm Bureau; Senator John F. Kennedy; and Harry Douglas.

Last year Alabama reported its corn crop had produced an income of $68,577,000 to rank the state 15th in the nation.

BIBLE LECTURE SERIES AT THE CHURCH OF CHRIST

The Montevallo Church of Christ will sponsor a series of Bible lectures illustrated with color slides each Thursday evening at 7 o'clock beginning next Thursday, Oct. 2.

These lectures will be given by Mr. Kenneth Reed, instructor in Bible at the University of Alabama who toured the Holy Land this summer. The slides were made by Mr. Reed, and he has correlated them with the Scriptures.

These lectures will be specially interesting and beneficial to the young people, but everyone is cordially invited to attend.

In 1947 Alabama produced only 4,796,000 broilers and was given no national ranking, but by 1956 Alabama was producing 82,473,000 broilers and was fourth in the nation.

Alabama has 193,865 commercial motor vehicles registered in the state.

PREPARING BARBECUE—Left to right, W. L. Lawler, Sr., retiring president of the Shelby County Cattlemen's Association; W. L. Lawler, Jr., associate member; and W. J. Bailey, long-time member. They are preparing for the barbecue Tuesday evening at the Lawler lake cottage, when Mr. Lawler was host to members of the association.

That's a good question, son!

A LOT MORE than a youngster's idle curiosity is at stake in the answer to this question. The location of a new superhighway can vitally affect – for all time – the future industrial development of a community.

Often, vacant land along a railroad is ideally suited for industry. Factories locating on it create new home-town job opportunities and new sources of local tax revenue. The land when thus put to industrial use becomes a valuable community asset.

Certainly, no forward-looking civic planner would intentionally do anything to destroy this asset. But, through oversight, it can be wiped out completely and forever by locating the new highway too close to the railroad. When this is done, the highway blocks off easy, economical access to the rail service that most industries must have.

On the other hand, when an adequate strip of land is left between the existing railroad and the proposed superhighway, the land becomes doubly attractive to industry. Then it can offer modern rail service on one side and a modern highway on the other.

Good planning when the new highway is still on the drawing board will mean lasting benefits to you and your community.

South Calera Club Has Active Year

The South Calera Home Demonstration Club met Wednesday afternoon at the home of Mrs. C. B. Martin with nine members present.

The demonstration was on curtains, draperies and the proper way to hang them, given very ably by the Assistant Agent, Miss Ann Gardner. This ended a very useful and interesting year of work, led by the president, Mrs. Marvin Giles. The club has learned how to decorate cakes, had lessons on discipline, made skirts, given birthday baskets to the sick and aged of the community.

They have a monthly teen-age party with several mothers as hostesses. They have learned how to make lamps so well that they were allowed to put them on exhibition at the County Fair in Columbiana, where they won fourth prize.

Mrs. Carl Jones and Mrs. Carl Bailey were diligent workers who attended most of the leadership schools and helped in every way possible. Mrs. Iris Littleton served as secretary. The club has the sincere desire to do a better job in the coming year than they did in '57 and '58.

Two County Students Win Scholastic Honors

Recognition for top scholastic achievement this past summer session at the University of Alabama goes to two persons from Shelby County who are on the Dean's List.

These are among the five per cent of the 3,600 summer Capstone students singled out for academic excellence. The list includes students whose grades averaged 2.5 or better, a 2 point being "B" and 3 point "A".

Honor students from Shelby County are Marcia N. Trumbauer, Montevallo, who was enrolled in arts and sciences; and Thomas W. Stone III, of Siluria, also in arts and sciences.

CARD OF THANKS

I want to thank my friends and neighbors for their kindness shown me during my stay in the hospital and for the beautiful flowers and cards.—Marvin Giles.

THE GREAT GREEN FLEET is just that! Over 85,000 cars and trucks are used by the Bell System—the largest private automotive fleet in the world. Of this total, over 10,000 of these vehicles are in use in Southern Bell's nine-state area. They're a familiar sight as they roll through the highways and byways of our land, and in times of emergency or disaster they're often first on the scene. Bearing the Southern Bell emblem, this great fleet is a symbol of progress and good telephone service to all of us wherever we live.

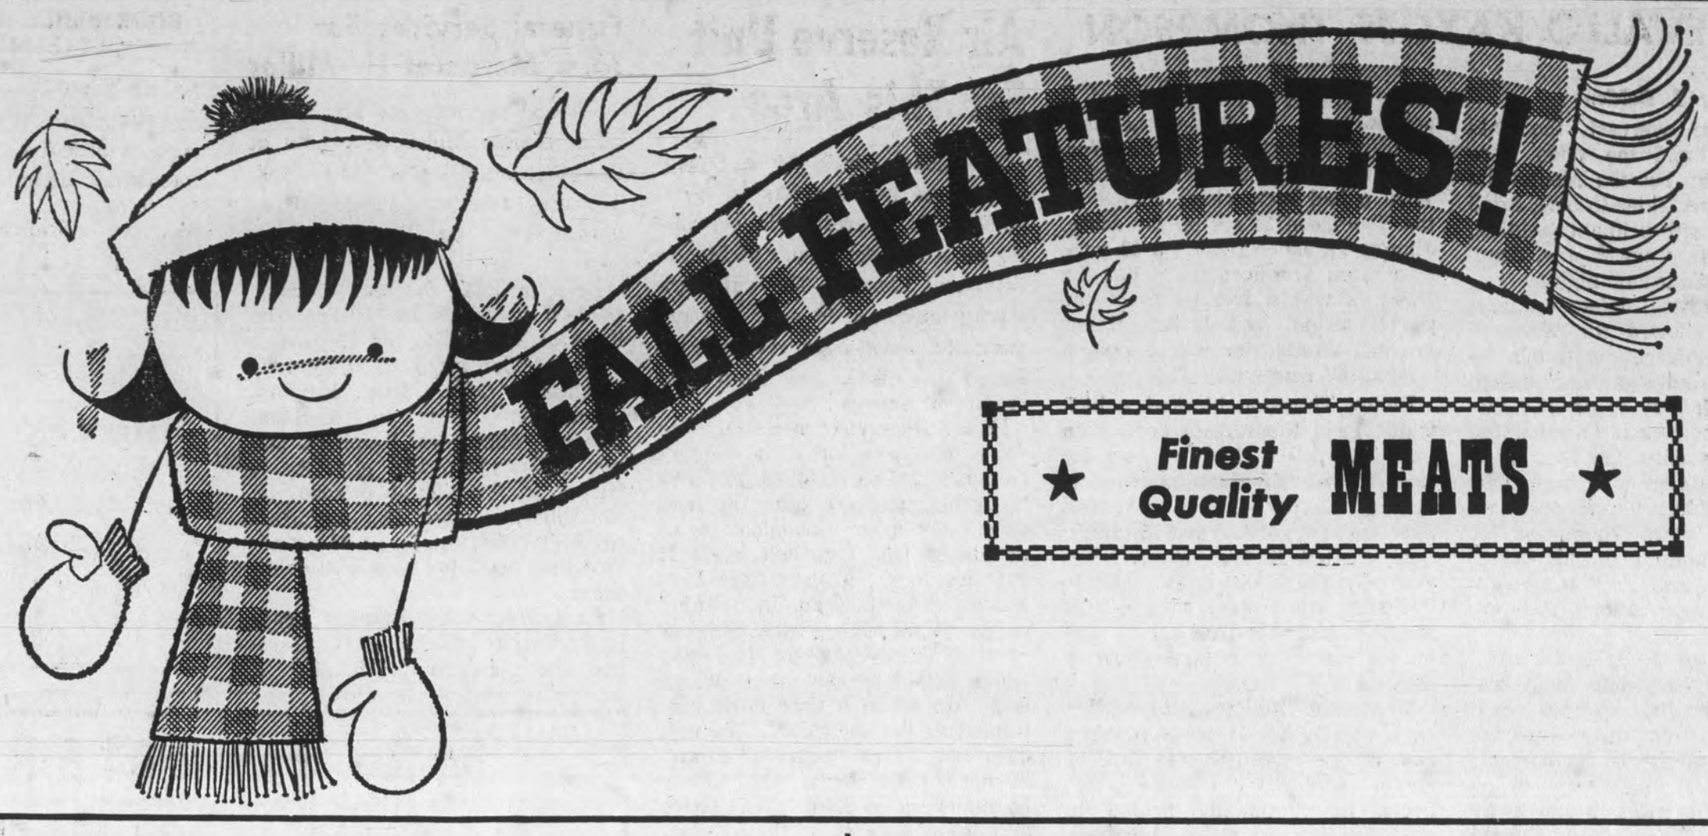

* * *

SAFE DRIVING is a habit. With school days underway, it's a good time for all of us to get the habit of driving carefully, especially near school zones and playgrounds. Each year traffic deaths of children alone add up to a terrible toll—a fact that should remind each of us to drive with extreme care. Drivers of telephone cars and trucks can be counted on to set a good example . . . because safe driving is part of every telephone employee's training. Southern Bell is proud of the record of its drivers who have helped earn for the Bell System the nation's top safety award for the sixth time in seven years . . . the Award of Honor by the National Safety Council.

THERE GOES DAD! Racing from the shower to answer the phone! Now wouldn't it be wonderful to have a convenient extension phone right there in the bathroom? And wherever *you* need them, you'll find colorful extension phones make living so much easier. In the kitchen . . . bedroom . . . den . . . enjoy extra phones where you work, sleep, live. The cost is really low. The convenience great. And, they're available in pastels and other beautiful colors. To order as many as you'd like, call our Business Office any time.

MONTEVALLO KAYOES THOMPSON

By S. DeMent

Skies were overcast, the field was soggy, and the odds were against them; but the Montevallo Bulldogs turned skies to blue, dried up the field with brilliant tackling, and completely upset the dope-bucket last Saturday night.

While a strong defensive forewall never allowed the Warriors to penetrate deeper than the 37-yd line, the Bulldogs ran, passed, and slid their way to an 18-0 victory over Thompson. Allowing the county rivals only one first down while they rolled up 14 of their own, the Bulldogs played outstanding ball to down Thompson for a second straight year. All except three of Montevallo's 25-man team saw action against this one-time powerhouse.

The Bulldogs began their initial touchdown drive from their own 49 just as the first quarter came to a close. As the second quarter opened, Donny Davis, sophomore, who gave an excellent performance for the night, broke away for 20 yards. From there Ronald Smitherman, all-county halfback, with two drives good for a total of 29 yards and a final TD plunge from the one, made the count 6-0.

In command of the situation all the way, the Bulldogs scored a second time just before the half. A 15-yd penalty placed the Warriors deep in their own territory. Then a bad kick which landed on the Thompson 34 set up the score. Jimmy Thrasher fielded a 32 yard pass from Smitherman to put the Bulldogs within two yards of the payoff stripe, and Ruben Hayes cracked through for the six points.

Halftime score was 12-0.

Danny Thornton blocked a kick which gave Montevallo possession on Thompson's 21 to set up the final touchdown about midway in the fourtth period. Hayes moved the ball 13 yards, and Smitherman carried it four more. Then Smitherman faded back, spotted Thrasher wide open in the end zone, cocked his trusty left, and hit his mark for a final score of 18-0.

Montevallo fullback, Hayes, besides picking up 64 yards rushing, had a fine night at the kicking game. Averaging 40.7 yards in five boots, he continually helped to hold the Warriors away from Bulldog territory.

Montevallo travels to Clanton Friday night. In their opener Clanton fell to Childersburg 20-0, but came back last week to take Maplesville by that same score.

Air Reserve Unit For This Area

The 9921st Air Reserve Squadron, whose headquarters is Montgomery, is interested in organizing an Air Reserve unit in Montevallo and Clanton. They are primarily interested in prior servicemen who have been recently released or discharged from any branch of service.

Each Reservist receives one day's base pay for each meeting he attends. The meetings are two hours long and are generally held on a night most convenient to all members. This type unit holds 24 pay meetings per year from September through June. In addition to the 24 meetings, each member is required to perform a 15-day active duty tour each year; which is performed at a time most convenient to the individual. The unit does not go to "summer camp" as most units do, so this allows its members to fulfill their active duty requirements whenever they want to during the year.

If you are a prior service man and interested in affiliating with an Air Reserve unit, write to Air Force Reserve, Room 312, Old Post Office Building, Montgomery, Ala.

Alabama has approximately as many navigable rivers as any other state in the union.

Funeral Services For Mrs. Margaret H. Miller

Funeral services for Mrs. Margaret Hobson Miller were held at the Montevallo Baptist Church last Thursday afternoon. Mrs. Miller passed away on Tuesday, Sept. 16.

Born in 1882, she was married in 1900 to Jacob M. Miller. She lived in Montevallo for 30 years.

Mrs. Miller is survived by four daughters, Mrs. Ben Raybon, Montevallo; Mrs. W. Cannon, Odenton, Md.; Mrs. Ralph O. Davis, Mulkeytown, Ill.; Mrs. A. J. Hicks, Maplesville; two sons, D. M. Miller, Chicago, Ill.; and Harold Miller, Gering, Neb.; 21 grandchildren and 16 great-grandchildren.

Pallbearers were Herman Bradford, Charles Burke, J. C. Raybon and Clarence Chism.

F.F.A. News Notes

Sixty-three students have enrolled in vocational agriculture at Montevallo this year. The Greenhand unit, which includes 34 of the members of the chapter, held an election this week at which time the various officers of the unit were elected. Larry Wheeler is the new president and serving with him will be Lloyd Thorpe, vice president; Johnny Lucas, secretary; Kenneth Pickett, treasurer; Johnny McNeil, reporter; Howard Hughes, sentinel; and George Underwood, assistant adviser. The chaplain will be named by the executive board and the name will be announced later.

Among the first items of business was making final plans for attending the State Fair in Birmingham on Wednesday, October 1. Mr. T. F. Burnside, Jr., of Montgomery, visited the classes this week and discussed growing baby chicks and some of the advantages of dealing in good high quality chicks when starting in the poultry business. The Greenhand unit meets each Monday at 9:40 at the Vocational Agriculture Building.

Glynn Cunningham and Tony Birchfield have made final plans and have made reservations to attend the National F.F.A. Convention which is to be the week of October 13 in Kansas City. It is expected that over 15,000 farm boys from throughout the U. S. will attend the annual meeting. Our adviser, M. Thornton, attended a meeting with the Shelby County Beef Cattlemen at Lawler's lake last Tuesday.

* * *

The adult evening class continues to meet each Tuesday evening at the agriculture building. The group is presently working toward the organization of a sportsman's club for West Shelby County. Ed Daviston, tentative chairman, urges all interested persons to attend the meeting each Tuesday night in order that final plans may be drawn. The meeting starts at 7:30 and lasts one hour.

* * *

The Shelby County Vocational Association held a monthly meeting at Chesser's place last Wednesday evening after visiting and observing the new vocational unit at Vincent.

* * *

Glenn and Bud Lucas are planning a home orchard of their own as well as planning with Mr. Gray Strother for planting a commercial orchard and two acres of loblolly pines.

Montevallo Soldiers on Army Team

IN GERMANY Pfc. Kenneth Oglesby, left, and Pfc. Craddock D. Galloway, in Germany with two of their "Rebel" buddies.

Aschaffenburg, Germany —Army PFC Craddock D. Galloway, son of Mr. and Mrs. C. D. Galloway, Montevallo, and PFC Kenneth Oglesby, son of Mr. and Mrs. Carl Oglesby, of Underwood, were members of the 3rd Medical Battalion's Ambulance Company softball team during its recently concluded season in Germany.

Galloway and Oglesby arrived in Europe last April. They entered the Army in October 1957 and completed basic training at Fort Benning, Ga.

Pfc. Galloway attended Howard College and Alabama College. He was graduated from Montevallo High School in 1955. PFC Oglesby is a 1957 graduate of Montevallo High School.

Both men have written their families of their trips to the Brussels World's Fair and many other interesting experiences.

Several New Residences Being Built

Twelve building permits have been issued by the City of Montevallo since the beginning of 1958. Eleven were for residences and one for a Church of God building on Highway 25.

The new residences include six in Arden Subdivision. Virgil Harris has completed constuction of his home on the corner of Crestview Drive and Meadow Road. Under construction at present are residences of R. D. Baine and Lee A. Barclay on Crestview Drive; E. K. Bush on Parkway Circle; and Oscoe Blackmon on Meadow Road. A building permit has been issued to Dr. L. C. Parnell on Crestview Drive, although construction has not begun.

Other permits issued were to J. O. Nickels, Wilson Drive; R. E. Whaley, for two rental houses on Island Street; Rosalie P. Marshall, Nabors Street; C. E. Jones, Highway 25; and Joe V. Crawford, on Meton Hicks Street, just off Highway 25.

In the Calmont Subdivision, which is in the police jurisdiction of Montevallo and where the zoning regulations are applicable, one residence has been completed and one is under construction. Mr. and Mrs. Marvin Bannon and daughter, Lynn, have moved into their new home on Lakewood Drive. The David Huntley residence across the street from the Bannon's, is expected to be completed soon. This will bring the total number of residences in the newly developed Calmont Subdivision to five. Mr. Leonard Herrmann expects to begin construction on his home around the first of the year. All available lots in the subdivision have been sold and construction plans have been made by the owners. All of the houses in the Calmont subdivision were designed by John Fuller, Architect, from Birmingham.

Alabama listed 328 incorporated cities in 1957 of which 305 used the mayor-council plan; 20 used the City Commission form of government, and three employed city managers combined with one of the above plans.

Methodist Junior Fellowship

MEMBERS of the Montevallo Methodist Junior Fellowship with one of their leaders are, front row, left to right, Lucille Lovelady, Judy Anderson, Margie Scott, Billy Scott, Robert Walters; second row, Tommy Wyatt, Peggy Whaley, Susan Lovelady, Lynn Meyer, Susan Whaley, Martha Price; third row, Paul Bailey, George Will Morgan, Mrs. W. E. Lovelady, Jr., Joe Meyer, Stanley Bailey, Linda Cunningham, Eddie Lovelady and Jimmie Birdsong.

The Junior Fellowship of the Montevallo Methodist Church, organized this month under the direction of Mrs. Joe Meyer and Mrs. W. E. Lovelady, Jr., has created much interest among the junior group. The Fellowship is composed of boys and girls of 9, 10 and 11 years of age, and meets at 6:30 every Sunday night at the church for recreation, Bible study and a program.

The group has been studying Palestine during the time that Jesus lived, dressing in costumes of that period.

Girls Organize The Star Lighters Club

The Star Lighters Club of Montevallo met for the first time on Saturday, September 13, at 2 p.m. The newly elected officers are: Elaine Fisher, president; Janice Waters, secretary; Pat Hooker, treasurer; and Janice Jones, reporter.

Other members include Phyllis Kyser, Judy Chambers, Doris Jones, Charlotte Higgins and Marjorie Thiemonge.

The colors of the club are baby blue and white. The club song is "Little Star". The motto has not yet been adopted. The dues are 20 cents a week, plus an extra nickel for every meeting missed.

The aim of the club is to raise money for different projects. Part of the money will be sent or given to charity.

One project was carried out on September 20. The club took money out of the treasury and bought crepe paper to decorate the football field for the game that night. Then they went to the field and spent the afternoon decorating the goal posts and bleachers.

The club will hold a car wash on Saturday, Sept. 20. The charge will be $1 a car. If you are interested, please get in touch with one of the members.

JUDY NORDAN HAS BIRTHDAY PARTY

Seven second-graders helped Judy Nordan celebrate her seventh birthday Saturday evening with a supper party. After several games the honoree had the pleasure of opening many lovely gifts. The supper table was centered with a white and pink birthday cake decorated with a doll and pink candles.

Little ladies attending were Jan Birdsong, Cecile Dennis, Mary Hundley Harper, Peggy Nix, Adelle Simpson, and Susan McGlown. Judy's brother, Clay, assisted with the games and joined the group for supper.

MONTEVALLO BPW CLUB

The Montevallo Business and Professional Women's Club held its first meeting of the year with a covered dish dinner at the Forbes house. There were 20 members present and several guests who are prospective members.

The Business meeting was conducted by Mrs. Willie Lee Galloway, President of the Club, and the program leader was Miss Lelah Brownfield. She introduced the guest speaker, Mr. John Eddings, of Birmingham.

Mr. Eddings, an investment broker with Merrill Lynch, Pierce, Fenner and Smith, was accompanied to Montevallo by his wife. He gave a very informative and interesting talk on the operation of the Stock Exchange and the methods of handling investments.

Mr. Eddings will be remembered as a former Montevallo High School student and the son of Mrs. Veasy of Twin Oaks.

ALABAMA POWER COMPANY PAYS KILOWATT-HOUR TAX

Alabama Power Company today paid the State Department of Revenue its 1958 kilowatt-hour tax amounting to $610,693. Of this amount it is estimated that $85,985 will go to institutions of higher learning; $460,524 to elementary and high schools; $64,184 to other educational services.

Allocation by counties indicates that 37 will receive more than $5,000. Shelby County is in this group.

Alabama Power Company's total tax bill for 1958, including federal taxes will approximate $22,600,000, of which an estimated $2,150,000 will go to schools and other educational activities.

Funeral Services For Mr. Charles Warren

Charles Warren, 74, of Lake Warren, Siluria, died last week at his home. He was a resident of Birmingham before moving to Siluria seven years ago.

Mr. Warren was a member of Boyles Methodist Church and a Mason. He is survived by his wife, Mrs. Lillian Parrish Warren; a daughter, Mrs. James A. Parsons of Birmingham; two sons, Charles E. Warren of Birmingham and Thomas G. Warren of Miami; a brother, W. W. Warren of Center Point; four grandchildren and a great-grandchild.

CALERA CIVITAN CLUB

The Calera Civitan Club met Tuesday night at 7:30 at the Calera Cafe. The invocation was given by Rev. Hearin, pastor of the Calera Methodist Church.

Guests were Rev. Hearin, Rep. Elect C. P. Walker, Bill Varden, and James T. Merwin, assistant director of the Alabama Employment Service, who was the guest speaker. He spoke on "Employment of the Physically Handicapped".

A Boy Scout Court of Honor will be held Sunday night at 7:30 at the Calera Baptist Church.

Vice President C. E. Tidwell acted as president in the absence of President Carlos Warren. Mr. Warren is the proud papa of a baby girl. We hope Mrs. Warren and the baby, along with Carlos, are doing fine.

Ladies Night will be held Oct. 14 at 7:30 at the City Hall.

PROOF THAT IT WASN'T just a fish tale. Don't know how many they let get away, but this shows the 57 King Mackerel that weighed 231 lbs. They were caught by A. V. Parmer, Burman Cadle, and George Glass, of Calera, at Panama City, Fla., the week end of September 20.

BEAUTY QUEENS GOLF ON THE GULF

PENSACOLA BEACH, Fla. – Mildred Nelson of Troy, left, "Miss Northwest Florida" takes time out during her vacation for a round of golf here with Darvene Crain, of Milton, Fla., runner-up in the contest at the recent Billy Bowlegs Festival at Fort Walton Beach. The girls are playing on the new Par-3 course overlooking the Gulf of Mexico at this island resort.

ON TRIP TO ALASKA — Willie Crawford and Sid Bird, with the Yukon Indians. The Indians had been in the mountains three months and had killed a moose and were bringing it out on pack saddles or with Husky Dogs. Every dog had a load. They gave Mr. Crawford one of the little dogs, but he couldn't bring it back with him.

Three Calera Men Travel To Alaska

On August 20, 1958, Sid Bird, W. H. Crawford and J. C. Rowe left Calera, for Destination Alaska. They traveled in a 1957 Chevrolet station wagon with enough provisions and sleeping bags to spend at least part of the nights camping out. However, the "camping out" at night did not last long after they reached such altitude and latitude that the temperature was too low for comfort.

Their first places of scenic beauty were reached the third, fourth and fifth days of the trip—being "Bad Lands" of South Dakota, Mt. Rushmore, and Yellowstone National Park, respectively. About 2:30 o'clock of the sixth day they reached the Canadian border. They traveled on good pavement until they left Edmonton, Alberta, where they found several miles of really rough and dusty roads.

On August 27, they left Mile Zero Hotel in Dawson Creek, B. C., which is the beginning of the Alcan Highway, length 1,526 miles, of which there are 1,191 miles of unpaved road. Three days later, and well covered with dust, they arrived in Fairbanks, Alaska. After spending one night, part of a day and lots of money in Fairbanks, they headed for Anchorage. They didn't stay long in one place because (they admit) they were looking for cheaper prices in food and lodging which they never found anywhere in Alaska.

Anchorage appeared, to them, to be a well-kept city and with plenty of airplanes to fly people to the more remote places of the country. Hunting and fishing trips are made by plane. As they could not obtain hunting licenses or duck stamps on Sunday or the following Monday (being Labor Day) they began their journey back home.

As they left Alaska, it was with a sigh, because they had had experiences and viewed sights far beyond any of the thrill and beauty ever experienced before, They were privileged to eat some wild game such as black bear and moose. Such wild game as moose and mountain sheep were along the highways for tourists to see. Even though they visited an Indian village and played with tamed timber wolves and their huskies, they decided against staying long enough to make close friends with such natives.

Two of the highlights of their return home were visits to Grand Coulee Dam on the Columbia River and Pike's Peak, just out of Colorado Springs. Twenty-three days from the time they left they arrived back in Calera, having traveled 10,475 miles. They saw lots of beautiful country, but the home town of Calera looked good, too, to the tired travelers.

Veterans Service Officer To Retire October 1

E. J. Sullivan, for seven years veterans service officer for Shelby County, will retire Oct. 1.

Sullivan has been a teacher for 32 years, part of which time he taught in Shelby County, and his wife is teaching in the Columbiana Elementary School.

Solly H. Perkins, commander of the local post of the American Legion and for the past two years an officer on the Columbiana police force, has been appointed in the position vacated by Sullivan.

Alabama is served by 10 Class I and 12 Class II railroads with a total rail mileage of 5,316.

Alabama has 24,000 miles of paved highways. All main highways are flanked with public picnic tables.

CONVENIENCE and ECONOMY

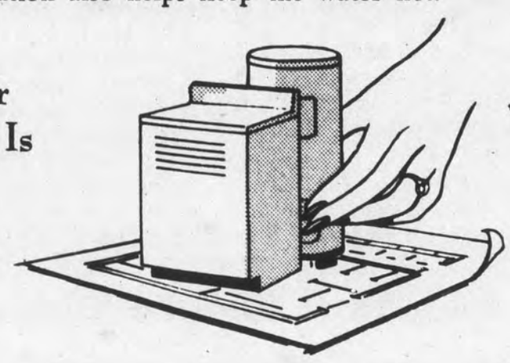

You Can Put An *Electric* Water Heater *Anywhere*

Two of the most outstanding advantages of ELECTRIC water heaters are their *convenience and economy*. Because they require no vent or chimney, and heating elements are unexposed, they are safe to put wherever desired.

The cost is moderate because *no electricity is wasted*. It comes on only when hot water is used and more cold water flows into the tank—or when you don't use hot water for long periods of time and it gradually cools. Ample tank insulation also helps keep the water hot.

The Only Water Heater You Can Put Anywhere Is *Electric*

Counter-top models fit in with kitchen counters and also are ideal for laundries. Square or round tall types can be installed in closets, pantries or alcoves. Seldom, if ever, will you be out of hot water with a new high capacity, quick-recovery, automatic *electric* water heater!

When building a new home, or when replacing an old, out-of-date water heater, specify an

Miss Ethel Harris Is Honored at State Fair on Teachers Day

On Monday of this week Miss Ethel Harris, science teacher at Montevallo High School, was among those honored at Teachers Day at the Alabama State Fair in Birmingham. Science teachers were given special recognition on that day as a feature of this year's fair, which has science as its theme. One representative from each county and city system in the state took part in the festivities. Miss Harris, who has taught science for nine years at Montevallo High School, was Shelby County's representative.

Known throughout the state for her outstanding work as a science instructor, Miss Harris has recently taken part in two summer science institutes, one at Oak Ridge, Tennessee, and one at Alabama College. Always striving to keep abreast of the latest information and techniques in her field, she audited the biology class at Alabama College this summer after attending a workshop at Auburn for teachers using TV as a method of instruction.

Students who have studied science under Miss Harris have captured many awards in various science fairs in past years. Last year five took prizes at the North-Central Alabama Science Fair in Birmingham in April.

This week eight of Miss Harris' students displayed projects in the Special Science Achievement section at the state fair and five came away with awards. Winners in the Graduate Division were Phyllis Holcombe, Sara Jeter, and Ann Birchfield. Phyllis won first prize and $25 for her project entitled "Cancer Induction by a Virus;" Sara's study of sound effects of wood in the xylophone was a second place winner; and Ann Birchfield took third place with a study entitled "Nutrition as a factor in dental decay."

Other winners at the State Fair were Jimmy Baine who took first place in Division 2 (Bacteriology, botany, and virology) with his project "The effect of tobacco on a living plant—philodendrum cordatum;" and Herman Peters who took third prize in the same division in zoology with "The Feeding Habits of Birds."

Miss Harris spent Monday at the fair as special guest of the Alabama State Fair Authority. Her day included ribbon cutting and formal opening of the fair, lunch, special escorted tours of the fair exhibits, and dinner as guest of the Birmingham Classroom Teachers Association. She was also awarded a "Service to Alabama Youth" medallion, and was given a front row seat for the State Fair Revue of 1958 in front of the Grandstand.

Miss Ethel Harris and students (left to right) Herman Peters and Jimmy Baine discuss plans for Fair exhibits. Herman and Jimmy won awards with projects they exhibited this week.

REPORT ON CANCER DRIVE

Total amount received on the Cancer Drive in Shelby County is $1,499.49. Of this total, $503.22 was collected in Montevallo.

Kyle McClure, chairman of the Montevallo Cancer Drive, wishes to thank the people of Montevallo for giving so generously to this worthy cause.

Popular Calera Teacher Retires

MISS LORRAINE McLAUGHLIN

Miss Lorraine McLaughlin, popular teacher of Calera, retired at the close of the 1957-58 school session. Miss McLaughlin had devoted more than 40 years of her life to teaching boys and girls of Shelby and Bibb Counties. For the past 14 years, she taught in the elementary school of Calera. During this time, by her charming personality, ability, devotion to duty, and power to inspire, she endeared herself to pupils, parents, faculty members, and citizens of the community. Like the worthy woman so graphically described by Solomon in Proverbs, "Her price is above rubies and many have risen up to call her blessed."

As a token of love and esteem, upon retiring Miss McLaughlin was presented with a gift certificate with which to buy crystal for her home by faculty members of Calera School.

Miss McLaughlin resides in her own cottage on Dogwood Lane, Cahaba Heights, near Birmingham, where she is pleasantly busy in church, civic, and social affairs of her community, and at home to her many friends.

MONTEVALLO P.T.A.

"An Appraisal of Our School Curriculum" will be the topic under discussion as the Montevallo Parent-Teacher Association holds its second meeting next Monday night, October 6, at 7:30 in the high school auditorium.

Mr. Guy Milford, principal of the high school, will be in charge of the program.

CALERA P.T.A.

The Calera P.T.A. will meet on Thursday night at 7:30. Everyone is urged to come.

Formal Inauguration of Dr. Howard M. Phillips To Be Held on October 14

Dr. Howard Mitchell Phillips will be inaugurated as the eighth president of Alabama College during day-long inaugural ceremonies to be held on the Montevallo campus Tuesday, October 14.

A biologist with an international reputation, Dr. Phillips assumed the presidency of Alabama College in September, 1957.

Alabama College has traditionally inaugurated its presidents at the beginning of their second year in office.

Registration of inaugural delegates and official guests will start at 8:00 a.m. in Reynolds Hall and will continue throughout the day.

Highlight of the morning events will be a symposium on the "Implications of the Atomic and Space Age for the Next Half Century". Symposium participants will incude two nationally known scientists from the areas of nuclear energy and space travel, and two prominent social scientists. The symposium is scheduled for 10:00 a.m. in Palmer Hall auditorium.

An informal luncheon for delegates and guests will be held at 12:30 in the College dining room.

The academic procession, immediately preceding the inaugural ceremonies will start at 2:15 p.m. from Reynolds Hall and will proceed to Palmer Hall auditorium. The actual inaugural ceremonies will begin at 2:30 p.m.

A reception in the foyer of Main Dormitory will immediately follow the inaugural ceremonies.

Prior to assuming the presidency of Alabama College, Dr. Phillips served as Dean of Graduate School at Emory University in Atlanta, Georgia.

During the past year, he has been a frequent speaker on educational and scientific topics throughout Alabama.

Dr. Phillips is chairman of several committees of the National Research Council, a member of the American Association for the Advancement of Science, a member of the American Institute of Biological Sciences, and has served as chairman of more than thirty scientific committees and conferences. He was recently appointed chairman of the Alabama Committee on Nuclear Energy Studies.

He holds degrees from Wake Forest College and the University of Virginia. He is a member of Phi Beta Kappa, Sigma Xi, Omicron Delta Kappa, Pi Kappa Alpha, Alpha Phi Omega, and Rotary International.

Dr. Phillips succeeded Dr. F. Edward Lund as President of Alabama College. Dr. Lund is now President of Kenyon College, Gambier, Ohio.

Enon Baptist Church To Burn Mortgage

Enon Baptist Church will hold special services Sunday morning, October 4, at eleven o'clock, for the purpose of burning the mortgage. The Reverend L. W. Stamps, former pastor, will bring the message.

This event also marks the first anniversary of the present pastor, the Reverend J. Paul Banks.

Montevallo townspeople entertained the Montevallo High School football team and their coaches and managers with a steak dinner at Luke's Barbecue and Townhouse Restaurant last Thursday evening. Luke served the men a delicious steak with all the trimmings. He was assisted by "Mrs. Luke" and his waitresses.

BEULAH ASKINS
Editor, "The Blue Streak"

Staff Named For Calera High Paper

Beulah Askins, a 17-year-old senior at Calera High School, has been elected editor of the school paper, "The Blue Streak," for 1958-59. She is the daughter of Mr. and Mrs. W. R. Askins.

Other members of the "Blue Streak" staff are: assistant editor, Mary Charles Killingsworth; sports editor, Walter Ingram; assistant, Eddie Mae Martin; news editors, Norma Henson and Beverly Dewitte; business managers, June Anthony and Anne Ingram; artist, Barbara Glass; exchange editor, Sandra Baer; society editors, Dian Hill and David Thomas.

F.F.A. MEMBERS ATTEND FAIR

The F.F.A. members attended the fair this week in Birmingham and observed the agricultural and industrial exhibits. This is the eleventh consecutive year that the Montevallo chapter has visited the State Fair on School Day.

Horsepower was much safer when only the horses had it.

The compact Rambler, which set an all-time sales record in 1958, features new styling and engineering changes designed to further increase economy of operation and durability for 1959. The new 6-cylinder and V-8 models go on sale at Rambler dealerships across the country on October 8. Shown is the 1959 Rambler Cross Country. This distinctive four-door station wagon is the most popular model in the Rambler line. It will be on display at Bowdon Pontiac, Calera.

Westinghouse Plant To Operate on 6-Day Week

In contrast to the general recession in business, the Montevallo Westinghouse Welding Electrode plant will operate six days a week, beginning the first of October.

A great part of the credit for this high work load can be attributed to the development of new electrodes at the Montevallo plant which have received very favorable acceptance in the industry.

The six-day work week will mean more money for the employes and a stimulation of business over the community.

CARD OF THANKS

We want to express our appreciation to our friends and neighbors for the beautiful flowers, food and prayers during the illness and death of our father, Mr. G. S. Tate. We especially thank Mrs. Ruth Rogers, Mrs. Louise Beane, Mrs. Ralph Collum, Mrs. Milton Smith, Mrs. Doyle Smith and Mrs. Edgar Ellison for serving food and for other work in the home.—The G. S. Tate Family.

Homeroom Teachers And Mothers Meet

Junior High School homeroom teachers and room mothers held an informal "get-together" last Thursday afternoon at four o'clock at the home of Mrs. Philip Kyser. Purpose of the meeting was to acquaint the room mothers with their various duties and obligations and to see if there were any special projects or plans which should be made for the coming year.

It was decided during the meeting that each hoomroom would try to have a meeting of mothers during the school year if possible.

Mrs. C. H. Robinson, general chairman of the Room Representatives committee of the PTA was also present at the meeting.

A man, applying for a job, wrote on his application that he left his last job because of illness.

"What, exactly, do you mean by illness?" asked the manager.

After some hemming and hawing, the applicant explained: "I got sick of the boss, and he got sick of me."

Adult Class Promotes Sportsman Club

The adult evening class of the Montevallo vocational agriculture department continues to attract a large group of farmers and sportsmen because of the interest being shown in conservation and game and wildlife management.

The meeting is held each Tuesday evening in the vocational agriculture building and M. Thornton, teacher of vocational agriculture, is leader of the group. With a portion of the membership having formed a tentative organization which it is hoped will develop into a West Shelby County Sportsmen's Club, much time and study is being given to getting the latest information on forest, game, and wildlife management. Working with the group are the following:

John Raeburn, woodland manager, Harold Dickson, assistant woodland manager, Burt Carlson, staff forester, Coosa River Newsprint Co., Sylacauga; H. B. Starks, district forester, Montevallo; Jack Crouch, assistant district forester, Centreville; J. T. McMillan, pulpwood dealer, Centreville; Charles Stuckey, county forester, Columbiana; John Owens, wildlife technician, Oak Mountain State Park; Francis Leuth, game biologist, Centreville; Ed Lightsey, conservation officer, Columbiana; Mr. Nicks, Coosa County Game Preserve, Goodwater.

Elected as tentative officers of the group are Ed Davjston, chairman; Pat Terrell, secretary; E. C. Simpson, treasurer. It is expected that a permanent set of officers will be elected if and when the sportsmen's organization is completely organized. If present plans materialize, it is possible that one or more areas of 20,000 acres might be placed in a program of game preserve and sanctuary. Interested persons are invited to attend the Tuesday evening meetings.

Montevallo merchants have shown interest in the evening discussions by contributing door prizes to some members of the group.

WILLIAM R. GRIFFIN

Rotary Governor Visits Local Club

The Rotary Club of Montevallo will be host to Wm. R. Griffin, governor of the 686th district of Rotary International, who is making his annual official visit to each of the 29 Rotary clubs in the northern half of Alabama. He will address the local club on Oct. 2 and confer with President Felix Lewis, Secretary S. M. Mahan and committee chairmen on Rotary administration and service activities.

Mr. Griffin is a member of the Cullman Rotary Club and was its charter president in 1937. He is serving as president of the Cullman City Council and as president of the Cullman-Jefferson Counties Gas District. He has retired from the motion picture business after 30 years of active ownership of theatres in Cullman, and was president of the Alabama Theatre Owners Association for eight years.

Mr. Griffin was voted Man of the Year by the Chamber of Commerce in 1957. He is a past president of the Chamber of Commerce. He was elected as a district governor of Rotary International for the 1958-59 fiscal year at Rotary's 49th annual convention in Dallas, Texas, last June. He is one of 258 district governors supervising the activities of more than 9,800 Rotary clubs which have a membership of 462,500 business and professional executives in 110 countries and geographical regions throughout the world.

Civil Defense Official Speaks To P.T.A. Council

"In case of war, survival depends on national, state and local civil defense organizations", said Captain Drake, Reserve Fireman over Civil Defense in the Birmingham Area as he spoke to members of the Shelby County P.T.A. Council Tuesday night, Sept. 23. Captain Drake was introduced by Mrs. Lillian Lacey, of Siluria, the PTA Council Civil Defense charman.

Captain Drake told the group that in case of any large scale disaster in Shelby County such as storm, fire, etc., to call the Fire Department in Birmingham. They will send out equipment to help their neighboring counties. In turn, they want all communities in Shelby County to be organized to take care of the sick and other people who will need shelter in case Birmingham is hit by a bomb.

A picture, "The Day Called X," was shown. This depicted the civil defense organization in Portland, Oregon.

The President of the Council, Mrs. Paul Stark of Helena, presided over the meeting. Elvin Hill, Superintendent of Shelby County Schools, spoke on the great work that could be done for the schools in the county if all local units of the PTA would work as a group in the council organization.

Fifty members from the following local PTA units attended the meeting at the Helena School: Calera, Camp Branch, Columbiana, Helena, Montevallo, New Hope, Pelham, Shelby, Thompson.

Dr. Lund To Be Installed As Kenyon President

Gambier, Ohio, Sept. 30 — Delegates from 65 colleges and universities are expected at Kenyon on Saturday, October 4, when Franze Edward Lund is installed as president of the 135-year-old college. Mr. Lund will make the inaugural address and will confer honorary degrees on five distinguished Kenyon alumni and on the Bishop Coadjutor-elect in the Episcopal Diocese of Southern Ohio.

Mr. Lund took office at Kenyon in October 1957, succeeding the late Gordon Keith Chalmers. He was born in China and educated at Trinity College, University of Toronto; Washington and Lee; the University of Wisconsin; and Yale. He holds an honorary Doctor of Laws degree from Birmingham-Southern and before coming to Kenyon was president of Alabama College at Montevallo.

VINCENT FFA'er BELIEVES IN WELDING SAFETY

James Green, FFA'er of Vincent, stresses the importance of welding safety in the Youngfolks section of The Progressive Farmer's October issue. He says "Minimum safety equipment for welding consists of gloves, helmet, chipping hammers, and apron."

In the same article, Vo-Ag teacher R. H. Holston advises him to check amp reading at 100 in order to run a proper bead. Mr. Holston says "A setting of over 100 amps may cause burning of the metal, and a setting of under 100 amps will not permit you to run a proper bead."

Bible Lectures at Church of Christ

A series of Bible lectures will begin at the Montevallo Church of Christ Thursday evening, and will be given each Thursday evening thereafter, from 7 to 8 o'clock.

The speaker will be Mr. Kenneth Reed, Instructor in Bible, University of Alabama.

Mr. Reed has just returned from a two months tour of Bible Lands. He traveled 16,000 miles by air and visited the countries of Egypt, Jordan, Israel, Greece and Europe. These lectures will be illustrated with approximately 350 color slides and 800 feet of movie film taken on this trip. These pictures were taken both from the air and the ground.

Mr. Reed stated that it will be his purpose in these lectures to help each person in the audience to feel this land as well as to see it. He will try to make the Bible become real.

A few points of interest will include the Pyramids in Egypt, the Nile River and Valley, Mount Sinai, Mount Nebo where Moses viewed the Promise Land, the Jordan River, Dead Sea, Sea of Gallilee, the City of Jerusalem and its environment, Mars Hill in Athens, and the Coliseum in Rome. These are only a few of the places to be studied as we rehearse in our imagination the events of long ago that transpired in this land called Holy because of its association with sacred persons and things.

Mr. Reed has been a student of Bible Lands for many years and in preparation for this trip took a graduate course in Bible Geography. He and his party were in Jordan during the time American troops landed in Lebanon. They left the country of Jordan the same day the British troops landed in Amman. His party was the last group permitted to enter the country of Jordan, however, they were able to complete their entire itinerary without any interruption. The public is cordially invited.

MONTEVALLO CHAMBER OF COMMERCE

The members of Montevallo Chamber of Commerce look forward to the regular meeting at City Hall on Thursday, Oct. 9, at 7:30, because the group will have an opportunity to hear Robert Hall, president of the Birmingham Chamber of Commerce, outline something of the great program of the Birmingham C. of C. and some of the potentials of this area. James F. Whaley, president of the Montevallo chamber, is extending an invitation to representatives of all business firms and other organizations to attend this special meeting.

It is expected that by October 9, President Whaley will report on the progress of some of the program activities and projects of the chamber this year.

CUB SCOUT PACK MEETING

The first Cub Scout Pack Meeting of the year will be held Friday night at 7:30 at the Jeter Building. All Cub Scouts and their parents are urged to attend by Cubmaster George Nix.

The meeting will feature a roundup of the year and new Cub Scouts and their parents will be introduced.

What Will The 1959 Cars Look Like?

FROM NOW UNTIL NOVEMBER, all America will be engaged in our favorite fall guessing game — "What will the new cars look like?" Automobile manufacturers guard the secrecy of their new models with tightest security measures. Automotive sources, however, confirm one definite trend for many of the new cars — a thicker plating of nickel under the chromium bright work has been specified. This makes possible a more brilliant finish, better protection against nicks and scratches and against the corrosive conditions automotive parts are subjected to. Of course, no customer can "see" a thicker plating of nickel. Nevertheless, many automobile manufacturers are confident that customers will be pleased with trim that stays show room bright much longer.

FIRST TIME IN EIGHT YEARS—

Montevallo's Bulldogs Defeat Clanton

By S. DeMent

Twenty-five brightly uniformed Bulldogs with a real desire to play football, three coaches who put their hearts in their work, and approximately 400 loyal fans who were on their feet in ovation throughout most of the game, brought home a 19-7 victory last Friday night as Montevallo defeated Clanton for the first time in eight years.

It took the Bulldogs one quarter to break the ice; but once they got moving, they scored one touchdown in each of the second, third, and fourth quarters. Montevallo coaches were high in praise of the entire line-up for this team victory, which saw the Bulldogs playing a ground game most of the way. Except for one pass, good for 19 yards from Ronald Smitherman to Curtis Jarvis, all of the Bulldogs' scoring yardage came on the ground.

The highly touted Clanton offense was stopped cold as the Tigers bumped up against a Bulldog line that denied them admission into Montevallo territory except one time the entire night. This lone crossing of the 50 came in the closing moments of the game on a pass play that travelled 23 yards in the air and saw Clay Carroll legging it 48 yards for Clanton's score.

Marching from their own 30 to Clanton's two, the Bulldogs set up their first touchdown. Good running by Donnie Davis, Ruben Hayes, and Smitherman advanced Montevallo to the two where Clanton took over on downs. However, one play later the Bulldogs regained possession, as a hard-hitting Bulldog line jarred the Tigers loose from the pigskin, and Larry Joe Pickett gobbled it up for Montevallo on the three. From there Smitherman went over. Smitherman also ran the extra point.

Halftime found Montevallo camping on the Tigers' doorstep a second time, only three yards away from the door when the whistle blew.

After an exchange of punts in the third quarter, the Tigers found themselves in a kicking situation again on their own 32. Smitherman fielded the kick on Montevallo's 35; every Bulldog got his man; and with Jarvis removing the last possible obstacle, the fleet-footed halfback found the door wide open as he went all the way. An attempted pass for the extra point fell short.

In the fourth quarter Montevallo began a final touchdown drive from the opponent's 40. Davis picked up three, Smitherman four, and Barclay Fisher, who turned in a fine quarterbacking job for the night, got the first down on the 30. From there alternate drives by Davis, Hayes and Smitherman placed the ball on the nine. Hayes made the final push for the 19-7 victory.

But all that was last Friday night. This week the Bulldogs have a new assignment—one that should prove plenty tough, a homecoming date with the Panthers at Jemison. The Panther goal line has not been crossed this year. In their opening game the Panthers beat Verbena 13-0, and last week they blanked Calera 20-0.

Thompson Named Candidate For Revenue Board

The June Democratic primary did not settle the political contest for Member of the Shelby County Board of Revenue and Control in the Fourth District.

The Democratic primary nominee, Henry P. Strickland, died a few weeks ago. To fill the vacancy on the Democratic ticket in November, the County Executive Committee met last Friday and named incumbent John H. Thompson as the candidate. Mr. Thompson has been a member of the Board for 12 years. He was the defeated candidate in the June primary.

Adam Wyatt, of Harpersville is the Republican candidate, and is now making an active campaign.

Mr. Thompson also is back in the race with renewed effort to retain his place on the Board.

Indications are that this will be a spirited race right up to the finish line in November.

Official Proclamation of Business Women's Week

I, W. M. Wyatt, Mayor of Montevallo, Alabama, do hereby proclaim October 5, 1958, through October 11, 1958, to be National Business Women's Week.

This annual week, sponsored throughout the United States by the National Federation of Business and Professional Women's Clubs, Inc., is set aside to pay tribute to women in business and the professions, and the contribution they make to the nation. The theme of 1958 "National Business Women's Week" is "More Power with Womanpower".

Calera F.H.A. President

Calera F. H. A. Chapter Has Party

The executive council of the Future Homemakers of America at Calera High School entertained prospective members with a "Get Acquainted With F.H.A." party in their high school homemaking department on Sept. 24. Alethea Boggess has been elected president of the group.

The F.H.A. at Calera High School has a very active program planned around their theme for the year, "Better Homes Today—A Better World Tomorrow." Program plans have been worked out to promote better family living; to help members understand the opportunities open to them in the field of home economics; to understand our neighbors both at home and abroad, and to provide training for each chapter member for participation in home, school and community activities.

The other executive council officers are Mary Ellen Barefield, vice president; Mary Charles Killingsworth, secretary; Linda Lee, treasurer; Norma Henson, reporter; June Anthony, recreation leader; Julia Frost, historian; and Blair Mabry, parliamentarian.

Mrs. Avaline P. Childers is chapter adviser and homemaking teacher. Mr. E. Marvin Smith is principal of the school.

MONTEVALLO STUDY CLUB DINNER MEETING

The Montevallo Study Club met September 23, at 7 p.m., in the home of Mrs. F. M. Morgan.

The officers of the Club—Mrs. F. M. Morgan, president; Mrs. T. E. Watson, vice president; Mrs. R. W. Sears, secretary; Mrs. N. E. Phillips, treasurer; Mrs. A. C. Anderson, parliamentarian and historian—entertained the members with a buffet supper.

The program for the evening was a discussion on parliamentary procedure.

Plans were made to celebrate the club's twenty - fifth anniversary. This meeting will be at Reynolds Hall on October 28.

Jemison Defeats Calera by 20-0

The Calera Eagles lost to Jemison for the first time in five years.

The Eagles, having an inexperienced line, were unable to hold the Jemison Panthers. A score of 13-0 was accomplished by Jemison in the first half. In the fourth quarter another seven points was scored by the Panthers, bringing the score to 20-0.

During the third quarter there was a surge of hustle, but all in yain, as interceptions, fumbles, penalties, and not too good blocking plagued the Eagles.

Jemison threw only three passes during the game.

The Eagles will not face a team this year as inexperienced, small, and shorthanded as they. This calls for out-hustling the opponent from beginning to end and cashing in on all breaks and opportunities that come their way. This is something they have been slack on all year.

The Calera Eagles meet Verbena Friday night, Oct. 2, at Verbena.

Some women can cook up more over a telephone than over a stove.

PRESIDENT'S FAMILY—The Phillips family enjoy many activities together. Dr. Phillips finds time in his busy schedule as president of Alabama College to enjoy these occasions. Phillips Family Enjoys Many Activities Together Despite Busy Schedules

When Dr. Howard M. Phillips is inaugurated as eighth president of Alabama College on October 14, it will be another "family affair" for the Phillips'.

Dr. and Mrs Phillips and their two sons, Howard Junior, 15, and Bobby, 13, enjoy doing things together. In spite of the busy schedule that goes with being a college president, Dr. Phillips finds time to be with his family.

The family attends the Montevallo Methodist Church. Occasionally they get out to play golf, but according to Mrs. Phillips, these outings are rare.

"Dr. Phillips' work and the boys' school work makes it difficult for us all to get together for sports at one time", she said.

But the president does take time frequently for a game of "catch" on the front lawn of their home. The catch game involves a football or baseball, depending on which is in season.

Pete, the family dog, also enters into the games whenever possible. He also shows up at social affairs. "When we have a party, Pete likes to stay at the front door to meet the guests. He loves people," Mrs. Phillips said.

Dr. Phillips, Howard Junior, and Bobby are all boating enthusiasts. "They hope to have more time for things of that nature during the coming year," Mrs. Phillips said.

The Phillips family came to Alabama College last year from Emory University in Atlanta, Ga.

"Our first year at Alabama College has been most pleasant and we have found the people most cooperative and friendly. School life is a real challenge," Mrs. Phillips said.

She too has a full schedule of activities. She is a member of a circle of the Women's Society of Christian Service of the Montevallo Methodist Church, a member of the Studiosis Club, and a member of Montevallo Study Club.

She accompanies Dr. Phillips on many of his speaking engagements throughout Alabama. "We have thoroughly enjoyed meeting so many people in the towns we have visited. We certainly hope to meet many more in the coming year," she said.

FORMER BULLDOGS TO SEE HOMECOMING FREE

All former football players of Montevallo High School teams are invited to be guests of the school for the homecoming game with Shelby County High on October 17.

It will be necessary for those who wish to take advantage of this invitation to come by the high school to register and to pick up tickets before the day of the game. — Guy Milford, Principal.

CHICKEN DINNER—Montevallo High School cheerleaders and majorettes were entertained with a chicken dinner last Thursday evening by Luke at his Barbecue and Town House Restaurant. Luke says that the girls work as hard as the football players, and he felt that they deserve a "feed" also.

ROBERT F. MILLER
Assistant U. S. Attorney

R. F. Miller Named Asst. U S Attorney

Robert F. Miller, son of Mrs. R. F. Miller and the late Mr. Miller, of Montevallo, was appointed an assistant United States attorney in Birmingham Monday. U. S. Atty. W. L. Longshore announced the appointment of the new member of his staff.

Miller, a native of Montevallo, had a Navy career well under way when he decided to become a lawyer. A tall man of 50, he received his A.B. degree at Howard College. But he went to four law schools for his law degree.

Starting at the University of New Mexico "as an experiment," he wanted to make sure that he wanted to be a lawyer. From there he transferred to the University of Alabama Law School, but finding that it didn't have courses in legal accounting and admiralty law, two subjects Miller wanted to study, he then went to the University of Denver for accounting law and George Washington University for admiralty law. The last 12 months of study was done back at the University of Alabama where he got his degree in January, 1957.

Miller's active Navy career began in 1942 and continued until 1953, when he decided to study law. He is now a commander in the Naval Reserve. Since finishing law school he has served as law clerk to U. S. Fifth Circuit Court of Appeals Judge Richard T. Rives in Montgomery and has been law clerk for State Supreme Court Justice Davis F. Stakely.

Miller's wife, Carol, also is a lawyer. She served as clerk to Judge Aubrey M. Cates, Jr., of the State Court of Appeals.

The new assistant United States attorney and his wife are living in Birmingham at 1028 26th St., S.

Phillips' Inauguration To Be Held Tuesday

Delegates from 175 colleges and universities are expected to attend day-long inaugural ceremonies next Tuesday when Dr. Howard Mitchell Phillips will be inaugurated as the eighth president of Alabama College.

The actual inaugural program will start at 2:15 in the afternoon with the traditional academic procession from Reynolds Hall to Palmer Hall auditorium.

Nelson Fuller, Centreville, chairman of the executive committee of the college's board of trustees, will preside at the ceremonies scheduled to commence at 2:30 in the auditorium of Palmer Hall.

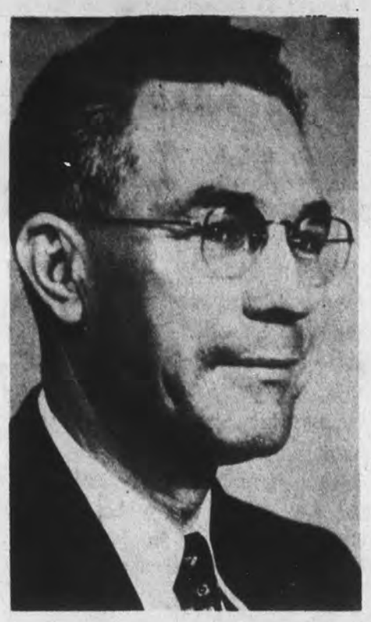

Inaugural music will be presented by the Alabama College choir under the direction of Bruce Tolbert, associate professor of music.

Greetings will be brought to President Phillips on behalf of the board of trustees by Mrs. James Fitts Hill, Montgomery; the Alabama College faculty by Dr. M. L. Orr, dean of the college; the student body by Neal Shirley, president of the Student Government Association; the Alumni Association by Mrs. R. V. Smith, Birmingham, president of the Alumni Association; the State Department of Education by Dr. Austin Meadows, State Superintendent of Education; the City of Montevallo by Mayor W. M. Wyatt; and the Official Delegates by George G. Seibels, Jr., representing the University of Virginia.

Dr. Phillips received the Ph.D. degree from the University of Virginia.

The actual investiture of Dr. Phillips as the college's eighth president will be performed by Mr. Nelson Fuller, chairman of the Board of Trustees.

The invocation will be pronounced by the Rev. James H. Chesnutt, of Montevallo Methodist Church.

NELSON FULLER

Processional and recessional music will be presented by John Fesperman, Alabama College organist.

The first event of the inaugural program will be a symposium on "The Implications of Space and Atomic Age for the Next Half Century", at 10:00 a. m. in Palmer Hall. Participants include Dr. S. E. Gerard Priestley, moderator; Dr. Louis A. Pardue, Dr. Clanton Williams, Dr. Gilford G. Quarles, and Dr. Dael Wolfle.

An invitation luncheon for delegates and guests will be held at 12:30 in the College Dining Rooms.

Inauguration committee members are Paul Bailey, Lee Barclay, Helen Newton, Mrs. Phebe Wills, Miss Iva Gibson, W. J. Kennerly, Andrew Kochman, Arthur Fraser, and Ralph Sears.

Business Women's Week Is Observed

Observing National Business Women's Week, October 6-12, the Montevallo B & PW Club held a series of events during the week for members and guests.

A reception at the home of Mrs. Willie Galloway, club president, began the week's activities.

Thursday evening a Dutch supper and theatre party will be held in Birmingham for members and their guests. Sunday, October 12, the club as a group will attend the Methodist Church 11 o'clock services.

The regular meeting will be held Monday, October 13, in Reynolds Hall at 7:30. Anyone interested in joining the club is invited to attend.

A Tribute To Dr. E. F. Sloan

Since our meeting in May, the Shelby County Medical Society has suffered an immeasurable loss in the death of one of the most valuable M. D."s ever to be a member of this Society. Indeed, the entire medical profession has suffered this loss. On June 9th, 1958, Dr. E. F. Sloan was called by his Maker to his eternal home; with performance here on earth used as a gauge to determine eternal reward, we may rest assured his reward is of the highest.

Dr. Sloan represented to us a truly great master in the practice of the art of medicine, as well as in the art of living. It was impossible to be associated with him in the medical profession without at least knowing something of the beauty of the very full development of his entire personality. His great love for, and his great faith in his fellow man permeated and shone through his every word, expression, and deed. These fine qualities apparently were the basis from which he was able to build a completely successful life.

As a physician, we have lost a man who represented the highest principles and ideals of the medical profession. He was eternally vigilant in aiding physicians individually and collectively in maintaining a high level of ethical conduct. His high ideals and sense of ethical behavior, his understanding of human beings, his self-discipline, his belief in following the principles of democracy, and his keen sense of humor, made his counsel and guidance sought and highly respected, not only by our society, but also by those at the state level, with its influence being felt nationally.

He prepared himself well for his chosen profession. He received his M.D. degree from Emory University, following which he practiced general medicine in both Tuscaloosa and Jefferson counties. Well over 20 years ago he became Shelby County Public Health Officer, and Shelby County has had the great fortune of his having chosen to remain here. As he stayed on. he continued to improve his own medical knowledge and skill, making the benefits of his professional attainment vaailable to his colleagues and patients and his fellow citizens.

As a member of the Shelby County Medical Society, he held every office available to a member.. We looked to him to guide us. He was always abreast of the business at hand, always alert to the needs and the course of action necessary for the medical profession. He was a member of the Shelby County Board of Censors and the Shelby County Board of Health for many years, with the added honor of serving as chairman of both. Because of the great work he had done in the field of tuberculosis, with the able assistance of his faithful wife, Mrs. Helen Sloan, he had the honor of becoming a member of the American Trudeau Society, a society of M.D.'s specializing in the care of patients suffering from tuberculosis. He was medical director of the Shelby County Tuberculosis Association. His accomplishments and honors were many.

His was a life dedicated to the service of others. His achievement in life was that of excellence and happiness. We are proud and feel honored to have had the privilege of association with him, of having known him, loved him, and felt his inspiring influence.

A vacant chair! Yes! But his wonderful spirit and our cherished memories of him will always be with us, reminding us to carry on in the manner in which we have been accustomed. Perhaps, while he was living, and that is our hope, he had some idea as to how much we would miss him.—Shelby County Medical Society, by Jean Clark, M. D., Secretary protem. (Authority delegated Sept. 9, 1958, and approved Oct. 14, 1958, by Shelby County Medical Society.)

The Boy Scouts' visit to the Saltpeter Caves was an even greater success than we expected. James Woolley, our guide, and Donald Vaughan blazed the trail from the spring, where we gathered, to the first cave. Billy Rotenberry and P. D. Pendleton caught nine bats to bring back to "educate." Yours truly caught only seven (I turned them loose under my home.) I mentioned our trip being a success because, beside having a good time, not one of us was hurt, not even a stumped toe.

The beauty of autumn colors in the turning leaves . . . the excitement of football . . . the hustle and bustle about town . . . no doubt about it, the fall season is once again under way. A busy season for you. A time when you depend more than ever on your good friend, the telephone! There's so much to be done . . . so many details to attend to. Just pick up your phone and away you whiz through a long list of "musts." Wonderful time-saver, the telephone. Gives you extra hours of leisure . . . saves you so many extra steps. You can make your telephone your "biggest bargain" in time . . . in convenience . . . and in the small cost of the service.

Speaking of fall, it also is the time of year the program chairman of the civic clubs, women's clubs, church groups, agricultural clubs, etc. suddenly realizes that the summer recess is over and that programs are in order. We can help that situation easily enough by furnishing a film to fit the group, or by giving one of our several lecture demonstrations. All for free too. Call our business office and we will be glad to make arrangements.

A WOMAN'S WORLD? You'd think so sometimes, but I've decided they keep us men in mind most of the time. Take the matter of that bedroom extension phone. We're the ones who enjoy the luxury of reaching for the phone when it rings in the dead of night. No tripping over furniture or falling downstairs to answer it. They're pretty smart, these women, to insist on extension phones where they're most needed. And—to choose them in attractive colors, too. Actually, the whole family enjoys the fun and convenience of extra phones. Maybe you'd better look into it too. Call our Business Office any time. We'll be happy to give you all the details.

Amended Social Security Benefits Are Explained

An important notice was enclosed with the social security checks delivered October 3 to the 200,000 disabled workers who are receiving monthly disability insurance benefits. This notice told them about a provision in the 1958 Amendments to the social security law under which supplementary dependent's benefits may be paid to certain members of his family.

Disability insurance benefits have been payable to severely disabled workers 50 to 65 years of age since July 1957. These disability payments are equal in amount to the monthly old-age insurance benefits the worker would receive if he were already 65 years of age, but the dependents of these workers have not until now been eligible for payments.

Under the new amendments, the disabled person's dependents will be paid the same benefits they would receive if he were 65 and drawing benefits as a retired worker. Benefits can be paid to any of his children who are under age 18 (or who have been totally disabled since before their 18th birthdays), and to his wife regardless of her age, if she has in her care children who are eligible for these dependent's benefits. If there is no child in the family eligible for benefits, the wife of a disabled person can qualify for benefits when she reaches 62.

It is estimated that about 180,000 dependents of disabled workers could start collecting benefits, beginning with a payment for the month of September 1958. Before payment can be made, however, an application must be filed by or on behalf of the eligible dependent with the nearest social security office.

Clothing Class For Homemakers

Homemakers who are interested in learning some of the new clothing construction techniques are invited to attend an organizational meeting at the Montevallo High School Home Economics department on Tuesday evening, October 14, at 7:30.

Instruction will be given in the basic construction techniques recommended by a noted authority, Mrs. Edna Bryte Bishop.

Mrs. Bishop's methods help beginners in sewing to understand how to work accurately in altering patterns, cutting to perfection and using other construction techniques that result in a garment that fits well and is becoming to the wearer.

Due to the limited number of machines that are available, only ten ladies can be enrolled in the class.

Those interested in attending may enroll by calling Mrs. Rebecca McGaughy at the Montevallo High School home economics department, Phone 5-6791.

Aviation Cadet Training

Sergeant Davidson of the local Air Force Recruiting Office will be in Birmingham on October 13th for the purpose of immediate selection of two young men from Birmingham and surrounding area for entrance into Aviation Cadet Training.

Those selected should receive class assignment within 30 days after selection.

If you have a high school diploma or higher education, single and between the ages of 19-26½, you will want to talk to Captain Newton. Those interested in a flying career in aviation can get full information by telephoning Sergeant Davidson at Fairfax 4-4951 or by calling on him at The Calder Building. Appointments can also be made at this time to see Captain Newton, the Cadet Selection Officer.

Cancer Crusade

Shelby County raised $1,139.18 toward a goal of $1,800.00 in the 1958 crusade of the American Cancer Society, Inc., according to an announcement received from Dr. Houston Cole, of Jacksonville, state crusade chairman. Total amount raised in the state was $287,635, a record amount for any crusade.

Dr. Cole expressed appreciation for the contribution the people of this county have made in the fight against cancer through the American Cancer Society's three point program of research, education and service.

He voiced particular thanks for the work of Mrs. Gary Luttrell of Columbiana as 1958 crusade chairman for this county and to all those who engaged in the campaign as leaders and workers.

Mr. and Mrs. R. E. Reid, Jr., and family have moved to Jackson, Mississippi, where Mr. Reid is employed with Sullivan Long & Hagerty on a construction job. The Reids have taken a furnished house trailer to live in there and have retained their home here.

SALVATION ARMY TRUCK

The Salvation Army Red Shield Truck will be in Montevallo on Thursday, October 16. Anyone having papers, magazines, clothes, furniture or any other discarded objects may call the Times office, MO 5-5101, and the truck will come by to pick up the material.

Mr. and Mrs. R. A. Burge, of Grove Hill, and Mrs. J. H. Rogers, of Pine Hill, spent the week end with Mr. and Mrs. J. P. Kelly.

Mr. and Mrs. Winston G. Peterson and son, Charles Winston, of Montgomery spent the week end with Mrs. Charlotte Peterson and Miss Mary Peterson.

Meadowlark Nursery School

Making the most of a beautiful fall day are the children who attend the Meadowlark Nursery School. Fingerpainting in the foreground are, left to right, Jane Watson, Laura Dodd, Phil Lawler, and Randall Sears. On the merry-go-round are Allen Brown and Greg Gentry. Swinging upside-down is Janice Seaman, and on the see-saw are Jimmie O'Neal and Kirk Lightfoot.

Parents of these children are respectively, Mr. and Mrs. T. E. Watson, Mr. and Mrs. J. P. Dodd, Mr. and Mrs. W. L. Lawler, Jr., Mr. and Mrs. Ralph Sears, Mr. and Mrs. J. A. Brown, Jr., Mr. and Mrs. Hershel Gentry, Mr. and Mrs. James Seaman, Mr. and Mrs. R. A. O'Neal, and Mr. and Mrs. Frank Lightfoot.

Director of the Meadowlark Nursery School is Mrs. Marcia Sears.

MISS ELIZABETH CHISM

Miss Chism With B'ham Girls' Club

Miss Elizabeth Chism, daughter of Mr. and Mrs. Clarence Chism, of Montevallo, is new program director of the Girls' Club of Birmingham.

Curious and interested in everything, she is a girl who can make a camera out of an oatmeal box or take a real camera apart and stick it back with tape. She brings to her new position a love of people, music, art and the out-of-doors.

Born in Boothton, she grew up in Montevallo. A tomboy and Girl Scout, she could climb trees better than anyone else. With friends she roamed the woods, and with her beloved camera lay in wait for squirrels and rabbits to pose unawares.

Betty played a clarinet in the high school band, and violin in the Alabama College orchestra. She went to North Dakota for two years of school teaching, loved the blizzards and ice-skating. But Betty is delighted to come back to Alabama and thinks working with the Girls' Club will be the most satisfying thing she's ever done.

She will teach arts and crafts and folk dancing, organize a book club, and supervise all the play periods each afternoon and three evenings a week.

Phillips To Address Shelby County Alumni

Meeting October 16 at 8:00 p.m., in Columbiana, Alabama College's Shelby County Alumni Association Chapter will have Dr. Howard M. Phillips as guest speaker.

Dr. Phillips will discuss expansion plans for the college from the standpoint of enrollment, curriculum and staff, and the impact of the rapid growth of the college on the county level, as well as the role Shelby Countians will play in aiding the college's adjustment to its expansion. His subject will be "A Ten-Year Program for Alabama College".

Because of the county-wide interest in Alabama College's growth engendered, the meeting has been made open to the public, and each citizen of Shelby County is extended an invitation to hear Dr. Phillips.

Officers of the Shelby County Chapter are Mrs. Jessie McGaughy, president; Miss Dean Ingram secretary; and Mrs. James Grant, treasurer.

Commander and Mrs. W. J. Gregg and son, Robert, from Pensacola, Fla., were week end guests of the families of Mr. and Mrs. George Kendrick, in Montevallo, and Mrs. Winnie Gregg, in Wilton.

ALABASTER SAILOR AT HOME ON LEAVE

Chief Machinists Mate, Delmer S. Miller, stationed on USS Suribachi, is on 20 days emergency leave, spending his time with his mother, Mrs. H. W. Davis, of Alabaster. Miller's ship is at Norfolk, but was on routine duty in Cuba when he received word that his step-father had passed away. The Navy flew him from Cuba to Florida. He will meet his ship October 10 at Port Everglades, Florida.

Montevallo P.T.A. Appraises Schools

"An Appraisal of Our School's Curriculum" was the topic under discussion as the Montevallo PTA met last Monday night for its second monthly meeting of the current year.

Mr. Guy Milford, principal of the high school, was in charge of the program which presented three views of the curriculum by three different speakers. Mrs. Charlotte Peterson led the program by presenting an appraisal of the elementary course of study. She was followed by Dr. John B. Walters, who presented an appraisal of the high school curriculum. He discussed the new program which allows a student to choose between a general vocational and college preparatory course of study, and praised the addition of foreign languages, Latin and French, into the high school program.

The last speaker of the evening was Mrs. W. E. Robinson, who appraised the entire curriculum of the school as seen from her viewpoint as a parent.

As a part of the program, the journalism class and club, under the direction of Mrs. Carl Edfelt, and Miss Susie DeMent, presented a demonstration of producing an issue of the "Spotlight", the school paper. James Earl Davis was commentator for the program.

The Reverend Paul Banks of the Enon Baptist Church presented the devotional for the evening.

Mrs. T. M. Dean, who has been visiting her sisters, Mrs. Ludie Gresky and Mrs. George Kendrick and family returned to her home in Chase City, Va., Tuesday.

Miss Sally Will Pattillo, from Cullman, visited Mr. and Mrs. W. P. McConaughy, Mr. William McConaughy, and Mrs. J. A. Brown, Sr., last Wednesday.

Mr. and Mrs. Ralph Banks and children, Jamie and Ralph, of Eutaw, were week end guests of Mrs. Banks' parents, Mr. and Mrs. Eugene Reynolds.

Bulldogs Jolt Jemison

Traveling by land and in the air, Montevallo passed Jemison last Friday night 15-0, scoring on two passes and a blocked punt which went for a safety. The Bulldogs cracked the rugged Panther defense, which thus far this season had failed to yield to the opposition. Previously the Panthers held Verbena and Calera scoreless.

A source of delight to the Montevallo fans was the crowd-pleasing efforts of sophomore Jimmy Eddings and freshman George Underwood, after most of the Bulldogs' second unit had gone into action in the final period. Eddings, calm as a pro, pulled in a Fisher pass which was good for 17 yards to place the ball on Jemison's eight. From there, where the going is the roughest, Underwood, in two tries, put the Bulldogs on the Panther one, where they were camping when time ran out.

In picking up this third victory against no losses, the Bulldogs scored the first time they gained possession. It all started from a blocked kick which landed on Jemison's 45. Ronald Smitherman, in three tries got 33 yards; Donnie Davis put the Bulldogs six yards closer; and Ruben Hayes moved them one more yard. Then with Southpaw Smitherman pitching and Jimmy Thrasher catching, the last ten yards were a snap. Thrasher made the catch in the end zone, and Billy Winslett thrust through for the PAT.

Curtis Jarvis's kick, following the TD, placed the ball on Jemison's 21. Eight plays and three first downs later, the Panthers had the oval on Montevallo's 48 when the first quarter ended.

Hard tackling and stubborn aggressiveness brought on a fumble by each team early in the second quarter. Montevallo's bobble almost robbed the Bulldogs of their second score, as they had moved to the Jemison one before they dropped the cookie. Only a blocked punt saved the day.

Donnie Davis, with a 6-yard average in 9 tries for the night, was personally responsible for 28 of the 43 yards the drive had covered. Jemison took the fumble, ran two plays, gambled on a pass, and wound up in a kicking situation with the ball on their own seven. A blocked punt put Montevallo back in the driver's seat; and again it was pilot Smitherman finding the Thrasher target that produced the touchdown.

Threatening a third time in the final period, the Bulldogs were jarred loose again in reach of paydirt as the Panthers claimed the fumble on their three. Montevallo picked up two more points, though, as Danny Thornton crashed through and blocked the Panthers' punt out of the end zone.

Next Friday night the Bulldogs travel to Verbena to match their three wins and one tie against the 3-1 record of the Red Devils. The Bulldogs have never won a game from the Verbena eleven.

State Reports 200 New Cases of Tuberculosis

Two hundred new cases of tuberculosis were recorded in Alabama during August. The State Health Department said today that 189 cases were reported in July.

Forty-nine counties contributed to the August total. One of the cases was, reported by Shelby County.

Some people think they have dynamic personalities because they're always exploding.

WHEREAS, the Legislature of Alabama at the Regular Session 1957, ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama which said amendment is herein set out, and ordered that the said election be held on the date of the general election next succeeding the final adjournment of the 1957 Regular Session of the Legislature; and

WHEREAS, the date of the general election next succeeding the final adjournment of the 1957 Regular Session of the Legislature will be and occur on Tuesday, November 4, 1958; and

WHEREAS, notice of such election, together with the proposed amendment is required by law and by the provisions of the act submitting the amendment, to be given by a proclamation of the Governor to be published in each county in the State of Alabama once a week for four successive weeks next preceding the day appointed for the election:

NOW, THEREFORE, I, James E. Folsom, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 4th day of November, 1958, an election will be held at the several polling places within the State of Alabama, in the manner and form provided by law upon the following proposed amendment to the Constitution of the State of Alabama of 1901:

"When authorized by a vote of a majority of the qualified electors voting at an election held for such purpose, the court of county commissioners, board of revenue, or like governing body of Montgomery County shall have power to levy and collect additional taxes for school purposes on the taxable property located in the county at a rate not to exceed fifty-five one-hundredths of one per cent of the value of the taxable property located within the county. An election to determine whether or not such taxes shall be levied and the time during which such tax is to continue shall be called, held, and conducted in the manner provided by law for calling, holding, and conducting elections to determine whether district school taxes shall be levied and collected under this Constitution. The provisions of this amendment shall not limit, modify, abridge, or impair the power, authority, or right of municipalities or school districts to levy and collect special school taxes as provided by law."

I further direct and proclaim that notice of this election upon Tuesday the 4th day of November 1958, upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 4th day of November 1958 in each county in the State of Alabama in a newspaper published in said county.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of Alabama to be affixed by the Secretary of State, at the Capitol in the City of Montgomery on this the 18th day of August 1958.

TO THE VOTERS:

On September 19, the Democratic Executive Committee nominated me as the Democratic candidate for Member of the Board of Revenue, District 4. I am deeply appreciative of this honor. I have been your Member of the Board of Revenue from District 4 for 16 years. I have been fortunate in having the confidence of the people in District 4 in that I have received a majority of votes each time that I ran. I sincerely appreciate this confidence of my many friends and supporters. I am a farmer, member of the Arkwright Baptist Church and a Mason. I have been a member of your Democratic Executive Committee continuously for 45 years. I sincerely believe in sound economic progress for Shelby County from the construction of highways to industrial development.

I humbly and sincerely ask your support and vote for myself and the Democratic Party for Member of the Board of Revenue and Control, District 4.

"The Russian People Are Afraid of Us," Says Dr. Katherine Vickery

"The Russian people are definitely afraid of us." This is the opinion of Dr. Katherine Vickery, chairman of Alabama College's psychology department.

Dr. Vickery recently returned from a six-week trip to Russia with 74 members of the Comparative Education Society.

"The Russian people wanted to know our ideas concerning peace. They were very interested in knowing if the Americans were really interested in having peace. They are very definitely afraid of us," she said.

The group was made up mostly of Americans. Dr. Vickery was the only Alabamian to make the tour.

"The Russian people on the street were very curious about Americans. Our group went down to Red Square almost every evening during the three weeks we spent in Moscow. We talked with the people there," she said.

Dr. Vickery said that criticism of the government was almost nonexistent in Moscow, but in Leningrad a number of the members of the society heard Russians express dissatisfaction with their government.

The chief dissatisfaction they voiced stem from the treatment of certain trade unions and with the foreign policy of the Russian government.

They are fairly well satisfied with their standard of living mainly because they are in better condition now than they have been previously, and because they know very little of better living standards in other parts of the world," Dr. Vickery said.

Dr. Vickery saw the average Russian as "just as full of vim and vigor as the best American." She said that he is interested in his job and what he is doing, and has a great interest in world affairs.

She said that the Russian thinks for himself on small matters, but when questioned about the government or political ideas or policies he is apt to turn the subject or make no reply at all.

"The Russian philosophy of education differs greatly from our philosophy. We are concerned with the individual and depend on him to make his contribution to society. The Russians train individuals to contribute to their system of society," she said.

"Children in Russia do not have temper tantrums. They are subjected to a strict discipline at a very early age," she said.

"The Russian system of education is geared for specialization," Dr. Vickery said. "Not only does a person specialize in a particular field, but he also specializes in one facet of the occupational field."

To change to another type of work even within his career field, he must go back to trade school and specialize in that phase of the work.

DR. KATHERINE VICKERY

Dr. Vickery visited in some of the new Russian experimental schools. The first year students are taught in the Russian language. They learn to read and write a bit in Russian.

From the beginning of the second year they are taught in another language. Some schools are for English, some for German, some for French, etc.

"They are taught phonetically so that they are able to speak the language almost perfectly without an accent," Dr. Vickery said.

Starlighters Meet

The Starlighters held their weekly rendezvous at the home of Charlotte Higgins. Seven of the nine members were present.

The meeting was called to order by the president, Elain Fisher. The roll was called, and the minutes were read by the secretary, Janice Waters. Patsy Hooker, treasurer, collected dues and gave a financial report. After that many things were discussed, voted and decided upon. Among things discussed was the car wash the club had September 27, which proved a success, thanks to you, the public. The money taken in will be used for worthy causes.

A devotional committee was set up with Phyllis Kyser as Chairman.

After all business was discussed, the girls enjoyed refreshments of peanuts, potato-chips, and Coca-Colas, attractively arranged and served by the hostess.

Following refreshments, recreation was provided by Janice Jones and Marjorie Theimonge.

A PART OF PARIS FOR PAINTERS

The Alabama Art League is sponsoring a Side Walk Show of paintings, prints, artists working and a big auction in Montgomery. Paris in Normandale is the theme. Plan to go to Montgomery and out to Normandale on Saturday, October 11. The starting time is 10:00 a.m. All are invited to join the fun.

Cast Named For First Play

Dr. Andrew Kochman, director of the Alabama College Theatre, has announced the cast for the first College Theatre production of the year, "Hedda Gabler," to be presented October 20 and 21 at 8:15 p.m. in Palmer Hall Auditorium.

The play is by Henrik Ibsen, who is known as the father of contemporary realistic drama.

The play is about a woman living in the 1890's. It gives a portrait of the lady—a character sketch of the "new woman." The tragedy is that she has no field of endeavor in which to succeed.

Polly Holliday, Haleyville, has the lead role in this production. She is a three-year veteran of the College Theatre and will be remembered by audiences who saw her outstanding performance last year as Medea.

Polly was a member of the "Unto These Hills Company" in Cherokee, N. C., this summer. She spent the entire summer with the group that presents this world-famous Indian pageant.

Other members of the "Hedda Gabler" cast are Ed Cooper and Libby Queen, Birmingham; Jo Anne Mynard, Enterprise; Tom Skinner and Harris Holly, Birmingham; and Mary Lois Timbes, Montrose.

Dr. Kochman said two more plays will be presented by the College Theatre this year. They are "Love For Love," by William Congreve, and "Desire Under The Elms," by Eugene O'Neill.

"Our freshman response to the College Theatre program has been wonderful this year. Twenty-seven people tried out for the seven parts in our first play," Dr. Kochman said.

Costumes for the play will be made under the supervision of Mrs. Wililee Trumbauer, assistant College Theatre director. They are being made by a student costume committee.

Chamber Music Concert Sunday

The first Sunday afternoon Chamber Music Concert of a series of six will be presented in the library of Alabama College, October 12 at 4:30 p.m., according to Dr. Arthur M. Fraser, Director of Alabama College School of Music. The program will include:

Trio—Adagio ma non troppo, C. P.E. Bach; Duet in C major K423 for Violin and Viola, Mozart; Air Champetre, Poulenc; Ain't It A Pretty Night, Floyd; Trio No. 1 in D minor, Molto Allegro ed Agitato, Mendelssohn.

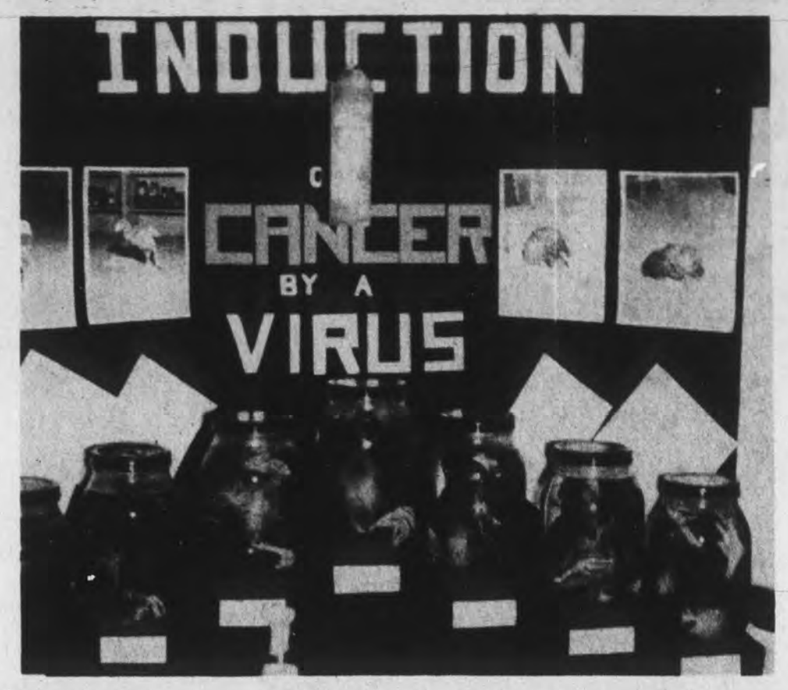

The performers will be: John Gay, Birmingham, Mavis Bridges, Montevallo, violins; Mary Katherine Hicks, Montevallo, Harold Spradley, Birmingham, violas; Betty Lamb, Birmingham, Ruth Fraser, Montevallo, cellos; Becky Martin, Wetumpka, flute; Polly Holliday, Childersburg, harpsichord; Miss Elizabeth Armstrong, Montevallo, soprano; Dr. Maxine Couch Davis, Montevallo, piano.

The public is invited to attend. There is no charge.

The next chamber music concert on November 9 will present the internationally known Kroll Quartet.

Tolbert Announces "Messiah" Plans

The date set for the third annual community "Messiah" performance is Dec. 14, with an afternoon performance at 3:00 and a repeat performance that evening at 7:00. The first year that the college and church choirs of Montevallo joined together for the "Messiah," there was an overflow crowd. Therefore, starting last year, there was scheduled two performances which still resulted in the Montevallo Baptist sanctuary being filled to capacity each time.

The "Messiah" choir has now grown to include several singers from neighboring communities. Mr. Bruce Tolbert, director of the "Messiah" performances, wants it known that anyone in the Shelby County area who would like to sing in the "Messiah" is most welcome to join for this festival and seasonal occasion.

The "Messiah" choir this year will number well over 125. Rehearsals are now under way, and are held each Thursday, 8:15 to around 9:00 p.m., at the Montevallo Baptist Church. Music is furnished to singers without charge.

Who in the world built this beauty... the only car with wide-track wheels?

EXCLUSIVELY YOURS—*WIDE-TRACK* WHEELS

Wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride, easier handling. *You get the most beautiful roadability you've ever known—in America's Number ① Road Car!*

PONTIAC! America's Number ① Road Car!

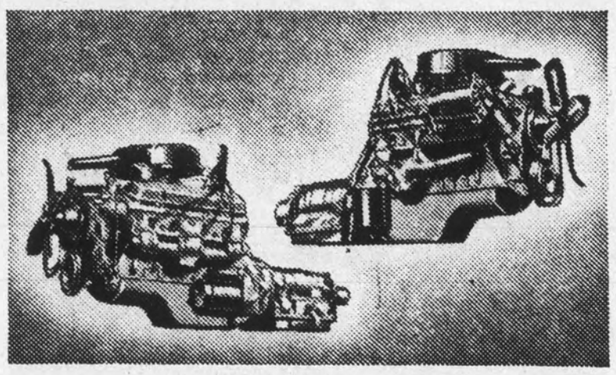

Those exclusive Wide-Track Wheels sparked a chain reaction of wonderful new ideas: You can see the trim, tailored new look . . . it's inches lower without sacrificing roominess or road clearance. The first time you drive it, you'll discover this beauty handles city corners and clings to country curves in a way the conventional narrow-gauge cars can't hope to imitate. And the ride . . . the miraculous freedom from sway, dive and bounce . . . this is an experience in buoyant travel that you won't believe—until you try it.

But there's still more to the new Pontiac to stamp it as the big change for '59:

Vista-lounge interiors with full 360-degree visibility . . . seats actually wider than a sofa . . . Air-Cooled True-Contour Brakes for smooth, effortless control, stop after stop after stop.

The industry's most advanced V-8, Pontiac's Tempest 420, gives you spectacular new responsiveness. *And there's a new companion power plant, the Tempest 420E, that delivers phenomenal extra mileage—and does it on regular octane gas!*

Come see why no other car can possibly be so new as the new Pontiac—three series: magnificent Bonneville, dramatic Star Chief and brilliant new Catalina.

2 Great New Engines

If you love action—you get the liveliest on wheels with the new *Tempest 420* V-8, acclaimed by automotive experts as America's most advanced power plant.

If you want the accent on economy, choose Pontiac's new Tempest 420E. This new V-8 actually delivers better mileage than many smaller cars with so-called "economy engines" . . . and it uses *regular octane fuel.*

In Inaugural Address

Phillips Urges More Support For College

Dr. Howard M. Phillips called on the people of Alabama for "more moral and financial support for Alabama College," in his inaugural address today.

Immediately preceding the address, Dr. Phillips was installed as the eighth president of Alabama College. He was appointed president in 1957. He came to the college from Emory University where he was dean of the graduate school.

"As great as are the challenges of my colleagues and me, the people of the State of Alabama have an even greater challenge.

"To develop Alabama College as a truly distinctive college of arts and sciences on a national and international basis, we must have better moral and more financial support.

"Without both we cannot even maintain the status quo," he said.

"I do not make a plea for more support and more financial assistance without recognizing the implied and real responsibilities involved in the request.

"Moreover, I am keenly aware of the fact that Alabama College is only one part of a state system of higher education. All of our institutions are in dire need of additional funds," he said.

"As the administrative officer primarily responsible for Alabama College, I do pledge to the people of this state the greatest possible educational return for their financial investment in this institution," he said.

He said that probably one of the most important decisions affecting Alabama College was to change it from a state college for women to a coeducational state college.

This change was made during the presidency of Dr. F. E. Lund, who is now president of Kenyon College, Gambier, Ohio.

"Dr. Lund was also responsible for greatly strengthening the liberal arts aspects of the educational program," said Dr. Phillips.

Dr. Lund attended the inaugural ceremonies. He brought greetings on behalf of the former presidents of the college.

Dr. Phillips outlined plans for the future of Alabama College. "We will continue to give some serious consideration to the preparation of young people for the vocational and professional fields.

"At the same time, however, we shall insist on, for all our students, a basic, general education, strongly oriented in the liberal arts," he said.

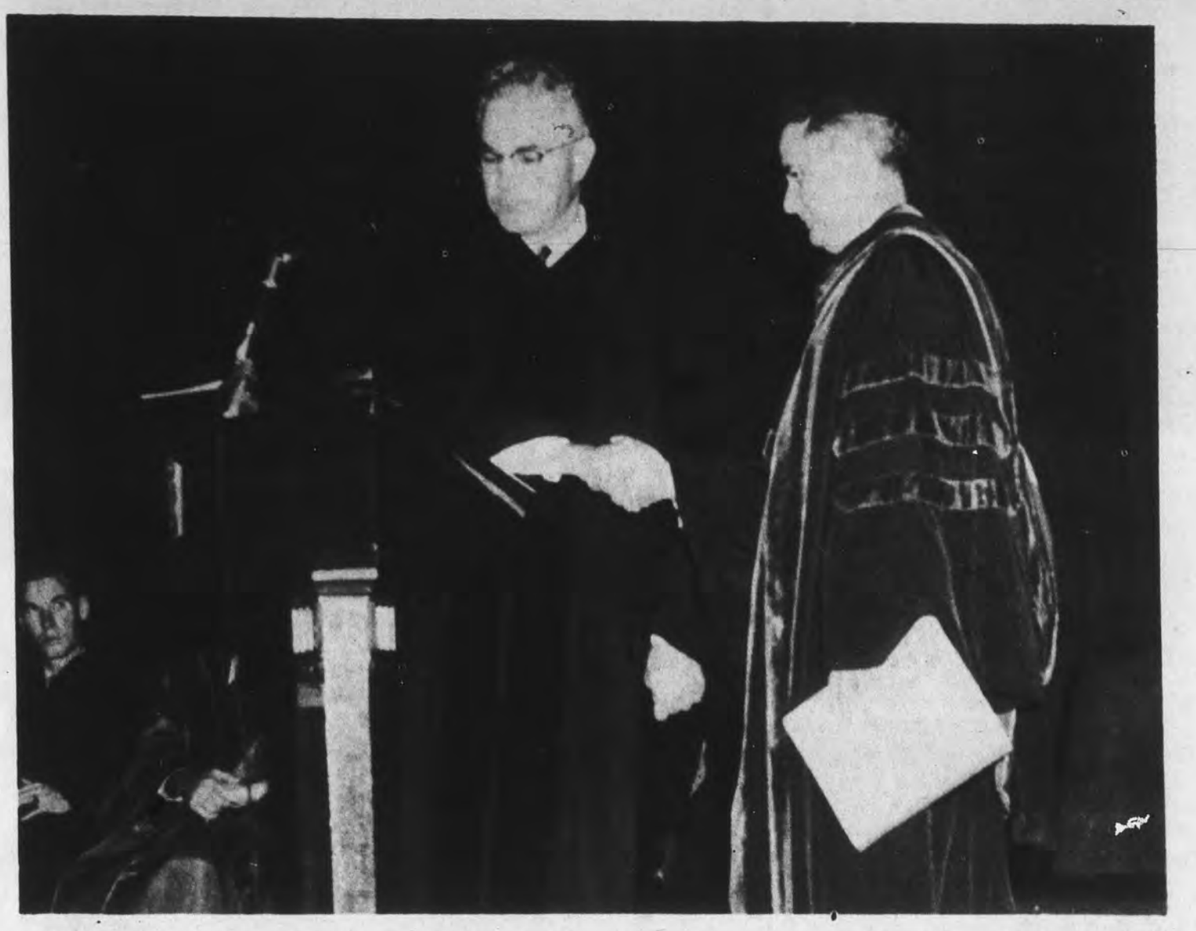

"As important as improvements in the sciences and mathematics are to our immediate survival and continued educational prestige, we must not forget the outstanding contributions of the humanities and social sciences as we develop our programs for today and tomorrow," he said.

He said that the future status and strength of higher education "resides primarily in good teaching at all levels and in ali fields of knowledge.

"Superior teaching, therefore, deserves and will receive, independent and adequate recognition, professionally and economically."

Dr. Phillips said that some people feel that progress within the field of education depends "more on evidence of scholarship as exhibited in publications, than on scholarship exhibited by all that is involved in superior teaching."

Dr. Phillips said "the students at Alabama College will always be appreciated, respected, and encouraged, singly or as a group. The graduating students are our finished products. They aid us in establishing our reputation."

Community Chest Board Meets

The Montevallo Community Chest Assembly, composed of representatives of all groups and organizations in the town, met in the City Hall Thursday, October 2. Grady Parker, Chairman of the Assembly, presided.

F. J. Miller, Chairman and Budget Officer of the Community Chest Board, presented a report of the activities of the Board for the year 1957-58. It was voted by the group to continue the Community Chest Program as has been operated in the past.

The nominating committee presented the following names to fill vacancies occurring on the Board in 1958: Earl McGaughy, A. C. Anderson and Fred Miller. Mr. Miller was appointed to the Board last year to fill the unexpired term of Mrs. F. E. Lund, who resigned at that time. The three new members will serve until 1961, replacing the following whose terms expire this year: T. E. McCulley, B. W. Hamric and the unexpired term of Mrs. Lund.

Other members of the Community Chest Board are Mrs. Victor Scott, Mrs. Clayton Nordan, Don Lovelady,terms to expire in 1959; Mrs. T. E. Watson, Mrs. G. N. LaGrone and Kyle McClure, terms to expire in 1960.

The Community Chest Board will meet this week for the purpose of electing a Chairman for 1958-59 and to plan the drive for this year. Mr. Miller's report for 1957-58 is printed elsewhere in this issue of The Times-Herald.

Mr. and Mrs. Larry Hamilton of Birmingham and President J. I. Riddle of Judson College were among the visitors here Tuesday to attend the inauguration of Dr. Howard Phillips.

Robert Hall Speaks to Local Chamber

Speaking to an overflowing Town Hall, Montevallo, last Thursday evening, Robert Hall, President of Birmingham Chamber of Commerce, pointed to some of the future potentialities of the Montevallo area. After discussing some of the main problems confronting Birmingham and vicinity, Mr. Hall called for questions from the members of the group present. A number of questions were raised which were of concern to local residents and business men. Mr. Hall displayed a map showing the expansion of industry in Alabama during recent years. After Mr. Hall had discussed some of the problems of Birmingham and the municipal government there. R. E. Whaley jokingly mentioned that Montevallo might be willing to take in Birmingham as part of the Montevallo municipality.

Mayor W. M. Wyatt gave a report on some correspondence he has had concerning the possibility of getting a funeral home and ambulance service in Montevallo.

James F. Whaley, president, announced that a special call meeting of the Chamber might be held to discuss the situation having to do with the ambulance service.

Robert Hall (left), President of the Birmingham Chamber of Commerce, spoke to the Montevallo Chamber of Commerce on "The Related Interests of the City of Birmingham and Its Urban Areas". Shown at right is James Whaley, President of the Montevallo Chamber of Commerce, who presided at the meeting.

Phillips To Address Alabama College Alumni

Dr. Howard M. Phillips will be guest speaker at the Alabama College Shelby County Alumni Association meeting Tursday, Oct. 16, at the Recreation Center in Columbiana at 8 p.m.

The executive board of the Alumni Association has made this an open meeting. They wish to extend an invitation to all Shelby County citizens. Bring your husbands, wives, and friends.

Dr. Phillips will speak on "A Ten Year Development Program for Alabama College."

Friday Is Homecoming at MHS

It's homecoming at Montevallo High School! Tomorrow, October 17, is the date set for the big day.

To "kick off" the event, a pep rally is scheduled at 7:00 p.m. tonight, Oct. 16, on the football field.

Then tomorrow, Oct. 17, homerooms, carrying out the theme, "If Dreams Came True," will enter floats, decorated cars, marchers, and clowns in a parade at 2 p.m. The MHS band will lead, and the queen with her attendants on a beautifully decorated float, will follow close behind as the parade moves through town and halts on Main Street. The cheerleaders will conduct a pep rally at that point.

At 7:30 that night, the Montevallo Bulldogs will meet the Shelby County Wildcats on the home field. A pre-game ceremony will be preformed by the band, honoring the queen and her court. At halftime the band will present a "dream show."

Following the game a dance is scheduled in the high school gym with the McAdory Swing Band furnishing music. The highlight of the evening will be the crowning of Miss Homecoming, Tommie Mowery, who receives her crown from last year's queen, Brenda Allen.

A reception for all alumni will be held after the game in Mrs. Anthony's room beside the gym. There alumni will receive free tickets to the dance as well as reminisce old times.

And then Homecoming of 1958 comes to a close; and "If Dreams Come True," you'll be on hand to help in the big celebration.

Pep Rally

Tonight (Thursday, Oct. 16) the Spirit Committee for Homecoming at Montevallo is sponsoring a pep rally on the tennis courts back of the high school. Mrs. Bobbye Lightfoot and Janice Jones head the committee in charge.

Tonight's rally will feature short pep talks, yells and songs under the direction of the cheerleaders, and music by the band, with Mr. Victor T. Young directing.

All who are interested in helping the Montevallo Bulldogs defeat Columbiana are urged to be at this pep rally which opens homecoming activities.

Tommie Mowery, daughter of Mr. and Mrs. Paul Mowery of Wilton, will reign as queen of Montevallo's Homecoming. She receives her crown Friday night at the Homecoming Dance in the high school auditorium.

Queen and Court To Be Presented

Dreams become a reality for the homecoming queen and four other beauties who make up the royal court for Montevallo's homecoming.

While the high school band plays "If Dreams Came True" this group will be introduced at a pre-game ceremony Friday night at 7:15.

Attendants to the queen, Tommie Mowery, are Brenda Bean and Brenda Thomason, both seniors. Amy Orr and Julia Hayes are the junior maids. All these girls were elected by popular vote of fellow students.

The royal court will have a sideline seat of honor for the Montevallo-Columbiana football game and will be presented again in a leadout at the dance, which follows the game.

DELTA KAPPA GAMMA PLANS

The Alpha Nu Chapter of Delta Kappa Gamma Society held its first regular meeting Oct. 9 in the auditorium of the County Office Building in Columbiana.

After a delicious covered dish supper, a business session was held. Committees met in buzz sessions in which plans were discussed for the year's work.

The chairman of the Program and Yearbook Committee announced the theme for the year: "Teacher Welfare — Building A Unified Profession and Securing Public Understanding".

Chapter projects are (1) to focus on legislative proposals related to teacher welfare; (2) to add to the local scholarship fund.

Other reports were made by the chairmen of the committees on music, budget, scrapbook, history, and membership.

Members and friends of the Unitarian Fellowship of Montevallo attended the opening services in the beautiful new Unitarian Church in Birmingham on Sunday, October 12.

Judge Gardner Goodwyn, Jr., of Bessemer, member of Alabama College Board of Trustees, was here Tuesday for the inauguration of Dr. Phillips.

Tommie Mowery Is Chosen Queen

Tommie Mowery, a senior majorette from Wilton, will reign as queen during Montevallo High School homecoming activities Friday. Nominated for the honor by petition of fellow classmates and elected by popular vote of the student body, Tommie won her title over five other contestants without a runoff.

Winning titles is not new to this eighteen-year old brunette who has twice represented Montevallo in the Queen Bess Contest held annually in Bessemer, was named Miss FHA, and won the title of Miss Holiday at a Christmas dance here her sophomore year.

Having attending Montevallo schools twelve years, Tommie has served the school in many capacities. Last year she was named for National Honor Society and was one of Montevallo's representatives to Girls State. At Girls State, because of her outstanding personality, she was chosen as one of the two to represent Alabama at Girls Nation in Washington.

Tommie has been a member of MHS's band for six years, and was chosen as a member of the All-County band last spring. Last year she was feature editor for the school paper, Spotlight; and this year is feature editor for the yearbook.

A member of Wilton Methodist Church, Tommie takes part in many of the Church's activities. Recently she served as president for MYF there.

This modest miss, who never fails to be surprised at each new honor that comes her way, said she was "startled, thrilled, and happy" over being named Miss Homecoming.

Mr. and Mrs. Paul Mowery are Tommie's parents. She has one sister, Virginia and one brother, Bill, both of whom are married.

Columbiana Is Homecoming Opponent

It will be a revengeful Wildcat team that invades Montevallo Friday night as the Bulldogs play host to Shelby County High School on the local gridiron.

On homecoming night at Columbiana last year the Bulldogs spoiled an otherwise successful celebration by defeating the neighbor 19 to 7.

Thus far this season Columbiana has a 1-3 record. The Wildcats took the opening game from Goodwater and since then have lost to Parrish, Thompson and Clanton. Montevallo has defeated Thompson, Clanton, and Jemison and tied with Isabella and Verbena.

Both teams will have a strong desire for victory as the Wildcats attempt to turn the tables on the Bulldogs before a homecoming audience, and the Bulldogs will be battling away for a fourth win toward conference and county honors.

Game time is 7:30.

Mrs. Essie Weston Serves as Secretary

Serving her Alma Mater as school secretary since fall of 1956 is Mrs. Essie Smith Weston. Students and faculty alike at Montevalo High School have nothing but praise for the work of this loyal alumna, who goes about her job with quiet efficiency and cheerful willingness to serve on any call.

After graduating from M.H.S., Mrs. Weston attended Massey Business College in Birmingham.

She has held several jobs locally, starting out at Merchants and Planters Bank. She did general office work in Ft. Wayne, Ind., for a while; and during the war, she came back home to work at Childersburg. Later she was employed by Boothton Coal Mining Company for secretarial work and by Jones and Hardy Contractors.

Active in church work, Mrs. Weston is vice president of the Wesleyan Guild. She serves the Business and Professional Women's Club as secretary.

In 1951 she married Bill Weston, a local insurance agent, and shares his love for ball games of all types. She also enjoys listening to classical music.

Born and reared within a mile of Montevallo, Mrs. Weston is truly a hometown girl and could well be named Montevallo's Alumna of the Year.

Last year's homecoming queen, Brenda Allen, will crown the new ruler at the homecoming dance. Brenda is shown here at last year's coronation ceremonies with her escort, John Kirby.

STATEMENT FROM CANDIDATE FLOYD RAY

I am convinced good public officials are made, not bought. For this reason, I have decided to run for Sheriff on the Republican ticket in Shelby County.

I have worked hard and financed my own campaign. I am obligated to no one person or any one section of the county. If elected to the high honor of County Sheriff, I promise you an honest, clean, unbiased administration. I promise to work and study hard to give you a strong progressive county. I will keep my own personal habits above reproach and will make you a Sheriff you can be proud of. Your support will be appreciated.

Shelby County Highway Dept. Report

By James L. Ray, Jr.
County Engineer

The fiscal year ending Sept. 30, 1958, culminated in the most successful year's construction program in Shelby County to date.

Summarizing briefly, the following progress was made: 29.423 miles of newly constructed Farm to Market and county highways were paved, using Type "AJO" bituminous treatment; 18.751 miles of already paved county highways were re-surfaced using Type "J" bituminous treatment in carrying forth a planned maintenance program each year to properly maintain and protect the tremendous investment in these highways; this paving, plus previous paving, gives the county a total of 213.6 miles of paved roads. The location of all county paved highways is shown on a large map in the county engineer's office.

Two new reinforced concrete bridges and one quadruple reinforced concrete bridge culvert have also been constructed on the Wilsonville-Fourmile and Calera-Spring Creek-Montevallo county roads, eliminating some dangerous structures.

During the past fiscal year 27.2 miles of Farm to Market and county roads have been graded, drained, and foundation courses partially applied. Numerous pressure-treated timber bridges have been constructed in the county, eliminating many dangerous structures. Thousands of feet of concrete pipe were laid under the rural roads, utilizing the pipe manufactured by the county's pipe plant.

Looking ahead into the new fiscal year starting Oct. 1, the following construction has been planned: 29.2 miles of pavement using Type "AJG" bituminous treatment on various county roads already constructed and having foundation courses partially applied; 19.6 miles of resurfacing on previously paved county highways in the before mentioned planned maintenance program.

Five reinforced concrete culverts will be constructed to replace old timber structures. The total estimated cost of this paving and bridge program will be $188,500, of which Shelby County will disburse $106,000. The balance of $82,500 will be derived from federal aid secondary and state aid funds appropriated and accredited to Shelby County for highway construction.

About 32 miles of rural roads will be graded, drained, and have foundation courses applied. The above mileage includes both Farm to Market and county only construction, i.e., Farm to Market construction subsidized partially by federal and state aid; and county only construction is 100 per cent county expenditure.

All construction is and has been done on a revolving district basis, i.e., each district of the four gets a project in turn. Comparative mileage of paved roads to date in each district is very close to the same in each district of the county. It is shown by tabulation in the engineer's office.

There are many other facets of the County Highway Department in the day-to-day maintenance of the more than 213 miles of paved highways and 500 miles of public rural unconstructed roads too numerous to bring out in this article. However, each is equally important to the overall operation of the Department.

The sound management of the County Board of Revenue and Control, the hard work and personal sacrifices of the county employes, superintendents and foremen are responsible for this excellent progress.

(Editor's Note—It shoud be said that with all the other good things about our highway progress and administration in Shelby County, we have the best county highway engineer in the business, Mr. James L. Ray, Jr., whom we thank for the foregoing article about our county road program.)

LEGAL NOTICE PUBLIC SALE GRANISON NABORS PROPERTY

Pursuant to an order of the Circuit Court of Shelby County, Edna Nix, as administratrix of the estate of Granison Nabors, deceased, will sell for cash to the highest and best bidder at public outcry, on Saturday, November 8, 1958, at 12 o'clock noon, in front of the City Hall in Montevallo, the following described real estate:

Lot B, Block 6, original plat of Montevallo, located at the corner of Oak and Shelby Streets, in the City of Montevallo, Shelby County, Alabama.

The said Edna Nix reserves the right to reject any and all bids.

For information contact Glen T. Bashore, Attorney At Law, Clanton, Alabama. (10-16-3tch)

Mr. and Mrs. Bob Montgomery and children, of Danville, Ill., and Florence, Ala., arrived Saturday night for a visit with Mrs. W. E. Montgomery. Mr. Montgomery has returned to Danville, Ill., where he is employed. Mrs. Montgomery and children will remain in Montevallo for a few weeks.

TO THE VOTERS:

On September 19, the Democratic Executive Committee nominated me as the Democratic candidate for Member of the Board of Revenue, District 4. I am deeply appreciative of this honor. I have been your Member of the Board of Revenue from District 4 for 16 years. I have been fortunate in having the confidence of the people in District 4 in that I have received a majority of votes each time that I ran. I sincerely appreciate this confidence of my many friends and supporters. I am a farmer, member of the Arkwright Baptist Church and a Mason. I have been a member of your Democratic Executive Committee continuously for 45 years. I sincerely believe in sound economic progress for Shelby County from the construction of highways to industrial development.

I humbly and sincerely ask your support and vote for myself and the Democratic Party for Member of the Board of Revenue and Control, District 4.

Miss Olive Henry and Clarence Barnett Wed

Saturday evening, October 11, at Shiloh Methodist Church, Miss Olive Henry became the bride of Airman Second Class, Clarence Barnett II. The Rev. David Sayer officiated.

The bride is the eldest daughter of Mr. and Mrs. Charles Henry of Jemison. The groom is the only son of Mrs. Aileen Barnett and the late Clarence Barnett of Calera.

The bride was given in marriage by her father. Her gown of white imported lace and satin was fashioned on princess lines. The empire bodice was trimmed with pearls and sequins, accented by a jacket of lace.

The bouffant skirt swept into a chapel train. Her finger tip veil was held to a crown of lace, sequins and pearls. She carried a Bible topped with a white orchid surrounded by white rosebuds.

The bride was attended by Miss Sue Barnett, sister of the groom, as maid of honor.

Bridesmaids were Miss Irene Henry and Miss Anne Barnett.

The groomsmen were Mr. Herman Smith Barnett and Mr. Martin Giles.

This beautiful double ring ceremony was said in a setting of baskets of white gladioli and tall seven branched candelabra with numerous white candles and in front of a large arch twined with green ivy. Mrs. Herman Smith played the nuptial music. Mrs. Spencer Brady sang "Because" and "I'll Walk Beside You".

A reception followed in the parlors of the church. Assisting were Mrs. Henry Watson, Mrs. Herman Smith, Mrs. O. L. Martin and Miss Pat Brady.

After a short trip the couple will live in Orlando, Florida where Airman Barnett will be stationed.

STATE OF ALABAMA

A PROCLAMATION

BY THE

GOVERNOR

WHEREAS, the Legislature of Alabama at the Regular Session 1957, ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama which said amendment is herein set out, and ordered that the said election be held on the date of the general election next succeeding the final adjournment of the 1957 Regular Session of the Legislature; and

WHEREAS, the date of the general election next succeeding the final adjournment of the 1957 Regular Session of the Legislature will be and occur on Tuesday, November 4, 1958; and

WHEREAS, notice of such election, together with the proposed amendment is required by law and by the provisions of the act submitting the amendment, to be given by a proclamation of the Governor to be published in each county in the State of Alabama once a week for four successive weeks next preceding the day appointed for the election:

NOW, THEREFORE, I, James E. Folsom, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 4th day of November, 1958, an election will be held at the several polling places within the State of Alabama, in the manner and form provided by law upon the following proposed amendment to the Constitution of the State of Alabama of 1901:

"When authorized by a vote of a majority of the qualified electors voting at an election held for such purpose, the court of county commissioners, board of revenue, or like govening body of Montgomery County shall have power to levy and collect additional taxes for school purposes on the taxable property located in the county at a rate not to exceed fifty-five one-hundredths of one per cent of the value of the taxable property located within the county. An election to determine whether or not such taxes shall be levied and the time during which such tax is to continue shall be called, held, and conducted in the manner provided by law for calling, holding, and conducting elections to determine whether district school taxes shall be levied and collected under this Constitution. The provisions of this amendment shall not limit, modify, abridge, or impair the power, authority, or right of municipalities or school districts to levy and collect special school taxes as provided by law."

I further direct and proclaim that notice of this election upon Tuesday the 4th day of November 1958, upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 4th day of November 1958 in each county in the State of Alabama in a newspaper published in said county.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of Alabama to be affixed by the Secretary of State, at the Capitol in the City of Montgomery on this the 18th day of August 1958.

Montevallo and Verbena Tie, 20-20

By S. DeMent

Montevallo and Verbena, in a battle that could have possibly decided the Mid-State Conference leader, fought to a 20-20 standstill Friday night.

The Bulldogs finding Verbena ground a bit rough, moved to the air to score. Ronald Smitherman, who figured in all three touchdowns, threw pay-off passes to Jimmy Thrasher and Curtis Jarvis and went over from the one for the third score, which topped off a 36-yard sprint by the versatile halfback.

A Bulldog fumble and an intercepted pass set up two of Verbena's touchdowns, and a 34-yard run by the fullback made the third one easy.

Here's the way the game looked from the sideline.

Verbena Scores Early

Curtis Jarvis's kick travelled to Verbena's 11 to open play. After picking up two first downs, Verbena punted from their 45; and the ball rolled dead on Montevallo's nine. On the second play, Montevalo fumbled on the 20 and Verbena recovered. The Bulldogs could not contain the fired-up Red Devils, only 20 yards away from this early lead, as they hit the line seven times and came up with six points. Milton Davis went over from the four. A pass from Earl Griffin to Denson Dennis got the extra point.

Montevallo Fails at Five

Following an exchange of punts in the sceond period, the Bulldogs began a drive which carried them 53 yards before they lost the ball on downs.

Barclay Fisher passed to Thrasher for the first eight yards of this futile drive. Then Smitherman, on the loose and looking as if he might go all the way, was chased out of bounds on the Verbena 20. A 15-yard penalty placed the Bulldogs on the five, but here a fast-triggered eight-man line posted a "No Admittance" sign on the Verbena goal line.

Montevallo Takes the Air Route

The Red Devils, attempting to quick kick out of danger, placed the ball only 20 yards away from their well-protected O marker. This time Montevallo took to the air, and with batteries Smitherman to Thrasher, scored the touchdown. Hayes was stopped short on the extra point attempt; and at the half, for the first time this season, Montevallo trailed, 7-6.

After intermission the Bulldogs came back and, without a let-up, drove from their own 46 to the Verbena two. Seven attempts at the line netted the Bulldogs 36 yards. Hayes got 16; Smitherman 20, and Davis 5. A pass from Smitherman to Thrasher added 10. But once again the Red Devils held and took over, this time on the two.

Verbena Intercepts

Verbena kicked out, and Smitherman made it back to his 49. Two plays later Verbena intercepted Montevallo's pass and began their second touchdown drive from the 36. This time one aerial was good for nine yards, and seven stabs at the line got the necessary yardage with Willard Rice going over to score.

Montevallo's Bulldogs rose to the occasion; and with four passes, literally flew 58 yards to score. Donnie Davis threw to Smitherman to get six yards. Smitherman then hit Davis for 14 yards, Thrasher for 21, and Curtis Jarvis, on the goal line, for the last 17. A Fisher to Smitherman pass added the PAT.

Verbena Gamble Fails

Trailing by one thin, yet powerful big, point, the Bulldogs capitalized on a Verbena gamble to go ahead for the first time in the ball game. Verbena, receiving on their own 40, could move only one yard before being faced with a fourth down. Faking a kick, the confident Red Devils picked up 5 yards; but lost possession on their own 46.

Once again Smitherman brought the crowd to its feet as he went 36 yards before being forced out of bounds on the 10. Hayes picked up seven, Davis two, and Smitherman went for the score. Smitherman hit the line again for the extra point to put Montevallo ahead 20-14.

Red Devils Grab a Quickie

The Red Devils made it evident that they did not intend to lose to this school that had never defeated a Verbena team and came roaring back to score again. With only two minutes of playing time left, one run good for 34 yards and a 19-yard aerial got most of the distance to tie the count at 20. Again it was Davis carrying the mail for the score.

A pass for the extra point was good, but a backfield-in-motion penalty nullified the would-be winning margin. A desperation stand on the part of the entire Bulldog team, which saw this only chance to salvage their undefeated record, stopped the Red Devils in their tracks.

Incomplete passes by both teams in this last minute wound up the night's performance, which proved nothing except that now Montevallo has a 2-0-2 Conference record and Verbena has a 3-1-1. Take your pick for the leader!

Guy Milford Is Named School Director

Returning alumni will, no doubt, wish to congratulate Mr. Guy Milford, Montevallo High School's principal for the past two years, on his recent promotion. This fall Mr. Milford was named Director of Montevallo Schools. Dr. Howard Phillips, president of Alabama College, announced the appointment at the first faculty meeting in September.

Mrs. Charlotte Peterson, elementary school principal, was named assistant director at the same time.

During the two years Mr. Milford has been principal at Montevallo many changes have been brought about for betterment of the school. One of the most outstanding improvements is the broadened course of study which the school now offers.

Mr. Milford received his early education attending high schools in Chicago and Birmingham, and Carrolton High School, Carrolton, Ga., from which he was graduated. Furthering his education, he went to Mercer University, Macon, Ga., and later received his A.B. Degree from Howard College, Birmingham. He holds a Master's Degree from Peabody College, Nashville.

Work for Phillips Petroleum Company in southwest pipeline construction and later as copy editor for a daily newspaper in Huntsville, helped make Montevallo's principal the all-around "guy" he is.

Since entering the profession of teaching, Mr. Milford has worked in Madison County, Scottsboro, Huntsville, as well as Montevallo. Subjects he has taught include English, history, democracy, and journalism.

During World War II, Mr. Milford served two and a half years in a special training unit of the U.S. Army.

Mrs. Milford is librarian at the high school, and son, Guy Windsor, is in the eighth grade.

ATTENTION ALUMNI!

All Montevallo High School alumni are cordially invited to come to the alumni reception following the football game Friday night. There they will receive free tickets to the dance, as well as reminisce the "good times." The reception will be held in the music room.

Here are two reasons for the efficiency with which Montevallo High School operates. Guy Milford, Director of Schools, and Mrs. Essie Weston, Secretary.

Montevallo Cub Scouts, Pack 59, paraded through town on the Fire Truck last Saturday in observance of Fire Prevention Week. They also distributed fire prevention literature.

Pee Wee Team Will Play Thursday

Montevallo football fans will have a chance to see a preview of days to come at MHS as the future Bulldogs, known as the Pee Wee team, play Thompson Pee Wees here Tuesday night. Game time is 6:00 p.m.

Last Saturday night the Pee Wees lost their first game to Thompson, 7-0, playing at Siluria.

"Even though they were defeated," said Coach Lightfoot, who is in charge of these Bullpups, " the boys looked good as a team, and I am pleased with their efforts."

The Pee Wees travel to Columbiana this afternoon (Thursday Oct. 16) for a game at 4:00.

FUTURE BULLDOGS: From left to right these members of the Pee Wee football team are (first row) Wayne Cartwright, end; Wayne Campbell, G; Jimmy Herron, FB; Micky Henson, LH; Charles McGehee, QB; Johnny Lovelady, RH; Bobby Phillips, RH; Eddie Gentry, FB; Paul Glover, FB; Clint Folsom, LH; (back row) Herbert Jarvis, T; Butch Kyzer, C; Douglas Edwards, G; Billy Hooker, T; Coach Robert Lightfoot; Student Assistant Coach Buddy Majors; Johnny Starks, QB; Herbie Milstead, E; Bobby Hyde, LH; Harry Moreland, T; Jimmy Boyd, G.

Report of Summer Recreation Program

Another summer recreation program came to an end in August, and our attendance was off some from our past two summers, due to bad weather, but the daily attendance on good days was up in all areas except the recreation night.

The Little Leaguers enjoyed a winning baseball season with 14 wins and 3 losses. The Babe Ruth group won the pennant again in the Clanton league for the third straight time. This group won 12 and lost 3 during the season. One overnight camp was held on the Boothton River with twenty boys camping.

There were 21 new members who learned to swim under the instruction of Miss Strickland and Coach Martin. Several received certificates in senior and junior life saving courses.

Events in all areas are listed as follows: Swimming, baseball, volleyball, dancing, camping, horse shoes, fishing, ping pong,

We wish to thank all parents who helped out in any way with the program; the Recreation Board for the lights for soft ball; the people who helped out with our transportation to other communities; the adults who helped out on our trip to camp.

Continuing during the year will be basketball league for boys on Saturdays, beginning in December.

(Signed) Theron Fisher, Charles Martin, Bonnie Strickland.

Mr. S. M. Mahan, chairman of the Montevallo Recreation Board, announces the appointment of Mr. Jim Seaman as a new member. Other members of the board are Mrs. T. E. Watson, secretary and treasurer; Guy Milford, and Mrs. F. H. Frost Jr.

THREE YEAR OLD CHILD IS KILLED IN ACCIDENT

Funeral services for 3-year-old Evelyn Payton, daughter of Mr. and Mrs. Basil Payton of Pelham, were held Tuesday morning at the Pelham Methodist Church. The child was accidentally run over by an automobile Sunday afternoon. Mr. and Mrs. Payton are formerly of Calera, where Mr. Payton is employed at American Brake Shoe plant.

Mrs. Bertha Kimbrell returned home Sunday after spending several weeks with her brother, Mr. and Mrs. W. E. Bowdon at Beaver, Pa.

Engagement Announced

Mr. and Mrs. Harold G. Matthews, Jr., of Birmingham, announce the engagement of their daughter, Marja Carol, to James Ronny Nelson. Miss Matthews is the granddaughter of Mr. and Mrs. H. G. Matthews of Calera. The wedding will be December 5 at Woodlawn Baptist Church.

Representative and Mrs. Armistead Selden attended the inauguration of Dr. Phillips at Alabama College Tuesday.

Five PTA Members Attend Workshop

Five members of the Montevallo PTA, Mrs. Andrew Kochman, Mrs. Charles Harper, Mrs. Richard Ballentine, Mrs. Albert Scott and Mrs. Arthur Fraser, attended the workshop for leadership training sponsored by the Alabama Congress of Parents and Teachers which was held on the University of Alabama campus Oct. 21.

Major theme of the meeting was "The Citizen's Role in Legislation". Giving the keynote address in the morning session was William I. Pittman, general agent emeritus for John Hancock Life Insurance Co., of Birmingham.

Mr. Pittman discussed the improvement of schools, stressing such things as selling the taxpayers on the need for buildings, maintenance, and higher teacher salaries. He also discussed the problems of integration and money needs.

Following his address a symposium was held on four legislative specifics: school education, juvenile protection, health and safety. Moderator for the program was W. W. Elliott, principal of Thompson High School, and immediate past president of the Alabama Education Association.

Following luncheon in the Union Ballroom, the group met for the afternoon session featuring Mrs. Robert Schwartz, child drama consultant, from Birmingham. She spoke on "Every Child Needs A Library".

Mrs. Guy L. Ray, first vice president of the Alabama PTA, presided over the morning session.

FRED MILLER, AND DON LOVELADY

Don Lovelady To Head Chest Board

Donald Lovelady was elected new chairman of the Montevallo Community Chest Board at their first meeting of the year Monday night at the City Hall. Mr. Lovelady succeeds Fred Miller, who has served as chairman for the year 1957-58.

Other officers elected include Mrs. G./N. LaGrone, vice-chairman; Mrs. Clayton Nordan, secretary; and S. M. Mahan, treasurer. Other members of the board are Mrs. T. E. Watson, Kyle McClure, Fred Miller, Mrs. Victor Scott, Earl McGaughy, and A. C. Anderson.

Mr. Lovelady announces that the open meeting of the Community Chest Board for the purpose of hearing requests from the various community - building enterprises which wish to be included in the allocation of funds from the 1958-1959 Community Chest budget will be held on Monday night, October 27, at 7:30 in the City Hall. All representatives of these enterprises are invited to attend the meeting in order to report on their expenditures of funds received last year and to present their requests for the coming year.

Fred A. Duran Named to Cancer Board

FRED A. DURAN

Fred A. Duran, Auburn banker, will take office as a member of the national board of the American Cancer Society at the annual meeting in New York October 22-24.

Duran was previously elected for a two-year term as Southeastern Regional director representing 10 states, including Alabama, Georgia, Mississippi, Louisiana, Tennessee, South Carolina, North Carolina, North Carolina, Virginia and Kentucky.

This will be Duran's fourth term as an ACS national board member from this region. During previous terms he was a member of the board's executive committee. He has been treasurer of the ACS Alabama Division, Inc., for many years.

A former resident of Birmingham and Montgomery, Duran is now president of the First National Bank of Auburn.

Mr. Duran, the son of Mrs. Lena Duran of Montevallo, is a graduate of Montevallo High School. He also took some classes at Alabama College under Miss Stella Palmer in 1916. Mrs. Duran says that this makes him really the first coed at Alabama College.

Mr. and Mrs. F. P. Givhan are spending their vacation this week at Biloxi and New Orleans.

Mr. and Mrs. James O'Neill, Jimmie and Donna have returned from Goodwater with their new baby boy.

Funeral Held For Mr. C. R. Knowles

Funeral services for Mr. C. R. Knowles, 84, of Rt. 2, Montevallo, were held Wednesday at 2 p.m. at Enon Baptist Church, the Rev. J. Paul Banks officiating.

Burial was in Randall Cemetery, Calera, with Masonic graveside rites. Bolton-Walton Funeral Home of Columbiana directed.

Mr. Knowles died Monday at his home. He was a native of Montevallo, a deacon in the Baptist Church, and a Mason.

Serving as pallbearers were the following grandsons: Charles Samples, Lonnie Knowles, Charles A. Knowles, Jimmie Knowles, Whit Knowles, and Lewis Randall Knowles.

Surviving are his wife, Mrs. Garnet Knowles; five sons, Arthur, Sam, Floyd, Tom and Aubin Knowles; four daughters, Mrs. John Samples, Mrs. Willie Johnson, Mrs. Mary Wood and Mrs. Mattie Johnson; a sister, Mrs. Rubin Fancher; 31 grandchildren and 49 great-grandchildren.

'Miss Alabama College' Will Be Chosen In Saturday's Elite Night Program

"Miss Aabama College" will be named at Elite Night ceremonies Oct. 25 at 8:15 p.m. in Palmer Hall auditorium at Alabama College.

Also to be named at that time are the fifteen top Alabama College beauties, members of "Who's who among students in American universities and colleges,' class favorites, and senior elite.

The senior elite are the outstanding students in their major fields. They are chosen by vote of the upperclassmen.

"Miss Alabama College is chosen because she exemplifies the spirit of Alabama College, and because of her charm, poise, and personality," said Rosalind White, Flomaton, Elite Night chairman.

One of the five candidates will be chosen for the title by a majority vote of the upperclassmen. Candidates are Patty Talley, Demopis; Jennie Cotney, Roanoke; Barbara Walker, Birmingham; Shirley Stabler, Greenville; and Jackie Inman, Docena.

Rosalind has announced committee chairmen for Elite Night. Sue Bedgood, Montgomery, was named assistant chairman of the committee.

Darrol Pharris, Sikeston, Mo., is business maanager. Jean Shell, Kimbrough, and Jessie Mae Lyles, Albertville, are secretaries. Publicity chairman is Bobby Harrison, Mobile.

Sue Swann, Morris, has been named staging chairman, and Frances Benton, Bradenton, Fla., is lighting chairman. Ann Riley, Greenville, is beauty contestants chairman.

Barbara Lett, Wetumpka, is decorations committee chairman. Jackie Inman, Docena, is head usher, and Jennie Cotney, Roanoke, is in charge of music.

"Clubs and organizations on campus are sponsoring candidates for the beauty contest," Rosalind said. "We have 38 contestants. Three judges will choose the top 15 from this group on Elite Night," she said.

Judges will be John Bloomer, state editor of the Birmingham News, James B. Chenoweth, promotion director of station WAPI-TV, Birmingham, and Mrs. Madera Spences, society editor of the Montgomery Advertiser.

Pictures of the top 15 beauties will be forwarded to Gary Moore, CBS television star. He will select the top six beauties to appear in this year's Montage, college yearbook.

Each undergraduate class will name two "favorites." They will be presented Elite Night.

Rev. David Kaylor To Be Ordained

A commission of Birmingham Presbytery will ordain Mr. David Kaylor to the Christian ministry and install him as pastor of the Montevallo Presbyterian Church at a service to be held Sunday, October 26, 7:30 p.m., at the Montevallo Presbyterian Church.

Serving on the commission will be Dr. E. V. Ramage, pastor of the First Presbyterian Church, Birmingham; the Rev. E. H. Flaniken, pastor of Central Park Presbyterian Church, Birmingham; Dr. George Lang of the University of Alabama; Ruling Elders R. T. Eastwood and D. P. Anderson, both of Birmingham. Mr. Kaylor's father, the Rev. L. J. Kaylor of Rogersville, Ala., will also take part in the service.

REV. DAVID KAYLOR

Mr. Kaylor received a Bachelor of Arts degree from Southwestern at Memphis and a Bachelor of Divinity degree from the Louisville Presbyterian Seminary. He has been serving the Montevallo Presbyterian Church since June 1 of this year.

Members of other churches and friends of the Montevallo Presbyterian Church are cordially invited to attend the service of ordination and installation.

HALLOWEEN CARNIVAL

The Calera PTA will present a Halloween Carnival Thursday, October 30, beginning at 6 o'clock at the High School. Everyone is invited to come and join in the fun.

There will be a house of horrors, fish pond, fortune tellers, dart game, wheel of fortune, hula hoop contest, cake walk, bingo, candied apples, hamburgers, hot dogs, home cooked cakes, home cooked pies, coffee and soup.

Thank You

Homecoming festivities at Montevallo for 1958 are past history, but we cannot write the final chapter until we say "thank you" to many people.

The loyal support and wholehearted cooperation which the people of Montevallo and neighboring communities gave us during homecoming was most gratifying. You offered encouragement, assistance, and praise where each was needed; and because of you we enjoyed, what we considered, our best celebration ever.

We don't mean to infer that this is the only occasion on which you have shown us that you are behind us and our efforts at Montevallo High School. Rather we are saying, "Thank you for your confidence and support in all our endeavors—especially homecoming."

—S. DeMent, Homecoming Chairman

First touchdown for Montevallo at Homecoming game last Friday

Montevallo Rips Columbiana, 45-6

By S. DeMent

Game and determined, the Columbiana Wildcats fought to the end as Montevallo scored seven times to defeat the Shelby County rival 45-6 here Friday night. In this sparkling homecoming performance the Bulldogs scored every time they got possession of the ball with the exception of one time, that being in the third quarter when they lost the ball through a fumble.

Traveling 336 yards on the ground and 42 by air, Montevallo scored three touchdowns in the first quarter, two in the second, one in the third, and one in the fourth. Columbiana scored in the second period on an 83-yard drive.

This victory, which provided opportunity for all Bulldog reserves to get into action, gave Montevallo a 4-0-2 record for the season.

The tempo of the game was set early as the Wildcats fumbled the first time they got the ball, just 24 yards away from their own goal line. The Wildcats made the miscue as they tried to get the punt away on fourth down. After Ronald Smitherman picked up 15 yards and Ruben Hayes two, Billy Winslett went over from the seven.

Smitherman Runs 95

Unable to move the kickoff farther than their 42-yard line, Columbiana punted, pinning the Bulldogs back on their own two. But not for long! On the first play, Hayes got to the five. Then, as the Bulldogs cleared the deck for action, Smitherman provided it. Curtis Jarvis threw the last obstacle overboard, and Smitherman raced untouched for 95 yards and the score. Hayes added the PAT.

Bulldogs Pass to Score

Another touchdown came quickly as Montevallo kicked to Columbaina's 22 and the Wildcats fumbled there on the first play. Jarvis pounced on the ball for Montevallo and one toss from lefty Smitherman to Jimmy Thrasher gave the six points, putting the Bulldogs ahead 20-0 at the end of the first quarter.

A drive, which began on their own 17, gave the Wildcats their only score early in the second quarter. They went the 83 yards with twelve line plays and one pass, which was good for 13 yards, picking up four first downs in the doing.

Jarvis Catches TD Pass

Smitherman, Hayes, and Donny Davis took turns in moving the ball from their own 36 to within 18 yards of the Wildcat goal for the fourth touchdown. Smitherman passed to Jarvis, who fought off a couple of Wildcats, to complete the job.

Taking advantage of another Columbiana fumble, this time on the 37, Montevallo picked up No. 5. On the first play, after the recovery made by Jack Battle, Davis went the distance.

Smitherman Lone-Gone Again

Early in the third quarter Smitherman took a Wildcat punt on his own 20 and followed excellent blocking as he went all the way. Winslett went in for the extra point.

Averaging 24 yards per try for the night, Smitherman set up the final touchdown early in the fourth period with a 41-yard dash, which wound up on the three. Two plays later he scored.

Reserve Show Promise

Showing up well among reserve help in this game were George Underwood, Jack Rasberry, and Charles Hollingsworth.

Glad to see Bucky Askins at home last week for a visit with his parents, Mr. and Mrs. Bill Askins.

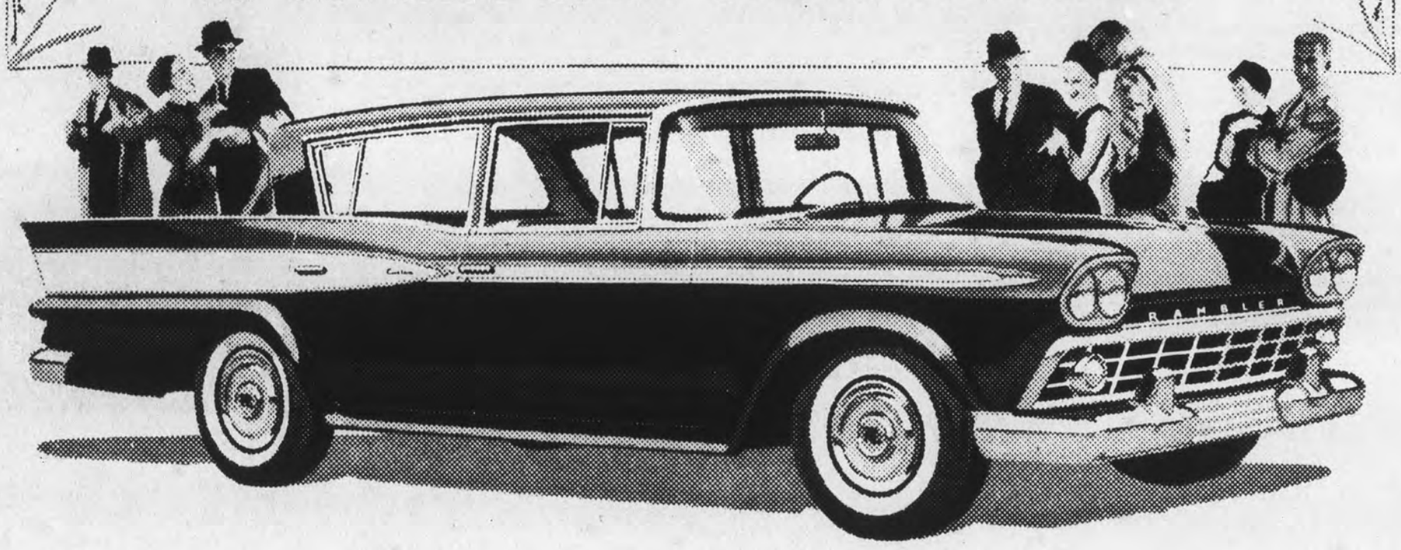

Jimmie Thrasher catching a touchdown pass, putting the Bulldogs ahead.

Sonny Davis returned from the University Hospital and wants to thank everybody for their visits, cards and flowers and the many good deeds done for him and his family. He is feeling fine.

Mrs. Tom Graves and children of Birmingham were week end guests of her mother, Mrs. Bert Ingram and family. Mr. Graves spent the week end in Florida deep sea fishing.

Soil Conservation Districts Week

This week is Soil Conservation Districts Week in Alabama. The annual observance of this week is sponsored by the State Association of Soil Conservation Districts.

John Lewis Cates, Columbiana, is Shelby County District Supervisor and operates a 790-acre conservation planned beef cattle farm on Highway 25 east of Columbiana.

Other county supervisors in the six-county North Central Soil Conservation District are: Cullman, Wallace Hathcock; Blount, L. D. Bentley, Sr.; Bibb, Lyman Young; Chilton, R. O. Williams; and Jefferson, Richard Beard, Sr.

889 Shelby County farms have been planned under district agreement with assistance of the Soil Conservation Service. After planning operations are completed these farmers are assisted in applying needed practices, among which are terracing, drainage, pond design, woodland improvement, crop rotations, and general land use planning.

Local SCS technicians assisting district cooperators are B. F. Hatchett, for 18 years Shelby County Work Unit Conservationist, and George Starcher, for nearly ten years Conservation Aid.

Other specialists often seen helping local conservationists are A. L. Harrell, area conservationist, Haynes Kelley, soils scientist; Marlyn Hester, area engineer; Bill Aiken, forester, and Agronomist Holt.

STRENGTH FOR THESE DAYS from The Bible

Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up.—(I Corinthians 13, 4.)

The real meaning of charity is a deep and true love of one's fellow men; this includes an abiding understanding of and sympathy for their faults and failings as we realize our own —and it means humility, and gratitude to God for the power and privilege of helping someone in spiritual, mental or physical need.

America...

The meaning of our word America flows from one pure source. Within the soul of America is the freedom of mind and spirit in man. Here alone are the open windows through which pours the sunlight of the human spirit. Here alone human dignity is not a dream but a major accomplishment. — Herbert C. Hoover

Modern Aids to Better Health

by George Friedman M.D.

Why Your Children Need Vitamins

New York — Parents often wonder whether vitamin supplements for their children are really necessary. In my opinion, the answer is definitely "yes." Many children do not like the taste of most leafy green vegetables, yellow vegetables, or fish. Others refuse to eat eggs, cheese or dried fruit. Still others do not eat enough to supply the needs of an active, growing body.

Where then can the growing child obtain these essential elements that are necessary for healthy bone and tissue growth? The answer is in his daily dose of vitamins. Vitamins are needed by the body to regulate the use of starches, fats and proteins and help convert them into sound tissue and energy. Minerals, such as those found in meat, poultry, fish and dairy products form the essential elements of bony structure, cell constituents and act as regulators of the acid-alkaline balance of the body.

Diet Not Enough

Too often, even if all the necessary foods are available, the vitamin-mineral content of them may be lost or altered by over-cooking faulty methods of preparation and storage. Good health is largely dependent upon what we eat. While it is true that diseases caused by severe vitamin deficiency such as scurvy, beriberi, or rickets are comparitively rare in our country today, the symptoms of low-grade or early vitamin deficiency are not infrequent.

A daily dose of vitamins is one good way to make sure that your entire family, especially the youngsters, are fully protected. Most infants, those ranging in age from birth to two years, have no difficulty taking the drops or liquids prescribed by their pediatrician. It is only when the youngster gets a little older, say about 2, and begins to make his objections loud and strenuous that the administration of his daily vitamin dose becomes a problem. And it remains a problem until he is 5 or 6 and is able to swallow tablets without choking.

New Vitamin Formula

For that reason many mothers may be interested in a brand new vitamin-mineral supplement developed by White Laboratories, in Kenilworth, New Jersey. Research scientists there spent two years perfecting a new formula that has completely eliminated the vitamin flavor and bitter after-taste of so many sugar-coated vitamin preparations. They have combined 13 essential vitamins and 9 nutritive minerals into an attractive, good tasting chocolate-like nugget sold in drug stores under the trade name of Delectavites.

If your child is old enough to chew, he's ready for Delectavites. He won't resist taking his vitamins in this appetizing form. You won't have to bother any longer with liquids or drops that tend to spill and stain clothing and linen. In fact, your whole family will like this new vitamin preparation, particularly the older folks who may have trouble swallowing pills or capsules. It's a reliable and delicious way of supplying your body's daily needs for vitamins and minerals.

TO THE VOTERS:

On September 19, the Democratic Executive Committee nominated me as the Democratic candidate for Member of the Board of Revenue, District 4. I am deeply appreciative of this honor. I have been your Member of the Board of Revenue from District 4 for 16 years. I have been fortunate in having the confidence of the people in District 4 in that I have received a majority of votes each time that I ran. I sincerely appreciate this confidence of my many friends and supporters. I am a farmer, member of the Arkwright Baptist Church and a Mason. I have been a member of your Democratic Executive Committee continuously for 45 years. I sincerely believe in sound economic progress for Shelby County from the construction of highways to industrial development.

I humbly and sincerely ask your support and vote for myself and the Democratic Party for Member of the Board of Revenue and Control, District 4.

Grow the F. H. A. Way

The overall goal of the Future Homemakers of America for this year is to help individuals to improve their personal, family, and community living now and in the future. Chapter members are learning to "grow the F.H.A. way" by placing special emphasis on promoting better family-living. One of the FHA beliefs is, " a better family member—a better family." An important goal of FHA is to train each chapter member to participate effectively in home, school, and community activities.

To accomplish these goals the Montevallo chapter of the Future Homemakers of America is helping with various school activities. At the homecoming game they were selling hot dogs and coffee, thus making money to carry out one of their local, state, and national projects, "Families Together." Finance chairman is Edith Edfeldt, who is working toward her chapter goals on her state degree.

The Montevallo FHA sponsored a sale of corsages for the homecoming game and dance. Tommie Ruth Mowery, who is also working toward her state FHA degree, was chairman. The students were assisted in making the corsages by two home economics student teachers, Miss Mary Katharine Wilson and Mrs. Patricia Shewbart.

FHA members who worked with the school's overall homecoming committee to plan, decorate, and serve the alumni reception were Gesila Malgedei, Betty Milstead, and Edith Edfeldt. All of these girls are working on their state FHA degree. Student teachers assisting the FHA committee with the reception were Mrs. Marvolin Stephens and Mrs. Mary Gene Fleming. Other Future Homemakers of America members, who are working toward their junior and chapter degrees cooperated with this committee.

Another current activity sponsored by the Montevallo chapter of the Future Homemakers of America is the sale of the FHA cook books. The cook book is a compilation of the favorite recipes of the vocational home economics teachers in Alabama high schools. Sale of these cook books has been developed as a money-making project in the local chapters of the Alabama Association Homemakers of America.—Mary Katharine Wilson, home economics student teacher.

Mrs. Bert Ingram was the dinner guest of the Bill Akridges Sunday night.

Mr. and Mrs. Ernest Guinn of Sylacauga, Mr. and Mrs. Odell Geff of Columbiana were Sunday guests of Mr. and Mrs. J.H. Peters and family.

4-H Club Meeting

The Montevalo 4-H Club met on October 14, 1958. The following committees were elected: Sewing, Linn Meyers, Chairman, Susan Thiemonge, Jean Phillips; Foods, Rosemary Wooley, Chairman, Barbara Barclay, Susan Whaley.

Child care, Nita Brantley; Yards and Health, Martha Shoemacker; Beef calf, Susan Thiemonge.

Project committees will report at the next meeting. Susan Lovelady is chairman. Committee members are Marjorie Grant, Rosemary Wooley, and Jean Phillips.

A demonstration for making cream of tomato soup was given by Susan Whaley and Barbara Barclay.

THANK YOU NOTE

I would like to express my appreciation for the beautiful flowers, get well cards, nice letters and phone calls while in the hospital and since being back at home for the visits, good food and prayers. These things have helped me so much in my recovery. May God's blessing be upon each one of you and many, many thanks to each one.—Mrs. Herbert McGaughy.

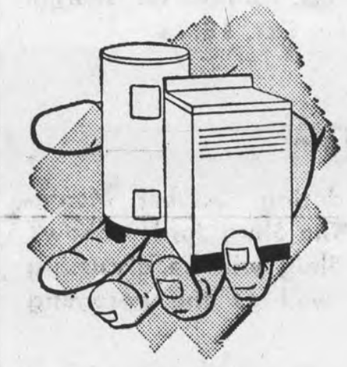

CUB SCOUT LEADERS ATTEND POW WOW

A group of Montevallo Cub Scout leaders attended the Pow Wow held at Tuscaloosa last Saturday. Enjoying the short training course were Cub Master and Mrs. George Nix, Mrs. B. W. Hamric, Mrs. Charles Bearden and Mr. Ben Vail.

Plans are being made to hold the district Boy Scout dinner in Montevallo on December 2, at the school cafeteria. Proceeds will go to the Scouts.

Soil Conservation District News

By B. F. Hatchett and George C. Starcher

At Brierfield, J. H. Edwards thoroughly plowed a three-year-old reseeding stand of rescue and button clover just before the district barbecue there in August. Everyone who saw it bare at that time should see the heavy stand of button clover and good stand of rescue grass growing there now, almost ready to graze!

Cooperator Edwards also has a good stand of mike clover reseeding on a 15-acre sorghum field. He planted 15 new acres to mike, with plans to follow mike with silage crops.

A fifth Soil Bank pond has now been completed, and is filling. C. R. Crim, Henry Davenport, O. E. Walton, T. W. Stubbs and F. P. Chesser now have ponds under this program.

Ponds have been poisoned, to be restocked, on the Phillip McEntee and Walter Williams-William Wood farms.

Field checks on terraces built last spring by G. H. and Roy Easter, Wilsonville, showed more than six square feet channel capacity in weakest points. This will be improved when terraces are replowed. At present, a heavy crop of stalks has been cut down, which will return to the soil plant foods not harvested and will help prevent erosion and help conserve moisture.

STATE OF ALABAMA

A PROCLAMATION

BY THE

GOVERNOR

WHEREAS, the Legislature of Alabama at the Regular Session 1957, ordered an election to be held by the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama which said amendment is herein set out, and ordered that the said election be held on the date of the general election next succeeding the final adjournment of the 1957 Regular Session of the Legislature; and

WHEREAS, the date of the general election next succeeding the final adjournment of the 1957 Regular Session of the Legislature will be and occur on Tuesday, November 4, 1958; and

WHEREAS, notice of such election, together with the proposed amendment is required by law and by the provisions of the act submitting the amendment, to be given by a proclamation of the Governor to be published in each county in the State of Alabama once a week for four successive weeks next preceding the day appointed for the election:

NOW, THEREFORE, I, James E. Folsom, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 4th day of November, 1958, an election will be held at the several polling places within the State of Alabama, in the manner and form provided by law upon the following proposed amendment to the Constitution of the State of Alabama of 1901:

"The Legislature shall not pass a special, private, or local law changing the form of government of Lauderdale County or of any city, town, village, district, or other such political subdivision of the county, or abridge the term of any elected officer thereof, by the abolition of his office or otherwise, unless the operation of such law be approved by a vote of the duly qualified electors of such county, city, town, village, district, or other political subdivision of the county, at an election held for such purpose in the manner prescribed by such law."

I further direct and proclaim that notice of this election upon Tuesday the 4th day of November 1958, upon the above set forth amendment to the Constitution of the State of Alabama of 1901, be given by publishing the same once a week for four successive weeks next preceding Tuesday the 4th day of November 1958 in each county in the State of Alabama in a newspaper published in said county.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of Alabama to be affixed by the Secretary of State, at the Capitol in the City of Montgomery on this the 18th day of August 1958.

Baptist Students Go To Convention

The Montevallo Baptist Student Union was represented at the Alabama Baptist Student Convention in Gadsden last week end. All sessions of the convention were held at the Twelfth Street Baptist Church.

Student participation is a mapor feature of this annual week end meeting which attracts hundreds of college students from every college in Alabama. Among the assignments listed for the local Baptist Union was the appearance of its newly organized instrumental ensemble and special music furnished by a women's octet. Miss Libby Queen convened a conference and Miss Myra Linholm introduced the Sunday morning speaker. Miss Jennie Catney, accompanist for the state BSU choir, accompanied that group in its two appearances at the convention and also played for the Sunday morning session.

Outstanding preachers, missionaries and laymen were featured in Bible study, conferences and inspirational messages.

Boy Scouts Meet

Boy Scouts Troop 59 met Monday at 6:30 p.m. at the Methodist Church. Eight scouts and one leader were present.

The meeting opened with the scout oath, led by Larry Blankenship. The scouts worked on their achievements and elected George Nix, Jr., as their new scribe.

The Board of Review met at 7:55 and scouts who were eligible were questioned on their achievements and are to be awarded badges at a later date.

Refreshments were furnished by Mrs. George Nix. The meeting was adjourned at 8:30 — George Nix, Scribe.

Mr. and Mrs. D. O. King of Birmingham are spending a few days with the K. G. Kings.

Phillips Named to Nuclear Board

Dr. Howard M. Phillips, president of Alabama College, has been elected to the board of directors of the Oak Ridge Institute of Nuclear Studies.

Dr. Phillips received notification of his appointment by telegram late Tuesday from the office of the director, Dr. William G. Pollard.

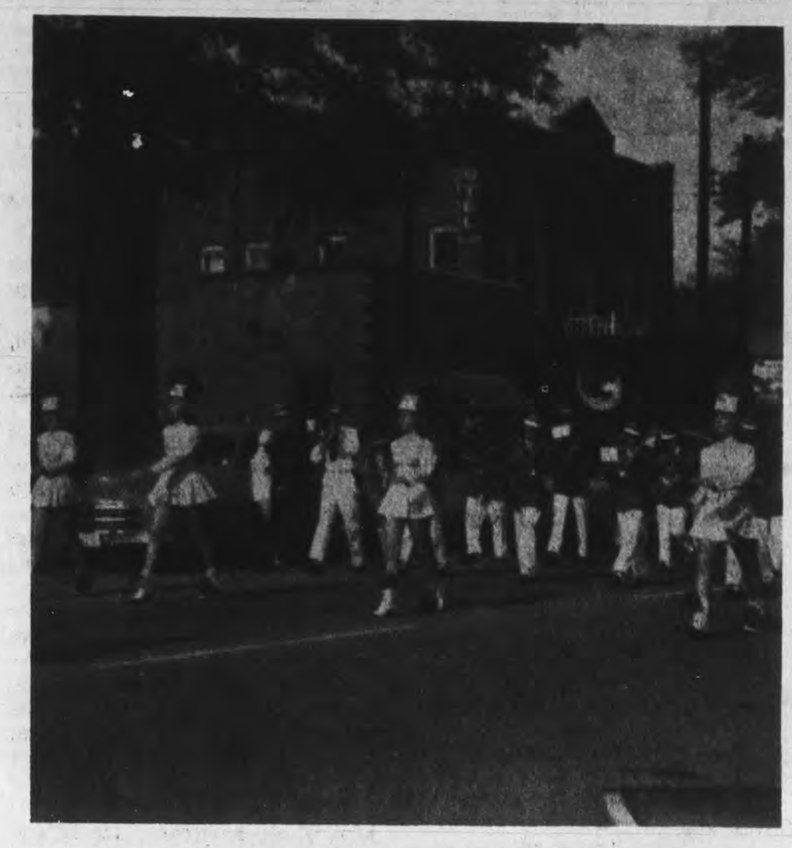

The appointment to the 15 member board is effective immediately, and is for a period of three years.

Dr. Phillips was inaugurated as eighth president of Alabama College Oct. 14. He was appointed chairman of the Alabama Advisory Committee on Nuclear Energy Studies by the governor in 1957.

Dr. Phillips has served on the council of the Oak Ridge Institute of Nuclear Studies (ORINS) since 1952, and is a past vice-chairman of the council.

He was chairman of the committee on management of the institute in 1953-54. The following year he served as chairman of the study committee on biology, medicine, and agriculture.

In 1955-56 he was chairman of the building committee, ORINS. He has also served the institute on the nominating committee, and as chairman of the committee on University relations.

'Gateways to the Mind' Is Phone Company TV Show

What science has learned about the human senses will be told tonight (Thursday) in "Gateways to the Mind" on WAPI at 7:00.

The program opens the Bell Telephone System's 1958-1959 television science series. The hour-long film will be telecast in color.

Dr. Frank C. Baxter is featured in a presentation which makes use of both animation and scientific motion pictures. The film was especially produced for television by Warner Brothers for the Bell System.

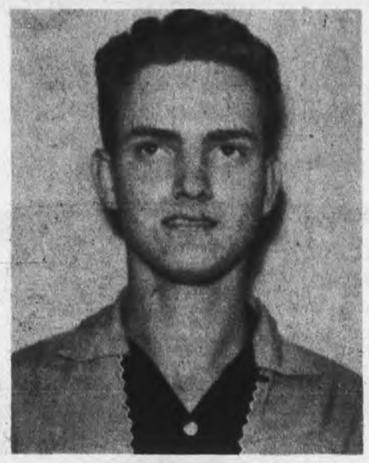

The program presents scientific information on how man is able to see, hear, taste, smell and touch. In all, some 14 human senses are explained. It points out that life without human senses would be like living in a dark cave with no entrance and no exit and with no communication with the outside world.

"Gateways to the Mind" is the first of four Bell System science series films this season.

J. L. Switzer, manager of Southern Bell, says that "Gateways to the Mind" will be available to the schools and other organizations for showings after the telecast. He said arrangements can be made for the loan of 16mm color films through the Southern Bell office in Birmingham.

Faculty Displays Works of Art

Works of art done by the faculty of the Alabama College art department are now on display in the college's art gallery.

The exhibit consists of paintings, drawings, water colors, and sculpture done by Martha Allen, Virginia Barnes, and David Huntley.

The exhibition will be displayed in the Comer Hall art gallery through Oct. 22. According to Mr. Huntley, chairman of the art department, these works show the variety of styles and medium used by members of the Alabama College art faculty.

On October 22, the art department will also open its new show "Images of Pre-Columbian art." This photographic exhibition of art in America prior to its discovery by Columbus contains archaeological objects dating from 1000 B.C. to Spanish conquest in 1521.

"Qualities of line, form and texture not immediately apparent to the casual eye are revealed in Lee Boltin's pictures. The simple and vigorous forms of the Mezcala period, the humorous and imaginative creations of the Archaic period, and the ceremonial objects of the classic Mayan period are represented by warriors, musicians, women, children, and vessels in the shapes of animals," said Mr. Huntley.

Forty-four prints, 14" x 17", 16" x 20", 25" x 40" are accompanied by a few original pieces for comparison. This exhibition is sponsored by the American Federation of Art.

Montevallo Plays Calera Friday

Friday night Montevallo's Bulldogs travel to Calera for their annual battle with the Calera Eagles. Last year Calera, tieing with Thompson for county championship, handed the Bulldogs a humiliating 7-6, homecoming defeat.

Thus far this season the Eagles have tied one game and lost five. After losing the opener to Vincent, 12-0, they came back to tie Hayden, 7-7. Since then they have dropped decisions to Jemison 20-0; Thompson, 14-0; Verbena, 21-7; and Isabella, 46-13.

Montevallo's record of four wins and two ties includes victories over Thompson, 18-0; Clanton, 19-7; Jemison, 15-0; and Columbiana, 45-6. The Bulldogs fought Verbena to a 20-20 deadock and tied Isabella in the opener 7-7.

Even though Calera has lost the services of two good men, Walter Ingram and Bobby Joe Killingsworth, during the season, this team is always respected in Shelby County as an upsetter. Performing before a home audience, the victory-hungry Eagles could well be out to get a bite of Montevallo cake with it 4-0-2 icing.

Warrior Lock and Dam Is Dedicated

Mr. and Mrs. Pat Wyatt represented The Times-Herald at the Warrior Lock and Dam celebration near Eutaw last Thursday. They made the pictures accompanying this report of the event.

For a verbal description of the program, we borrow from our old friend and fellow representative of the press, Stuart X. Stephenson, roving reporter for the Montgomery Advertiser.

After petite and personable little Martee Selden's tug unveiled the marker, a powerful old warhorse began easing her cargo of barges through the locks and ou toward the rich lands of coal and iron. With a setting sun at her stern, the Warrior propelled her nudging barges into the closing darkness.

It was a dramatic finish to one of the biggest lock and dam dedications in Alabama history.

BIGWIGS AND littlewigs came for the Warrior Lock and Dam ceremonies sponsored by the Warrior-Tombigbee Development Association.

Oratory flowed with the current. Maybe much of it was soon forgotten. But the ladies liked Congressman Frank Boykin yapping. In his strictly limited 12 minutes, which he overran as expected, he said exactly nothing, but he said it of people in such a nice way that the ladies all considered themselves the selected ones in his flattery.

The old pro talked so fast that he mixed a few metaphors and crossed up his geography, and a few may still be puzzled whether he meant millions or billions. Still he brought chuckles and the crowd accepted with scattered applause this one: "After the next three weeks, there will not be another damn Republican."

With so many speeches, Rep. Armistead Selden, the host, was thought to have little left that he could say. He fooled them and gave the historical development o the project. And no father could have been prouder of his daugh ter than he was of that little darling, Martee.

Little Miss Martee Selden, daughter of Rep. and Mrs. Armistead Selden, pulls the cord that unveiled the marker at the Warrior Lock and Dam.

THE WARRIOR lock and dam is another link in a waterway modernization program that began more than ten years ago. Nine of the low lift locks and dams have been replaced by three really big brothers.

Construction of this huge hunk of harness began in 1954 and was completed at a cost of nearly $14 million. Engineers report the travel time for the average barge is now shortened by 24 hours on a roundtrip between the two extreme ports, Birmingport and Mobile.

Rep. Armistead Selden making the main address at the Warrior Lock and Dam dedication. Mr. Selden was the host Congressman at this event since the Warrior River facility is located in his District.

Zoning Commission Elects Chairman

At a called meeting of the Montevallo Zoning Commission in the City Hall October 11, 1958, Clayton Nordan was re-elected chairman of the local zoning commission for the next four years, and Mrs. Paul Rogan was elected to serve as Co-Chairman for the duration of her term as a member of the Commission.

Mrs. Rogan is now serving her second four-year term. Mr. Nordan, who has been a member of the commission since its creation in 1948, has served as Chairman for the last four years.

Mr. Nordan wishes to express his appreciation to his fellow members on a very important local civic job superbly handled in the interest of all local citizens and the town as a whole. Members of the local zoning commission other than Mr. Nordan and Mrs. Rogan, all serving a staggered four-year term, are: Mrs. Don Lovelady, Secretary, Joe Clark, F. P. Givhan, Harry Kendrick, and Fred Frost, Jr.

Since its creation in 1948, by a vote of the Citizens of Montevallo, the Montevallo Zoning Commission has become a very important segment of our local government so far as the future development of our town is concerned. It is the primary duty of this Commission to plan and regulate the present and future physical developments of our town and its immediate areas. It is their responsibility to make certain studies and plans for each area of the town and zone these specific areas to be used and developed for a specific purpose, such as residential areas, business areas, industrial areas, etc., in accordance with the existing zoning regulations pertaining to the basic plans heretofore made for the future development of the town of Montevalo. It is their responsibility to make a review of all proposed developments within the zoned areas of Montevallo and surrounding area. All subdivision of property within a zoned area must be approved by the Zoning Commission before it can be sold and used for any specific purpose, whether it be intended for residential, business, industrial, civic or other purposes.

It is the duty of the Zoning Commission to pass on all proposed construction specifications within any zoning area and to recommend the approval or disapproval of any building permit for the construction or repair of any structure and to determine whether or not a proposed structure complies with the existing regulations pertaining to that particular zoned area.

The Montevallo Zoning Commission operates in conjunction with the Alabama State Planning Commission and under the jurisdiction of the local City Council.

Again, may we congratulate each member of the present zoning Commission for superbly handling a sometimes thankless civic job and for the personal interest and concern they have shown in making a better town of Montevallo in which to live and prosper for all present and future citizens.

MONTEVALLO PERSONALS

Mr. and Mrs. Tony Hall, of Barstow, California, are spending a month with their parents, Mr. and Mrs. H. Hall, of Aldrich, and Rev. and Mrs. Grover Lawley, of Dogwood. After being discharged from the Army, Tony went into Civil Service and has lived in California for over two years. The Alton Hall family of Marietta, Georgia, were also week end guests of Mr. and Mrs. H. Hall.

* * *

Mr. and Mrs. Brewer Carpenter, Jr., and children, of Fort Walton Beach, Fla., visited Mr. and Mrs. Carpenter, Sr., last week-end and attended Homecoming at the High School. On Saturday night, Mr. and Mrs. Carpenter, Sr., entertained with a birthday dinner for their grandson, Billy, on his fifteenth birthday. They were happy to have Billy's maternal grandmother, Mrs. R. H. Brown, of Birmingham, at the celebration. The dinner was also attended by Billy's parents, his sister, Mr. and Mrs. Buck Anderson, Tommy and Sherry Anderson, and Mrs. Walter Fancher.

LADIES SODALITY

The Ladies Sodality of Saint Thomas The Apostle Catholic Church met October 15 in the church hall.

Guest speaker for the evening was Mr. Roy F. Montgomery, Assistant Professor of English at Alabama College. Mr. Montgomery gave an informative talk of the procedure of papal elections.

Refreshments were served by Mrs. Floyd V. Anderson, Sodality President.

THANK YOU NOTE

I would like to express my appreciation for all the lovely flowers and cards and visits from friends while in University Hospital and since I have returned home.—Mrs. Josie Thrasher.

Preparations for the barbecue included "Brunswick Stew" made in old fashioned wash pots, and stirred by a Negro cook with a hickory stick.

Homecoming Is Friday at Calera

Calera High School will observe it's annual Homecoming this Friday, October 31. Observance will begin with a bonfire Thursday night at 6:30.

The parade promises to be the largest and best ever. Each grade will be represented by a float. The parade is under the direction of Mrs. Betty Giles and Mr. W. J. Akridge. Miss Linda Farris will reign as Homecoming Queen. She and her court will ride on a float built by a student-faculty committee headed by Coach Charles Jones.

At 7:30 the Calera Eagles will meet the Reeltown Rattlers. Eddie Mae Martin, 1957's Miss Homecoming will crown the new Miss Homecoming at halftime.

A dance will follow the game. The dance will be led by Linda Farris and her escort, Billy Hall. Others in the leadout and their escorts are: Margaret Cost, Larry Smith; Peggy Ingram, Walter Ingram; Mildred Aldridge, William Askins; Mary Ellen Pickett, Leon Campbell; Marjorie Woods, Buster Killingsworth.

All alumni are invited to Homecoming functions.

VISITORS AT STUDY CLUB

Among the out-of-town visitors attending the Montevallo Study Club Silver Anniversary Tea Tuesday were Mrs. J. L. Morrison, Fourth District Director of the Alabama Federation of Womens Clubs of Greensboro; and former members of the club, Mrs. Frank Philpot, Montgomery; Mrs. John C. Blair, Mrs. Ed Craig, and Mrs. James Varnell, Birmingham.

Mrs. N. E. Phillips, left, as she presented Mrs. Charlotte Peterson, Principal of Montevallo Elementary School, with a check for $100 from the Montevallo Study Club in commemoration of the club's 25th anniversary this week. The money is to be used for books in the school library.

P.T.A. To Meet November 3

"An appraisal of the School Library and Instructional Materials" will be the topic of a panel discussion to be presented Monday night, Nov. 3, when the Montevallo PTA meets in the high school auditorium.

Mr. and Mrs. Richard Ballentine as co-chairmen of the library committee, will be in charge of the program. Panel members will be M. Thornton, Mrs. Rebecca McGaughy, Mrs. Guy Milford, Mrs. Charlotte Peterson and Mrs. Bill Rotenberry.

The panel members will also discuss the town and college library. The meeting will begin at 7:30.

Calera's Homecoming Queen

Linda Farris, 17-year-old senior, was chosen Calera's Homecoming Queen for 1958. She is the daughter of Mr. and Mrs. Carson Farris of Calera.

Her Majesty will ride on the float built for the queen and her court by a faculty-student committee headed by Coach Jones. The parade will be Friday, Oct. 31, at 1:30 p.m. She will be crowned at half-time of the Calera-Reeltown game by Eddie Mae Martin, Miss Homecoming for 1957.

Members of her court will be Marjorie Wood, runner-up; Peggy Ingram, Margaret Cost, Mary Ellen Pickett, and Mildred Aldridge.

JACK HALL

Hall To Operate Pan-Am Station

Jack Hall will take over ownership of the Pan-Am Service Station in Montevallo on Saturday, November 1. The station has been operated for a number of years by Mr. C. L. Reach.

Mr. Hall attended Jemison High School. A veteran of four years service in the Navy, he has been employed at Montevallo Motor Co. and at American Brake Shoe Co. in Calera. We wish Mr. Hall success in his new business.

MURRAY C. FLYNN

The 1959 Montage, Alabama College yearbook, and the Elite Night ceremonies Saturday night, were dedicated to Murray C. Flynn, assistant professor of economics.

Montevallo Study Club Provides Many Valuable Services to the Community

The Montevallo Study Club gave $100 to the Montevallo Elementary School for the Elementary Library in commemoration of its 25th anniversary this week.

This commendable action brings up in our recollection many of the benefits that the town has derived from this active group of women. The Study Club was organized in 1933 by a group of eight or ten women who felt the need for cultural, social and civic growth.

The club is now composed of 20 members. Regular monthly meetings are held in the homes of the members and each member serves her turn in presenting a program to the group.

"Besides the real pleasure and benefit that we have derived from the club, we feel that we have been of some real benefit to others—'That man may last, but never lives who much receives but nothing gives'," spoke one of the long-time members in reminiscing the activities of the club throughout the years.

In the early years they gave money to the P.T.A. for the milk fund for undernourished children and provided some children with eye-glasses. Through the Welfare Department they made and contributed baby layettes and gave Christmas baskets to needy families.

The first big project the club undertook was the Christmas lighting for the town. After several years this project was relinquished to the Chamber of Commerce, but the club continues to light a large Christmas tree in a conspicuous place in town each year.

They have contributed toward the school lighting, band uniforms and during the past year sponsored the Red Cross drive in Montevallo. They provided scholarships to high school seniors, contributed to the Fourth District Edyth Saylor Scholarship, helped sponsor a girl to Girl's State, contributed to F.F.A., assisted with the Blood Bank, and during the war years spent many days sewing and knitting for the Red Cross.

The beautiful red roses that bloom alng the viaduct entering Montevallo were planted by the Study Club.

Money for the many projects has been raised through rummage sales, benefit bridge parties, dramatic productions, and perhaps the most well-known project has been the two Cook Books which have been published bearing well-known recipes of people in the community.

We express our congratulations to the Montevallo Study Club on its 25 years of civic service to our community.

Calera School Will Observe Education Week

Miss Mamie Bishop of the Calera High School faculty, has announced plans for the observance of American Education Week from November 2-6.

"'During this week," Miss Bishop said, "parents are asked to visit the school at any time to observe classes at work and become better acquainted with the place their child spent the greater part of each school day. Especially would we like to have them attend one or all of the special programs planned for each day of that week."

"Among the speakers who will appear on these programs will be Mr. Roy Downs, president of the Central State Bank, Calera; Mr. Elvin Hill, Superintendent of Education, Shelby County Schools, and Mr. Ben Swindle, American Brake Shoe, Calera.

"Two other programs planned," Miss Bishop went on will be given by the sixth grade, taught by Mrs. Rebecca Downs and the Home Economics Department with Mrs. Jim Childers, teacher, in charge.

THANKS FROM THE MHS BAND

The members of the MHS Band and their director express their most sincere thanks to Luke, his helpers, and all others who made possible the fine chicken dinner last week. The members were served in two groups on Thursday and Friday at 4:00 p.m. Everyone enjoyed the occasion and appreciate this expression of interest in the band.

The supper was contributed by the merchants, business men and women, and citizens of Montevallo.

TO THE VOTERS:

On September 19, the Democratic Executive Committee nominated me as the Democratic candidate for Member of the Board of Revenue, District 4. I am deeply appreciative of this honor. I have been your Member of the Board of Revenue from District 4 for 16 years. I have been fortunate in having the confidence of the people in District 4 in that I have received a majority of votes each time that I ran. I sincerely appreciate this confidence of my many friends and supporters. I am a farmer, member of the Arkwright Baptist Church and a Mason. I have been a member of your Democratic Executive Committee continuously for 45 years. I sincerely believe in sound economic progress for Shelby County from the construction of highways to industrial development.

I humbly and sincerely ask your support and vote for myself and the Democratic Party for Member of the Board of Revenue and Control, District 4.

New Frigidaire Home Appliances To Be Shown by Lovelady Sales Company

New Frigidaire home appliances for 1959, highlighted by electric ranges with a revolutionary oven that pulls out of the cabinet for easy cleaning, will be shown in this area for the first time in early November, according to Don Lovelady, Frigidairs dealer here.

Mr. Lovelady said that new Frigidaire refrigerators and food freezers also will be previewed in the showrooms of Lovelady Sales at Main Street, Montevallo.

In describing the new ranges with the pull-out oven, he emphasized that the unique design "marks a new concept in convenience for homemakers that not only minimizes drudgery but speeds up oven cleaning by as much as 50 per cent."

For cleaning, the homemaker simply pulls out the entire oven, just like a drawer, resting it on the sturdy drop-down door. The top lifts out, exposing the inside of the oven for easy cleaning. Even the back wall is completely accessible without kneeling or stretching. The sealed, self-cleaning heating unit at the bottom, like the one at the top, comes out, leaving the oven floor completely unobstructed for cleaning. Shelves can be removed for washing at the sink.

Revolutionary frostless freezing, pioneered by Frigidaire earlier this year, has been coupled with a distinctive new styling concept to present what Mr. Lovelady described "as the most completely feminine household refrigerator ever designed for American homemakers."

He pointed out that the new refrigerators have been designed, not only to provide efficient, effortless food-keeping, but to look as though they actually belong in a woman's kitchen. He said that a delicate lacework styling tone on door and bottom panels provide a truly elegant feminine appearance without sacrificing the clean, functional sheer look design lines introduced in refrigerators and other home appliances by Frigidaire.

The delicate lacework styling extends through range and food freezer lines as well.

Freezer defrosting is eliminated completely in two new top model 1959 frost-proof regrigerators. One is a 12.4-cubic-foot single door model with 90-pound freezer below. The other is a 14.2-cubic-foot model which has a 133-pound freezer with separate door.

Food packages never frost up, or stick together in the freezer section of these combination models. Ice cubes remain clear and dry, regardless of time in storage. Frozen food is always easy to remove without chipping away frost and ice. Homemakers never face the muss and fuss of defrosting with all of the confusion of melting ice, soggy food packages and water puddles on the floor.

Food storage facilities are scientifically designed, arranged and sectionalized to eliminate searching, stretching and bending. Ice cubes are always in plentiful supply and instantly available, thanks to a built-in ejector and generous storage bin in the freezer.

The new 1959 Frigidaire food freezers, with capacities ranging from 12.3 to 20 cubic feet, are designed to bring "supermarket shopping convenience" right into the home. Bright star of upright models is a 15-cubic-foot Imperial model which matches the size, shape and styling of the 14.2-cubic-foot frost-proof refrigerator-freezer or 14.4-cubic-foot cold pantry combination model.

This upright model will hold up to 525 pounds of frozen food, stored on three fast-freezing shelves, a removable shelf, roomy basket drawer and five full-width door shelves and frozen juice can holder. All Frigidaire food freezers, including upright and chest-type models, are covered by a $300 warranty on food spoilage which extends for three years.

Top model refrigerators and ranges come in five lively colors, including new Aztec Copper, turquoise, charcoal gray, pink and yellow.

Bulldogs End Conference Play By Defeating Calera For 3-0-2 Record

By S. DeMent

Montevallo Wound up its Mid-State Conference play last Friday night with a 3-0-2 record, defeating Calera 44-0. The Bulldogs, finding this county rival greatly weakened through the loss of two backfield men, scored at will, with reserves playing half the time.

Long runs, an intercepted pass, two costly fumbles, beautiful passing, and outstanding blocking—these gave the Bulldogs seven touchdowns to the delight of the Montevallo fans.

Hayes Has Good Night

Ruben Hayes, Montevallo's hard-driving fullback, got the show on the road realy and came back for plenty curtain calls. The Bulldogs received, and on the third play of the game, Hayes galloped 43 yards to give the Bulldogs enough points to win the game. Ronald Smitherman needled through for the extra point.

Calera Can't Hold On

Plagued by fumbles throughout the night, Calera set up the next two touchdowns for the Bulldogs by their own miscues.

Danny Thornton, center, grabbed the first errant football on Montevallo's 45. Then, as if the pigskin were no more than the little round ball, Smitherman fired a strike which traveled 50 yards in the air and landed safely in the hands of Jimmy Thrasher at the goal line. The try for the extra point failed.

Two plays later Calera bobbled again, this time on their own nine. Big Curtis Jarvis, end, grabbed the ball for the Bulldogs; and Smitherman had no trouble going the nine yards in one play. Again the attempt for the extra point was stopped.

Second Team Holds

Montevallo's second string, playing the entire second quarter, held the Eagles to one first down but could get no further than Calera's 31. At halftime Montevallo led by 19 to 0.

The Bulldogs went into action again in the third period and got the touchdown express moving for three more scores.

The Eagles received, picked up one first down, and refused to give up on the 43, where the ball went over on downs. Montevallo lost 7 yards on the first try, but a 35-yard run by Donny Davis and a 30-yard jaunt by Smitherman produced a fourth touchdown. Again it was Smitherman running the extra point.

Nabors Runs With It

As the Eagles took the next kick, they completed one pass good for 11 yards; but a second pass strayed into the hands of Montevallo tackle, Allen Nabors, who ran it back to Calera's 46. A pass from Smitherman to Jarvis was good for 38 yards, then Smitherman ran around end for the other 8 yards.

Three plays later Calera kicked to Montevallo's 27. Barclay Fisher caught the punt and handed the pigskin to Smitherman, who didn't stop until he had gone all the way. Thornton was the big man on the play, giving the key block to get Smitherman started, then Jarvis and Thrasher cleared other troubles to make it smooth sailing for the fleet halfback.

Davis Scores

A final touchdown came in the closing moments of the game as Montevallo took over on the Calera 45. Hayes looked good for gains of 15 and 16 yards. Thrasher got 20 yards nearer the goal, and then Davis went over from the eight.

The game ended with Montevallo's second string moving toward the goal as Jack Rasberry got away for 15 yards.

Boy Scouts of Montevallo are happy at the consummation of an agreement with Dr. Doster, of Birmingham, whereby a site near Big Spring has been secured for erection of a Scout Cabin, which will be made in rustic style from pine logs, native stone and concrete.

* * *

The Study Club will initiate the movement for lighting the whole town for Christmas this year, and we hope they may have the full cooperation of everyone.

* * *

Dr. Leslie Hubbard of Birmingham and Miss Louise Smith of Montgomery were dinner guests of Mr. and Mrs. V. L. Hubbard and Mr. and Mrs. Lance Hubbard Sunday night.

* * *

Miss Nell Sanders spent the week end at Alabama College with Miss Louise Lucas.

* * *

The David Lindsay Chapter, Daughters of the American Revolution, was represented last Sunday at the dedication of the new Health Hall of the Kate Duncan School, by Mrs. T. H. Napier, vice-regent for the state.

* * *

A fiddlers convention is to be held at Calera Junior High School Friday night, November 11 (Armistice Day) sponsored by Ware-Crim Post No. 56, American Legion, to raise funds to buy Santa Claus for needy children.

* * *

The Social Club of Siluria met October 12, at the home of Mrs. J. H. Denham, with Mrs. L. F. Ward as joint hostess.

* * *

Mr. and Mrs. Sam Klotzman and children, Harry and Frances, spent Sunday with relatives in Blocton.

"Turkeys for Sale, live or dressed. Place your order now for Thanksgiving. They are scarce. W. J. Bailey, Montevallo."

"Montevallo Gro. Co. and Brown Trading Co. Specials—Pork and Beans, 2 cans for 9c, Royal Cup Coffee, 1 lb. bag 24c, sugar 10 lbs. 49c."

* * *

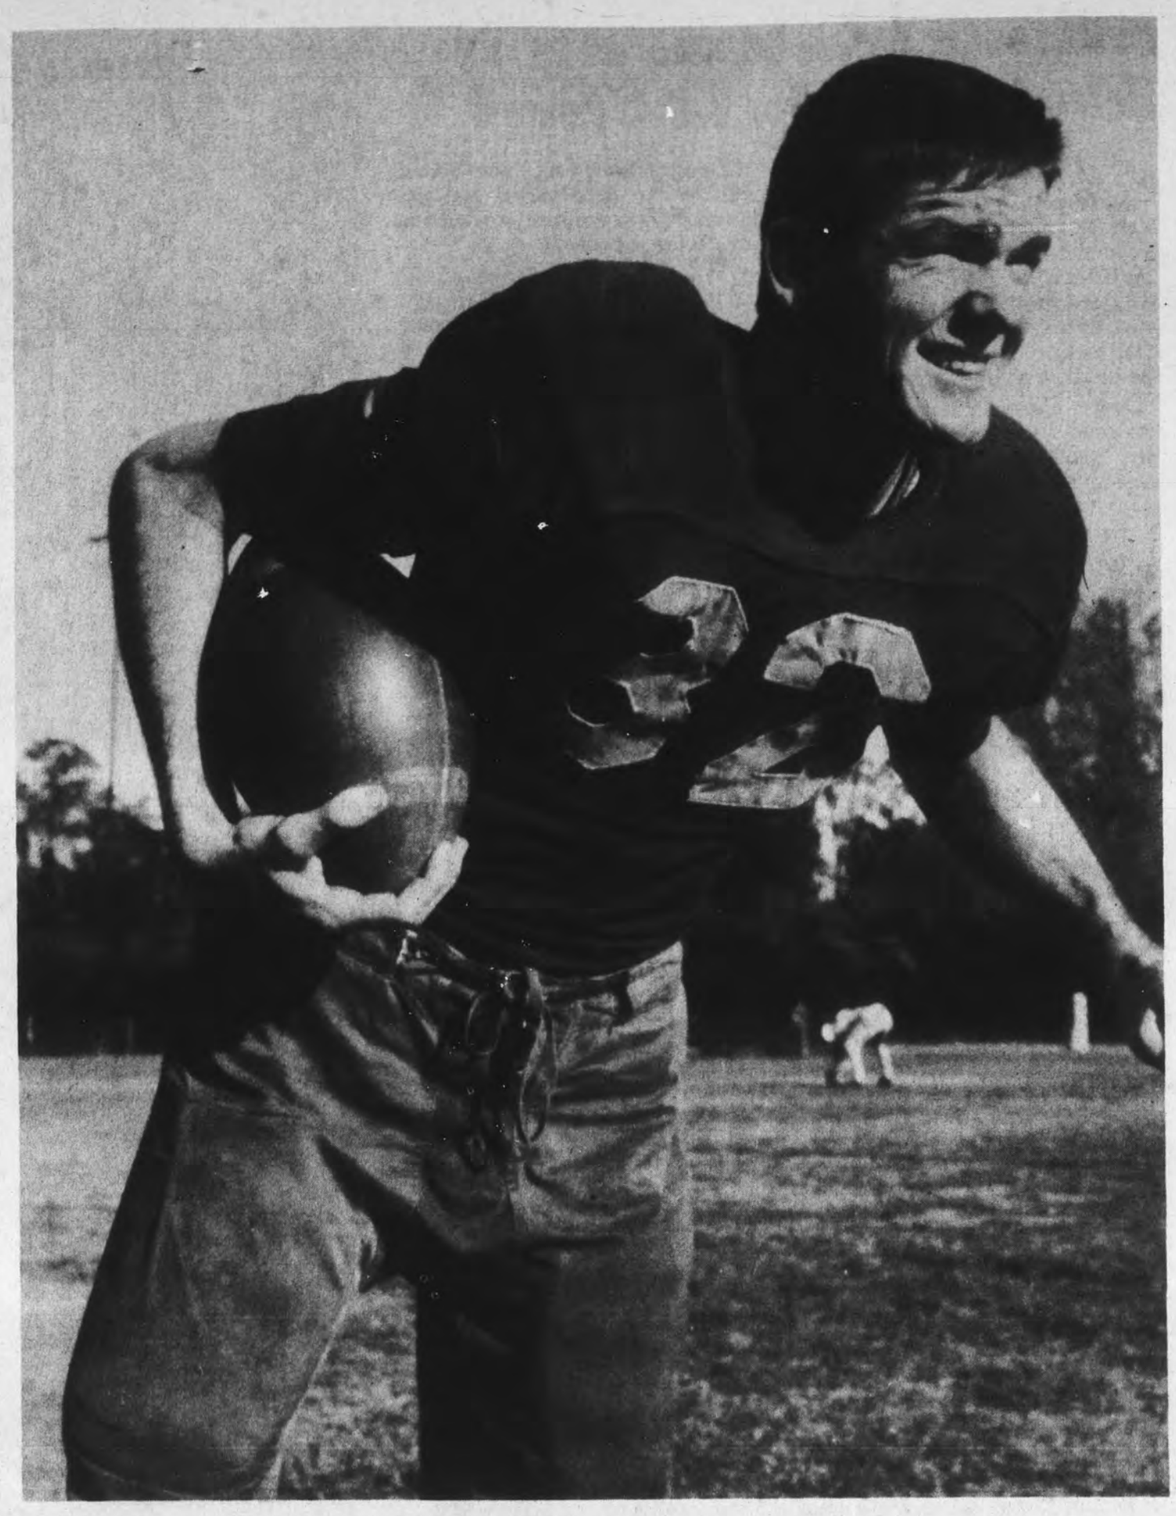

Several girls from Troop 2 cooked breakfast down at Big Springs Saturday morning. Boy Scouts busy at their new grounds seemed to like the odor of bacon and other good things. Eggs cooked in orange cases were something new. Those who went were Tootsie Clayton, Julia Rogan, Annie Mae Davis, Dorothy Thomas, Katherine Bridges, Betty Cain, Catherine Adams and Edine Sellers.

* * *

The Indians are coming. Montevallo will be full of them next Saturday afternoon and night. The chiefs, warriors, and braves from half a hundred tribes in Alabama will be here in full dress of paint and feathers, carrying native tomahawks, scaping knives and war clubs. (Editors note: this was not as bad as it sounds. It refers to the Alabama District Convention of the Improved Order of Red Men.)

CARD OF THANKS

We wish to thank our neighbors, friends and relatives for their kindness and sympathy shown us during the illness and death of our loved one, Mr. Charlie Knowles. Especially do we thank Dr. Hubbard, Dr. Kirkland and Rev. Banks. Also thanks for the beautiful flowers, cards, prayers and food. —The Knowles Family.

RONALD SMITHERMAN

Ronald Smitherman Plays Big Part in Montevallo Bulldogs Successful Season

By S. DeMent

While no part of the credit for Montevallo's successful football team this year is to be taken away from the great team effort and fine spirit among the boys, there is one who has played a big part in leading that team to success.

He is Ronald Smitherman, 17-year old halfback, Montevallo's captain and candidate for All-State.

Scoring at least one touchdown in every game this year, this 165-pounder is on the firing end of the Bulldogs' passing attack which has scored eight times this year. Twelve times more Ronald has lugged the leather across the opponent's goal for touchdowns, and five times he added the extra point himself. This makes a total of 125 points in which the young athlete has figured. Points scored by Montevallo this year total 169.

Ronald first went out for football at Montevallo when he was in the eighth grade, a 130-pounder. Last year, as a junior, he was named on Shelby's All-County selection. However, his athletic interests and talents are not limited to football as he serves the school equally as well in basketball and baseball.

Two years Ronald has earned letters as guard on the basketball team, and his baseball monogram has five stripes for service in that sport. When baseball comes around, he does duty as pitcher, first baseman, or outfielder with equal competence.

Last year Smitherman led Montevallo's Shelby County championship baseball team in three departments. He had a batting average of .437, which included five home runs and four doubles, and was credited with 23 rbi's.

Ronald, an honor-roll student, proves that brains accompany brawn in the outstanding athlete. He is president of the school's Hi-Y and Lettermen's Clubs. Last year he was one of Montevallo's representatives at Boys State.

Ronald is the oldest of three sons of Mrs. Zelda Smitherman of Montevallo.

Not now!

THE RECORD SHOWS that the modern Southland has what it takes to attract new, job-providing industries of all kinds.

During the ten-year period, 1948-1957, there were 3,299 major industrial developments along our lines alone — an average of more than one and one-fourth each working day for this period. These new developments just in the past six years represent a total investment of almost $3.5 *billion* and have created more than 119,000 jobs that didn't exist before.

All in the South can be proud of this fine record. Yet, this is no time to sit back and "rest on our oars." Now more than ever — in these times of lessened business activity everywhere — it behooves all who live and work in the Southland to make an *extra* effort to keep new, job-creating industries heading South and make sure that they stay happy in their "new home."

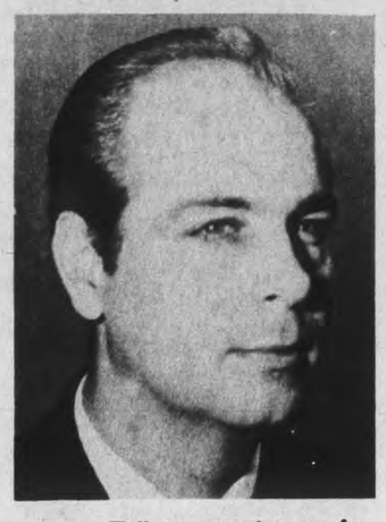

The more we all do to help continue without let-up the amazing industrial growth of the Southland, the more we all will benefit.

To Give Recital

Bruce Tolbert, associate professor of music at Alabama College, will present a recital in Calkins Auditorium at 8:15 p.m. Nov. 3.

Mr. Tolbert, a widely known tenor, has presented recitals throughout the South. He will be accompanied by Janera Carter, Cullman, an Alabama College music major. Miss Carter is a pupil of Mr. M. Ziolkowski.

Mr. Tolbert presented a recital at Jacksonville State College last Tuesday.

Mrs. J. W. Sims and Mrs. B. M. McRae spent Tuesday in Montgomery shopping and visiting Mr. and Mrs. Frank Sustar and Janie.

Mr. and Mrs. A. J. Smith of Childersburg and Mr. and Mrs. J. W. Haywood went to Birmingham last Sunday to see Mr. James Clark, who is seriously ill.

Calera School Observes United Nations Day

United Nations Day was observed on Friday at Calera School when the fourth grade taught by Mrs. Jim Mabry, presented a program in the school auditorium.

The classes of the Elementary School were invited to this presentation which was opened with the singing of the "Star Spangled Banner" followed by the Pledge of Allegiance.

Posters of the United Nations building and flag formed a background as children bearing the flags of the member nations marched on the stage.

The children bearing large letters spelling out the word friendship stood in front forming the final tableau.

The program was concluded with the singing of "America".

Mrs. Elizabeth Redwine accompanied the group singing at the piano.

CITIZENS COUNCIL MEETING

The Shelby County White Citizens Council will meet Monday night, Nov. 3, at 7:30, at the City Hall in Calera.

The picture, "The Birth of a Nation", will be shown. Admission is free. Come and bring the family.

Week end guests of Mr. and Mrs. B. M. McRae were Mrs. David Causey and children of Louisville, Ky., Daniel Causey of Ft. Knox, Mrs. Frank Causey and Mrs. Daniel Causey of Columbus, Ga., Mr. and Mrs. Frank Sustar and Janie of Montgomery.

PENNIES ARE ONLY THE BEGINNING

All the world's children need help!

Residents of Montevallo are asked to treat all the UNICEF ghosts and spooksters who share their Halloween with less fortunate children all over the world on Saturday, Nov. 1. Because of the ball game on Friday night, the Church Goblins will be out one night late.

UNICEF, the United Nations Children's Fund, is the largest international organization concerned exclusively with children and their mothers.

UNICEF will use the gifts of coins gathered by the combined youth groups to help provide milk and medicine for millions of children around the globe.

One dime can construct a happy future — become ten BCG vaccinations to prevent TB.

One nickel can give a gift of health to a child — provide the penicillin to cure yaws.

One penny becomes 5 glasses of UNICEF milk — becomes DDT to protect a child from typhus.

Remember when you hear the knock at your door to bring your purse, ready to give nickels, dimes, quarters, dollars or whatever you have to spare.

The local UNICEF drive is sponsored by the Montevallo Methodist Youth Fellowship.

Westinghouse Is Host To Local Leaders

Several Montevallo community leaders and Westinghouse officials were entertained with a dinner at the Mountain Brook Country Club in Birmingham last Tuesday evening. The group assembled at the Montevallo Westinghouse plant in the afternoon, where they toured the welding electrode manufacturing plant, witnessed demonstrations of some of the new equipment and examined the new addition to the rear of the building.

Host for the occasion was Richard E. Ballentine, manager of the Montevallo plant. Community leaders attending were Mayor W. M. Wyatt, M. S. McGehee, F. P. Givhan, Dr. Howard M. Phillips, of Montevallo; J. D. Freeman and Roy Downs, Calera; and W. W. French, Jr., of Birmingham.

W. W. Sproul, Jr., vice president of General Products Group; Richard C. Lipps, manager of the Welding Department; D. P. Thompson, manager of Financial Control of the Welding Department; and R. W. Bierwagen, manager of manufacturing of the Welding Department, were out-of-town Westinghouse visitors at the meeting.

Schools To Observe Education Week

Calera Observes Education Week

Daily programs will be presented as part of the observance of American Education Week Nov. 9 to 15, by Calera schools. Business and educational leaders will be speakers on the programs. Miss Mamie Bishop has served as co-ordinator of the week's observance.

Monday morning Mr. Roy Downs will speak on "Preparation Needed for Bank Jobs."

Tuesday morning Mr. Elvin Hill, County Supt. of Education, will speak on "Why and How to Get An Education."

Wednesday's program at 10:00 will feature Mr. Ben Swindle who will speak on "Value of a Technical Education."

Special music by the high school band will be presented.

On Thursday morning the Home Economics Department will present the program. Mrs. James Childers will be the leader.

The fourth, fifth and sixth grades will present "Hansel and Gretel". an operetta, on Friday at 9:00.

Friday has been set aside as visiting day and all parents and patrons are invited.

American Education Week 1958 will mark the 37th observance of the occasion which is designed to inform the public of the accomplishments and needs of the public schools.

All parents are strongly urged to visit the schools of Shelby County during American Education Week, Nov. 9-15. We want all parents to visit the schools to become better acquainted with the teachers and the schools, and to see what their children are doing in school.

We feel that the activities of the week can contribute to the growth of boys and girls in many ways. It can also help the parents to know each other better, and so more effectively guide the development of the children in their two different worlds—home and school.

All schools in Shelby County are planning to participate in the education week activities. Children in the schools have assisted their teachers in preparing displays and programs for visitors.

Open house will be held at all county schools during the week at times announced by each school.

A special education week program will be broadcast over WBYE each day Monday through Friday from 3:30 to 3:40 p.m.

Five county schools will be in charge of the programs, which will be entertaining as well as informative.

Schedule of the programs is as follows:

Monday—Shelby County High School, Columbiana.

Tuesday—Calera High School.

Wednesday—Helena Junior High School.

Thursday — Thompson High School, Siluria.

Friday—Montevallo High School.

Mrs. Carl Edfeldt, Montevallo, is assistant chairman of the county American Education Week committee.—Gladys Holcomb, County Chairman.

JAMES EARL DAVIS TO SPEAK

When some 30 Alabama high schools will be represented at the 22nd annual Journalism Clinic at the University of Alabama this week end, James Earl Davis of Montevallo High School will speak at one of the sessions. His subject will be "How to Put Out a Prize-winning Paper."

The neophyte journalists will discuss kinks and quirks of producing high school newspapers at the clinic, which is sponsored by the University's Department of Journalism.

Loan For Wilton Housing Authorized

In a telegram from Senators Lister Hill and John Sparkman and Representative Armistead Selden this week, we were advised as follows:

"Happy to advise Public Housing Administration has just authorized preliminary planning loan in the amount of $2,000 to the Town of Wilton. Loan will be used in connection with planning for 10 low-rent homes for the Town of Wilton. Regards."

Legion To Observe Veterans Day

Commander Reese L. Woolley of the Montevallo American Legion Post announces that the Legion and the Auxiliary will observe Veterans Day in a joint meeting on Tuesday, Nov. 11, at the Post House at 7:30 p.m.

Mr. Conrad Fowler of Columbiana, newly elected Probate Judge of Shelby County, and the Rev. James H. Chesnutt will be guest speakers.

Mrs. A. E. Baumgartner, president, and the Auxiliary will provide a covered dish supper. All members of the Legion and the Auxiliary, their wives and husbands, are cordially invited to attend this special meeting.

Lt. Milton E. Jeter, son of Mr. and Mrs. M. C. Jeter, is enjoying a two-week tour of Europe while on leave from the Army. He is traveling by military air transport plane. Lt. Jeter is stationed at Ft. Monmouth, N. J.

Miss Betty Pendleton of Birmingham visited her parents here Sunday.

Miss Eva Jean McQueen, Homecoming Queen at Thompson High School

Southern Bell Administrative Setup Revised

Southern Bell Telephone Co. last week announced that the administrative structure of its Alabama operations is being revised and that the new setup went into effect on Nov. 1.

The reorganization provides that the utility's 91 Alabama exchanges be grouped in two operating units. The present Birmingham Division will be re-designated the North Alabama Division with headquarters remaining in Birmingham. All other Southern Bell exchanges in the state will be incorporated in a new division to be known as the South Alabama Division. Headquarters city for the latter division will be Mobile.

Frank Newton, vice president and general manager of Southern Bell in Alabama, said the new setup will enable the telephone company to more efficiently serve the fast increasing number of telephone subscribers throughout Alabama.

The two divisions will be subordinate parts of the state organization which will be known as the Alabama Area of Southern Bell. Headquarters for the state offices will remain in Birmingham.

Total number of telephones in the state served by Southern Bell is approximately 632,000, an increase of 188,000 in the five year period since Sept. 1, 1953.

The south division, in which the company serves some 244,000 telephones, will be composed of the present Mobile, Montgomery and Tuscaloosa districts. The three districts have a total of 43 exchanges. The north division will consist of three Birmingham districts, the Anniston and Decatur districts. It serves approximately 388,000 telephones in 48 exchanges.

Post Office Department Announces Improvements in Mail Service

10:00 a.m., November 3, 1958—G. C. Harris, Regional Operations Director, Memphis Region, Post Office Department, speaking for Postmaster General Arthur E. Summerfield, announced sweeping improvements in the mail service to provide next-day delivery of first class letter mail throughout the 16,972 square mile Birmingham Metropolitan and Postal district area. This area embraces the City of Birmingham, 24 nearby counties in Central Alabama and the State Capitol of Montgomery.

"Barring the human error feature which cannot be completely eliminated first class letters mailed before 5:00 p.m. on a business day would be delivered to their destinations anywhere within the area," Harris declared in a press conference in the office of Postmaster Roy Moncus at Birmingham.

Regional Operations Director Harris said, "The improvement is the result of more than two months intensive study and planning by Regional Postal officials in cooperation with the postmasters at the 275 post offices located in the 24-county area. The changes involve a revision of mail processing procedures in a number of post offices, as well as some changes in the transportation patterns for the area."

In explaining the changes, Harris said, "Formerly Alabama mail was distributed in the Birmingham Post Office, the Birmingham PTS Terminal and the Birmingham PTS Truck Terminal. Now, much of the distribution is being performed in the twelve sectional center post offices located in Anniston, Attalla, Bessemer, Cullman, Decatur, Fayette, Gadsden, Haleyville, Jasper, Montevallo, Tuscaloosa and Sulligent. Final distribution and interchange of mails for the entire area are made at the Birmingham PTS Truck Terminal."

"During the two month period of study the new service has been thoroughly tested and the results have been very pleasing." Harris estimated that "a total of 498,000 pieces of mail are handled on an average day by the post offices in the Birmingham area." He also said, "The population of this area is increasing and the postal pattern is becoming increasingly complex due to steady decreases of mail-carrying trains and the fact that many of the postal buildings and facilities in this area are no longer adequate to meet the demands brought on by the increasing mail load."

The Birmingham Metropolitan Postal District includes the following 24 counties in addition to the cities of Birmingham and Montgomery:

Bibb, Blount, Calhoun, Chilton, Clay, Cleburne, Coosa, Cullman, Etowah, Fayette, Franklin, Jefferson, Lamar, Lawrence, Marion, Marshall, Morgan, Perry, St. Clair, Shelby, Talladega, Tuscaloosa, Walker, Winston.

In addition to the 24 counties in Central Alabama, major improvements in the delivery of mail have been affected in additional counties. These counties include the tri-cities area and the cities of Athens, Huntsville, Selma and Opelika.

"Postmaster General Summerfield has a goal of next-day delivery of mail between any two points in the country. The postal service improvements in the Birmingham area represents a major step toward achieving the goal by providing overnight delivery of first class letter mail to the 1½ million people residing in Central Alabama," Harris said.

In announcing the service improvements, Harris paid tribute to the postmasters throughout the area and he said that the improvements in mail service had been accomplished with only a nominal increase in overall cost. The small increases result from increases in star route, mail messenger and other transportation costs.

American Motors Adds New Economy Wagon

A new two-door station wagon has been added to the 1959 Rambler American series, due to public demand for such a vehicle. The 100-inch wheelbase five-passenger wagon is an addition to the two-door Rambler American sedan introduced in 1958. Both the station wagon and the sedan provide numerous consumer benefits, according to American Motors, including low purchase price, top operating economy, handling ease, ease of parking and outstanding maneuverability. Both models, powered by an economical six-cylinder L-head engine developing 90 horsepower, will go on sale at Rambler dealerships on October 8. American bodies are dipped in a rust-preventing primer during manufacturing for longer car life.

Calera Team Is Honored at Dinner

Tuesday night, Nov. 4th, in the basement of the Calera Methodist Church the football players, cheerleaders, and their dates were feted to a dinner by their mothers.

Bro. Gerry Herrin, Jr., gave the invocation. The boys and girls and their guests were welcomed by Mrs. Roy Loftin, President of the PTA.

They were served ham, beans, potato salad, peach pickles, rolls, milk and coffee, apple pie and ice cream by the mothers.

After the dinner they went to the Calera Recreation Hall for entertainment.

There were 54 served. Guests were Principal and Mrs. Marvin Smith and Bro. Herrin. We regret due to illness of his sister-in-law, that Coach Jones could not attend.

Miss DeMent Is On Committee

Miss Susie DeMent, commercial instructor at the Montevallo High School, has been named one of 20 teachers from over the state to serve on an evaluation committee at Baldwin County High School at Bay Minette. The purpose of the evaluation is to maintain or acquire standing as an accredited high school.

Miss DeMent is well known for her interest and participation in all school functions, and for her versatile talents at Montevallo High School.

The evaluation of the commercial and business administration departments will be her primary concern while in Bay Minette.

Having left Montevallo Sunday, Miss DeMent expects to complete her duties the latter part of this week.

JOANNE McGLOWN HAS HALLOWEEN PARTY

Miss Joanne McGlown was hostess at a Halloween dinner party on Friday evening at the home of her parents on Highland Avenue. The living room was decorated with jack-o'lanterns and balloons. The little guests enjoyed playing games and "trick or treating" the neighbors.

Dressed in traditional Halloween costumes were the following: Kendra Kochman, Mary Lynn Huntley, Nan Lovelady, Jeannie Bailey, Nancy Barclay, Dean Huntley, Jim O'Neal and Joanne.

Rep. Selden Has High Voting Record

For the sixth consecutive year, Rep. Armistead Selden has attained one of the highest "on the record" voting averages in the U. S. House of Representatives.

The 6th District congressman again scored a 100% average for answering roll call votes during the second session of the 85th Congress which adjourned in August. This percentage is based on 93 roll calls on which members of the House voted for or against legislation. Only 21 others of the 429 House members whose votes were recorded equalled the 100% voting record attained by Congressman Selden during the 85th Congress.

BAKE SALE

A bake sale will be held by Home Economics students Saturday, November 15, on the street of the town. Phone orders may be placed in advance to the sale. Call NO 8-7111; Linda Lee.

Home Economists Show New Range

The school of home economics of Alabama College invites you to a demonstration of the new electronic range in Bloch Hall, Room 103, Wednesday, Nov. 12, from 3 to 5 p.m. This is one of the marvels of today. You will see meats and vegetables cooked in seconds rather than hours.

Mrs. Frances Hardin of the Alabama Power Company will give the demonstration. It will be continuous, so that you may come at your convenience.

You are also invited to a tea which we are giving in honor of our graduates who are making their homes in Montevallo. The tea will be served in the living room of Bloch Hall from 3 to 5 p.m.

These two events are in celebration of Home Economics Week.

Calera To Observe Home Ec. Week

The home economics department of Calera High School will observe Home Economics Week, November 9-15, with several activities. The faculty will be guests of Mrs. Avaline P. Childers, homemaking teacher, in the department at the regular faculty meeting on Monday.

Students in the home economics classes will be hostess all day Tuesday in the department so that students at Calera School may visit the department. Tommie Lynn Cadle, Bonnie Moore and Glenda Weldon are planning this event.

An assembly program will be given by students, Thursday, in the school auditorium. The program will depict the various areas studied in home economics so that others may realize we do more than "Stitching and stirring". Blair Mabry, Linda Faris, Beulah Askins, Eddie Mae Martin, June Anthony, and Julia Frost are working on this program.

A Mother-Daughter tea has been planned for Thursday night, 7:30 to 8:30 o'clock. Barbara Battle, Janice Cobb, Betty Tidwell, and Jeanette Busby are planning this social event.

Mr. E. Marvin Smith is principal of Calera School. Mrs. Avaline P. Childers is homemaking teacher.

Fire Department Answers Two Calls

The Montevallo Fire Department answered two calls during the past week. On Thursday night they were called to the home of Mr. and Mrs. Hartley on Pineview Road, where an oil furnace had caught fire. Thanks to the quick action of neighbors and the fire department, the fire was brought under control before any extreme damage was caused.

On Friday morning a call brought firemen to the Pure Oil Station on Main Street, where a gasoline tank was on fire due to an electrical shortage. This fire, which could also have become very dangerous, was quickly extinguished.

Bowdon To Show New Frigidaires

New Frigidaire home appliances for 1959, will be shown in this area for the first time this week, beginning Nov. 3, according to R. E. Bowdon, Jr., Frigidaire dealer in Calera.

Mr. Bowdon said that new Frigidaire refrigerators and freezers also will be previewed in the showrooms of Bowdon Economy Store at Calera.

Revolutionary frostless freezing, pioneered by Frigidaire, has been coupled with a new styling concept to present what Mr. Bowdon says "is the most completely feminine household refrigerator ever designed for American homemakers."

DAR Chapter To Meet With Mrs. Napier

David Lindsay Chapter, DAR, will hold its regular monthly meeting on Monday evening, Nov. 10th, at the home of Mrs. Thomas H. Napier, chairman of national defense.

Mrs. W. H. Lyman, treasurer of the Alabama Society DAR Officers Club, will briefly report on "Dedication Days" held the latter part of October at Kate Duncan Smith School, Grant, Ala.

Miss Eloise Meroney, program chairman, will present Miss Annabeth Cash, who will discuss the topic, "Our Libraries". Miss Cash is an associate librarian at Alabama College and is a member of the faculty committee on public ceremonies. She received her B.A. at the University of Richmond and her M.S. at the University of Illinois.

Mr. and Mrs.. Ellis Jones and children visited in Clanton Sunday with Mr. and Mrs. Fred Smitherman.

The team, the coaches, and the managers wish to thank Nina for the nice dinner and the donations that she made.

MONTEVALLO GIRL SCOUTS

Montevallo Girl Scouts entertained with a Halloween Party last Thursday night at the Little House. The house was decorated with balloons, pumpkins, corn stalks, goblins and witches by the first-year Brownie Troop.

Games and songs were provided by the second-year Brownies. The third-year Brownies furnished delicious refreshments of orange punch and cookies which they made themselves. The intermediate Scouts were in charge of the spook house, which was a terrifying success. Senior Scouts cleaned up after the party.

The party, in addition to celebrating Halloween, was held in memory of Miss Juliette Low, the founder of the Girl Scouts in the United States. The Girl Scouts honored Miss Low's birthday with a birthday cake.

Jazz Program To Feature Top Stars

"Jazz '59," featuring some of the top stars in modern jazz music, will appear at Alabama College's Palmer Hall auditorium Friday, Nov. 14, at 8:30 p.m.

This survey of jazz will include traditional, experimental and folk, modern, progressive, and blues.

The Marian McPartland trio leads the list of modern jazz artists.

Other featured performers will be Gill Melle on the baritone sax; Joe Cinderella on guitar; Teddy Charles on the vibraphone; Zoot Sims on both alto and tenor saxophone.

Mose Allison, doing vocals, and numbers on piano and trumpet; Sam Most on woodwind instruments; and Barbara Lea, jazz vocalist.

All the performers have recordings which have been released currently by one or more recording companies.

The appearance of Jazz '59 was arranged by Alabama College's concert and lecture committee, but is not one of the regularly scheduled events of the concert and lecture series. General admission for this performance will be $2.00.

Negro To Get New Trial

Columbiana, Ala. — Sip Nixon, 27-year-old Birmingham Negro, is scheduled for another trial on a charge of murder.

A conviction in Circuit Court here Aug. 22, 1957, was reversed by the Court of Appeals on a legal question concerning the judge's charge to the jury. Nixon still is in Kilby Prison.

He had been sentenced to 25 years on the second degree murder conviction.

The Negro was accused in the deaths of three Montevallo area children hit by his car after they stepped off a school bus on a rural road May 1.

Two of the children, Donald Ray Latham, 13, and Elizabeth Darden, 16, was killed outright, and Charles Latham, 8, died two days later. A fourth school child was injured.

Nixon was accused of being intoxicated when his car hit the group of children.

Solicitor Conrad Fowler said Nixon's new trial is scheduled for the week of Nov. 17.

Business Women Aid Fight Against Cancer

Business and professional women of Shelby County have an important role in the fight against cancer, according to an announcement from Miss Frances Nelms of Birmingham, state health and safety chairman for Business and Professional Women's Clubs, Inc.

Miss Nelms reported that a special booklet prepared by the American Cancer Society, Inc., for B & PW clubs throughout the nation had been distributed to presidents of affiliated groups in Alabama.

Receiving the booklets in this county was the Montevallo club, Mrs. Willie Lee Galloway, president.

Mr. and Mrs. Jack Ozley were honored Sunday with a surprise birthday dinner at the home of Mr. and Mrs. Dink Keller and family. Mr. and Mrs. Jack Taft and Regina of Birmingham were down for the day. Many more happy birthdays, Jack and Thelma.

CUB SCOUT PACK 59

Montevallo Cub Scout Pack 59 held its monthly meeting last Thursday night in the Jeter Building. The crowd of boys and their parents was so large that it was decided to have future meetings in the school cafeteria.

Cub Master George Nix was in charge of the meeting. Den Mother, Mrs. B. W. Hamric, led the group in singing. Each den presented skits. They used original scenery and costumes which had been made during their den meetings and at home with their parents.

Cub Master Nix wishes to urge all the parents to encourage and help the Cub Scouts with their assigned achievement projects.

Montevallo Blanks Out Marion, 14-0

By S. DeMent

It was too bad a night to play football, anyway; and after 11 plays, which gave Montevallo two touchdowns, the lights went out to add to the misery. That's how Montevallo defeated Perry County High here last Friday night 14-0 in about four minutes of play. This sets the Bulldogs' record at 6-0-2.

To open the game, Curtis Jarvis kicked out of bounds; and Perry County, unable to move the ball from their 40, punted to the Bulldogs 25. Donny Davis got up to the 30, and from there Ronald Smitherman waded 70 yards to score. Barclay Fisher, quarterback, went through for the extra point.

Moments later Fisher recovered a Perry County fumble on the Rams 23. Three tries and Montevallo had seven more points. Ruben Hayes, fullback, picked up five yards; Donny Davis, who is always good for a few yards, got 10 and the only first down of the night; and Smitherman went the last eight to score again. Davis ran the point after.

Then as Curtis Jarvis approached the ball to kick off a third time, all went black. After thirty minutes of rain and darkness, the officials gave Perry County the choice of letting the game stand as it was or resetting the match. The Marion lads decided to let well enough alone, and Montevallo chalked up victory No. 6.

SMITHERMAN GOES OVER for the second Montevallo touchdown within 4 minutes, an instant before the lights failed during the Montevallo-Marion game here last Friday night.

Montevallo Meets West Blocton Friday Night

By S. DeMent

Montevallo travels to West Blocton Friday night to take on one of the strongest teams the Bulldogs have on schedule this season.

In recent years Montevallo fans have spent some long, cold nights in the West Blocton stadium, which, incidentally, is one of the best in this section of the country. However, the Bulldogs' 6-0-2 record this season promises a much more comfortable time for Montevallo followers come Friday night.

Not since 1951 have the Bulldogs been able to handle that box which West Blocton wraps up pretty neatly any year and puts on display on Friday nights during football season.

Under a new coach since last fall, the Tigers have lost two games—one to A. G. Parrish of Selma and one to Sylacauga. Morris Higginbotham, who coached the Tigers to a state title last year, moved to B. B. Comer of Sylacauga.

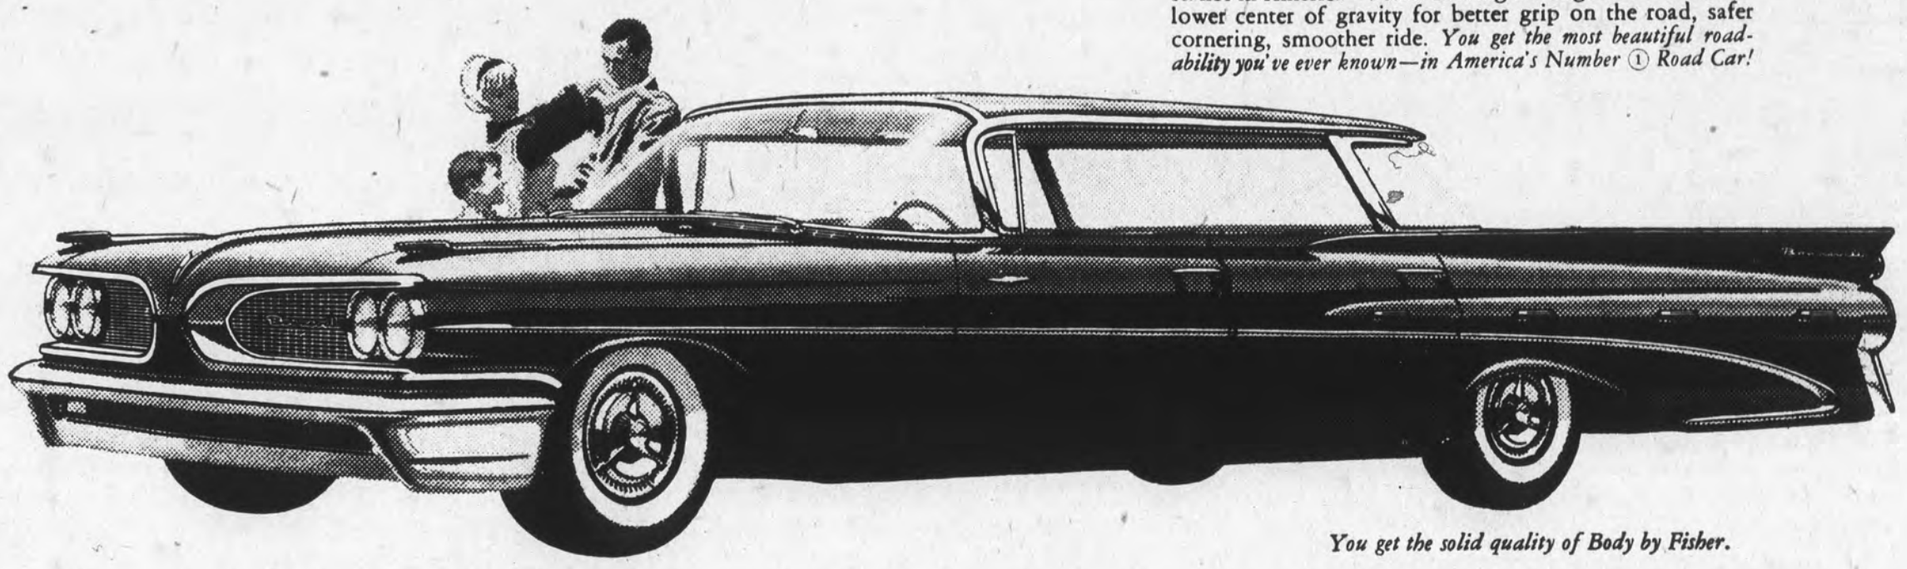

Mr. and Mrs. N. K. Blankenship had as their Sunday guests their children, Mr. and Mrs. Cecil Blankenship and family and Mr. and Mrs. Ottis Dunlap and Jerry of Birmingham.

RETURNS HOME

SP/4 Joseph H. McGaughy returned to the States Wednesday after 18 months service overseas. He was flown to Fort McClellan and had a 3-day pass. He reported back to duty Tuesday morning and will be discharged this week. His parents, Mr. and Mrs. Luther McGaughy, are looking forward to having him home by Friday.

Mrs. A. E. Norwood and Mrs. Claudus D. Tidwell visited in Homewood Thursday.

P.T.A. Discusses Local Libraries

The Montevallo PTA met Monday night in the high school auditorium for their third gathering of the current school year.

Feature of the program was a panel discussion, "An Appraisal of Our Library and Instructional Materials" by members of the PTA Library Committee and school library personnel.

Serving as moderator for the program was Mr. Richard Ballentine. In opening the discussion, he presented the purpose of the library in the form of eight aims. This was followed by a question and answer period.

The discussion brought out the function of four local libraries—the high school, the college, the elementary school, and the town. The instructional materials available in the vocational and laboratory classes were also discussed.

In conclusion, the moderator made some recommendations concerning the school libraries. These included a full-time librarian in the elementary school, a library assistant program, and inclusion in the PTA budget of library funds.

Panel members were Mrs. Ballentine, Mrs. Jessie McGaughy, Mrs. Ralph Sears, Mrs. Charlotte Peterson, Mr. M. Thornton, Mrs. Rebecca McGaughy, Mrs. Guy Milford, and Mrs. Julia Rotenberry.

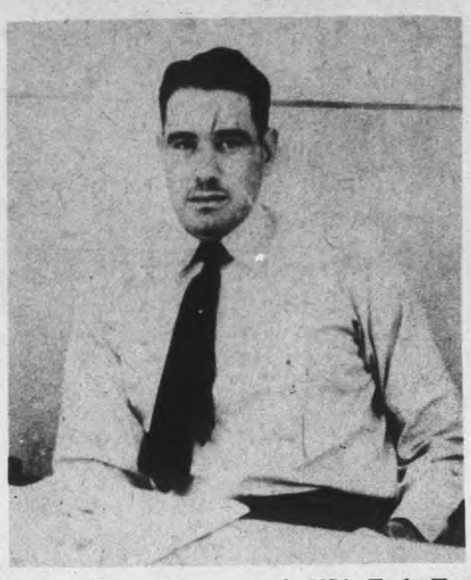

Granny Lawley's Birthday

Mrs. M. F. (Granny) Lawley celebrated her 86th birthday Sunday at the home of Mr. and Mrs. A. M. Crawford in Calera, with whom she makes her home.

Those attending were Mr. and Mrs. Bill Madison and family, Mr. and Mrs. W. A. Madison and family of Dothan, Mrs. Wayne Crews of Montgomery and Mr. and Mrs. P. G. Lawley of Birmingham.

A beautiful birthday cake with turkey and all the trimmings were enjoyed by the honoree and her guests. Many more happy birthdays, Granny.

RETURNS TO GERMANY

Specialist Fourth Class Harry Klotzman has been returned to Bad Kreuznach Detachment in Germany, after three months duty in Beriut, Lebanon, and has written his parents, Mr. and Mrs. Sam Klotzman, that he hopes to be on his way home the latter part of February.

In a letter of appreciation, Lt. Col. S. J. Murday, Adjutant General, USA Task Force 201 wrote, "You have demonstrated at all times an outstanding ability in performing the tasks assigned you in a superior manner. Your attitude toward your work, your superiors and your fellow soldiers has been commendable. In working unusually long hours under intense pressure you have demonstrated a high degree of devotion to duty, loyalty and perseverance."

Best High School Mimeo Newspaper

Their sheet wasn't as finely cast as some of those from the bigger schools, but Montevallo High School folks couldn't have been any prouder of a product that was a winner at the 22nd annual Alabama High School Press Association in the mimeographed newspaper classification. "The Spotlight", packed full of news, was named the winner and a placque duly went to its editors.

Receiving the honors at the Capstone banquet this past Thursday evening were: left to right, Exchange Editor, Edith Edfeldt; Editor, Forrest Brown; Judy Bess Robinson, feature editor; and Mrs. Carl Edfeldt, sponsor. (UA News Bureau Photo By George Raley)

'Spotlight' Wins Award As Best Mimeographed Paper

For the second straight year Montevallo High School's newspaper, The Spotlight, has been named the state's best mimeographed paper. This honor came to Montevallo last week end when the Alabama High School Press Association met at the University of Alabama.

Delegates from 48 high schools gathered at the University to study methods of improving newspapers and yearbooks. About 600 young journalists took part in the two-day conference.

Montevallo's delegation was recognized on a statewide TV broadcast. Forrest Brown, co-editor of The Spotlight, explained the way The Spotlight is financed, and accepted the first-place plaque for the school.

Others who attended the conference were Ronda Albright, Edith Edfelt, Judy Robinson, James Earl Davis, Mrs. Emily Pendleton and Mrs. Carl Edfelt.

The Spotlight staff, under direction of Mrs. Carl Edfelt and Miss Susie DeMent, includes: co-editors, Jimmy Seagle and Forrest Brown; business manager, Freddy Draper; news editor, Joe Glenn Clark; sports editor, Judy Wallace; feature editor, Judy Bess Robinson; artist, Olin Galloway; class-club editor, Janice Jones; circulation manager, Randy Woolley; exchange editor, Edith Edfelt; and reporters, Betty Gene Bice, Donny Davis, Talmon Hill, Buddy Majors, Hershel Pickett, Larry Joe Pickett, Keith Salter, Larry Smitherman, and Jimmy Thrasher.

Mrs. Bowdon Honored By Sunday School Class

MRS. R. E. BOWDON, JR.

Mrs. R. E. Bowdon, Jr., was presented a loving cup by the Julia Gunn Sunday School Class for her untiring efforts in landscaping around the Calera Methodist Church and parsonage.

The cup was presented at the church service Sunday morning for the beautification of the church grounds.

Elliott Buys Ben Franklin Store

Mr. Denson Elliott has resigned his position in the Montevallo Post Office to go into the mercantile business in Montevallo. He and Mrs. Elliott have bought the stock and franchise of the Ben Franklin Store from Mrs. Laura Hicks.

The business operation has already been officially transferred from Mrs. Hicks to the Elliotts, who are now actively engaged in the business at the well-known location in the Hicks Building at the corner of Main and Middle Streets.

Ben Franklin stores are locally owned and nationally known. They are operated in hundreds of towns and cities throughout the United States.

Mr. and Mrs. Elliott are well-known throughout this area. They have an untold number of friends who extend good wishes to them in their new business venture.

Mr. Elliott is a native of Montevallo, having lived here all his life. For the past thirty years he has been employed in the Montevallo Post Office.

Mrs. Elliott has been employed in the business office of Alabama College for several years. Prior to her connection with the college, she was employed here in the office of Alabama Power Company.

Forrest Brown Heads High School Press Association

Forrest Brown, Montevallo High School junior, was elected president of the Alabama High School Press Association at its 22nd annual convention held at the University of Alabama last week end. He defeated Mary Lou Rasco of Cullman, and succeeds Bill Bunch of McGill Institute, of Mobile, as head of the high school journalists of Alabama.

Duties of the president of AHSPA include maintaining contact with the 48 participating schools, helping with plans for and presiding over the 1959 meeting, and making a president's report at the 23rd convention.

An honor roll student, Forrest is an outstanding basketball and baseball player. Co-editor of The Spotlight, which he represented at the conference, Forrest is also a Student Council representative and secretary-treasurer for both the "M" Club and Hi-Y.

This is the first time Montevallo has had a state officer since 1950, when Prude Fancher served as the state president of the Student Council.

Forrest is the son of Mr. and Mrs. Hansel Brown of Montevallo.

Singerman To Give Piano Concert

Albert Singerman, pianist, will appear at Alabama College in Calkins Hall auditorium at 8:15 p.m. Tuesday, Nov. 18.

Mr. Singerman is from Jacksonville, and is appearing through an exchange program with Mr. Bruce Tolbert of the Alabama College School of Music faculty. Mr. Tolbert appeared in Jacksonville on October 28.

Mr. Singerman is a graduate of the Juilliard School of Music. He holds a M.A. degree from Columbia University.

Formerly on the faculty of DePauw University, Mr. Singerman is now assistant professor of music at Jacksonville State College.

McClure Named To Head Community Chest Drive

KYLE McCLURE

The 1858-59 Montevallo Community Chest Drive will get underway Monday morning with a kick-off breakfast at 9:30 in the High School Home Economics Building. Kyle McClure, local druggist, has been named chairman of the drive which will last until Friday, November 14.

The breakfast will be attended by all solicitors for the campaign and will be prepared and served by the Montevallo High School Home Economics Department.

The purpose of the Community Chest organization is to provide for emergency relief and character building needs in the City of Montevallo and its immediate vicinity by raising funds by popular subscription and disbursing same to established agencies. The Chest represents a neighborly spirit, economy in spending public funds, and cooperation of all Montevallo and immediate vicinity in building a happier, healthier community.

Don Lovelady, chairman of the Chest Board, announces that the budget adopted for 1958-59 totals $2,400. This budget was unanimously approved by the nine-member Community Chest Board following a detailed consideration of requests by the various participating agencies. This sum will provide essential support for all the agencies regularly included in the budget, for 1958-59, as follows:

Welfare: $1,200. This amount was established to take care of welfare needs as based on past requests for free school lunches, medical and dental care, clothing, and other requests as determined by the social welfare organization of Alabama College.

Girl Scouts: $275. This is the minimum amount necessary to continue the Scouting program and for upkeep of the Girl Scout Little House.

Boy Scouts: $275. This is the minimum amount necessary to continue the Scouting program and to participate in the Black Warrior Council.

Almont School: $100. This is to be used for instructional purposes.

Prentice High School: $100. This is for band equipment.

Montevallo High School, Elementary School, and Band: $400. This will be used for financial assistance in the various necessary expenditures for equipment and instruction.

Operation Expense: $50. This is to cover expenses incurred in conducting the drive.

The Community Chest Board urges everyone to give generously to this once-a-year campaign. It tries each year to allocate the funds to the best of its ability, and hopes that this year we will go over the top and be able to increase the amounts stated above if at all possible.

Friday's Game Will Feature "Band Night"

"Band Nite" festivities plus a special half-time show will feature the game this Friday when Vincent plays Montevallo here at 7:30 p.m. This is the last game of the season—the band has attended all games, preparing a different show each week, playing in the stands and serving as cheering section, especially at out-of-town games. With six games away, transportation costs will be high and wear and tear on instruments and equipment is excessive.

To pay part of this cost the band members will sell tickets to the game and candy during the game. They will appreciate your interest and support.

From headlamps to taillights

Chevy Sparkles in New Styling

One angle cannot show the complete styling changes which have been made in the 1959 Chevrolet. Lowered headlamps, set into the freshly styled grille, and functional air intakes accent the beauty of the front view of the Impala convertible (below). Smart and original is the bold sculptured treatment given the rear quarters and trunk deck of the Impala sport sedan (above).

Dishwashing Down the Ages

Ever since man decided to eat with a knife and fork, somebody has been stuck with the dishes!

If the Egyptian homemaker left the dishes in the sink (The Nile) in Cleopatra's day, the crocodiles ate them! In the Middle Ages, women combined lye and ashes to make "soape", which left her hands rough and red. The American Indian squaw used water and sand as abrasives for her dishwashing problem, and while the Victorian wife had soap, it was often harsh.

Today liquid detergents have made dishwashing easier. The latest of these is Ivory Liquid Detergent, which is mild enough to hand wash the most delicate of fine washable fabrics, yet, it will clean the most stubborn pots and pans and make dishes shine even before they are rinsed. *FNS*

U.S. Farmers make up less than one per cent of the world's population but produce from two-fifths to one-half of the world's eggs, red meat and milk.

A sharp knife is better than scissors for cutting flower stems. Scissors pinch the stems and make it harder for them to soak up water.

This 1959 Ford Country Sedan is one of six models in the Ford station wagon series. Ford station wagons are available in two- and four-door models, accommodating six or nine passengers. The new, longer Ford station wagons have a cargo space that is eight inches longer and 11 cubic feet greater than in 1958. The second seat has a locking device that prevents the seat from folding forward in a sudden stop, and the foam rubber cushions from the third seat can be removed and used as ground cushions.

From "Let's Cook Up A Wash" by Jessie Cartwright, Norge home service director

A new booklet entitled "Let's Cook Up A Wash" has been written by Norge home service director, Mrs. Jessie Cartwright.

Listed and described are the various soaps, synthetic detergents, bleaches, rinse additives, bluings, and miscellaneous washing aids available to the housewife. A two-page chart (photo above) shows at a glance the proper temperatures, times, speed and washday aids to use with 10 general types of fabrics, from white cottons to wash 'n wear.

"With today's modern appliances, it is as easy to do good laundry as it is to bake a good cake. All we have to do is follow the right recipe, or formula and presto! Clean fresh clothes and household linens that are a joy to a homemaker's heart," writes Mrs. Cartwright in the foreword.

The booklet will be offered to those attending Dispensomat automatic washer demonstrations in dealers' stores here.

Local Schools Use Educational TV

Montevallo parents with children attending public schools are particularly urged to tune in the same telecourses their youngsters are viewing in school during American Education Week (November 9-15). Numerous special features will be included in the regular TV courses during the week; the mutual viewing will also serve as topic of interesting parents-children after-school conversations.

In this area, ETV is being used at Montevallo High School by Miss Ethel Harris whose 25 students are regularly following chemistry Monday, Wednesday and Friday at 10:30 a.m. and 32 students are viewing biology Monday, through Thursday at 2 p.m. over channel 7; 30 students in W. C. Corbett's class are viewing Alabama history Monday through Thursday at 11:30 a.m.

At Prentice High School in Montevallo 55 students are viewing physics Monday, Wednesday, and Friday at 10 a.m.; 34 students are viewing chemistry Monday, Wednesday and Friday at 10:30 a.m.; 60 students are viewing Alabama history Monday through Thursday at 11:30 a.m.; 65 students are viewing biology Monday through Thursday at 2 p.m.; 34 students are viewing speech Tuesday and Thursday at 10 a.m.; 175 students are viewing jr. high science Tuesday at 11 a.m.; 55 students are viewing American History Thursday at 1:30 p.m.; and 55 students are viewing English literature Friday at 9 a.m.

Courses taught on the Alabama Educational TV network are fully accredited by the State Board of Education. Besides serving as an aid to classroom teaching, this means ETV can be viewed at home by adults who have not completed their secondary education to study toward their high school diplomas.

Although ETV stations continue to blossom across the U.S. with a goal of 38 stations on the air next year, Alabama still leads the nation by operating three ETV stations as part of the world's only ETV network.

The AET network programs educational, informational and cultural telecasts daily from 9 a.m. until 10 p.m. on channels 2, 7, and 10. Only Chicago and Pittsburgh ETV stations offer longer service to their viewers; Russia's TV, which is also primarily a cultural-information media, broadcasts only four hours per day.

The AET network will schedule two special educational dramatizations during the week: Thursday at 8:30 p.m., "Mike Makes his Mark," an appeal to youngsters to remain in school, as well as how to utilize school for recreation and social activities in addition to factual learning; and Friday at 8:30 p.m. "Crowded Out," a story dealing with new school construction.

Soil Conservation District News

By B. F. Hatchett and George C. Starcher

Dynamite can be a very useful tool in some conservation work. BUT—

Dynamite is dangerous and should be handled with great care.

Two men were not quite careful enough last week, and got hurt by flying mud from a blasted core trench at Westover, one a district cooperator.

The dam was an SCS designed dam, but no Soil Conservation Service employee was at the dam that day. Injuries were not serious, we hear, but COULD HAVE BEEN!

A far worse tragedy took the lives of four men on a Shelby County lake when six men and a heavy cargo tried to cross a lake in one boat, also last week.

LAKES and PONDS can be fun and profitable—but are dangerous. HAVE A CARE, STAY ALIVE.

SHELBY COUNTY REPORTS NO TUBERCULOSIS CASES

Tuberculosis reporting showed a slight decrease in Alabama during September when 177 new cases were recorded. Two hundred cases were listed during August.

The State Health Department said that forty counties contributed to the September total. Shelby County had no cases.

Mr. and Mrs. Melton Tatum and girls of Union, Miss., Mr. Freddie Tatum of Missiouri, spent a few days last week with Mr. and Mrs. Ellis Taylor.

Quail Season Opens Early

The bobwhite quail hunting season will open throughout Alabama November 15 rather than Nov. 20 and the wild turkey season will open Nov. 10 rather than Nov. 20, according to regulations issued here today by the Alabama Department of Conservation.

In addition, raccoon and oppussum hunters in Washington and Morgan Countries are now permitted to use lights and shotguns, with shot not larger than No. 8, between sunset and daylight.

Robert Folsom, Director of the Conservation Department, said that quail and turkey reproduction were exceptionally good this spring and summer, giving populations which he feels will support five additional days of quail shooting and 10 extra days of turkey hunting.

The use of lights and shotguns by opossum and raccoon hunters in Washington County is being permitted because these aids in night-hunting are now legal in surrounding counties and were requested by hunters in Washington County.

Use of lights and shotguns in Morgan County was granted in response to requests by coon and possum hunters, Folsom said.

STANDARD OIL

WHERE YOU STOP WITH

Confidence...

...in gasolines that are first in performance

From long experience, Southern motorists expect Standard Oil to be *first* with the *best*, and Standard Oil dealers to supply them with gasolines that are *constantly* improved. That Standard Oil gasolines fulfill these expectations is evidenced by the fact that they are bought by *more motorists* than any other brand in the area served by Standard Oil dealers.

To further justify this continued confidence, the quality of all three of our popular gasolines has *again* been improved, to assure you a new high in performance, whichever you use.

Your confidence in *us* is reflected by our confidence in the future of the *South*. During 1957, our expenditures in Alabama, Florida, Georgia, Kentucky and Mississippi, for additional real estate, buildings and facilities . . . enlargement, repair and maintenance for present plants and equipment . . . and all expenses of operation, including payrolls, licenses and taxes (excluding Federal income taxes) —amounted to over $50,000,000.

Our future is the future of the *South*. We never lose sight of this fact in making plans and expenditures.

Miss Nelms Speaks To BPW Club

The Business and Professional Women's Club held its regular monthly meeting at Reynolds Hall Monday night. A turkey dinner was served to 26 members and guests, by the hostesses, Mrs. Ruth Frederick, Miss Ethel Marshall and Miss Mary Cecil Forbus.

Mrs. Willie Lee Galloway, club president, presided. After the dinner, Mrs. Joe Doyle, local Health and Safety Chairman, introduced Miss Frances Nelms, of Birmingham, who brought a most interesting program on cancer education. She stressed the great need of periodic examinations as the most important step in cancer cure. A film, "Self Examination of the Female Breast", was shown.

Miss Nelms is educational director, Alabama Division, American Cancer Society, and is presently serving as state health and safety chairman of the Business and Professional Women's Clubs.

MISS FRANCES NELMS

The president welcomed two new members of the club, Miss Carolyn Sansing and Mrs. Inez Underwood. Three local members plan to attend the district meeting to be held in Selma Nov. 15.

The next regular meeting will be the Christmas party to be held at the home of Mrs. Ruth Ratliff.

Priestley To Speak In Birmingham

Dr. S. E. Gerard Priestley, professor of history at Alabama College, will speak at the dinner of the Club of All Nations on Nov. 20 at 6:30 p.m., at the YWCA, Birmingham.

Dr. Priestley will speak on the subject, "Behind the Headlines in the Near East".

A noted authority on foreign affairs, Dr. Priestley has traveled extensively in more than 60 different countries.

He has served as a member of the Speakers Research Committee for the United Nations, and as chairman of the International Platform Association. He joined the faculty of Alabama College in September of 1957.

Dr. Priestley is a member of the American Historical Association, British Historical Association, and the Council for International Education and Research.

DR. S. E. GERARD PRIESTLEY

David Thomas spent Saturday in Ensley with his mother, Mrs. Paul Smith.

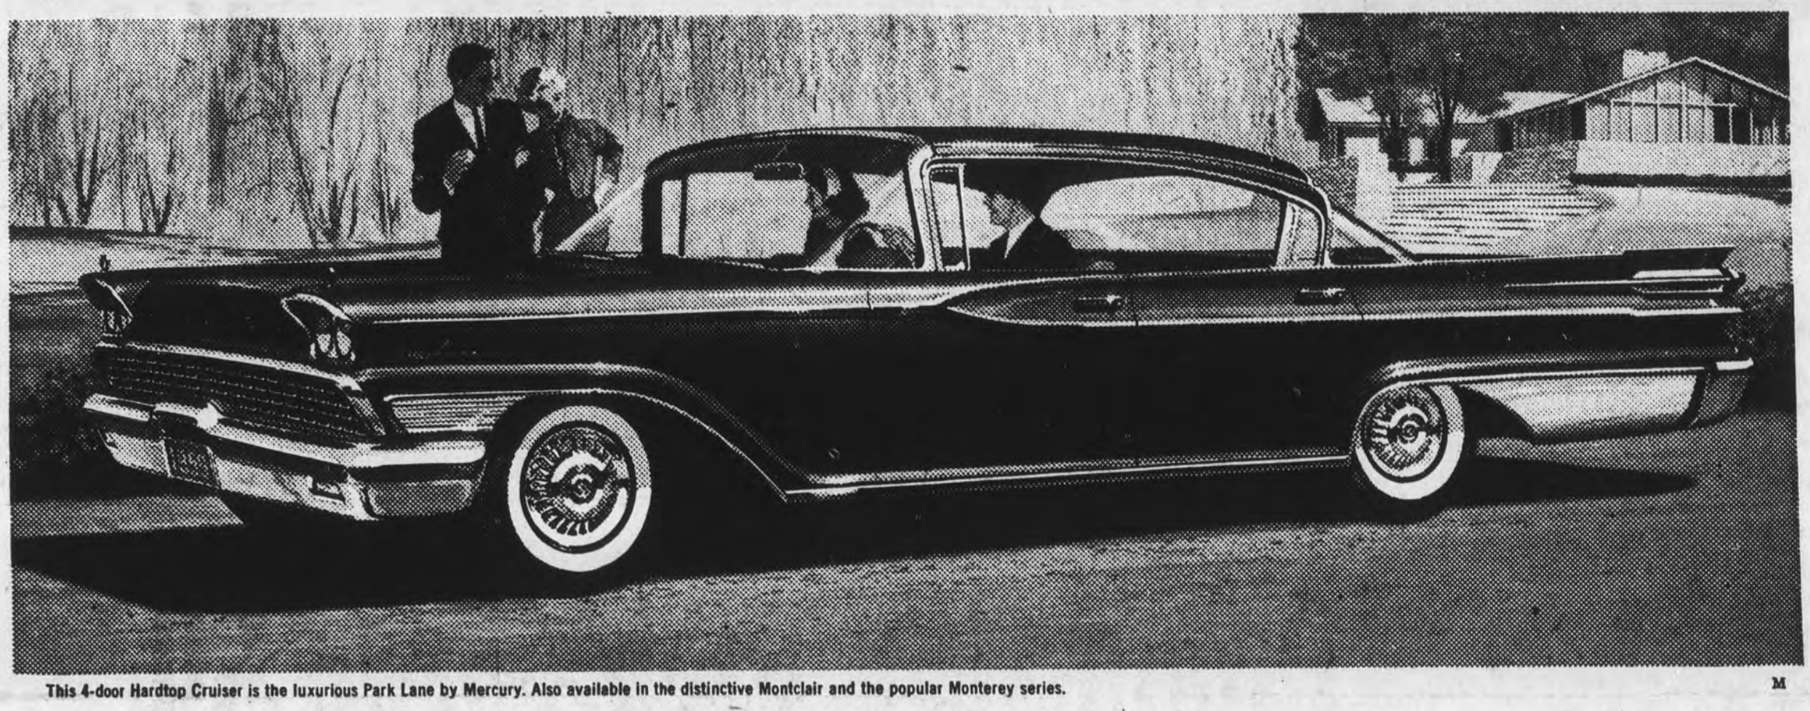

Mr. and Mrs. Paul Smith and Terry were in Calera Saturday visiting friends.

MARTHA GILLILAND CIRCLE

The Martha Gilliland Circle of the Baptist Missionary Society met with Mrs. Frances Grady Tuesday. The program was "Baptist Missionary Beginning in North America". All members were present.

Mrs. Marion Jones, Tim and Mark spent the week end in Birmingham with her parents, Mr. and Mrs. Vincent Priola.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive—Mercury has *exclusive* body design; it is the only car in its class that does *not* use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front—9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

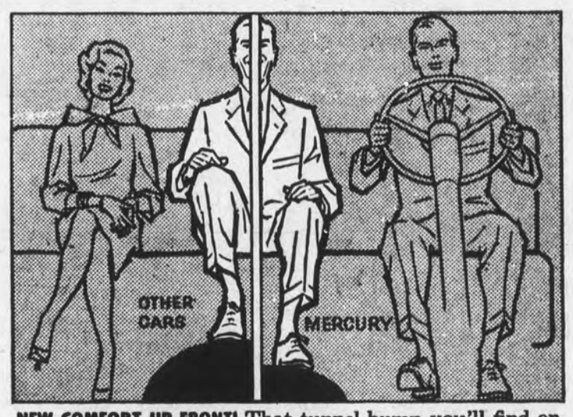

FEEL LIVELY NEW PERFORMANCE

Not just high horsepower—although Mercury offers up to 345—but a *new* kind of response, quiet, obedient, effortless.

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car—at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

MERCURY'S COUNTRY CRUISERS—Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that *faces front.* Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS—They clear a 42% larger area—a 5-foot swath—including the *center section.* Only Mercury has this aid to safer driving.

All beautifully combined in the 20th Anniversary MERCURY

JUST TWENTY YEARS AGO

It is a pity the fun of driving to the county seat and back should be so soured by the extremely rough and unpaved stretch of road by Shelby Springs. We wish somebody would agree on something over there and get that bad place paved.

* * *

Mr. Clyde J. Davis, allias Mr. Hi-Plane, of Montgomery, came up to Montevallo last week end to visit with his old friends. Mr. Davis was formerly an employee of The Times. He now holds down a position with the State Planning Commission. His many friends here were glad to see him again.

CARD OF THANKS

Mrs. R. B. Tarpley and the Arthur Garrett family wish to thank their friends for the many expressions of sympathy and kindness offered during the recent illness and death of their sister and aunt, Mrs. Annie H. Pattillo.

Dr. and Mrs. John Gates and Ginny, Mrs. Lex Ozley, Miss Jimmie Ruth Gay and Gary Watts attended the "Little Jewel Speedway" in Sylacauga Sunday, in which Mr. James T. Brasher is a leading driver, know as "The Mighty Bones."

Betrothal Announced

BARBARA JOYCE KNOWLES

Miss Barbara Joyce Knowles and Harold Pickett will be married on January 11 at the Dargin Concord Baptist Church. Their engagement is announced by Mr. and Mrs. Floyd Knowles, parents of the bride-elect.

Mr. Pickett is the son of Mr. and Mrs. Joe Pickett of Montevallo.

CUB SCOUT DEN 4

Montevallo Cub Scout Den 4, with their Den Mother, Mrs. Charles Bearden, visited the Shelby County radio station, WBYE, last Wednesday, November 5. After touring the station, they went to the Dairy Queen in Calera for refreshments.

The den plans to present a skit at the next pack meeting built around the things they learned at the radio station. Boys making the trip were Charles Bearden, Milton Emfinger, Jimmy Emfinger and Willis Roper.

BOY SCOUT TROOP 59

The Montevallo Boy Scouts of Troop 59 met at 6:45 p.m. at the Methodist Church Monday and discussed their advancements and worked on compass reading.

There were four boys and 1 leader present. All boy scouts and those interested in joining the troop are urged to come to the meetings each Monday at 6:30 at the Methodist Church. Let's try to make our troop into a big one.

Saturday at 9:30 some of the scouts met at the elementary school and scattered four loads of dirt, which was contributed by Mr. L. W. Wooten. We wish to thank Station WBYE for announcing our project and Mr. Wooten for the dirt.

We wish Jimmy Baine, one of our scouts, a speedy recovery from an injury he received playing football — George Nix, Jr., Scribe.

BOY SCOUT DISTRICT BANQUET

Plans were organized for the District Boy Scout Banquet on December 2 at a meeting of Boy Scout Leaders and parents last Thursday night. The banquet will be held in the Montevallo High School cafeteria.

The food will be prepared and donated by the parents of the Boy Scouts and any others who wish to contribute. The proceeds from the dinner will go to the Montevallo Boy Scouts.

The District Banquet is held each year at different towns in the district.

Blocton Is Too Much For Bulldogs

Known for their speed and drive, West Blocton's Tigers blanked Montevallo 15-0 at Blocton Friday night. Excessive penalties, early fumbles, and too much Broadhead were the forces that snapped the Bulldogs' winning streak at six games.

A fumble, which went into the end zone, gave the Tigers their first touchdown in the opening moments of the game. But the score didn't come until after both teams had fumbled twice.

First, Montevallo lost the ball on the 25 and Blocton then pushed to the three and fumbled. Montevallo edged the ball back to the six but lost it there, and Blocton recovered a second time. The Tigers, suffering a little from buttered-fingers themselves, dropped the pigskin again on the five. On the first play, the Bulldogs made the fatal miscue, and Blocton covered the ball in the end zone. A kick got the extra point, putting Blocton out front 7-0.

Punts and penalties filled up most of the remaining first half. Then late in the second period the Tigers were camping on Montevallo's 29. An attempted pass, snared by Smitherman on the 14, stopped the Tiger threat; but a gambling pass attempt on the next play caught Smitherman behind the goal line where he was tackled by Bill Coleman for a safety.

At halftime Blocton led 9-0.

In the final period, Broadhead spearheaded a drive that began on his own 36 to give the Tigers their second touchdown. Broadhead drove over from the four. The try for the extra point failed.

There were a few bright spots in the game for Montevallo fans who watched the Bulldogs fight valiantly for a lost cause. Near the game's end Ruben Hayes got away for 40 yards, Montevallo's only big gain of the night; and Jimmy Thrasher was outstanding throughout the game for his work on defense.

Want To Say 'Thanks' to Band?

Friday night is Band Benefit Night at Montevallo High School!

If you have enjoyed the performances the band has given at all games during football season this fall, then you have a chance to say "thank you" as you enjoy this final game of the season. The proceeds from Friday night's game go to the band. The money will be used for much-needed instruments, repairs, and music to make the band even better, and to help finance transportation to games.

Montevallo High School has just cause to be proud of its band and the director, Victor T. Young. This group contributes much to the spirit of the student body and is one of the most cooperative organizations in school, ever ready and willing to perform on any occasion.

Come out and see the special halftime show of the band and watch the Bulldogs go for the county championship as they play Vincent.

CUB SCOUT DEN 2

Cub Scout Den 2 met Saturday afternoon at the home of their Den Mother, Mrs. George Nix. The cubs discussed plans for a skit to be presented at the next Pack Meeting. After games and refreshments, the meeting adjourned.

Bulldogs, Vincent In Title Battle

A county championship is at stake in Friday's football game between the Montevallo Bulldogs and Vincent's Yellowjackets.

Thus far this season Montevallo has won three county games while Vincent has a 2-1 record in county play.

Montevallo defeated Thompson 18-0, Columbiana 45-6, and Calera 44-0. Vincent downed Columbiana 13-7 and Calera 12-0. The Yellowjackets fell two weeks ago to the Thompson Warriors 26-13.

Last year at Vincent the 'Jackets walloped the Bulldogs.

Friday the Montevallo lads, with six boys playing their last high school football game, will be giving their all to bring a Shelby County football trophy to the school for the first time in ten years.

Tea Shower For Miss Rylant

Mrs. W. T. Morton was hostess at her home in Gardendale Nov. 3 from 3 to 5 p.m., honoring Miss Betty Rylant with a miscellaneous tea shower.

Mrs. R. G. Doss greeted the guests and presented them to the receiving line composed of Mrs. W. T. Morton, Mrs. John Rylant, Miss Betty Rylant and Mrs. Cecil D. Cowart.

Mrs. J. M. Spain presided at the bride's book. Irma Burgess poured punch from a beautifully decorated table. The pink satin cloth was covered with pink net embroidered with gold thread.

Dainty pink cakes with white bells were served by Mrs. W. T. Morton Jr., Mrs. C. M. Moon and Mrs. H. P. Seibert.

Gifts were displayed by Mrs. C. C. Moore and Mrs. Louie Rylant.

Throughout the house were arrangements of pink and white mums. Seventy guests called during the appointed hour.

Fowler To Head County Seal Sale

Mr. Conrad M. Fowler of Columbiana who is president of the Shelby County Tuberculosis Association will again serve as Christmas Seal Sale Director for the year 1958-59.

Mr. Fowler has long been an active volunteer in the cause of good health for his county and has been active for a number of years in the fight against tuberculosis.

Steel McGrew of Athens, president of the Alabama Tuberculosis Association, in commenting on Mr. Fowler's appointment said:

"Shelby County is indeed fortunate that they have the capable leadership of Mr. Fowler in their annual Christmas Seal Sale campaign.

"It is more important this year than any year before that each county in Alabama buy and use Christmas Seals.

"Our legislature has made available funds to operate hospital beds for the treatment of those found to have tuberculosis.

"We volunteers must sell and buy Christmas Seals so that our educational and case finding programs on the county level can go forward to support the state's effort to treat those with tuberculosis.

"Each county is fortunate that leaders of Mr. Fowler's calibre step forward to help organize and lead those counties to do their part of this fight.

"Alabama has made progress in its fight to stamp out tuberculosis. That progress must continue. We should prepare now to back our county tuberculosis committees in their work . . . and especially their Christmas Seal Sale.

"No home in Alabama is safe from tuberculosis until all homes are safe."

CALERA CIVITANS MEET

The Calera Civitan Club met on Tuesday night. After the meal, a short business session was held.

Sonny Jones, Fruit Cake Chairman, announced that the fruit cakes have arrived and urged everyone to pick up their cakes and go to work. Sonny says you can call him at the radio station and arrangements will be made to deliver them to you. Also any member will be glad to sell you one or more cakes. We hope to break all records this year and urge you to buy a Civitan fruit cake. You may also win a bike for your boy or girl or maybe to give to someone else.

Mr. J. L. Switzer, with Southern Bell Telephone Co., was a guest. He showed a film, "Gateway to the Mind", which was enjoyed by all. You are urged to see this film. It is very interesting and informative.

The next regular meeting will be held Nov. 25. We will have a very interesting program.

Remember the words of the Lord Jesus, how He said, "It is more blessed to give than to receive."—(The Acts 20, 35.)

Often, when spontaneously bestowing a friendly smile upon a lonely person or a word or deed of help and encouragement to one in distress, we have been wondrously rewarded by such an inner satisfaction as a fortune in dollars could not equal. Indeed we are blessed when we give, unselfishly, and in love.

Alabaster Gets Modern $400,000 Shopping Center

Kenneth L. Lowery, Administrator, Assumes Duties at Shelby Hospital

Kenneth L. Lowery, 28-year-old administrator of the new Shelby Memorial Hospital now under construction at Alabaster, has arrived and assumed his duties. The hospital is expected to be completed and in operation by April.

Mr. Lowery comes to Shelby County with ten years experience in hospital work. He received his B.B.A. degree in Public Administration from Georgia State College of Business Administration, where he majored in hospital administration. His previous experience includes hospital administrative residence at Kennestone Hospital, Marietta, Ga., medical and surgical technician, medical administrative specialist, purchasing and contracting specialist, and accounting technician.

KENNETH L. LOWERY

A native of Troy, Ala., Mr. Lowery is married and has three children. He served four years with the U. S. Air Force as master sergeant.

Mr. Lowery hopes to move his family to Shelby County as soon as possible.

Mr. Roy Downs, chairman of the Shelby County Hospital Board, says that arrangements are being made for Mr. Lowery to spend considerable time at the Jackson County Hospital in Scottsboro prior to opening of the Shelby County Hospital. At Scottsboro, Mr. Lowery will be associated with the hospital administrator and will make a study of county hospital operation, which he plans to adapt to advantage in the operation of the hospital at Alabaster.

Selden Leaves on European Trip

Rep. Armistead Selden, congressman from the 6th Alabama District, left on Thursday, November 13 for a two-week trip to Europe, during which time he will represent the American government at two official functions.

Mr. Selden, a member of the House Committee on Foreign Affairs, will travel by military plane with the other members of the official group. He goes directly to Paris where, as an official delegate, he will attend the seven-day Parliamentarian's Conference of the North Atlantic Treaty Organization (NATO). Representatives from the other 14 NATO nations will also attend this important meeting.

From Paris, Rep. Selden will fly to Italy, where he will visit the U. S. Navy's celebrated Sixth Fleet. One of Selden's 6th District constituents, Admiral Charles R. (Cat) Brown of Tuscaloosa, has just relinquished command of this fleet and will assume the command of allied forces in South Europe Jan. 1.

From Italy, Congressman Seldent will go to London where he will attend on November 26 the dedication of the American War Memorial Chapel. This memorial, located at historic St. Paul's Cathedral, will be dedicated by Queen Elizabeth II in memory of the thousands of British-based Americans who lost their lives during World War II.

Congressman Selden is one of nine members of the U.S. House of Representatives selected by Speaker Rayburn to represent the United States on these occasions.

Mrs. Selden will accompany the Alabama congressman on the trip. While she will travel in the plane assigned to carry the House members and their wives, her other expenses will be paid by Rep. Selden.

HOLY COMMUNION AT ST. ANDREW'S MISSION

There will be a celebration of Holy Communion and Confirmation at St. Andrew's Mission, Montevallo, at 4:30 o'clock Sunday afternoon, November 23, the Rt. Reverend George M. Murray, Suffragan Bishop of Alabama, officiating. A parish supper will be served by the Women of the Church.

Future site of the Alabaster Shopping Center

HENRY G. CARDWELL

Grading Is Started On 12-Acre Site

Plans for a $400,000 shopping center at Alabaster are announced by Henry G. Cardwell, who will be sole owner of the 54,000 square feet of modern, up-to-date shopping facilities. Preliminary grading has already begun on the grounds, covering approximately 12 acres, located across the railroad from the Birmingham highway and adjacent to the present Alabaster shopping district.

Mr. Cardwell states that the new Alabaster Shopping Center will house a 15,000 sq. ft. super market, a 12,000 sq. ft. department store, an 18,000 sq. ft. furniture store, a 4,000 sq. ft. drug store, a 12,000 sq. ft. variety store, a beauty shop, barber shop, and flower shop. Parking space will be provided for approximately 500 cars.

There will be a canopy reaching out ten feet in front of the L-shaped, one-story construction, covering the entire length of the shopping center, enabling customers to shop from one end of the center to the other without getting wet in case of rainy weather. A truck delivery and parking space will be provided in back of the stores for trucks to load and unload.

Mr. Cardwell believes that the shopping center will be completed by the spring or summer of 1959.

Local Students To Visit University

Montevallo's football team, majorettes, and cheerleaders have received an invitation to be guests of the University of Alabama this week end. These students, along with coaches and other chaperones, have been given free tickets to the Alabama-Memphis State football game Saturday afternoon.

Students who plan to take advantage of this invitation to see Coach Bear Bryant's rising Tide in action are: Ruben Hayes, Donny Davis, Bill Winslett, Ronald Smitherman, Barclay Fisher, Jack Rasberry, Talmon Hill, George Underwood, Charles Hollingsworth, Jimmy Thrasher, Peter Givhan, Jimmy Eddings, Peter White, Allan Nabors, Larry Pickett, Ralph Morris, Freddy Draper, Jack Battles, Cliff Woolley, Ben Harrison, William Darden, Kenneth Hyde, Jimmy Wyatt, Albert Scott, Jerry Thomas, Jimmy Harris, Danny Thornton, Janice Jones, Jean Broadhead, Gail Lucas, Linda Hill, Janice Waters, Brenda Bean, Judy Wallace, Glenda Gaddy, Jackie Blakely, Elaine Fisher, Langley Tolbert, Becky Hicks, and Tommie Mowery.

Calera Garden Club Holds Meeting

Tuesday afternoon, November 11, the Calera Garden Club met at the lovely home of Mrs. J. D. Freeman. Mrs. Charles Kunz, club president, presided. Mrs. Kunz, also program leader for the afternoon, displayed a cactus dish garden, which she had arranged and quite a discussion by the members followed.

The club discussed the beautification of the entrance to the cemetery. At the last meeting, held at the home of Mrs. R. E. Bowdon, Jr., a committee of members visited the grounds and looked over the possibilities of beautifying the entrance. The club hopes to make this their project for the year and soon make it a reality.

Four new members were welcomed into the club, Mrs. Joe L. Meyer, Mrs. P. J. Kyser, Mrs. P. A. Garrett and Mrs. W. S. Mitchell. Other members present were Mrs. J. Frank Baker, Mrs. W. B. Blevins, Mrs. Dean Holcombe, Mrs. R. L. Holcombe, Mrs. Curtis Lucas, Mrs. R. J. Mabry, Mrs. Charles Kunz, Mrs. Guy Youngblood, Mrs. W. V. Veasey, Mrs. W. B. Ozley, Mrs. W. L. Lawler, Mrs. J. D. Freeman and Mrs. R. E. Bowdon, Jr.

During the social hour, the hostess, Mrs. J. D. Freeman, assisted by Mrs. R. J. Mabry, served delicious refreshments. After the meeting the club members visited the beautiful grounds around the Freeman home.

BILL WEAVER

Bill Weaver Buys Service Station

Mr. Bill Weaver has purchased the Hilltop Service Station, located at the top of the hill just outside the Montevallo city limits on Highway 25 near the Jemison cutoff, and will take charge Saturday, Nov. 22. The name will be changed to Bill's Service Station.

Mr. Weaver has been associated with Montevallo Motor Company and other motor companies in Montevallo for a number of years. He invites all his friends to visit him at his new place of business.

Among those attending the Alabama-Georgia Tech game in Atlanta last week were Mr. and Mrs. John Hardy, Mr. and Mrs. S. C. Jones, and Mr. and Mrs. Kyle McClure.

FFA Members Urged To Build Home Library

Mr. M. Thornton, local vo-ag teacher, has requested that all boys taking vocational agriculture construct a home library. Four of the boys have already started working on theirs. It consists of a desk and bookcase combination, with a lamp attached on each side. This enables a student to have a private desk for studying and his books are also in reach. The lamps attached on each side of the desk give sufficient light and also eliminate any glare.

The Montevallo FFA Chapter is making mailbox posts again this year and Wayne Anderson is planning on entering the Home Improvement Contest.

MISS SUSIE DeMENT

Susie DeMent Receives Honor

Miss Susie DeMent, supervisor of secretarial science of the Alabama College Laboratory School, has received the highest honor that can be given to students of business administration — election to membership in Beta Gamma Sigma, national honorary society for business administration students.

Beta Gamma Sigma is sponsored by the American Association of Collegiate Schools of Business. It ranks with such societies as Phi Beta Kappa and Tau Beta Phi. Membership is limited to the highest 20 per cent of graduate students receiving degrees, to the highest 10 per cent of those in the senior class, and to the top 4 per cent of the junior class.

Miss DeMent received her M.A. degree in 1957 from the University of Tennessee. She holds the B.S. degree from Alabama College. She has been teaching at Montevallo High School for 13 years, having taught for nine years previously at Fayette, Alabama.

Ladies Sodality Meets

The Ladies Sodality of Saint Thomas Catholic Church met November 12, 1958. Father Thomas J. Blyth presented the guest speaker Mr. Patrick White. Mr. White is an Assistant Professor of English at Alabama College. The topic given was G. K. Chesterton on the "Joy of seeing".

Plans were made for a social to be held on November 22 in the church hall. Also on schedule is a cake sale on December 13, 1958.

Refreshments were served by Mrs. Edward E. Bennett.

Mr. John Malcolm Smith will preside at a Panel Discussion at the next meeting of the Newman Club of Saint Thomas. The topic will be "Fasting and Abstinence". Panel members for this subject will be Ann Schober, Judy Bengert and Joss Bakely. Jr.

MRS. ALICE BELL LUCAS

FFA Boys Operate Riding Academy

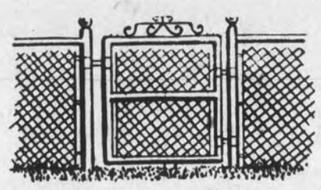

Larry (left) and Roger are shown with some of their saddle horses.

Larry and Roger Wheeler, Montevallo FFA Greenhands, operate a riding academy as one of their productive projects.

On their farm, which is located just outside the city limits, the boys and their father have 16 saddle horses which they rent by the hour. Townspeople and students from Alabama College patronize the academy regularly on the week end. They say that on some week ends several more horses could be used.

They have operated the academy about five months, and plan to expand it as time goes by. On Sunday afternoons they also sponsor a small rodeo.

STANDARD OIL

Outperforms premium gasolines costing more!
CROWN EXTRA gasoline, the South's most popular premium gasoline—now at a new high in performance—actually *outperforms other premium fuels* costing more!
An advanced refining procedure makes this *improved* Crown Extra the *cleanest* premium you can buy. It actually reduces deposits left in your engine, gives more mileage per dollar, and better performance over the whole wide range of gasoline values.
This same advanced refining technique has made Crown and Super Crown Extra *finer* gasolines, too. One or two tankfuls of either of the three popular Standard Oil gasolines will show you that *your* best gasoline buy is at the familiar Standard Oil sign.
Standard Oil gasolines are refined in the South, to suit Southern driving conditions, and are *constantly* improved to meet the changing requirements of modern automobile engines.

Four big reasons why FORD IS OUTSELLING ALL OTHER '59 CARS

AT THE BRUSSELS WORLD'S FAIR, the 59 Fords were awarded the Gold Medal for handsome new styling elegance by the Comité Français de l'Elégance.

ANYONE CAN FIT IN A FORD: Our cars are built for people—*full-size* people who want space to stretch out. And *all* passengers ride in deep-cushion comfort.

YOU'LL BE THANKFUL EVERY TANKFUL if you buy the new Ford, for you'll save up to a dollar a tankful with new engines that run superbly on *regular gas.*

THE FAMOUS FORD LOW PRICES have already made a hit, because only in Fords will you find value and beauty coming together at down-to-earth prices!

The world's best-selling car is the car with Thunderbird elegance

In the greatest styling decision of the year, the American public has already shown a clear preference for the new Fords. Ford sales are way ahead of all competition. Why? One reason is the classic simplicity of their Thunderbird-inspired design—clean, crisp lines that are *pure automobile!* And Fords are built for people—to sit in, to drive, to ride in—with comfort.

The car in hottest demand across the land has greater roominess and comfort

Thousands of customers have bought the new Ford over all competition for another compelling reason—it's a true *six*-passenger car. (The only *four*-passenger car we recommend is the Thunderbird!) All six Ford passengers get plenty of every kind of room—from leg and head to elbow and hip. Rear seat passengers don't feel like they're riding with their feet in a bucket!

The No. 1 car in sales saves money on gas, on oil, on maintenance bills

A new Ford will save you up to 5¢ a gallon on gas. That's because both standard engines—Six or Thunderbird V-8—thrive on *regular* gas. And Ford saves on oil, too, with a Full-Flow Oil Filter as standard equipment. Drive 4000 miles between oil changes! And you can forget about waxing your car. Ford's Diamond Lustre Finish stays gleaming bright without waxing—*ever!*

The most popular American car is priced as much as $102.75 lower

Ford costs you less right down the line than the competition. Compare price tags and you'll see that the manufacturer's suggested retail price of a Ford, equipped with radio, heater and automatic transmission, is as much as $102.75 *less* than the major competition! And on an air-conditioned car, you can save up to $219.85. So compare and *save* on a 1959 Ford!

Electronic Range Is Demonstrated At Home Economics Open House

Home economics open house visitors saw a demonstration at Alabama College last Wednesday on the new electronic "speed-o-light" range that cuts cooking time by more than half.

The demonstration by Mrs. Frances Harding, Birmingham, and Carolyn Sansing, Montevallo, both of the Aabama Power Company, was a part of the home economics week celebration.

According to Miss Sansing, the process is much cheaper than conventional cooking, but the big advantage is the time saved. For example, you can bake a potato in the "speed-o-light" range in four minutes.

Concentional cooking methods require about one hour to bake a potatoe. Cooking in the electronic range is done by time rather than temperature.

"Another wonderful thing about a range of this type is that you cook the food on the same utensils on which you serve it," Mrs. Harding said.

"The range is never hot inside, and does not heat the utensils. It heats only the food. You fry bacon on paper, and you may cook your food on china plates or paper plates," she said.

Metal ware is not used as it reflects the microwaves. Glass and paper are preferred.

of The home economics department of Alabama College had open house from 3 to 5 p.m. A tea was held honoring graduates of the department who live in Montevallo. Dr. Lois Ackeley is chairman of the department.

Attractive displays were arranged by home economics in Bloch Hall for visitors to see. Free recipe books were distributed. One book contained recipes for all of the refreshments served at the tea.

PRESBYTERIAN WOMEN

The women of the Presbyterian Church met in the lovely home of Mrs. D. R. McMillan, Wednesday, at 8:00 p.m. After the reorganizational meeting, with Mrs. Hansel Brown presiding, and the program, delicious refreshments were served.

Then the surprise of the evening was the presentation of the gifts of a stork shower to the Reverend and Mrs. David Kaylor.

Co-hostesses with Mrs. McMillan were Miss Loraine Pierson and Mrs. Rodney Baine.

Note of Thanks

We wish to express our appreciation to the Montevallo Fire Department for their loyal help in saving our house when we had our fire.

Miss Rylant Is Luncheon Honoree

Miss Betty Rylant, whose marriage to Stephen D. Cowart will be an event of Sunday, Nov. 23, at 4 p.m., was honored with a luncheon at The Club in Birmingham Saturday, Nov. 15, by Mrs. R. W. Lochridge, Huntsville, and Mrs. Carl McLemore, Moulton, sisters of the groom-to-be.

The luncheon table was beautifully decorated with an arrangement of pink carnations, white glads, and tiny pom-pom mums, tied with small pink bows and pink net, centered with a miniature bride and groom.

Pink candles were tied with white satin ribbon with streamers, the pink candle holders containing mints.

Place cards, including eight guests, were two white folding bells tied with white ribbon.

The bride-to-be was presented a pink carnation corsage and silver iced tea spoons by the hostesses.

After a delicious menu, the dessert being carried out with bridal motif, the guests enjoyed a fashion show from a group from Mountain Brook, accompanied by The Club orchestra.

Card of Thanks

Our appreciation is extended to all our friends and neighbors for their kind expression of sympathy shown during the illness nad death of Mrs. Mattie Sanders. We especially want to thank Dr. Kirkland for his helpfulness.—Mrs. G. F. Payne and family.

Patsy Carden Avoids Pitfalls of Foods Project

By BOB CHESNUTT
Auburn, Alabama

A 4-H Club foods project can have its pitfalls for a healthy and growing young girl. She could put on too much weight from sampling the rolls and other goodies she prepares.

However, Patsy Carden, the 1958 state individual dairy foods winner, found a way to take care of this problem. After the Shelby County clubster had been carrying her foods projects for three years, she began to take on a few pounds too many. So she started a health and personal improvement project and learned how to stay slim.

Of course, Patsy didn't let anything stand in the way of her 4-H foods work. She started the project when she became a club member at Calera over six years ago and has continued to make progress in each year.

This summer she was named the first place individual dairy foods winner at the annual 4-H camp in Auburn. One of the awards for this honor is an expense-paid trip to the National 4-H Club Congress in Chicago for the week of Nov. 30 to Dec. 4. There Patsy will compete with other state winners for one of the six $400 college scholarships to be given by the Carnation Milk Company.

In winning the state award, Patsy prepared 3,200 dishes, 341 complete meals, and 254 dairy foods dishes during the six years she has been a 4-H Club member. Although she says she made some "horrible messes" in the kitchen when she started cooking, Patsy recalls that she prepared 164 dishes and 22 meals her first year.

PATSY CARDEN

While foods has been the field of her greatest activity, Patsy has also carried other 4-H projects, such as frozen foods, home management, clothing, and yard improvement. During the five years she has had a clothing project she has made 172 articles, 91 garments and repaired 118 items. She has been the dress revue winner in her club three times and the county winner once. In 1956 she was the county dairy maid and was named the alternate district maid at Bessemer.

Patsy has also been a leader in Shelby County 4-H activities, having served as president and secretary of her local club. In the county council she was reporter in 1956, vice president in 1957, and is the current president.

An eleventh grade student at Calera High School, Patsy is the 16-year-old daughter of Mr. and Mrs. Clyde Carden.

Single persons suffer most from headaches; widowed the least.

"And I, if I be lifted up from the earth, will draw all men unto me." — (St. John 12:32.)

This statement of Jesus signified that he should be lifted up to die upon the cross. It also signified that he should be lifted up from death into life, and from life here into life in eternity. And it is significant today that wherever we, his followers, lift him up, Christ continues to draw men unto him.

DR. PHILLIPS WILL SPEAK AT AAUW MEETING

On Tuesday, Nov. 25, at 7:30 p.m., in Reynolds Hall Dining Room, the Montevallo Branch of the American Association of University Women will be privileged to hear Dr. Howard M. Phillips speak to them on the subject of "Higher Education in Alabama". This is a topic of great current interest.

Preceding the meeting, at 7:15, coffee will be served, with Miss Jeanette Niven serving as chairman of the hostess committee.

Montevallo Bulldogs -- Shelby County Champions

Montevallo Tops Vincent For County Title

By S. DeMent

Unheralded in football circles in recent years, Montevallo High School came through this year with a winner. The Bulldogs closed their season here last Friday night with a 7-1-2 record as they ran riot over Vincent, 52-0.

Stunned a little by an early Yellowjacket threat, the Bulldogs could not get moving in the first period. However, when they did get up steam, they couldn't even stop themselves; and it looked as if the second team seemed even more determined than the varsity to show its scoring punch.

In this final game, substitutes made up mostly of freshmen, showed promise of good years ahead for Montevallo. Reserves, playing most of the second half, scored three touchdowns in the final period.

Underwood, Hill and Hollingsworth Score

In that last-quarter scoring spree George Underwood, a ninth grader, intercepted a Vincent pass on his own 28 and scrambled past the entire team to race 72 yards for a touchdown. Then a drive, which the reserves started on Montevallo's 45, netted another score, that saw Charles Hollingsworth, freshman in at fullback, drive over from the one. A pass from Underwood to Barclay Fisher got the point after.

Two plays later Hollingsworth, who came to Montevallo this year from Bibb County High, recovered a Vincent fumble on the 'Jackets' 43. Underwood, bidding now for a starting position next fall, threw a perfect strike for the entire yardage to end Talmon Hill, who gathered it in for the final score of the game.

Vincent Controls First Quarter

A scoreless first period saw Vincent, moving on the ground all the way, pick up four first downs in advancing from their own 40 to the Bulldogs' 13, where they were finally stopped. However, when the Bulldogs did get possession, they could not gather enough yardage to get the first down and were forced to kick.

Vincent Fumbles Pay Off

Two Vincent fumbles gave the Bulldogs their first two touchdowns early in the second period, and Montevallo held a 13-0 halftime lead.

Jimmy Thrasher, senior end, snatched the first fumble on the Yellowjackets' 16. After Donny Davis carried to the 11, Ronald Smitherman passed to Thrasher in the end zone for this pair's seventh aerial touchdown of the season. Smitherman hit the line for the extra point.

The second fumble was picked up by Freddy Draper, guard, who ran 33 yards to score. The try for the extra point was stopped short.

Bulldogs Score Three in Third

To open the second half the Bulldogs began a drive on their own 49, which ended with a one-yard touchdown plunge by fullback Ruben Hayes. In the drive Smitherman ran for gains of five, nine, and 24 yards, while Hayes got 17 yards in two tries. Curtis Jarvis made the extra point.

Armbrewster's attempted pass was snared on the Vincent 32 by Montevallo's center, Danny Thornton, who raced to the eight to set up the fifth touchdown for the Bulldogs. Fisher got within five yards of the payoff stripe, and Davis scored.

Fisher, on a quarterback sneak, got No. 6, after Smitherman's pass to Davis was good for 30 yards to put the ball within striking distance.

Coaches Theron Fisher, Charles Martin, and W. C. Corbett were high in praise of the entire team for its outstanding blocking. "An alert, fast line has made it possible for Montevallo to score 234 points to 55 for the opposition and to hold five teams scoreless this season," they declared. These men up front who deserve a great deal of credit for helping bring a football championship to Montevall for the first time in ten years are: tackles—Larry Joe Pickett, Allan Nabors, and Ralph Morris; guards—Ben Harrison and Freddy Draper; and centers Danny Thornton and Cliff Woolley.

Typical of the fine blocking shown this year by the Montevallo team and one of the most important factors in their success is the scene pictured here with Hollingsworth blocking during the Vincent-Montevallo game Friday. Rasberry is carrying the ball at right. Battle, No. 63, is coming up from the back.

Bulldogs Begin Basketball Season

Coach Cratie Corbett, head basketball coach at Montevallo High School for the past three years, began this week to get his Shelby County championship team ready to defend its title. Twenty-seven hopefuls reported to practice the first day as the young coach announced that all positions were open.

The season opens Tuesday night, Nov. 25, with the Bulldogs playing at home against Thorsby. Both A and B matches are scheduled with the B game beginning at 6:30.

Gone from last year's varsity are two all-county boys, Jerry McNeel, leading scorer last season who also was named all district, and Charles Houlditch, ace rebounder. Lost through graduation also were Leslie Harrison, Edwin Fancher, and Leroy Winslett.

Talent on hand includes five returning varsity letterman, eight former "B" team members, and 14 new aspirants.

Returning letterman are Forrest Brown, 6'2"; Donny Davis, 5'11"; Barclay Fisher, 6"; Ronald Smitherman, 5'11"; and Jimmy Thrasher, 6'.

Ready to move up from service on the B team last year are: Ruben Hayes, Buddy Majors, Jack Rasberry, Bobby Smitherman, Cooter Smitherman, Danny Thornton, Bill Winslett, and Randy Woolley. Three of these received all-county honors last year. They are Ruben Hayes, Cooter Smitherman, and Danny Thornton.

Others out are Lee Barclay, Tommy Brumbaugh, Olin Galloway, John Lankford, Johnny McNeel, Howard Phillips, Larry Joe Pickett, Jim Potts, Albert Scott, Larry Smitherman, George Underwood, Charles Warnke, Freddy Williams, and Jimmy Wyatt.

Thompson P.T.A. Holds Annual Open House

The Thompson P.T.A. held its annual Open House Monday night, Nov. 17, with approximately 300 patrons present. This event climaxed the observance of American Education Week.

The group meeting, called to order by the president, Mrs. A. H. Holbrooks, was held in the school auditorium. Mr. Charles Nelson gave a devotional, after which musical numbers were presented by Harriet Posey and Bunny Fortenberry, accompanied by Mrs. James Curtis; Lamoyne Booth and Darlene Lovelady, accompanied by Linda England, sang and danced to music reminiscent of the 1920's.

Mrs. Garnett Lacey, chairman of the Shelby County Defense Corps, introduced Master Sergeant F. R. Huddleston, administrative assistant, Birmingham and Jefferson County Civil Defense, who spoke of the urgent need for adequate mobilization of civilian resources for emergency defense.

In welcoming the parents, Dr. W. W. Elliott, principal of the Thompson Schools, expressed appreciation for the interest shown by the school patrons in the growth and development of both the school plant and the curriculum.

After adjournment of the formal meeting, the guests were conducted to the several rooms and departments by students, including Emma Jean Dyer, Joan Ellis, Linda England, Carolyn Goodwin, Beckie Green, Linda Hardin, Pat Hinds, Joan Huddleston, Carolyn Jenkins, Gail Johnsey, Jane Mooney, Alice Fay Moore, Judy Nixon, Peggy Smith, Frances Spain, Marlon Dinwiddie, James Dyer, Benny Smith, Clarence Vick, and Tommy Wells from the high school.

Pupil guides from the elementary grades were Jimmy Dennis, Linda Douglas, Nancy Kay Fallin, Janet Farris, Joanne Farris, Janice Huddleston, Joy Kent, Reba Langston, Billy Mathis, Shirley Mauldin, Carl Moore, Diane Payton, Ricky Smith.

Refreshments were served in the school lunchroom by homeroom mothers and teachers of the third and fourth grades.

The date for the next P.T.A. meeting is December 15. The Christmas program is presented by pupils of the elementary grades and is always colorful and interesting.

Delta Kappa Gamma Meets

Alpha Nu Chapter of the Delta Kappa Gamma Society met November 13 at 7:30 p.m. in the parlor of the vocational building at Montevallo High School for the regular meeting and initiation of two new members.

The president, Mrs. Rebecca McGaughy, and other officers conducted the beautiful and impressive initiation ceremony in which Mrs. Margie Sullivan and Mrs. Inez Underwood became members of Delta Kappa Gamma.

Miss Aileen Pope presented Mrs. Hildred Nichols, speaker of the evening, who gave an interesting and informative talk on "Securities Essential to Teacher Welfare." She listed these as economic security, emotional, physical and spiritual security.

After the program a social hour was enjoyed. Delicious refreshments were served by the Montevallo members.

Those present were Mrs. Annie Adams, Mrs. Emmie Davidson, Miss Minnie Dunn, Mrs. Nannie Dee Durden, Mrs. Wilma Elliott, Miss Lavada Harper, Miss Alyce Harris, Mrs. Loretta Head, Mrs. Myrtle Johnson, Mrs. Annie King, Miss Anita King, Mrs. Mary Kroell, Miss Beatrice Kunstler, Dr. Ethel Marshall, Mrs. Rebecca McGaughy, Mrs. Hildred Nichols, Mrs. Myrtle B. Perry, Mrs. Charlotte Peterson, Miss Aileen Pope, Mrs. Sara Walker, Miss Vinnie Lee Walker, Mrs. Margaret Youngblood, Mrs. Margie Sullivan, and Mrs. Inez Underwood.

P.T.A. MEMBERS ATTEND ASSOCIATION MEETING

Three members of the Montevallo P.T.A., Mrs. Ashley Jeter, Mrs. Albert Scott, and the Rev. David Kaylor, attended the second council meeting of the Shelby County Parent-Teacher Association when it met Monday night, November 17, at Vincent School.

Mr. George Starcher, president of the County Association of Mental Health, was guest speaker for the program.

The new and old bridges on the Spring Creek Road, two miles east of Montevallo. The new structure, of concrete and steel, was designed by County Engineer Jimmy Ray. Construction has just been completed by George W. Norrell Contracting Co., of Georgiana.

Spring Creek Bridge Is Completed

The new bridge is the first step in the program of Shelby County to build a paved farm-to-market road through the Spring Creek community near Montevallo.

According to Road Commissioner Fred McClendon, the new road will start at the ice plant in Montevallo and continue over the new bridge through the Spring Creek community to intersect the Dogwood-Dargin road at the old Stonecypher place.

Another prong of the road will turn to the right some distance this side of the Stonecypher place and will go through the Valley Grove community past Salem Cemetery and into Highway 25 at Bud Norwood's in West Calera.

Another part of the road will turn left near the cemetery and go through North Calera to intersect Highway 31 near the Armory.

Mr. McClendon states that this project is on the present program of county farm-to-market road construction. He anticipates some work will be done from time to time preparing the roadbed for final construction. It is expected that the entire project will be completed in a couple of years.

Mr. McClendon has given a personal interest in obtaining this new road for his district for which the people of the area are appreciative. Mr. McClendon goes out of office next January. We hope and expect, however, that his successor in office will carry forward with the program as it is set up in the county's future rural road building.

Westinghouse Inaugurates Modern Teletype Communications System

Faye McNeel Seagle, teletype operator at the Montevallo Westinghouse Welding plant, plays a vital part in the company's new ultra-modern teletypewriter network linking 102 plants and 142 sales offices from coast to coast in a high speed communications system.

The new system was formally opened last Thursday, Nov. 13. Preliminary testing of the network has shown that a Westinghouse salesman of electrical apparatus in the Dallas, Tex., office can file an order involving operations at East Pittsburgh and Sharon, Pa., Bloomington, Ind., and Buffalo, N. Y., and can be assured that the information will be at all of these plants in about five minutes.

To send a message on the automatic relay system, an operator at the transmitting location perforates a paper tape on a teletypewriter and places code symbols at the beginning of the message. Relay devices at the switching center at Pittsburgh recognize the code and dispatch the message to its destination at a speed of 75 words a minute—all automatically.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

HOW TO FOIL A FUNGUS! Did it ever occur to you that telephone poles are edible? Not for you—but they do make a tasty dish for mushrooms! The mushrooms that like to eat wood are wild, like the fungus you find growing on stumps in the woods. That's why telephone scientists feed telephone poles to mushrooms to learn how to *keep* the poles from being eaten. In laboratories they coat pieces of wood with different chemical compounds, then put samples in sealed jars with earth and the most destructive kind of fungus. Chemicals found most unappetizing are then used to treat telephone poles so they'll last longer. Just another example of the day-in, day-out research that enables us to keep your service dependable and continually improving.

* * *

"Then what did *he* say?"

Are these familiar words at your house? If you have a teen-ager, you can't help overhearing just such remarks. It seems that endless telephone visits are a part of growing up. No need to make them a family affair, though. With an extension phone of her own, Suzy can talk in complete privacy. You'll really "tickle her pink," too, with a pretty pink phone, or one of the other lovely pastel colors, and her own listing in the telephone directory. For just a few cents extra a day it's so easy to give the whole family the wonderful convenience of extension phones in favorite "talking spots" throughout your home. Our Business Office will be glad to answer any questions you have, so just call us any time.

* * *

WHAT NEXT? Telephone installers run into some funny situations — sometimes with belligerent dogs, inquisitive youngsters, antagonistic bees — even pet alligators in one family's basement. Here's one we get a bang out of: A lady wanted an extension phone put in and her instructions to the Business Office included the following warning: "Please send a man who has had the measles."

College Receives Science Grant

A $59,100 grant has been awarded to Alabama College by the National Science Foundation with which to conduct a summer institute for high school science teachers beginning June 8.

Dr. Paul C. Bailey, chairman of the college's biology department, will direct the institute. According to Dr. Bailey, about 60 stipends will be awarded to high school and junior high school science teachers.

DR. PAUL C. BAILEY

"These stipends will pay $450 for the six-week institute, plus $90 for each dependent, plus tuition," Dr. Bailey said. "Application blanks may be obtained by writing our biology department," he said.

Objectives of the institute, as stated by the National Science Foundation, include: "To improve the subject-matter competence of the participating teachers.

"To strengthen the capacity of these teachers for motivating able students to consider careers in science, and to bring these teachers into personal contact with prominent scientists."

Dr. Bailey directed a similar institute at Alabama College last summer. High school science teachers from seven states attended the institute.

Junior Council Sponsors Dance

Montevallo High School's Junior Council will sponsor a dance for students in the junior high school Wednesday night, Nov. 26. This Thanksgiving dance will be held in the high school's auditorium from 8:00 until 10:30 p.m.

All Montevallo Jr. I's, II's, and III's have received invitations to this semi-formal dance with both round and square dancing on the program. Refreshments will be served. Parents of the Council members will serve as chaperones.

Mrs. Sara Cairns, Jr. II teacher, is sponsor for the Junior Counci.

Mrs Joy Owens Is Honored With Shower

Mrs. Joy Stringfield Owens was honored Saturday, Nov. 22nd from 2 till 4 in the dining room at the Calera Cafe with a stork shower. The color scheme of blue, pink, white, and yellow were carried out in the flower arrangements and refreshments.

Punch, coffee, mints, potato chips, sandwiches, and cake were served to 50 guests by the hostesses Mrs. Howard Hughes, Mrs. Sydney Wooten, Mrs. T. J. Horton, Mrs. G. D. Stewart and Mrs. Pearl Adams.

Many useful gifts were received by the honoree.

Calera Planning Board Approves Ordinance

At a meeting of the Calera City Planning Commission held Nov. 24, 1958, the following ordinance was approved:

"Resolution to advertise the zoning ordinance with proposed minor changes to be considered at a public hearing by the Planning Commission to be held at the City Hall on Friday, December 12, 1958, at 5:00 p.m. The public is invited to give its opinion about this proposed revision of the zoning ordinance. Copies of this ordinance are on exhibit for public inspection at the following four places: Central State Bank, Calera Town Hall, Calera Motor Company, Cowart Drug Company."

SALVATION ARMY TRUCK

The Salvation Army will be in Montevallo Thursday, December 18. Anyone having clothes, papers, furniture, etc., may call the Times office and the truck will pick up the articles.

Calera High Steppers

The Majorettes of Calera High School were always able to spread good cheer and high spirit, although their team was having a bad year on the scoreboard. By their enthusiasm, you would think Calera had a successful year. So we give them star performance for the year. Other schools may have been larger in number, but not in performance and beauty. We think ours were the cutest in the county. Left to right, Head Majorette, Beulah Askins; Ann Ingram, Wilma Gentry and Norma Henson.

Aren't They Cute?

We salute our graduating Majorettes and hope their successors will be as good in performance and good looks. Three of the four are graduating this year, and we know Wilma will carry on for them. Community Service For Thanksgiving

The annual Community Thanksgiving Service will be observed Wednesday, November 26, at 7:30 p.m., at the Montevallo Methodist Church. The Reverend David Kaylor, of the Montevallo Presbyterian Church, will speak on the subject, "Thanksgiving in a Time of Insecurity." The church choirs will sing "Bless This House." Everyone is invited to attend.

ARTHUR COOPER TO SHOW RUSSIAN FILMS

Dr. and Mrs. Arthur W. Cooper from Auburn will be the guests of the O. B. Coopers this week end.

They have recently returned from a federal assignment in Russia and other European countries.

On Saturday afternoon, Nov. 29, Dr. Cooper will show films of Russia to friends in Montevallo at the Montevallo Methodist Church at 4 p.m. Mrs. Cooper will also show films made in other countries.

Worldwide Bible Reading Program

Participation by this community in the Worldwide Bible Reading program, sponsored by the American Bible Society, will begin on Thanksgiving, it was announced today by the ministers of the Montevallo Protestant churches.

Members of these congregations are circulating lists of Scripture selections to be read daily from Thanksgiving through Christmas. The reading lists are in bookmark form, to be kept in the Bible. Nearly 50 million copies of the Worldwide Bible Reading bookmarks have been published in some 50 countries all over the world.

This year marks the fifteenth anniversary of the program which was started by the request of an unknown marine on Guadalcanal for a Bible-reading fellowship with his family in this country.

Ministers and laymen throughout the country from over 40 denominations assisted in the selection of readings. Each selection is without note or comment and is nonsectarian in character. The period of intensive reading includes observances of Universal Bible Week, December 7-14.

MUSCULAR DISTROPHY DRIVE

The Montevallo Police Department, headed by Police Chief Harry Kendrick, is in charge of collecting contributions to the campaign to aid patients of muscular distrophy.

The Montevallo Cub Scouts will make a house-to-house canvass on Sunday afternoon, Nov. 30 to collect contributions.

Donations may be mailed to the Montevallo Police Department.

Dr. Phillips On Science Panel

Dr. Howard M. Phillips is one of 12 persons who will attend the meeting of the panel for biological facilities of the National Science Foundation in Washington Nov. 25.

Dr. Phillips is the only member of the panel from the South. Appointments to the panel are for one year.

The meeting to be held the 25th is for organization. The panel will consider requests from institutions of higher learning for grants in aid to be used in the establishment or improvement of scientific facilities.

The panel will consider requests in the area of biological and medical sciences. Members of the panel will make site visits to some of the institutions requesting aid.

The quality of the proposed programs will be investigated by the panel, and they will make their report and recommendations to the National Science Foundation.

DR. HOWARD M. PHILLIPS

Dr. Phillips recently attended a meeting of the panel on science faculty fellowships of the Foundation in Washington.

These science faculty fellowships are made available by the Division of Scientific Personnel and Education of the NSF.

"The purpose of the fellowships is to improve college science teaching," Dr. Phillips said.

Knowles To Head Heart Fund Drive

The 1959 Heart Fund Drive in Shelby County will be led this year by Lt. Chas. A. Knowles of Montevallo.

"I am proud to put my shoulder to the wheel and take an active part in the Heart Fund activities this coming year in Shelby County," said Lt. Knowles. "I have the fullest confidence that Shelby will surpass the amount it contributed last year."

Montevallo opened the basketball season Tuesday night with a 42-29 victory over Thorsby.

Both teams had opening night jitters and didn't warm up until the second half.

Top scorers for Montevallo were Jimmy Thrasher with 11 points and Forrest Brown with 10.

In a preliminary match, Montevallo "B's", paced by Bill Winslett and Jack Rasberry, with 9 points each, took a 31-14 decision.

High School Thespians Meet

Eight Alabama high schools were guests of Alabama Colege Saturday for tne annual conference of the Thespian Society.

High schools represented at the workshop were Bessemer, Brook Hill, Ensey, Phillips, and Shades Valley of Birmingham; Cleburne of Heflin; Thomas W. Martin of Gorgas; and Central of Phenix City.

The Thespian Society is a high school dramatic honorary fraternity for students excelling in theatre work.

Leon S. Miller, Cincinatti, was the chief speaker at the meeting. He is the executive secretary of the National Thespian Society.

A general assembly opened the workshop, with the regional director speaking. Dr. M. L. Orr, Sr., dean of Alabama College, gave the official welcome to the delegates.

Various workshops began at 10 a.m. The Shades Valley group from Birmingham presented the play, "The Young Lady of Property," followed by Central High School of Phenix City with their play, "Pink and Patches."

A talent show followed the 6 p.m. banquet. The College Theatre, directed by Dr. Andrew J. Kochman, presented a play for the group Saturday evening.

On the Montevallo "B" Team, Reuben Hayes, number 4, is shooting. George Underwood, for Montevallo, is number 7.

State Organists Meet at College

Members of the Alabama Chapters of the American Guild of Organists met at Alabama College Saturday afternoon.

The delegates saw an exhibition of pictures of German organs on display in Calkins Hall, the music building.

A Guild dinner was held at 6 p.m. in Anna Irvin Hall. Following the banquet, Or. Betty Louise Lumby and John Fesperman, Alabama College organists, lectured to the conference.

Dr. Lumby spoke on, "The first International Congress of Organists," a meeting which she attended in London in 1957.

Mr. Fesperman spoke on "Organs in Holland." He has studied in Holland for the past two summers, and has recorded works on a number of the most famous European organs.

The delegates attended a program of chamber music played by Dr. Lumby and Mr. Fesperman, an dthe Alabama College String Quartet.

The program was in St. Andrews Episcopal Church. Organ music was played on the new Flentrop organ which was recentiy installed.

Mrs. Woolley To Attend American Legion Auxiliary Welfare Conference

Mrs. Reese L. Woolley, Montevallo, Ala., will attend the rehabilitation conference sponsored by the American Legion Auxiliary in Louisville, Ky., Dec. 2 and 3. She will also attend the Child Welfare Conference sponsored by American Legion. Mrs. Woolley is rehabilitation chairman of the Auxiliary's Department of Alabama.

The conference on rehabilitation —reclaiming the mentally or physically handicapped—is sponsored by the American Legion Auxiliary. It will be held Dec. 2 and 3. The child welfare conference, which is concerned with projects to provide for the physical, educational, emotional and spiritual needs of children, is sponsored by the American Legion. It will be held Dec. 4, 5 and 6. All sessions will be at the Sheraton Seelbach Hotel.

Special feature of the conference will be an address at the banquet Tuesday night, Dec. 2, by Mrs. Charles W. Gunn, of Portland, Oregon, national president of the American Legion Auxiliary. Mrs. Gunn will report on her recent trip to Europe, during which she visited hospitals and child care centers.

Social welfare and civil leaders from the 12 Southern states—Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee and Texas, as well as from Panama and Puerto Rico—will attend the conferences, along with national and area leaders of the American Legion and the American Legion Auxiliary.

The conferences will have a twofold purpose. National leaders of the Legion and Auxiliary will outline the primary goals for 1959 in these two important fields of service—rehabilitation and child welfare. Area leaders then can adapt their own programs to further the over-all efforts. At the same time, area leaders can obtain help on local problems from the national organizations.

With service in hospitals a large part of the Auxiliary's rehabilitation program, a greater attempt will be made during the coming year to provide service to patients released from hospitals. This will include not only post-hospital care but also aid to patients in readjusting to community life, especially for those patients who are disabled or were in mental institutions. This type of program will demand the resources of the entire community as well as the activities of the Legion and Auxiliary.

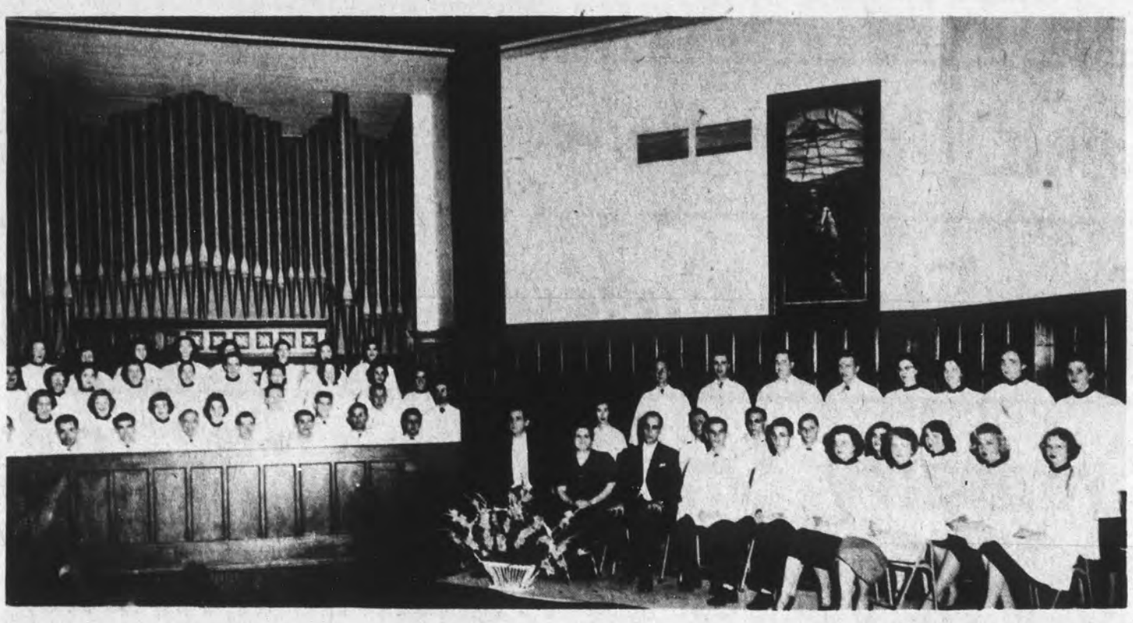

In its child welfare work, the Legion next year will place more emphasis on the particular needs of retarded children.

CANCER REPORT

Cancer was reported at the rate of more than ten new cases a day in Alabama last month. The State Health Department said that the October total was 366. The figure for September was 329.

Fifty-nine counties contributed to the October total. Four were reported in Shelby County.

Third Annual Performance of "The Messiah" Dec. 14

On Sunday, December 14, the third annual performance of Handel's "Messiah" will be sung at the Montevallo Baptist Church. As last year, there will be two performances in order to take care of the overflow crowd—3:00 p.m. and 7:30 p.m.

The Montevallo Community Choir is made up of choirs from Montevallo churches, choral groups at Alabama College, and singers from surrounding communities.

Soloists are Jean Glover, soprano soloist with the Montevallo Baptist Choir; Bruce Tolbert, tenor, of the music faculty of Alabama College; Richard Rivers, bass, head of the music department of Huntingdon College, Montgomery.

Organists will be Helen Newton, regular organist at the Montevallo Baptist Church. Pianist will be Janera Carter, a music major at Alabama College.

The performance will be under direction of Bruce Tolbert.

The above picture is of last year's Messiah performance. Soloists, left to right, Mr. Rivers, Mrs. Glover, and Mr. Tolbert.

The public is cordially invited to the performances on December 14. There will be no admission charge.

445 MAN DECEMBER CALL FOR SELECTIVE SERVICE

State Director James W. Jones says that 445 Alabamians will be called for induction during the month of December, to fill a Selective Service quota of 205 men.

The December national call is the same as for November, 11,000 men.

Alabama's quota includes volunteers, delinquents, and registrants in Class I-A, I-A-O, and who are 22 years of age and older, without children.

Shelby County's call for December will be for 6 men.

Be our guest for a pleasure test . . .

THIS IS THE ONE FOR WAGONS! 1959 CHEVY

Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical —with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!

Wagons were never more beautiful or dutiful. From low-set headlights to wing-shaped tailgate, these '59 Chevrolets are as sweet looking as anything on wheels. They're just about the handiest things on wheels, too—from their overhead-curving windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easy-ratio steering, Safety Plate Glass all around, bigger, safer brakes, smoother-than-ever Full Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 9-passenger Kingswood). Your dealer's waiting now with all the details on why this year—more than ever—Chevy's the one for wagons.

No wonder the swing is to FORD for '59!

59 Ford Fairlane 500 Club Victoria . . . one of the 19 new Fords that ride on *TYREX* cord tires.

Ford beauty pays you extra dividends in comfort

Plenty of leg room . . . There's plenty of stretch-out room, in both front and rear seats—even for long-legged six-footers.

New head room—even hat room . . . Ford is spacious. Unlike the major competitor you can wear your hat, front seat or back.

6 Passengers, not just 4, ride in comfort . . . Ford's seats are softer, thicker. And the man in the middle doesn't "bottom out" on bumpy roads as in many other cars.

Wider doors for easier entry . . . Ford doors are wider than the top competitive make . . . and have convenient 2-stage door checks.

Easy to use trunk space . . . Ford's deep-cut trunk opening lets you load or unload with far less "lift" than competition.

A frame that surrounds you with safety . . . *Everyone* rides within the protection of Ford's solid wide-base frame. You will not get this protection in any other low-priced car.

SOUTH CALERA HOME CLUB

The South Calera Home Demonstration Club met at the home of Mrs. J. O. Littleton Nov. 20 with 14 members present. The meeting was called to order by the president, Mrs. H. S. Lester.

The Pledge of Allegiance to the Flag was given. The devotional was given by Mrs. Littleton from Luke 17:11-19, after which she read a poem, "Thank You".

The demonstration was on making bedspreads, by Mrs. C. Jones and "grooming—clothing" by Mrs. Stockdale.

The roll was called and answered by a Thanksgiving thought. Delightful refreshments were served by the hostess.

The meeting adjourned to meet Dec. 17 with Mrs. M. M. Smith.

CARD OF THANKS

I would like to thank those who visited with me, and those who sent flowers during my recent illness.—Mrs. J. O. Beamon.

Carey Kendrick Is Winner of 4-H Club Dairy Production Efficiency Award

One of Shelby County's youngest dairymen, 4-H'er Carey Kendrick, is the winner of District IV's 4-H dairy production efficiency award, A.P.I. Extension Dairy Specialist John R. Parrish announced in Auburn.

Carey, 17-year-old son of Mr. and Mrs. F. C. Kendrick of Montevallo has been in dairy business almost five years. Lillian, a sleek little Guernsey heifer with style and lines to spare, started him on his dairy career. At the Bessemer show that first year, Lillian won a prize, ribbons, and a trophy.

According to Carey, that was enough to make him decide on a dairy career. Another calf and another year of shows and Carey found himself enroute to Chicago to the International Dairy Exposition.

When Carey got to six heifers, he decided it was time to build a barn. "In the project of building a dairy barn, I really found out about work," he told Assistant County Agent John E. Jones.

Carey now has a herd of seven cows and 10 calves and he is working to bring his grazing up to the required amount. After he finishes school, he plans to continue in the dairy business and further enlarge his herd. Right now, it's enough of a job to get up at 3:30 a.m. every day to milk the cows he has before going to school. A senior at Montevallo High School, Carey plans to go to college to study dairying.

Dairying has paid off for this 4-H'er. He has won approximately $700 in prize money from the shows and has received another $428 from the sale of dairy animals. The sale of milk helps pay for feed.

Carey started his 4-H Club work with a one-acre cotton project. The next year he expanded into a poultry chain. He also planted some seedlings from which he hopes to net some profit in a few more years. But dairying is his first love.

Gibbes Scott Is Citizenship Girl

Gibbes Scott, National Honor Society member and Girl Scout worker, was named this week as Montevallo High School's Good Citizenship Girl. She has attended Montevallo Schools since she began in the kindergarten 13 years ago. Named for the honor by the faculty, Gibbes was nominated by the senior class along with Gene Givhan and Ronda Albright.

The daughter of Mr. and Mrs. Albert L. Scott, Gibbes was born at Siluria May 6, 1941.

Last year Gibbes was elected to the National Honor Society and is this year's editor for the Montala, the school's yearbook, one of the major projects of the Honor Society. Active in F.H.A. work, she has served that organization as president and is currently serving as Student Council representative.

GIBBES SCOTT

Girl Scout work has long been a hobby with this senior. She has been a member for seven years and for the past two summers she served as a counselor at Camp Coleman in Trussville. At present she is leader of in IntermediateTroop and president of a Senior Troop.

At the local Methodist Church, Gibbes is vice president of the Youth Fellowship.

Other jobs for Gibbes at school include treasurer of the math club and senior class and chaplain of the Student Counncil.

Qualities upon which selection of the Good Citizenship Girl is made are dependability, service, leadership, and patriotism.

Last year's winner was Ann Birchfield, who is now a Freshman at Alabama College.

With worn heavy jackets, ragged knitted trousers and an M.P.'s hat with earlaps—his bare feet are covered by thin slippers! Both the weather and terrain in Korea are rugged. Wearable used clothes, shoes, blankets, are in great need by youngsters and adults alike. Many millions of pounds of clothing and shoes have been sent to the needy in Korea by Catholic Relief Services but much more is needed. Conservation Club Plans Meeting

Effort is being made by the newly elected officers of the West Shelby County Conservation group to set up a program in order to affiliate with the Alabama Wildlife Federation. A meeting is being held by the officers and the Board on Dec. 2 at the Montevallo Vocational building for the purpose of making a final draft of the purposes of the organization and to formulate a constitution patterned after one suggested by the State Wildlife Federation. Following a series of 12 meetings, the officers feel that the group has sufficient information to decide if they will go on and solicit members for the West Shelby unit.

Officers of the West Shelby group are: Ed Daviston, president; Dr. D. R. McMillan, vice-president; E. C. Simpson, treasurer; Jess Henson, secretary. Directors: Dr. McMillan, Homer Starks, E. C. Simpson.

A special meeting will be held at the American Legion Hut in Montevallo on December 9 at 7:30 at which time those interested will hear an explanation of the club and will be given an opportunity to become a charter member. Mr. Daviston urges all interested persons to attend the meeting on Dec. 9.

PTA MET MONDAY NIGHT

Extracurricular activities was the featured attraction as the Montevallo PTA met Monday night at the high school.

Preceding guided tours through the school by student council members to see the various rooms and displays of school organizations, the group met for a brief assembly in the auditorium. Mr. Bruce Tolbert was in charge of the program which included numbers by the MHS Band and the chorus.

Rev. James Chesnutt gave the devotional.

Mrs. Todd Jeter presided at the meeting in the absence of Dr. and Mrs. Andrew Kochman.

The Executive Council

The Executive Council of the PTA will meet Monday night, Dec. 8, at 7:30 in the high school home economics department.

INVESTITURE CEREMONY

The leaders and girls of Brownie Troop 564 and leaders and girls of Girl Scout Troop 187 of Calera will have an Investiture Ceremony at the Methodist Church of Calera on Dec. 14 at 3:00 p.m. The public is invited.

Westinghouse Has Order For Aluminum Mill Equipment

Philadelphia, Pa., Dec. 3 — An order in excess of $3 million received by Westinghouse Electric Corporation, will furnish motor and control equipment to drive a new aluminum strip mill now being built by the Reynolds Metals Co., at Listerhill, Alabama.

The new mill is part of an expansion program that will make the Listerhill plant one of the major aluminum rolling mills in the world. Westinghouse also obtained an earlier order to furnish the 7,000-horsepower electric drive for a 170-inch hot reversing mill that is also a part of the Listerhill expansion program.

The equipment, now being made at Westinghouse plants in East Pittsburgh, Pa., and Buffalo, N.Y., is scheduled for delivery in April, 1959. Installation will be completed later in 1959.

Community Chest Contributions Lagging

Kyle McClure, chairman of the Montevallo Community Chest, reports that $700 more is needed in contributions to meet the budget set up for this year. Mr. McClure urges all those who have not made a contribution to send it to Mr. S. M. Mahan, treasurer.

It is the hope of the Community Chest Board that the goal of $2400 will be reached in order to provide emergency relief and character-building needs in the City of Montevallo and vicinity.

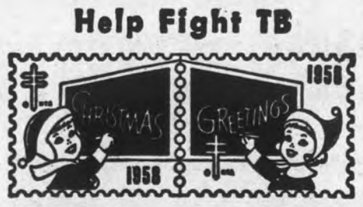

STUDIOSIS CLUB TO MEET

The Studiosis Club will meet on Tuesday evening, Dec. 9, at 7:30, in Calkins Hall. A musical program will be presented by Miss Elizabeth Armstrong, soprano, and Mrs. Harry Tausch, pianist.

Refreshments will be served in Reynolds Hall after the program.

Studiosis is participating in "Operation Santa Claus" for Bryce Hospital. Each member is asked to bring an unwrapped gift for a man or woman, also the necessary wrappings.

Citizenship Girl

Wylodean Key, a senior at Calera High School, has been selected the DAR Citizenship Girl. Wylodean has been a student at Calera during her entire twelve years of school and has worked diligently on varied school projects.

Wylodean carries a full course of studies and maintains a "B" average but she's never too busy to lend a helping hand or take on some extra task for the faculty members or her classmates. For three years she has been a member of the annual staff and has done a commendable job. She has learned responsibility through hard work in every activity of her class.

Wylodean is a well-rounded girl with many superior qualities, but the greatest of these is the sincereness with which she applies herself to any task she undertakes.

R. J. (Bob) Comer Celebrates Birthday

Mr. Bob Comer celebrated his 75th birthday Sunday, Nov. 30 at his home with all of his children and grandchildren to help clean up the turkey and trimmings. Those attending were Mr. and Mrs. Geo. J. Comer and children of Birmingham; Mr. and Mrs. Jack Comer and children of Calera; Mr. and Mrs. James Seale, Mr. and Mrs. Owen Joiner and children of Columbiana; and Mr. and Mrs. John Gaffney of Pensacola. Many more happy birthdays, Mr. Bob.

Mrs. Cowart Is Cancer Educational Chairman

Mrs. Z. S. Cowart of Calera, Ala., has been re-appointed to serve during the coming year in Shelby County as educational chairman of the American Cancer Society, Alabama Division, Inc.

Announcement of this was received from Miss Frances Nelms of Birmingham, state ACS educational director.

In the cancer society's educational work, the new chairman will be responsibe for a continuous program to help save lives from cancer through education. This effort is carried on through the public information media, such as newspapers, radio and television, film showings, printed literature, talks before civic and employee groups, window displays, and other means.

Although the cancer society holds its annual crusade in April, its educational work goes on throughout the year. This is an important phase of the American Cancer Society's three point program of cancer control education, research and service.

College Beauties To Be Named at Saturday Dance

Alabama College's six most beautiful girls will be named at the Montage Beauty Ball and Junior Dance Saturday. Dec. 6, at 8:00 p.m. in Bibb Graves Hall.

The dance will climax the activities of "Miss Alabama Day" on the campus. Theresa Rinaldi, third alternate in this year's Miss Alabama contest, will be the guest of honor for the activities.

Festivities will begin at 10 a.m. with a parade through the campus and Montevallo. Both the Alabama College band and the Montevallo High School band will participate.

The fifteen beauty finalists will ride in convertibles in the parade. The six winners of the beauty contest will be presented at the beauty ball. They were selected from photographs by television star, Garry Moore.

A luncheon in Anna Irvin Hall at 12:30 will honor Miss Rinaldi, the junior class officers, beauty ball committee chairmen, and the beauty contestants.

Representatives from both the Montage and from the junior class are in charge of the dance.

An informal tea is scheduled for 4 p.m. in Reynolds Hall. Students and faculty members are invited. They will meet Miss Rinaldi at the tea.

Miss Rinaldi will sing during intermission at the dance. Student talent will also perform. Music will be furnished by Buddy Harris' orchestra from Birmingham.

Variety Is Keynote Of Big Show

Never a dull moment seems to be the keynote of the big stage show, "Around the World in a Daze," to be presented at the Montevallo High School tonight and tomorrow night. From the moment the curtain opens upon a full stage of chorus girls and cast until the big Hometown, U.S.A., finale, there will be singing, dancing and hi-jinks designed to give variety and entertainment.

The two quiz winners, Tommie Mowery, as Mable, and Mack Clark, as Casper, make a whirlwind tour, where they are ably greeted and entertained by Judy Wallace, Lola Daviston, Phyllis Kyser, Gene Moody, Bonnie Mims, Lennie Bannon, Judy McGaughy, Jo Ann Bice, Cathy Wooley, Lavaughn Jarvis, Roy Starks, Carolyn Frost, to name just a few.

Miss Ginger Calihan, director of the show, is very enthusiastic over the entire cast. Proceeds from the play will go to the Montevallo High School Band. Tickets may be obtained from members of the cast or at the High School Auditorium both nights of the show.

Theatre To Give Congreve Comedy

"The Way of the World," a play filed with intrigue and humor, is the next production to be presented by the Aabama College Theatre.

The presentation will be Dec. 11 and 12 at 8:15 p.m. in Palmer Hall Auditorium.

This play by William Congreve is the second production of the College Theatre this year.

The cast will include: Tom Skinner, Birmingham; Harris Holly, Birmingham; Donald Pruett, Brewton; Ed Cooper, Birmingham; Charles Thomas, Birmingham; Leroy Swanner, Athens; Irvin Busbee, Falls Church, Va.

Oswald Benson, Jr., Shelby; Diana Golightly, Tuscaloosa; Jo Veal, Tarrant City; Mary Clyde Moon, West Blocton; Suzanne Funchess, Auburn; Carolyn Clark, Andalusia; Rosalie Hart, Kingston, Jamaica; and Madge Barnard, Lakeland, Fla.

Gail Nudelman, Orlando, Fla., is the stage manager. The play is under the direction of Dr. Andrew J. Kochman, professor of speech at Alabama College.

THANKS FROM CUB MASTER GEORGE NIX

Cub Master George Nix wishes to thank all who contributed help for the Cahaba District Banquet on Dec. 2. He wants to specially thank the Baptist and the Presbyterian churches for their cooperation; the Dollar Saver Store for their contribution; McCulley's for help in the table decorations; Jack Hudson, the NBC bread man, for rolls donated; Dr. Walters for his welcome to the guests.

Our thanks to all den mothers and mothers of Cub Scouts who helped many ways; to Mrs. Baine our many thanks; also to the cafeteria employees and to all who were so gracious in helping our banquet to be a huge success. We thank Mr. Pat Wyatt for taking pictures of the affair.

Troop 59 of the Scouts and Cubs say thanks to all.

JUST TWENTY YEARS AGO

The marriage of Miss Willie Lee Stephens and Paul Brock Lappin, Cincinnati, Ohio, was solemnized at the home of the bride's parents, Mr. and Mrs. J. M. Stephens, at three o'clock Friday afternoon.

* * *

Montevallo's new fire truck has arrived upon the scene—and we may breathe a sign of relief from some of our fears of fire.

* * *

Mary Jean Kennerly and Peggy Davis entertained Monday night, November 28, with a surprise birthday party for Una Faye Davis on her eleventh birthday.

* * *

Mr. and Mrs. Ashley Jeter entertained Thursday with a Thanksgiving dinner. Those included in this lovely affair were Mr. and Mrs. Eddie Mahaffey, Miss Jack Bowden and Mr. Johnnie Hardy, Miss Betty Perrin and Mr. Gene May.

* * *

Mr. Percy Lee Jr., who is attending college in Mississippi, spent Thanksgiving with his parents, Mr. and Mrs. P. E. Lee.

* * *

One of the four healthiest 4-H Club girls in the United States is the honor bestowed upon Miss Louise Johnson, a 15-year-old high school girl of Calera.

* * *

The pupils of Montevallo High School will be given an opportunity to show their talents when a variety show is given in Palmer Hall Dec. 15, sponsored by The Spotlight, the school paper. Singers and dancers, whistlers and instrumentalists will take part in the show. A specialty for the evening will be a one-act play directed by John Orr.

Mr. and Mrs. Aubin Knowles announce the birth of a son, Sunday, Nov. 20. Mrs. Knowles and baby are at home.

* * *

Reuben T. Faust, age 64, died Nov. 25 after a long illness.

* * *

One of the most delightful affairs of the season was the dinner party given Dr. and Mrs. A. F. Harman Tuesday evening, Nov. 29, honoring the heads of the departments of the college.

* * *

Some progress was made in clearing the location for the Boy Scout cabin Saturday. The boys got some pits filled up and after a great deal of struggle, succeeded in pulling down a huge cedar tree. Wiley Fancher cut the limbs and top out of it while Donald Vaughan and P. D. Pendleton went for a rope to pull the trunk down. The rope proved to be too weak or the tractor too strong. It broke three times!

EVA JEAN McQUEEN

Good Cooking Wins 4-H Trip

Eva Jean McQueen's home-made bread and home-prepared vegetables and meats have won prizes and ribbons for eight years.

This year her good cooking and food preparation have won the Shelby County 4-H'er a trip to the National 4-H Congress as Alabama top 4-H food preparation winner.

Eva Jean, 17, is the daughter of Mr. and Mrs. C. W. McQueen of Columbiana Route 2. The family lives on a 50-acre farm, with Mr. McQueen commuting to Birmingham to work. Since becoming a 4-H Club member eight years ago, Eva Jean has taken over many of the farm chores—poultry, hogs, milking, tractor driving and gardening.

Boy Scouts Hold District Banquet

The Cahaba District annual banquet of the Boy Scouts was held Tuesday night at the Montevallo School Cafeteria, attended by 196 leaders and guests.

Eagle Scout Jimmy Baine, Star Scout George Nix Jr., Second Class Charles McGehee and Second Class Mike Garrett presented the colors. District Chairman, Francis E. Leonard, was toastmaster. Invocation was given by the Reverend James H. Chesnutt.

After dinner, Dr. John B. Walters gave the welcome. Awards and recognitions were made. The "Scouter Award" went to Thomas Potts, Troop 59, and Mr. Francis E. Leonard, District Chairman.

The Den Mother's Key went to Mrs. George A. Nix, Pack 59. The awards were presented by Mr. C. M. Bevis, Scoutmaster, Troop 35.

Elvin Hill, chairman of the Advancement Committee, presented Conrad Fowler with a trophy for the oldest pack and advancements. Two cubmaster portfolios were given, one going to George Nix Sr.

Carlos C. Warren, member of the district committee, introduced the speaker, J. Rufus Beale, attorney and land commissioner of the University of Alabama.

Closing remarks were made by J. G. Kiriakos, member of the district committee. The program was closed with the scoutmaster's benediction.

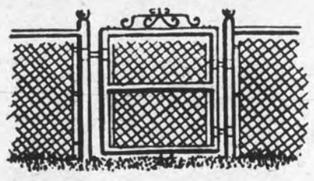

SCIENCE INSTITUTE

Stipends of $450 plus travel pay will be awarded to more than 60 high school science teachers who wish to attend the summer science institute at Alabama College beginning June 8.

Interested teachers should write to the Alabama College biology department. Application forms will soon be avaiable, and will be furnished to persons who request them.

"Generally, stipends will be awarded to teachers in science and mathematics who do not have advanced training in these subject matter areas," said Dr. Paul C. Bailey, director of the institute.

"We will offer courses especially designed for the high school science teacher in biology, chemistry, physics, and mathematics. In addition, a lecture series featuring outstanding people in these areas will be available to the participants," Dr. Bailey said.

Montevallo and Verbena Share Mid-State Conference Title

Montevallo and Verbena, after fighting to a 20-20 standstill during the season, wound up the football year splitting first-place honors in the Mid-State Conference. Both teams will be awarded championship trophies.

Roy Harrell, in his first coaching job at Verbena this year, was selected by the Conference as football coach of the year. Harrell, who played football at South Georgia Junior College, holds a B.S. from Auburn and the Master's Degree from Florida State.

Both Verbena and Montevallo placed four boys on an All-Conference group which includes 22 players. Boys named All-Conference will be awarded certificates and given recognition at the finals of the Mid-State Basketball Tournament in Jemison Saturday night, Dec. 20.

Boys selected by the coaches for Mid-State Conference honors are: Walter Ingram, Calera; Billy Frank Cox, Billingsley; Buddy Middlebrooks and Tommy Rainwater, Hicks Memorial; Leonard Coggins, James Conway, and Ralph Henley, Isabella; Billy Ray, Donald Owens, Jemison; Bobby McCafee, Maplesville; Wayne Cartee and Fred Holland, Marbury; Ronald Smitherman, Jimmy Thrasher, Curtis Jarvis, Freddy Draper,, Montevallo; Allen Fancher, Plantersville; Eddie Bentley, Thompson; and Earl Griffin, Butch Davis, Milton Davis, and Charles Courtney, Verbena.

Here are the Conference and All-Game records of the teams in the Mid-State group:

Centreville Tops Montevallo, 44-36

Neither team found the range too successfully Tuesday night as Bibb County High's Choctaws beat Montevallo 44-36. Cox, Greathouse and Latham, all hitting in the double figures, combined forces to score 42 of the winner's total. Cox had 17, Greathouse 13, and Latham 12.

Jimmy Thrasher and Forrest Brown , with 14 points apiece, paced the Bulldogs.

It was a slow-moving first half which ended with the Choctaws out front 19-17. The lead had see-sawed four times during the half.

Early in the third quarter the Bibb County crew dumped in three successive field goals before Montevallo could score and went ahead 25-17. The Bulldogs were never able to catch up again.

Rasberry Paces B Team

Montevallo's B team came thru with a 25-12 win in the preliminary match. Jack Rasberry, hitting 4 for 5 at the free-throw line, was leading scorer in that one with 10 points. Medder had 7 for the losers.

Scoring by quarters went like this:

Montevallo	1	8	9	7—25
Centreville	4	5	2	1—12

Jimmy Thrasher (10) scores his fifth field goal for Montevallo as Latham (34) for Centreville does a ballet.

DAVID LINDSAY CHAPTER

David Lindsay Chapter, DAR, will hold its regular monthly meeting Monday evening, Dec. 8, at Westminster House, with Miss Emma Dendy, chapter secretary, as hostess.

Mrs. A. W. Vaughan will help the local organization observe Alabama Day, December 14th, when she discusses the topic, "Our State". Mrs. Vaughan serves the chapter as registrar and also as chairman of the student loan and scholarship committee. In addition she is a member of the state student loan and scholarship committee of the Alabama Society DAR.

Mrs. E. H. Wills, chairman of DAR good citizenship girls reports the selection of the following senior women from Shelby County High Schools: Miss Faye Jenkins, Vincent; Miss Wylodean Key, Calera; Miss Harriett Posey, Siluria; Miss Gibbes Scott, Montevallo; and Miss Mary Walton, Columbiana. All DAR good citizenship girls are eligible to attend the annual pilgrimage held in their honor at Huntingdon College, Montgomery, December 6th.

The Georgie Leeper Circle of the Presbyterian Church will meet on Monday at 10:00 a.m., with Mrs. W. J. Kennerly. Mrs. Eugene Reynolds will present the lesson.

FUNERAL RITES HELD FOR MRS. CLAUDIE WOODS

Mrs. Claudie Ellen Woods, 77, passed away Saturday, Nov. 29 at the residence, after a long illness.

Funeral services were held Monday afternoon at the Calera Methodist Church, by Rev. Gerry Herrin Jr. Burial was in Salem Cemetery.

Surviving are 1 daughter, Mrs. Louis Ellison; 2 sons, Adolphus Woods of Calera, and Gilbert Woods of Maplesville; 1 sister, Mrs. Dealie Seale; 1 brother, Mr. Charleston Martin, Calera; 4 grandchildren, Joe Don Woods and Margie Woods Killingsworth, Sharon and Wayne Ellison.

Pallbearers were Carlton Martin, Elvin Cost, Charles Roberson, Edward Roberson, Wayne Ellison, and Buster Killingsworth.

Christmas Seals Aid Fight on TB

"The conquest of tuberculosis is possible only by discovering all cases of the disease in the early stage," said Conrad M. Fowler, chairman of Shelby County's 1958 Christmas Seal Sale, when speaking of the annual seal sale which is now under way. "Funds for the treatment so necessary in all stages of the malady are distributed in all states through their health departments.

"Why are we asking you to buy seals again this year?" he asked. "Because tuberculosis is still active in Shelby County. According to reports in the county health office, there are more than 120 known cases in the county, considered as arrested, since they are, at this time, inactive. In 1957 there were thirty new cases in the county.

"The purchase of Christmas Seals in the past has helped find many cases of tuberculosis and get them under medical care. We can not afford to stop now half way in the battle. Your Christmas Seal dollars will help continue the humanitarian work."

Christmas Seals have been mailed to 4090 citizens of Shelby County who are known to be concerned in the fight against tuberculosis. During the busy Christmas season it is easy to overlook the answering of mail, but all recipients of the stamps are urged to send donations promptly and to use the seals on letters and packages during the season.

Roy Downs, Calera, is treasurer for the county's Anti-Tuberculosis Association. Checks or cash for the Christmas Seals should be mailed to Mr. Downs.

ANDREW J. KOCHMAN SR.

Andrew J. Kochman Sr., died in Tucson, Arizona, last Tuesday. Burial was in the family plot in Akron, Ohio, Monday, December 1.

He is survived by his widow; 2 sons, Andrew J. Kochman Jr., of Montevallo, and Joseph Kochman of Akron, Ohio; 1 sister, Lauretta Melledy of Los Angeles, Calif.

Proclamation

Whereas, tuberculosis causes more deaths in Alabama than all other contagious diseases combined, and

Whereas, the Alabama Tuberculosis Association and its affiliated county chapters are to be credited with the tremendous strides which have been made in this State toward the detection and eradication of this blight on humanity, and

Whereas, the funds with which these humanitarian organizations combat this dreaded disease are derived principally from the sale of Christmas seals, and

Whereas, the sign of the double-barred cross borne by these seals truly symbolizes the spirit of the Christmas season, signifying a gift to all mankind, and

Whereas, the Alabama Tuberculosis Association and its county chapters conduct their Christmas Seal Sale during the month of December each year,

Now, therefore, I, W. M. Wyatt, Mayor of the City of Montevallo, do hereby proclaim the month of December as the CHRISTMAS SEAL MONTH in the City of Montevallo, and urge the residents of Montevallo to participate in this observance by generously purchasing and using the seal of the Alabama Tuberculosis Association and its affiliated county chapters.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Seal of the City of Montevallo to be affixed this first day of December, 1958.

REUNION AT SEA—Old friends had a reunion at sea when Congressman Armistead Selden (center) recently visited the U. S. Sixth Fleet in the Mediterranean. Aboard the Sixth Fleet aircraft carrier, the USS Forrestal, was Navy pilot Lt. Cdr. Frank Y. Thigpen (left) of Congressman Selden's home town of Greensboro. In the picture Thigpen is showing Rep. Selden and Rep. W. R. (Bill) Hull (D-Mo.) the carrier's flight deck. A group of 8 Congressmen were flown aboard the Forrestal to witness training exercises and to be briefed on the Navy's strategic position in the Mediterranean, as well as its defensive and striking capabilities.

DEN TWO MEETING

Den Two met at the home of Den Mother, Mrs. G. A. Nix. Advancements were checked and plans for a Christmas party were made. The boys went on a hike, after which refreshments were served and the Cubs were dismissed.

Cubs of Den 2 are mighty proud these days. They received leaders portfolio.

Richard Bishop of Cerebral Palsy School spent Thanksgiving with his mother, Mrs. A. A. Ross.

Southern Railway Pays State Tax

Southern Railway reports that it will this week present to the tax collector of the State of Alabama a check for $184,638.11 in payment of its franchise tax for 1958.

Total of all 1958 direct taxes, state and local, paid or to be paid by Southern Railway System in Alabama is estimated to be more than $1,921,000.

Commenting on the railway's tax payments, Harry A. DeButts, the railway's president, said:

"We recognize that business firms as well as individuals should be taxed to support services which all citizens require. It does disturb us, however, when we see increasingly large amounts of tax money, including what our railroad has paid, spent lavishly on highways or airports or waterways or other projects which are of major benefit to our competitors.

"A tax payment for the common good is one thing but that part of our payment which is used to provide subsidies for our competitors is a 'horse of a different color'."

BOY SCOUTS TROOP 59 MET

The Montevallo Boy Scouts of Troop 59 met at 6:30. Seven Scouts and one leader were present. The Court of Honor was held. Color guard was Jimmy Baine, George Nix, Charles McGehee. The Pledge of Allegiance was given by Mike Garrett. The group sang America, led by George Nix.

The charter presentation was made by Mr. McGehee. Mr. Tom Potts presented the boys with their cards.

The following boys received awards made by Scout Master, Mr. Potts: Ernest Blankenship, second class pin; George Nix, five merit badges and advanced to work of Star Scout; Jimmy Baine, Eagle Scout, received the gold palm.

The ceremony was closed with the Scout Oath and benediction.

Committee Plans Free Polio Shots

Free polio shots for everyone under 40 in Shelby County is the goal of the Shelby County Rural Health Committee this year.

The committee is a volunteer organization whose purpose is "to raise the general health standards of the people of Shelby County through the use of preventative vaccines, promotion of safety, and promotion of sanitation."

Dr. W. C. Browne of Vincent, representative of the Shelby County Medical Association, is the chairman of the committee.

"Our project this year is to make polio shots available for everyone in Shelby County who is under the age of 40," Dr. Browne said.

"Everyone is familiar with the potenital dangers of polio. We want to assist parents in protecting themselves and their children from this dreaded disease," he said.

Vaccine will be supplied free of charge by the Shelby County March of Dimes Association. The series of three shots will be made available for all who want them.

"Our target date for the first shot is sometime during the latter part of January. The exact date will be announced soon," Dr. Browne said.

The Sheby County Medical association is assisting in the project. Shelby County doctors will donate one day of their time, and will give the shots at their offices, free of charge.

"This will enable everyone to get the shots. This committee sincerely hopes that everyone will avail themselves of this service, and take this opportunity to guard against polio," Dr. Browne said.

Young adults and children of pre-school age will receive the shot on the one day set aside by the committee. The free shot will be available only one day for each of the three-shot series.

"Taking advantage of these shots may mean the difference in staying normal and healthy, and becoming crippled for life. It deserves serious consideration," Dr. Browne said.

The polio shot drive is being cosponsored by the Shelby County Rural Health Committee, the Shelby County March of Dimes Association, and civic, professional, fraternal and service clubs.

FUNERAL SERVICES FOR DORA E. GREENE

Funeral services for Miss Dora Elizabeth Greene, 77, of Siluria Rt. 1, who died Saturday in a Birmingham hospital, were held at 2 p.m. Monday at the Helena Baptist Church, the Rev. Pat Benshew officiating. Burial was in Roy Cemetery, Ridout's Valley Chapel directing.

A native of Tuscaloosa County, Miss Greene is survived by two sisters, Mrs. Nancy Englebert of Adamsville and Miss Gladys Greene of Keystone, Ala., and two brothers, Lawrence B. Greene of Birmingham and Wiley L. Greene of Atlanta.

Pumpkin pie is almost as much a part of Thanksgiving as the story of the Pilgrims. But it wasn't on the Pilgrim menu. According to research experts with The World Book Encyclopedia, the early colonists probably didn't know what to do with the strange vegetable.

Miss Betty Rylant, S. D. Cowart Wed

Miss Betty Jean Rylant, daughter of Mr. and Mrs. John Rylant, of Gardendale, and Stephen D. Cowart, son of Mr. and Mrs. Cecil D. Cowart, of Calera, were married at 4 p.m., November 23, at the First Baptist church of Gardendale by the Rev. Howard Bryant, pastor of the church, assisted by the Rev. Floyd Goree, pastor of Calera Baptist Church.

Arrangements of pink chrysanthemums, gladioli, palms and smilax decorated the church which was lighted by pink tapers in branched candelabra.

Music was presented by Mrs. Maurice Hammond, organist, and Mr. Aubrey Edwards, soloist.

The bride was given in marriage by her brother, Louie Rylant. She wore a gown of white chantilly lace, traced at the neckline with sequins and pearls. The buffonet skirt was edged with lace scallops. The illusion veil was caught to a headdress of lace and pearls. She carried a cascade bouquet of white sweetheart roses and lilies of the valley, centered with a white orchid.

Miss Peggy Jo Smith of Auburn was maid of honor. She wore a gown of apple blossom pink taffeta and her headdress was of matching pink leaves. She carried a cascade bouquet of pink carnations.

Cecil D. Cowart served his son as best man.

Ushers were Dr. William Mitchell, Dr. Wallace Reese, Charles O. Bailey of Calera, and Harry Denson of Birmingham.

A reception in the church basement followed the ceremony. Mrs. Robert Lochridge, Mrs. Carl McLemore, sisters of the groom, Mrs. William Mitchell, Mrs. Wallace Reese and Mrs. Charles Bailey assisted in serving.

Mrs. Jack Spain registered the guests.

Out-of-town wedding guests included Mr. and Mrs. W. G. Littrell, Mr. and Mrs. Carl McLemore of Moulton; Mr. and Mrs. Robert Lochridge and Joan of Huntsville; Mr. and Mrs. Julius Pilgreen and Mrs. John Thornton of Warrior; Miss Ethel Cowart of Greenville; Mr. and Mrs. Jack Martin, Mrs. George Glass Jr., Mrs. W. STOP IN: SEE HOW MERCURY SOLVED THE PROBLEMS MANY '59 CARS FORGOT

SOLVED: JACKKNIFE RIDE FOR "MAN IN THE MIDDLE." The hump in the floor has been whittled way down in the new Mercury to provide more foot room.

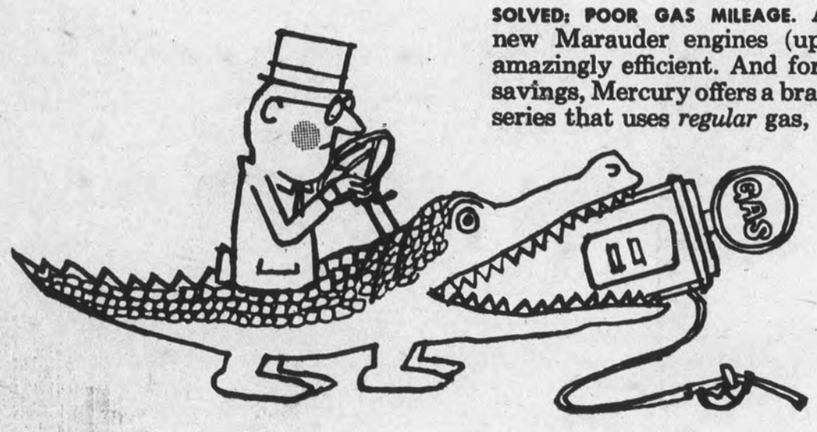

SOLVED: LOOK-ALIKE STYLING. Mercury is the only car in its field that doesn't share its styling with any other car—doesn't use a dressed-up body of a lower priced car.

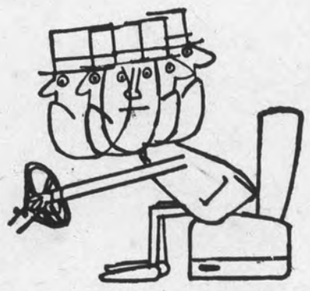

SOLVED: STANDING ON YOUR EAR TO SEE TRAFFIC LIGHTS. New windshield curves up into the roof, lets you see high traffic lights. New windshield wipers clear 42% larger area—*including middle.*

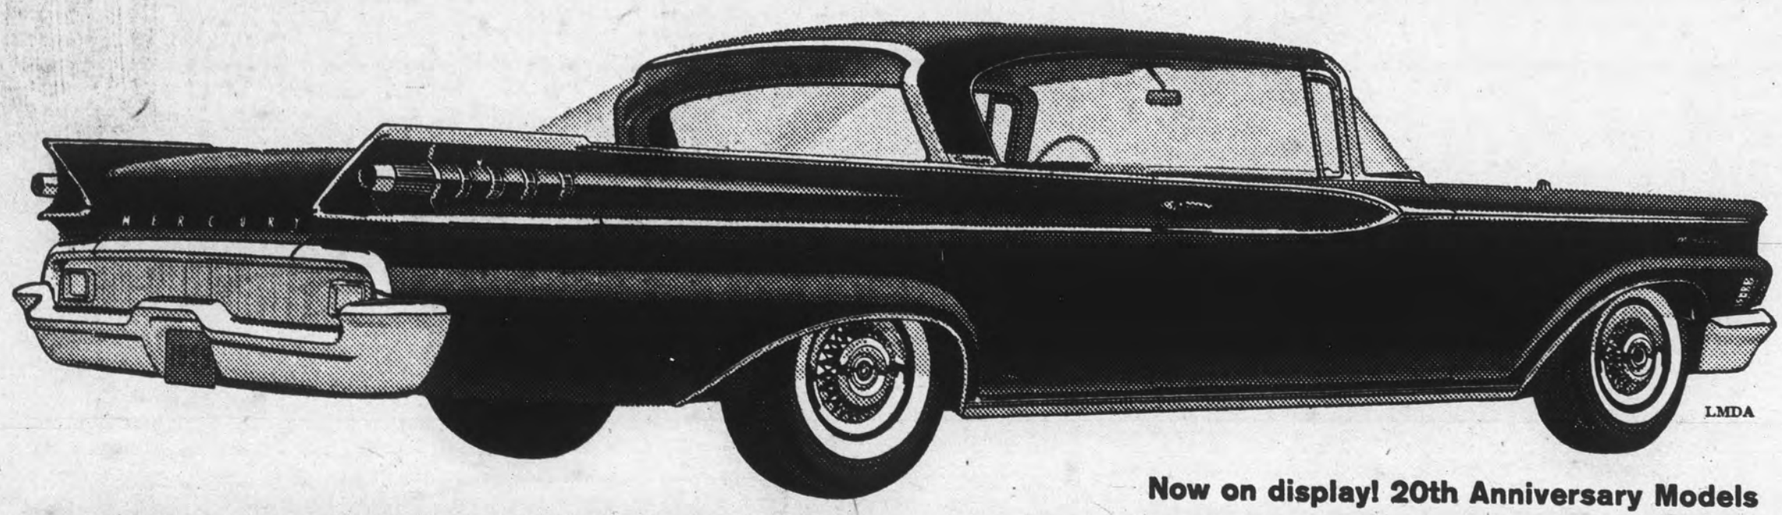

SOLVED: WHACKING YOUR KNEES GETTING IN OR OUT. Mercury's front doors are wider than those in the costliest cars. And the windshield post has been moved forward, out of the way.

SOLVED: POOR GAS MILEAGE. All of Mercury's new Marauder engines (up to 345 hp) are amazingly efficient. And for top mileage and savings, Mercury offers a brand-new Monterey series that uses *regular* gas, not premium.

SOLVED: TENSION WHEN PASSING. New Marauder engines react with split-second precision. You enjoy the difference between merely "enough power" and real peace of mind.

Walker Heads Goodfellows

C. P. (Red) Walker of Alabaster is Shelby County chairman of the Goodfellows this year. He has named the following local chairmen and organizations to assist in the annual drive for funds to be used in bringing Christmas gifts to the county's underprivileged children:

Montevallo, M. S. McGehee, Rotary Club; Vincent, Mrs. Willie L. Hassett; Calera, Carlos C. Warren, Civitan Club; Siluria, Hazel Buckner, The Friendship Club; Columbiana, Buck Falkner, the Kiwanis Club.

C. P. (RED) WALKER

Mr. Walker requests that contributions be mailed to the local chairmen or to him. The list of contributors will be published in the county newspapers and also announced on Radio Station WBYE.

The Drag Strip of Helena will hold Charity Day on Sunday, Dec. 14 at 1:30 p.m. All proceeds will go to charity, especially to the Goodfellow Fund. Admission $1.00.

Band To Give Christmas Concert

The Montevallo High School Band is planning to present a concert of Christmas music on Monday night, Dec. 15, at 7:00, on the steps of the Baptist Church. Most of the program will consist of the old familiar Christmas carols in arrangements; but also included will be a few of the new Christmas songs, such as "White Christmas" and others.

The band wishes to express appreciation to all who have helped in any way to make its various fund-raising projects a success.

In case of rain or severe cold, the concert will be canceled.

Calera Planning Board Considers Three Projects

Mr. Sidney Doyle, of the State Planning Board, will meet with the Calera Planning Board Friday at 7:30 p.m. in the City Hall. Some arrangements will be discussed on the following projects:

1. To extend the city limits. 2. To put up street markers. 3. To number the houses.

Members of the Calera Planning Board are: Roy Downs, chairman; E. G. Aldridge, W. H. Crawford, Arthur Davis, O. C. Farris, Warren Findley, Henry Jackson, T. W. Lawrence, Dr. W. S. Mitchell, and Frank Wallace.

Any citizens interested in attending the meeting are welcome.

University Alumni Meeting Date It Changed

The meeting of the University of Alabama friends and alumni announced last week to be held Friday, Dec. 12, has been changed to Saturday, Dec. 13. The meeting is to be at 7:30 p.m., at the lunch room of the Shelby County High School. Cost per plate is $1.25.

This is to be an organizational meeting. By-laws are to be adopted and officers are to be elected to serve the association during the coming year.

The Athletic Department and the Alumni Affairs Department of the University will be represented. Fred Sington, president of the National Alumni Association for the University, will also attend.

Alumni and friends of the University who desire to attend are urged to request reservations for the number of plates wanted from one of the following area attendance chairmen: Ed Ewing, Alabama College; Bob Broadhead, Alabaster; J. W. Donahoo, Harpersville; and Conrad M. Fowler, Columbiana.

Attend Civil Rights Hearing

C. P. Walker of Alabaster and Dr. John Walters of Montevallo were front-seat spectators at the civil rights hearing in Montgomery Monday.

FOREIGN MISSION WEEK

The WMS of Montevallo Baptist Church is observing the week of Foreign Missions Dec. 1-5. They will meet at the church each day for a program on foreign missions.

The Lottie Moon Christmas offering goal of $888 has reached $300. A light will be added to the Christmas tree at the church for each additional $50 received until the goal has been reached.

Coaches Meet at Alabama College

Coaches and athletic officials of 8 Alabama colleges met at Alabama College Saturday to discuss the formation of a new athletic conference. Among those attending were (left to right) Jim Homer, athletic director of Livingston State College; Tom Robertson, coach at Jacksonville State College; Hal Self, football coach at Florence State College; Newbern Bush, member of the athletic committee of Jacksonville; H. A. Flowers, Florence athletic director; Frank Lovrich, coach at Jacksonville; Earl Watson, athletic director of Troy State College; Floyd Anderson and Frank Lightfoot, coaches at Alabama College. Postmaster Urges Early Mailing

Postmaster Morris Watson said today, "Early mailing of all Christmas cards and gifts is the biggest single factor in getting all of the mail delivered before Christmas. Extra help will be available, and everything is geared up to handle a record Christmas mail in Montevallo this year."

The postmaster suggested that you take special care in preparation of gift packages for the mails. Make sure that all addresses are legible and complete.

"If you have any articles of unusual size or bulk, better check with the Post Office before attempting to mail them," the postmaster warns. The limits on size and weight of packages varies, depending on where you mail your package.

When wrapping gifts for mailing, it is always best to use corrugated cartons, especially where there are a number of various size objects in the shipment. Use plenty of wadded tissue or newspaper for extra protection against shock, and securely wrap each package or carton in heavy paper and tie it with a strong cord. Be sure to include an extra label with your return address and the recipient's address inside of the carton before it is wrapped.

Postmaster Watson says that if you will follow these three simple rules, you are certain to have your gifts delivered before Christmas Day: Wrap them securely, address them correctly, and mail them early.

When mailing your Christmas cards, use the free labels from the Post Office reading "All for Out-of-Town Delivery" and "All for Local Delivery". By sorting your Christmas cards and tying them in two separate bundles, with the addresses all facing one way, you're sure to speed their arrival.

CAKE SALE

A baked goods sale will be held Saturday, Dec. 13 from 9 to 12 at the Alabama Power Co. building. The sale is sponsored by the Ladies Sodality of Saint Thomas Church.

Calera School Presents "Nutcracker Suite"

The Calera Elementary School will present The Nutcracker Suite Thursday, Dec. 18, at 7:30 in the school auditorium. The program, an annual one, is under direction of Mrs. Jim Mabry and Mrs. Eddie Downs.

Plans were completed this week and the following members of the faculty will assist: Mr. Herman Peters, Mrs. Elizabeth Redwine, Mrs. B. H. Cadle, stage setting; Mr. and Mrs. W. F. Akridge, program; Mrs. Nalda Timmerman, Mrs. Marjorie Davis, advance ticket sale; Mrs. Jim Childers, Mrs. Annie Dunnaway, auditorium decorations; Mrs. Marvin Smith, Mrs. Betty Giles, Mr. Charles Jones, publicity; Mr. Bill Collins, Miss Mamie Bishop, Mr. Hershel Day, Mr. James Tubbs, door; Mrs. Hansel Brown, music.

AMERICAN BRAKE SHOE CO. DONATES TO CALERA BAND

Roy Downs, chairman of the Calera High School Band Fund, reports that the American Brake Shoe Foundation, on behalf of the Calera plant, has again generously contributed a check for $250 to the Calera band fund.

Mr. Downs points out that the Brake Shoe Foundation gave $350 to the band fund in 1957 and $200 in 1956.

Brake Shoe Plant Resumes Full-Time Operations

Mr. J. D. Freeman, superintendent of the American Brake Shoe Company's Railroad Products plant at Calera, announces that full-time operations of this plant was resumed on Monday, Dec. 8.

Approximately 95 men were recalled from lay-off to complete the plant's personnel of over 200 employees. These men were laid off May 1 of this year due to lack of business.

The plant expects to operate 5 days per week, melting approximately 16 hours per day, necessitating around the clock operation for the machining and heat treating operations.

Wheels produced will be shipped to Pullman-Standard Car Manufacturing Company's Bessemer plant for application to cars being built for the Louisville and Nashville Railroad Company.

L. O. Brackeen Is Rotary Speaker

L. O. Brackeen of Auburn and of the State Department of Agriculture and Industries Soils Division, was the guest speaker at Montevallo Rotary Club Thursday evening, at which time he explained something of the potentials offered in Shelby County as indicated by the various soils and formations of the county.

Shelby will be the third county to have a three dimensional map drawn and set up to scale. The new map will be provided by Mr. Brackeen through his department, and will be located in the Montevallo voc. agr. department. When the map is completed, it will occupy a space about 6 x 8 feet and will show all elevations, valleys, streams, etc. in proportion to their actual existence.

Mr. Brackeen is a forerunner of the three dimensional map. He had on display at the State Fair in Birmingham a map of Alabama in 1957, and at the last fair he exhibited one of the county maps. Mobile and Limestone Counties are the only ones completed thus far. Mr. Brackeen will be making personal visits and contacts in the county until the map is completed.

CALERA POST OFFICE

The Calera Post Office will be open each day during the month of December from 8:30 a.m. to 5:00 p.m., except Sundays.

Kitchen Hints

Christmas time means entertaining time and make it a fun time for you by having a supply of Imperial spreads on hand for family and guests.

Mix one cup of chili sauce with one quarter pound of Imperial margarine—store covered and when cold and hard spread on salty crackers. Top with sliced stuffed olives . . . slice 'em thin.

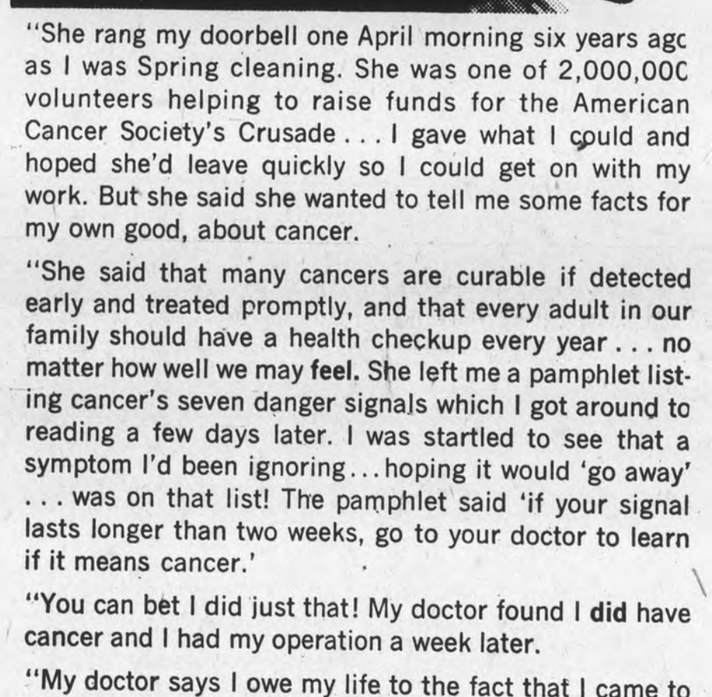

* * *

Soften one quarter pound Imperial margarine, add a generous tablespoon of cinnamon — cool in refrigerator and serve on toast triangles with a plump pitted date atop.

* * *

Hot biscuits — the tiny-sized ones—are always delicious, but more so when spread with a mixture of honey and Imperial margarine. Make the mixture by blending one half cup of honey and one quarter pound Imperial margarine—chill overnight . . . watch it melt on contact . . . mmmm!

I OWE MY LIFE TO A STRANGER

"She rang my doorbell one April morning six years ago as I was Spring cleaning. She was one of 2,000,000 volunteers helping to raise funds for the American Cancer Society's Crusade . . . I gave what I could and hoped she'd leave quickly so I could get on with my work. But she said she wanted to tell me some facts for my own good, about cancer.

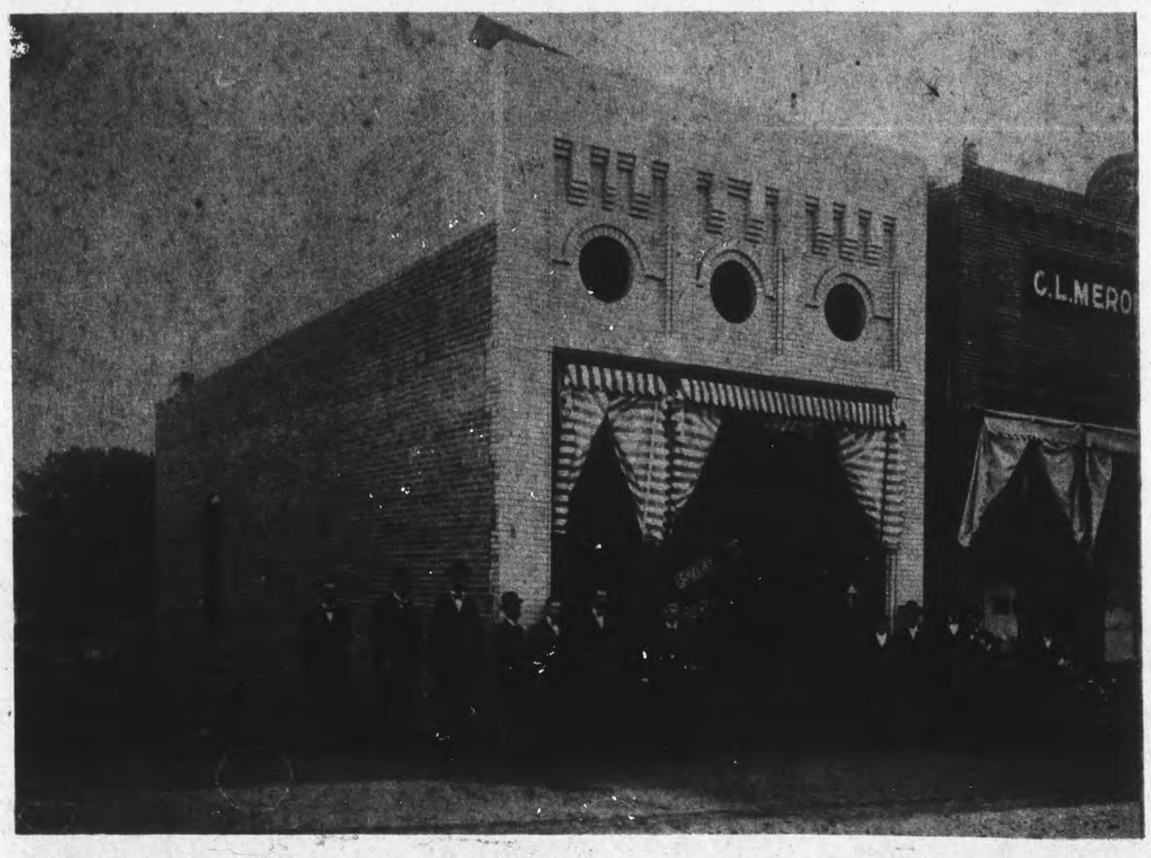

"She said that many cancers are curable if detected early and treated promptly, and that every adult in our family should have a health checkup every year . . . no matter how well we may **feel.** She left me a pamphlet listing cancer's seven danger signals which I got around to reading a few days later. I was startled to see that a symptom I'd been ignoring . . . hoping it would 'go away' . . . was on that list! The pamphlet said 'if your signal lasts longer than two weeks, go to your doctor to learn if it means cancer.'

"You can bet I did just that! My doctor found I **did** have cancer and I had my operation a week later.

"My doctor says I owe my life to the fact that I came to him **in time.** But I'll always feel I owe my life to a stranger."

For **your** copy of life-saving facts about cancer, write to the Unit of the **AMERICAN CANCER SOCIETY** in your community.

Soil Conservation District News

B. F. Hatchett
Geo. C. Starcher

H. R. Vawn, Columbiana route, became a district cooperator soon after buying the J. A. Tucker farm about four years ago. He has made consistent progress in developing the farm, but this year has done an unusually good job of clearing 25 acres of very wet low land and establishing fescue and white clover. While having the bulldozer on his farm, he also removed the hedgerows and shaped ditches and outlets. These formerly unproductive eyesores will add much valuable pasture land.

W. S. and Joe Raines, Birmingham and Shelby County business men, became cooperators last month. Both are getting pond designs in addition to complete conservation farm plans. Construction on W. S. Raines' dam is underway. Joe Raines has some of the best winter grazing in the county, and plans to clear and develop about 30 acres of very wet bottom land.

In talking with the builders of SCS designed ponds, it has been called to their attention that lakes should be posted and safety precautions taken. This is specially necessary where accessible to children.

Mr. and Mrs. Cowart Honored at Reception

Mr. and Mrs. Cecil D. Cowart entertained with a reception Sunday afternoon, Dec. 7, from 3:00 to 5:00 o'clock, at their home in Calera, honoring Mr. and Mrs. Stephen D. Cowart, whose marriage was recently solemnized at the First Baptist Church at Gardendale. The bride is the former Miss Betty Jean Rylant.

The guests were met by Mrs. Maurice W. Hammond and introduced to the host and hostess, the honored couple, and the mother and father of the bride, Mr. and Mrs. John Rylant of Gardendale.

Miss Ethel Cowart of Greenville registered the guests. Mrs. R. L. Holcombe ushered them into the dining room. Mrs. D. G. Wallace and Mrs. Z. S. Cowart poured coffee from a silver service. They were assisted by Mesdames Roy Downs, O. C. Farris, Wallace Reese, William Mitchell, Z. S. Cowart, W. B. Ozley, R. E. Bowdon Jr., of Calera, and Mrs. Boyd Mothershed of Birmingham.

The table was covered in chantilly lace over yellow satin, ruffled with silver embroidered net floor length. Miniature bridal bouquets of lily of the valley tied with streamers of lime green ribbon were placed at each corner of the table. Silver candelabra were tied with green tulle containing yellow candles.

Yellow, green, white gladioli and white camelias were used throughout the living and dining room.

The color scheme was used in the dainty decorative cakes and mints. One hundred ten guests called during the appointed hours.

Mr. and Mrs. Stephen D. Cowart are residing in Calera where Mr. Cowart is in business.

FFA NEWS NOTES

Over 500 FFA-FHA members of the five high schools of Shelby County were eligible to attend the annual Get-Together which was held at Calera Armory last Wednesday, Dec. 10. Although all members did not attend, it was estimated as one of the largest groups ever to attend the annual meeting.

B. F. Dilworth, assistant supervisor of vocational agriculture and FFA, Auburn, was a visitor in the Montevallo voc. agr. department this week. He was in a meeting of local FFA officers at which time the activity program was discussed.

EGGNOG PIE

1 cup fine graham cracker crumbs
¼ cup melted butter or margarine
½ cup PET Evaporated Milk
1½ pkg. unflavored gelatin
⅔ cup water
2 eggs, separated
½ cup sugar
½ teaspoon salt
1 Tablespoon vanilla
¼ teaspoon rum flavoring (can omit)
⅓ cup PET Evaporated Milk

Press mixture of crumbs and butter on bottom and sides of 9-in. pie pan. Chill until needed. Chill ½ cup PET Milk in ice tray until almost frozen around edges. Meanwhile, soften gelatin in ⅓ cup cold water. Stir in ⅓ cup boiling water until gelatin disssolves. In 1½-qt. bowl mix slightly beaten egg yolks, sugar, salt, vanilla, rum flavoring and ⅓ cup PET Milk. Stir in dissolved gelatin gradually. Chill until very thick, but not set, stirring now and then. Put egg whites and chilled PET Milk into cold 1-qt. bowl. Whip with cold rotary beater by hand, or with electric beater at high speed, until stiff. Beat in chilled gelatin mixture gradually, until smooth and creamy. Put into crumb crust. Chill until firm, about 2 hrs., and ready to serve.

MR. AND MRS. TERRELL PICKETT

Miss June Horton, Terrell Pickett Wed

Miss June Horton, daughter of Mr. and Mrs. J. J. Horton, became the bride of Terrell Pickett on Saturday, Nov. 29, at the Montevallo Methodist Church. The 8:00 ceremony was performed by the Reverend James Chesnutt.

Mr. Pickett is the son of Mr. and Mrs. Joe Pickett. Wayne Horton, brother of the bride, was best man.

The bride was dressed in a white satin and lace ballerina length dress, adorned with white felt flowers. She carried a bouquet of white carnations, centered with a white orchid. Her only attendant was her sister, Mrs. Lamar Headley, who was dressed in a baby blue ballerina length frock. Her flowers also were white carnations and a white orchid.

Organ music was provided by Charles Mahaffey. The altar was banked with greenery, white glarioli, and white candelabra.

The bride's parents entertained with a reception at their home after the ceremony.

FHA Members Aid At Open House

On Monday, Dec. 1, the Future Homemakers of the Montevallo High School served refreshments to parents and other guests who attended the PTA program and open house. After the parents, guided by student council members, had visited their children's class rooms to observe extra curricular activities, they were served refreshments in the living room of the Home Economics Department. The home economics classes arranged Christmas decorations throughout the rooms.

FHA members who cooperated with the PTA committee in preparing and serving refreshments used this opportunity to work toward their Junior I Chapter and State Homemaker Degrees.

Parents were invited to visit exhibits relative to FHA goals and objectives. Students explained displays and exhibits of the work being done by classes in foods and clothing.

On this occasion FHA members served on the following committees:

Refreshment: Phyllis Kyser, Kathy Bowden, Lucretia Hollingsworth.

Exhibits in foods laboratory: Amelia Dodd, Elaine Fisher, Langley Tolbert, Charlotte Higgins, Becky Hicks.

Exhibit in clothing laboratory: Gisela Molgedei, Johnnie Howell, Brenda Morris.

Clean up: Betty Milstead, Gayle Davis, Gail Lucas, Noralene Johnson, Lena Hamm.

FHA exhibit: Judy Bess Robinson.

Rexall Contest Winners

Winners of the annual Rexall contest sponsored by Montevallo Drug Co., are shown with their prizes. First prizes were won by Tommy Wyatt for the boys and Martha Price for the girls. Tommy won a train and Martha won a record player. Other winners and the prizes were Ricky Birinyi, chemistry set; Rick Frost, bowling set; Mike Garrett, camera; Eddie Potts, glove; Sandra Scott, organ; Jane Lucas, doll buggy; Rosemary Woolley, doll; and Susan Whaley, cosmetic kit.

Clanton Garden Club To Hold Holiday House

The Garden Club of Clanton will hold its annual Holiday House Dec. 14, at the home of Mr. and Mrs. Lawrence Bodden, Glenview Ave., from one to six p.m.

The theme for the Holiday House is " 'Twas the Night Before Christmas", and features the traditional holiday spirit motif.

The contemporary residence of Mr. and Mrs. Bodden lends itself well to the traditional feeling. The Garden Club members are featuring individual interpretations in original arrangements which will be of particular interest to those who like to create their own decorations.

The Garden Club is fortunate in securing the home of Mrs. Bodden in which to present their Holiday House this year. Mrs. Bodden has used both her training in architecture and her talents as a decorator and homemaker to create a lovely home that lends itself ideally to the portrayal of the Christmas spirit.

The red carpet will be out both figuratively and literally to cordially welcome the people of Central Alabama to share with the members of the Garden Club of Clanton the old fashioned hospitality and traditional Christmas Cheer.

Free Polio Shots To Be Given Jan. 20

The first free polio shot of the series will be given Tuesday, Jan. 20. The Shelby County Rural Health Committee is sponsoring the drive to have everyone in the county under the age of 40 vaccinated.

Vaccine will be supplied free by the Shelby County March of Dimes Association. All county doctors have agreed to donate their facilities and one day of time for each of the shots of the series.

"More than 65 million people have taken advantage of the Salk vaccine, and it has proved to be one of the safest vaccines we have today," said Dr. W. C. Browne, of Vincent, chairman of the rural health committee.

"Some people have not taken the shots because they are afraid of them. We urge people to use the shots. They are 90 per cent effective in preventing paralytic polio when all three shots are taken," he said.

Civic, professional, fraternal and service clubs are being asked to assist in the drive.

Mr. Elvin Hill, Shelby County superintendent of education, is assisting the committee in making the shots available to school children who have not yet had them.

"We want to emphasize that the first shot will be available free only on January 20. We urge everyone to remember this date and get their shot.

"It is important that everyone get all three shots so as to have maximum protection against paralytic polio," Dr. Browne said.

In Montevallo the shots will be given at the office of Dr. Lewis Kirkland and Dr. Leslie Hubbard.

Mrs. Lesie Hubbard is reported to be improving satisfactorily from a surgical operation at St. Vincent's Hospital.

Miss Clithero, Mr. Coppedge Are Engaged

Mr. and Mrs. Wendell Anton Clithero of LaGrange Park, Ill., are announcing the engagement and forthcoming marriage of their daughter, Patricia, to Mr. Walter Raleigh Coppedge, son of Dr. and Mrs. L. J. Coppedge of Rosedale, Miss., and Montreat, N.C. The couple are both members of the faculty of Alabama College.

Miss Clithero received her Bachelor of Arts and Master of Arts degrees from DePauw University, Greencastle, Indiana, and has done additional graduate work at Northwestern University, Evanston, Ill., and Butler University in Indianapolis, Indiana.

Mr. Coppedge attended Davidson College, Davidson, N. C., and was graduated with a Bachelor of Arts degree from the University of Mississippi. He is a Woodrow Wilson Fellow at Princeton University, and a Rhodes Scholar at Oxford University, Oxford, England, where he has just completed his Bachelor of Letters degree.

The wedding ceremony will take place before members of the immediate families on Saturday, Dec. 20, at ten o'clock in the morning in Saint Andrews Episcopal Church in Montevallo. The Rev. Robert Y. Marlow, Rector of Saint Andrews Episcopal Church, Birmingham, will officiate. A reception for friends will follow at 11 o'clock in the Parish House of the church.

Mrs. E. C. Fernandez, of Montreat N. C., sister of the bridegroom, will serve as honor attendant for Miss Clithero. Dr. Richard Coppedge, Major U.S.A.M.C., will be best man for his brother, and Mr. Shelby Tucker, Pass Christian, Miss., will be groomsman.

Following their wedding trip the bridal couple will reside at 110 East Boundary Street, Montevallo.

Sugar and Spice and Everything Nice

Quite a few American families wouldn't be serving fruit cake as a Christmas day dessert if it had not been for the British sailors of several centuries ago.

Those British sailors must have been as shrewd as they were observant. In the Orient they ate cakes made with fruit. They liked

them and asked for the recipes. They got them, and with an eye out for a few extra shillings and pounds, they also returned to their homeland with the ingredients necessary to the baking of a fruit cake. Recipes were jealously guarded by the sailors.

According to information gathered by the American Institute of Baking, Chicago, the sailors obtained currants and raisins from Greece and Turkey. Citrus peel preserved in honey came from Italy. Almonds came from Spain. Strange seeds—and even the bark of trees—came from the Far East.

Although fruit cake was made available to the western world by British sailors, the first fruit cake, as we know it, probably was baked in Egypt several centuries ago. It consisted of several kinds of tropical fruits, sugar, wheat meal, spices, oil and honey, all collected by the Egyptian housewife.

In modern America, the housewife may walk into a bakery or grocery store and buy a delicious fruit cake of almost any size,

and with a minimum of effort.

And the cake she buys is the finishing touch for the best meals to be served during the holiday.

CALERA PERSONALS

Mrs. John Sleik and son Johnny of Cleveland, Ohio, spent last week with her parents, Mr. and Mrs. Lewis West.

Enjoyed a chat with Delmer S. Miller, MMC, from USN Hospital, Portsmouth, Va. He is at home on leave for two weeks visiting his mother in Alabaster and his sister, Mrs. Ben Tate, in Calera. Delmer had the misfortune of cutting his foot instead of the grass while visiting his mother this summer. It is always a pleasure to have him stop by to see us. He wanted to have his paper sent directly to him at the hospital.

Hope Mrs. Howard Alexander is feeling better with her sore throat by the time she reads this.

Meriwether Is Appointed State Finance Director

Charles M. Meriwether of Birmingham has been named by Governor-Elect, John Patterson, to serve on his cabinet as state finance director.

Mr. Meriwether, who managed Mr. Patterson's gubernatorial campaign last spring, pledged "competent and economical management of state finances". He will take over this key cabinet post with the governor's inauguration next January 19.

"Knowing first hand of Mr. Meriwether's ability and his diligence, I am proud to announce his appointment", Mr. Patterson said. "His addition to my cabinet is added assurance that Alabama will enjoy reliable and efficient state government during the next four years."

A 47-year-old business man with legal training, Mr. Meriwether has long been active in city and state civic affairs. For the last 13 years he has served as executive sales director for Dewberry Drug Co., of Birmingham, engaging in sales promotion and public relations work.

Mr. and Mrs. Robert Smith visited relatives in Birmingham Sunday.

Mr. and Mrs. K. G. King visited relatives in Lineville Sunday.

Bro. J. F. Goree Sr. attended the Baptist State Executive Board in Montgomery Tuesday.

Mrs. W. H. Hatcher and Don were Sunday night dinner guest of Mr. and Mrs. Raymond Johnson in Leeds.

Mrs. Rubin Hatcher of Helena, brother of Mrs. A. C. Arant, passed away Sunday.

Mrs. Myrtle Clarke of Dry Valley visited Mrs. Auda Blackmon Sunday afternoon.

Mrs. Lex Ozley, Dr. and Mrs. John Gates and Ginny attended the funeral of Mr. Thomas Minor in Columbiana Sunday afternoon.

Mr. and Mrs. O. A. Lawellin of Millbrook were recent guests of Miss Ruth Lyons.

Mr. Homer Campbell is the proud owner of a 9-point buck, which he killed on a deer hunt Saturday. The deer was killed at a distance of 200 yards.

To all the friends who wish to send Christmas greeting to Bobby Bowdon here is his address: Pfc. Robert E. Bowdon III US.53 297095 HQ and HQ Co. CCB 3rd. Armd Div. APO 39 New York, N. Y.

Mr. and Mrs. Harold Estes, Mr. and Mrs. Charles McDonald, Mrs. Nancy McMahan and Mr. Walter Robertson attended the funeral of Mr. Huey Wilson's mother in Birmingham Sunday.

Mr. and Mrs. Jim Russell and sons visited the George Roys Sunday.

Mrs. R. C. Braden, Mr. and Mrs. J. D. Pope and family of Sylacauga were Saturday dinner guests of Mr. and Mrs. Ed. McLain and family. Sunday guests were Mr. and Mrs. Jack McLain, Mr. and Mrs. Ervin McLain and family of Sylacauga.

Mr. and Mrs. J. R. Collins of Thorsby were Thursday night guests of Mr. J. B. Cook and Mildred.

Mr. and Mrs. W. J. Ferguson and children and Jean Kendrick of Chelsea visited Lillian Moore Saturday night.

Mr. Ray Nash of Birmingham, former D. J. at WBYE, paid a visit to his many friends in Calera Saturday afternoon.

The Eugene Lucas family wishes to extend season's greetings to his sister and her family, Lt. Col. and Mrs. R. M. Herrick and Emma Jean, who are stationed over seas, they wish it was possible for them to spend the holidays together, and since they can not they wish them a very merry Christmas and a happy new year—and may they soon be on their way home.

Tuskegee Choir To Give Christmas Concert

Alabama's Tuskegee Institute Choir, which recently appeared for five weeks in concert at Radio City Music Hall, New York, will present its fourth annual Christmas concert on Monday, Dec. 15, at 8:00 p.m., on TV channels 10, 7 and 2.

Evelyn DuBose Bozeman, of Montevallo, is one of the featured vocalists in this year's group who will represent the choir on the Alabama Educational TV network telecast from the Auburn TV studio on the API campus.

CALERA WELCOMES MRS. ED EWING AT THE BANK

The people of Calera extend a hearty welcome to Mrs. Ed Ewing and congratulate the Central State Bank upon the addition of this most charming personality to its staff.

Mrs. Ewing (Carolyn Broadaway) is the wife of Mr. Ed Ewing of the Public Relations Department of Alabama College. Her personality, friendly disposition and charming manner are indeed impressive. We know it will be a delight to all customers of the bank to have her handle their business.

Mrs. Ewing is a native of Clayton, Alabama, where she attended high school. She graduated at Alabama College in Montevallo.

She held a position with Southern Research Institute in Birmingham before coming to the Central State Bank on December 6.

What Is The Largest "Woman's Club" In Alabama?

414,000 Women Who Save Trading Stamps Are The Largest "Woman's Club" In Alabama

Every day about 414,000 Alabama women make it a point to shop where they get trading stamps. This large group of smart, thrifty Alabama shoppers, with their common interest in trading stamps, can be thought of as a huge "woman's club" with membership throughout the state.

Of course this "club woman" gets wonderful things for her home and family through such favorites as S&H Green Stamps. Through her thrift and diligence she provides "extras" for her family. And although she may seldom think about it, her active saving is enormously good for business in our state.

Last year, for example, trading stamp companies purchased $8,995,000 worth of products from Alabama manufacturers. Making these things provided jobs for 870 Alabama people. S&H Redemption Stores, paying local rent and taxes, employ many more.

In the light of these facts it would seem that not only Alabama women, but everybody in the state can be thankful that the trading stamp is a part of our way of life.

JUST TWENTY YEARS AGO

Fire at noon Wednesday completely destroyed the wooden building that was used to house the kindergarten and first and second grades of the Alabama College Elementary Training School. The blaze is said to have started from a defective flue of the stove in the kindergarten room.

When the alarm was given all the chidren in the building marched out in order as they had been trained to do by regular fire drills. All movable contents of the building were saved.

Although the new fire truck and volunteer firemen were on hand, the building could not be saved owing to the lack of hose.

New hose that was bought with the truck has not been delivered yet.

LT. COMMANDER BLEVINS VISITS HIS PARENTS

Mr. and Mrs. W. B. Blevins of Calera received a visit Saturday, Dec. 6, from their son, Lieut. Commander William D. Blevins, U. S. Navy, of Whidbey Island, Washington State, who spent a part of Saturday and Sunday with them.

He was in Alabama on a routine training mission in which he had flown his Navy A3D jet bomber from Whidby Island in NW Washington State to Brookley AFB at Mobile in less than four hours.

By flying up from Mobile in a commercial air liner, Lieut. Com. Blevins was able to see his parents for the first time in a year and a half. He expected to be back at Whidby Island Sunday night.

Mrs. J. S. Ward of Montevallo was also a guest of the Blevins family at dinner Saturday evening.

22 Named On All-County Teams

Montevallo, county champions in football, placed eight men on the all-county selection made by the coaches at their regular monthly meeting in Columbiana last Thursday afternoon. Six from Thompson were also named on the list which included 22 outstanding players from the five county schools.

Two complete teams were named all-county, with no attempt at division between a first and second team. Boys named for the honor are: Ends—Jarvis and Thrasher from Montevallo; Bentley, Thompson; Edwards, Calera. Tackles—Turner, Columbiana; Pickett, Montevallo; Durrett, Thompson; Harriston, Vincent. Guards — Draper, Montevallo; Walker, Thompson; Moore, Vincent; Turnbloom, Calera. Centers—Thornton, Montevallo; Garrett, Thompson. Quarterbacks — Fisher, Montevallo; Weir, Columbiana. Halfbacks—Ingram, Calera; Busby, Thompson; Smitherman, Montevallo; Nixon, Thompson. Fullbacks — Hayes, Montevallo; Armbrewster, Vincent.

Montevallo Drops Banks High, 43-23

With four minutes of the first quarter going by before either team could find the scoring range, Montevallo defeated Banks High School in Birmingham last Friday night 43-23. In this slow-mover Ronald Smitherman finally found the basket with two free throws to break the ice and put the Bulldogs out front 2-0. At the end of the first quarter Montevallo still held a two-point margin with the meagre score standing at 9-7.

A 14-3 second quarter allowed the Bulldogs to extend their lead to 13 points. Halftime score was 23-10.

Cold again after intermission, the Bulldogs hit only seven points in the the third frame to nine for Banks.

With only one field goal the Bulldogs scored thirteen points in the last period as the Banks quintet fouled at every turn. The Jets scored two fields goals to wind up the game 43-23.

Ronald Smitherman had 18 points for Montevallo's best scoring performance for the night. Teammates Jimmy Thrasher and Forrest Brown had nine apiece for next best. Morris scored six for the losers' highest.

Others who scored for the Bulldogs were Thornton (3), Donny Davis (2), Jim Potts (1), and Bobby Smitherman (1).

Terrell Pickett has returned home from Carraway Methodist Hospital but will be confined for another week or more.

Bulldogs Blast Shelby County High

Coach Cratie Corbett's Bulldogs got hot and hit the basket for a 42% average from the field as they walloped Shelby County High 71-33 here Tuesday night. This win gave the Montevallo five a 3-1 record for the season.

Jimmy Thrasher paced the Bulldogs in their biggest scoring spree of the season as he poured in 11 of his 15 attempted field goals and added one free toss to run his total to 23 points for the night. Ronald Smitherman, with his left-handed shot, added 20 more as he hit 10 for 14 from the field. Big Forrest Brown took 11 from the boards to lead in rebounding.

It took the Bulldogs one quarter to get up steam; but once they got moving, they wouldn't be stopped. Six free throws kept the Wildcats alive in a 9-7 first period as they matched the Bulldogs point for point until the last 15 seconds of that frame. With Columbiana leading 8-7, Smitherman hit from the field to give Montevallo a 9-8 advantage as the first quarter ended, and that did it. From there on in it was a breeze for the Bulldogs.

Ahead 9-8 at the outset of the second quarter, the Bulldogs suddenly extended their lead to 19-8; and at halftime the score stood 28-14.

By the end of the third period the hot Montevallo quint had widened the gap to a 50-23 score and they poured in 21 more points in the final frame to 10 for the Wildcats as they finished the game for a 71-33 victory.

B Team Wins

Randy Woolley was the big man in the B team's 38-22 victory over the Columbiana B's. This lean and lanky center dropped in 16 points for the night's best in that department and pulled down 11 rebounds. Jack Rasberry had 10 points and Ruben Hayes 6.

Thursday night Montevallo travels to Centreville, and Saturday night the Bulldogs are hosts to Roanoke.

Christmas Seals

Tuberculosis-fighting Christmas seals have made their annual debut in Shelby County with more than 4,000 letters containing the bright little stamps going to citizens who appreciate the need for help in this cause.

Montevallo has always been in the forefront of communities buying and using the stamps and this year will be no exception, according to postal authorities who state that already letters bearing the stamps are going out in every mail. They remind all who see them that Christmas is nearing and that buying and using the cherry goodwill stamps is one way to observe the annual holiday.

The Christmas Seal Sale is the only fund-raising appeal made by the tuberculosis associations throughout the nation. Money raised in this way helps to promote good health for all by fighting and preventing the spread of the disease, both by finding and treating persons afflicted and by financing medical research on its prevention and cure.

Many firms and individuals already are forwarding generous donations to the treasurer of the Shelby County association, Roy Downs, Calera. These larger gifts are greatly needed if the seal sale is to go over the top. Conrad Fowler, Columbiana, chairman for the county, mentioned this and added, "But it is up to the individual as to how much to give. With your gift you help to provide 12 months of diligent and efficient work by our association in teaching health, finding TB victims early to help them and to protect others from infection, and in guidance to patients and their families. This adds up to more and more priceless protection for you and your loved ones."

Mr. E. D. Reynolds spoke to the Alabama College Salesmanship Class Wednesday night at the home of their teacher, Mrs. Frank Morgan. Mr. Reynolds' talk was followed by a social hour. Mrs. Morgan entertained members of her class in office management and business writing at a coffee this morning at her home.

Linda Cobb Is "Little Miss Basketball"

Linda Cobb of Mrs. Mabry's fourth grade was elected Little Miss Basketball of 1958-59 in the recent contest just completed in the Elementary School.

The lovely coronation ceremony took place Monday night December 8th between the A and B basketball games between Calera and Columbiana.

The following, who ran as each class' Little Miss Basketball, were attendants to Little Miss Basketball:

Linda Carol Pierce escorted by Frank Mabry, Mrs. Redwine's 1st grade; Nancy Davis escorted by Kyle Duncan, Mrs. Timmerman's 1st grade; Donna Beanne escorted by Milton Cobb, Mrs. Cadle's 2nd grade; Barbara Kiriokos-Donnie Tidwell, Mrs. Brown's 2nd grade; Pat Smith-Gary Crowson, Mrs. Smith's 3rd grade.

Mid-State Tourney To Be at Jemison

Montevallo takes part in the Mid-State Basketball Tournament at Jemison next week, Dec. 18, 19, 20.

Classed with three other Shelby County teams in the lower bracket of a 14-team setup, Montevallo drew Thompson High for the first round. This match is set for 1:00 p.m. Friday. The winner of this game plays again that night at 7:30 and meets the winner of the Isabella-Columbiana match to be played Thursday night.

Montevallo and Thompson have not played yet this season, but the game should prove a real battle. Thompson, with plenty height, has four top lettermen back from last year.

First round games on Thursday are: Verbena-Suttle, 5:30; Marbury-Hicks Memorial, 7:00; Plantersville-Carloweville, 8:15; and Columbiana-Isabella at 9:00. Jemison and Calera play at 2:30 immediately after the Montevallo and Thompson game on Friday.

Championship and consolation games are set for Saturday night. Between these two games Montevallo and Verbena will be awarded their football conference championship trophies. Boys making all conference in football and the coach of the year in that sport will be introduced also.

TURKEY SHOOT

Saturday, Dec. 13 from 1:00 to 5:00 p.m., at Pat Pruitt's. (1tch)

Calera's cheerleaders whooped it up, though their team was getting beat.

Former Judge Wales W. Wallace Dies In Sylacauga at 81 Years of Age

Wales W. Wallace, Sr., 81, former circuit judge and former mayor of Coumbaina, died last Thursday in a Sylacauga hospital after a long illness.

Mr. Wallace served three four-year terms as judge prior to his retirement in 1952. He had been a supernumerary judge since his retirement.

A University of Alabama graduate, Mr. Walace began the practice of law in Columbiana in 1903. He was long active in the political affairs of Shelby County.

Surviving are his wife, a son, Wales W. Wallace Jr., attorney and mayor of Columbiana; a daughter, Mrs. Beth Yates, director of recreation at Sylacauga, and two sisters.

Funeral services were held at 3 p.m. Friday at the First Baptist Church of Columbiana, of which he was a member. The pastor, the Rev. Cecil Little, officiated, assisted by the Rev. Monroe Lewis, Methodist pastor. Burial was in Columbiana Cemetery.

Calera Students To Present 'Nutcracker Suite'

The Calera Elementary School will present their interpretation of The Nutcracker Suite by Peter Tschaikowsky, on Thursday evening at 7:30 in the school auditorium.

Each year the elementary grades from one to six present a program appropriate to the Christmas season.

The Nutcracker Suite tells the story of a little girl, Marie, who has a wonderful dream in which she travels to the land of the Sugar Plum fairy where all the Christmas toys and candies come to life and dance for her.

This year's presentation will be under the direction of Mrs. Jim Mabry and Mrs. Eddie Downs.

NATO DISCUSSED—Rep. Armistead Selden discusses his recent trip to the NATO parliamentarian's conference in Paris with Dr. Howard M. Phillips, president of Alabama College. Selden spoke at a meeting of the International Relations Club Tuesday night. (Photo by Mike Mahan)

Rep. Selden Speaks to Alabama College International Relations Club

"In order to preserve our freedom and the freedom of our allies, this nation must remain both strong and vigilant," Representative Armisted Selden told the Alabama College International Relations Club Tuesday night.

"While our foreign policy must be elastic enough to meet the continuing communist threat, sight should not be lost of the fact that the forces of international communism respect strength — not weakness," Selden said.

He told the club of his recent trip as an official delegate of the United States to the NATO parliamentarian's Conference in Paris.

Selden said that communism has as its basis philosophy, the ultimate conquest of the world, " and no leader of the Soviet Union, past or present, has denounced that objective."

He said that the "probing operations" by the Soviet Union such as are currently going on in the Berlin crisis, will continue "for years to come, if, indeed all-out war can be avoided.

"The NATO structure has been built at a large cost to the American taxpayer. Yet the European NATO nations have also devoted large sums and great efforts to creating this defensive capability.

"In effect, we have been and are still gambling American dollars in an effort to save American lives," he said.

Selden spoke of two advantages the United States receives from the military assistance portion of the foreign aids program. They are (1) manpower, and (2) the ring of bases the United States controls or has access to.

Selden told the club that all the taxpayer's money spent for the mutual security program does not go overseas.

"About 77 cents out of every dollar voted for foreign aid or mutual security is spent right here in the United States. Cotton is one example of the many commodities bought in this county and shipped overseas under the mutual security program," he said.

Bettilee Stain, Nanuet, New York, presided at the International Relations meeting.

Selden Visits in City

During the day Tuesday Mr. Selden spent several hours calling on peope in the business houses in Montevallo. He said he is getting ready to go back to Washington about January 1 to get lined up for the next session of the Congress which convenes January 19.

CLINT MILSTEAD

Milstead Heads Bond Committee

Clinton R. Milstead has been appointed advertising and publicity chairman for the U. S. Savings Bond Committee for Alabama.

Mr. Milstead, director of public relations for the Southeast district of U. S. Steel Corp., will be responsible for all Savings Bond public relations and advertising in Alabama during 1959.

A native of Wilton, he is a graduate of the University of Alabama and is well known throughout the South in the public relations field.

Milstead also is active in civic affairs and has been chairman of the Public Information Committee of the Jefferson County Chapter of the American Red Cross and has served several terms on its board.

Thompson P.T.A. Entertains Team

"The Hall of Fame" was the theme of a banquet given by the Thompson PTA honoring the Thompson Football Team, Saturday, December 6, in the school cafeteria. The entrance to the cafeteria was decorated as the "Hall of Fame" and photographs of members of the team were hung on the cafeteria walls.

Dr. W. W. Elliott, Principal, was master of ceremonies. Mrs. A. H. Holbrook, president of the PTA, welcomed the group. Taking part in the program were Mr. Phillips, Coach Jones, Coach Rhodes, Mr. Spires, Coach Daniels, Mrs. Pryor and Dr. Elliott.

Coach Daniels awarded letters to the football team and presented to Capt. Tommy Durrett the ball used in this year's games. At the close of the banquet, Capt. Durrett presented a plaque to Coach Daniels and Eddie Bently, Alternate Capt. presented loving cups to the assistant coaches, Rhodes and Jones.

Left to right: Coach Buddy Rhodes, Head Coach Sammy Daniels, Capt. Tommy Durrett, and Coach Jimmy Jones, as Coach Daniels presented Thompson High Football Captain, Tommy Durrett, with the ball which was used during the past season.

College Night Leaders Chosen

Sue Swann, Morris, and Barbara Walker, Birmingham, have been elected by the students at Alabama College to lead the 1959 College Night activities, Feb. 19-21.

Sue Swann will lead the Purples and Barbara Walker will lead the Golds. Purple assistant leader is Jennie Cotney, Roanoke, and Jean Findlay, Birmingham, is Gold assistant leader.

Bettilee Stain, Nanuet, N. Y.; Becky Broom, Goodwater; and Jane Graham, Sylacauga, have been appointed to write the production for the Golds.

Writing the production for the Purples are Sara Lou Berry, Huntsville, and Becky Gantt, Andalusia. A third writer will be named.

The three-day festival is created and produced entirely by students. Writing, music, lighting, decorating, casting, and acting are all under the supervision of the respective leaders and their assistants.

Homecoming activities are planned for Saturday, Feb. 21. This year's homecoming events include the annual alumni business meeting, the alumni luncheon, and the homecoming tea.

The business meeting will be held in Reynolds Hall at 11 a.m., the luncheon in Anna Irvin Hall at 12:30 p.m. and the tea in Reynolds Hall at 4 p.m.

The classes of 1909, 1939, 1949, 1954, and 1958 will be the reunion classes at this year's homecoming activities, said Helen Newton, alumni director.

College Night is one of the oldest all-student traditions at Alabama College. It was originated as an observance of Washington's birthday by the four college classes.

The classes presented skits in the college's dining room on the night of February 22. From this beginning, College Night grew into a three-day music, art, drama festival on the Thursday, Friday, and Saturday nights in February nearest Washington's birthday.

Following the Saturday night presentation of the Gold and Purple productions, a panel of judges will announce the winner of the competition.

Preparations for the productions are kept secret, and neither side knows what the other side is planning until the dress rehearsal the Wednesday night preceding the performances.

COLLEGE NIGHT LEADERS—Sue Swann and Barbara Walker, selected last week as the leaders are ready to carry their sides to victory.

Telephone Service To Be Extended in County

A telegram received from Senators Lister Hill, John Sparkman, Congressmen George Huddleston, Kenneth Roberts and Armistead Selden, advises that "Rural Electrification Administration has just approved telephone loan to the Leeds Telephone Company in the amount of $306,000. Loan will be used to furnish new service and dial-service to 600 families in Jefferson, St. Clair and Shelby Counties."

Power Co. Pays Property Taxes

Alabama Power Company today transmitted checks totaling $3,792,623.40 in payment of real and personal property taxes to 61 counties and 198 municipalities.

Of this amount it is estimated that $1,531,840.00 will be allocated for educational purposes. The company's total tax bill for 1958, including federal and state income taxes is expected to be $22,000,000.

M. S. McGehee, Power Company manager at Montevallo, delivered to L. C. Abbott, Tax Collector, a check for $39,949.20 in payment of the company's real and personal property taxes in Shelby County.

Selden Is Speaker At Coosa River Bridge Opening

Clanton, Dec. 17—Sixth District Congressman Armistead Selden today predicted a bright future for the Coosa-Alabama Waterway. The prediction was made at the dedication of the new Coosa River Bridge which connects Chilton and Coosa Counties. The bridge is located south of Clanton, just below Mitchell Dam, where Highway 22 crosses the river. It spans, according to Rep. Selden, one of the greatest undeveloped waterways in the country.

At the ceremony Congressman Selden congratulated the public officials of Chilton and Coosa Counties, as well as all interested citizens, who played a part in making the bridge a reality.

"I am confident that the future of the Coosa-Alabama Waterway is a bright one", Mr. Selden told the crowd assembled for the dedication ceremony, "and I again pledge to you my best efforts and my complete cooperation with all the members of the Alabama Congressional delegation in bringing about the full development of this great river system."

F.F.A. News Notes

J. E. Ledbetter, field representative of Standard Oil Co., was a visitor with the Montevallo FFA boys last Tuesday, at which time he gave an interesting lecture and demonstration on servicing and maintaining farm tractors. Glynn Cunningham, one of the FFA boys brought his tractor for the demonstration.

* * *

Over 300 boys and girls—FFA-FHA members of Shelby County—enjoyed their annual party last Wednesday at the Calera Armory. The group enjoyed round and square dancing and delicious refreshments provided by the Vincent chapter.

* * *

C. M. Stuckey, county forester, came over and gave some demonstrations to the FFA boys on planting pine seedlings last Thursday. The boys have secured from Coosa River Newsprint Co. 25,000 seedlings to plant as part of their objectives in soil and forest conservation. Romer B. Stark and others of the Coosa River Newsprint Co. have worked with the boys and adults all this fall in meetings where one of the main objectives is that of conservation and improvement of game in the area. The demonstration showing how the mechanical tree planter works was held at the farm of Ennis Lucas where Sonny is planting 2 acres of loblloly pines as part of his projects in agriculture.

* * *

J. A. Brown Jr., now has a home orchard started, which should provide ample fruit for his family with some surplus when trees reach maximum bearing age. This was another of the demonstration areas set up by the Montevallo FFA boys. Joe and John Nally, both of near Aldrich, have planted a complete orchard in addition to the trees already on their property. They have added four pecan trees and about 16 other trees this year.

The West Shelby Conservation Club has scheduled a meeting for January 13th at which time all charter members will be recognized. The local unit is being affiliated with the Alabama Wildlife Federation and it is expected that all the work will be closely coordinated with this organization and the work of the State Department of Conservation. Objectives of the group include that of eventually getting a 20,000 acre or larger game preserve in the area.

Christmas Seals

Contributions to the Christmas Seal Fund in Shelby County are rapidly mounting. The total, as announced by Roy Downs, treasurer, has reached $1,279.50.

This is slightly more than half the total expected of Shelby County in the statewide fight against tuberculosis. If those who are now shopping for Christmas will pause long enough in their plans for gift-giving to family and friends to make the small donation needed for family, friends and strangers in our midst, this small donation may save a life.

The campaign against tuberculosis is not merely curative and palliative in its purpose, it is also educational. Through the County Health Clinic, persons who have a case of illness from this cause in the family are taught due precautions to prevent the spread to other members of the household. This is one of the greatest features of the TB fight.

If you have not yet sent your purchase price for seals, do so immediately. Remember, each dollar spent for education and research today will save hundreds of dollars for rehabilitation in the future.

Help to send Shelby County over its quota of $2,504.00.

Tractor Clinic at Montevallo High

A tractor clinic was held today in the Montevallo High School with Mr. M. Thornton teacher of vocational agriculture, in charge. Sixty-three boys enrolled in vocational agriculture participated.

Highlight of the clinic was the demonstration given on how to correctly service a tractor where all boys actually performed the services themselves. In addition to the demonstration, films were shown on farm tractor safety, cooling system care, and periodic maintenance. The films were shown by Mr. James E. Ledbetter, Agriculture Representative, Standard Oil Company. Mr. Ledbetter led a discussion on the proper choice and use of lubricants and the importance of performing daily and periodic maintenance services. These are most important to long life and economic operation of the farm tractor.

Inasmuch as farm mechanization has become such a major factor in our modern day agriculture, the vocational agriculture department is adapting its farm mechanics program to give the students studying vocational agriculture a working knowledge of farm mechanics and preventative maintenance. The tractor clinic is a part of the emphasis that is being placed on the farm mechanics program in the Montevallo vocational agriculture department.

These tractor clinics are made possible through the cooperation of the Agricultural Representative of the Standard Oil Company. Similar clinics are being held in vocational agriculture departments throughout Alabama and are in cooperation with tractor operation contests sponsored for FFA members.

Six members of the Montevallo voc. agr. class with James E. Ledbetter, agricultural representative of Standard Oil Co., at a tractor clinic held in Montevallo Tuesday. Left to right: Douglas Smitherman, Billy Winslett, Ronald Mills, Mr. Ledbetter, Glynn Cunningham, Pete Hughes and Tony Burchfield.

Miss Knowles Is Shower Honoree

Mrs. J. Frank Baker was hostess at her home, "Red Acres", from 2 to 4 p.m. Sunday, Dec. 14, honoring Miss Barbara Knowles with a miscellaneous tea shower.

Mrs. Jean Thomason greeted the guests and presented them to the receiving line composed of Mrs. J. Frank Baker, Miss Barbara Knowles, Mrs. Floyd Knowles, mother of the bride-to-be, Mrs. Josie Pierce, grandmother of the bride-to-be, Mrs. Joe Pickett, mother of the groom-to-be, and Mrs. S. P. Harrell, grandmother of the groom-to-be.

Miss Mildred Hoggle presided at the bride's book. Mrs. Jennie Pierce, aunt of the bride-to-be, poured Christmas punch from a crystal service and beautifully decorated table. The cut-work white cloth was centered with an arrangement of white gladioli, pom poms, mums and fern. White candles were tied with white satin ribbon with streamers.

Dainty cookies, chicken salad sandwiches, mints, and nuts were served by Mrs. Carolyn Pierce, Mrs. Beverly Lyons and Mrs. Jimmie Pierce.

Gifts were displayed by Mrs. Earl Pierce and Miss Brenda Thomason.

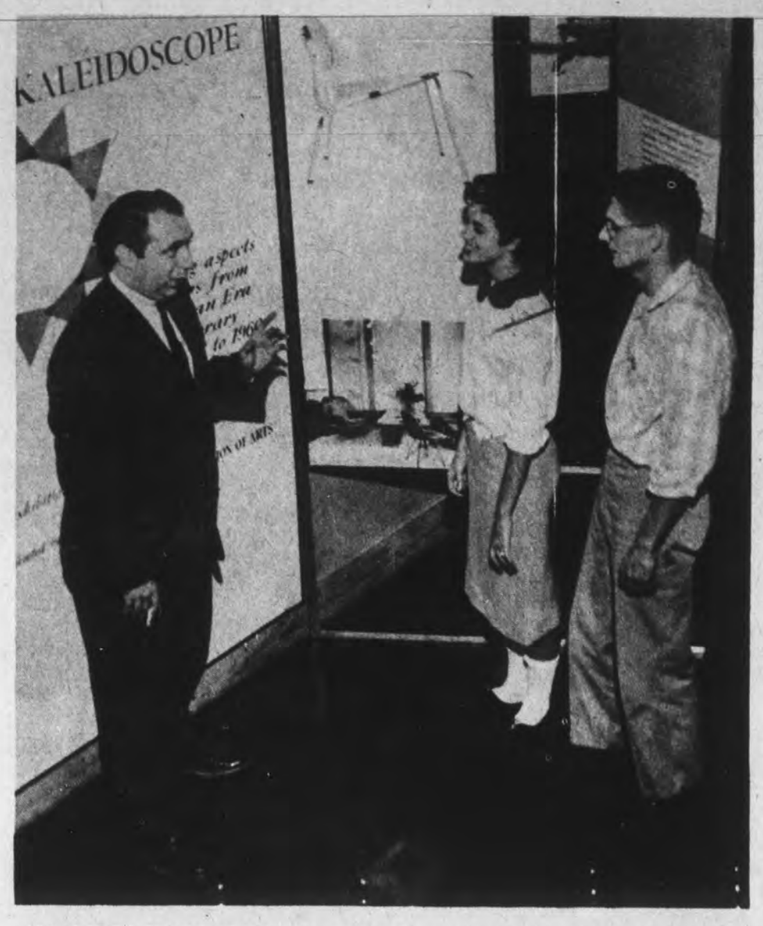

Throughout the house were arrangements of white gladioli and mums, red and white candles and cedar, which gave a feeling of the "Old South Living" in the Colonial type home for Christmas.

Co-hostesses were Mrs. Jean Thomason, Mrs. Jimmy Harrell and Miss Sarah Pat Baker.

Fifty-five guests called during the appointed hour.

Included in the pre-nuptial parties for the bride-elect was a surprise lingerie shower Dec. 9, given during the lunch hour at Whaley Furniture Store by Mrs. Lois Cobb and Mrs. Lex Ozley. Coffee, cake, sandwiches, potato chips and cakes were served to fifteen guests during the hour.

CHANGES IN DESIGN—David Huntley, chairman of the Alabama College Art Department, explains various aspects of the new display, "Kaleidoscope", now in the Comer Hall Art Gallery. The students are Candy Headrick and Jim Levandoski. The display depicts changing aspects of interior design from 1875 to 1960. (Photo by Mike Mahan)

What Is The Largest "Farm Group" In Alabama?

103,846 Farm Families Who Regularly Save Trading Stamps Are The Biggest "Farm Group" in Alabama.

America's farm families are traditionally thrifty. The same pattern of thrift is found in Alabama. It is only natural, therefore, that the response of Alabama farm families to one of the oldest forms of thrift — the trading stamp — is so noticeable.

Today, about 103,846 farm families save them. You might also say that these savers constitute the largest single farm group in the state.

During 1957 alone, thousands of dollars worth of trading stamp merchandise went into farm households in the state, and every 2 seconds a farm family is redeeming trading stamps.

There is still another side — direct income for farmers. During 1957 the industry purchased $631,000 worth of primary materials that go into the manufacture of merchandise for stamp redemption.

No one can contemplate these facts and fail to realize that both personally and economically the trading stamp industry is a meaningful and welcome force in the life of our state.

MR. AND MRS. PAUL G. ADAMS

Miss Emogene Argo, Paul Adams Wed

Miss Emogene Argo and Paul G. Adams were united in matrimony at 6 p.m., Nov. 27 at the Enon Baptist Church. The Rev. J. Paul Banks performed the ceremony.

Parents of the couple are Mr. and Mrs. R. L. Argo of Calera and Mr. and Mrs. Paul W. Adams of Atlanta, Ga.

Miss Maxine Calvert of Birmingham attended the bride as maid of honor. Her dress was blue brocade satin.

Bridesmaids were Misses Maurine Argo of Atlanta, and Janice Milstead of Calera. Their dresses were pink brocade satin.

Sue Lucas of Calera, who wore yellow taffeta and net, was flower girl.

Music was rendered by Mrs. Rolland Lucas of Calera and Mrs. W. L. Anderson of Montevallo. Their dresses were green and toast brocade satin.

The bride was given in marriage by her father. Her dress of satin was trimmed with lace and pearls and fashioned with long sleeves. Her finger-tip veil of illusion fell from a tiara of seed pearls. She carried white carnations.

Donald Adams served as best man. Ushers were Ray Argo, Samuel Adams, Wayne Milstead and Bobby Loftin.

The mother of the bride wore a rose lace dress with corsage of white carnations.

The mother of the groom wore a slate blue lace dress with corsage of white carnations.

The reception which immedately followed the ceremony was in the church assembly hall. Those who served were Mrs. O. E. Milstead, Mrs. A. H. Garrett, Mrs. J. L. Argo, and Mrs. William Hall.

To grow nandina plants from seed, says The Progressive Farmer, gather berries now and remove fleshy part by crushing lightly. Put a layer of sand and seed in a box and leave box outdoors during winter. In early spring plant seed ½ inch deep in good soil.

CHRISTMAS ELF—Santa should certainly consider himself lucky to have cute Mary Ellen Grant to help him trim the Christmas tree. Mary Ellen is a junior at Alabama College, majoring in speech. She is from Chapman. She was featured in The Alabamian as campus queen.

Christmas Mailing Time Is Short

Postmaster Morris Watson said today, "We hope to keep up our good record of the Christmas mails by getting everything processed and delivered well before Christmas Eve." He said further that much depends on your cooperation in mailing your Christmas cards and packages during the next few days.

The Postmaster stated, "Most people realize that the early arrival of a Christmas card or gift is always welcomed although there are still some who have the mistaken idea that a gift or card arriving on Christmas Eve has a special significance. Actually, it's the thought behind the gift or card and not the time of arrival that is the important consideration."

Be sure to use First Class postage on your Christmas cards, because this enables you to include written messages. Cards sent by first class mail will be delivered promptly, and forwarded or returned, if necessary, providing you include your name and address on your Christmas card envelope.

Response to his "Mail Early" appeals to date have been excellent, the postmaster said. Now it's a case of keeping up the good work to avoid those last minute Christmas mail pile-ups.

You can do yourself and the Montevallo stores during the fouring free labels at the Post Office which read, "All For Out Of Town Delivery" and "All For Local Delivery". Place these labels on bundles or cards for local addresses.

Postmaster Morris Watson states that the Montevallo Post Office will be open all day next Saturday, Dec. 20 from 8:00 a.m. to 4:30 p.m. for the convenience of those who may need to do Christmas mailing.

FUNERAL SERVICES HELD FOR MR. STARK McCLANAHAN

Mr. Stark McClanahan, age 56, died suddenly Saturday, Dec. 6, in a Hartselle hospital. He has been a resident of Hartselle for many years, and also lived in Calera.

Funeral services were held Sunday, Dec. 7, at home, with Rev. Maxwell and Rev. Luther Carden, pastors at Hartselle, officiating. Burial was in Salem Cemetery, at Calera.

Surviving are his wife, Mrs. Louise Williams McClanahan; mother, Mrs. J. W. McClanahan of Hartselle; one sister, Mrs. Mae Shunn; two brothers, Erwin and William of Decatur.

Is your telephone animal, vegetable or mineral? The answer: all three are included in the raw materials from which Bell System telephones are made.

About $1 billion will be spent this year to buy raw materials and services to provide Bell System telephone equipment. The money will go to some 33,000 suppliers—mostly small businesses with fewer than 500 employees.

The South's expected 1958 production of more than 1 billion, 230 million broilers will be greater than the number produced by the entire country in 1955, says The Progressive Farmer.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

"HAPPY HOLIDAY TO YOU!" A hundred times in a hundred ways you'll be wishing your friends and loved ones the joys of the Yuletide season. You speak your heart in greeting cards and gifts, but somehow, there's nothing quite like saying it. That's why happy voices ringing across the miles make us feel that Long Distance is a sort of Santa Claus around this time of year—delivering cheer . . . bringing happy surprises . . . sharing and spreading the spirit of Christmas. Remember when making those Long Distance calls that you'll save money by calling Station-to-Station. And for real bargain rates call after six P.M. or anytime Sunday.

ABSOLUTELY STUMPED? Uh-oh. You saved Aunt Mabel till last on the gift list, hoping for a really novel idea to please her. Well, you're in luck! It's not too late to order her a smart, modern extension phone. Extension phones come in a rainbow of beautiful colors and with any of the extras you want—light-up dials, no-tangle spring cords, volume control. Just call our Business Office and check those last minute what-to-give worries right off your list!

WE'LL BE ON THE JOB—Our way of making your Christmas season happier and your New Year more joyous is to give you the very best telephone service possible during the holidays and all through the year. We'll be on the job when the little folks are listening for reindeer . . . when the first Christmas bells ring in the happy day . . . when you sit down to carve the turkey and serve the cranberries. Throughout 1959, just as in 1958, you can count on us to be on hand night and day . . . on happy occasions . . . in dire emergencies . . . whenever you need us. So from all of us to all of you, holiday greetings and happiness in the New Year!

Phone Almanac Now Available

Inventions that have grown out of extensive telephone research are highlighted in the 1959 edition of the Telephone Almanac which is now available to Southern Bell customers in Shelby County.

Mr. J. L. Switzer, local manager, said that the attractive 24-page booklet may be obtained upon request at the company's business office.

The Bell Laboratories at Murray Hill, N. J., is featured on the Almanac cover and the 12 calendar pages outline significant scientific contributions by the Bell System.

Among these are the development of the solar battery—the ingenious device that converts the sun's energy into electricity—the trans-Atlantic cable, and construction of the Arctic defense system (DEW Line).

Another is the science of radio astronomy, discovered in the early 1930's by Karl G. Jansky, a physicist at Bell Laboratories. Jansky ultimately discovered radio waves from the milky way as a result of the experiment.

Also featured in the Almanac are sun and moon tables, a complete 1959 calendar, and historical events for each day of the year.

This is the 37th edition to be published by the Bell System. The first appeared in 1922.

CHRISTMAS FEELING

Maybe I can never tell
What Christmas means to me,
But the feeling comes into my heart
When we light up the tree,
As if a million harps are playing,
A thousand organs too,
And it fills my breast with carols—
Angel music through and through.

I feel the presence of the One
Who made this day divine,
And the mist my eyes are shedding
Is because His joy is mine.

To see my children's faces
And to hear their true delight,
Makes everything right here on earth
As heaven is—just right.

To only share a tiny part
Of this, I feel, with you,
Would make my world the more complete
And keep this Christmas true.

For to me it means just sharing
All the feelings—old and new—
All life's precious memories,
All the dreams come true,
All the joys, the sadness,
Sorrows, heartaches, fright.
Then the Christmas that we have on earth,
Like heaven—is just right.

—Betty Crawford

Serum Ordered For Polio Shots

Serum for 3,000 polio shots has been ordered for Shelby County as a part of the drive to furnish the shots to everyone in the county under 40 years of age.

The Shelby County Medical Association is working with the Shelby County Rural Health Committee in the program. All doctors in the county will give the shots in their offices.

Mrs. Lena Jeter, chairman of the Civic and Welfare Committee of the Montevallo Study Club, is heading the drive in Montevallo. Mrs. Jeter originated the plan for the free polio shot campaign.

"The first shot of the series will be given Jan 20, the second Feb. 17, and the third Aug. 18," said Dr. W. C. Browne, Vincent, chairman of the Shelby County Rural Health Committee.

"We want to stress the fact that the free shots will be available only on these three dates. The vaccine has been used by more than 65 million people, and it is one of the safest in use," Dr. Browne said.

Doctors participating in the campaign are Dr. W. C. Browne and Dr. Jean Clark, Vincent; Dr. Harold Hall and Dr. Joe Bancroft, Columbiana; Dr. William S. Mitchell, Calera.

Dr. Leslie Hubbard and Dr. Lewis Kirkland, Montevallo; Dr. L. C. Parnell, Alabama College; Dr. J. A. Hines, Alabaster; Dr. W. E. Stinson and Dr. Warren Duke, Siluria; and Dr. J. M. Ryan, Helena.

Alabama College students will receive free shots because the money they donate to the March of Dimes campaign each year goes to the Shelby County association. Their first shot will be Jan. 15.

Arrangements are being made through the county health office for the vaccination of all school children in the county who have not yet received the shots. Elvin Hill, county superintendent of education, and Mrs. Chester Atkinson, county heath nurse, are assisting in this phase of the program.

ANNUAL CHRISTMAS PARTY

The annual Christmas party of the Business and Professional Women's Club was held Wednesday night at the home of Mrs. Ruth Ratliff on Siluria Road, with Mrs. Frances N. Duke as co-hostess. The home was beautifully decorated for the yuletide season.

The club members were entertained with games and singing, directed by Mrs. Duke, who concluded with a reading of "The True Meaning of Christmas." The members then exchanged gifts, after which refreshments were served. Mrs. Willie Dee Galloway and Mrs. Jessie McGaughy poured.

The January meeting will be held January 20 at Napier Hall, with Mrs. E. P. Hood as hostess.

Rose pinks, blue green, chartreuse and other pastel colors instead of holly red and ivy green will add variety to holiday decorations in your home.

For an attractive holiday centerpiece, arrange long-needle pines in plastic foam with gilded green leaves and ball ornaments in the center. Place pillar candles behind the greens.

THE OLD TIMER

"A modern mother is one who worries only when her daughter gets home from a date at a decent hour."

English Plum Pudding

THERE'S nothing so tempting, so colorful, so tantalizing as a real English plum pudding. For a Christmas celebration they are as much a part of the scene as holly and the Christmas tree. They're not made as often as they were in our grandfather's time, but here is one you'll like to make.

- 1 pound seeded raisins
- ½ pound minced orange peel
- 5 eggs
- ½ pound brown sugar
- 1 pound suet chopped fine
- 1 teaspoon nutmeg
- ½ teaspoon cloves
- ½ teaspoon mace
- 1 cup Cognac brandy
- 1 pound currants
- ¼ pound flour
- 1 pound stale bread crumbs
- 1 teaspoon cinnamon
- 1 teaspoon allspice
- 1 teaspoon baking soda
- Grated rind 1 lemon
- Salt to taste

Clean, wash, and dry currants. Add raisins. Mix all dry ingredients well. Beat eggs, add Cognac brandy, pour over dry ingredients and mix thoroughly. Pack into greased pudding mold and steam for 6 hours. When wanted for use, steam another 6 hours. Serve with Cognac or Hard Sauce and bring to the table flaming. (Makes 6 pounds, serves 24 people.) Keeps for weeks in cool, dry place.

Bulldogs Nose Out Eagles in Hot Battle

Montevallo nosed out Calera by 49-40 in a hotly contested battle in Montevallo Tuesday night.

Both teams began the game visibly tense, and it was the third quarter before the Bulldogs could build up anything that resembled a comfortable lead.

Ahead most of the way, Montevallo held a 9-8 edge at the end of the first period and a three-point lead, 19-16, at halftime. Six of Calera's first quarter score of eight came at the free-throw line as Montevallo fouled seven times in that period.

After intermission the Bulldogs began to come to life. Jimmy Thrasher hit for two points, Jim Potts two, and Ronald Smitherman two, before Calera could score in that period. The nine-point margin at the end of the game was as near as the Eagles came to touching the Bulldogs after that.

A last-minute surge netted Calera seven consecutive points while the Bulldogs were scoreless, running the count to 49-40 as the final whistle blew.

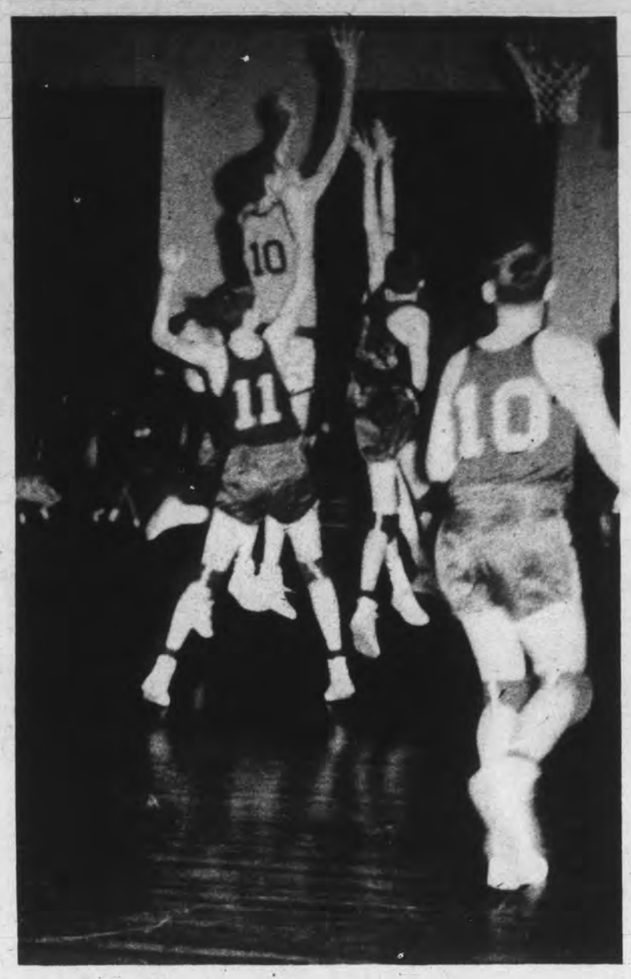

Jimmy Thrasher, with 13 points, was top scorer for the night. Tyus had 12 for the losers. Forrest Brown and Ronald Smitherman scored nine each for Montevallo.

B Team Wins Too

In a preliminary B match, Montevallo made it a clean sweep, winning 43-15. Jack Rasberry got hot on the long shot and rained in 16 points for the Bullpups. This victory made it five straight wins against no losses for the Montevallo B team.

Ronald Smitherman hits with his left hand "jump-push" shot. Calera's Edwards is No. 25.

Randy Woolley (10) makes a jump shot for the B team's victory. Calera's Gay (10), Busby (11) and Payne (13) wait for chance at a rebound.

Roanoke Defeats Bulldogs, 50-39

By S. DeMent

The tall sharpshooters from Handley High of Roanoke were too sharp for the Bulldogs Saturday night as they outscored Montevallo here 50-39. Cold as the weather outside, the Bulldogs just couldn't find the range too well, except for one spurt which came in the final quarter too late to repair the harm.

After giving the Roanoke five a good fight throughout the first half, the Bulldogs went into intermission trailing by six points with the score 24-18.

In the third quarter Montevallo, guilty of eight fouls, saw Roanoke sink nine free throws and four field goals as they extended their lead to 41-22. The Bulldogs hit only one from the field and two times from the free-throw line in that period.

Rallying temporarily in the fourth quarter, Montevallo poured through 17 points to 9 for the opponents; but the damage was done. The gap was too wide for the struggling Bulldogs to master as Roanoke took the decision 50-39.

Roanoke's Traylor, averaging double column figures for five successive games this year, had 17 points. Eight of the 17 came on free throws. Ronald Smitherman had 11 and Jim Potts hit for 9 to lead the Bulldogs.

Montevallo Chamber of Commerce

Don H. Lovelady, vice president of Montevallo Chamber of Commerce, presided at the regular monthly meeting at Town Hall Thursday evening. James F. Whaley, president, and M. Thornton, secretary, were attending the Birmingham Chamber of Commerce annual dinner in Birmingham.

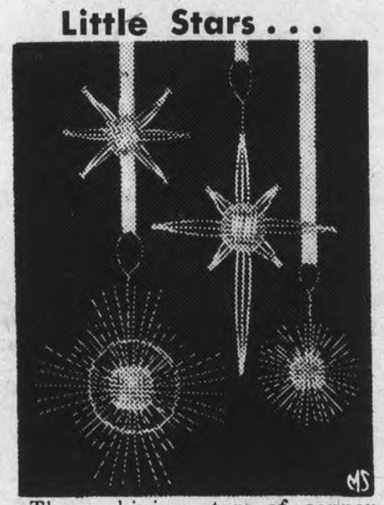

During the meeting a nominating committee consisting of Kyle McClure, Harvey Rochester, and Earl McGaughy was appointed to nominate 1959 officers. Another committee made up of M. S. MeGehee, Ralph Sears, and Jack Sims was named to plan for the annual Chamber of Commerce dinner. It is expected that soon after the annual dinner meeting, which is to be held during January, that a program of work committee will be appointed and that objectives will be set up for next year's members.

Although a summary report is not yet ready by James F. Whaley, president, it is the plan for the group to know about the accomplishments of 1958.

After a report of the Christmas Lighting Committee by Sam Klotzman the Chamber agreed to pay the additional cost of lighting not already raised by the committee. The question of securing ambulance service was discussed and it was reported that a funeral home operator had indicated an interest in coming to Montevallo. A motion was made and passed to the effect that the Chamber of Commerce would underwrite an advertising program as was suggested and discussed by Don H. Lovelady.

M. S. McGehee is the Goodfellow Chairman for Montevallo. The Rotary club is sponsoring this community project as part of a county-wide project and the quota set for Montevallo is $340. It is expected that one or more of the youth groups will be requested to help with packaging the gifts for the various families involved.

Twinkle, Twinkle Little Stars . . .

These shining stars of copper and brass wire, elegantly handcrafted, are the very latest in Christmas tree ornaments this year. Made as stellar bursts or with as many as eight points, they have been designed to reflect to shimmering advantage the gay colored lights with which you trim your tree, and say a Merry Christmas in a special way.

Bibb County Edges Montevallo, 47-40

By S. DeMent

Montevallo and Centreville fought a see-saw battle in basketball last Thursday night at the Centreville Armory. Seven times the score was tied, and nine times the lead changed hands before the final quarter when the Bibb County quintet went ahead to win 47-40.

At the end of the first period Montevallo held a one-point lead, 11-10; but as time ran out at the half, Centreville had tied the count at 20 all. However, a Bulldog foul as the whistle blew gave Cox two free throws; and Bibb went ahead 22-20 at intermission.

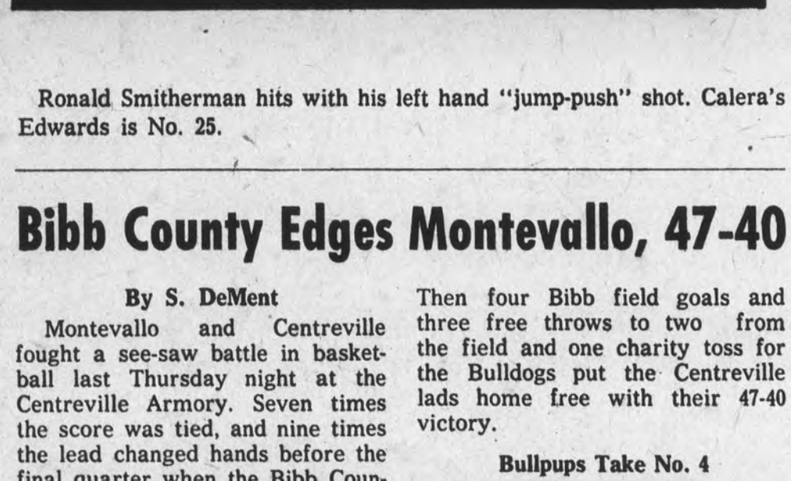

Montevallo gained back one point in the third quarter but the Choctaws remained in the lead 36-35. Then four Bibb field goals and three free throws to two from the field and one charity toss for the Bulldogs put the Centreville lads home free with their 47-40 victory.

Bullpups Take No. 4

Montevallo's B team continued to win as they took their fourth straight victory against no losses for the season. They downed the Centreville B's 42-27.

Jack Rasberry, hot on the long shots, scored 16 points for the game's best.

Montevallo plays Thompson Friday afternoon at 1:00 in the Mid State Tournament to be held at Jemison December 18-20.

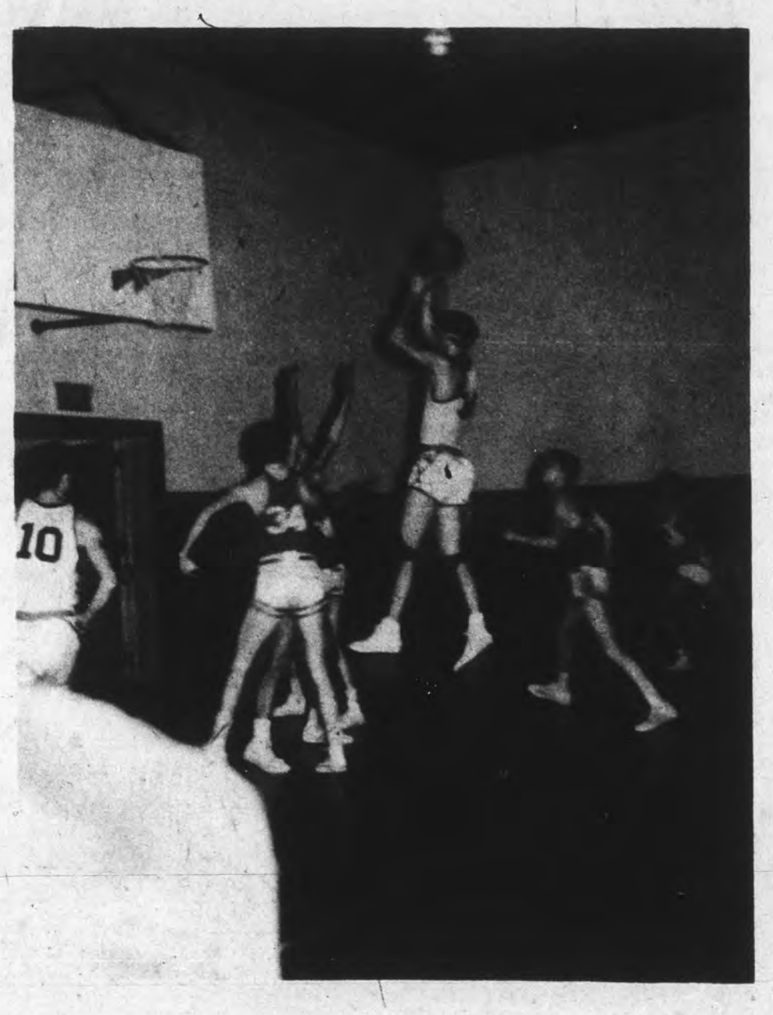

Montevallo's Cheerleaders, Gail Lucas, Janice Jones, Janice Waters, urge the Bulldogs to action at all home games.

Frank Thiemonge Joins State Chamber Of Commerce as Field Representative

Frank L. Thiemonge, Jr., will join the staff of the Alabama State Chamber of Commerce Jan. 1 as Field Representative, Jack W. Warner, Tuscaloosa, president, has announced.

The new State Chamber Field Representative will spend a great portion of his time in calling on State Chamber members throughout Alabama and discussing the Chamber's action program with them, John M. Ward, Executive Vice-President, said. As the State Chamber's membership continues to increase, Ward added, the need for closer personal contact with members is greater and Thiemonge will provide this necessary link.

FRANK THIEMONGE

Thiemonge is a native Alabamian and was born in Birmingham. He was graduated from API, Auburn, and has been sales manager of a grain firm in Birmingham. He served in the Navy during World War II, and more recently has operated his own business, the Central Feed and Grain Co., Montevallo. He lives on his farm near Montevallo and is a breader of Shorthorn cattle.

Active in civic affairs, Thiemonge is a member of the Presbyterian Church, Sigma Chi Fraternity, Masons, Alabama Cattlemen's Association, a director in the Shelby County Farm Bureau, American Legion, and is a past president of the Montevallo Rotary Club and the Chamber of Commerce. He is married and has four children.

Presbyterian Choir Presents Program

A special feature of the morning worship service at the Montevallo Presbyterian Church on Sunday, December 21, at 11:00 were songs presented by the newly organized Junior Choir. They sung "There's A Song In The Air" and "Infant Holy, Infant Lowly."

After the Christmas party for the Sunday School on Sunday afternoon, the Choir went caroling.

Alabama Baptists Lead in Giving to Convention's Cooperative Program

Alabama Baptists led all Southern Baptist states in the percentage of gain in giving to the Cooperative Program, through November, 1958, it was reported in a meeting of the executive committee of the Southern Baptist Convention in Nashville this week.

So far this year, Baptists in the state have given $879,827.14 to the Cooperative Program, a gain of 49 per cent over $587,206.78 the same time last year.

In a letter from Dr. Porter Routh, executive secretary-treasurer of the executive committee of the Southern Baptist Convention, he said, "I want to take this special opportunity to express appreciation for the very large offering of $75,117.95 received during November from Alabama. Alabama led every state in the Southern Baptist Convention, in November."

Speaking of the work of Dr. A. H. Reid, executive secretary of the Alabama Baptist state executive board, Routh continued, "This is a reflection of the growth of the grace of giving on the part of Alabama Baptists and your leadership in the world concern for every missionary cause."

The Alabama Baptist State Convention has adopted a total budget of $3,515,000 for 1959, including money to be used in the state for operating funds and building.

Conservation Club Being Organized

Members of the Montevallo FFA Chapter and adults in the community are organizing a club called the "West Shelby Conservation Club".

Among the objectives of the club are improving game and wildlife, forest fire prevention, obeying game laws, and propagating game.

The first regular monthly meeting will be held January 13, 1959. All the work of the organization will be closely coordinated with the Alabama Wildlife Federation and the State Department of Conservation.

Already the FFA boys are making plans to plant 25,000 pine seedlings. They are also helping with organized fire control and prevention.

Officers for the West Shelby Conservation club are: Ed Davis-ton, president; D. R. McMillan, vice-president; E. C. Simpson, treasurer; Jess Henson, secretary; and M. Thornton, coordinator.

Ford and Sylvania Announce Nationwide Photography Contest

A national flash photography contest for amateur camera fans, offering the grand prize winner an all-expense paid, two-week trip to California's luxurious Pacific Ocean Park for his entire family plus a $10,000 cash award and a 1958 Ford automobile, was announced today by Sylvania Electric Products Inc. and Ford Motor Company.

Entitled Picture Yourself in a 1959 Ford, the giant contest will begin January 1 and extend through March 15, according to George C. Connor, vice president—photolamp sales of Sylvania Lighting Products, a division of the company, and Walter J. Cooper, general sales manager of the Ford Division of Ford Motor Company.

More than 300 additional prizes featured in the contest include identical trips to Pacific Ocean Park via American Airlines for the families of the two runners-up, and 1959 Fords for two third-prize winners. Other prizes will be 20 Sylvania television sets, 100 Argus color-slide cameras and 200 Sylvania radios.

"The Sylvania-Ford contest surpasses all previous consumer contests in the history of the photographic industry," Mr. Connor said. "It will be activated in every U.S. community through more than 100,000 Sylvania and Ford dealers, while a multi-million dollar advertising program assures that not a single American family will miss the opportunity of earning contest details."

In his announcement Mr. Cooper said, "We are gratified that Sylvania, after looking over all the 1959 cars, selected for its contest the 1959 Ford, which was awarded a Brussels World's Fair gold medal for its beautiful proportions. Ford and Ford dealers welcome this opportunity to cooperate with Sylvania in what we believe is the first national joint photography promotion in which any U.S. auto manufacturer has participated."

"Contestants will find that Ford dealers are ready to assist them in every possible way," Mr. Cooper added.

Two top-rated network television shows, Sylvania's "The Real McCoys" and Ford's "Tennessee Ernie Ford Show," will be utilized to promote the national contest together with extensive advertising in newspapers and such mass-circulation publications as Life magazine.

To enter the Sylvania-Ford contest, the contestant must forward to Sylvania a flash photograph of himself or his family taken in a 1959 Ford. The photo must be taken with a Sylvania Blue Dot flashbulb, and must be accompanied by a contest entry blank and the trademark from a sleeve of Sylvania flashbulbs.

Entry blanks will be available at local Sylvania dealers after January 1. The photographs may be taken in the showrooms of local Ford dealers where new Fords will be dispayed especially for picture-taking purposes.

Entries will be judged on the basis of the story-telling value of the picture, and its originality in expressing the contest theme—Picture Yourself in a 1959 Ford. The complete list of winners will be announced about May 15.

As guests of Pacific Ocean Park, the grand prize winner and his family will visit Mexico, Catalina and Las Vegas, tour movie and television studios, and vacation at famous resort hotels.

Since 1945 there has been an overall increase of approximately 43 per cent in the total number of victims of alcoholism in Alabama, statistics reveal.

In 1956, there were an estimated 41,400 alcoholics in Alabama. Nearly 1 of 75 persons was, therefore, an alcoholic, a survey shows.

Festive Rites Originated In Dim Ages Past

From the dim ages of long ago have come many of the festive rites and customs of our Christmas season.

The symbolic use of a tree dates back at least 4,000 years, when Egyptians celebrated in honor of their Sun God, in the month corresponding to our December. They believed that the sun died every night and was born again in the morning, and that late December and January brought the turning point, when the sun remained with them a little bit longer each day. This was a season of rejoicing, and the palm trees became their symbol, as it put out a leaf every month and the twelve leaves symbolized the complete year.

A few thousand years later came the feast of Saturnalia, also held in December, but the tree the Romans used was a tall conifer, loaded with decorations. Roman legions carried this symbolism over the Alps into Gaul; and about 15 B. C. the tree was used in Yuletide celebrations of the Germans.

Hundreds of years passed, and a tree became the symbol of celebrations connected with the patron saint of Russia and of children—Saint Nicholas, who in his lifetime was Bishop of Myra, in Asia Minor.

Another Christmas finds us joining hands with all our friends to wish you a happy holiday.

Many jibes and jokes have been directed at our fire department for its performance (or, some say, lack of performance) at the school fire last Wednesday. Some have gone farther than jokes and have indulged in downright criticism.

We should not be so harsh with the boys who constitute our volunteer fire fighting group. We should remember that they must have time for training and proper organization. In fact, they must have the proper equipment with which to train. Up to now the new hose which was bought with the new truck has not been delivered. This one fact is responsible for the poor show which they put on last Wednesday. If they had had the new hose, it would have been a different story.

Then you may be disposed to criticize the boys, or Red Mahan in particular, for the damage that was done to the fire truck. But Red has a perfectly reasonable explanation of that incident and it is, in the final analysis, chargeable to the lack of servicable hose pipe.

Montevallo is just now in position to develop a fire-fighting organization. We have the new truck. We will have the new hose soon. We have the men to use these devices.

Give them a little time. Constructive criticism will not hurt but unwarranted criticism will breed discouragement. We all want an effective and efficient fire-fighting machine. Let each of us do our part toward building it. (Editor's note: The above editorial was published on Dec. 15, 1938.)

Variety Program Ushers in Holiday Season at Montevallo High School

Ronald Smitherman, left, is shown receiving the Shelby County Football Championship Award from Bob Bolton, of Columbiana. In the background are members of the football team.

Left to right, John Lovelady, Wayne Smitherman and Bill Bob Garrett are shown receiving the Alabama Flag from the DAR's Friday. Presentation of the flag was made by Mrs. Charles Gormley Friday at the Montevallo High School Assembly.

A variety program, which included group singing of Christmas carols, to usher in the holiday season at Montevallo High School Friday, was sponsored by the Hi-Y and Men's Chorus there.

The male chorus, a quartet, and a solo were featured in the musical portion of the program.

The chorus, under the direction of Bruce Tolbert, Alabama College voice teacher, sang several numbers. Among these were "Tom Dooley," "Bullfrog on the Bank," and Christmas music. Johnny Dailey was featured as soloist with the chorus.

A quartet of Hi-Y boys, Ben Harrison, Bill Knowes, Johnny Dailey, and Billy Joe Herron, harmonized on several Christmas selections. Included among their offerings was the popular, "We Wish You a Merry Christmas."

Soloist Bill Knowes, senior, was accompanied at the piano by Gibbes Scott in his rendition of "O Holy Night."

Highlights of the program came when the school received an Alabama State flag and the Shelby County football trophy.

Mrs. Charles Gormley, co-chairman of the PTA Citizenship Committee, which secured the flag, spoke on behalf of the local chapter of D.A.R., its donor. Accepting the flag for the school and displaying it were four flag bearers from the Jr. II class, Wayne Smitherman, Guy Milford, Johnny Lovelady, and Bill Garrett.

Bob Bolton, of Columbiana, awarded the Shelby County football trophy to the Montevallo team. In making the presentation he recognized various individuals whom he said played a vital part in any school's producing a winning team. Included among these he mentioned were the coaches, the band and its director, and the cheerleaders. Each year Mr. Bolton personally gives the trophy, which for the past seven years has gone to the Thompson Warriors. Ronald Smitherman, football captain, accepted the trophy for the Bulldogs.

Janice Jones and Larry Smitherman received portable radios for their work in a magazine sale recently completed by the Juniors. Cratie Corbett, class sponsor, made the presentation on behalf of the Curtis Publishing Company, which furnished the prizes for the two top salesmen.

Larry Smitherman, Hi-Y chaplain, led a devotional, which opened the program; and Ronald Smitherman, president was announcer. Charles Martin is faculty sponsor of Hi-Y at Montevallo High School.

College Students Play Santa Claus

"It's fun to play Santa Claus," according to the social work majors at Alabama College.

Again this year they are collecting food, clothing, and toys for needy families in the Shelby County area. More than 35 families, including 130 children will benefit from this project.

The Sociology Club sponsors the project at the college. The laboratory school and the high school classes choose families for whom they wish to prepare Christmas boxes. Descriptions of the families are furnished by the social work students. The number of persons in the family, the ages, and their most pressing needs are told to the classes.

The list of families is compiled by the social work majors as a result of case work they do as a part of their studies. The social science department adds some families to the list.

The Student Christian Association at the college is preparing Christmas boxes for five of the families. They will supply food, clothing, and toys for them.

"We get more food than anything else," said Pat Perrault, Charleston, S.C., a senior social work major in charge of the project.

"There have been cases when a class or a group has furnished a complete dinner, including the turkey," she said.

Although the number of male alcoholics in Alabama exceeds that of females, the ratio is decreasing, statistics indicate.

* * *

Alabama's three most heavily populated counties, Jefferson, Mobile and Montgomery, comprising about one-third of the state's population, had about half the state's alcoholics in 1956, a survey shows.

South America Is Adopting Many Of Our Yule Customs

North American customs for the celebration of Christmas are becoming more popular in Latin American countries. Our southern friends, however, have many holiday traditions we could well adopt.

In Mexico, for instance, during the nine days before Christmas, candlelight processions are formed nightly. They are called Posadas.

This ritual reenacts the Holy Family's journey to Bethlehem and its difficulty in finding a place to stay.

It is arranged for the marchers to be refused entrance at a home, then admitted with rejoicing and great festivities.

Also, Mexico has a tradition called breaking the pinata. A fragile earthen jar—the pinata—is filled with candy, toys and trinkets and suspended from the ceiling.

Guests are blindfolded, spun around, and allowed to hit at the pinata with a stick. When it is smashed, everyone rushes for the shower of treats.

The youngsters of many Latin American countries look forward to January 6—the Epiphany—and a visit from the Three Wise Men when gifts are received.

Children address their letters for Christmas to the Baby Jesus, care of St. Peter in many Latin American countries. And in Colombia it is a custom for merrymakers to masquerade in the streets on Christmas eve. Whenever a friend detects another's identity, he claims a reward.

Planning holiday party menus and shopping lists early will eliminate extra trips to the store.

Stocking Hanging Became A Custom Through Accident

With delight and great expectations every American child hangs his stocking by the fireplace at Christmas time. Thereon hangs a fascinating tale of adventure.

Once upon a time—so the legend goes—kindly Saint Nicholas, who was in reality Bishop of Myra, in Asia Minor, unintentionally originated the custom of hanging stockings by the fireplace on Christmas eve.

Saint Nicholas was a kindly man and jolly, and very rich. He loved to make mysterious journeys into the country and poor sections of the community to bring secret gifts to the poor. For a long time his identity remained hidden, but he was caught at last with his sack of gifts on his back.

Down The Chimney

Saint Nicholas knew an old nobleman who was very poor and who did not want anyone to know of his poverty. Wishing to give him a gift of money Saint Nicholas crept to a window of the house and saw the old gentleman asleep by the fire.

The good Bishop climbed to the roof of the house and dropped his gift down the chimney, thinking it would fall on the hearth at the nobleman's feet.

However, it so happened that the gentleman's daughter had hung some stockings to dry by the fire and the money fell into one of them. From this kindly deed of the good Bishop has grown the widespread custom of hanging stockings at Christmas time.

Died In 1087

The anniversary of Saint Nicholas' death in 1087 eventually became a festival in the Russian church, and in time the name became corrupted to Santa Claus and associated with the festivities of the Christmas season, with its tree, its decorations, the holly and the mistletoe.

May the bright Star of Christmas light your way and fill your house with happiness. It is with genuine joy we extend these greetings to friends here and everywhere.

Miss Oglesby Is Shower Honoree

Mrs. Earl Johnson entertained with a bridal shower Saturday, December 13, from 2:00 to 5:00 o'clock, at her home in Underwood, honoring Miss Evelyn Oglesby, whose marriage to Jimmy Jenkins will take place in early January.

Miss Tommie Peete registered the guests. Miss Lilly Ann Smith ushered the guests into the dining room. Miss Amelia Frost presided at the silver punch bowl. She was assisted by Mesdames Clay Lucas, Walter Helms and Dorthy Allen ot Underwood.

The table was covered in chantilly lace over mass green. A beautiful arrangement of white snapdragons and red carnations covered by a minature umbrella, lanked by silver candelabras containing red candles at each side, was the center of interest. A tiny bride and groom stood near the umbrella arrangement.

Red, green and white snap dragons and carnations were used throughout the living and dining room.

The color scheme was used in the dainty decorative cakes, mints, and punch. Many guests called during the appointed hours and many gifts were presented to the bride to be.

The Flying Santas receive a special greeting from these twin girls and their smaller brother. The McKee children, Terry, Janet and Joy set up the sign on Southern Natural Gas Company's right-of-way near their home. They are waving at one of the Southern Natural patrol pilots who annually parachute some 2,000 packages of candy and toys to the children who live in rural homes along the company's pipelines in Louisiana, Mississippi, Alabama, Georgia and South Carolina.

Roads Were Not Paved For First Yule Trip

THERE were no modern highways leading from Nazareth to Bethlehem when Mary and Joseph undertook their memorable journey nearly 2,000 years ago.

The way was rough and hard and dangerous.

As far as routes were concerned, there were three. The western route led along the sea-coast and through the plain of Sharon. This route was unpopular with pious folk like Mary and Joseph who shunned the heathen cities rowdy travelers and the ungodly as much as possible.

The shortest route via the fruitful plains of Esdraelon into the mountains of Samaria and through Shechem and Bethel, was not very popular either. The road was tolerable, but steep; however, the Jews had little use for the Samaritans, and vice versa.

The Jordon route, which descended into the Jordon valley and followed the river's east bank around Jericho, was favored by the majority of Galilean travelers who for the Passover and other religious events went down to Jerusalem at regular intervals and knew their way around as well as suburbanites know their way around modern metropolitan areas.

If the Jordon route was a little round-about, it was fairly level—and steeped in Jewish history, from the shadow of Mount Tabor where

Saul in desperation sought his "witch" of Endor, to the tomb a little before Bethlehem where the first Joseph buried his beloved Rachel.

It is fairly certain that Mary and Joseph did not choose the western route when they planned their very special journey. Whether they chose to go by way of Shechem and Bethel, or around the walled city of Jericho may never be determined definitely.

But, the distance — nearly 100 miles—was, in any case, unrelenting and conquered only by persistent plodding. And when Mary was too tired to go another step, Joseph took the packs upon his own shoulders so she might ride the little donkey which trudged faithfully at his side.

This was a hard journey and Mary appreciated the shelter of the stable that night—no one could have been more grateful or more happy than Mary. And she brought forth her first-born son, and laid him in a manger.

When you water a Christmas tree, add a few tablespoons of sugar to bring out the fragrance of the pine.

Christmas Rose Very Popular As Yule Flower

Growing in popularity, the Christmas rose has become a serious competitor of holly, mistletoe, poinsettias and other plants that decorate our homes at Christmas time.

The dimunitive plant puts forth seven or eight white roselike blooms tinged with pink. It has lustrous dark green foliage and a mature plant is no more than a foot high.

A cold-weather plant, the Christmas rose flowers naturally in December or January. It withstands snow and low temperatures. It does not propagate well in the United States. Most of them are imported to florists from Belgium and the Netherlands. They develop best in soil peculiar to the western parts of those countries.

Grows In Low Countries

Gardeners in the Low Countries grow the plant from slips taken from the parent plant after it has finished blooming in January. The shoots are grown under glass.

In incubation a Christmas rose's leaves are pruned regularly to give it added strength for blooming. After three years of care the plant is mature and ready to put forth its famous winter blossoms.

Ancient Romans were familiar with the Christmas rose and eagerly sought it for medicinal use. They believed that eating the roots would "clear the brain, cure stupidity, and relieve insanity."

A Christmas Legend

Like many flowers, the Christmas rose has its own special legend. According to the story, a poor shepherd girl watched the Wise Men come with rich gifts to present to the newborn Christ Child, and she wept because she had no present to offer. An angel suddenly appeared.

Learning the cause of the girl's distress, the angel waved a wand. Instantly, glistening white flowers carpeted the ground. The young shepherdess gathered blooms. When she presented her gift, the Infant smiled. As His fingers touched the delicate white flowers, they became tinged with pink.

The plant's legendary association with Christ carries to regions where it blooms in early spring. There it is often called the Lenten rose.

The incidence of alcoholism in Alabama increased at a rate almost four times as great as the general population increase since 1945, a recent survey shows.

Phillips To Attend College Meeting

Dr. Howard M. Phillips, president of Alabama College, will attend the meeting of the American Association of Colleges in Kansas City, Mo., Jan. 6-8.

"Financial and structural problems of the liberal arts college" is one of the topics on the agenda.

As a sidelight of the meeting, a group of college presidents who attended the Harvard University institute for college presidents last fall will have an "alumni" banquet.

Other topics to be considered at the American association meeting are "A professional code worthy of the academic vocation, cooperation between the two-year and the four-year college in broading educational opportunity, and programs for the preparation of first class teachers."

Yule Was Not Always Celebrated On Dec. 25

Like Easter, Christmas was once a movable feast, celebrated on a different date each year.

In 337 A. D. St. Cyril, bishop of Jerusalem, with the permission of Pope Junius I, appointed a commission to determine, if possible, the precise date of Christ's nativity.

The theologians finally agreed upon December 25, and since the year 354 this date has been celebrated.

Specially prepared silicon, used in Bell Solar Batteries, originally came from sand—one of earth's most abundant substances.

How To Make Christmas Cookies

Christmas cookies can mean Christmas cheer, whether they are made for gifts, or for family members to nibble around the fireside during the holidays.

The Home Economics I classes at the Montevallo High School have learned how to make and decorate Christmas cookies that are inexpensive, easy to make, and loads of fun for both young and old family members.

A simple butter cookie dough, cookie cutters in the shape of a star, Christmas tree, bell or Santa Claus are needed for these Christmas confections. Dried coconut may be colored green by shaking in a fruit jar containing a half teaspoon green cake coloring and one half teaspoon water. After coconut is thoroughly dry it can be sprinkled on Christmas tree cookies that have been lightly frosted with pale green butter frosting. Vari-colored candy decorettes, bought from the grocery store can be sprinkled on the "trees" giving a very colorful effect.

Basic Rolled Cookie Dough:
1 cup butter or oleo.
¾ cup sugar.
1 egg.
2 teaspoons vanilla.
4 cups flour.
½ teaspoon baking powder.
¼ teaspoon salt.
1. Cream butter.
2. Add sugar and cream together.
3. Sift flour, baking powder and salt together.
4. Add slightly beaten egg to butter-sugar mixture.
5. Add dry ingredients and mix into dough.
6. Divide dough into two parts and chill in refrigerator.
7. Roll out to ⅛" thickness. Bake on ungreased cookie sheet in 375 degrees for 8-10 minutes or until slightly brown.

Legends Vary About First Christmas Tree

There are many legends about decorating the Christmas tree. One dates back to Boniface, who as England's missionary to Germany in the 8th century, "replaced the sacrifices to Odin's sacred oak to a fir tree adorned in tribute to the Christ child".

Others say that the tree and its candles should be attributed to Luther. Another says the practice dates to the Teutonic practice of bringing trees into homes to appease the god-like spirits that were believed to inhabit forest timbers.

But there is a legend more beautiful than all the rest. According to it, when Christ was born a group of stars looked down upon an olive tree, a date palm and a pine tree which stood over the manger.

Seeing that the pine had nothing to offer in His honor while the others gave fruit and dates, they descended from the heavens to rest upon the pine's boughs as an offering—and that was the first Christmast tree.

Christmas Outlawed

The Puritan government of England outlawed Christmas in 1643. Christmas customs and traditions were revived with the restoration of the Stuarts, but the holidays never regained its former prestige in England.

Students Have Christmas Dinner

Baked turkey on bread dressing is not unusual, especially at Christmas time. But 286 pounds of turkey on 85 pounds of bread dressing is a bit more than most cooks serve at one meal.

Mary Cecil Forbus, Alabama College dietitian, included that giant-size serving of turkey and dressing in the annual "family Christmas dinner" served at the college Wednesday evening.

Her menu also included 720 fresh congealed cranberry salads, 40 pounds of rice, 15 gallons of gravy, 90 pounds of buttered broccoli, 2,000 blueberry muffins, and 100 mincemeat pies with whipped cream topping.

Miss Forbus takes advantage of the products furnished by the college's own dairy. The dairy supplies the dining room with whipping cream, ice cream, and an ample supply of milk.

Food consumption has increased with the increase in the number of male students enrolled at the college. "We serve 'seconds' and even 'thirds' if the students want more food," Miss Forbus said.

She is well acquainted with what Alabama College students expect and want in the way of food from first hand experience. She attended Alabama College and received her degree in home economics.

She supervises 26 full-time chefs and porters in addition to students who work part-time serving in the dining room.

"The students enjoy the family style meals, and this type of service makes additional part-time work available for students," Miss Forbus said.

Guests of the students for the Christmas dinner were President and Mrs. Howard M. Phillips, Dr. and Mrs. M. L. Orr, Sr., Mr. and Mrs. Lee Barclay, Dr. and Mrs. L. C. Parnell, Dr. and Mrs. John Walters, and Miss Iva Gibson.

With hopeful hearts we join you in singing His praise. May people everywhere come to know and love the true spirit of Christmas and the joy that comes from giving as well as receiving.

Jemison Wins Cage Tourney

Jemison's cage team won the Mid State Conference tourney crown at Jemison Saturday night in a 28-27 thriller over the Maplesville Red Devils.

Consolation prize went to Isabella, as they beat Verbena, 65-53.

The Jemison team gained its small, but winning, margin in the first quarter as they finished the period out front in an 8-3 score. This five point lead proved to be strong enough to carry them through the second period, still in the lead. It was 17-16 at halftime.

Both teams scored evenly, although infrequently, in the third period and Jemison still held a one-point margin at the end of the quarter, 22-21.

The game was determined in the last 15 seconds of playing time as Jemison managed to keep the ball away from Maplesville shooters long enough to win by a single point.

An All-Conference team was named after the final game. Listed on the team were Leslie Speed, Carlowville; Burnie Mullins, Verbena; Leonard Coggins,, Isabella; Harry Benson, Jemison; Allen Fancher, Planterville; Billy Ray, Jemison, Bobby McAfee, Maplesville; Donney Guy, Jemison, and Bobby Shackleford, Hicks Memorial.

Benson was high point man for Jemison in the final game with nine tallies.

Parks shoots for Calera while Ray of Jemison waits for the rebound during the mid-state tournament Friday.

STUDY CLUB MET

On December 16th the Montevallo Study Cub met at the home of Mrs. Howard Phillips with Mrs. M. Thornton as co-hostess.

This was a very enjoyable and memorable meeting:

First, we appreciated the beautiful Christmas decorations which added much to the atmosphere and spirit of Christmas.

Second, there was a full attendance and each member brought a Christmas gift to be sent to Bryces Hospital.

Third, the program for the afternoon was most interesting and was given by Mrs. Albert Scott. She chose for her talk—Helen Hayes, an outstanding personality in the field of theatre.

The increase of alcoholism among women in Alabama since 1941 is greater than that among men, statistics show. There were 47 percent more women alcoholics in 1955 than in 1941 and 16 per cent more men alcoholics.

Most Alabama physicians contacted a large number ol alcoholics in 1957. A recent survey shows that each of 614 physicians reported seeing an average of 15 patients with drinking problems during the year.

Bulldogs Reach Tourney Quarter-Finals

Coach Cratie Corbett's Bulldogs downed Thompson, 53-45, to reach the quarter-finals of the Mid-State Tournament, in which they dropped a heartbreaker, 52-50, to Isabella. The tournament, initiated this year, was held at Jemison December 18-20. In the low-scoring final match Jemison edged Maplesville 28-27 for the title.

Montevallo Wins 53-45

In the first round of play Montevallo downed a tall, experienced Thompson team 53-45. At the outset Thompson took a quick 6-4 lead, but Jimmy Thrasher hit the field goal which tied the count at six, and Montevallo was never topped after that.

Jim Potts, stepping into a starting role for the tournament, was Montevallo's leading scorer. He hit five for ten from the field and sank seven charity tosses to total 17 points for the afternoon.

Forrest Brown and Ronald Smitherman both scored 11. In the rebounding department Brown pulled 17 from the boards and Potts nabbed 16. Scrappy-Dan Thornton gave his usual excellent performance on the floor.

Peeples and Bentley for Thompson scored 15 and 14 respectively.

Isabella Edges Montevallo 52-50

Big Forrest Brown, unanimous choice for the All-Conference selection, led Montevallo in the 52-50 game which they lost to Isabella. Brown scored 16 points and took 24 from the backboards for a brilliant performance .

In command from the start, the Mustangs jumped to a quick lead and were out front 12-9 at the end of the first quarter. By halftime they had stretched this lead to seven points as Montevallo trailed 27-20.

Geting up steam in the third period, Isabella really poured it on as the Mustangs pushed even further ahead and led 43-32 at the end of the quarter. Even though they simmered down in the final quarter, the Mustangs held enough advantage to withstand an 18-point rally by the Bulldogs as they scored only four points in that frame. Final count was 52-50, Isabella.

The tallest and shortest of the Bulldogs joined forces to lead the scoring for Montevallo in this quarter-final match. Brown hit for 16 points and Thornton 12. Barclay Fisher, who went in in the last three minutes of play, added six quick points to the rally which fell two points short of tying the score,

Coggins, also unanimous choice for All-Conference, paced the Mustangs' attack with 20 points.

Mr. and Mrs. Adams Honored at Dinner

A buffet dinner was given at the home of Mr. and Mrs. J. P. Adams, Sunday, Dec. 21st, in honor of Mr. and Mrs. J. C. Whetstone from Columbus Ga.

Guests from Wilton and Montevallo were Mr. and Mrs. Maurice Whetstone, Mr. and Mrs. Glenn Alexander, Mr. E. G. Alexander and Miss Jo Ina Huckabee. From Thorsby Mr. and Mrs. Dan Whetstone and Kenneth and Johnny Martin. From Birmingham Mr. Robert Adams and sons Bill, Jerry and Charley Adams.

Those calling in the afternoon were Mr. and Mrs. Will Allen from Montevallo, Winston Allen, who is home from Berry School for the holidays, and Mr. and Mrs. Carl Robert Allen from Norfolk, Va.

Mr. and Mrs. Ed Givhan and little son of St. Louis, Mo., are visiting their parents, Mr. and Mrs. F. P. Givhan, in Montevallo, and Mr. and Mrs. Bear, in Montgomery, during the holidays.

Lochamy Family Has Christmas Reunion

"The Pines", the home of Mr. and Mrs. M. W. Hammond, Calera was the scene of a Christmas dinner, Dec. 21, for the Lochamy family.

Those enjoying the turkey and all the trimmings were: Mr. and Mrs. John Rylant of Gardendale; Mr. and Mrs. Louie Rylant, Skipper, Jim and Carol, Mr. and Mrs. Joe Reguett and Jeff, Mr. and Mrs. Jack Spain, Mrs. Ida Nash, Mrs. Charles Lancaster, Miss Fannie Lochamy, all of Birmingham; Miss Peggy Jo Smith of Auburn; Mr. and Mrs. Stephen D. Cowart, Mr. and Mrs. Cecil D. Cowart, Mrs. D. G. Wallace, Mr. and Mrs. M. W. Hammond of Calera.

The incidence of alcoholism is greater among whites than non-whites in Alabama, a recent study shows, however, the rate among non-whites rose considerably between 1950 and 1956, while the rate among whites was declining.

Plants indoors need only about a third as much water and plant food as when grown outdoors, says The Progressive Farmer.

Since 1945 there has been an overall increase of approximately 43 per cent in the total number of victims of alcoholism in Alabama, statistics reveal.

TIMMY JONES HAS BIRTHDAY

Timmy Jones, son of Mr. and Mrs. Sonny Jones, celebrated his 4th birthday Sunday, Dec. 21st, with a party at his home. Games were played by the honoree and his guests, after which a beautifully decorated Zorro Cake, punch, candy, and nuts were served. Favors of balloons, masks, hats and whistles were presented the 20 little guests who attended.

In 1956, there were an estimated 41,400 alcoholics in Alabama. Nearly 1 of 75 persons was, therefore, an alcoholic, a survey shows.
